**Brad Fortune Participates In Houston**

Brad Fortune, a 13 year old 4-H member from Rising Star, will participate in the dairy scramble at the 1980

Houston Livestock Show and Rodeo.

Brad, son of Mr. and Mrs. Bobby Fortune, 503 West Austin, Rising Star, will "scramble"

during the February 23 evening performance in the Astrodome. Not only will he have the opportunity to catch a calf, he will be a part of the Saturday evening entertainment package that includes the best rodeo contestants in the world and stars Charley Pride as the featured entertainer.

Always a favorite with rodeo audiences, the calf scramble begins as an athletic event in the rodeo arena. However, for the contestants who manage to catch a calf, halter it and drag it across a finish line, the scrambling is only the start of a year-long education experience.

Each winner in the calf scramble receives a \$400 calf purchase certificate which enables him to purchase a purebred, registered heifer that he agrees to feed, fit, groom, and return to the Houston Livestock Show for special show ring competition the following year.

Each winner also agrees to keep accurate monetary records, submit monthly progress reports both to the Livestock Show and to his individual sponsor, photographically chronicle the progress of his calf and prepare a 500-word essay on his project.

Every performance of the 1980 Rodeo will feature a calf scramble (either beef or dairy) as its fourth event. In each beef scramble, 24 boys will compete for 12 calves; and, in each dairy scramble, 28 boys will compete for 14 calves.

Through the 1979 Show, winners in the calf scramble have received more than \$1.50 million to purchase some 8400 quality animals.

Most heifers become the basis for future cattle herds; thusly, a one-year learning partnership is stretched into a lifetime career. For those youngsters who decide not to continue their cattle program, the learning experience is invaluable and many times serves to stimulate a career in some other agricultural occupation.

The Livestock Show opens February 20 runs through March 2, with rodeo performances in the Astrodome beginning on February 22.

The 1980 Rodeo will spotlight the world's top professional cowboys and barrel racers competing for one of rodeo's richest purses, against the toughest stock the rodeo has.

Jim Ed Brown and Helen Cornelious, Country Recording Artists of Nashville, stopped at White's-Pit-Bar-B-Que Saturday enroute to an engagement at the Brownwood Coliseum.

A dinner concert will be presented by the Rising Star High School Band Friday, March 7, at the new school lunchroom beginning at 7 p.m.

## School Board Hires Frank Gray Principal

The Rising Star Board of Trustees met in special session Friday, February 22 with all members present. Other school personnel present was Frank Gray.

Following the opinions given by the spokespersons, the Board went into executive session. During this time one other

applicant, Harry Lister from Cisco High School was interviewed for the position of principal.

After approximately 2 hours of discussion by the Board, citizens were invited back into the Board room where a motion was made by Jack Hubbard and seconded by Bob Clark to hire Frank Gray as principal for one year. The Board voted 4-3 and motion carried. Voting for: Jack Hubbard, Bob Clark, David Harris and Sue Barnes; against: Douglas Walker, Aubrey Lawrence and R.L. Rust.

Motion by David Harris and seconded by Douglas Walker to hire Tommy Teal as Coach. Motion carried. Meeting adjourned at 12:15 a.m.

## CUB SCOUT BANQUET

The Cub Scouts had their banquet Monday, Feb. 18, at 6:00 p.m. at the First Baptist Church Activity Center. Special guests included: Dick and Vi Williams, Andy Griffin, Calvin and Leroy Woody. Webelos David White welcomed the guests and Bro. Williams gave the invocation. Dinner was then served to approximately 65 guests. Everyone enjoyed fried chicken, pinto beans, potato salad, and cake. Webelos Kelly Hill and Sam Jones introduced the speakers. Mr. Griffin lead with a very inspirational talk and Gerald Jones spoke on behalf of Charles Rutherford, who was unable to attend. Mr. Rutherford was the first eagle scout from Rising Star. Calvin Woody gave us a youthful look at scouting and during Leroy Woody's talk, we discovered that Mr. Griffin's son, Brett, was also an eagle scout. Mr. Woody also presented badges to the scouts. These were pinned on the boys by their parents. The scouts work very hard for their badges and this is always one of the highlights of the pack meetings. Individual den leaders then had a surprize for the scouts. Each scout present received an activity badge in honor of the 50th anniversary of scouting. The Webelos showed some of the work they had to do to earn their badges. It looked very complicated. Cub scouts Lee DeLong and Shane Spencer lead the pledge of allegiance and leader Carol Cook thanked everyone for their efforts in making the banquet a success. Bro. Williams gave the benediction.

