## City To Launch Crackdown On Violators Of Trash Laws

### Baccalaureate Service To Start Schools' Closing Activities

### Trash Pick-up Cost Spiraling, Council Is Told

Seniors of Hereford High School will wind up 12 years of public schooling next week with baccalaureate services Sunday starting the closing events. Commencement is slated for Friday night, May 29.

The 130-member class will have baccalaureate services Sunday at 8 p.m., with commencement Friday at 8 p.m. Jerry Franz, assistant pastor of the First Methodist Church, will deliver the baccalaureate message.

Mrs. John T. Sims will play the processional and recessional for both services.

The Rev. William A. Ware, pastor of the Temple Baptist Church, will give the invocation, to be followed by selections by the high school's mixed choir. The choir will present "We Sing To Thee, O Lord," by Techerpin, and "Once To Every Man and Nation," by York. Choir is directed by Don Moore.

The Rev. Joel Treadwell, vicar of St. Thomas' Episcopal Church, will give the benediction.

Larry Hill, president of the senior class, will open commencement exercises with the invocation. The senior girls' ensemble will then sing "Sail On, O My Soul," by Cain, and "How Lovely Are The Messen-

gers," by Mendelssohn. The salutatorian and valedictorian are to be announced at the services. At this time they will give the salutation and the valedictory.

Shirley Anderson will present the seniors' gift to the school, followed by the presentation of the class and presentation of awards by school principal Bill Michael.

Ivan Block, board president, will present diplomas to the 130 graduating seniors.

The school song by the senior class and the benediction by Steve Conaway will close the program.

The Class of '64 colors are red and white, and their flower is the red rose. Their motto is, "With the help of God, I shall either find a way or make one." Class officers are Larry Hill, president; Steve Conaway, vice-president, and Shirley Anderson, secretary. Sponsors are Virgil Young, Don Farmer, Miss Jean Collard, Joe Smith, Al Smith, James Balch, and Mrs. Billye M. Buck, coordinator.

The Class of 1964 starting in 1952 with 140 members. History of the class' accomplishment will be reviewed by the class in the senior assembly Monday morning in the high school auditorium. Also to be in the assembly will be the senior "wills", when the seniors will designate what goes to what lower classman when they are gone.

Theme for the history will be "The Big Ship Lollipop," to be headed by Bill Michael, school principal, as captain, and Neal Lueb as pilot. Those students who have researched the class records were Linda Lemons, chairman of the committee; Danny Cates, John Pavlicek, Neal Lueb, and Richie Albract.

The "ship" will stop at twelve islands on its way down through the years.

Also to be associated with the class history is the senior display in the high school which exhibits pictures of the students in their grade school days.

Seniors will take their final examinations Tuesday and Wednesday, their final day of school. All other students will not be dismissed until Friday.

The Hereford City Commission this week engaged in a lengthy discussion-filled session concerning the ever-rising cost of trash pick-up within the city.

The commission took little official action other than the purchase of two Dempsey Dumpster units at a cost of \$1,000 each and to recommend that the city manager begin immediate prosecution of persons violating the ordinances provided for the trash within the city.

"The main problem," City Manager Dudley Bayne told the commission, "is that of merchants dumping cardboard cartons into the receptacles, without crushing them."

"It is very easy to fill up one of the Dumpsters with five or six cartons if they are not flattened and a city ordinance clearly states that the cartons must be flattened," Bayne continued. The commissioners suggested that Bayne begin immediate court proceedings charging any person who has been "previously warned of the ordinance and continue in their abuse of the ordinance."

The commission postponed, until the next meeting, the proposal of an overall residential trash collection rate within the city. The rate is 75 cents per month and is the lowest rate charged by any city investigated by the commission.

The rate raise would not cover all business establishments, however, several businesses would receive higher rates, due to increased amounts of trash collected.

"The trash-collection problem is one of the costliest, time-consuming, businesses that the city is engaged in today. Last year alone, the city spent \$30,000 over and above the collection fees charged. This year will be no exception unless some corners can be cut or the collection fees are raised to meet those of other cities," Bayne explained.

In other business, the commission voted unanimously to annex the Tierra Blanca addition and also voted to annex an area submitted by Mrs. J. A. Pitman and John D. Pitman.

Bayne read a letter to the commission from the resident engineer of the Texas Highway Department. The engineer said the department had agreed to extend the widened highway on Harrison Highway to the present city limits.

In other action the commission voted for the street lights, which will be erected on the 100 block of Emma and the 200 block on Beach, to be the steel-type poles. (Continued on page 2)

## Around Town

With The Brand Staff

Fifteen fire officials from six area fire departments attended a two-weeks' school here conducted by Texas A&M University Engineering Extension Service. Attending from Hereford were W.J. (Dub) Reeves, chief; J. W. Dickerson Jr., assistant chief; Bill Drummond, captain, and Earl Phillips, vice-president of the Texas Firemen's association. Others attending included Joe Flee, Canyon; James S. Slough, Joe Wall, and Robert Leinen, Dimmitt; Ralph Shirley and Glenn Reeve Jr., Friona; Billy F. Andrews, Happy, and James E. Winder, Jack Sanders and Earl Watson, Springlake.

Free coffee and doughnuts will be served Saturday at Warren Bros. Motor Co. The firm is celebrating grand opening at its new location which is just north of the old location where they have been doing business for the past 16 years. The new lot has twice as much space as the old one, with more parking space for customers, according to John and Walt Warren, owners.

Jim Conkright, Hereford, a senior animal husbandry student at Texas Tech, was presented the Block & Bridle Club's merit award at a banquet in Koko Palace, Lubbock, last Friday night.

William D. (Dub) Holley, Olton, has been added to the staff of the High Plains Research Foundation at Halfway. He will specialize in flame cultivation research and in soil and crop studies.

Hereford is to be an overnight stop for a Texas-New Mexico-Oklahoma foodlot and ranch study tour May 25-29. The group will be here Tuesday, arriving at 6:30 p.m.

A public meeting sponsored by the West Texas and Eastern New Mexico units of Alcoholics (Continued on Page 2)

## Clinic Examines 144 Children

One-hundred forty-four children from throughout the Texas and Oklahoma Panhandles were examined by physicians here at last Saturday's "highly successful" free Shrine clinic for children. Wayne Phillips, president of the Oasis Shrine club which sponsored the event, said children came from as far away as Goodwell, Okla., and that ailments ranged "all the way from the feet to the head."

"Some of the cases," he explained, "were marked for immediate attention, while others were labeled as possible future treatments needed." "Several cases of plastic surgery were recommended, and a number also were recommended for bone corrective operations, especially in the feet." He said the officers considered the clinic "highly successful."

## Summer School For Beginning Latins Planned

Hereford school district will have an eight-weeks' special school this summer for Spanish-speaking children who will be 6 years old by Sept. 1, it was announced Wednesday. Parents of the children were asked to meet for a conference in the junior-senior cafeteria today at 1:30 p.m. when the school nurse will explain the school health policies. The school also will be explained and children will be enrolled.

School officials explained that the school, which is to open June 8 at Shirley and Central Elementary schools, will be free, and transportation will be provided from the labor camp to the schools. Sessions will be held Monday through Friday three hours each day for the eight weeks' period.

Mothers who are unable to attend today's conference were informed that they can enroll their children for this special school at Shirley Elementary school any school day from now until the close of the regular school term May 29.

## Wheat On Dryland Being Abandoned

Much of Deaf Smith county's dryland wheat "has been abandoned or will be abandoned soon if rain is not received," Texas employment Commission's farm labor bulletin said Wednesday. The reporter added that irrigated acreage is normal for this time of the year. The same report also covered Littlefield, Muleshoe, Dimmitt and Farwell areas.

On a state basis, the TEC bulletin foresees 50,544,000 bushels for the 1964 crop, based on early May conditions. However, TEC pointed out, the new estimate is 10,641,000 bushels below the 61,185,000 bushels forecast in April but is 24 percent above last year's exceptional short yield. The 1963 output was only 40,618,000 bushels. Acreage remaining in wheat was estimated by the farm labor division at 4,208,000 acres.

South Plains and Panhandle areas had not received substantial rainfall up to the time the report was issued. However, showers early this week, and good rains in the Lubbock area, have boosted prospects, although in the Lubbock area little land is devoted to wheat.

The report added that "average to above average yields are expected from irrigated acreage. For the extreme northern part of the Panhandle (Dalhart, Channing, Stratford, Dumas, Spearman, Borger and Perryton) the report read: "An estimated 50 percent of the dryland wheat has been abandoned and even further abandonment will occur if rain is not received soon. Irrigated acreage considered good."

Smith Road Machinery, Enid, Okla.; Service Machinery Co., Lubbock and West Texas Equipment Company, Amarillo.

Complicating the bid was the optional equipment to be traded by Precinct 1, which offered a Caterpillar and a Galion 118 motor grader for consideration. However, the Galion was retained by the precinct while the Caterpillar was traded.

First bid to be opened was that of Plains Machinery Co., Amarillo, listing a new Galion 118 motor grader with International 554 diesel engine, 125 hp, equipped with 14 foot moldboard, two foot extension, cab, heater, defroster, windshield wiper, rain cap, hour meter, lights and 13-00 x 24, 10-ply tires, listed at \$21,200. The company offered \$3,000 trade for the Caterpillar to be traded in by Precinct 1 or \$10,377 for the Galion leaving a net cost of Precinct 1 of \$16,377 or \$11,000, depending on the trade-in.

