## Bay View Club Has Luncheon

A luncheon meeting Thursday at the Hereford Country Club began the year for members of Bay View Study Club. Mrs. Philip Buckley, chairman of the yearbook committee, presented the yearbook.

The caption for the first program reads: "Club life is not the pursuit of an idle hour; it is the pursuit of the best that is in us."

The president, Mrs. W. J. Gilliland, welcomed the members and guests. New members are Mesdames Leroy Aven, John Harper, Dexter Lillie, and W. H. Reid.

The social committee served as hostesses for the meeting. Mrs. Richard Barnard was acting chairman. Members present were Mesdames D. H. Alexander, Leroy Aven, Philip Barkley, Richard Barnard, Bruce Burney, W. J. Gilliland, Jimmie Gilentine, John Harper, A. M. Jones, W. S. Kerr, J. W. Kirby, Dexter Lillie, Ansel McDowell, R. B. Miller, and W. H. Reid.

An associate member, Mrs. E. W. Harrison, and her daughter, Mrs. J. M. Simpson, both of Amarillo, were visitors.

### Central School P-TO Has First Meeting Of Year

The Central School Parent Teacher Organization held its first meeting of the school year Thursday night at the school with an open house.

The meeting was called to order at 7:30 by the presiding officer, Mrs. Bob Doughman. New officers for the year were elected. The officers will be Mrs. A. E. Hodges, president; Mrs. Bob Doughman, vice-president; Mrs. Weldon Stephen, secretary; Mrs. B. G. Cotton, treasurer; Mrs. Clinton Ward, historian; Mrs. Julian Johnson, Parliamentarian, and Mrs. Clark Andrews, reporter.

Following the business meeting, the parents visited the rooms of their children, and viewed some of the work that the children have been doing. Refreshments of cookies and coffee were served with the room mothers acting as hostesses.

Principal of Central School is Philip Shook, with Tom Templeton acting as assistant.

### Applications For Windbreak Trees Now Available

Farmers and ranchers who plan to plant windbreaks this year can pick up applications for tree seedlings from their County Agricultural Agent, or by writing to the Texas Forest Service, College Station.

Windbreak species available this year are Austrian and ponderosa pine, black locust, catal-

pa, Chinese elm, cottonwood, buffaloberry, mulberry, redbud, multiflora rose, sycamore, euonymus and osage orange. Black walnut stratified seed are available also.

Seedlings are sold only for soil stabilization or windbreak purposes. They may not be used for landscaping or as ornamentals. No order for less than 100 trees will be accepted.

Mason Cloud, head, reforestation section, Texas Forest Service, said the cost of both seedlings and seed will be \$1.50 per hundred prepaid plus state sales tax. Shipments will begin the middle of February and end around the middle of March.

Windbreak planting guides are available free of charge from the County Agricultural Agents and from the Texas Forest Service, College Station.

### CARD OF THANKS

We want to express our deepest thanks to the Rev. H. L. Thurston and the Rev. H. V. Fields for the beautiful service in memory of our loved one, Andy Thomas. We would also like to thank everyone who prepared food for us and the many friends and neighbors who came to express their sympathy.

### Herd...

(Continued from page 1) who fumbled into the end zone. Williams, who was trailing the play, pounced on the loose ball for the score.

Center Eddie Johnson booted the ball through the up rights for the conversion with five and a half minutes on the clock.

After the kick, Dimmitt drove into Hereford territory only to lose the ball on a fourth down play which was short. Hereford drove back downfield to the Dimmitt 27-yard line on carries by Higgins, Hodges, Williams, and Cain. The Herd lost possession on a fourth down situation.

Taking over on their own 28, Dimmitt tried a series of plays that failed to net a first down. On fourth down, the ball sailed over the head of Gary Winkle, who was back to punt, and the Herd took over on the 15.

Cain faded back to pass, but was trapped. He eluded two Bobcat tacklers and streaked for the far side of the field and into the end for the sec-

ond Hereford score. Cain booted the conversion with 8:20 left in the period.

Following the kick off, the Bobcats fumbled the ball to Hereford, but the Whitefaces were forced into a punting situation on their own 36. The ball carried into the end zone with the Bobcats taking over on their own 20.