Mr. Woody showed several of his scouting mementos during his talk. Scouting has certainly come a long way.

**BRINGS PEACE AND REST**

The wicked are like

the troubled sea, when it cannot rest....There is no peace, saith my God, to the wicked. Isa. 57:20,21.

Sin has destroyed our peace. While self is subdued, we can find no rest. The masterful passions of the heart

no human power can control. We are as helpless here as were the disciples to quiet the raging storm (Matt. 8:23-27). But He who spoke peace to the billows of Galilee, has spoken the word of peace for every soul. However fierce the tempest, those who turn to Jesus...will find deliverance. His

grace...quiets the strife of human passion, and in His love the heart is at rest

For every soul struggling to rise from a life of sin to a life of purity, the great element of power abides in the only "name under heaven given among men, whereby we must be saved" (Acts

4:12)...The only remedy for vice is the grace and power of Christ. The good resolutions made in one's own strength avail nothing.

Every unholy passion must be kept under the control of sanctified reason through the grace abundantly bestowed of God. We are living in

an atmosphere of satanic witchery. The enemy will weave a spell of licentiousness around every soul that is not barricaded by the grace of Christ. Temptations will come; but if we watch against the enemy, and maintain the balance of self-control and purity, the seducing spirits will have no influence over us. Those who do nothing to encourage temptation will have strength to withstand it when it comes; but those who keep themselves in an atmosphere of evil will have only themselves to blame if they are overcome and fall from their steadfastness....

Men and women are to watch themselves; they are to be constantly on guard, allowing no word or act that would cause their good to be evil spoken of. He who professes to be a follower of Christ is to watch himself, keeping himself pure and undefiled in thought, word, and deed. His influence upon others is to be uplifting. His life is to reflect the bright beams of the Sun of Righteousness....Eternal vigilance is the price of safety.

Adam and Eve were permitted to eat of the fruit of all the trees in the garden of Eden except the tree of the knowledge of good and evil. The curse of death was to come upon them if they disobeyed God. Gen. 3:22-24 tells us that man disobeyed God, that he was driven from the Garden, and could no more eat of the tree of life. He became the slave of sin and of death. Death, that bloodhound like foe, began its work at the cradle of the human race and has followed it down through the stream of the centuries until the present hour. It was not a part of the creation or a part of God's original plan. Even physical death is an enemy of God and an enemy of man. Paul said in 1 Corinthians 15:26 that physical death is the last enemy that shall be put under foot.

the dead through the glory of the Father, so we also might walk in newness of life. For if we have become united with him in the likeness of his death, we shall be also in the likeness of his resurrection" (Romans 6:3-5). Only in baptism is a person united with Christ in his death, and raised up to walk in newness of life.

For baptism to be effective, however, it must be more than an outward act of immersion in water. Baptism is to be an act of faith. In baptism one demonstrates his faith in the death, burial and resurrection of Jesus (Romans 6:3-5), and thereby "obeys from the heart" the gospel which he was taught (Rom. 6:17-18). Christians are taught that they have been "buried with him in baptism, wherein ye were also raised with him through faith in the working of God, who raised him from the dead" (Col. 2:12). The way that we are "raised with him" to "walk in newness of life" is "through faith in the working of God". The apostle Paul wrote "For ye are all sons of God, through faith in Christ Jesus. For as many of you as were baptized into Christ did put on Christ" (Gal. 3:26-27). Jesus commanded his disciples to preach the gospel to the whole creation, and promised, "He that believeth and is baptized shall be saved; but he that believeth not shall be condemned" (Mark 16:16). All men must believe the gospel of Jesus Christ and then be baptized trusting God to raise them up to walk in newness of life.

