Red Chamberlain Runs for Mayor Office

If elected to the office of mayor I will work toward the following:

- 1) Reasonable and fair enforcement of the law.
- 2) Providing uniformed policemen.
- 3) Turning the city street lights back on.
- 4) Providing a method whereby every citizen could make themselves heard and have their suggestions evaluated and acted upon.
- 5) Developing a plan to pave the streets that includes input from citizens, the Chamber of Commerce, the School Board, etc., and then paving the streets in accordance with this plan as money becomes available.
- 6) Publishing city financial summaries monthly.
- 7) Publishing summaries

and condensations of council meetings.
8) Establishing a policy for letting bids on work and services purchased by the city.
9) Strengthening and improving the Volunteer Fire

Department.
10) Solving the problem of street dust.
11) Publishing frequently status reports on items of interest to the town.
12) Expanding the city's tax base by encouraging new people to relocate in town.
13) Promoting cottage industries in town to bootstrap our economy.
14) Developing an incentive and recognition program for citizens and businesses for improving the appearance of the town.
15) Work at these sorts of things full time and year 'round and not just at election time.

Please vote your choice, May 6.

Henry Burk Seeks Re-Election as Mayor

I would like to state some facts from my four years as mayor of Rising Star:

- 1) I have served full time and non-salaried.
- 2) Under the current administration the City has finally reached financial stability, which gives creditability and consideration in obtaining grants through state and federal agencies.
- 3) Applications for grants have been submitted and the City has received a Planning Grant, which is not a matching grant, through the Texas Department of Com-

- merce.
- 4) Bookkeeping records are properly kept.
- 5) The auditor meets accounting standards.
- 6) The landfill and sewer plant meet state requirements.
- 7) The City has purchased a trash truck, three pickups, three patrol cars, two dump trucks, a track loader, a backhoe and a maintenance building.
- 8) Approximately two and a half miles of streets have been paved and bridge repairs have been made.
- 9) The gas system has

been improved and supplies plenty of gas for customers.
10) Utility rates have not been increased.

11) A successful economic development seminar with Julia Moake of the Texas Department of Commerce as keynote speaker was held.

12) There is a good working relationship between mayor, city council and employees.

13) Progress for the City of Rising Star is continuing.

I would appreciate your support May 6.

Henry Burk

Vote Saturday Polls Open 7 a.m.-7 p.m.

Voters in Rising Star and in the school district will go to the polls Saturday to elect a mayor and two council members in the city and two trustees for the school board. The joint election will be held at city hall and the polls will be open from 7 a.m. to 7 p.m.

Assistant election Judge Eleanor Nunnally urges voters to have their voter registration cards ready when they come in to vote.

Lack of awareness for the need of the voter cards caused delays for voters during the general election in November.

In the race for mayor there are two candidates, in-

cumbent Henry Burk and challenger Charles E. 'Red' Chamberlain.

Three candidates are seeking election to fill two places on the city council. Incumbents James Cook and Johnny Hubbard are joined on the ballot by John G. Lee, a former councilman.

Also, three candidates are vying for two places on the Rising Star Independent School District board of trustees. Frank Agnew, along with incumbents Tony Long and David Harris, are candidates for election.

Wipe out voter apathy in Rising Star by marking your preferences in the joint city and school board election Saturday, May 6.

Bike-a-Thon Is Saturday

St. Jude Children's Research Hospital announced today that Denece Hubbard will coordinate the St. Jude Children's Research Hospital "Wheels For Life" Bike-A-Thon in Rising Star on May 6, 1989.

Founded by Danny Thomas in 1962, St. Jude Children's Research Hospital is the largest childhood cancer research-treatment-education center in America. St. Jude Hospital is non-sectarian, interracial and provides medical care for over 3,200 active patients. Currently, over \$183,000 is needed each day to keep the doors open. These funds come primarily from public contributions.

The Bike-A-Thon program this year is dedicated to

Brian McCollister. Brian, a native of Louisiana, was diagnosed with leukemia in October, 1984. For the next two and a half years he underwent chemotherapy. Today, Brian is in remission and visits St. Jude Hospital for routine check-ups. Brian is a living example of the progress and success of the research, patient care, and educational programs of this internationally recognized hospital.

We sincerely appreciate the concern that Mrs. Hubbard has for our work and we hope the citizens of Rising Star will support the Bike-A-Thon to help provide the funds that are needed to preserve the world's greatest asset... "Our Children".

RSISD Board Meeting

The Rising Star Independent School District Board of Trustees met in regular meeting on April 10 at 8:00 p.m. in the board room.

Members present included President Larry Wilson, Vice-President Ronnie Green, Tony Long, Dr.

Chamber of Commerce Meets

The Rising Star Chamber of Commerce & Agriculture met at 5:30 p.m. April 25 at the board room of the school office on N. main.

Gene Lyon, president of the board of directors, had presented a list of activities and projects for consideration at the meeting two weeks prior. These were briefly restated and a date was set for the Chamber's pancake supper which is to become an annual event. Lyon noted that no public activities in Rising Star memorialize the nation's veterans. An observance was set for Memorial Day, May 29, to coincide with the pancake supper.

The members voted to donate a sum to Rising Star Sportsman Club to help purchase uniforms and equipment for the area's young baseball players.
Candidate for mayor, Charles E. 'Red' Chamberlain, met with the group and stated his plans for the city if he should be elected May 6.

County Art Group Meets Tonight

The Eastland County Art Association will have its final annual meeting Thursday, May 4, at TU Reddy Room in Eastland. The meeting will begin at 7 p.m. All members and interested artists are encouraged to attend.

There will be no visiting artist or demonstration at this meeting.

Refreshments will be served and future of club will be discussed.

Kindergarten Preregistration Is May 10

Parents are asked to pre-register their children who will enter kindergarten next fall. All children who will be five on or before September 1 may enter kindergarten.

A screening schedule will be arranged for May 10 for each child. Parents may call 643-2431 or come by the elementary principal's office prior to that time. The screening will take about 60 minutes.

