Pancake Supper Will Aid Fire Department, EMS

A pancake supper will be held Tuesday, April 26, at the school cafeteria for a community get-together, sponsored by the Rising Star Chamber of Commerce & Agriculture. Half or more of the proceeds will be given to the Rising Star Volunteer Fire Department and Rising Star Emergency Medical Service (ambulance) for operating expenses.

The Chamber has planned the supper, not only for its members, but for all the Rising Star area residents. And while we're visiting and having a good time, we can give a little more help to our community's volunteer services. A new truck has been purchased but the fire department still needs funds to bring all the equipment to good operating shape. The

volunteer ambulance service answers many call each month and operating funds

are continually being used. All the pancakes you can eat, plus a slice of smoked ham and coffee or milk will be sold at \$3 for adults and \$2 for children 12 and under.

The meal will be served from 6 to 8 p.m. April 26 at the cafeteria.

The Chamber strives to help the business and agriculture community in various ways and would appreciate more input from the members of the community.

Outsiders Mixed Volleyball

Tourney

The senior class of Rising Star High School will sponsor an Outsider's Only Mixed Vollevball Tournament on April 29-30. For more information call Debbie White at 643-3543 or Joy Harris at 643-7142.

Support Our Children

"All work and no play makes Jack a dull boy. And all play and no work makes Jack worse still."And so this year several volunteers are attempting to give our young people a healthy, wellrounded activity to engage in. This activity is baseball. We have the coaches and the players and the desire to have a fun season, but we

are missing a necessary ingredient - YOU.

Many of our local businesses and citizens have made contributions to our children's baseball teams, but we desperately need a little more help to buy equipment and maintain the baseball field at the park. Our young people and the adult volunteers sincerely

worthwhile cause. If you have not had the opportunity to support our local youth and wish to do so please contact Evelyn Donham, Pam Cook, Peggy Agnew, Pam Thompson or any of the team coaches! All contributions will be gratefully put to good

Exemption Deadline Nears For Eastland County Residents

Residential property owners within Eastland County are reminded that the deadline to apply for a residential homestead exemption is May 2, 1988.

If a person owned and resided in a residence on January 1, 1988; he or she may qualify for this type of exemption. The homestead

exemption is in the amount of \$5,000 of taxable value for homeowners under the age of 65. For those homeowners over sixty-five years of age or who are disabled, the exemption amount is an additional \$10,000.

It is emphasized that only those homeowners who have never applied for an exemp-

3,160 feet 180,000 cubic feet of dry from perforations at 4 344-p2.

The Texas Farm Bureau Insurance Companies recently presented area Volunteer Fire Departments with a check for \$150 for assisting in a rural fire. A storage building on the J.R. Keating farm in Southwest Eastland County was destroyed by fire after their

neighbor's trash fire went

out of control. The fire

CISCO Cisco's 15th Annual Folklife Festival April 23-24 will offer something to interest everyone. Weekend activities will begin Saturday, April 23 at 7 a.m. at Lake Cisco Park with a Chuck Wagon breakfast. Trail riders will come into town to be part of the colorful Parade, which will begin at 10 a.m. The Folklife Festival will open following the Parade, featuring good food, crafts, exhibits in pioneer skills, and entertainment. The Mobley-Hilton Hotel will also be open during the Festival, with Cisco Writer's Club members as hostesses. There will be a display of books by local authors. Al Anderson and his Band will play at 6-8 p.m. Saturday, with a street dance following. The Festival entertainment will begin at 1 p.m. Sunday, with the final event a performance by Davene Jeffcoat's Folk Dancers, beginning at 4

Cisco voters will decide in the May 7 election whether or not to allow Bingo games to be played in the city limits. In March the city council approved the request for this issue to be placed on the ballot. City Manager Mike Moore brought a copy of some of the state bingo rules to the city council meeting last Tuesday, and council members discussed the bingo provisions. Moore said if bingo is passed in the May 7 election that only local people can run the games. The city of Cisco will also receive reports on the games. He added that the city will have no authority over the reports, but the city officials will be expected to check over them.

