County Commissioners Approve Sprinklers For Courthouse Lawn

The County Commissioners voted Monday to purchase a sprinkler/irrigation system for the Courthouse lawn. This will be purchased from Crawford Lawn Service out of Clyde, and the cost with installation will be approx. \$5252.

Calvin Ainsworth, Comm. of Pct. 2 said the cost would be lower if the county could use a prisoner from the jail on the installation. Jail inmates have been used on some Courthouse maintenance work lately, and their work is reported to be satisfactory.

Ainsworth oversees maintenance of the Courthouse and grounds, and has begun extensive work on the lawn. He stated that he hoped to get in the sprinkler system and set out grass by late August or Sept. 1. Plans in the meanwhile are to keep the weeds down until further improvements can be made.

Ainsworth also told the Commissioners that the roof over the County Courtroom was being searched for leaks and repaired. This will add to a number of places on the building where leaks have been stopped.

In other business, the Court discussed further provisions on the Drug-Free workplace policy which had been previously approved. District Attorney Leslie Vance told the Court that he would have to add a section on random testing.

Country/Western Musical Is Friday

Rising Star will have its Country/Western musical on Friday, June 28, at 6:30 p.m. at the American Legion Hall in Rising Star, 205 S. Main.

The musicals are scheduled every fourth Friday

of each month.

We welcome one and all, musicians and listeners. You will be glad you came. If you play or just enjoy listening to good music, plan to make it a "family night."

Eastland County Crimestoppers Meet

The Eastland County Crime Stoppers held their monthly meeting this week at the TU Electric Reddy Room.

There were about a dozen members and guests present to discuss ways to fight crime in our county.

Chairperson Rena Mae Kirk opened the meeting and Sec. Voy Wilks gave the financial report and read the minutes from the last meeting.

Coordinate Terry Simmons reported only two calls from people in the post month to report crimes.

One of the calls is still being investigated and the other has been cleared.

Chairperson Rena Mae Kirk said she believes the trash dumping problem in our

county has improved a great deal but all members agreed that is still a problem and Crimestoppers are still offering rewards to people who anonymously report these crimes.

People who illegally dump trash can receive a fine up to \$1,000.00.

Also discussed at the meeting were some upcoming fund raising events to be held around our county. These events supply Crimestoppers with the money needed to operate and pay rewards. More details about the fund raisers will be given later.

If you would like to report trash dumping or any other crime, you can call Crime Stoppers at 629-TIPS

Rising Star City Council Meeting

The sale will include trucks and pickups, farm equipment, trailers, fuel tanks, and misc. items.

On another matter, Pct. 4 Commissioner Reggie Pittman reported that 26 prisoners were in the county jail, with 6 of these for TDC. Pittman said that TDC would take only 3 prisoners from the county this month, leaving the usual backlog of state prisoners to be kept at the county's expense.

The Commissioners heard an update on the 911 emergency system, which is supposed to go into operation Jan. 1, 1992.

One of the Commissioners said people had asked him how the telephone company could continue to collect .50 cents per month on each phone bill in the county before 911 service was available.

Continued Inside

The Rising Star City Council met June 17 at 7 p.m. in City Hall. Mayor Jerrell Bible and council members Randy Goldston, James Cook, Edra Butler, Charles Barnes and Billy Harmon were present.

Guests were Mr. and Mrs. Al Jones, Mr. and Mrs. Bob Richardson, Mrs. Ed Witt, Mr. and Mrs. Chris Howell, Jim Delashaw, Betty Duggan, Steve Campbell, Diedra Lagle, Randy Mosley, David Scoville, Gene Lyon, Don Cornett, Billy Bush, Allen Morris, Arley Bibby and Gerald Myers.

The minutes of the June 4 meeting were accepted, with Harmon abstaining from voting.

The council was brought up to date on the City's application for a block grant and the need to pass a Fair Housing Ordinance, which was explained by Delashaw. The council reviewed the Fair Housing Ordinance briefly, then adopted it and agreed to have a notice published.

Rising Star Vineyard/Public Hearing was removed from the table. Mr. and Mrs. Lagle then gave a presentation to the Council for the City to monitor a grant from the Department of Commerce/Texas Capitol Fund Loan & HUD that would create jobs for the Rising Star area. Rising Star Vineyard Attorney Randy Mosley also addressed the council.

A motion by Barnes, seconded by Cook, to appoint three to a committee to investigate monitoring with the City Attorney Bill Wright and Rising Star Vineyard carried 5-0. Charles Barnes, Edra Butler and Jerrell Bible were appointed.

Police/Policy was removed from the table. City Administrator advised the Council the TCLEOSE had informed him that Police Chief Arley Bibby was a fully certified peace officer, but he did need to bring his schooling up to date. This was discussed to some extent by the Council. Barnes asked City Secretary Shirley Leonard to read into the minutes the motions from the last meeting of June 4:

"Motion was made by Barnes, seconded by Butler, to authorize City Administrator Gene Moore to remove Arley Bibby from the office of Chief of Police. The council voted, with Barnes and Butler voting for and Goldston and Cook voting against. With the tie vote, Mayor Jerrell Bible abstained, suggesting a review of the situation.

"Motion was made by Barnes, seconded by Butler, to table the motion until the meeting June 17; motion carried 4-0.

