

**LOCAL BAR LEADER
PLEDGES SUPPORT**

**Judicial District:
To Be Or Not To Be**

A proposal to seek a new judicial district composed of Deaf Smith and Oldham counties, approved about two weeks ago by the Hereford Bar Association and Deaf Smith County commissioners, was being presented to state officials in Austin this weekend.

Don J. Lowder, president of the Hereford Bar Assn., announced Friday that several representatives of the local Bar would be in Austin to seek support of the bill.

However, Lowder also reported Friday that "there is apparently some late-blooming opposition to our efforts." He referred to a letter sent to county commissioners Thursday from the law officers of Witherspoon, Aikin, Langley, Woods, Kendrick & Gully.

The two-sentence letter stated: "Under the present circumstances, we think it would be unwise to try to secure another judicial district at this time. We greatly appreciate

your willingness and cooperative attitude."

Lowder countered with a letter to the commissioners Friday, expressing "surprise and disillusionment" at the apparent opposition. "I wish to inform you that the majority of the Bar will honor the commitment to actively seek creation of the judicial district," Lowder wrote the commissioners.

District Atty. Andy Shuval had presented the proposal to

the commissioners court at their last meeting in January. The proposal would put Deaf Smith and Oldham in a new judicial district, leaving Moore, Dallam, Hartley and Sherman counties in the present 69th District.

Shuval said Deaf Smith presently carries half the case load of the 69th District, and the district judge had far too much of a work load in the district. With the six counties, it is one of the largest districts in

the state and its size is about equal to that of the state of New Jersey.

Shuval said preliminary studies indicated that Olham County would support creation of the new district. He also reported that Dist. Judge Archie S. McDonald would not oppose the creation of the new district if the majority of the Bar in any county felt that it would benefit the county.

That feller on Tierra Blanca Creek says the trouble with being the leader is that you don't know whether you're being followed or chased.

Attention movie makers! When "American Wilderness" came to town this week, they had to turn folks away at the box office. The film was a G-rated, family-type picture, and a long line of movie goers turned out. Stan Knox, one who didn't make it inside, said the line stretched down to the First National Bank. Like Knox, we hope it's a sign of the times... that folks will demand some good, family-type movies again.

Several Hereford residents were on the scene at the tragic Littlefield bus-train crash Tuesday. They were on the way to Lubbock to see the Hereford-Monterey basketball game, and were stopped at the wreck, or passed by shortly after it occurred. It must have been a terrible shock for all the community, and it appears the tragedy will continue to make news in days to come.

Hereford cage boss Ron Mayberry was quoted in the Lubbock paper this week as being "mad" after the loss to Monterey. Just to set the record straight, Mayberry was unhappy at the way a Lubbock sports writer had referred to the team's three losses in the first round. "Maybe I shouldn't have said anything, but I don't think it was fair to our kids," Mayberry stated.

The writer, pointing out that Hereford was a big favorite to win the title, wrote something to the effect that the Whitefaces had "folded" in the race. "He didn't point out that we had lost Kitchens for the season, or that Terry Scott was also sidelined. They were two big reasons we were picked for the top spot," Mayberry emphasized.

"We've had some bad spots, but our kids have never let down... they have given their best effort in every game," Mayberry announced.

Americans probably have more mobility than any other nation, but it's not free. Know how much it costs to drive your car one mile? According to the American Automobile Association, the figure is 15.5 cents a mile. With the energy crisis upon us, that cost may soon rise.

Sometimes we use our mobility beyond the point of practicality. Did you ever drive 50 to 100 miles for a super-duper special? If an item cost \$50 here, the price tag 50 miles away would have to be \$34.50 in order to break even! The point is, of course, you can usually shop at home and save money with people who care about your satisfaction.

You have arrived if the meeting cannot start until you arrive.-Deming, N.M. Graphic

Valentine's Day: School Repair Work Continues
Not only for the young...

...But for the young at heart!
Mr. and Mrs. Frank Ball...Wed in Hereford in May, 1919

Heart Drive Set Today

"Help Your Heart," is the slogan you will be seeing today on the badges worn by volunteer workers collecting for Hereford's Heart Fund Drive.

Mrs. Joe Frank Clark, chairman of the women's drive, said that volunteer workers will be canvassing all of Hereford starting at 2 p.m. today. Mrs. Clark will be working with approximately 13 volunteer captains who will have 15 workers in their charge. The workers will be wearing identifying badges stating that they are official Heart Fund volunteers.

Mrs. Clark said that the volunteers will leave literature and envelopes for contributions when they find no one at home.

Over \$1,300 has been collected thus far in the drive, according to Homer Garrison, drive chairman. Garrison said that \$1,275 was collected in the first week of the drive by volunteer workers collecting in

Hereford's business district. "I feel like we will meet our goal this year," Garrison said. The total goal of this year's drive is set at \$4,000 with hopes of collecting half of that amount in the businessmen's drive and the remainder in the ladies canvassing drive today.

In the 1970-71 fiscal year, \$1.7 cents of the Texas heart dollar was spent on programs for the

public. This included programs, films, and educational literature for the general public to inform every Texan on ways to protect himself from cardiovascular diseases. It also included professional education through films, literature and planned programs to keep physicians,

Five Hereford students walked away with top honors after judging of the Sixth Annual Hereford Science Fair held last week at the county Bull Barn.

Linda Betzen, a sophomore at Hereford High School was the recipient of the outstanding exhibit award in the senior

Repair work at Hereford High School, necessitated by the Jan. 15 fire that caused an estimated \$60,000 to \$75,000 in damage, is progressing smoothly into the fifth week.

O.P. McDonald, supervisor for Page and Wirtz Construction Co. of Amarillo, the company contracted to do the repair work, said that most of the ceiling tile and insulation has been replaced and temporary heating units have been installed in the damaged areas.

Most of the damaged classrooms have been repaired to a point that they are being used. However, finishing touches of painting and clean-up have not been completed.

The two gymnasiums which received a heavy amount of smoke damage were being painted last week and the main halls on both floors, which also received smoke damage, are scheduled to be painted.

The hall in the vocational wing of the school and the vocational administrator's office, the vocational office education classroom, the distributive education classroom, industrial cooperative training classroom,

two restrooms and the custodians room are requiring the most work.

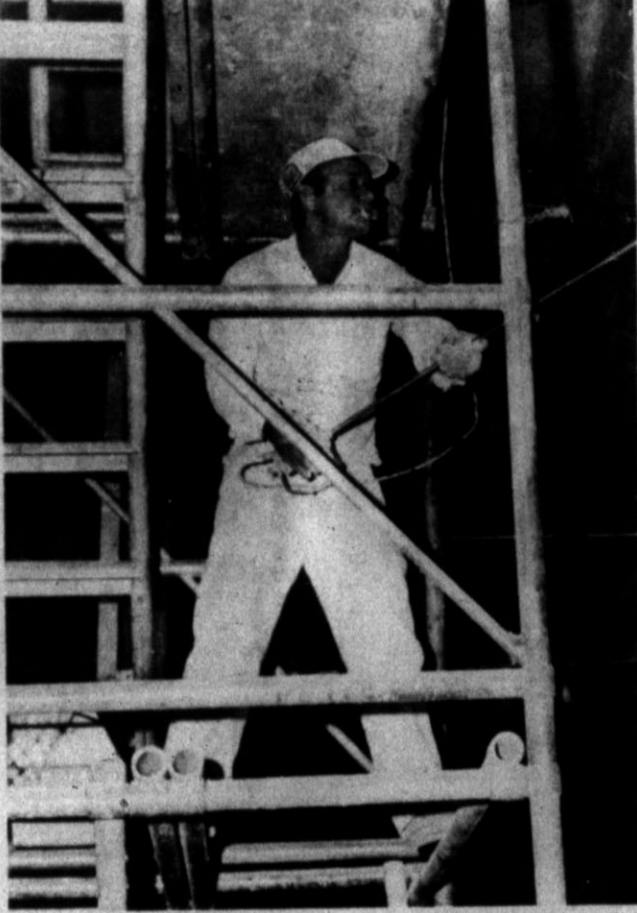

McDonald said that all repair work should be completed in four to six weeks, depending on the arrival of necessary material. He said that all classrooms will be ready for use before that time.

"We are real pleased with the work crew's progress. They have kept it as clean as possible the whole time they have been

working," Larry Wartes, administrative assistant, said last week.

Wartes said that the exact damage amount could not be reported until work is completed and the insurance adjusters have time to file their report.

The fire, which erupted in the custodian's room located about midway through the vocational wing, apparently started as a result of a faulty water heater.

WORK CONTINUES in the vocational wing of Hereford High School which was damaged in a fire last month. Above, a worker from the Page and Wirtz Construction Co. of Amarillo spray paints the boys' gym, which was heavily smoke damaged.

Entire Warning System Will Be Tested Tuesday

Mobil Communications will test the emergency warning system at 11 a.m. Tuesday, a spokesman for the firm announced.

The test of the entire system will be conducted only if the weather is clear.

The individual units were tested about a week ago and the test Tuesday will be to see if the entire system works.

Livestock Clinic Is Slated

The Deaf Smith County Livestock Committee will sponsor a Livestock Clinic Thursday afternoon at the Community Center.

The clinic will begin at 1:30 p.m. and is expected to be over by 5:30 p.m.

Dr. Gene Cope, area specialist veterinarian, Texas Extension Service, will discuss health programs as incurred by producers during recent times and will also summarize the information on the alfalfa grazing demonstration.

Other areas of discussion will be some that producers have expressed interest in, such as grazing values of summer annuals, such as sudan, sorghum hybrids and irrigated grasses. These topics will be discussed by Dr. Cal Parrott, area beef cattle specialist.

Michael R. Riethmayer, area economist, will discuss the economy of purchasing light stocker cattle vs. heavy weight and compute roll back on various kinds of cattle.

Dr. Bill Clymer, area entomologist, will discuss the state and federal regulations concerning livestock movement and their effects upon the stocker cattle business as well as recent control programs.

Dr. Gilbert Hollis, area swine specialist, will include a brief discussion on the potentials and management of swine production facilities.

Entry Blanks Available

Hereford's "Cutest Kid Contest", set for May 5, will air at the Hereford High School auditorium, with divisions for boys and girls ages 0 to 6.

Genie Housman, secretary of the Newcomers Club, which is sponsoring the event, said that judging will begin at 7:30 p.m.

Parents can enter their children, by requesting entry blanks at the Red Carpet Inn office or at Helen's downtown. The blanks will be available Feb. 19. Children can also be entered by calling Mrs. Housman at the Red Carpet Inn, 364-0540; or Helmi Batterman at 364-5068.

All entries must be in by April 28. Entry fee is \$2 per child and admission to the judging will be free, according to Mrs. Housman. Three divisions will be provided for girls and boys. These will be 0-1 years of age, 2-3 years and 4-6 years.

Winners Announced In Science Fair

The outstanding award in the junior boys' division.

The outstanding award in the elementary division went to Christi Crawford, a student at Northwest.

Over 620 students participated in the three division, seven category fair. The in-

intermediate division was for grades 4, 5 and 6; the junior division for grades 7, 8 and 9 and the senior division for grades 10, 11 and 12.

Categories in each division being judged were botany, medicine and healthy, zoology, chemistry and biochemistry, earth and space science,

physics and mathematics.

First place winners in the intermediate division, botany category were Donna MacKee, Bluebonnet; Shelley Gerck, St. Anthony's; Naomi Fuhrmann, Shirley; Barbara Scott, Northwest; Doug Schroeter, Tierra Blanca and Johnny Veazey, Aikman.

Second place winners in intermediate botany were Gonda Stayton, Bluebonnet; Monica Warren, St. Anthony's; Linda Cortinez, Shirley; Mike Hacker, Northwest; Bryon Diller, Mary Garza, Central and Bret Hallows, Aikman.

See "Winners", Page 2

Five HHS Seniors Tops In Country

Five Hereford High School seniors have been selected as Outstanding Teenagers of America for 1973, according to Jerry Don George, HHS principal.

The students selected by George are Austin C. Rose, son of Mr. and Mrs. Austin Rose, Jr.; Elizabeth Word, daughter of Mr. and Mrs. Bob Word; Debbie Hoover, daughter of Mr. and Mrs. Charles Hoover; Shalyn Sisson, daughter of Mr. and Mrs. Billy Wayne Sisson; and Wallace Hill, son of F.W. Hill.

Selection for the Outstanding Teenagers awards program automatically qualifies these students for further state, regional and national honors and scholarships totaling \$7,000.

The Outstanding Teenagers of America are chosen from individual schools across the country for excellence in academic achievement and community service. The local students will now vie for the Outstanding Teenager of the Year Trophy to be presented by the state's governor.

"Winners" . . .

(Continued From Page One)

Intermediate botany, third place winners were Beth Owen, Bluebonnet; Christi Albracht, St. Anthony's; Janelle Coupe, Northwest; David Watson; Tierra Blanca; Danny Navarrette, Central and Yvonne Vera, Aikman.

Fourth place intermediate botany winners were Joycelyn Aven, Northwest and Neal Smith, Aikman.

In the intermediate medicine and health category, first place winners were Cindy Clark, Bluebonnet; David La Fleur and Charles Schmucker, St. Anthony's; Beverly Worley, Shirley; Karen Woods, Northwest; John McCrary, Tierra Blanca; Albert Cardenas, Central and Tammy Cooper, Aikman.

