Fast, Fire Does Heavy Damage To Rudco Blake Plant

A major explosion, which ripped out the center section of the Rudco Oil and Gas Company No. 1 plant at the Blake field southwest of Rising Star Saturday about 6 p. m. set off a fire that did extensive damage to the engine room, where the blast occurred, and to other sections of the plant. Two men, Leonard Fleming, operator, and Joe Burkett, engineer, were hospitalized at Rising Star Hospital.

Mr. Fleming suffered superficial burns about the face and neck when he was enveloped by a flash fire in the explosion of one of the 11 gas pumping engines. His clothing was set afire. Mr. Burkett suffered shock.

According to reports, the blast occurred when something went wrong with the governing device of the engines began running too fast. Mr. Leonard, who was beside the plant, taking temperatures and gathering other data on the regular operation reports, heard the difficulty and went into the engine room to help Mr. Burkett correct it. The engine blew shortly afterward, enveloping him in flames and he ran outside and began peeling off his fiery clothing. Others of the employees at the plant helped him to extinguish the flames without further injury to himself. He was taken to the hospital in a Higginbotham ambulance where he was treated. Physicians said his burns were not serious.

Mr. Burkett was also taken to the hospital by the ambulance for treatment.

Fire departments of Rising Star and Cross Plains responded and used a two-hour fight to subdue the flames which, fed by gas and other inflammables, did extensive damage to machinery. The engines grew red hot in the heat. The explosion also blew out the east end of the big sheet metal and iron building housing the plant.

Superintendent of the plant, which employs 13 workmen, is Guy Stambaugh. Charles Watson, general superintendent of the Rudco Oil and Gas operations in this area.

The plant was built by the Humble Oil and Refining Company about 35 years ago during the development of the Blake field. It was allied with the Pioneer plants which were built by Phillips Petroleum Company during the Pioneer boom period, and later acquired by the Rudco Company. The two plants processed natural gas from the area, extracting gasoline and other hydrocarbons. Some time ago the Pioneer plant discontinued processing operations and was made a pumping plant, delivering gas to the Blake plant for processing. The latter was an important source of butane consumed in this area.

Extent of the loss was not stated. Officials of the company are here Monday checking into the damage, but there was no statement of their plans for the future operation of the plant.

AT FT. CHAFFEE

Fvt. Thomas R. Wolfe, another Rising Star boy who recently entered the U. S. Army. He is stationed at Camp Chaffee, Ark. Thomas is the son of Mr. and Mrs. O. O. Wolfe of Rising Star. New Firm Here To Handle IH Farm Machinery, Trucks

Rising Star acquired a new business firm this week - a firm succeeding and enlarging upon an agency that has been in existence here for half a century or longer.

The new firm is the Gregory Truck and Tractor Company, owned and operated by H. B. Gregory and his son, Keith, of Gorman, Texas. The company has acquired the International Harvester Co. franchise for Rising Star and Cross Plains, and will sell Farmall tractors and farm equipment and International Trucks.

The agency which the new firm succeeds is the Higginbotham Motor Company, whose assets, with the exception of the building occupied by the firm, the new owners have purchased.

The transaction was formally announced this week by Jay Koonce, general manager of the Higginbotham stores here, and by Gregory.

The Higginbotham Motor Company was a separate store of the Higginbotham organization here for about 15 years, but Higginbothams, pioneer Rising Star merchants, have held the franchise for and sold and serviced International Harvester machinery and farm equipment, under present and preceding company names, almost from the time that the Higginbotham stores were established here well over half a century ago.

Lately the big merchant chain has been disposing of its implementation stores throughout the area.

LARGER FRANCHISE

News of the sale of the IH store here to Messrs. Gregory was greeted with much satisfaction by local business men and the large family of Farmall owners in this area and in the Cross Plains area, on which the Farmall franchise has also been granted the Rising Star firm by the International Harvester people.

"We feel," said Mr. Koonce, "that we have made a very good deal for the benefit of our community and former customers. Mr. Gregory and his son are both experienced in the International Harvester line and service, and they will offer to the people of Rising Star, Cross Plains and other areas served by them, a type of service which we feel

Sheep and Goat Raisers Meeting Is Set For March 23

Date for the sheep and goat raisers meeting to be sponsored by the Rising Star Chamber of Commerce, has been set for Monday, March 23, at the American Legion Hall, it was announced at the meeting of the Rising Star Chamber of Commerce at noon Tuesday at the Elite Cafe. Jim Gray, San Angelo, sheep and goat specialist with the Extension Service, will be here with County Agent J. M. Cooper to discuss with the growers problems peculiar to the production of wool and mohair.

