

# Local Museum Society Forms; Charter Membership Drive Set

Some 50 persons voted to organize Deaf Smith County Historical Society, Inc. — for the purpose of creating an organization which would be authorized by the county commission to start a local historical museum — to climax a meeting held Tuesday night in the Bull Barn.

After adopting a constitution and by-laws, the group elected a nine-member board of direc-

tors and began subscribing charter memberships towards making the long-hoped-for local museum a reality.

**THE MEETING** was called by the Deaf Smith County Historical Survey Committee, in conjunction with expressed hope for such a move by the county commission, the tourist and convention committee of the chamber of commerce, and a host of area residents who for many

years have promoted interest in such a project.

Before the close of the session, 47 persons had signed up as charter members of the association and promised the \$2.50 dues to become voting members of the association.

Directing the meeting was Mrs. Elmer Patterson, chairman of the historical survey committee.

**THE NEWLY-FORMED** his-

torical survey committee, which is affiliated with a statewide organization promoted by the Texas legislature.

The society formed Tuesday will move head-long into work towards bringing a Deaf Smith County museum into being, utilizing a former Catholic school building now owned by the county as an initial location for receiving, cataloging, and storing items for the museum.

**ELECTED MEMBERS** of the board were Mrs. Jack Renfro, Mrs. J. H. Sears, Mrs. George Turrentine, Mrs. Patterson, Lindy Daniels, Frank Ball, Palmer Norton, A. J. Schroeter, and Gene Fooks.

This board will meet Saturday to elect officers and continue planning for a program of work for the society.

At Tuesday's meeting, Mrs. Patterson called upon county

commissioner Donald Hicks to outline the viewpoint of the county's governing body concerning the proposed museum.

Hicks said that the commission had long recognized the value of such a project, and as a result has agreed to make the former Catholic school, located just north of the Courthouse, available for use to start the museum.

He said the commission wish-

es to see a start made immediately and that it recognizes that changes and adjustments will be made in the future as means become available for providing a more suitable location for the facility.

**SUPPORTERS** of the museum believe that by utilizing the former school building to collect items now, many donations may be received which might otherwise be lost.

## School Approves Vocational Course Offering Expansion

### Program Hopes To Meet Need For Wider Scope

By WAIN MILLER  
News Editor

Additional vocational courses geared to better prepare non-college-bound students for careers in numerous fields in which local jobs are available drew approval of the Hereford school board Tuesday night.

By unanimous vote, the board okayed a plan to vastly expand vocational course offerings at Hereford High School in a program designed to broaden the scope of local education.

### Bravo Official Sued Concerning Sale Of Stock

An Oklahoma man who wrote a check for \$25,000 for stock in Bravo Smokes, Inc., of Hereford, after seeing the product on sale here, has filed a \$75,000 civil suit against the president of the corporation which manufactures the product.

Charles C. Hamilton of Sapulpa, Okla., filed the suit against Puzant C. Torigian of Hereford last week in U. S. District Court in Amarillo.

**THE SUIT** seeks recovery of \$25,000 allegedly given Torigian for purchase of stock and \$50,000 in exemplary damages.

In Torigian's answer filed Monday, he claims he has "fully performed" his agreement and denies the plaintiff has any right of recovery.

Hamilton claims that he did not receive stock, while Torigian says that he was tendered stock in Tobaccos Smokes — one of two parent corporations for Bravo. The other is Deaf Smith County Development Corporation, owned by 30 local stockholders. Torigian controls Tobaccos.

Torigian says further that Hamilton contacted him on the morning of Nov. 28, a Sunday, and said that he wished to invest in Bravos. Torigian told the Brand that he understood Hamilton had seen the product on sale here that morning and apparently decided on the spur of the moment to invest the money.

Hamilton claims that he did not receive stock, while Torigian says that he was tendered stock in Tobaccos Smokes — one of two parent corporations for Bravo. The other is Deaf Smith County Development Corporation, owned by 30 local stockholders. Torigian controls Tobaccos.

Phones will be offered in a variety of models and colors, including a new wall set designed especially for Touch-Tone.

Smith said the addition of Touch-Tone calling will not affect regular dial telephone service although the dial tone customers are accustomed to hearing now, will be changed. "We'll be telling customers more about dial tone change a little later," the manager said.

Smith said that equipment is now being installed that will allow both Touch-Tone and rotary dial telephones to operate on the same facilities. "Touch-Tone calling is a entirely new concept in telephone communications," he said.

"IT USES musical tones, rather than electrical impulses, to direct calls through telephone switching equipment. Callers will be able to hear the tones generated as they 'dial' their calls," Smith said.

Special crews from the Western Electric Company are busy installing equipment in the Hereford telephone office here to make Touch-Tone service work. They will put in receiver-converter to change musical tones from Touch-Tone sets into signals telephone switches "understand."

Expected to be generally available throughout the nation in ten years Touch-Tone is being added to telephone company exchanges on a gradual basis.

**TELEPHONE PREVIEW** — Wanda Underwood, employe at the local Southwestern Bell Telephone Co. office, demonstrates one of the "Touch-Tone" telephones which will go into service here in May. (Photo by Bill Bradley)

## 'Touch-Tone' Telephones Go In Service Here On May 23

Push-button telephones will be introduced in Hereford on May 23 when Southwestern Bell Telephone Company begins its new Touch-Tone telephone service here.

Hereford is the first city in

Texas to get the new service, according to Vance Smith, manager for the telephone company here.

**ON TOUCH-TONE** telephones, ten push-buttons replace the rotary dial. Calls are made by

## Red Cross Board Elects 3 Members

Three directors were elected for Deaf Smith County Red Cross Chapter at its annual meeting Tuesday morning, and three others accepted one-year extensions of their terms.

C. E. Coleman, Doyle Rush and Gene Fooks were elected for three-year terms. Re-elected for one-year terms were Mrs. Bill Dameron, Homer Brumley and John Gilliland. Steve Baussett, vice chairman, presided for the meeting in First National Community Room in the absence of Melvin Jayroe, county chairman.

Annual reports from various work divisions were presented. Mrs. Eunice Hicks-Beach of Amarillo, national field worker, was present to explain the Red Cross blood program which is being considered as an activity of this chapter.

Presently in effect in many parts of the nation, including some sections of Texas, the blood program may be instituted in a county by agreement of the Red Cross chapter, local hospitals and doctors. Mrs. Hicks-Beach explained.

It operates through regional Red Cross blood centers, which keep local hospitals supplied

with blood and derivatives to meet normal and emergency demands. Blood is available for use by the hospitals at a cost substantially less than that from commercial bloodbanks.

Also, residents of the participating county are eligible to receive blood transfusions on this cost basis anywhere in the nation, with the difference in cost paid by the Red Cross.

See RED CROSS Page 2

## Feedlot Mishap Injures Worker

Mathis Castillo, 42, remains in critical condition in an Amarillo hospital after receiving a broken back Sunday.

Loading ensilage at the Hereford Feed Yards at the time of the accident, Castillo was caught when a vertical wall of feed collapsed on him.

According to Ralph Battey, assistant manager of the feed yards, Castillo underwent surgery immediately after being transferred to Amarillo. Battey was told by Amarillo doctors that they were optimistic over Castillo's condition.

## City Buys 60-Acre Tract For Expanding Water Field

OEO official Bob Allen outlines programs (Staff Photo)

Hereford city commissioners have voted to purchase a 60-acre tract of land just southwest of the city in order to obtain underground water to supply the city for several years to come.

Commissioners voted in a special meeting Monday afternoon to purchase the tract from Myrtle A. Witherspoon at a price of \$1,000 per acre.

**THE COMMISSION** had received the option 60 days ago, and exercised the option Monday after learning that results of tests showed that availability of underground water below the tract would be sufficient to warrant the expenditure.

Located facing U. S. Hwy. 60 near the southwestern tip of the city, the tract is on the west side of the highway and spans the Tierra Blanca Creek draw.

**THE HOLES** drilled during recent weeks showed excellent prospects for developing a well field on the tract, city manager Dudley Bayne said.

Mayor Ray Cowser pointed out that current underground water well spacing rulings would allow five wells into the Ogallala sands. At present, there are no spacing formation in the tract. Plans also call for drilling.

See CITY Page 2

## Community Council Plans Are Updated

Hereford Community Council — organized recently to aid low-income residents and migrants in the area — decided Tuesday to postpone application for a \$3,000 federal grant, and to instead mobilize as much local volunteer action as possible towards meeting goals of the organization.

Postponing for at least a month the application for funds to finance administrative costs of developing its program of work, the council agreed that more time is needed to survey local resources and needs.

The action came after the council heard reports from officials of the Texas Office of Economic Opportunity concerning the prospects for organizing community action to solve area problems.

Chairman of the council, Virgil Dodson, and Texas OEO official Bob Allen visited with county commissioners just prior to Wednesday afternoon's council meeting to describe goals of Community Council and what role federal programs might play in the work of the council.

Commissioners had asked to learn more of the Community Council plans after being asked to endorse the council as an organization representative of the community.

**THE REQUEST** was in conjunction with the council's application for a program development grant from the OEO.

Commissioners discussed the matter with Allen at length Wednesday and agreed to take the request under advisement.

Allen explained that the OEO would like to have the commission's endorsement of the membership of the Community Council before acting upon requests for OEO funds.

HE SAID that such an en-

## County Extends Working Hours For Road Crews

County commissioners, in a light session Monday, voted to increase working hours of precinct employes by one hour during the summer to help handle increased workloads.

Effective April 1 through October 1, precinct employes will work from 7:30 a. m. until 5:30 p. m., as compared to 8 a. m. to 5 p. m. the remainder of the year.

The action highlighted several items of routine business handled by the commission.

**IN OTHER** discussion, the committee reported that total cost of recent improvements at the county-owned Bull Barn was some \$30,000, considerably more than had first been planned, as the commission decided to add several improvements as work progressed.

Commissioners met with school superintendent Johnny Clark Jr., who explained how state allocations for local schools are based on county tax values, as a matter of information for the commission.

Commissioners discussed with Mrs. Elmer Patterson, prospects for finalizing plans for a local museum (see story at top of page).

The commission also visited with members of the Hereford See COUNTY Page 2

## ADOPTS SCHOOL CALENDAR

### Board Elects Officers, Handles Other Items

Hereford school board members covered a wide-ranging agenda Tuesday night which included the election of board officers and the adoption of the 1966-67 school calendar.

Labry Ballard was elected to replace Bill Gentry as chairman of the board for the coming year after Gentry, Hugh Clearman, and O. W. Parris were sworn in for new terms on the board.

Clearman was moved from secretary to vice-president and Parris was named secretary.

County clerk B. F. Cain swore in the trustees who won re-election with no opposition last week.

**THE BOARD** adopted a school calendar calling for 181 classroom days for the 1966-67 term, with classes beginning Aug. 29 following registration beginning Aug. 25.

The approved calendar differs little from the calendar for the current school year, with the exception that the school holiday for the Tri-State Fair on Sept. 19 was dropped.

**IN OTHER** business, the board

approved a plan to require one semester of typing for all students in the eighth grade, saying that knowledge of the skill is a necessity in today's world.

Thus, typing will be offered in junior high for the first time, beginning next fall.

**THE BOARD**, in conjunction with the expanded vocational program approval (story above), discussed progress towards expanding special education offerings in the local schools, but no action was taken.

Also discussed was consideration of the need for establishing department heads in several curriculum areas.

The board instructed Supt. See BOARD Page 2

### DEMOCRATIC PRIMARY ABSENTEE VOTING SET

Dates of April 17 through May 3 have been announced for absentee balloting for the May 7 Democratic Primary in Texas. Absentee voting will be conducted in the county clerk's office in the Court House.

### Gunshot Victim Condition Better

Billy Joe Stevens, 24, who was shot Friday at the Hereford Feed yards was transferred from Deaf Smith Co. hospital to an Amarillo hospital Wednesday. Stevens, shot three times in the head and once in the chest will undergo further surgery for his head injuries in Amarillo, Hereford doctors said. His condition is termed satisfactory. W. B. (Bill) Clifford, 33, of Canyon has been charged with assault with intent to murder in the shooting. He also is charged with the shooting murder of his estranged wife, Carol, earlier Friday in Canyon. He is in Randall County jail in Canyon without bond.

### City...

(Continued from Page 1) at east one deep well in the tract, to draw water from strata below the Ogallala sands. At present, there are no spacing limitations on deep water wells. BOTH SHALLOW and deep tests show indications that "very productive" wells could be established on the tract, Bayne said. Purchase of land for additional city water wells was included in the \$610,000 tax bond issue approved last week in the municipal election. Since that time, the commission has voted to seek some \$334,000 from the federal Housing and Urban Development plan to help finance improvements okayed by the bond vote.

### County...

### Red Cross...

(Continued from Page 1) I return, the cooperating chapter must pay each year seven cents per capita of county population, and also be responsible for recruiting blood donors when mobile units from the regional center visits the county three or four times a year. A quota of blood donations is set, based on the amount of blood used in the county the previous year. A "walking blood bank" of registered donors, such as this county has, is excellent for most purposes, the Red Cross official said, but she termed the Red Cross plan superior in case of some emergency such as an industrial accident, or for a person with a rare blood type who might in some case need massive or continued transfusions. Reports of chairmen on varied activities in the county included projects carried out during the year by Red Cross Youth, listed by Mrs. Clint Formby, chairman; announcement of three completed classes in Home Nursing and Mother-Baby Care; and more than a thousand hours of volunteer service by the Gray Ladies group, of which Mrs. A. C. Saucy and Mrs. Art Lewis are co-chairmen.

### Board...

(Continued from Page 1) Johnny Clark Jr. to consider such a move after Clark said that he felt it would be advisable. CLARK SAID that no specific persons or departments had been considered as yet, but that he felt consideration should be given to the matter. Board members said that they felt the naming of department heads should come only after personnel have proved themselves in the local system. The board has discussed such a plan for many years, but no action has been taken. Clark said that he anticipated no such appointments at present, but that he merely wanted to know how the board felt to be prepared when the need arises to assign such titles.

### School...

(Continued from Page 1) previously-existing vocational courses such as Distributive Education, industrial arts, homemaking, and vocational ag. These courses, in all likelihood, will be approved in time to be placed in operation at the start of the coming school term, Supt. Johnny Clark Jr. said. LOCAL SCHOOL officials, in cooperation with the TEA, recently conducted a survey to determine local employment opportunities and the courses approved Tuesday are designed to graduate students to successfully enter the local labor market in the fields where there is the greatest demand, as shown by the survey.

Names of the courses approved explain the type of instruction to be offered, except in the case of Industrial Cooperative Training — (ICT).

ICT, similar in operation to Distributive Education, will make it possible for students to receive on-the-job training in any one of more than 2,000 vocational classifications, according to Bill Phillips, secondary school coordinator, who outlined the vocational course proposals to the board.

THE SECONDARY curriculum programs approved Tuesday call for a division between academic and vocational students. All students would pursue an academic course, unless students receive written permission from parents to follow the vocational plan in high school, Phillips and Clark pointed out.

Actually, the vocational program is designed for students not planning to attend college. The student's decision as to which plan to follow in high school would be made with the aid of school counselors.

HIGH SCHOOL graduates will receive identical diplomas, regardless of the program of education they complete, with the difference in courses showing only in transcripts.

The vocational program is designed for average students not planning to enter college and for below-average-ability students capable of learning a skill and completing less challenging academic requirements.

However, officials pointed out, the two programs will require the same number of credits for graduation.

A DIFFERENT emphasis in instruction will be placed in many courses as the new plan comes into effect, Clark pointed out.

For instance, students in the academic program would take English courses of a college preparatory nature, with much emphasis on English literature, perhaps, while vocational students in the same grade would attend English classes with more emphasis on grammar and reading of a different nature, he suggested.

IT WAS emphasized that the vocational courses to be added will train students in specific skills, rather than in broad areas.

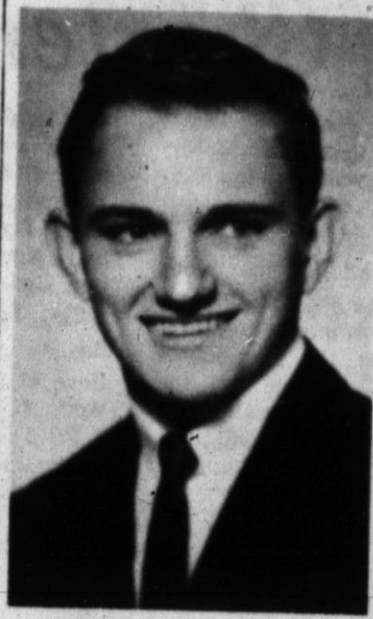

For instance, girls completing the cosmetology course would probably be able to pass the state exam and qualify for licensing as beauty operators.

SCHOOL OFFICIALS also predict that the institution of the vocational program here will help curtail the local dropout problem.

Phillips told the board that some ten percent of the freshman class leaves school before the sophomore year, and an additional 25 percent drop out before graduation.

THIS WOULD mean that almost a third of the students who begin the ninth grade here do not graduate from high school.

The vocational program should encourage more of these students to remain in school, Phillips said.

HEADS COUNCIL — Jim Barnett, son of Mr. and Mrs. Howard Walker, 121 Beach, has been named secretary of the Interfraternity Council of University of Southwestern Louisiana in Lafayette, La. He is also treasurer of the Delta Sigma Phi fraternity at USL.

### Singers Guests At Toastmasters

Hereford High School Madrigal singers were special guest of the Toastmasters at their regular meeting. Trophy winners for the week were Curtis Tra-week and Bob Lohr.

Ray Dement lead the topic discussion and Dr. M. C. Adams was Toastmaster of the evening. Alvin Smith was general evaluator of the meeting.

Next Thursday's meeting will be a travel America night with slides and speeches.

# Federation Day Marked In Club

A symposium on work for the General Federation of Women's Clubs through its state, district and local branches features the Federation Day program presented by Pioneer Study Club at a luncheon in the Caisson House Tuesday.

Reports and business of the club session reinforced the topic, as delegates were named to the Texas Federation convention in Lubbock, and a resume of the club's part in the recent Top of Texas District convention here was given.

Looking to the future, announcement was made of next year's program theme, and plans were made for the next meeting, a party for Golden Age friends to be held at 3 p. m. May 3 at King's Manor.

Mrs. Ray Johnson, yearbook chairman for the 1966-67 season, presented the program theme, A Forward Look and a Backward Glance. She announced that Mrs. Ralph McCullough and Mrs. Paul Rudd will serve with her on the program committee, while the task of compiling the yearbook will be handled by Mrs. L. H. Lookingbill Sr., Mrs. Ted Panciera and Mrs. John Patton.

Mrs. Lookingbill, club president, will attend the TFWC convention as a member of the

state board and Mrs. Johnson was elected as the club delegate. Mrs. Delmar Sigle was leader of the program, which Mrs. Henry Hastings opened with a devotional talk based on the Bible quotation, "In all thy ways acknowledge Him." For the symposium, four members gave brief talks on as many phases of the Federation program.

Discussing Safety, Mrs. W.C. Fromas emphasized safeguards against accident in the home, garden, business, on the highway and those caused by natural events, such as weather.

Mrs. Johnson, speaking of Mental Health, reported an area conference on that subject which she recently attended, where local responsibility and needs were stressed. She mentioned need here for work with juveniles and persons on probation, and said the community should be awakened to the "forgotten people," those in mental hospitals.

Mrs. Sigle's topic was Conservation. She reviewed an article from Readers Digest titled America Down the Drain, citing destruction of the nation's resources and beauty and adding, "If we are conservation minded we mustn't sit down and wait but get up and fight to preserve our heritage."

Home Life is the activity which is a summation of them all, Mrs. R. L. Wilson said, because all start in the home. She quoted the warning, "A bored society is a warning sign for any nation," saying that our present affluent life seems to be leading to general boredom, which the home can combat.

Mrs. A. L. Manjeet and Mrs. Bess Werner were luncheon hostesses, decorating tables with bright tulips and cheerful white-and-lavender violets from their own yards, in arrangements redolent of spring.

A report on awards won by the club at the recent district convention, on work done the past year, was given by Mrs. Lookingbill, who was elected third vice president of Top of Texas District in the biennial election, Pioneer Club won 14 awards, including six first places.

## ONE MINUTE, PLEASE

THE CHURCH I LOVE... CONSISTS OF MEMBERS WHO ARE EQUAL BEFORE GOD, (23rd in a series.)

## GENETOCKS

It has always been the tendency of men and women to exalt themselves above their fellowman so they will receive special glory, honor, privileges and prestige. The mother of James and John, sons of Zebedee, wanted a special honorary place for her sons in the kingdom of Christ. This request became known and when the other ten apostles heard of it, they became indignant.

Jesus called them to him and said, "You know that the rulers of the Gentiles lord it over them, and their great men exercise authority over them. It shall not be so among you; but whoever would be great among you must be your servant..." Matthew 20:20-28.

