School Programs Are Open To All

Superintendent Gene Williams, teacher-coordinator Linda Webb and the Rising Star Independent School District Board of Trustees wish to advise the students, parents and general public that all vocational education programs, services and activities are available without regard to race, color, national origin, sex or handicap.

New Vocational Program Offered in RS High School

Students at rising Star High School will have the opportunity this year to take part in a course which mixes classroom education with on-the-job training in a variety of occupations.

Classes in Home Economics Cooperative Education have been added to the curriculum for senior students, Gene Williams, superintendent of schools, announced.

Superintendent Williams said that practical work experience will be provided for students through part-time employment of cooperating businesses within the town.

The course is set up for one year and carries two credits. Students will receive pay comparable to that

paid beginning workers in the same occupations.

"The addition of this type of course will do much to provide the youth of Rising Star with a well-rounded education that will fulfill the need for practical and useful training," said teacher-coordinator, Linda Webb. She will be responsible for the selection and placement of students and will coordinate the classroom and job experiences.

Students making application for the HECE program are Julie Betts, Lisa Brown, J.C. Christian, Greg Clay, Debbie Geye, Randy Guidry, Darlene Harris, Tod Herring, Billy Justice, Rusty Owen, Vicki Walker, Darryl Watson, David Watson and Toby White.

Rising Star Sales Tax Down From Last August

Austin-State Comptroller Bob Bullock Monday sent checks totaling \$97.9 million to 967 Texas cities as their share of the one per cent city sales tax for August.

"So far, these monthly rebates of local taxes are running nearly 12% ahead of last year's totals," Bullock reported. "As we predicted last month, the oil glut has slowed down the pace of this growth markedly, especially in the places that were experiencing oil booms. But the general state growth rate is still strong and healthy."

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the comptroller.

Rising Star received

a check for \$3,022.74, down 30% from August, 1981, but still crowning last year's collection to date by 15.35%.

Elsewhere in Eastland County, Gorman received \$4,775.86, also down 30% from last August, while Cisco's collections increased a whopping 84% over last August and 31.91% over last year to date. Eastland's check for \$33,772.53 was the largest in the county and was 13.5% larger than the check they received last August; their increase to date over last year is 40.79%.

In Callahan County Cross Plains received a check for \$10,730.10, down 16% from the check they received last August; their sales tax increase to date over 1981 is 20.04%.

"40th" Reunion Planned

Ex-students of the 1942 graduating class of Rising Star High School plan a 40th year "gathering" on Friday night, the 15th of October, at the Lakewood Recreation Club, formerly Pioneer Philpico Lake.

A catered bar-b-que will be served and special activities for the evening are planned. Do make plans now to attend this 40th year reunion and the homecoming activities the following day. Also, anyone who attended through any

school year is invited to come be with us.

We need the addresses of these persons:

Zella Beebee
Cecil Swindle
Novella Myers
Don Valley
Odell Myers
Jarvis Bateson
George Payne
Lindsay Neal

If you can supply any of these addresses, send them to Olena Ezzell, Box 232; Sybil Parker, Rt. 2; or Mildred Childers, Box 65; all of Rising Star, TX 76471.

Traffic Accident Figures Released by Texas DPS

During the month of July, 7 persons were killed as the result of 6 fatal rural motor vehicle traffic accidents in the 25 counties of the Abilene district of Texas Department of Public Safety, according to the figures released by Captain G.J. Mathews, Texas Highway Patrol in Abilene.

Troopers in Eastland Co. investigated a total of 24 accidents during the month of July according to Sgt. Jerry Mathews of the Eastland office of the Texas Highway Patrol.

Sgt. Mathews said 3 of the accidents resulted in 4 individuals being injured and there were 20 accidents doing damage to property. He said one fatal accident occurred during the month of July in Eastland County killing 2 persons.

Sgt. Mathews said the total accidents are the same as occurred during the month of July in 1981. Injury accidents are down from 4 recorded last year with 6 persons injured. No fatal accidents occurred last year in July, he said.

House Fire Takes Life of Mamie Baker

The fire which gutted the home of Mr. and Mrs. George Baker was the cause of Mrs. Baker's death.

Tragedy struck in Rising Star Tuesday afternoon as a house fire on N. Mayben claimed the life of Mammie F. Baker, 81 years old. Mrs. Baker, alone in her home when the fire broke out, was disabled and had limited mobility with a walker. Her husband, George, had been gone a short time, taking home the woman who cleaned their house and stopping at the drug store to pick up a prescription. When he returned home, the west side of the house was afire and the intense heat

and flames kept him from entering the house.

A neighbor, Velma Owen, had smelled smoke and checked from each side of her own home until she spotted the fire and called the fire department. Mrs. Owen, also disabled, had removed her brace in preparation for resting, and was not able to leave her home. She lives to the north of the Milton Teagues, who live north of the Baker home. The Teagues were not at home at the time of the fire.

Chief of the

Volunteer Fire Department, Don Horton, reported that the alarm was called in at 2:30 p.m. and had the blaze under control in about an hour. The front of the house was heavily involved in fire when the fire trucks arrived on the scene. Firemen located the body of Mrs. Baker at the front door of the house.

Mrs. Baker was pronounced dead at the scene at approximately 3:00 p.m. by Justice of the Peace Buddy Turner.

Fire Marshal John Bishop inspected the

house thoroughly and concluded that faulty wiring was the cause of the fire. The Bakers had reportedly had trouble getting the air conditioner started each time it was turned on and it appeared that the fire broke out in the area where the air conditioner was located.

Mrs. Baker had been in that room of the house, the living room, and both her wheelchair and walker were also found in that room. It was surmised that Mrs. Baker attempted to crawl out of the house.

Citizens Take Note

The Rising Star Chamber of Commerce met in its regular meeting August 24, 1982, at the Elite Cafe. Those present were served an excellent meal by the new manager of the Elite, Barbara Clay.

As pleasant as the good food made the meal, the lack of attendance by Chamber members detracted from it. Only five members were in attendance.