Freedom Festival Activities Varied

Parade Downtown

Parade entries should be in front of the high school building promptly at 9:00 a.m. where line up and judging will begin immediately. Judges for the parade this year will be Diane Dodson of KTAB-TV, Abilene; Judge Scott Bailey; District Attorney Lesley Vance of Eastland; and Haney Sides of Abilene. The parade starts at 10:00 a.m. and will proceed south on Main Street.

Homeade Ice Cream Judging

Following the parade, the homeade ice cream entries will be judged at the Colquitt Williams Memorial Park area. Proceeds will benefit Rising Star Emergency Medical Service, the volunteer ambulance service.

Judges for this will be Diane Dodson of KTAB-TV, Abilene; Judge Scott Bailey; Sheriff of Eastland County, Ronnie White; District Attorney Lesley Vance of Eastland; Haney Sides of Abilene and Harold Adcock of Comanche.

BBQ Brisket Lunch

A delicious lunch consisting of barbeque brisket, sausage, potato salad, cole slaw, red beans, jalapeno and cherry peppers, onion, bread and iced tea will be catered by J.C. Cook. Serving will begin at 11:00 a.m. on the grounds in front of Dr. Carpenter's office.

Citywide Garage Sales

There are 26 garage sale locations so far to be included in this year's citywide garage sales. Maps of these locations may be found at several local businesses. If you are interested in having a garage sale, please call 643-3211.

Music, Entertainment

Geraldine Richter has been busy lining up musicians for entertainment on the Fourth. You don't

want to miss the group of entertainers: Gene Christian, W.B. (Dad) Bludworth, Earl Hill, Rosie Marshall, Junior Country Express, Carl Whitely, Bill Millican, Thomas Kent, Jerry Walker, Dalton Thomas, C.M. Boatwright and Ray Hughes, along with a host of others. If you would like to participate, call Geraldine at 643-6109

Bingo

Bingo will begin at 2:00 p.m. at the American Legion Hall. Doors will be open at 1:00 p.m. and a concession stand will be open. Payout will be the maximum amount allowed by law.

Softball Tournament

A Rising Star softball team is putting on a fun softball tournament of girls 14 and under on the Fourth. The tournament will begin at 8:00 a.m. at the baseball field at the Colquitt Williams Memorial Park. The Rising Star Splinters and teams from Clyde, Jim Ned and Winters will participate in the tournament. Three of these teams will go to the State play-offs in Temple on July 11, 12 and 13.

There will be a full concession stand available to the public. It will be furnished by the Rising Star Sportsmen's Club. Items included will be hamburgers, homeade ice cream and ice cold watermelon.

These young ladies have already had one bake sale after another to raise the money they will need to

go to State for three days. They will gladly accept any donations to help defray the expenses of traveling.

Junior Rodeo

A junior rodeo, sponsored by the Rising Star Chamber of Commerce & Agriculture and the Rising Star Roping Club, will be held July 4, 5 and 6. The nightly performances begin at 8:00 p.m. at the rodeo grounds on Highway 36 east of Rising Star. The rodeo will be produced by the 4S Rodeo Company of Goldthwaite. Bring your family out all three nights.

Admission is \$2 for adults and \$1 for children. A concession stand will be open.

For more information, call 643-6109 or 643-3226.

Fun and Games

There will be something for all ages, games like horseshoe pitching, washer pitching, dominoes/42, sack races, egg toss and maybe even balloon popping!

Arts and Crafts

There will be booth spaces available for displaying and selling arts and crafts. The 10x12 spaces rent for \$10, or two adjoining spaces to the same club, organization or individual for \$17.50.

Booth spaces in this year's Freedom Festival have already been rented to artists and crafters from Fort Worth, Belton, Cisco, DeLeon, Springtown and other places. If you need information, call 643-5918.

Patton-Warren Reunion Held

The Patton-Warren Reunion was held in Ranger at the high school. There were approximately 100 people in attendance. The food was extremely good and lots of it. There were people there who had never attended the reunion.

Bobby Lou Lewis of Ranger fell and broke her hip and could not attend.

Friday, June 28 through Monday, July 1.

Curtain time will be 7:30 each evening, with tickets \$3 at the box office. The picture is rated PG-13.

'Soapdish' is filled with energetic, beautiful and astonishing young stars. There's Sally Field, Kevin Kline, Cathy Moriarty, Robert Downey, Jr., Cay Fisher, Whoopi Goldberg, and others.

'Soapdish' reflects the uncertainties of people's lives, and the lengths they will sometime go to in order to get what they want. The plot revolves around what happens when soap opera stars find their private lives are just as overcharged as those of the characters they are playing.

'There are more coincidences, craziness, and intrigues going on behind the scenes than in front of the camera,' comments Producer Alan Greisman.

Come out prepared to enjoy this picture. You'll also enjoy the cool, comfortable Majestic.

Everyone wishes her a speedy recovery.

There were old pictures on display and some brought their Genealogy records. Jesse Price welcomed and thanked everyone for coming. Elmer Patton Jr. gave a welcome to everyone. Jamy Patton Price gave a brief speech. Sherra Warren Cate asked everyone to be sure and come again next year. The reunion will be at the same place on June 20, 1992.