The religious leaders, called Pharisees, loved to wear special garments with attractive ornaments on them. They loved places of honor, and to be called by special titles. Jesus warned His own disciples against such things, saying, "You are all brethren. Whoever exalts himself will be humbled." Matthew 23:1-12.

Peter was bidden to go preach the gospel to Cornelius the Roman centurion. When Peter entered the home of this soldier, Cornelius met him and fell down at his feet and worshipped him. But Peter lifted him up, saying, "Stand up; I too am a man." When every thing was ready, Peter started his sermon with these words, "Truly I perceive that God shows no partiality, but in every nation any one who fears him and does what is right is acceptable to him." Acts 10:1-35.

### New Sign-Up Period Slated For Medicare

"Older people in the Panhandle area who did not sign up for the voluntary doctor bill insurance under medicare before the close of the first enrollment period on March 31 have been given a little more time," Travis Briggs, social security district manager, announced today.

In legislation signed by President Johnson last week, Congress has extended until May 31 the deadline for enrollment by persons 65 or over.

"Nearly 90 percent of the Nation's elderly were enrolled for the doctor bill insurance when social security offices closed at midnight on March 31," Briggs said. "Only 5 percent had turned down the protection which supplements the basic hospital insurance provided persons 65 and over."

Another 5 percent had not made up their minds either way, or else were not aware of the deadline and the need to sign up for the supplementary protection.

"Older people who have not yet applied for their medicare benefits should get in touch with the Amarillo social security office now," Briggs said.

### Specialist Says Family Farm Ranks Growing

Is the family farm on the way out? "Far from it," reports Tom Prater, Extension farm management specialist at Texas A&M University.

"IN FACT," said Prater, "according to the 1964 census of agriculture, the number of family farms in the U. S. is growing — and the future looks even brighter."

A 1964 estimate of farm numbers shows that family-operated farms make up about 60 percent of the total. They also account for about 75 percent of all farm marketings, said Prater.

Another optimistic note: the most rapidly expanding part of the farm economy, says Prater, is family farms producing \$10,000 or more in gross sales annually.

Of all the farms in the U. S. with \$10,000 or more in annual sales, 88 percent are family farms. These family farms account for 67 percent of the national farm production.

AND AMONG larger farms — those with \$40,000 or more in annual sales — the rapid increase in family farms is even more noticeable. Estimates are that family farms make up some 40 percent of these larger units and are growing every day.

The number of all farms in the U. S. is declining, but those which have disappeared were small units, said Prater. Most of those which have dropped from the scene, produced less than \$2,500 annually in sales. This means production will be

### FOUR GENERATIONS MEET

Four generations of a family celebrated the Easter holidays together when Mrs. George Beams and her daughter, Mrs. E. L. Lawhon, had as guests the latter's son, Jimmie Lawhon, his wife and daughters, Sheryle, Pam and Vickie of Olney. They came Friday and were here for Easter Day.

concentrated on a smaller number of larger farms.

During the next five years, Prater sees the number of farms in the \$10,000 plus category continuing to grow. Since these are mainly family farms, the bulk of the nation's food and fiber will be produced by farm families who operate and manage their own business.

Vietnam has long been famous for the production of lacquer made from cay son trees.

'TELL YOUR NEIGHBOR' Crusade Theme Outlined

"Tell your Neighbor" is a major theme of the American Cancer Society's 1966 Crusade in April, Cancer Control Month. Mrs. Arnon Lauderback of the Society's Crusade in Hereford said: "It is my hope that all our volunteers will be communicators of hope rather than salesmen of fear. It is hope, not fear, that makes people take personal action against cancer." SHE SAID that getting people to take personal action against cancer is one of the most difficult things in the world. People put off having an annual health checkup or don't even have one. They avoid taking prompt action when a cancer danger signal appears. They delay until it is too late for effective treatment. "It is even harder than getting people out to vote - and politicians and candidates know how hard this is, and how hard they have to work for it."

THE PURPOSE of the annual Crusade of the Society, the Chairman said, "is not just to raise money to advance cancer control - for cancer research, education and service. It is to help save thousands of additional lives now. "Tell Your Neighbor" volunteers going from house-to-house during the Crusade will be, in fact, people speaking to people about cancer and what they can do about it. The Volunteer will leave life-saving literature that answers questions about cancer which concern everyone. GAINS IN diagnosis and treatment are largely responsible for the fact that there are 1,400,000 Americans alive, cured of cancer. Now one in three is being saved, but it could be one out of two if proper action were taken. Progress is also being made against cancer through research supported by the Society, the Government, and other groups. One should always be alert to cancer's "Seven Danger Signals":

EACH NEIGHBOR will be told that if any one of these signals last more than two weeks, a physician should be consulted immediately. The chances are that the signal will not mean cancer - but always play it safe. They will learn that the best protection against death from cancer is an annual physical examination. As for cancer of the lung - don't smoke; as for uterine cancer, have a "Pap" test every year; against breast cancer, every woman should learn to examine her breasts once a month, and if she finds any changes, she should see her physician; as for cancer of the colon and rectum, every woman and man over 40 should have a "procto" examination annually. The slogan of the 1966 Crusade is: "Fight Cancer with a Checkup and a Check." The value of the annual checkup is covered in the "Tell Your Neighbor" program. It is this: Early diagnosis and prompt treatment can save thousands of lives. The Chairman said, "the check is self-evident. Without finances for important future research we can not hope to save half of those who develop cancer. Also the check provides needed funds for expanded public and professional educational programs, and service to patients."

MUSIC AND OPERA Since the Opera Season is approaching in our part of the country, with many people of the area attending the New York Metropolitan Opera performances in Dallas from May 12-15, it is a timely topic for reading. Knobbe's Complete Opera Book, edited and revised by the Earl of Hereford, has recently been placed in the Deaf Smith County Library among the memorial books. Those interested in opera, or music students and others who use this classification of the library, will find it an easily read book on this subject.

THE DIVISIONS include Opera before the 1800's with periods designated Before Gluck, Gluck, and Mozart. The last named is the most familiar to most of us, with Don Giovanni, Così fan Tutte and Le Nozze di Figaro. Each of these have been presented in Dallas within the last few years, by radio, and T. V.

Next, the Nineteenth Century Period has period headings of German, Wagner, Italian, Verdi, French, Russian, English, and Czech Operas. This period of time is one of the most popular today. Among the operas, the better known are Wagner's Tannhauser, Lohengrin, Tristan and Isolde, and Die Friede.

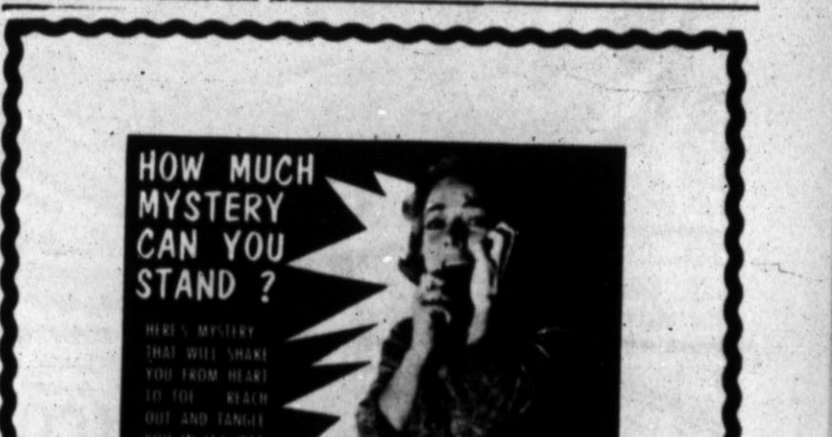

Under Verdi probably best known operas are Macbeth, Rigoletto, Il Trovatore, La Traviata, Don Carlos, Aida, Otello, and Falstaff. For the Italians, the composer Puccini; The French's Gounod, Bizet, and Massenet. We remember best Gounod for his Romeo and Juliet; Bizet for Carmen, and Massenet for his Thais.

In the Russian group we chose Tchaikovsky as representative. His Queen of Spades will be one of the operas presented in Dallas this year. (Other operas included for the Dallas presentation are Faust, Lucie Di Lammermoor, Il Trovatore, and Don Giovanni.)

THE TWENTIETH Century Period is a large one, probably best known to the average person, not students of music, are: German, with Richard Strauss; Italian, with Wolf-Ferari; French, with Debussy; Russian, with Stravinsky. Other composers listed are the English, Czech, Hungarian, Spanish and American.

We were pleased to note that American George Gershwin's Porgy and Bess was included. Since this has been recorded, staged and made famous may of us are familiar with some of the songs from it if not all of the opera. It was also received with acclaim by the Russians a few years ago. This is only one of many books on music in our library where you will find an unusually fine music department. It has been used and encouraged by our music clubs at many students in this area. -Corinne J. Neely

SAFE AT SECOND — A Hereford Whiteface runner makes it safely to second the hard way during a game Tuesday against the Farwell Steers in one of many similar scenes as the Herd chalked up a 32-0 win over the visitors in Whiteface Stadium. (Staff Photo)

# HHS Athletes Have Busy Slate This Weekend

Hereford High School spring athletes have a full schedule of events this weekend with track and field competitors traveling to Perryton for district competition and the baseball delegation tangle in Nazareth in a doubleheader. The Whiteface baseballers are scheduled to travel to Nazareth Friday for a doubleheader. Time is set for 1 p. m., but Coach Don Dorman said it would probably be changed to start at 2 p. m. FRESH ON the heels of a 32-0 romp Tuesday over the Friona Steers here, the Whiteface diamond crew will get its first introduction to Nazareth this year in Friday's doubleheader. Saturday is the big day for track and field competitors in District 2-AAA. Hereford golfers take their 48-stroke lead in district competition to Perryton for the final district play of the year.

# Garcia News

By MRS. S. N. THWEATT Brand Correspondent

About an inch of snow covered the ground here Apr. 5, and was very pretty on the blooming fruit trees and other vegetation, although it did not produce enough moisture to be beneficial. Freeze damage appears severe to the fruit crop. Community residents are still hoping for spring moisture, although it is believed too late for dry-land wheat.

Mr. and Mrs. H. D. Buse visited her brother-in-law, a patient in a Pampa hospital, Sunday.

Mrs. Elmer Northcutt, Mrs. Jerry Northcutt and Mrs. Bill Page visited Mrs. Elwyn in the Rhea community last week.

Maudine, Rhanda and Pat Page of Grady, N. M. visited in the Bill Page home on the Easter holidays.

Mr. and Mrs. Bruce Coleman took their children and some young friends to Amarillo Saturday to spend the day in Thompson Park.

Mr. and Mrs. S. N. Thweatt, Elmer Northcutt and Bill Page were in Muleshoe on business Saturday.

Mr. and Mrs. Bill Page are now living in the N. E. Tyler home at Garcia.

Mrs. Elmer Northcutt and Mrs. Bill Page made a business trip to Clovis Saturday.

Mr. and Mrs. S. N. Thweatt were in Canyon Monday and Tuesday on business.

Mrs. Frank Ford Sr. of Lubbock, who is staying at the Ford Ranch while the Sorrell family is on vacation, visited in the S. N. Thweatt home Sunday afternoon. Mr. and Mrs. Ford were dinner guests for Easter in the home of their son, Frank Ford Jr., in Hereford. Another son, Johnnie, was present from Austin. Parents of Mrs. Ford Sr. telephoned Easter greetings to the group from Austin at noon.

Mr. and Mrs. T. M. Thweatt of Amarillo were weekend guests of the S. N. Thweatts.

Mr. and Mrs. Thomas L. Collins and Mrs. Pearl Pruitt spent the Easter weekend with Mr. and Mrs. Bruce Collins in Arizona.

Walcott school resumed classes Wednesday after the Easter vacation.

A political rally will be held at Walcott school at 7:30 p. m. Apr. 22, sponsored by Messenger H. D. Club. The public is invited to hear the men and women who are candidates for

county and district offices in the May 7 primary. Refreshments will be served. Messenger H. D. Club members will have a gift shop set up, with articles they have made on sale. Proceeds will go for club projects.

Walcott P-TO will meet at 8 p. m. Friday, when Dr. Hicks will be guest speaker. All members are urged to be present and bring guests.

Mr. and Mrs. James Ray Coleman and sons of Hereford recently spent a day with Mrs. G. E. Pinkerton and visited in the Bruce Coleman home.

Miss Rita Mount of Amarillo, niece of Mrs. Bruce Coleman, is visiting the Colemans a few days.

Mr. and Mrs. Ed Hale and baby of Friona are new residents, employed by S. N. Thweatt.

# Easter News

By RUBY STONE Brand Correspondent

Mrs. Melvin Barton and children escaped serious injury Thursday evening when the car she was driving hit a calf on the highway. The car was badly damaged.

Mrs. W. A. Epperson and Mrs. Lana Downing shopped in Amarillo Friday afternoon.

Mr. and Mrs. John H. Burnett visited their son and wife, Mr. and Mrs. Gary Burnett, at Dalhart Sunday. Mr. and Mrs. Bill Kirkland of Amarillo spent the weekend with the Gary Burnetts.

Mrs. Trent Downing and Laura left last Sunday to visit Dr. and Mrs. G. G. Downing and family at Lawton, Okla. also to attend the wedding of Trent Downing's sister, Tish Downing. Mr. Downing left Thursday to join his family and attend the wedding April 9.

Mr. and Mrs. Joe Pryor of Lubbock spent the weekend with the W. A. Eppersons.

Mrs. Sam Scarborough and Ann shopped in Plainview Thursday.

Mrs. Ruby Stone returned the first of the week after spending a month with her sister and family in Henryetta, Okla.

Sunday dinner guests in the W. A. Epperson home were Mr. and Mrs. Joe Pryor of Lubbock Mr. and Mrs. Eldon Howell and Kellie of Hereford, Mr. and Mrs. Trent Downing.

Easter club will have their regular meeting Thursday, April 14, in the home of Mrs. W. A. Epperson.

# Summerfield News

By DEBORAH BAKER Brand Correspondent

Mr. and Mrs. Fate Shannon celebrated their 25th wedding anniversary Sunday at a reception at First State Bank at Dimmitt. Shirley Leinen of Dimmitt and the Shannons' daughter, Kathy, registered guests. The table was laid in white linen cloth and silver appointments.

Mrs. Shannon was honored Tuesday morning in her home on her silver anniversary with a surprise come-as-you-are party. Hostesses were Mrs. Jack Streun, Mrs. Raleigh Rule and Mrs. David Hutchis. Those attending were Mmes. Guy Walser, Clarence Behrends, Jerry Terrell, Milton Jones, Kenneth Frye, Floyd Milligan, Frank Huckert and Billy Baker. Also present was Mrs. Reed and Erika Stroger and many "sleepy children. Mrs. Shannon was presented with a silver bracelet and charm.

Mr. and Mrs. Billy Baker and Brittney were guests of Mr. and Mrs. David Hays of Dimmitt Saturday night.

Mr. and Mrs. Billy Baker visited Mrs. Billy Lytal in the hospital Sunday and saw the Lytals' new daughter born Friday night. The baby was named Kristi Kay and weighed 5 lbs. 3 ozs. The Lytals have another child, Kyle, two years old. The Lytals are former Summerfield residents and now live in Dimmitt.

Mr. and Mrs. Jerry Terrell and Julie were in Plainview Sunday visiting his parents Mr. and Mrs. W. E. Terrell.

Mr. and Mrs. Jack White were in Maude, Okla. for the funeral of his aunt, Mrs. Mary White. While in Oklahoma the Whites

visited her parents, Mr. and Mrs. Richard Raper. The Whites left Wednesday and returned Saturday.

Mr. and Mrs. Doc Vann of Spade were guests of Mr. and Mrs. Raymond Wiley Monday night.

Mr. and Mrs. L. B. Blake of Stratford spent the night Monday with their daughter and family, the Billy Bells.

Mr. and Mrs. Ken Clearman of Hobbs, N. M. were honored Friday night with a linen and stamp shower in the fellowship hall at Summerfield Baptist Church. Ann Clearman registered guests. Nanetta and Mary Jo Clearman served coffee and cake from a table covered with yellow net and with a single candelabra set in yellow. The appointments were silver and chrysalis. About 25 attended.

Ken Walser from West Texas State in Canyon visited his parents, the Guy Walser's, over the Easter holidays. Also visiting parents were Patsy and Betty Huckert from Texas Tech and their brother Bob, who attended college in Oklahoma. Their parents are the Frank Huckerts.

Mr. and Mrs. Jack Streun are the proud grandparents of a boy Streu was born to Mr. and Mrs. Joe Streun at Girard. He weighed a little over 6 pounds.

Raymond Bolinger was in Lubbock last week helping build an addition to the Primitive Baptist Church there. His father, W. L. Bolinger, was also one of the workmen. Mr. and Mrs. W. L. Bolinger and Kathy left Saturday to go to the Guthrie for the funeral of Mrs. Bolinger's uncle, Lan Height.

## FRIDAY IN CANYON

# WTSU Incumbents Meet Alumni In Annual Game

If previous games are any indication, the fifth annual Varsity-Alumni game at West Texas State's Buffalo Bowl should be another wide-open, free-scoring affair. Friday, April 15, is the date for this year's game which signifies the end of spring football practice for the Buffaloes.

Inaugurated in 1962 to replace the intra-squad game traditionally used to close the spring drills, the game has produced 185 points in its four-year history. Last year's 52-13 romp by the Varsity was the highest total of the four games played to date.

SEVERAL players under contract to professional football teams appear in the game each year and an outstanding team of the past is honored at each game. Last year, the 1960 squad, which

finished with a 9-1 record, was recognized. Charles "Wire" Wright, great halfback on that team "broke" for an 85-yard touchdown run in the opening minutes of the fourth period for the Exes first TD. It is the longest run in the game's history.

Jerry Richardson of the Atlanta Falcons, Bob Petrich of the San Diego Chargers, Tommy Joe Coffey of the Edmonton Eskimos; Jeffry Logan of the Baltimore Colts, George Allen of the Houston Oilers and Butch Walterscheid of the Washington Redskins are the ex-Buffs currently in the pro ranks who will play if at all possible. Eleven seniors from the 1965 team which set several school records will be on hand for the 1966 game.

John David Bryant, Hereford, who has played in all the Varsity-Alumni games will play again this year.

The Varsity, which holds a 3-1 edge in the series, won the first game, 26-0. Pistol Pete Pedro scored on runs of 12 and 66 yards and Logan and Ollie Ross added TD runs for the Varsity before 3,000 fans on a cold, rainy night in the spring of 1962. Pedro gained 58 yards in 13 trips to top the ball carriers.

THE 1963 game saw the Varsity again win with a 45-15. Dave McInturff opened the game with an 82-yard kickoff

## Two Hereford Students Appear In WT Musical

"Carousel," the popular Rodgers and Hammerstein musical comedy, is slated to play in the Branding Iron Theater at West Texas State University April 20 through 23 and April 26 through 30.

PRODUCED WITH full chorus, orchestra, setting and lighting, this WTSU Opera Workshop production incorporates the facilities of the speech, music, and art departments.

"Carousel" is based on the play "Lillium" by Fernc Molnar. Plot lines are based around the character Billy Bigelow and the girl he falls in love with and marries, Julie.

In desperate need of money, Billy attempts a robbery of the local rich man and is killed in the process. He goes to Heaven, but is allowed one day back on Earth to "settle his accounts."

This production features the outstanding voice of Elsa Porter, assistant professor of music at WTSU. Miss Porter is a well-known soloist for the Polk Street Methodist choir in Amarillo and of the Amarillo Symphony. She will be singing such well-known songs as "June Is Bustin' Out All Over" and "You'll Never Walk Alone."

Participating in the production from Hereford are Jo Ella McGee Cansler and Ken Betzen. Jo Ella is cast in one of the leading roles of Carrie, Julie's best friend. Betzen adds much to the chorus.

Admission is \$3.00 for adults and \$2.00 for students. Reservations may be obtained by calling OLS-7141 extension 2234 in Canyon. Reservations are advised.

Curtain time is 8:15 p. m.

## Small Talk

By SUE COLEMAN Women's Editor

We were talking in an office coffee break about good old-fashioned arguments and how they are heard less often these days since everybody has read the books about winning friends and influencing people, and so hesitates to injure another's ego by defending his own beliefs forthrightly.

WHEN EVERYBODY in the crowd politely murmurs, "Well, you have a point there" or "I hadn't thought of it that way but I can see your side," like the books say, it certainly does have a tendency to chop off any real expression of opinions.

Not that I want arguments which would lead to ill feeling, nor take-over of a conversation by someone airing his views and not listening to others. But a good exchange of opinions by people not afraid to maintain their own, can be stimulating and even entertaining.

Nobody may ever change anybody's mind, but this kind of discussion allows you to really test your own opinions on political, economic, religious and social questions and perhaps sharpen them, if not shift them a bit.

