

Local donations pay for new communications system

By BETTY KOELZER Staff Writer

Deaf Smith County Hospital has a new communication system, thanks to local residents who participated in last year's Project Christmas Card.

This annual endeavor of the Medical Auxiliary, initiated in 1968, has provided \$29,222 for new hospital equipment since its origin.

T. E. Seigler, hospital administrator, last week received a check from Mrs. H. A. Cavness, auxiliary member, for

\$2,597.54, resulting from the recent holiday drive.

Another \$400 received during the drive will soon be presented to a graduating senior interested in a medical career. This scholarship is also an annual presentation of the auxiliary.

Seigler will apply the \$2,597.54 to purchase price of the new "beeper system," recently installed in the main nurses' station at the hospital. The total cost is \$3,816.30.

This electronic unit enables

the hospital staff members to contact any of the 10 city doctors, the hospital anesthetist or x-ray technician, who are wearing or carrying their own small pocket-sized receiver units.

Each doctor purchased his own one-way receiver, costing approximately \$300, and the hospital paid for the technicians' units. Two-way units would cost \$800 each, Seigler said.

This method of contact affords the physicians more freedom than before.

"These units free us to go out without constantly calling in to leave telephone numbers, which occasionally we forget to do," said Dr. Gerald Payne of the Family Medical Clinic.

Dr. Payne said the hospital personnel still telephone the doctors' home first whenever the need arises, unless the doctors have left instructions to use the beeper instead. If no one answers the telephone, the nurses then contact the medical beeper.

Trips to the barber shop, meal in a restaurant, night house calls, or times "when nobody else knows where you are," were cited by Dr. Payne as times of usefulness of the units.

It is no longer necessary to call in the number of every stop the doctors make during a day's time.

When calling a doctor with the message unit, the hospital punches the code number of the particular doctor or technician needed, then sends the message

over the air. This message is preceded by a "beep" before the voice is heard. This procedure is repeated twice. The doctors telephone the hospital for contact. If he does not answer the call is repeated within 15 minutes.

Units are effective within a 20-mile radius. More units will be added as needed, Seigler said.

Eventually, the hospital plans to "hook with" an area hospital program, HEAR (Hospital Emergency Area Radio). Northwest Hospital in Amarillo is in

the process of installing such a setup. This will be utilized in times of emergency, such as during or following tornados, Seigler said.

Project Christmas Card, now a local tradition that has caught on in other towns, urges residents to refrain from sending "in-town Christmas cards, contributing the normal amount used for these greetings to the project.

Each year the names of contributors are published in the Hereford Brand. With the ex-

ception of one year, the proceeds from the drive were applied to the purchase of new medical equipment or furnishings at the hospital. The newly built Community Center received the funds one year.

Seigler's records show that equipment purchased since the beginning of the auxiliary's annual drive totals \$49,518, more than half paid for by contributions.

"We could not have possibly purchased this equipment without the help of the interested citizens," Seigler said.

County pays tab for new license office

The passage of a bill to create a criminal District attorney for Deaf Smith County prompted the county commission Monday to begin relocation plans for the State Drivers License Bureau to provide for the office of the criminal DA.

The commissioners agreed to pay the \$125 a month rent on a new office for the Drivers License Bureau in order to have the new criminal district attorney's office situated in the courthouse.

The commissioners also purchased the "Magi Call" telephone devices for use in the sheriff's office and the county judge's office, tabled a proposal from the Hereford Boys Baseball, Inc. for the donation of county land for a new ball park, and approved the use of the county Bull Barn for the Junior-Senior Prom and Banquet.

Because of space problems at the courthouse, the commissioners felt the only solution to finding an adequate place for the new criminal district attorney

would be to move into the present office of the Drivers License Bureau.

The Drivers License Bureau will move to the building on Sampson Street now occupied by the Selective Service Board. The Selective Service Board will remain in the same building, but will move to the back.

In addition to the county picking up the rent, utilities will be furnished for the new office for the Drivers License Bureau.

The move is expected to be completed by May 1 so the county can begin preparing the office in the courthouse for the new criminal district attorney, who will be determined in a May 18 election.

E. B. Bowman, sales representative for Southwestern Bell Telephone appeared before the commissioners with sheriff Travis McPherson to demonstrate a new telephone device called "Magi Call."

The new device, a miniature computer in a small box that is attached to the telephone, enables a person making a call to cut the average calling time from 3 1/2 minutes to less than 1 minute.

"Hereford has been the test city for this area for Bell Telephone for some time," Bowman told the commissioners, "and this new piece of equipment is something we think will really be beneficial to everyone."

The "Magi Call" lists numbers in alphabetical order and a small screen allows the person to find the name and number of the person he wishes to call. A simple touch of a button puts the call through in less than five seconds, thus saving the time of looking for the number in a telephone book then dialing the number.

Additional numbers can be added to the list on the computer with another piece of equipment that is plugged into the computer.

Bowman, who sold two of the units at the courthouse, said he has taken more than 200 orders for the "Magi Call" while in Hereford.

Cost of the new device is \$10 per month.

The commissioners tabled a proposal from Hereford Boys Baseball, Inc. for the use of county property near the Bull Barn for a baseball park.

The commissioners, though taking no action on the matter, said they did not believe they would be able to give the land to the baseball organization because "you never can tell when we might need it ourselves."

Bill Cluskens, Hereford High School senior, appeared before the commissioners in behalf of the junior and senior classes to request the use of the Bull Barn for the Junior-Senior Prom and Banquet. The commissioners approved the request.

The banquet will be held Friday, May 14.

HOSPITAL "BEEPER SYSTEM" - Mrs. Billy (Tillie) Miller demonstrates the sending unit for the new "beeper system", located in the nurses' station, that is now used to contact any of the city's 10 doctors whenever they are needed and are not near a telephone. -Photo by Betty Koelzer

Shuval, judge clash on dismissal ruling

County Attorney Andy Shuval disagreed in county court Tuesday with a dismissal ruling by County Judge H. C. Williams on a matter of law, touching off an angry exchange of words and an apparent near-brush with a contempt of court charge.

The argument culminated with a behind-door discussion between the two in the judge's office.

The judge granted defense attorney Bruce Miller's motion to quash a complaint of driving while intoxicated against his client, Frederico Sanchez, because the complaint was signed not by the arresting officer but by another officer.

Shuval had risen to object to Miller's motion just after it was arisen and the judge finally recessed the court for five minutes to study the law further.

County Attorney Andy Shuval disagreed in county court Tuesday with a dismissal ruling by County Judge H. C. Williams on a matter of law, touching off an angry exchange of words and an apparent near-brush with a contempt of court charge.

The argument culminated with a behind-door discussion between the two in the judge's office.

The judge granted defense attorney Bruce Miller's motion to quash a complaint of driving while intoxicated against his client, Frederico Sanchez, because the complaint was signed not by the arresting officer but by another officer. Shuval had risen to object to Miller's motion just after it was arisen and the judge finally recessed the court for five minutes to study the law further.

"It is the responsibility of the prosecution to have the right person file the complaint," the judge said when he returned to the bench. "Therefore the court grants the motion to quash the complaint."

Shuval rose and began ticking off several things he wished to be noted in the record, saying there was no sworn testimony to accompany the motion to quash the complaint, and that the judge misinterpreted the laws in making his ruling.

City policeman Harvey Robinson arrested Sanchez but highway patrolman Roy Marion signed the complaint. Miller's motion said since Marion was not a witness to the incident, the complaint was invalid. Shuval argued the only requirements on the signer of the complaint are that he is a credible person who has a reason to believe, even on the report of another officer, that the described offense took place.

"Sit down, Mr. Shuval," the judge interrupted. "Sit down. The court has made its ruling. Please adjust yourself to the ruling of this court."

Turning to Miller and Sanchez, the judge said, "You can go now."

"Don't leave town, you can be filed on again," Shuval told Sanchez as he was leaving.

The judge jerked up his head and asked Shuval to repeat what he had said.

"I told him not to leave town, that he can be filed on again," Williams had a deputy bring Miller and Sanchez back into the courtroom and said:

"This is the most ridiculous thing I have ever seen. After the court has ruled, then for the prosecution to say 'Don't leave town. You can be filed on again.' I hope the press reports this. This is what I have to contend with."

Shuval then walked over to where a reporter was seated and tried to say something but the judge warned, "Mr. Shuval, if you have any statements to make, make them outside of the court. Do you understand?" and Shuval returned to his chair.

"I understand only that the judge is able to make statements to the press and the prosecution is not," Shuval answered.

"Mr. Shuval, come in here please," the judge motioned, and both went into his chambers immediately behind the judge's desk. See DISMISSAL Page Two

Hospital bill set for vote

The May 18 election, which will be a low-interest affair in much of Texas, is shaping up to be a big one in Deaf Smith County.

Sen. Max Sherman of Amarillo and Rep. Bill Clayton of Springlake pushed the bill to authorize a hospital district here through the legislature Tuesday and got the governor's signature in time to get the issue on the May ballot.

