

Gas Situation Uncertain

By KERRIE WOMBLE
Brand Staff Writer

A RECENT canvassing of Hereford fuel suppliers has revealed that the gasoline shortage situation appears as contradictory on the local level as on the national scene.

Whereas most wholesale distributors termed February's gas prospects as "poor" and "gloomy", retailers were split on this month's outlook.

Fuel marketers are operating on an allocation system which allows distribution based on the sales volume in 1972. However, most suppliers are receiving cutbacks ranging from 10 per cent to 50 per cent of their 1972 allowances. Thus, most service stations will be getting less gas this month than they did in February of 1972. This problem is compounded by the fact that the demand for fuel has risen sharply in the past two years.

HEREFORD'S wholesale distributors noted that the hardest-hit consumers will be those not directly involved in agriculture. Accordingly, the non-farmers' gasoline supply will be "drastically reduced" due to "an extreme gas shortage".

Whereas some dealers reported they would have no trouble getting fuel about half of the local service stations surveyed, fear that their February gas supply will not meet this month's needs. According to one operator, "We'll just open each morning and close up when we

Is There Enough Gas In Hereford?

run out of that day's allotment. It's strictly a day-to-day situation."

A couple of local stations are limiting their gas sales to 10 gallons per customer, but the majority are not using this measure. Few of the suppliers expect a mandatory gas rationing system to be adopted in the immediate future although most stated that they would

cooperate with the President's solutions. LYNTON ALLRED, manager of Allred Oil Company, attended an energy forum recently in Dallas and reported that rationing is "a heavy possibility".

He said, "According to energy chief William Simon, individual states may have to resort to voluntary rationing if the fuel picture does not lighten." (As of

Tuesday, eight states were utilizing some form of gas rationing.)

Commenting on the gas shortage in the local vicinity, Allred said, "I expect the situation to deteriorate in this area, especially through the tourist and harvesting seasons."

"As I see it, it's going to be a difficult problem."

Herd Rolls Over Plainview 61-33

With veterans Dan VanderZee and James Harris teaming up for their best performances of the year and the entire Whiteface team playing superb defense, Hereford rolled to a surprisingly easy 61-33 victory over the Plainview Bulldogs here Tuesday night in La Plata Gym.

VanderZee took game scoring honors with 20 points, while Harris added 13 to the Herd cause and Lynn Tarr came in with 10. Wesley came off the bench to lead Plainview with just 10 points. VanderZee and Harris dominated the backboards as Hereford ran to a 31-14 lead at halftime and took a commanding 23-point lead early in the third period.

Coach Barry Arwine had high praise for his two veterans, as well as the entire team. "We defended them well around the perimeter, and that's where they hurt us in the first game at Plainview," Arwine remarked. "I think it was our best overall performance of the year," a beaming Arwine added.

HOWEVER, the Whitefaces are still chasing Monterey and Snyder in the second half of play. Monterey downed Lubbock High by 77-52, and Snyder trounced Coronado by 77-53 in the other District 4-AAAA encounters Tuesday night. Both Snyder and Monterey are 3-0 in the second round, while the Herd is 2-1.

Hereford will try to bring the Tigers down a notch as they travel to Snyder Friday night. Hereford shared the first round title with Plainview and needs to win the remaining two games, the hope for someone to knock off Monterey in order to win the district race outright. Should Snyder or Monterey win the second round, Hereford and Plainview would have a playoff to see who meets the second-round champion.

THE HERD got balanced scoring in the game here Tuesday. With VanderZee, Harris and Tarr in double figures, three others scored six points each. They were Mike Albiar, Dennis Nogger and Junior Morales. Albiar

didn't have "the touch" on his outside shots, but the senior playmaker fed the ball for scores on a large number of assists. Tarr contributed some key baskets, and Morales came off the bench to join in the scoring attack.

Hereford lost Harris when he committed his fifth personal foul with 5:07 left in the game, but the Herd had a comfortable 52-23 advantage at the time. After the third period was underway, the Whitefaces never trailed by less than 23 points and wound up with the 28-point cushion.

IF THE Herd had been hitting their shots from the charity line, the difference might have been even greater. Hereford connected on just 5 of 18 shots at the charity line—a poor percentage on free throws. Plainview was 7 of 14 at the line and was charged with 16 fouls, while the Herd had 14.

The victory left Hereford at 21-9 for the season, 2-1 in the second round of league play, and 6-2 for both rounds. Plainview is now 15-16 for the season, 1-2 for this half, and 5-3 in both district rounds.

Plainview won both of the preliminary games, taking a close 57-55 decision in the junior varsity clash and claiming a 51-43 triumph in the sophomore contest. Mike Hull led the Herd JV with 18 points, while James Arney and Craig Nieman hit 11 each.

Mike Artho led the balanced scoring for Hereford in the soph game with 10 points, and Steve Cornelius had 9. Several players had 8 points each.

WITH THE school board meeting Tuesday night at the same time the Herd was playing basketball, editor Don Richards and I flipped a coin to see who "covered" which event. He lost; I was at the basketball game.

Richards reports that candidates who have announced for the school board were sent agendas to the meeting along with a special invitation to attend. Most of them were at the meeting, and this seems a good practice that could be followed in other political arenas.

Trustee candidates who are successful will have a little background information when they assume the positions and will be better qualified to start making decisions. And, with the incumbent trustees not seeking reelection, it is assured there will be two new members.

The same thing holds true with the county precinct commission posts, where incumbents are not returning. All the meetings are open to the public and, even if a man does not win election, attendance at a political body's meeting can be educational. It's something to think about.

Scientists at the Lyndon B. Johnson Space Center near Houston are sure to make headlines with the next launch. They are planning to put 300 head of cattle into orbit. It'll be the herd shot round the world. — Texas Outlook

WITH Hereford's standout gridder James Harris signing a pre-enrollment pact with Texas Tech, it dawned on us that former Whitefaces will be well represented at Raiderland—Keith Kitchens in basketball, Luther Mays in track, Terry Poindexter in baseball and now, Harris in football.

Numerous medical studies recommend that men live accordingly: (1) Don't smoke cigarettes, (2) Watch your weight and your diet, (3) Exercise regularly but moderately, (4) Don't be ambitious, aggressive, or hard-driving, (5) Don't be competitive, (6) Avoid work that has pressures and deadlines, (7) Don't take your work home, or too seriously.

County Moves Through Heavy Agenda Monday

By O.G. NIEMAN
Publisher

Deaf Smith County Commissioners, in regular session Monday, reviewed receipts and allocations of revenue sharing funds; discussed procedures for collecting fees for a DWI school; discussed the status of the adult probation office in the county; appointed Earl Holt to a steering committee on civic facilities; approved a medical waiver on vehicle insurance, and approved payment of monthly bills.

The commissioners' court also heard a presentation from Dr. Donald Todd of Canyon, who urged the county to pass a resolution "to abolish the seditious conspiracy of regional governance." Todd is the president of the Randall County chapter of the Texas Committee for the Constitution, and he is a professor in the music department at West Texas State University.

Todd titled his speech: "Dictatorship is imminent in the United States—What can we do in Deaf Smith County, Texas, to prevent this?" He said the same presentation and appeal has been made to commissioners in Randall, Hutchinson, Gray and Hansford counties.

A BALANCE sheet on Federal revenue sharing funds showed the county has received a total of \$447,731, and has earned an additional \$1,453 on interest from certificates of deposit. The county has earmarked most of the funds for a new library, with the allocation continuing through June of 1974.

Commissioners have allocated some \$476,000 for the library and its fur-

nishings, \$43,500 for remodeling the courthouse after the old library is moved, and \$59,300 for county machinery. These items total \$578,764—the approximate total of revenue sharing funds to be received by July, 1974. A surplus of almost \$60,000 is tabbed on the library project.

Total cost of the new library project now appears to be around the \$415,000 mark—including equipment and furnishings. Bid on construction of the building was \$350,182.