Each student's hearing, vision, speech, motor skills

and developmental growth will be evaluated at this time. Parents will be given a report on the child's progress at the time of the screening.

Parents are reminded that to enter school in Texas a student must have a state approved birth certificate and a current immunization record. The immunizations required include 3-in-a-series DPT and/or booster after four, oral polio series, measles, mumps and

rubella. Please bring birth certificate, immunization records and social security number at the time of registration.

Early childhood screening will be conducted at the same time. The early childhood program is to help those children aged three to five who show to be developmentally delayed or handicapped in any way. If you have or know of a child who may benefit from this service, please call the elementary school.

All Sports Banquet - Celebrate

Rising Star High School Cheerleaders for 1989-90 are, from left, Becky Walker, Pam Hollis, Gherda Williams, Wendy Green, Cheryl Robinette and Tami Vandivere. Sponsor is Anna Ezzell.

The stars were out last Thursday night as Rising Star High celebrated their successful year in extracurricular activities. The All-Sports Banquet was held

April 27 in the Wildcat Gym. The 1988-89 Wildcat Cheerleaders spent many long hours preparing and decorating for this special event.

A country barbecue was prepared by the Booster Club and Kevin Rhodes provided lively entertainment with his singing and guitar playing.

Students were recognized for the participation in band, basketball, football, golf, track, U.I.L. literary events, journalism, yearbook and U.I.L. One Act Play. New

honors were presented this year to three R.S.H.S. athletes. Lady wildcat Senior Stacey Wright and Wildcat Senior Reil Barron received plaques and the Fighting Heart Award went to Junior Toby Long.

New cheerleaders are Pres.- Wendy Green; Vice-Pres.- Becky Walker; Secretary- Pam Hollis; Treasurer- Gherda Williams; Reporter- Tami Vandivere; and Mascot/Historian- Cheryl Robinette.

Lift-a-Thon Is May 11

Both Rising Star High School and Junior High boys will take part in a Lift-A-Thon Thursday, May 11, at the gym at 7:00 p.m.

Participants are seeking sponsors at so much a pound lifted weights or flat donations. Proceeds will be used for school athletics.

Weather

Rising Star received from four to eight tenths inch of rain Sunday night. A thunderstorm with high wind gusts moved over the area a few hours after sundown and left the rainfall. Generally, a half inch was reported.

Sophomores Auction Sale Is Saturday

The Rising Star Sophomore Class is having a consignment and rummage sale on Saturday, May 6, sponsored by Tharp & Associates, Auctioneer, at the Rising Star High School parking lot. Lunch will be served.

If you have anything you would like to donate to the class or if you would like to bring something on consignment, please contact Debbie Green, 643-3974 or 643-2551; Sue Vandivere, 643-6451 or 643-2023; or Shelly Bailey, 643-2720.

John G. Lee Runs for Councilman

If I am elected as councilman for the City of Rising Star, May 6, I will serve the people to the best of my ability. There are several things that can be done to help our town.

I am now serving on the rural fire department board. I would very much like to see the rural and city fire departments work together. I am proud of our rural fire department and the people that support it, they have worked so hard fighting

rural and city fires. Even though they have not worked together for some time, things can be worked out. I will work for unity in the two departments.

I will appreciate your vote and would like to encourage you to vote for Red Chamberlain for Mayor. With the Mayor and Council working together for the people, our town can go forward.

Thank You
John G. Lee

WTU Board Elects Officers

ABILENE - The board of directors of West Texas Utilities Co. re-elected all officers at its regularly scheduled meeting April 24. Officers re-elected include: Glen D. Churchill, president and chief executive officer; Jerry Johnson, vice president-administrative services, G.H. King, vice president-corporate services; Randal G. Meador, vice president-engineering; and Donald A. Welch, vice president-customer services. Also re-elected were Lawrence B. Connors, secretary and director of accounting and finance; David B. Carpenter, controller; George W. Woodfin, treasurer and assistant secretary; Ann Hawkins, assistant secretary; and

Sharon King, assistant treasurer. The board also voted to elect Terry D. Dennis vice president-engineering and a member of the board effective June 1, 1989. Dennis will replace Meador upon his retirement in June. Dennis at present is director of engineering. A native of Abilene, he graduated from Abilene High School in 1965. He attended the University of Texas in Austin and graduated with a bachelor of science degree in electrical engineering in 1970. While in college he also worked half time as a research assistant for the Texas Atomic Energy Research Foundation. TAERF conducts research in nuclear fusion. His first employment with

Terry D. Daniels WTU was as a student engineer during the summer while attending college. Upon graduation he was hired full time as substation maintenance engineer. He progressed through several positions in the company's substation and transmission departments before his promotion to manager of engineering and design in 1977. He was named assistant chief engineer in 1985 and director of engineering this past January in anticipation of his succeeding Meador.

Dennis has attended numerous training and development courses including Harvard University's Professional Management Development school. A registered professional engineer, he has been a member and president of the Abilene chapter of the Texas Society of Professional Engineers, member and past section chairman of the Institute of Electrical and Electronics Engineers, and a member of the state board of directors of the Texas Society of Professional Engineers. He is also president of the North Abilene Rotary Club.

Robert E. Messersmith - Professional Services Veterinarian - Hoffman-LaRoche, Inc. - Denton. Dr. M.G. Scroggs - Field Technical Services Manager - MSD-AGVET Amarillo. -Cow-Calf Management: Dr. Steve Hammack - Beef Cattle Specialist Texas Agricultural Extension Service Stephenville - Moderator. Robert Langford - Link Ranch, Strawn

Terry and his wife Shirley attend the Pioneer Drive Baptist Church. They have two children, Brady and Amy. Meador, a native West Texan, graduated from Bronte High School in 1942. From November of that year until September 1945 he served with the Marine Corps in the Pacific. His commendations include the Bronze Star and Purple Heart.