I am sure the majority of the people residing in and around Rising Star would agree that we have a fine community. However, there are many improvements

that could be made. The Chamber of Commerce is one way of accomplishing these improvements.

The Chamber is not the sole realm of merchants and those that live within the city limits. It is open to the farmers and rural-dwellers surrounding Rising Star.

The Chamber's purpose is to make Rising Star a better place to live and do business. Everyone's help is needed. Your attendance at the next meeting at the Elite Cafe, Tuesday, September 7, 1982, at 11:30 a.m. will be appreciated. It will be of benefit to both you and Rising Star.

Annual Meeting Of Pioneer Co-op
If you wish to attend the annual meeting of Pioneer Co-op and you did not receive an invitation, please call 725-6564 or come by the office of the Co-op to confirm your reservation, as reservations must be made.

Winning The War Against Fleas

Fleas seem to be making it big in Texas.

Over the last five to seven years, fleas seem to have become more and more of a problem, particularly in urban and suburban areas.

Cat fleas which infest dogs or cats and readily attack humans are the most common, says an urban entomologist with the Texas Agricultural Extension Service, Texas A.M. University System.

Flea bites are extremely annoying and generally become increasingly sore and irritated over a period of a week or more, explains Dr. John M. Owens. Fleas most often bite people about the legs and ankles.

A small red spot with a light colored center appears where the mouthparts of the adult flea enters the skin. Applying cooling preparations such as carbolated vaseline, menthol, camphor, calamine lotion or ice will help relieve itching. Severe allergic reactions or infections should be treated promptly by a physician.

Although fleas can transmit bubonic plague and murine typhus, these diseases are rare.

How do you control these irritating pests? Flea control must include treatment of the pets and thorough treatment of the entire premises—indoors and outdoors. These three areas should be treated simultaneously to break the "flea-cycle" and get effective control, emphasizes the entomologist.

Insecticides containing carbaryl (Sevin), dichlorvos (DDVP), pyrethrin, rotenone, malathion, methoxychlor or propoxur (Baygon or Sendran) are labeled for use on animals. Dusts or powders are generally preferred over sprays for treating pets and should be used at three to four-day intervals when infestations are heavy.

Rub the dust into the animal's fur by hand. Be especially thorough around ears, between legs and around the tail. Try to avoid getting dust in the eyes, mouth and nostrils. Flea collars which contain

propoxur or naled (Dibrom) appear to be superior to those which only contain dichlorvos. Be sure to read the label before using any of these products and consult a veterinarian if questions arise.

Spray all infested outdoor areas such as the yard, porches, garages and out-buildings with chlorpyrifos (Dursban), diazinon, propoxur and carbaryl. Be sure to treat areas used by pets, and let the spray dry before pets or children are allowed to use treated areas, says Owens. Repeat the spray at two-week intervals until fleas are controlled.

Inside the home, begin control measures with thorough cleaning. Vacuum all floors and upholstery and dispose of sweepings immediately to prevent flea escape and subsequent reinfestation. Also, launder all pet bedding.

Apply an insecticide spray of chlorpyrifos (such as "Rid-A-Bug" or Raid "Home Insect Killer") to all floor areas, under and around upholstery cushions, and to pet bedding areas. Also spray moldings, baseboards and draperies to a height of one foot above floor level. Try to avoid further vacuuming and cleaning for 10-14 days after treatment.

While this insecticide should give three to four weeks of effective residual indoors, it will not rapidly knock down adult fleas. In conjunction with the residual spray indoors, homeowners might also use a non-residual insecticide applied as a total-release aerosol or fogger, suggests the entomologist.

Products containing pyrethrins, resmethrin (SBP-1382) and dichlorvos are available to provide quick relief from indoor fleas. Again, be sure to read and follow all label directions and precautions with these products.

One final place which may require insecticide treatment is the family car, especially if your pet is a frequent rider, adds Owens.

FOR SALE

FOR SALE:
Drive a little, save a lot on your mobile home. Double wide and singles; several to choose from. Eastland Direct Factory Outlet. Interstate 20, Olden, Texas Ph: 817-653-2432 FHA financing and conventional.

Wildcat Tales

Beginning of a New School Year

On August 20 the Rising Star students came back for the first day of the 1982-83 school year. There was a warm welcome for new students and new teachers.

High school students selected the respective class officers and student council members. The president of each class is also a student council member.

Student Council Members Named

Senior representatives are Wade Ratliff, Bryan Switzer and Amy Dudley; junior representatives are Kathy Linney, Sam Scott and Steve Hill; sophomore representatives are Karen Wilson, Robbie Brown and Laura Clay; and freshmen representatives are Bubba Lewis, Corina Wells and Keith Morris.

The president of the Student Council for 1982-83 is Randy Guidry and the vice-president is David Cooper.

Thursday,
August 26, 1982

Local Wildcats Hold Visitors

Last Friday the Rising Star Wildcats scrimmaged the Santo Wildcats to a one to one tie.

The leading rusher for Rising Star was fullback David Cooper with 36 yards. Three of the Rising Star Wildcats caught passes for a total of 48 yards. The catches were made by tight end, Bryan Switzer, for 9 yards and by halfback, Joe Perry, also with 9 yards. The long drive was capped off by a 20-yard touchdown pass from quarterback Sam Scott to tight end Dean Stephens.

The Rising Star Wildcats will scrimmage the Ranger Bulldogs Friday, August 27, here at 6:30 p.m. The Wildcats really appreciate your support.

Gerald Barker, Gary Barker, Doug Sessums, David Cooper, Sam Scott

WANTED!
Housewives, Retired persons or any able bodied man or woman. The Rising Star Ambulance service needs persons to help with Day Runs and Evening Shifts. Training is available through Red Cross or Texas State Technical Institute (TSTI). Awarding opportunities to serve your community in a voluntary capacity. For more information call Rev. Lewis Wilkerson, 643-3791; Rev. Dick Williams, 643-4451; or Mr. Mark Cooksey, 643-4311.

