

25th Annual Rising Star Homecoming Activities

Memories--Spirit--Togetherness--this tells it all concerning the 25th Annual Rising Star High School Homecoming. Final plans are being made and carried out in preparation of Saturday's all day events.

Registration will begin at 8:30 a.m. at the gym. In charge of registration are: Emma Jean Steel (Chairman), Mary Claborn, LaNell Henry, Dorothy Shool and James Steel.

Sara McGowen is chairman of the Coffee committee. Assisting her are: Shirley Allen, Jeannine Bailey and Guy Nell West.

Hostesses for the morning are: Karen Davis (Chairman), Edra Butler, Jeannine Childers, Wayne Criswell, Irene Mayfield, Barbara McColum and Edith Bibb. Addressing the Homecoming meeting will be Jerry Watkins, 1945 graduate of Rising Star High School. Watkins now serves as Superintendent of the New Mexico School for the Visually Handicapped. He is a native of Pyote, Texas and holds a Bachelor's Degree from McMurray Col-

lege in Abilene. He earned his Master's Degree from New Mexico State University in Las Cruces after coming to work in Alamogordo. He served as teacher, principal and Supt. before his present position was attained. He is a member of various local civic organizations and has received numerous awards in his community.

The Rising Star PTO will serve lunch beginning at 11:30 a.m. at the new cafeteria. The meal will consist of fried chicken, mashed potatoes and gravy, green beans, a fantastic salad bar, hot rolls, tea, punch or coffee and cake.

Parade Chairman is Mark Cooksey. Time of the parade is 2:00 p.m. All enteries are asked to meet at the High School and contact Gene Hicks who is in charge of lining up the participants. Three prizes of \$25.00 each will be awarded. The categories this year are: Business, Organizations and Classes. A special invitation is extended to one and all to take a part this year in the parade. Judges are:

Johnny Scott, Robin Reeves, Lisa Ezzell and Nan Owen.

The Pep Rally will follow at 3:00 p.m.

Highlighting the day long activities will be the game between the Rising Star Wildcats and ACHS at 8:00 p.m.

Half-time activities will feature the crowning of the Homecoming King and Queen and also the Wildcat Sweetheart.

1981 officers are: President--Jack Shults Vice-President--Karen Davis Secretary-Treasurer--Sara McGowen Reporter-Publicity--Bobbie Wilson and Evelyn Donham.

Permanent Board of Directors are: Mrs. C.A. Claborn (Chairman), Jeannine Jacobs Bailey, Lenell Clark Henry, Irene Shults Mayfield, Weldon Hill and James Steel.

President Jack Shults expressed his thanks to Wayne White, Supt. of the Texas Highway Department for their help in mowing and cleaning of the streets prior to Homecoming. Mr. White is a Rising Star Ex also.

Wildcats Trounce Buffaloes 28-6

It was a long time coming, but the Wildcats were prepared and brought home a victory Friday night over rival Cross Plains. This was the first win over Cross Plains any of the Wildcats had had during their high school days. "It was a team effort, again," said Coach Finley, who was obviously pleased with his player's aggressiveness and attitude toward the game.

Last week six Wildcats scored against Tolar to come back trailing 6-0 at half-time. Jon Vaughn scored first on a 50 yard run, with Thad Chambers kicking his first of 4 PAT's. Terry Walker had several good runs to set up the next score. Thad Chambers scored the second TD on a one yard run fullback drive. Jon Vaughn ran the 2 point conversion. Damon Cooper and Sam Scott each scored on identical plays, a lead option for three yards. David started the fourth quarter scoring with a pass interception run back about 60 yards for his TD. Clay Shults caught a pass in the end zone from Damon Cooper to put the final score at 42-6, with Thad Chamber's PAT good.

The Wildcats had a terrific night against the Cross Plains Buffaloes Friday.

After a defensive battle during the first quarter between the Wildcats and Buffaloes, the Wildcats drove the ball 65 yards for the first TD of the night. Jon Vaughn raced 35 yards to put the Wildcats ahead with Thad Chambers booting the PAT for a 7-0 lead.

After holding the Buffaloes, Sam Scott intercepted a Cross Plains pass to set up the second TD drive. Jon Vaughn made good yardage with Chuck Harris and Thad Chambers blocking.

Chambers carried the ball in from the 3 yard line and then kicked the PAT for a 14-0 Wildcat lead.

Cross Plains came back in the second half with the blitzing defense causing the Wildcats to fumble. On a play action pass, they caught the Wildcat secondary rotating wrong to score, making the score 14-6. After exchanging punts, the Wildcats again drove about 65 yards on runs by Vaughn, Harris, Damon Cooper and Chambers. Chambers scored from the 3 yard line.

On the last play of the game with long yardage to go, the Cross Plains QB pitched to the halfback; as the halfback was preparing to pass, Jon Vaughn hit him, grabbed the ball and ran it in for the final TD. Chambers' kick was good for a 28-6 victory.

Starters for Saturday's Homecoming game against ACHS will be:

Outstanding Young Men Of America Selected In Our Area

Dick Goldston

Earl Wright

James Steel

Three young men from the Rising Star area have been selected by the Board of Advisors for the Outstanding Young Men of America Awards Program and will be included in the 1981 edition of OUTSTANDING YOUNG MEN OF AMERICA.

These men were selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men of America Program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserved to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Selected from this area were: James Steel who now lives in Fort Worth, Dick Goldston a native of Rising Star living in Lubbock and Earl Wright of Rising Star.

Dick Dwayne Goldston, a 1966 graduate of Rising Star High School has been selected as one of the outstanding young men.

Goldston received an Associate of Science degree from Cisco Junior College in 1968 and a B.S. in Education from Abilene Christian University in 1970. He has also done post-graduate work at the University of Houston and at Texas

A & M University. He taught science in the Springlake-Earth school system for three years and in the Iraan-Sheffield school system for five years. While teaching at these institutions, Goldston served as treasurer for the local associations of Texas State Teachers Association and Texas Professional Educators. Since 1978, Dick Goldston has been employed as a sales representative for Fision Corporation and presently with the Ames Company Division of Miles Laboratory.

Goldston is married to the former Brenda Jan Bailey. They have two children, Chad who is 8 and Kevin who is 5. His parents are Dick and Ruby Goldston and his parents-in-law are Dean and Jeannine Bailey all of Rising Star.

Another recipient is Earl Wright who recently moved his family to Rising Star.