Second place intermediate medicine and health winners were Brent Boyd, Bluebonnet; John Ohlig, St. Anthony's; Gary Gaitan, Shirley; Karon Shook, Northwest; Jennine Walker, Tierra Blanca and Laura Rogers, Aikman.

Third place intermediate medicine and health winners were Debbie Byers, Bluebonnet; Bob Torres, St. Anthony's; Sylvia Diaz, Shirley; Rodney Miller, Northwest; John Wagner, Tierra Blanca and Raquel Nanez, Aikman.

Fourth place intermediate medicine and health winners were Juan Ruiz, St. Anthony's; Carla Lloyd, Shirley; Denise Smith, Northwest and Kerri Ricketts, Aikman.

In the intermediate zoology division, first place winners were Mark Zinser, Bluebonnet; Theresa Schilling, St. Anthony's; Cristi Crawford, Northwest; Tammy Stringer, Tierra Blanca and Mary Lee Simon, Aikman.

Second place intermediate zoology winners were Sylvia Soliz, Bluebonnet; Ed Fry, St. Anthony's; Sammie Cherry, Shirley; Bebecca Rudd, Northwest; Alfonso Martinez, Tierra Blanca and Lori Parker, Aikman.

Third place intermediate zoology winners were Sammy Gonzales, Bluebonnet; John Hoffman, Shirley; Katrina Manning, Northwest and Luanna Berryman, Aikman.

Fourth place intermediate zoology winners were Derek Dirks, Shirley; Julie Jorde, Northwest and Jimmy Reid, Aikman.

First place winners in the intermediate chemistry and biochemistry division were Sherry Strain, Bluebonnet; Rose Garcia, St. Anthony's; Jo Ann Matthews, Shirley; Kelvin Barkowsky, Northwest; Dalona

Hanover, Central and Paul Terry, Aikman.

Second place intermediate chemistry and biochemistry winners were Donna Phelps, Bluebonnet; George Garcia, St. Anthony's; Edward Skaggs, Shirley; Scott Formby, Northwest; James Garza, Central and Carol Haney, Aikman.

Third place intermediate chemistry and biochemistry winners were Mike Zinser, Bluebonnet; Donna Schlabs, St. Anthony's; Billy Parnell, Shirley; Bill Roberson, Northwest and Grace Romeo, Aikman.

Fourth place intermediate chemistry and biochemistry winners were Marie Schilling, St. Anthony's; Mark Walling, Shirley; Julie Chapman, Northwest and Tony Griego, Aikman.

In the intermediate earth and space science division, first place winners were Ann Southward, Bluebonnet; Denise Albracht, St. Anthony's; Jim Banner, Shirley; Jeanell Pike, Northwest; Michael Kerr, Tierra Blanca; Rosalinda Cusarez, Central and Daniel Ricketts, Aikman.

Second place intermediate earth and space science winners were Amy Carnahan, Bluebonnet; Debra Morgan, St. Anthony's; Russell Billingsly, Shirley; Mahota Manning, Northwest; Diane Warden, Tierra Blanca; Frautie Garcia, Central and Will Fellers, Aikman.

Third place intermediate earth and space science winners were Gail McCabe, Bluebonnet; Rita Ruiz, St. Anthony's; Richard Carlson, Shirley; Sheila Kennedy, Northwest; Polly Robinson, Tierra Blanca; Paula Word, Central and June Stewart, Aikman.

Fourth place winners in the intermediate earth and space science division were Dorothy Fetsch, St. Anthony's; Shelley Gillian, Shirley; Donny Johnson, Northwest; Cory Springer, Tierra Blanca and Malisa Morgan, Aikman.

In the intermediate physics division, first place winners were Mike Axe, Bluebonnet; Kevin Cardinal, St. Anthony's; Ronald Plummer, Shirley; Wade Easley, Northwest; Leslie Metz, Tierra Blanca; Jonathan Salazar, Central and Tod Green, Aikman.

Second place intermediate physics winners were Becky Aguirre, Bluebonnet; James Hund, St. Anthony's; Martha Gavina, Shirley; Wayne Berry, Northwest; Renee Dobbs, Tierra Blanca; Kris Kemp, Central and David Keyser Aikman.

Third place intermediate physics winners were Mike Clark, Bluebonnet; Stephen Artho, St. Anthony's; Paul

Plummer, Shirley; Karen Drake, Northwest; Frank Day, Tierra Blanca; Bruce Russell, Central and Gina Inman, Aikman.

Fourth place intermediate physics winners were Marie Schilling, St. Anthony's; Becky Smith, Shirley; Jill Paschil, Northwest; Janet Hamby, Tierra Blanca; Joe Tijerina, Central and David Schmidt, Aikman.

In the intermediate math division, first place winners were, Mindy Simon, Bluebonnet; Anthony Poteet, Shirley; Kristi Shook, Northwest; Juan De La Cruz, Central and Rhonda Henderson Aikman.

Second place intermediate math winners were Jean Ann Bartels, Bluebonnet; Stacy Layman, Shirley; and Dewayne Kimball, Aikman.

Third place intermediate math winners were Leroy Carlton, Shirley and Sylvia Munoz, Aikman.

Fourth place intermediate math winners were Bernice Gonzales, Shirley and James Collier, Aikman.

Elementary category winners were Barbara Scott, Northwest in botany; Karen Woods, Northwest, medicine and health; Christi Crawford, Northwest, zoology; Paula Terry, Aikman, chemistry and biochemistry; Michael Kerr, Tierra Blanca earth and space science; Wade Easley, Northwest, physics and Mindy Simon, Bluebonnet, math.

In the junior girls' botany division, Denise DeHart, La Plata, placed second; Elaine Birkenfeld, Stanton, third and Terri Owens, La Plata, fourth.

In junior boys' medicine and health, Travis Gilliam, Stanton placed third.

In junior girls' medicine and health, Ramona Boldon, La Plata, placed third and Nanette Bruton, La Plata, placed fourth. In Juniors boys' zoology, Steven Crawford, La Plata, second and Mark Fowler, Stanton, fourth. Junior girls' zoology, Rhonda Thompson, Stanton placed fourth. In junior boys' math, Steven Cornelius, Stanton, placed second and Phillip Zinser, La Plata, fourth.

Junior boys' earth and space science: Mitchell George, La Plata, second and Keith Shore, Stanton, third.

Junior boys' chemistry and biochemistry: Stacy Hacker, Stanton, first; David Kelley, Stanton, third and Larry Vigil, Stanton, fourth.

Junior girls' chemistry and biochemistry: Amy Cox, Stanton, third and Melinda Mathew, Stanton, fourth. Stanton, third and Melinda Matthew, Stanton, fourth.

Junior boys' physics: David Kreig, Stanton, second; Charles Berryman, La Plata, third and Mike Turner, Stanton, fourth.

In junior girls' physics, Kaye Shook, La Plata, placed second. In the senior boys' botany division, Frank Torres and Joe Vigil placed second and Greg Koenig placed fourth.

In the senior girls' botany division, Denise Strange placed first; Mary Jean Reinart, third and Sue Hamlett, fourth.

In senior boys' medicine and health division, Robert Lomas placed second.

In the senior girls' medicine and health division, Linda Betzen placed first; Joan Waters, second; Ginger Newton, third and Debbie Hoover, fourth.

In the senior girls' zoology division, Donna Walterscheid placed first.

Brenda Owen placed third in the senior girls' math division. In the senior boys' earth and space science division, Jim Henson placed first; Jerry Brock, second; Gary Landers, third and Dwayne Waters, fourth.

In the senior girls' earth and space science division, Shyla Thomas placed third and Beverly Cole placed fourth.

Mauri Montgomery placed second in the senior boys' chemistry and biochemistry division.

In the senior girls' chemistry and biochemistry division, Melinda Bradley placed first, Jeanie Paetzold, second and Cindy Parten, fourth.

All judging was done Thursday evening at the Bull Barn by Arnold Reynolds and Charles Jones of the science department at Tascosa High School in Amarillo. Pre-judging of the elementary exhibits was conducted Tuesday and Wednesday by local school officials.

Gene Barkowsky, this year's fair director said that seven exhibits from senior and junior high will be eligible to compete

in the Panhandle Regional Science Fair to be held April 6, 7 and 8 in Amarillo. Each elementary school will be eligible to enter their four best exhibits.

"Frankly, I'm pleased with the whole turnout of the fair. As far as I can see, there were absolutely no problems and everything went very smoothly due to the assistance I received from the principals and their assistants," Barkowsky said. "I would also like to commend the students for their cooperation."

"DISTRICT" . . .

(Continued From Page One)

Commissioners agreed to the proposal, subject to the written approval of the local bar association. Lowder reported that the Hereford Bar Assn. met on Jan. 25 and unanimously approved four resolutions concerning the matter. He added that all firms were represented in the meeting.

The resolutions called for (1) creation of a Judicial District composed of Deaf Smith and Oldham counties, (2) the endorsement of Richard R-Brainger of Oldham County to be appointed as the District Judge if the new district is created, (3) a resolution that no member of the Hereford Bar would seek the office of district judge in such a new district on the expiration of the interim term of the appointed judge, and (4) the endorsement of Andrew Shuval to be the district attorney for the new district, if created.

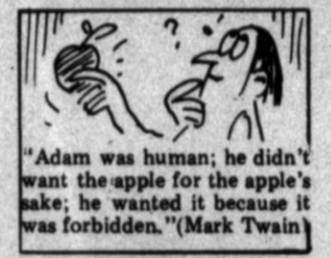

When presenting the proposal of the new district to county commissioners, Shuval explained the creation of such a district would result in about a \$6,000 savings in expenditures by the county each year. The state would pay the criminal D.A.'s salary under such a

system, more than offsetting the county's additional cost for a court reporter and adult probation officer.

The new bill would abolish the office of Criminal District Attorney of Deaf Smith County and create a district office for the criminal D.A. He would have the duties of the county and district attorney in Deaf Smith and the duties only of the D.A. in Oldham County.

In regard to population, the proposed new district would be one of the smaller districts in the state, according to Shuval. However, he thinks the case load of the two counties more than justifies the change.

"I believe that when the people study the statistics and the facts surrounding the need for the creation of the judicial district that we will have a large amount of popular support," Shuval stated. "I believe that it would improve the quality and efficiency of our judicial system. This is vital to our community because the community prospers or falters on the basis of how well its laws are administered," he added.

nurses and paramedical personnel up-to-date on the latest methods of diagnosis, care, treatment and rehabilitation of the patient with heart disease.

Also included, were community activities such as school health screening, hypertension clinics, cardiopulmonary resuscitation training, heart information centers and other similar programs to help the heart patient and the potential heart patient.

For research, 27.4 cents of the heart dollar was spent on investigation into the causes, cures, treatment and prevention of diseases of the heart and

circulatory system. Management and supporting services received 9.1 cents of the heart dollar for public information, publicity, public relations, field studies and organization of local Heart Associations, administration; volunteer training, leadership conferences, development of programs.

Fund raising programs received 11.8 cents of the Texas heart dollar in 1970-71. This included kits, leaflets and materials to reach 10,000,000 Texans with life saving information on Heart Disease, conducted training programs for 90,000 volunteer campaign workers and provided other materials to raise funds.

Sorority Valentine Ball Honors 1973 BSP Queen

Honoring the Beta Sigma Phi queen for 1973, Mrs. C.D. Fitzgerald Jr., Hereford members of the sorority and their guests danced Saturday evening at the annual Valentine Ball in the Knights of Columbus Hall.

Chosen by out-of-city judges from nominees of three Beta Sigma Phi chapters here, Linda Fitzgerald was presented in a ceremony at the beginning of the ball. She was the nominee of the exemplar chapter, Xi Epsilon Alpha.

Mrs. Tom LeGate, nominated by Kappa Iota Chapter, and Mrs. John Fink of Alpha Iota Mu Chapter, were introduced as princesses. Escorted by their husbands the three, all named chapter sweethearts by secret ballot of members, were crowned under a canopy decorated with Valentine symbols, and presented bouquets of roses.

Music for dancing was by The Impressions. Arrangements for the ball were directed by Mrs. Hicks Roberson, general chairman, and Mrs. LeGate, co-chairman. Members of City BSP Council were hostesses.

The newly-crowned queen is a native of Hereford but resides now in Dimmitt, where she calls her job at First State Bank her hobby. She is the mother of two children, nine-year-old Crystal and seven-year-old Curt.

A member of Beta Sigma Phi 11 years, she served as president of her ritual chapter and was named sweetheart one year, before she advanced to the exemplar chapter. She has been vice president of the city council.

Carol Sue LeGate was elected 1972 Girl of the Year in her

chapter, and has been its secretary, correspondent, chairman of ways and means, contact and social committees. She has held active membership for three years.

A resident of Hereford five years, she was born in Syracuse, Kan. Her activities include care for two-and-a-half year old daughter, Tiffany, as well as bridge, reading, tennis and handcrafts.

First Valentine sweetheart of Hereford's new ritual chapter, Beverly Fink is a bride, the former Beverly Barrett who was married in December. She is the daughter of Mr. and Mrs. Dick Barrett, was born and grew up here. Since graduation from West Texas State University she has taught at Shirley Elementary.