Make Home Safe for Older Adult

Help make a home safety check for the older adult in your life whether it be a parent, other relative or friend, suggests Dr. Peggy Owens, a housing and home furnishings specialist.

Aging persons often live in older, spacious homes that may require extra precautions or changes for safety, she says.

Owens is on the home economics staff of the Texas Agricultural Extension Service, The Texas A.M. University System.

Here are safety features she advises considering:

A one-floor living area cuts down the possibility of stairway accidents.

If there are stairs, secure and sturdy hand rails are a necessity.

Pay special attention to the area between bed and bath—where most falls occur.

Bathroom safety features include grab bars and a non-skid surface in the tub or shower. A seat in the shower stall would aid older persons with disabilities. Also, a bathroom door which opens outward is important in case of an accident—that gives

emergency medical teams better access to the older adult.

To make the home secure, be sure doors are fitted with dead-bolt locks and peep holes for the older adult.

For security at night, a bedside light control and telephone are helpful.

To reduce the risk of burns, front controls on cooking a appliances are helpful because they don't require the older adult to reach across burners or heating elements.

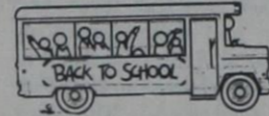

Storage safety starts with easy-to-reach shelves and compartments so that older adult doesn't

have to climb on step stools.

Exposed hot-water pipes inside older homes should be insulated to prevent burns, too.

For home-furnishings safety, avoid throw rugs with frayed edges to prevent trips and falls. Be sure furniture is sturdy enough to lean on without sliding—and light enough for easy moving or cleaning.

Home upkeep is a factor in safety, too. Elderly persons need a living environment that requires minimal upkeep, is convenient and promotes a feeling of independence.

OILFIELD DISPATCH

Oil and Gas Report

At a location two miles west of Ivan, Sun Exploration and Production Company of Abilene has finished a new oil producer in the Stephens County Regular Field. The well is designated as the No. 49 East Eliasville, pumping oil at the rate of 3 barrels per day. The well also showed potential for 80,000 cubic feet of casinghead gas per day.

Location is in a 5,182-acre lease in the TE&L Survey. Bottomed at 3,455 feet, the well will produce from perforations 3,302 to 3,313 feet into the hole.

Snow Oil Company of Fort Worth has filed first production figures on a new oil well in the Stephens County Regular Field. The No. 1 Lippe showed potential to make 3 barrels of oil and 15,000 CF casinghead gas per day.

The operator has 151 acres leased, with drillsite in Stephens County's T&NORR Survey, A-224, four miles southwest of La Casa.

The well will produce from an interval 3,601 to 3,611 feet into the wellbore. Total drilling depth was 4,058 feet.

A 4,250-ft. wildcat is planned by Fagadau Energy Corp. of Dallas at a drillsite 3/4 mile south-southeast of Parks, Stephens County. The location is in a 135-acre lease in the Blind Asylum Survey, A-2454. Well's designation is the No. 7B Sikes.

Producing 148,000 CF of gas per day, the No. 34 Set Ranch was completed in the Set Ranch by Dallas Production Inc.

Drillsite is five miles northeast of Brad, population 26.

It was drilled to 4,451-ft. total depth and will produce from an interval 4,113 to 4,160 feet into the wellbore. Production tests were run a 1.25-inch choke, and absolute open flow was estimated at 160,000 CFPD.

The location is in an 11,625-acre lease in Palo Pinto County's G.B.&C.N.G. Survey, A-2003.

At a location two and one half miles northeast of Oran,

Koanoak Corp. of Fort Worth has finished a new gas producer in Palo Pinto County's Grafrod Field.

The well is designated as the No. 2 Lewis, producing gas at the rate of 127,000 CF per day on a .375 choke. Absolute open flow estimated at 128,000 CFPD.

The location is in a 246-acre lease in the TE&L Survey, A-567. Bottomed at 5,100 feet, the well will produce from perforations 4,677 to 4,685 feet into the hole.

A 4,400-ft. developmental gas well is planned by Echo Production Inc. of Graham at a drillsite two miles north of Brad, Palo Pinto County. The location is in a 418-acre lease in the T&PRR County Survey. Well's designation is the No. 2 C. Orme. It is in the Belding Field.

Vorit Exploration Company Inc. of Fort Worth has filed for permit to drill the No. 7B Jordan B. Withers, a 1,400-ft. wildcat three and one half miles south of Mineral Wells. Location is in an 80-acre lease in Palo Pinto County's J. Dimpkins Survey, A-152.

Damson Oil Corp. of Houston has filed first production figures on a new gas well in the Northwest Costello Field. The No. 1 M.L. Reagan showed potential to make 99,000 CF of gas per day on a .500 choke. Absolute open flow was estimated at 119,000 CFPD.

The operator has 508 acres leased, with drillsite in Palo Pinto County's T&P Survey, A-813, five miles southwest of Grafrod.

The well will produce from an interval 3,952 to 3,962 feet into the wellbore. Total drilling depth was 4,125 feet.

A Weatherford-based operator has staked location for the No. 2 Richardson, a wildcat to be located two miles northeast of Brad. With projected total depth of 4,700 feet, the well is in a 320-acre lease in the Palo Pinto County's Richardson/Brad Field, T&PRR Survey. The operator is RAW Energy Corp.

OBITUARY

Elwood Rutledge

Elwood Rutledge of Bakersfield, California, son of Mrs. Ruby Rutledge of Rising Star, died August 21, after undergoing surgery. He was a veteran and had a military funeral at 11:00 a.m. Wednesday, August 25.

Rutledge lived in Rising Star as a child but has lived in California many years.

Other survivors include his wife, Lois; two daughters; two brothers, Alfred of San Antonio and Leonard of Blythe, California; five sisters, Edna Zellars of Frisco, Lois Wright of Wink, Oma Button of Golden, Missouri, Frances Clark of Kermit and Joy Dillard of Cross Plains.