All growers and others interested and their wives are invited. A. D. Jenkins, C of C Sec'y, said.

At the meeting it was announced that a deal had been concluded between Jones Brothers of Rising Star and the Lometa Wool and Mohair Company of Lometa, for the Rising Star firm to purchase mohair for the Lometa concern.

The Rising Star dealers are now contracting mohair at top market prices and paying \$1.00 over head advance, and they invite growers of this area to bring them their sales. "If we are too late for the current clip," they said, "we will be in the market for the fall clip."

It was also announced that a meeting of all who are interested in controlling Southern Blight in peanuts are invited to meet with representatives of a well known chemical concern at the American Legion Hall Monday evening, March 9, at 7:30 when control measures will be talked.

Home Fruit Supply To Be Stressed At Nimrod Meeting

A home fruit supply will be stressed at the annual Eastland County Orchard Field Day to be held at Nimrod on March 24, according to information today from the county agent's office.

Decision to continue to hold the annual fruit day was made recently during a meeting of the county program planning committee. The group helps plan and advises on activities and programs of the county Extension Service personnel, according to agent J. M. Cooper.

The latest information on soils, varieties, fertilizers, management, pruning and spraying as determined by research and experience will be brought to those attending by some of the top horticulturists of the state it was said by those planning the program for the all-day affair.

Peaches, plums, grapes, pears, berries and figs will be fruits covered with the morning session to be held in the Nimrod community club house. After lunch the group will have a field session in the Herman Schaefer orchard, east of the community center.

Horticulturists invited to be on the program include B. G. Hancock of the A&M College Extension Service; Tom Denman, Agricultural Experiment Station, Stephenville; and U. A. Randolph of the Agricultural Experiment Station, Montague. Others will be J. W. Foster of Weatherford and Bob Perkins of Eastland.

Crump Resigns Principalship Of Grammar School

J. M. Crump, who has been principal of the Rising Star Elementary School for the past two years, has submitted his resignation to the school board, effective at the end of the current school year. He feels that other opportunities which are open to him will be advantageous for him to accept. He will announce his plans at a later date.

Crump came to Rising Star from Brady, where he was a member of the faculty for nine years. He is a deacon and choir director of the First Baptist Church, and a charter member of the Rising Star Lions Club.

In addition to the duties of principal, Crump has coached football, basketball, an track at the grade school, taught sixth, seventh, and eighth grade arithmetic and sixth grade history and geography, and supervised the seventh grade home room period.

Mr. and Mrs. Crump and their son, Larry, live on South Main Street. Mrs. Crump has been active in Cub Scouts and Women's Missionary Union work.

The Crumps have enjoyed living in Rising Star, which they have round to be a very friendly town. They are grateful for the many kindnesses shown by the townspeople, and they feel that they have had many friends in and around Rising Star.

CLAY JACKSON DUNN Buried At Sipe Springs Sunday

Funeral services for Clay Jackson Dunn, 65, who died in Gaston Hospital, Dallas, Thursday of last week at 2:30 p. m. were held at the Sipe Springs church at 2 p. m. Sunday with the Rev. Robert Cook, pastor of the Rising Star Methodist Church, officiating. Burial was in Sipe Springs cemetery. An Irving funeral home was in charge.

Mr. Dunn was born at Sipe Springs on October 29, 1893. He left Sipe Springs while a young man and most of his life was spent in South Texas where he had varied and wide business interests. He was a pioneer Shetland pony breeder in the nation and had one of the largest herds in the nation at the time of his death.

He had been in ill health for the past two years.

He is survived by one son, Roy Dunn of Bryan, where Mr. Dunn made his own home; two grandchildren of Bryan; and five brothers. Rob of Carbon; Carl of Ft. Worth and Rising Star; Hobby of Dallas and Denton; Ernest of Dallas, and Ellis of Dallas and Irving. He raised three girls and educated one boy in addition to his own son. The girls are Mrs. Betty Ruth Brady of Bryan; Yvonne and Ida Lou Felty of California, and the boy is Gerald Poyner of Dallas.

Fat Lambs To Form Biggest Show Division

Fat lambs will be the largest division of the Annual Eastland County Livestock Show March 20-21 according to W. B. Eaves, General Supt., who reports that entries for 158 of them had been turned in to him.