Next bid came from Tom W. Carpenter Equipment Co., who listed a new Galion 118 motor grader with International 554 diesel engine, 125 hp, equipped with 14 foot moldboard, two foot extension, cab, heater, defroster, windshield wiper, rain cap, hour meter, lights and 13-00 x 24, 10-ply tires, listed at \$21,200. The company offered \$3,000 trade for the Caterpillar to be traded in by Precinct 1 or \$10,377 for the Galion leaving a net cost of Precinct 1 of \$16,377 or \$11,000, depending on the trade-in.

Next bid came from Tom W. Carpenter Equipment Co., who listed a new Galion 118 motor grader with International 554 diesel engine, 125 hp, equipped with 14 foot moldboard, two foot extension, cab, heater, defroster, windshield wiper, rain cap, hour meter, lights and 13-00 x 24, 10-ply tires, listed at \$21,200. (Continued on Page 6)

## Commissioners Buy Three New Graders For \$40,000

In a called session last Monday, the Deaf Smith County Commissioners Court voted unanimously to accept the bid of West Texas Equipment Co. and purchase three new Caterpillar motor graders for Precincts 1, 2 and 4. Total cost to the county would be \$40,964 plus trade. Submitting bids for the graders were: Plains Machinery Co., Amarillo; Tom W. Carpenter Equipment Co., Amarillo; Bert

## Independents, Neutrals Chided By Baggary

Independents, "neutrals" and the political lazy came in for criticism from H. M. Baggary, Tulsa publisher and a strong supporter of the Democratic party principles, at a Deaf Smith County Democratic meeting in Community Center here Monday night.

"There are just too many people," the publisher charged, "who just couldn't care less about politics. They are uninforming and they don't want to be informed," he said. "If they vote at all, they do so without studying the issues or the men and the parties."

He claimed that the metropolitan press has "brain-washed" the people into believing "the way they want them to believe." Those people he said, are not given the true facts and they have nothing to which to make a decision when they go to the polls.

He also was critical of the independent, "Many people will say they are Democrats, but are conservative Democrats," he said. "There is no such thing as a conservative Democrat. The Democratic party is liberal, and the person who claims to be a conservative Democrat is not a Democrat. He pointed to General Walker as a "conservative Democrat."

He also was critical of the Democrat "who is ashamed to admit that he is a Democrat, or does so with a half apology." Baggary pointed out three ways in which the "liberal government" has served the country well during the last 25 years.

He said the liberal party prevented a revolution in 1933 "which would have swept the country to communism or socialism or something just as dire." He charged the Hoover administration with being a "do-nothing" administration which had permitted the hungry people to drive dangerously close to a dictatorship type of government while Hoover kept saying that prosperity was just around the corner.

He also gave the liberal party credit for halting "either a depression or run-away inflation after World War II." He said depressions usually follow wars "but a liberal program staved off a depression, or what is worse, a run-away inflation."

He also claimed the liberal government had "ushered in the highest standard of living ever in the history of the nation," adding: "More people today live better than ever in our history."

Baggary went to bat in defense of "seven areas which the Republicans claim are weak spots in our liberal Democratic party." "We point to them with pride instead and if they are 'weak spots' we plead guilty."

He said: "They claim we are driving toward socialism. Actually there are two kinds of socialism — the so-called and the real." (Continued on Page 2)

## Tags To Change Format In '65

Automobile license plates in 1965 will have a new look, Neil Miller, county tax assessor-collector, said Wednesday.

In the new format, the old two-letter prefixes will be replaced by three letters and three digits, she learned when she attended the state conference of tax officers in Corpus Christi last week.

In fact she brought back a sample of the new tags. She was quick to point out, however, that the sample on display in her office is just that — a sample. Prefixes will contain no vowels and no letter "Q" and no "special" letters such as LBJ or JFK will be assigned.

Mrs. Miller said the state has figured out that it can make 7,920,000 different tags by using the three letters and three digits in the plates — and without using vowels. Since the state this year issued 6.5 million, there is no likelihood that the tag makers will run out of combinations for 1965.

The new tags will be easier to see — up to 125 feet by people with 20-20 vision. And the word "Texas" at the top of the plate has been enlarged, too. Color will be the reverse of this year — black letters on white background for 1965.

Texas ranks third among the 50 states in total number of automobile licenses issued, she said. New York comes first with California only a shade behind. The new tags won't go on sale until the usual time — Feb. 1.

NEW LOOK — Texas' passenger car tags will take on a new look next year when the old two-letter, four-digit system will be replaced by three letters and three digits. Here Tax Assessor-Collector Neil Miller holds a sample of the 1965 tag. (Brand Staff Photo)

### Around...

(Continued from Page 1)

Anonymous is to be held in Community Center Sunday, starting at 2 p.m. Sponsors say the meeting will be of a "round-robin" nature and will not be limited to members of the organization. Speakers will include Shelby P. from Big Spring, and Mac N. from Tulsa, Okla.

Miss Judy Krelgahuser, Hereford, recently was elected "Rose of Delta Sig" of Eastern New Mexico University Chapter of Delta Sigma Pi, a professional business administration fraternity.

Hereford Lions club will install new officers at its luncheon June 3, J. F. Martin, president, announced Wednesday. Wives of the officers will be special guests.

### Poppy...

town Hereford area, on street corners and other strategic spots to insure that most of Hereford's residents have the opportunity to participate in this remembrance salute," sponsors explained.

The observance represents the culmination of thousands of hours of volunteer service by members of the Auxiliary all over the country. More than 150,000 Auxiliary members aid in program each year.

Disabled veterans who, through the rehabilitation program of the Auxiliary, are recipients from contributions made on Poppy Day, are paid for their work. Veterans alone, however, receive compensation for making the small red crepe paper flowers. All other work in connection with Poppy Day is done on a volunteer basis.

**DOLL FOR A VETERAN'S CHILD** — American Legion Auxiliary spends part of its money from the annual poppy sales for gifts for the VA hospital patients in Amarillo. Show holding the doll is Mrs. Ira Ott, Frio, state department hospital representative. The dolls, incidentally, are free to the service men. The poppy sale here has been set for next Saturday.

would include it in the next budget if the committee would proceed with the "front". Commissioners at the meeting were Gid Brown, W. L. Davis, Jr., Albert Maxwell and Lloyd Sharp. Mayor Ray Cowser, City Manager Bayne and City Attorney Earnest Langley were all present at the meeting.

Ninety-six of the islands and atolls of Micronesia in the Pacific are inhabited. Administrative districts are centered in Rota, Yap, Truk, Ponape, Koror and Majuro. The Saipan District is run by the U. S. Navy.

### Crash Victim's Rites Are Held

Funeral mass for Marcelo Estrada, Jr., 22, Route 3, Friona, who died early Sunday in an auto accident, was read Wednesday at 1 p.m. in St. Joseph's Mission by the Rev. Raymond Gillis.

Burial was in St. Anthony's Cemetery with Gilliland Funeral home directing the services. The fatal accident occurred about five miles west of Dimmitt early Sunday morning.

Survivors include his wife Juanita of the home, and two children; his parents and 10 brothers and sisters.

(Continued from page 1)  
The possibility of replacing other street lights in town with the new steel-type pole. However, no official action was taken and the matter was postponed until the next meeting.

The commission also voted unanimously to approve a petition which requested the closing of an alley on Highway 60 near the Texas Highway Department building.  
A request was submitted by the Highway Beautification Committee of the Deaf Smith County Chamber of Commerce concerning a "highway front" for the south side of Highway 60 between the streets of Schley and Witherspoon. The committee, headed by Sam Nunnally, proposed to build the "front", which would include flowers, grass and shrubbery, if the city would furnish the sprinkling system for the area and maintain the "front".  
Bayne explained the cost of the underground sprinkling system for the area would be approximately \$1700. The commission felt that due to the strain on the present budget that the city would not be able to have the project done this year, but

## PUT A TIGER IN YOUR TANK!

New Power-formula Enco Extra gasoline boosts power three ways... preserves the power of new engines... restores lost power to many older engines:

- Cleaning Power!** Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits to improve power and mileage.
- Fixing Power!** Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits to help your engine fire smoothly and efficiently.
- Octane Power!** Octane requirements for new cars are up again this year. New Enco Extra has the high octane that most cars now need for full performance, smooth acceleration and passing power without knocking.  
You'll get something extra for your money with New Power-formula Enco Extra—it's like putting a tiger in your tank! *Happy Motoring!*

## Get the feel of 8-Plow Power HARNESSSED TO FULL USE!

### EASTER NEWS

## Club At Easter To End Season; Cleanup Set

By Ruby Stone

Easter Club will wind up its season May 28 with a clean-up day at the community building. Those who can attend early have been asked to bring a sack lunch, cleaning tools and yard tools.

The decision to hold the clean-up day was reached at the club's meeting May 14 at the home of Mrs. Dale Maxwell when six members and one guest were present. Roll call was answered with shortcuts to housecleaning.

Present were Mrs. Leo Hall, Mrs. Ruby Stone, Mrs. Fred Walton, Mrs. John Burnett, the hostess and a visitor, Mrs. Ethel Farmer.

Mrs. Eldon Howell and Kellie of Hereford visited Mr. and Mrs. W. A. Epperson and Mr. and Mrs. Trent Downing Tuesday afternoon.