The Bobcats moved the ball into Hereford territory on runs by Nichols, Clint Summers, and an unnecessary roughness penalty against the Whitefaces. From the 29, quarter Hutton fired two passes to Jim Aldredge, the second for a touchdown with 1:20 on the clock. The try for extra points was no good.

The half ended with Hereford driving up field on runs by Williams and Hodges.

The third quarter opened with the Herd taking the kickoff on their own 43 yard line. Higgins drove to the Dimmitt 46 with Williams adding three more for a first. On the next play, Cain kept, but a penalty moved the ball back to the Hereford 45.

A pass to Hodges was incomplete. Then Cain handed

The third stop on the tour will be at the Dameron Hereford Ranch. Herb Gunter and W. S. Dameron will discuss the utilization of irrigated grasses with beef cattle.

Use of grasses such as kaw, bluestem, side oats, and Indian grasses, and grasses for cool weather such as Chapel Hill Rescue, Canadian Wild rye, and Western wheat grasses, are to be discussed.

Refreshments will be served by Gifford-Hill Western and WAC Seed Co. before moving on to the Austin Rose Jr. farm. Here grain sorghum fertility tests will be discussed by Wendall Roberson, from the Bushland Experiment Station.

The last stop on the tour will be at the Warner farm. Here George Warner and Dr. Allen Wiese will give a demonstration on weed control.

yards, but a pitch out to Hodges lost four. On fourth down, Cain dropped back for a pass, found his receivers covered, dashed across the middle and slated to the near sideline for the score with 7:15 left in the game. Try for extra points was not good.

For the remainder of the game both teams battled in mid-field with the Bobcats trying to get a scoring drive underway. Dimmitt lost possession on downs and the Herd was forced into a punting situation.

Dimmitt, moving from its own 20, moved upfield, but a penalty nullified a long gainer with Hereford recovering a fumble on the next play.

As time ran out, the Herd, was again in scoring position. A penalty as time ran out set the ball on the Dimmitt 14. On the final play Cain passed to Duncan, but the ball fell away in the end zone incomplete.

(Continued from page 1) Following recovery of the two machines, officers were then directed to where a 55-cup coffee percolator and an electric drill were hidden.

The two articles were discovered in a grain sorghum field east of the city. The suspects stated they had been given to a 45-year-old Latin American at the Labor Camp.

He was being held Saturday in Deaf Smith County jail with charges of receiving and concealing stolen property pending. Formal charges are to be filed here Monday.

Officers are continuing their investigation and returning recovered articles to owners.

A spokesman for Deaf Smith County Sheriff's Office stated Saturday that charges are to be filed on seven of the suspects Monday.

One has already been charged and two were turned over to Castro County Sheriff's Office to face charges in Dimmitt.

**The Importance Of Dance Education**

There are many reasons you may have been wishing you could arrange dance lessons for your child, and yet there may be other advantages you have not considered. Just what can dance classes under a properly trained teacher offer your child? The right kind of dance training develops a sense of rhythm and a love for music; it improves posture and coordination, and it strengthens the body and feet of the student. It is recommended for congenital flat feet, sway backs and some other physical defects. It gives a child a sense of belonging and accomplishment; it helps him to learn how to work with groups, how to take instruction, and if continued is good training in self-discipline. Why will it help? All sports require rhythmic movement, and dance is that study of movement in time and space that basketball and football coaches are discovering is a great help to their players. There is the toot-thin child who needs to develop those pipestem legs, or the chunky child whose puppy fat is slow to disappear - ballet is very good for these conditions. There's the tomboy with six brothers who knows more about climbing trees than how to walk like a lady, and the mouse who is afraid of school, where he will have to stand before the class and read; the overgrown elf and the emotional storm who need a physical outlet for their energy. And last but not least, there is the talented child whose sense of grace and rhythm cries out for development. For her (or him) there is the possibility of a career as a dance teacher, or at least a hobby for a lifetime of enjoyment. Best of all, dance classes are fun! Whether your child is interested in tap, ballet, acrobatics, modern jazz or ballroom, he will usually learn to enjoy the fellowship of working with other boys and girls to pleasant music. Your child's education is not complete without some dance training. Why not bring him to our school and enroll him in one or more dance classes? Prices are reasonable and you can enroll now.