Upon his discharge from the service he attended Texas A&M University where he earned a bachelor of science degree in electrical engineering. He began work for WTU in Abilene in 1949. He progressed through numerous engineering positions in the distribution, substation and transmission areas before being named director of engineering in 1977. The following year he

was elected vice president and director of engineering. Meador is a registered professional engineer and a member of the Texas Society of Professional Engineers. He also has been a member of the Institute of Electrical

and electronics Engineers, served on the board of the Expo Center in Taylor Co., and is a member of the Key City Kiwanis Club. Randal and his wife Kathy are members of St. Paul Methodist Church. They

Thursday, May 4, 1989 have two daughters and three grandchildren. West Texas Utilities is an electric utility serving customers in 52 counties stretching from the Red River to the Rio Grande River.

Gordon Spot

By DeMarquis Gordon, County Agent—

The Heart of Texas Cow-Calf Clinic will be held May 4, featuring a wealth of business information for ranchers and the humor of author and public speaker James "Doc" Blakely of Wharton.

Admission is the Clinic is free. Registration begins at 8:00 a.m. at the Heart of Texas Coliseum in Brownwood and the formal program opens at 9:00 a.m.

The Brownwood gathering brings ranchers together with experts in many fields of business and ranching. The Clinic has the goal of providing information to enable ranchers to do a better job of managing cattle operations.

Doc Blakely is a full-time professional speaker of worldwide experience. His messages are of inspiration and success while punctuated with clean humor.

He is a Ph.D. from the University of Missouri in Animal Science and taught Agriculture at Wharton Jr. College. He is a private pilot, author, writer, and consulting editor for Prentice-Hall. He writes a weekly syndicated humor column titled "Pokin' Fun". In 1978, he was elected by his peers to the Hall of Fame of the 2,500 member National Speakers Association.

He is in demand for speaking engagements at many of the nation's largest corporations. His message is thought-provoking and humorous but hones in on human relations, communication and personal development. Despite that, Blakely quips, "if I tell you anything important it will be purely by accident."

The clinic is sponsored by TU Electric, the Texas Agricultural Extension Service, the Brownwood Chamber of Commerce, and the Federal Land Bank Association.

Bill Streckert, Manager of TU Electric in Brownwood, will open the program at 9:00 a.m.

The first panelists will explore "Weed and Brush Control" in a discussion of pasture and range management.

After a break period for viewing the many agribusiness exhibits, a panel of ex-

parts will discuss herd health and programs for the beef producer.

Introduction of Doc Blakely will be by Roddy Peoples, the Voice of Southwest Agriculture.

The final session of the day will address cow-calf management from the producer's perspective. The Clinic will end at 3:10 p.m.

Panels and Panelists include:

—Pasture and Range Management: Dr. Tommy Welch - Moderator Texas Agricultural Extension Service College Station. David Ralls-Herbicide Marketing Specialists Dow Chemical Co.-Dallas. Ken Smith-Sandoz Crop Protection, Overton. Gerald Hobson-Sales Representative-DuPont, Weatherford.

—Herd Health: Dr. Buddy Faries, Veterinarian - Texas Agricultural Extension Service - College Station - Moderator. Dr. Larry C. Hollis - Field Technical Services Manager, Syntex Animal Health, Inc. - Amarillo. Dr.

18th Kerrville Folk Festival Set For May 25 - June 11

The 18th annual Kerrville Folk Festival is set for May 25-June 11 at Rod Kennedy's Quiet Valley Ranch 9 miles South of Kerrville on Texas Highway 16. The first two week-ends of the three week-end festival run concurrent with the Texas State Arts and Crafts Fair on the Schreiner College campus in Kerrville.

Among the artists returning to the festival this year are a number of young singer-songwriters who have grown up with the festival over the years including a number of former New Folk Award Winners from the series of competition concerts for emerging songwriters. Included in this group are Nanci Griffith (MCA), Lyle Lovett (MCA), Darden Smith (Epic), Tish Hinojosa (A&M Records), and Rounder Records

new artist, Kimberly M'Carver from Houston who was recognized at the Ballad Tree last year.

The Cinderella story, of course, is the story of Michelle Shocked who was a festival volunteer selling tickets at the game, recorded in the campgrounds on a Sony recorder by an English producer who released an album called "The Campfire Tapes" which sold thousands of copies in England and Europe and earned Michelle a contract with Polygram. Michelle is one of the most publicized and popular of the new songwriters across the country now.

Other artists on the 1989 roster include Columbia Records artist Mary Chapin Carpenter, Gold Castle Records star Eliza Gilkyson,

singer-songwriter-fiddler Laurie Lewis on Rounder Records and Anne Hills from Pennsylvania who records on Kaleidoscope. Popular guitar virtuoso Nina Gerber also returns as a staff guitarist on the second weekend.

Other favorites this year include Shawn Phillips, Carolyn Hester, Steven Fromholz, Ray Wylie Hubbard, Peter Yarrow, Gary P. Nunn, Shake Russell, John Stewart, and Chuck Pyle.

For ticket information, concert schedules, camping information, and to order tickets, call (512) 257-3600 or write Folk Fest, P.O. Box 1466, Kerrville, Texas 78029. With tickets for three days or more, camping is free at the festival and children under 12 are admitted free with advance ticket holding parents.

Gatekeeper Program

West Texas Utilities Co. has announced its participation in the Gatekeeper Program. The program is designed to assist vulnerable older people who need help but may be unable to get it for themselves.

"We have long been active supporters of programs like the United Way, volunteer fire departments, and other community programs," said Glen Churchill, president and chief executive officer of the electric utility. "Our employees also participate in the Neighborhood Crime Watch in our communities. The Gatekeeper Program offers us an opportunity to further serve West Texans."

Each year the elderly population grows. In fact statistics show that people over 85 make up the fastest growing segment of the U.S. population. Many of them are healthy, active people involved with family and friends, church and community groups.

But many others are not that fortunate. They live alone and have little contact with others. If they become ill or unable to function independently, they can easily go unnoticed and unattended. According to Churchill, the Gatekeeper Program seeks to help remedy the problem by using meter readers and other customer service representatives who may have contact with the elderly in the normal course of their jobs.