The show this year will be on the new show grounds between the Lakeside Country Club and Lake Eastland, Ed Harrison, Gorman, president of the Eastland County Livestock Raisers Association that sponsors the two day show, said.

Besides entries of the lambs, Eaves reported that there will be 27 head of fat calves and 126 head of fat pigs, 53 head of swine in the breeding division and 36 head of other sheep and only 28 head of dairy cows and heifers.

The beef cattle and goat divisions will be small Eaves reported.

The livestock show catalogue is expected to be out in the near future and will show several changes. One is that all goats and sheep, except fat lambs will be judged on the afternoon of March 20th. Another change is that either the exhibitor or some member of his or her immediate family must be a member of the County Livestock Raisers Association to be eligible to show. This is in lieu of a stall fee in order to raise money to develop the show grounds and buildings.

The dairy division will no longer be a classification show as it has been for many years.

Elementary Girls 2nd In Carbon Tournament

Rising Star girls won second place in the Carbon Elementary School invitational basketball tournament at Carbon gym on Thursday, Friday and Saturday, losing to the Carbon girls in the finals Saturday by a single point in a closely contested game.

They received a nice trophy.

The boys won their first game, defeating Desdemona 25 to 23, but were eliminated by Gorman 23 to 7, in the semi-finals.

The girls, with Joy Morrow and Cherry Maples high scorers for Rising Star in all games, first downed Desdemona 30 to 28 and then overcame Olden girls 25 to 15. The score of the finals against Carbon was 17 to 16.

Gorman boys won the boys division championship. Girls consolation were won by the Cisco team.

Jay Childress is coach of the elementary girls. The boys are coached by Prin. J. M. Crump.

Rising Star Man Named Alamogordo Principal

Jerry R. Watkins, a graduate of Rising Star High School, has been named acting principal of Sacramento Elementary School at Alamogordo, N. M. to fill a vacancy created by the death of the principal. He served as assistant principal before his appointment. He has been in the Alamogordo system for four years. He went to New Mexico after one year's teaching experience in West Texas and served two years at Central Elementary School before going to Sacramento School.

His appointment as principal was consisted certain as soon as the board meets, the superintendent said. Watkins received his bachelor's degree from McMurry at Abilene and expects to receive his master's from New Mexico State soon.

ATTENDS RESEARCH SEMINAR AT ABILENE

Dr. Joel Mayor, Chiropractor of Cross Plains, has just returned from a mid-season research seminar of the Texas State Chiropractic Ass'n, held at the Wooten Hotel in Abilene Saturday and Sunday, Feb. 21 and 22. The 14-hour post-graduate presented the latest developments in curing non-migraine headaches, neuralgia, and other ailments.

Olin S. Ware Dies Tuesday; Burial Here Thursday

Funeral services were to be held at 2 p. m. Thursday at Higginbotham Funeral Home for Olin Simms Ware, 54, Rising Star farmer who died suddenly Tuesday night at 10 o'clock at his home one mile north of the city. The Rev. C. U. Lander of Coleman was to officiate. Higginbotham was in charge.

Mr. Ware, a bachelor, was born in Bryceland, La., on March 19, 1905. He had lived in Eastland County for ten years, coming to Texas in 1923.

AS IT LOOKS FROM HERE

By Omar Burleson, M. C.
17th Texas District

WASHINGTON, D. C. - THERE CONTINUES an abundance of lip service on the subject of inflation and balancing the Budget.

THE PRINCIPAL ARGUMENT at the moment is who spent the most money in the past - the Republicans or the Democrats.

IT'S A FUNNY THING about this argument. At the time money is appropriated for this and that purpose, both sides want to take credit for having done the most, but then when the shaky conditions of inflation and spending beyond our means arise, each side then wants to deny responsibility for it.

THERE ARE NUMEROUS SCHEMES floating around to combat inflation and reduce the national debt. The first of these schemes was to place a ceiling on the national debt, but it is meaningless when the Government spends all the money it has and must raise the limit on the debt in order to borrow more money. This has happened time and time again.

THERE ARE NOW PROPOSALS that the debt of the Federal Government be reduced by a certain percentage each year, but

the only way that can be done is out of a surplus of current revenues. The only way there is going to be a surplus is to cut non-essential expenditures. No one has yet figured out any other way. It can not be done by voting a \$2 billion housing bill, a \$2 billion community facilities bill, a \$1 billion depressed areas bill, and many other proposed spending measures.

