"Starbrites" Entertain Saturday Club

The Saturday Club met for the regular meeting in the new club center of the Senior Citizens.

Linda George called the meeting to order and gave the invocation.

Mary Claborn read the minutes of the October 17 meeting; approved.

Blanche Cawley gave the report of the treasurer.

Lenell Henry introduced the Starbrite Band, which entertained with the following numbers: "Down Yonder," "San Antonio Rose," "Beautiful Ohio," "Comin' Round the Mountain," "You Are My Sunshine," "Tennessee Waltz," "Beautiful Texas," "East Tennessee Blues," and "Under the Double Eagle."

Sylvia Lee Jacobs thanked the band and wished them luck with the next performance in Ft. Worth, which might lead them on to Nashville.

The refreshment table was covered with a lace cloth, centered with an arrangement of gold and red mums, and red roses.

The hostesses, Lela Clark, Lenell Henry, and Sylvia Lee Jacobs served sandwiches, cake squares, nuts, mints, and coffee to the members: Edith

Eastern Star Meets

Rising Star Chapter No. 277

The Rising Star Chapter No. 277 Order of the Eastern Star met Monday, Nov. 5, for their regular meeting with Worthy Matron Mary Clark and Worthy Patron Wilson Carleton presiding and eighteen officers and members present.

The business of preparation and plans were made for attending the school of instruction and the Fraternal visit of the Worthy Grand Matron Mrs. Kathy Johnston and honoring the Worthy Grand Patron Mr. Les G. Burnett of the Grand Chapter of Texas Order of the Eastern Star, to be held in Gorman Nov. 6.

The Grand Chapter began a new year of service with new officers at the recent meeting of the Grand Chapter of Texas Order of the Eastern Star in San Antonio.

After our meeting delicious refreshments of sandwiches, chips, pickles, cake, coffee, and spiced tea were served by the hostesses Grace Morrison and Mary Eakin.

May Tigers Stomp Star

The May Tigers kept their winning streak going Friday night by defeating Star 71-22 in the 6-B six man football district.

The game was called in the third quarter because of the 45 point rule.

Scoring for May were Bo Allen, Kenny Hightnight, Jimmy Simpson, Gary Jackson and Danny Musick.

May and Cherokee are both 7-1 for the season. Cherokee plays Mozelle while May takes on Richland Springs.

Blessed are they that are ignorant; for they are happy in thinking that they know everything.

Cub Scouts Express Thanks

The Rising Star Cub Scouts would like to thank everyone for coming to the program on Drug Abuse presented Monday night at the First Baptist Church Activity Center. We would

especially like to thank the guest speakers, Mrs. Felicia Bibby and Sheriff Danny Neal of Brownwood.

All Cub Scout Paks were present along with their parents and friends.

Junior High Plays Final Game

JUNIOR HIGH FOOTBALL

1979
Last Game Score: Rising Star Kittens-26
Evant Elks-6

Evant kicked off from the north end of the field and this is what this writer's two eyes saw, and notes are kept. This is the last column of a three year writing of Junior High Football, this writer has put down.

Rising Star's BeBo Fox No.33 takes the kick off deep and quickly brings the ball to the 37 yd. line before he is shut down. Joe Trevino, No.61, takes 3 yds. and then David Cooper, No. 36 starts something that continued thru out the entire game. Brad Fortune, No.31, the Kitten Quarterback, starts handing off and pitching out to Cooper and the blocking started. It was hard for Evant but they drew a 15 yd. penalty down to this 39 yd. line then Cooper picks up another 1st down, then Fortune on a keeper up the middle behind Calvin Woody, No.74, the Center, went to the 8 yd. line. The next play Fortune pitched out to Cooper and the 1st Touchdown was scored. Fortune tried to run the extra point but Evant shut it down. R.S. Kickoff and a short Kick. The Evant team was shut down by the defense action of R.S. and kicked on 4 th dn. Cooper was stopped at the 41 yd. line.

Cooper tries another run and Evant was getting tough and shut R.S. down. Fortune was trying to set up a pass and the pressure was too great and he came out of the pocket running for 4 yds. Evant was tightening up their defense and doing a good job on R.S. Cooper kicked on 4th dn. to the 28 yd line--the first quarter was over.

Evant came out running and Richard Lankford, No.60 one on one shut the runner down after an 8 yd. gain. Bruce Fancher, No.80 began to bring the necessary pressure on the right side of the Kitten line. Time and again Fancher slammed into the Evant runner and quickly drew their respect. Evant fumbled and recovered their own fumble. Evant kicks on 4th dn. and Cooper fumbles and Evant recovers ball deep in R.S. territory. Steve Hill, No.32 with Fortune and Fancher begin hitting hard on tackles. Evant takes a 1st dn. at the 8 yd. line. Calvin Woody, No.74 was plowing up the Evant line and getting rough. Evant ex-

ecuted a very deadly quick pass to their right end who came inside very quickly and it had to be quick because Woody was on the ball handler quick. This pass is almost impossible to defend. Evant took their TD with this pass and was shut down for no gain for the extra point. They tried to run.

At this point the score is 6-6 and both teams have tasted the Goal Line. Evant kicks off and Cooper slams all the way out to the 46 yd. line of Rising Star territory. Sam Scott, No.11 tries on his running legs for a couple of yds. then from out of this backfield came Sam Scott with David Cooper carrying the ball, thru a hole big enough for a truck to go through and all Scott had to do was take one Cooper and he did, then Cooper finished up a 48 yd. run for a touchdown. The extra point was shut down by Evant again. At this point the score is R.S.-12--Evant-6. R.S. kickoff by Bruce Fancher, No.80 to the 25 yd. line and Evant boy touched knee and ball was placed at the 25 of Evant territory. Calvin Woody, Bruce Fancher and Joe Trevino were getting rough on the Evant club.

HALF-TIME
This being the Junior High Homecoming Game, the Kittens had quiet a time introducing their football sweetheart, Vickie Walker. And you know I don't think she objected one little bit. Vickie is the daughter of Mr. and Mrs. Douglas Walker, and very active in school activities.

R.S. kickoff to the 21 yd. line and Evant out for 10 yds. return to the 31. Joe Trevino hitting hard and getting rough. Evant executes a good pass without any trouble then Calvin Woody blew thru the line and sacked the Quarterback. Calvin was getting rough. R.S.'s all and Cooper comes out with good blocking and running hot. Hill running hard for more yds.. Then the roof fell in on Evant, as Cooper took a hand off around right end for a TD all the way and with some fine blocking.

