

## Dewain Finley Named Coach At Rising Star

**Dewain Finley**

In recent action by the Rising Star School Board of Trustees, Mr. Orville Dewain Finley was hired as High School Coach. Mr. Finley is presently coaching at McMurry College in Abilene.

Mr. Finley was born October 8, 1943 in Stamford.

He graduated from Anson High School. Following graduation, he attended Baylor University where he received his B.S. degree in Physical Education. He later attended Abilene Christian University where he received his M. Ed. in Supervision.

Finley has taught in Richfield High School in Waco, Lueders-Avoca Junior High and High School for three years where he was head football coach for three years (six-man) and head track coach, Albany High School for six years. Here he was Assistant Football coach and head track coach for five years--winning two District Championships. During his stay at McMurry College he was assistant football coach for three years where he took a losing program and turned it into a winning one. His first year the record was 3-8, second year (6-4), third year (7-3), and fourth year (8-3), the best record McMurry has had in ten years. Finley was also head track coach and in charge of the off-season programs. It is a recognized fact that the big reason for McMurry's great improvement to three

winning seasons in a row is the off-season program at McMurray.

Finley has taught from April of 1976 to present the following subjects: 1. Physical Education-Physical Conditioning; 2. Physical Education-Team Sports; 3. Physical Education-Fitness for Living; 4. Physical Education-Coaching Major Sports; 5. Physical Education-Football Scouting; and 6. Physical Education-Caring for Equipment.

Finley is married to the former Linda Bennett. She received her B.A. degree from Baylor University with a major in math and business and has three years experience.

The Finley's are the parents of three daughters: Melinda, 13; Lori, 10 and Marsha 5.

### Bike-A-Thon

THIS IS IT--This is the week of our BIKE-A-THON!

The volunteer workers have contacted businesses to sponsor these kids to ride.

Few opportunities come our way that are more urgently needed than the fight against children's lung disease.

Every day five new lives begin with Cystic Fibrosis. Every day three lives are lost because of this tragic disease. These are grim facts; but C.F. is a grim disease--causing complications mainly in the lungs and digestive system. The disease takes the lives of half its victims before age 19. C.F. is presently incurable.

To help raise funds for the vital research and patient care and education programs benefitting children with cystic fibrosis--the Bike-A-Thon and the door-to-door contributions that this community is engaged in will help buy time,

## All-Sports Banquet Held Monday

Photo By Brad Barnes

Parents, teachers, students and guests all enjoyed the Monday night, April 28th annual All-Sports Banquet. The Banquet was held in the Rising Star High School gym beginning at 7:30 p.m.

Kyle Williams opened the banquet with the invocation.

A delicious meal of chicken, ham, roast beef, potatoes, green beans, salad, hot rolls, assorted desserts and iced tea was served to over 100 in attendance.

Kathy Woody, head cheerleader welcomed one and all.

Shelly Gray introduced the guest speaker, Mike Howard. He is a 1949 graduate of Rising Star High School. He was a quarterback on the Championship team of 1948 which was the first Wildcat undefeated team in history--but not the last. Howard began his law enforcement career in 1951 by serving two years as a Military Policeman in the U.S. Army. He then attended Decatur Baptist College, receiving an AA degree in Physical Education. Following this, Howard went to North Texas State University receiving a BS degree in Government, History and Education. Mike spent seven and one-half years as a City Policeman, and was then recruited into the United States Secret Service in Dallas, Texas. He was assigned to the White House during the Kennedy Administration. After President Kennedy's assassination, Howard was assigned to Lee Harvey Oswald's wife, two children, mother, and brother, hiding them out for six days and nights, for fear they would be killed in retaliation for the President's murder. Howard was then assigned to President Lyndon Johnson and his family. When President Johnson decided not to run for office in 1968, he asked Mike to "Go home to Texas" with him. Mike became Special Agent In Charge of the Johnson Protective Detail in 1969, and remained with LBJ until his death in 1973. He was head of Mrs. Johnson's detail until

his retirement in 1974.