Nancy Johnson, WTU supervisor of residential audit services, recently conducted training sessions for those employees throughout the company's 52 county service area. The training taught the Gatekeepers to recognize certain signals in the elderly such as a change in appearance or behavior, or signs of confusion or disability.

When the employee sees a warning sign, the local agency for the aging is contacted. The agency takes it from there.

They contact the elderly person, assess their needs, and get whatever help is required from the appropriate health or social service organization. This may include medical care, food preparation or delivery, help with household chores, transportation, or other services.

In discussing the company's reasons for participating in this nationally recognized program, Churchill pointed out that it is a logical extension of what company employees do in their normal line of work. He added, "The Gatekeeper Program is a way to help our neighbors, customers and friends."

West Texas Utilities' customer service employees participate in the Gatekeeper program by assisting vulnerable older people who need help but may be unable to get it for themselves. The employees are taught to recognize certain signals like uncollected newspapers or other changes in appearance or behavior and pass along that information to the local agency for the aging. The company's employees also participate in the Neighborhood Crime Watch program and various other community activities.

Man Charged In Boy's Death

Dyland Roe, 11, was killed about 5 p.m. Monday when his bicycle and a pickup truck collided on Texas Highway 16 inside the Desdemona city limits.

The youth was pronounced dead at the scene by Ranger Justice of the Peace Alford Bush, and his body was taken to the De Leon Funeral Home.

Paul Salinas, 21, of Comanche, was charged with criminal negligence homicide. Bush set his bond at \$2,500, and he was taken to the Eastland County Jail.

According to Department of Public Safety Trooper, Richard Fernandez, who investigated the accident with

trooper Ken Havins, Roe was riding his bicycle on the shoulder in front of Salinas' pickup.

Both were traveling north. As Salinas started to pass Roe, the young boy pulled onto the highway.

Fernandez said Salinas apparently pulled right instead of left and struck Roe. Fernandez said Salinas took Roe as the son of Wanda Roe of Eastland John Roe of Desdemona. He was staying with his step grandfather, Jesse Clark, in Desdemona at the time of the accident.

faulty evasive action and was traveling at an unsafe speed.

Weekly Wonders

Finally, the CAT tests are over and now it's back to work again.

The second graders made Indian books and are learning all about the Indians way of living.

The 3rd graders are studying Hermit crabs and Brianna brought a real life crab to experiment with. It was pretty slimy, too. They are also studying about simple machines and they will be building some also.

The fourth graders were pretty busy this week. They made worms out of clay and daisies out of their vocabulary words. The most exciting things that the fourth grade class are doing this week is; their making a video!! This video will be sent to their pen pals in Ohio.

The fifth graders are studying about the solar system and about stalactite and stalagmite. If your wondering what these two words mean, well, so am I. This shows how far ahead these children are and how much they know. Stalactite and stalagmite are crystals that form on the ceiling and the ground.

Keep on studying and having fun. Stay tuned for next week to find out what your little ones are doing.

4-H Junior Leader's To Meet Sunday, May 7

The 4-H Junior Leaders Association will meet on Sunday, May 7th, at 2:00 p.m. at the county Livestock Showgrounds.

We will help the Eastland Auxiliary clean up from the hospital fund raiser.

This will be an excellent community service project for you. This will take less than 1 hour.

Jr. Wildcats

The Jr. Wildcat boys track team participated in the junior high District Track Meet last Friday, April 21. The track meet was held here at Rising Star. Other teams participating included: Cross Plains, Gustine, Sidney, Panther Creek, May, Blanket, Novice, Santa Anna and Zephyr.

The Jr. Cat team did a good job. Horton placed 1st in shotput, 4th in high jump and 5th in the 100, 400, and the 200 meter runs. Burton placed 4th in both the pole vault and the 1600 meter run. DeLong placed 5th in pole vault.

All of the Jr. Wildcats have worked hard this year. They've spent many hours with Coach Le Jones, sweating, grunting and working hard. Good job, dudes!

4-H NEWS

By Crystal Wilbanks, County Agent

Spring is a busy time for everyone, including Eastland County 4-H members. Following is a list of reminders:

- * 4-H Record Book Training - Saturday, May 6th, at TU Electric Reddy Room in Eastland, beginning at 5:00 p.m.
- * 4-H Youth Leadership Task Force to meet Saturday, May 6th at TU Electric Reddy Room at 7:00 p.m.
- * Club officer elections should take place at May club meetings. Officers for 1989-90 should be reported to the County Extension office in June.
- * 4-H Congress applications may be picked up at the County Extension office. They MUST BE RETURNED BY FRIDAY, May 12th.
- * May 13th, Eastland Showgrounds. Second 4-H Horse Show in a series of three. Everyone invited.
- * May 27th, District 4-H Horse Show co-sponsored by Eastland and Stephens Counties. To be held in Breckenridge.

The 4-H Youth Leadership Task Force will meet Saturday, May 6th, at 7:00 p.m. at the TU Electric Reddy Room

in Eastland. Several very important items will be discussed. A meal will be served for those present. All county delegates are urged to attend.

The 1989 4-H Record Book Workshop is scheduled for Saturday, May 6th, at 5:00 p.m. at TU Electric Reddy Room.

All 4-H members that completed a project in 1988-89, are urged to submit a record book. County winners will advance to District competition, with Senior winners advancing to State competition.

Age divisions as of January 1, 1989 will include: Sub-Junior (8-11 yrs. old), Junior (12-13 yrs. old) and Seniors (14 yrs. old and up).

There are many divisions that may be entered. Some of these are Horse, Beef, Agriculture, Clothing, Dairy, Dog Care, Wood Science, Foods and Nutrition, Sheep, Swine, and many others.

Keeping accurate records of activities is vital in most households and organizations. 4-H'ers that submit a record book learn how to keep up-to-date on things such as expenditures, receipts, etc. Many scholarships, trips and awards are given to record book winners each year.

