Police Chief Marshall Padgett warned residents this week that it was a violation of City Ordinance 97 to discharge fireworks within the city limits and violators could be fined from \$1 to \$100. Cole is afraid the fireworks are going to make a lot of noise, but Robby soon convinces him that "Roman Candles" do not make much noise. Randy Carver, son of Mr. and Mrs. Russell E. Carver, 203 Texas Street, left Monday, June 22, for Mackinac Island, Mich., where he will participate in a conference for Tomorrow's America. Carver was asked to attend the conference because of his work in dramatics and speech at Missouri Military Academy, Mexico, Mo., where he graduated from High School. He will return to Hereford July 20 and will enter West Texas State University this fall.

More than 300 United Presbyterian Church (USA) ministers and laymen have completed a week's study at the Synod of Texas School at Trinity University in San Antonio. Attending from First Presbyterian Church here were Mr. and Mrs. William F. Hardwick, 1208 Park.

J. B. Elliott, 615 Grand Ave., has owned only one pair of shoes in his life, he boasts. "And that was when I was just a baby and couldn't help myself," he adds. But ever since he was three years old, he has worn boots which a firm in Fort Worth has made for him for a number of years.

Anne Dolson Wingert, 306 Star, Hereford, is among students "who have won distinction because of excellent grades" at Texas Women's University, Denton. She was included on the dean's special honor roll for the last semester.

Templo Bautista Memorial has what it believes is the best-attended Vacation Bible School in West Texas; 239 are enrolled in the school being held at the First Baptist Church, says the pastor, the Rev. Guillermo E. Benitez. They will have commencement Friday at 7 p.m. Another unusual feature of the school is the hours held — 6:30 until 9 p.m.

Wheat Harvest Nears Finish

Wheat harvest throughout the Panhandle is nearing its climax. Texas Employment Commission in Amarillo said Wednesday in its final wheat report for the 1964 season.

TEC jumped Lattinfield, Muleshoe, Dimmitt, Fritch and Hereford into one group in its final report, saying a "completing harvest is being rapidly completed. Irrigated acreage is producing normal yields."

Harvest was completed last week in the Plainview, Tulla, Lockney, Floydada and Silverton area, the report said, adding yields from irrigated acreage were above normal.

For the Amarillo, Canyon, Vega, Panhandle and Claude district TEC said "Harvest is almost complete, only a few scattered fields remaining to be combined. Irrigated wheat averaged about 30 bushels per acre."

Practically the same report was issued for Pampa, Miami, Canadian, Lipscomb and Shamrock, but yield averages were only 10 to 15 bushels per acre.

For the West Panhandle area of Borger, Dalhart, Channing, Stratford, Dumas, Spearman and Perryton the final report read: "Only a few fields remain to be harvested. Yields from irrigated wheat were better than expected."

Wheat in Deaf Smith county had a much higher yield — and was of better quality — than grain farmers had hoped for after a spring drought had dealt the crop a severe blow. Many fields yielded 50-60 bushels with some turning out as much as 70-80 bushels.

Grainmen here said Wednesday that "most of the 1964 crop" has already rolled to the elevators.

Starting Band Plans Concert

Beginners band, sixth graders who have been rehearsing all summer, will wind up their schedule today with a free concert in Dameron Park tonight at 7:15.

Directors are Ben Gollison and Clyde Wilson.

The quality of the 1964 produce is exceptionally high. This county produces more than 100,000 acres of wheat each year to make it the county's second most popular crop.

Price, however, is not as good as last year, the grain bringing only around \$1.40 per bushel here.

The Sugar Story — Part V

Pure Beet Sugar Sacked, Stored At Holly Plant

By Phil Duncan
(EDITOR'S NOTE: The following is the fifth in a series dealing with the process used in extracting sugar from the beets after they arrive at the Merrill E. Shoup Plant of Holly Sugar Corp. here. This fifth part deals with the storage and packaging of the sugar.)

In previous parts of this series, we have learned how sugar has gone through the processes until it is now a high-quality sugar. It is now ready for packaging and shipping to all points of the country.

As the sugar is conveyed from the vacuum pans, centrifugals and drier, it is passed into a new process introduced into the Shoup Plant. The sugar is dumped into giant tanks where warm, dry air is passed into the tanks and allowed to rise through the fresh sugar.

The dry air is passed through the sugar in one of the three separate tanks, for a period of up to 36 hours.

"This new process is being used to give a better conditioned sugar for shipping and storage for bulk users of Holly sugar," George Cossairt, superintendent for the plant said.

This operation will remove additional moisture which might remain in the sugar after it has completed the washing and normal crystal surface drying operations.

The sucrose molecules are larger than water molecules and

Hereford stores for the most part will close for Saturday's July 4th holiday, says Clete Corlis, chairman of the Chamber of Commerce Retail committee.

Groceries, however, will be open as usual, a check revealed Wednesday.

Few activities are planned. However, the annual Hereford City Golf Tournament is to be played Saturday and Sunday and a number of golfers are expected to flock to the John Pitman Municipal Golf Course for the event.

County, city, state and federal offices will be closed as usual, but no extra holiday will be taken even though the holiday falls on a Saturday, a customary losing day for such offices.

The post office will be closed and no mail delivery is scheduled, other than special delivery.

Bud Posey, tournament director for the golf meet, said the championship flight will have 16 players and will be staged, medal play with 18 holes on July 4 at 1 p.m. and 18 holes July 5. Posey explained.

The eight highest scores after Saturday's 18-hole medal play will be for the first flight and score will be figured in the first-flight scores.

These players also will play 18 holes of medal play July 5 for the first flight title.

All other flights are to have eight players to each flight and will play one 18 hole match play series July 4 and another one (Continued on page 2)

Judge Stiffens DWI Penalties

Deaf Smith County Judge H.C. Williams followed through with his "tightening up" policy this week concerning persons arrested on charges of driving while intoxicated.

Three persons appeared before Judge Williams this week and entered pleas of guilty to drunk driving charges. All three received stiff fines and short jail sentences.

The judge had announced last week that he would "get tough" with such cases, as a result of a rash of such cases filed in his court in recent weeks.

In the first case heard by Judge Williams, Dionicio Vila Alonzo, 30 years old, entered a

Police Chief Marshall Padgett warned today of city ordinances prohibiting the discharging of fireworks within the city limits.

Chief Padgett said the ordinance was passed in 1952 and is labeled Ordinance No. 97 which prohibits the discharge of any type fireworks within the city limits.

Another ordinance prohibits the sale of the fireworks within the city limits and Padgett explained violators are subject to stiff fines and sentences.

The fines for discharging fireworks within the city limits can vary from \$1 to \$100, Padgett continued.

"It is very easy for children to receive serious injuries or injure someone else very seriously if these fireworks are not handled with caution," Padgett warned.

