Country Needs Strict Drug Laws

Sen. Phil Gramm Speaks in Eastland

U.S. Senator Phil Gramm visited Eastland to praise local law enforcement officers for their efforts in fighting drug abuse and to brief them on congressional efforts targeting our nation's drug problem.

"I am here to pay tribute to the brave men and women who are serving on the front-line in our battle against drug abuse," the senator said.

Senator Gramm is meeting with the leadership of rural Texas communities seeking their evaluation as to the extent of the drug problem in their area. In addition, Senator Gramm is providing these officials details of the "Anti-Drug Act of 1988" which President Ronald Reagan signed into law on November 18th.

In describing how the legislation will better equip our nation to wage and win the "Drug War" the senator said, "For too long law enforcement officials have had to fight a big battle with a small stick. I am pleased to say that the federal government is finally wading in and giving you a bigger stick."

The recently enacted drug bill is aimed at "boofing-up" law enforcement efforts in dealing with drug abuse. The bill sets mandatory sentences for anyone convicted of selling drugs to minors and mandates the death penalty for those guilty of drug-related police officer murders. The bill also provides additional federal funding to fight the flow of illegal drugs.

Senator Gramm has made the fight against drugs a top legislative priority item with his work in the U.S. Senate. Although the senator co-authored the drug bill adopted by Congress, he is convinced

that additional action by Congress will be required if we are to achieve a drug-free America. Senator Gramm believes steps must be taken to deal not only with the supply of drugs but also with the demand for them.

"Twenty-three million Americans are regular drug users. They are not drug addicts. They are people like you and me, they go to work, pay taxes, but they buy drugs," said the Senator. "In doing so, they provide the high-stake incentive for the drug-peddling thugs who swarm our neighborhoods and school campuses. To win the "drug war" we must ultimately cut-off the demand for drugs," the senator said.

The Senator, joined by Eastland County Sheriff Dee Hogan, West Central Texas Interlocal Crime Task Force Commander Frank Cleveland, Cisco Chief of Police Raines, as well as other law enforcement and civic officials, participated in a question and answer session.

Senator Gramm holds a Ph.D. in economics, a subject he taught at Texas A&M University, and serves as a member of the Senate Budget, Appropriations and the Senate Banking Committee.

Gramm, a national leader in budget matters, co-authored the Gramm-Latta I and II federal budgets in the House and the Gramm-Rudman-Hollings balanced budget legislation in the Senate.

Looking for a Bargain-- Here's One!

By Dr. Charles Barnes Eastland County people may go to the Polls in July to vote for the biggest bargain ever offered to its citizens.

The question is: Should Eastland County accept a \$65 million dollar state prison if offered by the Texas Department of Corrections? The prison would be built on a site to be provided by Eastland County people and operated by the state. It would be utilized as long as people violate the law and need to go to jail. The minimum time might be 50 years and the maximum could easily be 100 years. It is a recession-proof industry.

What do we gain?
A 2,250 bed maximum security state prison would provide:

Employment of construction workers for a 2 year period of time... (dirt moving equipment operators, cement workers, brick masons, welders, plumbers, electricians, painters, carpenters, etc. at the Eastland County site, building a \$65 million dollar facility.)

Permanent employment as state civil servants for 826 persons at various jobs from correctional officers, clerks, typists, medical technical staff, nurses, doctors, dentists, teachers, etc. at salaries varying from \$12,000/year minimum to \$49,000/year for more senior people. About 1/3 of the employees will be women. About 2 to 3,000 people, (families of employ-

ees) will be relocated into Eastland County - some are coming back home to be with parents or grandparents again remembering that they left because there was no work here. This coming home could be as many as the number of people now living in Eastland. A monthly payroll of \$1.6 million dollars which will be spent for housing, food, clothing, recreation of employees and their families who will have the money to pay their bills and buy new things.