Second Session Of 4-H Jam Workshop To Be May 5

The second session of the 4-H Jam Workshop will be this Friday, May 5th, from 9:00 a.m. to 3:00 p.m. at the Olden Community Center. Eighteen Rising Star 4-H'ers are pre-registered to attend, states Mrs. Janet Thomas, County Extension Agent-Home Economics.

A special thanks to all the Extension Homemakers Club members for assisting as leaders.

The workshop provides young 4-H'ers with an opportunity to learn how to use a sewing machine, pattern placement, cutting and marking, and sewing techniques. At the end of the workshop, each 4-H'er had sewn jam shorts.

On Saturday, April 29th, 15 4-H'ers from various 4-H Clubs in the county participated in the first session of the jam workshop.

4-H Record Book Training To Be Saturday, May 6

All 4-H'ers, parents, and leaders are encouraged to attend the 4-H Record Book Workshop to be held Saturday, May 6th, at 5:00 p.m. at the TU Electric Reddy Room in Eastland.

This is your opportunity to learn how to compile your 4-H record book. Each section of the book will be explained and discussed. Among the sections to be discussed are the Juniors, Sub-Juniors, and National Report Form, The Parts of the 4-H Story Project Pictures; Animal and Non-Animal project record forms.

4-H record books are a very important part of 4-H as our young people learn at an early age that record keeping is

essential and developing the skills to keep accurate records are a must.

Of course, any 4-H'er is welcome but we especially encourage the 4-H'ers who have never had the opportunity to compile a 4-H Record Book to attend. All the necessary forms will be available and record book covers (folders) will be available for \$1.00.

Remember, there are many activities offered in the 4-H program that require record books, such as the Gold Star and Danforth Leadership Awards, 4-H Scholarships, Outstanding Junior Leader, and many club activities (officer eligibility, etc).

Extension Homemaker's Tour

All Extension Homemakers are urged to make plans to attend the annual spring tour. The tour is scheduled for Thursday, May 11th, to the State 4-H Center on Lake Brownwood. Lunch will be served at the center for \$3.75.

Pre-registration is requested. Please call the Extension Service Office by Thursday, May 4th, if planning to go on the tour, and number of guest you are bringing.

For additional information, contact Mrs. Janet Thomas, County Extension Agent-Home Economics, at 629-2222. For more information, contact Janet Thomas, County Extension Agent-Home Economics. Mrs. Thomas states, that all 4-H'ers 14 years of age with 3 or more years of 4-H experience are invited to join this group.

Suzy Freeman Will Travel With Belles

The Cisco Junior College Wrangler Belles and Band travel to Washington, D.C. and Winchester, Virginia May 4-7 to perform at the White House and in the Shenandoah Apple Blossom Festival Parade. Accompanying the group is Suzy Freeman of May.

In November during the annual CJC High School Drill Team Competition Suzy was selected as a Wrangler Belle "Babe" and invited to participate with the college group on this performing tour. Selection was based on performing ability, projection of personality and recommendation of director.

Great Year Ahead

The Rising Star Parent-Teacher Organization planned for another successful year at a meeting in the school cafeteria April 11. After Weldon Hill opened the meeting with a prayer the group got right to work.

Outgoing officers are President Kathy Bush, Vice-President Sandra Hollis, Secretary Paula Collins, Treasurer Kathy Wolf and Reporter Carl Cook.

Newly elected officers for the 1989-90 school year are President Kathy Bush, Vice-President Le Jones, Secretary Paula Collins, Treasurer Kathy Wolf and Reporter Cindy Wood.

Old business discussed was the new ceiling fans in the gym. New projects discussed included Susan DeLong introducing the RIF program and Robby Stuteville explaining the Beta Club. Ideas for next year's programs included a student ID program (to avoid a tragedy similar to the one in Stamford), safety and health programs and summer story hours.

The drawing of the door prizes had the crowd of about 70 on the edges of their seats. Judy Ware won the case of Cokes, Denise Emert won the Thermal Jug, Chester Headrick won the towel set, Le Jones won the clock/radio and Kathy Bush won the television set. (Arla Hill said that it was a air drawing because she watched real close!)

Thank you's went to Gail Rutledge and Rosalie Rutledge for their concession stand work, to Peggy Agnew for the homecoming luncheon, to Judy Hinnant for the attendance incentive program, to Gayla Headrick for the t-shirt project and to Sandy Wright for refreshments.

Gift certificates to Teacher's Supply in Brownwood went to student teachers Pam Cook and Carla Goddard.

Fifth Grade won the room count for the most parents present. That netted the students a Coke party and teacher Mrs. Debra Cooksey a \$5 gift certificate.

Science Fair winners Roanen Barron, Emily Stuteville, Christy Hughes, Blair Bailey, Holly Butler and Brianna Cooksey were recognized and demonstrated their projects to those attending.

4-H leader Shelly Bailey presented the program for the evening. Senior 4-H members Toby Long, Stephanie Long, Brian Bailey and Howard Lawrence spoke on 4-H and what that organization has done for them. There were close to 20 elementary 4-Hers present and they introduced themselves and told about their projects.

Refreshments were served by Gail Rutledge and the Home Economics classes. The evening ended on a high note and a good time was had by all!

Rising Star ISD Communicator

by Dr. Donald E. Bryan

Decades from today folks may look back at the 1980's and remember them as the "age of testing." We have the CAT, TEAMS, CTBS, SAT, ACT, ASVAB, etc, etc, etc. It's not unusual nowadays to hear teachers protest that they hardly have time to really teach school for worrying about how kids are going to perform on the next battery of tests. While the list seems endless our entire student body takes only the CAT and TEAMS every year.

CAT is the acronym for California Achievement Test while TEAMS is the acronym for Texas Assessment of Minimum Skills. The CAT test is a norm referenced test where a student's achievement is measured against an assessment of a national norm. The TEAMS test is a criterion referenced test where a student's achievement is measured against an assessment of minimum skills. I repeat, minimum skills. On a district level, they tell you what percentage of students is minimally competent to function in society.

