Wildcats Win Opener Against Eden

Bouncing back from a 1-9 season last year, the Wildcats surprised favored Eden 20-7 in the football opener for both teams Friday.

Jerry Lunceford's two touchdowns led Rising Star. The Wildcats led 14-0 before Eden got on the scoreboard before halftime.

Mike Holden opened scoring in the first period, when he found pay-dirt from three yards out. Lunceford's four-yarder ran it to 14-0 in the second quarter.

Eden had to beat the clock to score its only touchdown of the night. Mario Rogers scored on a 10 yarder from Mike McIntosh with twenty seconds left before the half. Keith Dilliard's extra point cut the Wildcat's lead to 14-7.

But the Wildcats put the game on ice in the fourth quarter, when Lunceford scored from the three.

The Wildcats showed good tough offense and a tough, strong ground offense that limited Eden to 74 yards. The Wildcats netted 303 yards on the ground and completed six of ten passes for 97 yards making the total offense 400 yards even.

Eden did most of their damage to Rising Star in the air, completing 9 of 16 passes for 137 yards.

The Wildcats take on Throckmorton, at the

75 Persons Register At Trail Blazers Reunion

Dr. Charles Barnes expressed the feelings of 75 Trail Blazers who registered on Saturday when he began his informative and inspirational address with the words, "I am proud to

be from Rising Star, Texas." "We in Nassau are as you and our forefathers who blazed the trail—one step at a time; only, we are trail blazers in the sky—with the space program."

Dr. Barnes presented the many accomplishments

since the landing on the moon, and the listener realized that the space program has just begun.

O.R. (Dutch) Shults, president, welcomed the members and asked Rev. Bill Easley to give the invocation.

Music was outstanding with the following contributing both popular and religious songs: Dorothy Shook, Bonnie Polk, Bryant Houston, Nell Maynard, and Rev. R.D. Williams as leader for group singing.

Following the program, a short business meeting was held with the reading of the minutes by Emma Jean Steel, secretary, and the treasurer's report, Adelia Shults.

A catered lunch by Quick-way was served in Fellowship Hall.

Mr. and Mrs. W.L. Young Celebrate 50th Wedding Anniversary

Mr. and Mrs. W.L. Young of May were honored with a reception on their Golden Wedding Anniversary in the home of Mr. and Mrs. Givins Lawrence in Matador, Texas recently, hosted by their four children, Mrs. George Konduris of Abilene; Mrs. Billy Hale of Irving, Texas; Mrs. Givins Lawrence of Matador and Larry Young of May.

Mrs. Larry Young of May registered the guests in a golden wedding book with a gold pen, a gift from Mr. and Mrs. Bill Dennard of Rising Star. The book was resting on a lace doily, placed beside a golden money tree, a gift of the children.

Mrs. Lawrence welcomed the guests to the come and go event, and presided at the gift table that was draped with a white lace cloth. Approximately sixty guests attended.

The large three tier wedding cake was decorated with white flowers and gold leaves. Each tier was separated with four tall white columns and adorned with white scallops all around with white flowers and golden wedding rings and gold leaves at the top of each scallop tip. The top of the cake was graced with a bride and groom standing on a white pedestal in front of a white sheer net and lace arrangement topped with a golden "50".

Mrs. Young wore a floor length gown of soft pink knit with accordin pleated skirt, with a fitted bodice and a matching color full sheer cape that formed the below elbow length sleeves and flowed below the waist line. Mr. Young chose a blue suit with a beige and blue shirt, blue tie, white belt and shoes.

Mrs. Young, daughter of the late Mr. and Mrs. I.N. Plumlee was born in Roaring Springs, Texas and moved with her parents to Matador when a small child, where she grew up and finished High School and lived until her marriage. Mr. Young, son of the late Mr. and Mrs. William Oscar Young was born near Slidell in Wise County and grew up there.

Jimmye Irene Plumlee and Willard Lee Young were united in marriage in Paducah, Texas on August 9, 1929 with A.S. Crump officiating in the ceremony.

The Youngs are the parents of four living children: one daughter, Carol Young, died at the age of eight with polio. They have seven grandchildren, Rev. Rickey Lawrence of Matador; Katha Lara of Lubbock; Vickey Edwards of Floydada; David Knache of Brownwood; Eddy Jamison of Wyoming; and Angela and Ryan Young of May. They have five great grandchildren, Sean and Jody Ramsey of Lubbock; Pamela and Dustin Bishop of Floydada and Chad Lawrence of Matador. All the descendants were present but one grandson, Eddy Jameson.

The round refreshment table was draped with lace over a white base cloth holding the wedding cake and a crystal punch bowl of golden fruit punch, with white napkins etched in gold, with the honorees names, "Jimmy" and "Willard" in gold with matching plates and punch cups. Floral arrangements of home grown roses and greenery were used through out the house.