Howard now resides at the Twin Arrows Ranch northwest of McKinney with his wife Martha, 4 dogs, 2 cats, 6 horses and a few cattle.

**Cisco Shooting  
Incident Clarified**

The facts concerning an incident in Cisco Monday aren't exactly as reported in an out-of-town newspaper Tuesday morning, according to law enforcement officers here.  
The report indicated that Sheriff Johnnie W. Morren had been "traded" in exchange for Cisco Police Chief Kenneth Eaves.  
Sheriff Morren gives this account:  
"Between 6:30 and 7 p.m. Monday, Chief Eaves called me and told me that Bill Swindle wanted to talk to me. I asked Eaves if he was in danger. He said, 'I don't think so.'"  
I asked to speak to Swindle, and asked him if he was holding the lawmen. He said, "No, I want them to leave."  
Texas Ranger George Frasier, who was at the scene shortly after the incident began, said Tuesday that Swindle was holding a gun on Chief Eaves at the time of the telephone conversation.

Later Eaves and Swindle came out of the house and Frasier met them, and Swindle agreed to talk with the Ranger at gun point. When they went into the house, Frasier talked the gun away from Swindle, but he grabbed another one, and the Ranger saw an opportunity to get in from him and did.  
Sheriff Morren went on to say that he and Deputy Ben Sancillo went immediately to the Cisco address, 1010 Ave. J, and there found Ranger Frasier leading Swindle out of the house.  
The man was taken to the Justice of the Peace A.C. Holder's office where his rights were read, and charges of holding the officers were filed. Bond was set at \$5,000.00.  
Swindle also faces possible

charges in connection with the shooting of Bob Watson, who received a gunshot wound in the leg and is in Graham Hospital.  
Chief Eaves said he is grateful that the incident was concluded without some being killed.

## MAY NEWS

By Entha Campbell

Dear Sis,  
Hope everything is going well with you.

We've had very little rain, but gardens are doing well except for cut worms and birds and a few other insects. Some people are spraying the planting furrow and tomato and cabbage plant holes with a mild detergent solution which seem to be very satisfactory for getting rid of cut worms and grub worms. A few gardens display tall sticks with a 3-inch and 1-yard long ribbon tied at the top of the stick and left loose at the end to flap in the breeze. So far the birds sit in a tree or on a fence and just watch. May be worth trying.

Mr. and Mrs. Bobby Driskill visited her father, Mr. and Mrs. Frederick Ashworth in Wichita Falls recently.

Mr. Howard Strickland of Blanket visited in the May Community last Tuesday.

Mrs. Ella Holt received several cracked ribs when her car overturned about 6 miles north of May shortly after 12 p.m. on April 21. She is still in the Brownwood Com-

munity Hospital in stable condition.

Mrs. Sook Burnett took Mr. and Mrs. Woodson Emfinger and Roy Don to their doctor in Eastland on April 21.

Mrs. Eva Ashworth and Entha Campbell attended a funeral in De Leon last Saturday. The funeral was for a Mr. Engle, a brother of Donald Engle of near May.

Why will God perform this? Verse 29 contains the answer: "For the gifts and calling of God are without repentance." God chose Israel (see Deuteronomy 7:7) and He has never abolished His selection. Therefore, Israel remains God's chosen people and heir to His promise as stated in verse 28, as concerning the gospel, they are enemies for your (the Gentiles) sakes: but as touching the election, they are beloved for the Father's sake. With this background, one begins to realize that Matthew 24 is spoken to Israel rather than the Church. The signs are not pre-Rapture signals but post or after the Rapture signposts for Israel. They point to the coming of Christ to this earth as King of KINGS and Lord of LORDS (Revelation 19:11-16). Can one prove that these signs are for Israel? DEFINITELY.