What Saith The Scriptures?

Jon N. Bailey

Question: What is baptism and how is a person to be baptized in obedience to Christ?

ANSWER: The word "baptize" as used in the scriptures is defined as "to dip, submerge, immerse". The word "baptism" is defined as "immersion, submersion". The baptism which all men must submit to in order to be saved (Mark 16:16) is an immersion in water.

John the Baptist, who first came baptizing people, baptized in the water of the Jordan River (Mark 1:5, 9). At a later time he "was baptizing in Aenon near to Salim, because there was much water there" (John 3:23).

Jesus commanded his disciples to "make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit" (Matt. 28:19). Men who believe in Jesus become disciples, therefore, when they are baptized as Jesus commanded. In the New Testament, when a disciple of Christ baptized a person who believed in Jesus, "they both went down into the water...and he baptized him..." (Acts 8:35-39).

Of this immersion in water, the apostle Paul wrote "Are ye ignorant that all we who were baptized into Christ Jesus were baptized into his death? We were buried therefore with him through baptism into death: that like as Christ was raised from

### Facts About The BIBLE BY JOHN LEHTI

... HOWEVER, ON THE NIGHT OF HIS BIRTHDAY FEAST, HERODIAS' DAUGHTER DID SUCH A SPECTACULAR DANCE IN HIS HONOR THAT KING HEROD DANCED WITH AN OATH TO GIVE HER WHATEVER SHE ASKED AS A REWARD. AT THE INSTIGATION OF HERODIAS, THE DAUGHTER ASKED FOR JOHN THE BAPTIST'S HEAD! HEROD COULD NOT GO BACK ON HIS KINGLY VOW, SO....

JOHN THE BAPTIST WAS IMPRISONED BY KING HEROD FOR PREACHING THAT THE MARRIAGE OF HEROD TO HERODIAS, HIS BROTHER'S WIDOW, WAS UNLAWFUL. HE WAS AFRAID TO KILL JOHN, A HOLY MAN AND PROPHET, BECAUSE THE PEOPLE MIGHT RISE AGAINST HIM....

... HE SENT A DECREE TO THE PRISON AND ORDERED JOHN'S BEHEADING. THE DECREE WAS CARRIED OUT AND THIS GOOD MAN'S HEAD WAS THEN PRESENTED TO HERODIAS' DAUGHTER!

NEXT WEEK: A PROPHET WHO WOULDN'T FORGIVE THE PEOPLE, THOUGH GOD DID!

## COMMENTARY

By Myrtle Owen

Galatians 3:13-14, "Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is everyone that hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith." The first curse that God said would come upon man for breaking His law is found in Genesis 2:17, when God said to Adam, "in the day that thou eatest thereof thou shalt surely die."

# Weddings

**Mr. And Mrs. Bobby Coonrod**

Becky Moore and Bobby Coonrod were united in marriage Jan. 19 at 3 p.m. in the First Baptist Church, May, with the Rev. Bill Campbell, pastor, officiating the double ring ceremony.

The bride, daughter of Mr. and Mrs. S.M. Moore of May, is the granddaughter of Mrs. Charlie Moore of May and the late Mr. Moore of May and Mr. and Mrs. Jerl Erwin of Rising Star. The bridegroom, son of Mr. and Mrs. James Coonrod of Arlington, is the grandson of Mrs. J. Coonrod, also of Arlington.

The Baptistry window of the church formed the

background for the tall, white wrought iron candelabra that were entwined with greenery. Each candelabra held seven white candle stands with tulip-like candle cups. Cranberry color satin ribbons, bows and white satin streamers adorned each candelabra.

Mrs. Paul Moore, pianist, played "Whether Thou Goest," "Love Story" and "Wedding March."

Candelighters were Crissy Moore, sister of the bride, and Debbie Burnett. They wore floor-length, cranberry color dresses.