The extra point was tried running but Evant shut this try down. The score at the present is R.S.-18--Evant-6. R.S. kickoff and a messy one it was to the 50 yd line. Evant takes 5 yds and Woody, Trevino and Cooper are in on some hard tackles to

Senior Citizens In Need Of Van Or Bus

SENIOR CITIZEN NEWS

I want to remind everyone next Thursday, Nov. 15 is regular covered dish luncheon. We would like this to be high attendance day. Make a special effort to come and bring someone and your favorite covered dish of food. We will have a Thanksgiving program.

There will no club program on Thanksgiving day. Our next meeting on the 29th of November, Sue Vandivere will give a cake decorating demonstration emphasizing Christmas.

Thursday the 8th after lunch, we all took part in a show and tell program. In addition to helpful hints and recipes we had on display, Mr. and Mrs. Santa, a lamp doll, a genuine tomahawk, a blue back speller, table cloth of linen and knives from Italy, a five-dollar gold piece necklace, some crochet and an old cook book.

The "STARBRITES" enjoyed playing for the Saturday Club Wednesday, November 7th. On Friday we played at the Cisco S.C. Center for the Pruitt reunion. Three of our group were absent and we sure missed them. We welcome Marion West as a new member of the band.

Donations to the band this week are: Anonymous - \$25.00. Glen & Lenell Henry - \$20.00. Club Donations Mr. & Mrs. W.E. Ware - \$100.00. We keep these funds separate since about half the club don't belong to the band.

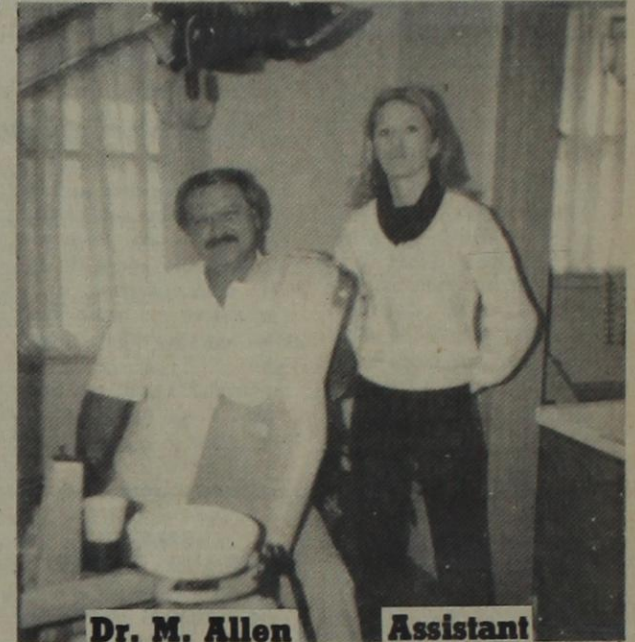

Band members want to accept more invitations but transportation is a problem so these donations will help.

If you know where or how we might obtain a bus or van that will accommodate 20 people, let us know.
Reporter, Rilla Richburg

Notice

There will be a special called meeting of the Pleasant Hill Cemetery Association Monday, November 19 at 6 p.m. in the Pleasant Hill Baptist Church. Different Arrangements trust fund for the cemetery. Everyone who is interested in the cemetery is asked to attend to assist in this affair.

Dentist Opens Office In Rising Star

Dr. M. Allen McGinness Assistant Pam Cozart

Doctor M. Allen McGinness of Cisco has opened his doors to begin practicing dentistry in Rising Star. Dr. McGinness will be in Rising Star two days a week, Tuesdays and Thursdays from 8 a.m. to 5 p.m.

His newly remodeled office is located in the Rising Star Clinic in the northeast section.

Dr. Billy T. Carpenter was instrumental in getting Dr. McGinness to open his office here in Rising Star.

Appointments may be made by calling Dr. Carpenter's office at 643-3141.

Dr. McGinness maintains a practice in Cisco the days he is not in Rising Star. His office there is located at 808 Ave. D. He has practiced in Cisco for the past 2 and one-half years.

Dr. McGinness received his degree from Baylor University and the Baylor Dental School. He has 8 and one-half years of

experience in the dentistry field.

He served in the United States Navy from 1963-67. Following his stint in the Navy, McGinness entered Dental School.

He has also taught English at North Texas State University.

McGinness is a native of Richardson. He and his family have also spent five years in Garland.

Dr. McGinness and his wife, Bettye are the parents of two children, Mark-10 and Amanda-6.

Dr. McGinness enjoys hunting, reading and just relaxing with his family.

He is really looking forward to working with the people in Rising Star. He told us he enjoys "Helping people" and in his first week found the folks of Rising Star and Cross Plains real receptive.

Helping in his office will be Pam Cozart and Sheila Walton.

Welcome Dr. McGinness.

Rising Star Loses Last Game

The Rising Star Wildcats closed out their season in a loss last Friday night when the Cats lost to the Evant Elks, 26-7. Don Vaughn scored Rising Star's only Touchdown on a five-yard run in the fourth quarter. Billy Nall kicked the extra point. The Wildcats, Jerry Lunceford did a lot of damage in the air, hitting 13 out of 17 passes for 180 yards. The

Wildcats were dominated with injuries this last game. The Cats ended the season, in District 6-B East Zone with a 1-4 record and the over all season record was 3-7 this year. We want to thank all the players this year for their support mentally, physically, and staying in there when the going got tough. We also want to thank Coaches Frank Gray and Tommy Teal and the school administrators for their support in the football season 1979. The Rising Star Wildcat's basketball season starts this Thursday, November 15, at Santa Anna. We hope this will be a good game because of the lack of time to prepare, but come watch!

EYE EXAMS -- MORE
IMPORTANT THAN YOU
THINK
Eye exams are more impor-
tant than some people think,
says a health education
specialist.
Almost half of the nation's
entire population needs
visual correction, Carla
Shearer explains.
Ms. Shearer is with the
Texas Agricultural Extension
Service, The Texas A&M
University System.
Also, one of every 20
children ages three to five
has an eye problem, she
says.
Have your child's eyes
examined by age three, the
specialist advises.
After that, you and the
doctor should decide how
often to return for eye
exams.
Most children should have
eye exams every year -- or
every other year -- until they
reach age 20, the specialist
adds.
Between the early 20's to
ages 35-40, you may need an
eye exam every three or five

Your County Government

By: Yolanda Walters
 Since Eastland County Government was established in 1873, it has served a variety of needs. There are now 18 offices housed in the courthouse.