Mr. and Mrs. W. A. Epperson, Mr. and Mrs. Trent Downing and Mrs. Roland Laws visited Mrs. H. H. Smith in Deaf Smith County hospital, Hereford, Sunday.

Mrs. Ethel Farmer of Fontana, Calif., is visiting her sister and family, Mrs. Ruby Stone.

Mr. and Mrs. Dale Percy, Enid, Okla., visited his niece and family, the W. O. Markleys Monday and returned home Tuesday.

O. C. Renfro, Amarillo, visited his parents Mother's Day. All children were present for the day along with other relatives in Hereford.

Mr. and Mrs. W. O. Markley and children spent the weekend fishing in Conchas Lake in New Mexico.

Mrs. H. O. Markley visited Mrs. Murray Hall and Mrs. E. A. Barket, in Dimmitt Saturday.

Dr. and Mrs. B. R. Hunter, Coweta, Okla., spent Monday with Mr. and Mrs. Bill Struve.

Mr. and Mrs. Derrill Culp and Keith spent Mother's Day with Mr. and Mrs. Leo Hall, Reba and Ronnie.

Mr. and Mrs. Ernest Flood and children, Westway, spent Mother's Day with his parents, the J. H. Floods.

Mrs. Bill Struve spent Wednesday at Earth visiting her mother, Mrs. Eula Whitford and Mrs. Bervie English.

Mr. and Mrs. J. H. Flood spent Sunday afternoon with the Ray Beardens in Dimmitt.

Mr. and Mrs. Barnell Landers visited Mother's Day in Lakeview with Elder and Sister Barney Landers. They attended church where Elder Landers is pastor, and also visited with a number of old friends in the afternoon. Among these were Mr. and Mrs. A. L. Wright and family, a sister of Mrs. Landers'.

#### CARD OF THANKS

Mrs. A. G. Bell and family would like to express their thanks and appreciation to all the friends who have sent flowers and food, paid visits, or written notes of sympathy on the death of our Robert A. Bell.

Landlocked Switzerland is served by fleets of steamers on lakes Constance, Geneva and Lugano. The fresh-water ships carry as many as 1500 passengers each, and form an important link between Switzerland and her neighbors.

#### ATHLETE'S FOOT HOW TO TREAT IT

Apply instant-drying T-4-L. You feel it take hold to check itching, burning, in minutes. Then in 3 to 5 days, watch infected skin slough off. Watch healthy skin replace it. If not pleased IN ONE HOUR, your druggist at any drug store. NOW at Rogers Drug.

**Hereford Girl Is  
'Miss Top Flight'**

Miss Sharon Hill, sophomore at Texas Tech, was honored as outgoing Miss Top Flight at the annual Air Force ROTC Ball, Saturday evening, April 25. Miss Hill is the daughter of Mr. and Mrs. Elmer L. Kimball, 521 Star.

Miss Karen Jobe, Texas City, was selected as Miss Top Flight for the coming year. General theme, "We Point with Pride", featured in the ballroom displays depicting past, present, and future achievements of the U.S. Air Force. Cadet Col. and Wing Commander Carl E. Franklin, assisted by Lt. Col. George W. Hull, air science professor, were in

charge of coronation festivities. Miss Hill is Wing Sweetheart of Tech Air Force ROTC and is also a member of the select elite Angel Flight campus drill team for Tech women. As one of Tech's La Ventana ten top beauties, she received an all-expense paid trip to Sierra Blanco Ski Resort, Ruidoso, N.M.

Recreation chairman for Tech's Kappa Kappa Gammas, Miss Hill is also assistant chairman for Tech Student Union International Interests Committee.

**MISS TOP FLIGHT 1964** — Honored at Texas Tech's Air Force ROTC BALL, Miss Sharon Hill is shown here with escort, Cadet Col. Carl E. Franklin. She is the daughter of Mr. and Mrs. Elmer L. Kimball.

**Westway Club  
Told Accidents  
Don't 'Happen'**

"Accidents don't just happen; they are premeditated carelessness," declared Sgt. Gilbert R. Ray, Amarillo, in his film-illustrated talk on traffic safety at the Westway Home Demonstration Club meeting last Thursday in Mrs. Roland Hairgrove's home.

Representing Safety Education Service of the Texas Department of Public Safety, Sgt. Ray graphically showed causes and effects of car accidents on our public roads and stressed values of use of seat belts. The number of people killed on Texas highways, he pointed out, would wipe out the entire population of a city the size of Canyon. He added further that the number of people hospitalized last year from Texas highway accidents would put in the hospital every man, woman, and child in Amarillo.

With such comparisons, Sgt. Ray then listed benefits of using seat belts — improving driving, keeping alert, preventing ejection, lessening injuries from within the car, spreading impact force, extending stopping distance, and absorbing part of impact force. After demonstrating proper ways of using seat belts for children, he conducted a question and answer period. Complimenting the club on their interest in traffic safety, he reminded them that such programs are available at all

times for community groups. Mrs. George Turrentine served as program chairman. Mrs. Joe Wagener presided at the business meeting when Mrs. Jimmie Jesko was chosen club nominee for Conservation Home-maker of the Year. The club further decided that 4-H members would use recreation periods for their demonstrations. On its June calendar the club has listed a senior mother-daughter tea.

Mrs. Ben L. Thomas was guest; and members present were Mrs. W. W. Thomas, Mrs. Benton Bolin, Mrs. Joe Wagener, Mrs. Kenneth Rudd, Mrs. Jesse Odom, Mrs. Jesko, Mrs. Bess Werner, Mrs. Turrentine, Mrs. Gale Borlin, Mrs. G. C. Merritt, Sr., Mrs. Arnold Fangman, and Mrs. Hairgrove, hostess.

**Westway 4-H  
Gives Program**

Patti Turrentine, James Jesko, Janice Turrentine, Stephen Jesko, Linda Paetzold, Karen Jesko and Carol Turrentine, all members of Westway 4-H club, presented the program for the recent meeting of Westway community residents. Club members introduced by Mrs. Jimmy Jesko.

Opening the program were Patti Turrentine and James Jesko. Their part of the program was a demonstration on "Mr. Potato Goes to Market".

Next, Janice Turrentine and Stephen Jesko gave a demonstration on "Westway Community From Horse and Buggy to Jet Age". They showed scrapbooks from old community reunions. In their discussion, they

also showed how to plan and organize a community meeting.

"How to Start a Wind Break" was given by Linda Paetzold and Karen Jesko, followed by a demonstration on "Monday Management" by Carol Turrentine. The demonstrations the 4-Hers gave were the same ones they gave in the county contests held recently in Canyon.

Those attending were Mrs. Jimmy Jesko and Karen, James, Stephen, Rebecca and Bernadette, Mrs. Johnny Turrentine and Patti, Carol and Janice, Mr. and Mrs. Homer Rudd and Coleen, Rebecca and Elizabeth, Mrs. George Werner, Mrs. Harold Rudd and Linn, Patsy and Sheri, Mrs. Paul Rudd and Mrs. Emmitt Johnson and Anna Jane. Visitors were Mrs. Herman Paetzold and Linda from Hereford.

Some of Stratford-upon-Avon's half-timbered Tudor structures, Town Hall, old Holy Trinity Church, the grammar school, the almshouses and the stone bridge look much as they probably did in Shakespeare's day.

Only 43 per cent of adult Americans have completed high school, according to the U. S. Office of Education.

**Study Club Adds  
2 New Members**

L'Allegro Study Club added Mrs. Jim McDowell and Mrs. Wheeler Sears to their membership at the Thursday coffee, May 7, in the home of Mrs. James Higgins.

Mrs. Higgins presided at the election of new officers. Named to the new slate are Mrs. Joe Easley, president; Mrs. Dwayne Walker, vice-president; Mrs. Jim Carnahan, record secretary; Mrs. Bob Veigel, corresponding secretary; Mrs. Dennis Lomas, treasurer; Mrs. Robert Miller, historian; Mrs. James Higgins, parliamentarian; and Mrs. Hilton Higgins, reporter.

These officers will be installed today at a luncheon to be held at the Hereford Country Club.

The United States Antarctic Research Program will place heavy emphasis during the next two years in upper atmosphere and solar studies in connection with the International Years of the Quiet Sun.

# Methodists Of Northwest Texas Planning Conference

Hereford's three Methodist ministers and four laymen will represent the two Methodist Churches here at the Northwest Texas Annual Conference to be held in Amarillo May 25-29.

The conference, the governing body for 295 Panhandle churches representing 106,429 members, will be held in Polk Street Methodist Church.

Representing the clergy will be the Rev. Herschel Thurston, pastor of First Methodist Church, the Rev. Clesby Patterson, pastor of Wesley Methodist Church, and the Rev. Jerry Franz, associate minister of First Methodist church.

Laymen delegates include L. W. Tooley representing Wesley Methodist, and Jesse Stanford for First Methodist Church; also Mrs. Charles Kemp and S. L. Garrison, alternates for the respective churches.

The Hereford district is made up of 31 churches with Dr. Vernon Henderson, Amarillo, as district superintendent. The Northwest Conference extends from Midland on the southwest to Abilene on the southeast and all churches north to the Oklahoma line.

Presiding bishop will be Bishop Paul V. Galloway, San Antonio. This will be his fourth time to preside at the conference since becoming a bishop.