She joined the newly formed Alpha Tota Mu Chapter last summer and is on the social committee. Her hobbies are work with her hands: painting, decoupage and stitching.

Letter To The Editor

Dear Editor:

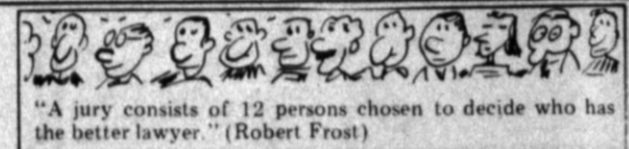

After reading the Feb. 4th Sunday Brand, I had to write and tell you how much I enjoyed "The Letter to the Editor" from W. Hutson.

The poem he sent couldn't have been shared at a better time. People complain of the winds and snow, etc., I have been guilty of that myself, but we forget to realize that these things happen for our own good.

For instance, the rain and snow going to the depths of the soil for moisture for the spring and summer crops, gardens, awns, etc.

It brings to mind the scripture: Romans 8:28, "And we know that all things work together for good to them that love God, to them who are called according to his purpose." I really enjoy reading the Brand.

Sincerely,
Carole McIver

Justice Of Peace Is Club Speaker

Procedures in justice court, especially the handling of traffic violations, were explained by Justice of the Peace Glen Nelson as he spoke to the Junior Law Enforcement Club this week.

He told of steps taken upon the serving of a ticket for a traffic violation and action taken when the cited person appears before the court, or fails to appear. Other functions of justice court were also listed by Judge Nelson.

The meeting was in the Boy Scout Room at Community Center, where the club will meet again at 7:30 p.m. Feb. 19, with new members and visitors welcome. Information about the club may be obtained from Leon Correll, sponsor.

Letter To The Editor

Dear Editor:

May I take this opportunity to thank all the wonderful individuals and organizations for their generous contributions to the Girlstown, U.S.A., Christmas Fund. Their gifts, along with others through out the panhandle of Texas, made it possible for the Lions of District 2T-1, to assure each girl in Girlstown, U.S.A., a new coat and a new pair of shoes for Christmas. God Bless you all, Milton C. Adams, Chmn. Girlstown Committee District 2T-1 Lions International

New Store Opens In Hereford

Thousands of \$5 pants for guys and gals is the unique feature of Sugarland Mall's newest store, the Pant Place.

The Pant Place, a division of Coit International of Dallas, opened Friday with the grand opening scheduled for next Saturday. The store is located on the west side of the mall between the Gold Bond Stamp Store and Harman's Dept. Store.

Kendall Kempf of Clovis, manager of the Hereford store, said the chain of Pant Places extends as far west as Tucson and as far east as Tulsa.

The Pant Place carries current styles of pants as well as shirts and blouses, priced from \$5 to \$11.

Kempf will be assisted in the store by two sales girls, Nancy Hutchinson and Terri Stanley, also of Clovis.

Kempf said the Pant Place opened a store in Hereford because, "We heard it was the fastest growing community in the area."

On Jan. 25, 1965, Pope Paul VI named 27 cardinals, raising the College of Cardinals to 103.

Little Dribblers To Try-Out Saturday

Little Dribblers' Basketball try-outs will be held Saturday at Stanton Junior High, it was announced by the Jaycees, sponsoring organization.

The try-outs will begin at 9 a.m. in Stanton's gymnasium and later that day, coaches will get together to draft the players.

The coaches will contact each player on his team the week following the draft. The first work-outs will be Saturday, Feb. 24 and the season's first games will be Monday, Feb. 26. Schedules of the teams will be carried in the Hereford Brand at a later date.

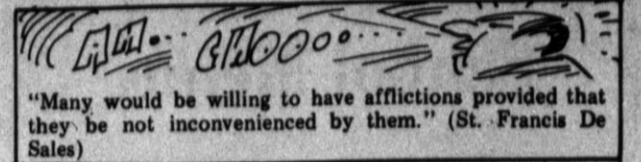

Boys 8-12 years of age and in grades two through six are eligible for the Little Dribblers' Basketball program.

Applications were carried in last week's edition of The

Sunday Brand. These are to be clipped out, completed and taken to the try-outs.

Boys who played on a team last year and are still eligible to compete also will be required to show up at the try-outs and fill out an application. These players will remain on the same teams as last year, but only if they show up at the try-outs.

A meeting of all directors, coaches and managers, and interested Little Dribbler fans has been set for Wednesday, according to John Bunch. The meeting will be held at 8 p.m. Wednesday in the Pioneer Natural Gas. Co. warehouse.

"Many would be willing to have afflictions provided that they be not inconvenienced by them." (St. Francis De Sales)

HERD JUNIOR VARSITY—Members of the 1973 Hereford Junior Varsity Longhorn team are pictured with Coach Barry Arwine. Left to right, standing—Dennis Noggler, Lynn Tarr, John Stoy,

Mike Munnerlyn, Coach Arwine; kneeling—Jerry Brock, Gerald Shipley, Andrew Wingert, Junior Morales, and Doug Charest. The team has five juniors and four sophomores on the roster.

REBOUND PAYS OFF—Hereford's Dan Vander Zee got a rebound and went up for the basket in the Herd's 90-69 triumph over the Lubbock Westerners Friday night in La Plata Gym. Gary Hicks (41) and James Harris (33) are poised for action in the photo. Vander Zee hit 16 points in the game, and Hicks came in with 15 as the Herd showed a balanced scoring attack. The Herd travels to Plainview Tuesday for the next 4-AAAA action.

1971 saw a drop in police deaths

A total of 112 police officers were killed while on-duty last year, according to figures released recently by the Federal Bureau of Investigation.

The figure represents a slight drop from 1971 when there were 126 police deaths in the United States.

Herd Romps To 90-69 Victory Over LHS

HEREFORD WHITEFACES, 1973—Hereford's Whiteface basketball team for 1973 had a fine 20-10 season record this week with just three more games remaining on the regular season schedule. Team members left to right, back row—Coach Ron Mayberry, Ralph Scott, Gary Hicks, Dan Vander Zee, David Duvall, Alan Cornelius; front row—Mgr. Brad Roberson, James Harris, Keith Kitchens, David Tipps, Mike Mayberry, Luther Mays and Terry Scott.

The Hereford Whitefaces evened their second-round record at 1-1 with a convincing 90-69 triumph over the Lubbock Westerners here Friday night in La Plata Gym.

The Herd raced to a 67-36 lead after three quarters, then coasted in for the victory with five players scoring in double figures. Luther Mays led the attack with 22 points, while Mike Mayberry and Dan Vander Zee hit 16 each, Gary Hicks chipped in 15, and James Harris added 13.

Hereford goes to Plainview Tuesday night for its next 4-

AAAA clash. In other league games Friday, Monterey edged Comorado by 53-50, and Snyder knocked off Plainview by 54-42.

After playing strong defense for three quarters, Hereford eased up in the final period when Lubbock tallied 33 points. Mayberry guided the offensive attack for Hereford, and Hicks turned in a great game on the boards—both on offense and defense.

Even with three regulars on the bench with injuries, Coach Ron Mayberry substituted freely in the contest. Everyone got in on the scoring except big David Duvall. Mays hit fire

field goals in the first period to launch the big point production by the Whitefaces.

Terry Scott and Alan Cornelius did not see action in the game, both still hobbled by ankle injuries. The duo may be ready for limited action next week. Keith Kitchens is still expected to be out for the season with a broken foot.

The Westerners were led by Eric Felton with 21 points and, thanks to the big fourth period, two others were in double figures. Allen Hill connected for 16 points and Chuck Haries had 14.

It was a relatively rough contest and both teams went to the free-throw line often. Hereford picked up 16 points at the charity line, and Lubbock got 17.

Hereford also won the junior varsity contest, 62-50, but lost the sophomore game by a close 42-35 score. Junior Morales led the Herd JV with 17 points, while Mike Mummerlyn had 13 and John Stoy 10.

Tim Hammock and Mrvin Harris shared scoring honors for the sophomore team with 10 points each.

LUBBOCK 13 15 8 33—69

HEREFORD 23 22 22 23—90

HERD—Mays 10-2-22, Vander Zee 6-4-16, Mayberry 6-4-16, Hicks 6-3-15, Harris 6-1-13, Tipps 1-2-4, R. Scott 2-0-4. Totals 37-16-90.

LHS—Felton 7-7-21, Hill 5-6-16, Haries 7-0-14, Mojica 4-0-8, Mooring 2-1-5, Rogers 1-2-4, Lusk 0-1-1. Totals 26-17—69.

Riders Club Talks Of Upcoming Celebration

Cooperation in plans for a city-wide celebration of Hereford's Diamond Jubilee was voted by Hereford Riders Club at a Thursday evening meeting in Community Center, when the annual rodeo was set for the weekend of Aug. 24.

This was a date suggested by the firm engaged to plan the celebration; it immediately precedes the week of activities which will climax on Sept. 1.

Formation of a Sheriff's

Posse in the club was discussed. Sheriff Travis McPherson was a guest, and promised cooperation of his department if such a riding group is organized.

Announcement was made of an open playday for riders at Rolling Hills arena in Amarillo Sunday, and united playdays at Palo Duro Rangers arena in Canyon to be held the first Sunday in each month starting March 4.

Mavericks Lose Two Close Ones

La Plata's seventh and eighth grades played almost identical games against Canyon Purple Thursday and lost them both while the ninth grade brought home the lone win in a fashionable overtime victory.

The Mavs lost the seventh and eighth grade games after being tied going into the final period. The ninth grade came from behind in the final stanza to tie their game and necessitate an overtime period.

David Arney chipped in 11 points in the seventh grade's loss to lead the scoring in the 24-22 loss. The loss dropped the team's record to 12-9 for the year.

La Plata dropped behind, 4-2 in a slow-moving first period then went ahead 11-8 at the half. At the end of the third quarter it was 14-14 but Canyon pulled it out late in the game.

The eighth grade faced a similar situation, dropping behind 12-4 in the first period, taking the lead 17-16 at the half and tying at 22-22 in the third quarter. However, a cold streak in the final quarter spelled defeat in the 34-24 loss.

Terry Brady was high pointer for the Mavs with 12 markers. The loss dropped the eighth grade to a 15-9 season record. Mike Crim provided the overtime spark for the ninth grade as it pushed its season record to 11-9 in the 40-38 win over the Canyon Purple squad.

Crim put in five points and Roger Pickens got one in the overtime after the game ended regulation play knotted at 34-34. Crim was high point man for the winners with 18 markers. Canyon led, 9-6 at the end of

the first quarter and 15-13 at the end of the first half. The host team maintained its lead at the end of the third stanza, 23-20 before La Plata began a rally.

With just three minutes left to play in the contest, and behind 9 points, the Mavs put on a surge that put them ahead with just seconds remaining. However, a foul by a Maverick gave the opposition a two-point charity attempt which was made and tied the game up at 34-34.

The Mavericks will entertain the Canyon White squads Monday in La Plata gym then will close out their season Thursday in the traditional season-ending matches with Stanton Junior High. The final games of the season will be played in Stanton gym.

Dogies Defeat Walcott, 41-35

The Stanton Dogies encountered a tough Walcott Wildcat team Thursday night in a seventh grade game but managed to come out with a hard-fought 41-35 win.

The victory upped the seventh grade's season record to a sparkling 12-2. The same two teams will meet again Monday at Walcott prior to the end of the season Thursday when all three Stanton teams meet La Plata in the season finale.

Stanton jumped out ahead by five points, 13-8, at the end of the first quarter then led by only three at the half, 23-20. The score was 31-25 at the beginning of the last quarter.

Kelly Kitchens led the Dogies with 15 points and was closely followed by Albert Del Toro with 11.

Bullish on central air conditioning? Consider investing just a little more in a long-term, blue chip Gas air conditioning system.

Only a Gas air conditioning system pays you regular dividends for many happy years. That's because the heart of a Gas cooling system is a simple gas burner, rather than an electric, mechanical compressor. A clean-burning gas flame doesn't wear out — so there's less to go wrong, fewer maintenance calls, a longer life with no loss of original cooling capacity. And because natural gas is the prime energy source, you'll also save money on operating cost.

Call one of our air conditioning specialists this week — before the summer market becomes really active. He'll make a free, no obligation, survey of your home and give you a quotation on the cool investment.

GAS Central AIR Conditioning

The Cool Investment.

PIONEER NATURAL GAS COMPANY
Free thermometer with every Gas cooling survey before March 31, 1973.

Hereford's 1972 Citizen Of Year

A Cup Of Tea, A Friendly Visit—But No Publicity

BY KATHY MARGRAVE Staff Writer

"No, I really don't want the publicity." That was the answer I received from Jewel Smith, county welfare worker, when I asked if I could interview her for a story.

Mrs. Smith was presented the "Citizen of the Year" award at the recent Chamber of Commerce Banquet—a presentation that stemmed from her concern for her fellow human beings. Mrs. Smith came to Hereford with her husband, Orville, in 1941.