The county auditor has the general oversight of the books and records of all officers of the county who may be authorized or required by law to receive or collect any money, funds, fees or other property for the use of, or belonging to, the county.

Not only is the Auditor required to handle the accounting requirements for all of the various functions of county government, the office must handle the accounting requirements for the overall county operation. Those working in the Eastland County office are: County Auditor-Emma Morris, and office assistants- Mrs. Agnes Johnson, and Mrs. Marcielle Justice.

The County Extension Service provides educational programs in the areas of agriculture, home and family living, 4-H programs and youth, also community development programs. They conduct informal education programs such as short courses, field days, stock shows, fairs, and individual counseling. There is a wealth of information available free to the public kept in the office. The County Extension Agents are DeMarquis Gordon, and Janet Thomas. The two assistant agents are Donna White and Danny Lambreth. Committees are made up of representatives from throughout the county to determine new programs. They meet various times throughout the year.

The County Clerk's office is responsible for recording the transfer of land titles, anything having to do with oil and gas leases, registering brands, probating (wills), record births and deaths, handle marriage licenses, and misdemeanor offenses. School and Family Census records, notarys for Eastland County, as well as nurses registration certificates are also kept in the office. The County Clerk is Joanne Johnson. Chief Deputy is Rita Ried, Deputies are Martha Millican, Jeanne Thorne, and Jane O'Pry. The CETA worker is Norma Rodriquez.

Pictured is the first gas line in Rising Star in the year 1923. In background is Smith's Variety Store. Mr. Smith was the father of Mrs. Gladys Crow, now residing in our city. Submitted by Mrs. Mack Gray

It is the duty of the office of the District Clerk to keep records of the 91st District Court, to keep records of all civil cases, keep criminal records of felony and misdemeanor cases, also records of juvenile cases.

Other duties of the office are to file tax suits, handle trust fund moneys placed in registry of court for minors and or unknown heirs.

The office of the Tax Assessor-Collectors duties are to register car titles and licenses as well as boat licenses in the Auto Department. The Ad-Velorem Department is in charge of collecting taxes, changing property, collecting liquor licenses, rendering property, and they also handle tax certificates.

Nancy Trout is the Tax Assessor-Collector and Danelda Gaverra is her bookkeeper working in the Auto Department are: Chief Deputy-Jan Rogers, deputies are-Leann Wilson, and Betty Elizalda. Employees of the Ad-Velorem department are Chief Deputy-Sandra Haines, deputies are: Angie Clower, and Cindy Carlton.

The Criminal District Attorney of Eastland County is Emory C. Walton. His responsibilities include representing the State in the prosecution of all felony and misdemeanor criminal cases and all juvenile and bond forfeiture cases in the District Court and County Court, both in Eastland, and in the five Justice of the Peace Courts located in Cisco, Eastland, Ranger, Gorman and Rising Star. He also represents the State in the appeals of all such cases out of those courts to the Court of Criminal Appeals in Austin or other appropriate appellate courts. Too, his duties include the presentment of cases to the Grand Jury. He assists the Justice of the Peace in inquest proceedings and assists law enforcement officers in the investigation of major criminal cases. As Criminal District Attorney, Walton also serves as counsel for the Eastland County Commissioners Court and all county and precinct officials. He is required by law to represent various state agencies such as Department of Human Resources and Department of Public Safety in certain civil matters within Eastland County, and serves as counsel for mothers seeking enforcement of child support from former husbands in Eastland County as well as inter-state child support cases where one party resides in Eastland County.

He has no assistant district attorney or investigator but is capably assisted by Jan Novak, his secretary.

The 11th Court of Civil Appeals, state court, hears appeals from the 23 counties of this district. These cases are civil matters in which the judgement exceeds \$100.00. If a defendant should want to further appeal his case the case would be tried in the Supreme Court at Austin.

Employees of the 11th Court of Civil Appeals are: Chief Justice-Austin McCloud, Justices-Raleigh Brown and Bob Dickinson, Clerk-Oleta Mosley, Deputy Clerk-Mrs. Sherry Williamson, Stenographer-Miss Melissa Tankersley.

Other employees are: briefing attorneys-Lee Haney, Jim Moore, and Danny Ortiz. The custodian is Johnny McCoy.

Employees of the 91st District Court are Judge Earl Conner, and court reporter Laverne Key. Those working in the County Court are Judge Scott Bailey and Secretary Jean White.

The County Commissioners Court involves C.B. Dill of Cisco, Danny Williams of Eastland, Mr. L.T. Owen of Ranger, and Mr. O.E. (Jack) Blackwell. The job of the Sherrifs office is to enforce the law, and operate the county jail. From this office warrants and civil papers are served. The Sherrif and his deputies also assist other law enforcement agencies when requested to do so. Eastland County Sherrif is Johnnie Morren, Secretary and Deputy Sherrif is Risa Livingston. Field Deputy is Ben Sancillo. Head Jailor is Terry Petree, and Truett Grice is the guard.

Also working out of the Sherrif's office are the game Warden-Kenneth Payne, and L.D. Adams-Texas Alcoholic Beverages Commissioner.

The Justice of the Peace, Buddy Rowch, hears in Court all class C misdemeanors, holds Small Claims Court (limited to \$150.00), and Justice Court (limited to \$200.00).

The Justice of the Peace is a Magistrate performing duties such as setting bonds, giving rights warnings, and performing wedding ceremonies. He also holds inquest when there is a violent death, and serves as a notary public.

production adjustment and marketing quota. The ASCC also helps farmers through conservation programs. It is a division of the U.S. Department of Agriculture. David Martin is the County Execu-

tive Director. Barbara J. Anderson is the Chief Assistant, Sharon Davis and Gay Bagwell are also assistants. The Field Assistant is Jeffrey White-

County 4-H Awards Banquet

The annual Eastland County 4-H awards banquet was held October 30 at the Cisco high school gym. Active members of the six clubs within the county received special recognition for completed projects and extra achievements.

Rising Star has the smallest club, but local members earned seven of the twenty-six gold medals presented in record book competition.

Sam Scott, the son of Mr. and Mrs. Payton Scott, received the beef medal and a five year pin.