It was the last day it could have happened. The election to vote on the creation of a hospital district could come no sooner than 35 days after it were called, and 35 days before May 18 was Tuesday.

So the May 18 election slate looks like this: -approval or rejection of five proposed amendments to the Texas Constitution;

-determination of the county's first criminal district attorney; and

-decision on whether to have a hospital district in the county. "It will save us at least \$2,000, probably more, if we can call it (hospital election) for May 18," Commissioner Donald Hicks said Monday, the day before the Texas Legislature was to reconvene from the Easter holidays. A separate election would cost at least that much, he estimated.

Bob Davis of Amarillo, with Columbia Securities Corp., and County Clerk B. F. Cain flew to Austin Monday afternoon to do what they could to coax the bill through final Senate passage and get the governor's signature.

Things went smoothly, and the Senate went into special recess at 3 p. m. Tuesday solely to allow Lt. Gov. Ben Barnes and the secretary of the senate to sign the bill. Gov. Preston Smith then affixed his signature to the bill at 3:55 p. m.

Judge H. C. Williams was standing by for a telephone call from Austin and immediately issued the order for the election on May 18.

If voters decide to create a hospital district, the county commissioners would name a hospital board to oversee the district. A tax of up to 50 cents per \$100 valuation could be assessed, but overall taxes would be lower, since the higher amount needed in county-state taxes for hospital purposes would no longer be needed.

The passage of the hospital bill Tuesday leaves only one piece of major local legislation before the state legislature.

The bill to allow county commissioners to establish a juvenile board has passed the Texas Senate and is before the Texas House.

MALCOLM TALLMON State Jaycee President

Jaycee banquet is Friday

The Hereford Jaycees and their wives' auxiliary, the Jaycee-ettes, will receive their charter Friday night at a banquet in the Civic Club Center.

Members of the Hereford business community and of other Jaycee clubs throughout the Panhandle were invited to attend.

State Jaycee President Malcolm Tallmon of Everman, Tex. is the featured speaker for the banquet, which starts with the buffet serving line at 7:30 p. m. Local officers of both the Jaycees and Jaycee-ettes will be installed at the banquet.

Tallmon, 31, also has served the Jaycees as state vice president, director, and administrative national director in charge of human and environmental improvement. In the past year, Tallmon has traveled more than 200,000 miles crisscrossing the state and nation in behalf of the Jaycees.

He is president of Fortune Industries, a distributor of aircraft and aerospace components. Founded in 1964, the company has 35 employees.

Rick Clayton of Abilene, administrative national director of the Jaycees, is to install officers at the banquet.

Charles Richards will be installed as president of the Jaycees and Mrs. Larry Jackson as president of the Jaycee-ettes.

Other Jaycee officers are Hazen Woods, vice president; Larry Knowles, secretary; Mike Solomon, treasurer; Bill Johnson, state director; Kenney Hagar, director; and Layne Cushman, director.

Other Jaycee-ette officers are Mrs. Harvey Milton, vice president; Mrs. Charles Richards, secretary; Mrs. Jerry Tisdale, treasurer; Mrs. Larry Knowles, director; Mrs. Bill McKinney, director; Mrs. Robert Hay, director; Mrs. Mike Solomon, director; Mrs. Bill Mehgin, director; and Mrs. Terry Hill, state director.

Wreck victim improves

A Hereford woman remained in critical condition, and her daughter in satisfactory condition, in a downstate hospital Wednesday following a one-car accident near Olney last weekend.

Mrs. Howard (Mary) Walker and daughter, Cathy, 13 traveling to Lafayette, La., for an Easter holiday visit with Mrs. Walker's son, Jim Barnett, were traveling on Highway 199, three miles east of Olney.

Mrs. Walker's small foreign station wagon left the highway, hit a culvert and landed in a steep embankment about 300 yards from the road.

Mrs. Walker and Cathy were taken to the Hamilton Hospital in Olney, both with multiple fractures and lacerations.

Reports on Mrs. Walker's condition Wednesday were slightly encouraging although she remained in very critical condition, with severe cuts on the face, broken legs, crushed left foot, and a broken shoulder bone. A specialist's services from Wichita Falls were required immediately for the face wounds.

Cathy was reported to be improved. She had broken ankles, a broken pelvis and minor cuts.

Hospital authorities said Mrs. Walker was unable to be moved to a larger hospital yet. A special services needed will be brought to Olney.

Mrs. Walker, associate director in the Hereford area for Fashion Two-Twenty Cosmetics, is co-owner with her husband of the Walker Studio on West Park Avenue.

Districts 4-4A golfers compete here Friday

The Hereford High School golf team will try to take advantage of the home course Friday when it plays host to the other district teams in the final 4-AAAA match of the year.

The local team shot its second 315 team total last week to maintain its hold on third place in the district standings. Coronado took the lead from Monterey last week at Plainview with a 306 score. Monterey shot a 309 in the second round.

For the season's two matches, Coronado has a total of 607, Monterey a 606, Hereford a 630, Lubbock High a 637 and Plainview a 645. In the Plainview match, Brent Combs shot 78, Blake Arrwine 77, John McNeely 80, James Jorde 82, Dana Rysh 82, John Martin 85 and John Jorde 89.

Jobs scarce for migrant workers

The Texas Employment Commission warns that fewer jobs will be available this year in states which in the past have used Texas migrant farm labor.

Illinois, Indiana, Michigan, Minnesota, Ohio, Wisconsin, Oregon, Washington and Idaho all report an expected drop in migrant job opportunities for this year.

"It is even more important this year to contact the Texas Employment Commission office before you leave for migratory farm jobs out of state," said Lester Rape, TEC office manager.

"This is the only way workers can be sure they will find jobs when they leave Texas. This way, they can know when and where work will be available, what the wages will be and what the working and living standards will be," he said.

Increased mechanization leaves fewer jobs each year for migratory laborers. This year, the economic downturn has made more local labor available and this will cut migrant job opportunities even further.

Last year, many migrants were stranded in other states when they went with "free wheels" crew leaders who handle their own recruitment and employer relations. "A check with the Texas Employment Commission before hand will tell if there are jobs available, and other information about conditions," Rape said.

"The annual Work Plan gives this information through contact with agencies in the demand states."

In 1970, the number of migrants from Texas working in other states declined 30 per cent from the previous year.

PL schedules second try-outs

A second Pony League try-out session will be held Sunday from 2 to 4 p. m. at the Pony League Park.

The second try-out will be for boys who were unable to attend the first try-outs held Monday and Tuesday. Those who attended the first try-outs and did not get drafted to a team, also are urged to attend.

The try-outs are limited to boys 13 and 14 years of age.

Weather

Table with 2 columns: Day and Precipitation. Saturday 83-43, Sunday 82-53, Monday 96-53, Tuesday 65-47, Wednesday 38. Precipitation for year to date, 1.45 inches (all in snow).

Depends on how you look at it!

After Dr. Gerald Mann talked from the First Baptist Church pulpit recently calling for reason over emotion in reaction to the Calley trial verdict, he got several critical letters.

One said only "IDIOT" and nothing else.

The First Baptist Church pastor thought this unusual. "I've received a lot of unsigned letters before, but this is the first time I've ever got one that had just the signature and no letter," he said.

Gene Mayfield is All-Sports speaker

Gene Mayfield, new athletic director and head football coach at West Texas State University, will be the featured speaker at the Hereford All-Sports Banquet in the Bull Barn April 26.

The Monday night banquet will start at 7:30 p.m., Booster Club President Milton Durham said.

Mayfield, one of the most outstanding quarterbacks in the history of West Texas State, returned to his alma mater recently as successor to Joe Kerbel.

Mayfield, in 17 previous seasons as a high school coach at Littlefield, Borger and Odessa

Permian, never had a losing season and took his team to the state championship game four times, winning it once.

The News Service Awards, presented annually by KPAN and The Hereford Brand to outstanding graduating athletes in each of seven sports, will be announced at the banquet. The awards are in football, basketball, baseball, track, golf, tennis and girls' volleyball.

Mayfield's staff recently signed Hereford's Mike Wartes to a pre-enrollment application for a football scholarship.

Mayfield spent his first two years after graduation from West Texas as an assistant coach with the Buffaloes. Then he moved to Littlefield, where his teams won 32 and lost 12 in four years. Then his teams at Borger were 62-13 and never lost more than two games in a season.

At Odessa Permian the past six years, Mayfield directed his teams to a 72-10 performance. In his first season at Odessa, 1965, Permian won the state championship. As a whole, his 17-year high school coaching record shows 166 victories and 35 defeats.

He is married to the former Mary Jean Hoover. They have one daughter and two sons.

GENE MAYFIELD banquet speaker

Dates are set for civic club volleyball play

A volleyball tournament involving Hereford's civic clubs has been tentatively set for May 10, 11 and 13.

The tournament is scheduled to follow closely the civic club golf tourney slated for May 7-8.

There will be eight teams in the tournament, according to Lynn Brisendine, a Lions Club member coordinating the tournament. He said the noon Lions, Rotary and noon Kiwanis clubs have indicated they will enter two teams each. The Jaycees and breakfast Kiwanis each will field one team.