A revitalizing of our communities. We've lost almost 30% of our businesses in the last 10 years. Good jobs and good payrolls can completely remake towns of this area. We will gain what we are ready to receive. More people

could put some of our hospitals on a paying basis. Good housing can be re-occupied. Schools can flourish with children whose parents are tax paying citizens. Churches can be rejuvenated with young families who want the best for their children.

What does it cost?
If Eastland County wants a state prison here we must provide a building site of a minimum of 300 acres of land. However, seldom does the state build on so small a site. They normally choose an area of at least 600 acres to well

over 1,000 acres. We have found one thousand acres of land with a single owner willing to give an option on this property free of charge for a period of 9 months. The ultimate price for this property is \$650 per acre for a total cost of \$650,000.

While this may seem to be a lot of money it is a lot of land and the cost is only about 1/3 of the monthly payroll and 1% of the total cost of the facility, a real bargain! With careful planning it can be budgeted and purchased with no added taxes for our citizens if we choose to go that route. It can also be purchased by Certificates of Obligation issued by the county payable in from 1 to 30 or so years. With the increased business activity and rejuvenation of our economy there could be a broadening of our county tax base such that no additional taxes will be collected from each individual.

Several facts are clear — **If we do not offer to buy land for a prison site we will not get a prison.**

If we do offer to buy land and it is not accepted as a site, it costs us nothing, zero.

If we offer a site and it is accepted our cost is minuscule when compared with the benefits — the biggest bargain in Eastland County!!

Local Palace Drug Store Is Open for Business

Palace Drug Store of Brownwood may have closed but Palace Drug Store of Rising Star is still open for business.

Bill and Peggy Dennard, owners of the local drug store, have been besieged

with questions about their closing since the publication Sunday of the Brownwood store's closing. The Rising Star drug store has no connection with the one in Brownwood.

"Palace Drug Store of Rising Star is NOT closing," said the owners. "We are not leaving; we are still here to serve your prescription needs."

Small towns are known to be rumor mills and Rising Star is no exception; as they spread rumors can quickly grow beyond recognition. Residents may be assured that this rumor has no basis and the local drug store will remain open.

Weather

Rising Star received a half inch of rain Sunday night from a thunderstorm with high winds and lots of lightning. Three tenths of rain was reported a few miles west of town and eight tenths was reported to the north while other areas received less moisture.

Fire Damages Stone Residence

Fire severely damaged this house last week. The George Stone family lived here. Watch for a story in the next issue.

Rising Star ISD Board Meeting

A training seminar detailing the board of trustees' powers and duties and the responsibilities of board members was held in the board room of the Rising Star Independent School District at 7 p.m. June 12.

Regular meeting began at 8 p.m.

Present were President Larry Wilson, Vice President Tony Long, Secretary David Harris, Ronnie Green, Gary Wilson and Larry Chambers. Dr. Charles Barnes arrived at 9:35 p.m. Dismissal was shortly after midnight.

School personnel present were Dr. Donald E. Bryan, Weldon Hill and Robby Stuteville. Also present was Tim "Bones" O'Conner.

Minutes of the May 8 meeting were approved.

After hearing Mr. O'Conner the board voted 6-0 on a motion by Harris, seconded by Chambers, to accept the transfer of David O'Conner, contingent upon signature of David O'Conner and parents to a probationary contract outlining expectations of the student while in Rising Star ISD.

The school sold the 1975 International bus for \$1,257.43. The parking lot at high school was discussed.

A statement of cash in bank, revenues and expenditures compared to the budget was given by Dr. Bryan. The accounting of Chapter II funds for the 1984-85 school year was discussed.

Tabled until the August meeting were the Recommended Amending Functions of the 1988-89 budget.

Several accounts were consolidated into one. The High School Activity Account now includes former accounts for Yearbook, FHA, FFA, Athletic Coke Fund and Cheerleaders.

On a unanimous vote the board accepted the Appraisal District contract as submitted.

The regular meeting for July was changed from July 10 to July 6.

The board went into an executive session at 9:25 and returned to open session at 9:56 p.m.