Ethel Tharp

Ethel Tharp, 85, of Rising Star died at 6:10 p.m. Wednesday at Eastland Memorial Hospital. Services were at 2 p.m. Friday, August 20, at Rising Star Church of Christ, directed by Higginbotham Funeral Home.

Ray Green officiated; burial was at Rising Star Cemetery.

Born December 23, 1896, in Comanche County, she married William Tharp in September, 1912, in Rising Star. He died in 1963.

Survivors include three sons, Lawton of Cross Plains, Louie Maxwell and Dave Houston, both of Rising Star; two daughters, Lorena Eastwood of Corpus Christi and Ramona Dudas of Thousand Oaks, Calif.; two sisters, Mamie Forehand and Edith Hullin Curry, both of Rising Star; 19 grandchildren; 11 great-grandchildren; and a great-great-grandchild.

Marguerite Perry

Marguerite E. Perry, 85, of Plainview, formerly of Rising Star, died at 5 a.m. Monday in a nursing home in Plainview. Services will be at 2 p.m. Thursday at First Baptist Church,

directed by Higginbotham Funeral Home.

The Rev. Dick Williams will officiate. Burial will be at Rising Star Cemetery.

Born Oct. 28, 1896, in New Jersey, she married Jesse O. Perry in New Jersey. He preceded her in death. A retired secretary, she was a Baptist.

Survivors include two sons, Walter of Plainview and Arthur of Reisterstown, Md.; and a grandchild.

Mamie F. Baker

Mamie Dovie Mae Baker, 81, of Rising Star died Monday afternoon from a fire about 2:30 p.m. Monday at her home.

Services were at 3 p.m. Wednesday at Higginbotham Funeral Home.

Burial was at Eastlawn Memorial Park at Early.

Born May 4, 1901, in Santa Ana, she married George Baker Sept. 23, 1981. She was a homemaker.

A daughter, Bernice Lambert, and three sisters preceded her in death.

Survivors include her husband; five sons, James Abbott of Marble Falls, R.D. Abbott and Lloyd Abbott, both of Odessa, Truman Abbott of Houston, and Jim Burley Thompson of Cedar Hill; two daughters, Wanda Hill House of Comanche and Tempie Lee Stewart of Menard; two brothers, Elbert J. Farris of Comanche and Theo Milburn Farris of Odessa; a sister, Dessie Drennan of Comanche; and 27 grandchildren.

HPU Offers Unusual Courses

More than 35 continuing education non-credit courses will be offered at Howard Payne University during the fall semester, said Dr. J.W. Cady, HPU vice-president for academic affairs and director of continuing education.

Registration for those courses will be held Thursday, Sept. 2, from 6:30 until 8 p.m. in Winebrenner Hall. Registration for all the classes on the schedule will take place on registration night, even if the class does not meet until later in the semester.

Some of the courses include study in the Old and New Testament, Chinese cooking, microwave cooking, crafts, photography, knitting, pottery, wood working,

astronomy, intermediate bridge, movies, bookkeeping on the small business computer, medication aide, real estate principles, real estate law, psychology, supervisory management certificate program, typing improvement, typing refresher.

Also, poetry, speed reading, Shakespeare, oral history, your speaking image, racquetball, fingermath for teachers and parents (Chisombop), household chemical safety, motorcycle riders safety course, fingermath for the elementary grades, computers for kids and math and science help for children.

Courses range in cost from \$10 to \$90, with most below \$50. For length of classes and meeting times, schedules are available in the HPU registrar's office on the first floor of the Old Main Building. Interested persons may call the registrar's office at 915-646-2502, Ext. 270 of the Office of Academic affairs at Ext. 302.

UMW Meet

The United Methodist Women of the First United Methodist Church met Monday afternoon at 2:30 in the fellowship hall for the regular meeting with seven in attendance.

Mrs. Yvonne Williams was in charge of the program. Mrs. James Armstrong presided and gave the invocation. Each person present gave a reading or a poem or a subject of interest to them.

The fall meeting will begin September 13 and the study of Ecclesiastes Speaks to Us Today by Lawrence Bottoms will be undertaken.

The Society Benediction was repeated in unison in closing.

GORDON SPOT

By DeMarquis Gordon

Many trees throughout Eastland County are showing symptoms of scorching. This is not a disease but is either some type of chemical burn or simply leaf scorch.

In years, such as this year, when May & June are extremely wet and cool, many trees put on excess foliage, even more than the root system could support under normal conditions. When the weather changes and becomes extremely hot & dry, such as has happened the last month, the root system is not able to support the foliage that has been produced. The edges of the leaves will consequently burn from the edge back toward the mid-rib of the leaf and the tree will take on a yellow appearance and in many cases show severe defoliation. This usually will not kill trees, but in some cases might. This is referred to as leaf scorch and thought of as a physiological disease.

We are also seeing quite a bit of chemical or herbicide damage. The symptoms will be much the same as with physiological leaf scorch as will the damage, due to the fact that the chemical damages a large portion of the root system and then as it begins to get hot, the tree cannot support the foliage. Also, during periods of high levels of rainfall, chemicals that are in the soil can move some distance from the point of placement and con-

sequently, do damage much further away from original placement than most people think.

Construction damage also causes these symptoms and often kills trees. This may be the misuse of fill dirt, scraping away soil trenching, or walks, patios, buildings or roads that cover part of the root zone.

Be on the alert for armyworms! Armyworms are being found in coastal bermudagrass pastures and the early signs are being seen in lawns. The early signs of young armyworms are small white spots on leaves. The very young worms eat the green cells of the leaf which gives the white spot appearance. The larvae feed mostly at night and usually hide in debris on the soil surface in the daytime. As the worms grow larger they consume the entire leaves.

Begin control measures when the worms are small and there are three or more worms per square foot. For control of armyworms on pasture grasses, use Sevin, Naled or Dylox. For lawn applications, use Sevin, Diazinon or Dursban. There is no grazing restrictions or waiting period between application and harvest for Sevin, Naled or Dylox.

The armyworms are more effectively controlled when the worms are small.