The bride, given in marriage by her father and mother, was at-

tired in a floor-length bridal gown fashioned of chiffon over acetate. The dress featured a full skirt with a short train. The fitted bodice had a deep yolk lavishly appliqued with silk lace. The scooped neckline and hi-rise collarlette in back were also appliqued in lace and the long, sheer sleeves were gathered to wide cuffs of matching lace. Both neckline and cuffs were outlined in balls of small white beads. Her headpiece of matching lace held the mid-calf-length veil of chiffon. The bride carried a cascade of pink and cranberry mums on white scalloped lace, accented by pink streamers tied in love knots. She wore a double strand of pearls that belonged to her great-grandmother.

Attending the bride as maid of honor was Sue Newman. Denise Seth of Victoria and Janet Nelson were bridesmaids. They wore identical cranberry color gowns of semi-sheer silk crepe. Each carried three pink silk carnations adorned with cranberry color ribbon and streamers.

The groom wore a dark gray corduroy vested suit with white open-neck shirt and a white carnation boutonniere.

Johnny Jackson, attending the groom as best man, wore a gray suit. Jimmy and Doyle Coonrod, brothers of the groom, served as

groomsmen. Their matching suits were brown corduroy. Their shirts and boutonnieres matched those of the groom.

Ushers were Kenny Highnight and Jimmy Simpson. Becky Windham and Janette Holms registered the guests in the church foyer.

The bride's mother wore a street-length blouson dress of soft beige Qiana with matching shoes and a corsage of pink carnations. The groom's mother chose a street-length two-piece dress of beige and gray with a beige blouse.

After the ceremony, a reception was held in the May homemaking cottage.

The bride's three-tiered white cake was decorated with small cranberry color flowers and tiny green leaves. Pink roses topped each tier, separated by white Roman columns. The cake was topped with ruffles and a miniature bride and groom in front of a heart-shaped arch.

The bride's table, draped with a light beige lace cloth over cranberry polyester, was centered with the bridal bouquet and two white doves. Cranberry punch was served with the cake from silver and silver appointments.

The cake was served by Buffy Simpson and Pam Holmes. Tonja Crafton and Kathryn Roberts served the

punch and Crissy Moore and Debbie Burnett distributed the rice bags.

After a short honeymoon, the newly weds will reside in Arlington.

The groom's parents hosted the rehearsal dinner at the home of Mr. and Mrs. Charley Jackson.

Out-of-town guests were from Arlington, Talpa, Rising Star, Abilene, Fort Worth and Victoria.

A graduate of May High School, the bride has been employed by West Texas Printing Co. in Brownwood. The groom, also a graduate of MHS, is employed by Tom's Plumbing Co. in Arlington.

The bride was honored with a bridal shower in the homemaking cottage in May and also a surprise party, with miscellaneous gifts, hosted by West Texas Printing Co.

Another party-shower was given by the groom's friend in Arlington.

### KIDS WILL BE KIDS

By Jackie Bibby

I saw an old friend today and we started talking ole times. We laughed a lot about how wild we were.

Soon we had begun reliving, all our old crimes. You know? My friend said, Kids are a lot different today.

Than they were away back then. Things they do today can't begin to compare with all the meanness we got in.

Yes, the money was tight and times were hard, it didn't seem to me.

Anymore nobody seems to understand, lotsa fun things things are free.

What ever happened to the way we were? And where are the good ole days?

It seems like nobody has fun anymore. In none of our old ways.

If someone had only followed us, when we were in our prime.

They could truthfully say to you, We had a Dam good time. My friends and I talked long into the night, the time

Sure slipped away fast. It's really quite easy to lose track of time when you're

Living in the Past. Since my friend left some time ago,

I Wonder, How much do we really know? Are things really different than in our days

Or have we only forgotten many of the old ways? So Kids have fun in the same old way

As they've always done day after day. It's simple why it took so long to open my eyes,

Begin to understand and somehow realize, Fun to a kid is the same as it will always be.

But the reason at first that I didn't see, Today it is they who are having fun

When yesterday it was me!

