## **Jackie Harris Will Attend Symposium**

**Rising Star High School** student Jackie Harris and science teacher, Kenneth Good, have been chosen to attend the 27th Annual Energy Science Symposium at the University of Texas in Austin, June 8-11.

Harris and Good will be among only four hundred high school science students and teachers througout the state who will attend the sessions in Austin. They will have the rare oppportunity to hear some of the nations outstanding scientists speak and to see some of the finest science facilities available.

West Texas Utilities will pay all expenses for 30 students and teachers from their service area to attend the four day Symposium in June.

"I think the Science Sym-WTU manager. posium offers WTU an ex-

sponsored by the Texas cellent opportunity to assist Atomoic Energy Research in the advancement of scien-Foundation and University tific knowledge in our public schools," said Travis of Texas. West Texas Utilities is one of the spon-Williams, Rising Star local soring companies in the The Symposoum is jointly Foundation.

# Winners Named by Rising Star EMS

The Rising Star Emergency Medical Service thanks everyone who bought tickets and supported us during our fundraiser drive. Our thanks also go to the merchants of Rising Star who were more than generous with their donations of gifts.

Thanks also to the musicians from area towns for coming and playing some good music.

Manuel Garza, left, and Daiel Maldonado were at a reception given them at the opening of the display of their artwork at First State Bank of **Rising Star Sunday.** 

The warmth and hospitality of local residents gave the artists much pleasure, they said.

City employees held a meeting April 23.

Bruce Rivers has been doing some street grading. Russell Owen has been helping us out the last few

days with trash hauling and shredding. Shredding has been done

in the City Park. Some maintenance at the water storage facility in City Park will begin in the near future; the gravel has already been delivered.

A survey of water use for calendar year 1986 has been completed and mailed to the **Texas Water Development** Board. The City of Rising Star has 10 wells which suplied 22,641,000 gallons of water to its residents, with no restrictions placed on water usage.

Doug Owen and Donna Gregg will be attending the Central West Texas **Regional Water Utilities** Short School in Abilene May

Mayor Henry Burk will be in Austin on May 9 for an auction; he plans to bid on some equipment for the city. You may have noticed the

star atop the water tower is once again shining brightly. New bulbs were purchased and a brave soul by the name of Jackie Bibby is repsonsible for having installed them.

**RECIPE FOR THE WEEK:** The Extension Service Office, located in the Courthouse, has received a supply of a new publication entitled TEXAS LEAN BEEF. Today's beef belongs in a wellbalanced diet of lowercaloried food choices. A 3 ounce serving of cooked lean beef, at 192 calories, provides less than 10 percent of the recommended daily calories intake for a woman 23 to 50 years of age and seven percent of the recommended daily calories for a man of the same age.

**CHINESE PEPPER STEAK** 114 pounds lean beef cut in 34 to 1 inch strips

<sup>1</sup><sub>2</sub> cup dry red wine <sup>1</sup><sub>4</sub> cup soy sauce teaspoon ginger <sup>1</sup>4teaspoon cinnamon 1/2 teaspoon sage 1/2 teaspoon each of sugar, salt, lemon pepper 1 clove garlic, minced Marinate steak in above

ingredients. Use stir-fry method. After the steak is browned, add the following: 3 large sliced green peppers, 2 large sliced onions, 1 (6 oz.) can of water chestnuts, and 1 tablespoon cornstarch. Simmer 2 minutes until

thick. Serve over steaming rice. Yield: 6 to 8 servings.

SHORT TAKES

"Home, Sweet Home" may not be so "sweet" after all. According to National Wildlife magazine studies have found that the air inside homes may be more dangerous to human health than the air outside. In fact the number of people claiming to be victims of "building sickness' has tripled in this country silnce the early 1970s. Some of the indoor pollutants include formaldehyde, radon and tobacco smoke.

ton Co. Tex. He was raised around Pilot Point. The Johnson children, in order were: Pearl DeMar, James Milton, Ruth Capps Kennedy, Lillie Capps, Charlie Lee Johnson, Excy Jones, and Helen Wright. Milt, Excy and Charlie have gone on. Their father, Edd Johnson, was born in Sibley, La. Jan 28, 1879, died Dec. 18, 1937.

Their mother, Cynthia Ann Richardson was born May 2, 1886 in Ark., died Aug. 15, 1981. They married Jan. 8, 1901.