HPU Offers Basic Medication Aide Course

The Basic Medication Aide course for nursing home employees will be offered at Howard Payne University during the 1982 fall semester, said Dr. J.W. Cady, vice-president for academic affairs.

The course will begin Tuesday, Sept. 7 and will meet from 4 until 8 p.m. There will be 60 clock hours of classroom work and 10 hours on the job training. Registration for the class will be at 3:30 p.m. Sept. 7. Cost for the class, including the book, is \$50.

Prerequisites as set out by the state of Texas are that the applicant must be 18 years of age; currently employed for one year in a nursing facility in the capacity of nurse aide; recommended for training by the facility; capable of taking temperature, pulse, respiration and blood pressure; in good physical and emotional health; and must be interviewed by the instructor.

The Medication Aide course will be taught by Mrs. Hanna Lippe, R.N., in room 118 of Winebrenner Science Hall on HPU's main campus.

The Refresher IV course, the state approved medication aide continuing education training program, is scheduled Nov. 4 and

9. For further information concerning either course, contact Dr. Cady at 915-646-2502, Ext. 302, or Mrs. Lippe at 915-646-2502, Ext. 225 or at home at 646-7308.

Roberts Reunion

On August 15 a family reunion was held in the home of Mr. and Mrs. E. M. Roberts. Those present were Mr. and Mrs. Bobby Roberts and Glory of Toledo, Ohio; Mr. and Mrs. Daryl Chadwick and Brent of Midland; Mr. and Mrs. Wayne Cotton, Rhonda and Scott of San Angelo; Miss Sally Roberts of Philadelphia, Pa.; Jeff Million of Philadelphia, Pa.; Miss Sandy Roberts of Houston; and Bill Parker of Houston.

REACT The ambulance has made several runs since the last report.

We have had to have some work done on the Olds ambulance and we have to buy three tires for the other ambulance.

Donations are sorely needed as we have been out quite a bit of money this past month. A few donations have come in, but not enough to take care of the payouts. Won't you help, please.

HOW TO COOK CUCUMBERS

We have a recipe to cook cucumbers somewhat after this fashion.

Take the cucumbers, and after cutting off the rind, cut them into slices, then cut up a few onions with them, pepper and salt them to your liking, and add vinegar to them—and then,—open your window and throw them away.

This is the usual way for preparing them for the table, and doubtless the recipe is so worded as to impress the idea of their unhealthiness, and we must confess, that we are among those who have esteemed them. But if cooked as below stated, we conceive them not only to be wholesome, but among the most palatable vegetable dishes with which the table can be garnished. Our method is this:

Pare off the rind, then cut the cucumber into slices lengthwise, dust either sides of these slices with corn meal or wheat flour, pepper and salt them to please your taste; this done, fry them brown, and you will have one of the most delicious dishes that you can imagine, combining in their flavor, those of the oyster plant and the eggplant. Of their healthfulness, thus cooked, there can be no question, and of the palatableness; it is only necessary that you try them, to say with us that they are exquisite.

The Telegraph & Texas Register
September 14, 1842

Original anecdote.—A gentleman traveling through the country a few days since, was asked by a lady, what new candidate is that out electioneering? On being answered, I know of none; she replied, there is one, he stopped with us last night, and on leaving this morning gave the children cake and apples, so I know he must be a candidate.

HSU Offers Cisco Writer's Club Math Courses

Abilene--Hardin-Simmons University will continue to offer mathematics courses designed especially for secondary teachers who either need refresher courses or courses to support certification in mathematics. This word comes from Charles D. Robinson, head of the HSU Dept. of Mathematics. Registration at HSU begins August 25, with classes starting August 26. Robinson said courses in mathematics were offered beginning last year as the need was expressed by some who were teaching math courses without an adequate background in the field.

Mathematics 4350, "Seminar in Mathematics," will be offered beginning August 31 through Dec. 14, on Tuesdays from 6 to 8:45 p.m. The topic of the seminar will be "Mathematical Analysis for the Secondary School Mathematics Teacher." Calculus is not a prerequisite for any of the courses offered, he said.

Last day to register is Sept. 9. For further information, contact Dr. Charles Robinson, HSU, Abilene, 79698 or call 915-677-7281, Ext. 397 or 400.

Thursday,

Cisco Writer's Club Are Pleased With Entries

Lela Latch Lloyd and Vida Killion of Cisco, Directors of the 1982 Cisco Writer's Club Contest, announce that 58 manuscripts were entered in the competition this year.

This is the largest number for any year, and were sent from an area reaching out to Abilene.

"We have a fine group of Judges to decide on the winners," state the Directors.

The Judges are: **Modern and Traditional Poetry** - Dr. Ken Hammes, Cisco, Chairman of the English Dept. at Cisco Junior College, and writer in both prose and poetry.

Articles - B.A.

Butler, Cisco, noted Newspaper writer, and speaker.

Photography (Black and White, and Colored) Bo McMillan, Cisco, Master Photographer.

Inspirational Articles (Lou Prange Memorial Award) Dr. Charles Marler, Professor in the Journalism Dept., Abilene Christian University.

Juvenile Stories Mary Bob Leveridge, Cisco, teacher and Librarian.

Short Story - Lois Whitaker, Cisco, well known teacher.

The winners in the Contest will be announced on the evening of Sept. 7 at the Chamber of Commerce Meeting Room, Cisco.

4-Her's Are Urged To Apply For Gold Star Award

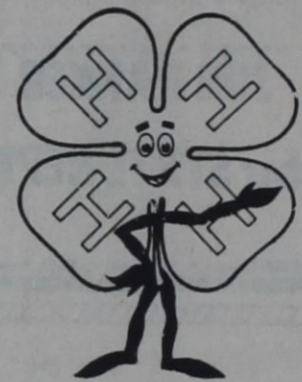

The 4-H Gold Star Award is one of the most sought after 4-H awards at the County level. It is awarded to the 2 most outstanding Eastland Co. 4-H members who have shown personal growth throughout their 4-H career, through projects and activities, leadership and community service.