# GORDON SPOT

The energy crunch has caused a number of people to return to the use of wood burning stoves for heat. The fireplace is also being used more and more the last few years. Once again wood ashes have become plentiful around many homes. As a result, we often get questions concerning the value of wood ashes as an additive to garden soil.

One question frequently asked "Are wood ashes beneficial?" It depends on your soil, but generally yes, it can be beneficial. This is especially true if your soil is acid and low in potassium, calcium and magnesium. Most of our Eastland County soils are alkaline, which means the PH is high. Since ashes have a high PH they tend to make alkaline soil even more alkaline and this ties up some of the nutrients. Therefore, we can say that ashes would be beneficial in acid, sandy soils, but not on black or heavy clay soil.

Ashes can be harmful if too much is used. The PH of most ashes is about 10 to 12 which is very high, since about 80 to 90 percent of wood ashes are water soluble mineral matter, high rates can cause salt to build up in soils, resulting in plant injury.

If your soil is acid (below 7 PH), you may use up to 15 or

20 pounds of dry wood ashes per 1000 square feet of garden area. For lawns, keep below the 15 pound level. For flower beds, apply about one pound per 100 square feet.

Always consider the following general rules in applying wood ashes:

1) Do not apply wood ashes to your garden more than once per year.

2) Wood ashes are very low in nitrogen; so, add additional nitrogen fertilizer with the ashes.

The actual nutrient content will vary with the material burned. The following list is an average for both soft and hardwoods:

Constituent	PerCent
Phosphorus	1.80
Potassium	5.46
Calcium	23.30
Magnesium	22.14
Iron	2.80
Copper	.13
Manganese	.75
Zinc	.20
Carbonate	23.31
Chloride	.23
Sulfur	.38
Boron	.15

Wood ashes do have value and can be beneficial, but know your soil before you apply. If in doubt, obtain a soil test. Mailing cartons and instructions are available at the County Extension Office.

## Senior Citizens Obtain Piano

We have obtained that much needed piano, Thanks to all of you who called and let us know about different ones. The piano cost about \$400. The "Starbrites" donated \$150 at practice Sunday evening. If any of you would like to donate to this fund, we would all be grateful. It sounded so great Luella could hardly stop playing and we were all wearing a great big grin.

The Rehab officials have notified us that the quilt we gave them brought \$275. That isn't bad considering that it wasn't shown or mentioned on the telethon program.

The "Starbrites" have a new experience each time we play. Our program at De Leon was no exception. Friday, the 22 of Feb. At the birthday party a lady taped the program. She said "I am going home and listen to it all over again." The De Leon club is getting a new center and where they meet now will be used for a library.

Thirty three members of the Cisco choir group sang for us last Thursday. They invited us to sing along. That has inspired us to sing more especially now that we have the good piano. They brought food and ice

and we enjoyed every minute of the patriotic and religious songs. Reporter, Rilla Richburg

# Jan Herring Exhibit Opens Monday

The ninth annual art exhibition, featuring the paintings of distinguished master technician, teacher and professional painter, Jan Herring, will be displayed in the lobby and conference room of the Eastland National Bank February 25, 1980, through March 7, 1980, and art lovers are extended a cordial invitation to visit during regular banking hours during this time. The exhibition, composed of oils, watercolors, and enamels, is being scheduled in conjunction with Mrs. Herring's popular annual two-week art workshop in Eastland.

Regular classes for the workshop are already filled to capacity with a waiting list in case of cancellations, but there are a limited number of classes available for the afternoon lecture-demonstrations. Anyone interested in these should contact Mrs. Austin McCloud at 629-1598 to secure the necessary reservations.

Jan Herring attended an opening exhibition in Longview Saturday, February 23rd, and will arrive in Eastland late Sunday. In addition to the Longview and Eastland exhibitions, she will be exhibiting at Columbia Basin College in Pasco, Washington from March 4th to April 4th, during which time she will conduct a three-day seminar. From there she will go to Portland, Oregon and Pocatello, Idaho, where she will be conducting workshops. Other workshops planned for this year will include Pensacola and Panama City, Florida, Cloudcroft, New Mexico, Pocono Pines, Pennsylvania, and Ulysses, Kansas. She is also planning an exhibition with the South Arkansas Art Center in May.