IN ITS last meeting, the court had approved the collection of \$35 for the Mental Health Mental Retardation unit's classes for alcohol abusers, when the court required an offender to attend the school. County Judge H.C. Williams told commissioners he supported the program, but he wanted confirmation on the legal procedure before assessing \$35 to probation costs.

Commissioners called Criminal D.A. Andy Shuval to the meeting for an interpretation, with three alternatives presented by him and his assistant, Roland Saul. Commissioner Donald Hicks objected to any method "where the county acts as a collection agency."

JUDGE WILLIAMS and Shuval, who have had confrontations on other matters, had a controversial exchange of words during the discussion. The topic ended with the judge's request for an attorney general's opinion, and with Saul offering to help prepare the question.

Harold Wheeler, adult probation officer for the judicial district, was called

School Trustees Debate Insurance

Hereford's School Trustees went through an unusually light agenda Tuesday night, conferring with local representatives about three different types of insurance for the school and taking action only on minor items.

Board members discussed, but took no major action, on insurance for the school buildings in the system, workman's compensation that is being required by the state, and about possible liability insurance for school board members. Action on all three was tabled for future discussion.

However, the board did call a special meeting for 6 a.m. Tuesday to take bids for insurance coverage of the school buildings. The present insurance policy the school has is with Plains Insurance Agency and Bud Eades appeared before the board to renew the policy.

Ken Rogers of Lone Star Agency requested to submit a "quote" price for the board to consider and trustees then decided on the special meeting to allow both to submit a bid.

IN OTHER action at the meeting:

—Ed McCreary, school director of federal programs, talked to the board about the new bi-lingual program being required by the state. Next fall Hereford will introduce a bi-lingual program in the first grade of each elementary school and provide at least one Spanish-speaking teacher for each elementary.

—Jim Holmes, director of curriculum, told the board about in-service days for teachers Feb. 22 and also discussed the new Individually Guided Education (GE) program at the school which is meant to further individualize teaching to young students.

—LARRY WARTES reported that the cafeteria is back in the "black" again because of the 10 cent increase in lunch prices which was recently approved by the board.

—Wartes also discussed the critical gas situation in relation with the school and said that the price of gasoline to the

school is about double what it was last year at this time. "It has gone up 5.5 cents this month," he said. "But we are doing everything we can to shorten stops and routes the buses take to save gas."

-SCHOOL tax assessor-collector Orpha Click announced that about 95 percent of the year's collections are in and added that lawyers presently are filing cases against delinquent tax cases in the school district.

-Hartman announced that a tour through the new high school library and

new additions to Shirley and Stanton schools would be part of the agenda during a regular board meeting soon.

-The board accepted the resignation of Cynthia A. Groce at Tierra Blanca, who is moving to Petersburg where her husband has accepted a new job.

-THE BOARD hired Margaret Phipps to replace Mrs. Groce at Tierra Blanca; and hired Mr. and Mrs. Phil Barefield for instruction next fall. Both are former teachers here and he will teach in high school and she in La Plata.

-Tentatively set the annual past board members banquet for May 9.

-Richard Robinson, vocational director, said the Community Conference is planned Feb. 21 at 2 p.m. in the Community Center.

-Hartman announced that the Hereford school system has been selected by a governor's committee as only one of seven in its category in the state as "exemplary" of educational programs.

Board members ended the meeting viewing two films being used in the IGE program. Board member Jim Arney was absent from the meeting which was attended by several of the candidates for the April 6 school board election.

Ribbon-Cutting Ceremony

The Park Plaza Center, with TG&Y and Ideal Food as the first tenants, was formally opened in Hereford Monday morning with a ribbon-cutting ceremony. Handling the giant scissors for the opening were Roy Faubion, C of C president at left, and Mayor Jim Sears, center. County Judge H.C. Williams also made brief welcoming remarks at the opening. Hereford's Hustlers and several company officials from the new firm participated in the ceremony.

Ribbon-Cutting Ceremony At Park Plaza Opening

With Mayor Jim Sears and C of C president Roy Faubion teaming on a giant pair of scissors, the ribbon-cutting for Hereford's new Park Plaza Shopping Center was accomplished early Monday morning.

Welcoming remarks were made by Sears, Faubion, County Judge H.C. Williams, and Tom Burdett—representing JMZ Corporation. Responses

were made by Carl Adkins, TG&Y district supervisor, and Steve Phillips, Ideal Food's division manager and vice president of Allied Supermarkets, Inc.

Members of the Hereford Hustlers assisted in the ceremony, and members of the city commission were among the guests for the grand opening.

The two nationally-known

tenants occupy some 51,000 square feet of floor space now open in the center. The TG&Y Family Center has some 33,000 square feet, and Ideal Food has 18,000 square feet. JMZ Corporation, local developers, plan for about five more tenants in the center.

Burdett introduced the dignitaries at the ceremony. He pointed out the grand opening of the center came after more than 18 months in planning and construction. He recognized those who had a part in the building of the shopping center.

The opening ceremony was held shortly after 8 a.m. Monday morning, with a small crowd braving the chilly morning air to view the ribbon-cutting event.

VanderZee, Albiar Remain In District's Top Scorers

Hereford's Dan VanderZee and Mike Albiar both remained in the top 10 scorers in District 4-AAAA through last Friday's ballgames.

In statistics released over the weekend which do not include Tuesday night's games, VanderZee was second in district scoring and Albiar was fourth. VanderZee, with 107 points, was only one point out of the lead behind Coronado's Charles Quisenberry who had 108.

Albiar had led the league through the first half of district play, but relinquished the lead to Quisenberry after the Herd guard scored only 2 points against Lubbock High Friday night.

VanderZee was in fourth place but moved up to second after two good performances against Monterey and Lubbock.

Hereford also had two other members in the top 20 district scorers with Dennis Noggler in 13th place with 73 points and James Harris in 20th with 60 points. Noggler had been tied for 14th place last week and Harris dropped one place from his 19th position last week.

Hereford and Plainview both had four scorers in the top 20 with Lubbock, Coronado, Monterey and Snyder each having three in the top 20 scoring.

The statistics also indicated that Quisenberry got his lead mostly on free throws as he leads the district in that column with 30. VanderZee and Albiar both had 21.

Lubbock's Danny Marrujo leads in most field goals with 45. VanderZee took second in field goals with 43 in district play while Albiar registered 38.

The statistics were compiled by Danny Andrews of Plainview.

La Plata Win Two Games Over Dumas Here

La Plata Junior High's Mavericks won two games from Dumas Tuesday, with the 9th graders taking a 64-41 decision and the 8th graders capturing a 40-36 triumph.

In games against Perryton Saturday, La Plata 9th won a

close 36-34 game while the 8th graders lost a 48-20 decision.

Roy Martinez tossed in 34 points and Terry Brady had 18 in the one-sided win over the Dumas 9th graders Tuesday. Rowan Alexander added 8 to the winning cause and Larry Ritter scored 6.

Kent Ellis led the 8th graders in their close win over Dumas as he tallied 13 points. David Arney and Daniel Olson each had 9 points.

Alexander took scoring honors with 13 in the 9th grade's narrow 36-34 win over Perryton. Martinez and Archie Crim added 9 and 8 points, respectively.

In the 8th graders' loss to Perryton, David Arney was La Plata's leading scorer with 7 points, and Kent Ellis had 6.

Stanton Splits Games With Borger

Hereford's Stanton Junior High 8th and 9th grade teams split games Monday with north Borger as the Stanton 8th grade won and the 9th lost.

Stanton took the 8th grade game 50-35 as Kelly Kitchens popped the nets for 30 points. Albert Del Toro added 8 and Greg Hemmington and Greg Brockman added 4 each.

North Borger 9th won out over the Stanton 9th 52-38 as Ismael Adame led Hereford with 14 points. James Mays was second high with 11 and Bill Fraser had 6.

Abraham Lincoln *Rail Splitter and Union Restorer*

"Most governments have been based, practically, on the denial of equal rights of men...ours began by affirming those rights.