## Oil News

## COMMENTARY

By Myrtle Owen

This chapter discusses Matthew 24:3-14. This text undoubtedly has been the most misunderstood of all prophetic pronouncements. The problem has arisen because multitudes fail to see that God has two elect groups upon earth-Israel (Romans 11:28) and the Church (1 Peter 1:2). Romans, chapters 9-11, tells the entire story of God's chosen people, Israel. Chapter 9 concerns Israel's past, Chapter 10, her present and Chapter 11, her future. Regarding her glorious past, Romans 9:4 declares that Israel was given the promises, including prophetic pledges. In Chapter 10, verse 16, we find: "But they have not obeyed the gospel. For Esaias saith, Lord, who hath believed our report? (AMONG THE JEWS). Presently they are blinded to their calling and promises, but in the near future, (Rom. 11:26...all Israel shall be saved: as it is written, There shall

come out of Sion the Deliverer, and shall turn away ungodliness from Jacob."

## Kenneth Eaves Issues Sheriff Statement

Kenneth N. Eaves, age 34, has filed as a candidate for Eastland County Sheriff in the upcoming Democratic Primary. Mr. Eaves is currently serving as Chief of Police in Cisco.

Eaves has over 1100 hours of law enforcement training including the Austin Police Department Academy and In-Service Training and courses at Central Texas College. He was also chosen as one of the five from among 450 officers to receive special training at the FBI Academy in 1974.

Eaves has been commissioned as a Texas Peace Officer since 1971. He has a total of seven years experience including Austin where he served on patrol and traffic and a special assignment unit working plain clothes in high crime areas and the Hays County Sheriff's Office. He served briefly in the Eastland

County Sheriff's Office during the summer of 1979 resigning shortly after Ronnie White. In July he accepted the position as Chief of Police for the City of Cisco.

Eaves is a native of Carbon. A 1964 graduate of Comanche High School, Eaves has sixty college hours. Most of these hours were received in 1964 and 1965 when he attended Tarleton State University.

Eaves is married and has two children, Laura Jean, age 8, and Cary Neil, age 2. His wife, Harriett Ann, received a BSEd. degree from Abilene Christian University and a MEd. from the University of Texas at Austin. She has been teaching ten years and is currently teaching English and Spanish at

Ranger High School. The couple has been married twelve years. They are member of the Church of Christ on I-20 in Cisco.

Eaves says, as Sheriff, he would strive for more effective use of man hours and investigative time. "If elected, my department will work hard to serve all citizens fairly, taking each case on its own merits and acting on each case to best serve justice and the law.

"I will encourage citizen participation in

the reporting of suspicious activities in order to insure a climate of cooperation and discourage criminal activity. I would further like to increase cooperation among municipal, county and state law enforcement agencies."

Eaves is hoping to meet as many residents as possible. However, his job as Chief of Police in Cisco must come first and politics second. If he does not get to tell you personally he would like each of you to know that your vote and support will be greatly appreciated.

### Five Times To Contact Social Security

There are 5 times a person should get in touch with a social security office, Glen Hammons social security district manager in Abilene, said recently.

Knowing the 5 times for action is too important to take for granted, Hammons said. It can mean greater security for a worker and his or her family.

The 5 times are:  
Before obtaining the first job to apply for a

social security number. This number is needed to get proper social security for earnings.

After a death in the family to learn if survivors benefits or a lump-sum death payment are payable.

When someone becomes disabled to find out if disability benefits are payable.

At retirement age. Full cash benefits are payable at 65 and reduced benefits can be paid as early as 62. People should sign up for Medicare 2 or 3 months before 65 even if they don't plan to retire.

To get the answer to any question about social security. The people at the Abilene social security office can answer such questions as:

How much credit for work is needed to be insured.

Who can qualify for benefits.

How to replace a lost social security or Medicare card.

How to get a free statement of your earnings record.

What documents are needed when applying for benefits or a social security number.

For more information, get in touch with the Abilene social security office, located at 142 S. Pioneer. The telephone number is 698-1360.

They took a look at the cotton gin location, being on the corner of their dad and mother's homestead. They talked about the cotton fields of yesterday and how their entire family worked together as a team. Nowadays we call it a clan.

