VOLUME 63, NUMBER 1

First Fair in Rising Star Was Back in 1908; Then in 1923 Revamped as Pig and Poultry Show; Many Prizes Over Years

According to the best information available Geo. T. Barnes, now deceased, was the daddy of the first fair ever held in Rising Star back in 1908. It was the vision of the progressive people of this community at that time that has brought us down to the Free Fall Fair that will be held on Thursday, Friday and Saturday, October 1, 2 and 3. It is bound to be a good one, because nothing has been left undone by the various committees and their helpers.

No Building in the Early Days to Hold a Fair.
In the beginning those promoting the fair had to use whatever space or building that was available. The office now occupied by the Record was used at one time for displays and booths. Others in town have had a similar experience. Today, the market building is an ideal location, with plenty of room and stage for shows, minstrels, string bands and entertainment.

Not many towns the size of Rising Star are able to boast of a market building and our people are mighty lucky that men of vision and foresight were able to erect this edifice that could be used for all affairs of public interest.

Won Many Prizes.
The agricultural displays, cattle and fruit, that won prizes from the local level were taken on to Brownwood where they again won and from there to the Dallas Fair, again winning and the community receiving recognition from the state level.

Starting in 1923 with the late V. Frank Robertson as head of the Chamber of Commerce the fair has really grown to be known as one of the best small town fairs in the state. Agricultural exhibits, dairy and beef cattle, seeds and fruit, art work, home demonstration work displays, pets and many others will have booths for the public to view.

Farm Implements.
Many dealers will have the latest in farm implements to show. With the tractor and all labor saving equipment now used by farmers more land can be cultivated and a better job done than in the days gone by.

Turkeys and chickens will probably come in for a big show. Rising Star is fast becoming known as the turkey center of this area and more than 40,000 birds have been raised for the market this year.

Hogs and cattle and even fine saddle horses are among the fine stock grown in this section of the four-county area. It is a thrill of a lifetime to see the fine horses and saddles and graceful riders that can be seen at any of the several rodeos to be shown during the fair.

The good old days are gone — many of the oldtimers are still with us. A new era is here. Let's make the most of it and all come to the fair in October.

HOSPITAL NOTES

Hospitalized.

Rev. Hugh Blair Resigns Post After 41 Years Service

By RAY B. McCORKLE
Editor, Eastland Telegram

Rev. H. D. Blair, for 26 years Missionary for the Cisco Baptist Association, made his final report at the association Tuesday, when that body met in Breckenridge for its annual session.

It has been known for some time that he was planning to resign, and this was at the association. His resignation was tendered and accepted, effective immediately.

His first pastorate was at Honey Creek Baptist church, near Carlton, and his last was at Moran. After this he entered the mission field, and since that time has served as Associational Missionary for this association. He has been an active minister for 41 years.

During these years of service Brother Blair delivered no less than 6,234 sermons and addresses. Assisted in 176 revivals where he was either preacher or singer, and added to the church no less than 659 by baptism and another 685 by letter or statement. Which means that under his ministry there was a total of 1,345 additions to various churches.

THREE HEIFERS TO BE AWARDED AT FAIR

Eastland County Youth Dairy Committee voted Tuesday to award three dividend heifers at the Fair at Rising Star Saturday morning, Oct. 3. Two of the lucky winners of the fine heifers are Rising Star Club members, Travis Burkhalter of the FFA and Rhea Erwin, 4-H club member. The boys and girls are to raise the heifers and return the first heifer calf to the committee to be awarded to another boy or girl.

ANTIQUY DISPLAYS WANTED FOR FAIR — SEE MRS. CECIL JOYCE

Mrs. Cecil Joyce is chairman for the antique display booth at the fair. She would like to contact anyone with antiques whether it be dishes, pictures, clothes or anything. Everyone is working to make this 40th fair the best ever staged. She, as all other committees, are asking your wholehearted cooperation. These should be in Wednesday, Sept. 30.

CANNING COMMITTEE ASKS EXHIBITS TO BE IN WED., SEPT. 30

Mrs. Floyd Joyce, chairman of the canning committee, asks the cooperation of all who have canned food of any kind whether it be of fruit, vegetables, meats, jellies, jams or what have you.

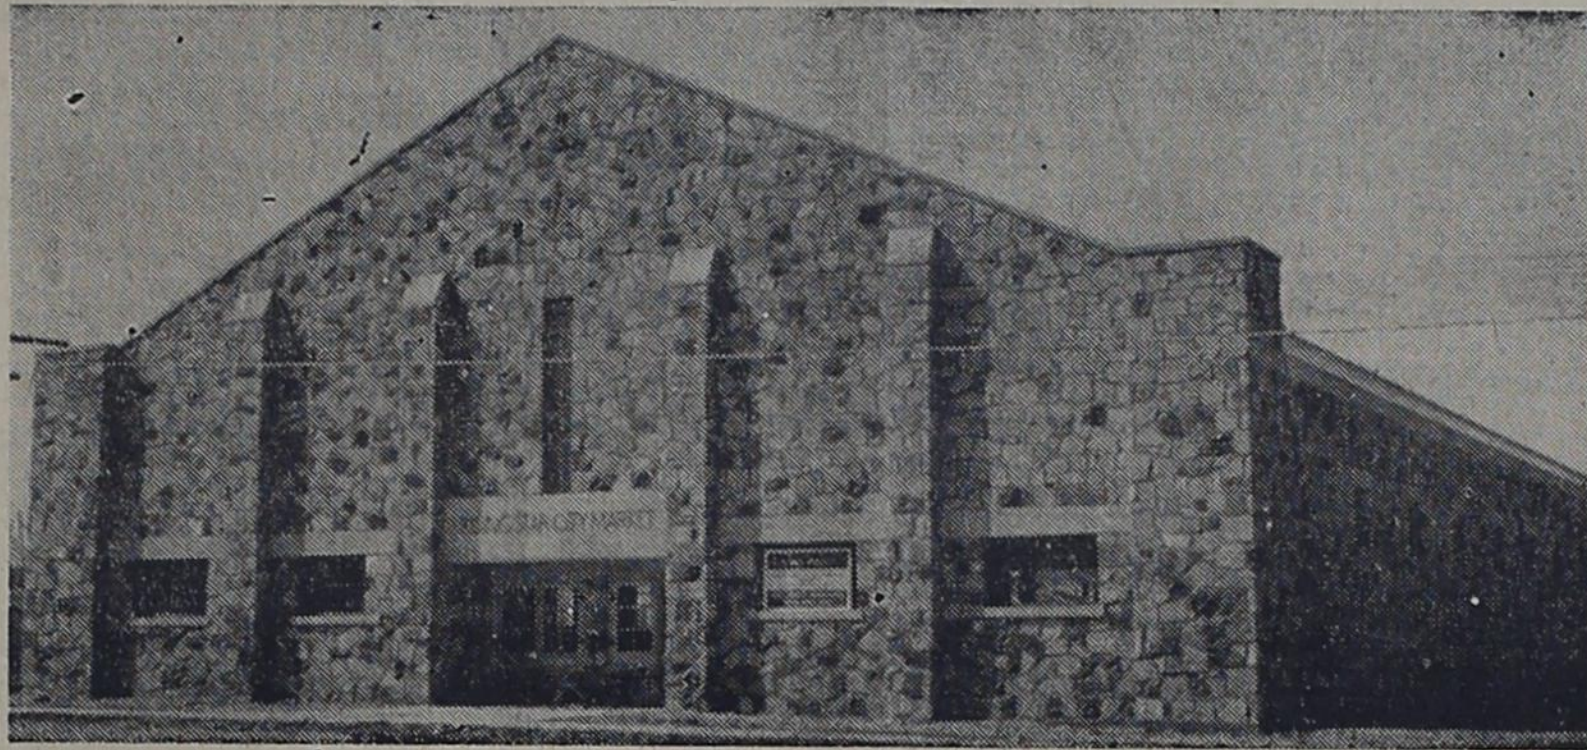

Other members of the committee that can be contacted are Mesdames Tom Bowers, Curt Butler, Will Tune, Daisy Erwin. These ladies want to put their booth over in a big way. So bring in exhibits. It does not have to be fancy.

EDDY B. HARDING, INJURED AT EARLY GAME IS BACK IN SCHOOL; DOING OKAY

Football fans will be glad to know that Eddy B. Harding, Cat back, who was injured in the game at Early last week is back in school and may be able to play against Dublin Friday evening there.

Mr. and Mrs. Ray Butler and Amy of Alice, visited his mother, Mrs. Hazel Butler and Keith, over the week end.

Rising Star Market Building Where Fair Will Be Held

This beautiful building, built in the thirties, makes an ideal place for a fall fair and is being used by the committee where all booths, displays, shows and minstrels will be held during the three days of festivities October 1, 2, and 3.

All Ready for Big Show and Homecoming Party

City Decorated for Thousands Visitors On Opening Day

At the regular meeting of the Chamber of Commerce Tuesday it was urgently requested that all who will have floats in the parade, horses, pets, minstrels and others please be at the Dutch Shults filling station at 4:30 p. m. Thursday so the parade will get going as soon after that time as possible. It was said that pictures were to be made and it would be impossible to get them later unless it would be after dark.

Mayor Smith presided and said things were shaping up splendidly for the big fair. Mrs. Weber said her committees were cooperating beautifully — the only gripe she had was to have the parade a little earlier than 5 p. m. so that mothers could get home in time to prepare the meal. It seems with 35 floats in the parade, numbers of horses and riders, pets and many other interesting things would get moving by 4:30 if possible.

Ride 'Em, Cowboy.

MISS BARBARA JOINER QUEEN OF THE FAIR

Miss Barbara Joiner, beautiful daughter of Mr. and Mrs. O. G. Joiner, was elected "Queen of the Fair" by popular vote of the high school student body. She is a member of the senior class.

Miss Jooiner, with her duchesses will ride on the beautiful float of the First State Bank. This float, the last in the parade, will stop at the light corner where the queen will be crowned by the mayor of the city.

The duchesses will all be gowned in ballerina style formal while the queen will be gorgeous in a long formal. The duchesses are for the juniors, Miss Carole Deen, for the sophomores, Miss Clara Lou Maynard, and for the freshmen, Miss Glendine Phillely.

Miss Joiner is drum major in the band. Miss Phillely is secretary and Miss Deen and Miss Maynard are majorettes.

PERSONAL MENTION

Ferd S. Hudson, of Del Norte, Colorado, has been a recent visitor in the home of his brother, J. C. Hudson.

Mr. and Mrs. Jack Davis and two children of Goldsmith, Tex. visited Mr. and Mrs. W. N. Favor here Monday.

Tentative Program for Free Fall Fair to Be Held in Rising Star on Thursday, Friday and Saturday, October 1, 2 and 3

Tough Stock at Rodeo.

Rodeo Queen to Be Selected at Arena Saturday Night at 7

The Record is authorized to announce that all names that are to be submitted as candidates for Rodeo Queen to be selected on Saturday night at the arena must be in the hands of A. D. Jenkins by 4 p. m. Friday afternoon. The contest is limited to girls of high school age and must reside in the Rising Star trade territory.

The winner of the contest will ride in the grand entree at the show that begins promptly at 7:30 Saturday.