"We hope parents will supervise the use of these fireworks and make sure the children are not violating the law when they explode them," Padgett concluded.

plea of guilty to a charge of driving while intoxicated. The court handed him a fine of \$150 plus costs and sentenced him to five days in the county jail.

Alonzo was arrested by city officers after a high-speed chase, the court was informed. After the officer stopped him, the driver got out, handed the officer his driver's license and then jumped into the vehicle and sped away. The officer followed again and another high-speed chase resulted.

The two cars reached speeds of 80 miles per hour within the city limits, the court was told.

In the second case, Wallace Blake Adams, 26, Dimmitt, was arrested by officers of the Texas Highway Patrol after another high-speed chase which was reported to have reached speeds of more than 100 miles per hour according to arresting officers.

Adams also was sentenced to five days in the county jail and was fined \$175 and costs.

In the final case, Esquidel Gonzalez Enriquez, 42, Hereford, was fined \$150 and costs and sentenced to five days in the county jail after he entered a plea of guilty to a charge of driving while intoxicated.

Enriquez was also driving with a revoked driver's license, the court was told.

Enriquez told the court he had originally left his home to purchase some milk but had bought some beer "by mistake." He later told the court he purchased some milk after he realized his mistake.

Rodeo Slated By Riders Club

Annual amateur rodeo sponsored by the Hereford Riders Club will be held July 23, 24, and 25, it was announced Wednesday. The parade, an annual highlight of the rodeo week, will be held on the final day, Saturday, July 25, at 4 p.m. and will be followed by a barbecue for all parade participants.

In making the announcement of the rodeo and parade, Harold Easley extended an open invitation to civic groups, veterans organizations, business firms and youth associations to participate in the parade.

Any individual or group wishing to enter a unit in the parade should contact Easley at the County ASC office, EM4-0530, at the earliest possible date, sponsors said.

Details as to assembly area and time will be available at a later date.

Seven Crashes Plague Police; Two Injured

Hereford Police were kept hopping once again this week as the rash of accidents continued within the city limits.

Four accidents were reported Sunday and several accidents occurred later during the week. The first accident came shortly after 1 p.m. Sunday in the 500 block of Highway 60 when vehicles driven by Clyde O. Haworth, Hennessey, Okla., and Donnie J. Haworth, Hennessey, Okla. were in collision.

Mrs. Clyde O. Haworth was taken to Deaf Smith Hospital by a Gilliland Ambulance and treated for bruises and abrasions. Damage to both the vehicles was estimated at \$350 by investigating patrolmen.

In the second accident, vehicles driven by Raul Saldana Jr., San Benito, Tex., and Ricardo Aquirre Zepeda, Lyford, Tex., were in collision at the intersection of Lawton and Highway 60 shortly after 2 p.m. Sunday.

According to investigating officers, Zepeda had stopped at a stop sign and Saldana pulled up behind him. Zepeda started backing up, colliding with Saldana. Zepeda was cited for improper lane change.

Construction Due To Start By Sept. 1

Hereford school board picked a site and bought land for a brand-new elementary building north of 16th street at a busy called session Tuesday morning, and immediately the architects Brasher & Goyette, Lubbock, began drafting blue prints for the new structure.

Property bought is a 15-acre tract due north of the city owned by John Douglas Pitman. Purchase price was \$22,500, Ivan Block, school board president, revealed.

Streets in the area are to be paved, and construction of the new rambling structure is due to get under way between Aug. 1 and Sept. 1, school officials said. It is expected to be ready for occupancy by Sept. 1, 1965.

The elementary building is one of two new structures included in a special election early this spring.

A junior high school is to be built, later, and extensive repairs and remodeling projects are planned for other buildings in the system.

The new building will follow the general lines of the architect's drawing submitted to the board in April. It probably will face 16th street which is to be opened before the building is completed. At present the site near the center of a potato farm.

In addition to buying property for the new elementary school, the board Tuesday morning sold the houses off another piece of property bought earlier in the month on Grand Ave.

Stucco residence and other buildings, all of them old, were sold to J. F. Pannell for \$450.

This is from property formerly owned by Mrs. Gertrude Lienhe, north of Shirley School, which the board bought for \$18,000. Pannell is to move the houses off the 10-lots plot which is to be readied for a new bus barn, another phase of the school expansion program.

At present the school owns no storage facilities for its buses, parking them on a lot east of the senior high school near the school garage. The new bus barn will provide inside storage for the vehicles, it was explained.

Paving contracts also were let at Tuesday morning's busy called session.

Contract for paving a parking area and portions of the inside of the athletic field as well as student parking areas near the senior high school was let to Laue Squire Paving Co. for \$5136.76.

Student parking will be pro- (Continued on page 2)

Meeting with the school board for the first time Tuesday was the new school superintendent, Darrell Williams, who took over his duties Wednesday morning. Williams and his family moved to Hereford two weeks ago from Uvalde, where he had held a similar post.

Earlier this month the board had let contracts for heating equipment at Central Elementary School and Stanton Junior High, and at their regular meeting early in June they bought furniture for the junior high auditorium and for "overflow" classrooms.

Under present plans, the school will "farm out" five elementary school classes and will convert five storage rooms in other buildings into temporary classrooms until the new elementary structure can be completed.

ar can be screened to the specifications of the buyer. The sugar used in the home is very fine and of a narrow range of crystal sizes. That sold for commercial use may be of several crystal size classifications.

Each of the six bins, which are used for storing the sugar, has a capacity of more than 10-million pounds of sugar. The seventh bin has approximately one-half the capacity of one of the other six bins.

The sugar can be conveyed out of the bottom of the bin and elevated at any time to be screened before it is shipped.

A loading area, at the bottom of the silos, is made completely just-tight so trucks and railroad cars can be loaded with bulk sugar during inclement weather and prevent contamination of the sugar before it leaves the plant.

"Although much of the sugar sold at this plant," Cossairt explained, "will leave in bulk loads, weighing up to 110,000 pounds each, we will have machines for packaging five, 10 and 100 pound bags of sugar."

A warehouse is provided near the elevator for the storage of the packaged sugar.

Liquid sugar will be prepared at the plant and special apparatus is provided for the mixing and storage of the sugar syrup. Pure hot water will be mixed with the sugar to form a 66.5 percent solution. Although it is very unlikely that any impurities would remain at this stage, the liquid sugar is filtered as a final precaution.

Special apparatus is on hand to clean tank cars and trucks properly, before the sugar is loaded.

"The most important factor in the processing of sugar is to maintain a high state of cleanliness at all times. This is one thing that is demanded to assure top quality. The plant here is equipped with every aid which will assist in the cleanliness of the processing, storage, and handling of the finished product," Cossairt concluded.