Another high point of the visit was the original country music and friendly association at the little church at Echo, Saturday evening. Mrs. Steel's past husband, Sam Steel, and Calvin Woody Sir, were very active in country music in their life time. Another visit was planned for this summer.

## Draw The Line On Crime.

Alarming increases in criminal activity in our state is the biggest single threat to the well-being of Texans. It is time our elected officials start to get concerned about crime. Bob Glasgow has served for seven years as a criminal prosecutor. During that seven years he successfully prosecuted 864 criminal cases—that illustrates how he feels we should deal with law breakers. As state senator Bob Glasgow will fight for laws that protect the law abiding, not the law breaking. Draw the line on crime. Elect Bob Glasgow.

## Walt Parker is our best choice for the Texas Senate!

By any measure, North Central Texas native Walt Parker is our best choice to take the place of retiring Senator Tom Creighton in the Texas Senate, District 22.

Unlike most candidates, Walt Parker has a broad understanding of both the private sector and the public arena, and has a record of accomplishment in both.

A successful independent businessman, farmer and rancher, he knows firsthand the factors which affect our economy and job opportunities in our area.

As an experienced legislator who was elected to five terms in the Texas House of Representatives, he knows the intricate workings of state government.

And, with his impressive record of accomplishment in public service, he has proven his concern for all segments of our society.

Walt Parker is respected by his hometown neighbors and Austin colleagues alike as a man of ability, dedication and integrity. He has the background and capability to be an effective senator for our area immediately.

- ★ North Central Texas native.
- ★ Former area high school football coach and business teacher.
- ★ Elected to five terms in the Texas House of Representatives.

**Letters TO THE EDITOR**

Dear Editor,  
We are very fortunate to have serving as our Sheriff, Johnnie Morren, since July of 1979. He has been in law enforcement for thirteen years & has served as Chief of Police in Eastland for ten years. Johnnie has worked very close with the youth of our county. He gives his full

devotion to law enforcement and is supported by his wife, Bonnie. I am sure he hasn't had a chance to meet everyone as he is so dedicated to his job, but I know Johnnie to be a hard working, dependable man who gives his utmost for us all. He has received 2 awards for "Outstanding Lawman of the Year", "The Golden Deeds Awards", "Outstanding Contributions

to Eastland County Law Enforcement Association" award and a "Certificate of Merit for Outstanding Contributions to Community Progress & Community Betterment." These alone show what an outstanding job Johnnie is doing.

We (I) feel he is worthy of everyone's consideration to serve a full term as Sheriff of Eastland County.

COLLEGE STATION—Even though U.S. peanut producers harvested a good 1979 crop, their net income is down because of high production costs and low prices received.

Peanut supplies for 1979-80 nationally are estimated at 4.7 billion pounds, said Johnny R. Feagan, economist with the Texas Agricultural Extension Service, Texas A&M University System. Harvested acres in 1979 were about the same as 1978, with increased yields representing about a three percent increase in production.

Since peanut prices have been relatively low compared to competitive foods, domestic use of peanuts for food in the United States reached a record 2 billion pounds in 1979. This is the equivalent of over nine pounds of in-shell peanuts per person, Feagan said.

Peanut exports have been at record levels the last two seasons, totaling more than 1.1 billion pounds in 1978-79. Feagan said exports for 1980 look good.

"U.S. peanuts have been competitively priced in world markets since world supplies from exporting countries were down, however, India will be exporting considerably more peanuts in 1980 so this could reduce U.S. peanut exports," he noted.

Feagan said there will be little change in U.S. peanut production in 1980 because of the strict control program. Much of the increased volume comes from increasing dryland yields and favorable weather conditions.

Because of the peanut program, acreage is stable and prices do not vary much to farmers. With an average loan rate of \$455 per ton for quota peanuts, Feagan said producers feel the cost-price squeeze more each year. "Each farmer needs to know his production costs to decide how many acres he can economically produce," Feagan emphasized. Efforts

are being directed toward increasing the quota loan rate and getting an increase in additional peanut support rate up from \$250 per ton.