They said some men are too ignorant and vicious to share in government. Possibly so, said we; and by your system, you would always keep them ignorant and vicious. We proposed to give all a chance, and we expected the weak to grow stronger, the ignorant wiser, and all better and happier together."

"Nearly 80 years ago, we began by declaring that all men are created equal; but now from that beginning we have run down to the other declaration that for some men to enslave others is a 'sacred right of self-government.' These principles cannot stand together. They are as opposite as God and mammon, and whoever holds to the one must despise the other."

"Let us discard all this quibbling about this man and the other man, this race and that race and the other race being inferior, and therefore they must be placed in an inferior position...let us discard all these and unite as one people, throughout this land, until we shall once more stand up declaring that all men are created equal."

Prof Brand Regional Government As 'Conspiracy' In Commission

Branding regional governance as "a conspiracy to destroy our representative form of government," Dr. Donald C. Todd of Canyon appeared before Deaf Smith County Commissioners Monday and asked their consideration of a resolution which would call for the abolishment of such regional commissions.

Deaf Smith County is a member of the Panhandle Regional Planning Commission (PRPC), along with 19 other counties. Commissioners took no action on Todd's presentation, but will apparently watch with interest to see if any other counties are moved by the appeal.

Not only did he blast the regional governance plan for "usurping the power and authority of local governments," but he claimed: "It appears that regional governance is being set up as the apparatus by which the controls and provisions outlined in Nixon's Executive Order No. 11490 (signed Oct. 28, 1969) may be implemented."

Todd's prepared speech added: "This executive order authorizes the President and the federal government to take over every facet of our lives whenever he decides that such action is necessary."

Todd, a professor at West Texas state and also president of the Randall County chapter of the Texas Committee for the Constitution, claimed that "county governments are the last stronghold. . . regional governments are taking away your jobs and our rights."

He pointed out that many

citizens are mad because they didn't have the chance to vote for or against a regional planning commission and that they don't vote for representatives on the commission.

We are aroused by the possibility that, if a county does not become a member of a regional planning commission, the federal government will

likely withhold federal grants to the counties," the text of the speech continued.

Todd quoted "proof" of his claims from a number of authors and articles. At one point in his presentation, commissioner Bruce Coleman interrupted to ask if all the material came from the John Birch Society.

Todd replied that he "secured the material from different sources and made cross-references on them. 'I'm just seeking the truth,' he stated.

With a copy of his speech, Todd presented a sample resolution which would request an investigation of regional governance by a joint committee of the Texas Legislature.

Rotary Club Views Film From Heart Fund

A film concerning the adverse effects of smoking on the lungs, heart, throat and body was shown as the program at the regular noon meeting of the Hereford Rotary Club Monday.

Dick Geris, chairman of the Deaf Smith County Heart Fund, brought the program saying

that 1,300,000 persons in the United States die each year with

some form of heart disease. Introduced by Rotarian Mack Tubbs, Geris explained the heart disease is caused by many different things including improper eating, smoking and inadequate physical exercise.

The film concentrated only on smoking and illustrated what doctors say are the many adverse effects of smoking on the body.

Next Date Fixed For 'Opry' Music

April 21 has been set as the date for the next Little Grand Ole Opry session in Hereford, sponsored by Rebekah and Odd Fellows Lodges. The new date was fixed immediately after the successful performance Tuesday evening in the IOOF Hall.

It will be on a Sunday afternoon, a change from the evening performances held in the past. As usual, it will be open to musicians from over the area and the sponsors hope the afternoon hour will permit more to come from out-of-town.

Twenty different groups, some from as far as Dalhart, presented the informal evening of country-western music Tuesday, with a large audience to applaud them.

Officers of the two lodges expressed their appreciation to those who took part.

NEW UNIFORM MEAT IDENTITY PROGRAM AT SAFEWAY

You'll notice changes in some of the names on meat labels in our cases. We have adopted a new program under which meat retailers will use uniform names for the different cuts of meat they sell. In addition to helping you identify cuts, the plan also aids in selecting proper cooking methods. If, for example, the label shows a cut to be a steak or roast from Beef Loin or Beef Rib, dry heat cooking methods such as roasting, broiling and frying are recommended. For most other beef, moist cooking methods such as braising or cooking in liquid are recommended. Some tender cuts of beef not marked Loin or Rib may be cooked with dry heat but it is best to check your cookbook on these.

Mrs. Tucker Buried After Monday Rites

Funeral services for Mrs. Jerry Tucker, 26, of 1605 17th, were conducted Monday afternoon in Rose Chapel of Gilliland-Watson Funeral Home. Officiating was the Rev. Prentice Smith of Greenwood Baptist Church, of which Mrs. Tucker was a member. Burial was in West Park Cemetery.

Mrs. Tucker died Saturday evening in an Amarillo hospital. She was the former Barbara June Dearing, daughter of Mr. and Mrs. Anson Dearing, and was born April 25, 1947 at Muleshoe. She came to Hereford from Clovis in 1964 and was married here last Oct. 27.

The family has requested that memorials be made to the mission fund of Greenwood Baptist Church.

In addition to her husband and parents, Mrs. Tucker is survived by two sisters, Mrs. Robert Kubacak and Sharon Dearing, and two brothers, Rodney and Larry, all of Hereford.

Services For 85-Year-Old Woman Held

The funeral of Mrs. Elizabeth Whiteside, 85, of 123 Ave. C, was conducted Tuesday morning in Rose Chapel of Gilliland-Watson Funeral Home by the Rev. Doug Manning, pastor of First Baptist Church. Burial was in Llano Cemetery at Amarillo.

Mrs. Whiteside died early Sunday at the home of her daughter, Mrs. Jesse Cooper, north of Dumas. She had lived here since 1962, when she came from Amarillo.

Born Oct. 11, 1888, in Wilbarger County, she married John Whiteside Dec. 24, 1908, in Cook County. He died in 1955.

Survivors are three daughters, Mrs. D.C. Kinsey of Hereford, Mrs. Henry Newman of Hobbs, N.M., and Mrs. Cooper; a son, Carroll, of Hereford; 15 grandchildren and 17 great-grandchildren.

Garcia Funeral Conducted

The funeral of Mrs. Florencia Garcia, 65, of Route 1, was conducted Wednesday afternoon in Templo La Hermoso by the Rev. Ignacio Vasquez, assisted by Jose Luis Dominguez. Burial was in West Park Cemetery, directed by Gilliland-Watson Funeral Home.

Mrs. Garcia, who came to this county in 1967 from Morton, died Monday morning in a hospital here. She was born on Christmas Day, 1908, at Sabinal, and married Benjamin Garcia. His death occurred last year.

Survivors are a daughter, Pauline Martinez of Hereford; three sons, Moises and Hipolito of Hereford and Benjamin of Los Angeles; four sisters, two brothers, 13 grandchildren and two great-grandchildren.

DPS Taking Applications For State Trooper Post

Major C. W. Bell, Regional Commander of the Texas Department of Public Safety, announced today the DPS is accepting applications for the post of State Trooper.

Applicants selected as cadets will enter 18 weeks of training at the DPS Law Enforcement Academy in Austin in a class tentatively scheduled to begin June 11, 1974.

Bell said general qualifications for DPS Troopers are: Applicants must be 20 through 35 years of age (inclusive); good moral character; excellent physical condition; height not less than 68 inches nor more than 76 inches; weight not less than two pounds nor more than three and one-half pounds per inch of height; visual acuity no worse than 20/40 correctable to 20/20; and a citizen of the United States. Educational qualifications, which are now a minimum of 45 semester hours of college, will increase to 60 semester hours on September 1, 1974.

He pointed out that qualified female applicants are now being accepted for the uniformed services of the DPS and that the Department has

been increasingly successful in recruiting persons from minority groups.

During the training period, cadets participate in some 650 hours of law enforcement classes on a wide variety of subjects such as criminal and traffic law, human and community relations, and investigative techniques. The schooling includes rigorous physical training, marksmanship, and skills related to pursuit driving.