TAX RELIEF FOR SELF EMPLOYED persons has been voted by the Ways and Means Committee. This measure permits self employed persons such as doctors, lawyers, farmer, store owners, etc., to defer taxes on as much as \$2500 a year of income, if such amount is placed in a retirement fund. The Administration opposes the bill, but from all indications, chances of its passage appear favorable.

THE TEXAS WATER UTILIZATION PROGRAM is unequalled by any other State of the Union. The recent report, "Water Developments and Potentialities of the State of Texas," under the chief sponsorship of Senator Lyndon Johnson, is serving as a model for other States who are trying the same thing. Texas is the only State which has a permanent Federal-State Commission to deal exclusively with water problems. The recent Federal-State survey for water potentials, carried out to its conclusion, should result in full utilization of water resources.

LOCAL BRIEFS

Mrs. Ella Dees of California, a sister of Mrs. U. Z. Aaron's, is here from California to be with her mother, Mrs. M. L. Underwood, who is quite feeble at the age of eighty.

Jim Ray Cox and son, Franklin, accompanied by Bobby Guyes, made a business trip to Gorman on Saturday, Feb. 21.

Visitors in the home of Mrs. Mary Chick during the weekend were Mr. and Mrs. P. C. Clements and B. S. Chick, all of Port Arthur, also a granddaughter of Mrs. Chicks from Malvern, Ark.

Darnell Swift of Brownfield spent the weekend here with his parents, Mr. and Mrs. Ira Swift. Mr. and Mrs. R. O. Jacobs of

Artesia, N. M. were visitors here Tuesday. They were on their way home after an extended vacation trip through several of the Southern States. Mrs. Jacobs visited the old home in Mississippi while on the tour.

Mrs. Madelle Jackson of Abilene was here Sunday for a visit with her parents, Mr. and Mrs. M. G. Joyce.

Commercial Slaughter Increases Rapidly

College Station - Commercial slaughter of livestock in Texas has increased rapidly in recent years and in 1956 red meat production totaled 1,333,199,000 lbs.

A listing of Texas slaughtering establishments in 1956 showed that more than 900 were engaged in livestock slaughter. Of these, 406 were classified as individuals and small butchers, 273 were grocery stores and meat markets, 163 were frozen food locker plants and 82 were commercial packing plants.

In 1956 the Texas Agricultural Experiment Station conducted an interview of 63 independent commercial packing plant owners or operators. The station has released a report summarizing information obtained through the interview and presenting layouts for typical Texas packing plants. It is entitled "Independent Meat Packing Plants in Texas."

HOUGE... continuing search in... small... Australia, scientists seeded cumulus clouds over the Blue Mountains with silver iodide, which produced 20 storms, each about 10 miles wide. It brought steady rain over a parched area, according to the report.

DURING THE PAST SEVERAL YEARS it has become more and more difficult to interest top-notch people in Government service. It is reported that the President is having trouble finding qualified executives for certain vacancies now existing in several departments.

ONE REASON IS that private industry pays more. Doubtless, another reason is that top business and professional men do not like to live in glass houses.

AT THE BEGINNING of this column, inflation, government spending and the public debt were discussed.

IF IT IS ANY CONSOLATION, and if theory is legitimate, the Federal Government isn't nearly broke.

ACCORDING TO FIGURES, Uncle Sam owns assets worth about \$262 billion. In addition, the Government figures its assets on the basis of how much they cost to acquire. The actual value is probably more than double, which is nearly twice as much as the national debt.

(MAYBE THIS IS AN EFFORT to end this column on as pleasant a note as possible.)

Mrs. Albertson of May visited Mrs. J. W. Murphy this week. Mrs. Aud Jones of San Antonio visited relatives here recently.

Robert K. and Ronnie K. Bostick of Route 2, Cisco attended church services in Rising Star on Sunday.

CARD OF THANKS

We wish to express our great appreciation for the many kindnesses of the people of Rising Star and community for their kind deeds in the passing of our father, brother and uncle, Thomas A. Smith. We are especially grateful for the food and the flowers sent and the many expressions of sympathy. May God bless you all.