A new tax payment agreement policy was adopted by the Cisco City Council at their meeting last Tuesday. The delinquent payment policy has been designed to help people pay off their old taxes and save these people up to \$200 in court costs, City Manager Mike Moore said. If someone goes into an agreement with the City to pay off their old taxes, the city will stop all legal action. A person may pay the delinquent taxes off in monthly installments, with payments scheduled for at least one year's tax amount.

City Manager Mike Moore reported that the Cisco Police have been doing a good job of checking out at The Point and Lake Park and have brought several cases before Judge Fry. Some of these were for public intoxication, possession of drug paraphernalia, and minors in possession and consumption of alcoholic beverages.

EASTLAND

Tickets are going fast for the 5th Saturday Jamboree Musical at the Majestic! If you want a free one pick it up at one of the Eastland County Newspapers or Al's Jewelry and Music Stores in Cisco, or Cycle Salvage in Eastland. Tickets at the door on the evening of the performance, April 30 at 7:30 p.m., will be \$3 for adults and \$1.50 for children. There will be an evening of Musical entertainment by area performers.

There will be a Tornado Watch program in Eastland on Thursday, April 21 at the Eastland Fire Station on South Seaman. There will be a Hot Dog meal from 6:30 - 7 p.m. prior to the Tornado Watch Program. This program will start at approx. 7 p.m. and run until 9:15 with a break in the middle. It will

include Severe Weather Recognition, Spotting Tornados, Flooding and Natural Hazards. The public is urged to come out and learn more about what to do in case of severe storms. This program is being sponsored in cooperation with The National Weather Service, the Eastland Fire Department, and the Eastland County Dispatch.

The Eastland County Resource Association is meeting this Wednesday, April 20, 12 noon at Eastland Centennial Memorial Library. This meeting is open to anyone concerned with the food, clothing, housing and job needs of people in the County. David Bondurant, Pastor of the First Christian Church in Eastland, is President of the group. Viola Payne is Secretary, and Helen Osburn Treasurer. Memberships are being solicited at this time. This Association has voted to help the County Food Pantry, the Ministerial Alliance Travel Fund, and the Rock House mission.

Ballots from the Peanut Producers Board will soon be arriving, and they will include the name of one Eastland County man. Jay Grimshaw, who lives near Gorman, is listed for the office of Director. Mr. Grimshaw is asking peanut producers to help elect him to this post - he will understand the needs of the local pro-

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

GOLP COULT COTTENIES

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$50.00)

A mammogram can detect a cancer this small, e even before it can be felt.

Mobile Breast Cancer Detection Unit to be Here

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's and Children's Hospital in Odessa, "the death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists." By using modern state of the art X-Ray equipment breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90%-97% survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50% survival rate in five years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a Mobile Breast Cancer Detection Unit will be made availlable to local women on May 5, 1988. The mobile unit will be parked at 413 W. College, Rising Star. Appointments may be made by calling Dr. Carpenter's Office 817-643-3141.

Folklife Festival Will Offer Weekend Entertainment

Cisco's 15th Annual Folklife Festival, April 23-24, 1987, at the historic Rockwell Lumberyard in downtown Cisco will offer something to interest everyone. Weekend activities will begin Saturday morning, April 23, at 7 a.m., at Lake Cisco Park with the outdoor chuck wagon breakfast before the 'World's Shortest Trail Ride." The trail riders will be part of the colorful Frontier Jubilee Parade which begins at 10 a.m. The breakfast is complimentary

of Olney Savings. Immediately following the morning parade, the Folklife Festival will open with a large supply of freshly baked bread, sold by the slice, hot cinnamon rolls; and hamburgers cooked on the grill.

Starting in 1973, the festival has three purposes: to educate, entertain and raise funds for community projects. As education. special demonstrations and exhibits are available to illustrate and teach visitors some of the skills and crafts used by pioneers in daily life.

Visitors to the Folklife Festival will be able to see and in some cases participate in noodle and jerky making, basket weaving, spinning, soap and candle making, and other items of interest.