The bishop's cabinet, made up of the district superintendents of this area, started their sessions Wednesday and will plan nominations for quadrennial boards to be elected this year. They also will discuss preliminary appointment matters before adjourning them Friday after the adjournment of the Southwest Tex-

as Conference which is being held this week in San Antonio.

The 55th annual session will have Bishop Whan Shin Lee of Korea as its opening speaker next Monday night. The conference will officially open Monday at 4 p.m. with the Service of Holy Communion.

Other speakers for the conference will include Dr. Douglas Jackson, Dr. W. Eichey Hogg and Dr. H. Grady Hardin, all of the faculty of Perkins School of

Theology, Southern Methodist University.

Appointments for the new year are to be read by Bishop Galloway, Friday, May 29.

One of the features of the opening night's program will be the commissioning of the Rev. and Mrs. W. L. Armstrong Jr. who are to leave next week for missionary service in Sumatra. Special luncheons and meetings of various groups will be continued throughout the week.

## Former City Woman Honored

Jo Ann Hennington, daughter of Mr. and Mrs. F. G. Witherspoon, former Hereford residents, and granddaughter of Mr. and Mrs. Vern Witherspoon, 201 Jackson, Hereford, won the National Business Education Yearbook award of merit for outstanding achievement in business education at Arizona State University, Tempe, Arizona.

Mrs. Hennington received the award at an honors convocation at the university May 15.

Mrs. Hennington is historian and publicity chairman for Pi Omega Pi, national business education honorary; member of Arizona State University chapter of the Honor Society of Phi Kappa Phi; and member of Kappa Delta Pi, honor society in education. She is graduating with "high distinction" with a scholarship index of 3.88 out of a possible 4.00.

Mrs. Hennington will teach next year at Arcadia High School, Scottsdale, Ariz. She is married to Leo Hennington of Scottsdale, Ariz.

Jo Ann Hennington

### RESCUE GUIDE

DAYTON, Ohio (AP)—Researchers at nearby Wright-Patterson Air force Base are experimenting with a "tumbling airfoil" designed to transmit radio signals from the scene of a plane crash. The device, attached near the tail of the plane, is released by impact switches that flip the small radio far enough from the crash to be free of fire and explosion but close enough to guide rescue planes to the scene.

The first mint in North America was in Mexico. Established by a special charter of the Spanish crown in 1535, the mint in Mexico City still produces coins.

Next meeting will feature Charles Skinner as speaker on a health and safety program at Walcott School Friday at 2:30. Principal T. L. Collins announces that school children will attend and all school patrons are urged to be present.

DISTRICT 13 OFFICERS — These are the new district officers elected by the VFW auxiliary at the District's encampment in Hereford Sunday. They are, from left to right, Charlene Melton, Plainview, historian; Flo Kessler, Dimmitt, treasurer; Alta Davis, Hereford, senior vice-president; Naomi Finck, Tulia, president; Nola Rolston, Hereford, trustee; second row, Dorthie Hunnicutt, Canyon, trustee; Nettie McBroom, Canyon, conductress; Ada Hollabaugh, Hereford, guard; Naomi Bewley, Canyon, junior vice-president; Mary Stephens, Tulia, chaplain; Mary Jane Davis, Plainview, trustee; and Verline Bewley, Tulia, patriotic instructor. (Brand Staff Photo)

VFW LEADERS — These are the District 13 officers for the Clure. On the right is the "Lone Ranger" from Wellington, VFW. They are, from left to right, Fred Shipley, Jim Graham, Norman Finck, Cal Stephens, J. B. Cole, and Furd McClure. (Brand Staff Photo)

### New Graders

(Continued from page 1)  
offered \$8,500 for the precinct's Caterpillar trade-in, and a net difference of \$13,446 or \$6,000 for the Gallion and a net difference of \$15,946. The Amarillo firm listed its new machine as an Allis-Chalmers Model M-100 heavy-duty tandem drive motor grader powered by Allis-Chalmers four cycle diesel engine with a rating of 127 hp, equipped with cab, heater, rain cap, 14 foot moldboard with 2 foot extensions, 13:00 x 24 10-ply tires on all wheels, hour meter, lights, hydraulic power steering, four wheel power brakes, three disc power oil clutch, pre-stress lubricated transmission, toggle type mechanical control, 24 volt direct electric starting system and weighing approximately 27,043 pounds. The machine lists at \$21,996.  
The Bert Smith Road Machinery Co., Enid, Okla. firm, apparently had second thoughts about their bid and added a handwritten note to the typed bid instructing the commissioners to deduct \$600 from the net total on each machine before taking it into consideration. Their efforts were to no avail however.  
Bidding on an Austin-Western Super 200 "Sr" motor grader with Cummings JN-130 diesel engine and friction clutch, power shift moldboard, hydraulic controls throughout, 6 speeds

forward and 2 reverse, electric starter, highlift, 140 degree reversible moldboard, 12 ft. with 2 ft. RH extension and 2 ft. LH extension, hydraulic brakes, muffler, horn thermostat, 13:00 x 24 12-ply tires, glass enclosed cab complete with windshield wipers, heater, hour meter and electric lights delivered in Hereford, the company asked \$22,472 list and offered \$6,169 for the Gallion and \$6,472 for the Caterpillar. This would have left a net cost to Precinct 1 of \$16,303 (less \$600) or \$16,000 (less \$600), depending on which machine the Precinct desired to trade-in.  
Fourth set of bids to be opened happened to be that of Service Machinery Co. of Lubbock whose machine listed at \$20,266 for a model 440 L-W motor grader equipped with 115 hp diesel engine enclosed cab, heater, 14 foot moldboard with 2 foot extension, 13:00 x 24 tires front and rear, power steering, hour meter, light group and other standard specifications.  
As an alternate bid, the company included a model 686 L-W motor grader equipped with 125 hp diesel engine, enclosed cab and all other equipment specified on the 440, list price \$22,128. Weights of the two machines were listed as 24,782 and 25,060 respectively.  
The firm would allow \$6,630 trade for the Gallion grader or \$7,130 for the Caterpillar, or a net cost for the 440 of \$13,636 (Gallion trade-in) and \$13,136 (Caterpillar trade-in). On the heavier machine, the net cost

to the county would have been \$15,498 (Gallion trade) or \$14,998 (Caterpillar trade).  
Last bid of the day was the one accepted by the court on all three machines. That was the bid of West Texas Equipment Co., the Caterpillar dealer for this area.  
Bidding on a Caterpillar No. 12 motor grader, diesel powered, tandem drive, leaning wheel front axle, 24 volt electric starting with heavy duty 185 amp. batteries, 14 f. blade, 2 ft. extension, fully enclosed cab, with safety glass, dual heater, rain cap, lightning system, steering booster, 13:00 x 24 10-ply tires front and rear, the firm listed the above machine at \$21,538 and offered \$8,250 in trade for the used Caterpillar owned by Precinct 1 and only 15,500 for the Gallion. This would make a net cost to the precinct of \$13,288 (Caterpillar trade-in) or \$16,038 with the Gallion trade-in.  
Bids for the Precinct 2 and 4 machines were less complicated however, since each precinct had only one machine to be considered as a trade-in. They were as follows:  
Precinct 2  
Plains Machinery Co., (International-Gallion), less trade for used Caterpillar (\$7,500), net cost to the precinct of \$13,877.  
Tom W. Carpenter Equipment Co., Amarillo, (Allis-Chalmers), less trade for used machine (\$8,500), net cost to the precinct of \$13,446.  
Bert Smith Road Machinery, Enid, Okla., (Austin-Western), less trade for used machine (\$7,972), less \$600 discount, net cost to the precinct of \$13,900.  
Service Machinery Co., Lubbock (Model 440 L-W or Model 686 L-W), less trade-in of \$8,630 on either of the above machines; total cost to the precinct of \$11,636 or \$13,498 respectively.  
West Texas Equipment Co., Amarillo (Caterpillar), less trade-in of \$7,800 for used machine or a net cost to the precinct of \$13,738.  
Only one dealer, Tom W. Carpenter Equipment Co., made a combined bid for all three machines with an additional discount. Considering the trade-in of all three used Caterpillars, the firm offered to sell the county three Allis-Chalmers road graders for a total of \$38,988 as compared to the total of \$40,964 as submitted by West Texas Equipment Co.  
Warrants for the new machinery were to be handled by the James W. Witherspoon law firm of Hereford, and equipment to be delivered at the earliest possible date, probably within the next three weeks.  
During the called session, commissioners also handled additional items of business, granting permission to R. M. Mason to cross the road with a gas line "across from Southeast corner of Section 23, Blk. K-8 on to Northwest corner of Section 17, Blk. K-8, Deaf Smith County";  
Approving a request by Sam Nunnally to cross a county road with a water line at "NW corner of the N 1/2 of SW 1/4 of Section 43, Blk. K-3, Deaf Smith County, thence across the county road west of Section 43, Blk. K-3";  
And granting permission to Iverson Leake to cross a county road with a water line "beginning at NW corner of the South 1/2 of Section 12, traveling West to the NE corner of the South 1/2 of Section 29, all situated in Blk K-4, Deaf Smith County".  
Final action of the day was the approval of \$300 expense money to help send 12 Deaf Smith County 4-H Girls to the 4-H Roundup June 2-3 at College Station.