Saturday Club Has Program Feb. 18 On "Religion"

The Saturday Club met on Feb. 18th. for program and business session. Prayer was led by Mrs. Robert Cook. A salute to the flag was given by the club members and led by Mrs. M. B. Shook. Members responded to roll call with responses pertaining to Religion. The treasurer's report was given by Mrs. Barney Cargile. The annual report of the club's work was read and approved. Mrs. Fred Roberds was chosen as representative to the District meeting with Mrs. A. Louise Weber as alternate. The meeting of the Sixth District will be held in Brownwood on March 19.

The program chairman, Mrs. Barney Cargile, introduced the speaker for the meeting, Mrs. Mabel Ellis, who spoke ably on the subject of Religion. "If we wish to maintain permanent richness we must keep the spiritual light burning," was the theme. The hymn, "On Higher Ground," was sung by the club members, with Mrs. M. B. Shook leading and Mrs. Olice B. Jones at the piano.

In the absence of Mrs. Love Shults, Mrs. Fred Roberds served as hostess. She was assisted by Mrs. Clyde Flanagan. The tea

table was laid with a gay printed linen and was centered with a pot of yellow mums. The mantel was decorated with flowers. Mrs. W. W. Faulkenberry furnished the flowers. Coffee, ritz-cheese sandwiches, olives and cookies were served to fifteen members and one visitor.

Alaska Mission Study Topic For WMU

Alaska, the Fabulous 49th State was the mission study topic for W. M. U. at the First Baptist Church on Monday, Feb. 23rd. Mrs. Marvin Crump, the program chairman, interviewed the panel of four members concerning Southern Baptist Work in Alaska.

The personnel of the panel was Mrs. Jimmie Fridge, Mrs. F. W. Respass, Mrs. B. B. Morris and Mrs. Julia Ross, who responded with pretended experiences of their life in Alaska.

A business session was then held with Mrs. Raymond Turner presiding. Reports from each chairman were given. An all-day meeting with a covered dish luncheon will be held on Monday, March 2nd when the WMU will observe a "Day of Prayer" for Home Missions. The topic is "Telling the Milling Multitudes". The program has been arranged by the prayer chairman, Mrs. Clark Crownover. All members of the WMU are expected to attend and all Baptist women are invited.

Annual Report of Saturday Club Is Accepted Feb. 18th

The following report of the activities of the Saturday Club of Rising Star covering the period from April, 1958 to April, 1959, was submitted to and approved by the club at its meeting on February 18. A copy was sent to the Sixth District, TFWC.

"Our club has 18 active members and 8 honorary members.

"The public library is our main project for the year. We have given and invested \$110.00 in the library during the year. We have sponsored a Memorial book shelf. 36 books have been given to it. 20 other volumes have been given. All books have been catalogued.

"One of our members painted, framed and donated a picture of our library building. The library was open to the public. The Art Class and the Friendship S. S. Class use our library. Our club has subscribed 100 percent to the Texas Club Woman. All required programs are in our yearbook. We belong and contribute to the Eastland County Federation.

"Three of our members are on the District Board. The club entertains both State and District presidents. We pay all donations to State Federation.

"We have recognized an honor graduate of High School each year since 1921.

"We give ten dollars to the High School Annual each year.

"The club sponsored a float and a booth during our last Fall Fair. Club members filled 300 bags with fruit, candy and nuts for our community Christmas tree.

"At Christmas our club sent a valuable box of gifts to mental patients at Wichita Falls Hospital.

"We exceed our quota each year during the Cancer Crusade. Our quota was \$300.00 We raised \$307.00. We have made above 900 Cancer dressings.

"Five dollars was given for 'Meals for Millions'.

Three dollars was sent to the State Tubercular Association.

"Regularly submitted by Mrs. Fred W. Roberds and Mrs. Horace Switzer, Jr."

TO MEET WITH CLUB MARCH 4TH.

Mrs. Richard Moseley, President of the Sixth District, TFWC, of Rochelle, will meet with the Saturday Club on March 4th at the library at 12:30 for a covered dish luncheon. All club members are urged to respond.

MRS. McDONALD HOSTESS TO WORTHWHILE CLASS

Mrs. G. E. McDonald was hostess to the Worthwhile Sunday School Class on February 19. The devotional was led by Mrs. C. M. Cox, from Psalm 103. Prayer was offered by Mrs. Ella Wells. A Bible quiz was conducted by Mrs. Ethel Barnes. The hostess named the eventful days in February and the menu was: Stump water from a Lincoln log; Ground-hog sandwiches, cherry pie - sweet-heart mints. Other members of the class were present: Mmes. Ethel Parker, J. D. W. Jones, Rufus Pierce, Easter Gray, Ethel Barnes and Ella Wells (reporter).