The next part of the series will deal with the drying of the beet pulp to be used for cattle feed. The series will appear in The Hereford Brand.

Regalo had stopped for the traffic light and investigating officers said McAnelly struck him in the rear, causing more than \$500 damage to both vehicles.

McAnelly was ticketed for following too closely, by investigating officers.

According to investigating officers Mrs. Welty was attempting to make a right turn from the inside lane of a four-lane highway. She was cited by the officers for improper turn from a wrong lane.

Athletic Club Will Sponsor Swim Meet In Hereford July 6

Hereford Athletic Club will sponsor a swim meet at the Hereford Municipal Pool, announced Wayne Lawrence Wednesday. Lawrence is a coach for the local team.

The meet will be at 6:30 p.m. Monday. It is open to all boys and girls from ages 6 through 16.

The open meet will have contests in freestyle, breast stroke, back stroke, and butterfly. Contestants will vie for positions in six lanes. Another part of the program will be a presentation of a water ballet class under the instruction of Mrs. O. G. Hill Jr. She has 13 girls in her show.

Lawrence pointed out that the meet has no connection with the AAU (Amateur Athletic Union). This can be a start for a young person who is good enough to go on to the Olympics, he said.

Lawrence, along with Gerald Wilson, coaches members of the swimming team for an hour

and a half every morning in the municipal pool. The morning exercise is from 7:30 until 9. The coaches' work is voluntary.

Each morning begins with laps, racing dives, turns, and also some races. "Each contestant has his own special problems," Lawrence pointed out. "We have to consider each one." He explained that a coach cannot say anything to his student once a contest begins. All problems have to be "ironed out" before the race begins.

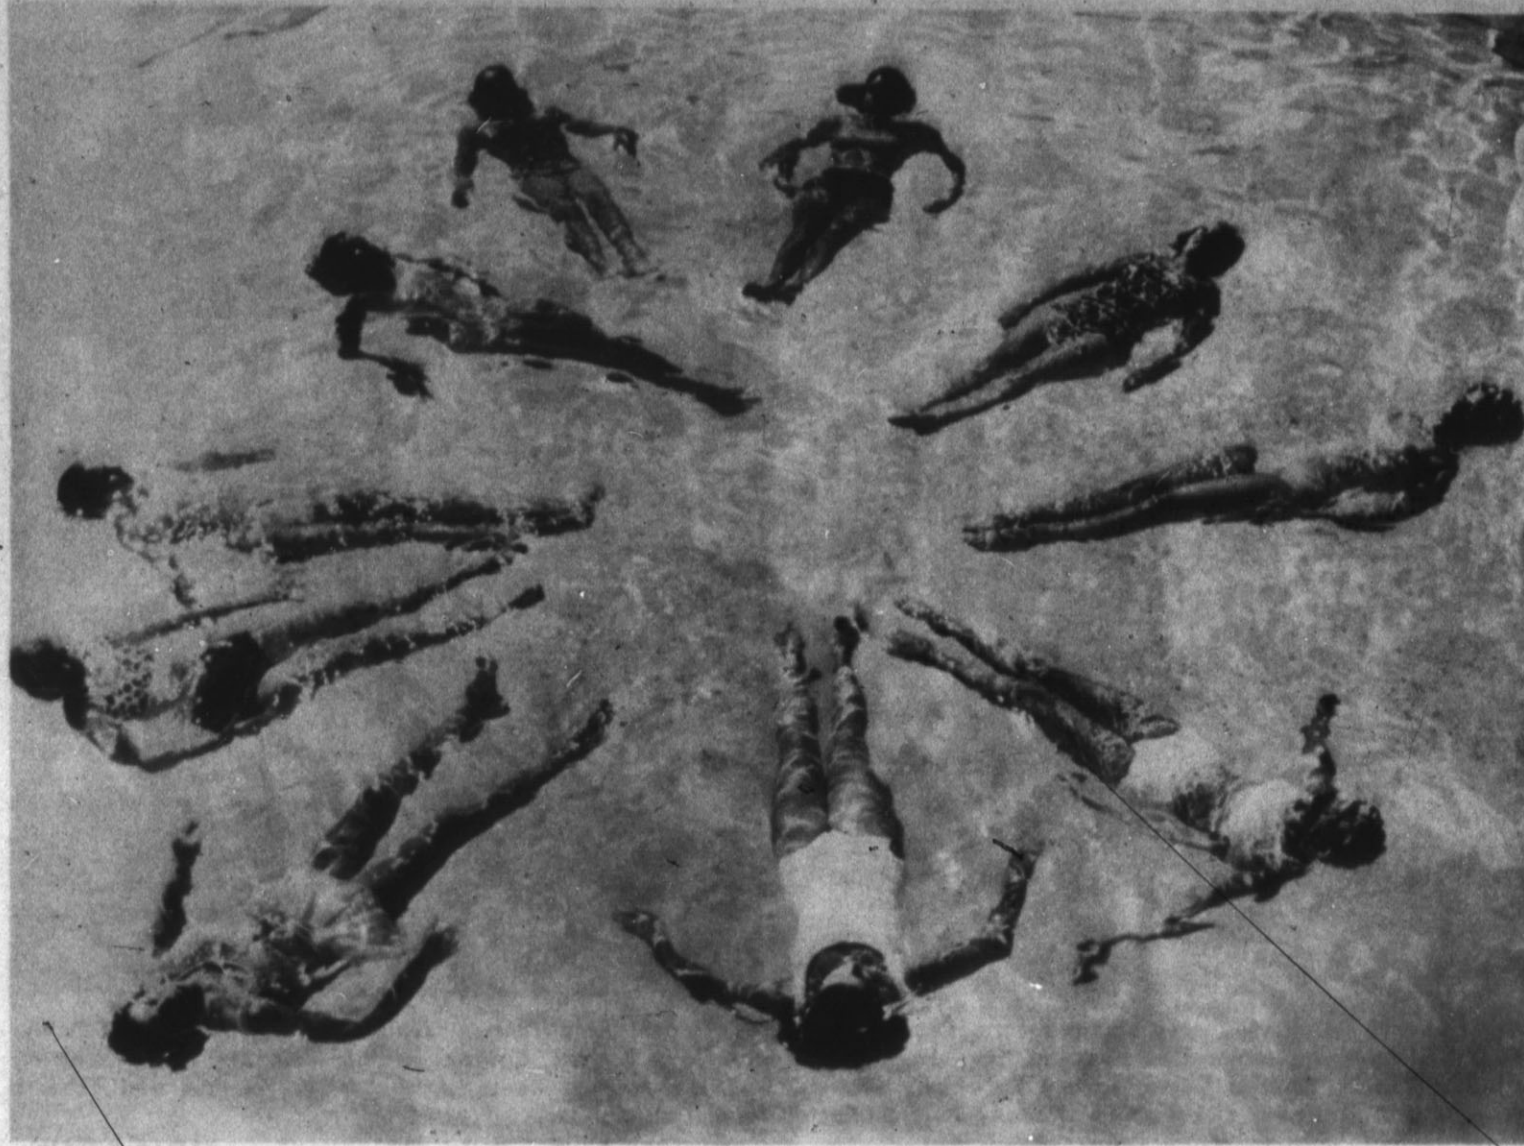

Members of the local swimming team attended seven meets during last year's season. Three were held here, with four out-of-town.