Charlie's grandfather came from Norway, married Ceclia Taylor. Cynthia's parents were Eli Richardson and Mary Elizabeth Pierson. Paula Mae Flourney was born April 22, 1915, at Lassater, Marion Co. Tex. Her father was Joseph Alexander (Joe) Flourney, born March 17, 1886, Wayland, Tex. Stephens Co. Her mother was Birtie Pearl Ferrell born June 5, 1891 in Stephens Co. They married Jan. 5, 1909 in Grapevine Community, Eastland Co. Paula has a brother, George Elbert Flournoy, born Sept. 8, 1911 in Marion Co. George and Paula's mother's relation owned property where the Dam is on the Lake of the Pines, thus, THE FERRELL BIRDGE DAM. Their mother died Dec. 27, 1920, and Paula fell heir to the housekeeping job, with George's help sometimes.

Charlie Lee Johnson came on the scene in 1953. Paula and her father lived at Morton Valley. Charlie drove from Fort Worth every week for 6 months to see his sweetheart-Paula. He also wrote 2 LOVE letters a week and expected the same. EX-**CERPT** from a letter - (Dec

worked for the other fellow in Abilene, and Fort Worth. The Texaco gave way when Victor Cornelius added new addition to his business. The New Eastland National Bank building took away the Fina, though someone else operated it after Charlie had his first heart attack there Oct. 17, 1962, and retired. We had bought 2 lots with a very small house, big enough to walk in and back out. A little black puppy with long hair, Collie looking, pretty as a picture, came looking for home - and found it. Charlie said she could not stay in the house or ride in the car, but she did all that. He took up

with TOOTER - the dog, and she became his fishing buddie, and waited in the car while he drank coffee with his friends in Central Drug and Dairy Queen. Charlie didn't buy Paula any cut flowers, but brought her boquets of WILD FLOWERS he picked with HIS OWN HANDS. He wanted to show Paula some of this beautiful country that he had seen in the past, so they took chances with his health and traveled some, and went from North to South, East to West, and in between Canada, and walked across the bridge into Old Mexico, 23 states in all. "GREAT WIDE BEAUTIFUL WONDERFUL WORLD"! TOOTER was along for the ride and happy to be with them. She didn't know she was a dog. She was their BABY.

## Terry L. Wilson

The Lone Star Bass Association West Texas Team Circuit tournament scheduled for May 16 and 17 has been moved to May 9 and 10 to Lake E.V. Spence. Headquarters will be at Wildcat Marina.

Local anglers who thus far qualify for the Lone Star Bass Classic are Bob and Joe Bob Moore and Tommy Maynard and Terry Wilson. Tommy and Terry are presently in 4th place over all.

There are 3 qualifying tournaments left and anyone who might want to join this

tour could easily qualify for the classic simply by placing well in these remaining tournaments.

1987 will probably be remembered as one of the most unusual years for figuring out wildlife patterns. Higher than normal winter rainfall, early warming

spells and late cold snaps. Oh this Texas weather! Let me give you some ex-

fishing. Lake Leon's bass normally spawn from the river first to the dam first. 1987, most of the main lake

May 16 and 17. The second largest tournament in the world. New Headquarters will be Wimberly's Wharf on the east end of Hubbard Creek Bridge. Also new this year 50 money places, quaranteed minimum of \$200.00. Also the winning fish will be mounted free courtesy Buddie's Rod and Tackle by Wilderness Taxidermy of San Angelo, Texas. Entry fee is \$50.00, per day until May 9th at which time it will increase to \$75.00 per day. Last years winner Billy Latham Jr. won over \$45,000.00. You could be next so sign up now.

The Eastland County Bass Club would like to invite everyone to attend their May 7th club meeting. The meeting will begin at 7:30 p.m. on the east side of the square in downtown Eastland. There will be some interesting items discussed including Lake

Leon. A hot lake this past week was Lake Brownwood, Barn door crappie and bass were very active in the river sections.

## **Singles Group** To Meet Thurs.

The Singles Encounter Group will meet at 7:30 p.m. Thursday, May 7, in the dining room of Tradition's, Interstate 20 East, Cisco. Duke Dixon will conduct the group.

All singles, 18 years of age or older, are invited to attend.

**Free Concert** 6 P.M. Sunday

You are invited to an admission free concert by Messenger, to be held Sunday, May 10th at 6:00 p.m. This quartet is a music team sponsored by Mid-America Bible College, Oklahoma City, Oklahoma. Larry Smith invites you to attend this concert at Inspiration Church of God Camp Inspiration Highway 80 West in Eastland. Messenger is comprised of four young men from the United States and Australia, who are called to share the gospel through song this summer.

You'll hear songs like, 'Keep On The Firing Line' 'Passin' The Faith Along" "Just A Little Talk With

# **National Extenison Homemakers Week**

National Extension Homemakers week is May 4-9 and 90 members of the six Eastland County clubs are celebrating this event.

