

Meadow Future Farmers Rank Second In This Area

The Meadow Department of Vocational Agriculture and FFA Chapter has recently been scored by the area committee in the annual Lone Star Chapter Contest and was ranked second high among the 86 departments of the area. The local chapter was outscored by the Clarendon Chapter who won

first in the entire nation last year. The local boys will have to really get hot next year if they are to beat the Gold Star chapter of the nation, however this year's achievement gives the local organization a Lone Star rating for the third consecutive year.

- Lone Star Farmers -

CUTS FROM THE ROUNDUP

Robert Liles and Edwin Nettles were the first local FFA members to ever attain the high rank of Lone Star Farmer. They attended the State FFA Convention at Marshall July 16-19 where the degrees were conferred upon these outstanding young VA students of Meadow High School, along with others who have carried out exceptionally good FFA crop and livestock project programs during their period of High School training.

The Lone Star Farmers Degree can only be conferred upon the upper 2 per cent of all the V. A. students in Texas, thereby indicating the high place of achievement a student must reach to place himself in that group.

The community is proud that two of our own boys and our local chapter of Future

Farmers should be so honored for their success.

A. L. Hartzog, instructor of Agriculture, received his Lone Star Farmer Award some time ago.

Irene Dunne and Cary Grant are starred at the Rialto Theatre in George Stevens' new romantic drama, "Penny Serenade."

Home Demo Club Met With Mrs. I. Smith Monday

Mrs. Idris Smith was hostess to the Meadow Home Demonstration Club in the home of Mrs. D. B. Smith Monday July 21.

The opening exercise was the song America.

Roll call was answered with helpful hints. A short talk was given by Mrs. R. L. Wossum about her trip to College Station.

Miss Holloway, County Agent, gave a very interesting talk and Demonstration on hook rugs. You'll probably find one of the kind of rugs in the home of most of the members soon.

The County-wide social will be Aug. 28 at McKenzie park. Every member be there promptly at 11 o'clock.

A free educational picture sponsored by the Extension Service and AAA will be shown at the district court room in Brownfield from 4 to 6, August 9th. A comedy will also be shown. This show is for the whole family.

Council meeting will be Monday, July 28th at 2:30. All club members who can, please be present.

Our next meeting, which is club social, will be Aug. 5th. 8 o'clock p. m. with Mrs. W. J. Moss, who says for the club members to come and bring their families. Club pal gifts will be exchanged at this meeting.

A drive for old aluminum is now being staged. All who have any junk aluminum, put it in front of your place and the Scouts will pick it up. Mayor Hand is head of this drive in Meadow. More pictures of the club members were taken.

Refreshments were served to 25 members, 2 guests and Miss Holloway.

Card of Thanks

We wish to thank each and every one for their help and kindness following the fire in our home. May God's blessings be upon each of you.

Mr. and Mrs. L. C. Ward, and family, Meadow, Texas.

Rainfall of approximately an inch fell in the Meadow community Wednesday. A portion of the farmers were in need of this rain.

METHODIST REVIVAL

We begin our revival meeting July 25th, tonight, and we take this method of extending a cordial invitation to one and all. Especially do we urge the cooperation of all the churches. Let's all come together and work for the spiritual uplift of our community, and for the salvation of lost souls. We are passing through the most trying period in the history of the world, and the only source of real peace is in Jesus Christ.

Come and worship with us.

G. H. Bryant, Pastor.

F.F.A. Boys Buy Hereford Calves

The FFA has recently purchased a registered Hampshire Boar in addition to the registered Berkshire Boar already owned by the chapter. These animals are kept for chapter and public use and L. D. Joplin has charge of them.

The boys have also purchased a large number of calves for the coming year. These are Herefords and will be placed on pasture for fall feeding. Bill Tilger has bought 2, Calvin Bartlett 2, Ellis Walker 4, Maurice Fox 1, Jack Bundrant 1, D. J.

Drive For Old Aluminum Now In Full Swing

"Terry County is doing its part in the Aluminum for Defense effort" said Judge Lincoln and County Attorney Crawford here Wednesday. W. H. Hand is Meadow chairman of the drive. A large pen has been erected on the court house lawn to place the metal in. Every piece contributed will help.

The drive will continue all this week. Do your part for National Defense.

Gertrude Niesen, beautiful blues singer who is prominently cast in "Rockies on Parade."

Yowell 2, Robert Beasley 3, Terrell Bell 3, Clifton Luncford 1, Edwin Nettles 3. Other boys to get calves Aug. 1 are Edwin Nettles 3, and Robert Liles 2.

Fighting for a New Europe

By sea, by air and by land, the Allies—Australians, Belgians, the British Commonwealth, Czechoslovak, Free French, Greeks, Luxemburgers, Netherlanders, Norwegians, Poles and Yugoslavs—fight side by side in their struggle for freedom and against forces that now have many of the nations of the world under their domination. Above, a Pom Pom crew of the Polish destroyer Piorun mans a gun against raiding dive bombers. The Piorun, first to contact it, was cited for its action against the Bismarck.

The O'Daniel's have decided to stay in Austin until August so the daughter can be married in the Mansion. For awhile the Governor thought he was very urgently needed in Washington, but now it seems time is plentiful.