He said it's important that producers know in advance what rates are for their crop and contract prices for additional peanuts. In the past, shellers waited until planting time before offering a contract. This forced farmers to make hasty peanut contract decisions.

Texas peanut farmers harvested about 309,000 acres in 1979. Texas and Oklahoma producers continue to plant Spanish varieties, with the majority in the Runner variety. Feagan said Texas producers will probably plant their allotments again in 1980 and hope for a record crop.

**ATTENTION DEMOCRATS**  
**John Connally doesn't need your vote anymore.**  
**Ronald Reagan doesn't need your vote anymore.**  
**Texas does!**

Northeastern liberals have been planning for months to take over a seat on the Texas Railroad Commission—so they can continue to buy Texas energy for bargain basement prices.

They're counting on conservative Democrats crossing over into the Republican Primary to support Ronald Reagan (who now has the nomination all but assured)—leaving only liberal voters in the Democratic Primary.

If they are successful, they will elect radical left-winger Jim Hightower (not to be confused, as they hope, with conservative Congressman Jack Hightower).

Jim Nugent is the best qualified man for the job. Jim Nugent—and Texas—needs your vote in the Democratic Primary May 3.

## Adult Leaders Enjoy Ice Cream Supper

Twenty-two persons enjoyed the 4-H Adult Leader's meeting Thursday, April 24.

After everyone enjoyed the ice cream and cake, Phil Osborne, president, opened the meeting. The first item on the agenda was the leader's "share time". This is the time where leaders from various clubs in the county share their local club happenings. Joan Brown (Eastland), Wanda Boyd (Cisco), Wanetta Parson (Rising Star), Marcell Laminack (Gorman), and Vonda Anderson (Nimrod) gave their club reports. The Adult Leader's voted to financially help 4-H'ers, Robin White (4-H Exchange student) and Bud Wood (whose home was recently destroyed by fire.)

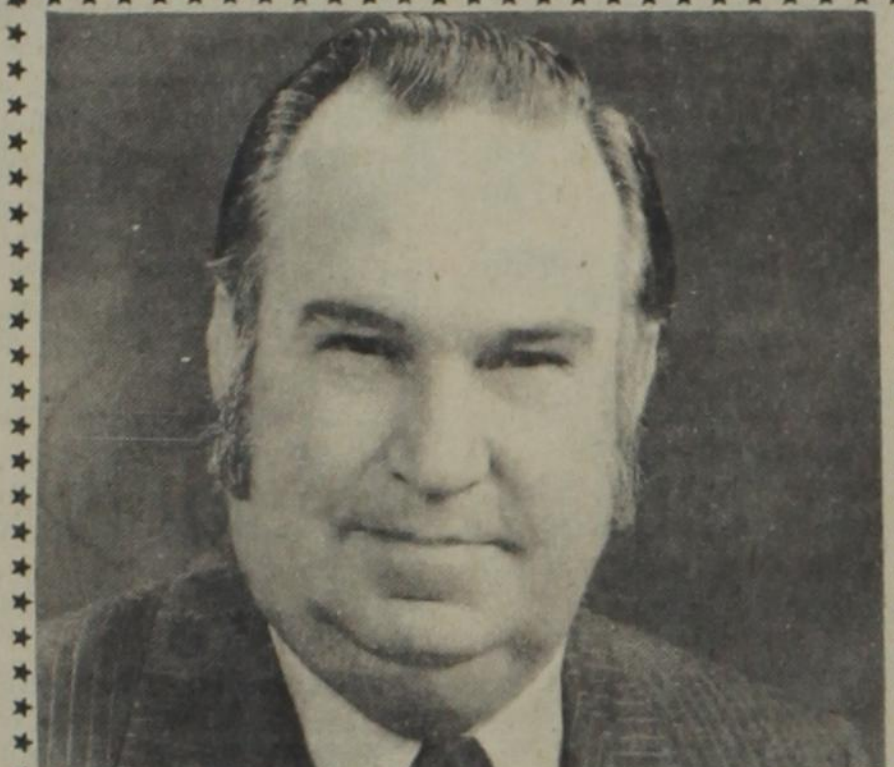

Donna White gave the County Round-Up report announcing that the District Contest was May 3 in Stephenville. Joan Brown gave a report on the progress of the Eastland 4-H Clothing Group.