Senior Citizens Center

by Marjorie West

We had a large crowd at the center, last Thursday. Deariso Duenning drew the door prize.

This Thursday, June 27 will be our birthday party. John Jones, a grandson of Rabbit and Irma Jones, was our visitor.

Marion and Marjorie West went to Blanket Saturday morning to a citywide garage sale. There were fifteen garage sales. They did not buy much, but it was fun to see what was on display. One had a nice vegetable stand where Marjorie bought some lovely squash fresh out of a garden by the stand.

Ray and Sallie Hutchinson went shopping in Brownwood Saturday.

Our four regular attendees, Le Dell Key, Sula Harris, Lucy Curtis and Stella Hill enjoyed several games of 42 Monday. We invite everyone who enjoys playing dominoes to come each Monday and Thursday. The center opens at 10 a.m.

Elizabeth Chamberlain, is doing better, but has some more test to run. We hope she will be well again and back to our center. We miss you Liz.

Everyone who has a garden or flowers are busy cleaning out weeds or grass or dusting for insects.

I would like to thank our faithful ladies who

work in the kitchen each time we meet. Inez Elliott is a faithful helper, she has even volunteered to come in when we are short of help. We appreciate each of you. Curtis Hill is a great helper of the center he does any repairs needed around the center and keeps the lawn mowed. He and Marion West see that our flag is out at each meeting. It is great to see our flag waving so proudly.

There were 25 at our center Monday for the Meals on Wheels luncheon.

Marion and Marjorie West played in the Cisco Rhythm at Baird Tuesday.

Oleta Seales has been visiting in East Texas. She visited her son in Mineola and grandson in Athens. Monday June 24 was the 53rd wedding anniversary of Merlin and Irma Jones. Congratulations to you.

Last Thursday several from our center went to Cross Plains to the open house and free health tests at Medplex Health Office. Lovely refreshments were served.

Mary Carroll and Stella and Curtis Hill visited their sister, Alice and Dowell West in Abilene last Friday. Alice had been having tests made but she was feeling much better. Have a good week!

Pioneer Patchwork

by Irma Miller

The ladies of the quilting club worked last Tuesday on the Double Wedding Ring and on the Puss in the Corner pattern quilts.

Several members of the community attended the open house hosted by May and D.P. Jones in their pretty, new, all electric home on Sunday.

Frankie and Oliver Smith went to Benbrook Thursday to visit with Mr. and Mrs. Herschel Ware. Oliver and Herschel played golf at Carswell Air Force Base and the two won first place, receiving a monetary prize. Roxie and Joey Nance of San Angelo visited Frankie and Oliver on Saturday.

Barbara and Bob Powell helped serve refreshments at the Medplex

Open House in Cross Plains Thursday.

Jean Fore, Jewel Foster and Irma and John Miller joined the rest of the Cross Plains AARP chapter in their Texas

Safari trip on Thursday. They saw lots of interesting and enjoyable sights along the roadside on the

way to the Exotic Animal Farm at Clifton. The first part of the tour was more like a zoo with caged animals. Later they drove through the safari and saw many kinds of animals, after which they spread their plenteous picnic, enjoying it in a shady shelter. They closed the day back at Cross Plains, picnicking outdoors at the home of Frank and Frances Rone.

Save Money by Contacting Social Security Yourself

Curious about how much your Social Security benefit will be when you retire? Need a Social Security number for your child? Changing your name because of marriage or divorce?

All you have to do is contact Social Security. There is no need to pay for these services. Many times people will get advertisements from companies that offer to assist people in their dealings with Social Security, for a fee. But there's absolutely no reason to pay a middle man for services that Social Security offers for free.

Advertisements for these companies sound as if they're offering some special service that Social Security doesn't provide, or that they have some

secret information that we won't tell people about. Some companies make it sound as if they can expedite the service.

These claims are absolutely false. In reality, the companies come to Social Security to get the information. They just act as a go-between, which adds an extra step to the process, thus slowing it down.

So why do people pay for services they can get for free? There are a number of reasons. Some people just don't realize that Social Security offers the service. Others are leery of dealing with the bureaucracy so they are willing to pay for the "assistance" that they really don't need. And sometimes, people get official-looking mailings and think they're from Social Security.

Retirement Party Held For Tommy McCoy

Tommy McCoy, County Courthouse employee, was honored with a Retirement Party and 'pounding' at 9 a.m. Monday in the Commissioners Courtroom.

Mr. McCoy has worked in the Maintenance Department at the Courthouse since 1977, making many friends in the Courthouse.

McCoy's wife, Ruby, accompanied him to the Party and Pounding, which was hosted by Courthouse personnel. Doughnuts and coffee were served to the crowd. County Judge Scott

Bailey presented Tommy McCoy with a Certificate of Appreciation on behalf of County Officials and people of the County.

'I have appreciated working here, and it hurts to have to leave,' McCoy said. His health has forced him to take life easier.

After the Pounding was over, it took helpers a number of trips to carry out all the assorted groceries. It looks like the McCoy's won't need anything from the store for a long time to come.

The McCoy's will continue to live on their acreage near Carbon.