Earl was born and raised in San Diego, California and moved here in August of this year. While in San Diego he worked for the City of San Diego Recreation Department for eight years working with the Special Olympics each year and many of the youth activities. He served on the President's Advisory Board for Euclid Elementary School for two years. He attended the Lemon Grove Church of Christ and served as a deacon there for six years. During that time, he was director of youth, puppet minister and worked on the bus ministry as a driver and bus captain. He was employed by the San Diego Bus Company for eight years and served as chairman of the Local 465, Brotherhood of Electrical workers from July of 1977 to July of 1981. He worked on negotiations between

the worker union, company and city during that time. He served as a coach for his daughter, Stacey for Valley Mesa Ponytale League softball for one year. He was a member of the Christian Foundation (Church of Christ private school) and helped each year with their fund raiser. Both he and his daughter, Stacey performed in the talent shows and plays presented. He helped with the Del Cerro Christian Schools PTO, chaperoning the children and helping on their plays and programs.

Earl is currently employed by Rapada Energy of Cross Plains.

He is married to the former Sandi Hardesty and they have two daughter, Stacey and Heather. They all attend the Church of Christ.

Nomiated also was James Steel who now resides in Fort Worth.

James Steel is a 1973 graduate of Rising Star High School, where he participated in various campus activities. He served on the annual Staff, was a member of the Wildcat Band during his four years in high school. He was president of the Student Body, president of the Senior Class, past president of the Ex-Student's Association and currently serves on the Board of Directors of that organization.

Steel graduated from Hardin-Simmons University in 1978 with a Bachelor of Arts in Music and Music Education.

While attending the university he was a member of the Concert Band, Hardin-Simmons University Chorale, organist for Chapel services, accompanist for the school of music, president of the Student Chapter of the American Guild of

1981-1982 Cheerleaders are: (left to right) Barbrie Rust, Darlene Maynard, Vickie Walker, Amy Dudley and Roxanne Martinez.

The Rising Star High School Cheerleaders would like to thank the Wildcat fans for supporting the Wildcats to victory over the Cross Plains Buffaloes. We would especially like to

thank the mothers who showed their spirit Friday morning.

We would also like to remind everyone of the Parade at 2:00 p.m. and Pep Rally at 3:00 p.m. We encourage

everyone to attend the Football game at 8:00 where the Rising Star Wildcats will defeat the Abilene Christian Panthers. See ya there!!!

FRAUDULENT TELEPHONE SOLICITATIONS FROM CANADA
 Mr. W.R. Newsom, Postal Inspector in Charge, announced that INTERPOL-CANADA has informed the Postal Inspection Service that various Canadian companies are soliciting sales by

telephone to businesses in the United States using sales pitches which may constitute fraud representations: The Canadian companies usually offer advertisement items such as pens, key chains, and lighters on which business names and phone numbers are printed. The salesman, who work out of "boiler-room" type operations, describe the products as being Shaeffer-type pens and Zippo-type lighters, and many offer free trips to Las Vegas, Miami, or Cuba, or free Kodak-type cameras, as extra incentives to customers to buy the merchandise. Newsome said the products are of very poor quality and are not manufactured by the name brand companies. The free trips do not include transportation and consists only of discount coupons for accommodations, meals, entertainment, etc. The promoting companies send the shipments C.O.D. so victims cannot examine the contents prior to paying for them. These companies have been known to change their trade names after a period of time, so Newsome cautioned businesses to be alert to solicitations of this type and to request callers to send written offers describing their merchandise.

Businesses which believe they have been victimized by similar telephone solicitations should refer them to the Postal Inspector in Charge, ATTN: Fraud, P.O. Box 1230, Fort Worth, TX 76101 8004

EASTLAND COUNTY MHMR WORK CENTER AT THE CROSSROADS

Did you know that Central Texas MHMR Center has a work activity center for mentally retarded adults in Eastland County? This center is located at 306 W. Plummer in Eastland and currently serves clients from Cisco, Eastland and Ranger. The center is open five days per week, excluding holidays, and the program is arranged to provide work orientation training in order for the clients to become productive citizens in the community. The clients live at home and are taken to and from the center in a Van.

Presently the center has two programs to enable the clients to earn wages. The primary activity is the assembly of small plumbing parts. For this work each client is paid on a piece rate based on the current minimum wage. The other activity is the collection of aluminum products for recycling. The profits from this endeavor are used for the center.

Since its inception, the Eastland Center has been fully funded by the Central Texas Mental Health Mental Retardation Center located in Brownwood. In recent months the Brownwood Center has experienced some budget restraints like all State and Federally funded programs. The direct effect of these budget reductions is that funds from Central Texas MHMR Center are adequate to support the Eastland County Workshop for only half-time for the fiscal year beginning 1 September 1981. Eastland County needs the workshop on a full time basis not half-time. Therefore the following programs are announced:

(1) A garage sale is announced for 24, 25, 26 September. This sale will be at the Center located at 306 W. Plummer. Merchandise is currently being collected. We can always use more. If you have merchandise that you are willing to donate to the center please bring it to the Center between the hours of 9:00 to 3:00 or call 629-8293 and we will arrange to pick it up.

(2) A memorial program is announced. A special account has been opened at Eastland National Bank for the receipt of Donations. What better way to remember a loved one than through a gift to help the less fortunate members of our society. Your check should be made to the order of Eastland County MHMR Memorial Fund.

(3) Future programs planned include Pastry sales, garage sales and direct appeals of necessary.

If any individual, group, business, civic organization, church, etc, wishes to help in our efforts to keep the Eastland County MHMR workshop open full time please call or come by the Center at 306 W. Plummer, Tel. 629-8293 and talk to Idella Taylor. Visitors are always welcome.

Eastland County 4-H Clubs will be competing in a 4-H Spirit contest. The contest is during the month of October. The clubs will conduct several events that promote 4-H.

Some of these events are: radio programs, news articles, posters, school programs, County Fair events, civic club programs and the community service projects. We wish all the clubs good luck and ask that everyone support them.

4-H—
a family affair

On September 8th, the Eastland County 4-H Council elected new officers for the 1981-82 year. The new officers are:

President - Caye Little, Gorman.
Boys Vice President - Truet Hart, Eastland
Girls Vice-President - Beverly Underwood, Gorman.
Sec./Treasurer - Jami Long, Rising Star.
Reporter - Phil Osborne, Gorman.
Other business acted on was the Eastland County 4-H Awards Banquet, Outstanding 4-H Adult Leaders and 4-H Spirit Week.

To Our Friends—Business As Usual

Through the last 14 years Rising Star has come to be our home town. Our children have grown up here and can hardly remember living anywhere else. We have learned to love the people and we appreciate their support as we have tried to be of service to this community.

In a small town such as ours, it is most fascinating to hear rumors that are circulated from time to time that when researched and checked out have no semblance of truth. When our family first moved here we frequently heard stories about the doctor moving to other places and greener pastures. In fact every year when the office closed for vacation, many people never expected us to return to open it again. We were always credited with "Looking for a place to go."