MAYBE MY FEELING was acquired from lively mealtime discussions in a home that included a father who was a rugged individualist and a staunch "dry," one brother who was temporarily a parlor pink and another who never touched a drop but defended to the last ditch the right of anybody who wished to drink himself to death on legal liquor.

Then there was Mother, who proved any point with a copy-book maxim like "Honesty is the best policy" and a younger brother on the high school debate team who argued either side of any question and demanded rebuttal time. Me? Right in the middle of the road, hit from all sides.

It all gave me a taste for talking things over, pro and con. Now when I venture an opinion, hoping to hear the other fellow's I sort of hate to be brushed off with a "Perhaps you're right." Don't learn a thing, that way.

EX-STUDENTS in the home economics department of Texas Tech will be the ones interested in a notice which came

in the mail, of the annual spring luncheon for exes on April 23 in the Coronado Room of the Student Union Building.

Officers will be elected and the speaker will be Nadyne Brewer, class of '49, who has been a missionary in Brazil and now teaches at Idalou. She will show slides and talk of home life in Brazil.

Reservations are to be made, the letter says, with Mrs. Harry Dixon, president, or Mrs. Vernon Odom, vice president, but their mailing addresses were not given. If any local exes are that interested, I can supply their telephone numbers.

Genealogical hobbyist hereabouts are invited to the Genealogical Society, to be held all day Saturday at the Mary E. Bivins Library, 10th and Polk.

The workshop will begin at 9 a. m. and at 11 a. m. Mrs. Myrtle Creason, a professional genealogist from Oklahoma City, will speak. Her subject is Indian Records and How to Find Them. Registration fee is a dollar; sandwiches and drinks will be available at lunch time.

## Three Answer Driving Charges In County Court

Two persons entered pleas of guilty to charges of driving while intoxicated and another man pleaded guilty to driving while license suspended in county court Monday.

Sentenced to five days in jail and fined \$150 each on DWI charges were Glenn Harry Sizemore and Gerald Elisio Tjernerina.

Sizemore, 18, listed a Clovis address. He was arrested three miles east of Hereford on U. S. Hwy. 60 by the Highway Patrol.

Tjernerina, 23, of Nazareth, was arrested by Highway Patrolmen on South Main St.

Fined \$25 and cost for driving while license suspended was Paul Mauricio, 31, of 321 Norton. He was arrested by the Highway Patrol three miles south of Hereford.

The word "witches" derives from the Anglo-Saxon wica, meaning "wise ones."

OUTLINES PLANS — Mrs. Elmer Patterson, chairman of the Deaf Smith County Historical Survey Committee, outlines plans for establishing a local museum during a meeting in the Bull Barn Tuesday night. Story is on page one. (Staff Photo)

## Letter To The Editor

Dear People of Hereford,

It seems that each new vacation gives me the opportunity to think of you all more vividly. Last year at this time I was, I believe, appreciating a break of four or five days. Over here in France, around Easter time, we are granted a two week's rest by our school authorities.

It gives me much pleasure each time I can do it — to look through all the "stuff" I brought back either from Texas, or from the United States. (Do or believe, by reading the previous sentence, that I am making of Texas an independent state; I merely consider this magnificent land as being the center of a brand new world in my mind.) You can easily imagine what can be the decoration in my room: there is not a wall which is not covered with a map or pictures, or curios of all kinds. Each little souvenir brings back to memory the ineffable time I spent in your city.

It has now been nine whole months since I inhaled for the last time the so particular smell of the feed-yards, as I was going to Pampa, starting point of a three weeks trip up to New York. Well, I could not help laughing some time ago, when I opened my geography book and read about ranching in Texas. You see, any little details of that sort make me feel close to you. Having shared a bit of your life and of your habits, I can proudly think that Texas is no longer a myth in my mind with cowboys chasing Indians, but a reality that I managed to discover.

What else could I say to finish down this page? I wanted to let you know I am all right, all ways thinking of you. I can also, I am sure, thank you again for all the letters I have received about Christmas time, and at all other times. It's been so nice of you to remember me a bit.

Night is now falling upon France; it is 8:30 p. m. over here, whereas you in Texas are just about ready to have a nap, after a good lunch.

Once again, let me thank you, and please do come visit with us some day.

Sincerely yours, Rene Batard

LET'S COOK SOMETHING!

# Good Ham Burger Idea

By SUE COLEMAN  
Women's Editor

Married almost four years, Mrs. Don Taylor says she has really been a housewife only since she moved to Hereford last August.

Housekeeping was an incidental part of her life during the preceding three years when she

was a typical campus wife, a wage earner while her husband completed his college work at West Texas State University.

AFTER RECEIVING his degree at the end of the summer term, he came here as a member of Stanton Junior High coaching staff and the couple lives at the corner of Ave. G and

14th Street.

Although she accepts credit for helping him earn the degree, Mrs. Taylor was not present to see it conferred; their son, Doak, was born just the day before commencement.

Now she takes pleasure in being "just a housewife and mother," a job which she finds requires her best efforts. She is active in First Baptist Church, of which her father is pastor, a member of the Woman's Missionary Union and a helper in the Sunbeams, organization for younger girls.

SHE HAS JOINED La Madre Mia Study Club and for recreation she goes to ball games, all kinds of games as her husband works with football, basketball and track teams at Stanton School, while her brother, Mike Davis, is a high school gridster.

Interest in sports was not acquired by blue-eyed, reddish-haired Mrs. Taylor as a coach's wife, she always enjoyed school athletics, and played basketball and volleyball when she was in high school at Seagraves.

She calls that city her hometown because her family lived there during her high school years and she was graduated there.

AS A MINISTER'S daughter she lived in several West Texas towns and was born in Abilene. She completed training as a beautician but worked as education secretary of First Baptist Church in Canyon while Taylor attended WTSU.

Asked for a favorite recipe, Mrs. Taylor admitted that she prefers to make, and eat, desserts, but she cooks more of the substantial fare her husband likes.

In that category is the barbecued hamburger which she says is easy to cook and fine for serving to a crowd or a

## College News About Students From This Area

Kenny Justice, freshman business major at Hardin-Simmons University and son of Mr. and Mrs. Virgil Justice, 210 Ranger, has recently pledged Sigma Delta Sigma, social fraternity on the Abilene campus. Justice is a 1965 graduate of Hereford High School. He is on the track team at H-SU, as he was in high school here.

couple. Her sauce adds a special touch, and the dish can be refrigerated and reheated for an encore.

### BARBECUED HAMBURGER

2 lbs. hamburger meat  
1 small onion  
1 bell pepper.  
Chop onion and pepper finely and mix with the meat. Cook in a skillet until the pepper is tender. Then add sauce made with:

1 can Gebhardt's barbecue sauce.  
2 tb. vinegar  
1 tb. mustard  
2 tb. sugar  
1 tsp. salt  
1 tsp. pepper

Pour this over the meat mixture and cook in oven 45 minutes at 200 degrees. This amount serves 15 to 20 persons and Mrs. Taylor has never met a man who doesn't like it.

### VISIT IN DALLAS

Mr. and Mrs. Ralph McCullough visited over the Easter weekend in Dallas with their son, Pat McCullough, his wife and sons, Clay and Don. They returned the first of the week. Mr. and Mrs. Don McCullough of Amarillo were here Wednesday visiting in the Ralph McCullough home, 139 Texas.

HEADING FOR STATE CONTESTS — First-place winners in District I competition, eight Deaf Smith County 4-H Club members will represent the district in state contests at College Station June 7-8. Displaying blue ribbons, from left above, are Steve Hoffman of Dawn Boys Club, winner in Farm and Ranch Management demonstration; Joyce Benner, Ford Club, Girls Public Speaking; Joetta Hanna, Ford, Money Management Education; Jane Witkowski, Merry Maidens, Clothing Education. Team winners, lower photos, are Rodney Herr of Happy Hustlers Club and Donald Vasek, Ford, Electric team demonstration; Maura and Teresa McAndrews, Willing Workers, Civil Defense demonstration.

First alternates picked from this county in the recent district contests at Canyon were Cynthia Hanna, in Food and Nutrition; Joel Williamson, Kevin and Steven McAndrews, Livestock Judging; Gerald Witkowski, Boys Public Speaking. These were all in the senior division. Junior winners, who do not go to the state contests, include Dion Miller and Neil McAndrews, Civil Defense; Elise Beene, Clothing Education; Larry Justice, Dennis and Gary Goheen, Entomology; Beth Bezner and Becky Hickman, Forestry; Martha Ann McBride and Kenneth Justice, Public Speaking; Lynette and Kay Clearman, Donita McDermit, Sue Shirley, M'Lynn Hapson, Patricia Neff and Carol Turrentine, Share-the-Fun.

## Officers Take Dawn Club Posts

President of District I, Texas Federation of Music Clubs, Mrs. Dan Spencer of Dalhart was guest speaker and installed new officers of Dawn Music Club Tuesday afternoon in the home of the 1966-67 president, Mrs. Ray Polan.

Mrs. Spencer spoke of music as a medium serving all mankind and challenged the club to serve the best in music. She said objective of Federated Music Clubs is to advance music in every area of life, putting emphasis on American music.

Officers installed with Mrs. Polan for next term are Mrs. William Wimberley, vice president; Mrs. Leo Criddle, secretary; Mrs. Edgar Sowell, treasurer; Mrs. Alfred Smith, reporter; Mrs. Steve Bavousett, the retiring president, parliamentarian; Mrs. R. E. Curtsinger, choral director and Mrs. L. W. Tooley, historian.

Review of the past season was presented in final reports of this year's officers who pointed to observance of American Music Month and a Husbands' Night party as outstanding programs, and assistance in the District I convention at Amarillo as a noteworthy special activity.

A club member, Mrs. Carl Wimberley, was elected as next season's district president and the Dawn Club will join Hereford Music Study Club as hostess for the convention next fall.

Music on the program Tuesday included vocal solos, I Shall Not Pass Again (Anderson-Er-finger) and The Living God (O'Hara) by Mrs. Polan; a piano solo, MacDowell's composition titled simply, Song, by Mrs. Robert Strain; and songs by Mrs. H. E. Miller, Open the Gates of the Temple (Crosby-Knapp) and the Federation Hymn.

The last club meeting of this year will be for attendance as a group at the WTSU Opera Workshop production, Carousel. Arrangements are being made by Mrs. J. B. Caraway and Mrs. Sowell, Mrs. Curtsinger and Mrs. Smith were co-hostesses Tues-

day. Other members present were Meses, Clarence Betzen, Walter Lemon, Melvin May, Pat Miller, H. V. McCabe and Eldon Owens. Mrs. Victor Moore of Dalhart was a guest with Mrs. Spencer.

HEREFORD, TEXAS 79045, THURSDAY, APRIL 14, 1966

By MELVIN YOUNG

Avec satisfaction, Lions Bien venidos Lions! Welcome Lions. However you say it, it's a pleasure to say "welcome" to the visiting Lions. The folks of Hereford are happy to be your host for the annual District Convention. On behalf of the staff of the Hereford Brand, we extend our very best good wishes to each and every one attending the meeting, and would also like to express our sincere appreciation to the local Lions Club members for their efforts in bringing this convention to Hereford. They have worked long and hard to see that this will be an outstanding convention. We believe it will.

We do appreciate the cooperation of District Governor J. W. Robinson Jr., Lions Don Zimmerman, Ray Simpson, Earnest Langley, Bill Bradley and Don Chaney, as well as each individual Lions member for their cooperation in putting together one of the finest souvenir editions ever to roll off the presses of The Hereford Brand.

We are especially appreciative of the efforts of Naomi Hopson for her fine work in assembling all the information and writing the stories which appear in the 28 pages devoted to the Lions of District 2T-1. And while we're at it, we might as well toss in a bit of recognition to Gaston Baer for the first line of this column — that's French, podner — and if you don't happen to speak the language, we'll translate. It's supposed to mean "welcome Lions," although we couldn't argue the point.

Again, we extend our welcome to the visitors. We hope your stay in Hereford will be pleasant.

The special edition published today has caused quite a bit

of comment among staff members of both The Hereford Brand and Southwest Offset, Inc. And the puns get pretty puny at about midnight when everyone is about at the limit of endurance.

One young man at the Offset suggested, during the wee hours of the morning, that we might draw mustaches on all the pictures to discourage another section of this type. That one didn't go over too big.

Our own mechanical department personnel were in the process of composing a "classified ad" to welcome the visitors to town when Mrs. Hopson suggested that they might save the money to send flowers to her funeral. She intimated that she felt like she had been tossed into "the Lion's Den."

"That's fine," commented Mechanical Superintendent Joe Awtrey. "We'll send you some dande-Lions."

And sure enough, a bouquet of dandelions appeared on her desk Wednesday afternoon.

All in all however, we have all enjoyed working on the "Lion's Special."

So you think potatoes are fattening?

Not so, according to Otis Dickey of Howard Gault Co. And he brought a calorie chart to prove his point.

For instance, those good old mashed potatoes with milk added are at the bottom of the calorie totem pole, chalking up only 65, while an equal amount of bacon (3 1/4 ounces) tops the list with 611 calories.

French fried potatoes contain 274 calories while a regular hamburger contains 285 calories. Potato salad with dressing is extra low with only 99 calories; potatoes baked in skin contain only 93 and the boiled variety (in skin) have 76 calories.

All of which is very interesting, and perhaps somewhat useless to most of us. Although we have been having some problems keeping the waist line (or is it waste line) down to par, we suspect the big problem is in the quantity of intake. Most of us could pass the second helping and get along fine.

Speaking of potatoes, it is entirely possible that Hereford will become a center of the chipping potato industry. Many acres in the area are already under contract to potato chip firms and it looks like more will be added each year. Apparently this is a good place to grow chipping potatoes.

A portion of first class mail is now being transported by air. Odds are that the bills manage some way to get on planes while checks still come by mule train.

## WELCOME LIONS...

### to the District Convention Lions District 2T-1

We hope you enjoy this souvenir edition of The Hereford Brand. We have made every effort to cover the story of "Lionism" and to extend to you a very sincere Welcome from all the members of the Hereford Lions Club, as well as others in Hereford. Additional copies of this edition can be found on newsstands throughout the city, or at the office of THE HEREFORD BRAND, 130 W. Fourth St. In the event that you would like to have copies of this paper mailed to friends, we would suggest that you drop by the office of The Brand.

In addition, the news cameras of The Sunday Brand will be on hand to cover all activities of the weekend convention, and in the event you would like to have copies of this paper sent to your home, or again, to friends, this can be done by dropping by the office at 130 W. Fourth.

Again, may we extend to you a most cordial Welcome to Hereford, Texas. We invite you to return again soon.

The Entire Staff of

The Hereford Brand • The Sunday Brand

## Golden Wedding Reception Set

The golden wedding anniversary of Mr. and Mrs. L. Z. (Cap) Oldham will be observed with a reception to which they invite friends from 3 to 5 p. m. Sunday in the home of Mr. and Mrs. Cawthon Bryant, 312 Star Street.

Mr. and Mrs. Oldham, married April 19, 1916 at Port Lavaca, have been Hereford residents since 1930, when they came here after living 15 years at Claude.

Their three sons, Carl of Woodward, Okla., Clyde of Newhall, Calif., and Earl of Grand Prairie, will be hosts Sunday with the Bryants, who are long-time friends of the family. They will all assist the couple in receiving callers.

Daughters-in-law and granddaughters, with a niece from Amarillo, will be in the house party to register guests and serve refreshments. Mr. and Mrs. Oldham request that no

## 4-H Girls Give H. D. Program

Girls from Merry Maidens 4-H Club gave the program for North Hereford Home Demonstration Club recently in Mrs. Roger Williams' home. Mrs. Edward Paetzold, one of their adult leaders, and Miss Lou Ann Witkowski were guests with the 4-H members.

Demonstrations were by Paty Paetzold, on food and nutrition; Sandra Fry, on table setting, and Jane Witkowski, on fabric and clothing.

Mrs. O. L. Williams conducted the business session in which a morning meeting of the club was planned for 9:30 a. m. April 21 in the home of Mrs. R. E. Barrett, 210 N. Fifth.

gifts be made.

They expect their entire family, including seven grandchildren and a great-grandchild, to be here for the anniversary. A family luncheon is being planned for Sunday.

Before her marriage Mrs. Oldham was Miss Nellie Perriraz. Of French ancestry, she grew up in South Texas, making her home after she was orphaned at an early age, with her grandfather and an uncle who were both Methodist ministers, so she lived in several different cities.

She has earned a reputation in Hereford as an excellent cook, and is still called upon to prepare food for club events here. She enjoys gardening and has kept the spacious yard of the Oldham home at 110 Lake green and blooming.

Since his retirement from regular employment, Oldham spends much time working on the lawn and Mrs. Oldham has turned the heavier chores over to him, while she devotes more time to housekeeping duties.

The Oldhams are active members of First Christian Church.

## Notre Dame Sets Band Concerts

Notre Dame University band is to appear in concert for matinee and evening performances at Amarillo High School auditorium Sunday, sponsored by St. Mary's Home-School Association. Tickets may be bought in Hereford by telephoning 269-5510, or at Cooper-Melin in Amarillo.

Concert times are 2:30 and 8 p. m. Adult tickets are priced at \$2.50, student tickets at \$1.50 for the evening or \$1.25 for the matinee.

## Fabric Samples Shown In H.D. Club Program

Samples of fabric made from the natural fibers, cotton, linen, silk and wool, were shown by Mrs. Argen Draper, County Home Demonstration Agent, as she spoke to West Hereford H. D. Club Tuesday afternoon, discussing the importance of knowing fabric content in buying clothing.

She told how to identify the four natural fibers, adding that almost all fabrics today are made at least partly of man-made fibers such as nylon or rayon. These are more difficult to identify, she said, but garment manufacturers are required by law to use labels stating the fabric content.

Jane Witkowski, a 4-H Club member, assisted Mrs. Draper with a demonstration on fabric identification.

Mrs. Hubert Duncan was hostess in her home to the club, program guests and Mrs. C. B. miles, another guest. Mrs. Vern Witherspoon won the hostess gift. The next meeting was set for Apr. 26 in Mrs. Pearl Gass' home.

Others present were Misses Mary Brady and Evelyn Bell; Mmes. Blanche Hardin, John Jacobsen Sr., Edna Bowe, Jewel Autrey, Alice Cox, W. A. Waters, Vernia Schroeder, Bell Grimes, Roy Boyd, Tollett, V. V. Pierce and A. G. Grisham.

## Card Of Thanks

We want to thank Dr. Hicks, the nurses and all the hospital staff that have been so good to me. Also Bro. Tommy Phelps for his faithfulness in coming to visit me. Also our friends and loved ones for the visits, flowers, cards and the many good things they did for me and especially the many prayers that went up for me. May God bless each one.

Mr. and Mrs. Wade H. Thompson Sr. and family

# ADULT PROBATION

Several years ago Judge Schultz secured the services of an adult probation officer. (Not many districts have this service).

A Probationer is placed under a sentence but allowed to remain at home, under supervision, only so long as he lives up to a long list of specific requirements in his behavior.

He must support his dependents, pay, by installments, the loss sustained by the injured party, and pay \$5.00 per month for his supervision.

Probationers have paid to the injured parties \$33,870.18 as restitution for their losses. They have paid to the counties more than \$46,093.83 for their supervision.

Several hundred probationers have made good and there are more than 200 probationers receiving supervision at this time.

Mr. and Mrs. Bill Marten and daughter of Wichita, Kan., on

## Messenger H. D. Club To Sponsor Political Rally

Final plans for a political rally of an unusual kind were made by Messenger Home Demonstration Club members at their meeting Friday in the home of Mrs. Elmer Northcutt. The rally will be held at Walcott School at 7:30 p. m. Apr. 22, with the public invited.

Instead of asking the candidates to buy refreshments, their way to Tucson, Ariz. spent Wednesday and Thursday with Mr. and Mrs. A. D. Lewis and children.

Easter visitors of the Bob Gruhkey family and the John Horton family were Mr. and Mrs. C. G. Pond Jr. of Bartlesville, Okla., Mrs. Bertha Mosteller of Shamrock, Mrs. E. E. Mosteller from Cove, Calif., Mrs. Troy Lemley and children of Guthrie. Rick Gruhkey was at home from El Paso.

Doriss Horton, with her roommate, Brenda Petterson of Princeton, N. J., was home from TWU at Denton. Joe Lemley of Guthrie remained here with the Hortons for a longer visit.

## club women will serve them refreshments. It is a money-raising event, however, and handmade gift items will be on sale.

Mrs. Argen Draper, County Home Demonstration Agent, gave the program Friday, discussing the labeling of fabrics and the need for knowing fabric properties in order to judge the quality of ready-made garments. The wide variety of man-made fibers makes it difficult to know just what a fabric is like, and how it should be handled, she said, but garment manufacturers are required by law to show the fabric name on the label, and consumers should become familiar with these names.