Judges have been named and a number of participants have already submitted their names, it was said.

Brown County Folk Honor Wounded POW John T. Hindman

Representative Bill Chambers of May paid special tribute to Capt. John T. Hindman at the Capt. John T. Hindman at the American Legion hall in Brownwood last Monday night in a special program honoring the wounded POW who was recently released from a Korean prison camp.

Captain Hindman is a native of May. Local legion organizations took the lead in making the program possible.

P. T. A. REPORTS MORE CONTRIBUTIONS TO BAND UNIFORM FUND

The following have contributed to the band uniform fund sponsored by Rising Star PTA:

Robert Butler	\$50.00
Mrs. J. A. Ferrell	10.00
Miss Alice Wheeler	10.00
Ivan Sherrill	10.00
Mrs. Mary Claborn	10.00
Union Center HD Club	5.00
Clark Crownover	2.50

The Record wants to apologize to Robert Butler, who contributed \$50 and in some manner his name has been left off the list of donors carried in the paper.

Mr. and Mrs. R. W. Lucas of Coleman spent Sunday with Mr. and Mrs. M. M. Sheffield of Okra. Mr. Lucas is a nephew of Mr. Sheffield.

It's almost here — those three days — the first week in October, 1, 2, and 3, when the doors swing open for the Big Free Fall Fair to be held in Rising Star. Chairman Jenkins of the show says that all committees report ready and that all those who have worked so hard in getting things ready say they have never received finer cooperation from all the business people, farm and club women and our own citizens who are helping. It would be impossible to name all of them but this is to say thanks to everyone who has helped in any way in making the fair possible.

Tentative Program.

At 9 a. m. Thursday morning all booths, displays will be in place at the market building. Cold drinks and lunches can be bought there. The many displays will take time to see. Friends and neighbors will meet and visit. Then in the afternoon there will be string bands, music, black face comedians, quartettes and other entertainment. The carnival will be ready all the time with rides for the kiddies and other amusement. There will be plenty of concessions by our local people.

The parade will form at Dutch Shults filling station at 5 on Thursday afternoon and march down the main drag led by the Wildcat band rigged up in brand new uniforms. There will be more entertainment before the big time rodeo that begins at 7:30. This will be a feature attraction at the fair. Plenty of bucking horses, wild cows and Brahma bulls together with the women's barrel race and many other rodeo attractions.

Cross Plains Buffaloes and Rising Star Wildcats Play.

Another highlight of the fair will be a conference football game between the ancient rivals, the Cross Plains Buffaloes and the Rising Star Wildcats on Friday night here at 8. This is bound to draw a large crowd. The two bands with their pep squads will parade down the business section before the game — don't miss this. The game should be a thriller. We have been told the Buffaloes have been doing some loud talking about so and so — but up to now we have been unable to get any statement from Coach Les Cowan — only says we will do our talking on the playing field.

Then Saturday will be dairy day. Cattle judging and other agricultural attractions. More entertainment and awarding of prizes. This will be a great day. Another rodeo that night.

It looks like the people of this area are in for three big days of fun and frolic. Don't miss any of it. Come and bring all the family. The days are Thursday, Friday and Saturday, October 1, 2 and 3.

Mrs. Graves, Ned and Mrs. Earl Swayne spent the week end in Fort Worth and Dallas.

Early Hi Longhorns Outscore Rising Star Wildcats in Non Conference Tilt Last Friday Night by Score of 19-0

Playing a much better game last Friday evening at the Early Stadium, Coach Les Cowan's Rising Star Wildcats were outplayed by the Early Longhorns by the score of 19 to 0. It was a much better game than the score would indicate.

(From Brownwood Bulletin.)

Coach Otis Walls' Longhorns experienced little difficulty in subduing the Wildcats. The Longhorns scored in the first, third and fourth quarters.

The Wildcats, coached by Les Cowan, threatened to score only one time throughout the game. In the second quarter, Wesley Moore carried the ball around left end from his own 40-yard line to the Early 42-yard line. Rolland Atwood, who was one of the bright spots in the Wildcat wing offense, circled his right end, carrying to the 21-yard line.

Moore moved the ball on up to the 13. Atwood, in two left end runs, carried to the Early 7-yard line. There the Longhorn line buckled down and threw the Wildcats for losses of one and two yards on the next two plays. A fourth-down pass from Malon Sheffield to Eddie B. Harding fell incomplete and the Longhorns took over on downs, ending the threat.

Early scored about five minutes deep in the first quarter, after taking over on downs on their own 33-yard line. Harry Craig, on a long run around right end, deposited the ball on the Rising Star 20-yard line.

David Milam picked up one yard and Quarterback David Walls was thrown for a four-yard loss trying to go over right guard. Craig then picked up four yards, placing the ball on the 19.

On the next play, Walls passed to End Lynn Cox, who was waiting in the left flat, for the touchdown. Walls' kick was blocked and Early led 6-0.

Midway in the third quarter, Early held the ball on the Longhorn 35 after a Rising Star punt Walls passed to Alfred Johnson, who romped down the right sidelines 65 yards to the touchdown. Cox was running alongside Johnson and threw a nice block in the last Wildcat player who had a chance to stop Johnson. Walls' kick for point was good and the Longhorns took a 13-0 lead.

About five minutes before the game ended, Early's Joe Bean intercepted a pass which Rising Star's Malon Sheffield had in-

Woodson Cowboys Defeat May Tigers Friday, Score 13-2

MAY, Sept. 19. (Spl.) — The Woodson Cowboys gained their second straight victory here Friday night, defeating the May Tigers, 13-2.

Cowboy touchdowns were scored by Bobby Harris and Roy Burl Oliver. Oliver ran 40 yards for his marke with Harrison circling right end from 10 yards out. A pass from Gene Jones to Gary Hurford scored the lone extra point.

WILDCAT BAND, IN NEW UNIFORMS MAKE IMPRINT ON FANS AT EARLY GAME

Playing their best and looking like a million dollars, the Wildcat 60-piece band under the direction of O. G. Joiner, with the majorettes, pep squad and all the rest, did a fine job at the Early game last Friday. Even though the game was lost it was through no fault of the band. The crowds were thrilled to witness the band all dressed up in new blue and white and gold uniforms, a recent gift of the people sponsored by the PTA — and what a gift. Show us another town the size of Rising Star that can equal the Cat band.

Let's back them and the team at the game at Dublin this Friday night.

Cats Play at Dublin This Friday Night; Large Crowd Will Go

Trying for their first win of the season, the Rising Star Wildcats invade Dublin Friday night in the first conference game of 7-A play. The Cats have been defeated twice this season, May 13-7 and Early 19-0. No 7-A team was able to chalk up a win last Friday.

Coach Cowan has been giving the boys a hard working the past several days and believes a better team will be on the field than has performed to date.

A large crowd of fans, accompanied by the band and pep squad will accompany the Cats. Game time will be at 8 at Dublin.

Wildcat Schedule

Sept 25 — Dublin*	There.
Oct. 2 — Cross Plains*	Here.
Oct. 9 — De Leon*	Here.
Oct. 16 — Ranger*	Here.

Nov. 6 — Bangs*	There.
Nov. 13 — Open	
Nov. 20 — Santa Anna	Here.

(*Conference Games.)

tended for Freddy Joiner. Bean was tackled a step from where he caught the pass on the Wildcat four-yard line. Walls made the touchdown in two running plays. His pass to Cox for the extra point was batted down.

In addition to calling an outstanding game from the quarterback slot, Walls completed six of 11 passes for two touchdowns and a total of 110 yards.

The Rising Star Wildcats could not seem to get their single and double wing offense started. Many times, the Wildcat ball carrier was handicapped as his own interference slowed him down long enough for the hard-charging Early linesmen to get in and make the kill.

The Wildcats attempted 12 passes, only one of which was completed, a pass from Wesley Moore to Eddie Harding for 22 yards. Early intercepted two of the Star passes.

Harding, one of the outstanding backfield men, was injured in the third quarter, shortly after the Early High second touchdown.

He received a back injury in a drive to cover the ball after a Rising Star punt. A Davis-Morris ambulance carried him to Medical Arts Hospital. Reports from X-rays show that he has no fractures or serious injuries. Two stitches were taken to close a cut under the left eye. Hospital officials said he would remain the hospital probably until sometime today for observation. Carrying the brunt of the Wildcat attack were Harding, Moore, Joiner, Rolland Atwood, Sheffield and John McDonald.

MAYOR SMITH URGES THOSE WHO ARE TO BID ON CONCESSIONS HURRY

The concession stand in the building, serving food and drinks has not been secured at press time said Mayor Walter Smith. Clubs and any others who wish to have this spot at the fair, inside the building, please get their bid in not later than Saturday, September 26.

Mayor Smith helped put on the first fair ever held in Rising Star and is in charge of the building of booths for the fair this year. He further stressed the concession inside the building as being the only one in the building and is bound to make some money for the owners.

PREPARING FOR PEACE.

One of these days, we all hope, something resembling peace will come to the world and it will be possible to make really big cuts in our war spending. When that day arrives, we can attain a true and sound prosperity only if the gaps created by the reduction in production and purchasing for war are filled by production and purchasing for other purposes.

In other words, the hope is for peace accompanied by an economy geared to keep supply and demand at a reasonable level. For more than a year a committee headed by Professor Malcolm P. McNair, Lincoln Filene Professor of Retailing at Harvard University, has been working on a plan whose principal objective is to develop recommendations as to how retail distribution can most effectively help in the necessary readjustments.

Before long, the plan will be completed. It deals with the relation of retailing to a dynamic economy and its contribution to a higher standard of living. Such matters as improved operating methods and the establishment of successful regional shipping centers are being given expert attention. So are government relations and foreign trade.

It is natural that retailing should do this. For if and when we make the vast transition from a war economy to a peace economy, retailing's role will be difficult to exaggerate. Retailing — large and small, chain and independent — is one of our biggest employers. Most of the family's income goes across retail counters. Retailing is the bridge between farm and factory and the home of the consumer. The success of its selling efforts largely decides whether times are good or bad in this country.

GRASS ROOTS OPINION.

BEDFORD, IND., DAILY TIMES-MAIL: "There is no substitute for individual effort. Neither is there a substitute for individual award. That's why all the socialist schemes fall down. They are un-human. They fail to recognize the basic urge of man to build and create, and to gain the recognition and reward of his own effort."

BELLINGHAM, WASH., HERALD: "Jobholders in the United States in July numbered 63,120,000, about 1,000,000 more than a year ago. Henry Wallace's goal of 60,000,000 jobs — which he seemed to think was the ultimate in American prosperity — was passed years ago, and still the millennium eludes us."

MARSHFIELD, MO., MAIL: "Many people have the idea that when anyone opposes the closed shop of the union shop (which is the closed shop in disguise), he is opposing unionism. Such a conclusion is not true at all. There is as wide a gulf between unionism and compulsory unionism as there is between freedom and slavery."

THE NEWEST IDEA.

The Fairport, New York, Herald-Mail recently said: "Our country with its idea of individual liberty as stated in the Declaration of Independence is still the newest idea in the world. . . Many of us in our own country fail to understand fully the essence and the newness of the American idea."