### Brumley...

(Continued from page 1)  
Plainview, reporter - historian. After they read in unison the nine purposes of the club, the out-going president, Mrs. Austin King of Lockney, presented the white gavel to Mrs. Brumley.

One of the highlights of the convention was a speech, "The Responsibility of Being a Parent," by Mrs. Charles Winter, elementary director of the Plainview First Baptist Church.

Another highlight was a lecture, "A New You," by Mrs. Bess Boon Rothman of Santa Monica, Calif. Mrs. Rothman gave tips on walking, sitting, standing, and talking.

A panel discussion of "A New Image in Family Living," followed Mrs. Rothman's lecture. The moderator was Mrs. Norma Parton, Plainview Homemaking teacher.

Members of the panel were Mrs. Murrial Briggs, home service advisor for Southwestern Public Service Company of Amarillo; Mrs. Gail Brewer, home service advisor for South Plains Electric Cooperative, Inc., Lubbock; Mrs. Betty Moran, home service supervisor for Pioneer Natural Gas Company of Lubbock; and Mrs. Nancy Morkel, home economist for the Light-House Electric Cooperative, Inc., Floydada.

The Hereford Chapter of Young Farmers of Texas attended the third annual convention of Area I Young Farmers at another school in Plainview on the same date. Jess Robinson, Hereford High School Agriculture teacher, served as convention parliamentarian.

The program was a panel discussion on "Operating and Maintaining an Active Young Farmers Chapter." A cattle buyer for Wilson and Company, Don Jones of Plainview, showed slides on agriculture in Brazil and talked of his five years in Brazil.

At 7:30 p.m. the Young Home-makers joined the Young Farmers for a banquet at Estacado Junior High School. Billy Boyd of Lubbock was master of ceremonies and the main address was delivered by Berli Huffman, freshman coach at Texas Technological College in Lubbock.

New officers of Young Farmers were installed by the state president, Eddie Joe Fortenberry of Lockney. Awards were presented Young Homemakers and the announcement was made of Miss Boston's selection as Area Little Sister.

Those attending the convention from Hereford were Mr. and Mrs. George Zetzache, Mr. and Mrs. Davis Brumley, Mr. and Mrs. Clark Andrews, Mr. and Mrs. James Dobbis, Mr. and Mrs. Kenneth DeHart, Jess Robinson, Mrs. Howard Hunter, Mrs. J. J. Durham, Hereford chapter advisor, Miss Kathy Boston, and her mother, Mrs. Jay Boston.

Mr. and Mrs. Owen Andrews, the Rev. and Mrs. G. W. Fine, Ronnie and Roxy had Sunday dinner with Mr. and Mrs. Henry Dobbis.

Bill Cole was honored with a birthday supper on Thursday night. Mrs. Earl Cole and Bill's parents, and sisters were present for the occasion.

Carol Robbins and Jana Cole were in Amarillo on Saturday with Celia Patton to help fix the 4-H Bake Show at the Fair.

Cheryl Cole visited with Gene Robbins and Beverly Cole visited with Gill Stephan on Sunday.

Mr. and Mrs. Charles Self and Brent and Mr. and Mrs. A. W. Self, Jana, and Tina, had Sunday dinner with A. J. Self and family. Mr. and Mrs. David Self and Teri of Abilene visited with

Mrs. Robert Dobbison, and children, Mrs. Arthur Clark and children, Mrs. Earl Harkins, and children, Mr. and Mrs. Leo Hall, Reba and Ronnie, and Rita Struve were among the ones to attend the Circus at Dimmitt on Thursday.

### Xi Epsilon Alpha Has Program On Sense Modalities

As the second part of their series of programs on "Festival of Life," members of Xi Epsilon Alpha Chapter of Beta Sigma Phi heard discussions of the senses of taste, smell, and hearing at their meeting at the Community Center Tuesday.

Taste and smell were discussed by Mrs. Larry Summers. She noted that the sense of smell has more to do with enjoyment of food than the sense of taste, but, without sight, taste and smell are confusing. To illustrate the point, members were blindfolded and given bits of apples and pears to eat.