After years of always returning to work again we now seldom hear rumors of our permanent departure. However, in the past month or six weeks we have been bombarded with many new speculative plans. "When is Doctor Carpenter retiring?" "Where will the doctor's office be in Cisco and when will it

open?" So many of Doctor Carpenter's patients have expressed regret and worry over his leaving that I felt I should make a positive statement concerning our plans for the future.

We have NO plans for leaving our business or our home in Rising Star. We have NOT considered

Kay Sockal To Present PTO Program

Kay Sockal will be guest speaker for the PTO on September 28, 1981 at 7:00 p.m. in the School Cafeteria.

Mrs. Sockal has been in education for 13 years in teaching and counseling in public and private schools. She has worked with all ages, K to 18 years olds for the Texas Youth Council.

Kay did her undergraduate work at the University of Texas and holds a Masters degree from Hardin Simmons University in Guidance and Counseling. She piloted the Exemplary Gifted and Talented Program for K-6th grades in the Brownwood Public School in 1979-80.

Sockal is presently

at this time making any sort of a change in location or services performed.

After a deer hunting trip to Wyoming next week, it will be "Business as Usual" on Monday, October 5, at the office of Dr. Billy T. Carpenter in the old hospital building on West Hwy 36.

Norma Carpenter

coordinator and teacher of grades 1, 2 & 3 of the Stepping Stone School which is a division of the Little Dude Ranch Child Development Center. She also is an instructor in the continuing education division of Howard Payne College and an educational consultant for the Zig Zigar cooperation.

She is married and has one child in the 4th grade.

Her presentation will include 2 students from each class from the 4th thru 12th grades. It will be fun, interesting and motivational. Everyone is cordially invited to attend this informative and important meeting.

Area Farmer—Rancher Buried Wednesday

Charles Dewey Ballew, 83, of Rising Star, a lifelong area farmer and rancher, died at 8:30 a.m. Monday at his home after a sudden illness. Services were held at 2 p.m. Wednesday at Rising Star Church of Christ, directed by Higginbotham Funeral Home.

Ray Green officiated assisted by the Rev. R.D. Williams of First Baptist Church and the Rev. Bill Easley of First United Methodist Church. Burial was in Rising Star Cemetery.

Born May 10, 1898, in Lometa, he married Ruby Shults Sept. 22, 1922, in Rising Star. He was a veteran of World War I. He was a

member of the Veterans of Foreign Wars, the Rising Star Chamber of Commerce, and the Rising Star Booster Club.

He was preceded in death by a son, Dr. Charles Harrison Ballew in 1965; by two brothers, Elbert "Monk" and Lewis; and by a sister, Mrs. Jimmy Ballew McCormick.

Survivors include his wife; a daughter, Jeannine Ballew Childers of Rising Star; three brothers, Gilbert of Big Spring, Lyonelle of Eldorado and T.J. of Tucson, Ariz.; six grandchildren; and two great grandchildren.

Charlene Rhodes

Charlene Marie Rhodes, 58, of Cross Plains died at 1:30 p.m. Wednesday in M.D. Anderson Hospital in Houston after a long illness.

Services were held at 4 p.m. Friday at Higginbotham Chapel in Cross Plains with burial in Cross Plains Cemetery.

Born April 23, 1923, in Cross Plains, she married Gene Rhodes Dec. 18, 1946, in Abilene. She lived in Rising Star for 10

years before returning to Cross Plains in 1975. She was a homemaker, an accountant for several years and the first executive director of the Cross Plains Housing Authority.

She is survived by her husband; three sons, Ronnie of Cisco, Donnie of Lubbock; her mother, Mrs. Dovie Smith of Cross Plains; a brother, Royce Smith of Abilene; and seven grandchildren.

Floy Barnes

Floy Barnes, 84 died last week in Houston.

Graveside services were held on Wednes-

1961 at 12:00 noon at the Rising Star City Cemetery.

She was born March 13, 1897 in Texas and was a Baptist.

She is survived by daughters and son-in-laws: Eloyse and Bill Foster of Houston, Jimmie and Henry Johnson of Channelview; one sister, Alma Lyle of Ralls; 1 grandchild and 2 great-grandchildren.

Avis Massey - Activity Director

Mrs. Avis Massey, Activity Director

MONDAY: News was gathered for paper.

TUESDAY: Bingo was at 3:00. Numbers were called by Avis Massey. The big winner was Mary Crisp with 4 games, Ada Foster won two games. Martha Irby, Mary Hammett, Ann Franke all won one game each. The winners of more than one game shared their fruit with other residents and friends. Buster Rixford arrived from his trip to Brownwood in time to call numbers for last two games. Pop corn was enjoyed by all residents.

WEDNESDAY: Devotional was enjoyed by residents given by First Baptist Church. At 2:00 we had our monthly Birthday

Party. Our honored residents were: Dellah M. Roberts 81, born Sept. 3, 1900, Eastland Co.; Ty James Smith 89, born Sept. 9, 1892, Comanche Co.; Nancy Mathews 88, born Sept. 10, 1893; Bertie K. punch to honored ones first then to large group of residents. Music was furnished by Nellie Maynard, Bryant Houston and Earl Epley. So many lovely cakes were provided. The residents enjoyed their party and we want to thank each one that shared your talents and time to make the party a success.

THURSDAY:

FRIDAY: Was Bible Study with Olive Odum teaching the lesson. Robert Sparkman led the singing with Mildred Parnell singing a special. Olive's lesson was "Hidden Treasures of Great Price," scripture Matthew 13. Besides the regular volunteers from First Baptist Church and Methodist Church, May, we had three visitors, Joe Sparkman and Eva Ashworth of May and Bill Taylor of Rising Star.

SATURDAY: The Star Brites were here at 3:00 and entertained a large group of residents and guests. Their music and singing was greatly appreciated. Refreshments of punch and cupcakes were served at end of the entertainment. I appreciate the help given to me by Mary Carroll and Rada King.

SUNDAY: Church ser-

vice was held with Rev. Bill Campbell leading the singing and Mrs. Bea Kelton at piano. Bro Bill took Philippians 3:13-17 for the sermon. Fifteen residents and five visitors were present.

Memories—Spirit—Togetherness

Mary Claborn

years when I had John J. and so many-many boys and girls, who gave Happiness to my life and the Inspiration to give all I could to the profession of teaching. At the same time, I wanted to be a major part in molding their lives and building character.

My method and example in my forty-two years in the school room was that "Teaching and Learning Could Be Fun."

I have countless Memories of unique experiences with my pupils—such as being thrown in the Frio River on Prade Ranch; a ride on the

roller coaster in Galveston; the gallon jug of apple cider in Eureka Springs, Arkansas; the graduate couple having breakfast with C.A. and me the morning following commencement; the senior boys at the Nimitz Hotel in Fredricksburg; a black derby hat at the Lazy H. in Kerrville; La Estrallita parties; the list could continue for many hours.