FRIENDSHIP TEA FEBRUARY 26TH.

Thursday, February 26, from 3 to 5, a friendship tea will be given by the Saturday Club, at the library. Mrs. Olice B. Jones is Friendship Chairman of the 6th. District of Texas Federated Women's Clubs. She will be assisted in serving by Mrs. Barney Cargile, Mrs. Alice Graves and Mrs. Lee Clark. The committee invites all of those who are interested in the work the club is doing, to attend the tea.

SERVES LUNCHEON

The W. S. C. S. of the Methodist Church served a luncheon at the church on Monday, Feb. 23, as is usual on each fourth Monday. The program, from the World Outlook, followed. A hymn and a devotional were given and there was a special song by Julia Watkins. Parts on the mission program were given by Mmes. Gray, Joyce, Johnson, Smith, Switzer, Sellers, and Ellis. Prayer was led by Mrs. M. G. Grace.

LOCAL BRIEFS

Mrs. Bob Zellars and children of Big Spring and Mrs. Howard Walker and children of Odessa spent the weekend here with their parents, Mr. and Mrs. A. A. White.

Mrs. M. B. De Loach and sons of Cedar Hill were visitors in the home of Mr. and Mrs. Charley Carroll.

Mr. and Mrs. Billy Phillips of Saint Jo were here during the weekend with her mother, Mrs. Olice Jones, and with her brothers, Monty and Mearlyn Jones, and other members of the family.

Mrs. Sue Harris and children of Ft Worth were here during the weekend for a visit with her parents, Mr. and Mrs. Adrian Jenkins.

Jerry Don Aaron, a student in Tarleton State College and a member of ROTC, is now a Corporal. The next rank is Sergeant. Jerry Don is to be commended for the record he has made.

Joe Frank Crisp, a student in Tarleton, is doing very satisfactory work there. He spent the weekend here with his parents, Mr. and Mrs. Elgie Crisp.

Mr. and Mrs. Willard Neal of Tennessee Colony were here Sunday to visit his cousin and wife, Mr. and Mrs. Elgie Crisp.

Miss Pauline Roberds was accompanist for the Texas Day program which was given at P. T. A. of North Elementary School in Brownwood.

Charles Steel, a student in Texas Tech College in Lubbock, is active in the College Avenue Baptist Church there and has charge of the music in the Junior Department of the church.

Mrs. W. G. Frazier of Sundown visited her daughter, Mrs. Skeet Clark, and family recently. Mrs. Frazier was accompanied by a friend, Mrs. McChristal, a teacher in the school at Sundown.

will certainly justify the sale made to them. We commend them to our customers and friends, along with our own thanks for the long years of friendship, loyalty and good business with which they favored us during our ownership and operation of the store."

The elder Gregory, who was manager of the Gorman International Harvester agency for many years, and his son, who worked with him there before going into a feed and seed business for himself, both plunged into the work of organizing their store and getting acquainted with the large number of customers and potential customers here and elsewhere in the territory.

In addition to Farmall tractors - new models of which are soon to arrive - they will handle International Trucks, a unit of which will also shortly be on their display floor.

SPECIAL OFFER
They are now stressing special introductory tractor repair and service offers at prices cut away below the usual levels, and are making sweeping reductions on new Farmall parts purchased with the present stock in order to prepare the way for new stocks of parts already ordered, and for organizing their parts department shelves on a very efficient number basis.

"We intend to carry the most complete stock of Farmall and International truck parts to be found in this section," said Keith Gregory, who will handle the office, parts and shop while his father spends most of his time in charge of sales. "It will be our aim to have what our customers want when they want it, to minimize waiting and to give them service at the most reasonable prices.

"We have also acquired the services of Mr. J. W. McKinnerney, well-known and experienced as a mechanic, who will be in charge of our shop. As the need justifies it we will add to our shop force in order that our customers may be assured of the most efficient and quickest service possible."

There will be six in the Gregory families moving into Rising Star as a result of the transaction. The elder Gregorys have no children at home. Keith and his wife are parents of a daughter, Landa Ann, 3, and a son, Wood Hugh, 2. They are members of the Disciples, a popularly known church.

That's what users say of Golden Esso Extra gasoline . . . and truer words were never spoken!

Golden Esso Extra will improve the performance of any car in any price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response

that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class.

See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. Every time!