The sense of hearing was Mrs. Hicks Roberson's topic. She pointed out that this sense is one of the most basic of the sense modalities and one of the most versatile.

The business meeting was conducted by Mrs. Charles Laing. She announced that the Northwest Texas Area Convention will be held in Plainview on Oct. 27.

Hostesses for the meeting were Mrs. Harold Miller and Mrs. Van Nichols. Mrs. Jessie Nicholson of Dimmitt was a guest. Others present were Mesdames Don Baugous, Charlie Bell, Carl Hollingsworth, Eddie Johnson, Charles Laing, Hicks Roberson, Clyde Russell, John Schneider, Max Stipe, and Larry Summers.

Mrs. Robbie Squith, a transfer from the Huntsville chapter was introduced. Mrs. Judy Philpot's request for a year's leave of absence was granted.

Members present were Miss Jo Ivie, and Mesdames C. D. Fitzgerald, Pat Parker, Glen Wilson, Ralph Starr, Howard Gore, Walter Kirkland, Arlis Edwards, Harold Kida, Don Chesser, John Gilliland, Preston Hagan, Joe Neely, E. C. Williams, and Gene Cope.

### EVERYBODY READS PAPER

JERUSALEM (Israeli Sector) (AP) — The Israelis like their newspapers.

The tiny 15-year-old state only has a population of about 2 1/2 million, but it has 25 daily newspapers, 60 weeklies, 140 fortnightly and monthly.

The dailies are printed in Hebrew, German, Arabic, Hungarian, French, Polish, Yiddish, Rumanian, English and Bulgarian.

### EMPEROR RODE IN JERUSALEM

(AP) — The horse-drawn coach was introduced into the Holy Land for the first time in 1869 by Emperor Franz-Joseph of Austria, on a state visit.

The emperor rode the nearly 60 miles from the port of Jaffa to Jerusalem over a road especially prepared for wheels and transportation.

An American tourist created a sensation in 1908 when he arrived in Palestine with the first motor car.

### U.S. FILMS POPULAR

JERUSALEM (Israeli Sector) (AP) — Attendance in Israel's 280 movie theaters totaled 38 million in the 1961-62 season.

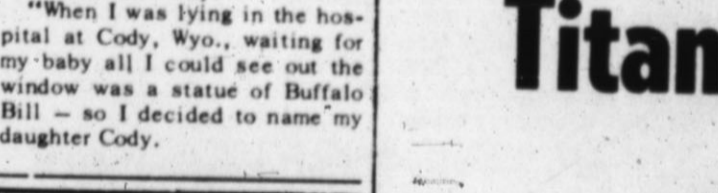

American films are still the most popular. During this period Israel imported 432 films, of which 178 came from the United States. Runnerup was France with 80. Others: Italy 34, Britain 32, Russia 15, Sweden 13, Turkey 11, others 59.

### CODY FROM WYOMING

BYRON, Wyo. (AP) — Cody Marie Neville, 18, newly chosen Miss Wyoming, was named after the statue of a famous westerner, Buffalo Bill Cody.

Mrs. Edwin Neville of Byron explained her daughter's unusual first name this way:

"When I was lying in the hospital at Cody, Wyo., waiting for my baby all I could see out the window was a statue of Buffalo Bill — so I decided to name my daughter Cody."

**By Melvin Young**  
Vandalism has been on the upswing around the Hereford area for the past six months, with malicious damage being inflicted on business and farm property alike. Only a few weeks ago, vandals smashed headlights on farm machinery scattered throughout the countryside, and more recently inflicted heavy damage on a number of business houses. Many items, and money, were stolen, but probably the biggest loss to the business man was though vandalism.

We had not realized the extent of such damage until we dropped by Plains Fertilizer Thursday and got a eye-witness view of the mess left behind. Chairs were slashed, files and records scattered all over the place, the felt had been ripped from the "smoker" table, coke machine smashed, windows broken, etc. Cash and merchandise loss was heavy, but chances are, the loss from vandalism will be even heavier.

We did not have the opportunity to see the folks at Pioneer Fertilizer, located eleven miles north on 385, but we understand that damage was quite heavy at that establishment also.