Lawrence invited the public to come out and see the contestants perform. There is no charge, either for guests or ones in the contest. He said there will be first, second, third and fourth place ribbons awarded to participants.

Most to ever participate in such a meet was 100, Lawrence said. It will not be known in advance how many entrants there will be.

Later in the season, Lawrence hopes to have his swimmers attend meets at Thompson Park in Amarillo (AAU Preliminary Meet), and hopes to also compete with Western Riviera of Amarillo.

Lawrence said he thinks the Hereford team is doing well considering their short season and training period in comparison with the year-around practice of most of the other contestants.

'Pal' Birthday Party Is Held By West Club

West Home Demonstration Club held its annual Secret Pal Birthday Luncheon Tuesday June 23, in the home of Mrs. Eli Anders.

Mrs. Vida Jacobsen led the luncheon prayer. Place favors were secret pal gifts. Mrs. Mary Waters won the hostess' gift.

Mrs. E. B. Moseley presided, naming the following committee to nominate officers for the 1965 slate: Mrs. Alice Bradley, and Miss Evelyn Bell. They should be ready to report at the Sept. 8 meeting.

The Recreation Committee announced that members should keep an open August date for the picnic when each member will bring a basket lunch. The committee will arrange for entertainment and announce the date.

The program on Home Care of Purchased Frozen Foods was presented by Jean Beene, assistant home demonstration agent. She gave pointers on ga-

thering and selection of foods for freezing and the preparation of them for freezer storage. She added special cautions as to proper packaging, maintenance of right temperature in freezer, and prevention of spoilage.

Eleven members enjoyed this luncheon meeting.

More Antiques Added To 'Barn'

Mrs. Jack Renfro has contributed several antiques to the museum in the barn behind Mrs. Bess Werner's home on Harrison Highway.

Included are such items as Coronado's Battleaxe and sword which originated around the 16th century; a paisley shaw 200 to 300 years old; a black lace umbrella, a Spanish black velvet beaded jacket; a Turkish sword, offset by some semi-precious stones of the ivory handle; two ironstone saucers, a piece of the finest china in France and a pair of Spanish spurs.

The battleaxe and sword owned by Coronado is the most valued item Mrs. Renfro owns.

Youth Declares Wealth Lies In Freedom

EDITOR'S NOTE: The following is another essay by a member of the Dawn Boys' 4-H club. This essay on citizenship was written by 16-year-old Robert Richardson.

America is a big country, a vast land of rivers and mountains; lakes and valleys and plains. It is a rich land — rich in natural resources and human resources. But the wealth of America lies in the fact that it is a land of freedom where every man may follow the dic-

tates of his own conscience and men without conscience are restrained by the laws that were formulated to insure justice for all.

American is my country — and I am proud to be an American citizen. As an American I have privileges, but I also have duties. It is my duty as a citizen to perform responsibly my everyday jobs. That means that I will study my lessons and cooperate with my teachers; it means that I will obey my parents and help at home. It means that I will obey the laws of my country and will respect the authority of the men who represent the government of my country. As an American citizen I will uphold the ideals of my country both in speech and action and will ever be loyal to my country which has given me so much.

The U. S. Office of Education estimates that nearly a million youths drop out of elementary and secondary schools each year.

1776 'till NOW...

Independence Day, the Fourth, the Glorious Fourth of July, that Great Day in the history of our Great Country—the birthday of our freedom! It's time to celebrate! It's time to rededicate yourself to God and Country!

In 1776, July 4 was a day of jubilee, bell ringing. A people rejoiced with all its heart because its Declaration of Independence had been adopted. Long had they struggled under the oppression of tyranny, awaiting the fullness of time that would bring leaders to guide their way to freedom. They had been plucky, they had been patient, but now their hour had struck. At last their claims to "certain unalienable Rights... Life, Liberty, and the Pursuit of Happiness" were no longer intangible dreams, but a living challenge across the sea "to a candid world." Those patriots knew the struggle would be hard, that it would mean personal sacrifice for each and every one... it was a preposterous assignment; it was a fearful task. Did they hang back and haggle as to the prudence of such daring? Did they talk of doubt and fear and mistrust of their leaders? They weren't made of such stuff. They were proud of their commitment. Like their leaders, they were ready, "with a firm reliance on the protection of Divine Providence," to pledge their Lives, their Fortunes, and their sacred Honor to support their Declaration of Independence. Their Spirit sanctioned every word. Their bells rang out in a grand "AMEN!"

This year July 4 likely will be gayier than ever. We will picnic, we will swim, we will go places. There'll be fireworks, parades, band-playing, speech-making. Again it will be a Great Day of celebration. But there'll be an undercurrent of solemnity; there'll be a reverent re-dedication to our country. We know that our nation stands today in grave peril; we are warned at every hand of the powerful tyranny which rides today unchecked, growing more threatening and more powerful hour by hour, day by day... Russia and her fifth column. We realize that the fate of our freedom is in our own hands. We must not be unconcerned. We must recognize the dangers. We must be ready to sacrifice. Like our forefathers, we must value our democratic freedom more than life itself... As we have done for nearly 200 years. Never have the people of America failed to rally in support of the principles set forth in our Declaration of Independence. We never will! Communism cannot take root in the Land of the Free. We have no desire for territory. We have no ambition for conquest and military glory. We want no loot. But we mean to have our freedom and independence, whatever the cost. In 1776, our forefathers made a bold Declaration against Despotism. Today, we stand ready to uphold that Declaration against any powers that be. The Spirit of '76 still lives. The right to freedom of worship must Prevail.

Ever Hear of Pink-a-Boor Cookies? Flag Lollipops Will Spark July 4

SUMMER COOLER — With favorite iced drink (milk, fruit-ade, freeze, or float), serve peanut (pink-a-boor) cookies, made with wheat germ for a young set's nutritious dessert. For party fare, merely add cream, shurbet, or parfait trimmings. (AP Photo)

PRESCHOOLERS SOMETIMES have their own secret language.

One little girl kept talking about the good pink-a-boor cookies she had at home. The neighbors who heard her were curious; on querying her mother they discovered that she meant peanut butter cookies!