Tabitha Hutton, the

daughter of Mr. and Mrs. J.D. Hutton, was awarded a first year pin and the foods and nutrition medal.

Travis Parson was presented an electric medal and first year pin. He is the son of Mr. and Mrs. Homer Don Parson.

Neil Scott, the son of Mr. and Mrs. Payton Scott, turned in a record of his automotive project for his medal and nine year pin.

Jami Long, daughter of Mr. and Mrs. Rex Long, received a sheep medal and her four year pin.

Brad Fortune, son of Mr. and Mrs. Bobby

Fortune, was awarded the gardening medal and five year pin.

Jerry Long received his first year pin and a sheep medal. His parents are Mr. and Mrs. Rex Long.

Certificates were given for completed projects other than record books.

Jami Long and Tabitha Hutton brought home clothing certificates.

Travis Parson completed goals in gardening, electricity, leathercraft and public speaking.

Brad Fortune had a sheep project that merited certification.

Neil Scott's certificates were in beef and public speaking.

Public speaking, horticulture and automotive were Sam Scott's other projects.

Each year one boy and one girl receive the "I Dare You" Award for demonstrating leadership ability. Brad Fortune was this year's recipient. He received a book by William Danforth to challenge him to higher goals.

Four local youths received "outstanding 4-H'er" awards. They are Sam Scott, Tabitha Hutton, Jerry Long and Travis Parson.

4H CLUB

4-H'ers will match foods and nutrition expertise against each other in the Eastland County 4-H Food Show November 17.

About forty youth will compete in senior and junior divisions, according to Mrs. Donna White, Assistant County Extension agent. These contestants will represent all the clubs in the county--Eastland, Cisco, Ranger, Nimrod, Rising Star, and Gorman.

Entries will be on public display from 11:00-1:00 at the TESCO Reddy Room in Eastland. At 11:00, 4-H'er's will receive their ribbon and prize during the Awards presentation. Shortly after the awards presentation, there will be a Tasting Bee open to all ages 14-19, while junior-division youth are ages 9-13.

For the contest, each 4-H entrant will compete in one of four classes, including main dish, side dish, breads and deserts, or snacks and beverages.

"Because the foods and nutrition program focuses on nutrition, each contestant

will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques. Mrs. White explains.

Eastland County 4-H Food Show is sponsored by the Texas Agricultural Extension Service, The Texas A&M University System and the Morrison Milling Company of Denton, Texas. The public is cordially invited to attend the County Show. The 4-H members and leaders have worked hard in the Foods project and invite you to see their efforts! Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion, or national origins.

Alcoholism In Eastland County

The figures leap up from the page-incredible figures on alcoholism in Eastland County.

The "drinking age" population (above age 13) is estimated as 15,268.

THE ESTIMATED NUMBER OF ALCOHOLICS is 1,069, about the national average.

From twenty to thirty of these people are attending Alcoholics Anonymous meetings, five are counseling with Social Worker Dennis Noska of the mental health Clinic in Eastland.

The rest are attempting to go it alone—juggling their drinking problems with a world which furnishes them alcohol on the one hand, yet demands clear thinking for survival.

But while I stare at the figures I realize they are from an authoritative source—the Four county Council on Alcoholism and

Drug Abuse, set up to deal with one of the area's—and Nation's—most pressing problems.

In Eastland County the Committee Members consist of Judge Scott Bailey, Ethel Black, C.A. Fowler, David Pickrell, Bill Ricks, and Edward Squires. The County Council seeks to prevent Drug and Alcohol abuse by education, and offers help for persons who have fallen victim.

The Council has other startling statistics. Since several people are directly affected by every alcoholic, 4,275 persons are estimated as being affected by alcoholism in the County.

The age breakdown on those arrested for various forms of alcohol abuse reveals that 15 percent of those are age 14 and under. Ages 15 to 19 furnishes 16 percent, while ages 20 to 24 is 21.9 percent.

Arrests in the age 25 to 29 bracket were lower—11.6 percent. The 30-39 age group increased to 17.7 percent, while age 40 to 54 jumped to 21.7. Ages 55 and over dwindled to 10.7.

The males of Eastland County furnished 93 percent of these arrests, while females furnished 7 percent.

Providing alcoholic beverages for young people is serious business too. Licensed dealers convicted of selling to minors can be fined from \$100 to \$500 and or up to year in jail and suspension or cancellation of their licenses. Second offense: not less \$500 up to \$1,000 or year in good.

And it's not particularly profitable for young people to have alcoholic beverages with them either. First offense fine for minor in possession is from \$25 to \$200, and second offense is a fine of from

Viola Payne

\$100 to \$500.

The economic and social costs of alcoholism to the County is estimated at being over two million dollars per year, counting business losses, health and medical costs, motor vehicle accident costs, criminal justice system costs, and probation costs. Somewhere in there must come the actual cost of the alcohol—which is considerable. Ten percent of the Private Club revenue goes back to the state in taxes, and fifteen percent of this sum is returned to the county.

The intangibles beyond these losses include the misery and rejection of the alcoholic—his loss of brain power and creativity. It must include the anguish of his family, and at times the death of innocent

persons involved in accidents caused by alcoholics. Every year several alcoholics die in the county as a direct result of too much drinking.

In speaking with Law Enforcement officers and various other citizens I found that most agreed that the Council figures were correct. Some thought there were probably even more alcoholics than the thousand. Some suggested that I throw in a few bootleggers for good measure! Since the local bootleggers were not available for comment, I will forego that this time.

Compound the local figures by the nine million alcoholics nationally, and the cost to this Nation is suffering, crime, welfare payments, rehabilitation, and a whole host of related items, and mind is staggered. Some of these alcohol abusers are obviously in responsible positions in Government. The reports on automobile accidents alone are devastating.

"More than 50 percent of all fatal auto accidents are caused by intoxication," Sgt. Joe Matthews, local Head of the Department of Public Safety, says. "At a terrible wreck, the smell of death, blood, and tragedy seems to always be combined with the smell of alcohol. To me, it is a horrible combination."

Drinking is not done as openly in Eastland County as in other places I have lived, partly because it is not as socially acceptable.

The influence of the Churches is still felt. Most of these Churches teach total abstinence, but not all. Some indicate that drinking in moderation is not harmful.