Vandalism, in our opinion is worse than robbery. There is no excuse for the malicious destruction of another man's property. Merchandise taken may be recovered when the thieves are apprehended; but damage done by vandalism cannot be "undone."

We wonder sometimes, if the punishment for such crimes should not be more severe than

for actual burglary?

Well we finally beat Dumas at something. The Deaf Smith County Chamber of Commerce slipped past the Dumas Chamber during the membership drive, or as some prefer to call the event, the "Texas Spirited City Contest." Dumas tallied out with 70 new members, 10 increases and a total cash increase of \$3725.50 while Hereford picked up 68 new members, 4 increases and a total cash increase of \$3820. That's a pretty thin margin (\$94.20) but at least we beat them.

Chamber of Commerce manager Bill Tompson said he couldn't quite figure out how Dumas came out with the odd \$90c, but we figured that some good-hearted soul threw in the extra money for coffee drinking. Local chairman Don Zimmerman should be congratulated for his excellent work during the drive, as well as all the folks who "beat-the-bushes" for new members. All worked hard and did an excellent job.

The Lucky U Motel will hold open house this Sunday. The Lucky U has undergone extensive remodeling, plus the addition of 18 units which brings it up to a 50 unit motel. It is quite modern, in fact one of the nicest in this part of the country. If you can, be sure to drop by today for a guided tour. It'll be worth your time.

Wanted: A good home for 10 kittens. Miss Prizze from the labor camp dropped by to let us know that they had 10 of the cutest kittens that any-

one has ever seen, and she is looking for a "good" (and she emphasized "good") home for the little tykes. If you're interested, just call EM 4-9919.

The tour of Mexican farm leaders will arrive in Hereford Sunday and the Chamber of Commerce is looking for area people who can speak Spanish. Communication with these people may be somewhat of a problem since many will not be able to speak English; however, the Chamber felt there were enough people in Hereford who could converse in Spanish if they could just contact them and get a few out for the tour. If you speak Spanish, please contact Bill Tompson and volunteer your services. It is important that we have a good crowd out to visit with our neighbors to the South.

Today throughout this nation, people from all walks of life will begin to gather food and fiber in order that our friends and neighbors in the less fortunate areas of the world may not go to bed hungry.

CROP, the Christian Rural Overseas Program, has since its inception in 1947, supplied over \$14 million in food and fiber to feed and clothe hungry and destitute people all over the world. But not only has it supplied these basic needs for countless millions, it has also furnished agricultural tools and seed to help others to help themselves.

We add our enthusiastic endorsement and support to the 1963 CROP appeal to be held in our community. CROP is a channel of the churches for people throughout Deaf Smith County to do something personally for hungry and destitute people in areas of acute human need. Commodities gathered through the CROP program are distributed in over 40 countries, and is distributed solely on the basis of need, without question of race, creed or politics.

Volunteer workers from our churches, farm groups, and many other people with community interests are the backbone of our country CROP cam-

aign. Their efforts are matched by the churches and volunteers in needy lands in the distribution of the goods.

Add your support to CROP in 1963. Again, as in the past, let's all work to put the CROP drive "over-the-top."

Charlie Morris and Abe Martin have been spending all their spare time recently trying to compete with Castro in the manufacturing of cigars. Charlie grew a crop of tobacco in his back yard this year and the stuff looks pretty good. However, we were not brave enough to try any of it.

Cawthon Bryant has also been nurturing a tobacco plant. Who knows, we may become a tobacco producing state one of these days.

A necessary evil is one that we like so well we do not want it abolished.

AT COOP MEETING  
Six South Plains College Texans were accompanied by their director and sponsor, Mrs. Myrtle Lucke to Cotton Center Thursday where they presented a part of the program for the gin co-op meeting there. Girls selected to perform for the event were Debbie Perkins, Sue Grant, Brenda Hensley all of Lovelland; Sue Davis, Seminole, Jerre Noland, Hereford; and Judy Gray, Dallas.

# Research Projects Helped By Grants To Foundation

At the Seventh Annual High Plains Research Foundation Field Day, Friday, Sept. 13, Dr. Earl Collister, director, announced that Goodpasture Grain and Milling Company, Inc., Brownfield, Texas, was donating a Wagner Sprinkler Pipe Mover to the Foundation.