less trade for used machine (\$7,972), less \$600 discount, net cost to the precinct of \$13,900.  
Service Machinery Co., Lubbock, (L-W 440 or 666), less \$7,630 trade on used Caterpillar on either of the above machines, with a net cost to the precinct of \$12,636 and \$14,498 respectively.  
West Texas Equipment Co., Amarillo, (Caterpillar), less trade-in allowance of \$7,600 for used Caterpillar machine, or a net cost to the precinct of \$13,938.  
Precinct 4  
Plains Machinery Co., Amarillo, (International-Gallion), less \$9,000 trade-in allowance for used Caterpillar machine, or a net cost to the precinct of \$12,377.  
Tom W. Carpenter Equipment Co., Amarillo, (Allis-Chalmers), less \$8,300 for used Caterpillar machine, or a net cost to the precinct of \$13,446.  
Bert Smith Road Machinery, Enid, Okla. (Austin-Western), less \$7,972 trade-in allowance for used Caterpillar and less \$600 discount, with a net cost to the precinct of \$13,900.  
Service Machinery Co., Lubbock (Model 440 L-W or Model 686 L-W), less trade-in of \$8,630 on either of the above machines; total cost to the precinct of \$11,636 or \$13,498 respectively.  
West Texas Equipment Co., Amarillo (Caterpillar), less trade-in of \$7,800 for used machine or a net cost to the precinct of \$13,738.  
Only one dealer, Tom W. Carpenter Equipment Co., made a combined bid for all three machines with an additional discount. Considering the trade-in of all three used Caterpillars, the firm offered to sell the county three Allis-Chalmers road graders for a total of \$38,988 as compared to the total of \$40,964 as submitted by West Texas Equipment Co.

During the called session, commissioners also handled additional items of business, granting permission to R. M. Mason to cross the road with a gas line "across from Southeast corner of Section 23, Blk. K-8 on to Northwest corner of Section 17, Blk. K-8, Deaf Smith County";  
Approving a request by Sam Nunnally to cross a county road with a water line at "NW corner of the N 1/2 of SW 1/4 of Section 43, Blk. K-3, Deaf Smith County, thence across the county road west of Section 43, Blk. K-3";  
And granting permission to Iverson Leake to cross a county road with a water line "beginning at NW corner of the South 1/2 of Section 12, traveling West to the NE corner of the South 1/2 of Section 29, all situated in Blk K-4, Deaf Smith County".  
Final action of the day was the approval of \$300 expense money to help send 12 Deaf Smith County 4-H Girls to the 4-H Roundup June 2-3 at College Station.

### Latinos Rout Dimmitt, 20-3

The Hereford Latinos continued to "romp and stomp" as they trounced the Dimmitt Cardinals, for a second time this season, by a score of 20 to 3 last Sunday.  
Dimmitt scored one run in the first and two in the third. All of Dimmitt's runs were driven in by Richard Woods who had a home run in the third with one man on.  
Hereford scored four runs in the first inning, eight in the second, three in the third and five in the fourth.  
Goose Thomas and Paul Torrez had homers for Hereford in the fourth to make a total of 20. In the fifth inning, after Dimmitt batters were retired in order, the game was halted.  
Julio Valdez was the winning pitcher as he allowed three runs, gave up six hits and struck out six men.  
In an exhibition game the Latinos second string were halted by the Rebels, a new team made up of Junior and High School boys under the direction of Charlie Moreno and Lupe Ramirez.  
Alex Guerrero pitched the Rebels to a nine to two win over

the Latinos in seven innings. Ramirez allowed two runs on seven hits, struck out four men and walked one.  
This was the first game for the

Rebels and are hoping to get well organized so they can start playing regularly as soon as possible.  
The Sportsman's Club will

sponsor the Rebels, and also sponsor the Latinos. There are about 25 boys, ages 15-18 trying out for the team.

### Does Install Mrs. Lawley

Mrs. Cynthia Lawley was initiated into the B.P.O. Does, No. 176, at their regular May 11 meeting in Elks Hall. Mrs. Carl Hollingsworth was presiding officer. Hostesses were Miss Carolyn Raney and Miss Joan Brewer.  
Mrs. Ray Smith was honored with a pink and blue shower by the Does at a May 5 coffee in the home of Mrs. Hollingsworth. The table, laid with imported cloth and appointments of crystal and silver, carried out the pink and blue theme of the occasion.  
Mrs. Hollingsworth and Mrs. Ralph McCullough were co-hostesses to Mrs. Ray Smith, Mrs. Benny Cooper, Mrs. Kenneth Gooch, Mrs. Lawrence Boggs, Mrs. Richard Clark, Mrs. Charles Laing, and Mrs. Leonard Haney.  
Does will meet again Monday evening for a social and salad supper.

For You SUNDAY MAY 24

One in a series of messages to advertisers

**How to win at shadow tag**

As a youngster, perhaps you too enjoyed the game of shadow tag. What fun it was in the late afternoon, when shadows were long and easy to catch. As we recall, there was a way of winning at shadow tag. As long as the one who was "it" was kept between you and the sun, he never got close enough to your shadow for a tag. If the real you got caught, so did your shadow.

We got to thinking about this game the other day, during a discussion of circulation and how many different ways there are to "determine" the size of a circulation audience for advertising. You can multiply units of circulation by units of people and maybe you will get reader audience. Studies and surveys can produce age, sex, income, and all sorts of other factors which, when multiplied by units of circulation, might give you other kinds of audience figures.

No matter how it is figured, a circulation audience can never be more reliable than the circulation figures from which the shadow is projected. While the size and shape of the shadow changes in the light of varying points of interest, the child at tag and the circulation under study remains the same.

We believe it is our obligation, as a seller of the commodity of advertising space, to provide you with complete and accurate circulation figures. We believe in full disclosure of circulation facts, based on uniform standards, permitting close examination from any point of interest. We believe, further, that such facts and figures should come not from us or our agents, but from an independent, objective circulation measuring and reporting service.

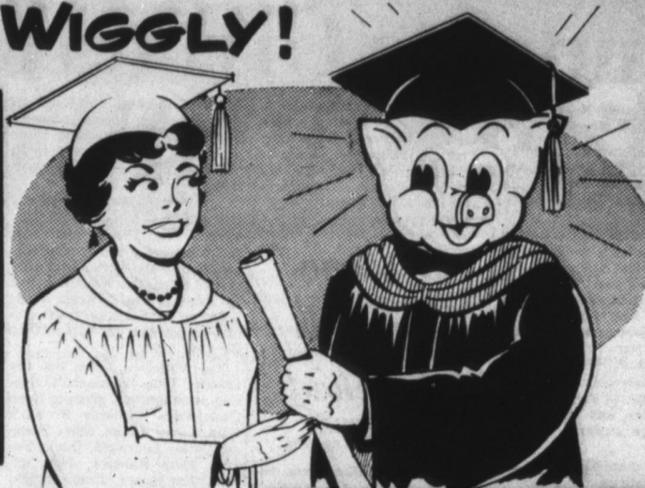

That's why the Audit Bureau of Circulations was organized 50 years ago, and why more than 4,000 advertisers, advertising agencies, and publishers support this voluntary, self-regulatory effort today. That's why we are ABC members.

Come to think of it, we never were much good at shadow tag. Just ask to see a copy of our latest ABC report — it will let you tag the real us.

# Awards Assembly Held; Students Given Honors

By Rosemary Hershey and Mary Brorman

HHS had an awards assembly Friday, May 15 in the HHS Auditorium. The assembly was introduced by Mr. Bill Michaels, principal.

The first award to be given was a certificate to each student who had perfect attendance during the school year. There were approximately 91 students out of a total of 797 who had not missed one day of school. These certificates were presented by Mr. Michaels.

Mr. Michaels also gave special recognition to Sergio Bravo, Christa Holte, and Tula Lehti, the exchange students for this year.

Following these awards Coach Jack Merrideth gave the awards and recognition to the football boys. Eugene Green and Neal Laeb were chosen for the All District team. John Kovacs was chosen for the All District sec-

ond team. Honorable mention award went to Jim Haney, Jim Higgins, and Ronny Duncan. "Fighting Whiteface" award was given to Jim Higgins. Frank Cain and George Muse were chosen as captains for the following football season.

## Mexican Menu Is Munched

By Keith Blanton and Christine Skypala

"Yo quiero tortillas, tacos, enchiladas, y chile rillenos." (Translation: I would like tortillas, tacos, enchiladas, and chile rillenos) This was one of the typical orders given by "el estudiante espanol." (Translation: A Spanish student) of Mrs. Ilene Youngs Spanish II class when they traveled to Clovis, N. M. to "cenar, Mexicano estilo." (Translation: eat dinner, Mexican style).

Those eating in the Spanish atmosphere of the El Monterrey Restaurant in Clovis were seniors Jimmy Young, Gary Gore, Roger Owen, and Lonnie Coker; Senoritas Christa Holz, Beverly Betzen, Sharon Sumner, Merle Carmichael, Marie Roberson, Kathleen Kuper, Linda Lemons, Joye Martin, Linda Boardman, Sue Atchley, Donna Harper Penini Jones, Ann Atchley, and Judy Crume. "Fladors" (Translation: Sponsors) were composed of parents of the students.

Seniorita Young commented, "la comida era muy buena y a toda les gusto." (Translation: The food was very good and everyone thoroughly enjoyed the meal.)