The winners are recognized and awarded a Gold Star pin during the Co. Awards Banquet which will be sponsored by the Ninrod 4-H Club this year. The banquet will be held during National 4-H Week which is Oct. 2-6.

In order to maintain the quality of the award, the recipients must meet certain minimum criteria. The following criteria are recommended as minimum only. **CRITERIA FOR**

SELECTION: 4-Her's are judged on their 4-H projects and activities, 4-H leadership and personal development. They are judged accordingly with 50 possible points on their record-book and 50 possible points from their personal interview.

Any 4-Her who meets these requirements and would like to apply for the Gold Star Award should contact their 4-H club leader, before August 27. Judging will take place on Aug. 31 at 4:00 p.m. in the County Extension Office.

Rising Star Nursing Center

Avi Massey - Activity Director

Monday 16: News. Exercise 10:30.

Tuesday 17: 2:30 Birthday Party. The ones honored today were: Lavora Smith born 8-1-1915 in May, Wallace Anderson born 8-8-1888 in Rising Star, Ora Clark born 8-13-1886 in Fayetteville, Hallie Williams born 8-22-1898 in May, Gertrude Harris born 8-24-1891. The residents 80 years and older received birthday cards from the President. Our wonderful volunteers bringing cakes were Roda King, Irene Starkey, Jean Ogden, Kelli Nel, Viola Buckham, Vera Hill, Stella Hill, Lolene Claborn, Artie Jaggers, Mary Carroll, Kelli Agnew, Ella and Loyce Holt of May brought Ora Clark a cake. Punch was also served. I want to thank each of the wonderful volunteers that has been so much help to me during the past twelve months.-A.M.

Wednesday 18: 11:30-12:00. Devotional. First Baptist Church.

2:00 bingo. Buster Rixford called numbers. Martha Irby was our big winner with four games. Winners of two games were: Lois Eason, Ora Clark, Emma West. Winners of one game were: Maggie Christian, Mary Crisp, Mary Hord, and Gari Sue.

3:00 Crafts. Thursday 19: Linda Monsey (my Social Activity Consultant) was here and visited all the residents to the delight of all. 3:00 exercise.

Friday 20: Bible Study-First Baptist Church of May. Rose Mae Nickels played the piano. Cliffogene Witt lead the singing.

Lois Richardson also helped. Olive Odom taught the Bible Study. The children of Israel went across into the

Promised Land after 40 years in the Wilderness.

Alford Balcom went to the Brownwood Regional Hospital.

Saturday 21: Georgie Miller was welcomed back from her long stay at Hendrix.

Sunday 22: 3:00 Church Service. Church of Christ with Ray Green in charge. Our residents always enjoy you and appreciate you.

Before leaving for a nursing home in Whitney, Hallie Williams had a small party. Cake and refreshments. Hallie, we will miss you. Our love goes with you.

Visitors of the week were: Elsie Criswell, Tricia Fox, Norma Wood of Stephenville, Kelly Gillispe, Marie Pancake, Mr. and Mrs. Charles Newman of Dallas to see Nettie Wilson, Mary and Keith of Wichita Falls to see Mr. and Mrs. W.A. Smith, Nick Barton, Nick Fox of Dallas to see Claude Fox, LaVerne Carroll, Linda Martin of Breckenridge, and Linda Gary Pancake of Breckenridge to see Claude Fox, Gladys Carter, Mr. and Mrs. Ray Green, Rose Mary Nichols, Lois Richardson, Edna Jones, Ray and Nell Lancaster, Ruth Murphy, Lillian Newcomb, Cleo P. White, Vivian Crooks of Enterville, Ohio to see Annie Frankie, Frank and Frances Barteale, Paula Azocar.

WORD of GOD

Worship the Lord!

Give unto the Lord the glory due unto his name: bring an offering, and come before him: worship the Lord in the beauty of holiness.

1 Chronicles 16:29

Strake Talk

CHANGING ATTITUDES ABOUT DWI

Few things in this country have changed as much during the past few years as public attitudes about drunk drivers. It is a change we can all be thankful for.

Most of that change, in my opinion, can be attributed to the organization of Mothers Against Drunk Drivers (MADD), and the attendant publicity and editorial support they have received from our newspapers. They have succeeded, where others have failed, in drawing attention to the tragedy that has claimed the lives of thousands of Texans.

It was not long ago, for instance, when some public officials who ought to lead by example were openly contemptuous of our laws against driving while drunk. Much of this problem started nine years ago when my opponent became Lt. Governor and helped pass the law reducing the legal drinking age from twenty-one to eighteen years of age. Now Mr.

Hobby, feeling the heat of irate parents and loved ones, and perhaps personal remorse, has said he favors tougher drunk driving laws—another switch from a previous position.

Political promises, however, are easily made. If a politician can't get excited about an issue of this magnitude in nine years, it seems unlikely that he would get excited and pursue corrective legislation in another four years.

So I hope the Mothers Against Drunk Drivers will stick to their guns and I hope they continue getting support from the people of our state. Their efforts to put an end to this carnage on our highways has my support, and I hope it has yours.

Of one thing we can be reasonably sure: Starting next year we will have a new Lt. Governor, and that will make it easier. If you have thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

Pest Alert

Gordon Woolam

THE CRICKET INVASION

Gordon Woolam Batten down the windows! Secure the doors! The annual attack of field crickets is eminent. Advanced forces have already appeared. The main attack force is being formed.

Crickets are attracted to lights which may account for their particular attraction to downtown areas, especially under street lights. Crickets enter buildings seeking a hiding place.

Crickets are general plant feeders and normally live and breed outdoors. They can damage garden plants and be a real nuisance inside a home or business. In addition to the annoying chirps, crickets can damage woolens, cottons, silks, synthetic fibers, furs and carpeting. They also feed on foods, leather and rubber products.

Field crickets lay as many as 150-400 eggs in the soil. These hatch into nymphs that complete their development in about 12 weeks. There may be as many as three generations per year.