A motion by Dr. Barnes, seconded by G. Wilson, to employ a science teacher/coach for 1989-90 carried.

A motion by G. Wilson, seconded by Chambers, to increase Kathy Herring's salary from \$10,240 to \$11,440 for the 1989-90 school year carried.

A new organizational structure was submitted and accepted. A copy is attached to the minutes.

A motion to make the necessary repairs on the campuses in order of importance as determined by the grounds committee, but not to exceed the proposed money budgeted, carried.

A motion by Chambers, seconded by Green, to repair the upper and lower section of the gym roof for the amount submitted by Sunbelt Specialized Services carried.

The Board EIC (Local) policy pertaining to Academic Achievement: Class Ranking was amended by adding the following statement: Cumulative grades for the high school years (grades 9-12) shall be used to determine honor graduates. To be eligible as an honor graduate, a student must attend the district high school at least two years immediately prior to graduation. First reading.

An honor student is defined as one in the advanced academic high school program who attains at least a 90 average in cumulative grades for the high school years (grades 9-12). A valedictorian and salutatorian will be selected from the honor graduates. However, an honor graduate will be eligible for being recognized as the highest ranking graduate according to the Texas School Law Bulletin 54.201. This means that the highest ranking graduate may not be eligible to be recognized as valedictorian or salutatorian under the regular academic pro-

gram. Students who take the following courses will be granted an additional 10 percent to grades attained for rank-in-class purposes only: Physics, Chemistry, Pre-Calculus, Spanish II, Spanish III, Algebra II, English IV and Geometry.

For example if a pupil makes an 82 in Physics, 8.2 points will be added to the grade of 82 for a rank-in-class score of 90.2. This does not change the 82 which will appear on the student's permanent record but is intended to motivate the students competing for graduate honor status to take the more difficult courses. This is recommended to be implemented in the 1989-90 school year.

Board Policy (Local) pertaining to Career Ladder for teachers was amended to read as follows: Teachers who transfer from another Texas school district shall be appraised in the district and meet local performance criteria for one year before being assigned above Level II, except as provided below. If a transfer teacher meets local performance criteria for Level II in the first year of employment, the teacher shall be eligible for assignment to Level II in the second year of employment. First Reading.

No action was taken concerning Board Policy BE (Local): Board Audiences.

Dr. Barnes was designated as TASS convention delegate and Long as alternate.

The superintendent was given authority to pursue the purchase or lease of a TC-2000 diesel 54-passenger bus.

The board voted to enter into a contract for learning resource consulting and administrative technical assistance with Education Service Center.

A motion approving the issuance of report cards in kindergarten carried.

RSHS Cheerleaders Attend Camp

These varsity cheerleaders from Rising Star High School recently attended a National Cheerleaders Association camp held on the campus of Tarleton State University. They were among the over 350 cheerleaders and sponsors representing 45 squads from across

Texas who participated in the week long clinic.

Pictured are (front, l. to r.) Wendy Green and Becky Walker; and (back) Pamela Hollis, Tami Vandivere and Gherda Williams. (TSU News Service photo)

\$2,500.00 REWARD

Any person with information leading to the arrest and indictment of the person or persons responsible for the crime may call 643-4261 or 643-3421. Information may be given anonymously and arrangements will be made for the payment of the reward.

Money may be mailed to First State Bank, Rising Star, 76471, to be deposited in the Witt Reward Fund. The account number is 72-360-6. No arrests have been made in the rape/murder case. Era Witt, 87, was found dead in her home on June 7.

Pioneer Patchwork

By Irma Miller

In the rush of things we left out news of the auction of a quilt at the Pioneer Ex-Students Reunion. We had mentioned the quilt before in this column and that it was donated to benefit our cemetery.

Hattie Bryson Lacy of Capitan, N.M. donated the Improved Nine Patch top which she had pieced and, Jean Alexander finished it out and brought it to our circle to be quilted. The lining and batting were donated by Betty Browning of Cross Plains. The finished quilt brought \$180 to the Pioneer Cemetery Fund; successful bidder was Mrs. Pat Minton of Pasadena.