The State Association is composed of 23,000 lay persons in every Texas county and has worked cooperatively with the Texas Agricultural Extension Service throughout its 60 year history to conduct informal educational programs to assist families, young people, and their communities to improve their quality of life and economic security.

Even practical, everyday living can be fairly complex these days. Extension Home Economics has information and ideas for making it a little easier. By being a part of **Extension Homemakers this** information is brought to you through monthly educational programs on food and nutrition, health, clothing, housing, child development, and family financial management.

Choose the way you like to learn. with others at home

through workshops, correspondence, or club meetings. For more infor- Annie King mation on Extension Home Economics, call the County Extension Service office at 629-2222. Congratulations, Exten- Oakley Kidd sion Homemakers, on all

Turkey time is here once again. Yes, it's time to order turkeys for the 1988 Houston Livestock Junior Market Turkey Show. Only Vo-ag teachers or County Extension Agents can order turkey poults. Cost is \$375/poult and minimum order is \$50 poults. Deadline to order these turkeys is June 30, 1987. If you are interested in trying to raise some turkeys, please let me know as soon as possible! Chances are you don't want 50 turkeys and I may be able to combine an order

The theme for Nursing Home Week this year is "Discover Life's Treasures -Visit a Nursing Home Resident." Most nursing home residents are in their seventies and eighties and have memories and stories to tell that we will not find in history books or classroom lectures. They were the

EASTLAND Eastland City Commissioners have agreed to grant a request by the Eastland Memorial Hospital for the city to place a \$3 voluntary contribution on water bills of Eastland residents. Hospital board members Milton Fullen and. Bill Hoffman, along with Administrator Marcia Carr, said that this would offer assistance in the purchasing of new and upgraded equipment. The hospital also requested that the city allow the facility water and sewer services at no charge. This request was tabeled for discussion by the Commissioners.

Eastland's annual Clean-Up Campaign was launched May 1, and will run through May 15, with everybody being urged to participate. The city is cleaning up and improving the planter boxes around the Square and the giant planter on the south side of the Exchange building. The Rotary Club is in charge of the cleaning up at the West Y Park, and the City Parks Board is busy with improvements at Park Hill.

A new six-field Soccer Complex is nearing completion alongside Highway 69 North of Eastland, due to combined efforts between independent contractors, the Chamber of Commerce and the Industrial Foundation. The two-year-old county program looks toward developing the new complex with restrooms, concession stands, and other features. The Eastland County Soccer Association is a /certified member of the North Texas Soccer Association, which has international affiliation.

Arlin Bint of Cisco was elected President of the West **Texas Hereford Association** at their annual meeting last week in Abilene. A breeder of registered herefords for 15 years, Bint will represent the largest regional organization in Texas with a number of prominent ranchers in its membership rolls. The association will continue to sponsor an annual sale of registered herefords in Abilene, Bint said. Prominent Cisco area civic and church activities for many years, Mr. Bint is a retired teacher and superintendent of the Cisco Public Schools.

#### RANGER

The Ranger Chamber of Commerce is continuing their clean up and beautification project at the intersection of Hwy. 80 and Main Street. Martin Gohlke, project chairman, has set both short and long-range goals. The railroad intersection was cleaned up April 25, and long-range goals are to expand the landscaping and planting east to Bubba's and west to Margaret's Grocery, and to install a sprinkler system. This is a big project which will take much time and effort, but which will be of great benefit to the town and area.

**County Judge Scott Bailey** has announced a slightly altered schedule for arraignments in the reactivated County Court, which now has con-current jurisdiction with the 91st District Court for misdemeanor cases. The first court day was held as planned on Monday, May 4, but the Judge will hear pleas later on Fridays, and set cases for trail accordingly. This was agreed after a planning ses-sion with the District Judge, District Attorney, the Sheriff's office and various clerk's offices. All agreed that Fridays would be the best days for the arraignments.

Mayor Joe Wheatley has proclaimed the week of May 4f through May 10 as the Support the Hilton Community Center Week. All interested persons in the area are invited to become a part of the maintenance of this very special place. This is in the face of a sagging economy, in which revenues from the sustaining hotel and motel taxes are not what they used to be. Help is needed from regular benefactors who appreciate, having this historical treasure in Eastland County. The address is: Hilton Community Center, Box 350 Cisco, Texas 76437.