Representatives of some of the clubs met Monday morning concerning the tournament.

Trophies will be given for first, second and consolation in the tournament. Competition will be the best 2-of-3 games, with pairings determined by draw.

A \$5-per-team entry fee will pay for trophies. An admission fee of 25 cents per person also will be charged, the proceeds going to a charity, Brisendine said.

It will be a single-elimination tournament. First-round games would be played Monday May 10, at 7 p.m., 7:45, 8:30 and 9:15. On Tuesday, May 11, the two consolation bracket games would be played at 7 p.m. and

Two robbers get \$ 7,000 in valuables

City police officers this week continued in their investigation into the reported Sunday gun-point robbery of a local chiropractor and his wife in which an estimated \$7,000 to \$10,000 in jewelry and cash were taken by two masked men.

Dr. C. D. Kelton and his wife said they were forced at gun point by two men wearing ski masks to hand over their valuables. Kelton and his wife were taped to their bed they said, while the robbers searched the house, taking everything of value.

Kelton has offered a \$500 reward for information leading to

the arrest and conviction of the two robbers, and a \$1,000 reward for the arrest and conviction of the men and the return of the valuables.

Among the merchandise taken in the robbery, Kelton said, were \$900 in cash, an Elks Lodge ring valued at \$150, three watches valued at \$900, a set of ruby earrings worth \$180, a \$250 gold tie clasp with Kelton's initials set in diamonds, a \$1,200 mink stole, a Herman cape valued at \$750, some pearls valued at \$400, and assorted jewelry valued at \$400.

Kelton said the men taped him and his wife to their bed, took the valuables and stole his car. It later was found about three miles west of town.

Kelton said he took his wife home from the Elks Lodge, where he is manager, about 11:15 p.m. Saturday, then returned to the Lodge to do some work. He got home around 2 a.m., he said, and as he opened the door the two men, both with guns and flashlights, forced him to the floor and made him hand over his valuables.

The two men were already in the house when Kelton took his wife home about 11:15, but Kelton did not go in, he said. He told police he did not know his wife was being held until he arrived at 2 a.m.

Kelton told the police the two robbers apparently knew his habits because one of the men asked him if he had won a money playing poker that night.

He said he feels the men had been in the house some time before the Keltons returned home because "they had already made friends with the dogs."

The chiropractor said the men told him they had seen him at the Elks Lodge one time with about \$2,000 on him. Kelton said this was not true, that he never carried that much money on him.

Kelton said the two men carried on a conversation all during the time they were at his home at 507 N. Jackson, and the larger of the two men called the other "Jerry" several times while they were talking.

Kelton was able to work himself free of the tape about 4:30 a.m. Sunday and call the police, he said.

Dismissal...

(Continued From Page One) bench. The door closed with a slam and loud voices could be heard through the door.

George Dowlen, Randall County criminal district attorney, was in Hereford Wednesday and volunteered his view point on the matter.

"My understanding of the law has always been that the requirements for a person to sign a complaint are two-fold — that he be a credible person and that he has a good reason to believe what happens did take place," Dowlen said.

He said it is rare in Randall County that the arresting officer signs the complaint, because often the arrest is at night and the complaint has to be signed with the prosecutor the next day, during the officer's off time.

The officer makes out a report before leaving for the night and the officer on duty in the day takes the report to the criminal district attorney and signs the complaint, he said.

"This has always been the case in Randall County, and I also know for a fact that this is the way they're handled in Potter County," Dowlen said.

"I don't know what the circumstances were in this particular case (in Deaf Smith County Tuesday) and I'm not saying the judge is wrong. But I will say this is the common practice in Randall County and practically every other county I know of."

The officer who signs the complaint "just has to be a credible person, who one is worthy of being believed. He doesn't have to have personal knowledge, just a reason to believe it is true," Dowlen said.

Shuval said another complaint, this time signed by the arresting officer, will be filed against Sanchez.

Hereford women visit with wife of John Tower here Wednesday

Mrs. John Tower, wife of Texas' senior U. S. Senator, paid a non-political visit to Hereford Wednesday with a possible eye on 1972, an election year.

Residents of the Hereford area met with the wife of the Republican solon. Earlier Wednesday, she was in Littlefield and Dimmitt.

Mrs. Tower, whose home is in Wichita Falls when the U. S. congress is not in session, talked informally with callers for an hour at the coffee in Hereford Country Club.

On her tour of Panhandle cities, Mrs. Tower is getting acquainted and offering encouragement to Republican Women's Clubs of the area.

Mrs. Tower campaigned over the state in 1966, during her husband's race for re-election, and also traveled in behalf of the Nixon-Agnew ticket in 1968 and for George Bush last year.

Mrs. Joe Reinauer Sr., assisted by 10 Hereford women, was coffee hostess here. This county has no formal organization of Republican women.

WT netters host Odessa, then Baylor

Coach David Kent's West Texas State tennis team hosts Odessa College for a dual match at 2:30 p. m. Friday and then hosts Baylor University next Tuesday.

Kent saw his Buffaloes fall in their strong bid to win their third team tennis tournament of the season Saturday. They fell to powerful Oklahoma City University, 7-2, in the finals of the OCU Tournament.

The two doubles matches won by West Texas against OCU were the only matches lost by OCU in the entire tournament. Leo Estopare and Mike Bolton combined to win one match, while Dale Corbin and Scott Pool won the other doubles event.

BACK AGAIN

CHILTON, England — Ten-year-old Jack Usher wept when his football got stuck in the chimney of his Buckinghamshire home. That was 32 years ago.

Now greengrocer Usher has his ball back. He got it when the house was demolished. "The bladder had rotted and there was a small hole in the case, but apart from that it was fine," he said.

Guest day lunch features review

Review of John Gardener's book, *Self-Renewal*, was presented by a member of Pioneer Study Club, Mrs. O. G. Hill Sr., at a lunch for guests and members Tuesday in the Caison House.

Sub-title of the book, *The Individual and the Innovative Society*, gives an idea of its theme, Mrs. Hill said, and it emphasizes that societies are renewed by people who believe in something, care about something, stand for something.

Gardener discusses his subject from the standpoint of the individual, the society and organizations within it, the government and institutions, she said. A renewing society must be continuously refreshed by a stream of new talent from all its segments, she quoted the author, and if a society hopes for renewal it must be hospitable to creative members.

Most things that prevent renewal are in the mind, not in external arrangements, she continued, and threats to individual freedom stem from customs and traditions. If one must sel-

ect a single conception that is central to our society, she concluded, it would be the idea of the dignity and worth of the individual.

Mrs. H. E. Miller, program director, introduced Mrs. Hill and Mrs. Frank Ball, who presented a brief opening talk, *The Tonic of a Smile*.

Mmes. Delmar Sigle, Burl France, Allan Bell and Wirt Phillips were hostesses, and brightened the luncheon tables with red and white tulips and white narcissus, some from Mrs. Ralph McCullough's yard.

Guests introduced by club members after a welcome from Mrs. Ted Panciera, president, were Mrs. Gene Osborn of Colorado Springs, Mrs. Eva Patching of Amarillo, Mrs. C. Ora Cockrell, Mrs. Melvin Cordray, Mrs. Ellis Coombes, Mrs. Wiley Roberson and Mrs. Floyd Coleman.

Members present included Mmes. Henry Hastings, C. L. Craig, William Wimberley, R. L. Wilson, Ray L. Johnson, Tandy Legg, Bess Werner, Art Manjot, L. H. Lookinbill, Herman Ford and McCullough.

GROUNDBREAKING — Dick Norwood, right, turns a shovel of dirt at the site of the Dick Norwood Chevrolet-Olds dealership which will be built on North 25 Mile Avenue, about one block north of Sugarland Mall, on the west side of the highway. Giving him a hand are Bill Thompson, manager of the Chamber of Commerce, and Mrs. Norwood.

Guests from other cities attend wedding

There were many out-of-town visitors in Hereford over the weekend for the wedding of

Jaki Val Brownlow and Kelly Lane Tyler, which took place Friday evening in Avenue Baptist Church.

Guests were Bob Reed from Levelland; Mr. and Mrs. Jack Kirkland and family of Farwell; and Mr. and Mrs. M. G. Mothes, Ardmore, Okla.

Also Dennis E. Silbertooth,

Patsy Fox and Bessie Bridges and Mr. and Mrs. Lewis Womble and family, all of Amarillo.

Also Mr. and Mrs. Lloyd Reynolds and family of Joplin, Mo.; and the Rev. Jimmie Kinsey, Baptist pastor of Sweetwater, who officiated.

Junior Council at Texas Tech taps Miss Hill

Patricia Hill of Hereford has been tapped for membership in the Junior Council at Texas Tech, an organization for outstanding junior women.

Miss Hill is a math major. She was chosen with 29 other Tech coeds by present members in a three-week-long selection period, on the basis of scholarship, leadership, service, responsibility and character. Applicants were required to have an overall grade point average of 3.0 (B) on a 4.0 scale.