The outward "dry" appearance of the County is misleading, although Ranger is the only municipality where liquor can be sold openly under the local option law. I was told that consumption increased there after the town to go "wet" in 1963. But Private Clubs, under State law, can dispense liquor to members. At the present time there are eleven places in Ranger where alcoholic beverages can be bought, and six Private Clubs in the rest of the County. The Lone Cedar Country Club is a Private Club, and Private Club known as "La Cantina" operates in the same building as the Cisco Country Club.

Sometimes there are problems with drunkenness at various Private Clubs, but Law Enforcement officers do not ordinarily patrol inside these buildings unless called to the premises.

Results of public drinking are widespread in the county—beer cans littered along country lanes, beer bottles floating in the lakes, vandilism by intoxicated people, hunters out drinking and "spotlighting" (with Game Warden Kenneth Payne on their trail), and occasional drunken students trying to keep up with

Thursday, November 15, 1979

classwork. It makes a sorry picture—unless we balance it with the many fine aspects of this County.

About 350 D.W.I.'s are caught each year by the Department of Public Safety troopers, many of them from the Freeway. These drivers either post bond, or go to jail. Burl Walker, County Jailer, states that most persons booked into the jail are involved with alcohol in some way. The offenders who wish to plead guilty are brought to Judge Scott Bailey's Court. Other try various delaying tactics.

Dennis Noska, of the Mental Health and Retardation Clinic, states that an alcoholic can be helped. "This person," he states, "Must have a desire to overcome the problem—to find a new direction for his life."

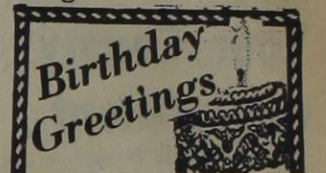

Many psychologists state that alcoholism is a "progressive disease," and that it occurs because of various factors in the individual, who turns to it. If alcoholism is a "disease", then alcohol is the virus which causes it. For the only sure cure is to avoid alcohol in any form. No one in this world ever plans to become an alcoholic. It begins with social drinking—and an arrested alcoholic can never drink socially again.

Admittedly it is difficult to legislate temperance and morals. These must come by a change of heart—by a vote for

humanity illuming the life.

Any writer dealing with the subject of alcoholism feels the same futility as a person who hopes to destroy a snake by throwing a pebble at its tail. But at least a pebble will sometimes provoke the snake out of the brush, into public view.

I am struck by the thought that the people who suffer from drinking alcohol are not the people who profit from manufacturing it, or selling it. As long as these sources are protected by law, alcoholism has a good chance to continue. But private citizens can work through Clubs, Churches, and schools to educate citizens of the county concerning the dangers of a very potent mind-destroying drug.

Have you noticed that we seem to have a new-found energy? Well it blew in with the cold weather. The symptoms are: lack of control over mouth, excessive jitteriness and all around unruliness. The worst news of all is that you probably won't be able to see an end to this until after Christmas. Hold on to your nerves—here we come!

AT THE TOP

The Seniors are not doing much in classes except taking Quarter Exams. Tuesday morning we ordered Senior Portraits and then later on that day ordered graduation announcements. You may think we're busy with different Senior activities now, but wait till March and April!!

BAND NEWS

The Band went to Marching Contest, Saturday, at Brady and got a II division. The twirlers attend a twirling contest after we marched in the Brady gym. They were ranked as followed: ensemble-I, Joanie Hubbard-I, Regina White, Joanne Carpenter, and Taby Chambers-IIs. WE all want to thank Mr. Taylor, our Band Director for all the hard work he put in to make us better. Without it we probably wouldn't have made a II.

Since we worked so hard and were under so much pressure we are taking off a little while in class and resting.

Fight Inflation

Enraged about inflation? Then smother it with "budget guard" - at least for your own family, says a consumer information specialist, Claudia Kerbel, with the Texas Agricultural Extension Service, The Texas A&M University System.

There are definite warning signs of possible money problems for each family.

If you answer "yes" to two of the questions below, you may have problems.

If you answer "yes" to three of them, you're already in trouble - and you may welcome the smother-inflation promise of "budget guard."

"Budget guard" is simple, but it takes guts.

Here's how it works: keep very close tabs on debts you already owe, and DO NOT set up any more.

LEARN TO LIVE ON YOUR PRESENT INCOME.
Does your family need "budget guard?"

1) Do you charge small day-to-day items, such as groceries and housekeeping things because you don't have the money to pay for them?

2) Have you recently put off paying a bill until next month due to lack of funds to cover it?

3) Do you borrow money to pay fixed expenses, such as insurance premiums, a loan installment or tax payments?

4) Do you creditors phone or write to remind you about overdue bills?

5) Do annual payments on long-term debts, excluding mortgage payments, amount to more than 20 percent of your annual income?

6) Are you confused about exactly how much you owe on long-term debts?

Pecan Queen Pageant

The date for the Eastland County Pecan Queen Pageant has been changed to Monday night, December 3. Mrs. Joyce Easley, Chairman of the pageant, said the pageant Date was changed because of conflicts with basketball tournaments and other activities on December 1. The pageant was originally planned for Saturday night, Dec. 1. The special event will begin at 7:30 p.m. and will be in the auditorium of Cisco Junior College.

Organizations and businesses are encouraged to sponsor a girl in the contest. Each sponsor will be required to pay a fee of \$10 to furnish items the contestant will need to represent the sponsoring business or organization. Each contestant will wear a banner with the name of her sponsor during all her stage appearances.

Entry forms should be mailed to: Joyce Easley, P.O. Box 535, Rising Star, Texas 76471 by November 14. These forms may be secured from Mrs. Easley or from the County Extension Agent's office in the Eastland County courthouse, Telephone no. 629-1093.

Junior High Plays Final Game

Continued From Page 1

shut the Evant team down. Joe Trevino shut the runner down on the 4th down try and the ball goes over to R.S. Cooper plows up a few of the Evant boys to their 48 yd ln. Evant had a player down for a brief time and this was the second player in this game. They left walking. Then Evant drew a 15yd. penalty for unnecessary roughness. This put Evant deep in the hole and R.S. went to work. Joe Trevino tried running and no gain, then Cooper breaks for another TD. But, Joe Trevino clipped someone and R.S. lost the TD and 15 yds more. That did not stop R.S. drive. Cooper takes 10 yds. quickly, then Bruce Fancher No.80 took a pass over the right side and raced to the 2 yd. ln. Then Cooper ran thru for another TD and two points was collected running the extra point. The score at this time is R.S.-26—Evant-6. R.S. kickoff and Evant came out to the 39 yd. ln. Then Coach Teal sent in all of the other boys of the Kitten squad. They collected some valuable experience and will always remember those few minutes and the boys they played with. I noticed that the coach did not pull out the center of the offense team, and it was noticeable that Calvin Woody was enjoying this. He recovered an Evant fumble and the R.S. second team was beginning to move and replacements were everywhere. The game ended and all the boys paused long enough to shake hands with the Evant boys and wished

them a safe journey home.