Some of the classes are taught under an agreement between DPS and St. Edward's University, and Academy graduates receive semester hours of college work. After graduation, cadets will be commissioned as Probationary Trooper I at a salary of \$743 monthly and assigned to the Highway Patrol, License & Weight Service, Motor Vehicle Inspection Service or Driver License Service according to the needs of DPS and consideration of personal preference.

The salary automatically increases to \$788 per month after six months. Upon completion of 12 months com-

missioned service, Probationary Troopers are promoted to Trooper I at a salary of \$820 monthly. Officers electing to remain in a non-supervisory uniformed position are eligible to compete for promotion to Trooper II after 60 months commissioned service. All DPS officers receive fringe benefits including hospitalization and life insurance, paid vacations and sick leave, and holidays as for all State employees. Uniforms, vehicles and equipment are furnished and Troopers receive a uniform cleaning allowance. Expenses are paid when away from home station. In addition, personnel are

members of both the State Employees Retirement System and social security.

Bell said prospective applicants should contact any DPS office or Trooper for application forms. The completed material should then be taken to the nearest Regional District or Sub-District Department of Public Safety office where the competitive examination is given each Tuesday and Wednesday of the week.

Arrangements will be made for a physical examination. A character investigation will also be conducted and applicants who are selected for the Academy will be notified prior to the start of the recruit school.

Local Jail Escapee Recaptured

Pablo Ortiz Maroquin, 28, was recaptured about 6:30 p.m. Monday after he escaped from Deaf Smith County Courthouse where he was appealing a life sentence for robbery.

Officers said the man, who was brought here from the state penitentiary in Huntsville to appeal his sentence, "just jumped up and ran" from a bench he was sitting outside the district courtroom.

The whereabouts of Maroquin was reported to officers by M.L. Means, who operates a sign shop in Hereford and also serves as a chaplain to jail inmates.

Maroquin was sentenced to a life sentence for an August 1972 robbery by knife-point of a Hereford man in which about \$1,900 was taken.

United Way Board Approves Scout Drive, Elects Directors

At the annual public meeting of the Deaf Smith County United Way Tuesday, representatives of the Llano Estacado Council of the Boy Scouts were present to

request permission to conduct their annual sustaining membership drive.

In the discussion that followed it was brought out by the Scout representative that the only persons to be contacted were parents of Scouts and those individuals who have a special interest in Scouting. The United Way Board approved the drive on the basis that businesses would not be contacted for contributions and that the drive be completed in three weeks.

In 1974 the United Way will provide \$600 of the budget of the Scouting program in Deaf Smith County. The board was advised that the total expenses are \$17,000.

The United Way is anxious that the people of Deaf Smith County who made possible the attaining of our goal for the first time in many years, understand that this approval does not violate our pledge that no general fund drive will be made by any agency that receives its support from the United Way.

Seven new directors were appointed to replace outgoing directors who have finished their three year terms. New directors appointed were Mal Manchee, Richard Robinson, Lynton Allred, Gayle Cotten, Dale Young, Helen Rose, Dr. Chet Fields.

Oglesby Observes Machine Assembly

Cecil Oglesby of Oglesby Equipment Co. Inc., Hereford, recently participated in the Fly-in program presented by the Farm Equipment Division of Hesston Corporation.

Oglesby was flown to the corporate headquarters and manufacturing facilities at Hesston, Kansas, on Jan. 31. He was accompanied by other Hesston dealers aboard one of the company's airplanes.

Oglesby viewed Hesston windrowers, storage harvesters, StakHand hay handling machines and other products on the assembly line. He also talked with engineers and product managers about the latest Hesston equipment.

Hesston Corporation distributes a complete line of farm equipment through dealers across the United States and Canada and through the company's overseas sales organization.

Small Talk

IT'S GETTING to the point where Valentine week is about as popular a time for parties in Hereford as Christmas week; as one hostess puts it, "There are so many parties around Christmastime that I can't go to all I'm invited to, much less give one myself!"

Add the fact that Valentine is as good an inspiration for really party-ish decorations as the earlier holidays, and you have plenty of reasons for more entertaining right now, by clubs and individuals.

BETA Sigma Phi, which used to have almost a monopoly on the season with its Valentine ball, has lost that spot but still gives one of the prettiest and gayest of the parties. Like the one Saturday night when Barbara Kendall was crowned queen, Nancy Mulkey and Ilajeon Williams presented as chapter sweethearts.

Three pretty young women, a brunette, a blonde and a brownette, are enough to decorate a party, but there were

hearts and candles, ribbons and garlands to make a background, and lots more pretty girls in their prettiest dresses.

Linda Fitzgearid, last year's queen, presented the new queen, and was striking in scarlet; she and C.D. can be fairly called a handsome couple at any time, especially when he wore a scarlet shirt to match her dress as he escorted her to the spotlight.

THE NEW queen wore petal pink, the bodice in a big checkerboard plaid. Ilajeon Williams was in black, with sheer floating skirt and full sleeves. Nancy Mulkey's grey dress had a very demure look in front, with white round collar and big bow tie, but the bodice had no back at all.

Frances Stipe, president of the sorority council which was hostess for the ball, wore a full-skirted print in rose and green with a dark background, and silver slippers.

Kathy Allison all in white with slim skirt slit on one side and a

boxy jacket, had a nice foil in Ed's outfit, featuring a red jacket. Joanne Dwyer's emerald green dress with black line print, had ruffles of the fabric around the cameo neckline and long sleeves.

A VARICOLORED print with small pattern on midnight blue ground made Karren Ruland's straight-lined dress with matching border print down one side of the skirt and around the high neckline. Earline Schneider's accordion pleated white skirt was topped with a red plaid bodice, Vida Grady's print skirt with a solid sky-blue top.

There were lots more; you might have picked just any one of the Beta Sigma Phis as Valentine queen without making a mistake.

BIRTH OF a daughter, Lori Michelle, is announced by Mr. and Mrs. Ed Sanders of 807 Blevins. She arrived Feb. 5 in an Amarillo hospital and weighed 8 pounds 13 ounces.

Valentine Coffee Enlivens Season

White orchids, daisies and babybreath with red carnations stressed the Valentine colors in a flower setting for a pretty coffee Saturday morning at Hereford Country Club.

Hostesses for the holiday party, Mmes. Joe Frank Clark, Bill Griffin and C.O. Taylor, assisted by Mrs. Clark's daughter Cindy, greeted scores of guests who were then presented favors at a wishing well by Colleen Malone, dressed in a red and white frock with hearts bordering the long skirt.

The table, set under a double circular canopy of red net bordered with smilax garlands, had a red cloth with smilax around the edge, studded with phalaenopsis orchid blossoms. In the center bouquet were the red and white flowers, and pussy willow catkins.

White dove figurines were poised on the canopy and over the bouquet. On smaller tables around the room where guests were seated, paired white

baskets of flowers were connected by white arches with a dove perched on each. On the piano where J.D. Brown played as a background to conversation, was a similar arrangement.

Hostesses were dressed in variations on the red and white theme. So were houseparty members who presided in turn at the refreshment table, and members of the Country Club staff who assisted.

In the first group pouring coffee were Mmes. James McCarty, Richard Ottesen, J.W. Robinson and Wayne Barber, followed by Mmes. O.G. Hill Jr., Steve Clements, Jimmy Roberts and Bob Josseland.

Dividing duties through the second hour were Mmes. Pat Malone, Hazel Davis, Ansel McDowell and V.O. Hennen, with Mmes. Keith Simmer, Virgil Marsh, Austin Rose and Homer Garrison.

HEARTS AND FLOWERS THEME — Red and white blossoms decked tables and a wishing well at the Valentine coffee given by three Hereford women in Hereford Country Club Saturday morning, while mobiles in heart and cupid shapes hung from the ceiling. Greeting callers, from left top, were the

hostesses, Mrs. Bill Griffin, Mrs. C.O. Taylor and Mrs. Joe Frank Clark, with the latter's daughter Cindy. Colleen Malone presents a perfume favor to a guest at the wishing well, and other conversational groups are pictured in the gala setting.