The Adult Leader's Association voted to pay one-half of the 4-H'ers way to County Camp again this year. Approximately 50-75 4-H'ers are expected to attend camp this year.

A County Attendance Rule was discussed as a possible way to improve Eastland County 4-H Club program. Each leader at the meeting was to go back to their local club and discuss the matter. More discussion will take place at the May meeting.

4-H leaders and members attending were Wanetta Parson and Sany Hutton from Rising Star; Phillip, Sandra, Sue Ann and Johnnie Osborne, Don, Marcell and Nobile Laminack from Gorman; Freddie, Vonda and Scott Anderson from Nimrod; and Joan Brown, Troy and Betty Cross, R.D., Betty Jo and Truet Hart, Danny and Judy Lamberth, and Donna White.

For further information, please contact the County Extension Office at 629-2222 or 629-1093.

 \* I am concerned that so often the people who don't vote -

 \* on it is to get out the vote.

 \* won by any Eastland County Voter...who votes. So, please  
 \* vote May 3rd. We hope you vote for Truman Kirk.

 \* Judge."

 \* Eastland County is fortunate to have four GOOD At-  
 \* torneys offer themselves for Public Service. None of us is  
 \* Entitled to the job as a reward or by reason of family  
 \* background, etc., but you the voters, who are the judges in  
 \* the election, must choose the better candidates. After con-  
 \* sidering the five words which should apply to our judge:

 \* years in various phases of law, qualify me to handle the  
 \* duties of District Judge.  
 \* You can be sure that I will greatly appreciate an oppor-  
 \* tunity to SERVE you, and that as your Judge, I will try  
 \* very hard to do the kind of job that you have a right to ex-

## TO ALL OF THE THE CITIZENS OF EASTLAND COUNTY:

I wish that I could have met each and everyone of you personally, not only to ask for your vote and support, but shake your hand as a friend. Carrying on the duties of the Sheriff's Office has limited my time for campaigning, and I know that you will agree with me that my responsibilities to you, the people, must come first. To those of you whom I have missed, I take this opportunity to ask for your vote and support.

I am extremely grateful for having the opportunity to serve as your sheriff since July 9, 1979, and if you, the Citizens of Eastland County, see fit to retain me in this important office, I pledge to continue my very best efforts in safeguarding the lives and property of the Citizens of Eastland County.

Your vote and active support in the May 3 Democratic Primary will be much appreciated by me and my family.

peanut program was announced today by Ray Fitzgerald, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service.

The peanut support program is required by law. Differentials, premiums and discounts are based on the national average support levels of \$455. per short ton for quota peanuts and \$250. per ton for additional peanuts.

Fitzgerald said USDA proposes to use basically the same method in determining the 1980 rates as that used for the 1979 crop.

Differentials for Virginia type peanuts would be 2 per cent above the sound mature kernel value of runner type peanuts; differentials for Spanish type peanuts would be one-half per cent above the sound mature kernel value of runner peanuts.

The loan value per ton for Valencia types suitable for cleaning and roasting and grown in the Southwest would be the same as for Virginia type peanuts.

The deadline for receiving public comment on the proposals is June 16. Written comments should be sent to the Director, Price Support and Loan Division 3741-S, USDA ASCS, P.O. Box 2415, Washington, D.C. 20013. comments will be available for inspection during normal business hours in room 3752 of USDA's South

building, 14th and Independence Ave., SW, Washington, D.C.

**Fourteen Travel To Gorman**

Thursday April 24 after lunch fourteen people traveled to Gorman, where the Starbrites played at the Nursing Home for their Birthday Party. This was one of the nicest trips we have taken, as many guests and residents of the home took part in the party. They were all a very responsive audience.