The end of the Season Party for all Junior High Students & family was very lovely arranged and the folks in charge at the Youth Building at the Baptist Facility did a mighty fine job. The food was delicious and everyone enjoyed themselves.

Now comes the end of this the last Junior High Football Game this writer shall write in R.S. The last three years have been an experience to me and to the most part a very happy experience. Having received very little criticism and less than that in the compliment Dept. I began to realize that the interest in our young sons was not necessarily a school orientated function, but a very personal vandita by some of the parents and teachers.

I have always figured if eleven boys went out on the field to play football and a TD was made, eleven boys made it possible.

All the team mates that helped them practice and each and everyone who helped the progress of football, is guilty of those winning and losing attitudes. The last three years have let this writer be involved with five years of boys, from our present Sophomores back down to our 6th grade today, and young men, I have enjoyed it. And gentlemen, a winner never quits and a quitter never wins. Signing Off, See You At The Next Game

Installation Of New Phone System Complete

Installation is complete and testing of Continental Telephone's new switching center in Rising Star is underway. Plans now call for the computer-like machine to begin switching calls on Wednesday, January 9th, 1980. That same date the present electro-mechanical switching office will be retired from service.

The digital switch will eliminate the need for Rising Star telephone users to dial "party" or "circle" digit when making a long distance call. Most customers within the city have individual line service. The new machine will automatically identify these numbers for billing purposes. An operator will come on the line briefly to obtain the billing number of party users.

The new switching machine is actually a computer with stored

program. Solid state components have no moving parts which reduces maintenance and improves reliability. The computer has an ongoing test program which looks for the faulty circuits within the switch. Should it find one, it automatically rerouts calls to other circuits and alerts technicians to the problem by displaying a message on the video tube which is a part of it.

Touch calling will be available to customers after the changeover, according to Alan Armstrong, Customer Services Manager for Continental's Telephone's mid-state area. Pushbutton calling is faster than dialing and most people find it more accurate. Armstrong advises telephone users to call the Baird Customer Service Center for details on the new service.

crystals to form a cone-shaped pile about six inches high around the tree's base. Remove this soil from the base of the tree in late March or early April.

The amount of PDB to use is determined by age and size of the tree. In general, use one-half ounce of crystals for two-to three-year-old trees, three-fourths ounce for four-to five-year-old trees, and one ounce for mature trees.

Both PDB and ethylene dichloride can also be used to treat peach trees infested by the lesser peach tree borer. Treat affected areas, recognized by masses of gum mixed with saw dust running down the surface of the trunk and branches, after leaves fall from the peach trees.

Use a mixture of four ounces PDB in one pint of miscible (easily mixed) oil diluted in two pints of water or a smaller amount at the same proportions. Paint the mixture on wounds and damaged areas without encircling the trunk or limb.

Proper rates and application instructions for using ethylene dichloride for either peach tree borer or lesser peach tree borer control will be found on the product label.

For the homeowner with peach trees infested with either peach tree borers or lesser peach tree borers, control measures can greatly lengthen the life of the trees.