Manuel Pacheco and Neal Laeb were given special recognition for their outstanding work in track. The Freshman team was also given special recognition.

Danny Cates was named as the "Fighting Whiteface" in basketball. Jim Haney and Earl Jackson were given special recognition for the work on the basketball team. The Whiteface placed third in the District meet.

The Whiteface Team won the District Title in Baseball. Special attention was given to Lynn Cook, Lupe Rameraz, Frank Cain, Larry Minks, Steve Hodges, Danny Loerwald, David Stevens, Mike Ranspot, Joe Coffman, Jim Haney, Jimmy Brink, Richard Brock, Gary Stagner, Eugene Green, Charlie Moreno, Ed Mims, Randy Tooley and Gene Sparks.

Suzzy Higgins presented Mr. Michaels with a trophy to be placed in the trophy case on behalf of the Girls Choir. This trophy was awarded to the Girls Choir under the Direction of Mr. Don Moore, for their contest work in Canyon. Marnie Silvertooth presented Mr. Michaels a trophy for HHS on behalf of the Junior-Senior Choir. This trophy was awarded to the Mixed Choir for their superior rating at Contest in Canyon.

Special recognition was given to Choir students who sang solos at contest and also to the Madrigal Group for their fine work.

Jerry Ross, drum major for the Whiteface Band presented Mr. Michaels with the two trophies won by the band. One of the trophies was won for sweepstakes in Canyon and the other was won at contest in Enid, Oklahoma. Also awards were given to Merle Carmichael for

twirling solo and other band students for their solo work at contest.

## School Exhibit Held Monday

By Vickie Inman

Another year has passed and "Little Johnny" has almost completed a school year of homework, class work, tests and the like. The products of the past year's work by 800 or more high school students was exhibited Monday night in various rooms at HHS.

The history departments illustrated mainly the work they had been doing lately. Maps of Asia and different parts of the world were shown in the world history classes. The American History classes had gathered papers and articles dealing with World War II. Some of the World War II newspapers that the students found and brought to class were *The Stars and Stripes*, *The New Chronicle*, *The Daily Oklahoman* and *The Hereford Brand*. Also on display were research themes dealing with phases of the war.

Original poems by HHS students were displayed. On view in the English classes were themes, articles on Shakespeare, research papers and poems that had been illustrated in almost every conceivable way. Some students illustrated their poems by making oil paintings; others used a sewing machine, and sewed their illustrations. Materials from sequins and matchsticks to gum and thread were used.

The speech class displayed posters which had been used in demonstration speeches. Recordings of play rehearsals and im-

promptu speeches were played continuously. In one class, "real" (Continued on page 11)

## New Courses To Be Added For 1964-65 Year

By Beverly Barrett

"The pre-registration this year will serve as the basis for setting up of classes for next year and for providing teachers," stated Mr. Robert Thompson, who is the counselor at HHS.

Mr. Thompson said also, there will be a minimum of schedule changes at the beginning of next semester because the schedules will be based upon pre-registration. There will be a few changes or additions, but the schedules will be much the same as this year except that Latin I will be offered if a teacher can be secured and a course in advanced biological science will be offered the first semester and a combination of chemistry and physics will be given the following semester.

The following courses will either be added or improved next year: Crafts III and IV, Metal Working II, auto Mechanics, Woodworking IV, Crafts II, Advanced Leather, Plastics, Upholstery, and Copper Enameling.

## Editors' Notes:

By Lou Ann Witkowski and Linda Higgins

We would like to thank all those people who attended the open house Monday night. Hope you enjoyed all the exhibits.

Congratulations to the shop boys who had exhibits at the Industrial Art show in Canyon May 15. Jim Hershey won first place in Wood Working I for his birch wood bed.

Marvin Cooper took first for his cedar bowl. Lynn Brisendine received a second for birch bowl.

Mr. Jack Scott's class and Joe Don Noland received a second for their welding cart.

The power mechanics class placed second for their air car, built by John Pavlicek and Tim Gallager.

Joel Lytal received a third place for his tractor. Wallace Shelton placed third in Wood Working.

The senior Homemaking students, boys and girls, are having a tea for their mothers from 3:30 to 5:30 p.m. in the Homemaking Department. It is to be a come and go affair.

Well, finally the junior-senior banquet is almost here. You juniors don't work too hard Friday night and Saturday morning!!

Congratulations to Janice Noland and Johnny Brownlow on their honor of being crowned band Queen and King. Also congratulations to Kay Nell Reeves as she was awarded the John Phillip Sousa Award.

Baccalaureate will be held Sunday night beginning at eight. Seniors, there will be a rehearsal at 9:30 Friday morning.

## Final Preparations Are Near For Jr. - Sr. Banquet

Festivities for the Junior-Senior Banquet will get underway Saturday night as the climax of Junior activities comes at last. As in every school year, it is the junior class project to plan and prepare a banquet for seniors. Decoration, program and food planning committees finish work this week and will begin setting up props for the theme Friday and Saturday.

Long hours, beginning with football season, have been spent by junior class members as they raised money to finance the banquet. Students worked in the concession stands and sold mums during the early part of the school year. Homerooms sold candy and held bake sales after semester. Class dues were collected in early May.

Four hundred students began signing up for places last Tuesday. Sophomore servants are in the process of making costumes, 18 boys and 18 girls were selected by the junior class to serve food to the guests.

Outstanding senior boy and girl will be recognized Saturday night. Junior's nominated and chose the students that they thought best qualified for the honor.

After the banquet, there will be a dance held in the community center for seniors, juniors, and sophomores who helped serve for the banquet.

By Loretta Higgins

The 1964 band king and queen, Johnny Wayne Brownlow and Janey Noland were crowned Tuesday night, May 12, at the spring concert. The 1963 band king and queen, Dick Plank and Louise Axe were present to crown this year's king and queen.

Mr. J. F. Martin, president of Lions Club, presented the John Phillip Sousa Award. This honor

went to Kay Nell Reeves.

The Stanton Junior High Band, Stanton Junior High Beginner Band, the Stanton Junior High Stage Band, and Hereford High Band performed in the concert. The Hereford High Band played "King Cotton," and selections from "My Fair Lady." At the conclusion of the concert the Hereford High Band played the school alma mater in honor of the seniors.

## Band Banquet Termed Success By Band Pupils

By Linda Lee Hart

Mr. Larry Kelly, a pantomimist from Sunray, was the special guest at the Band Banquet Saturday May 16. Band students sponsors and guests gathered in the fellowship hall of the Methodist Church. Mr. Kelly stated that he had also performed before the queen of England.

Virgil Barber opened the banquet with a prayer and Judy Crume, master of ceremonies, presented the program.

Later in the program, Mr. Albert Maxwell, president of the band, and Mr. Paul Stevens, superintendent of HHS congratulated the band for their fine ratings this year.

The fellowship hall was decorated with small figure people of band students holding their instruments. Mr. Ben Gollehon, director of the band, was a small figure made on a school bus. Band Queen and King, Janey Noland and Johnny Brownlow, had small gold crowns on their

small figures. Janey Noland summed up the banquet by saying that, "The banquet was just great."

PRESENTS TROPHY — Jerry Ross, drum major of the Hereford Whiteface Band is shown as he presents Bill Michaels with the trophy won by the Hereford Band at the Tri-State Band Festival in Enid, Okla. The trophy was presented at the Annual Awards Assembly held last Friday at Hereford High School. (Brand Staff Photo)

## Whitfaces Capture Another District Win Over Demons

The Hereford Whiteface Baseball team has taken the district championship with a 6 wins, no loss record in district competition. The Whitfaces travel to Levelland Friday, May 22 for their last district game. Coach Ronald Speed stated, "We hope to go undefeated in district play."

The Whitfaces now have a 17-9 season record after defeating Dumas last Saturday by a score of 6 to 3.

Having won the district championship the Whitfaces will begin bi-district play the first week in June. In bi-district competition the team winning the best two out of three games will go to the regionals. Then the team that wins regionals will go to state.

Coach Speed said, "The boys

have worked hard and we have had a real good season. I think they boys deserve to win district and will make a fine representation for this district."

## Craft Classes Finish Busy Year of Projects

Mr. Tye Hillger's crafts classes are finishing up a busy year. Right now they are working on copper tooling projects. During the year they have done card weaving, paper mache, mosaics and leatherwork.

The Crafts II course is just an advanced course doing the same things as Crafts I.

BAND KING AND QUEEN — Johnny Brownlow and Janey Noland were crowned king and queen at the Annual Concert held May 12. All four of the Stanton Junior High and Hereford High School Bands played during the concert. (Brand Staff Photo)

# "BLESSED ARE THEY..."

As the little birds trust the mother bird, so let men trust God. If a sparrow cannot fall without God's attention, if He counts the hairs of our head... why do we fear (Mat. 10:29-31)? Worry about future security? God is the security for those who trust Him. Your Heavenly Father feeds the birds, and you are of far more value than they (Mat. 6:26). "Blessed are they who hunger for God's good things, they shall be filled." In childhood we needed mother and welcomed her as adults we need God and ignore Him. In prosperity we forget God, the Bible, the church; but when disaster comes we want them all.

As your days so shall your strength be (Deut. 33:25). He will cover you with His feathers, and under His wings shall you trust (Psalms 91:4). Then why not trust God where you cannot see; the plan is His, the promise yours. "Blessed are they."