Were our government to follow the example of the old-world countries and socialize the the property and enterprise of the people, it would be so engrossed in ownership that it would no longer be a government of the people but only the proprietor and administrator of the nation with no responsibility toward the individual other than that of ruler and keeper.

The idea of serfdom is old. The idea of liberty for all is new.

COOPERATION BY FEDERAL-STATE NECESSARY TO SOLVE TEXAS WATER PROBLEM

By LYNDON B. JOHNSON
U. S. Senator

(Editor's Note—This is the last of a series of articles based on

a Bureau of Reclamation survey of the Texas water problem, made at the request of Senator Johnson).

A coordinated, long-range water program in Texas would serve the best interest of both the State and the Nation. Such a program would increase the prosperity of both without detracting from the rights of either, provided we are able to find the proper dividing line.

We are living in a time when there appears to be a struggle between the Federal and the State governments over dominance. Personally, I do not believe the wise men who wrote our Constitution looked forward to any such struggle.

Rights and Responsibilities. I believe they mapped out

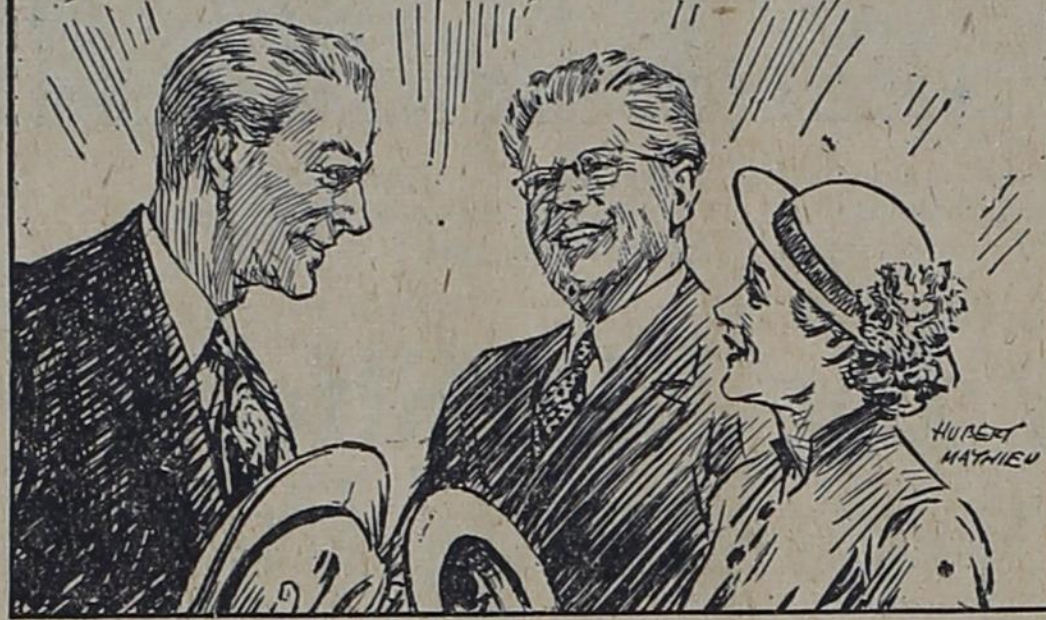

OUR DEMOCRACY — by Mat

GROWING PAINS

NEVER HAS AMERICA HAD SO MANY CHILDREN OR SO MANY OLDER PEOPLE AS TODAY. SO WE ARE EXPERIENCING CERTAIN "GROWING PAINS," SUCH AS THE NEED FOR MORE SCHOOLS AND BETTER PLANNING FOR RETIREMENT, THAT WE HAVE GOT TO DO SOMETHING ABOUT.

WHAT WE ARE APT TO FORGET IS THAT THESE GROWING PAINS HOLD PROMISE FOR THE FUTURE — IN THE EXPERIENCE OF A SELF-RELIANT OLDER GENERATION, AND THE DYNAMIC DRIVE OF AN ONCOMING GENERATION — TO CARRY FORWARD IN THE WAYS OF OUR DEMOCRACY.

clearly authority for both Governments. I believe they thought each had definite rights and definite responsibilities.

The water program suggested for Texas in a report by the Bureau of Reclamation, following a study made at my request, seems to me a case in point.

I have transmitted copies of this report to the head of the Federal Government, President Dwight D. Eisenhower, and the head of the Texas State Government, Governor Allan Shivers. I have asked both to consider the problem — and to seek to cooperate in solving the problem.

Solution Is Possible.

As one who was born and brought up in cotton country, I do not believe a solution is impossible. As one who knows something of the problems in a land where too much sun is followed by too much water, I have complete confidence in the ability of intelligent men to balance the two factors.

This, I believe, is the kind of cooperation contemplated by the founders of this Government — cooperation among the Chief of the Federal Government, the chief of the State Government, and the representative to the Federal Legislature. Surely, with such cooperation, we can arrive at a program which will benefit both the State and the Nation.

I am not certain whether the program advanced by the Bureau of Reclamation through its Austin Area Planning Office is the right one. But it does set forth the fundamental facts and figures about the Texas water problem. It does offer a basis for working out an effective approach to the problem.

Proposal Points Way.

We seek a solution for our Texas water problem which will preserve the rights and responsibilities of both Texas and the Federal Government.

We have a proposal which points the way to that solution, even though we have yet to determine that it is the proper solution.

We need only to make up our minds with an eye to the best interests of the people of Texas and the United States — and then act.

There is ample time for full discussion in Texas of this whole project before the next regular session of Congress. I hope it will pass.

HUMBLE TO BROADCAST

With only two of Texas' South-west Conference teams scheduled for play this week-end, listeners to the Humble Company's state-wide broadcasts this Saturday can hear accounts of both inter-sectional games: the afternoon football battle between Texas A&M and the University of Houston at College Station, and the night gridiron fight between Texas U. and Villanova at Austin.

Danger lurks in the swimming pool whether it be a farm tank, river, creek or a regular pool. Carelessness in and around water is the chief cause of deaths from drowning. Be careful don't become a statistic.

4-H CLUB TO HAVE SWINE SHOW AT RANGER

The annual 4-H Club Sears Swine Show will be held at the Rodeo Arena in Ranger on Saturday, September 26th at 10:00 a. m.

Mr. Waide Frey, Comanche County agent, will judge the show, which will have eight registered duroc gilts entered. These gilts were awarded to the 4-H'ers in May through a swine program sponsored by the Sears Foundation and the Extension Service.

The boys wrote essays on the advantages of raising swine and after interviews with the County Agent and inspection of the Farm, were awarded a registered duroc gilt. The boys are to breed the gilts and return the choicest gilt from the Spring litter. The program has been progressing in Eastland county for many years.

This year's winners were Jimmy Robinson, Ranger; Earl Foville and Jay Grimshaw, Desdemona; Jerry Warren, Gorman; Joe Paul May, Carbon; Gary Maynard, Rising Star; and Robert Bell and Phillip Harrelson, Nimrod.

The Sears Foundation is offering prizes of \$8, 7, 6, 5 and 4 to the five best gilts. All persons interested in good swine raising is invited to attend as these pigs will rank with the best in the county.

Wheat producers in need of seed wheat for planting next year's crop can obtain from county agents in the wheat area of the state information on where seed may be obtained.

All grasses do not react the same to close mowing; tall bunch grass stands may be severely injured while the low growing grasses which tend to form a sod respond best to mowing.

If treated within an hour, a poisonous snake will not likely be fatal.

MISS PATRICIA MADISON CROWNED QUEEN OF BOB BISHOP POST LEGION

Miss Patricia Madison, daughter of Mr. and Mrs. Frank Madison of Williams was crowned Queen of Bob Bishop Post American Legion No. 433 last Thursday night by chaplain Barney Cargile before a record crowd who were served 643 plates of delicious barbecue. The young miss will reign for the year 1954. This was the first time the post had ever elected a queen.

John Nunnally who is serving his 14th year as commander was reelected; other officers elected were George Steel, first vice commander; A. M. Irwin of May, second vice commander; Harvey Chick, adjutant; Robt. Butler, finance officer; Barney Cargile, chaplain; B. B. Morris, child welfare; C. W. Walker, sergeant at arms; Art Fisher, historian.

The Wildcat band played at the party and partook of the barbecue.

AMITY PROGRESS CONTEST MEETING

By MRS. GUY TAYLOR

Saturday night, Sept. 12 in the Amity church a very interesting program was carried out. The opening being songs led by Walter Henderson and prayer by Tom Steel. A. D. Jenkins had charge of a discussion on various topics, such as "Bird and Wildlife Preservation" and "Rat and Mice Extermination", which will be demonstrated later and used by many members. Susie Mae Cook, Mary and Martha Haynes gave a skit, with the audience imitating them. Susie Mae told a story about a "king's romance" with the help of the audience, as she had instructed them. Both were clever.

Mr. Avenshine, from the Gap community, gave a talk on the advantages of Farm Bureau work.

Club members are always glad to have Wayne Frey, county agent and his family. This time he showed signs of farm-to-market roads and what can be done by work and cooperation. Another film showed the laboratory testing of soils and proper fertilizer. Both were very worthwhile and instructive. Following this, announcements were made before adjournment, one being from Mrs. Haynes, in regard to our next meeting, which will be Sept. 26 on the church lawn with a "coffee can supper", which is new here. It has been tested in 4-H camps and pronounced good. The recipe follows: Have 1 lb. coffee cans with lids for each member of your family and a few extras, filled with sliced Irish potatoes, carrots onions (optional) and a patty of hamburger meat with 1/4 or a little more of water. This will be cooked over live coals and eaten from cans, steaming requires 25 or 30 minutes. Can be prepared in advance or if preferred bring items and prepare at the church. Coffee kool-aid and cookies will be served also. Come before 7 o'clock. A special announcement has been made that the clubs will honor Mr. and Mrs. Ronald Hicks at this time with a wedding shower. Mrs. Hicks is the former Miss Patsy Haynes. All members, friends and relative members, relatives and friends are invited. Former members of the club, the Elvis Moore family and Mrs. Earl Pringle, met with us and several local visitors. All were heartily welcomed.

A splendid singing was enjoyed by a large crowd on Sunday night with "Gunsight Quartette" and singers from Rising Star in the Amity Church.

AMITY H. D. CLUB REPORT

Mrs. Guy Taylor, Reporter

Mrs. Guy Baggett was hostess to the club on Sept. 15th with 10 members and Mrs. Arthur, the agent, present. The opening song was "Near the Cross" led by Mrs. Caudle. Club prayer by Mrs. Smith. Regular and special reports given council report by Mrs. Stodghill. Several items of business attended to, one of which to give \$5.00 to the P. T. A. to apply on band uniforms. After a lengthy discussion in regard to the club's booth at the Fair, the agent was given charge of her program, "Organization of storage and

supplies and materials" We found our hostess had an ideal kitchen and had given much thought to arranging for her convenience and with a few minor changes suggested, considered hers a model kitchen.

Following the program, Mrs. Baggett, assisted by Mrs. Brown, served delicious refreshments of cheese sandwiches, cake and fruit punch.

Next meeting will be with Mrs. Joe Fox on Oct. 6th.

PLEASANT HILL H. D. CLUB

(Too late for last week.)

The regular meeting of the Pleasant Hill H. D. Club was held in the home of Virgle Haile, Thursday, Sept. 10.