Methodist Women Meet

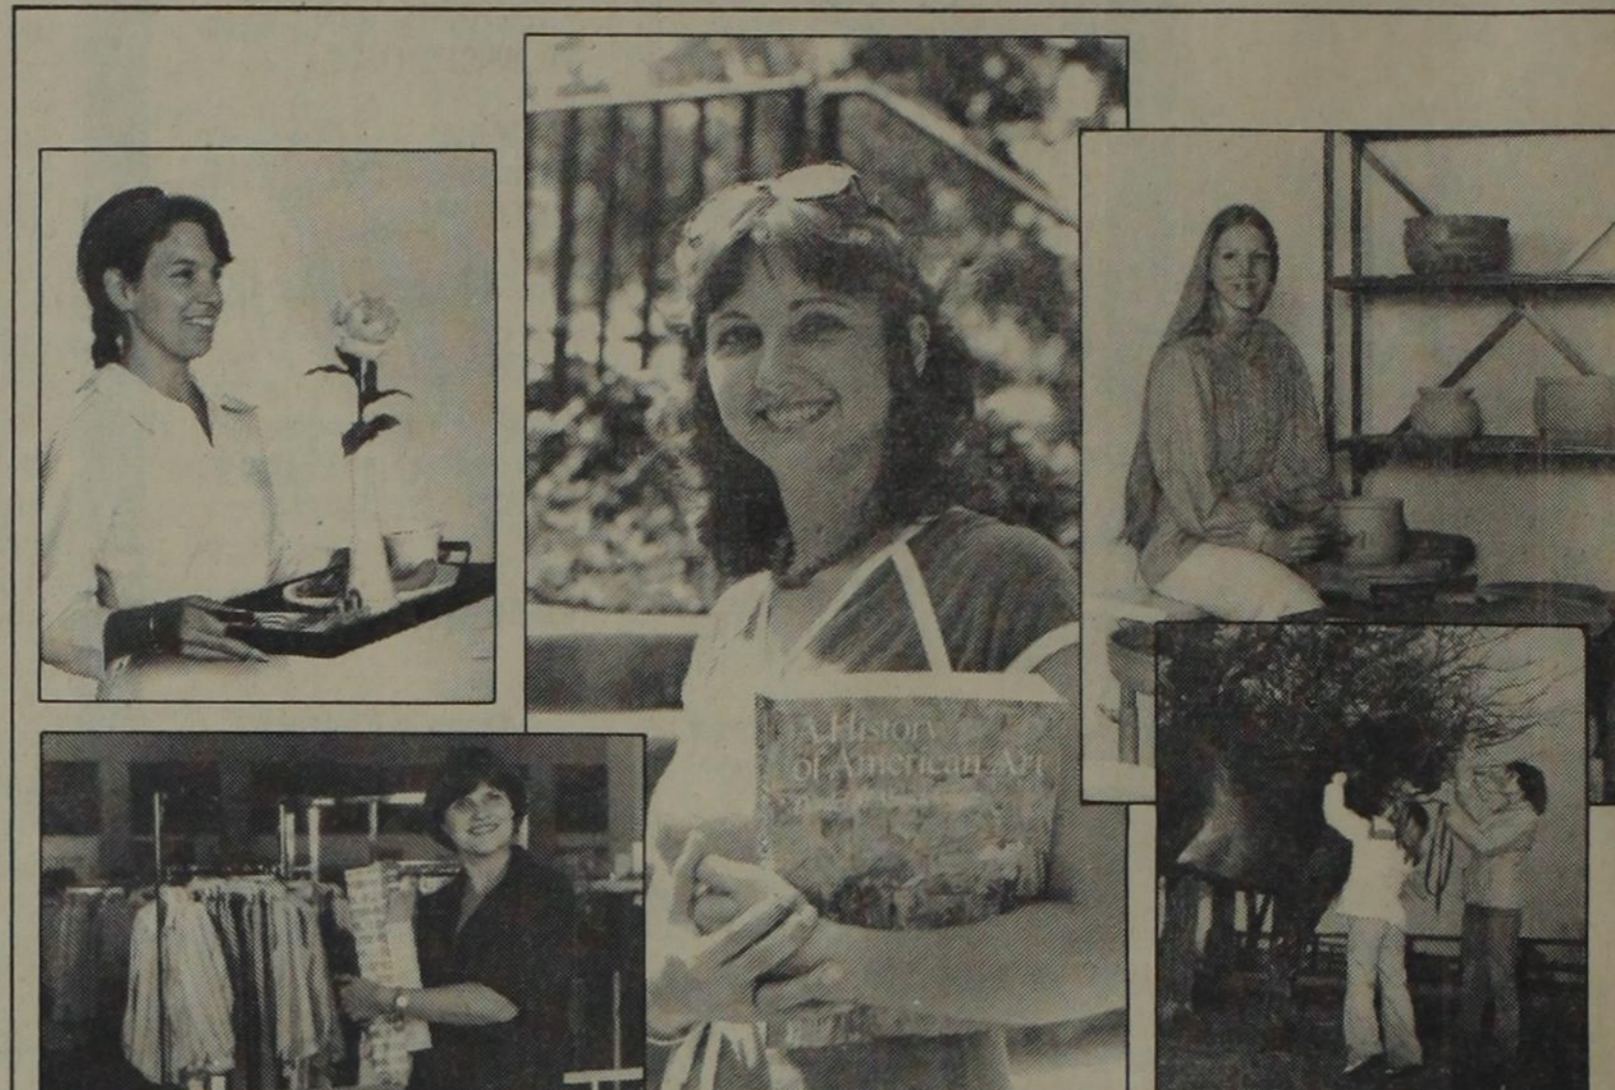

UNITED METHODIST WOMEN

The United Methodist Women of the First United Methodist Church met Monday afternoon at Fellowship Hall with seven members present for the study of the Liberating Bond.

Miss Elizabeth Robertson opened the meeting with a silent prayer for our nation and the world.

Miss Robertson gave the 5th and 6th chapters. Her subjects in chapter 5 were: Covenant Eternal, The Synagogue, The Dead Sea Scroll. The 6th chapter subjects were The New Covenant, The New Church. This included the reading of the 31st chapter and the 31st verse thru the 34th verse of Jeremiah, and the 23rd thru the 26th verse of the 11th chapter of 1st Cor.

The Society benediction was repeated in unison in closing.

Monday isn't just wash day anymore!

Today's housewife is a busy, active woman whose interests and activities keep her hopping every day of the week. No longer are her days defined by the chores she must do. Nowadays, Monday isn't just wash day, it's the PTA meeting and volunteer day at the hospital. And the rest of the week is just as busy.

Thanks to the electricity provided by the member-owned cooperatives, the convenience and diversity of electrical appliances help cut those full day's chores to a few hours. With electrical energy, women can do the housework and still have plenty of time to pursue their special interests. That's why today, women are getting the most out of every day, seven days a week.

GORDON SPOT

By DeMarquis Gordon

For homeowners with peach trees, fall is the best time to treat for one of the most destructive peach tree pests, the peach tree borer. A sure sign of the pest is gum oozing down the tree's trunk or branches.

This pest primarily attacks peach trees but can also infest plum, cherry and apricot trees, sooner or later, your trees stand a good chance of being infested.

Actually, two borers attack peach trees. The larval stage of the peach tree borer feeds within the tree's cambium layer in an area about six inches above the soil line to six inches below. The lesser peach tree borer attacks the cambium layer of the upper portion of the tree's trunk and larger branches.

The approach to controlling these pests is basically the same, but the method of application differs. The best time for treatment is now until about Nov. 15.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in both liquid and crystal forms.

PDB also is the active ingredient in some kinds of mothball crystals sold in "five-and dime" or discount stores. You can save considerable money by using mothballs as a source of PDB for bore control. However, some mothballs are made from naphthalene instead of PDB crystals and must not be used against borers.

Using fumigants around peach trees is a delicate operation, so apply them with great care and precision. Over-treatment can damage trees. The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Apply crystals only when soil is dry and the temperature is 55 degrees or above.

When using PDB for peach tree borer control, remove weeds from around the tree's base and level soil one foot from the trunk. Place PDB crystals in a narrow groove encircling the tree about two inches from the trunk. Be careful to keep crystals from directly contacting the tree.

Place clean soil over the

AT GOD'S APPOINTED TIME
When the fullness of the time was come, God sent forth his son, to redeem them that were under the law, that we might receive the adoption of sons. Gal. 4:4,5.

In heaven's council the hour for the coming of Christ had been determined. When the great clock of time pointed to that hour, Jesus was born in Bethlehem... Providence had directed the movements of nations, and the tide of human impulse and influence, until the world was ripe for the coming of the Deliverer....

The deception of sin had reached its height. All the agencies for depraving the souls of men had been put in operation. The Son of God, looking upon the world, beheld suffering and misery. With pity He saw how men had become victims of satanic cruelty. He looked with compassion upon those who were being corrupted, murdered, and lost.... It was demonstrated before the universe that, apart from God, humanity could not be up lifted. A new element of life and power must be imparted by Him who made the world.