March 1 of this year marks the 20th anniversary as county welfare worker for Mrs. Smith. She received on-the-job training under the supervision of Dyalhia Benson, county welfare worker and Red Cross worker in Hereford, before taking the job of county welfare worker.

at home at 11:20. He said that 14 member family was at his office in need of assistance. She picked the family up, gave them food, found them a place to spend the night, and the next day, gave them enough money to get to their destination.

child support payments for a divorced mother and anything else that might fall under the heading of "emergency assistance." Mrs. Smith works very closely with state agencies. One such agency that she makes referrals to is the State Vocational Rehabilitation Center.

hospitals are maintained by the state, there is no charge to the welfare office. She also refers persons to state hospitals for the treatment of alcoholism.

needs and help her in any way that they can. Mrs. Smith prepares adoptive home studies in adoption cases for the district court and provides social histories of children when referred to a permanent institution such as Boys' Ranch or Girls' Town.

"The county commissioners have never presented any problems in my work. They have always been cooperative and apparently understanding of what I was trying to do," she said.

Herman Ford Named Outstanding Agent

Herman Ford, CLU, a Hereford resident and Southland Life Insurance Company agent, was honored by his company during Herman Ford Appreciation Day ceremonies held in Dallas on February 8, 1973.

successful tenure as an agent, he was named manager of the company's Texas Panhandle territory in July, 1948 and served in this capacity until he assumed charge of the Company's training activities on September 1, 1951.

felt beneficially far beyond company boundaries. He is a past president of the Southwest Area Sales Trainers Association and of the Dallas Chapter of CLU; a past director of the Institute of Insurance Marketing of Dallas General Agents and Managers Association and of the Insurance Club of Dallas; and is a long-time member of the association of life underwriters.

Ecology Theme Is Kiwanis Program

Members of Hereford Kiwanis Club welcomed new member Tommy Carnahan into the club at their luncheon meeting Thursday, and heard the second of two parts is a program concerning pollution and depletion of natural resources.

club by Lee Umstead, and presented his membership button by 'Bud' Eades. Carnahan has framing interests in and around the city, and attends First Christian Church. He and his wife have four children.

ISN'T IT TIME YOU THOUGHT ABOUT TRADING CARS? 1970 Chevy Pick Up, L.W.B., V-8 (Monday only) \$1,432.00

While you were looking for a job, we just gave you a raise.

We just raised your starting salary in today's Army to \$307.20 a month. And the best thing about it is you might not have to spend it.

Ford and his wife, Fern, were entertained by company executives during the day, which was highlighted with the presentation of a certificate of appreciation to him, by President James B. Goodson.

Indicative of his success in the insurance industry are the following awards: Texas Leaders Round Table, three year membership; National Quality Award, two year membership and Million Dollar Round Table, two year membership.

'Key '73' Is Topic For Lions Meeting

"Key '73" was the topic when Gene Brink, pastor of the First Christian Church, appeared as guest speaker for the Hereford Lions Club regular weekly luncheon-meeting Wednesday at the Civic Club Center.

members Kelly Lea and Rex Lee to the club, and Kelly reported on the high school activities. The club welcomed Jerry Shipman as a new member and announced plans for the annual Pancake Supper to be held on March 1.

The day's program, part two of a film series on pollution of the environment and depletion a natural resources, presented by John Poindexter. The series was provided by the club by Bob Holman, Hereford Assistant Superintendent of Schools.

Church To Aid Foreign Lands

At its annual business meeting, the congregation of First Christian Church voted on projects which will give aid to people in India and the Congo, and provide for the addition of a new wing to the church itself, according to Rev. Eugene Brink, pastor.

The membership voted on a gift of \$3,750 to be sent to Bilaspur, India to help provide furnishings for a recently-built hospital. They also agreed to present a gift of \$5,000 at the end of 1973 to help provide buildings for a school for pastors in the Congo, now called Zaire.

A record budget of \$67,625 was approved for the church for 1973, and the membership agreed on the addition of about four classrooms to the church building, with the understanding that no more than \$50,000 will be borrowed for the project.

Present plans indicated that, in addition to the new classrooms, some changes and improvements will be made in the present building. Plans were also made by the congregation for a lay-witness

mission, to be held March 9-11, with Perryton attorney Bob Close as guest speaker.

Dr. Clyde Rush, president of the congregation, presided at the business meeting. Forrest Ricketts is chairman of the building committee.

Jaycees Plan For Election

The Hereford Jaycees set their election of officers for March 1 in a meeting held Thursday.

Dan Warrick, Bill McKinney and Harvey Milton announced for the candidacy of president, the office held this year by Bill Johnson. Richard McCutchen announced for the office of secretary, currently held by Dale Lawrence.

There have been no announcements for the office of vice president.

John Duggan of Vega, recently elected administrative national director, was on the program at the meeting and he discussed his plans for the area during the coming year.

The Jaycees also appointed a committee to look into all phases of the club's participation in the Diamond Jubilee celebration planned in late summer.

The club also made plans for a family social for Feb. 24.

COAST GUARD
On Jan. 28, 1915, Congress passed legislation creating the U.S. Coast Guard.

GUEST SPEAKER—J.M. Slavik of Nazareth was speaker at a joint meeting of the American Legion and Auxiliary in the Legion Building Tuesday evening, telling of his experience at an Americanism Seminar conducted by Freedom Foundation at Valley Forge, Penn., last summer. He was the teacher from Texas selected in a Legion Auxiliary program. Mrs. Ira Ott, left, introduced him and Mrs. J.G. Gandy, local Auxiliary president, presided at the meeting.

Farm Show Set For Ft. Worth

Farm and ranch operators from throughout the Southwest will converge on Fort Worth, March 9-11, for the Second Annual Southwest Farm Show and Championship Tractor Pull.

The mammoth three day supply and equipment show will feature more than \$5 million worth of tractors, tools, bailers, combines, trailers, loaders and other items used in farming and ranching operations.

Exhibits will cover more than 100,000 square feet and they will be open for inspection from 10:30 a.m. until 5:00 p.m. each day.

Admission to the exhibits is free. Registration forms for thousands of dollars worth of door prizes can be picked up from any farm equipment dealer.

Adding to the excitement and fun will be three days of tractor pulls to be held in the convention center each evening. Featured again this year will be the hot rod classes roaring down the track using airplane, tank and truck engines.

Young homemakers of Texas and Young Farmers Association wives will again vie for more than \$1,000 in awards in the second Texas Natural Fibers Fashion Review. The finalist will be chosen on

TV ADVERTISING

Australia is banning cigarette advertising on television and radio, and instituting a program to educate people about the dangers of smoking.

Saturday, March 10, and the winners will be presented at the Saturday night tractor pull. Future Farmers of America will be featured also on Saturday in the Second Annual

Texas Tractor Mechanics contest. Finals will be at the Saturday night tractor pull and will feature the young mechanics trying to unbug and start a tractor in the arena.

Letter To The Editor

Dear Editor,

It is hard for me to write his because I know many of the people in authority will think of me as a distraught mother, which I am at this time, because I feel this also concerns the welfare of my children.

My heart aches for the parents of those children who were in the bus accident in Littlefield Tuesday afternoon. To many it is just an unfortunate accident—to me it was a needless one. This could just as easily have been Hereford, maybe not a train but some other kind.

We feel we have a very capable bus driver now in Mrs. Treadway. She seems to be able to handle the bus very well and the children equally as well and they seem to think highly of her and her husband who sometimes drives. It wasn't always that way.

Many times I have fairly held my breath waiting until I felt that my children had had time to reach school and waiting when they were a little late in the afternoons hoping the phone wouldn't ring telling of an accident.

It hasn't been long since we felt we had an incapable driver. This driver was finally taken off the route not because of our complaints, but because of a near accident with another bus. Incidentally, he was also a retired person.

We are not against the elderly people holding jobs—many times their experience could be used well in the very jobs they are forced to retire.

Why, oh why, if a person is too old for teaching our children as well as other jobs, is he considered qualified to take our loud, noisy, distracting, nerve wracking but precious children to and from school?

Also, anyone who rides in a

car these days knows of the safety precautions, the seat belts, padded areas, etc., that are required in our cars, but where are these safety precautions in our buses? Since our children are required by law to attend school I feel we are obligated to see that they get there as safely as possible.

Next year all of my children will be riding a bus from 50 to 75 miles each week day. That's our whole family. We hope and pray that there are other people who are just as concerned for their safety and in the safety of our neighbors' bus riding children as we are.

Sincerely,
Mrs. George Zetzche

Water Importation To Highlight Meet

A preview of the West Texas-Eastern New Mexico Import Water Study Report will highlight the sixth annual membership meeting of Water, Inc., slated Feb. 17 at the Villa Inn in Amarillo. Norman Flaigg, Austin, Texas area planning officer for the Bureau of Reclamation, will present the preview.

The studies to determine the possibilities of importing water from the Mississippi river to the High Plains West Texas and Eastern New Mexico, have been underway for about seven years. Fully funded by Congress for more than \$7 million, the work has been conducted by the Bureau of

Reclamation, the Corps of Engineers and the Mississippi River Commission. The studies are now complete and the three agencies are putting them in final form for reporting back to Congress before the end of this fiscal year.

"Although we are confident the studies will reveal the wisdom of the import proposal," Water, Inc., President Gaston Wells said, "we know there is a 'rocky' road ahead. We must join forces with even greater determination to the end that our dreams reach fruition."

Flaigg became the Texas area planning officer for the Bureau of Reclamation in early

1971, a post held previously by Harry Burleigh. In a similar post in Oklahoma Flaigg supervised preparation of "A State Water Plan For Oklahoma." He is a civil engineer and earned his Masters of Civil Engineering at the University of Oklahoma. He has been with the Bureau of Reclamation for more than 30 years.

The general public has been invited to participate in the Feb. 17 program which will include addresses by U.S. Rep. Bob Price and Lt. Gov. Bill Hobby. Chairman of the meeting arrangements committee is D.G. Bill Nelson. He is assisted by K. Bert Watson, James Shelton, Brac Biggers and Dick Harrison, all of Amarillo.

Sigman Promoted By Phone Company

Stan Sigman, a former Hereford resident, has been promoted to division maintenance supervisor in Lubbock by Southwestern Bell.

In his new post, Sigman will coordinate company installation, repair and maintenance activities through the Southwestern Bell's operations in West Texas.

A Hereford High School

graduate, Sigman joined Southwestern Bell here in 1966 as a stockman. He became a framan in 1967.

While working for Southwestern Bell here, Sigman attended West Texas State where he received a BBA degree in 1970.

He was promoted to plant foreman in Monahans early in 1970, and moved to Floydada as wire chief seven months later.

In August, 1971, he went to Amarillo as chief deskman, and then was promoted to supervising service foreman in Midland in February, 1972.

His wife is the former Gerry Lynn Wheeler of Hereford. The Sigmans are parents of one son.

Nazarene Revival

Rev. Joe Lee Tompkins of McCrory, Ark., will be the evangelist-singer for revival services at the Church of the Nazarene, Feb. 13-18, with services beginning at 7:30 each evening and at 11 a.m. and 7 p.m. Sunday.

Rev. Tompkins is an elder in the Church of the Nazarene with international headquarters in Kansas City, Mo., a graduate of Bethany Nazarene College, and began his ministry while a student, preaching and singing for revivals.

He accepted his first pastorate in 1964 in Canyon, and has organized two new churches while pastoring in Texas and Arkansas. He entered into itinerant evangelism in 1970.

Special Education Committee Named

Wayne E. Thomas of Hereford, chairman of the Coordinating Board, Texas College and University System, has asked a statewide group to consider the questions of need for more medical education opportunities in Texas, desirability of cooperative medical programs, level of

state support for present programs, and the cost of extending medical education opportunities. The committee is scheduled to meet in Austin on Saturday, Feb. 17. Membership is made up of three medical doctors, three dentists, three doctors of osteopathic medicine, and six

distinguished citizens selected from the general public. Chairman is Dr. Bernice M. Moore, executive associate of the Hogg Foundation for Mental Health. Thomas said the Coordinating Board will be making decisions in the next few months about medical education which

will "have a great impact on future health care for our citizens." In outlining the responsibilities of the advisory committee, Thomas said "these tasks will affect not only the persons who wish to study in the field of medicine but the quality of life in this state for the next two decades."

The Coordinating Board decisions referred to by the Chairman relate to proposals to begin new medical programs to initiate a new medical school, and to continue contractual arrangement with independent medical schools.

Also, the Texas Legislature assigned the Coordinating Board responsibility for contracting for the education of Texas resident students at Baylor College of Medicine, Baylor College of Dentistry, and Texas College of Osteopathic Medicine. Such contracts were first funded by the Legislature for \$4,350,000 in Fiscal 1972 and for \$7 million during the present year.

While the purpose of the committee's recommendations will be to insure that Texans will have adequate health care, Chairman Thomas asked that the study group consider not only numbers of students, numbers of programs, and numbers of physicians, available but also to examine the geographic distribution of practicing physicians and to investigate the declining number of physicians in family or general practice and the increasing number of physicians in specialized practice.

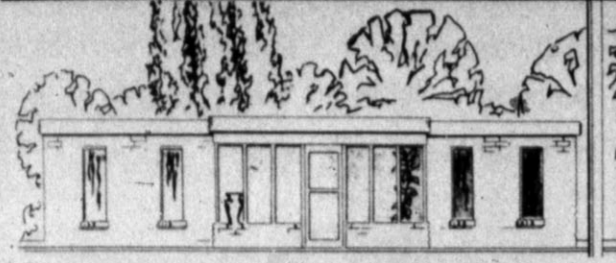

NEUTER RULE

To help keep New York's animal population in check, the American Society for the Prevention of Cruelty to Animals now requires all people who adopt dogs and cats to have them neutered.