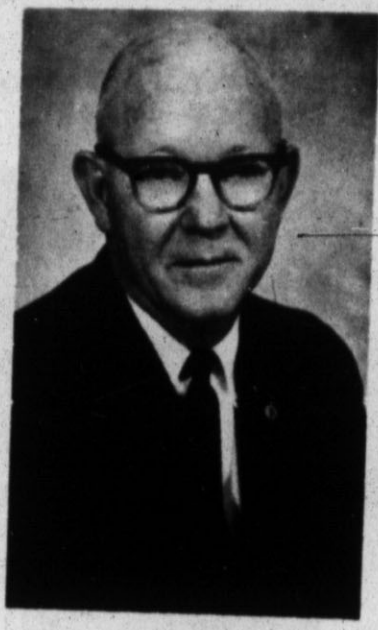

Mrs. Bill Page, who was welcomed as a new member, won the prize in an Easter word game and Mrs. S. N. Thweatt held the floating prize. Others present were Mmes. N. A. Brown, H. D. Buse and G. E. Pinkerton.

# FOR GOD SO LOVED THE WORLD

## I Offer You...

...the Book of Faith, something to hold to when you realize you cannot make it alone. Grateful women and men have called it a "rock in a weary land, a light in the dark, a refuge in time of storm." God called it His word. It contains the prologue to the true meaning of Valley Forge, the duties and obligations of every American citizen, Counsel and advice to the wise and the foolish. If we cling to the Bible, God will hold us when we ourselves are no longer able to hold the Book. Then take this Book of Faith in both your hands and discover a solution to every problem you have. I offer you the Book and the God your fathers trusted. They were not ashamed nor were they forsaken.

# Texas School Teachers Push Another Pay Raise

By VERN SANFORD  
Texas Press Association

Texas school teachers are planning a big push for another pay raise.

This time it will be for a \$500-a-year increase with a built-in adjustment to keep their salary level equal to the national average.

They will try to sell the 1967 Legislature on this plan — on the heels of a \$100,000,000 raise voted them in 1965.

LEGISLATIVE candidates already have been polled by the Texas State Teachers Association. More than half the 415 candidates responded to the TSTA questionnaire on salary increases, retirement benefits and a statewide sick leave program. Of the 212 who responded, three-fourths reportedly favor the salary plan which would move the teachers to the national average next year and set up machinery "to keep them there automatically without a biennial bloodletting legislative fight."

Support was said to be almost identical for retirement and sick leave propositions.

TSTA's salary proposal calls for adjusting the base pay at the beginning of each biennium to insure that it remains at the nationwide average. This likely will mean increases in teacher pay every two years since the "average" will automatically rise with each Texas hike in pay.

MINIMUM salary for beginning teachers today, in Texas, is \$4,104. Average is \$5,950. Texas now ranks 29th in the nation in teacher pay, or four states below the average.

Gov. John Connally reminds that a blue ribbon study committee is at work on a long-range survey of school needs. He also points to possible need

for overhauling of school finance taxes.

Connally is a firm believer in local districts financing a greater share of the cost of education. He remains uncommitted to any specific program, and cautiously observes that he must consider overall state needs in making recommendations that would necessarily require new taxes.

A 3 cent per pack increase in cigarette taxes took care of last year's teacher pay raise.

THAT'S ALL FOR NOW

There will be no more freer voter registration periods for Texans this year.

A three-judge federal court in Austin refused a U. S. Justice Department request to re-open registration during April 8-19 and August 22-October 8. Decision was made final, as was the February 9 order declaring the poll tax an unconstitutional voting requirement for future elections.

Acknowledging that the March 3-17, free sign-up period for 1966 elections, as provided by the new state registration law enacted last February, was "extremely short," the court nevertheless found it "afforded reasonable opportunities to register."

"The United States," proclaimed the judges, "has not demonstrated that this court should overtake to substitute its judgment for legislative action."

MORE THAN 2.9,000 Texans as adults now are registered to vote in the 1966 elections. This includes the 635,000 signed up during the March period. About 2,000,000 adults have not qualified as voters.

As for the registration itself, Asst. U. S. Atty. Gen. Stephen Pollak said the FBI found no evidence of racial discrimination during the 15-day period for free

registration, and county tax collectors, who served as registrars, did a good job in the brief time allowed them.

Texas' Attorney General, Waggoner Carr, maintained that if the request for two additional registration periods had been granted, the next move would have been to require more than one day for elections.

COURTS SPEAK

On May 11 the Court of Criminal Appeals will hear the motion for a new trial for Jack Ruby, who was convicted of murdering presidential assassin Lee Harvey Oswald.

Ruby's attorneys are seeking to disqualify District Judge Joe Brown of Dallas on grounds he agreed to write a book about the celebrated trial in which Ruby was given the death penalty.

State Supreme Court says the Seventh Court of Civil Appeals must decide if \$3,250 in damages against an Amarillo loan company is excessive. In the case in question the firm recovered money from a divorcee after a loan to her and her ex-husband already had been settled. High court found evidence to support the trial-jury finding of malice on the part of the company.

APPOINTMENTS

Wales Madden, Amarillo attorney, is the new member of the Governor's Committee on Public School Education. He succeeds the late Kermit Kyche of Alvin. Committee is making a three-year study of school needs.

Connally also picked Dr. Sterling H. Pruitt Sr. of Fort Worth for the State Board of Chiropractic Examiners. He reappointed Dr. Harvey H. Kennedy of Longview and Dr. Walter H. Fischer of Temple to the same board.

Governor chose William H. Gardner, Austin newsman, to serve as the citizen member on the Committee for Restoration of the Flag of Santa Anna.

Named to the Texas Surplus Property Agency were Ed Riedel, Jess M. Irwin Jr. and C. O. Layne, all of Austin; the Rev. Edward Maher Jr. of Dallas; Bill Bitner of Centerville; C. A. Roberson of Odessa; Carl Parker of Sherman; Garland Ferguson of Union Grove; and Grady Hester of Terrell. This agency administers the transfer of federal surplus property to state agencies. Riedel has served as chairman for several years. Layne, Bitner and Roberson also have previous service.

House Speaker Ben Barnes announced these appointments: Sen. Jack Hightower of Vernon and Rep. Delwin Jones of Lub-

bock as members of the Committee on Agriculture for the Southern Regional Conference of the Council of State Governments; Rep. Ralph Wayne of Plainview to the Committee on Economic Development for the Southern Regional Conference.

Lt. Gov. Preston Smith appointed Sen. Andy Rogers of Childress to the Senate's standing committee on Interstate Cooperation.

SURFACE PITS HALTED

Texas Railroad Commission has ordered the use of salt water surface pits for storage of oil field brines in Young County and part of Archer County to be stopped by September 1.

Included in its order is part of Archer County which comprises the Salt Creek Watershed.

ATTORNEY GENERAL SPEAKS

Governor Connally's Committee on Aging may contract with religious institutions for performance of certain services under the state law implementing the federal Older Americans Act of 1965, says Atty. Gen. Waggoner Carr.

In other recent opinions, Carr concluded:

Names of Texans who registered to vote free last month can be placed in jury service this year.

NEW CODE OF Criminal Procedure would not prevent prosecution for failure to appear in a traffic violation.

Responsibility for operation costs of Harris County Convalescent Ward now rests with Harris County Hospital District.

A new owner of a barber school or college cannot be required to bring the school up to minimum standards. He need only notify the State of the transfer. But the license or permit of the school may be revoked or suspended if the school violates the requirements of another section of the law.

A BARBER school or college changing to a new location must obtain the approval of the State Board of Barber Examiners on the building and the equipment located in that building.

A defendant who enters a plea of no contest and is declared guilty and fined, but doesn't receive a jail sentence and pays his fine and court costs, still is on probation until the probation is revoked. It is necessary for the court to revoke probation before a final judgment of guilty can be entered.

Where a search warrant is issued for a stolen object and a different stolen object not specifically named in the warrant is discovered, it may be legally seized, made the basis for a theft charge and introduced as evidence.

DRAFT STUDY EXPANDED

State Board of Education has ordered expansion of its study of why so many young Texans are rejected by the draft boards for medical reasons.

Study will be pushed by 28 workers in nine offices over the State.

Board in recent meeting here also authorized changes in vocational rehabilitation plans, increased available school fund aid from \$80.65 per student to \$83, and approved federally-financed coordination of migrant school program in several states.

Special training programs for migrant school teachers will be operated at Texas A&I College in Kingsville and Pan American College in Edinburg.

COLLEGE PROGRAMS DEFENDED

Texas Southern University and

East Texas State University urged the Coordinating Board of the State College and University System to let them retain their law school and doctor of philosophy programs.

No other schools appeared for the hearing on the board's plan to concentrate Phd programs in six institutions.

On April 18 the Board will reach a decision on the role and scope of 22 state-supported colleges and universities.

SADLER CLEARS PARK STAND

Land Commissioner Jerry Sadler denied allegations by U. S. Secretary of Interior Stewart Udall that he opposes creation of Guadalupe Mountain National Park.

Sadler said he favors the park but insists Texas must be able to retain mineral interest owned in some 45,000 acres. Added the commissioner: "I see no reason why the Department of Interior is unable to accept the fact that we could have a park and still permit Texas to retain her mineral rights for the benefit of the people of Texas."

SCREW-WORMS AGAIN THREAT

Recent discovery of several cases of screw-worms in Tamaulipas and an area 30 miles south of Eagle Pass pose a threat to the Texas border regions from El Paso to Laredo.

"There were hot spots at Carizo Springs and Uvalde last year," Dr. Ben Vale told members of the state Animal Health Commission, "and we are concerned with two more cases reported in Texas."

Dr. Vale said 23 Texas cases were reported in January, one in February and two in March. The last two were in the Hidalgo area.

Sterile flies now are being flown "40 to 50 miles beyond Tamaulipas," Dr. Vale said. But he added that the program had difficulty recently in producing

by Randy Hopson

Minds are rebelling at the thought of studies after such a long holiday and the onset of spring fever. But with the start

of a new six weeks, that is also the last, some serious study should get under way.

For some members of H. H. S. this next week-end should be a very busy one. Several of the Junior boys are being allowed the privilege of escorting the Lions' Sweethearts of this area.

The Seniors are also being allowed the honor of attending some of the activities as guests. Good Luck to Gayle Newell, Hereford Lions' Sweetheart, as she enters the competition as local queen candidate for District Queen.

NO, IT ISN'T the Hell's Angels, its only members of the younger set taking up a new hobby. If you hear someone roaring down the street don't be alarmed, it's either a member of Stanton Junior High or someone from High School borrowing Junior members' motor bike.

A new musical group, "The Stanton Stompers," will provide some of the varied entertainment for the Lions' Convention this weekend. The group has gone under various titles and will be subject to another name change after the convention. They will then be "The Loners". Members of the combo are Jay Robinson, Chip Formby, Ricky Lee, Teri Beth Line, and Mona Gail Gibson.

Down town business districts are losing customers in 10 out of 11 leading retailing cities despite a shopping "boom," according to UT's Bureau of Business Research.

Connally designated April as Bluebonnet Month in Texas, since the flower blooms annually in the latter part of March and all during April.

Col. Homer Garrison Jr. announced promotion of Highway Patrolman Walter A. (Bob) Werner of Fredericksburg to Texas Ranger and assigned him to Navasota.

SPEAKING AGAIN of the Convention, there will be 49 young

ladies in town to compete for the title of District Queen. Reigning Queen is Sheryl Long of Friona. Sheryl is a freshman student at Texas Tech. Gulp, oh, well, its only for one week-end.

Friday night the queen candidates and area foreign exchange students will be guests at a dance at the Community Center. The "Tiaras" will be on hand to provide the music.

Varsity track members will travel to Perryton for a district meet, Sat. April 16. Perryton isn't very far away so try your best to give the boys some local support. After the tremendous show they put on at our own meet they really deserve it.

Baseball will be the main event on hand Friday afternoon. The Mighty Herd will do battle against the Nazareth team here. Since the game is here there is no excuse not to attend.

In case you have been wondering why there have been so many references to Wynn Buck in the past, here is the reason. One afternoon I saw Wynn in the drug store. He asked why I had failed to have a column in the paper that day. I told him that I didn't have enough items to fill a column. Wynn suggested that when I run out of items I might use something about him. Every since then it has been a special effort to mention Wynn. But enough is enough right Wynn?

He puts his head in the lion's mouth, and keeps it there a while, and when he takes it out again, he greets you with a smile.

## Crumes Hold Open House On Silver Anniversary

Open house at the home of Mr. and Mrs. Vance Crume Sunday afternoon marked their 25th wedding anniversary. They were married at Farwell April 11, 1941.

Mrs. Bill Nelson of Canyon and Mrs. Clifford Galley of Amarillo assisted the couple in receiving guests, who were registered by Miss Prissy Crume. Presiding at the refreshment table during the afternoon were

Mrs. Freddy Mulkey Jr., Mrs. Carlton Richardson, Miss Diane London and Miss Paulette Gilchrist.

The serving table featured a centerpiece of yellow spider mums and Dutch iris; silver and crystal appointments were used. Mrs. Crume and members of the hostess party wore corsages of white and yellow Dutch iris.

Guests from other cities in-

cluded relatives, some of whom were weekend visitors here, also Mr. and Mrs. Robert Schmitt of Wichita Falls, friends whom the Crumes had not seen in 17 years.

Others were Mr. and Mrs. W. H. Graham Jr. and sons of Lovington, N. M.; Mrs. Hayden Cason and Cindy, Mr. and Mrs. J. K. Anthony of Friona; Mr. and Mrs. Nelson, Mrs. Galley; the Rev. and Mrs. Bernard Seay and daughters of Littlefield; Mr. and Mrs. John Getz of Farwell.

Hereford friends registering included Mrs. Willie Gilliland, Mrs. Jerry Curtisinger, Mrs. Joe

Mack Hale; Misses Sharon Tinn, Charlotte Williams, Sharon Hagans, Rema Coffin, Jo Witherspoon, Sheri Marsh, Lynda Jacobsen, Linda Glen, Becky Elliott, Joyce Curtisinger, Patsy Stoy and Linda London.

Also Mr. and Mrs. Glen Watts and daughter, Mr. and Mrs. Baxter London, Mr. and Mrs. J. William Witherspoon, Mr. and Mrs. W. R. Hair.

Labor unions had 16,841,000 members last year. This was 28.9 per cent of the non-farm work force.

## Children Give Club's Program

Stars of the Valeda Easter Revue, staged at Community Center Tuesday evening, were children of Valeda Study Club members, ranging in age from toddlers to teens. Mrs. Bill Bradley directed the parade of young talent for members, their husbands and other guests.

The Hereford Brand, Hereford, Tex., Thursday, April 14, 1966

Two Easter parades were held, one led by Terry Scott as a clown and the other by Mike Oglesby as Peter Cottontail. Donna Olson was pianist and the paraders were Ross Wilmot, Valerie and Alisa Barkley, Melissa Harpster, Donnie Lauderback, Cindy and Mike Clark, Melinda Watts, Lana and Brad Clark, Alan Craig, David Baugous, Jeanie Brady and Lynn Lauderback.

Lynette Clearman soloed as a ballerina and Joy Clark as a twirler. Vocal soloists were Susanne Oglesby, Melinda Watts and Jeanie Brady; piano solo-

ists, Carola Scott, Richard Brown and Donna Olson.

The finale was by the Star Street Stars, an instrumental trio comprising David Watts, Truett Brady and Carl Brown. Carola Scott poured punch at a table centered with a tall Easter bunny and colored eggs. Mrs. Joe Frank Clark was hostess, assisted by Mrs. Glenn Watts and Mrs. Melvin Jayroe.

Amusing figures of Easter bunnies and chicks were hung on walls of the room, with gay paper fans and Easter eggs.

## Big Band Sound Comes To Hereford With Convention

Where the bands are, that's where the action is. Lions will be moving from one meeting place to another while in Hereford but regardless of where they are, the big band sound will be there.

**BIG NAME BANDS** will share the limelight with local talent. Claude King of Nashville, Tenn., of "Wolverton Mountain" fame will furnish the entertainment for the Friday night Bar-B-Q sponsored by the Clarendon Lions. The country and western star along with his orchestra will bring some of the country's top hits "live" to the Bull Barn.

From the local scene, Junior Perales with his Spanish band will come in strong in the Tijuana Brass style. He will share the Friday night billing at the Bull Barn.

**THE ENTERTAINMENT** committee said they were striving for a "big band" sound. Definitely a part of this is the Duane Bowen group from Eastern New Mexico University, a 14 piece stage band, The Collegians. This group will play for the dance after the Governor's banquet.

The Governor's banquet is scheduled for Saturday night at the Bull Barn and will feature the Slumtown Symphony from La Mesa. The group gained national recognition at Lions International Convention in Los Angeles this past year.

Also booked for Saturday night, but to perform at the Queen's Ball at the Community Center will be the Lurkers from Sweetwater. This ball is scheduled for the exchange students sponsored by the participating Lions clubs and the Queen candidates from each town.

The evening before, the exchange students and the queen candidates will be the guests of local high school students at the community center. A live band is scheduled for that session, The Tiaras.

**THE HEREFORD LIONS** Sauerkraut Band will come out of wraps for the Saturday business session at the Bull Barn. Sunday afternoon at the high school auditorium, Hereford High School's stage band will play for the Lions' Queen Con-

## Hereford Ready For Roar

### Eye Bank Is Major Project For Lions

Sight for those who are blind cannot be bought with money. Help must come from willing volunteers. This realization prompted District 2 T-1 Lions to take the Hi-Plains Eye Bank as a major district project. Many eyes from an Oklahoma bank were being sent to the Texas Panhandle for use.

The idea was first broached during the 1958 convention at Dufhart in the United States, there are 80 eye banks and many of these are sponsored by the Lions.

W. L. Edleman  
**Friena Man Is Candidate For Governor**

"Preach" Edleman has done lots of things in his life but he has never "preached." Friena, candidate for District 2 T-1 Governor is presently a farmer.

### District Convention Plans Set By Local Lions Clubs

After almost a year's preparation, Hereford Lions are set this week end to host the District 2T-1 convention. Over 800 Lions are expected for the three day session.

A Hereford man, J. W. Robinson, Jr. has served this past year as District Governor and will preside at the convention. Sports and cabinet business will occupy most of Friday and the week end of entertainment will get into full swing Friday night with a western type dinner and entertainment. Name bands, barbecues, queen contests, tours, music, more music with band after band will keep Lions awake and moving through Sunday afternoon.

Being convention city has put Hereford Lions to work but planning and work are being shared by the Easter and Piasano Clubs, both new clubs sponsored by the Hereford Club.

O. Z. Golden, Joe Soto and Roy Botkin are Boss Lions for the three host clubs. Friday begins with golf and bowling scheduled for early in the day. Robinson will hold a cabinet meeting at four on Friday. The convention is expected to get into full swing on Friday night when Clarendon will host a western barbecue. Flip Breedlove, Clarendon barbecue king will supervise one of his famous feasts. Earnest Langley will be master of ceremonies and dinner music will be presented by Junior Perales and his See **READY** Page 2

## Lions Clubs and Bull Barn Are Old Partners

By NAOMI HOPSON  
Special Sections Editor

The Bull Barn in Hereford and the Lions Club in Hereford have long played supporting roles in the drama of community progress.

Lions have used the County facilities for fundraising activities through the years and in turn have helped to improve these facilities as community needs dictate.

The present building carries the name and traditions of an earlier structure.

Lions Club and Bull Barn are structure. The original "Bull Barn" was located in what would be considered downtown Hereford now.

IT WAS OFFICIALLY called the Hereford Sales Pavilion, but

was dubbed the Bull Barn since a group of Hereford breeders had built it for bull sales. Lee Cocanougher, Ezra Norton, the late H. G. Conkright and W. E. Dameron will be remembered by some of the Panhandle's long-time residents as some of those early Hereford breeders.

Used for community and private sales, local residents claim that world records were set at various bull sales, such as those sponsored by McDonald and Ivie in 1930.

Gradually, the sales barn became more or less a community building, being used by the county, 4-H, FFA and the Lions Club. The Rotary in Hereford sponsored junior calf shows for years, including adjoining counties.

**CAMP FIRE** girls sold pies, hot dogs, etc. Home demonstration clubs displayed products of cooking and sewing talents.

When the building was destroyed by fire, the community was left with several problems as far as a building to house the varied affairs was concerned. The County was in need of a maintenance headquarters.

THE FFW and American Legion donated land for a new building. Could such an impressive building be called the "Bull Barn?" Old time residents said "yes" out of sentimentality, new See **LIONS** Page 2

## District Convention Scheduled Events

DISTRICT 2T-1

- Friday, April 15th:
- 9:00 A.M. REGISTRATION: All Day — Jim Hill Hotel.

  - 3:00 P.M. Queen Contest — Auditorium.
  - 4:00 P.M. Announcements. Election and Contest Winners.
  - 4:15 P.M. Reception for Governor Elect and Queen — High School Cafeteria.