Her mother also volunteered the information that she favored using wheat germ, that highly nutritious cereal, in the pink-a-boor cookies.

When we tried this recipe for wheat-germ peanut-butter cookies we did so two ways — once with the amount of baking soda suggested here, and once with twice the amount. We favor the half-teaspoon included in our directions because it gives a crisper texture and a better flavor than does the larger addition.

PINK-A-BOOR COOKIES

- 1 1/4 cups sifted flour
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup wheat germ
- 1/2 cup butter or margarine
- 1/2 cup chunk style peanut butter
- 1/2 cup granulated sugar
- 1/2 cup firmly packed light brown sugar
- 2 eggs

Sift together the flour, baking soda and salt; stir in wheat germ. Cream butter, peanut butter, granulated sugar and light brown sugar, beat in eggs thoroughly. Gradually stir in the sifted dry ingredients. Shape dough into small balls using 1 tablespoon for each. Place a few inches apart on cookie sheets. Press down balls with a fork to make fairly thin. Bake in a moderate (350 degrees) oven until lightly browned, about 10 minutes. Makes about 4 1/2 dozen.

Turn salad greens, Chinese cabbage, oranges, cucumber and shallots into a salad bowl. Toss with oil, vinegar, salt and pepper in the proportions that suit your taste. Makes 4 to 6 servings.

WEEKEND FARE

This meat pie needs only brief baking in a hot oven.

- Good Meat Pie Mushroom Sauce
- Mammoth Salad Bowl
- Fruit Beverage

GOOD MEAT PIE

- 2 slices bacon
- 1/2 cup chopped onion
- 1/2 pound each ground pork and ground veal
- 1/2 cup chopped sweet fresh cucumber pickles
- 2 tablespoons each pickle liquid and minced parsley
- 1/2 teaspoon salt
- 1/8 teaspoon each pepper, sage and garlic salt
- 1 egg, slightly beaten
- 1/2 cup fine dry bread crumbs
- Flaky pastry for 9-inch pie

In a large skillet, cook bacon until crisp; remove crumble and reserve. Leave 1 tablespoon bacon drippings in skillet and lightly brown onion in it; add meat, pickle, pickle liquid, parsley and seasonings. Simmer, covered, for 15 minutes; stir a few minutes; stir a few times. Cook uncovered for 5 minutes; cool slightly; stir in egg mixed with crumbs and reserved bacon. Line a 9-inch pie plate with half the pastry; add meat mixture; top with remaining pastry; flute and seal. Make several vents in top; brush with melted butter. Bake in a hot (425 degrees) oven about 20 minutes or until lightly browned. Serve hot with Mushroom Sauce.

WHEN FLAG lollipops appeared at our house, some young visitors got a big bang out of them.

Henry Murrell Dies; Funeral Held In Chapel

Services for Henry H. Murrell, age 62, 406 Avenue H, were held Wednesday at 10 a.m. in Rose Chapel of Gilliland Funeral Home. The Rev. Eugene Brink, pastor of First Christian Church officiated.

Murrell died Monday morning in Deaf Smith County Hospital after a long illness.

He was born July 11, 1901, in Cane Valley, Ky. He married Miss Naomi Eastep October 25, 1923, in Purcell, Okla. They moved to Hereford from Rosewell, N.M., 19 years ago. Until his retirement in 1963 Murrell was owner and manager of Murrell Roofing Co.

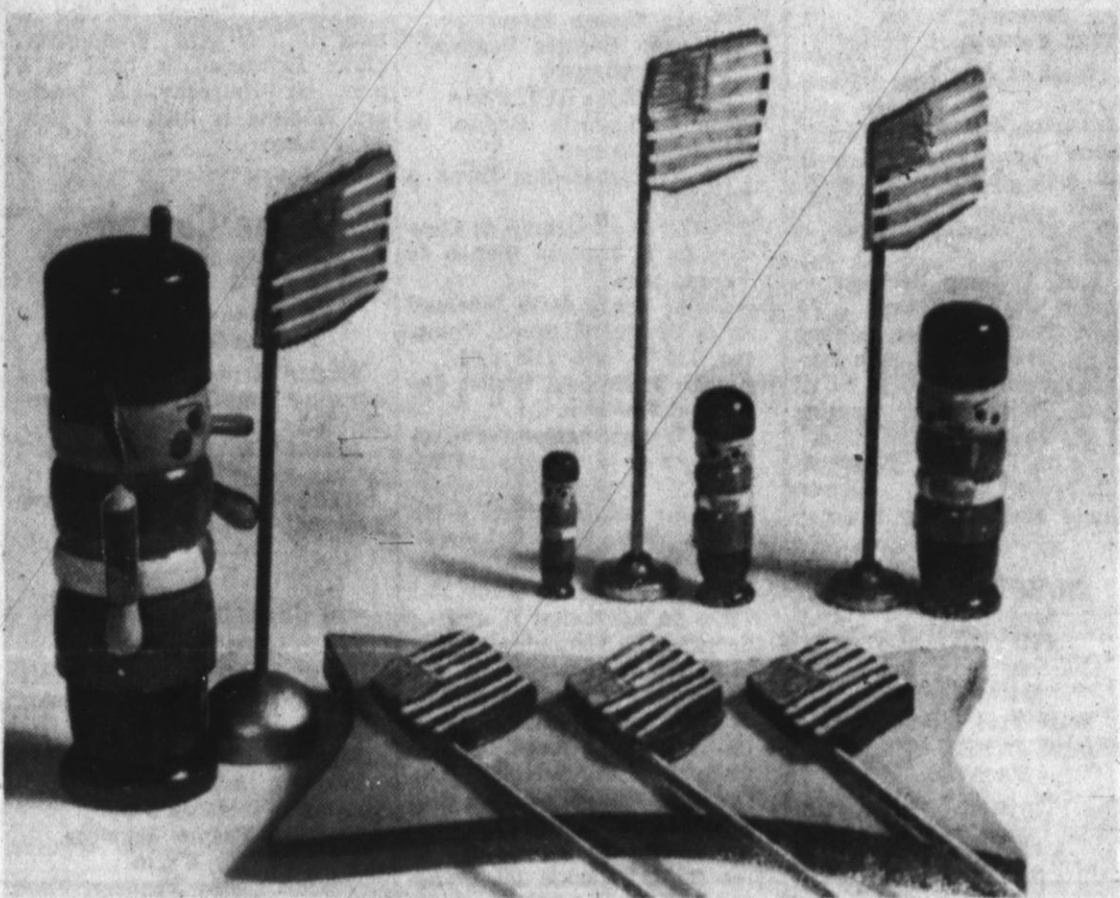

He is survived by his wife, Naomi, of the home; four sons — James D. Brisbane, Australia; Henry, Jr., U.S. Air Force, Austin; Billy, J., Vancouver, B.C., Canada; and Don R., Rosewell, N.M.