SCOUT IS EAGLE NOW—The rank of Eagle Scout was attained by Billy Cargo, a member of Boy Scout Troop 154, in a ceremony at Wesley Methodist Church this week. The award was presented by Bill Phillips, area Scout executive. Billy's Scoutmaster is Boyd Collins. He is pictured with his parents, Mr. and Mrs. Bill Cargo.

Company Locates Here

A BJM Service and Equipment company opened at Hereford, Feb. 5, Ben Neier, president of B J Manufacturing Company, Inc., Dodge City, Kans., has announced. The Texas expansion will be a new Mexico users of BJM equipment in the immediate area. BJM manufactures an extensive line of Mixer-Feeders

which are distributed nationwide, and to some foreign countries. In addition, BJM offers a commercial manure spreader and mill mixer and fertilizer blenders.

The new store will take over the Huckert Lumber Company building, North Highway 385, Hereford. For those who wish to call in for service and parts, the telephone number is 364-6871.

B J Manufacturing holds domestic and foreign mixing action patents on Mixer-Feeders. The company was founded in 1961 after much

research and development of livestock feeding equipment, and today from its main offices and plant maintains an extensive research and development program for new and better ideas.

Key Club Is Host

Hereford High School Key Club will host over 150 area Key Clubbers from Division VI today in their annual spring rally.

David Loerwald will preside over the event.

The annual rally is designed to inform and help train newly-elected officers. Some 30 interested Kiwanians will conduct the various sessions regarding club responsibilities.

Kiwanis Lt. Governor Bartley Dowell will instruct the new club presidents, and Lt. Governor Jim Gilmore from Amarillo will assist the secretaries and treasurers.

The agenda begins with registration at Hereford High School at 9:30 a.m., then delegates will attend church services at First Christian church at 10 a.m. After lunch, the business sessions will be held from 1 p.m. until 3 p.m.

DELTA GAMMA INITIATE—Janet Marie Baker, freshman at Texas Tech University, was initiated this week into Gamma Z chapter of Delta Gamma, social sorority. She is the daughter of Mr. and Mrs. Art Baker, 208 Northwest, and a secondary education major at Tech. She was lodge chairman of her pledge class in the sorority.

Small Talk

BY SUE COLEMAN
Women's Editor

WHEN THEY WERE in Fort Worth lately, Juanita and Horace Hershey visited Mrs. Lee Cocanougher, who has been hospitalized several weeks after hip surgery. She is a patient in Harris Hospital.

She is feeling much better, she told the visitors from her hometown, but she is not able to answer all the cards and letters she has friends up here. So she asked the Hersheys to convey her appreciation to everyone who has written, sent flowers or remembrances.

MORE THAN A WEEK old and at home in Hereford now, Nancy and Charles Jones' son has been named Kirk Michael. He was born in an Amarillo hospital Feb. 2, weighing 6 pounds 5 ounces.

Nancy and the baby are just fine, and greeting friends at the Jones home at 115 Elm.

Charles is on the music faculty of Hereford schools and directs the developing school orchestra. Nancy has been a music teacher in the schools too, organist at the Presbyterian Church and a frequent accompanist for soloists in various public appearances here.

After treatment in an Amarillo hospital for back and neck injuries from a freak accident, Mrs. Jack Ward Jr. has returned to her home 10 miles north and east of Hereford.

She could be called a victim of the bad winter weather, as she was injured when her car ran into a herd of cattle loose on the road, and overturned when she braked sharply. The accident happened after dark so she could not see the straying cattle.

There have probably been more accidents from the same cause this winter, with storms that let cattle escape from pastures. At any rate there have been lots of ads for straying cattle.

COLLEGE HONOR LISTS keep coming in with names of

Hereford students, just the kind of news we like to get.

The J. Howard Watsons of 121 Beach were notified that their son, Joe, who will graduate in June from the Air Force Academy, was on the dean's, the commandant's, and the superintendent's honor rolls for the fall semester. There aren't any other honor rolls at the academy or he would probably be on them too!

Alesia L. Ragsdale made the dean's list at Eastern New Mexico University at Portales, as she has each semester she has been there. She is the Mack Ragsdales' daughter.

THERE WERE 11 FROM Hereford on West Texas State University's honor roll, including Rebecca Morgan, daughter of the Myron Morgans, with a perfect 3.0 average. She is a soph at WT. Her sister Martha, a senior, also made the list.

Other honor seniors are James Simpson, Joe Angel and Beverly Bryant. Juniors listed were Dan Hall and Bettie Thompson. The others are freshmen, Roxanne Schwertner, Marcia Tiefel, Larry Roberts and Hilrey Aven.

Five WT students were fall initiates into the Mary E. Hudspeth honor society. They are Jane Zinser, daughter of Mr. and Mrs. Frank Zinser Jr.; Billy Poarch, son of the J.D. Poarches, both juniors; also sophomores Brenda Saul, daughter of the Kelly Coplins; Shera Hammett, whose parents are the Edward Hammetts, and Rebecca Morgan.

Woman's Funeral Today

Funeral services for Maria Santos Gavina, 20, of 902 S. Main, will be conducted at 10 a.m. Monday in St. Anthony's Catholic Church by the Rev. Aedan Davis, associate pastor. Burial will be in St. Anthony's cemetery by Gilliland-Watson Funeral Home.

Mrs. Gavina died at Laredo. The body will lie in St. Joseph's Hall from 5 p.m. today until the time of the funeral.

She was born Nov. 26, 1952, in Arizona and married Marin Gavina Jr. in Hereford in 1969. Survivors are her husband, two sons, Freddie and Marvin, and her parents, Mr. and Mrs. Lusavio Pralez of Kansas City.

Photos Suggest Flower Language

Color photographs of flower arrangements to illustrate the program title, Language of Flowers, were shown by Mrs. O.G. Hill Sr. as she spoke to Hereford Garden Club Friday afternoon in Pioneer Gas Co. Flame Room.

Interpretive designs were featured, one using lighted glass tubes with the flowers to emphasize the idea of motion, the general language of nature. Eyegreeps made another arrangement with the message of forest preservation, and another used Dutch iris, bird-paradise and orchid blooms to depict the language of birds.

The slides were supplied by the National Council of Garden Clubs. Announcement was made that Texas Garden Clubs will entertain at the Council convention this spring in honor of Mrs. Howard Kittell of Dallas, who is to be installed as national president.

A proposal to time the formal opening of the club's garden center with the city's observance of its 75th anniversary

next summer, was discussed by members.

Sale of cherry pies at Sugarland Mall on George Washington's birthday was planned as a fund-raising project. Mrs. R.L. Wilson reported on the current issue of Lone Star Gardener magazine, giving suggestions for cultivation of poinsettias.

Mrs. John Jacobsen Jr. and Mrs. A.L. Manjeot were hostesses who served refreshments to 18 members.

Sue Shirley Wins Scholarship

Sue Shirley, a Hereford student at Texas Tech, has been selected as one of six girls in the state to receive scholarships from Texas Home Demonstration Association. The six were chosen from 13 district winners, with judging based on their 4-H Club records.

Miss Shirley received a scholarship last year from Standard Oil Co., also for her work as a 4-H member in this county. She is the daughter of

Mr. and Mrs. J.B. Shirley, south of Hereford.

Judges from the state organization giving the scholarship, will visit in the Shirley home March 2 in a tour to homes of the six winners. After this tour they will decide the size of the scholarship to be awarded to the Hereford girl. There are three \$500 scholarships and one each for \$300, \$200 and \$100.

(See Stories Inside Pages This Issue)

...They're Engaged

Miss Peggy Schmucker
...bride-elect of Larry Allen Barker

Miss Donna Jean Flesher
...plans April wedding

Miss Noel Louise Sims
...fiancee of John Hagar

Miss Mary Margaret Martin
...to marry in March

JOINS FRATERNITY—Mona Gale Gibson, sophomore at West Texas State University, has been initiated into Zeta Tau Alpha, national social fraternity, Delta Eta Chapter. Miss Gibson is the daughter of Mr. and Mrs. Wilbur D. Gibson of 122 Liveoak. She is a member of the WTSU Choir and was named Miss Congeniality in the Miss WTSU Beauty Pageant.

Wedding Planned

The engagement of Donna Jean Flesher to Dale Morgan is announced by her parents, Mr. and Mrs. Leland E. Flesher of 208 Star. Morgan is the son of Mr. and Mrs. Jerry Noel of Pampa. Miss Flesher a graduate of Hereford High School, is employed at Holly Sugar Corporation. Morgan attended the University of Texas at Arlington and is employed by Armour and Company. Vows will be exchanged April 14th at the Avenue Baptist Church with Rev. Roger Wheeler of Amarillo officiating.

To Marry In April

An April 13th wedding is planned by Miss Peggy Schmucker and Larry Allen Barker. The engagement is announced by her parents Mr. and Mrs. Alvin Schmucker of 227 Ave. E. The wedding is planned to be in St. Mary's Church in Amarillo. Barker, son of Mr. and Mrs. D.B. Barker of Amarillo will graduate from West Texas State University this spring.

Couple Engaged

The engagement of Miss Noel Louise Sims to John C. Hagar is announced by her parents, Mr. and Mrs. George T. Sims. Hagar is the son of Mr. and Mrs. W.P. Hagar. An April wedding is planned. Miss Sims is a 1972 graduate of Brooks College for Women in Long Beach, California, and Hagar is a 1970 graduate of Hereford High School.

To Repeat Vows

The engagement of Mary Margaret Martin, daughter of Mr. and Mrs. Quentin Martin of 124 Nueces, to Danny Neil Thompson of Hartley is announced by the parents of the bride-elect. The marriage is to take place in the Presbyterian Church here March 17. Miss Martin, an employe in the American Quarterhorse Association office in Amarillo, attended West Texas State University after graduation from Hereford High School. Thompson, son of Mr. and Mrs. Jack Thompson of Hartley, is a student in WTSU and a graduate of Hartley High. The couple plans to make a home in Amarillo.

Convention Plans Begun By Women

Planning began for a convention here in April, when St. Anthony's Women's Organization will be hostess for the spring meeting of the Diocesan Council of Catholic Women, as members of the local group met Thursday evening in St. Anthony's Parish School auditorium. Election of a new president to fill an office vacancy was another item of business. Mrs. E.N. Reinart will serve the remainder of the term of Mrs. Rita Hoffman, who is moving to El Paso.

Dressed in hippy garb, Allan Brockman acted as auctioneer in a fun-filled sale of handmade articles sponsored by the ways and means committee.

The Rev. Boniface Riedmann, pastor, was the speaker, stressing parents' responsibility to uphold their own ideals in rearing their children.

Plans were made to serve lunch Feb. 15 at the John Kalka farm sale, and members were reminded to save coupons from food products to buy tableware for the school cafeteria.

Mmes. W.S. Reinauer, Ed Loerwald, Elmer Reinart, Mark Banner and Ed Reinauer were hostesses who served refreshments to 32 members

HIPPY AUCTIONEER—From his unkempt hair to his sandaled feet, Allan Brockman was a convincing hippy figure as he added fun to a fund-raising auction at a meeting of St. Anthony's women Thursday.

Mr. and Mrs. T.L. Sparkman... long-wed oldtimers

60-Year Married Couple Celebrate

A marriage performed while Lora Ellen Springer and Thomas Lester Sparkman sat in a buggy in front of the minister's home Feb. 9, 1913, will have its 60th anniversary celebrated with a family gathering this afternoon.

Children of the Sparkmans, who have lived near Hereford since 1917, with other relatives residing in this area will meet at the couple's home for an informal anniversary party. There will be an anniversary cake made by a granddaughter, Mrs. George Zetsche, its three tiers iced in white and decorated with pink sugar carnations. Fresh carnations will center the table where punch and coffee will be served.

Mr. and Mrs. Sparkman both grew up near Childress and their marriage took place there with the Rev. Mr. Osborn, a Baptist minister, officiating. They moved to Castro County in the fall of 1917 and farmed in the Jumbo community.

They moved to a home south

of Hereford Nov. 25, 1954, when Sparkman retired as a farmer and rancher. Their move to the Plains from Childress County was made about the time the Model T supplanted the covered wagon for travel Westward; both types of vehicle were used by the Sparkmans and the family of her brother, the late W.A. Springer, on the trip.

Mrs. Sparkman is a native of Arkansas, born Oct. 5, 1894, at Sidney, Sharp County. Her parents were Mr. and Mrs. G.F. Springer and the school and community where she lived in Childress County was named for the family. She is the fifth of the Springer children to live to celebrate a 60th wedding anniversary; another sister observed a golden anniversary last year.

Born at Rio Vista, Johnson County, July 20, 1890, Sparkman is the son of the late Mr. and Mrs. G.W. Sparkman.

Children of the couple are Mrs. Owen Andrews and T.L. Sparkman Jr., both of this community.