Novella and Cleo Barton attended the Green, Thomas, Barton reunion at May Community Center June 25. About 40 were present. Cecil and Mary came and helped with some farm work on three different Saturdays. It really did help out. One of Cleo's nephews, Larry Zunker, and his wife, Marie, and two daughters of Baytown came to visit June 24.

Irma and John Miller went

to Eastland Saturday on business.

Bill Watson, son-in-law of Nell and Joe Fleming, had surgery Monday and is back home now doing fine. Nell and Joe visited Jay and Myrtle Kirkham of Cross Plains and had lunch with them Sunday.

Gladys Sessums' niece, Margaret Cannon, and sons, Michael and Dusty, of Fort Worth came to visit Thursday. Also Gladys' daughter and husband, David and Pat Witherspoon, of Lancaster visited Thursday. The Witherspoons' daughter, Rachel, is spending the summer with Gladys.

Senior Center News

Mr. and Mrs. Rickey Carouth and family and two nieces of Cross Plains and Mr. and Mrs. Jimmy Bates and girls helped Martha celebrate her 60th birthday Sunday. She enjoyed the day and received several gifts.

Carrie Gaines brought a limb from her peach tree, which had peaches of several sizes. It looked like a limb of plums.

Todd Weaver from Dallas spent Sunday with Mearlyn and Irma Jones.

We missed Joyce Geye at the center Monday. She has relatives visiting her from California.

When I walked into our center Monday, our custo-

dian had the building looking so nice. She had the tables all fixed with our American flags, strewn from a pretty white vase. We love our flag and it is good to see it waving. A lot of our soldier boys have lost their lives protecting our flag.

We were saddened to hear of the passing of Joe Ward's brother-in-law at Sweetwater.

The center will have Sheriff Dee Hogan and three other guests Thursday, July 6. They will be speaking, regarding the Prison Project.

Rilla and Walter Richberg had the following visitors Saturday night, Taby, Glenn and Justin Dunn from Abilene. Taby is a granddaughter of the Richbergs.

Everyone around the center is looking forward to the 4th of July holiday. The townspeople have done a lot of preparation for the day's activities at the Colquitt, Williams Park, which we are proud of.

Henry and Inez Robertsons' visitors last week were Jay, Cyndie, Casey and Drew Murter from Dallas; Alice and Dow West from Abilene; and Harlan and Jane Vise, Mary Carroll, Curtis and Stella Hill of Rising Star. The Murters are children of Harlan and Jane Vise.

Donna Fiest from Del Rio visited her mother and father, Ben and Berna Lee Chick, last week.

Lorraine Barnes had a surprise visit from a friend whom she hadn't seen since she was nine years old, Bineta Young and Destina Loqua, from Ranger.

Club hostesses for July are Edna Bostick, Berna Lee Chick and Evelyn Waru.

Have a good week.

Ted Barton Birthday Party

Ted Barton of Sipe Springs was honored with a birthday party and family reunion at the Activity Center of First Baptist Church of Rising Star June 24. Family and friends gathered to celebrate Ted's 80th year of living the good life in Sipe Springs.

After a barbecue lunch served by Meier's Catering Service of De Leon, cake and punch were served to guests and family. Mr. Barton received gifts from his children, grandchildren and great-grandchildren. A very special gift was a wreath decorated with pictures of his 15 great-grandchildren.

All of the children of Mr. Barton and his wife, Iola, were at the celebration. They are J.E. and Ruth of Dublin, Mary Ann and Jim Struthwolf of Lake Jackson, George and Beth Barton of Midland, Lewis and Barbara Barton of San Angelo, Howard and Patsy Barton of Archer City and Mark Barton of Girvin.