Eastland County Hay Show To Be Held On December 14

During October of this past year, many of you helped the Eastland County Livestock Raisers Association by contributing hay to be sold or through the purchase of hay or sometimes both. This "plan" was, as you probably remember a joint effort between the Livestock Association and the Agriculture Extension Service to provide a service to hay producers and buyers, and also, as a fund raiser to help retire the debt on the livestock barn. The hay show helped raise over two thousand dollars.

We are once again asking for your support in

this worthwhile effort. Hay baling is beginning on a grand scale throughout the area and we would welcome bales from each cutting you make this year. Samples from each cutting will be analyzed and you will receive the results. All bales donated to the Association will be auctioned following the hay show on December 14th.

Each town in Eastland County has or will have a contact person. In addition feed dealers implement dealers and other farm and ranch supply stores can take your name and what you have to

donate to us. Contact persons for the towns are: Gene Smith for Rising Star; Speedy Clark for Gorman; Willie Cantwell for Ranger; Tommy Claborn for Cisco; and Charles Hutto for Eastland.

We are not limiting participants to Eastland County residents only. If you are a hay producer and want to enter our hay show we would welcome you.

Entries may be brought in to the County Livestock Show barn or we will pick them up. Please contact one of the above mentioned persons or someone in your area that you know is involved with the Livestock Raisers or County Extension Service when you have hay to

Tom Dunn - He Stands for Banking

When banking is mentioned in Ranger, usually the first name that comes to mind is Tom Dunn. Twenty years out of Tom Dunn's 45 years in banking have been spent as Bank President in Ranger. And like other Bank Presidents of Eastland County, Dunn is so involved in the life of the community that people can't even imagine the town without him.

In 1971 he was hired as President of the First State Bank in Ranger, and he and his wife, Sammie, and their children moved here from Brownwood. Since that time he has seen ownership changes and the change in name to Freedom Bank, but his position has basically remained the same.

In addition to his work at the Bank, Dunn is involved in work of the Eastland County Economic Development Council, the Lions Club, the Church of Christ, and a number of Civic endeavors.

Dunn took time recently to discuss events which have shaped his life, the town of Ranger, and banking. His office and the Freedom Bank around it was modern, and decorated with warmth and color. Dunn's conversation, too, was spiced with wit and observations.

"Sure, we've seen the population drop in Ranger during the last ten years, and that concerns me," he said. "It concerns me too when businesses that have been here 70 years shut their doors."

"Our economy here is based on oil, cattle, and some industry. The oil recession hit hard."

"I still think there's a lot of oil here, but it's too expensive to get. No one will finance oil, so it's difficult to get either recovery or exploration."

"But we need to look at what we have to offer. This town has plenty of water - how many places can say that? We have good locations for industry, and good transportation by railroad Interstate or State Highways."

"We are near enough to the Metroplex where a person can go to there for the day if he wants to, and then sure be glad to get back!"

"No." He shook his head. "I sure don't recommend you go there to shop! We need to keep all our retail store here and get some more in. People need to bank at home, too."

"I think Ranger is a pretty and scenic town - a fine place to live. It is a historical place, with interesting sites."

"We have fine schools here, including Ranger Junior College. RJC probably has the largest payroll in Ranger right now."

"But any industry looking for a place to locate is really missing out by not coming here," he added.

Dunn went on to say that he considered good schools and a good bank two of the basic elements of a town.

"You take either one away and you really don't have a town," he said.

Tom Dunn, President of the Freedom Bank in Ranger. He hopes towns of this area will work together to improve the economy.

Dunn reviewed some of the events during the last 20 years which had directly affected banking. These included the cattle price slump during the 1970's, the oil boom and collapse of prices in 1982-85, and the new regulations on banking.

This began with bank de-regulation in 1982, he said, and went from bad to worse. Somewhere in the tangle the Federal Deposit Ins. Corp funds, which had been paid into by banks, began being used for failed S & L's.

When asked who enacted these new banking laws, Dunn has one word: Congress.

"You wouldn't believe how quickly these changes come," he declared. "There is a new piece of legislation up now that is supposed to reform the banking laws. I consider it a very bad piece of legislation."

When asked if he was making any loans these days, Dunn replied: "Not what we'd like to. We'd like to make some good loans. But the regulations are so extensive that all I can say is this: If you can prove to me on paper that you don't need to borrow any money, then I will loan you some!"

"That may sound like a joke," he added, "But unfortunately it is not!"

This type of regulation, Dunn said, is bad for the town and for individuals. It does not take into account the character of the people, how some people will pay a loan back even if their cash-flow doesn't look right on paper.

When asked about his own background, Dunn said that his grandparents emigrated to America. He compressed about 700 years of history in one sentence: "The British ran my family out of Ireland."

It seems that the Dunn Clan didn't take too peacefully to the invasions of their country, and fought in more than one war before their exodus.

When Tom Dunn was born in 1928, his branch of the family was living on a farm near Morgan Mills in Erath County.

"My father was a tenant farmer, the depression was coming on, and I was the youngest of ten children," Dunn said.

When asked how his father fed that big family during the depression, Dunn chuckled and replied: "We worked. By the

in Brownwood, serving there as Vice President. After 11 years in Brownwood the offer came to serve as President of First State in Ranger.