Most of the grandchildren live here, also. They are Mrs. Herbert Bruns, Mrs. Zetche, Clark and Joe Andrews, Glenn Andrews of Carthage, Mo., Mrs. Eugene Baldwin, Mrs. Jerry Richardson of Hollywood, Fla., and Tommy Sparkman. The family includes 24 great-grandchildren.

Sisters of Mrs. Sparkman are Mrs. D.B. Roberson of Hereford, Mrs. Lyvie Johnson of Hale Center and Mrs. R.A. Gilliam of Merten; her brother is Earl Springer of Hereford. Tolbert Sparkman of Electra is the brother of Sparkman.

Past Matrons-Patrons Of OES Are Honorees

Past matrons and patrons of the Hereford Chapter, Order of Eastern Star, will be honored in a special program at the February meeting at 7:30 p.m. Tuesday in the Masonic Hall, Mrs. Arthur Clark, worthy matron, announces.

Many of the members who have held these offices since the chapter was constituted Jan. 18, 1902, are still active in the order here. Mrs. A.A. Johnson was the first worthy matron of the Hereford group, with Frank Dyer as worthy patron. Bernard Roberson is currently serving as worthy patron.

Children Host Anniversary Celebration

Mr. and Mrs. Lester Wagner recently celebrated their silver wedding anniversary with a mass at St. Anthony's Church followed by a reception at the Knights of Columbus Hall.

Hosting the occasion were the couple's four children, Ronnie, with his wife Suzy, David of Hereford, Joanne and Mary Kay of Amarillo.

The couple married Feb. 9, 1948 in Amarillo at the Sacred Heart Cathedral with Monsignor John Steillage officiating. Mrs. Wagner is the former Viola Gobel of Amarillo. They moved to Hereford after their marriage, and now live at 244 Centre.

Others assisting the children as hosts were Messrs. and Mmes. Allen Brookman, Henry Kuper, Mark Koenig, Carl Last, S.T. Loerwald, Sam Patterson and Edward Shilling.

Also Messrs. and Mmes. Joe Schumacher, Leonard Walterscheid, John Warren, Walt Warren and Arnie Husmann.

Out of town guests were the Ed Mitchell, Robert Abrahamson, and William Muzzucco families of Dallas, Mr. and Mrs. Gerald Wagner and family of Grand Prairie, Kenny Roberts, Mrs. Dorothy LaBlanc and children, Messrs. and Mmes. John Gabel, Don Gobel, Dick Gobel, Montie Frazier, Mike Dudek, Clyde Wagner, Don Wagner and families, all of Amarillo.

Also Mr. and Mrs. Alfred Reinart of Dumas, Mrs. Helen Backus, Messrs. and Mmes. Earl Backus and Lawrence Wagner of Nazareth, Mr. and Mrs. Keith Wagner of Pampa and Mr. and Mrs. Jim Gobel of Panhandle.

GIFT TO LIBRARY—An addition to Deaf Smith County Library's section of books on Texas, shown in background, was presented to Lorene Newman, librarian, this week as a gift from the Hereford Chapter, Young Homemakers of Texas. Mrs. Frank Daniel and Mrs. Jackie Stallings represented the chapter to present the volume, titled Women of Texas.

Club Has Talks On Service

Services performed by volunteers in Deaf Smith County Red Cross Chapter were described as an overall picture of the program was sketched for Simms Study-Craft Club members Wednesday afternoon. Mmes. Julian Perrin, Tommy Blasingame and Emmitt Young were hostesses.

Genevieve Miller, executive secretary of the chapter, and Mrs. Andrew Kershen, a past president of the Uniformed Volunteer Group, were guest speakers at a meeting in Simms Community Building.

Mrs. Miller explained the various phases of Red Cross service in the county, including aid to families of men in military service, summer swimming classes, first aid and home nursing instruction, disaster relief and junior Red Cross activity.

Mrs. Kershen spoke specifically of the Uniformed Volunteers, who give personal service to nursing home residents, shut-ins and others needing their aid. She and Mrs. Miller answered questions from the interested club members after their talks.

A cash contribution to the Red Cross was voted in the business session, with Mrs. Terry Creitz presiding. Mrs. Young was appointed chairman for this month of the committee which serves meals to the Simms Lions Club.

Also present were Mmes. Willis Duggan, Morris Blankenship, Oliver Wann, Dan

Gusman, John Brorman, Ray Brorman, Jerry Roberts, Toby Cunningham, Robert Lloyd, Leland Burns, Edgar Hartley and Lawrence Jackson.

They will be on display for one month.

One-Man Art Show Set At Music Stand

A one-man art show, featuring exhibits by County Sheriff Travis McPherson, will go on display today at the Music Stand. The display is open to the public and persons are invited to drop in and look at the works. McPherson will have some 20 exhibits at the Music Stand.

Scenes Of Orient Viewed In Club

Peaceful and beautiful cities of Southeast Asia, pictured on a trip taken by Mr. and Mrs. V.O. Hennen in 1969, were among the scenes shown by Mrs. Hennen to Callopiian Study Club Thursday evening with the comment that war has changed some of them sadly.

Mrs. Hennen was a program guest, introduced by Sue James to show pictures brought back from the tour of the orient. She spoke especially of Phnom Penh, capital of Cambodia, which is still the locale of battles, saying that the Hennens found it one of the most charming spots on their trip.

Other views were from Japan, Taiwan, the Philippines, Malaysia, Thailand, Hong Kong and Singapore. The club met in the home of

Mrs. Irving Alexander. In the business session Mrs. Tom Kendrick, president, announced that the next meeting, Feb. 22, will be in Mrs. Emmett Milburn's home and members are invited to bring antique items to be evaluated by Mrs. Aaron Hutto, who will be the guest speaker on Antiques. Those present included Mmes. Ansel McDowell, Gene Parsley, Hazen Woods, C.J. Crump, D.C. McWhorter, E.W. Dettman, Keith Simmer, A.T. Mims, Dale Furr, George Warner, Millard Nobles, D.W. Palmer and John Gilliland.

Mexican Supper Served

A Mexican accent was given to Valentine decorations at a party where La Madre Mia Club members entertained their husbands Thursday. Each member prepared a dish for the Mexican supper which was served in the Flame Room of Pioneer Gas Co.

Red cloths covered the tables, and the long buffet table had a centerpiece of wrought iron candelabra with red tapers and a matching birdcage holding an arrangement of hearts and flowers. More of the red blossoms decorated quartet tables.

Games of Mexican dominoes were played after supper.

Hostesses were social committee members, Mmes. Waldo Baxter, W.E. Sparks, Dick

Geries and James Gentry.

At the party were Messrs. and Mmes. Dave Honea, Dave Honea, Roger Williams, C.D. Adams, Ben Scott, Charles Frye, Richard Ward, Lynton

Allred, Wayne Lady, Don Walser, Craig Smith, Jimmy Anderson, Don Lane, Dean Herring, G.C. Merritt, Bud Snyder and Bobby Owen, and the host couples.

Husbands Guests For Dinner

An annual party for Victory Class of Avenue Baptist Church, a sweetheart dinner with members' husbands as guests, was given in Dickies Restaurant Thursday evening.

Red candles and Valentine symbols decorated the tables. After dinner the group was entertained with games of 42.

Places were laid for Messrs. and Mmes. Bill West, G.W. Duncan, Herman Hendrix,

Carlyle Sargent, James Welch, Bill Wall, C.E. Coleman and Johnie Townsend.

MORE REFUGEES

Despite the installation of lethal booby traps along the East-West German border, the number of East Germans who crossed the barriers rose from 832 in 1971 to 1,245 in 1972, according to a recent report from Bonn.

FEBRUARY BIRTHDAYS—The birthday party at Westgate, unit of Kings Manor Retirement Home, was given by the Dawn Music Club. As a program for the party, skits from Hee-Haw were performed. Residents with birthdays are from left Mrs. Mary Banks, Mrs. Vera Wilks, Floyd Campbell and Mrs. Lula Cantrell. Not pictured are Mmes. Ann Pearce, Bernie Clark and Fiore Hitchcock.

Witchcraft Club's Topic

Witchcraft, a belief once held so seriously that religious groups burned persons accused of its practice, then dismissed as a superstition, and lately revived as a cult which has received much publicity, was the program subject for Hereford Study Club Thursday evening.

Paul Abalos was the guest speaker at a meeting in Mrs. Roy Hartman's home with Mrs. J.W. Witherspoon as co-hostess. Mrs. Bob Word arranged the program.

The speaker explained various beliefs about witches, particularly the brujera, or witch in which many Spanish-Americans have implicit faith.

Mrs. Don Robinson, president, appointed a com-

mittee to nominate officers for the annual election at the next meeting, a Valentine party Feb. 15.

Also present were Mmes. Sam Long, Bob Poston, Tommy Braddy, R.N. Yarbro, Noble Howard, Art Stoy, Cawthon Bryant, Ed Wilson Jr. and B.F. Cain.

AGGIE MOTHERS TO MEET

A called meeting of the Aggie Mothers Club will be held at 4 p.m. Thursday in the home of Mrs. Raynold Herr, 103 Aspen. Mothers of Texas A & M University students in this area are invited for this business session.

By the Garden Gate

With Glad

By Mrs. Art Manjeot

There are many wonderful things related to traveling and visiting with loved ones. Meeting new people, making new friends, seeing the interesting things, learning about how others live and pursue the right to happiness.

Perhaps the nicest things of all, almost, is coming home. The past five weeks I was honored and blessed by meeting many lovely, prominent, talented and gracious people, one of which is an ardent gardener and flower arranger.

Really if I should give her a title it would be the Orchid Lady. She was born and reared in Virginia. By example and precept she exemplifies the true graciousness and charm of a lovely southern belle.

Is talented in so many ways, and no one could ever count the ways that she shares with others, and permeates beauty and happiness, a person of many hobbies, and one who always has time to give a helping hand whether it is to paint a picture, make an arrangement or corsage, decorate for an occasion or share her plants. She is an avid orchid grower and a gracious hostess.

While in Ft. Lee, Va. the Manjeots were guests in her home and also were given a tour of her orchid hothouses. While in the florist business she purchased three orchid plants and started growing orchids as a hobby.

She now has two hothouses and 1300 orchid plants. Lloyd Jr. quickly whispered to me that she had increased her number of plants in the years she had them to 1297.... he thought that was great and at once wanted to know how she acquired so many.

Some of the increase was acquired by transplanting and others were added by purchasing new varieties and types. Mrs. Heffington, affectionally known as Thelma, took time to explain that much of her increase was due to transplanting and dividing, and that soon she would be dividing many of her plants.

When the pot or container is filled full of roots and the plant starts to make veinings and increases on the outside of the pot, then it should be divided. Many of hers when divided will yield three or more new plants. When she explained this, Lloyd Jr. readily said, "Mrs. Heffington, please let me help you in transplanting and dividing. I would sure like to learn and share with you this job." Mrs. H. readily agreed to call him and that she would be delighted to have him assist in this chore.

The botanical name of the orchid is orchidaceae, and the genus or types which we saw were cattleye, paphiopedilum, oncodium, phalaenopsis and vanda. She does not grow the cymbidium, because they make larger plants with long branches, thus needing more room.

As we strolled through the greenhouses we each picked out a favorite. Rosemary selected a two-tone of deep lavender and gold, it was a cattleye and of the variety melvern luminosa aurea. A beautiful, beautiful orchid.

Lloyd Sr. thought the lady slipper, which is the common name of the paphiopedilum, in shades of green with accents of yellow, unique and beautiful. Lloyd Jr. liked the yellow and brown blend of the oncodium. My selection was a small white waxy one named little angel. One could not fail to mention the beautiful, fragile, exotic white cattleyas.

While visiting at Ft. Lee and attending various activities, I saw many of the lovelies from Mrs. Heffington's greenhouses used in arrangements and given as corsages.

The following is some of the information which she shared with me when I told her that I had some friends which were

interested in orchids. **GROWING ORCHIDS IN THE HOME:**

The ideal growing area in the home is a bright window, free from drafts, where plants receive direct sunlight both morning and afternoon. Plants should be protected from the burning mid-day sun in summer.

Light intensity should be between 1500 and 2000 candlepower, depending upon the season of the year and the latitude. If grown in a glasshouse it will be required to reduce light intensity by shading.

If one starts with a budded plant it should be placed in a bright window until three days after blooms open, to allow them to "harden" and be long lasting. In extremely cold weather, plants should be moved back from the window to provide protective air space against the deepfreeze of the window pane.

Humidity is a needed factor in growing orchids. To aid in providing this, plants should be grown on layered pebbles in water-filled trays. The evaporation of water provides humidity. Pebbles increase attractiveness to the potted plants and aids in drainage.

In the glass-house Mrs. H. sprays the orchids daily to aid in furnishing humidity and to keep plants clean. Accumulated dust closes pores through which plants breathe.

Temperature is an important factor in the growth of orchids. The ideal minimum temperature is 60 degrees at nights and 70 degrees high during days. This can deviate some, but exercise care in correct temperature.

Lighting requirements are very important. If possible, it is suggested that orchids be grown under artificial lights. If light is not sufficient from the window or other placement. Length of light should be carefully watched.

If a plant is allowed to be in a continuous light area for over 14 hours a day, the blooming of the plant will be harmed. However after bloom, light intensity or duration has no effect on orchid plants in bloom. Move to a place where it can be most enjoyed.

