Johnston Truck & Supply SHOWS NEW

Loadstar Line

By International

Loadstar models include new medium and light-heavyweight International Trucks and represent a new concept in truck engineering by combining the advantages of cab-forward and conventional trucks.

New functional styling, outstanding maneuverability, driver comfort and service accessibility are design highlights.

A choice of 12 gasoline, diesel or LPG engines is offered with horsepower ratings from 113 to 197. Single-rear axle, tandem axle and four-wheel drive models are offered in tractor, straight truck and school bus chassis.

TO THE VOTERS OF RISING STAR

As you know I am a candidate for Councilman in the City Election coming up next Tuesday.

I have served in this capacity before and endeavored to discharge the duties fairly and with due regard to the best interest of our city and its people.

If you feel that I did so during my previous service and that my experience will be of benefit to our community, I will appreciate your vote and influence.

Bedford Morris

In Times Like These -

.... we need to keep cool and not be blustered into moods of hysteria by scare propaganda put out by politicians and do-gooders who would lead us to believe that we are now spending our last days on this earth unless we do what they say. We need to do our own thinking for awhile, for better results. We may go down even then but let's be a realistic thinking group of patriotic Americans, workers and fighters! Write your Congressman today.

summoned the department.

I wish to thank the members Survey Of Peanut of Sherman, a sister of Mrs. ment for their prompt response Profits Show Cost March 12, and also the lady who Of \$31 Per Acre

Are peanuts a profitable enterprise on your farm? How many bushels per acre do you have to produce before profit is

In an attempt to answer these Corman, Texas area kept production cost records on their peanut crop in 1961, according to county agent, J. M. Cooper. A summary of these records showed it cost approximately \$31.00 to produce an acre of peanuts. This cost figure does not include O. H. (ONUS) DICK any charge for the land, interest on capital or depreciation. Using \$31.00 per acre as the cost of O. H. Dick Pledges production and \$3.35 as the price per bushel, requires a yield of 9 Sound Principles bushels per acre to cover out-ofpocket cost. Under these conditions a yield of 16-18 bushels As County Judge would give a return of \$20.00. As County Judge would give a roturn of \$20.00-

turn figures will not apply to mal statement issued this week. all peanut producers in Eastland and surrounding counties but of County Judge is important," they may serve as a guide for Mr. Dick said. "I fully realized that the office

"I considered all of these things at length before reaching use good business principles in all dealings and to be fair and • WANTED impartial with one and all."

This is Mr. Dick's first political race, and he said that he was trying to contact every voter personally. "If I miss anyone, it will not be because I haven't tried to see them," he said.

Mr. Dick was born and rearmother, Mrs. Nola Cox. God ed at Olden, and he and Mrs. Dick still live there. They are members of the Baptist Church and have been for 22 years. He is a member of the Eastland Rotary Club. They have one daughter, Mrs. Kenneth Williamson, who lives in Andrews.

Mr. Dick lived in Cisco for several years before World War II and was circulation manager there for the Fort Worth Star-

Late in 1961, Mr. Dick sold his interest in the Ronger Times and Eastland Telegram. He served as co-publisher for the two papers for some 15 years.

"I feel that my background and experience have qualified me to serve as county judge," he "I know the county's needs and problems and I know how to use good business principles. My past business experience qualifies me to do you a good job as your county judge."

YWA Meets With Mrs. Hudler On March 21

The YWA met at the home of Mrs. Ira Hudler, their sponsor, on March 21. Ollie Winfery opened the meeting and there was a discussion of business. The group decided to meet again cn April 4 and 18. Maria Geye led the prayer after reading the prayer calendar.

All members took part in the program on Home Missions. Mrs. Hucker dismissed the group with prayer and then served delicious refreshments to Lovey Bishop, Louise Fraley, Cynthia Brown, Maria Geye and Ollie Winfery. — Reporter.

James Lewis To Take Part In NTSC Recital

Denton — James Walter Lewis of Rising Star was one of 12 North Texas State University students to take part in the fourth jazz composers' recital and display of new art March

The recital represented an outlet for new music and new art on the campus. The series was begun last year, when three similar programs were present-