This unit, when purchased by a local farmer, would entail an

expense of approximately \$6,000. Pipe couplers and sprinkler head were donated to the Foundation by Ross Irrigation and Supply, also of Brownfield.

This unit is one that was developed after many years of experimentation and field trials, and is manufactured by Goodpasture Manufacturing Company, division of the parent organi-

zation. Also included in the announcement of donations to the Foundation, was the \$10,000 gift by Plains Cotton Growers Association for the rebuilding of the cotton gin building which was destroyed by fire.

The funds will be applied to the \$25,000 for reconstructing the building now nearing completion, said Dr. Collister.

According to officials of Goodpasture Grain and Milling Com-

pany, the sprinkler system is designed for the express purpose of modernizing a farmer's irrigation operation. Under ordinary circumstances, each unit on one fourth mile of sprinkler system is driven by one gasoline powered engine unit, and each joint of pipe is individually carried by one carrier unit.

Mr. Weldon Callaway, representing the firm, said, "It is indeed an honor and a privilege to be a forerunner and pioneer in sprinkler irrigation research at the High Plains Research Foundation. We are extremely proud of the fact that this project is being undertaken by an independent, free enterprise research organization. We have long been a subscriber and supporter to the basic principles of the Foundation."

Dr. Collister stated that the Foundation appreciated the kind co-operation of Goodpasture Grain and Milling Company in furthering the Foundation's research program. The sprinkler irrigation equipment will be of great value in determining more efficient irrigation methods for row crops and pastures.

Donation of the grant for reconstruction of the new steel and concrete gin structure was made known to the Foundation by George W. Pfeifferberger, executive vice president, Plains Cotton Growers. Pfeifferberger said, "There is a definite need for this building, and the Plains Cotton Growers Board members feel this a worthwhile investment toward cotton progress on the High Plains."

Dr. Collister stated that the financial support of Plains Cotton Growers would permit the Foundation to proceed with an accelerated program on cotton research.

The Foundation is currently conducting several major research projects that are directed toward the production of high yields of good quality cotton on the High Plains.

Pete was pretty puffed up when he dropped by the office with his progress report.

"Just makes me more proud than usual of my county and my Chamber of Commerce, whipping Dumas that way! Knew we could do it; Knew that there just wasn't any town could challenge us for the title of Texas Spirited City; but we sure have to hand it to those Dumas folks.

"They just crowded us all the way. Course they're the same kind of folks we are—a little more industry and less agriculture—but they're Panhandle high plains folks and good workers too.

"It's going to be lots of fun, having them down to Hereford to present that trophy.

"We won't humiliate them too much—might even cook that crow they'll be eating."

Pete got serious then. "Don Zimmerman and his crew just really deserve the applause for a job real well done. He got Austin Rose Jr., and Maurice Tannahill, his two division chiefs, all stirred up and they went after the memberships—kind of like seeing the generals in the front lines.

"Let me tell you about the folks that really worked on this drive: there was team captain Harold Kilds with Ernest Kendall, Dub Hair, Vance Crane, and John E. McClesky. And Jimmie Allred headed a team with Hilrey Aven and Pete Caviness.

"J. D. Kirkland got after Bill Bradley, Paul Harvey and Labry Ballard while Neil Cooper rode herd on Bill Penn, Chete Corliss, Curt Rosch, Albert Maxwell, Don Haggous and Joel Hodges.

"Mark Woodall headed up a team of which Clinton West, Jim Wyman, Nolan Grady, Raymond White and Deb Knox were the work horses. The women were represented by the efforts of Bessie Patterson.

"Irving Alexander, Marvin Coffey, Robert Miller, Lowell Sharp and George Phillips were members of the team headed by Delbert Kinsey. Woody Wilson's team members were Oliver Stren, Frank Wiginton, C. D. Fitzgerald, W. S. Fisher, Wayne Phillips and Jimmie Ivy. Tony Barton, N. D. Bartlett, Palmer Norton, Ted Pasciera and Elmer Patterson were working with team captain Clint Formby. Lloyd Sharp headed a team

of workers such as J. R. Burns, Earl Phillips, Marshall Wilson, J. T. Sims and Melvin Jayroe.