Grandchildren present were Janna Yancy and her children, Zane and Van; Kelly and Melanie Barton, Katie and Cody; Randy Mifnix and Kelly Nelson; Dave and Cathy Kasper; Dale and Beth Whittaker and Dane; David and Cay Barton, Aylana and Ashlea; John and Sheryl Barton and Lauren; Lydia Barton; and Jessie Barton.

Other family members and friends attending were Bonnie Campbell, Jo Bass, Helen Bruon, Jack and Elaine Milwee, Josh Milwee, Bobby and Margaret Esparaga, Wanda Barber, Mae Leonard, Sharon Gentry, LaVerne Gentry, Oscar and Alice Morgan, Cecil McClatchy, Robert and Naomi Burns, Carolyn Ratliff, Anna Baker Lovell, Roby Kornegay, Janet Morris and Lejie Morris.

ASCS News

Small Grain Failed Acreage: Producers having small grain which has failed due to weather such as drought, freeze, hail, or flood are encouraged to file an application for disaster credit. (ASCS-574) within 15 days. The disaster application should be filed prior to making any other use of the crop.

ACR and CU Payment Acres Maintenance: Producers participating in the wheat, feed grain or cotton program are reminded that no haying or grazing of ACR and CU payment acres is authorized from May 1, 1989 through September 30, 1989.

ACR acreage must be devoted to an approved cover and protected from weeds, insects, rodents, and erosion.

Conservation Reserve Signup: The final signup for the Conservation Reserve program (CRP) will be July 17 through August 4, 1989. Applicants will submit bids stating the rental rate they would accept to convert their highly erodible land to permanent vegetative cover for 10 years.

Crop and Livestock Reports: Eastland County producers will soon be contacted by the Texas Statistical Service to complete crop and livestock reports. Your help in providing this data will be appreciated.

Ending Planting Dates: The final planting dates for program purposes are Cotton, May 31; Grain Sorghum, June 20. Peanuts: Spring Runners, June 10; Spring Spanish, June 25; Fall Spanish, July 15.

Ending planting dates for irrigated and non-irrigated plantings are the same. An application for prevented planting credit must be filed within 15 days of the above dates.

Reporting Deadline, July 17: The final date to file a report of planted acreages of peanuts, corn, grain sorghum, cotton, conserving use and ACR (set aside) is July 17, 1989. Other crops for which an acreage report will be accepted include commercial vegetable crops, melons, guar, and any other crop that the farm operator wishes to establish a record of crop history.

Social Security Travel Schedule For County

EASTLAND COUNTY, JULY 1989
CISCO: Senior Citizen Center; Wednesday, July 19, 1 p.m.
EASTLAND: Courthouse Basement; Tuesday, July 18, 9:30 a.m.
RANGER: Joseph Bldg. (Main St.); Wednesday, July 19, 9:30 a.m.
 You can call Social Security toll-free 7 days a week, 24 hrs. a day at 1-800-234-

5772. The 800 number allows you to conduct your Social Security business without waiting for a scheduled trip.
 Due to our reduced staffing, we are experimenting with different ways to continue bringing you the highest quality service that we can. We will advise you of any additional changes. Your cooperation is appreciated. Sign up for Medicare now—before your 65th birthday!

Commission Issues Eleven Pipeline Permits In May

AUSTIN—Railroad Commission Chairman Kent Hance has announced that 11 permits to operate new pipelines in Texas were granted by the RRC in May. In April, the Commission approved six permits. May 1988's total permits approved was 15.

Four of the new permits were for gathering pipelines, three were for trunk transmission lines, two were for distribution and other lines, and two were for gas plant lines. Gathering lines bring oil and gas from production leases, while trunk lines are larger diameter lines into which smaller lines connect. At gas plants, natural gas is stripped of the liquid hydrocarbons usually present in gas

as it is produced from a well. Hance said in May two operating permits were approved for pipelines in the Refugio area (District 2), three in Southeast Texas (District 3), one each in deep South Texas (District 4), East Central Texas (District 5), East Texas (District 6), West Central Texas that included the San Antonio area (District 1), deep south Texas (District 4) and East Central Texas (District 5).