Also three daughters — Mrs. Bill Gann, Lubbock; Mrs. Janie Hopson and Mrs. Nan Rogers, Hereford; three brothers — George, Roswell; Knox, Purcell, Okla.; and Wallace, Salina, Kans.; and 11 grandchildren.

Other relatives attending the services were from Rocky Ford, Colo., Purcell, Okla., and Salina, Kans.

Bearers were J. Barrett So-well, Richard Oakes, Frank Pannell, Benny Cooper, Gayle Cornelius, and Jerome Erdman.

Burial was in Rest Lawn Cemetery under direction of Gilliland Funeral Home.

JULY 4th FUN — Flag Lollipops can be concocted of home, from blue field and red and white stripes to flag pole. A high-flying flag or a low-flying flag depends upon stick-tricks; so see directions. (AP Photo)

how to make lollipops? the Scouts chorused.

Our friend forthwith gave the lesson with great success. When we told her we thought it would be fun to make lollipops in flag shape, she worked out the following ingenious directions.

FLAG LOLLIPOPS

- 2 cups sugar
- 1 cup light corn syrup
- 1/2 cup water
- 1/2 teaspoon oil of cinnamon or 1 1/2 teaspoons peppermint extract
- 1/2 teaspoon red food coloring
- 18 Flag lollipop molds

In a 2-quart saucepan, stir together the sugar, corn syrup and water. Cook and stir constantly over medium heat until sugar is completely dissolved. Boil without stirring to 300 degrees on candy thermometer, or until a small amount of mixture dropped into very cold water separates into hard and brittle threads. Remove from heat and cool a few minutes. Add oil of cinnamon or peppermint extract and red food coloring; stir just enough to blend. Immediately pour the mixture into the 18 molds to 3/4 inch thickness, holding stick in place with one hand. (If mixture hardens before all lollipops are poured, stir over low heat just until mixture is melted.) When lollipops are hard, peel off foil. Pipe six white stripes and a blue field onto each lollipop using white and blue tinted Flag Frosting.

Clean-Up Trick: To remove any candy stuck to inside of saucepan, fill pan with water and heat to boiling; the boiling water will melt the syrup. Put thermometer and candy coated spoons, too, in boiling water.

FLAG FROSTING

Mix 1 tablespoon water into 1 cup confectioners sugar until smooth. If needed, add extra water, drop by drop, to make consistency to put through decorating tube. Use to pipe stripes onto Flag Lollipops. Make additional or use leftover frosting and tint pale blue; use to pipe a blue field onto each Flag Lollipop.

FLAG LOLLIPOP MOLDS

12-inch roll heavy aluminum foil
Butter or margarine
Diamond shaped cookie cutter
3 1/2 inches measured the long way
Lollipop sticks: 1/8 inch thick
dowel cut into 6 or 7-inch lengths

Cut a small piece of foil 1 inch wider than the width and 1 inch longer than the length of the cutter. (For the 3 1/2 inch cutter used in these directions the foil piece will be 4 1/2 by 3 inches.) Grease foil lightly with butter. Place cutter on greased surface; turn up sides of foil around cutter to make a neat diamond shape; carefully slip foil off cutter so you have a diamond-shaped foil mold. Make 17 more molds. (To use foil economically, tear each length off when it is 4 1/2 inches wide, and divide length into four equal pieces.) With a skewer, make a hole in each foil mold for insertion lollipop stick. The hole would be made close to the bottom of the mold and just slightly to one side of one of the points. For a high-flying flag, make a hole next to a side point. Insert stick into mold so it is parallel to one side of the diamond, to form the flag staff.

Texas' Traffic 'Terrible', Says DPS Director

AUSTIN — The director of the Texas Department of Public Safety today described the traffic situation in Texas as "critical" at mid-year and appealed to all motorists to make the July 4 holiday weekend the turning point away from a two-year upward trend in fatal traffic accidents.

Col. Homer Garrison Jr. announced the "Operation Motorcade" will be in effect from 12:01 a.m. Friday, July 3 through 11:59 p.m. Sunday, July 5, in an effort to focus public attention on the added hazards of holiday road travel and at the same time bring about continued safety consciousness among all drivers. During this three-day period the DPS estimates that 32 persons will be killed in Texas traffic.

As part of this program, he said additional patrolmen from the DPS License and Weight and Motor Vehicle Inspection Service will join the regular Highway Patrol for the three-day holiday period.

Garrison added that numerous agencies, organizations and individuals will take part in "Operation Motorcade" in coordinated attack on traffic accidents. For example, he said the Texas Association will conduct a public information program stressing the need for courtesy and caution on a statewide basis and coordinate local safety council holiday safety emphasis programs. The Texas Council of Safety Supervisors and the Texas Motor Transportation Association will conduct a "Holiday Road Patrol" in which a fleet of 35 to 40 cars will be used over the state to assist stranded motorists and thus help to relieve highway patrolmen for more enforcement work. And the State Highway Department will conduct a continuing information and education program instructing drivers on freeway driving and the need for caution near construction areas.

"And we know we can count on the press, radio and television, as always, to carry the message of safety to the public and thereby made a wonderful contribution to the program," he said.

In a mid-year summary of the traffic situation in Texas, Garrison stressed that fatal accidents on the streets and highways are up about 14 per cent over 1963 — which was the worst

Red Cross Swim Program Books Second, Third Sessions Here

Second session of the Red Cross swimming program will be held for two weeks, starting July 6, it was announced Wednesday. Adult classes will be held at 6 a.m. and 6 p.m. with swimmers registering at those hours.

Instructors will be Donna Smith and Doris Rojek, water safety instructors, for the second session classes at 9 a.m. and 10 a.m.

City pool fee of \$2.25 for each person enrolled is required. With the exception of a few openings for the intermediate and swimmers' groups, the second session of children's classes has been filled, it was explained.

However, openings exist for all classes — beginning, intermediates and swimmers — in the third Red Cross water safety session slated for July 27 through Aug. 7.

Registration for openings in the second session, as well as for the third session, will be held at the city pool next Monday, from 8:30 a.m. until 10 a.m. on a first-come, first-served basis, sponsors said.

Garrison said a study of the present situation shows that the increase in fatal accidents has been in the cities and towns as well as on the open highways. A recent report shows that 445 fatal crashes occurred in cities and towns so far this year, compared to 363 for the same period last year. The same report shows that a total of 524 rural fatal accidents have occurred this year, compared to 480 for the same period in 1963.