And now I have a particular vantage point of sharing the collective Memories of R.S.H.S. yesterdays while being involved in the Annual Homecoming as chairman of the permanent board of directors of the Rising Star Ex-Student

Association.

As alumni, our greatest common denominator is the sharing these Memories together at each yearly Homecoming.

In 1981—join me in keeping RSHS a priority item for your calendar and participation on September 26th. On this date we will all become a part of the exuberant Spirit and Jubilation that exists in all levels of our school years.

The Ex-Student Association is a great Link between the school and community. Thank you for making it Vital.

May God richly bless you, your school, and teachers in 1981.

Remember September 26—Rising Star High School's 25th Homecoming: Memories, Spirit, Togetherness.

I'll be there and I hope you will too.

One For The Seniors

By Mike Cogburn

As soon as the Wildcats walked on the field Friday night, the victory was obvious. First scoring came from Wildcat Thad Chambers late in the first quarter, and the Wildcats never looked back. Thad Chambers scored again in the second quarter to put the game at 14-0 at half-time.

The Buffaloes came out in the second half and scored first, and it looked like the game was going to be close. But the Wildcats held their poise and Jon Vaughn scored to put the game out of reach, making it 21-6.

The game was won by a fine defensive effort led by Ed Anderson, Clay Shults, and Sam Scott.

Jon Vaughn scored near the end of the game to bring the score to 28-6.

The victory was especially sweet for the Seniors.

Mom's Raise Spirit At RSHS

By Melanie Ratliff

Football spirit at Rising Star High School was fired up as a large group of moms marched through the halls shouting football cheers.

The student body and faculty were given

a big surprise Friday morning when the mothers of the football players, cheerleaders and majorettes, as well as other mothers wearing football jerseys and helmets shook the wall of Rising Star High with their spirit yells.

With the mothers leading the yells, the student body moved outside, pictures were made and the yelling continued.

The student body wished to express their appreciation to the mothers and everyone else who participated in this "Spirit Drive" against our arch rivals, the Cross Plains Buffaloes.

Oldies But Goodies

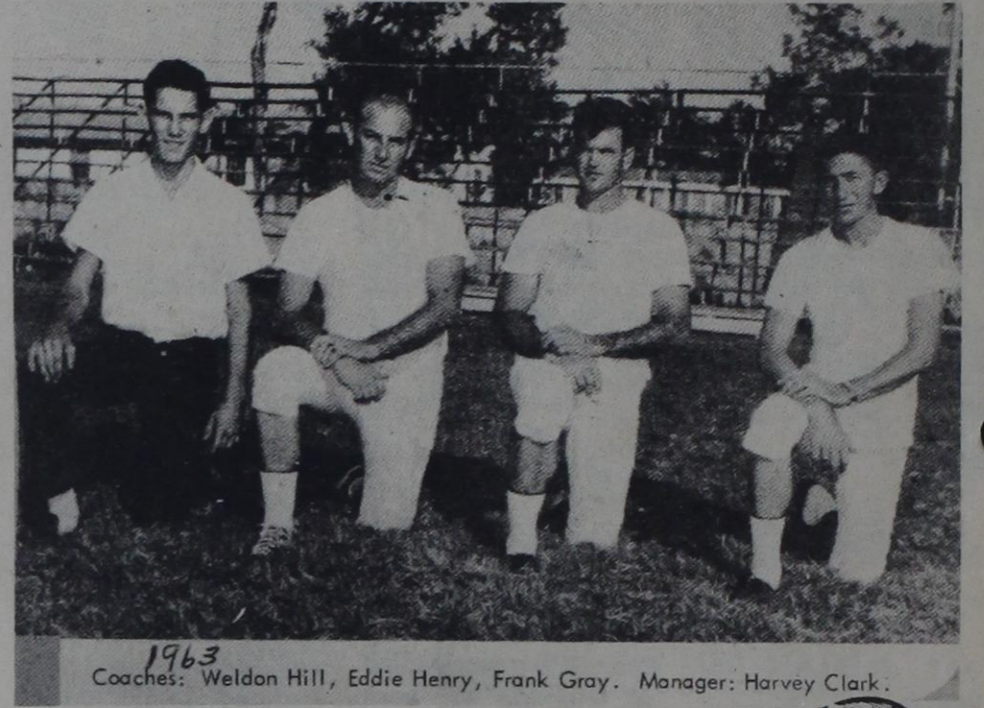

Wildcat traditions go back a long, long way. One of those traditions was the electing of football sweethearts. We look back to the year of 1948 when Margie Jones was elected Football Sweetheart. Many years have passed until the year 1981 when Angie Bass was elected to this honor. Between these years many young ladies have also been awarded this honor. Some of them were:

- 1948—Margie Jones,
- 1949—Jeannine Jacobs,
- 1950—JoAnn McLean,
- 1951—LaJuan Jenkins,
- 1952—Arlene Jones,
- 1953—Bonnie Millwee,
- 1954—Not available,
- 1955—Glendene Philley,

the heat pump

"THE ELECTRIC SAVINGS MACHINE"

Stretch your energy dollars—install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local FACTORY TRAINED heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump—your most energy-efficient heating and cooling system buy.

Cheerleading Days Recalled

Cheerleading in the forties was very different from today. There were not any bands here or in the surrounding areas. Rising Star though had a Drum Corps consisting of sixteen snare drums and two base drums, plus about 35 more girls forming the rest of the Pep Squad. It was really very pretty and could "drum up" quite a lot of school spirit. We had four cheerleaders and two twirlers who all marched in front of the Pep Squad. It was quite a coveted honor to be elected cheerleader since you could only try out one time, at the end of the football season of your junior year.

One fun thing we did before every ball game, whether it was in town or out, was to march through town and do several cheers under the red light. We

usually were peppy enough to stop the traffic!!!

We didn't have any cute little suits for pep rallies, but we did sometimes wear white coveralls. Also there was never any hassle about any of the suits. We had a military theme, so the cheerleaders wore white pleated skirts with long belted jackets and a military hat. The Pep Squad and Drum Corps wore blue suits with military buttons and epaulets on the shoulders.

It would be impossible to relay all the memories being a cheerleader at good ol' RSHS holds for me, but I guarantee I have a tender feeling for all those cheerleaders and sponsors who have come and gone. Keep up the spirit of the Wildcats!!!

Senior Citizens Participate in May Centennial

Company coming, Oct. 8, the KKK Senior Citizen Band of Goldthwaite, Texas will be our guest for the day, add an extra dish for lunch that day. There will be several of them—don't know the exact number.

Tuesday night Sept. 15, twenty seven gathered at the club to help Charlie

Chamberlain and Marjorie West celebrate their birthdays. Refreshments consisted of chips, dips, cookies, cake, punch and coffee. The party was hosted by Louella McKinnernery and Julia Ross. The Alvy Bible's assisted Louella in keeping the building this month—good job.