Gathering lines permits approved: Texas Gas Gathering Company, Marshall, gas, Harrison and Panola counties; O'Sullivan & Scolly, Houston, gas, Aransas County; Danex Pipeline Company, San Antonio, gas, Goliad County; and G.M.T. Company, Inc., Corpus Christi, gas, Goliad County.

Trunk transmission lines approved: Chevron Pipe Line Company, Beaumont, products, Jefferson County; L.C.G.P. Ltd., Henderson, gas, Leon County; and Koch Refining Company, Wichita, KS, products, neeces, San Patricio, Bee, Karnes, Wilson, Bexar, Guadalupe, Caldwell, Hays, Travis, Williamson, Bell, Falls, McLennan, Hill, Johnson, and Tarrant counties.
 Distribution lines approved: Hill Petroleum Company, Houston, gas, Harris County; and Chevron Pipeline Company, Beaumont, gas, Chambers County.
 Gas plant lines approved: PNG Transmission Company, Inc., Midland, gas, two lines—one in Stonewall County, and one in Howard County.

Putnam Musical July 7

The regular Putnam Musical will be held on Friday, July 7 in the schoolhouse. The concession stand will open at 5 p.m. and music begin at 6 p.m. Robert D. Weeks of Eastland will be in charge.
 All are invited to come out and enjoy the good food and good music. Area musicians are welcome to participate in the program. One special feature of the show will be the fiddle playing of the Weeks family.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Are You Registered To Vote?

A county-wide election on whether Eastland County should raise taxes and sell bonds to purchase land for a state prison site, if Eastland County is selected as a location, has been called for by County Commissioners. Such a prison would be expected to provide local jobs.

Another election is to determine of Eastland and the surrounding rural land are to be placed in a newly formed hospital district with taxes imposed to provide or subsidize local medical care facilities.

If you want to vote in the county-wide election, you should be registered to vote by July 12. The Eastland County Hospital District election date has yet to be set. You may register to vote in the County Tax office in the Courthouse, or by acquiring a registration card from that office, filling it out, and mailing it to the Tax Office.

Southwest Homemade Ice Cream Champions Picked

SULPHUR SPRINGS—June traditionally is a time for travel, vacation and a more leisurely lifestyle.

The month also is designated as dairy month and many nutrition educational activities center around the use of dairy products.

One such activity is the 1989 Southwest Homemade Ice Cream Contest staged at Sulphur Springs, where winners have just been announced.

A nut ice cream entered by Joy and Jimmy Don Allen, Sulphur Springs, was judged grand champion in the 1989 Southwest Homemade Ice Cream Contest.

The program and contest, held in conjunction with the Hopkins County Dairy Day, attracted countries, an increase of eight over last year.

The Allens received \$500 and the grand champion trophy for their winning butter pecan entry.

The contest was conducted by the Texas Agricultural Extension Service and the American Milk Producers, Inc. Co-chairing the event were Dr. Max Sudweeks, Extension dairy specialist, and Mrs. Mary Sue Cole, nutrition consultant for consumer services, AMPI.

Each winner in the other six categories received a trophy and \$50 donated by dairy-related industries of the area.

These categories and winners included: mixed—Joan Owens, Sulphur Springs; fruit—Lavon Millsap, Sulphur Springs; candy—Kathy Cothes, Sulphur Springs; bisque—Stacy Thomas, Sulphur Springs; vanilla—Ismogene Paar, Winnsboro; and chocolate—Kevin Singer, Commerce.

LaNelle Blinka of Port Lavaca won \$100 for travel-

ing the greatest distance to enter the contest.

The dairy day celebration and the Southwest Homemade Ice Cream contest are part of the June Dairy Month activities celebrated each year in major dairy producing counties of Texas.

Poet's Corner

Miracles

Some people say that miracles are gone
It may seem so until they hit home

The crying of a new born child
That lights each face with a big smile.