"Captain Ed Skypala was a pusher for Major Schroeter, Virgil Dodson, Johnny Pool, and Benny Womble. Frank Ford Jr., volunteered his services and brought in a member.

"It's people like these that make a drive like this go; and it is the enthusiasm stimulated by spirited competition that makes the hard volunteer work fun.

"We salute Jack Gressett, manager of the Dumas Chamber of Commerce, for suggesting the competition and getting his Board of Directors to issue the challenge which resulted in benefit to both Chambers of Commerce and ultimately to both communities."

As the Swifties would say, Pete left the office Progressive-

ly.

Westway Community 4-H Club met Tuesday at the Westway Community House for election of officers and a program on parliamentary procedure, which was presented by Maura McAndrews and Jack Thomas. Deborah Jesko was the presiding officer.

Larry Minks was elected president. Other officers are Rebecca Jesko, vice-president; Steven Jesko, secretary-treasurer; Jana Denton, reporter; Mike McEachern, song leader; Judy Bartels, drill leader, Dale Smith, council delegate, and Tommy Smith and James Herd, junior leaders.

Welcomed as new members were Sharon and Judy Bartels. There were 20 members and 14 parents and smaller children present. Leaders of the group are Mr. and Mrs. Jimmy Jesko and Mr. and Mrs. Harold Herd.

## Mrs. Louie Olson Presents Program On Mental Health

Mrs. Louie Olson presented a program on family life and mental health for members of Cultural Home Demonstration Club during a recent meeting.

"Don't take on all the responsibilities for family life," she warned, "but give love and responsibilities to other members of the family for better understanding."

Members told how they settled family arguments in answer to roll call. Plans were made during the business meeting for a covered dish luncheon to be served club members at the Community Center on Sept. 30.

Hostess for the meeting was Mrs. J. G. Gandy. She served refreshments to Mesdames Marvis Southwood, Ted Royal, Ira Scott, Burk Inman, Louie Olson, Earl DeHart, George Parker, J. D. Love, and C. E. Johnson, her daughter, and Mrs. Johnson's daughter.

By Mrs. T. J. Parsons

**Donald Walsler Is Commended**

Specialist fourth class Donald Walsler has received his discharge from the army. He was a bookkeeper. He was stationed at Fort Gordon in Georgia for two years. He did his basic training at Fort Carson, Colo.

Upon his discharge he was given a good conduct medal and a certificate of achievement from the United States Army Southeastern Signal School.

This citation read: "Specialist Fourth Class Donald L. Walsler, upon his departure from this command and in recognition of meritorious performance of duty during the period 1 December, 1961 to 11 September, 1963.

"During this period Specialist Walsler was assigned as Unit Personnel Specialist, Student officer Company, United States Army Southeastern Signal School, Fort Gordon, Georgia.

"He performed his duties in a superior manner exhibiting complete knowledge and unflinching execution of his duties. His loyalty, good judgement, high moral principles, sincerity and administrative ability achieved for him the respect of his associates and the commendation of his superiors.

"During the cited period, Specialist Walsler's performance of duty reflected credit upon himself, the Southeastern Signal School, and the United States Army. Congratulations Donald."

Mrs. Lee Curry is spending a few days in Amarillo with her sisters, Mrs. Maud Baker and Mrs. R. A. Baker.

Visiting in Texline for a few days this week are Mr. and Mrs. Ira Ricketts. They are there to attend the wedding of their granddaughter, Sandra Higgins, daughter of Mr. and Mrs. Howard Higgins. The bridegroom is Eldridge Dixon of Texline. They were married in the Texline Church of Christ.

Sandra's sister Donna was married three weeks ago. The Higgins are former Here-

ford residents.

# Wherever You Farm...

there's a Pitman Grain Co.  
elevator to serve you.

Pitman Grain Company, in keeping with our policy of giving the best service possible to our customers, now have four elevators located throughout the area to make it more convenient (and profitable) to bring your grain sorghum to us.

And whether you bring your grain to Pitman's central elevator in Hereford or to the Summerfield, Westway or North location, you'll receive the same courteous, efficient service that you expect and deserve.

Remember, at Pitman Grain Company... "we appreciate your business."