There will be hoe cake making, grinding of grain by hand mill and metate, shelling corn, hand made brooms, simple weaving and primitive pottery making.

There are varieties of arts and crafts displayed by local, state and national exhibitors. For those who come with an ever present appetitte, there is a selection of home cooked food to tempt

THANK YOU

We would like to express our appreciation to the FHA and to everyone who had a part in setting up the Memorial Scholarship Fund in Meredith's name.

A permanent fund has been set up at the bank that anyone can contribute to at anytime. This is an excellent way to keep Meredith's memory alive and we want to thank each of you who contributed to it.

The Dinner Theatre was lovely in every way. The food was delicious, the play excellent, the speech and song at the closing were very special and meaningful to us. We thank each of you, students, teachers, parents, friends, for whatever part you had in it.

The family of Meredith Hamblen

I would like to thank all our friends and neighbors for their kindness shown us during the sickness and death of our beloved husband and father, Mack H. Stout. Also for all the lovely food, flowers and calls.

We will always remember how dear you were to us. May God's richest bless-

ings be with you all. Sarah Stout and Family

Musicians for Fifth Saturday Jamboree

We've been writing about the fiddle players, guitar players, singers and others who will perform at the Majestic Theatre on Saturday nights, April 30, beginning at 7:30 p.m.

But how could we fail to mention Gerald Parks of Cisco, piano player, who will be right there in his usual spot with Al Anderson's band?

Gerald, with his special styling, has been associated with the Anderson Band for a long time. He also provides background music for Fiddler's Contests and other

So add his name to Al's Band, right along with Robert Weeks Sr., fiddle, Al on fiddle, Gabe Wright, guitar, Truett Norris, electric bass, Pete Rodgers, lead guitar, Adrian Wesley, rhythm guitar, Gus Sublett, melody guitar, and Robert Oden, guitar. Singers in the group are Gabe Wright and Robert Oden.

Someone might even persuade Al Anderson to sing a number, but probably not in competition with Fran Logerstat. Mrs. Logerstat has helped draw crowds to the monthly Musicals in the Corral Room in Cisco - now let's come out and hear her in the Majestic.

This Fifth Saturday Jamboree, directed by Robert Weeks, has a number of musicians shining up their best numbers. His boys

Robert Jr. and Brandy Weeds are expected to be in top form with their fiddles.

But then they always are look at all the trophies and awards they have own around the state! Playing on the stage of the Majestic may shake some of us up, but not these boys. They just bring down the house! Raymond Hart will accompany the Weeds on his guitar, and perhaps give some special numbers.

Joe Herring of Eastland will play the guitar and his band will perform other numbers. The Barnes brothers will be featured with this group.

- The Country Strings of Strawn, led by Finis Butler, will bring various musicians along. Their steel guitar, a mandolyn and other instruments will give variety to the evening. Denice Butler will be the featured vocalist with this Band.

Marvin Payne, guitar player, is trying to get his mother, Viola Payne, to learn different tunes on the violin for the occasion. At last report she was balking, saying she was more "comfortable" with old tunes like a Spanish Polka named "Marta", and two old Irish pieces.

Tim Webb will be the featured singer with these two players and he will also play the guitar with his songs. Tim has some good numbers lined up - things you are sure to enjoy.

The whole evening, in fact, is meant for public enjoyment. The Eastland County Newspapers are sponsoring the event as a community service - a chance to be with friends, and appreciate the great old Theatre, and see what local talent has to offer. Don't miss it!

Church of Christ

CHURCH OF CHRIST REASONS WHY YOU SHOULD INVESTIGATE

In this series of lessons we are going to present TEN reasons why you should investigate the Church of Christ. We invite you to check us by the ONE BOOK that can bring religious unity and eternal salvation.