The sunrise on a bright new day
That seems to sweep the dark clouds away

The dew drops on a new planted rose
That it may have moisture so it will grow.

The miracle of living is such a great deed
Everything working according to its need

The miracle maker is still in charge
And He sends His miracles to us one and all.

So when the sunset has finally come
One more miracle will be won

To be transformed from the living
To be with the Lord in Heaven.

Bob Harbin

Ranger Jaycees Rodeo July 13 - 15

The 27th Annual Ranger Jaycees Rodeo has been set for Thursday, Friday & Saturday, July 13-14-15. With night performances beginning each night at 8:30 p.m., at the Jaycee Arena.

Events will include: Bareback Bronc, Bull Riding, Girls Barrel Race, Calf Roping, Team Roping, and Steer Saddling. Montana Silversmith Belt Buckles will be awarded for 1st place in each event (excluding Steer Saddling).

Rodeo Headquarters open 9:00 a.m. until 2:00 p.m. Tuesday, July 11th, call 915-985-3637. Stock Producer will be Sammy Smith.

A dance will be held at the Rodeo Barn each night!!! Music by BLUE HAZE. Dance will begin at 9:00 p.m. each three nights.

Chewable Tablets May Cause Dental Health Problems

COLLEGE STATION—

People who attempt to ward off the common cold by munching on chewable vitamin C tablets could be damaging their teeth, said a Texas Agricultural Extension Service expert.

Dr. Dymple Cooksey, an Extension Service nutrition specialist, said the ascorbic acid in vitamin C has been associated with dental erosion in the past, but the prob-

lem has become more acute with increased sales of extremely high levels of the vitamin in chewable tablet form.

"The chewable vitamin C tablets that contain mega-dose levels of the vitamin may present possible dental health problems according to latest research," the specialist said.

She said a recent American Dental Association report indicated that the acidic level of three 500-milligram chewable vitamin C tablets, when dissolved in distilled water, about equals that of stomach acid.

"While saliva has a certain buffering effect, it can provide only limited protection when there is daily direct contact between ascorbic acid and teeth," Cooksey said.

Cooksey said when people attempt to chase the common cold, vitamin C cough syrup which clings to the teeth also is not recommended, since it may cause dental problems.

The specialist recommends that persons who use chewable vitamin C tablets on a regular basis should check with a dentist for any signs of dental problems.

Pharmacy Topics

By Bob Mueller

Here's help for smokers who want to quit: psychiatrist at the University of California at San Diego found that Clonidine, a blood pressure drug delivered through a skin patch, can reduce the craving and other problems quitters have.

New steroid cream is said to have fewer side effects. Tippedredane, by Squibb, is being tested now.

Giving dental patients a mild analgesic before surgery seems to reduce the need for pain killers after, according to a report from Case Western Reserve University in Cleveland.

Coming up: a hand-held gum disease sensor that can detect warm spots on the gum -- usually a sign that bacteria are at work there.

Dengue fever is on the rise, the Centers for Disease Control reports. Flulike symptoms and rash are similar to those of Lyme Disease, but dengue usually clears up in a week without aftereffects. Doctors recommend using a good insect repellent.

Insect repellent, sun screen, calamine and more -- we've got the health aids that make the outdoors more comfortable at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347.

Safe Driving Tips from Rhonda

When taking over-the-counter drugs or prescription drugs know the side effects. Many medications produce drowsiness and when combined with driving can produce potentially hazardous results. Read drug labels! Be responsible for your safety and those you love. Don't mix driving with medications that will affect your judgement, alertness, and coordination.

C. Shannon Childers Receives D.O. Degree

FORT WORTH - Charles Shannon Childers, a 1981 graduate of Rising Star High School, was among the 103 new physicians who received their Doctor of Osteopathy (D.O.) degrees May 20 at Texas College of Osteopathic Medicine's 16th annual commencement. He is the son of Victor and Jeannine Childers of Rising Star.