A large crowd turned out for the Cisco Folklife Festival Saturday and Sun-day, and enjoyed the many exhibits and festivities. The Festival was begun 14 years ago, and seems to grow larger each year. Saturday's Parade was featured on KTAB, Abilene, with cameras getting some good shots of the Wrangler Belles, Marching Bands, and other participants. Two Cisco High School Class reunions were held in conjunction with the Festival - a reunion of the Class of 1940 and the Class of 1937. Many long-time friends enjoyed the meetings and

#### **Pre-RegisterKindergarten** WILDCAT TALES Children Here May 14 RISING STAR HIGH

Parents are asked to preregister their children who will be in kindergarten next fall. All children who will be five on or before September 1, 1987 may attend kindergarten.

Parents are asked to call Rising Star school at 643-2431 or come by to pre-register.

The scheduled time for the screening process will be Thursday, May 14, from 9 a.m. to 2 p.m. This process will take about 60 minutes for each child and school officials hold the preregistration to avoid delay at the beginning of the next term.

Each student's hearing, vision, speech, motor skills and developmental growth will be evaluated at this time.

Parents are reminded that

to enter school in Texas a student must have a state approved birth certificate and a current immunization record. Immunization records must include threein-a-series DPT and/or a booster after age four, polio, measles, mumps and rubella.

Please bring birth certificate and immunization record at time of registration. The school committee will

also evaluate children between three and four whom the parents suspect have a handicap, learning or developmental delay. The **Rising Star Independent** School District offers an early childhood program to handicapped children. Call 643-2431 and schedule

pre-registration for your child now.

Brazos River Authority today announced that it is making additional efforts to minimize the further drawdown of the level of Possum kingdom Lake due to water releases for power generation. The lake level has been drawn down 13 feet from the normal maximum operating level of 1,000 feet while structural modifications are being made to the dam. The temporary maximum operating level of 987 feet is expected to be in effect for at least six months and perhaps as long as a year. Lowering of the lake level to 987 feet was ordered by the Federal Energy **Regulatory** Commission which licenses the hydroelectric generating

facilities. The lake level is being drawn down as a safety measure because of problems discovered during the regular five-year inspection currently in progress at the project. On the basis of recommendations made by the engineers hired by the Authority to conduct the five-year inspection of the dam, the Authority originally proposed to lower the lake level by eight feet, to elevation 992, while engineering investigations continued and

Edmund Burke, British politician (1729-97), said: "You cannot plan the future by the past."

corrective measures were implemented. Once the drawdown began, however, the Federal Energy Regulatory Commission, which licenses Possum Kingdom as a hydroelectric power project, ordered that the lake be drawn down an additional five feet, to elevation 987.

**How Does Lake Level** 

**Affect Power Customers?** 

The Brazos River Authority has contractual requirements to provide water to downstream users. It also has a contract that requires it to sell hydroelectric power to Brazos Electric Power Cooperative. The Cooperative, in turn, had obligations to twenty member Cooperatives and seven city electric systems. These systems provide electric service to over 573,000 people, including residents and businesses at Possum Kingdom. A spokesman said there will be times when it is necessary for the Authority to operate the hydroelectric plant to provide this power to the Cooperative. He added that, working with Brazos Electric Power Cooperative, the Authority will do its best to minimize the effect of cir-

cumstances on residents. He

said the Cooperative's power

needs are dictated by its con-

sumers, but it has

volunteered to do its best to

pect the lake level to go lower than 987 as the result of evaporation and normal water supply and hydroelectric operations," said Carson Hoge, General Manager or the Authority. "We have been working with Brazos **Electric Power Cooperative** to ensure that we can coordinate our essential operations of water supply and hydroelectric power to minimize further lowering of the lake's level. Brazos Electric Power Cooperative has been extremely cooperative. We will do our best to minimize the effect of the lower level required by the Federal Energy Regulatory

Commission." The Brazos River Authoirity Board of Directors has authorized the expenditure of more than \$2,000,000 to continue investigations and to identify and begin work on any needed modifications of the dam. A general contractor is now on site and has already begun some of the structural modifications recommended by the Authority's consulting engineers. Also under way is the installation of highly sensitive monitioring equipment on the dam to provide data as to its present condition and to detect any changes which may be occurring. Hoge said repairs are expected to take at least six months and perhaps as long as a year.

minimize them. "If weather conditions during this summer are hot and dry as usual, we can ex-

Proper Insulation!

Keep the cool air you've paid for inside of your house. Consider installing insulation as support for your hard-working air conditioning unit. Insulation comes in

If you check all windows and doors and install weatherstripping and caulking where needed, you will save on both cooling and heating costs. Just think, an almost invisible 17" gap at the base of a standard 36" wide outside door is equal to a nineinch hole in the side of your house! Close that gap with easy-to-install felt or foam rubber products which draft-proof doorways.