THE VALUE OF COURTESY

Courtesy has been defined as polite behavior toward others because of thoughtfulness for others. The value of simple, every day courtesy should never be underestimated. Courtesy, or the lack of it, can make or break a person in any walk of life, regardless of how educated or well-trained he may be.

Your courtesy has a great deal of influence when you apply for a job. Your prospective employer is always alert to anything that would show the kind of employee you might become. If you are thoughtful and considerate toward those to whom you are first introduced, then probably you will act the same toward others when you are on the job. Being overbearing and overconfident are frowned upon by prospective employers as much as the lack of aggressiveness and confidence. Neither would be desirable for job material.

Courtesy in the home is also very important. The manner in which we behave in public is naturally very much like the manner in which we conduct ourselves at home. We should do our share of the work cheerfully and promptly and not act as if we are a guest in our own home. Always respect the opinions of the family and show an interest in their ideas and hobbies. Let us remember that to strive for popularity in our own home makes it easier to achieve it elsewhere.

In the classroom, students show courtesy toward their classmates and respect for their teacher by talking in moderate tones, and by respecting the wishes of the teacher.

To realize and obtain the full value of courtesy, we need only to remember - "Do unto others as you would have them do unto you."

BAND NEWS

The Rising Star High School

Stage Band has been invited to play for the Coronation of the Rising Star High School "La Estrellita" Queen, Bonnie Tyler, who will be crowned February 26. The surprise guest artist from Hardin-Simmons University will be George Nomura from Honolulu, Hawaii. Mr. Nomura is the first trumpet player of the Hardin-Simmons Stage Band. His feature number (his favorite, by the way) is Ray Anthony's selection of "Man With a Horn". The RSHS Stage Band will furnish the accompaniment for this number.

For the best in the field of jazz the Stage Band will feature very good entertainment and talent for Miss Tyler on her Coronation. The Coronation will start at 7:30 and the Stage Band urges you to attend.

THE VIEW FROM A SENIOR'S HEAD

We've had it! What? Our first taste of spring fever. Last week, when we had that lovely warm day, we got our first case of the 1959 epidemic, and ever since then some of our Seniors have been saying some rather odd things; such as -

Essie: "How do you get along without a speedometer?"

Don: "Well, when I get to driving fifteen miles an hour, my finders start to rattle; at twenty-five the windows rattle; at thirty the motor starts knockin' - an' that's as fast as she'll go."

Betty reading Carolyn's palm: "You'll be poor and unhappy until you are forty."

Carolyn (hopefully): "Then what?"

Betty: "You'll get used to it!"

Barbara learning to drive: "What do I do if the brakes don't work?"

Jack: "Steer toward something cheap."

Jerrell: "What will my operation cost me?"

Doctor: "My fee will come to \$500."

Jerrell: "You'll have to shade your price a little. I've had a better bid from the undertaker."

See what I mean! Oh, by the way, we Seniors have been sponsoring an occasional bake-sale at Agnew's Grocery Store. We haven't been having the sale every week, but about once every two weeks. The delicious cakes and pies we sell are made by the Seniors themselves or the Seniors' mothers; so, be sure and watch for our bake-sales or ask one of the Seniors to keep you posted on the dates.

That's it for this week; until we meet again this is "Naughty Nellie" leaving you with this final view -

"Keeping a secret from some people is like trying to smuggle daylight past a rooster."

FIS!

Tuesday night the B girls went to Cisco and the teams came home with victories. It had been quite awhile since the B girls had a game, and some of us were "Too pooped to pop" after the game.

This Thursday is the night of the coronation and we can hardly wait. That's one thing around Star that no one misses.

I don't think the teachers planned it, but this week it has been one test right after another. And since there wasn't very much outside of school activities, we couldn't very well get out of them.

H. E. is getting to be one of the favorite classes; even if we have to take out darts and put 'em back in, but we really are enjoying it.

Here's a little gossip passed along the grapevine. Kathy W. "Are you sure you lost your

marbles?"

Kay W. "If he'd only ask you." Larry N. "What a Window?" Carrol H. "Now why did you want that Band officers picture?" That's it for this week.

S-O-P-H

Hi-ya, neighbor. Once again it's time to present station S-O-P-H coming to you from R.S.H.S. Now, we find ourselves in cold weather again. It looks like our six-weeks tests might be delayed a little longer. More time to study. Get with it, kids.