1. WE HAVE NO CREED BUT THE BIBLE!

We believe that the Bible is a sufficient guide and thus we have no Cathechism, Discipline or Manual to add to the Divine Word of God. We believe the scriptures furnish us, "All scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, throughly furnished unto all good works. (2 Tim. 3:16-17). God has given us all things in his Word. "According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue." (2 Peter 1:3).

the Catechism Displinine and Manual contains more than the Bible they contain too much! If they contain less than yhe Bible then they don't contain enough! If they contain just

the Bible then they are not needed! "But though we, or an angel from heaven, preach any other gospel unto you than that we have preached unto you, let him be accursed." (Gal.1:8).

2. WE BELIEVE IN SPEAKING WHERE THE BIBLE SPEAKS AND BE-ING SILENT WHERE THE BIBLE IS SILENT!

We will not preach nor practice that for which we have no Bible authority. We stand for the old-fashioned book, chapter and verse gospel and demand scriptural authority for our every religious practice. We try to "speak as the oracles of God" (1 Peter 4:11) and ...hold fast the form of sound words." (2 Tim.1:13). It is our intent to proclaim the same gospel that Jesus, Paul and other inspired men preached (Gal. 1:6-9), nothing more and nothing less! "For I testify unto every man that heareth the words of the prophecy of this book, if any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book." (Rev. 22:18-19).

Commentary

Myrtle Owens

From the dying figure of the Son of God as he hung forsaken on a wooden cross, sang out a plea of such compassion such as the world had never known..."Father, forgive them, for they know not what they do." He had taught His disciples to pray in this fashion in the perfect prayer when he had said. 'And forgive us our tresspasses as we forgive those who tresspass against

On the cross He was following His own teaching FORGIVE ... blessed word, proof of a Christlike heart. FORGIVE...following in the footsteps of the Master. If men would only learn the meaning of this tender word, war would be outlawed, murder would become only a memory, hatred would forever be banished from the earth and men would live in peace. There would be no more broken hearts. Schisms in the church would have their remembrance onhistory. FORGIVE ... and the prodigal could once again return to his father's house.

FORGIVE ... and the wayward daughter could find her way back home to the mother's arms. FORGIVE ... and the divided house could gather once again in an unbroken circle. When the disciples asked

Jesus how many times they should forgive, He gave them this generous standard of behavior...until seventy times seven. Yet how many times has the testimony of the church been besmirched by those who refuse to forgive even once, yet profess to be followers of Christ.

How many of our young people have been driven from the fold by an unforgiving spirit on the part of their elders who condemn rather than offer them counsel and love. Jesus said, "How can ye love the Father whom ye have not seen, when ye love not your own brother whom ye have seen?...Judge not, that ye may not be judged, for with the judgement ye judge, ye shall be judged. And with the measure ye mete, it shall be measured to you again." What a warning this should be to those who are so quick to pass judgement and so tardy in forgiving. They are sounding the death knell to their own hopes of heaven and reward. The world will never be evangelized by bitter hearted people who trample under foot the flowers in the garden of God. The drunkard, the harlot and the prodigal will never be delivered by those who judge them, but by those who live and love them for Jesus's sake. No one can be a child of God and doom souls into hell.

Beef Vote Will be Held **May 10**

A nation-wide beef checkoff referendum vote will be held on May 10.

The vote, by eligible cattle producers and importers of beef or beef products, is to decide whether to continue the beet checkoff program, says Gordon, DeMarquis Eastland County Extension Agent with the Texas Agricultural Extension Service, The Texas A&M University System. Producers are being assessed \$1 a head on all cattle they sell. Funds from the checkoff are presently financing the Beef Promotion and Research Pro-

Eligible voters are producers who owned cattle between Oct. 1, 1986 and March 31, 1988 or persons who imported cattle or beef products during the same ballot in the local Extension office of the county where a producer or importer resides. Persons who need to cast

an absentee ballot must re-

The cast of "It's Cold in Them Thar Hills" the FHA dinner theatre play Saturday night.