Roll call was answered by each naming a piece of furniture to be refinished.

New officers for coming year were elected as follows: President, Murl Campbell; vice president, Bonnie Pierce; secretary and treasurer, Virgle Haile; reporter, Murl Stroebel, council delegate, Dora Schaefer, alternate delegate, Leona Baker.

Bonnie Pierce had charge of the recreation period.

Next meeting will be in the home of Cleo Rice Sept. 24. All members urged to be present. Secret pals will be revealed.

Refreshments of Ritz sandwiches, devil's food cake peach ice cream were served to Mrs. Lucy Hagan and Mrs. Don Reynolds, visitors and members: Murl Campbell, Bonnie Pierce, Leona Baker, Nettie Berry, Cleo Rice, Bessie Tucker, Bela Tucker, Ola Boles, Ida Morton, Murl Stroebel, Kate Rosson, Dora Schaefer and hostess.

ROSES FROM BUSHES SET THIRTY YEARS AGO

Mrs. M. G. Joyce is enjoying many bouquets from her old home place now occupied by Mr. and Mrs. Buck Smith.

Mrs. Joyce stated she set these La France pink roses out 30 years ago. She set them on the northeast side of the house where they could catch the most moisture. She does not believe in severe pruning.

There is also a snow white rose that Mrs. Joyce does not recall the name, which was planted at the same time.

Mr. and Mrs. M. G. Joyce had their son and family, Mr. and Mrs. M. L. Joyce and son, Joe of Albany for their Sunday guests.

WEDDING ANNOUNCED FROM AMITY

Mrs. Dora Pierson of Amity announces the marriage of her daughter, Genevieve to Leo M. Tomm Sunday, Sept. 6, 1953 at Fort Worth.

Mrs. Tomm is X-Ray technician at Terrill Laboratories in Fort Worth and will continue her work there. Mr. Tomm is with City.

They are now at home at 2905 Avenue D.

P-T-A. OFFICERS INSTALLED AND COMMITTEES NAMED

The Rising Star P. T. A. met Tuesday afternoon at the high school with program chairman, Miss Martha Jay Childress in charge of the program.

Mr. O. G. Joiner conducted an installation service for the following officers: Mrs. Ray Agnew, president; Mrs. Ray Nunnally, vice president; Mrs. J. A. Ferrell, secretary; Mrs. Tommy Lewis, treasurer.

Mrs. Agnew then presided over the meeting when the following committees were named: Membership, Mrs. Hulín Erwin; Finance and budget, Mrs. C. A. Claborn; Hospitality, Mrs. Billie Nowlin; Program, Miss Martha Jay Childress; Historian, Mrs. Lewis Mayfield; Parliamentarian, Mrs. Charley Tyler; Publicity, Mrs. Fred Roberds.

A brief history of P. T. A. was read by Mrs. Charley Tyler.

Tommy Lewis gave a report on band uniforms and presented the new suits to O. G. Joiner, who responded with words of appreciation. A motion carried to buy a set of flags for the band.

Mrs. Tommy Lewis' resignation as treasurer was accepted and Mr. M. M. Sheffield was elected to the office.

A P. T. A. booth for the fair was discussed.

The next meeting of the P. T. A. will be held at the high school on the third Tuesday in October at 3 p. m. All patrons and friends of the school are invited to attend the meeting.

The third grade and the juniors won the room awards. —Mrs. Fred Roberds, Reporter

Rising Star Hospital Being Redecorated

The hospital board and various individuals are doing an interior redecorating job in the hospital while Dr. Ben H. Bradley is in Chicago doing research medical work.

The doctor's offices are entirely redone in green. The hall floors are painted a dark red. The kitchen, dining room, operating, sterilizing, and delivery room are all done in soft shade of green. This is more cheerful than hospital white.

Lydia Moore Johnson, waiting room in the east wing has a new rug. The floors in the M. G. Joyce and Dr. N. T. Mulloy rooms have been repainted.

The T. J. Williams room has newly painted walls, ceilings and draperies. The W. E. Tyler room has been entirely redecorated and the painters are ready to start the W. J. Herrington room.

Others who have furnished rooms will probably have them redone to make this a complete job.

Rising Star is truly proud of this modern 40-room hospital so unusual in a small city.

There are four rooms still unfurnished. This would be a nice

thing to do to furnish a room for Thanksgiving or Christmas.

The hospital force stated they had hardly ever needed the rooms. Last year during the flu epidemic they could have used them.

Virgil McGauhey and Bobby Elliott are the painters. They are being helped by various individuals.

C. E. Smith is overhauling all the entire plumbing systems.

Several are cleaning up the grounds, trimming shrubbery and watering all the flower beds.

Mr. and Mrs. Dixon Boggs had their daughter and her husband, Mr. and Mrs. Don Parish of Waco as their recent guests. Mrs. Parish is a teacher in the Waco school system. Mr. Parish is attending Baylor University.

Pecans were first marketed through the channels of trade around 1880. At that time San Antonio was considered the pecan capital and in 1880 about a million and a quarter pounds were sold through the San Antonio market. The average annual Texas production now is about 30 million pounds and last year's crop was worth approximately \$10 million.

Wheat producers of the nation will have the opportunity to vote August 14 on whether or not they want marketing quotas on their 1954 crop. A two-thirds favorable vote will be necessary to put the quotas into effect. Acreage allotments will be in operation regardless of the vote on quotas.

Vacationists upon returning home may find insects in control of the household and damage considerable unless advanced precautions are taken before closing the house.

HOSPITAL NEWS.

Mrs. R. W. Cade is critically ill, suffering from a stroke.

Mrs. Willie Hughes was dismissed Wednesday.

J. W. Moore went home Tuesday.

Mrs. R. A. Horton and Mr. and Mrs. O. R. Shults have had the following guests last week during the week end: Mrs. Jack Aston and children, Janet and Ronald, all of Fort Worth and her sister, Miss Margaret Ann Horton of TCU in Fort Worth; Robert Horton and daughter and family, Mr. and Mrs. Darrell Lawless and son, Robert, all of Houston.

SUNDAY SCHOOL CLASS HAS SOCIAL MEET

The Truth Seekers S S class met in the home of Mrs. Fred Roberds Monday night for a social and business meeting. Mrs. Roberds opened the meeting with a daily Bible reading. Scripture reading was followed with sentence prayers.

Business was discussed and new group captains chose names for their groups.

Mrs. Roberds thanked each officer for their splendid cooperation during the year. Refreshments were served to 13 members: Mmes. Weldon Roach, Buck Collins, Ross Fussle, E. M. Roberts, Fridge, Reed, Hamilton, Edd Kennedy, Clay Tucker, T. E. Ellis and Miss Eva Richardson.

ATTEND PREACHERS' MEET IN CISCO LAST WEDNESDAY

Those attending the District Preacher's Meet and Ladies' Seminary at Ranger from the local Methodist church last Wednesday, Sept. 16, were Rev. and Mrs. Earl Harper, Mesdames M. S. Sellers, L. R. Smith, Jennie Henry, Bruce Eberhart, Hazel Butler and Cecil Joyce.

They enjoyed a sack luncheon, a number of N. W. Texas Conference speakers with inspirational messages. A social hour at the home of Mrs. McAnally closed the program.

Mrs. Hazel Butler and Mrs. L. R. Smith are both district officers of Seminar.

NORTH STAR CLUB NEWS

Mrs. J. C. Hudson, Reporter

North Star H. D. Club met in the club house, on the afternoon of Sept. 15, with 12 members and 2 visitors present.

During the business session Mrs. M. M. Sheffield's resignation as newly elected Council Delegate was accepted.

Mrs. R. G. Merrell gave a detailed report on her attendance at Council on Sept. 11.

Mrs. Dennis Clark gave an instructive demonstration entitled "Storage for the Living Room," in which a chart was used to illustrate her step by step explanations.

A very interesting and much much appreciated letter was received and read from Mrs. Woody Hall, a charter member, and more recently president of the club, who now resides in Fort Worth.

Visiting the club for the first time were Mmes. Henry Gregg and Bill Crawford, who were admitted into club membership.

The hostesses of the afternoon, Mmes. Henry Scott and Claud Harris, served delicious refreshments to the following members: Mmes. Dennis Clark, Lee Burkhead, R. G. Merrell, Will Ware, M. M. Sheffield, Carl Irby, J. T. Alford, Ada Williams, Beyrl Heath, F. M. Richie, Henry Gregg and Bill Crawford.

The name England originated from the words Anglo-land.

CLABORN REUNION HELD LAKE BROWNWOOD SEPT. 12

The Claborns held their first reunion at Brewer Camp on the Brownwood Lake September 12 and 13.

Those present were Mr. and Mrs. O. M. Claborn, Mr. and Mrs. Gene Hill, Mrs. J. W. Claborn, Weldon Hill, Mr. H. R. House, Miss Hallie Hill, Mrs. Ruth Claborn, all of Okra.

Mr. and Mrs. H. F. Claborn and Danny, Mr. and Mrs. Elic Claborn and Luther, Mr. and Mrs. Calr Baker, Don and Rita, all from Lubbock.

Mr. and Mrs. Don Anderson, Robin and Laurie, all of Croobytton.

Jack Claborn and Robert Powell of Fort Hood.

Mr. and Mrs. Lindon Click and Mike, Mr. and Mrs. Bobby Claborn and Robert, Mr. and Mrs. Athol Claborn, Morris, David, Judy, and Keith, all of Sundown.

Mrs. C. L. Claborn, Mr. and Mrs. Herman Claborn and Nicki, Mr. and Mrs. Mutt Carroll, Charles and Brad, Mr. and Mrs. J. C. Claborn, Mr. and Mrs. C. A. Claborn, all of Rising Star.

Mr. and Mrs. Norman Claborn, Norma and Don, all of Madisonville.

Mr. and Mrs. Joe Claborn, Billy, Reba, and Ralph of Kilgore.

Mr. and Mrs. C. D. Claborn and Kenneth of Vanderbilt.

Clyde Claborn and Larry of Troup.

Mr. and Mrs. C. E. Claborn of Livingston.

Mr. and Mrs. Brown Scott and E. W. Miss Carol Clemons of Ardmore, Okla.

Mr. and Mrs. Merle Claborn and Marian, Miss Alma Dean Rankin of Mullins.

Mrs. Maude Martin, Buster Martin and Jackie of San Saba.

Mr. and Mrs. James Melton of Kermit.

J. A. Cox, O. J. Cox, Mr. and Mrs. C. E. La Roque of Sidney.

Mr. and Mrs. J. D. Scott, James, Alice, and Terry of Brownwood.

Plans were made to have this reunion annually. Next year it will be the Saturday and Sunday before Labor Day.

MONTHLY MEETING OF SOUTH STAR H. D. CLUB

The South Star H. D. Club ladies met Sept. 2 in the home of Mrs. Bill Owens. There were nine members and Mrs. Velma Slaughter, our county agent present.

After the business session, Mrs. Slaughter showed slides of the dress review and other H. D. club activities. They were all good. She also demonstrated how to make costume jewelry. She made a talk on the latest electric equipment for the kitchen. We had a good meeting.