"This is the highest honor a junior woman can receive," said Marsha Mills, membership chairman of the council. The organization is comparable to Mortar Board, an organization for outstanding senior women.

The Junior Council is basically an honorary, but also extends into the area of service.

Songs and games in AARP plans

Group singing led by Mr. and Mrs. Bill Penn will be followed by games of 42 and bridge at the meeting of the Hereford Chapter, American Association of Retired Persons at 7 p.m. Thursday in Community Center.

A brief business session is scheduled for a vote on the chapter by-laws, Bert Brown, president, announces.

New members and guests are invited for this, as well as other sessions of the AARP, open to all residents over 55 years of age, the president adds.

American Indian club study topic

Interesting facts concerning the American Indian, a Forgotten Minority, were told by Ms. Hardy Benson before members of Lone Star Study Club Tuesday afternoon in the home of Mrs. R. G. Blue.

Mrs. Benson said "Of the 600,000 descendants of the first American Indians, 200,000 live off the reservations, usually in slum areas.

"Of those living on reservations, the majority live west of the Mississippi. The educated Indian is not pleased with education on the reservations controlled by the Bureau of Indian Affairs and is not particularly interested in integration," she concluded.

Mrs. Blue, vice president, presided in the absence of Mrs. C. D. Kelton, president. Plans were made for an April 27 trip to Boys Ranch.

Other members present were Mmes. V. E. Dodson, Jim Higgins, H. E. Henslee, John Jacobsen Jr., S. A. McCathern, Ray Suit, S. S. Williams, Carl Williams, W. S. Fluit, and Ro-

Church meeting open to public

The public is invited to hear a guest speaker, Carlos E. Assy of Dallas, at a meeting at 7:30 p.m. Friday in the Mormon Chapel, 500 Country Club Drive.

He is mission president of the Texas North Mission of the Church of Jesus Christ of Latter-day Saints. His talk will concern some beliefs of the church, including the Book of Mormon.

A former bishop in the Church of Jesus Christ of Latter-day Saints and a former professor of education at Brigham Young University, Assy has been serving since last summer as mission president with headquarters in Dallas.

Washington Monument was dedicated on February 21, 1885.

Mrs. Ronnie Osborn and twin daughters

Let's cook something

Man's hobby is cooking on backyard gas grill

By JANIE BANNER
Staff Writer

A NUMBER of men around town enjoy the chance to charcoal meat on their barbecue grills, preferably on Sundays, perhaps to give their wives a rest from the everyday chore. But Ronnie Osborn, according to his lovely wife Barbara, charcoal 90 per cent of their meat just because he likes to.

"I guess you could say it's his hobby," she said. "And the meat tastes so much better cooked that way."

While Osborn is preparing the meat on the grill (even at times when there is snow on the ground!) his wife and twin daughters, Marilyn and Michelle, are busy in the kitchen with salads, potatoes and a dessert.

"WE HAVE potatoes at every meal because my father, Dick Barrett, is in the produce business," she said.

When company is expected on a special occasion is at hand, such as a holiday or the girls' birthday, Barbara bakes a Chocolate Chip Cake, referred to as a Yeast Cake by the Osborns because they prefer it without the chocolate chips.

"The cake is tricky so you must follow the recipe very accurately or it won't turn out right," commented Mrs. Osborn. "And it tastes much more moist after it has been frozen."

The cake recipe, which dates back some 30 years, is also called the "Request Cake" because it's the one everyone always asks for.

Here it is:
CHOCOLATE CHIP CAKE
(or Yeast Cake)

- 1 cup shortening
- 2 cups sugar
- 3 eggs
- 1 cup milk
- ¼ cup lukewarm water
- 1 teaspoon dry yeast
- ¼ teaspoon salt
- 1 cup chocolate chips
- 1 cup chopped nuts
- 2½ cups cake flour
- 1 teaspoon soda
- 3 tablespoons hot water
- 1½ teaspoons vanilla

Sift flour once before measuring then sift again with salt and place aside in separate bowl. Cream the shortening, add sugar and cream together until light and fluffy. Add egg yolks. Beat well and add milk.

Add yeast which has been mixed with lukewarm water and add flour and salt mixture. Fold in stiffly beaten egg whites.

Nuts and chips may be added at this time or after being refrigerated overnight or set in cool place for one hour.

The next morning (or an hour later) add soda dissolved in three tablespoons hot water. Add vanilla and pour into pan. Bake at 375 degrees for one hour.

MARILYN and Michelle, almost six years of age, are kin-

dergarten students at the First Baptist Church. They have two pets, Lady, the bird dog, and Chantel Cherice Poupee, a French toy poodle.

"Marilyn is especially interested in flowers so we're trying to grow them for the first time this year," said Mrs. Osborn. "Ronnie is just great when it comes to working in the yard and garden but I have a very small part in it."

"Ronnie is the helpful type that never sits down if I'm up doing some work. He's right there to help with dressing the girls, cooking and straightening up the house," said his wife.

MRS. OSBORN is in her first year teaching at Tierra Blanca Elementary's Learning Center C, Level 3. She graduated last May from West Texas State University with a major in elementary education and a specialty in English.

She is a new member of Texas Classroom Teachers and Texas State Teachers Association

and is helping to organize the Firemen's Twenty-two Auxiliary, a group consisting of the wives of Hereford's volunteer firemen, of which her husband is a member.

Osborn, bookkeeper and sales representative with Hoerner Waldorf Corporation, a box and carton company, attended North Texas University at Denton and is a 1959 graduate of Throckmorton High School near Wichita.

He is also deacon at First Presbyterian Church. He and his female family reside at 224 Fir and are looking forward to warm, calm weather for swimming and waterskiing.

Most newcomers to Australia go directly to hostels run by the national government. There they may live a year if they wish, but the average stay is only 17 weeks. Each hostel provides food as well as lodging—all free until the family breadwinner gets a job.

THE MOST exciting Easter gift she ever had in her life came to Mary Batenhorst Sunday, when husband Marvin returned from military service in Vietnam. It was a big surprise, as he came home earlier than expected.

Only a short time ago Mary made a trip to Hawaii to meet him while he was on a Rest-Recreation leave. She learned then that his term of duty just might be shortened, in keeping with the current policy of military terms in Vietnam; but they were afraid to hope it might be so soon.

So it was very exciting when he phoned that he was on his way home, and grew more exciting when Mary rushed to meet his plane and he had missed that one, so there was longer to wait before the suspense story was over.

Mary and Marvin have a small son, Chris, to complete the happy-to-be-together-again family. And the returned soldier's parents, who live at Umbarger, are also pleased to

Small talk

By SUE COLEMAN
Women's Editor

THIS IS a second chapter about the party given by the Don Taylors in Amarillo Sunday evening, with quite a few guests from Hereford.

The installment-plan reporting is used because I promised not to say in the paper, before the party, that it was an anniversary celebration. Some — maybe all — of the friends from Hereford knew that, but it was a surprise to some of the many guests from several cities.

Eloyse Pitman and Don Taylor were married April 11, 1946, in the home of her parents, Mr. and Mrs. J. H. Pitman, here in Hereford, so it was the silver anniversary that the party observed.

Two of the wedding musicians were among those from Hereford invited to the party; Mrs. Homer Fox sang and Mrs. J. C. McCracken was her accompanist, who also played a piano prelude to the ceremony. The other vocal soloist was Mrs. Forrest Alexander, Taylor's sister. Officiant was the Rev. Mr. Cagle, Baptist pastor.

The bride's niece, Helen Ann Pitman, now Mrs. J. A. McWhorter, lighted the candles. She and a number of other relatives still living in Hereford were on the party guest list.

In all, Mrs. Taylor said party invitations were sent to 25 persons who had been guests at the wedding. Since a home wedding has a limited guest list, it is unusual that so many of those at the ceremony would be in reach of a 25th anniversary invitation.

have him back.

I HEAR that Mrs. G. W. Newsom is back home, too, after surgery in a Houston hospital and then a visit in Wichita Falls in her daughter's home. The report is that she is making excellent recovery from surgery and feeling much better.

ONE OF THE speakers at the state convention of TOPS Club in Amarillo April 30-May 1 will be Mrs. Frank Short of Tulsa, international KOPS queen. Of course we know that is Laverne Short, who used to live in Hereford and was a member of the local TOPS Club.

Her title of KOPS queen is not a misspelling of TOPS. The latter word is made up of initial letters of Take Off Pounds Sensibly, which is the club slogan, and the former stands for Keep Off Pounds Sensibly, which Laverne has done after she lost weight enough to win the TOPS queen title.

Former resident is dead at 92

Funeral services were conducted Wednesday for Mrs. John (May) Cunningham, 92, of Fort Worth, a resident of Hereford for about 30 years who died Monday morning in Fort Worth, where she had been living since she moved from this city in 1950.

Mr. and Mrs. Cunningham came to Hereford in 1922. His death occurred several years ago.

CARD OF THANKS
I WOULD like to thank my many friends for the flowers, gifts, cards, and especially for their visits during my recent stay at the hospital. Each remembrance is deeply appreciated.