By Terry Wilson -

Last cast I reported to you the results of the T.A.B.C. Region III tournament on Lake Brownwood. One correction to my report would be that the six man team members were only allowed to weigh-in a two day total of 60 fish. Not 60 fish per day. Also I have received some total's I thought would interest everyone. Saturday their were 210 fish weighed by 91 persons, for a total 454 pounds 8 ounces. This was an average weight per fish of 2 pounds 21/2 ounces. The average stinger weight per angler for Saturday was 5 pounds even. Sunday with a severe dcold front passing thru, the fun of fishing deminished somewhat. A total of 81 fish were weighed by 51 persons for a total weight of 162 pounds 81/2 ounces. Average weight per fish was 2 pounds. The average weight per fish was 2 pounds. The average stringer weight per contestant dropped to 3 pounds 3 ounces. As you can see this Texas weather and fishing are very closely related.

In todays high tech fishing industry, the single most imortant piece of tackel renains your fishing line. There's always someone out there telling you and I how much stronger and smaller diameter a certain line is. Well thanks to the good folks at Berkley Trilene, the proof is in the use. The following are some

comments and comparisions of some of todays leading brands of fishing line. Lines today are thinner, stronger and more specialized. There are also significant differences between differences in fishing line qualities between two popular brand's Berkley Tri Max and DuPont Prime Plus. The results are shock-

Properties-Rated Test, TriMax-10 lb., Prime-10 lb., Prime Plus-10 lb.: Diameter-.012, .012, .012: Break Load, 1 lbs.-16.05, 12.32, 14.03: Tensile Strength- 140,900, 104,600, 122,600: Overhand Knot-10.88, 8.71, 10.20: Clinch Knot-13.15: 11.45, 12.86: Fighting Power-100%, 72%,

Note: Tensife Strength ranks a line's strength when diameter's may be different.

Thirty nine members of the Brownwood Bass Club meet at Lake Leon Sunday April 17th. Ben Villipinano was the overall winner with three fish weighting 9 pounds 1312 ounces. Severe weather conditions were thought to slow the fishing even though over 80% of the anglers weighed-in fish.

Chuch Burgess of Olden placed 12th overall at the Texas Big Bass Association open on Possum Kingdom April 16 and 17. I understand

there were a number of big fish from 5 to 9 pounds weighed in.

Don't forget April 24 will be the E.C.B.C. Club tournament on Lake Proctor. All members are urged to attend, cause fishing reports from Proctor are running good. A recent team tournament at the end of one day's fishing was being won with 23 pounds. Not to shaby in my book folks.

Thursday April 21 an educational farm pond management program will be presented by Don Steinbach of the Texas Agricultural Extension Fisheries.

The program will begin at 6:00 p.m. at Judge Conner's tank last of Eastland.

The following fishing report is furnished by the Texas Parks and Wildlife Department.

BROWNWOOD- Water clear, 3 feet low: black bass fair to 7½ pounds in the creeks and the lake, average fish about 3 pounds, on spinners: striper fair early and late on topwaters to 5 pounds; crappie fair with some limits in the creeks and in the lakes; yellow catfish slow to 96 pounds on trotline with live bait.

GIBBONS CREEK- Water fairly clear, 64 degrees, normal level: black bass fairly good but mostly withing the slot and under there were 4 keepers over 21 inches with the largest weighing8 1/4 pounds on light colored cranks, worms and Crazy Shad; crappie fairly good to 20 fish per string on minnows; catfish fairly good to 5 pounds average on liver, minnows and shrimps.

January 1 this year.

Only a part of the allocation increase can be attributed to the additional tax and the widened tax base, according to Bullock.

"There's more money being spent in the state. Cities and counties are finally beginning to reap the benefits of Texas' recover-

ing economy," Bullock said. The largest city allocation this month, \$9.6 million,

went to Houston. El Paso County received \$772,626, the largest county allocation.

Bullock also sent checks totaling \$26.1 million to the state's six metropolitan transit authorities.

percent county sales tax. Businesses in these counties April's checks represent and 55 cities that adopted the taxes collected by monthly additional half-percent tax filers in February and began collecting it on reported to the Comp-

troller's Office by March 21, Bullock said.