We would like to give a great big thank you to Dee and Jerry Underwood for the fish provided for our fish fry Friday night. One said it was one kind of fish and another said it was something else but all agreed it was GOOD FISH. Bro. Bill Easley returned thanks for the meal. Thirty members and friends of our big congenial family enjoyed it. We had planned a Sing-Along but the gas pressure was low on our cook stove and it took a little longer to fry fish and french fries for that many, so by the time we got the dishes washed the working men decided it was almost bed time. We thank Mr. Hill and Mr. Jagger for helping cook.

The hospitality ladies, Lela Clark and Anna Mae Seals were busy getting everyone registered and getting

cards signed and welcoming everyone. They are so faithful and capable we take them for granted some times. We wished all our happy birthday people: Mary Harper, Berna Chick, Deward Maynard and Willie Lee Maynard many happy returns of the day, and only Mary was present at the party for us to sing "happy birthday" to.

Some of the club activity for May will be: May 3-The May Day celebration at May, Texas. The Starbrites play during the noon hour.

May 10th--A Blood Clinic at the club, sponsored by the Lions Club.

May 20th--A trip to Aledo, Texas, where we will play for and have lunch with the Senior Citizen group there.

May 17--Open House salad supper. Lots of music.

# 'Vote' Day Set For Saturday Primary Election

Thursday, May 1, 1980

## Census Takers Continue House Calls Here

Saturday, May 3 is "V" Day—Vote Day all over Eastland County—and Texas.

It's Primary Election Day—the day on which the political parties pick their nominees for the various offices for the November General Election.

Democrats will be voting in nine precincts in the county and Republicans will be marking ballots at City Hall in Eastland. Democratic Precincts are: Eastland, Olden, Ranger, Desdemona, Gorman, Carbon, Rising Star, Cisco, and Lake Leon.

In statewide races there are two hotly-contested races for State Railroad Commissioner; four State Supreme Court seats to be filled (two contested); and three contested seats on the State Court of Criminal Appeals.

Closer to home, the frantic race drawing most attention. Jim R. Wright, Truman P. Kirk, Saul Pullman and Bill B. Hart are seeking the office.

Another race of county interest is that for sheriff, which pits Jim Williams, Kenneth Eaves and Johnnie W. Morren.

One other race of county significance, but to be decided only by Eastland voters is that for County Commissioner, Precinct One. Incumbent Danny Woods is contested by Richard Robinson.

Eastland County voters will play an important role in helping select the State Senator, District 22, nominee. Democrats Bob Glasgow of Stephenville and Walt Parker of Denton seek the Democratic nomination. Jay Brummett of Cleburne is seeking the GOP nomination for the office, and unopposed, will face the Democratic nominee in the fall.

Democrats will

mark a non-binding presidential preference referendum with Jimmy Carter, Edward M. Kennedy, Jerry Brown and uncommitted choices. Republicans will offer Ronald Reagan, George Bush and uncommitted, as well as referendums on wire tapping and initiative and referendum.

U.S. Cong. Charles Stenholm, State Rep. Joe Hanna, Appeals Court Justice Bob Dickenson, and County Tax Assessor-Collector Nancy Trout are unopposed for re-election.

There is a constable race in Gorman pitting Johnny Ingram and Dewey Keesee.

Absentee balloting ended at 5 p.m. Tuesday at the County Courthouse.

Estimates of the voter turnout Saturday, run from "very light" to "very heavy"—with no clear indication, but best educated guesses are that local races and interest could pull more voters than the county's usual light turnout.

Polls are open from 7 a.m. to 7 p.m., and under new laws, both the County Clerk's Office and the Registration (Tax Office) will be open the same hours.

Party precinct conventions are scheduled for 2 p.m. Saturday at most voting sites. There are no party contests, but workers are urging party faithfuls to attend their conventions in order to show support at this time.

Other unopposed county officers are County Commissioner, Precinct Three (Rising Star, Carbon, Gorman) L.T. Owen; Eastland Constable Bill Hunter; Ranger Constable J.W. Vinson; Rising Star Constable Howard Hicks; and Cisco Constable S.E. Parkinson.