Beverly Barnett
Del Norte, Colorado

CARD OF THANKS
We wish to express our sincerest thanks for the prayers and condolences during the sickness and death of our little grandson, Nathan Bell.

The Family of C. R. Gandy

Former pastor will help in groundbreaking

A former pastor of the First Assembly of God Church here will participate Sunday in groundbreaking ceremonies at the location of the new church at the corner of Avenue F and Fifteenth Street.

The Rev. J. A. Thomas, retired superintendent of the West Texas District of Assemblies of God, and former pastor of the church here, will participate in the ceremonies scheduled for 3:30 p. m.

The Rev. Thomas also will deliver the morning service message.

The first unit of the new church will include the sanctuary and several Sunday School rooms. When completed, the new church will cost about \$100,000.

The church will be a brick structure with central heat and refrigerated air and is expected to be completed within six months.

Construction will begin immediately, H. T. Goodwin, pastor, said.

The present church, located at the corner of Avenue G and Union Street, will be sold following completion of the new church.

CARD OF THANKS
WE would like to express our most sincere thanks to our many friends for the kindnesses, flowers, cards and visits received while I was in the hospital. It was truly a blessing to have these friends. God bless and be with each of you.

Carol McIver

ALL'S WELL
TORONTO — The growth rate of children is a sensitive index that can measure the social wellbeing of a country, a Toronto doctor says.

And by that criterion, said Dr. Carol Ann Cowell, Canada has a healthy environment because Canadian children mature earlier and are bigger and heavier than their parents or their British cousins were.

The Washington Monument was completed in 1884.

RECEIVES "CHRISTMAS CARD" RECEIPTS — T. E. Seigler, administrator of the Deaf Smith County Hospital, received a check for \$2,597.54 from Mrs. H. A. Cavness, member of the Medical Auxiliary. This amount from the recent auxiliary's "Project Christmas Card" will be used for the hospital-doctor communication set-up recently installed. —Photo by Betty Koelzer

LOOK AT THESE BEAUTY'S and ALL OF THEM ARE IN STOCK NOW. . . .

You've changed. We've changed.

Caprice
The ultimate Chevrolet, with a stately new look of luxury, has a massive new grille uniquely its own, long-sculptured lines, up to 688 additional square inches of gleaming glass in the sedan.

Impala
America's most popular car also has a massive new grille, longer 121.5 inch wheelbase, power ventilation system, standard inside hood release and other quality touches.

Monte Carlo
One of a kind with understated richness, elegance and craftsmanship—a truly distinctive personal-luxury car at Chevrolet prices.

Chevelle
How do you change America's most popular mid-size car? Very carefully—with refinements for safety, comfort, dependability and convenience.

Camaro
Sporty? Closest thing yet to a Vette with a sleek, cosmopolitan look. Tailor your sport. Get a Camaro Coupe with Rally Sport or SS package. Or the Z28.

Biggest wagon news of '71... THE GLIDE-AWAY TAILGATE

The Window Vanishes—up and in . . . The Door Disappears—down and under
Just turn the key and the rear window glides up into the roof. Another turn and the counterbalanced gate drops down and slides under the floor with one easy push. There's no loading gate to bend over—no door to walk around. You can load in close quarters.

Bigger 125-inch wheelbase—6 inches bigger for 1971—gives a better ride, makes for more seating room inside. Other great features include wider doors for easier entry, new forward-facing rear seat on 3-seat models, new power ventilation system, power disc/drum brake system and new inside hood release.

Lions convention set this month

Lions Club members from Hereford and elsewhere on the High Plains will attend the District 27-1 Convention April 22-24 in Borger.

A Las Vegas theme will be used as a preview of the International Convention to be held in Las Vegas this year.

Registration begins at 9 a.m. on Thursday, April 22, followed by a fishing derby, a golf tour- nament and a bowling tourna- ment. The highlight of the day will be the "Little Las Vegas" party at 7 p. m. which promises to be a fun night with lots of prizes to be won.

Lions interested in any of the contests should contact the pres- ident of this club.

Registration will continue at 8 a. m. Friday. The convention will be called to order at 10:30 a. m. in the Ballroom of the Borger Motor Hotel which will be convention headquarters. Reports from various committees will be given throughout the day.

The Hi Plains Eye Bank will sponsor a luncheon at 12:30 p. m.

Nominating speeches for can- didates for District Govern or will be at 2:45 p. m.

The Queens' contest will be held at the Borger High School auditorium at 7:30 p. m. with some 40 entries. A dance will follow in the Ballroom of the Borger Motor Hotel with music by the Miami Stompers.

Saturday's activities include a breakfast at 9 a. m. sponsor- ed by the Dalhart Lions. A Ne- crology Service will be held at the First United Methodist Church at 10:45 a.m. A noon luncheon will be at 12:15 p. m. sponsored by the Pampa Lions who will have special entertain- ment.

Elections will be held at 2 p. m. in Parlors A and B of the Borger Motor Hotel.

The governor's banquet will be held at the Aluminum Dome with Lion Sam A. Haynes pre- siding. The speaker will be In- ternational Director William B. Nix of Falls Church, Virginia.

The convention will close with the Governor's Ball beginning at 9 p. m. at the Dome with music furnished by The Jerry Whitten Trio.

Some 500 Lions and wives are expected to attend from the ap- proximate 75 clubs which make up district 27-1.

COUSINS ARE VISITORS

Visitors in the Ross Stark home, 504 N. Miles, this week have been Mmes. Laura Kennedy of Corpus Christi, Ruth Gautier of Lubbock and Inez Yates of Olton, guests of Mr. and Mrs. Stark, their cousins, and of Mrs. Stark's mother, Mrs. Katie McGehee.

Drawn by tax benefits and skilled labor, 150 foreign companies have moved to Australia's state of Victoria in the past decade.

By MELVIN YOUNG

The Main Street sage says it's getting so dry down state that the lake country catfish are getting ticks.

—HB—

The bill to create a hospital district for Deaf Smith County has been signed by Governor Preston Smith in Austin and will be placed on the May 18th ballot for the approval of the voters locally.

County Clerk B. F. Cain and Bob Davis of Columbia Securities Company, were in Austin for the signing Tuesday. Incidentally, Tuesday was the deadline for getting the hospital district bill on the ballot for May 18th.

Now it's up to the voters. No late word on the juvenile bill — at least not at the time the column is being written, but we anticipate no problems with this one either. It just takes time.

—HB—

According to the voter registration rolls this year, the Deaf Smith County Commissioners did a pretty good job on the redistricting. Here's the way the votes stack-up this year:

Precinct 1, Earl Holt, Commissioner: 1,856
Precinct 2, Marcus Latham, Commissioner: 1,151
Precinct 3, Bruce Coleman, Commissioner: 1,328
Precinct 4, Donald Hicks, Commissioner: 1,171

Previously Precincts 1 and 2 were the large ones, by whopping majorities, and Precinct 3 had the smallest number of voters. Now they're all pretty close except Precinct 1. However, the feeling is that the city will continue expanding to the north and west more rapidly than in the other direction, and the gap will continue to close in the next few years.

Redistricting is always a problem and it is difficult sometimes to divide the precincts evenly. In fact, almost impossible in some cases. Since Hereford is located in the southeastern corner of the county, and that's where the bulk of the population is, it has been extremely difficult here.

—HB—

And then there's the story about the father who was financing a love affair for his son. Not a girl — a car!

—HB—

By the way, Luther Lesly is responsible for all those bumper stickers around town that say: "Think Rain."

Gosh, we've been thinking about it for a long time, and still no rain.

—HB—

The latest fad — treasure

hunting.

Now they're putting out a magazine telling us how to hunt buried treasure, and, incidentally, where to buy your treasure hunting gear. We suspect that the most treasure has been found by the sellers of the treasure hunting equipment. Like the old boys says, it's a lot easier to pick the tourist than it is to pick cotton.

—HB—

Won't be long until the beginning of Daylight Saving Time! In fact, about 10 days.

Now that little bit of news will be good news to some, and others won't like it a bit. A good rain however, would probably make everyone happy.

—HB—

Next to missing a day's work and having the boss find out, the worst thing is to miss a day and have nobody notice.

luncheon honors visitor

Inviting friends of Mrs. Ernestine Wayland to renew their acquaintance with the former resident who now lives in Independence, Kan., Mrs. J. A. Pitman and her daughter, Mrs. J. A. McWhorter, entertained at Hereford Country Club Wednesday noon.

Mrs. Wayland is a guest of the Pitman family here after attending the wedding anniversary party given by Mr. and Mrs. Don S. Taylor in Amarillo Country Club Sunday evening. Mrs. Taylor is another member of the family, the former Eloyse Pitman of Hereford.

A number of Mrs. Wayland's friends were invited to the luncheon, to spend an hour in casual conversation and reminiscences of the years when the honoree was a Hereford resident.

Mrs. Morgan demonstrates decoupage

A display of her work in ceramic arts and decoupage accompanied Mrs. Sam Morgan's explanation of the steps taken to decoupage a purse, presented at a Tuesday night meeting of Young Mothers Study Club.