Refreshments were served. Sept. 16 Mrs. Effie Parker was hostess to the club ladies. There were nine members and a new member, Mrs. Bailey. New business was the election of officers for the year 1954. They are as follows:

President — Mrs. Ed Kennedy. Vice-president — Mrs. Donald Chalk.

Secretary — Mrs. Cecil Carr. Council delegate — Mrs. Effie Parker.

Song leader — Mrs. Ed Kennedy.

Parliamentarian — Mrs. Bill Owens.

Mrs. Ed Kennedy will go to the state convention at Galveston.

Our club ladies met with May club at the May club house September 9th with an all day meeting to work on reed baskets. All had a nice lunch and an enjoyable time.

We are all busy getting ready for our exhibits at the fair that will be Oct. 1, 2, 3.—Reporter

MR. AND MRS. W. E. ELLIS HAVE INTERESTING TRIP IN ARIZONA

Mr. and Mrs. W. E. Ellis have returned from an 11 day trip in Arizona. They went through Brownsfield to Springfield, Arizona in the mountains where it has a cool climate.

They then enjoyed a drive through the mountains to Showlow, a mountain retreat.

The odd name of Showlow was acquired by two men wanting this land. They drew cards and the one who could show the low hand would get the property. Hence the name "Showlow."

They also saw Glow, Salt River Canyon, visited relatives in Casa Grande and her two sisters in Tucson. They also saw the Paquette family. Mrs. Paquette is the daughter of Mr. and Mrs. M. S. Sellers.

At Tucson they, with their relatives, went up on Mt. Lemon for a steak broil. The smell of steak roasting brought a fierce caller, a mountain lion. They turned flash lights on him and he scurried back into the mountains.

Rice is used more extensively than any other food.

Rev. Clyde C. Williams will speak at the morning service at 11 o'clock Sunday morning in the Assembly of God church.

Rev. Williams will tell his apocalyptic life's story using the title, "From Murderer's Row to Pulpit". He was condemned to the electric chair. Hear his inspiring message.

Rev. Williams will tell his apocalyptic life's story using the title, "From Murderer's Row to Pulpit". He was condemned to the electric chair. Hear his inspiring message.

Price Support on Cattle Dangerous Says Burleson

STAMFORD, Sept. 22 (RNS)—Rep. Omar Burleson of Anson County, N. C., said today that price supports on cattle might be dangerous.

Burleson said that "price supports are dangerous on any perishable product."

Burleson was speaker at the annual Stamford Rotary Club farmer's dinner at the Chuck House on the Texas Cowboy Reunion grounds.

After a chuck wagon meal, the group gathered in the Roundup Hall to hear Burleson.

He commented mainly on the farm program and possible changes in it in the next session of Congress. He said that cotton acreage would be higher in 1954 than in the original allotment this year.

"Farm surplus is a big problem of this administration and I am opposed to the politics in-

olved in solving this problem," Burleson said.

He said this country could well afford to give away many of its surplus crops to needy countries and still be ahead economically. He said that idea probably would be presented at the next session of Congress.

After remarking that price supports on cattle might be dangerous, Burleson said consideration is being given to a two price system. One where farmers would be permitted to sell allotted acreage crops under price supports and that produced above that on the open market.

Burleson was introduced by Jim McCulloch.

N. M. Ply is Rotary president and Bernard Buie is chairman of the rural and urban committee.

Dr. Hugo B. Haterius, pastor of the Bethel Lutheran Church, gave the invocation and James High led singing.

Pete Starks is a patient in a Temple hospital for a check up. Pete is an employee of the West Texas Utilities Company. Friends hope he will be okay.

Mr. and Mrs. Fred Cook and Mrs. Hazel Butler returned Sunday from a vacation trip over New Mexico and West Texas.

"As It Looks From Here"

OMAR BURLESON
Congressman
17th District

At a few minutes before seven o'clock, A. M., in the back booth of Charley Marshall's North Side Cafe in Comanche, comes this column for the week. Rains and the prospects for a good crop make the Comanche area look a lot different than when I was here in April. This is generally true over the entire Congressional District, but there remain a few dry spots yet.

It has been my pleasure to address several groups this past week and to participate in some very interesting activities. A fine meeting of the Fisher County Farm Bureau, held at the high school in Rotan, was well attended, and I saw many old-time friends. Mr. Clifton Thomas, President of the Bureau, presided.

The National Farm Loan Association of Callahan County held its Annual Stockholders Meeting in Baird on last Friday night. Mr. Leslie Bryant, the secretary-treasurer of the organization, extended me the invitation to speak several days in advance, and of course, I was glad to accept. Several hundred members and their families were present. A social after the meeting made the occasion most enjoyable.

Between 900 and 1000 people were on hand Monday night for the Annual Meeting and Barbecue of the Eastland County Farm Bureau in the City Park in Eastland. It was an inspiration to speak to such a large audience. Surprisingly, I knew personally most everyone there, and many were friends of several years past. (At the age of 23, I "hung out my shingle" for the practice of law in Gorman in 1929.)

The following morning (Tuesday), Mr. Myrick, President of the Bureau, and I appeared on Station KERC in Eastland, and for 15 minutes discussed several issues, dealing mostly with farm problems.

Another meeting of National Farm Loan Association Stockholders offered me a most appreciated opportunity of addressing them. This was at two o'clock Saturday afternoon in the District Courtroom here in Comanche. My thanks to Mr. John Robertson, Secretary-Treasurer, for inviting me. A fine audience filled the courtroom and the reception given me will always be appreciated. I am very much at home in Comanche County. Both my father and Mother came from the north part of the County. My mother was born in Hamilton.

From the NFLA Stockholders' meeting in Comanche, I went immediately to Dublin, where it was my very great honor to lead the down-town parade preceding the last performance of their nationally famous rodeo. (After being on a horse for the first time in several years, my belief is stronger that the horse is usually smarter than his rider—especially some horses and some riders.)

At the rodeo performance, my assistant, Mr. Zeno Phillips, and I were guests of my friend, Bill Gaines.

This reminds me to announce that Mr. Phillips has just come with me as my Secretary. He was assistant to Congressman Ed Gossett of the Wichita Falls District before Mr. Gossett resigned from Congress. Mr. Phillips is a very fine man and all my constituents will find him eager and willing to be of any possible service.

Reports Are Due On 1953 Hybrid Corn Program

COLLEGE STATION, September 23.—Corn producers who enrolled last spring in the Texas Hybrid Corn Production program are reminded by Extension Agronomist W. B. Coke that the time has arrived for reporting results.

He points out that early reports from over the state indicate that yields probably will not equal the records set in previous years due to the dry weather which hit at a critical time in the growing period of the corn plant. On the other hand, he says, the reports no doubt will reflect the value of good seed, soil preparation, fertilizer cultural methods and crop rotation as aids for keeping production high during drought periods. He encourages producers to complete their report forms and pass them on to the local county agent for transmittal to the state office.

Final date for submitting county records for area and state final is October 15. The state committee will soon after this date name the 1953 winners.

SMITH REUNION HELD SEPT. 13 — LAKE CISCO

The annual Smith reunion was held at Lake Cisco, Sept. 13. Descendants of the parents of Jim and Andy Smith head this reunion in honor of their parents.

A bountiful picnic dinner was enjoyed at noon. Many pictures were made.

Those present from Rising Star were Mr. and Mrs. Walter Smith, Mrs. Beyrl Heath, B. A. Petzell, Edna Petzell, Sammie Joe Petzell, Mae Anderson, Alice Harris, Everette Harris, Mrs. S. W. Fountain, Mrs. Mary Smith, Mrs. Mollie Landreth.

Those from Ballinger Nora and Frank Kemp, Mrs. Archie Smith. Those from Cisco were Ellen Helms, S. W. Smith and Frank Smith.

From Abilene were Gene and Lawrence Smith and James Dean Smith.

From Quitaque Eula Clark, Alton, Billy Joe Painter, Gary Leonard Painter, Larry Joe Painter.

From May Mr. and Mrs. Homer Smith, and Norman Ray. Herman and Rodney Smith, Haskell; Jim, Ethel and Jeane Smith, Rochester; Dometria Anderson, Haskell; Mr. and Mrs. C. A. Adams and C. A., Jr., Goldthwaite; Mr. and Mrs. John Earp, Weinert.

The Black Forest is a mountainous wooded region in Wurttemberg, Germany.

A good secretary is highly important to any congressman and his efficiency is necessary for a good job to be done.

Mr. Phillips will manage my office in Washington when the Congress is in session. In the meantime, he will be in my Anson office in the basement of the Post Office building and can also be contacted at the Drake Hotel in Abilene, where he will spend a part of his time.

AMERICAN LEGION'S NEW STATE HEADQUARTERS BUILDING

Above is the new \$205,000 state headquarters building of the American Legion, Department of Texas. Located two blocks north of the State Capitol building at 15th and Congress Avenue, the structure is of polished native Texas granite and cream colored bricks. It was dedicated July 7.

Rodeo Results

Announcement is made that all rodeos will begin at 7:30 in the future. Another show is scheduled for this Saturday. Here is last week's results:

Amateur calf roping, Charlie McDaniel first and Paul Cauley second.

Girls barrel race, Marita Weaver, first, Pat Madison, second.

Boys barrel race, S. M. Moore, first, Mack Harris, second.

There were no winners in the amateur goat roping and hair pulling.

Stick horse race, Jerry Moore first; 8 to 9, Jimmy Brown, second.

Bronc riding, Bulba Crowder, first, Gene Congleton, second.

Ribbon roping, Fred Rogers, first, Wade Pernelly, second.

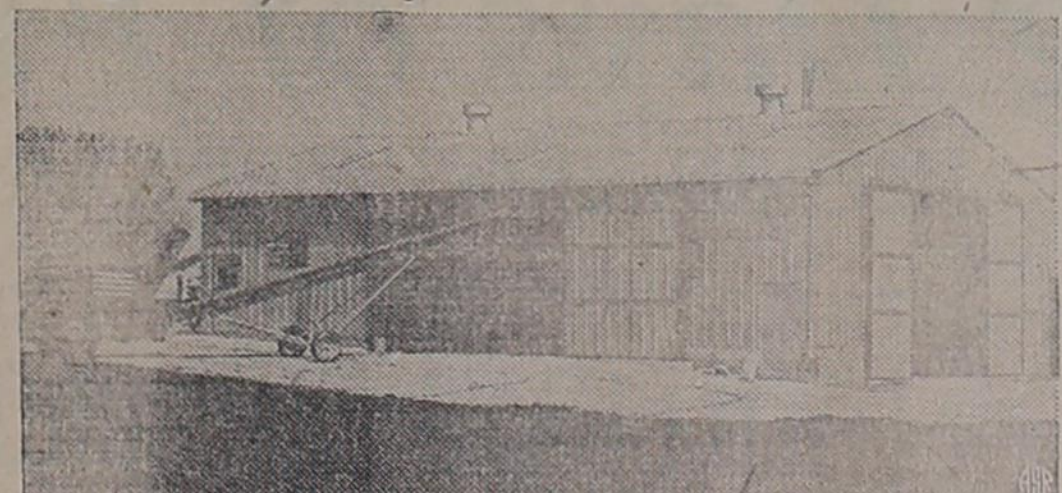

Professional goat roping, Fred

Rogers, first, Wayne Williams, second.