With intense interest the unfallen worlds had watched to see Jehovah arise, and sweep away the inhabitants of the earth.... But instead of destroying the world, God sent His Son to save it.... At the very crisis, when Satan seemed about to triumph, the Son of God came with the embassy of divine grace. Through every age, through every hour, the love of God had been exercised toward the fallen race. Notwithstanding the perversity of men, the signals of mercy had been continually ex-

hibited. And when the fullness of the time had come, the Deity was glorified by pouring upon the world a flood of healing grace that was never to be obstructed or withdrawn till the plan of salvation should be fulfilled.

Satan was exulting that he had succeeded in debasing the image of God in humanity. Then Jesus came to restore in man the image of His Maker. None but Christ can fashion anew the character that has been ruined by sin. He came to expel the demons that had controlled the will. He came to lift us up from the dust, to reshape the marred character after the pattern of His divine character, and to make it beautiful with His own glory.

COMMENTARY

By Myrtle Owen

Is Our Love For God...Based On An Ulterior Motive? Can a person love God with an absolute pure love...or does mankind love God with an ulterior motive? Do we love God for what we can get out of Him? For what He will do for us?

Is it possible to love God with no ulterior motive? When we do, and we know that we do, we are well on the way to great victories over every trial that comes. We are saying as Jod did, "My love for you, God, is not based on any of these possessions that have been taken from me. I stand stripped of all before you... And I Love You God." Paul said in (Romans 8:35-39) Who shall separate us from the love of Christ? Shall tribulations, or distress, or persecution, or famine, or nakedness, or peril or sword? As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter, nay, in all things we are more than conquerors through Him that loved us. For I am persuaded, that neither death, nor life, nor Angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ JESUS our Lord.

USDA PROPOSES REDUCTION IN PENALTIES FOR OVERMARKETING OF PEANUTS

Peanut growers who unintentionally marketed more 1978 and 1979 crop peanuts than their poundage quotas would have their penalty for excess marketing greatly reduced if an amendment proposed by the U.S. Department of Agriculture is put into effect.

According to officials of the department's Agricultural Stabilization and Conservation Service (ASCS), unintentional

excess marketing occasionally occurs during harvest season when warehouses and other marketing points are crowded with farmers waiting to dry and market their peanuts. Most excess marketings are the result of mistaken bookkeeping or other paperwork errors, according to the officials.

The reduced penalty for unintentional peanut marketing is authorized by recent legislation. ASCS county committees will determine if the excess marketings were unintentional.

The proposed amendment would reduce the current 25.2 cents per pound penalty for peanuts unintentionally overmarketed to 2.1 cents per pound for the 1978 crop and 4.2 cents per pound for the 1979 crop.

Producers who intentionally try to circumvent peanut marketing quotas would still be subject to the 25.2 cents per pound penalty.

The department is proposing also a change in the method of establishing peanut quotas for farmers who marketed less than the poundage quota for their farms. Currently, if farmers market less than their yearly quota, they are given "credits" which

allow them to market their quota plus the undermarketing in a future year. Under present regulations, these undermarketing credits can be accumulated and carried over several years. Today's proposed change would not permit undermarketing credit to accumulate past the first year. Thus the credit would have to be used the first year following the under-

marketing. The public is invited to comment on these proposals. To be certain of consideration, written comments should be received no later than November 5 by the director, production adjustment division, ASCS, USDA, room 3630. All written comments will be available for public inspection at the office of the director during

regular business hours.

Your Social Security—

People who do some work while receiving social security retirement or survivors benefits must be constantly alert to the possibility of overpayments, according to Glyn Hammons, District Manager of the Abilene Social Security Office. Overpayments occur

-How To Avoid Overpayments

when a person getting social security payments earns more than the annual earnings limit. The law requires that social security benefits be reduced \$1 for every \$2 earned above the annual limit. The overpayment is generally deducted from future

social security checks. There are three simple rules a person should follow to avoid the inconvenience of overpayments. First, you should know exactly how much money you can make without affecting your social security check. Second, you should make sure that the annual report you are required to file by April 15, showing how much you made the preceding year and how much you expect to make the coming year, is accurate.

and third, be sure to let social security know if you find you will earn

more or less than you expected.

How much you can make without affecting your social security check depends on how old you are. People 65 and over in 1979 can earn \$4,500 in 1979 without reducing their checks; people under 65 in 1979 can earn \$3,480. There is no earnings limit for people 72 and over.

Different rules apply to people receiving disability benefits. People getting disability payments must notify social security if they return to work regardless of how little they earn.

Approximately 10 percent of social security beneficiaries have excess earnings each year that affect

how many checks they can receive.

If your earnings estimate has changed or if your work status has changed, call your local social security office. The Abilene telephone number is 698-1360. If you live outside of Abilene, consult your directory for the Enterprise number.

Deaths And Funerals

Amanda Chambers Lucille Harrigal

Amanda W. Chambers, 68, of Saginaw died at 10:40 p.m. Monday in a Fort Worth hospital. Services were held at 1 p.m. Wednesday in Wolf Valley Cemetery, directed by Higginbotham Funeral Home.

Dr. H. Dan Hitt officiated.

Born Dec. 27, 1910, in Weatherford, she married James Douglas Chambers March 3, 1945, in El Paso. She was a Methodist.

Survivors include her husband; two sons, William Wallace of Oklahoma City and Dr. George Beck of Lubbock; two brothers, Edgar Willbanks of Houston and Carlos Willbanks of Fort Worth; a sister, Gladys Reeves of Houston; five grandchildren; and a great-grandchild.

There's lots of people in this world who spend so much time watching their health that they haven't time to enjoy it.

If you want to grow permanently and prematurely old, just put a few folks on your hating list.

Services for Frederick Lucille Harrigal, 58, of Rising Star were held at 2 p.m. Saturday at Higginbotham Funeral Home with the Rev. Abb Fox officiating. Burial was in Merriman Cemetery near Ranger.

Mrs. Harrigal died at 6:25 p.m. Thursday in the West Texas Medical Center in Abilene following a one-month illness.

She was born Aug. 26, 1921 in Lamesa. She lived in Eastland County 43 years. She was a housewife and member of the Baptist church.

Survivors include her parents, Claude and Emma Fox of Rising Star; one son, John Wayne Harrigal of Holiday; six brothers, Herman E. "Bud" Fox of Duncanville, Ivy Norman "Nick" Fox of Dallas; James Olive "Jim" Fox of Missouri; George, Melvin and Claude Ray Fox, all of Rising Star; three sisters, Wanda Gene Jacobs of California, Linda Martin of Breckenridge, and Brownie Bernice Williams of Bridgeport.