### Children's Camp Is Lions Mutual Annual Project

Texas Lions Camp for Crippled Children continues the Lions emphasis on youth. Many projects of local clubs and districts involve the welfare of youngsters.

Over 8,000 handicapped youngsters have received a brightened outlook since the children's camp opened in 1953.

The camp is located at Kerrville in the Hill Country of Central Texas. It is free to crippled, blind, deaf or mute children from the ages of seven through sixteen.

Seventeen permanent building dot the 504 acres of the camp. The camp represents an investment of more than \$600,000. It is maintained through subscription by various Texas Lions Clubs. Projects are in progress at almost any time of the year to help underwrite the cost of the camp.

At the camp, these youngsters who have been denied a normal childhood through no fault of their own learn to shed their shyness which has been See **CHILDREN'S** Page 2

## Activity Is Keynote For District Head's Family

MEET YOUR DISTRICT GOVERNOR, J. W. Robinson, Jr. is well known throughout the Panhandle area as an insurance man and as a Lion.

Active in many organizations, Robinson became an active Lion only days after his graduation with a B. S. degree in business from Texas A. and M. in June, 1949.

in the town where he was born and raised, Hereford. He married a Hereford girl, Virginia Lyons, in 1950. They have one son, Jay.

Robinson is active in church and civic affairs. He is active in Amarillo Life Underwriters, Veterans of Foreign Wars, Hereford Masonic Lodge, Scottish Rite, Klava Temple, and is a member of the Chamber of Com-

merce. A KEY MEMBER of the Lions Club in 1950, he has served as secretary in 1950-51, elected president of the Hereford Club in 1953 and was named District Deputy in 1956-57. He was appointed to the office again for the 1964-65 term.

He has maintained a near perfect attendance record with the See **ACTIVITY** Page 2

State Secretary

### Ready . . .

(Continued from Page 1)

orchestra. Special attraction for the night will be Claude King and his band. Queen candidates will be presented as will golf and bowling trophies.

That same evening a teen dance will be held at the community center. The Tiaras from Amarillo will play. The queen candidates and foreign exchange students will be guests of Hereford teenagers.

Bright and early, the Hereford, Easter and Piasano Clubs will have a force of forty men to rout our visiting Lions for an early western breakfast. Wayne Thomas will be master of ceremonies and entertainment will be a comic impersonation by Carroll Killingsworth of Happy and vocalists Mary Jo Godwin, soprano and Billie Jackson, contralto, accompanied by Dessie McCracken, pianist.

First business of the convention will be conducted Saturday morning at the High School Auditorium. J. W. Robinson will preside. The Stanton Stompers will play a fifteen minute prelude. Mary Kay and Chuck Everett, accompanied by the Gollehon Combo will entertain after opening remarks.

The Bull Barn will be the noon luncheon location. Dumas Lions are sponsoring the meal and the entertainment.

Convention activities will move back to the high school for afternoon business. The Hereford Lions Club Sauerkraut Band will play a brief prelude. After opening remarks, Hereford High School Madrigal Singers will entertain the group.

The afternoon's business will close with the Hi-Brown Gals accompanied by the Gollehon Combo.

During Saturday afternoon, Ladies will be entertained with a display of native costumes by the exchange students, tours will be conducted of Hereford and surrounding area, club officers training sessions will be in progress.

Mr. and Mrs. Wayne Thomas are in charge of ladies activities which have been closely correlated with the general schedule of the convention. This a departure from standard convention procedure where the ladies are isolated from the general convention atmosphere and business.

Saturday night Johnny Clark Jr. will be master of ceremonies at one of the convention highlights — the District Governor's Banquet. The Banquet will be held at the Bull Barn and will be catered by a local firm.

G. R. Crawley will have his Slumtown Symfunny to supply music for the occasion. Queens and Awards will be presented. Queens and exchange students will attend the Queen's Ball at the community center with The Lurkers from Sweetwater playing.

At the same time at the Bull Barn the Governor's Ball will be in progress. Duané Bowen and the ENMU Collegians will play for that event.

Friona will honor key members on Sunday morning with a breakfast at the Bull Barn.

Church service will be held at the high school auditorium at 10:30. Flags of countries of the foreign exchange students will be presented. Don R. Davidson will deliver the sermon. A necrology service will be held.

Pampa will supply the luncheon and entertainment on Sunday at the Bull Barn.

While voting is being conducted Sunday afternoon the Hereford High School Stage Band will give a concert in the High School Auditorium.

Immediately following elections will be the Queen's Contest with Ben Gollehon master of ceremonies.

After District Governor is announced Queen named and next year's convention city picked a reception will be held in the high school cafeteria.

Plans are completed, preparations have been made. The city of Hereford and the Hereford Lions club are ready for the largest convention the town has ever had.

### Club Observing 20th Birthday

Twentieth anniversary of the Roaring Springs Lions Club is being celebrated this month, with a Ladies Night banquet as the main event. Charter date was Apr. 14, 1946, for the club which now has 23 active members.

The Lions have two annual projects to raise funds for designated causes which are chosen each year. The annual broom sale is held usually in the last week of October or the first week of November, and a holiday basketball tournament is held yearly, with independent teams participating.

Charlie Long is currently president of Roaring Springs Club. He and C. L. Marshall are members who have served as Zone Chairmen.

### Lions . . .

(Continued from Page 1) comers said "yes" because the idea seemed to catch their fancy and give a small community an aura of grandness when several thought that if San Francisco could have a "Cow Palace," Hereford could have its "Bull Barn."

Proving spacious enough and solving the parking problem, the new barn soon proved to be too drafty and unwieldy for many community affairs.

Prompted by a need for re-financing the facility, the Deaf Smith County Commissioners began a revamping program. Hereford Lions took the refurbishing as one of their community projects.

Officially named Deaf Smith County Bull Barn, the revitalized building was presented to the community at an open house in March. Built originally in 1956, the county voted funds of more than \$20,000 for the remodeling. The Hereford Lions Club donated \$7,000 for painting of bleachers and floors and purchasing tables and chairs for 800 persons.

When the building was first constructed, Lions spent \$30,000 for furnishings and the Deaf Smith County Rural Electric cooperative installed a \$1,200 sound system and have improved the system during the current remodeling.

Bright, clean and with year-round temperature control, the Bull Barn opened in time to say "Welcome" to visiting Lions a useable testimonial that the Hereford Lions along with Hereford are an alive group.

### Activity . . .

(Continued from Page 1) Lions club. He did have a gap of two years while he served as an army officer with forces stationed in Germany.

Mrs. Robinson is a graduate of Stephens College and West Texas State University. She works as a substitute teacher in the Hereford schools.

Son Jay is a junior high school student and has a strong musical interest. He is presently a member of the Stanton Five and plays electric guitar with the combo. Some of his dad's business accumen seems to be developing in the younger Robinson.

For three years, Jay has had a fireworks business each summer at the appropriate season. Last year business got so good that at the evening rush hour, three adults were added to Jay's staff.

"IT STARTED out as fun," Mrs. Robinson says, "but now it's really a business and Jay has to really work to keep it organized."

Not all work, the Robinson family is active with Little League, play golf, hunt, and are avid football and baseball fans.

### Eye . . .

(Continued from Page 1) many many years have received successful transplants.

One of the most touching stories to come out of the Panhandle work is the story of a young mother who lost her sight at the birth of her first child. She now has four children and can see again because she was the recipient of one of the most precious gifts to be given Sky-pala said.

He volunteers the services of any of the directors, past presidents or officers of the eye bank for programs to any group who want to know more about the eye bank.

Needs and supplies are transmitted across the United States by a ham operator network which broadcasts a 7, both a. m. and p. m. It is called the Eyebank Network and has four operators in Amarillo.

This is only one of the projects of the Lions — the men who believe in putting work into that term "service club." No one is charged for eyes. Lions donate time and funds to keep the project going.

### WHAT TO SEE

## Lettuce Takes New Form In Revolutionary Smokes

Hereford can proudly boast that it is the home of Americas first tobaccoless smokes, nationally known as Bravo Smokes.

Establishment of a facility to manufacture "lettuce cigarettes" in Hereford became a reality on August 24, 1965.

The corporation joined with Tobaccoless Smokes, Inc. in an operating corporation known as

Bravo Smokes, Inc. Bravo was the first commercially produced smoke in the nation. Developed by Puzant Torigan, the idea was first brought to Hereford in June and was an actuality by August.

The idea of a tobaccoless smoke became known to the Deaf Smith County Chamber of Commerce who wrote Torigan to invite him to Hereford.

He replied with a letter saying the proposed faculty was too

big a project for a town the size of Hereford.

Local businessmen replied with a letter which could be boiled down to say, "You just try us."

Torigan came to Hereford and 35 investors supplied financial backing.

As a result, Bravo Smokes are on sale in Hereford and other places for 4045 cents a pack.

A volume of some \$1.5 million was set as the goal for the first year's operations. Building of a second larger plant also in Hereford is planned for this year.

Recently Bravo Smokes Inc. has begun operation overseas in Japan.

### Circa 1963 "Lion"

Bill was out with the boys one evening and before he realized it, the next day had dawned. He was a bit frightened to call home, but after considerable thought, he phoned.

When his wife answered, he shouted: "Don't pay the ransom, Honey. I 'escaped'!"

Tasty revenge. After a Chicago judge characterized Carlinville, Ill. Lions as "hicks," a local restaurateur advertised in his window, "Special plate for hicks, \$.65; fer city slickers, \$1.65."

Office Supplies — Printing THE INK SPOT

### Children's . . .

(Continued from Page 1)

imposed by their handicaps. By mutual association with other handicapped children and by skillful and gentle counseling, these youngsters have found the freedom to grow, mentally and spiritually, into useful citizens of tomorrow.

The camp has a ratio of one counselor for each two children. These counselors sleep in the bunkhouses with the children and are available for all their needs. Over 700 campers are there each summer. Many of the counselors are handicapped themselves and are particularly able to offer help and encouragement to the children.

The camp is governed by the Texas Lions League and its board of directors who come from Lions in each of the Texas Districts.

Crippled Children Camp Directors from District 2 T-1 are James Wheeler of Amarillo, Elbert Reeves of Matador, and Sam Pakan, Shamrock.

### Easter Lions Are New Club

Sponsored by the Hereford Lions Club, the Easter Lions received their charter on Dec. 11, 1965. Boss Lion Roy Bodkin accepted the club's charter from J. W. Robinson Jr., governor of District 2T-1.

Easter Lions grew from two men meeting in Sept. to 61 members present at the charter banquet. Speaking to the newly organized but already active club was Tom Kirkham, State secretary from Austin.

Presentations to the club were made by O. Z. Golden, president of Hereford Lions Club, and clubs from Adrian, Dimmitt, and Friona.

The first meeting of the club was held on Sept. 27, 1965. At this meeting the club was started and officers were elected. Heading the slate of officers is Roy Botkin.

LEO or Lion, is the fifth sign known zodiac. The brightest star in Leo is Alpha Leonis. The head of Leo is outlined by a group of stars shaped like a sickle. The tuft of the lion's tail is marked by the star Denebola, whose name comes from an Arabic phrase meaning "tail of the lion."

Our Best Wishes to each of you during the big convention. Have a good time and return to Hereford again, soon. We like people and especially, Lions.

# Plans and Work Merge Into Lions Convention

ORGANIZATION OF A convention of wide scope takes months of conferences and lots of committee work. The Lions District 2T-1 convention city has a big job on its hands. Some of the people from Hereford who have worked on convention plans began last May, just after the Dalhart convention according to Don Zimmerman, general convention chairman.

Assisting as general chairmen are Ray Cowser, and Wayne Edwards. Others on the steering committee are J. W. Robinson, Jr., District Governor, O. Z. Golden, Hereford Boss Lion, and Melvin Jayroe, Cabinet Secretary.

JAYROE IS ALSO chairman of the publicity committee. Also on that committee are Hilrey Aven and Don Chaney. Other chairmen are Earnest Langley, entertainment; B. F. Cain, mail; Ed Skypala, reception; D. C. Kinsey, information; Neil Cooper, housing; Tommy Braddy, properties; J. F. Martin, Transportation; Bill Gentry, ticket sales; D. C. Martin, registration; R. C. White, finance; Her-

schel Black, decorations; Woody Wilson, queen's contest; Wayne Thomas, ladies activities; Ray Simpson, printed program; Labry Ballard, arrangements; and Robert Thompson, foreign exchange students.

SKYPALA HAS arranged for road blocks to involve visiting Lions to give them directions and a welcome as they approach the city.

Tours have been planned by

## Phillips Has One Big Fund Raising Project

Phillips Free Fair is the one all-out effort for fund raising set up by the Phillips Lions Club. The Fair is always held the first week in August. This summer will be the 23rd one held.

Phillips has a membership of 60. Some of the services in the community assisted by the Lions are Little League Baseball, Athletic Banquet, Scholastic Banquet United Fund, Blind and Sight Contribution, Texas Crippled Childrens League, Community Health and Welfare.

special buses for several occasions.

Street banners and welcoming signs will be displayed across downtown streets and in stores. Gifts and city-wide hospitality will be evident throughout the week-end.

As part of the over-all convention plan, all committeemen are being assisted by their wives.

## Aid To Camp Is Major Project

Support for the Texas Lions Club camp for crippled children has been a major objective of the Pampa Evening Lions Club since its organization. It has had 100 percent members of the Crippled Children's Camp every year.

Present membership of the Pampa Evening Club, which was organized in May, 1956, is 18.

Office Supplies — Printing  
THE INK SPOT

BORGER — Anita Jones has been Borger Noon Lions Club Sweetheart for two years. She is a senior at Borger High School. Her hobbies are reading, sewing and painting.

Circa 1963 "Lion"

"Moving at a snail's pace" is a common expression, but do you know what it means? According to a study by the University of Maryland, a snail does about three inches a minute.

Some 100,000 Europeans live on boats and canal barges.

## HOSPITALITY ROOMS SET FOR VISITORS

Hospitality rooms have been arranged at Jim Hill Hotel, convention headquarters, for visitors who will be in Hereford one day only and who will not have their own hotel or motel rooms. Adjoining rooms with bath will be available for resting, playing bridge, stopping for coffee or a coke, Mrs. B. F. Cain, chairman said.

When explorers Carl Akeley and Martin and Osa Johnson went to Africa to study wild animals, they found that lions that have never been hunted by man do not usually attack him. In one valley, the explorers spent two days in the midst of a dozen lions, photographing them. The lions never attacked the explorers. The Africans watching from a high hill thought the explorers had some power that was not human.

JUNIOR SET — They may be little but they are good. Part of this week's music includes the Stanton Stompers, originally known as the Stanton Five. Left to right they are Terri Beth Line, Ricky Lee, Mona Gail Gibson, Jay Robinson (son of District Governor J. W. Robinson, Jr.) and Chip Formby. They are all students at Stanton Junior High School in Hereford.

**GREETES GUESTS** — Boss Lion O. Z. Golden welcomes District Judge and Mrs. Harry Schultz during open house at the newly renovated Bull Barn.

# Western Feed Set By Club

**OF COURSE** the Hereford Lions will sponsor an old fashioned western breakfast early Saturday morning. **TALENT IS NOT** easily forgotten—especially when it involves culinary arts. The Hereford Club was taking prizes for

its western or chuck wagon breakfasts back in 1952. These were cooked (?) on a float and entered in parade competition in Hereford and surrounding towns as evidenced by the above picture. That's Ray Conway doing the work and Guy Lawrence taking the credit according to Conway.

**FACILITIES MAY** have changed but the true hospitality and old western flavor of breakfast in the early morning has not. Don Zimmerman has secret but devious plans to rouse all Lions for the 8 a.m. breakfast Saturday at the Bull Barn. Carroll Killingsworth Happy

## HEDLEY LIONS MEET IN OWN BUILDING

The Hedley Lions Club was chartered May 13, 1942. The club charter was presented by H. C. Pender, District Governor, at the Charter Night Banquet held in the Hedley High School in June, 1942. Ray A. Moreman, first president of the Club presided at the meeting. The club was sponsored by the Clarendon Lions.

Now, 14 years later, the Club High School Principal will entertain with a take-off on Phillips Diller.

has a membership of 36, compared with 20 charter members. They also meet in their own building on the second and fourth Thursdays of each month. Boss Lion of the club is Rev. Wilton W. Lynn and the Club Sweetheart is Lane Altman.

**SOUTH AMARILLO LION'S CLUB SWEETHEART** AMARILLO — Fran Watson, a student at Tascosa High School, is South Amarillo Lion's Club sweetheart. She is interested in sports, rides horses, sews, and reads. She is a member of the Youth for Christ Club, Spirit's committee, choir, Latin club and National Honor Society.

## SPORTS EVENTS SET FOR EARLY STARTERS

For Lions members and their wives who are sports minded, the steering committee has arranged to have a golf tournament and a bowling tournament.

Bowling will begin at 1 o'clock Friday afternoon. Hereford has modern bowling lanes located on 25-Mile Ave.

Golf will begin early Friday morning at the course located at the Country Club in the south part of town.

Winners will be announced and awards will be made at the Friday night barbecue.

**AN ESTABLISHED FACT?** — Hereford Lions claim that the float, a prize winner in several towns, proves that they know what they are doing when they prepare a western breakfast. No one can contend that the right atmosphere does not prevail, but neither will anyone testify as to the quality of the food, prepared on the float, that is. (Personal Photo)

## Library Given Stratford Lions Club Support

A library building fund has been the chief recipient recently of proceeds from the Stratford Lions Club fund-raising projects. This is the latest of numerous civic improvements aided by the club which is 20 years old this year. Lions stage a pancake supper and a broom sale each year, sponsor turkey shoots, cushion sales and other such events to raise money. Projects in the past have helped to make Stratford a more orderly city; Lions Club members took it upon themselves to put numbers on all the houses, and erect signs with street names on the street corners. Also, members did the necessary research and work in having all unmarked graves in the cemetery marked properly. The club was instrumental in beautification of the town park,

## Little Leagues Backed By Lions At Skellytown

Skellytown Lions own and operate a Little League and a Senior Little League baseball park and concession stand, the principal activity of their club program which is mainly concerned with youth of its community. The club sponsors baseball teams in the two youth leagues each year, operates the concession stand at their games and at other events during the summer months. It supplies eyeglasses to needy children and sends boys and girls to the State Lions Camp for Crippled Children. Skellytown Lions have been 100 percent members of the Hi-Plains Eye Bank the past two years. The club is co-sponsor of the high school All-Sports banquet and a faculty steak fry each year. Another community service is upkeep of the dump-ground facilities. Organized and chartered in May, 1952, the Skellytown Club has been active since that time. Six of its charter members are still active in the club, which has a membership of 22 at present. The club has weekly meetings on Monday evenings, and conducts various fund-raising activities. President this year is Lion Weldon M. Bates, who is a teacher and coach in the White Deer-Skellytown School System.

and has sponsored cemetery beautification. Last year it bought a new tractor mower for use in the cemetery. For years the club has donated \$100 each Christmas to Cal Farley's Boys Ranch, and for the past several years has donated 100 percent to the Hi-Plains Eye Bank, a district Lions project. Now enrolled in the club are 47 members. The club was chartered in 1946 with 87 members, at that time the largest number ever chartered in a new Lions Club. So far as Stratford members know, the record still stands.

**Service Organization Has Outstanding Leadership**

**PRESIDENT**

**DR. WALTER H. CAMPBELL** of Miami Beach, Florida, was elected President of Lions International at the Association's Annual Convention in Los Angeles, California in July 1965.

A Key member, Lion Campbell while on the International Board as a Director (1959-61) served on the Membership Development and Executive Committees. Lion Campbell was honored with the Ruben Darío decoration in 1964 by the President of Nicaragua, Dr. Rene Schick Gutierrez, for world-wide humanitarian service; The Order of the Star of the Equator by the nation of Gabon; and the Commander of the Order of Ca-

**EDWARD M. LINDSEY**  
... 1st Vice President

dars of Lebanon by that Nation.

**A NATIVE OF TENNESSEE**, Lion Campbell received his education at Tennessee State where he received his B. S., Duke University for his M. A., and Northwestern University for his D. D. S. Prior to becoming a dentist he was an educator, having been a teacher, athletic coach and school administrator.

During World War II he served as a Captain in the U. S. Army Dental Corps, where he was connected with the 221 General Hospital in the European Theatre. Later he served as Division Dental Surgeon in the Florida National Guard with the

**DR. WALTER CAMPBELL**  
President

rank of Major. He is a deacon in the Miami Beach Community Church, where he and his wife, Terry (Victoria) are members.

**FIRST VICE PRESIDENT**  
**EDWARD M. LINDSEY**, of Past Director of Lions International, was elected First Vice President of the Association at the Annual Convention.

Lion Lindsey joined the Lawrenceburg Lions Club in 1946. He has had perfect attendance since the day he joined.

In 1965 he was named the state's outstanding mayor.