Bull riding, Charlie McDaniel, first, Wilbur McKinney, second.

Mr. and Mrs. Joe Thompson of Houston visited at the Record office last Monday. Thompson is in the linotype machine parts department of a company there. Mrs. Thompson is a nephew of Doc Sellers and had not seen him since 1936.

Large Doorway Meets Farmers' Needs

Backing a 40-foot elevator through the large doorway is a simple matter in the new Butler steel farm building.

What do farmers want most in an all-purpose steel farm building? After a three-year survey, Butler Manufacturing Company, Kansas City, Mo. found the answers, and developed this new building to meet farmers' specifications. Greatest demand was for its 12-foot sidewalls and 20-foot clear-span sections, which have never before been available. This allows doorways with plenty of clearance for large equipment, such as combines, corn pickers, and 4-row implements, without expensive construction costs. The rigid frame construction provides a full 36-foot clear span interior for easy maneuvering and storing equipment.

The new building, made in 20-foot clear-span bays, can be constructed in 20, 40, 60 and 80 foot lengths, and additional 20-foot sections can be added to expand to any length desired. Because of the 20-foot sections and 12-foot-sidewalls, doors and windows can be located wherever required; either at sidewalls or endwalls. Partitioning off for stock or feed storage is easily achieved. Covered with steel-bolted, deep-corrugated galvanized sheeting, the building can be counted on for years of dependable service with little or no upkeep.

History of First Baptist Church

Compiled, Written and Delivered by A. P. Smith
 Edited and Arranged by Leon R. Smith, Jr.

(Continued from last week.)

It is during this period that we came across the first written record I have been able to find. The date is 1911 and the pastor is A. A. Hutto. The organization of the church at this time is as follows:

Pastor: A. A. Hutto, Clerk; S. J. White, Treasurer; Wiley Daniels, pianist; Mrs. A. L. McDonald; Deacons serving the church, J. P. Bishop, A. L. McDonald, M. B. Nix; Board member, E. R. Patterson; Finance committee, T. B. Stayton, D. E. Jones, J. C. Stone, Wiley Daniels and E. R. Patterson.

Officers of the Sunday School: A. G. Hardin, Supt.; E. R. Patterson, assistant; Wiley Daniels, treasurer; Miss Love Jones, secretary; Miss Flora Jones, pianist; Miss Ella Lane, assistant pianist; E. C. Lane, director of music.

Teachers of the Sunday School: A. L. McDonald, D. E. Jones, Mrs. A. L. McDonald, Mrs. J. P. Bishop, Miss Fannie Cannon, Mrs. T. B. Stayton, Mrs. J. M. Roach, Miss Nora Anderson, Miss Ella Lane, Miss Flora Jones, Substitute.

Officers of the Ladies Aid and Miss Society:

President, Mrs. D. E. Jones; 1st vice president, Mrs. T. R. Cox; 2nd vice president, Mrs. Ben Landreth; secretary, Mrs. I. B. Hall; treasurer, Mrs. J. P. Bishop; corresponding secretary, Mrs. A. P. Conway.

Officers of the Sunbeam Society: Gladys Stayton, president; Helen Amis, vice president; Louise Conway, secretary; Miss Love Jones, leaders.

There were 231 members in the church at this time.

The pastor at this time is urging every member to put forth an honest effort to attend the regular church services; to live a clean, useful and religious life. He also urges them to give of their tithes in support of the church.

During the pastorate of Rev. M. C. Bishop the church built its first new parsonage, just across the street east of the church. This is now the home of J. R. Bucy and wife. Up to this time the pastor lived out of town or in a house he had bought or rented.

By the year 1917 the church had grown to the extent that a larger church with more Sunday School rooms was needed. During this time, under the pas-

torate of Rev. W. R. Underwood, the church purchased the Presbyterian Church property at a cost of \$600. The old Baptist Church was then torn down and the material was to be used in erecting a new church on the Presbyterian lot. The building committee consisted of A. L. McDonald, H. J. Jones, and F. W. Roberds. Rev. W. R. Underwood resigned the pastorate of the church at this time and Rev. A. B. Little was called. For the next few months the church held services in the old Presbyterian Church. Rev. Little soon resigned and work was begun on the new church without the help of a pastor. The committee took the lumber of the old Baptist church and, with new lumber, remodeled the old Presbyterian into a nice modern church. The building was finished and dedicated in the spring of 1918.

Rev. H. B. Ramsour was the first pastor to serve in the new building. This building had plenty of Sunday School rooms and an auditorium large enough to take care of the crowds. The building when completed cost approximately \$3,000, without incurring any debts, and was built on a "pay-as-you-go" basis.

Trail Blazers Close 25th Session at Rising Star Sept. 16

The annual Trail Blazers' meeting of September 15, 1953, was held in the American Legion hall in Rising Star. The meeting opened with a song, followed by a devotional by Rev. H. McDonald of the Rising Star Church of Christ.

A resolutions committee was appointed by President S. J. White.

Questions by Mr. White brought forth the following:

D. W. Taylor of Cisco was the oldest man at 87. Mrs. Bob (Rachel) Wagnono, May was the oldest lady. She was also 87.

The oldest resident of this community was Mrs. D. M. Jacobs, who settled in Sipe Springs in 1872.

After an excellent lunch, President White called the meeting to order. The business meeting opened with the reading of the minutes by Secretary John Nunnally. They stood approved as read.

Those who deceased between the '52 and '53 meetings were as follows:

J. R. Lee, J. F. Robertson, B. Hicks, Mrs. Georgia Ann Dill, Mrs. James Busbee, Mrs. Gertrude Scott Adams, L. J. Smith, J. I. Busbee, Monroe Cooper, and W. E. McElroy. A memorial was read in their memory by J. J. Gregg.

The following officers were elected for the coming year:

J. J. Gregg President
 John McInnis .. Vice president
 John Nunnally Secretary
 Irene S. Mayfield Historian
 Short speeches were made by the new officers and others present.

A motion was made and carried that flowers be sent to Mrs. Bill (Aunt Becky) Shults along

with a card of appreciation for her work with the organization in the past.

A vote of thanks was given John Nunnally for his work and \$10.00 voted him for his expenses on this year's meeting.

The meeting was adjourned with a prayer after the members joined Rev. McDonald in singing "God Be With You 'Till We Meet Again."

Scranton Boy Wins Santa Fe Award of Trip to Chicago

Don Jobe, Scranton 4-H Club boy, was among the two boys and two girls who recently won the district competition in the Santa Fe award program. Under this awards program, state winners are given an educational award in connection with the National 4-H Congress at Chicago. The value of the award is approximately \$175.00. By winning a place in the

district competition, Don's record is forwarded to College Station for competition against other district winners. State winners will be announced in October or November.

Don has an outstanding record in 4-H work. He has been a member for nine years and his income from 4-H projects is several thousand dollars. He has gained much experience in feeding fat steers, lambs, swine and dairy animals. He and his twin brother Dan are always present at livestock shows and so far have a collection of 62 ribbons, of which over half are blue.

Don devotes himself to his 4-H work and has been instrumental in helping other boys become better members.

Don is 17 and is the nephew of Mr. and Mrs. Bill Clinton of Route 4, Cisco.

Mrs. Annie Neely of Gilmer was a recent visitor in the home of Mrs. T. G. Culwell.

SEPTEMBER 20, 1928

The Rising Star Wildcats and the Brownwood High Lions will play at the local field on Friday afternoon at 3:30. This game was arranged to entertain the fair visitors.

Visitors at the fair are asked to pay special attention to the poultry exhibit. While a little early for a poultry show it will be one of the big features at the fair.

Among the 18 names on a double page advertisement for the fair and welcoming the people to the show are T. L. Pelfry, furniture; Owl Barber Shop; Cook Bros. Motor Company; Boase Battery and Electric; Pates Variety; Leslie Boase; Marcell Filling Station; Elkins & Company; Club Cafe; Liberty Theatre; Butler Garage; Pringle Star Service Station; Jenkins Produce; A. N. Snearly; Rising Star Gas Company; Hodge Tailor Shop; Ben Landreth.

SEPTEMBER 22, 1938

Friends here will be interested to know that the marriage of Mr. James Shults of Rising Star and Miss Nedra Aldridge of Cross Cut occurred at Cisco on September 2. Both parties are members of pioneer families of this area.

Miss Inez Fitzgerald, formerly of the Rising Star high school and Mr. Clifford Smith of Cisco were married on September 13.

Members of the county commissioners court set \$1.50 as the tax rate for the 1939 taxes.

According to announcement carried in this issue of the Record the board of the Rising Star Independent School District has signed a contract with Frank E. Wilcox, a Waco attorney for the collection of delinquent taxes.

Mayor J. L. Wren stated yesterday that four extra men, or more if thought necessary, would be placed on duty during the fair here and that drunkenness and reckless driving through the streets would not be tolerated.

A large crowd from Ballinger is expected to attend the fair that will open here next week.

Sipe Spring News

By Mrs. Newman Jones

Sgt. Jo Robert Whiteside of the 31st Infantry Div. has returned home after serving 14 months in Korea.

Mary Gallion of Abilene, Esther Gallion of Albany visited relatives here Sunday.

Mrs. and Mrs. J. O. Jones, Mrs. Richard Thorp, Patsy and Peggy visited Mr. and Mrs. Orus Jones and family of Abilene Sunday.

Mr. and Mrs. Guy Houser received word from their son-in-law, W. B. Munsey had the misfortune of getting a leg broke in the oil field last week.

Mrs. Cora Welles has accepted a position with Perry Bros. in Comanche.

Maggie Hatfield is on the sick list this week. We wish for her a speedy recovery.

N. L. Leonard and Ed Millwe made a business trip to Fort Worth last week.

Mr. and Mrs. Roy Bowell and Travis visited her brother, Roy Auton of Big Spring Sunday.

Mrs. Willie Brewer, Maggie Hatfield and Mrs. Mae Leonard visited her mother, Mrs. J. P. Rye of Gorman Sunday.