**You In The Church...**  
**The Church In You**  
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!

APPETITES, BIG OR LITTLE — This tripple-decker sandwich is just right for this time family. of the year, whether to offer the girls when

### LET'S COOK SOMETHING

## Husky Appetites? This May Solve The Problem

Sandwiches - whether for the "girls" bridge club or to pack away in a basket for Junior to take on a hike - are always in demand. In fact as warmer weather arrives, sandwiches are more and more in demand.

### Awards...

(Continued from page 8)  
rected by Mr. Tye Hilger won second place in district. Special recognition was given the cast and crew. They are: Rozi Rush, Lareece Askew, Maura McAndrews, Kaki Barnard, John Pavman, Rozi Rush, Kaki Barnard and John Pavlicheck were chosen for the star play cast.

Mrs. Dorothy Prowell presented awards to Linda Tooley and Lou Ann Witkowski for receiving their state degree in Home-making. The Betty Crocker award for this year was given to Kaki Barnard.

Mr. Michelson presented the FFA awards: Gary Royal was named as the outstanding student. Star Greenhand award went to Lee Robinson; second class farmer award went to Virgil Barber; Leadership award was given to Gary Royal and also the Crop Foundation award. Public Speaking award was given to Arvell Williams; Farm management award went to Carl Myers; Soil and Water Management went to Roddy Alfred; and Livestock award went to Jackie Andrews.

Mr. Don Paris presented Judy Crume as outstanding for job interviewing in Distributive Ex-

serve at home or to fill a lunch pail? And they come in handy, too, for those middle-of-the-afternoon snacks, especially for those who like their snacks to have vigor.

Here's a welcome change to the usual sandwich; it's a tripple-decker club sandwich, made with white bread which is hearty enough to serve men and different enough to serve to particular women.

Basic in this recipe is 12 slices of white bread. Combined with cream cheese, dried beef, hard-boiled eggs and other ingredients, this popular bread is the framework of a delicious tripple-decker which no one in his right mind would choose to trump.

And here's how to make this tripple-decker delight:  
12 slices White Bread Butter  
-or margarine  
1 tablespoon harsersadish  
1/2 cup mayonnaise or salad dressing

### ONE EXCUSE PROF HADN'T HEARD

NEW HAVEN, Conn. (AP) — An industrial engineering student at New Haven College failed to turn in a mid-term paper on time. But he had an unusual explanation for instructor Gene Simons.

The student said the paper was in his locker at a company where he worked while going to school. The employees were on strike and he couldn't cross the picket line to get to his locker, he said.

John Brownlow was named as the outstanding student. Kathleen Kuper was awarded a certificate for Leadership in American Red Cross.

## School...

(Continued from page 8)

live" speeches were given during the exhibit. Awards won during the year were also proudly visible. The journalism class had issues of this year's paper displayed alongside some issues of last year's paper. Both papers received the community paper award in state.

Shirtwaist dresses, slack suits, shifts, skirts and blouses were arranged in the sewing classes. Refinished tables and "home-made" lamps were examples of some home projects by home-making students. Years of work in the form of State Homemaker Degrees by Linda Tooley and Lou Ann Witkowski were shown.

Mr. Gerald Dingus explained the way the switchboard in the language room worked and played some of the language recordings.

In the chemistry lab, Mr. Virgil Young explained that certain odors coming out of that particular room during the year were essential in identifying elements. Manuscripts and pictures made with typing symbols were shown in the typing room.

### Baggarly...

(Continued from Page 1)  
 "Many of our modern institutions, admittedly, are so-called socialism. I refer to such things as schools, the postal system, the feeding of snow-bound cattle in the Panhandle last winter; all these are forms of socialism, but I hardly think anyone would deny the need for these institutions. Actual socialism is a sinister thing; it means financial equality for everyone. This all thinking people oppose. We are not driving toward actual or real socialism. The top five percent of our people get the top 20 percent of the nation's income, yet the top nine percent own 46 percent of the nation's assets. Does that sound like socialism? If it were socialism such percentages would not be possible.

"Many have complained that the government is growing. It is. But so is the nation growing. Twenty-five years ago we had no space agency, no FCC, no large armed service. Our population has increased greatly since those days, so naturally government is growing too.

"In 1946, 19 out of 1000 persons worked for the federal government but today only 13 out of every 1000 persons work for the government and six of these are civilian employees in the armed services.

"Eliminating the post office and the armed services, you find

that AT&T employs more persons than the federal government employees today. "Our national debt has risen 17 percent since 1946, but in the same period business debt has risen 250 percent, and individual debt is up 500 percent. "Assets also have climbed. In 1946 our national debt was \$250 billion while our assets were only \$200 billion. By 1963 our debt had climbed to \$309 billion but our assets had risen to \$610 billion."

He charged that those who are "worrying about lost freedoms" are those who "oppose such measures as anti-trust laws. People who behave themselves have freedom."

He added: "Many who worry about the welfare state fail to consider that our relief load actually is lighter than it was in 1939. Now our welfare cost amounts to 7 cents of every tax dollar, while in 1939 it amounted to 49 cents out of every tax dollar."

Baggarly pointed to two areas of concern: "With our population explosion, our educational system is being sorely taxed. Something must be done in this area. Another problem which we face is the growing problem of the aged. With life being extended, we are constantly being faced with problems concerning the aged. Maybe we need to look again at our 65-year retirement system; maybe it's out of date. It definitely will be out of date once medical science has conquered cancer and heart disease. After that is done, we can expect people to live 125 years or longer."

And he concluded, "But when these problems are solved, they will be solved by the liberals, not by the conservatives."

Though bamboo is thought of as a tropical plant, many of the 700-odd species flourish in temperate zones. Some of the bamboos imported into the United States endure temperatures down to 7 degrees below zero.

### New...

(Continued from page 7)

Names as trustees were Dorthe Hunnicutt, Maryjane Davis, and Nola Ralston. Hereford auxiliary members serving as district officers during this three-day session, were, in addition to Mrs. Kessler, Alta Davis, junior vice-president; Ada Hollabaugh, chaplain; and Rosena Evans, conductress.

Saturday afternoon saw the registration of local and visiting members of both VFW and the auxiliary. Sunday schedule included coffee, followed by the 10 a.m. joint meeting with J. B. Cole, Past Department Commander of Abilene, as speaker. At auxiliary business meeting in Rock Club House, announcements of coming auxiliary events included the next district meeting to be held in Canyon after the June state meeting in Dallas.

The Red Sea "bumpfish" gets food living in coral by butting off coral chunks with a hard buffer on its forehead.

### Newcomers Get 'PEP' Welcome

Newcomers to Hereford were officially welcomed by Operation PEP at a coffee Tuesday morning in Community Center. Bob Huddleston, committee chairman for PEP, arm of Deaf Smith County Chamber of Commerce, issued an open invitation to all new residents to join this group in becoming better acquainted with Hereford — it's people and activities.

Bill Thompson, chamber of Commerce manager, presented a brief resume of county and city history, listed various services the chamber provides for all area residents, and distributed informational folders, maps, and guides.

### REP. ROGERS WRITES

## Mahon Named As Chairman Of Appropriations Group

Our friend and neighbor from the South Plains, Congressman George Mahon of Lubbock, has become the chairman of what many persons regard as the most powerful committee of the Congress, the Committee on Appropriations of the House of Representatives. Congressman Mahon moved to the chairmanship upon the death of Congressman Clarence Cannon of Missouri.

With his background of 30 years' experience in the Congress, Congressman Mahon will prove to be a most able and effective chairman of Appropriations.

The Subcommittee of which he has been chairman for many years, Defense Appropriations, performed the Committee's detail work on the largest single money bills of each fiscal year, those having to do with maintaining the Nation's military strength.

This is extremely vital work and George Mahon's leadership of the Subcommittee was uni-

versally respected. I know of no man in the House of Representatives who is more admired for his ability, dedication, and wisdom than George Mahon. We in West Texas can be proud that one of our citizens has attained this post of national and international distinction; his performance of the duties imposed by

tributed a check list for the Newcomers to use in their evaluation of Hereford as they see it. Austin Rose, Jr., chamber of commerce president, reminded the newcomers that memberships in the organization are always available.

Newcomer group activities on a broader scope will be resumed in the autumn, Thompson said, and occasional summer gatherings will be announced.

this office will be a credit to our region, our State, and the United States.

The Committee on Appropriations was created in April, 1863, when the burden of work then performed by the House Ways and Means Committee became too large for one committee. (Continued on page 13)

AND

VOTE FOR EARL HOLT

COMMISSIONER, PRECINCT 1

I believe in sound business principles in the operation of this county, and in always getting a dollar value for every dollar spent. The operation of Deaf Smith County is one of the largest business in the county. I believe that my background in business and in the teaching profession qualifies me for the position I seek, and if elected I will do my best to see that the county continues on a sound basis, without slipping backwards, and without undue tax burden on its citizens. I realize that the county population is growing, and with this growth comes many problems... many of which require the spending of some tax dollars. I believe in getting full value however, for every dollar spent and will devote my efforts to this end.

Thanks Again for Your Support and I ask your vote again

# Mrs. Charles Springer Named 'Mother of Year'

Mrs. Charles R. Springer was named Mother of the Year by Young Mothers Study Club at their recent buffet dinner installation in the home of Mrs. Bob Veigel. As new president and 1963 Club Mother-of-the-Year, Mrs. Homer Rudd made the special gift presentation to Mrs. Springer.