Cricket control begins with sanitation as an important means of reducing cricket feeding and breeding sites. Eliminate weeds and dense vegetation around the house, as well as piles of bricks, wood and other debris where crickets hide. Insect-proof your home by caulking and weather stripping. Make sure all screens and doors are tight-fitting. Reduce nightlights while in-

festations are large.

Control of crickets outside buildings is necessary to prevent them from moving indoors. Sprays should be applied to foundation walls, window sills, crawl spaces, door thresholds and under garbage cans. Treatment of a 5 to 20 foot swath around buildings may also help. Treatment indoors should be restricted to residual sprays of baseboards in closets, under stairways and other cricket hiding places. Suggested insecticides for both indoor and outdoor control include diazinon, malathion, and Dursban.

Please contact the County Extension Office for additional information on this or other pests.

WORD OF GOD

Prophecy (Old Testament)

They part my garments among them, and cast lots upon my vesture.

Psalms 22:18

Fulfillment (New Testament)

And they crucified him, and parted his garments, casting lots: that it might be fulfilled which was spoken by the prophet, They parted my garments among them, and upon my vesture did they cast lots.

Matthew 27:35

Homemaking Hints

By Janet Thomas

"Octoberfest" Extension camps are a bargain getaway for older Texans.

Where can a person over 55 "getaway to" for:

*Three days and nights of fun-filled activities

*Learning opportunities

*Other lively, life-loving people

*Fantastic food and *Natural surroundings—with all the modern conveniences

*All for \$58.50? There may be many places in Texas that offer such fare but not many can match "Octoberfest," a new Extension camp for people over 55.

Four are scheduled this fall for Sept. 21-24, Oct. 5-8, 19-22, and 26-29 at the beautiful State 4-H Center on Lake Brownwood. The 4-H State center is a beautiful \$1.7 million dollar facility located on 75 acres. In addition to the main complex, there are 10 large lodges. The center has a large, modern cafeteria with a professional dietitian.

Feature presentations will include: your nutritional needs with special diet consultation, plants in the home, communication skills and game cookery.

Learning centers will offer a variety of "Hands-on" experiences including miniature oil painting, pottery making and picture framing.

Some camps will have such additional centers as wind chimes, chair caning, homemade games, color and fashion, and selling the family farm.

Cards and table games, tennis, horseshoes and volleyball will be available at all times.

Evenings will be filled with such social activities as sing alongs, dances and a cabaret where camp participants present their talents.

Each camp is limited to 100 participants, so contact your county Extension Agent for details now!!!

Deadlines for receiving reservations at the Center are 1 week prior to the camp session you plan to attend. Reservations will be confirmed when the deposit of \$10.00 is received. Participation is limited to the first 100 on a first-come, first-served basis.

RECIPE FOR THE WEEK:

Enjoy the mellow goodness of fall pears. You'll certainly want to enjoy some right off the tree or baked in an old-fashioned cobbler.

PEAR COBBLER:
6 medium pears, peeled & sliced
1 T. lemon juice
3 T. flour
1 cup sugar
½ t. ground cinnamon
½ t. ground nutmeg
1 T. butter or margarine
Cheese Pastry

Arrange pears slices evenly in a 10 x 6 inch baking dish; sprinkle with lemon juice. Combine flour, sugar, and spices; stir well and sprinkle over pears. Dot with butter.

Roll pastry to 1/4 inch thick. Cut into strips and arrange in lattice fashion over pears. Bake at 350 degrees for 1 hour.

CHEDDAR CHEESE PASTRY:

1 cup all purpose flour
1/2 t. salt
1/3 cup shortening
1/4 cup shredded sharp cheddar cheese
2 or 3 T. cold water

Combine flour, salt and cut in shortening with pastry blender. Stir in cheese. Sprinkle cold water over flour mixture and stir with

fork until all dry ingredients are moistened. Shape dough into a ball.

Paramount Series Set for 1982-83 Season

The Abilene Cultural Affairs Council is sponsoring the second dynamic season of the Paramount series—a performing arts series which utilizes the historic Paramount Theatre in downtown Abilene. Performances begin at 8:00 p.m.

Opening the 1982-83 season will be the North Carolina Dance Theater with a troupe of vivacious young dancers. Their ballet, which covers the spectrum from classical to contemporary works, will be seen on Saturday, October 30, 1982.

Appearing on Saturday, February 6, 1983, will be The Marriage of Figaro, performed by the Texas Opera Theater. One of the rare traveling opera companies in the United States, the

T.O.T. hails from Houston and has built loyal audiences around the country with their talented group of performers. The Marriage of Figaro by Mozart continues to be one of the best-loved of all operas. Whether you are an opera "buff" or a newcomer to this art form, you are sure to enjoy this performance.

Playing the music that gave birth to all later jazz forms will be the Preservation Hall Jazz Band on February 28, 1983, in the final performance of the Paramount series. This group has played in New Orleans' Preservation Hall for many, many years and will bring us the traditional jazz from that old city.

Tickets are for reserved seating and

the price includes all three exciting performances. The patron section is priced at \$50, with other seating available for \$27.50, \$22.50, \$17.50 and \$12.50. The best seats are selling fast.

For your convenience, tickets may be ordered locally from Mrs. Charles George during the week of August 30. Mrs. George can be reached at 643-2061 after 4:00 p.m.

CPS II: Texas readies for the six-year study

Cancer Prevention Study II—the largest epidemiological study ever undertaken—and set to launch September 1 in Texas and throughout the country is well underway in the Lone Star state. As of July 1, unit chairman recruitment was at 94 percent with only 8 vacancies in the Division. This represents 3,500 subjects not yet recruited.

Below is a map indicating the Texas ACS units participating along with the number of volunteers needed in each unit and

the number of subjects to be followed. A massive undertaking, the study will last six years and will trace environmental and lifestyle factors related to cancer and other diseases. A wealth of information is expected, similar to the data from the first study (from 1959-1972) which is credited with having supplied evidence to link conclusively cigarette smoking and lung cancer.