Thursday, September 24, 1981

Thirty one were present on Thursday Sept. 17th. A program of music and songs were presented by Ples and Aline Ray of Scranton, Rev. and Mrs. O.T. Killion, Jack Roberson and Mr. McNealey all of Cisco. We enjoyed them very much. We were happy to have Wilburn and Lucy Curtis of Abilene—this was their second time to be with us, also Margaret Livingston, who has visited with us a couple of times.

Saturday, Sept. 19, nineteen Starbrites traveled to May where we enjoyed lunch and took part in their parade. Did you recognize our bus in the 1:00 o'clock news? They had combined their homecoming and centennial celebration.

They had a very big crowd for a small community.

We came back by the local nursing home where we enjoyed playing for and visiting friends. A big thank you to the ladies who served us refreshments. The punch was a life saver after sitting on the bus drying out so long.

We were favored with out-of-town guests Monday night for band practice. Glen and Chubby Reid of Silsbee, Texas and little Kelly Green of Brownwood were our visitors. Come again.

Starbrites, we are to play at the High School Gymn at 8:30 a.m. Saturday for homecoming registration.

IF YOU WANTED BREAD, YOU HAD TO MAKE IT—FROM START TO FINISH!

IN BIBLICAL TIMES, THE MISTRESS OF THE HOUSE, FIRST THING ON ARISING, WOULD ATTEND HER FAMILY'S DAILY NEED FOR BREAD. FIRST, THE GRAIN (USUALLY BARLEY OR RYE) HAD TO BE GROUND INTO MEAL, SIFTED TO FLOUR, THEN MIXED INTO A PASTE WITH WATER...NOW IT WAS KNEADED INTO DOUGH AND LEAVEN ADDED, LEFT STANDING LONG ENOUGH FOR IT TO RISE, THEN THE DOUGH WAS DIVIDED AND SHAPED INTO CAKES FOR BAKING. A FAMILY HAD ITS OWN PORTABLE OVEN OF STONE, WHICH STOOD ABOUT THREE FEET HIGH AND WAS HEATED ON THE INSIDE BY WOOD OR DRY GRASS FIRE, THE CAKES OF DOUGH BEING PLASTERED ON THE OUTSIDE TO BE BAKED....

Baptist Church

Every Christian is important. The Lord is counting on each one. A church fellowship also needs everyone to help carry out the work of the Lord.

"No-Shows". That is what the airlines call people who do not show up for the flight.

They turn up in a story that Luke tells about ten lepers whom Jesus healed. Only one of them took time to come back and say "Thank You". The rest were no-shows. We can all meet in the church on Sunday morning to say "Thank You, Lord."

We like to place the blame on others for a marred image of the Christian faith and life. It may not be the fault of the Madalyn Murray O'Hares, but the many No-Shows who are saying by their absence, "I don't need what Christ offers through his church today." Are we no-shows?

COMMENTARY

By Myrtle Owen

Luke 1:26, Why was Jesus virgin-born? And in the sixth month the angel Gabriel was sent from God unto a city of Galilee, named Nazareth to a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came in unto her, and said, hail thou that art highly favoured, the Lord is with thee: blessed art thou among women. And when she saw him, she was troubled at his saying, and cast in her mind what manner of salutation this should be. And the angel said unto her, Fear not, Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call His name JESUS. If Jesus had been conceived by normal processes, the seed of sin would have been transmitted into His spirit. As He grew up He would have needed a Savior like all other human beings. He could not have a human father, God was Jesus' father, and the holy seed that was planted by a miraculous visitation was without sin. Jesus received His humanity from Mary, His divine nature from God, and He became Son of man and Son of God. To deny the virgin birth of Jesus is to deny His divine nature. Mary was asked to become a partner with God. She had a will to obey. She did not say, "I don't understand this; therefore, I can't do it." God has not asked us to understand the

Thursday, September 24, 1981

us to obey. This is the whole secret of having God's power in us, of being used by God in this generation.

SHRUB CONTROL

The County Committee has added control of oak by aerial application of 20 per cent tebuthiuron pellets (Graslan 20P) to the ACP Handbook. Cost share rates are based on 50 percent of the cost. The county office will accept applications for cost sharing of oak control with Graslan until September 30th.

ACP REMINDERS

Producers are reminded that practices cost shared under ACP must be maintained through their lifespan or cost shares must be refunded.

The lifespan is 5 years for shrub control and grass establishment and 10 years for terraces, reservoirs and wells.

Land where shrubs are controlled with cost share assistance can not be planted to field crops during its lifespan unless cost shares are refunded.

Any practice that fails should be reported to the county office so that an inspection can be made and reasons for failure determined.

WOOL AND UNSHORN LAMBS

Sales documents for 1981 sales of wool or unshorn lambs should be submitted to this office.

PEANUT MARKETING

Some reminders concerning 1981 peanut marketing.

Peanuts retained on the farm for any purpose are considered quota peanuts and must be considered when computing the quota balance.

Peanuts which are baled (that have not been run through combine) must be appraised by ASCS representative and the appraised poundage will be considered as quota peanuts.

The MQ 94 for all peanuts sold as quota loan or loan additional must reflect all persons who share in the crop.

Quota may be transferred from one farm to another provided the transferring farm planted 47.18 percent of the 1981 effective allotment.

Producers should review their marketing card to ascertain that correct entries are being made by the buyer. Penalties apply to overmarketing of quota peanuts.

REACT

The React II Council meeting Saturday was well attended. Teams represented were from Odessa, Sweetwater, Roscoe, San Angelo, Brownwood and Rising Star. We were also

honored by the presence of our state president, Richard Pratz and wife from Belton. We had a very informative meeting, lots of good food and fun.

The club would like to thank Bill & Peggy Dennard and Higginbothams for donations for our Chinese auction. A big thanks goes to all that helped to make the meeting a big success.

The ambulance made two runs Saturday the 19th: F.D. Boggs to Brownwood Regional Hospital and Roby Kornegay to Hendrick in Abilene.

We would like to thank O.W. Mayfield for his contribution to the ambulance fund. Remember your donations are tax deductible as we are a non-profit organization. All help is strictly volunteer. We receive no funds from Federal, State or City and depend on your donations to keep us running for you.

Problem Solving Is Vital Leadership Role

College Station-- Everyone has problems. But there's a big difference between worrying about problems and thinking about them, according to Dr. Burl B. Richardson, program specialist with the Texas A & M University System.

"Those who worry about problems go over the same ground again and again and never get anywhere. On the other hand, thinking works its way through problems and can lead to decisions and desired results," Richards explained.

"There are specific points to consider in thinking through a problem, whether it's a personal or community nature," he added.

The first step is to make sure one knows exactly what and how big the problem is. Analyze it. Decide who is affected—a few peo-

ple, many or everyone?