Mrs. Morgan and her husband are owners of the local rock and hobby shop. The program was given in the Pioneer Natural Gas Company's Flame Room.

Hostesses were Mmes. Chesley Johnston and Linda Newton.

Other members in attendance were Mmes. Eugene Baldwin, Don Brush, Travis McPherson, Buri Spears, Bud Thomas, Don Samuels and Harvey Milton.

Sewing methods are discussed by club speaker

Strength and stretch are qualities of the new polyester thread which make it suitable for sewing lingerie, Argen Draper, county Home Demonstration Agent, told members of West Hereford H. D. Club at Tuesday meeting in Mrs. D. R. Grimes' home.

Use of ballpoint needles was also advised for sewing these garments, which are not as difficult to sew as many women believe, Mrs. Draper continued. Handmade lingerie is becoming popular again, she said, after a number of years when women found it more convenient to buy lingerie already made.

The meeting opened with a poem read by Miss Mary Bradley, who conducted a short business period. The hostess gift went to Mrs. Blanche Harlan,

Study club takes trip to Amarillo

Rather than the regular business meeting, members of La Madre Mia Study Club took a trip to Amarillo Tuesday evening and attended the well-known movie, Love Story, followed by supper.

Three guests accompanying members on the trip were

Mmes. Danny Martin, Larry Irby and Vernon Thigpen. Members going were Mmes. Charles Watson, Richard Ward, Roger Williams, Lynton Allred, Waldo Baxter, Don-Walsler and Dave Honea.

The next meeting will include election activity and is set for April 22. Place will be announced later.

Time of funeral to be set for M. F. Gregory

Time of funeral services for Millard Felix Gregory, 63, is yet to be fixed, but the place will be the Rose Chapel of Gilliland Funeral Home, with the Rev. H. V. Fields of Grace Gospel Temple officiating. Burial will be in West Park Cemetery.

A resident of Deaf Smith County since 1925, Mr. Gregory was a farmer living six miles north of Hereford. He died Tuesday afternoon in an Amarillo hospital after an illness of several days.

Born Aug. 17, 1907, in Swisher County, he came from that county to this. He was never married.

Survivors are a sister, Augustine Gregory of Hereford; two brothers J. C. of Hereford and Weldon of Nacogdoches; two nieces and a nephew.

County NFO to meet tonight

Deaf Smith County NFO (National Farmers Organization) members will meet tonight at 8 in the Hereford Bull Barn.

Donald Kimball of Amarillo, state president and national director of NFO, will be guest speaker.

Tech, WT take favorite's role for track meet

Texas Tech and host West Texas are expected to battle for the team championship of the second annual West Texas State Invitational Track Meet Saturday.

The Buffaloes and Tech are expected to have a little more team strength than the other entry — University of Texas at Arlington.

Buffalo coach Bob Kitchens is worried about Tech's fine depth. Kitchens saw a lack of depth prove fatal Saturday in the New Mexico State Invitational. Eastern New Mexico University scored at least four points in every event to win that meet with 92 points.

The Buffaloes placed second with 78½ points, despite the fact they won seven first places. Jimmy Rogers won two first places — taking the long jump with 22.2 and the pole vault with 13-16.

The Buffs won both relays. They won the 440-yard relay in 42.8 and the mile relay in 3:20.8. Other first places were a 6-6 effort in the high jump by Steve Butler, a 1:55.5 in the 800 by Harvey Hudspeth and a 48.7 in the 440 by Tracy Dickson.

Shirley pupil writes winning essay on U. S. Constitution

Four winning essays by elementary school pupils were chosen in a contest held by Los Ciboleros Chapter, Daughters of American Revolution, with the subject, the U. S. Constitution and Its Signers. One of the winners was Tammie Cagle of Shirley School; her essay follows:

THE CONSTITUTION AND ITS SIGNERS

The constitution is the basic set of rules that governs a country. The constitution is a plan. George Washington helped to write our constitution.

Each state of the United States has its own written constitution. Usually these were written at constitution conventions.

Before the new government could begin work, the people had to accept the constitution. How could they say whether they wanted to accept it or not?

The constitution said that congress should be made up of two parts, a house of representatives and a senate. The constitution was adopted in 1789.

The United States Constitution is the basic law of the country. If the courts find that a law passed by congress conflicts with the constitution, the law is declared unconstitutional and cannot be enforced.

The constitution of a country usually provides for the form of the government, for limits on the government's powers and for assurances of the rights and liberties of the citizens. In order to make the rules of the constitution lasting, the process of changing them, or amending the constitution, has usually been made difficult.

For example, to amend the United States constitution, both the senate and the house of representatives must agree to the amendment by a two-thirds vote. The legislatures, or specially chosen conventions in

three-fourths of the states, must agree to any change.

The members of a constitutional convention agreed on a plan which became the constitution of the United States.

James Madison had more to do with the making of the constitution. He talked about it and wrote about it.

Madison was always present in the convention. James Madison is rightly known as "The Father of the Constitution." Also, Madison was the fourth president of the United States.

The men who accepted the constitution in the state conventions made a list of the rights of the people which they wanted the constitution to protect.

Later the list of rights was added to the constitution as amendments or changes. The first 10 amendments are called the Bill of Rights. They protect Americans from the power of the national government by listing the rights that the government cannot take away.

These are the signers of the constitution: George Washington, Benjamin Franklin, James Madison Jr., Alexander Hamilton, Gouverneur Morris, Robert Morris, James Wilson, Charles C. Pickney, Charles Pickney, John Rutledge, Pierce Butler, Roger Sherman.

William S. Johnson, James McHenry, George Read, Richard Bassett, Richard D. Spaight, William Blount, Hugh Williamson, Thomas Jenifer, Rufus King, Mathaniel Gorham, Jonathan Dayton, Daniel Carroll, William Few, Abraham Baldwin.

John Langdon, Nicholas Gilman, William Livingston, William Paterson, Thomas Mifflin, George Clymen, Thomas Fitz-Simmons, Jared Inersoll, Gunning Bedford Jr., Jacob Broom, John Dickerson, John Blair, David Brearley, William Jackson.

At the library

Mystery of the Chisos Mountains

Available at the Deaf Smith County Library this week is the story of a young girl, who surprisingly finds she is to inherit a large sum of property. Before she can claim the inheritance, she must first find some important papers — and this must be done in three weeks. Check this story out today.

STRANGER AT PEMBROKE

By Anne Elliot

It was quite a surprise for young Tory (short for Victoria) Ballard to hear that she was an heiress, however conditionally. Through a remote family connection she had been left Pembroke, an estate in Natchez, Mississippi.

Under the will she could not take over Pembroke from the reluctant maiden ladies who were occupying the old house until she found the papers of Colonel Timothy Ballard — and she had just three weeks to do it.

The prospect of success seemed remote. Still, a visit to Natchez would give Tory a chance to do research for her master's thesis on the Natchez Indians, whom she believed to be descended from the Aztecs. And before she had even left New York, two interested personable young men had offered to help her in her search for the Colonel's papers. Vance Newman was handsome and

gallant, Jeff Kirkland a rougher type who claimed to be Tory's cousin and might become heir to Pembroke if her quest failed.

In Natchez she soon encountered frustration and knew fear. Pembroke was not a reassuring place in which to stay. Who had stretched a cord across the steep stairs outside her room? Was it Miss Lilly or Miss Rose or "half-Indian" Mala, the cook? Was Jeff really on her side? Should she trust John Oak, who had "divined" where the Colonel's papers might be hidden?

A fascinatingly complex intrigue involving murder, romance, and a final chase from

a costume ball to a strange "half-pie" house on the river fill Tory's three weeks with every story element necessary for the pleasure of discriminating readers.

THE TREASURE OF THE CHISOS

By John H. Culp

A red-faced, rotund cardsharp and patent medicine salesman, his lean, cantankerous female partner-in-crime, a pretty, dark-haired lass, and two red-headed young men, one with an old Spanish land deed hidden in a trouser leg, make their way from St. Louis to Arkansas, across the Indian Territory, and down the old Chisholm Trail to the southwestern tip of Texas and the majestic, mysterious Chisos Mountains.

The circumstances that bring this unlikely group together and the explosive events that take place after their arrival in the arid, nearly uninhabitable land are told in John Culp's newest novel of the Old West — a story

of love, lost treasure, and fiercely fought range wars.

Evoking a vivid picture of the emerging West, Mr. Culp has written an engrossing story of the sometimes violent but always robust cross-pollination of cultures that helped to build our early southwestern frontier.

VA payments to war orphans are not counted as income in determining whether dependent received half of his or her support from taxpayer.

CALLIOPIAN DATES CHANGED

Calliopean Study Club will meet at 8 p. m. Thursday in the home of Mrs. Irving Alexander. The meeting schedule has been changed for this month, to avoid conflict with the Easeler holidays. Instead of second and fourth Thursdays, meetings will be on third and fifth Thursdays in April.