FGBMFI To Meet

The Full Gospel Business Men's Fellowship International (FGBMFI) will meet at 7 p.m. Saturday in the Hereford Civic Center on 3rd Street with the guest speaker to be Jack Gibson of Austin.

The FGBMFI local chapter meeting is meant as a time for local men concerned about the community and who desire a move of God throughout the land.

Winning Essay Describes Child In Colonial America

A winning essay in the contest sponsored by Los Ciboleros Chapter, Daughters of American Revolution, to observe American History Month, was written by Kenneth Waters, fifth grade pupil at Aikman Elementary School.

Subject of this year's essays was A Child Of 1774. Winners were named in fifth, sixth, seventh and eighth grades; their essays will be entered in a state DAR contest.

Kenneth's essay follows:
A CHILD OF 1774
In 1774, children did not have

life as easy as we do today. Life for most of the colonists was hard work with little time to spare for enjoyment.

From the very beginning, the colonists were interested in education for their children. One of the first things the people did at their town meetings was to arrange for a school.

Children were taught to read from a hornbook, which was really not a book at all. It was a small, thin board with a handle. From this they learned their letters, syllables, and the Lord's Prayer.

Small children went to a dame school, which was held in a home. The housewife, or dame, would go on with her spinning and knitting while she listened to the children read their lessons.

A school for the older children might have been at a meeting house, that served as a church on Sunday. The teacher was usually a man, called the Master, who allowed no mischief and kept a switch handy to use on those who disobeyed.

A girl was seldom taught

more in school than how to read and write and a little arithmetic. After that, she spent her time sewing and learning how to spin, weave, cook and other chores that women did.

After a boy was around 12 years old, he might become an apprentice. He would spend several years without pay working for a shopowner or other businessman to learn a trade. When he had learned well enough, he could open a shop and make money for himself.

The games played by children were different in different sections of the country. Football was liked by lots of boys everywhere. They were also fond of bowling on the grass. Coasting downhill on sleds was fun.

Children played with marbles, tops, hoops, kites and balls, just as boys and girls of today do. Such familiar games as prisoner's base, hopscotch, tag and leapfrog were favorites. Children also enjoyed walking on stilts.

Both boys and girls helped with the chores at home as soon as they were big enough. They had to carry in the wood, milk the cows, feed chickens, and churn the butter. If they lived on

a farm, they also helped in the fields.

Girls helped with the spinning, weaving, sewing, and cooking. Boys learned to trap, fish, and handle a gun at an early age.

The children's clothes usually depended on what their father's occupation was. A farmer and most members of the family wore rough, homemade clothes from homespun materials and leather. A rich merchant and his family would wear more expensive clothing.

In cold weather, children wore woolen or leather pants, knitted socks and sometimes several layers of clothes. In a way, children looked like little adults, as they dressed about like their parents.

Church was different for children in 1774. Even though it was probably better than in earlier colonial days, it was still a long, tiring day for most children. On the Sabbath, the whole family arose early to go to church. Usually there were no hot meals made on the Sabbath.

In some churches, when they entered, the children, especially the boys, were separated from their parents. The sermon was long and sometimes lasted three or four hours. The children probably got very restless and sometimes went to sleep. When this happened, there would be a man with a long pole to tap them on the head or tickle them on the face.

Some children of 1774 might have thought there would never be anything better than what they had, and some of them might have thought there would. If they could see what we have now, we know they would be very surprised.

WALLHIDE: FOR THE HUSBAND WHO CAN'T HIDE.

So your wife wants you to paint a room or two. No use trying to hide. She'll find you. Fast.

The best thing to do is buy a paint that eliminates most of the work: Wallhide Latex Flat Wall Paint.

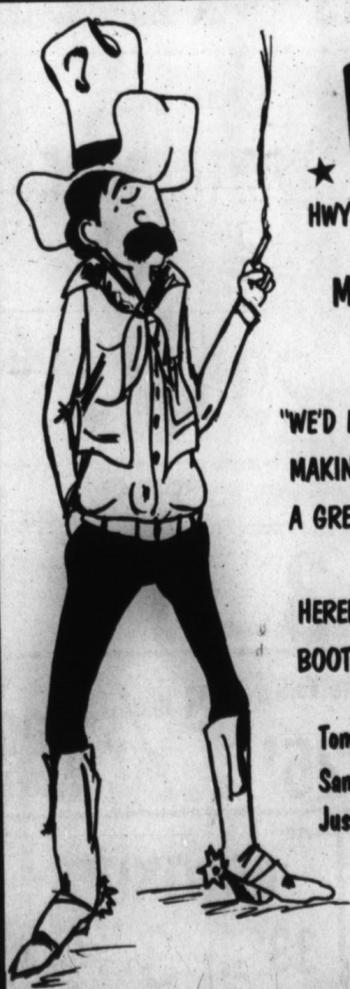

Wallhide Latex is a latex paint that does away with stirring, scrubbing, and priming. All you have to do is apply one easy coat. And stains are gone, rough spots are smoothed over. Paint dries in thirty minutes.

Wallhide makes clean-up easy, too. Simply rinse out your brush with soap and water. That's all.

So you see, it would take more effort to hide than to paint.

Operetta Is Sung By Music Club

A musicale-tea for Kings Manor residents and other friends replaced the usual monthly meeting of Music Study Club Monday afternoon, when members staged a one-act operetta, *Quest Of The Gypsy*, by H. Loren Clements in observance of American Music Month.

The colorfully-costumed production was presented in Lamar Garden Room of Kings Manor retirement home to an audience of approximately 150, including some from Westgate, the nursing care unit of Kings Manor.

Mrs. Ed Line, playing the tambourine, assisted Mrs. Wayne Thomas, pianist, in accompanying.

Mrs. Allen Canaler was director and a guest advisor, Mrs. John Gilliland of Hereford Community Players, aided in the staging. At the close of the program the cast presented Mrs. Canaler a terrarium in appreciation for her work.

After the half-hour comedy with music, punch and cookies were served from a table with Valentine decor. Hostess committee members were Mmes. S.F. Clements, Bill Bradley, Ellis Coombes, T.W. Roberson, W.E. Dameron, Glenn Snyder and C.J. Mountz and Miss Frances Dameron.

Almost all members of the club worked on the special production during six weeks of rehearsals. Those not in the cast served on committees with

duties from publicity to hospitality.

Heading the committee which assembled bright costumes to add gypsy flavor to the show, Mrs. Joe Reinauer was assisted by Mrs. J.R. Allison and Mrs. Buddy Peeler.

The backstage committee led by Mrs. Joe Hacker, club president, had Mmes. Troys Carmichael, A.J. Schroeter and J.C. McCracken as members to collect and arrange stage props.

Mrs. Peeler was in charge of publicity for advance notice of the event. With Mmes. McCracken, Schroeter and Carmichael she distributed programs to guests. Mrs. Joe Schultz served as prompter.

Out-of-city guests who registered included Mrs. Fred Pinkston of Lubbock and Rosa Lenington of Shreveport.

Honored Sorority Sisters

Three Hereford Girls received honors recently at the election and installation of officers held by Alpha Delta Pi social sorority on the West Texas State University Campus. Elected as corresponding secretary is Carol Scott, (left), a junior nursing major, and the daughter of Mr. and Mrs. Dale Scott of 115 Ave. C. Installed as reporter-historian is Patricia Herr (center), junior nursing major, and daughter of Mr. and Mrs. Raynold Herr of 103 Aspen. Appointed as scholarship chairman is Melissa Johnson, (right), freshman nursing major and the daughter of Mr. and Mrs. Julian W. Johnson of Star Route. Recently these girls also received special honors at the Initiation Banquet held in Amarillo. Miss Scott was named "Most Outstanding ADPI of 1973;" Miss Herr was named "Most Congenial Pledge" and Miss Johnson was given the "Best Scrapbook" award.