On the other hand, the TEAMS tests do not tell you: -whether students are being prepared for college work;

-whether capable children are excelling or just getting by;

-what kind of job we're doing in teaching science, social studies, fine arts, foreign language, health, physical education, driver education and a variety of other subjects that make for a well rounded truly educated person;

-whether your vocational or special education programs are succeeding;

-whether you have an effective co-curricular and extra-curricular program;

-if pupils are learning about the responsibilities of living in a democracy, about the basics of free enterprise, about honesty, integrity and ethics, and about concern for

the other person.

Now don't get me wrong. I'm not opposed to standardized tests. I join what I think is a majority of Texans who think the public schools ought to be accountable.

Tests, therefore, have their place. We should be careful, however, not to misinterpret tests results or use test scores - especially minimum competency test scores - as the sole or even main gauge of a school district's effectiveness. These scores are one piece of the instructional picture. If test scores are to be used as a yardstick of the 1980's, then please look at all of the Rising Star Independent School District test results, not just a minimum competency test. Test scores do have a message for us, but you have to look at all of them.

During the week of April 24-27, 1989 the entire student body will be taking the 1985 version of the California Achievement Test, an update from the 1977 version taken in previous years. The 1977 version measured a student's academic skills in the areas of reading, mathematics, language arts and reference skills. The 1985 version will include two new subject areas of science and social studies. This will allow the district additional information for measuring the effectiveness of our instructional program.

Finally, I urge and invite parents and patrons to grade Rising Star I.S.D. on the basis of our total educational effort. Look at all subject areas. Look at our Early Childhood, vocational, fine arts, Chapter I & II and special education programs. Look at the accomplishments of our extra-curricular activities. And we appeal to the parents to work hand and hand with our teachers in our aim to mold our children into responsible, law abiding, upright and socially conscious citizens.

Local Beauty Expert To Attend Merle Norman Cosmetics 1989 Annual Convention

Allene Smith, owner of the Merle Norman Studio East Main in Eastland, will join more than 2,000 of her peers at the 58th Annual International Merle Norman Convention at the Loews Anatole Hotel in Dallas, May 16-18, 1989.

"Think Big" is the theme for the '89 Convention, which

is sponsored by Merle Norman Cosmetics Headquarters in Los Angeles. The three-day event will feature all the latest news about beauty, fashion and cosmetics and will include an array of exhibits, mini-seminars, workshops, new product presentations and speeches.

Dr. Jeane Kirkpatrick, for-

mer U.S. Ambassador to the United Nations, will provide the keynote address in the Chantilly Ballroom the morning of May 17.

Other highlights include several appearances by fitness and health expert Richard Simmons, who will give a presentation of May 18 and participate in several work-

shops and seminars.

The convention will close with the Final Banquet, a formal affair in Chantilly Ballroom, on the evening of May 18, featuring a performance by multi-award winning composer, conductor and pianist Marvin Hamlisch. At the Banquet, convention attendees will be eligible to win fabulous prizes, including a 1989 Ford Thunderbird, an all-expenses-paid trip for two anywhere in Europe, and a \$2,500 shopping spree at Neiman Marcus, with limousine service.

Merle Norman Cosmetics has more than 2,400 Merle Norman Studios in the United States and Canada.

Direct Deposit: The Right Decision

Direct deposit of Social Security benefits to an account in a bank or other financial institution is becoming very popular. Presently, 48.4 billion in benefit payments go directly to the bank accounts of 18 million retirement, survivor, and disability beneficiaries. And it is predicted that 80 percent of all beneficiaries will receive benefits through direct deposit within 10 years.

Why is the popularity of this method of payment growing so fast?

For many reasons:

Safety - Beneficiaries have the assurance that their benefits will arrive on time to their bank accounts without any chance of being lost or stolen.

Freedom - The beneficiary can be out of town without having to return home earlier out of concern for the safety of the check.

Convenience - The money

will be safe in the account, available to be used at any time from any place.

Time saving - The beneficiaries don't have to go the bank and stand in line a long time to deposit or cash their checks.

With these advantages, there is no reason for the beneficiaries to worry if the check doesn't arrive on time, or if they have to be out of town while the check is sitting in the mailbox.

To Social Security, direct deposit means savings in time and cost.

Beneficiaries have to keep Social Security informed of any change of address. In case of the death of a beneficiary, the family of the deceased

should notify Social Security. With direct deposit it is more difficult to keep track of beneficiaries if they do not notify Social Security of their whereabouts. If notices mailed by Social Security to a beneficiary are undeliverable, and the search to locate him or her is exhausted, the payment of benefits may be suspended.

Enjoy the advantages of direct deposit of benefits, but keep Social Security informed of your present address. This way both you and Social Security can benefit from this method of payment.

ASCS News

PEANUT CROP SHARES
 Lease documentation will be required when a peanut producer claims 100 percent share of the peanut crop beginning with the 1989 crop of peanuts. Copies of the crop share leases or signed operator certifications that includes farm number, identifies acreage included, and terms of the agreement will be acceptable. If found to be inaccurate, a penalty could be assessed and could cause forfeiture of program benefits including price support.

This action was prompted by false certifications in prior years where the landlord's actual share of the crop was not reported and the landlord claimed MPCI insurance, disaster benefits, or the farm operator erroneously pledged the landlord's share of the crop as quota or additional loan.

FOREIGN OWNERS MUST REPORT The Agricultural Foreign Investment Act requires foreigners who have certain land transactions to file a report within 90 days of the transaction at the ASCS office where the land is located.

WOOL AND MOHAIR PAYMENTS Incentive payments on 1988 marketings of wool and mohair have been made by this office. Payment rates for 1988 marketings are 29.0 percent for short wool and 148.1 percent for mohair.

1989 FALL LEASE PLANTING REQUIREMENT A fall peanut quota transfer can be approved only if the transferring farm planted a sufficient acreage to be expected to produce the full effective quota and the total production was less than the effective quota due to reasons beyond the peanut producer's control. In 1988, producers were only required to plant their basic quota which does not include undermarketings. Producers may wish to adjust their effective quota by making a spring transfer from the farm in order to meet the planting requirement.