HEREFORD ORATORS — Two members of the Hereford team who competed in the recent University Interscholastic League Literary Contest at Texas Tech are shown above with coach Wayne Hodgson, left. They are Susan Rudd and Don DeGraff. DeGraff won the prose reading division of the forensics competition. Other competitors from Hereford were Dion Miller and Kevin Young, who placed second in the boys debate division, and Cliff Herring, who took second place in the interpretive speaking division.

Tech Rodeo to attract top college cowboys, cowgirls

The top college cowboys and cowgirls from the Southwestern Region of the National Intercollegiate Rodeo Association will be competing for \$8,000-9,000 dollars in prizes at the annual Texas Tech Rodeo to be held April 15-17 in the Lubbock Municipal Coliseum.

Performances are scheduled at 8 p. m. nightly with a 2 p. m. matinee on April 17.

Highlighting this year's event will be the appearance of guest

stars Dale Robertson, Jody Miller and the Frontiersmen.

Events will include bareback bronc riding, saddle bronc riding, calf roping, ribbon roping, goat tying, steer wrestling, breakaway roping, barrel races and bull riding.

A special event will feature fraternity and sorority teams competing in a calf dressing contest with contestants putting a pair of pants, shirt and hat on the young calf.

The five finalists for the 1971 Texas Tech Rodeo Queen have been selected and the winner will be announced on the first night of the rodeo. Voting will begin after Easter with votes cast by anyone at a penny a vote.

The five finalists are Linda Griffin of Abilene, Gladys Pin-

It's **PIONEER** again this year.

Here's why:

CECIL MORRISON, Hereford, averaged 7,802 pounds of grain sorghum per acre last year from 460 acres of Pioneer brand 820. Seeded 8 pounds to the acre on 32-inch rows, the crop was planted between May 10 and May 20 and harvested between September 25 and October 20. Part of the crop had only two waterings after planting; the remainder had three. Mr. Morrison has planted 820 every year for the past four years and likes its consistent performance. He plans to plant his entire feed grain acreage in 820 again this year. Naturally we are pleased that so many good farmers plant Pioneer brand hybrid years after year.

Pioneer is a brand name; numbers identify varieties. *Reg. trademark of Pioneer Hi-Bred Corn Company, Des Moines, Iowa U.S.A.

STANTON'S SCIENCE FAIR WINNERS—Winning awards at the Texas Panhandle Science Fair recently in the junior high division were: Suzanne Smith, 9th grade, second place in medical science, (receiving also a medical dictionary from the American Cancer Society) for "Composition of the Blood in Relation to Cancer of the Blood;" Beverly Beene, 7th

grade, honorable mention in medicine for "Breakfast—Why Not?"; Dwayne Waters, 8th grade, first place in earth and space science, (receiving a first place petroleum trophy, certificate of recognition and a \$25 savings bond); and Ronda Whitner, 7th grade first place micro-biology certificate in medicine and health for "Does Brushing (Teeth) Help?"

Families don't eat as well in the spring

More U. S. families have poor diets in the spring than in any other season, according to Frances Reasonover, Extension Foods and nutrition specialist at Texas A&M University.

These findings from the 1965-66 Household Food Consumption Survey were reported recently by Arletta M. Belolan, U. S. Department of Agriculture food specialist.

In the survey, 21 percent of U. S. family diets rated poor during the spring months; in each of the other seasons, 18 percent of the diets ranked "poor."

Generally, the diets receiving a poor rating lacked ascorbic acid (vitamin C) and vitamin A found in fruits and vegetables, and calcium from milk and

milk products.

Shortages of the two vitamins occur more often in spring, when family consumption of fruits and vegetables is the lowest. Southern families in the

study had a greater proportion of diets below the recommended allowances for vitamin C and Vitamin A than families in other regions.

These nutrients, Miss Reason-

over adds, are a problem in every season.

The Household Food Consumption survey also showed that food budgets and the portion of food dollars spent on the

individual food groups varied little from season to season. Dietary improvement must then come from changes in food group buying patterns, Miss Reasonover explains.

Make home repairs even if till is nil

By VIVIAN BROWN

AP Newsfeatures Writer
Houses suffer when winter is severe, and you must make those repairs even if the till is bare.

Use the calendar as a painless way to make projects easier on the budget. After listing must jobs and the approximate cost of the work, you should decide how they may be spaced out with the most important ones done first. If you don't get the jobs on a calendar, you may be stuck with the whole works, more than you can afford, when next winter rolls around. If you earmark them now, you can anticipate the money and time involved.

Home repairs, in a sense, are nutrition to your home. If you don't keep feeding your house, it will lose its vigorous appearance. When the deterioration begins to show, the repairs are no longer minor.

If you are trying to get by because you plan to sell and feel inclined to let the new owner do the work, don't depend on it. The house market is still unreliable and you may be forced to live in the house for another few years. You'll be stuck with the torn roof, leaks and broken plaster. And — if termites are at work, you might be trapped in your own rubble.

Home owners who cannot afford to hire professional help for everything should consider doing some jobs. You can get advice on repairing leaks and patching walls at local building supply stores. Pamphlets and friendly advice can be helpful. If a roof job scares you, put your house money into hiring someone for that and try to do the minor jobs.

This should be a good time to hire carpenters, roofers and flooring people. Work has slowed. And if a workman has been at liberty for awhile, but wants to keep his hand in, he may very well let you pay him on the installment basis.

A home repair inventory should be taken at the earliest moment. List everything that must be done and divide the jobs between you and the workman. Each of you should start with the most important job, in the event money and elbow grease should run out. Some things to look for include these: Floor stains in attic and cellar. These seldom-trafficked areas can provide information on the condition of the roof, plumbing and heating.

If you've had difficulty with your heating system, perhaps the furnace or boiler need cleaning.

Is there a room that is particularly cold? Check to see if it needs weather stripping or a new storm window. You might list the storm window on the calendar as a fall project, but tightening the window should be done early. Air leaks increase fuel costs.

A well-used chimney should be checked every two years, and chimney men like to work in the spring. Or list it on your calendar for a fall job.

Check mortar, tiles, roof shingles, and so on.

If the dry heat in your house affected furniture, and the family's disposition, and you can't afford to take advantage of end-of-season humidifier sales, include the machines in next fall's budget. Inexpensive humidifiers sold at drug stores and other stores can do a great job

in individual rooms. They are not eyesores. They are small enough to be put in closets when in the way.

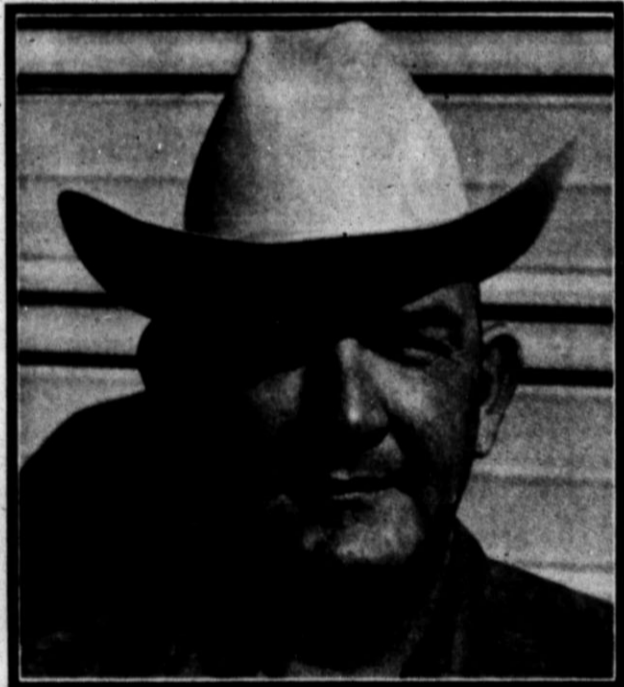

Horse to play for CYO dance

St. Anthony's Catholic Youth Organization will sponsor a dance Friday for students ninth grade through college age.

The Horse, a band from Albuquerque, N.M. will provide music from 9 to 12 p. m.

Admission is \$1.50 per person.

It's **PIONEER** again this year.

Here's why:

DOUGLAS K. NIX, Hereford, averaged 9,098 pounds of grain sorghum per acre last year from 201 acres of Pioneer brand 828. The crop was planted April 28 to 30 and harvested between September 23 and October 7 at 14 per cent moisture. It was irrigated six to seven times including a pre-plant watering. Mr. Nix likes the way 828 responds to high fertility and moisture levels and plans to plant 300 acres this year. We are proud that so many good farmers like Douglas Nix choose Pioneer brand hybrids year after year.

Pigweed (carelessweed)? Cocklebur? Sunflower? Morning glory?

BANVEL GETS TO THE ROOT OF YOUR WEED PROBLEM

BANVEL TRANSLOCATES/SPRAYED 7th MONTH

4 DAYS LATER

More and more grain sorghum producers find certain deep-rooted weed populations building up. Neither other weed killers nor cultivation give effective control of extra-tough and resistant pigweed (carelessweed), sunflower, cocklebur, morning glory, lambsquarter, purslane, other costly broadleaves.