In English all the book reports and themes are about in, I think. Just think of all the studying we have to do the rest of the term! Ohh!

Lets hear the latest gossip on the jail-er-a-school birds.

Johnnie - Why do you flash your left hand around so these days? Oh, I see. Yoo! Hoo! Here

I am.

Elsie - - What's this I hear about - - "I can't wait until June!" Oh, ho! Elsie.

Jetta - - Now Rooster, just wait until Brewster gets back. You and Finny may go to blows. HA

Ollie - - Why does Mr. Putman keep calling you an "old maid?" We'll show him, won't we Beuler? Elaine - - Murney, August isn't

getting any farther away is it?

Carolyn - - Crawley, what's this about having an accident while sleeping? Heavy dream? Oh, I see.

Rita - - Snail, you dog! Did you put Mr. Nunnally up to that?

Douglas - - You wouldn't know the solution to that mystery about Rex, or would you? I didn't think you had it in you!

That's all our...

week, fans, so until next week, this is the regular station on the air off with only one word of Drive carefully and watch you are going because Linney is on the rampage car once again.

So, long, neighbor! P. S. We would like to see (Continued on Page 5)

JUNIORS-STILL

We are certainly glad that you decided to tag along with us on another sleigh ride featuring the daring Juniors. And speaking of sleigh rides, the weather as of now seems quite willing to accommodate those who are in the mood for cold. If the Juniors had anything to do with making the weather, it would be warm and sunny all the time, and we would all drag around with Spring Fever most of it.

By the time you read this the main topic for conversation will be the Queen's Coronation. At most of you probably already know, the "La Estrellita Queen" for this year is none other than Bonnie Tyler, a Junior, no less. Of course, we have always been proud of Bonnie and her achievements, and this is just another addition to her long list, but we can still brag a little about her. Bonnie is an attractive 16 year-old, with black hair and dark brown eyes. Anyone who attends the basketball games will remember her as number 33, forward. Bonnie's escort and Lord Chamberlain will be another Junior, Pat Agnew, who is also our Class President. And, by the way, Bon-

nie is our Class Treasurer. We of the Junior Class, want to extend our invitation to everyone reading this report, and we are also going to expect a full house on the night of the twenty-sixth to witness a beautiful coronation. Reporter - -

Who's Who

Lou Erwin was born in Rising Star, Texas, on August 30, 1941. She entered Rising Star Ward School in 1947 and has been going here ever since.

Lou is a very active person in our high school. She has been a member of the F.H.A. for four years, librarian for two years, and she is the Senior Class secretary. She is very sports-minded, which includes basketball

four years, baseball one year, and volleyball one year. Sports are a great asset to our team this year. In particular, Lou's hobbies are music, art, and just loafin' around. Her favorite colors are blue and red; food is pork chops; and her favorite stars are Duke Robertson and James Stewart. This girl has very good taste.

As far as the future is concerned, Lou is still undecided but whatever her choice, we are sure she will be a success. Larry Karp was born in Gorman, Texas, on August 17, 1941. He started to school in 1947 in Rising Star and has been attending here ever since. Larry is the president of the

club. Larry is a very active person in our high school. He has been a member of the F.H.A. for four years, librarian for two years, and she is the Senior Class secretary. HOLD THEIR TRUE COLOR.
BECAUSE THEY'RE

Tailor-Made for Southwestern Climate

Most paints are made for "average" temperatures throughout the whole country. Jones - Blair paints are made for the Southwestern climate, formulated expressly to withstand its hot sun and rigorous temperature changes. Long research and testing in the Jones-Blair laboratory, largest in the Southwest, produced this exclusive formula — there's no other like it.

Jones-Blair House Paint is definitely superior to ordinary house paint; it is the

best house paint that can be made. Its well-balanced formula lets it flow on smooth and easy, and it has excellent hiding ability. J-B House Paint goes on to stay. It ages smoothly and uniformly. It collects less dirt and dust and leaves a perfect surface for re-finishing years later.

Jones-Blair paints cost less not only because they last longer, but because they cover more surface with greater hiding power. And you can't find more beautiful colors — over 24 of today's most desirable colors — unusual intermixes and beautiful trim colors.

Before you repaint your home, it will save you money to find out more about Jones-Blair paints — the finest you can buy — so nice to come home to!

APR means "Anti-Pathogenic Reagent." J-B SATIN-X with APR gives you positive, lasting protection against disease germs on walls. Absolutely safe... non-poisonous.