The group which owned First State eventually sold the bank to Roy and Bob Simmons. Around 1983-84, the holding company owning the Freedom Banks acquired First State Bank. The name was changed in 1989.

Dunn said that the Freedom Bank group owns six banks in Texas, with others in this area located in Dublin and De Leon.

Like Tom Dunn, other Ranger Bank employees remained here during the changes in ownership.

"We have fifteen people working here, and they generally stay a long time," Dunn said. "We have one person who has worked here for almost 40 years. Our employees are dedicated and loyal."

On the present state of the local economy, Dunn said he "Couldn't see it had turned around."

"But," he added - "I do expect it to get better in the future."

He said that Bank deposits were up, and assets were away up from when he came 20 years ago.

"If the small towns of Eastland County all pull together we can whip this economic thing," Tom Dunn declared. "We have a unique county here - I consider it the finest place in Texas to live. Agriculture is going great now. We just need to get in more industry to give jobs to people who want to stay here."

But Dunn said he will take a few days off this summer from banking and community projects for something strictly personal - a big family reunion.

Yes, he remarked, those ten children who had to work hard and mind their parents did very well for themselves after all.

This photo of the directors for Rising Star Roping Club was made about 1962. Pictured were, from left, Jack Jackson, Chuck Elliott, Arley Bibby, C.F. "Doc" Hubbard and Ed Witt. Of the five men, Bibby is the only one still living.

These men and many others dedicated long hours of work toward making the Rising Star Rodeo as entertaining as possible. For many years a rodeo was held each weekend during the summer.

time I was old enough I was out hoeing cotton at 50 cents a day. I learned mighty early that I didn't want to spend my life in that kind of farming!"

He said another interesting aspect of his childhood was that when he did something wrong, punishment was sure to follow.

"They'd probably call that 'child abuse' now," he remarked.

Dunn said he did stay in school and get an education, first in a rural school, then Jr. High at Stephenville, and High School at Huckaby when his family moved there. His college training was at Tarleton and Abilene Christian, both now Universities.

He had a chance to work as a bookkeeper at the Farmer's National Bank in Stephenville, and took the job. Those were the days when you needed good handwriting to get any kind of work at a Bank.

Obviously Dunn had even more going for him than his handwriting. He worked at Stephenville 11 years and then four years at the First National Bank in Gorman, receiving promotions along the way. Then he moved to a Bank

When replacing your old worn out air conditioner, ask your Cooling & Heating Dealer about the DUAL-FUEL HEAT PUMP!

The DUAL-FUEL Heat Pump allows you to use your present gas furnace, duct system and electrical wiring. It replaces your old worn out air conditioning unit, but does much more -- it cools and heats. The heat pump provides the most efficient heating for your home during normal winter weather and uses your existing gas furnace to assist during extremely cold conditions if needed.

As a WTU customer you can qualify for

\$500⁰⁰ cash

when you install an Electric Heat Pump with a SEER rating of 10 or more and your home meets WTU Energy Saving Plan requirements

For more information call your cooling & heating dealer or WTU.

Ask about WTU's Finance Plan; you can pay for a new heat pump and its installation on your monthly electric bill.

FALL WEBWORMS APPEARING

Fall webworms have begun appearing throughout the county. I have seen them on mulberry and pecan trees.

You may be asking yourself, "How can these be fall webworms in the middle of June?" There can be as many as four generations of fall webworms a year depending on the weather.

Fall webworms are the larval stage of moths. The larvae are about 1 inch long and are pale yellow or green. They are covered by tufts of long whitish hairs. A dusky stripe bordered by a yellow stripe will be on the back. The main identifiable characteristic of the fall webworm is the web it builds in the tree or limb.

The fall webworm will feed on a variety of trees and shrubs. I have seen webs in mulberry, poplar, willow, pecan and oak.

Newly hatched larvae begin feeding and spin a web over the foliage as they feed. These webs can cover an entire branch. A large amount of defoliation can weaken a tree and could result in the tree dying.

Control can be accomplished without insecticides where they are only one to two webs in a larger tree. Simply prune out the web and destroy it.

In trees which are too small or the webs are too numerous for pruning an insecticide may be required. Before apply an insecticide, use a large pole to break up the web. This will help the insecti-

EASTLAND COUNTY 4-HERS TO COMPETE IN DISTRICT HORSE SHOW

A total of eight Eastland County 4-H members from the Ruff Riders 4-H Horse Project Group and Rising Star 4-H Club will be competing in the District 8 4-H Horse Show in Belton on June 24, 1991. The 4-Hers entered are Blair Bailey, David Williams, Jessica Keith, Jeremy Keith, Kristi Rogers, Holly Greenwood, Tracie Ingram and Tessie Ingram. They will be competing against 4-H members from 18 other counties for the opportunity to compete in Texas State 4-H Horse Show in Abilene on July 21-27.

cide reach the larvae. A high pressure spray will also be required to reach the taller trees and help penetrate the web.

These are several insecticides which can be used for fall webworms. Some of these products are Dipel, Sevin, Diazinon and Malathion. Which ever product you select make sure you read and follow the label instructions.

The publication entitled Fall Webworms (L-1811), is available in the County Extension Office located in the basement of the County Courthouse in Eastland.