Mr. and Mrs. Young repeated their wedding vows in front of a large mirror beside a picture window, in the living room of the Lawrence's home. A grandson, the Rev. Rickey Lawrence, officiated. He is an associate pastor of a non denominational church in Roaring Springs.

COMMENTARY
By Myrtle Owen

(2 Peter 1:2-11), Growing in Grace,

Grace and peace be multiplied unto you ythrough the knowledge of God, and of Jesus our Lord. According as His Divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of Him that hath called us to glory and to virtue: Whereby are given unto us exceeding great and precious promises:

that by thes ye might be partakers of the divine nature, having escaped the corruption (or the degeneration) that is in the world through lust. And beside this, giving all diligence, add to your faith virtue; and to vitrtue knowledge; and to knowledge temperance; (or self-control) and to temperance patience; (endurance) and to patience godliness; and to godliness brotherly kindness; and to brotherly kindness charity (or love). For if these things be in you, and abound, they make you what ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ. But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins. Wherefore (or, so then) the rather, brethren, give diligence to make your calling and election sure; for if ye do these things, ye shall never fall: For so an entrance shall be ministered unto you abundantly into everlasting kingdom of our Lord and Savior Jesus Christ. (The children of God and righteousness) 1 John 2:28-29). And now, little children, abide in Him; that when He shall appear, we may have confidence, and not be ashamed before Him at His coming. if ye know that He is righteous, ye know that every one that doeth righteousness is born of Him.

The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

FROM THE EDITOR

Do you know how many illiterates American high schools turn out each year? Surveys show that one out of every five cannot read and write well enough to fill out a job application. It seems so sad and such a waste. Children now aren't any less intelligent than twenty years ago. If anything they're probably brighter. After all, they managed to convince adults to soften school standards, haven't they? We now have open concept in many schools, many have no report cards of any kind and discipline in many schools is almost non-existent. I don't believe we have these problems, but American schools as a whole are below the standards that we must maintain in order to remain the great country we are now and have been. How long has it been since you saw your teenager reading a classic instead of cruising the streets or listening to rock-n-roll?

WORDS ON THE WILDCATS

Last Friday night the Wildcats went to Eden, to open the 1979 football season. The Wildcats opened the season with a victory by zipping past Eden with a 20-7 win. Rising Star never trailed in the game and Jerry Lunceford's two touchdowns put the game on ice. Mike Holden opened the game scoring from three yards out. The Cats showed lots of tough offense and a strong ground defense. Friday, September 14, the Cats play Throckmorton at home, in Wildcat stadium. Everybody come watch the game, and see the new clock and pressbox.
 Gwynn Tharp

IN THE FISHBOWL

The Freshman class has some new students this year. We have three people, Lisa Brown, Ricky Garcia, and Randy Guidry are returning to Rising Star and have attended school here before. The two new students we have are: Tim Evans from May and Shyane Clark from Odessa. Both boys are in football.
 The freshman football boys are: Jerry Harris, a guard, Tod Herring, guard, Bryan Switzer, end, Brent Holden, back, Tim Evans, back, David Watson, tackle, Daryl

Watson, and Billy Justice, tackle. We wish them all good luck.
 S.P.

STEPPIN' UP

Well here's another week of school. Some classmates say good, some say I could care less if school goes on or not. Oh, well, that can be expected.
 We have done some more electing in our class. Class Favorites are Jon Vaughn and Angie bass. Our room mothers are Mrs. Jack Shults and Gerri Cooper. We decided to have two room mothers because This Job Is Just Too Much For One Mother.

Our classes aren't going too well yet. We have been studying in all classes. Our classes include Physical Science, P.E. or Band, H.E. 11 or V.A. 11, English 11, World History, and Algebra 1. This bills you in what we do all day. The Cats are off to a good start. The Sophomores hope they keep up that spirit. Well, so long for this week.
 Margaretta Lankford

ALMOST THERE

Hello everybody, here's from those Juniors. This week was pretty busy especially in English. A Vocabulary Test one day and a five-page research Paper the next. Everyone is really griping, especially those fishy Freshmen, but that is only natural. Nobody had any complaints about the score of the football game Friday night. Ya did good guys! See ya next week.
 Charlene

AT THE TOP

The Seniors have begun to fall into the routine of going to class and doing homework. The main concern this week is the five-page outline for the English Research Paper due Sept. 17. Good luck in finding some books.
 Work is not the only thing the Seniors know how to do. We have lots of spirit. Karla Bowers showed she had some spirit when she won the Spirit Stick. Friday night all our spirits were high as our boys beat the Bulldogs of Eden. While we were cheering our boys we were also missing Marilyn Wilson, who is in the hospital in Eastland. Get well Maryilyn, we miss you!