Lion Lindsey has long been interested in history. He was awarded a life membership in the Lawrence County Historical

**JORGE BIRD**  
... 2nd Vice President

**DAVID A. EVANS**  
... 3rd Vice President

Society for his outstanding contributions to that organization during his years as its president. He was chairman of the Lawrence County National Foundation for fifteen years.

Lindsey is a furniture manufacturer, specializing in church and other institutional furniture. He and his wife, Virginia, have a daughter, Anne.

**SECOND VICE PRESIDENT**  
Jorge Bird of San Juan, Puerto Rico, a Past International Director of Lions International, was elected Second Vice President in Los Angeles.

He is a Key Member and Past President of the Lions Club of Rio Piedras, Piedras, Puerto Rico, and has also served that club as Secretary.

In the District organization, he has held the offices of Deputy Governor and Cabinet Secretary-Treasurer as well as District Governor. He has received the Extension Award, the 100% District Governor's Award and was named Ambassador of Good Will.

**LION BIRD WAS born in Gua-**

yama, Puerto Rico, and was educated in the field of Commerce. He presides over Bird Enterprises, which includes food, travel, gasoline, dairy and real estate business.

Since his election, Mr. Bird has been appointed to the ten men Citizens Committee of Puerto Rico — a body organized to streamline relations between government agencies and citizens. He helps the Government by acting as a member of the Police Commission of Puerto Rico Board of Vocational Education and Government Development Bank. He has been honored with awards for his participation in the Cancer Drive and several other civic activities.

He and his wife, Victoria, have three daughters, two sons and two granddaughters.

**THIRD VICE PRESIDENT**  
**DAVID A. EVANS** of Texas City, Texas, was elected Third Vice-President of Lions International in Los Angeles, July 1965.

A Senior Master Key Member, Lion Evans has introduced 31 members to Lionism. In 1959-60 he was a 100 per cent District Governor of District 2-54

Texas. A Past International Director, he served as the Chairman of the International Membership Committee in 1963-64.

Lion Evans has visited Lions in ten countries — a log that will continue to climb during his period of Executive Office.

He is the recipient of three International Presidential Awards and has also been made a life member of the Texas Lions Camp for Crippled Children near Kerrville, Texas.

**HE HOLDS AN appointment**, that of Pilot Commissioner, from the Governor of Texas, and is a leading businessman in Texas City. Lion Evans is the owner of a Construction Company and is actively engaged on the executive level on four other company boards.

Lion Evans and his wife Betty have two children, Tanya Rene and Joe.

Cubs born in a zoo are as playful and affectionate as kittens, but as they grow older they soon become too rough to handle.

**Ten-Year-Old Club Stays Busy At Samnorwood**

Work on a community park is a major activity of Samnorwood Lions Club at present. Building of the park has been sponsored by the Lions, who have cooperated with other residents in working on it.

Much of the club's work in the community has centered around the school, which is the focal point of civic activity. The club has helped sponsor the annual basketball tournament and the annual school carnival which raises money to make capital improvements at the school. It sponsored the building of school trophy display cases, lighting facilities and a backstop for the playground.

Other community projects have been a summer recreation program for youth, a Save the Soil and Save Texas conservation farming award for the Greenbelt Soil Conservation District, sponsoring of Samnorwood

Boy Scout Troop 39 and Cub Pack 39, sponsoring of a recent Samnorwood Day celebration with Senator Ralph Yarborough as a speaker, preparation and filing of maps of community cemeteries.

Lions Club projects for the blind and the Hi-Plains Eye Bank have been supported through broom sales, and aid to the Crippled Children's Camp at Kerrville through sale of light bulbs, and sponsoring farm equipment auction sales.

Report of club work ends with this observation, which might apply to the activities of all Lions Clubs: "Many small deeds of civic improvement and human service have gone unnoticed in this list, but not by our fellowmen."

Samnorwood Lions Club is ten years old this year, and was chartered with 24 members.

President Theodore Roosevelt, in his book "African Game Trails," said that he ranked the lion as a hunter's most dangerous opponent under ordinary conditions.

HEREFORD — Boss Lion O. Z. Golden and his wife, Joy, relax for a few minutes between committee meetings. Golden is head of Deaf Smith County Research and Joy teaches first grade at Bluebonnet Elementary School. The Golden's have three children, Gordon, Mark and Kay.

## Bovina Reports Continous Action

"WE ORGANIZED one time and we're still 'going.'" Gene Ezell compactly writes the history of the Bovina Lions Club.

The Club was chartered in 1954 with more than 50 members. O. W. Rhinehart, a real estate dealer was the first president. Muleshoe Lions was the sponsoring organization.

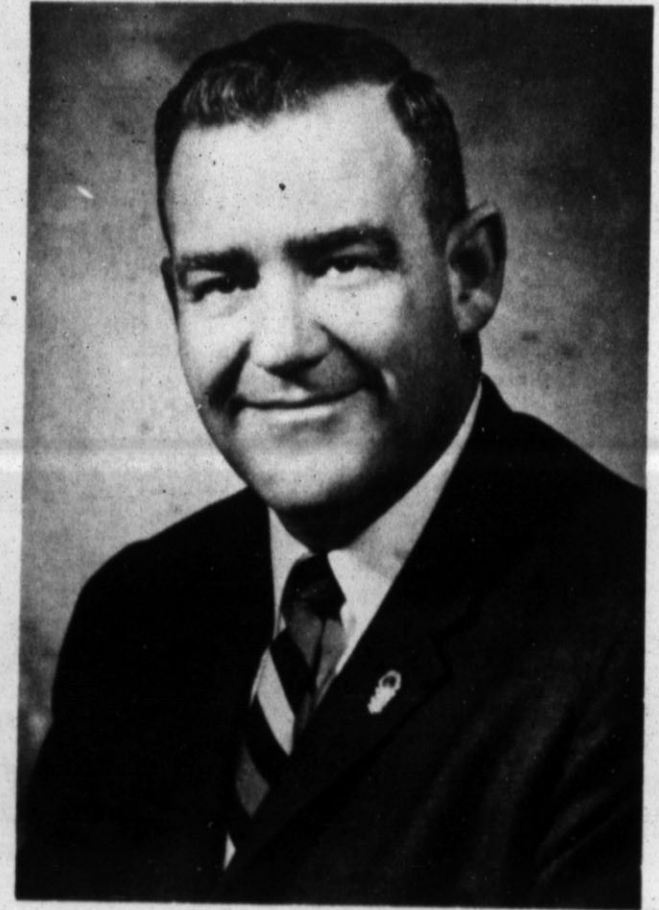

Biggest early success of the club was the sponsorship of Bovina's Fourth of July celebration. Events ranged from turtle races to fiddling contests. Eventually the celebration was conso-

lidated with the Bull Town Days which is held the third weekend in August each year.

The Bovina club sponsors Little League, and was the original sponsor of the Bovina FFA Livestock Show in 1955. Now the sponsorship of the show is shared by several organizations.

Presidents of the Bovina Club have been Rhinehart, Ezell, A. L. Hartog, Henry Minter, J.W. Wright, Wendol Christian, E. B. Caldwell, Leon Grissom, Tom Bonds Warren Morton, Pat Kunseiman, Dolph. Moten and Russell.

### Young In Years, Borger Evening Lions Club Big In Enthusiasm

Title of "Best night club in Borger" is claimed by the Borger Evening Lions Club, which is young in years but large in enthusiasm for promoting Lionism. It was chartered in October, 1968, sponsored by the Borger Noon Lions Club, and received its charter from the District Governor Don Zimmerman of Hereford.

Young as it is, the club has cooperated with the Borger Noon Club, Bunavista and Phillips Clubs in hosting two of the District 27-1 conventions in recent years. Its members have participated in zone, district, state and international conventions.

Charter president of the club was H. Q. Maxwell; the current Boss Lion is Lee W. Dunham. The club has had within its membership two Zone Chairmen and a Deputy District Governor, cooperating with various District Governors. At present, Lion Charles Cooley is a member of the Board of Directors of the Hi-

Plains Eye Bank Inc. Lion Cooley, who has a perfect attendance record, is one of two charter members still active in the club of the 34 who were enrolled. The other is Paul Thomason.

Borger Evening Lions Club has sponsored a minor league baseball team, assisted with a Red Cross Swimming Tournament, purchased eyeglasses for needy children, worked with the Salvation Army in its Christmas projects, sent children to the Crippled Children's Camp at Kerrville and supported the Hi-Plains Eye Bank.

Also, it has contributed to most state and district projects in addition to the community activities.

To raise funds for all these, it has conducted light bulb sales, broom sales, booths at the Phillips Free Fair and the Lake Meredith Festival, rose bush sale, local view postcard sales, and sale of "Be Thankful You Can See" seals.

**DALHART** — Penny Shewbert, a senior at Dalhart High School, is the 18 year old daughter of Mr. and Mrs. Victor Shewbert. She is FFA Sweetheart, Football Queen, Personality Queen, Homecoming Queen Attendant and Most Beautiful Senior. She has been a member of the National Honor Society for two years. She has also been a cheerleader for three years.

**ATTEND MEETINGS IT PAYS OF!!!**

Six, yes, ladies and gentlemen attending Lions convention activities, six prizes will be given at the conclusion of six different functions. Only those present can participate in the drawings, gift chairmen

said. So, it pays in more ways than one to attend meetings during Lions District 27-1 convention.

The lion is a relative of the tiger, leopard, puma and lynx, as well as the friendly house cat.

The lion is mentioned frequently in the Bible. The best known of these stories is about Daniel, the Hebrew captive at Babylon. Daniel was thrown into a den of lions because he persisted in praying to God. The lions would not harm him.

**ALL HANDS** — Convention city presidents soon find out that all club members, their wives, and sometimes their children can pull together to get all plans carried out. No exception are the Golden children, Mark, a high school junior, Gordon, a Tech freshman and Kay, high school freshman. They admit that the poodle didn't have much to do with the Lions convention.

### Paisano Lions Are Organized In Hereford

Hereford's newest Lions Club is the Paisano Lions. The charter club is sponsored by the Hereford Lions.

Officers for the club are: Joe

Soto, Boss Lion; Able Ortiz, first vice president; Noe Salinas, second vice president; Richard Esquibel, talltwister; and Bobby Hernandez, Lion tamer.

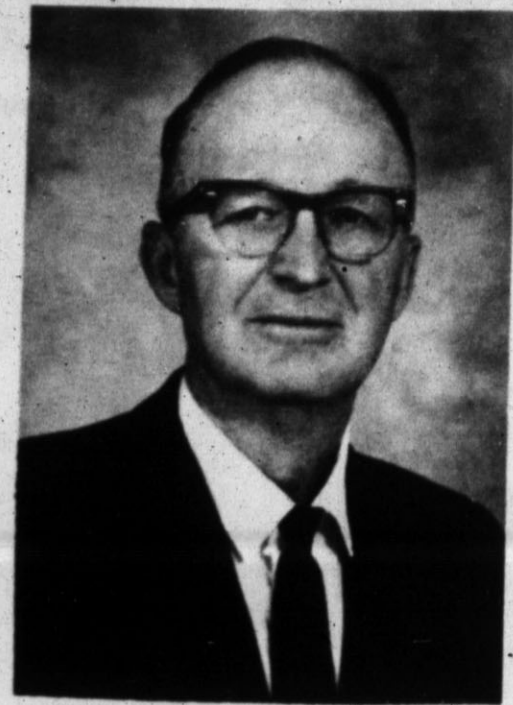

The lion is commonly known as the king of beasts and the lord of the jungle, although it seldom lives in the thick jungle.

## Variety Park is Downtown Facade

**VIEWED AS UNIQUE** among cities this size the park like atmosphere in downtown Hereford was a community wide project.

Hereford's Downtown Variety Park had its official grand opening on August 19, 1965. Hundreds of Hereford area residents and dozens of visiting dignitaries viewed the opening festivities which marked the completion of the \$56,000 Main Street face lifting project.

Some 22 area beauties participated in the "Miss Variety Park beauty contest won by Barbara Clements.

### Clarendon Lion Was Director Of International

Active since its chartering in 1922, the Clarendon Lions Club has supplied an International Director, Sam Braswell. The group has been one of the organizations contributing most to Clarendon during the many years it has been a part of the community.

Annual projects for a number of years have been co-sponsorship of the Youth Canteen, providing eye care and glasses of needy children, providing Christmas baskets for the needy, providing a scholarship to a worthy student at Clarendon Junior College, sponsoring a Boy Scout troop, sponsoring the annual caravan sales for the blind, and other similar activities.

The current Lion Boss is George Thompson, a prominent citizen of Clarendon for many years. First vice president is W. E. Goodman, a merchant who is a member of the Board of Trustees of Clarendon School District and an active civic worker.

**PRINCIPAL SPEAKER** for the grand opening was Texas Lt. Governor Preston Smith, who commended Hereford citizens for "self renewal" of the downtown area.

J. R. Johnson, president of Variety Park merchants officially snipped the ribbon marking the opening of the completed Main St. Project.

New lighting, new tinted terrazo type walks, peninsula structures with seating, and planter boxes give the street a clean, fresh look.

### Perryton Lions List 62 Names On Club's Roll

With an active membership of 62, Perryton Lions Club is one of the larger and older clubs of the Panhandle. It was organized in 1929 and now has 17 past Lion Bosses who are still active members, as well as a large number of 15-year, 20-year, and 25-year members.

A new project started this year is the Purple Martin Birdhouse promotion, which has made about \$400 and stimulated club enthusiasm greatly, reports the current Boss Lion, Frank Shaffer. Ben D. Street is secretary of the club.

Main projects are a Fourth of July celebration each year, and an All-Sports Banquet for every girl and boy who participates in any school sport. An average of \$500 per year is spent on Sight Conservation and \$300 to \$1,000 per year on scholarship funds.

The club is 100 percent in the Hi-Plains Eye Bank and the Promote Texas Fund. Broom and light bulb sales are held annually as fund-raising projects.

**SPEARMAN** — Kathi Pattison, a young lady wild about sports, is the Spearman Lions Club Sweetheart. She is a senior and plans to attend Phillips University in Enid, Okla. on a scholarship to study law. She belongs to National Honor Society, is feature editor for her school newspaper, and has been active in band and choir.

### Hart Lions Put Signs On Town

Lions Club members at Hart have literally showed the way to their fellow townsmen. They bought and installed street signs in one of their principal projects, to provide the city with a modern street-marking system.

Another community project which has been carried out by the Lions for several years and is continuing, is sponsorship of Boy Scout activities.

A Ladies Night program is one of the special events on the club calendar each year. An annual Queen contest interests members and the community as well.

Lion Boss this year is DeWayne Brown, and Wister Clevenger is club secretary. The Lion Sweetheart is Mary Helen Willis.

Members of the original Lyson, the late Mrs. May Acker, King Richard I of England was called "the Lion-Hearted" because of his heroic nature.

dia Pinkham Quartet sponsored by the Hereford Lions were Mrs. Ray Coneway, Mrs. A. C. Thompson, the late Mrs. Jeannette Rosson, accompanied by Mrs. W. J. Stanford.

The Paisano Lions is Hereford's newest, and smallest but we're eager to serve in the finest traditions of Lionism. Have a good time and return again soon.

CLAUDE KING  
Recording Artist

## Name Band To Play At Western Event

One of the nation's top recording artists will be in Hereford as part of the "big band sound" this week end. Claude King of "Wolverton Mountain" fame and his band will play at a western dance at the Bull Barn on Friday night for the Lions convention.

A Louisiana boy, he has written songs and has sung with the "Louisiana Hayride." After he left that group he worked as manager of a construction company.

He came back into the musical world through association with Johnny Horton. He started recording with Columbia. Some of his songs are "Big River, Big Man," title song for "Comancheros," "Tiger Woman," and "Little Buddy."

He and his wife Barbara Jean have three sons, Duane, Brad and Jerome.

### Hedley Club Sponsors Annual Cotton Festival

Some big event is usually sponsored each month by the Hedley Lions Club, but the big event of the year is the Cotton Festival.

It is sponsored by the Lions but has the full support of the National Cotton Council of Memphis, Tenn. and Cotton John of Radio and TV of Amarillo. It is considered by Lions as one of the big national events. This year, the 15th annual festival will be held October 14, 15, in Hedley.

## 15 Community Projects Occupy Friona Lions Last Five Years

Fifteen community projects, most of them continuing, are listed as Friona Lions Club accomplishments of the past five years. Chartered in 1940, the club is nearing the anniversary, June 21.

Principal fund-raising activities are spaced through the year. Foremost is the annual Maize Days carnival and municipal celebration, held usually in the second week of September. Sale of shave permits by Friona Lions defrays cost of a free barbecue which is a feature of Maize Days.

The annual mop and broom sale for the Caravan of the Blind is held normally in March or April, and the annual light bulb sale during the early part

of November.

Community projects upon which funds are expended are headed by assistance to the Parmer County Hospital. Lions have furnished a hospital room, purchased a portable steam table, donated to the building expansion program and purchased a Positive Pressure Breathing Apparatus for the hospital.

Other projects include financial assistance in sponsoring and supplying equipment for Little League baseball programs, assistance to Boy Scouts in Camp Don Harrington summer camp program, assistance to the Foreign Exchange Student program, establishment of a Student Loan Fund.

Also medical assistance to

needy families, continued purchases of eyeglasses for underprivileged children assistance in maintenance and equipment for Federated Women's Club, assistance to Friona High School athletic programs, annual 100 percent participation in Hi-Plains Eye Bank program.

Also assistance to the Chamber of Commerce, particularly in Maize Days activities, sponsoring annual Parmer County Junior Livestock Show, sponsoring annual Soil Conservation award, assistance in furnishings for Friona Public Library, assistance in Texas Crippled Children's Camp at Kerrville.

Of the original 22 charter members of the club, those still active in the organization are G. E. Buske, W. L. Edleman, who was the first president, J. T. Gee, Sloan H. Osborn, Glenn e. reeve, Eric Rushing and Fran A. Spring.

Others of the charter members included Willie Boedeker, T. J. Crawford, L. R. Dilger, Charles Holmes, Oscar Lange and J. R. Roden. Organization of the Friona club was sponsored by Muleshoe Lions Club.

Members who have served in offices higher than in the local club include Steve Messenger, who was Deputy District governor, 1963-64, Zone Chairman, 1962-63 and is now vice president of the Hi-Plains Eye Bank; Flake Barger, Zone Chairman, 1964-65; and W. L. Edleman, now serving as Membership Development Chairman in the District Governor's Cabinet.

Last year's club Sweetheart, Sheryl Long, was winner of the District Sweetheart title. J. C. Claborn, first vice president of the Lions Club and Mayor of Friona, was named Man of the Year for Friona at the Chamber of Commerce banquet March 2. Work in the Lions Club was

**CIRCA 1962 "LION"**  
**SEASON FOR LIONISM**—Now that nice weather has put in its appearance and will remain with us for the next several months, it may be in order to say a few words about the effect of the weather on Lionism. In the winter, when the weather is mean, and there isn't much of anything to do, it is nice and very convenient to spend a pleasant evening at a Lions club meeting. But with the advent of the balmy

spring weather, there is a reluctance by some Lions to attend meetings. As the days become longer, and the weather warmer, this reluctance becomes more noticeable.

Remember, Lions, Lionism is not a seasonal affair. The blind are just as blind, the sick are just as sick and the indigent are just as indigent in the summer as in the winter.

Affliction, hardship and misery do not respect the seasons of the year. Therefore, Lionism must forever be on tap to offset these conditions and to alleviate the distress of the unfortunates we are pledged to help. So let us all be just as conscientious about attendance and committee work during the coming months as we have in the months gone by. By so doing, we will be practicing Lionism as it is intended to be practiced.—from bulletin of the Woodlawn Lions club of Baltimore, Maryland.

pointed out as part of his activities which brought him this signal honor.

Arley L. Outland is presently club president. He denotes as the highlight of his past year in Lionism, "being selected as the club's delegate to the Lions International convention in Los Angeles and getting a firsthand observation of Lionism at its best."

We have a fine club at Easter . . . if you don't believe it, just ask us. We'll see you at the meeting.

### Good Neighbor Deeds Loom Large In Record Of Canyon Lions Club

Neighboring assistance to individuals has been a big factor in service activities of Canyon Lions Club, along with the more usual community projects and cooperation in such enterprises as the Hi-Plains Eye Bank.

As a part of the latter program, the club stressed during the 1964-65 year the importance of willing eyes to the eye bank, with the result that practically all the members made such provision.

Aid to individuals ranged from buying medicine for a needy couple, moving dirt on the property of a blind man and supplying food for needy families, to larger projects such as paying tuition for a blind child, contributing toward medical expenses of a child with cancer, toward purchase of an artificial arm for a child, and to renovation of a house for a family.

Work for the blind and for prevention of blindness included purchase of 24 pair of eyeglasses, cash gifts to the Hi-Plains Eye Bank and to a fund for the blind, supplying cash and personnel for Glaucoma Detection Center. Donations have also been made to the Hearing and Speech Foundation, and a child is sent annually to the Texas Lions Crippled Children's Camp.