2ND GENERATION PECAN NUT CASEBEARER

If you sprayed on May 22nd for the first generation of pecan nut casebearer, then the second generation should be watched for before July 3rd. The recommendation is to spray for the second generation 42 days after the first generation spray, which would be July 3rd if you sprayed on May 22nd for the first generation.

Because timing is so critical in controlling the pecan nut casebearer, you should inspect your own trees. The female pecan nut casebearer moth lays its eggs on the tips of the nuts. The newly laid eggs are just visible to the naked eye and are greenish white in color. The egg color will turn greenish-brown then to a brown before the larvae hatches. The larvae hatches from an egg in 3 to 5 days.

Rising Star City Council Meeting

Motion by Goldston, seconded by Cook, to review the City's policy on police and certification of the chief of police before the meeting June 17."

Barnes said Bibby has not met requirements and called for a vote. A motion by Barnes, seconded by Butler, to remove Bibby from the chief of police office was defeated 3-2 with Goldston, Harmon and Cook voting against.

The council then reviewed required qualification of a police officer employed by the City of Rising Star, presented by Mayor Bible. Motion by Harmon, seconded by Goldston, to amend Item 3 to read "Satisfactory completion of the 400-hour course for any new law enforcement officers and satisfactory scoring on the examination over that course." The council voted 3-2 with Goldston, Harmon and Cook voting for and Barnes and Butler against.

Motion by Barnes, seconded by Cook, for the City Secretary to schedule Bibby to comply with items 1 and 2 at the earliest possible date carried 5-0. Motion by Barnes, seconded by Butler, to

have a police report twice monthly carried 4-1, with Goldston voting against.

The utility and financial reports were given and bills reviewed.

The Park Board will meet Friday, June 21, and review applicants for a park employee. Barnes recommended Don Cornett for the position. The council authorized the city administrator to hire a part time park employee after the Park Board review.

Hiring a fire marshal and the qualifications were discussed; hiring was put on hold for six months.

Motion by Goldston, seconded by Barnes, to name James Cook as Mayor Pro Tem carried 4-0.

Action on the auditor's contract was tabled until the meeting July 1.

City Administrator Moore talked to the council about repairing the overhead water tower instead of buying a new water tower.

Hiring a new city administrator was discussed; candidates are to be interviewed July 1 at 5:30 p.m. at City Hall.

Meeting adjourned at 10:55 p.m.

COUNTY COMMISSIONERS

"We had a number of hearings on that matter before we agreed to it," Pct. 1 Comm. Richard Robinson said. "About three people came each time. All the information was available there. It has also been printed in the newspapers."

The Commissioners went into a pre-budget discussion, and County Judge Scott Bailey said that the county's cash on hand totaled \$2,571,161. A year ago the total was \$2,596,113. This is a slight drop from a year ago.

There was some discussion of the petitions which were out to collect names calling for a vote on a County-wide Ambulance

Service.

It was reported that the petitions were "out somewhere in Cisco."

Some of the Commissioners and District Attorney Vance mentioned calls they had received about the petition. They said that people generally seemed to favor of some type of Ambulance Service, but questioned more property taxes.

The possibility of other types of taxes were discussed perhaps a sales tax or auto use tax.

Judge Bailey said that the petitions on the election needed to be brought in quickly. If enough signatures are received, the election could be called for Aug. 10.

WTU Redraws Districts, Will Reduce Workforce

West Texas Utilities Company has completed a study to determine the best organization and staffing levels to meet future electric service needs of its customers.

The study's purpose was to improve WTU's efficiency and achieve an optimum staffing level. A seven-member employee task force completed the study in April, and the recommended changes were begun immediately.

Overall, WTU plans to reduce its workforce by about eight percent over the next several years through attrition, like resignations and retirements. The company will do this by reviewing various positions throughout the company. The workforce had already been reduced by 10 percent during the last five years through attrition.

Other basic changes include regrouping operations into four divisions from six districts; establishment of business operations areas within each division to supervise groups of local offices and produce a smaller and more manageable span of supervision; and the creation of an Operations

support group to consolidate the customer accounting and various engineering functions that support customer operations activities. Several departments in WTU's General Office in Abilene have undergone restructuring and reorganization.

Concerning specific local changes, the new Central division includes most of the Stamford and Abilene districts, and Joe Emberger will be division manager. There will be three areas in the Central Division: The Abilene city area, which will also be division headquarters; the Big Country area. Business operations manager for the Stamford area will be Jane Whittemore and the Big Country business operations manager will continue to be Terry Hesseltine. Floyd Nickerson has been named business operations manager for the city of Abilene.

Emberger has served WTU since 1979 when he joined as an engineer I. He served in numerous engineering positions and as manager of system and Construction and Maintenance before being promoted to San Angelo Dis-

County USDA Official Honored On June 12

David W. Martin

David W. Martin, County Executive Director of the Eastland County ASCS Office, was recognized on June 12, 1991 at USDA's national headquarters in Washington, D.C. where he was honored with ASCS's and USDA's highest award.

Martin was recognized and cited for superior service at USDA's 45th Honor Awards Ceremony held in the Departmental Auditorium. The Executive Director was presented a plaque with the inscription "For demonstrating leadership and initiative far in excess of that required resulting in increased ability, knowledge, and productivity of other ASCS employees in the district and state."