Water is another essential for orchid growth. All types require an abundance of water. Water from the top soil of the potted plant. An abundance of water will aid growth, and much of it will drain through the hole in the bottom, however much of the moisture will be retained by the absorbent potting mixture.

When the soil is harsh and dry, then Mrs. H. uses bark chips for her plants in the greenhouses. The bark requires more water than other potting media. Clay pots will require more water than the plastic pots.

Plants like a drying out period between waterings, this is the time when moist air circulates about their epiphytic roots.

If one must err in watering, err on the dry side (many

potted plants are killed by over-watering). All orchids should have a thorough dunking three times a year for 15 minutes.

Feeding is important. Feed frequently but lightly. Use any soluble orchid plant food. (Mrs. H. recommends Rapid-Grow.) Apply once a month, adding the plant food to the water. Orchids potted in bark must be fed regularly.

Orchids do not require a large amount of cultural service. They are free from plant pests and almost never need spraying. Malathion can be used if pests are sighted, however usually a damp cloth moistened with warm soapy water will remove the pests from the plant.

Plants should be repotted about every two years. Do not expect much beauty from the plant, the exotic beauty is the bloom. Above all enjoy your orchids while in flower. Share with others. Groom plant when the flower has faded and died, then remove plant to growing area.

Some of the names of plants which Mrs. H. grows are end alba, General Patton, Elissa, aquila, Luella Parsons and Louise Georgette. Most of these named are cattleyas.

She said "have new enjoyment, grow an orchid, and have the thrill of the exotic blossoms."

After seeing the hothouses, we enjoyed visiting in the home of Mr. and Mrs. Heffington. Another thrill was seeing the beautiful antiques and heirlooms which graced the lovely home.

GARDEN HINTS: If shrubs seem brown and a bit lifeless, check on the moisture. Most of the damage on them is caused by wind burn. When new growth starts in the spring the burned brown portion can be pruned away.

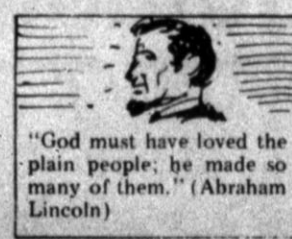

Plants which were not well established before the cold, windy, snowy weather, may need extra attention and some plants may be lost. Some of my new boxwood plants are a bit lifeless.

Save your peels from citrus fruits, cut them into small pieces, and place in trenches at the base of the evergreen shrubs, especially the boxwoods and other acid loving plants.

Have fun by planning and plotting new garden beds, and list some of the new introductions for additions to the gardens.

Tumble weeds and other trash blown in by the winds should be removed and disposed of. They can cause fire hazards.

HAPPINESS IS: Thinking and planning ahead with expectation and faith.

"God must have loved the plain people; he made so many of them." (Abraham Lincoln)

Texas Was First Home

Newcomer From Nebraska 'Glad To Be Back'

BY LORI HOPSON Staff Writer

"I think we're going to enjoy our stay here in Hereford," says Mrs. Norman Goodfellow,

newcomer from Gibbon, Neb., "I find the people very friendly here, and my family is from Texas, so I'm glad to be back."

The Goodfellows moved to Hereford in September of 1972,

when Goodfellow received a transfer. He is employed with Continental Grain Corp.

Though they moved to Hereford from Nebraska, Mrs. Goodfellow says the family has

lived in many different places through the years. Mrs. Goodfellow met her husband, a native Canadian, while they were both attending school at Weatherford Junior College. As soon as they finished their two years there, they were married and moved to Calgary, Alberta in Canada, where Goodfellow was employed by the bank of Montreal.

"Everything's so beautiful there," she says of Canada, "Everyone has so many flowers planted, and we were near Banff, where there are beautiful mountains and scenery."

After Calgary, Goodfellow was transferred to Montreal, Quebec, and then the family moved to Weatherford, which is Mrs. Goodfellow's home. From here, they moved to Kansas City, Kansas, where Goodfellow became a U.S. citizen, and then to Nebraska.

"There are a lot of Americans living in Canada," she says, "and I found it a friendly place. All my husband's friends made me feel at home, and his parents lived there, too. They all made me welcome." She

adds that her husband's mother is still a resident of Calgary.

"We're hoping that she will be able to come down here for a visit this summer," she says.

Mrs. Goodfellow is a member of Hereford TOPS club, and lists "reading inspirational books and cooking" as her hobbies.

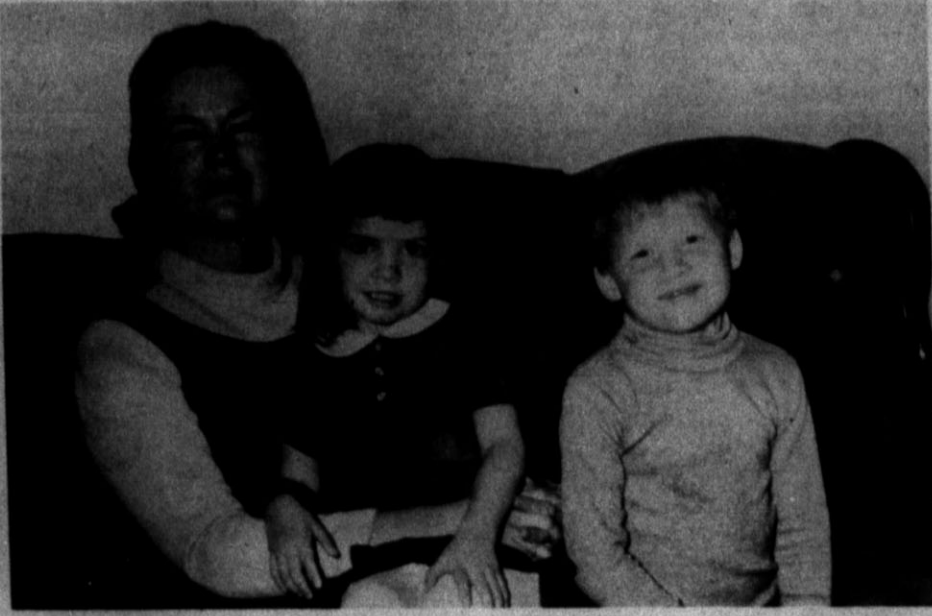

"The most important thing in my life," she says, "is that I'm a born-again Christian. God supplies my every need." The family attends Christian Assembly Church.

Goodfellow was a member of the Elks Lodge and Jaycees in Nebraska, although his wife says he has not yet joined the groups here.

"His hobby is fixing things around the house—he's a really good fix-it-up person," says his wife.

Three children; Mandy, nine; David, six, and Christy, four make up the Goodfellow family. Manfred, a border collie whom Mrs. Goodfellow describes as "a little tacky", has also been with the family for a number of years.

Mrs. Goodfellow says the family likes to travel as a group, but says the favorite recreation at the Goodfellow home is simply "enjoying each other's company at home."

Mrs. Norman Goodfellow...with daughter, Christy and son, David

Mary Wheeler Is Bride In Ceremony At Church

The wedding of Miss Mary Virginia Wheeler and John E. Linney Jr. was solemnized Saturday evening in the Fellowship Hall of First Baptist Church, with Dr. Gerald Mann, pastor, officiating.

The bride is the daughter of Mr. and Mrs. G.S. Wheeler. Linney is the son of Mr. and Mrs. J.D. Linney of Sioux Falls, South Dakota.

The church was decorated with a golden arch accented with fern and flowers. Matching candelabra stood on either side and white column pedestals with urns of greenery beside them. A long low arrangement of white flowers decorated the piano.

The bride's father gave her in marriage. Miss Pam Hurst of Lubbock was maid of honor with Larry Lindsey serving as best man.

Ushering guests to their seats were Carl Ray Ohlendorf and Mike Linney, brother of the bridegroom. Wedding selections played by Mrs. J.D. Peeler, pianist, were Traumerel, Walk Hand In Hand and More.

The bride was gowned in a floor length organza dress over bridal taffeta. It was designed with a high neckline and empire waist, with long Camelot sleeves and a soft full skirt.

Inserts of re-embroidered Venice lace, enhanced with white velvet ribbons, complimented the bodice and sleeves of the gown.

A lace-edged illusion veil, extending to the floor, completed the gown. The bride

carried an all white cascade bouquet with cymbidium orchids, stephanotis and white carnations.

Miss Hurst wore an empire style purple dress with white chiffon bodice and full cap sleeves. She carried a nosegay with lavender and white daisies and purple velvet streamers. In her hair she wore a matching bouquet with baby's breath.

The reception was also in the fellowship hall with Miss Jenene Herrington, cousin of the bride, inviting guests to register.

Mrs. Stan Sigman of Lubbock, sister of the bride, served the four-layered white cake. It had two sets of columns with white icing and decorative flowers in shades of purple with green leaves.

Mrs. Pat Gallagher, another sister of the bride, served punch from a table covered with a white cloth, an arrangement of purple flowers in the center.

Others assisting with the reception were Mmes. J.P. Jones, Ray Todd, Ed Line and Lynn Kester.

The couple left for a wedding

trip to Dallas with the bride wearing a green and white pantsuit and blouse with a yellow knit shrink to complete the costume.

The couple will be at home after the wedding trip, at Arlington where the bride will continue to go to school after transferring from West Texas State University.

The bridegroom is a graduate of Arlington High School and is now a junior at the University of Texas at Arlington and employed by IBM.

Sale Date Is Set

A bake sale was scheduled for May 12 in Sugarland Mall by Sweet and Fancy Decorating Club, at a meeting in Community Center Friday morning. A program on Gum-Paste Molding was presented.

Mrs. Loyce Driver was a visitor, and members present were Mmes. Jim Garner, Dale Henson, Joel Lytal, J.O. Norred, Lynn Pittard, Gary Duggan, LeRoy Edwards, Neil Foster and Pat Hogan.

Comings and Goings at King's Manor

Mrs. Effie Mills, Mrs. Bessie Peacock, Miss Eva Blakemore, Mrs. Francis Easley of Amarillo were visitors of Mrs. Stammer and Mrs. Higgins of Westgate and Mrs. Ethel Curry at King's Manor last Saturday.

H.J. W. Gauggel of Birmingham, Ala. and Carl Gauggel of Ft. Worth were guests of their mother, Mrs. H.J. Gauggel of King's Manor, last Saturday.

Dinner guests of Mr. and Mrs. Otis Naylor on February 4 were Mr. and Mrs. John Tucker, Lori and Valerie of Clarendon.

Beulah Wright and Emma Jean Smith went to Plainview Monday on business.

Weekend guests of Emma Jean Smith were her brother, the Rev. A.A. McCleskey, and his daughter, Mrs. Bob Harship of Stanton, and Miss Mildred Savoie and her father from Plainview.

Maggie Hamilton, Gladys Lair, and Mamie McGowan were hostesses at a tea in Mrs. Hamilton's apartment Wednesday. About 25 guests were served almond-tea and tasty tidbits. The favors were boxes of raisins.

Westgate Nursing Home was the scene of a splendid program on Wednesday afternoon presented by the Dawn Music Club. The following residents were especially honored

Cancer Film Presented At Meeting

Questions after a film on cancer was shown to Cultural extension Club Friday afternoon, indicated interest of the members in the subject. Kay Acton and Mrs. Alex Schroeter showed the film at SWPS Reddy Room and the former, a registered nurse, answered questions.

Types of cancer most dangerous to women were explained, with the value of breast self-examination and regular medical examinations including Pap smear tests.

Mrs. Art Lewis was the club hostess. To open the program, Mrs. M.H. Wiseman gave a reading, Five Things In Life.

In addition to the program guests, Mmes. Ira Ott, E.M. Cox and H.D. House were welcomed. Members present included Mmes. J.G. Gandy, Paul Corbett, Grady Parsons and M.W. Sumner.

program, opened by a take-off on Hee Haw by Mrs. R.E. Curtainger, put everyone in a merry mood.

The southern gentlemen as grandpa, played by Mrs. Carl Wimberley, recalled memories of respect and admiration for that age. A solo, Second-Hand Rose, by Mrs. Carl Kleskins, accompanied by Mrs. Gerald Parker, contributed to the fun.

A skit, Amos and Andy was presented with interesting costumes. The dialogue by Mrs. Gerald Parker and Mrs. Pat Miller, accompanied by Mrs. Robert Strain, brought to mind the popular radio program of yore. A birthday prayer by Mrs. H.B. McCabe brought the last note to a delightful afternoon.

As we were busy with the Martha chores, we didn't hear all the presentations. From all reports, the program was well received. When asked how many had heart problems, approximately

Healthy Heart Rules Reviewed

By Argen Draper

Home Demonstration Agent

A STANDING ROOM ONLY crowd attended the Healthy Hearts Seminar. Approximately 50 from Deaf Smith County were numbered among the 552 who heard a wonderful program.

As we were busy with the Martha chores, we didn't hear all the presentations. From all reports, the program was well received.

When asked how many had heart problems, approximately

half of the audience stood. The risk factors: high blood pressure, neglecting regular physicals, diet high in saturated fats, smoking, overweight, little exercise.

A person can violate one or two of the rules for good health and possibly luck out but there's no way of escaping if most of the rules for a healthy heart are ignored.

The number of heart surgeries could be greatly

reduced if the nutritionists and doctors can teach families good health rules.