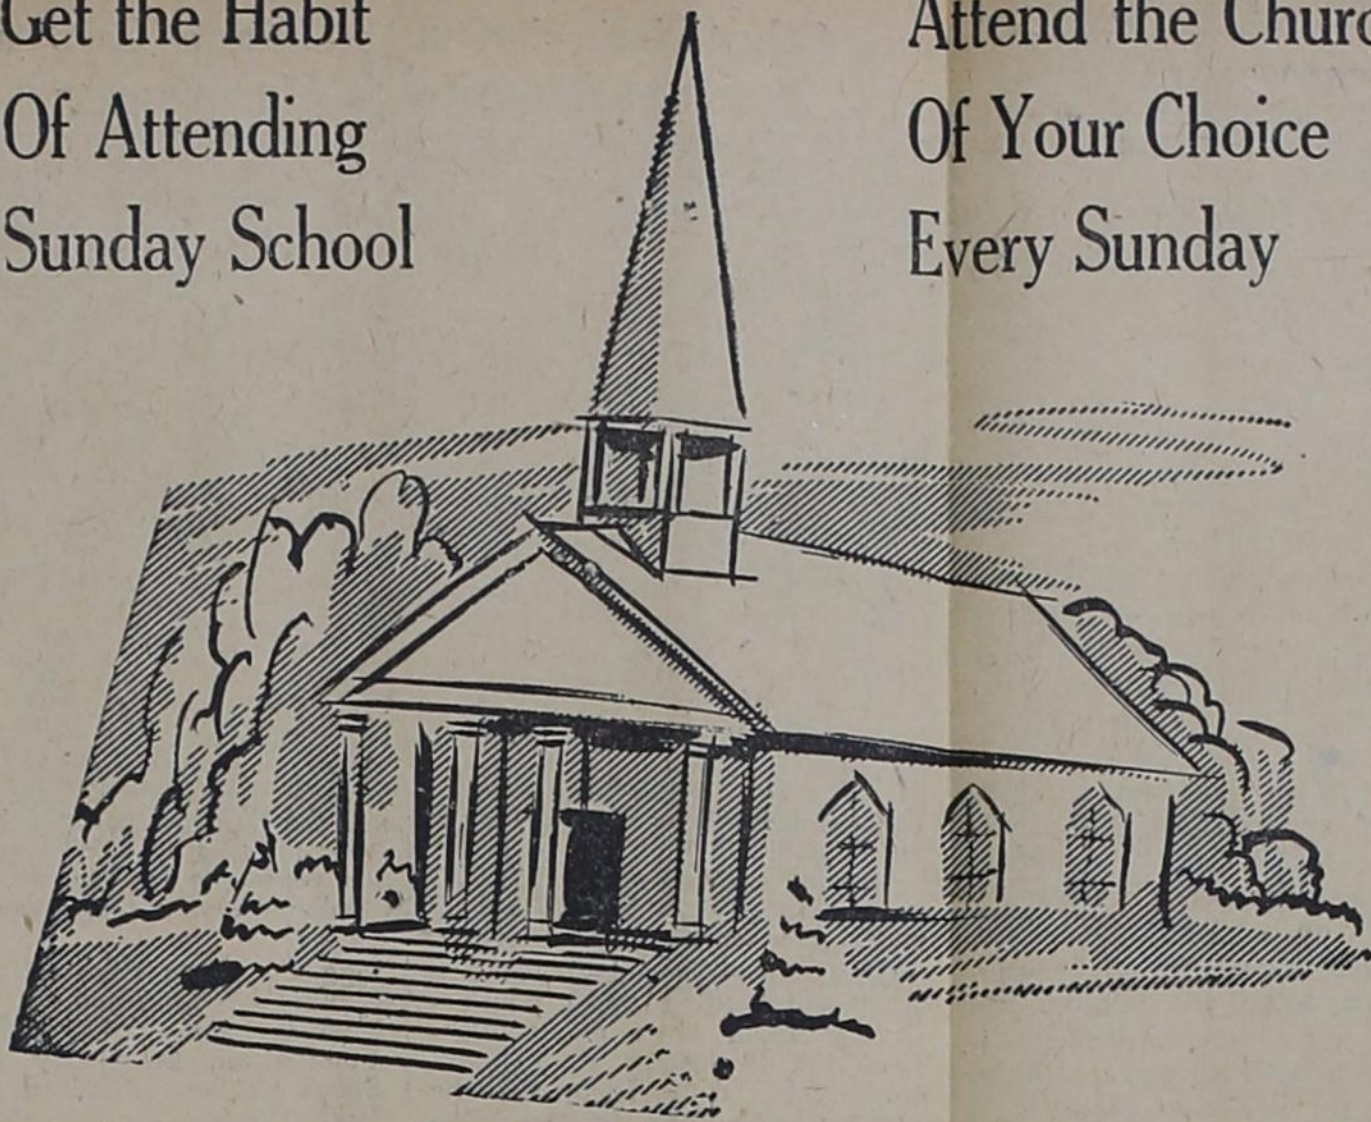

Mrs. Bob Callison and Don of Gorman visited her sister, Mrs. Newman Jones last Thursday.

Clarence Boswell of Fort Worth and Doyle Boswell of De Leon visited Mr. and Mrs. Roy Boswell and Travis Sunday.

The recent discovery that X-disease in cattle can be caused by lubricant makes it important that cattle be kept away from grease racks, machinery sheds and oil drums. Cold weather causes cattle to come closer to the farm buildings and caution against this danger is advisable. Chlorinated naphthalene compounds are known to be a causative agent of X-disease which has made inroads on the cattle population in many of the states.

BUSINESS BETTER THAN BELIEVED

By ROGER W. BABSON

The volume of business today, as measured by my Composite

Business Chart, is 15% above normal. This is only 1 point higher than it was last month, but 5 points lower than that high for the year. The volume of business at the beginning of the year was 19% above normal, advanced to 120 in February and May, and then declined gradually to the present level. This is far better than certain workers believe as the mild readjustment is affecting them adversely.

The all-time high for the volume of business is 32.4% above normal in August of 1950. From that point there was a gradual and healthy readjustment to the middle of 1952. The labor strikes in the latter part of 1952 drove the volume of business to 4 points below normal in August of 1952. The sharp recovery, after the strikes were settled, showed that our economic order was sound because the volume of business in December of 1952 was 18% above normal. For the past 13 years we have had the greatest business boom that we have ever had in our history. This has been supported by two wars and preparation for war. The Korean Truce will not immediately change the picture materially, because we will still have to maintain an ample force in Korea and in certain other countries.

The Administration is trying to reduce expenses, but finds it quite a difficult task. We are still in a Cold War and we have to be prepared for whatever ac-

tion the Soviet Union may take. After all, we know that Russia is our worst enemy; sooner or later we will have to settle with the souther of our trouble. When we think of the destructive possibilities of the H-Bomb it makes us realize that we must be prepared to meet the real enemy no matter what the cost. Peace and Russia are two opposing factors! Peace will prevail in the long run.

Amity

By Mrs. O. J. Reynolds

Rev. Higginbotham filled his regular appointment Sunday. Mrs. Higginbotham and Bobby attended service Sunday night. Several out of community visitors were also present.

The next preaching day will be on the second Sunday in October instead of first Sunday as usual. There will be Sunday School and singing on first Sunday. We don't know yet if this will be a permanent change, so watch for further announcement.

Mr. and Mrs. Alvie Wheeler and children of Owens and Miss Lorna Lucksinger of Brownwood visited in the Robert Watkins home Sunday afternoon.

Carl Alford of Austin and his little granddaughter, Miss Julie Watkins of Rising Star visited in the home of his sister, Mrs. Homer Smith one day last week.

Johnny Caproni and a friend from Houston visited in the E. R. West home last Thursday.

Mr. and Mrs. J. D. Gobels of Abilene visited Mr. and Mrs. I. A. White one day last week.

Pfc. Bob Reynolds has returned to Baltimore, Md. after spending a furlough visit with home folks here and relatives at Abilene and Merkel.

Union Center H. D. Club

Union Center H. D. Club met Sept. 18 at the club house. Two songs were led by Mrs. W. A. Stewart, accompanied by Mrs. Ode Carver at the piano.

The club prayer was repeated by members.

Ten members answered roll call by telling a common accident and how to prevent it.

Club voted each Thursday to be quilting day.

Tuesdays will be crafts work day, as previously set. A program of first aid was given by Mrs. Buck Maples and Mrs. G. G. Crowell; a very informative

and helpful discussion among the members was given on this program.

Refreshments of cake and George Stephenson and Mrs. G. punch, were served by Mrs. G. Crowell to the following: Mrs. J. W. Martin, Ode Carver, Miss Vera McBeth, A. W. Wright, H. E. Reed, W. A. Stewart, Buck Maples, C. D. Wescott and the hostesses.

Union Center H. D. Club had charge of the concession stand at the "Roping Club on Saturday night, Sept. 12.

Lowe C. Clark Rites Held Tuesday at 2 From Blake Church

Funeral services were held for Lowe C. Clark, 52, son of Mr. and Mrs. Fred Clark of Cross Plains at the Blake Baptist church Tuesday afternoon at 2 with Rev. Charles Myrick, pastor of the local Baptist church officiating, assisted by Rev. W. D. Gunkel, pastor of the Williams Methodist Church. Graveside services will be conducted by the Masonic lodge of which he was a member. Interment will be in Blake cemetery. Higginbotham Funeral directors made arrangements.

The deceased is survived by his parents and one sister, Miss Ada Clark of Cross Plains. He was reared in the Blake community and was engaged in barbering for a number of years, until his health failed several years ago. Mr. Clark was a member of the Baptist church.

Guests over the week end of Mrs. Una Milhollin and Troy, were a son and wife, Mr. and Mrs. J. L. Wolf of Haskell and a nephew and family, Mr. and Mrs. J. R. Wolf and children of Seminole. They also visited with their sister and aunt, Mrs. Henry Gregg and family.

James Fred Cook of Dallas spent the week end with his parents, Mr. and Mrs. J. F. Cook.

AGRICULTURE

THE VOCATIONAL AG STUDENTS SUPERVISED FARMING PROGRAM

By H. L. GEYE

Each boy enrolled in the agriculture classes in high school are required to have a Supervised Farming Program in operation in connection with their school agriculture studies. This is commonly referred to as their "project". The supervised farming program consists of:

1. One or more productives projects. Examples — feeding calves, pigs, or lambs for meat production; egg production; peanut production; watermelon production, etc.

These projects are selected to give the boy training in agricultural production. They should be selected according to the interest of the boys and the facilities which are available to him. He is expected to manage his projects on a business-like basis. He should, with his parents help, arrange for his own production finances. He should receive any profit or loss from the projects. His crop or livestock should be definitely designated as his property in order to get the most interest and work in caring for it. He should set up certain production goals and work to achieve them.

2. One or more Farm and Home Improvement Projects. Examples — building or repairing fences, cattleguards, farm buildings, etc.; painting farm buildings; landscaping the farmstead; building and equipping a livestock first aid cabinet, etc.

On every farm and in every home there are many things that could be done to improve its efficiency, attractiveness, and safety, and add to its value. Each boy is expected to select at least one improvement project for each school year. This part of his program is not supposed to yield a money profit for his labor but rather to improve the farm or home in some way that will make his living there more satisfying. The parents should help the boy in selecting these projects and also their help will be needed in purchasing any supplies that may be needed. They should also help the boy in planning and carrying out the work.

3. Farm Jobs — each boy is to learn as many farm skills as possible. Examples — vaccinating, dehorning, spraying, and feeding livestock; culling hens; worming poultry; controlling insects; pruning, etc.

The farmer of today must have the "know how" to do a great variety of jobs. This part of the Supervised Farming Program is devoted to providing training and practice in learning the easiest and safest ways of doing these jobs.

What benefits are to be derived from a Supervised Farming Program as outlined above? Briefly they are: (1) Provide the boy an opportunity to earn money, (2) provide a better understanding of and love for farming, (3) provide needed training and experience in farming, (4) provide the boy with ownership of some property, the proper use of which may help the boy develop a sense of responsibility and trustworthiness, (5) provide character building experiences, any boy is better off at home working with his calf, pig, lamb, or crops instead of being on the streets matching pennies.