Possible Miss Herefords Invited To Party

Girls who have entered or are considering entry in the 1974 Miss Hereford contest, or who would like more information about entry requirements, are invited to an informal afternoon party from 2 to 3 p.m. Sunday in Community Center.

The entries committee from Deaf Smith County Chamber of Commerce, which sponsors the Miss Hereford pageant each year, will be hostess for the party. Mrs. J.W. Robinson is committee chairman and Clarkie Cook her assistant. They will answer questions

about eligibility for the pageant, and about various phases of the contest here and the state pageant at Fort Worth. Date of the Miss Hereford pageant is March 23 and the winner will represent this city in Miss Texas competition.

Young women from 18 to 28 years of age, never married, and of good character, are eligible to compete for the Miss Hereford title. Girls from 16 to 18 may enter the Miss Teenage Hereford contest. Rules conform to the Miss America contest regulations.

Many a lawsuit has turned on the question of punctuation. One such occurred in France, where the disposal of \$40,000 depended on the decision as to whether a small spot of ink was or was not a comma.

Dinner Is Club Event

A Valentine dinner with members' husbands as guests was given by the Sunshine Club Tuesday evening in the REC Medallion Room. Mrs. Mike Koelzer and Willodyne Brooks were hostesses, who decorated tables in the holiday colors.

Pictures taken by the Koelzers on a trip to Florida last year were shown on slides after dinner. Secret club pals exchanged gifts.

Present were Messrs. and Mmes. Elmer Jones, Clois Kemp, Clint Landry; Mmes. Cottie Green, Nell Pittman, Helen Watts and Edith Shepherd.

Mrs. Jacobsen Is Hostess

Two program topics were presented at the meeting of West Hereford Extension Club Tuesday afternoon in the home of Mrs. John Jacobsen Sr.

Argen Draper, county extension agent, gave a demonstration on making pizzas for individual servings. A club member, Mrs. E.M. Cox, discussed a family health topic, giving facts about diabetes.

Mrs. Arthur Brooks was introduced as a guest. Other club

OPERETTA SCENES—Music Study Club members staged a one-act comedy with music, *The Gypsy's Quest*, for residents of Kings Manor and guests Monday afternoon in Lamar Garden Room of the Manor. Girls in the gypsy camp look on with amusement, top photo, as Mrs. Ken Walser reads the palm of the bashful country boy, Kim Young. Charisse and Dale Young sing one of the tuneful songs, lower left. Mrs. Allen Canaler, director, at extreme low right, is shown with the accompanists, Mrs. Wayne Thomas, at the piano, and Mrs. Ed Line, adding gypsy rhythm with the tambourine.

SIGNS SCHOOL LUNCH AID
President Nixon has signed into law a bill authorizing about \$220 million in additional subsidies to help hold down the cost of school lunches.

members at the meeting were Mmes. Blanche Hardin, Robert Boyd, A.C. Flowers, D.W. Allmon, U.V. Pierce and Miss Evelyn Bell.

Chicken House Made Into Attractive Home

By SANDY INMAN
Brand Staff Writer
SOMETHING to crow about. The Bill Davises of Route 3 have converted part of their home from an old chicken house into an attractively decorated den and kitchen.

The remodeling, rebuilding process started over 15 years ago when they had originally intended to use the house as a barn on the farmland they had just purchased.

Due to the amount of acreage

KESTER'S JEWELRY
Across from the Post Office
in Downtown Hereford

they had, they were not able to secure a loan to build a new house, so they used their imagination and a lot of muscle power to build their six room house which also includes a sewing nook and basement.

THE HOUSE has just about every feature of a new home including such extras as a fireplace, indirect lighting and a skylight.

Replacing an old coal burner, the fireplace, which is located between the den and living room is made from an old barrel which has been painted wrought-iron black.

Indirect lighting is another luxury the house has. Cut-down, coke kegs taken from the old Plains Creamery building have light bulbs mounted in the center of each. The kegs are placed on ceiling beams, in both the den and kitchen.

"OUR SKYLIGHT, which runs through the center of the den and kitchen, happened quite by accident," laughs Mrs. Davis. "When my husband was

adding on to the den we had to lift the ceiling to match the height of the living room.

"He removed the center ceiling board and replaced it with a sheet of green translucent fiberglass. We liked it so well that we decided to keep it."

Other outstanding features of the house are the bedroom and living room ceiling. They are built with cross arm beams and utility poles.

THE SOUTH wall in the kitchen is paneled with barn lumber which adds to its rustic, informal look. "We found it very difficult to acquire barn lumber which has not been painted or treated," states Mrs. Davis.

The basement, located just off the kitchen, was dug mostly by hand, says the creative homemaker. This serves as an extra bedroom and hobby room.

Hanging lamps decorate the kitchen area. They were made by drilling small holes in large tomato juice cans. The holes allow light to filter through.

CORNICE boards over the den and kitchen windows were made from barn lumber and the kitchen table was built from the chicken house door.

Adding to the corresponding decor in the living room is a floor lamp which is made from a log. "For crocheting it is the perfect height," comments Mrs. Davis. "That was one of the first pieces of furniture my husband made for me."

Strings of chili peppers and garlic hang in the living room, contributing to the homey atmosphere. Large dried sunflowers, arranged in a vase by the family organ, add to the effect.

MRS. DAVIS is the daughter of the J.J. Buckners, oldtime residents of Hereford. Her father came here in 1908 and her mother in 1912.

The Buckner home is at 224 Ave. K, where the family has lived for over 52 years. Mrs. Davis is one of five children.

Hobbies of the talented homemaker-carpenter include reading, crocheting and participating in civic projects.

She is decoration chairman of the Women's Division of Deaf Smith County Chamber of Commerce in the Miss Hereford Beauty Pageant.

SHE LOVES animals and boasts of having had just about every kind of pet imaginable while her daughters were growing.

"We always had at least one caged animal in the house" says Mrs. Davis.

The Davises are members of First Baptist Church where Mrs. Davis teaches kindergarten five days a week. They have three daughters, Owen, and Sidney Johnson both of Amarillo, and Laurel Larson of Irving.

A recipe from Mrs. Davis' collection is for an easy desert to prepare, especially nice for working women, she says.

QUICK COBBLER

Melt one stick oleo in 1 1/2 qt. baking dish in 350 degree oven.

Mix—
3/4 cup suga
3/4 cup flour
3/4 cup milk
1 tsp. baking powder

Pour batter over melted butter, do not stir together. Spread one can any flavor pie filling over batter. Nuts or raisins can be sprinkled on top. Bake 30-40 minutes at 350 degrees.

UNUSUAL HOME BUILT--A chicken house provided the original structure for the Bill Davis home on Route 3. In top photo at left, Mrs. Davis stands by a utility pole which is connected to ceiling beams in the living room. Other photos show their barrel fireplace, iron articles and a log floor lamp built by Mr. Davis.

Smoke In City's History Is Topic

From the smoke signals of Plains Indians to the smokestacks of Plains industry today, Mrs. Frank Ball shared her remembrances of smoke which has affected the history of this region with other members of Pioneer Study Club Tuesday.

The club's luncheon was held in the House of Wong. After Mrs. Ball's amusing reminiscences, Mrs. A.L. Manjeot spoke of local industries, past and present, to round out a program keyed to the topic of conservation.

She distinguished between business and industry, and said this county now has 13 industries employing approximately 700 persons.

Mrs. Ball told of Indian campfires and signal fires seen in this area before the first man came, then said her first

memorable fire in the county was a destructive blaze which swept across the prairies shortly after she came as a child from Kentucky.

She gave a nostalgic sketch of chimney smoke which was once a familiar sight over Hereford homes, spoke of fires under washpots, a fire at her home which was fought by a bucket brigade with water from the windmill, and the controlled fires which produce power today.

Mrs. Manjeot quoted statistics on Hereford's growth and gave a background of industrial landmarks including the first electric power plant installed by F.H. Oberthier in 1908 and the irrigation wells drilled by D.L. McDonald in 1910.