The plaque was presented by Secretary of Agriculture Edward Madigan.

The previous day, Martin was twice recognized by his own agency in receiving the "Administrator's Award for Service to Agriculture" at an awards ceremony held at the Ramada Tech World in Washington, D.

Whittemore came to WTU in 1949 as a clerk typist in Stamford. She was assistant to the district auditor and staff assistant before being promoted to district auditor in 1978.

Hesseltine joined WTU in 1983, serving as engineer at Paint Creek and Fort Phantom Power Stations before moving to Plant Operations. Last year he was named business operations manager for the Abilene District.

Nickerson has worked for WTU since 1979. He served as management trainee, personnel assistant and senior personnel assistant before being promoted to manager of Personnel Services in 1989.

The re-drawing of its district lines is not a new concept to WTU. The company has had as many as 10 districts in its history and has several times consolidated its districts, in 1929, 1962 and 1976. Each time, the changes were made for the sake of economical company operations, just as today's changes attempt to improve WTU's efficiency to its customers now and in the future.

WTU serves 177,000 customers in 52 counties stretching from the Red River to the Rio Grande.

Peoples State Bank of Clyde Is Awarded Five-Star Rating

Bauer Financial Reports, Inc., a Coral Gables, Fla. research firm, is pleased to announce that Peoples State Bank, Clyde (rated five-stars for four consecutive quarters) has been awarded its five-star rating. This prestigious award identifies this institution as one of the safest, most credit-worthy banks in the United States.

The award is based on a zero to five-star rating assigned by BFR based on its analysis of the December 31, 1990 financial data as filed with federal regulators.

A five-star rating, for the safest banks in the country, indicates that the bank's tangible capital exceeds 9.0% of tangible assets, that there are no excessive delinquencies or repossessed assets and that the bank is profitable, or suffered an insignificant loss for the year ended December 31, 1990. Paul A. Bauer, President, said, "Our five-star rating is most often awarded

to traditional, conservatively run, federally insured, well-capitalized banks that concentrate on serving the consumer and business needs of their local communities."

Out of 12,342 banks reporting for the period ended December 31, 1990, 3,072 banks, less than one out of four, 24.9%, received our five-star rating.

BFR analyzes and compiles data on all U.S. banks, thrifts and credit unions. A copy of our latest brochure is available to the public FREE by sending a self-addressed, stamped business envelope to Brochure, Bauer Financial Reports, P.O. Drawer 145510, Coral Gables, FL 33114-5510 or by calling 1-800-388-6686.

The Statewide Bank and Thrift List provides financial highlights and a star rating for all the banks and thrifts in your state. It's available free to business press. Call 1-305-441-2062 or Fax 1-305-441-0691.

Fishing Outdoors

by Terry L. Wilson

XT Solar Line, "A Bright Idea"

Some excellent night time fishing has been taking place around the area. Leon's blacks are really moving on spinner's and worms in the main lake area. And Lake Pioneer for you anglers who enjoy flipping reeds in the cool of the night has produced some nauturnal lunkers up to 7 pounds. And if you think normal daylight flipping is fun, give this nighttime magic a go.

Not only is the fishing great after hours but you can also fish without much company from other anglers or sheirs. With 100 degree days upon us the cool nights fishing almost fall like in comparison.

Remember to always leave your lights on for safety and it is the law. If the glare seems to bother you take a very thin sock and place it over the light. But make sure it does not totally dim your beacons.

Extreme caution should be used when moving from one location to another and a slow idol is recommended. If at all possible trailer your rig to the closet ramp and start

enjoying the cool place and quiet of "Fishing Outdoors."

There are times when being a line watcher is critical to fishing success. Now during these dog days of summer is perhaps one of the most critical of all. Bass seem to almost go on a diet, just nibble, nibble. Instead of those arm jarring strikes spring brought use. But seeing your line under many fishing conditions isn't easy. Low light conditions in the early morning, late evening and night provide great fishing, but poor line visibility. Enter for these conditions Trilene's XT Solar, a bright idea for line watchers.

Berkley researchers have combined the super strong fishing qualities of Trilene XT with the unique "solar collector" fluorescent additives to create new Trilene XT Solar line. This line has the remarkable ability to gather and re-emits available light, making the line visible even under low light conditions. And XT Solar's hi-visibility fluorescent green color is tuned to those wavelengths that are most sensitive and visible to the human eye.

This maximum visibility line is perfect for fishing on overcast days, low light conditions, musky waters or night fishing. Tished under a black light, XT Solar takes on a visible green neon glow you can see from rod to water.

And after using this line over the past year and seeing it used in test tanks at several boat and tackle shows, the under water visibility is far less than you might expect. After all once entering the water, light penetrates less as you get deeper.

Top water control, tangle-free trolling, instant strike detection and easy knot tying make Trilene XT Solar a very bright idea. And, through continuing research, Berkley Trilene XT is now even stronger. Special processing improvements have boosted Trilene XT's wet knot strength by up to 20%, increased durability and improved overall handling characteristics. And this fantastic new addition to the Trilene line comes in 2 to 30 pound test in both 275 yard fillers and 3000 yard bulk spools.