The Public Safety Director pointed out that nearly half of the fatal accidents that occur on rural highways involved either running off the roadway or head-on collision. To guard against these most frequent types of fatal mishaps, Garrison offered these suggestions:

1. Be sure your equipment — tires, steering gear, breaks, lights, windshield wipers, etc. — are in proper working order at all times.
2. Be sure the driver is in good physical and mental condition whenever he takes on the exacting job of driving a motor vehicle.
3. Always be on the alert for unexpected actions of other drivers and for other hazards, such as slick pavement, pedestrians, construction areas, etc.
4. Reduce speed before entering curves, not after, when it may be too late to retain control.
5. Avoid improper passing, one of the major factors involved in head-on collisions. This includes such things as passing with insufficient clearance, and passing in no-passing zones such as on hills and curves.
6. Adjust to existing conditions and circumstances, regardless of the posted limits.

WORKERS RECEIVE PRESIDENTIAL SHINE

NEW YORK — In many firms when an employe gets a call to come into the president's office something is brewing.

When president Irving J. Bottner of Esquire Polish calls employes no matter what he wants, he always ends up shining the shoes of the person.

"I once called a man in to fire him for doing something drastically wrong but I still shined his shoes," Bottner said.

EXPENSIVE WRECK
HENDERSON, Ky. — It was an expensive wreck for Orville Schinault. Damage to his car was estimated at \$200. When he got out of the car, two men asked for his identification and he handed over his billfold, supposing they were police officers. That, he ruefully admitted when the real officers arrived, cost him another \$22.

FORD DEALER HOT YEAR TRADING RALLY

STEPHENS-HUDSON MOTOR CO.
HEREFORD, TEXAS

By Melvin Young

Have an extra day off? Why not take a trip to the Palo Duro State Park at Canyon?

We sometimes forget that we have one of the nation's major tourist attractions nearby, but after a day at "the Park", we realize the value and beauty of this wonderful canyon.

We spent Sunday afternoon roaming around in the Canyon and thoroughly enjoyed the trip. In spite of the fact that we shared our lunch with the ants, as do most picnickers, it was a rather pleasant change from the every-routine.

While there, we stopped at the picnic table on the rim and visited "Pete" Cowart, former Hereford Chamber of Commerce manager who is now in charge of the park. "Pete" tells us each Sunday during the summer months brings about 700 of them were driving down the narrow paved road most of the day.

"The best time to come is during the week", says "Pete". The weekday traffic drops off to about 200 cars daily.

The sky lift, which has been added since the last time we were in the canyon, gives the visitor a panoramic view of the entire canyon, and is well worth the time and money spent. Our only criticism of the deal is that it takes so long to get to the top, and then back to the bottom. The attendant estimated thirty minutes for the round trip; we would guess that it was nearer forty-five. But in spite of the time element, it was worth it.

Many people, visiting the park, take to the side trails and wander back into the more secluded areas. However, we pretty well stayed with the beaten path. We believe, however, that the visitor with a little more time to spend, could park at the automobile, take to the trails, and really enjoy the day.

The Deaf Smith County United Fund budget committee has again in 1964 approved a record budget for its seven member agencies, and will be making plans soon for the annual fall campaign. This year's budget calls for \$29,222, or \$1,222 over the 1964 budget year.

A big budget certainly, but then the organization has a big job to do. And although the United Fund is not the answer to all our problems concerning community and welfare activities, it is certainly the best solution that we have to date. With-

Redbirds Take 2 Victories, District Title June 27-28

The Hereford Redbirds took two victories over the weekend and wound up as leader of the American Legion South Division. They beat Friona Saturday by a 6-3 score and blasted Nazareth Sunday by a 19-8 margin. This revenge victory over Naz-

areth, coupled with a Tulla decision over Childress, gave the local team a 6-1 record and first place in District play.

In Saturday's game Hereford starter Ed Mims walked the first Friona batter, got two men out, and saw Friona hurler S. D. Baize put one over the left field fence for a 2-0 lead. The Redbirds came back in the bottom of the first to take a 3-2 margin. Lead-off batter Danny Loerwald singled, Lynn Cook brought Loerwald in with a single, and Gary Renner replaced Baize on the mound for the visitors. With two out Steve Hodges doubled to bring in the second run and Charlie Moreno got a two-base hit to score Hodges. Friona tied it up in the second on a walk and two singles before a force at second retired the side. Ed Mims got a stand-

up double in the second but was left stranded by two pop flies. Mike Ranspot took over the pitching chores in the third and pitched three innings of scoreless, hitless ball despite four walks and three Redbirds errors. In the meantime Hereford built up a 5-3 lead. In the third Mike Ranspot singled, Steve Hodges hit safely and Ranspot scored on an attempted pick-off that went wild. In the fifth Ranspot, Hodges, and Charlie Moreno got successive singles to bring in one run.

In the sixth Mike Ranspot gave up his first hit to Ronny Brookfield, got the next two batters, and S.D. Baize blasted his second home run to tie the score at 5-5. The Redbirds took the winning margin in their half of the sixth with two bases on balls and Mike Ranspot's third hit of the game. Friona got two singles in the seventh but Ranspot struck out the final two men.

The Redbirds scored six runs on twelve hits and three Friona errors. Mike Ranspot and Steve Hodges each hit three for four and Danny Loerwald and Charlie Moreno each had two for three to lead the batting parade. Friona had five runs on seven hits and four Hereford errors. Ed Mims gave up three runs, three hits, walked two and struck out three in two innings. Mike Ranspot pitched five innings, gave up two runs, four hits, walked three, hit one batter, and struck out eight.

Sunday's game averaged a 4-2 defeat at Nazareth earlier in the season. Hereford Pitcher Larry Minks retired the first three Nazareth batters in the first frame and the Redbirds took an early 2-0 lead. Danny Loerwald

and Frank Cain singled and advanced on Lynn Cook's bunt. The first run scored on Larry Mink's sacrifice fly to left and Mike Ranspot singled to bring in the second score.

Nazareth tied the game in the second on two walks and two singles but the Redbirds came right back to take the lead. Charlie Moreno singled and scored on two Nazareth errors. Ronny Duncan got a double but was tagged out at third on a ground ball. Danny Loerwald got his second hit but was left stranded. Larry Minks retired the Nazareth batters in order in the third and fourth innings while the Redbirds picked up seven runs for a 10-2 lead.

Larry Minks led off the home half of the third with a home run over left field. Mike Ranspot singled, and scored when an attempted force at second on Charlie Moreno's ground ball went into right field. Ronny Duncan blasted the first pitch over the field fence to bring in two runs. This retired Nazareth starter Marvin Hoelting and relief hurler Dennis Gerber disposed of the next two Hereford batters in order. In the fourth Frank Cain singled, Lynn Cook walked, Cain was forced at third, and Mike Ranspot put the ball over the left field fence to bring in three runs.

Nazareth came back in the fifth to score two runs and cut the margin to 10-4. The first batter was walked. Minks struck out the next two, but two errors on the next play scored one run and left a man on base.