An expert on composition, she has authored the very successful "The Painter's Composition Handbook" in which her original ideas give the student a practical as well as creative approach to the designing process. Her latest book, "The Painter's Complete Portrait and Figure Handbook", is uniquely designed for the artist enabling him to master the difficult head and figure with natural artistic symbols.

Among the major awards and recognitions Mrs. Herring has received are included the following: American Artist's Gold Medal; New York City Center prize for oils; New York Allied Artists Heydenrick Award; El Paso Sun Carnival, first oils; Nomination, Ford Foundation. ## Thank You

We'd like to take this opportunity to express our appreciation to the good people of Eastland County for the confidence that they've placed in our firm for the past 30 years. Way back in 1950, we started out with one employee. Throughout the 30 years we have been in business here, we've constantly tried to give good value, good service, and treat every customer fairly. It's a fact that that kind of attitude works, because 30 years later, we've grown and grown. We now have 11 employees, and thanks to our faithful customers, we're still offering the same principals, and hope to be for many years to come. We hope you'll drop by, and let us thank you personally for having had the privilege of serving you these many years. And in the future, we hope that you'll remember CITY GARAGE when we can be of service to you. We believe that 30 years of experience makes us qualified to say that "We'll treat you right."

### Musical Program Given At Saturday Club Meeting

Linda George opened the Saturday Club meeting by asking Emma Jean Steel to offer the invocation, followed by the Pledge of Allegiance, led by Olive Schaefer.

Irene Mayfield, program chairman, introduced Mrs. Rex (Norma) Bessent of Brownwood, who presented the musical program.

Norma is a graduate of Howard Payne University, organist of the First Baptist Church, and plays for other organizations in Brownwood.

Norma is a former public school music teacher in Hurst and Brownwood and a member of Delta Omnicron Music Club.

The piano selections included "Clair De Lune," "Moonlight Sonata," "Melody of Love," "Autumn Leaves," and "Indian Love Call."

With Linda leading and Norma as accompanist, the members all sang "I Wonder Who's Kissing Her Now," "My Bonnie Lies Over the Ocean," "Bicycle Built for Two," "Oh! Susanna," "K-K-K-Katy," "Wait for the Wagon," "Billy Boy," "The More We Get Together."

During the business meeting, Emma Jean read the minutes and Blanche gave the treasurer's report. Irene reported that

Mrs. Dee Breeding was purchasing twelve new chairs for the club.

The club voted to buy a new refrigerator, make necessary repairs on the library building, and to purchase new curtains.

The refreshment table depicted the patriotic theme of February. The red and white pin dot tablecloth was draped with miniature American flags with a jade tree, decorated with cherries, flags, and tied with red, white, and blue ribbon as the centerpiece.

### Applications

Applications for admission to the August 1980, class of the Cisco Junior College Vocational Nursing program on the main campus in Cisco are now being accepted, according to Technical-Vocational Dean, Gerald Bint, and the program instructor, Mrs. veneta Mitchell.

Plans are underway to begin pre-testing applicants in March, so those desiring to take advantage of this program should make applications as soon as possible.

This twelve month program will hold classes on the campus with clinical work to be done, on a rotating basis, in the E.L. Graham Memorial Hospital in Cisco and the Eastland Memorial Hospital in Eastland.

Satisfactory completion of the program entitles the student to a graduation certificate from the school and to take the State Board Examination. Upon successful completion of the state board examination, the graduate will receive a Licensed Vocational Nurse Certificate.

A prospective student must be at least 17 years of age, and in good physical and mental health.

Students must be a high school graduate or furnish a GED establishing high school equivalency.

Both Dean Bint and Mrs. Mitchell urge any interested persons--

male or female--to contact either of them for additional information. They both may be contacted in the Vocational-Technical Building on campus or by telephoning 817-442-2567.