Dr. Childers earned his B.S. degree in biology and premedical studies from Tarleton State University in 1985. While at TCOM, Dr. Childers was a member of the Sigma Sigma Phi honorary fraternity and the Phi Sigma Alpha national osteopathic honor society. He will intern at the U.S. Naval Hospital in Charleston, S.C. and then seek board certification for family practice.

The 103-member Class of 1989 brings to 1,094 the number of physicians who have graduated from TCOM in its commencements. The school, one of 15 osteopathic medical schools in the nation and the only one in Texas, was founded as a private in-

Horse Breeding, Training Class Offered at TSU

Persons involved in breeding and training horses will be interested in a special course to be offered nights during the second summer term at Tarleton State University.

Scheduled as part of the University's regular curriculum, the class will be taught by Dr. Don Henneke and is entitled "Equine Exercise Physiology and Conditioning."

The course will be taught Monday, Tuesday and Wednesday evenings from 7:30 to 10 p.m. at the Equine facilities on the University farm. Dr. Henneke is offering the course in response to a number of public requests. "This is the fastest growing field in the horse industry," said Dr. Henneke. "Recent research has provided some extremely interesting information concerning the equine athlete and the physiology behind conditioning and training."

With the increased interest in training horses for racing in Texas, leading trainers throughout the industry are adapting this new technology to their programs and the field is looking for qualified people to work in this area. This course will offer an overview of exercise physiology, physiological response to training, equine sports-medicine, and nutrition of the equine athlete.

The program is offered as part of the University's regular curriculum and participants must enroll through the Registrar's office. The second summer semester begins on July 11 and students must register by July 10. Participants can earn three semester hours by completing the course.

For more information on the program or on enrolling in the course, contact Dr. Henneke at 817-968-9222.

LIBRARY HOURS
The summer hours for the Library are from 9:00 to 11:00 a.m. every Thursday. New books arrive regularly.

Wedding Shower Honors the Eric Wrights

There will be a wedding shower honoring Eric and Darsa Wright at the fellowship hall of First

United Methodist Church from 2:00 to 4:00 p.m. on Saturday, July 8. The hostesses invite family and friends to attend.

Former Rising Star Resident Receives USDA Superior Service Award

Dr. Carter Hounsel, right, is congratulated by FSIS Administrator Lester M. Crawford on receiving his USDA Superior Service Award.

WASHINGTON, D.C. - Dr. Carter Hounsel, a veterinary medical officer with the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS), received the Department's Superior Service Award during annual ceremonies held recently in Washington, D.C.

FSIS Administrator Lester M. Crawford presented the award to Dr. Hounsel, along with 14 other group members, for "exemplary contributions toward the development, design and implementation of the Residue Violation Information System (RVIS)." RVIS is a nationwide, interagency computer information system designed to provide data about residue violations in livestock and poultry slaughtered in the united

states. The system enables users to easily access violation information within a week after discovery, resulting in better consumer protection.

A USDA employee for 11 years, Dr. Hounsel received a D.V.M. from Texas A&M University. Originally from

Rising Star, he is the son of Mildred Hounsel, also of Rising Star. Dr. Hounsel currently resides in Atlanta, Ga.

FSIS administers the federal meat and poultry inspection program, which ensures that meat and poultry is safe, wholesome and accurately labeled.

Songwriters Meet Tonight

The Mid Texas Songwriters Association, a nonprofit organization serving songwriters, will meet Thursday, July 6th, at 7 p.m. in Cisco. Featured speaker will be Wade Seals of Fort Worth, singer, guitarist, and BMI songwriter.

Seals, just back from a tour promoting his latest album, will talk about

songwriting from a personal perspective. Of special interest to performers will be his discussion of singing and playing for fun and profit without the hassles of going 'big time.'

Songwriters and performers are urged to join members in Cisco Thursday, July 6th, 7 p.m. at the City Federation Building, corner of West 7th and Ave. G.