A major project has been the gift of \$1500 to the Opportunity Fund at WTSU. A similar sum went to Girl Scouts for a new

building, and work was contributed also. Street markers for the city of Canyon have been purchased and \$200 given toward a resuscitator for the fire department.

Other contributions were for Christmas presents at Boys Ranch, to the Babe Ruth Baseball League, to the Panhandle Heritage Foundation, and to help send a boy each year to the American Legion Boys State. The club annually sponsors a WTSU Homecoming float, has planted trees on the high school campus and purchased barbecue ovens for the city park.

These are listed as recent accomplishments of Canyon Lions. In earlier years the club joined in city cleanup, sponsored a livestock show and sponsored Little League teams and a swimming instruction course for girls and boys. With six other area Lions Clubs, it assisted

### Action Marks Club History

IN 1928, Hereford had a population of 2200 but no men's service clubs. A representative of Lions International met with a group in Mayor E. S. Ireland's office and convinced them that

with the original building at Camp Don Harrington.

Organized in 1940, the Lions Club was headed first by Milton "Buff" Morris. James Dunn is president this year, Kenneth Waugh immediate past president. Other officers are Oscar Hinger, George Dowlen and Floyd Laster, vice presidents; James Rapkoch, Lion tamer; W. J. Wooten Jr., tail twister; Joe Gibson, secretary; Burney Slack treasurer.

Lions International would be the group for them to affiliate with. The Charter for the Hereford Club is dated February 5, 1929, and carries the name of 24 charter members.

EVIDENTLY A SERVICE club meant that to the men who formed the club and those who joined through the years. Projects have been initiated to meet many community needs.

One of the more enduring projects has been sponsorship of a Boy Scout Troop.

MANY activities have been centered around youth and youth welfare. In 1964, a flame spectrometer was given the hospital. A Kiddie Park was presented to the city and the Lions contributed to the building of the Children's Wing of the hospital. The club has helped to build bleachers for the schools, erected and maintain a scoreboard

for the football field and sponsor an exchange student.

Boy's Ranch and local children with visual problems have assistance from the Lions.

Projects for fund raising have been varied through the years but three have become annual events, the pancake supper, the carnival and continuing throughout each season, wrestling matches.

### Cheerful Club at Happy Has Varied Projects

Happy Lions Club report that they are "Happy and having a good year." Projects include Little League, Babe Ruth baseball, swimming pool, queens contest, Christmas lighting contest, Christmas window display contest for children and assisting with the Swisher County 73th

birthday celebration.

Officers are Ed Womack, boss lion; Sam Bryan, 1st vice president; Ervin Wilson, 2nd vice president; Bob Pulsipher, 3rd vice president; Adrian Bates, secretary; Foster Harman, tail twister; Dr. G. L. Robinson, lion tamer; directors H. E. Wallace, Cecil Wesley, Willard Middleton, M. D. Nickols, and Harold Eakes.

# WELCOME LIONS

**WINNER** — Convention delegates will hear Hereford High School's award winning stage band. Under the direction of Ben Gollehan, the band has received national honors.

### Dogie Days Big Enterprise For Lions In Dumas

Dumas Dogie Days, held the weekend of the first full week in June each year, is sponsored by the Dumas Noon Lions Club with cooperation of city and county employes and officials, and business men of the city. It is a three-day community celebration with parade, rodeo, barbecue, dances, carnival and other entertainment.

Not only an event which brings visitors to Dumas, it raises money for the club's aid to the Texas Lions Camp for Crippled Children, Exchange Student program, WTSU Opportunity Plan, Hi-Plains Eye Bank Boys Ranch, eyeglasses for needy school children, youth activities, scholarships and a number of civic causes.

Dogie Days this year will be on June (9-11); preparation is well under way with Noon Lions Club members serving on all the committees necessary for such a widespread undertaking.

um, had a large highway sign made to promote Amarillo College football.

It participated in a free lunch program for children during depression years and as one World War II period activity, bought a building to be used for the colored USO. It participated in building the Social Center for Girls, and in 1934 had a special luncheon at the First Christian Church and donated the proceeds to finish the interior of the church building.

Helen Keller was brought to Amarillo for a lecture under club sponsorship in 1941. The Choir was sent to the Lions International convention in New York City in 1948 by the Downtown Lions Club.

Officers at present include Porter R. Underwood Jr., Ben vice presidents; Orville Deani, F. Moore and Bill H. Neubauer, secretary; Bill Currin, treasurer; Joe Bowes, tail twister; Leo Stedronsky, Lion teamer. Immediate past president is Harold N. Wright.

Directors are Remus Kelly, Morris Moreland, Dick Bynum and Hal W. Ochsner.

Dumas Noon Lions Club was chartered Aug. 21, 1930, and reorganized in January of 1937 with about 15 members. It has grown until the present membership remains around 130.

The familiar story of "Androcles and the Lion" was a favorite among the ancient Romans. Androcles was a slave who ran away from a cruel master and hid in a lion's den. While there, he removed a thorn from the beast's foot. Years later, Androcles was commanded to go into the arena at Rome to fight a fierce lion. Instead of leaping upon him, the animal fondled him like a pet dog. It was the same beast he had once befriended. Slave and lion were then allowed to leave the arena, and were later exhibited in the streets.

**TRADITIONAL** — Hereford Lions can always come up with a German band with the first mention of music. This year is no exception — The Sauerkraut Band performed during the annual minstrel and will be on tap during convention sessions. One of the members (membership seems to change at the drop of hat) states emphatically that the term 'Sauer' has nothing to do with the quality of music.

## Bus Tours Planned To Points Of Interest

**TOURS OF HEREFORD** and various points of interest have been arranged for Saturday afternoon by the transportation committee headed by J. F. Martin.

Buses will leave the High School and Community Center between 4 and 4:30 Saturday afternoon and will take visitors through Variety Park in downtown Hereford, to Sugarland Mall, Bravo smokes factory, Hereford Feed Yards, by the various schools and churches and to Holly Sugar.

Buses will stop by motels and hotels on the return trip and the tours will end at the points of origin so visitors can get their cars. The tours are scheduled to be over in plenty of time for guests to be ready for the evening activities, Don Zimmerman, general chairman, said.

**QUEEN CANDIDATES** and foreign exchange students will be taken on a tour of farming and ranching country surrounding Hereford on Saturday morning. Preceding the tour will be an early breakfast at the Bull

Barn. High interest point of this tour will be the XIT Escarbada ranch now owned by Reinarts, in the far western part of Deaf-Smith County. The students and cand-

### Projects Of Downtown Amarillo Lions Club Date Back To 1919

Chartered Sept. 19, 1919 with 31 members, the Downtown Amarillo Lions Club now has 109 on roll and has an impressive list of activities carried out. One charter member, Dr. R. L. Rogers, is still active in the club, of which Virgil E. Ballengee is now president and Betty J. Bullock executive secretary.

The club boasts that it originated sponsorship of Hi-Plains Eye Bank Inc.

Projects started as far back as 1931 and still continued by the club include sponsoring debate at Amarillo High School and presenting the debate trophy, giving white canes to blind

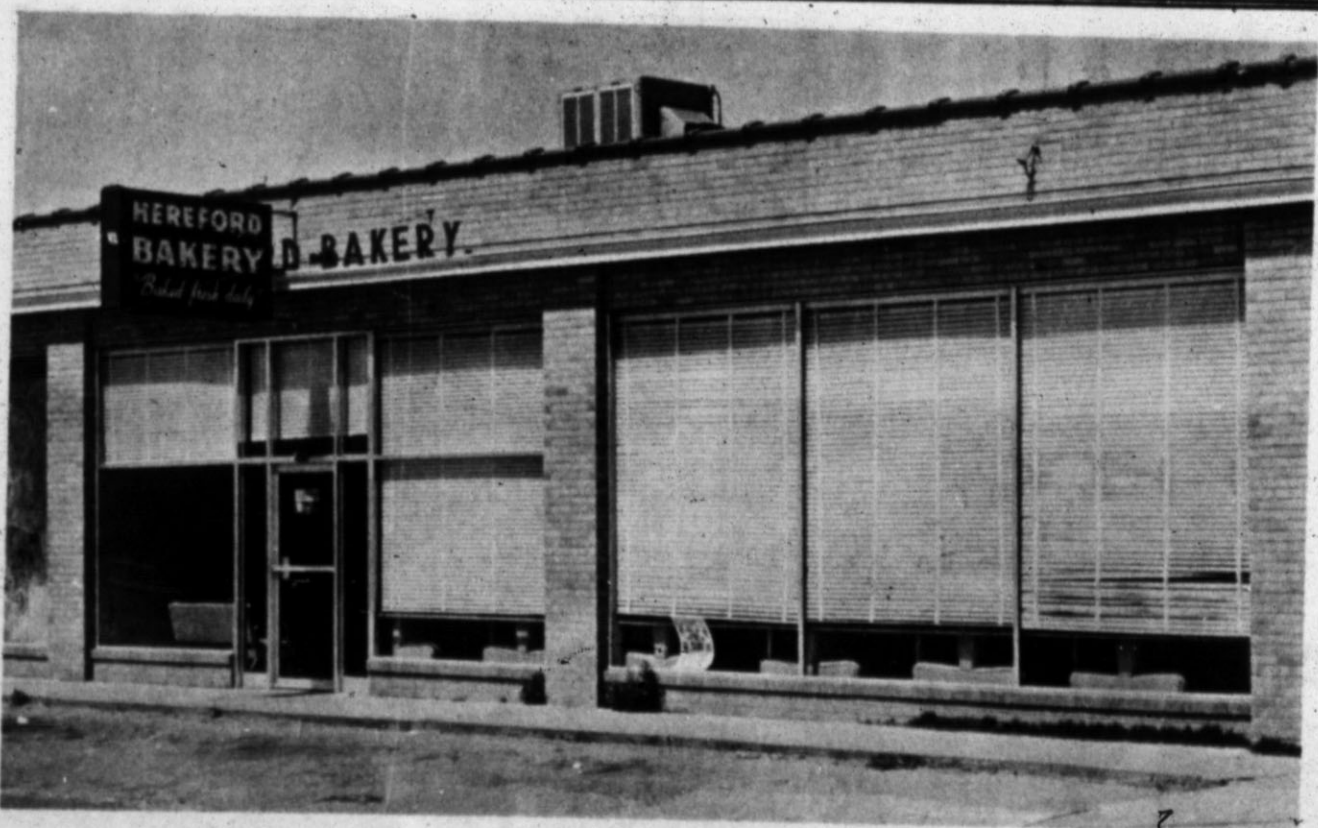

idates will be sponsored by Mr. and Mrs. Woody Wilson and Mr. and Mrs. Robert Thompson.

Buses are scheduled to return to the city in time for noon luncheon at the Bull Barn.

persons, sponsoring bowling teams, and operating the dunking board at the Tri-State Fair.

Newer continuing projects are the annual broom sales, paying taxi fares for blind persons and giving two scholarships to Amarillo College each year.

Back in 1931 the club presented two lions to the Potter County zoo. The crippled children's clinic at St. Anthony's Hospital was also started that year. In the next few years Lions sponsored a garden club and gave free seeds for yard beautification, started annual shows to aid the Crippled Children's Council, bought beds for the Preventori-

Rex Lee

It is indeed a pleasure to Welcome the Lions of District 2T-1 to Hereford, Texas and the biggest District Convention you've ever seen. We hope you have a wonderful time while here, and we wish to take this means of inviting you back again, and again, and again. Hereford is a good place to be ... we like people here, and especially LIONS.

## Summerfield Fertilizer

# Varied Projects Seen At Kress

Services to the agricultural area around Kress is in the forefront of the Kress Lions Club program, since its membership is made up largely of farmers. The 30-member club is still growing and is avored by plenty of good leadership.

Currently two district cabinet members are from Kress Club. They are Milton Laurie, Deputy District Governor, and Carl Hudson, Deputy District Governor-at-large. A former cabinet member, Lee Welch, is active in the club, and a former club mem-

ber, Tom Carlisle, is on the cabinet.  
**GROWTH OF THE CLUB** is parallel to that of the community; as new industry is established around Kress, the managers and employees are sought as members of the Lions Club. Abreast with the times and with the needs of the community, the club aim is to offer helping hands in the present while it faces the future.  
 Each year spring programs are planned to bring authorities in the field of agriculture to

ROBERT WILSON  
Zone Chairman

BILL FORBUS  
Zone Chairman

are served for groups. With kitchen equipment, storage space, central heating and rest rooms, it has proved a very useful building for community use, and is often in demand.

The lion has appeared in sculpture and on medals and flags. Rosa Bonheur and others have painted it in oil. Today, it is the emblem of Great Britain. A red lion occupies the upper right-

hand quarter of the royal standard.  
 Larry Hansen, senior from Lynn, Mass., captains Army's varsity hockey team.

meet with the club, and farmers throughout the area are invited to these meetings. THE High Plains Research Foundation has found in Kress Lions Club an organization ready to distribute new facts to help farmers.  
 Through the club, a large representation of area farmers was brought together to hear discussions on brucellosis control and boll weevil research, and to plan for meeting these problems. Each year the Lions sponsor a Junior Livestock Show for 4-H and FFA girls and boys of the Kress School area, and award plaques for outstanding showmanship.  
**ASSISTANCE** is given the Boy Scout program, and the club works closely with the public schools to aid youth programs of various types. Lions have been active in encouraging a recent reorganization of the Volunteer Fire Department and securing private donations to buy a new fire truck.  
 Club members have started now a project to purchase hats, coats and boots for the firemen, who include several Lions.  
 The club is cooperating with city officials and the P-TA to secure highway traffic lights for a warning zone at accident-prone crossings near the school, also assisting in a study by the city on need of stop signs at corners

which are judged traffic hazards.  
**A HOUSE NUMBERING** system sponsored by the club was completed last year, after street signs had been placed at corners in a project finished in 1963.  
 Organized in May, 1949, the club had an active beginning, then some "lean years" before members were revitalized when they joined Olton Lions in sponsoring a new club at Hart in 1956.  
 In its first year the club sponsored the building of the first bleachers at the school football field, and also the organization of a school band which has grown into a well-trained and smartly-uniformed musical group.  
 In 1952-53 Kress Lions had a 30x70-foot building constructed as a Lions Den. It was used as a club meeting place until the opening of a restaurant with facilities to serve the club, but it is still used regularly by Home Demonstration and 4-H Clubs, several farmer groups and Boy Scouts as a meeting place.  
 The Latin American mission church was organized in the building and used it for services until a church of its own was secured. It is used as a voting box for Precinct II, is a gathering place for family reunions and other occasions where meals

**UNIVERSITY STAGE BAND** — The 13-member Eastern New Mexico University Stage Band will entertain a district convention of Lions Clubs in Hereford, Tex., April 16. Directed by Duane Bowen, instructor in music at Eastern, band members are (from left, back row) Raymond Jenkins, Hagerman; Jim Little, Artesia; Jimmie Jones, Clovis;

(center row) Richard Binkley, Lovington; Mike Hirsch, Medford, Wis.; Van Ragsdale, Pampa, Tex.; Carl Hammons, Lovington; Jim Barnard, Pampa; (front row) Steve Young, Santa Fe; Floren Thompson III, Portales; David Allen, Hobbs; William Burton, Tucumcari; and Loren Rhodes, Aztec.

### Lions In Dimmitt Worked For Highways Before C of C Day

Formed before there was an organized Chamber of Commerce in Dimmitt, the Lions Club of that city assumed many of the functions customary to a C of C during its early years. It was chartered in the early 1930's.

Securing funds for paving roads in Castro County was one of its early activities, and it was instrumental in having Highway 51, now Highway 385, designated as a north-south transcontinental highway. The late T. A. Singer was the Lions Club member who headed this committee many years.

In more recent years the Lions have cooperated consistently in such activities as the Foreign Student Exchange program, Boy

Scouts and Castro County Scholarship Fund, in addition to assisting in Lions Club programs of assistance to the blind and the Hi-Plains Eye Bank.

Proceeds from the annual broom sale are donated to the Eye Bank, and a light bulb sale supplies funds for the Student Exchange contribution.

Minstrels and various other entertainments have been staged to raise funds and display local talent. For the past few years the production has been the annual Lions Club Follies, which netted good sums to add to the Exchange Student fund. Dates this year are April 15, 16, with the Community Chorus, Calendar Girls and barbershop quartet among the starring acts.

From a small beginning, Dimmitt Lions Club has grown to a membership of 53. Bruce Taylor is the president now; Sandy K. Parsons III and James Bradford vice presidents, Wade Maynard secretary, Gerald Hardin treasurer, Al Jackson tall twister and Don Newman Lion tamer. E. B. Noble and Stanley Schaeffer are directors.

Some of the club's charter members were B. D. Woodley, Charley Dean, Earnest Harman, Pete Whitlow, T. A. Singer, W. E. Kirkpatrick, Jack Gregory and Ward Golden.

Dimmitt Lions claimed the distinction at their meetings during the 1930's, when women of the Methodist Church were serving their meals, of being the Lions Club with the best food in the Panhandle. They moved the meeting place for a time to a cafe, but went back to the Methodist Church after it occupied its new building.

**CHILDRESS** — Cheryl Decker, daughter of Mr. and Mrs. Dean Decker of Childress is sweetheart of the Childress Lions Club.

CANYON LIONS Club has a busy man as its head this year. He is Dr. James Dunn. Dr. Dunn took his Th. D. in Christian Ethics, from Southwestern Baptist Theological Seminary. He has served as Associate Pastor in Celina and Weatherford and as Pastor of Emmanuel Baptist Weatherford and has been Baptist Student Director at West Texas State University since 1961.

He has served as a delegate from Texas to the White House Conference on Children and You and has contributed articles to the "Baptist Standard", "Baptist Student" and the "Commission". He has worked with student groups in Texas, Alabama, Mississippi, Colorado and Hawaii.

R. F. (BOB) SPIKES, president of South Amarillo Lions Club, is senior engineer with an Amarillo oil and gas company. He has an engineers degree from Texas Tech. He and his wife, Mary K., have two sons Rusty and Jay.

PAMPA NOON Club has a dentist as Boss Lion, Dr. Harbord L. Cox is a graduate of Pampa High School and attended Louisiana Tech, Texas University and the University of Kansas College of Dentistry. He is a

member of the Church of Christ. He served in the Air Force in 1950-52.

DOUGLAS ADKINS, elementary principal from Phillips, is active in community affairs. He is Phillips Boss Lion, a Deacon in First Baptist Church, Vice Chairman of Hutchinson County Red Cross, and active in Little League Baseball. He and his wife, Wanda, have two sons, Gary and Robin, and one daughter, Marion.

WELDON M. (DOC) BATES, Skellytown president, is a coach and teacher. He holds his degrees from West Texas State University and has taught in several towns in the Panhandle. He served as program director for Texas Lions Camp for Crippled Children four years, and as counselor one year. He is active in Little League and various teachers and coaches organizations. He is a member of Skellytown Community Church.

TEXLINE HAS Cecil E. McClellan for Boss Lion. He is a member of Texline Methodist Church, is a Mason and is Secretary of the Boy Scout Committee. His hobbies are western music and playing piano and singing.

KENNETH TUBBS is Boss

Lion of the Dumas Evening Club and teaches shop and drawing in the public schools. He attended West Texas State University and Texas A & M. He is a member of the Baptist Church. His family are his wife, Vesta, and four children, Eddie, Mike, Janie and Karen.

ED TURNER, Borger Noon Lions Club Boss Lion, has been a member of that club for 20 years. He is a member of the First Baptist Church of Borger. Real Estate and insurance share with Lions in using Turner's time.

BOYD D. CEARLEY, is president of Pleasant Valley Lions Club. He has five years perfect attendance. He and his wife, Faye, have three children.

CANADIAN HAS a Boss Lion who is busy with many civic activities, Don Schaeff. A native Texan, Schaeff is a director of the Canadian Chamber of Commerce, active in Little League, W. M. of Canadian Lodge no. 855 and is cashier of the First National Bank. He attended Texas A & M and Panhandle A & M and Southwestern Graduate School of Banking at S. M. U. He is married, has one daughter and is a member of First Methodist Church.

ROBERT W. WILSON is Boss

Lion at Channing. He is local manager of Southwestern Public Service Co. and is active in community work serving as Neighborhood Commissioner and working with Boy Scouts. He is Zone 2 Chairman of Region 1.

PRESIDENT OF THE Dumas Noon Lions is J. C. Sheperd. He is business manager of the Dumas Independent School District. He has had perfect attendance for five of his six years of membership. He holds degrees from Southwestern State College, Weatherford, Okla., and University of Oklahoma. He served five years in the merchant marine in World War II and five years in the army and army reserve after the war. His wife is Elnor and his daughter is Rheann.