While in San Angelo spooling line this past weekend I had a chance to visit with Bill Collier Honey Regional Director about next years schedule. It looks like Twin Buttes, Amistad, Possum Kingdom, Brownwood, Leon. This will be one more event than last year per contestants request. Rumor has it Choke Canyon could be the sight of the 1992 Classic. All of this is pending approval. But we are glad to see Leon back on the list once again.

Hard work may be more effective than fun and games in shaking a bad mood, researchers at the University of Virginia found. Psychologists got best results motivating participants to expend effort on intellectual tasks.

Synthetic vitamin A product seems to ward off new tumors in the same head and neck area where an old cancer has been treated. Doctors at the University of Texas M.D. Anderson Cancer Center warn that isotretinoin has some severe side effects.

Artificial bone, grown in a jar, may soon be available to repair fractures. Researchers at Harvard Medical School and other laboratories are mixing compounds from proteins and ceramic materials that would patch the break until new bone formed.

T-Ball Tournament Winners Named

A T-Ball Tournament was held last Thursday, Friday and Saturday. The winners were first place, May Lions; second place, Cross Plains Angels; third place, Cross Plains Giants; and fourth place,

Rising Star Cubs. Also participating were the Rising Star Colts, May Falcons, Cross Plains Braves and Cross Plains Cubs.

We want to thank everyone for coming and for all the help given.

Lakewood News

Lakewood Recreation Center is still having its weekly golf scrambles on Thursday. Tee off is at 6 p.m. so try to call in by 5:30. We want to be sure and get your name in.

We are having an 18-hole ABCD draw scramble Sunday, June 30. Tee off time is 1:30 p.m. so be there or call in by 1. Entry fee will be \$5 for members or a green fee for non-members. The 18-hole scrambles are always lots of fun so come out and play with us.

A total of 32 teams in the Two-Person Tournament two weeks ago. The nine local teams were Bill Porter/Skippy Williams, Lynn and Chris Porter, Terrill Harris/Sherry Bowden, John Ely/Bill Slaymaker, Ronald Hilburn/David Hargrove, Ken Horan/L.K. Byrd, Billy King/Lester Wyatt, Richard King/Gary Westerman and Kyle Coker Sr./Terry Taylor.

In the Championship flight the team of Nichols/Mehaffey of Cisco/Eastland won first place. Winning second was Morris/Morris of Abilene, and in third place was Towry/McPherson of

Clyde.

The First flight had our only local winners. Hilburn/Hargrove tied with May/May of Stephenville for first place, and they split the prize instead of having a playoff. Winning third place was another local team, Harris/Bowden.

In the Second flight Roark/Coursey of Bangs were the winners, after a chip off. This gave Strawn/Newhouse of Comanche second place, and Rogers/Wright of Abilene third.

Club members would like to thank the eight local teams that played in the Two-Person Tournament. We hope to have even more next time.

Don't forget the Guys and Dolls tournament July 6-7. We need more local teams so we can have a full tournament. Cash prizes will be awarded for three places in each of three flights. A \$50 prize will be given to the Closest to the Pin on hole No. 8.

The meal will be served after play is completed on Saturday night. Members are welcome to come out and eat at \$5 per plate.

"Why Farm Bureau life insurance?"

"Protection. No doubt about it. Our agent helps us plan just the coverage we need. And they helped me develop a financial strategy for the future. Now my retirement years can be restful years. No wonder Americans from every walk of life depend on Farm Bureau Insurance."

A wedding shower will honor Maxine Perales Hill, bride of Kerry Hill, from 2:30 to 4:00 p.m. Saturday, June 29, at the community room of the

Rising Star Branch of Peoples State Bank, Clyde. Hostesses invite family and friends to attend the shower.

Wedding Announced

Mr. and Mrs. Jimmy Carpenter

Janet Curtis and Jimmy Carpenter were united in marriage at 3:00 p.m. May 25 at Blanco State Park in Blanco.

Janet is the daughter of Perry and Joy Curtis of Rising Star and Jim is the son of Dr. Billy T. and Norma Carpenter of Rising Star.

The groom's grandfa-

ther, the Rev. O.L. Turner, performed the double ring ceremony.

The wedding, attended by family and friends, was followed by a barbecue supper reception.

The couple will reside in Austin with the bride's daughters, Terrie Rust and Angela Bradley.

Becky Walker Named on Dean's Honor Roll

Becky Walker, daughter of Mr. and Mrs. Douglas Walker of Rising Star, was one of 756 students named to the spring 1991 Dean's Honor Roll at Abilene Christian University.

To make the Honor Roll, a student must complete at least 12 semester hours for grades and earn a 3.45 grade point average or

higher.

Walker graduated from Rising Star High School in 1990.

ACU is a private, liberal arts university with an enrollment of more than 4,000 students. The university offers degrees in more than 80 fields through its five colleges, Graduate School and School of Nursing.

Lakewood Golf Scramble

A Guys and Dolls Scramble will be held at the Lakewood golf course July 6-7. Entry fee is \$50 per person; carts are extra or personal carts are welcome.

All fees include meal, mulligans and closest to the pin contest. Tee times are at 8 a.m. and 1:30 p.m.

There will be cash prizes.

For more information call the Pro Shop 817/643-7792, located between Rising Star and Cross Plains on Highway 36.