Banvel, the post-emergent herbicide, does control them. For one simple reason. Banvel translocates. Absorbed by foliage and roots, Banvel moves with plant fluids from leaf tip to roots, and back again. Destroys as it goes.

Cost of Banvel? As little as \$1.90 per acre broadcast. Spray 10 to 25 days after emergence of sorghum, when weeds are young, growing most actively. Sorghum, when used as directed, is completely tolerant to Banvel. Ask dealer or custom sprayer for full information on Banvel. Every container of Banvel carries the Velsicol guarantee of sorghum tolerance to Banvel.

SYRUP SALES
OTTAWA - Japan buys more than \$3 million worth of Canadian maple syrup each year, mainly from Quebec, but it's not for eating.
Officials of the Japan Tobacco Monopoly, during a recent tour, disclosed that the maple syrup is used to flavor tobacco to the Japanese taste.

Along the Frio

by MRS. OWEN ANDREWS
Among visitors at the revival at Frio Baptist Church last week were Mrs. Strauss Atkinson, wife of the evangelist of Plainview, and the Buells and Grimes of Lubbock.

Mmes. Grimes and Buell are sisters of Leon Hokett, singer for the meeting. He went home with them Sunday night and on home near Dallas on Monday.

Others visiting the services were Mr. and Mrs. Gene Mc-

Master and Mr. and Mrs. Melvin Rape, of Plainsview.

On Saturday night, about 20 or Avenue Baptist Church in Amar more young people from Bell of singing and testimony. Their sponsors were Mr. and Mrs. rillo came and gave a program Bill Philipps, who directed the music. Youth director was Micky Porter.

On Sunday, lunch brought by the women of the church was served at the church following

the morning service.

Mr. and Mrs. Lloyd Shultz were visiting the Walkers at Alamogordo, N.M., recently. They met Shultz' daughter, Mrs. Paul Wright, Mr. Wright and their baby daughter there for a visit. The Wrights live in California.

Larry George arrived last week from several months service in Southeast Asia. He arrived back in the states and called his wife, Andrea (the former Andrea Axe) on the day of their first wedding anniversary.

Mrs. George has been living with her parents, the Anderson Axes.

He will be stationed in the States after several days of leave from the Army.

Mrs. Clifford Hargrove and son Ty left from the Lubbock Airport, Thursday morning to fly to Frankfurt Germany to be with Clifford during his stay with the Army there. Kita and Ty have been with her parents, the Bill Struves, since Clifford went to Germany several weeks ago. They were to arrive Friday morning if there wa

was no delay.

Mr. and Mrs. Lynn Fisher arrived home from California last Saturday. He has been taking Navy training there since last fall. Mrs. Fisher, the former Mary Ann Vogler, will remain here a few weeks with her parents, the E. F. Voglers, and then expects to join her husband. He expects to be stationed at Gulfport, Miss., after April 27.

Mrs. Leo Hall and son Ronnie, of Wilcox, Ariz, are spending a few days here visiting the Bill

Struves and others in the area. They came the last of the week.

Among college students home for the Easter holidays are Bill Cole, the Marsh Pitmans, and Darlene Sparkman. Jana Cole of Pampa also is spending the weekend here.

Mr. and Mrs. Weldon Stephan and family and the Dale Wright family were with the Moody Stephens Monday for a wedding anniversary dinner.

The Tony Vigils went to Portales Wednesday. They attended

Rosary services at Wheeler Funeral Home for a nephew of Mrs. Vigil, Daniel Adam Gomez. Young Gomez was killed Tuesday in an accident when he and another young man, members of their F. F. A. group were cleaning a rodeo ground and young Gomez was struck by a tractor. Head injuries caused his death later that evening in the Portales hospital.

Funeral services were held Thursday afternoon in St. Helens Catholic Church and burial was in the Causey, N.M. cemetery. He is survived by his parents, six sisters and four broth-

ers, a grandmother besides the many other relatives.

The Clark Andrews helped her mother, Mrs. E. B. Berryman, move into a cottage apartment at Kings Manor last week. The family home is on West Second. Mrs. Berryman is looking forward to an enjoyable time in her new home.

Brother victim of auto mishap

Mr. and Mrs. Carl Last have returned home after attending funeral services April 7 for her brother, Daniel J. Halstead, in Dakota, Ill. The 23-year-old Viet Nam war veteran died as the result of an automobile accident at Dakota.

Halstead had visited in his sister's home here and was well acquainted in Hereford. He is survived by his mother, Mrs. Robert Halstead of Dakota, two sisters and two brothers.

ADIFFERENCE...

For God So Loved The World

The Path of the Just

... is as the shining light, that shineth more and more unto the perfect day."

Prov. 4-18.

Are you dimming that light? Is your shadow deepening earth's gloom?

Our world is in peril, and the soul, the immortal spirit which gives us power to think and reason, is all that will survive.

If you are God's light, set in the midst of darkness to show someone the way to church, the way to usefulness, the way to help others, then your living is worthwhile.

We may know our light is showing the way when the cause of our home, our church, our community, our world are advanced. God knows the hour is late and the way is dark, but He is the one who spoke, "Let there be light, and there was light."

LA PLATA EASTER DRIVE — Each year the La Plata Junior Red Cross organization sponsors a drive among the students for usable clothing and room furnishings. Officers shown pre-

paring this year's contributions are, left to right, Nancy Newsom, president; Cindy Hairgrove, vice-president; Nancy Barrett, secretary-treasurer, and Jana Bruns, assistant secretary.

Final project report is heard

Final work on a three-year project of Hereford Garden Club, landscaping at the Camp Fire Girls Lodge, was reported at the club's recent meeting in the home of Mrs. S. S. Williams. Mrs. R. L. Ethridge was co-hostess

Mrs. O. G. Hill Sr., chairman of the Camp Fire project, reviewed work done in the three years and said the final clean-up of the grounds had been made.

Spring work on other club-sponsored projects was reported also, and further tasks were planned at the garden center

plot at the intersection of North Main and Park Ave. Trees were set there this month in an Arbor Day observance.

A rummage sale and plant sale at the garden center was discussed, but the date is still to be set. A tentative date of June 5 was set for a spring flower show.

Mrs. R. L. Layman, president-elect, was chosen as club delegate to the annual convention of Texas Garden Clubs Inc. at El Paso April 26-27. Mrs. Ray Johnson was named alternate, and Mrs. Hill will attend as a member of the state board

and state treasurer-elect. Mrs. Ethridge, chairman of the therapy work with exceptional children in Mary Carter's class, reported activities with that group, which made potato "men" lately.

Flower Arrangements of this Century was the program subject, introduced by Mrs. Johnson with a brief review of a new book which traces the art of flower arranging from ancient Egypt. Showing the evolution of the art in this century, an arrangement was made to illustrate each decade.

Mrs. L. W. Norvell showed mixed flowers in an antique Mason jar typical of the willy-nilly mass popular before 1920; Mrs. Johnson an organized mass arrangement of the 1920-30 period, Mrs. Layman the flat triangular shape of the 1930's.

Mrs. Ben Childers made a Hogarth curve arrangement of white daisies to illustrate the 1940's, Mrs. A. L. Manjeot an interpretive creation of the type originating in the 1950's and Mrs. J. N. Jacobsen Jr. a "Stix and stones" composition featuring plum blooms on a black background in the contemporary manner.

Looking ahead to future arrangement trends, Mrs. Hill predicted free form expression-

You waited 'til now to get the deal of the year. Don't blow it on the wrong car.

Your Ford Dealer's got the right cars right now.

Price is only part of a good deal. It's what you get for your money that counts. And your Ford Dealer can do justice to you on both scores. Maverick's low price has always made it simple to own. But what you get for that simple price is a compact economy car that's not only simple to drive and maintain, but also has the best frequency of repair record of any American car, according to a recent

independent survey. Maverick offers a choice of 2-door, 4-door and sporty Grabber. And now there's a V-8 to go with three economical Sixes.

Ford LTD gives you the strength and luxury of cars costing hundreds of dollars more and a quiet ride that many of the more expensive cars can't measure up to. Maybe that's why LTD is tops in its class in sales.

Pinto, Maverick, Mustang, Torino, Ford: Better Ideas whose time is now.

Speech, action and thought is topic of study

A program entitled The Beauty of Speech, Action and Thought, presented respectively by Mrs. Tom Buchanan, Mrs. Kirk Owsley and Mrs. Bobby Jones was given at a recent meeting of the Kappa Iota Chapter of Beta Sigma Phi. The group met in the home of Mrs. Gerald Burney.

Guests present, who are rushing to be pledged into the sor-

ority during rituals next Tuesday in the Community Center, were Mrs. Terry Caviness, Mrs. Edward Allison and Miss JaLee Mote.

In a brief business discussion literature concerning the June 11-13 state convention in Dallas was distributed.

The frankfurter and the hamburger derive respectively from Frankfurt link sausage and Hamburg ground beef.

Ginger ale was originated by chemists to use as a substitute for ginger beer for British troops in India.