Mrs. John Heard opened the program by reciting her favorite Bible verses. Roberta Campbell presided for business, and reminded members of the International Tea planned for the March 12 meeting at Community Center, with new

residents from other nations as guests. Valentine symbols, heart and cupid cutouts, decorated lunch tables. Hostesses were Mmes. W.C. Hromas, Henry F. Neely and H.E. Miller.

Other members present were

Mmes. Ralph McCullough, Ted Panciera, Henry Hastings, C.L. Craig, Herman Ford, R.L. Wilson, Wirt Phillips, P.B.

Sowell, O.G. Hill Sr., J.V. Pickens, Delmar Sigle and Paul Rudd.

Hoelscher Speaks To Veleda Club

R.C. Hoelscher, new Chamber of Commerce chairman, for Development of Human Resources, presented the program to members of Veleda Study Club Tuesday evening in the home of Mrs. Bill Brady.

Hoelscher, who was introduced by Mrs. Armon Lauderback, stressed the need for names of Hereford residents available for jobs to be done in the community.

Purpose of the committee is to challenge and confront every

citizen in Deaf Smith County, both mentally and physically, to become involved, the speaker said.

Hoelscher's motto is Do Your Best. There are 14 members serving on his committee.

Club members present included Mmes. Gid Brown, Hugh Clearman, J.D. Gilbert, George Olson, Richard Ottesen, Gwynne Owen, John Poin-dexter, Billy Wayne Sisson, Bill Walden, Glenn Watts and Frank Zinser.

Market Report Hedges Higher Food Prices

Meat prices continue to trend upward, so meat items should be selected with care, one observer noted this week. "A larger cut of meat is frequently an economy," Mrs. Gwendolyn Clyatt, consumer

marketing information specialist with the Texas Agricultural Extension Service, the Texas A&M University System, said. "Also less demanded cuts of meat are often priced below

average. Many larger cuts can be divided easily into smaller cuts and cooked at different times," she added. Less popular cuts of meat, such as beef heart, are tasty

and nutritious when properly prepared, the specialist said. "Steaks and roasts from the pork shoulder offer very good eating at considerably less cost than the more popular pork chops."

still available, though supplies are on the decline. Apples, bananas and pears are other fruit choices, along with moderately priced fresh strawberries and pineapples.

Spring Activities Scheduled For Simms Lions Club

Final plans to bring King Brothers Circus to Hereford May 13 for a performance in the County Bull Barn were made in Simms Lions Club at its last week. The club will sponsor the circus appearance. It's annual volleyball tournament will be conducted

March 28-30 at Walcott School gymnasium, it was announced. Ladies Night was set for March 22, at Suptehns in Amarillo.

Herschel Black gave the program, a film and comment about the Heart Fund and this month's campaign in this county to support it.

Three new members were introduced to the club, David Sellers, Terrell Hodges and Joe Carthel. Dick Gerles and

Jerry Roberts, who won the drawing for the tail twister's pot, was named cook chairman for the next club meeting.

Turning to poultry, she termed turkey, turkey parts and fryer chickens economical protein food choices. "Egg prices are up—considerably higher than a year ago, with Grade A, large-size eggs offering the best value."

At fruit counters, grapefruit and oranges are priced attractively with several varieties of oranges available—Temple, Valencia and Navel oranges are a few, the specialist added. "Tangelos and tangerines are

"The most economical vegetables include bulk turnips, cooking greens, rutabagas, head lettuce, cabbage, carrots, celery and broccoli, while potato and dry onion prices are up."

CONSUMER WATCHWORDS: Don't waste food. Cook a little less, even if it means serving the family smaller portions. Store purchases properly and use promptly—what you don't eat costs money, too.

QUEEN PRESENTED — Mrs. Nelson Kendall was presented a sheaf of yellow roses, Beta Sigma Phi flowers, after she was announced as the choice for the title of 1974 Valentine Queen in the sorority here. She was escorted by her husband as the presentation was made by Mrs. C.D. Fitzgerald Jr. 1973 queen, at the annual Valentine ball Saturday evening. Other honorees, lower photo, were Mrs. Robert Williams and Mrs. Fred Mulkey Jr., each nominated by her BSP chapter as candidate for the title. The nominees and their husbands were introduced and stood between pillars twined with red ribbon and smilax in the ballroom where red hearts decorated tables.

Club Guest Gives Humorous Review

An amusing book titled Faith, Hope And Hilarity, was reviewed for Lone Star Study Club Tuesday afternoon by a guest, Mrs. Faye Gauggel, in the meeting at Mrs. Dale Tinnin's home. Mrs. Coy Phillips was co-hostess.

Mrs. Gauggel relayed the humor from the book, which was written by the television comedian Dick Van Dyke. It relates experiences in teaching Sunday School classes of small children, and the children's interpretation of lessons.

The guest reviewer was introduced by Mrs. C.B. Womble, program director.

Mrs. Tinnin presided for business and members voted to send a check to the March of Dimes.

Others present were Mmes. G.W. Newsom, John Moore, J.J.

Durham, R.G. Blue, M.H. Wiseman, S.S. Williams, J.E. Shirkey, S.A. McCathern, Jim Bookout, H.E. Henalee, W.O. McCutchen, C.D. Kellon, J.C. Williams, Henry Vaughn, W.S. Fluit, Hardy Benson, Virgil Dodson, Ed Warren and Miss Mildred Elliott.

Faith, Hope and Hilarity

Denim is always a favorite for spring. Shirt-dresses of denim are being seen on the racks.

Women who know materials and tailoring are able to pick up good buys from the after Christmas sales. The smart woman sticks to classic styles when it comes to suits and coats, if she buys them a season ahead.

Longtime OES Members Honored At Meeting

Longtime members of the Hereford Eastern Star Chapter were honored at a salad supper Tuesday evening in the Masonic Hall, where Past Matrons-Patrons Night was observed. Mrs. Pearl Gass, though unable to be present, was cited as the active member who has been in the order longest, 63 years. Mrs. Lee Cocanougher

and Mrs. O.G. Hill Sr. were honored as 47-year members, Mrs. Pat Lawton and Mrs. Lee Curry for 45-year memberships. A list of 61, some not now resident here, was compiled of 25-year members. Past leaders of the chapter were introduced, and a Valentine gift was presented to the present worthy

matron, Mrs. Vernon Darden. Visitors who are members of other chapters were Mr. and Mrs. Bill Albright, whose membership is in Leavenworth, Kan., Mrs. Ray Anderson, Miami, and Mrs. Huntley, Tulsa. Initiation was conducted for a new member, Mrs. Wade Northcutt. Hosts were Messrs. and Mmes. Robert Harris, Alex Glass and Jerry Don George.

Some people believe that eating a dragon's heart will bestow upon one considerable courage. Of course it takes considerable courage to eat a dragon's heart in the first place!

Man-that's Sorghum!

Mr. Farmer, seed selection time is here and this year you can be sure of making a wise choice when you pick any of the following P.A.G. "Proven Performance" Hybrid Sorghums. Every P.A.G. variety features big heads of grain that dry down fast.

And more importantly... each is a proven yielder!

Book your P.A.G. Hybrid Sorghum by February 28, 1974 and take advantage of your P.A.G. Dealer's Booking Bonus Program. For each ten bags booked and purchased, you'll get one bag FREE.

Check the outstanding characteristics of these P.A.G. Hybrids and then contact your local P.A.G. Dealer today.