Next, consider all alternatives for a solution. In most cases there's more than one way to reach the desired solution. Then decide the course of action to take that seems the most productive. Consider consequences of each action as well as the urgency of the problem. Also, think about resources available or ones you can get to help.

"After these considerations, it is time to set a realistic goal for accomplishing the task. Some problems will be more complex than others and require a longer time period to resolve. Goals provide a positive sense of direction and help keep us on target. They remind us what we want to accomplish, especially when things don't go exactly as planned,"

Thursday, September 24, 1981

Richardson said. Finally he suggests developing a plan of action—what will be done and when. Decide specific steps to take and the best time to accomplish each one. For some problems, timing may be critical. Go to work. Put your plan into action.

"Solving problems is a part of life. Everyone has problems, but not everyone takes time to think their way through them, yet this is a vital leadership role," Richardson explained.

Dual-Earner Households

College Station--Financial concerns of dual-earner households must be faced and dealt with so they don't offset the family's economic progress, advises Linda McCormack, a family resource management specialist.

McCormack, on the home economics staff of the Texas A & M University System says dual-income households are here to stay--with numerous financial effects and problems.

One immediate effect is that dual-earner families have incomes 30-40 percent higher than one-earner families.

Dual-earner families also have more expenses than one-income families. Many expenses are work-related, including meals away from home, child care,

transportation, recreation, personal grooming items, convenience appliances, more services and housing.

Time is limited for dual-earner families due to competing demands from jobs and family, so these families buy many goods and services to alleviate these time constraints. Often this means there is less time for "shopping" to evaluate competing products before the actual purchase, the specialist continues.

MAKING A FINANCIAL PLAN

Making a financial plan will help dual-income families protect their incomes and avoid financial dangers that can easily become reality in the hectic pace of today's lifestyles, McCormack says.

First, it's important to realize that dual-

income financial planning is different from traditional single-income planning.

Couple may have the feeling that two incomes allow them to buy anything and everything they want, only to find out too late they don't have as much money as they thought.

A coordinated spending plan should be of primary importance--with specific goods and prices decided, the specialist emphasizes.

SAVINGS A 'MUST'
Consider savings as an essential part of the "expenses" for any spending plan, since dire financial consequences may result if one income is lost, either due to unemployment or health disability, McCormack warns.

A liquid cash reserve of three to six months salary often is recommended as the amount

to keep on hand for emergencies--both planned and unplanned.

Failure to plan for emergencies, such as car repairs, major dental costs, taxes, uninsured losses and unexpected medical costs frequently cause a financial crisis for many families, the specialist adds.

SEPARATE FUNDS
Working couples are advised to establish separate lines of credit, with each partner having a savings account and separate charge cards--so these conveniences are already "in place" for each in case the need for them arises, McCormack says.

In addition, with both spouses working, both are likely to have company benefits.

Check the type of coverage, and fill in the gaps, if need be, by purchasing additional life, property or

medical insurance.

SEEK ADVICE

Dual incomes, plus inflation, have pushed many couples into tax brackets once reserved for the rich, to say nothing of the marriage penalty and its special tax rates, McCormack says.

To ease the tax burden, dual-income partners should seek experienced financial and legal counsel.

Estate planning is of great importance to the working couple, too, the specialist stresses.

Time spent consulting experts--in banks, savings and loan associations, stock brokerages, insurance companies and tax offices--is usually beneficial in developing a sound family financial plan, McCormack adds.

Band Boosters To Give Away Go-Kart

The Rising Star Band Booster Association is selling chance tickets on a "Dingo" model 285 Go Kart. The latest addition to Manco's fine line of Go-Karts and Sports Cycles. This fun machine is the ultimate in off road fun. Constructed of a heavy gauge MIG welded steel frame, equipped with padded arm rests and custom bars, live rear axle, 5 HP engine and Torque-a-Verter drive, this fun vehicle has it all in off-road adventure and excitement. Built with a powerful 5 HP engine and torque converter drive, the Dingo conquers rugged terrain

with ease. The Dingo has high flotation tires and those big low pressure donuts move the machine through sand, mud, and rough terrain while absorbing the bumps. Relax in the super padded seat and rely on Manco-engineered quality for fun and games.

The Kart is on display in the lobby of the First State Bank in Rising Star.

Chances are \$3.00 per ticket and may be purchased from any Band Booster Member. The drawing will be held on Friday, October 30th during the Blanket game.

Growing Child

Newspapers and kids Can parents lure reluctant young readers into an enjoyment of reading?

Growing Child, the monthly child development newsletter, suggests that when reading the daily newspaper becomes a family adventure it can help a child learn to enjoy reading more.

Many children are "reluctant readers". They know how to read: they simply don't enjoy it. This happens even when a child has all the "advantages": weekly visits to the library, story hours, bedtime reading, parents who are avid readers.

The scope of information in the daily newspaper offers

many opportunities for discussion and learning. For example, the local weather forecast can lead to an interest in the lines, patterns and numbers on the weather map—an interest that can develop into a desire to learn—read—about clouds, the color of sunsets, electricity.

Pictures of a new highway, a flood, the Easter Seal Poster Child, and Saturn's rings lead to questions about transportation, nature, handicaps and outer space. And the logical place to find the answers to all these fascinating questions is in the library, in a book.

Newspapers are good for non-factual learning too. A photo of

sion of where physical beauty ranks in your scale of values.

Personals

Mrs. Roby Kornegay who fell at her home on Saturday night and broke her hip joint is recovering from successful surgery on Monday at Hendrick Hospital in Abilene. She is expected to stay some two weeks and would love to hear from all her friends in Rising Star—her room number is 6714.

From Mayfield, Kentucky enroute to Los Angeles, California, country singing sensation Michael Shane will be performing at the Rising Star Market Building for the Homecoming Dance this Saturday night. Michael Shane, the pride of Mayfield, as his fellow Kentuckians know him, was visiting a friend while on a brief vacation after a racking 400 performances in a two month period at an acclaimed movie location on the

Mexican border. There he had performed 5 shows a day, 6 days a week to audiences from literally all over the world.

The friend he is visiting is Rising Star graduate, Craig Campbell. Craig is working nearby in Anson on his fourth movie, this one by Warner Brothers entitled, "Riders on the Storm."

While performing at Craig Campbell's Birthday Party, Michael Shane was approached

by several of the guests with the idea of him playing for the Homecoming dance this Saturday night. He agreed and asked Craig, who had recently been involved with a group that had done a TV pilot last fall and who record for RCA records, to play drums for him and Craig agreed. The two and some other friends began rehearsing and all are looking forward to a good time Saturday night following the game.