Mrs. Scott J. Bailey is County Democratic

Chairman and Early Bradley is County Republican Chairman.

## Bill B. Hart Issues Formal Statement

Bill B. Hart, Eastland County attorney, issues his formal statement in behalf of his candidacy.

"My experience as a practicing attorney; as a prosecuting attorney for the State; as city attorney for the City of Midland with its administrative, office, and trial practice; and as a civil attorney qualifies me to serve as your District Judge of the 91st District Court.

The District Court sets the pattern for both law enforcement and the attitude toward law in this County. In turn the District Judge sets the pattern for the District Court.

I have learned thru 29 years as a trial lawyer that the mere calling of cases for trial is a small part of the District Court. Each case involves a part of someone's life, sometimes a small part, sometimes a large part.

The District Judge must use wisdom in adjudicating each case, whether it affects a person's property or his life.

Cases involving quick judgments are in the minority. The majority of the cases yield themselves to decisions demanding mature judgment which comes from knowledge and experience in life and law.

On February 17, I advocated and initiated in my advertisement the idea of a proper probation system that would make sure those on probation receive adequate supervision and counseling. This is not a State or Federal program. The probation officer is hired by the District Judge and paid by the County.

Throughout my campaign I have discussed volunteer counselors working under the supervision of a trained probation officer. I discovered this program in "Worldwide Challenge", (November, 1979). This program initiated by Judge Keith Leenhouts of Detroit has proven effective for over 20 years, and is now a national program. I studied it, I like it, and I will put it into effect immediately.

On April 10, I advocated and initiated in my advertisement the idea of a proper pre-trial procedure. This involves working with trial lawyers. I have earned the respect of the lawyers of Eastland County and the lawyers of this area in serving as President of the Eastland County Bar Association continuously since 1967.

By serving as a member and immediate past Chairman of the 14-C Grievance Committee, which investigates complaints against lawyers, covering an

area from Big Spring to Graham, I have worked with and gained the respect of the lawyers as well as laymen. Without this respect and experience no pre-trial procedure will work. I can and will make it work.

A proper pre-trial procedure will save jurors wasted hours and the County thousands of dollars in jury fees. I will put this pre-trial procedure into effect immediately.

I have from the beginning of this campaign brought out the necessity of a proper probation procedure; a pre-trial procedure; and efficient use of juror's time and County's money.

You have the right to expect the Judge of the 91st District Court to have integrity, maturity, and experience. I measure up to these guidelines.

Your consideration, your vote, and your support will be appreciated."

## 4-H Has May 1st Deadline

Rising Star 4-H'ers who plan to attend the Eastland County 4-H camp on Lake Brownwood at the State 4-H Center in June must drop their reservations in the mail by May 1.

Send them to Mrs. Donna White, Asst. Co. Extension Agent, Box 387, Eastland, Texas 76448 or call 629-2222 if any forms have been lost.

## MEETINGS

The Saturday Club will meet on Wednesday, May 7th at the City Library for their regular meeting.

Helen Donham and Olive Schaefer are program chairmen and hostesses.

Census District Manager, Billy Yarbrough of Abilene reports good progress in this area of the follow-up phase of the 1980 Census of Population and Housing. Census takers are following-up on missing census questionnaires by visiting addresses from which householders have not yet mailed theirs back, as well as telephoning most households from which questionnaires were returned inadequately filled out.

The manager asks householders to welcome these census takers when they call and to give them full cooperation in supplying the required census information. But you should always ask to see their official credential before admitting them to your home. It is a red, white and blue ID card bear-

ing the U.S. Department of Commerce seal.

The manager stressed that, because the count of the Nation's population was to be for one day, April 1, everyone who was in the household on that day should be listed on the questionnaire, but not anyone who has moved in since.

"The information given the Census Bureau cannot be used to identify anyone in any way at all," the manager said. "Facts about individuals are lumped together to arrive at statistical totals, averages, and percentages, figures in which no one can be identified. Information about a person cannot be given to any other agency of government, or to a public or private organization of any kind, or to any other individual."