Two walks loaded the bases, a single brought in the second run, and a pop-up ended the Nazareth rally with the bases still loaded. Ronny Duncan got a single, but was forced on a double play and Danny Loerwald was stranded after his first single of the day.

A home run by Marvin Hoelting gave Nazareth one run in the sixth but the Hereford bats really boomed in the last of the frame. The Redbirds picked up

nine runs, eight hits, and took a commanding 19-5 lead. Lynn Cook singled and scored on Larry Mink's second homer of the game. Not to be outdone, Mike Ranspot blasted the first pitch over the center field fence for his second home run.

Steve Hodges doubled and scored on Gary Tucker's three base hit down the first base line as Jim Hoelting took over on the mound for Nazareth. Ronny Duncan got his second four-base hit and Bill Watts hit a double. Danny Loerwald walked but was forced at second for the first out of the inning.

Larry Minks hit for three bases to bring in two runs and scored on a wild pitch as Ran-

spot and Hodges walked. The inning ended with a long fly to center field that barely missed being a home run for Gary (Continued on page 13)

out it, we would be faced with seven individual drives for funds, from seven individual organizations, and many of the usual campaign workers would probably be asked to serve seven times. And speaking from experience, once a year is plenty.

Dropping out of the United Fund this year is the Hereford Athletic Club. The organization although active in swimming, did not need additional money to operate another year. The Club's swimming team, coached by Wayne Lawrence has been active ever since the club was organized some 9 years ago, and is still going strong.

By the way, the organization will sponsor an area swimming meet to be held at the municipal pool Monday, July 6th. Also on the program will be a synchronized swimming demonstration by members of the club. This group will present a water ballet, according to Mrs. O. G. Hill Jr. who has been working with the youngsters. The activities will begin at 6:30 p.m. Make a point to be there. You'll enjoy it.

And speaking of sports, don't forget the Little League (Minors) play-off today at the Little League park. Game time is 8 p.m.

There will only be one game. The winner will be the minor's championship team for 1964, and this will be the final game of the year for this group of youngsters.

The teams playing in the finals are being coached by Joe Awrey and Jimmy Collier.

The Major League All-Stars will meet the Castro County All-Stars in the first game on July 23 at the Little League field. The winner of this tournament will advance to the district tourney and eventually, if they keep winning, land in the Little League Nationals at Williamsport, Pa.

Irving Alexander gave us the "cook's tour" of the new store addition Monday, and although they are far from being finished, we can tell that it's going to be

one of the nicest in the country.

Most stores will be closed Saturday for the 4th. In case you're leaving town, drive carefully. The traffic situation is bad enough on normal week-ends, and every holiday week-end takes its additional toll of injured and killed.

And while you're gone, don't spend all your money. After all, Monday is Dollar Day, and you'll want a little left over to spend on the many bargains offered by the local merchants.

The new addition to Taylor and Sons Food Store is about finished, according to Buddy Taylor. Both sides of the store are now being used, but they still lack some finishing up. It shouldn't be long before they are finished.

The Hereford Rotary Club voted Monday to contribute \$500.00 to the West Texas State Opportunity Plan operated by "Biff" Morris. The plan has helped hundreds of youngsters to obtain a college education. The money loaned to the student is repaid to the organization, which in turn, loans it to another.

We understand that the local Rotarians plan to make an annual contribution to the organization if possible.

Indians Tromp Tigers To Hold League Lead

The Indians of the Hereford Pony League continued in their winning spree as they tromped the Tigers Tuesday 20-2 and maintained their lead at the top of the standing in the Pony League Loop.

The Indians now possess a 8-1 record, followed by the Red Sox, who have a 6-3 record.

The White Sox are in the red for the season thus far as they show a 3-6 record, followed by the Tigers who have a 1-8 record after losing to the Indians Tuesday.

A double header was played June 22 between the White Sox and the Tigers. In the first game Lupe Alvarado hit a smashing home run in the third inning and a triple in the fifth to lead the batting for the Tigers.

The White Sox scored nine big runs in the first inning going on to win the first game of the double-header by a score of 12-11. Eleven of the 12 runs by the White Sox were walked in. Larry Derring got the only hit by the White Sox.

In the second game the White Sox defeated the Tigers 21-16. Charlie Stone boosted his REI average for the season as he hit a grand slam homer in the third and one with two men on in the first.

Charles Kelly hit a double and Sid Shaw hit two singles and two doubles in his four out of five times at bat.

The Tigers couldn't seem to get started in the double-header due to the bad breaks and rather slow pitching.

The big double header came June 23 when the White Sox and the Indians split a double-header and the Indians were handed their only defeat thus far in the season.

The Indians took the first game in a 7 to 6 squeaker. The game was going into the sixth inning when Brad Johnson slammed a home run and won the game for the Indians.

The Red Sox were determined to win from the word "go" in the second game of the double header with every player hitting better than at any point in the season.

The final score put the Red Sox on top by an 8-2 margin.

The Indians took another squeaker from the White Sox last week as a pitching dual developed between Brad Johnson and Charles Kelly.

The Indians won the game after Mike Horton blasted homers in the second and sixth innings to win the game by a score of 4-3.

Teachers Attend Social Studies Meet In Austin

Mrs. F. G. Collier and Mrs. Charles Bell, both teachers in the Hereford school system, attended a social studies meet in Austin June 25 and 26. The trip was not sponsored by the school in any way, so the women paid their own expenses.

Theme for the meet, held on the campus of the University of Texas, was "Mass Media - Friend or Foe?" Keynote speaker for the affair was Hugh B. Patterson, publisher of the Arkansas Gazette.

The teachers also attended the film festival while in the city. The festival was concerned mainly with social studies topics.

Other speakers at the event were DeWitt C. Reddick, professor of Journalism at the University, Robert Schekkan, professor of speech and director of radio and TV at the University; George R. Wolford, William Van Dyke, Julian Bryan, and Dr. A. B. Franklin from the University of Brooklyn.

Wrestlers Book Double-Header

Lions Club's wrestling series a regular Saturday night event at the Bull Barn, will continue with a double main event, Slim Wester, the club's wrestling manager, announced Wednesday. Each of the main events will have a 60-minute time limit or two out of three falls. Attendance at the Saturday night events has increased greatly, Wester said, and the holiday event is expected to draw a near capacity crowd Saturday night. Starting time is 8:45. Admission is \$1.50 for reserved seats, \$1 for general admission and 75 cents for children under 12.

Two popular musclemen, who have appeared in previous fights here, will meet in the other top event. The Viking will battle Dory Funk, Jr. In the opener, Wahoo McDaniel will meet Bill Graham. This will be the Indian's first appearance in the current Lions club series. Their battle will have a one-half or 20-minute limit.