By secret ballot in this annual club event, Mrs. Springer had been chosen as most representative this year of the club's ideal

mother in relation to her home duties, her connection and participation in community and church activities. Previous winners of this citation present were Mrs. James Arney for 1962 and Mrs. Rudd for 1963.

As retiring president, Mrs. Veigel conducted the installation of officers for the forthcoming year and presented each one with a flower as special symbol of her new duties. Inducted were Mrs. Rudd, president; Mrs. Springer, vice-president; Mrs. Ray Simpson, recording secretary; Mrs. Larry Dobbs, corresponding secretary; Mrs. David Brumley, treasurer; Mrs. Don Newman, historian; and Mrs. Veigel, parliamentarian.

At tables with spring flower arrangements, were served Mr. and Mrs. Ray Martin and Mrs. Frank Campbell, guests; and Mrs. Springer, Mrs. Rudd, Mrs. Newman, Mrs. Brumley, Mrs. Dobbs, Mrs. Simpson, Mrs. Bobby Shelton, Mrs. Wendell Maloney, Mrs. Arney, Mrs. Jerry

George, Mrs. Don Hamilton, Mrs. Howard Hunter, Mrs. David Patterson, Mrs. Carol Gerke, and Mrs. A. T. Griffin, club members.

Hostesses were Mrs. Veigel and Mrs. Jimmy Carnahan.

For summer months club members are undertaking a special project to be announced later; and they will have an ice cream supper on their calendar.

## Rogers...

(Continued from page 12) mittee to handle. In the committee reorganization of that year, two new committees were created from Ways and Means — the Committee on Appropriations and the Committee on Banking and Currency. The position as chairman of the Banking and Currency Committee now is held by the dean of the Texas delegation in the House, Congressman Wright Patman of Texas.

Two other Texas Congressmen are chairmen of important House Committees. Congressman Olin Teague of College Sta-

CLUB MOTHER-OF-THE-YEAR — Mrs. Charles R. Springer, selected by Young Mothers with her children, Cory, 3, and Kristi, 4½. Study Club to receive their annual Mother-of-the-year citation and gift, is shown here.

tion is chairman of the Committee on Veterans Affairs.

Congressman Patman addressed the annual Congressional dinner of the Electric and Telephone Cooperatives of Texas here in Washington on Tuesday and paid special tribute to the "imagineering skills of the energetic Texan who is now our President, Lyndon B. Johnson."

Not long after Patman had concluded his remarks, the President made another of his surprise appearances at a Washington meeting, walking from the White House to the nearby hotel in the evening twilight. In acknowledging the friendship he and the folks in Texas REA have maintained for many years, the President told the group, "The least I could do was to walk the two blocks over here to say thank you."

So Congressional district in Texas was better represented at the REA dinner than was our own 18th District. Among the Panhandle folks here for the meetings and dinner were Mr. and Mrs. Tom Draper, Raymond Higginbotham, and Leo Forrest, all of Hereford; Mr. and Mrs.

R. L. Elliott, Jr., of Dalhart; Mr. and Mrs. R. C. Buckles of Stratford; A. J. Garland of Clarendon; George L. Henry of Wellington; Selba Rainey of Shamrock; R. A. Yarbrough of Childress; and Lyle Robinson and Bailey Reece of Tulia.

A thoughtful Air Force sergeant, Leo Warden (formerly stationed at Amarillo Air Force Base), made arrangements to bring to Washington the two young Panhandle science fair winners and their faculty advisers from their national meeting in Baltimore and it was a pleasure for me to join them at lunch in the Capitol.

The girls from Pampa are Miss Avril Doucette, 16-year-old daughter of Mr. and Mrs. A. P. Doucette, and Miss Cynthia Ann Plaster, 17-year-old daughter of Mr. and Mrs. John Plaster. Both girls are students at Pampa High School. They were accompanied to the Baltimore meeting by C. C. Duggan of the Amarillo College faculty and by their Pampa teachers, Wendell Watson and Mrs. Elaine Ledbetter. Mrs. Ledbetter was unable to come to Washington for lunch

because of meetings, but the others enjoyed a tour of the Capitol and were in the Senate gallery while former President Harry Truman was being honored on his birthday by members of

## Hereford Man Aids In Setting Up Electric Co-Operative In Colombia

Leo Forrest, manager of Deaf Smith County Electric Cooperative, was instrumental in President Johnson's signing a \$1.3 million loan Monday to provide electric power to the rural inhabitants of Colombia.

Both Forrest and Lyle Robinson, manager of Swisher County Electric Cooperative, Tulla, participated in establishing the three rural electric cooperatives to furnish power to nearly 50,000 rural Colombians.

This loan to Colombia and one to Nicaragua are the first approved in a rural electrification program being carried out by National Rural Electric Cooperative Association (NRECA), under contract with the Agency for International Development (AID). NRECA, through cooperation of its U.S. member systems, provided technical assistance in organizing and establishing Colombia cooperatives.

Forrest, from his 1962-63 experience in South America and his subsequent contact with South Americans sent here for training courses, is certain that the Colombians are looking to United States assistance for direction in helping themselves in their efforts to develop under stabilized government.

I believe it is a high privilege to be a citizen of the United States. People around the world would gladly give all they possess for the mere chance to come to the United States. Ours is known as a land of opportunity, equality, democracy and progress. Our task as citizens seeking to shape the larger affairs of humanity is to make our influence felt as widely as possible. We cannot expect to agree upon all our problems. The important thing is for us as citizens to look at our problems with an open mind, in a spirit of fairness, willing and eager to listen to all sides, the slave of no man and no party, determined to find the truth, to serve the people as a whole, and to accept and follow the sovereignty of our own mind.

It is not easy to know the truth but at least we can be honest and sincere in our attempt to get the truth and to serve not any selfish interest but the people as a whole. That is the principle upon which democratic government was founded. There is always the danger that we shall think of our citizenship too narrowly, that we shall fail to realize its relationship to our lives as a whole. When we think of citizenship we are likely to think of voting, or of serving on a jury, or of our services as public officers, or of paying taxes, or even of the possibility of being drafted into the army to serve as soldiers. These are the specific tasks, but back of them stands life itself, the art of living so that life shall be good and beautiful, free and worthy of the human race.

You cannot separate your citizenship and the exercise of your civic duties from the rest of your life. Citizenship begins at home. It is the foundation of our whole life - physical, mental and emotional. The home is the foundation of our life and happiness, the first school of citizenship and democracy. Your ambitions, interests, ideals, tastes and habits influence the performance of your civic duties. If your life is noble and rich, your citizenship will express that nobility. If you are good parents, you are more likely to be good voters. The purpose you have as a parent will carry over and influence your decisions at the ballot box. If you are a good workman, with joy and a sense of perfection in your daily task, you will make a better member of a jury, because through your labor you will have gained a better understanding of humanity. If in your relations with your family and neighbors you have a spirit of goodwill and mutual helpfulness, that spirit will be your contribution toward better citizenship and a better society. If you are dishonest in your thinking and indifferent to the well-being of others, these qualities will show up in your dealings in public life.

In closing I would like to say that citizens who are good Americans try to become strong and useful, worthy of their nation, so that our country will become ever greater and better.

Maija Hagert

### Camp Fire Group 'Adopts' Finnish Gypsy Girl, 10

Maija Hagert, 10-year-old gypsy girl in Finland, has been named adoptee of Tah-Sha-Wa Camp Fire Group. Actual assignment of Maija to Hereford Camp Fire climaxes these sixth grade girls' project for service.

Early this year the girls decided to adopt an overseas orphan as their project. After rummage, bake, and Camp Fire candy sales, the girls accumulated enough capital to furnish the required \$10 monthly for their adoptee.

Maija lives in the unpronounceable city of Palvakummun Lastenkoti, Finland, at a special home for parentless children. With their special "Finn" the girls are exchanging letters, and they are sending her greeting cards and pictures.

Tah-Sha-Wa members include Karen Bain, Martha Boxer, Carol Cole, Kerri Dameron, Becky Edelman, Karen Gilbert, Camille Langley, Sharon Livingston, Sheila Olsen, Gene Anne Guyne, Janice Edwards, Marilyn Smith, Marsha Horton, Rhonda Stewart, Peggy Summers, Bonnie Walker, Gayle McCutcheon, and Sidona Bennett. Mrs. William S. Dameron, 808 Avenue K, is Tah-Sha-Wa group leader.

### Findley Given Jail Sentence On DWI Charge

A jury of three men and three women returned a verdict of guilty involving Mearl Loyd Findley on a charge of driving while intoxicated and assessed a fine of \$50 and cost and sentenced him to three days in the county jail.

Findley had previously entered a plea of not guilty to the charge and the trial date was set for Tuesday.

Six cases were previously listed on the docket, but four of the persons failed to appear for trial and one case was taken under advisement by Judge H. C. Williams.

The cases not heard at the Tuesday session will be tried June 16 according to Judge Williams.

The selection of the jury and the trying of the Findley case lasted most of the day. Findley has ten days to file a motion for a new trial, but as of late Wednesday no motion had been filed.

In other action, three persons entered pleas of guilty to similar charges of driving while intoxicated.

George Carrol May, Jose Louis Martinez and Estevan Martinez were all fined \$50 and cost and sentenced to 10 days in the county jail by Judge Williams.