Here are some things that will help make a boys' program more beneficial to him. (1) Complete understanding and cooperation of parents, (2) setting the program up on a sound business basis where the boy pays for feed, use of land, etc.; (3) carrying out the projects in such manner that the boy does most of the work and does not depend on his parents or others to do his work, (4) setting up goals for achievement and working out plans for reaching the goals, (5) keeping accurate and up-to-date records, and (6) proper supervision and encouragement.

the mothers and children in the country, in case the family breadwinner should die under any circumstances."

The Waco social security office, only 6 blocks from the heart of the disaster area, has processed most of the claims from survivors, and has reported that benefit checks have already been received by many of the families.

The Social Security Administration estimates that about 40 families will be entitled at once to monthly payments. In about 30 other cases, only lump sum payments, ranging from \$75 to \$255, can be made at this time, but in some instances survivors will later, upon reaching age 65, be eligible for monthly payments. In each case the amount of payments is related to the worker's level of earnings and to the number of survivors. Among the disaster claims, for instance,

Select Nation's Outstanding 4-H'ers as Honored Delegates to Club Congress

(Above) Discussion periods are a feature of the Club Congress. All delegates are divided into "huddles" of six, these units reaching an opinion on various "agree-disagree" questions. Then the groups reassemble for final deliberation. Most questions at the 1953 Club Congress likely will concern the theme—"Working Together for World Understanding."

CHICAGO—Special—More than 1,200 outstanding rural youth—mostly farm boys and girls—from the 48 states, Alaska, Hawaii and Puerto Rico, will be honored delegates to the 32nd National 4-H Congress in Chicago, November 29-December 3. They are the "cream of the crop" selected by the Extension Service as state, sectional and national winners in the 1953 4-H award programs of projects of agriculture and homemaking.

The youthful delegates will represent more than 2 million active fellow members throughout the United States.

Expenditures of the National Committee on Boys and Girls Club Work, a citizens' group, total approximately \$900,000 in grants annually to assist the Co-operative Extension Service in furthering the program, membership and influence of 4-H. The major portion of the grants, which are provided by some 40 industrial organizations, foundations and prominent public-spirited men and women, are used for 4-H merit awards, including medals, savings bonds, trips, college scholarships and leader training.

Among the corporations and foundations providing grants are Allis-Chalmers, American Forest Products Industries, Carnation Co., Firestone Tire, Ford Motor Co. and Ford Tractor Division, General Motors, Hercules Powder, International Harvester, Kel-

logg Co., Kerr Glass, Mathieson Chemical, Montgomery Ward, Nash-Kelvinator, Sears-Roebuck Foundation, Simplicity Pattern, Spool Cotton, Standard Brands, United States Rubber, and Westinghouse Educational Foundation.

Cooperation is also provided by the Illinois Central, North Western, Rock Island and Milwaukee Railroads, Proctor Electric Co., Spinnerin Yarn, Toni Co., and Wm. Wrigley, Jr., Co. and Gene Autry.

Oil companies collaborating include American Oil, General Petroleum, Pan-Am Southern, Pure Oil, Standard Oil Foundation, Inc. (Chicago), Standard Oil Co. (Kentucky), The Standard Oil Co. (Ohio), Stanolind Oil and Gas, and Utah Oil Refining.

Individual donors include The President of the United States, Mrs. Charles R. Walgreen, Thomas E. Wilson, Edward Foss Wilson and Conrad Hilton.

"So fundamental and significant are the accomplishments of the 4-H Clubs that their principles have been accepted and initiated in more than 30 countries around the world," said G. L. Noble, director of the National Committee. "This is a splendid record," he continued, "considering that at the same time there has been consistent growth and a stronger foundation of sturdy citizenship laid at home. In part this accounts for the growing support of 4-H by our agricultural and industrial leaders."

is one resulting from the death of an insured woman worker who left two children. Payments will be about \$25 per month to each. In another instance a dependent mother will receive \$35 a month, an aged widow will be paid \$29 a month.

Mrs. Hobby emphasized that facts about these cases were released upon permission of the widowed mothers. All information about social security claims is confidential, but these details were offered in order to illustrate how the Federal old-age and

survivors insurance program operates.

It is now time to take and mail to the A & M College System Soil Laboratory samples of

soil from the field on which small grains and legumes will be planted this fall. The analysis could become the foundation for a soil building or improving program on your farm or ranch.

Social Security Big Help to Tornado Victims

Among the 115 people killed May 11 in the tornado that swept across downtown Waco, Texas, at least 70 were insured on the basis of their earnings under social security, and payments to their survivors may total one million dollars, Mrs. Oveta Culp Hobby, Secretary of Health, Education, and Welfare, has announced.

Victims of the tornado included many children and housewives who were not insured as wage-earners. The fact that 60% of all those killed were insured indicates the extent to which a typical American community is now covered by Federal old-age and survivors insurance.

"The same protection illustrated in this community when disaster struck," Mrs. Hobby said, "is now covering 4 out of 5 of

Thornton, who is also agricultural chemist for the Texas Agricultural Extension Service, reminds farmers that now is the time to submit soil samples to the laboratory from the fields where small grain and legumes or pasture crops will soon be planted. "Don't wait," says Thornton, "until seeding time to begin thinking about getting a soil analysis. Submit samples now while the laboratory is not too busy. The analysis along with recommendations on how best to handle the field will be available for your use before planting time."

And as a final reminder, Thornton says, all county agents have detailed information on the procedure for taking and mailing soil samples.

aster struck," Mrs. Hobby said, "is now covering 4 out of 5 of

Odes W. Ackelson, 60, Buried at Pioneer

RANGER, Sept. 20.—Funeral services were held at Pioneer at 2 p.m. Saturday for Odes W. Ackelson, about 60, who was found dead in bed at his home

on Pecan Street in Ranger Friday.

He had been dead about four or five hours after police arrived to investigate a phone call to the Ranger Police Department by a neighbor.

Mr. Ackelson, a bachelor, had been making his home in Ran-

ger for about a year, reports Justice of the Peace Charles Bobo who held an inquest and returned a verdict of death caused by natural causes.

Prior to moving to Ranger he had been a longtime resident of

Rising Star and lived near the lake on highway 36.

He was a laborer and farmer. Higginbotham Funeral Home, Rising Star, was in charge of burial arrangements.

Acetylsalicylic acid is a technical name for aspirin.

SOIL NOTES

The regular meeting of the Upper Leon Soil Conservation District, Board of Supervisors was held at their headquarters in De Leon at 2 p.m. Friday, Sept. 11. Present were Supervisors W. J. Fritts, Comanche, B. B. Hickman, Rising Star, J. D. Gardner, De Leon and A. D. Gibson, Dublin, SCS Personnel, McAlister, Eastland, Morgan, De Leon, and Moore, Dublin, A. D. Jenkins, Secretary of Chamber of Commerce, Rising Star, Tommy Mazurik, Sidney and Floyd H. Armstrong, Clerk.

Seventeen initial agreements totaling 4208 acres were approved. Collections totaling \$490.00 were received and acknowledged. Bills totaling \$100.85 were allowed and ordered paid.

A letter from Paul Walser, State Conservationist and one from Dr. Robert M. Salter, chief of soil conservation service in Washington, confirming the work to be done in the Greens Creek flood prevention project was read and discussed. John Moore told of the work that has been done on the project.

Mr. Jenkins told of the work being done in the Amity community near Rising Star on their community improvement project.

Mr. Fritts read a letter from the State Board of Soil Conservation Districts reference the election of a supervisor in subdivision five, which is that portion of the district in Eastland County lying north of the M. K. & T. Railway. The election is to be held Tuesday, October 6. Mr. Fritts asked Mr. McAlister to arrange for a program in connection with the election.

Mr. Hickman discussed the need for vetch seed in the Rising Star area for fall planting of winter legumes. The board authorized Mr. Hickman to purchase seed and make them available to the farmers in that area in the event they were not available through seed houses.

The board voted to purchase three combination fertilizer-grain drills for use in the Highland Community near Dublin, Amity Community near Rising Star and Sidney Community in Comanche County.

The Board of Supervisors invite anyone to meet with them at any of their regular meetings

A new publication, C-338, Laying Cage Management, is available at the offices of county agents. It contains the latest information on housing the laying flock in individual cages.

THINGS SEEN AND UNSEEN —

. . . are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in clothes for several hundred dollars. Same old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes — many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs, but it still worth many times its cost. If you gamble never do it on land titles.

New Well Complete Near Rising Star

EASTLAND, Sept. 20.—A completion and a new test highlighted the oil news in Eastland County today.

One mile south of Rising Star a discovery well has been drilled in by O. M. Evans Drilling Co. of Fort Worth. The successful venture is the No. 1 Della Bender, Section 27, Block 3, BBB&C Survey, which pumped 27.8 barrels of 41 gravity oil in 24 hours from perforations at 985-990 feet and 1,022-26 feet.

Casing was set at 1,057 feet. Gas-oil ratio, 100 to 1.

GERALDINE'S NEWS STAND ALSO HANDLES FLOWERS OF ALL KINDS

Geraldine's News Stand with Geraldine Busbee and her aunt, Mrs. Ada Williams, are handling all kinds of flowers now. They are a sub-station for Helen's Flowers in Cisco. Orders from \$10.00 up will be promptly and personally delivered.

Helen is Helen Brashear, wife of Richard P. Brashear, former residents of Rising Star. Their daughter, Ann Etta, started to school here under Mrs. Fred Roberds' teaching. Their next daughter, Sarah, was born in Rising Star. Mr. Brashear was connected with the Soil Conservation Agency here. They have purchased a big home in Cisco and have their flower shop in the front.

Their glass aquariums filled with fish and tropical fish are not only beautiful but fascinating. They are ideal for a bedside gift for an invalid or a person resting.

Their parakeets and canaries are also fascinating to watch.

Their new home is located at 305 W. 7th Street in Cisco. See their advertisement elsewhere in this paper and watch for their advertisement each week.

HELP TAKE FOOTBALL PLAYERS HOME AFTER PRACTICE EACH AFTERNOON

Going East—H. McDonald.
Going West—Jack Agnew.
Going North—Ray Nunnally.
The following have agreed to home each afternoon after practice.

Mrs. C. E. Smith received a telephone call from her son, Carl, who left last month for the U. S. Coast Guard from Cape May, N. J. Carl is okay and doing fine. In the conversation with his mother he said it was raining there. Friends will be glad to hear from Carl.

GRANDSON OF DOC AND MRS. M. S. SELLERS IS INJURED IN CAR WRECK

News was received last week of the painful injury of little Steve Paquette, grandson of Doc and Mrs. M. S. Sellers who was injured by having his collar bone broken when hit by a car while playing. No serious damage was done to the lad. Grandma and grandpa Sellers will leave the last of this week for a visit to their daughter and family in Tucson.

MRS. W. W. McCLESKY AND BABY SON HOME FROM FORT HOOD HOSPITAL

Mrs. W. W. McClesky returned home this week from a Fort Hood hospital. Her son, Ronald, was born there Wednesday, September 16. Ronald weighed 8 pounds and a few ounces.

Mr. McClesky is in service in Korea. Paternal grandparents are Mr. and Mrs. Ed McClesky of Okra. Maternal grandmother is in Germany.

Mr. and Mrs. Shan Medford of Okra, accompanied by Mrs. Bill Button, motored to Fort Hood. Mrs. Button drove McClesky's car home for her.