Senate Passes Amended Peanut Bill

The Senate passed on September 16 a peanut bill for the years 1981-1985 after amending the proposal passed on April 30 by the Senate Agriculture Committee. Adoption of the measure followed one and one-half days of debate on the Senate floor and lengthy deliberation and negotiations between growers and Senate farm leaders, according to Ross Wilson, National Peanut Growers Secretary. Senate action on the Bill is only the first step. Consideration by the House of Representatives will be the next phase of the legislative process.

A Senate vote occurring early on September 16 on whether to table an amendment offered by Republican Senator Richard Lugar of Indiana that would have abolished acreage allotments and poundage quotas in 1982 served as an early warning of further difficulty, Wilson stated. The Senate voted by a majority of 56 to 43 not to table Senator Lugar's amendment. That vote provided a strong implication that the Senate would vote for Senator Lugar's proposal to completely dismantle the peanut

program if given an opportunity to do so. However, prior to the vote on tabling the Lugar Amendment, Georgia Republican Senator Mack Mattingly had offered a substitute to the Lugar Amendment that growers considered much superior to the Lugar Bill, but which was inadequate as written, Wilson said. Although the Mattingly Bill calls for abolishment of acreage allotments, it would maintain poundage quotas at a minimum national level of 1.24 million tons.

Following negotiations between growers and Senator Mattingly a number of changes were made in the Mattingly Bill to insure that production of additional peanuts in excess of the farm base production or from non quota farms does not enter the domestic edible market until the supply of peanuts from quota farms within the farm base production is exhausted. Another change in the Mattingly Bill secured by growers is to call for a minimum support rate of \$596 per ton quota peanuts to be adjusted annually based on increased production costs. Growers were unable to block a provision authored by Mattingly to transfer poundage quota across county lines within a state.

The Mattingly Bill as modified was passed by the Senate on September 16 by a vote of 51 for and 47 against.

The Grower Group said the basic difference in the Lugar and Mattingly proposals is that Lugar would have abolished both allotments and quotas while the Mattingly Bill abolishes allotments, but retains quotas in place for the next four years. He said a prolonged effort by growers over the past 16 months had emphasized the retention of both allotments and quotas and that the same objective will be vigorously pursued in the House of Representatives where Farm

Bill debate is expected to begin with a few days. It is still possible, he said, to put the present program back together in a Senate-House Conference Committee provided acreage allotments survive the House debate.

Grower representatives in Washington from the Southwest were: Bill Boswell of De Leon, Texas; Steve Ridgway, Pleasanton, Texas; Terrell Coffey, Hinton, Oklahoma; LaVerne Johnson, Fort Cobb, Oklahoma; Stanley Harrison, Portales, New Mexico and Ross Wilson.

Two New Members Accepted At Saturday Club

The Saturday Club met on Wednesday, September 16, in the City Library.

Mrs. Louis Mayfield, president of the organization, called the meeting to order and led in the Pledge of Allegiance.

Mrs. Charles George led in the group singing of "My Country 'Tis Of Thee". Mrs. Rex Hudson accompanied at the piano.

The invocation was given by Mrs. Freddie Harrell.

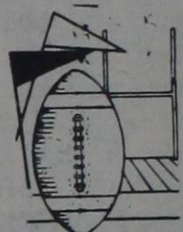

In the business meeting Mrs. M.B. Shook read the minutes of the last meeting and called the

roll with twenty-one members responding. Mrs. Robby Price and Mrs. John Williams were elected to membership in the club.

Mrs. Mayfield introduced Mrs. Leo Franke of Cross Plains. Mrs. Franke is a member of the Cross Plains garden club; she gave a most informative talk on "Texas Wildflowers" and displayed several dried flower arrangements which she had made.

Mrs. Charles George related "The Story of The Dogwood Tree".

The hostesses, Mrs. W.E. Carter and Mrs. Louis Mayfield, served lovely refreshments to the following members: Mrs. M.B. Shook, Mrs. George Steel, Mrs. Charles George, Mrs. Jim Ray Cox, Mrs. H.E. Cox, Mrs. O.R. Shults, Mrs. Freddie Harrell, Mrs. Weldon Roach, Mrs. E.B. McCollum, Mrs. Rex Hudson, Mrs. Sam Polk, Mrs. Carl Marsh, Mrs. Lee Clark, Mrs. Glen Henry, Mrs. Ray Nunnally, Mrs. Olive B. Jones, Mrs. Conrad Schaefer, and the guest, Mrs. Leo Franke.

1881-1981 HIGGINBOTHAM'S Main Street Rising Star

Pioneer News

By Mabel Halsell

In an exhaustive study of the Creation, Genesis 1 and 2 we learn a lot—perhaps much more each time we take up this subject for study.

Some people are disturbed by the apparent conflict between Gen. 1 and 2 and Science...Yet the six days of creation had no stated length...They could have been days measured by hours or by thousands or even millions of years. "A day is as a thousand years with God." 2 Peter 3:8. Genesis does not stress time or manner of creation; only the certainty that all the universe and man himself is the creative work of God. It is He that has made us and not we ourselves." Ps. 100:3.

In verses 1 and 2 we have the work of creation in epitome (a brief statement) and in embryo. In epitome; that God is the maker v. 1; in embryo v. 2; from chaos, darkness, void to God moving...When God moves something is done and so we are led to read on.

Then the various working and moving of God in His creation and fixing of all order on earth preparatory to creating

man...Chapt. 1; 26 and 27.

The thing that may arouse our deepest interest is the making of man in His image or likeness; we must ask, what is God's image? That we may know just what we would be like if indeed, we are the image of God. This is another exhaustive study for we must first know God and His characteristics...A study of the whole Bible is required here.

To say the least, in God's image, man has a conformity of all his natural powers to the whole will of God...He has the ability to see divine things clearly (though man is not divine but he is endowed...) Man's will complying to God's will completely...Thus was man made for the Garden of Eden. Only God's grace through the sacrifice of His Son on the cross, is our hope, since the fall." How art thou fallen, O Son of the morning! Isa. 14:12.

Visitors with Mrs. Brown this week were Mrs. C.C. Coggin of Waco on Monday, Mr. and Mrs. F.L. Dean of Rising Star on Friday, Mrs. Doyle Birchfield

and Mr. and Mrs. Cole Tillotson on Sunday. Mrs. Halsell was a visitor on Friday also.

On Monday, Mr. and Mrs. J.T. Beggs went to Abilene on business. Their visitors were David Beggs of Eastland on Wednesday, Mr. and Mrs. Charles Wright of Rising Star, Kim Beggs of Stephenville and Rex and Edith Beggs and girls of Cross Plains all had lunch with them on Sunday.

Mr. and Mrs. Henry Rowe of Lubbock and Mr. and Mrs. David Witherspoon of Lancaster were week-end visitors with Mr. and Mrs. Bill Sessums.