BILL BRANTLEY, superintendent of schools at Claude, is the Claude Boss Lion. He has been a Lion for five years, and is a Deacon in the Baptist Church.

A. L. OUTLAND is president of Friona Lions Club. He was born in Oklahoma but in Friona since 1961 when he became city manager. He was an officer in the army from 1940-1961. He was a delegate to Lions International, Los Angeles, 1965.

### Hometown Paper Project Adopted At White Deer

Latest activity of the Lions Club at White Deer is sending the hometown newspaper to service men from the community who are stationed in Viet Nam. Not a major project in cost, this program is rated by members as one of their most important. Funds for a variety of service projects are raised mainly by an annual carnival and a broom sale, to meet a budget of some \$1500. Of the 48 members presently enrolled, six are charter members. The club was chartered March 21, 1946. Winfield Powers, club secretary this year, is a past Zone Chairman and past Deputy District Governor.

**QUEEN'S BALL** — Exchange Students and of the Lurkers from Sweetwater. Queen candidates will dance to the music

Lions paws are strong. They have been said to strike a blow like a steam hammer. Powerful forelegs may measure 19 inches around.

center of the brush grows a small horny appendage. This is known as the "thorn" in the lion's tail.

A few persons have kept lions as house pets, but the owners must always be extremely careful with the animals. The Lions play roughly and knock over furniture and may accidentally cause serious injury even in good-natured play.

The male lion's tale ends in a brush of black hair. In the

International In Scope, Lions Are Service Symbol

Lions International ranks as the world's largest service club organization. It has over 15,000 clubs and more than 600,000 club members. These come from over 100 countries.

Club activities usually fall into 10 groups: boys' and girls' activities, citizenship and patriotism civic improvement, community betterment, education, health and welfare, safety, sight conservation and aid to the blind, agricultural needs, and United Nations and international affairs.

Formed in Chicago on June 7, 1917, it held its first national convention in Dallas. By 1920, the association had doubled its membership and had spread to Canada. Other clubs were later established in China, Cuba, Hawaii and Mexico.

Headquarters are still in Chicago.

The largest lions grow 45 inches high. They are more than nine feet long. They may weigh more than 500 pounds.

Besides being a mark of sex, the mane of a male lion serves as a shield to protect the king of beasts in its fierce combats.

Well-fed zoo lionesses have larger litters than do wild lionesses.

REGISTERS — One of Hereford's charter members signs the guest register at the formal opening of the Bull Barn this spring. Lion Hilrey Aven registers Ray Conway who has played a strong part in Lion activities in Hereford.

TOM KIRKHAM  
State Secretary

State Secretary Is Special Guest

Tom Kirkham, State Lion Secretary, will be a special guest during District 2 T-1 convention.

Now living in Austin, Kirkham got his start in Lionism in Sunray, 1943. He has been president of Drumright, Okla. Lion, Hobart Lions, ZONE Chairman of District 3-0, Oklahoma, Deputy District Governor, District 3-0 Oklahoma, Deputy District Governor and Zone Chairman of District 3-L, Oklahoma and is a Key Member.

He holds the 100% Presidential and Secretarial awards, the merit award, District Governor's Appreciation Award, International President's Convention Award (4 times), Distinguished Service Award, International Citizenship Award, Extension Awards Bulletin Editor Award.

He has been special representative in Texas and New Mexico and was State Secretary of Florida in 1950-59.

He is married and has three sons.

The famous "Lion of Lucerne," a huge lion carved in solid rock, commemorates the Swiss Guard who died defending the Palace of the Tuileries during the French Revolution.

Lions and tigers may mate, producing a hybrid animal, half lion and half tiger, just as a mule is half horse and half donkey. The hybrid may be called a tigon, a tigon, or a liger.

City Park Big Lions Project In Adrian Club

Favorite local project of the Adrian Lions Club is the city park, which the club bought, maintains, has enlarged and beautified. Members have put their own work, as well as funds and enthusiastic backing, into this project.

Other areas of concern in their own community receive the attention of Lions at Adrian, as well as some in the larger community. They have bought eyeglasses for local school children and continue to watch for other such opportunities. They have sponsored a foreign student attending school in the city.

"There is always a good response to the club's activities within the community, and good fellowship within the club," says Dave L. Sellars, secretary, in discussing Lions' programs and projects.

To raise funds, the club has held broom sales, pancake suppers, style shows, pie suppers and a beef raffle.

Robert E. Caldwell, manager of the Adrian Wheat Growers Co-Op, is the Boss Lion this term. The club sweetheart is Miss Rita Speed, junior student in Adrian High School.

Organized in 1958, with the aid of the Hereford Lions Club, Adrian Club now had 16 active Lions on its roll.

# Eclectic Decor With World Flavor Seen In Local Cafe

By NAOMI HOPSON  
Special Section Editor

Ideas and objects from several countries come together in Hereford under the hand of Jeanne Caison.

These decorative accessories are seen by the public in a local restaurant. The casual visitor probably will not be aware that he is walking on handmade tile as he enters The Caison House located on West Highway 60.

This tile, brought to Hereford by Jeanne's husband, G. D., was purchased in Mexico and four Mexican tile layers were brought to the United States to lay the entrance and coffee shop floor.

The Spanish is blended with Chinese in an eclectic freedom to express the tastes of the Caison family. Wallpaper (purple and silver in the coffee shop and red in the dining room) is a continuation of the Spanish influence as is the antiqued wrought-iron bird cage used for flower arrangements in the entry. The cage was a gift of a local bank.

Chinese good luck awaits the visitor who passes the Goddess of Quin, Chinese goddess of good luck who stands in an off-set of the building at the outside west corner. She originally came from the west coast, but was moved to The Caison House from another business location of the Caisons.

Located in the same lava rock off-set is a Chinese lantern of rough-hewn granite.

The dining room has a soft elegance with bold colors reflected in the aurora borealis beads hanging beneath the red draperies along the west wall. Chinese and Spanish quietly vie for attention — are the red carpeting and plush furnishings Chinese or are they Spanish? One is not quite sure — near the entrance is an enormous enameled plaque with bronze characters done in relief. The plaque hangs in the style of a Chinese gong, but the characters are Spanish dancers.

The north wall has the Spanish influence wallpaper, but the mural is decidedly Chinese. The off-white steps leading to the dining room are of the same Mexican tile as the coffee shop. In stark departure from Latin or oriental influence, the piece de resistance was imported from West Germany.

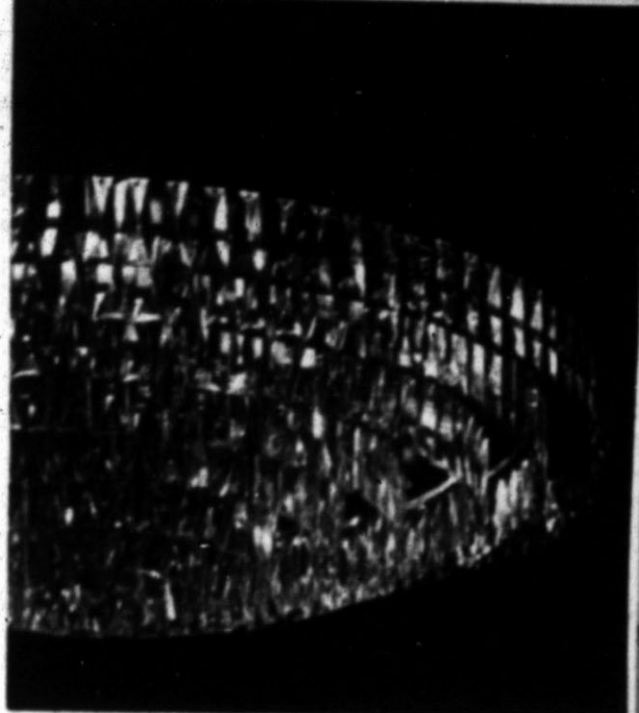

The dining room is lighted by three chandeliers handmade in Germany with a combined bril-

lance of almost 1500 watts reflected by over 1500 hanging crystals. The wiring has a dimming device so that the room can be softly lighted or become dazzling. Each tiny crystal was

hung separately after the fixtures were installed.

The Caisons are catering some of the meals for the Lions District Convention. This will be the first time a local firm has

catered meals of this size in Hereford. Even so, either one Jeanne or G. D., will delight in stopping to show visitors some of the things they have used in their decorating scheme.

WHAT STYLE? — In isolated pictures, the Spanish dancers, the Chinese goddess, the crystal chandelier and the hand-made tile steps can be labeled as distinctly one style or

another, but when put together by Jeanne Caison, they have a blended continuity all their own. (Photos by Tyler Vance)

BIG BAND SOUND — Part of this week's big band sound, Junior Perales and his band in spare time but plays for many area occasions. Perales has organized his band in spare time but plays for many area occasions.

## Recent Membership Gain Made By Memphis Lions Is Impressive

Gain of 11 members, a 15 percent increase in total membership, from June 30, 1965 to March 10, 1966, is reported by the Memphis Lions Club.

This involves the addition of 18 new members to club rolls, in addition to two members reinstated and acceptance of two by transfer, to offset the loss of ten

members for various reasons.

The club was chartered May 26, 1942 and has a record of consistent aid to community projects. It sponsors Boy Scout Troop 33 and a Little League team, and aids the Girl Scout program. All request for eyeglasses for needy school children have been met. Attendance

of two young men at the Texas Youth Conference last year was sponsored by the Lions.

A big event of the past year was in connection with the Hall County Diamond Jubilee celebration of the county's 75th birthday, which was combined with the annual Old Settlers Reunion. The Lions Club sponsored the Diamond Jubilee parade, generally acclaimed as the best ever held in Memphis.

Profits from three customary fund-raising activities are plowed back into the community projects, as determined by the club's Board of Directors.

The special local money-making activity is the season opener at Memphis City Park, which has a large recreation area, community size barbecue pit, swimming pool, outdoor amphitheatre and picnic bench-table units. Lions sell tickets for a merchandise give-away.

In addition, the Memphis Club conducts the annual broom and light bulb sales which are familiar to Lions in other cities.

Programs of the club include two outstanding Ladies Nights to which members and their wives look forward. Faculty and school board members of Memphis schools look forward also to the one each Fall, as teachers and board members are honored at a banquet. Lions and their wives pay tribute on this occasion to faculty and officials of the public schools.

The other is the Valentine Sweetheart banquet held near Valentine's Day, always well attended. A Ladies Night is observed also when officers are installed each June.

Orville S. Goodpasture is Boss Lion at Memphis this year. Mrs. Gerald Knight is Lion Sweetheart and Miss Diane Galleigh has been selected as Lion Queen.

The late N. W. Durham of the Memphis Club served a term as Deputy District Governor. Hershall Combs has been Zone Chairman two times; Robert Spicer and Bill Leslie have each filled that office.

Organization of the Estelitte Lions Club and the Quail Lions Club was sponsored by the Memphis Club.

Naturalists believe that only 70 to 80 lions remain in India. Civilization has steadily driven them back into the wild regions. Today no lions remain in Europe, Asia Minor, Arabia or Egypt.

TEXLINE — Peggy Sharie Little is club Sweetheart. She is a 17 year old senior, and sings in the Texline Baptist Choir. She is Miss Texline High School this year, member of the annual staff, FHA and 4-H. Her hobby is music. She plays the piano and sings, also plays ukulele and sings in a trio called "The Shenandoahs".

CANADIAN — Jan Noland, daughter of the pastor of the First Baptist Church is the Canadian Club's Sweetheart. Born in Oklahoma, Jan has lived in Texas since 1964. Her school activities include debating, band, chorus, FHA, FTA, Journalism club, school pianist and National Honor Society. She is evening organist at her church.

### South Amarillo Lions Projects Help Children

Children have been the chief beneficiaries of community projects, in South Amarillo Lions Club, although many different people of all ages have been helped with money raised in a variety of ways.

Each year the club holds a Christmas party for underprivileged children, with the number attending running as high as 120. Each child receives a toy and a treat at the party. The Lion in charge of each family purchases needed clothing. From 10 to 20 baskets of groceries are distributed to needy families on Christmas Eve.

A number of crippled children have been sent to the Texas Lions Camp for Crippled Children at Kerrville each summer since the South Amarillo Club was organized in May of 1947. Glasses have been bought, operations on eyes paid for, treatment provided for persons of various ages. Wheel chairs have been bought for several persons in need of them.

Money has been raised in such efforts as light bulb sales, candy sales, carnival sponsoring, minstrels, auctions, fruit cake sales and other activities.

Warren Freeman Sr. was first president of the club. Two charter members still in the club are Lions J. T. Bradley and R. E. Irelan. Lion Irelan served as Cabinet Secretary for Billy Hunter during his term as District Governor.

Russell Megert of South Am-

arillo Club is presently serving as Deputy District Governor in the administration of District Governor J. W. Robinson Jr. and Phil Wedding is on the board of the Hi-Plains Eye Bank. Walter Smith was Public Relations chairman during the term of James Wheeler as District governor.

#### DUMAS CLUB SWEETHEART

DUMAS — A high school junior, Patsy Kempson, is Lions and De Molay Sweetheart. She is a member of Clubettes, made Tri-State Band for 2 years, All-Regional Band for 2 years, is a twirler with the band, is organist for First Methodist Church of Dumas and is Grand Faith of the Order of the Rainbow for Girls. Patsy is also a member of the National Junior Honor Society.

## District Governors Are Special Convention Guest

BOB DAVIS  
... Weslaco

ALTON GRIFFIN  
... Lubbock

EDWARD HARWELL  
... Houston

Among special guests at the Lions Convention this week-end will be three visiting District Governors. Edward Harwell, Governor of District 2-S2, Alton Griffin, Governor of District 2T-2, and Bob Davis, Governor of District 2-A3 will be in Hereford.

Davis lives in Weslaco where he was selected as Man of the Year in 1961. He has served as a city commissioner and president of the Chamber of Commerce. He is a charter member of the International Club in Nuevo Progreso, Mexico. His district includes 61 clubs and approximately 2,200 members.

A management consultant from Houston, Harwell has worked in many phases of Lionism. As a member of the Southwest Club, Houston, he has helped to buy a bus for the crippled children's camp, served as District Director of the Camp, served as a Zone Chairman, and is now District Governor, District 2-S2 as well as being chairman of the Council of Governors of the State of Texas.

Griffin, District Attorney in Lubbock, has served Lionism in several district capacities as well as in local offices. He has been Director of Public Relations, Director of Membership, Deputy Governor and is now District Governor.

### Lions At Morse Supply Some Of City's Needs

Civic contributions of the Lions Club at Morse include building a house for the town's fire truck, and furnishing a submersible pump for the water well in the community park.

The club has sponsored sports activities such as a golf tournament and trap shoots, and also a Dale Carnegie course. Money-raising has been by light bulb sales, box suppers and a farm machinery auction.

Membership has increased to 34 from the 30 enrolled when the Lions Club was chartered at Morse. One member, L. M. Wamble, is presently Deputy District Governor and a past Zone Chairman, while Paul Preall, now a director of the Hi-Plains Eye Bank, formerly served as Zone Chairman and then Deputy District Governor.

**WHAT TO SEE**

# Holly Plant is Sweet Sight on Local Scene

**STILL NEW** to even Hereford residents is the \$21 million Holly Sugar plant. Located west of Hereford the plant stands as a functioning tribute to community efforts to augment agricultural interests with agriculturally related industry.

Formal opening of the plant was in September 1964 with Gov. John Connally on hand. Officially named the Merrill E. Shoup Plant the installation is a branch operation of the Holly Sugar Corporation and processes sugar beets.

**STRUCTURES AT** the Hereford site include a three story processing building, three pellet and bulk warehouses six con-

crete silos five ellipsoidal tanks that have a combined 10,000,000 gal. juice storage capacity. Servicing structures include a powerhouse, machine shop, slicer building, bag and supply house packaging building and a sugar warehouse as well as laboratories for testing. Dexter Lillie is the District Manager for the operation.

Associated with the plant is a modern feedlot located west of the sugar installation.

Only outside tours for visitors are available at this time of year and these must be arranged in advance according to the Chamber of Commerce office.

**EASTER CLUB** — A new club, the Easter Lions meet in the evening in the Easter community in Castro County. A regular meeting, members had wives as guests to hear Hereford Lion N. D. Bartlett and his wife, Ruth, report on their recent trip to Australia.

## Texline Lions Have Unique Service Project

Management of the TV translator in their community has been the big project of Texline Lions Club since it was organized in 1960. It is one of the smaller clubs in the district, with 12 members, but has been very active.

It assists in Little League baseball, Pee Wee football, 4-H Club backing; provides eyeglas-

ses for persons unable to buy them, and treats for the school Christmas program. To raise funds, Lions conduct a yearly broom sale, operate a bingo booth at the town's Halloween carnival and this year sold cook books. To provide the translator which gives Texline television service on two channels, the club members solicited donations to buy and install the apparatus on a grain elevator. After the initial funds were used, members collect a small fee yearly from each set owner and pay the expenses of upkeep and operation.

## Name Changes Plague Combo

A new musical group was launched this year when five junior high school students discovered that they could make music. Going through the pangs of many name changes and presently being booked under a name that will have to be changed are the Stanton Stompers. They have performed several times publicly and will be on tap for the Lions convention this week end. Reason for the name changes has been accidental misunderstandings until now. Next year the group will have to have a new name because they will be students in another school — no longer Stanton residents.

Chip Formby, son of Mr. and Mrs. Clint Formby, is a seventh grade student at Stanton. He plays the piano. A Boy Scout, he is president of his home room, builds models and collects stamps.

One of the guitar players for the group is Ricky Lee. Son of Lion and Mrs. Rocky Lee, he is president of his home room at Stanton, builds models and is president of the Junior High Youth Council of the First Baptist Church.

Two of the group are girls, Teri Beth Line, daughter of Lion and Mrs. Ed Line, and Mona Gail Gibson, daughter of Mr. and Mrs. W. D. Gibson. Teri is a seventh grader and plays piano and drums. Mona Gail is in the choir and takes private voice lessons.

Jay Robinson, guitar player, is the son of District Governor

J. W. Robinson, Jr. Jay has many activities.

All of the boys are in athletics, playing football, basketball and track.

## High Officials Of Lions Are In McLean Club

Members of the McLean Lions Club, totaling 39, include International Councilor Boyd Meador and Deputy District Governor John M. Haynes. The club has been organized for more than 30 years and has a long record of aid to its community.

During the past year, its major projects have been a scholarship for a deserving high school student to attend college, sponsorship of a four-day rodeo, sponsorship of the March of Dimes campaign which included bucket brigade collections and a Lions Club - local faculty basketball game.

A free art show was held for residents of the McLean area; foreign students who stopped in the city on a cross-country trip were entertained by the club and a tennis tournament was sponsored.

Annual light bulb and broom sales were held to raise funds for Lions projects. One of the club programs observed Farmers and Ranchers Day and at another, Congressman Walter Rogers was the speaker.

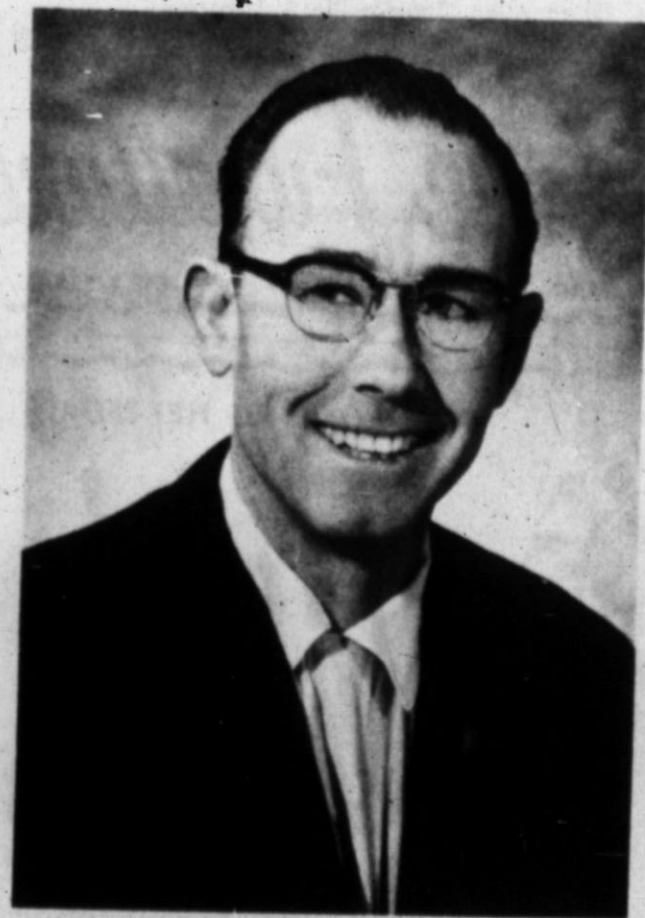

LAMESA — A musical group who gained recognition at the International convention last year, the Slumtown Symfunny from Lamesa will play in Hereford at one of the convention events.