<p>329</p> <p>Adapted for areas where a medium early hybrid is desired. Large semi-open heads dry down fast. Excellent for farmers with limited water or for late planting, or a dry land sorghum crop. Fast maturity, high yield potential and easy harvest are features of this P.A.G. variety.</p>	<p>511</p> <p>A hetero-yellow endosperm adapted to both irrigated and dryland conditions. Matures medium to medium late. Excellent MDN tolerance and smut resistance. 511 features outstanding head exertion, threshability and standability. Heads are large and open.</p>
<p>516</p> <p>If MDN and head exertion tend to be a problem, 516 is a wise choice. A medium late maturity hybrid with outstanding yield potential. The head is compact but dries down fast. Excellent head exertion and threshability. Record yields reported during 1972.</p>	<p>642</p> <p>A full season hetero-yellow endosperm hybrid with head exertion resistance and tolerant to MDN. At maturity, heads open well in this medium short plant. Excellent standability characteristics. Performs well throughout the sorghum belt.</p>

BOOKING BONUS AVAILABLE THROUGH FEBRUARY 28

BIG CHIEFS OF CAMPFIRE — Installed in an Indian ceremonial Monday night, Ted Panciera, right, is president of Hereford Campfire Council for another year while Buddy Peeler is the new vice president. Mrs. Blue Turpen, left, will continue to serve as treasurer and Mrs. Cal Garrett is the 1974 secretary.

Campfire Council Reviews Year And Presents Awards

Officers of Hereford Campfire Girls Council, with Ted Panciera as president for another year, were installed at the annual meeting Monday evening. New directors were introduced, awards presented and activities of the past year, involving 364 girls and 132 volunteer leaders, were reviewed.

Girls of Horizon Clubs and Discovery Clubs conducted an Indian ceremonial as a framework for the business session in the Campfire Lodge. Council members, adult leaders and parents of the girls attended.

Taking office for the new year were Buddy Peeler as vice president, Mrs. Cal Garrett secretary and Mrs. Blue Turpen treasurer for another term.

Top award for adult workers in the organization, the Ernest Thompson Seton award was presented to Mrs. A.T. Mims and Mrs. T.E. Siegler Jr.

Certificates of appreciation for aid to the Campfire program went to Mrs. Turpen, Mrs. State Norvell, Dean Stallings, John D. Pitman, Mrs. O.G. Hill Jr., Mrs. Floyd Coleman, Tom Simon, and Betty Koelzer.

New directors for 1974 are

Mrs. Garrett, Mrs. Dwaine Walker, Mrs. Ray Frye, Mrs. Arthur Clark, Mrs. Earnest Langley, Mrs. Boyd Collins, Fred Fox, Harvey Milton, Jim Clarke, W.L. McCullar, Roland Saul, Peeler and Simon.

Horizon Club girls to serve on the board are Holly Layman, D'Lyn Davison, Helen Lesly and Susan Hamby.

Names of Mrs. Langley and Kiska Hodges are to be presented at a Zone 36 meeting in Carlsbad March 1 and 2, as candidates for zone representatives to the National Campfire Council.

Mrs. Turpen and Mrs. Langley will be voting delegates at Carlsbad; Mrs. Collins and Nita Lea, executive secretary of the Hereford Council, plan to attend also.

Outstanding reports from the past year were made by Joel Newman on camping, with 155 Bluebirds and 189 older girls taking part in what was termed the best program in Hereford history; Mrs. Collins, who told of new groups and new leaders expanding the program in 1973, and Mrs. Charles Springer,

program service, who said Campfire Girls participated in the city's Diamond Jubilee and added a swim meet and art show to the year's activities. David Brumley reported on

community relations, Herschel Black on finance, Mrs. Mims on personnel and management, Mrs. Langley on volunteer development and training, Charles Bell on social service

and A.E. Hodges, building maintenance.

Appointed on the 1974 nominating committee were Mrs. Walker, Howard Birdwell and Rex Easterwood.

Special Guests Dine With Club

House guests of two members were included at the Valentine dinner given by El Llano Study Club Tuesday evening, an annual event to entertain members and their husbands.

It was in the home of the Ivan Blocks, with Mmes. Melvin Thompson, Fain Cesar, Elmer Kimball and Labry Ballard as other hostesses.

Peter Sartorius of Munich, Germany, a journalist visiting the Kimballs while he is on assignment in this country, was one of the special guests, while

Mr. and Mrs. Joe Sedlachek of Pipestone, Minn., visitors in the Lloyd Kirkeby home, were the others.

Dinner was served at tables brightened with holiday symbols, and games of cards and 42 followed.

In addition to the hostess couples, the diners were Messrs. and Mmes. Joe White,

R.C. Hoelscher, Tom Hamlett, Boyd Foster, R.W. Eades, Pete Caviness, Olen Caviness, Raymond White, Kirkeby and Mrs. Jim Bookout.

Receives Double Gavel

In a rare double gavel presentation, State Representative Bill Clayton (D-Springlake) was recently honored by House Speaker Price Daniel and the other members of the Texas Legislature. Clayton was presented with two gavels—one representing his service as Chairman of the House of Representatives Subcommittee on Water, which is charged with constant re-evaluation and study of one of the state's most important resources, and the other commemorating his service as Vice-Chairman of the important Local Government Committee, which deals with all legislation affecting county, municipal, and area governments. Clayton, who is now involved in his duties as a delegate to the Constitutional Convention in Austin, stated that his service on these two committees will be invaluable in helping write a new constitution. "The two committees are also of utmost importance to our area of the state," Clayton continued.

AIMING FOR ECONOMY WITH A SMALL CAR? THE DODGE BOYS ARE RIGHT ON TARGET

WITH A FREE
AUTOMATIC TRANSMISSION.

Right now, when you buy either a Dart Swinger hardtop or Dart Custom four-door sedan optionally equipped with power steering, vinyl roof, AM radio, light package, whitewall tires, deluxe wheel covers, left remote-control mirror, deluxe bumper guards, three-speed wipers with electric washers, day/night inside mirror, deluxe insulation package, and special exterior moldings, your Dodge Dealer can offer you the automatic transmission free (because Dodge doesn't charge him for it). See the new '74 Dart Automatic Specials at the Dodge Boys' right away.

SEE THE GREAT SMALL CARS THAT MAKE UP THE "DART DOZEN."

They're all "right on" with:

• **ECONOMY!**
Did you know that a Dodge Dart Sport can go farther on a gallon of gas than a Nova?
Gas mileage figures based on October 1973 Popular Science magazine. Tests performed by Popular Science for its report were conducted on '73 vehicles with figures adjusted by Popular Science for 1974 model changes and the results of E.P.A. tests.

• **ROOM FOR 5 OR 6.**
Our Swinger hardtops and Dart sedans have room for six. There's room for five in our Dart Sport coupe. (Yet, Dart Sport has more total hip-room than Maverick, more trunk space than three Pintos!)

• **ELECTRONIC IGNITION.**
This advanced system is standard on every 1974 Dodge Dart. It eliminates points and condenser (that can wear out or get wet). In addition, fac-

tory-recommended spark plug maintenance is up to 18,000 miles under normal driving conditions. (Another nice saving for you when you choose a new Dart.)

• **SMALL-CAR MANEUVERABILITY.**
If you've been driving a big car for years—you may be pleasantly surprised to find how many "more" parking spaces there are for a Dodge Dart at parking lots.

• **INCREASING TRADE-IN VALUE.**
Just check around, wherever used Dodge Darts are sold. You'll see how our little cars hold their value.

DODGE DART... THE SMALL CAR WITH THE BIG FOLLOWING.

13. LOST & FOUND

NOTICE OF PUBLIC MEETING The Texas Highway Department will conduct a public meeting in the District Courtroom of Deaf Smith County Courthouse in Hereford, Texas on March 19, 1974 at 7:30 P.M. The purpose of this meeting will be to gain knowledge to be used in a report to Congress on the Feasibility and necessity for constructing to appropriate standards a route from Amarillo, Texas or its vicinity to Las Cruces, New Mexico or its vicinity with the alignment to serve immediate locations or vicinities thereof of Hereford, Texas and other towns and cities in New Mexico. This alignment will be generally along U.S. 60. This meeting will pertain only to that portion of this route in Randall, Deaf Smith, Castro, and Parmer Counties in Texas. All interested individuals and groups are requested to be present at this meeting. Come prepared to submit all pertinent data which you may have, both oral and written, that would have any bearing on this feasibility study.