1989 FARM COMBINATIONS In order for an administrative combination of farm records for peanuts to be effective for the current crop year, the request must be made prior to the time the peanuts are planted.

FINAL NORMAL PLANTING DATES Final normal planting dates for corn is April 30, cotton May 31 and grain sorghum June 20. Those unable to plant by this date due to adverse conditions should file for prevented planting credit within 15 days after the final date for the crop.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

EASTLAND

The Eastland County Art Association will have its final annual meeting Thursday, May 4 at the Reddy Room in Eastland. The meeting will begin at 7 p.m., and all members and interested artists are encouraged to attend. There will be no visiting artist or demonstration at this meeting. Refreshments will be served, and the future of the Club will be discussed.

An opening celebration of National Music Week will be a recital by the Abilene Fine Arts Trio at the Womens Clubhouse Sunday, May 7 at 3 p.m. Sponsored by the Eastland Music Study Club, the program will feature music by Debussy, Mozart, and other composers. Members of the Trio are Nancy Frost of Eastland, Violin, Frances Powell of Abilene, Cello, and Lora Lynn Christiansen, also of Abilene, Piano. This group has performed in Eastland, Abilene, and other area towns. The Music Club invites Friends of Music and other interested persons to attend this special program. National Music Week is May 7-14 this year, and a number of things are planned to mark the occasion.

The Eastland Band Boosters are holding their monthly meeting this Tuesday, May 2 7 p.m. in the Band Hall. Phil Hewett, Band Director, will make a final presentation of the Florida trip scheduled for June 8-14. Total proceeds of the Pancake Supper and the Trash and Treasure Sale will be announced. Plans for the Spring Concert on May 15 at the Majestic Theatre and the Banquet on May 25 at Siebert Elementary School will be discussed. Election of officers for the 1989-90 school year will be held.

For the second year sophomore John Mark Vermillion has earned a trip to the University Interscholastic State Tennis Meet in Austin May 12 and 13. In the Region Tournament at Tarleton State University April 24-25 John Mark won three rounds of varsity boys' singles. In the finals John Mark was defeated in a close match by Grant Goodwin of Royce City. Both boys advanced to the state tournament in Austin where John Mark is expected to have a good chance of winning.

The Eastland Wal-Mart Associates have planned several events at the Eastland store to help raise funds for the Children's Miracle Network Telethon. This event is sponsored by the Osmond Foundation, and benefits more than 160 children's hospitals across the country. CMNT hospitals treat all diseases and ailments which affect children. "Miracle Week" is May 1-7, and the Telethon will be aired June 3-4. Fund-raising events in Eastland include a craft show on May 4, a flea market May 6, and a car wash and petting zoo on May 7. Anyone who would like to donate craft items for the craft fair are asked to bring them for Thursday, May 4. Bring items for the flea market, no clothes please, on May 6. These items will be appreciated.

CISCO

The Texas Circuit Literary Festival will begin at 1:30 p.m. Friday, May 5 in the Hilton Center. The event is sponsored by Cisco Junior College and the Cisco Writer's Club, with Drs. Monte Lewis, Ken Hammes and Cleatus Rattan from CJC as hosts. A number of Editors, Publishers, teachers and writers from around Texas are expected to attend. There will

be speakers, book displays, readings by local and regional authors, and much, more else. Two meals will be served, and you may call Cisco Junior College at 442-2567 to make reservations at \$7.50 for Oscar's Barbecue or the CJC Cafeteria luncheon. The public is welcome to come to meals or programs. The meetings (without meals) are \$1 daily. Students and Writer's Club members may attend meetings without charge.

Mandatory water conservation may be necessary soon for Cisco, reports City Manager Mike Moore. "We must conserve water until a new source is obtained," he says. A grant has been approved for a water study, and six proposals have been received. There will be a presentation on May 15, with a Regional Water District with Abilene being studied. A Subcommittee will recommend a proposal to the Board, a contract will be let, and the first report of the study will be received by Aug. 31. The final report will come in October or November.

E.L. Graham Memorial Hospital will host Open House May 4 and 5 from 4 p.m. until 7 p.m. each night. The purpose of the Open House is to allow the community to visit the facility and gain a better understanding of its operation. The tour will conclude in the dining room, where refreshments will be served and questions about the May 6 referendum discussed. Hospital Administrator Marvin Cole says, "This will be the final opportunity for questions to be answered before the voting on Saturday. We feel it's important to create this type of event to answer questions, and hopefully correct the misinformation and rumors concerning the effort to create a solid financial base for our hospital. While we certainly want to see the voters vote for the referendum, it's equally important to us that we send informed voters to the polls."

Cisco Lumber and Supply, 110 Sandler Square, will hold a big sale and sponsor a contest with prizes, beginning at 7:30 a.m. Thursday, May 4. There will be large reductions on merchandise wall-to-wall, and prizes such as \$600 toward a trip for two, a VCR, a microwave, a television and much more. Joe Wheatley, store owner, says they are going to stir up fun and interest while offering the public fabulous discounts. Wheatley explains, "It's time to take control on an individual basis and start making positive things happen."

The Cisco Rotary Club will hold their annual Citizenship Awards Dinner at noon on Wednesday, May 18 at Traditions Restaurant. Mary Scott Nabor, with the Texas Employment Commission will speak. On other awards, Club President Otto Urban says that Mary Bailey and Jim Puryear are working on a list of students who will be eligible for the Rotary Club Scholarship. The winner will be announced during the CHS graduation ceremonies on June 2.

The Long Branch Homecoming will be Sunday, May 7 under the tabernacle. Coffee and visiting will begin at 10 a.m., with lunch at 12 noon. Plates, cups and silverware will be furnished. Everyone

is invited to attend and join in the fellowship.