BIG BLUE BAND

The Band performed in their first game of the season Friday night Sept. 7. Mr. Taylor was well pleased with our marching and playing, which made each of us feel rewarded for all the work we had put into it.

The football boys played a great game and won 20-7, so we were all happy.

The Band Boosters have organized and elected officers. They are Pres.--rex Long, Vice-Pres.--Martha Fortune, Sec.--Sue Barnes, Treas.--Cynthia Jones, Reporter--Roberta Wilson. The membership drive is under way now. For the first time in several years the Band Boosters are trying to invilve the whole community in supporting the band. You can be a Band Booster even if you do not have a child in the band, or even in school. Membership is \$1.00 per person. Anyone interested may contact any of the Band Boosters.

There will be an Ice-Cream Supper (homemade ice-cream) at the Methodist Church basement Saturday, Sept. 15, at 8:00 p.m. All Band Boosters and band members are invited.

See Ya there,
 Amy

IN THE KITCHEN

The Rising Star F.H.A. is starting out with a great year. Thanks goes to Mr. Seals and Mr. Fortune for letting Teresa Underwood and Angela Clay paint our kitchens. They look nice and it brightens up the Homemaking Department very much!

Wednesday, Sept. 12, first period there will be an F.H.A. meeting.

F.H.A. dues need to be paid. They are three dollars this year. You must have them in order to have your picture in the annual.

See You Next Week,
 Taby Chambers

SOMETHING TO CHEER ABOUT

We were glad to see the crowd at Eden last Friday night. For those of you who missed it, the Wildcats won their season opener, 20-7. We're off to a great start and hope for more of the same.

Stretch your energy dollars-- install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Wheels For Life Bike Ride Fights Childhood Cancer

Wheels For Life Bike Ride Fights Childhood Cancer

Rising Star Bike-a-thon chairman, Doug Owen, today asked Rising Star residents to participate in the St. Jude Children's Research Hospital "Wheels-for-life" Bike-a-thon, Sept. 22, 1979.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

Doug said this year's ride is being dedicated to Lisa, a leukemia patient at St. Jude. "By riding for Lisa, we'll really be helping all stricken children since research is the only

way these illnesses can be conquered," Doug said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25.00 will receive a back pack, said Mr. Owen. "We also have prizes for other riders." Sponsor forms are available from him and will be made available through the downtown businesses.

"You can put your muscles to work for a child's life in this Bike-a-thon," Doug said. "We need every bike and every rider."

Interested persons can contact Doug Owen, Box 602, Rising Star, Texas 76471. Ph.643-7131

St. Jude Hospital was founded by entertainer Danny Thomas, and operates primarily from public contributions.

Members Of Rising Star Fire Dept. Attend School

Six members of the Rising Star Fire Dept. attended a fire school at Abilene, August 27th through Aug. 30th. The classes were from 7-10 each night, sponsored by the city of Abilene and Texas A & M. Those that went brought back valuable information to those that didn't get to go on how to handle transport truck lines that are hauling different types of gas, butane, propane, fertilizer and insecticides that are explosive or flammable. We also learned a great deal about air packs and oxygen masks. We got actual training on house fires, car fires, butane fires, natural gas fires, and oil fires.

We also had a 3-hour class on how to remove the injured from wrecked vehicles. This is the third year the Dept. has attended the school. Each year each attendant earns 12 hours credit towards being certified. If we can get in enough hours to get part of our fire personnel certified, it will lower our fire insurance in the city and community.

The Rising Star Fire Dept. answered nine fire calls in the month of August. On Aug. 2, there was a grass fire at the Wylie Well Service; on the 9th a grass fire at John Nunnally's residence; on the 10th, two oil tanks north of town was set fire by

lightening; on the 15th they were called to stand by an overturned truck on highway 36 east of town; on the 20th the trash was burned at the gate of the city dump ground; on the 25th a truck caught fire and burned on 183 south. The truck was being driven by Mr. and Mrs. Alvis E. Moore; on the 27th they were called to May, where they had a

fire in the Post Office; also on the 27th they answered a call to a fire at the cemetery; on the 31st a grass fire at home of Claudy Fox.

The Dept wishes to thank Mr. and Mrs. Louis Mayfield and Mrs. D. breeding for their contributions to the Dept. It helps to keep our Dept. going.

Until next time God Bless.

The RFM7800 is the microwave oven she's dreamed of. With a touch of the finger she can tell it exactly what to do and it remembers. Naturally, it cooks by time. All mom has to do is tell it how long to defrost, and cook, and when to have it ready. *Tmk.