Mr. and Mrs. Cowan Hutton had Sunday lunch with his sister, Mabel Lee and husband Weldon Lee. Mr. Cowan's mother, Mrs. Ione Hutton of Shallowater is visiting them this week. Mrs. Hutton wishes to announce the beginning of a class at the Church of Christ in Cross Plains on Thursday night at 7:00 p.m. The course will be a study of the Life of Christ. Everyone is invited to attend.

Mrs. Norma Foster's parents, Mr. and Mrs. Ford of Paris, Texas visited with them during the weekend. They all attended the Fair in Abilene while here.

Mrs. Swan and Mrs. Hattie Morrison of Cross Plains visited Mr. and Mrs. Hiram Foster Saturday afternoon. Mrs. Foster reports the Quilting Club ladies are averaging a quilt a week. They quilt each Tuesday. They always welcome visitors.

Judy Hagle of Cisco visited in the Vernon Phillips home this weekend.

Mrs. Velma Brown's sister, Donnie Johnson of Rising Star is in the Eastland Hospital seriously ill. We extend our concern for her soon recovery.

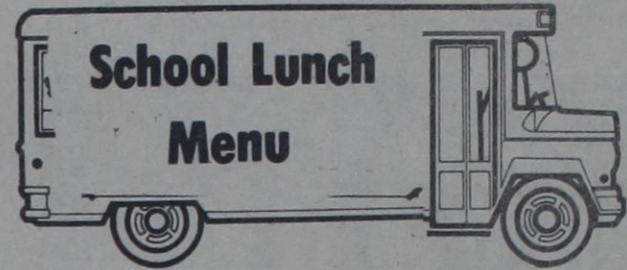

Mrs. Calvin Roady's visitors were Mr. and Mrs. Evon Johnston of Lubbock, her sister and husband Mr. and Mrs. C.P. Morton of Globe, Arizona, Mr. and Mrs. H.A. Freeman and Mr. and Mrs. Bob Roady and grandson, Charley of Cross Plains, Mrs. Myrtle Self of Spicewood, Texas, Virgil Campbell of Lampasas and Mrs. Bobby Sue Holden and son of Abilene. Mrs. Roady and grandson, Joe attended her family reunion in Marietta, Oklahoma on Saturday and Sunday.

Paul and Juanita Harlow visited in Marble Falls last week. Juanita remained for a longer visit. Vi Harlow

returned with her for a visit with them and with Pete and Jean Fore. Vi returned home Saturday. Pete, Jean, Paul and Juanita attended the Fair in Abilene, where they especially enjoyed the Tractor Pull.

Visitors with Mr. and Mrs. Halsell were Dr. Charles and Lou Roderberger of Bryan, Mrs. Gary Bates, Kristopher and Kris and Diana Taylor all of San Angelo.

We are all so happy to have Mr. and Mrs. Cole Tillotson home from their vacation to Iowa and Wisconsin...We missed them very much...They reported a very wonderful time visiting their daughter Colleen and other relatives and friends...They attended a wedding, picnics, festivals and returned home with some winter squash that will beat most any of those beautiful vegetables and fruits Charlie Jordan has been exhibiting during his weather news on KSTV...Iowa sweet corn was served at almost every meal...Undoubtedly, next to Texas, Iowa must be a great state to live in.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 3, 1981

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on an unproductive, underdeveloped or blighted area in order to encourage its development. The amendment would also allow the legislature to authorize a city or town to issue bonds or notes to finance this development and to pledge future increases in ad valorem tax revenues from the property in such areas to repay these bonds or notes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize cities, towns, and other taxing units to encourage the improvement, development, or redevelopment of certain areas through property tax relief and the issuance of bonds and notes."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 117 proposes a constitutional amendment that would authorize a person to receive a patent to land from the Commissioner of the General Land Office under certain conditions. Application for the patent must be made within five years from approval of the amendment. The land must be surveyed, public free school land not previously patentable. The person must have a properly recorded deed to the land, which he acquired without knowledge of the patent defect and which title he and his predecessors in interest have held for at least 50 years. The person and his predecessors in interest must have continuously claimed the land and paid the taxes for at least 50 years.

This amendment does not apply to beach land, submerged land, or islands. An applicant may not use this provision to

resolve a boundary dispute. This amendment will not apply to land which has been determined to be state-owned by a court of competent jurisdiction or that has a productive state mineral lease on the effective date of the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of November 15, 1981."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 38 proposes a constitutional amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds. Funds constitutionally dedicated to specific purposes would not be subject to committee management. The committee would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee, Chairman of the House Appropriations Committee, Chairman of the Senate State Affairs Committee, and the Chairman of the House of Representatives Ways and Means Committee.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to grant to a state finance management committee the power to manage the expenditure of certain appropriated funds."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 6 proposes a constitutional amendment that would provide that one-half of the surplus tax revenues

above the spending limit provided by Article VIII, Section 22, of the Texas Constitution would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, water quality enhancement, and flood control purposes or any combination of these purposes.

The amendment also provides \$500,000,000 of the general credit of the state to guarantee bonds issued in commercial markets by local political subdivisions, including cities, counties, and special districts. The amendment allows amounts to be established to decrease or retire state debt, which is defined as that debt secured by the full faith and credit of the state. The amendment would raise the interest that could be paid on authorized, but unissued, bonds guaranteed by the full faith and credit of the state from 6% to 12%.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes; authorizing the use of the state's credit, not to exceed five hundred million dollars, to guarantee the bonds of cities, counties, towns, and other units of local government in the financing of projects for such purposes; increasing the interest rate that may be paid on previously approved, but unissued, state bonds; and authorizing a program to retire state bonds."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the inclusion of livestock and poultry with farm products as exempt from taxation."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 81 authorizes the governing body of a county, city, school district or other political subdivisions to exempt from taxation a portion of the market value of a residence homestead. The portion exempted may be as much as 40% for 1982-1984; 30% for 1985-1987; and 20% for 1988 and after. The amount of an exemption may not be less than \$5,000 unless the legislature by general law prescribes other monetary restrictions on the amount of the exemption. An eligible adult is allowed to receive other applicable exemptions provided by law. An exception is made where ad valorem tax has previously been pledged for the payment of debt.

The amendment further directs the legislature to require that notice be given to property owners of a reasonable estimate of tax on their property in certain situations.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing a political subdivision to provide property tax relief for owners of residence homesteads and changing certain property tax administrative procedures."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that would authorize the Veterans' Land Board to issue and sell an additional \$250,000,000 in bonds increasing the Veterans' Land Fund's total bond issuance authorization from \$700,000,000 to \$950,000,000. The amendment would increase the maximum interest payable by the state on these bonds from 6% to 10%, and permit an even higher rate, if specified by the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of additional bonds to finance the veterans' land program and to increase the maximum interest rate allowable on veterans' land fund bonds."