RANGER

The City of Ranger has been notified by the Texas Department of Commerce that the city has been successful in obtaining community development funds of \$250,000 to be used for housing rehabilitation in association with an overall rehabilitation effort. This Grant was won in competition with 27 communities throughout the West Central Texas Council of Governments area. Five communities were funded from this competition. A portion of the funds are set aside for use in encouraging moderate-income younger citizens to repair and upgrade their homes. Public meetings will be required as previously, and that portion of the policy not already defined in the city's contract with the Department of Commerce will be developed.

Ranger Junior College Commencement will be on May 5 in the auditorium in the Library on campus. The program will begin at 8 p.m., and speaker for the evening will be Eastland County Judge Scott Bailey. Twenty-nine candidates will receive diplomas, with special awards for students selected for "Who's Who in American Junior College." A reception for

graduates and families will follow the program.

The Third Annual Memorial Day Barbeque sponsored by the Ranger Volunteer Fire Department will begin at 12 noon on Sunday, May 28 at the Fire Station. Barbeque and all the trimmings will be served for \$5. The RVFD will once again have carry-outs for those who wish to eat at home before returning to the service at 2 p.m. Tickets will go on sale soon - watch the papers for the date and location of sales.

McCrary-Keese Announce Engagement

Mr. and Mrs. Darby McCrary are proud to announce the engagement and approaching marriage of their daughter, Beth, to Mr. Fred Keese, son of Rev. and Mrs. Fred Keese of Gordon. Beth is a 1983 graduate of Eastland High School. Fred is a 1981 graduate of Gordon High School and is employed by "The Link Ranch" of Stephens County. The couple are planning a May 13 wedding in southern Stephens County.

Volleyball Tournament

The Spring Ladies Volleyball tournament sponsored by the Cisco Association of Texas Professional Educators (ATPE), is scheduled for Saturday morning, May 6, at the Cisco High School Gymnasium. The tournament was at first scheduled to be held in the Cisco Community Gym, but the location was later changed to the Cisco High School Gym.

All proceeds will be used for a scholarship to be given to a local high school senior. For more information on the tournament contact Ruth Stewart, 442-4280 or Darlene Hearne at 442-4630.

Safe Driving Tips from Rhonda

Who has the right-of-way? The cause of intersection collisions is two people trying to go through at the same time, unfortunately they often meet in the middle with a bang! The law does not give anyone the right-of-way. It only dictates which driver is responsible to "yield" the right-of-way to the vehicle on the right. But it **does not** say that the vehicle on the right has the right-of-way. Each driver must fulfill his own "responsibility". Right-of-way is something to be given - never taken!

Pioneer Patchwork

By Irma Miller

The Quilting Club had a good attendance. The two quilts they worked on were the string and the applique, a Tulip. Our visitors were Marjory Lacey and Sandra Wooley, both of Cisco, who came to return the six quilts of ours shown in the Folk Festival. We were told that our quilts got raves and compliments, especially the Colorado Log Cabin.

Mr. and Mrs. Clint Kniffen of Clyde, Burnett Fleming of McCamey, Kate Watson of Cross Plains, Sam Fleming of Cross Plains and JoVeda and Bill Watson of Byrds Store were all guests of Neu and Joe Fleming last week.

Maritza Glenn of May visited with Novilia and Cleo Barton Sunday afternoon.

Frankie Smith, Jean Fore, Lottie Sooter and Jewel Foster went to Cisco Saturday morning to see the quilts on display. They also enjoyed seeing the parade.

The Pioneer Baptist Church had dinners Thursday through Sunday nights while the missionaries were there. Sunday School classes fixed dinner on different nights. There was a good attendance at the four-night conference.

Hageman Reunion

The annual Hageman Reunion will be held Sunday, May 7th, at the Cisco Country Club. A covered dish dinner will be served at noon. All friends and relatives are invited to come and visit.

County Agricultural Extension Service To Hold Open House

The public is invited to an "Open House" at the Eastland County office of the Texas Agricultural Extension Service from 9:00 - 11:00 a.m. on Monday, May 8th. The county office is located in the west end of the Eastland County Courthouse basement.

We are proud to be celebrating nationwide the 75th Anniversary of the Cooperative Extension. It has been a very effective system with three funding partners - Federal (USDA), State (Land

Grant College, which is Texas A&M University), and County (County Commissioner's Court) to deliver educational programs in Agriculture, Home Economics, Community Development, and 4-H and Youth. Join us on May 8th for a local Happy Birthday Celebration.

Working Hard For Your Health: Nurses Honored

Although there are two million registered nurses in this country, many people have an outdated and inaccurate perception of what the nursing profession entails.

This is the purpose for National Nurses Day, May 6, 1989. This is a day to honor nurses who are working to insure the quality of health that every individual deserves. Nurses are making the health care system work harder for their communities, while changing the lives of thousands in a positive way.

And, no one works harder to accomplish this than the nurses in the public health setting. Public Health Nurses provide preventative health care services to the residents in their communities who come from all income levels and who are all ages.

Included in the services that they provide are:

- *Clinics for well children, two months to four years old
 - *Family Planning when it is not available from another agency
 - *Adult Health Screening for Chronic Disease
 - *Immunization & Tuberculosis clinics
 - *Women-Infant-Children (WIC) Services & Nutritional Counseling
 - *Maternity Clinics
 - *Health Education & Counseling
- These services vary from one public health clinic to the next. Please contact your local

health department for more information on the services offered to your community.

Prevention through an organization community effort is the major activity for the Public Health Nurse. This is

no easy task. There is an art and science to it which should be recognized. So please join this effort on May 6 to show some appreciation to those who insure the quality of health every individual deserves.

I am Janet Murphree and I am running for a position on the May School Board. I am married to Doc Murphree and we have two school-age children. I feel that I can do a good job as your elected school official and would be willing to listen to any new ideas, opinions, and yes, even complaints. I feel that I can be fair and open-minded in any school board decisions. I will work for our children's needs and if elected I would like to see an improvement in the communications between the school and public. I feel that your money should be spent in a way that the majority of our children benefit and that they receive the best that money can buy both academically and extra-curricularly. I feel that the education of our children should be predominant. I will greatly appreciate your support on Saturday, May 6 in the May School Board Election.