For years we've heard people attempt to get Dr. Mona Lamb approve a fad or crash diet and diet foods. She was clever as ever and kept answering that people should be reasonable and eat and live in moderation.

Dr. Lamb says diets should get calories from 35 per cent fat, 15 per cent protein and the other 50 per cent from carbohydrates-potatoes and bread or sugars.

Things went well until the speakers got off subject matter and got to meddling with personal business like smoking and over-eating. Also, excessive coffee drinking.

Overweight more than 20 per cent is dangerous and also more than five cups of coffee daily. A

The Sunday Brand, Hereford, Texas, combination of smoking, overeating, excess coffee drinking and no exercise was really frowned upon.

BEEF STROGANOFF
Melt in a heavy skillet, ¼ cup butter,

Add and cook slowly until soft ½ cup minced onion.

Add 1 pound ground beef, 1 clove garlic, peeled.

Stir until lightly browned. Stir in 2 tablespoons flour, 1 teaspoon salt

¼ teaspoon pepper ½ pound mushrooms, sliced.

Cook 5 minutes. Add 1 can condensed cream of chicken or mushroom soup. Simmer 10 minutes. Stir in 1 cup sour cream.

Heat, taste and add more salt if needed. Sprinkle with minced parsley, chives or dill. Serves 4.

Prince Valiant
IN THE DAYS OF KING ARTHUR
BY HAL FOSTER

Our Story: THE STORM PASSES, BUT THEIR WAY BACK TO THE SEA IS BLOCKED BY A HUGE MERCHANT SHIP THAT HAS RUN AGROUND AT THE RIVER MOUTH. AS ARN AND BOLTARSON WATCH, THE CREW IS REMOVING THE CARGO TO LIGHTEN THE VESSEL.

BOLTARSON IS A SKILLED CAPTAIN, BUT HE IS YOUNG AND GREATLY DESIRES TO PROVE HIMSELF AS A BRAVE AND FIERCE VIKING. HE ADVISES A SURPRISE NIGHT ATTACK.
"TOO LATE FOR THAT," ANNOUNCES ARN, "FOR THEY KNOW WE ARE HERE. I HAVE JUST SCOUTED THEIR POSITION AND THEY ARE EVEN NOW BUILDING AN EARTHWORK."

"BOLTARSON IS OUR LEADER AND IF HE COMMANDS ATTACK I AM WITH HIM TO THE END, BUT THEY OUTNUMBER US AND EVEN IF WE OVERRUN THEIR BREASTWORK THE SHIP IS LIKE A FORTRESS TO BE STORMED. WE MUST BUILD DEFENSES, FOR WE TOO ARE TRAPPED."

THE WARRIORS GRUMBLE. THEY WANT THE FIERCE EXCITEMENT OF BATTLE, BUT THEIR ARDOR COOLS WHEN A HUNTING PARTY REPORTS: "WE SAW SOME FICTS. THEY ARE GATHERING IN THE HILLS—A WAR PARTY—FOR THEY ARE ARMED!"

THERE IS PLENTY OF TIMBER AT HAND AND A STRONG PALISADE IS QUICKLY RAISED.

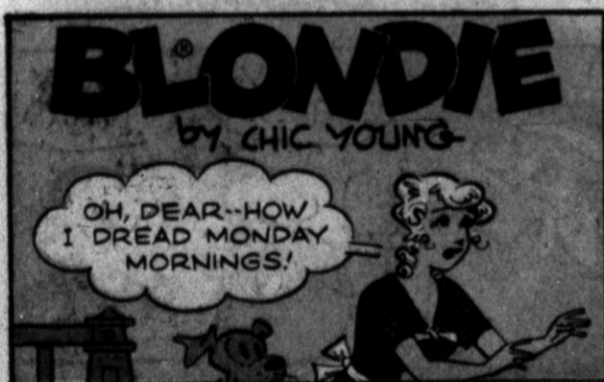

THEN PRINCE ARN AND BOLTARSON, CARRYING A BRANCH SIGNIFYING PEACE, ADVANCE TOWARD THE STRANDED SHIP.

THE CAPTAIN COMES OUT TO MEET THEM, A VETERAN OF YEARS OF TRADING, SHREWD AND DOMINANT. THERE WILL BE HARD BARGAINING AHEAD.

NEXT WEEK—A New Menace

hints from **Heloise**

DEAR HELOISE:
I make nylon yarn strips from my old stockings. One stocking makes about ten yards of yarn. The stocking may be placed over a two-pound oatmeal box (or you can just start cutting them without the box after practice).

Start at the top and cut a strip (spiral fashion) until you reach the foot. Stop there and discard the rest of the hose. I cut my "yarn" about one-half-inch wide. Start winding the stocking into a ball,

stretching as you wind. The outside edges will roll toward the center. Cut out the bad places, and use flat knots to tie them together. This yarn may be used for hot pads, afghans, bath mats etc. Anything that heavy crochet thread may be used for. Tint or dye the yarn any color. (Wait until the entire

thing is finished before tinting or dyeing). It's free, easy to launder, never sours or mildews—and lasts for ages! Mrs. W. W. L. That's quite a yarn if ever I heard one! But I do like it. Any time I can do something clever and creative for free—I'm all for it. Heloise

KEEP IT CLEAN!

DEAR HELOISE:
When we travel I always take along a regular-sized bar of soap because I like to use it when I shower, rather than the tiny ones that the motels or hotels provide. But I also take along the tiny bars in my handbag and when we stop at service stations later I always have soap with me and when finished I

can just discard it. I have found this a great help when traveling. Mrs. J. J.

RECYCLED FOIL?

DEAR HELOISE:
I always love to reuse aluminum foil, but always hated to see those wrinkled pieces in the kitchen drawer. While wiping a used piece with a wet rag on the counter recently, I discovered that I could actually "iron" the foil almost wrinkle free in this manner. I don't know why I never thought to do this before. Then all my used foil could be

folded and placed in a neat stack in the drawer. Be careful when "ironing" your used foil with the wet rag—do it gently to prevent tearing. Nancy Benson

HELP FOR HOMEMAKERS

A QUIET TIME

DEAR HELOISE:
When an electric clock becomes noisy, put a piece of self-stick foam plastic on the back or bottom of the clock. It will deaden the noise considerably.

I put it on the back of a wall clock and on the bottom of one that rests on a piece of furniture.

The wall or furniture acts as a sounding board and makes the noise louder. But the plastic foam breaks the contact of the clock and wood. Sure solved my problem! A Reader

ON THE SICK LIST?

DEAR HELOISE:
When a child is confined to bed or the house with a cold, fill a pretty box, bag or basket with a good big collection of very inexpensive gifts. Each should be marked "Right after breakfast Tues.," "Wed. after your nap," "Thurs. after lunch," etc., so the child has something to look forward to. (If he can

tell time, pinpoint it more exactly.)

I've used this idea for an adult stuck with "bedrest." A paperback book, some fresh cologne, cute notepaper, a puzzle—whatever your friend will find entertaining or amusing.

The idea is that the patient doesn't face all those days of sheer boredom. Spreading the gifts out means they look forward from one day to the next.

Five or ten gifts that add up to five dollars are often

much better than one large gift to someone on the "forced inaction list." I think Mom really appreciates it the most—now that Johnny has something to do while in bed! And, with just a little imagination, the variations are endless for young or old. M. Barnett

And what a delight this would be for a children's ward at your local hospital. Those darlings need all the love and attention they can get from all of us. Heloise

PRESSING PROBLEMS

DEAR HELOISE:
Here's a sewing hint that I use:

When I have finished the darts on both the bodice front and back of a dress and pressing is next, I slip a piece of cardboard under the dart and then press.

This eliminates a mark from the double thickness of the dart on the bodice front, as well as the back.

Ann W.

LETTER OF LOVE

DEAR HELOISE:
I read your column every day or put it aside to read later if I haven't time when the paper arrives.

You have some wonderful information in your helpful column. I have cut out hundreds of your hints and sent them to friends and relatives to whom I feel they are just what the doctor ordered! All brides I know get a thick pack of "Heloise Hints" with their wedding present or card. Many of them are most grateful and think I am wonderful.

I tell them "No, it is Heloise who is wonderful, not me."

May you long continue this wise and wonderful column! A Fan

RIGHT ON!

DEAR HELOISE:
I enjoy your column very much.

A lady wrote to you about how to make a "Memory Cloth." Speaking of them, I have a memory tablecloth that I started some thirty years

ago. Now, my third generation of nieces and nephews are on it! I got them to write big, then I chain-stitched their writing in their favorite color.

I made myself two of these tablecloths and, may I say, with three generations of nieces and nephews, two sisters and many friends, that is a lot of stitching!

A Daily Reader

You had better believe it, those were a lot of stitches, but they were all stitches with love!

When you think of all the memories the names would recall, it would have been worth the time and the effort. Heloise

IODINE

DADDY, HOW COME A LOT OF BIG COMPANIES CHANGE THEIR NAMES... LIKE GASSO IS NOW GAXX... NEW IMAGE I GUESS...

IN FACT BIGDOME WANTS ME TO COME UP WITH SUGGESTIONS FOR A NEW NAME AND SLOGAN FOR HIS COMPANY...

MAYBE I CAN HELP H'MMM... LET'S SEE...

THIS IS FUN... HEH-HEH... BEDTIME, DEAR...

I'M TOO TIRED TO THINK... MAYBE IODINE CAN HELP IN THE MORNING...

NEXT A.M. BIGDOME IS HONKING OUTSIDE! GIVE ME YOUR CHANGE OF NAME PAPERS...

SPY! YOU'VE SIGNED YOUR DEATH WARRANT!

I THOUGHT YOU'D HEAD FOR THIS TANK SOONER OR LATER! NOW COME ABOARD! SAID THE SPIDER TO THE FLY!

DALE?! I THOUGHT... THEY'D BRAIN-WASHED ME? NO... I PLAYED ALONG WAITING FOR THIS CHANCE!

CAN YOU GET US OUT? I WATCHED THEM OPERATE THIS THING! THE CONTROLS ARE SIMPLE! BUT WE CAN'T JUST RUN FOR IT!

WHY NOT, FLASH? YOU KNOW WHAT THEY'RE UP TO! A WORLD TAKE-OVER! AND THIS BASE IS THE CONTROL CENTER.

IF WE HIT THAT POWER STATION FIRST WE COULD SLOW UP THEIR WHOLE OPERATION! YOU HOLD THE WHEEL, DALE, WHILE I MAN THE LASER BEAM!

THERE GOES THE GENERATOR! NOW HEAD FOR THE TUNNEL!

HOCUS-FOCUS

CAN YOU TRUST YOUR EYES? There are at least six differences in drawing details between top and bottom panels. How quickly can you find them? Check answers with those below.

Differences: 1. Shirt collar is different. 2. Fireplug is missing. 3. License plate is missing. 4. Horn is missing. 5. Skirt is shorter. 6. Hair is different.

BULLETIN BOARD

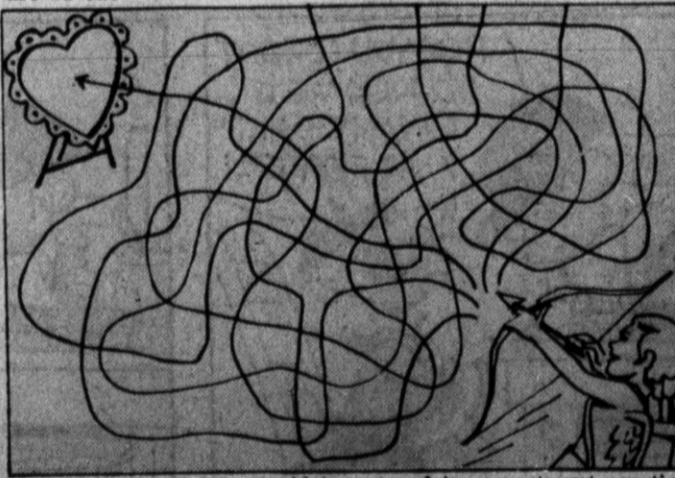

● **LOVE PORTION:** A young man, in love with a girl who was also being courted by a doctor, left town for two weeks. Before leaving, he sent her a gift of apples. Fill blank and explain.

● Which three words of this message form a heartfelt Valentine greeting? CUPID SAYS "HOWDY-DO FROM THE ISLE OF EWE."

● To prove that you have eleven fingers, start counting backwards on one hand: "10, 9, 8, 7, 6"; then hold up the other hand, saying, "and five makes eleven!"

FILL a plastic glass about two-thirds full of water. Cover it with a paper plate; place a second glass atop the plate (see above). Now, permitted the use of one hand (place the other behind your back), and without touching the plate, how is it possible to drink from the bottom glass?

Give up? Here's how: Use your free hand to pull two straight-back chairs together back to back, about 4 inches apart. Grasp lower glass firmly and rest plate on backs of chairs, lowering bottom glass so that you are now free to drink from it.

HIT THE SPOT? Dan Cupid is engaged in some target practice above. Can you guide his arrow to its mark at upper left?

DEAR HEARTS! To bring forth a surprise picture above, simply add the following colors neatly: 1-Red. 2-Lt. blue. 3-Yellow. 4-Lt. brown. 5-Flesh tones. 6-Dk. blue. 7-Lavender.

SPELLBINDER!