Because of obvious lifestyle and environmental changes since CPS I, the confidential questionnaires to be distributed by volunteers will address such concerns as low-tar, low-nicotine cigarettes, birth control pills, coffee, hair dyes and saccharin. Also to be analyzed are air and water pollution, occupational exposures and low-level radiation.

Some 80,000 ACS volunteers nationwide will enroll more than one million subjects and keep track of them every other year for six years.

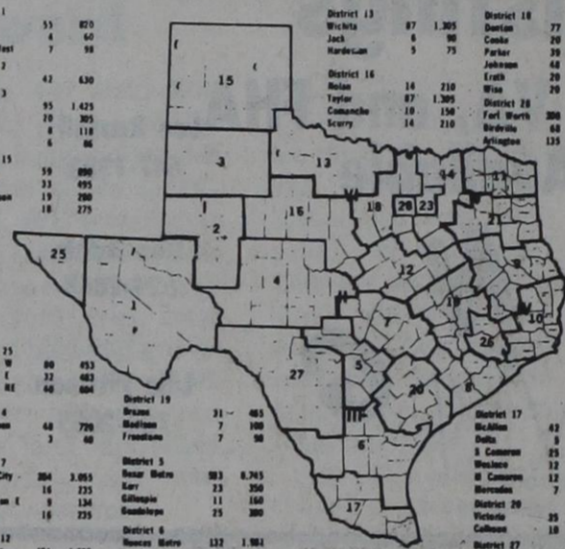

Mrs. Jean Barrar of Dallas, a 20-year Service and Rehabilitation volunteer, is chairman of the study in Texas.

Texas recruitment and training began with a March 30 session in Dallas for CPS II chairmen from the Division's most populated units. Mrs. Barrar presided at the meeting which was attended by Lawrence Garfinkel of New York, head of the nationwide project.

Since then, recruitment and training has continued at an impressive rate.

Soon to be distributed statewide to all CPS II volunteers is a CPS II newsletter edited by Nancy Burns, R.N., Ph.D. Ms. Burns, of Ft. Worth, is a member of the state CPS II committee and serves as chairman of the project in Area VI.

Volunteers and interested persons wishing to participate in the study as a researcher (rather than a subject) who reside in one of the units indicated on the map are encouraged to contact their local ACS office or the Division office.

Get in Touch With US:

COLLEGE

If you want a 4-year college degree, start with us. Once again this year, many graduates from Texas' finest colleges and universities have something in common: they started with us at Cisco Junior College. You can take two years of college with us and then transfer to a 4-year college or university.

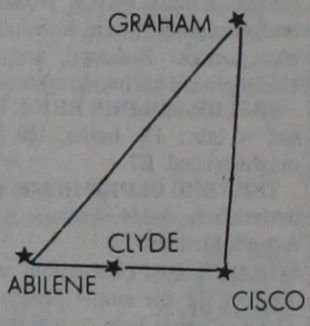

CAREERS

Career training with us leads to real jobs each year when our technical and vocational students graduate. We offer a growing number of programs that can teach you a money-making skill that is in high demand in the Big Country today.

CLOSE TO HOME

One of the four Cisco Junior College locations is near you. Each provides a college environment, whether you study for a technical or vocational degree at Abilene and Cisco or for an academic degree at Clyde and Cisco. There is also a LVN school at Graham, Cisco and Abilene. The education, convenience and individual attention you get from us will give you more college for your college dollar! (A full 12-hour class load is only about \$200, tuition and fees, for Big Country residents.)

Senior Center News

The birthday party Monday night was a tremendous success; Clyde and Doris Griffin, the hosts, are to be congratulated. And, a special note of appreciation to the many who furnished the beautiful cakes and tasty ice cream. It was a friendly, happy gathering and I would not have missed it for anything.

While attending the party, my thoughts wandered into the sweet surprises of growing older. Why have we so dreaded its approach? Now that many of us have attained this time of life, we are discovering how delightful are the joys which arrive with it.

Our Creator has done so very much to make our days of aging times of real blessing. I am sure He realized we would approach the time of maturity (and beyond) with trepidation; therefore, He has scattered special joys and surprises along the path, as a spring breeze would flutter dainty apple blossoms down upon the lane. We come upon these special gifts unaware, for we had never for a moment known they would be there to greet us on the journey. But then, they would not be surprises, had we known.

One joy which I have discovered is the subtle way the roles of

parents and children have all but reversed. Quietly, slowly, the protector has become the protected; the giver, the one receiving.

Another blessing is the special awareness of the beauty of our world. The planned order of it, the freshness of renewed seasons. Why it should be a surprise is truly a mystery, for this is actually the order of the universe, and has ever been so.

I have found friends are so much dearer, family so much closer, grandchildren so much more precious as each day succeeds the other. And, I would be remiss, should I neglect to mention the sweet memories which brighten the way, growing older.

These are only a few of the lovely things we encounter as we make our way toward the time of Senior Citizens. And, it is a beautiful blessing to have the privilege to meet, week after week, at our Center with others who share these blessings. I do hope I have said something which would encourage you to join us on Thursday. Come on! Don't miss it!

In closing I enclose a poem which was composed by one of our dear birthday ladies this month.

Thursday,
August 26, 1982

Thoughts on Having Birthdays

At last year's birthday party, I tried so hard to be a smarty.

I told you then I was a poet, also said you didn't know it.

I am still trying to prove to you that what I said is really true.

When we start getting old, please, dear ones, do not scold!

When we have "Rumitiz" and gout, and that's all we like to talk about.

We take pills--red white and blue--it seems we never can get through.

But, don't give up for yet awhile, keep on taking them with a smile.

And when you reach 85, you'll be so glad you're still alive.

Now there is another verse--it may be better, or maybe worse!

Another year has gone by. I'm still here and I don't know why.

The only reason I can give: The Starbrite Band helps me to live.

I can't take off for another land--I want to keep on playing with the Starbrite Band.

Written by Lela Clark

With a talent such as this in our group, I am made to wonder why I am trying to be the reporter.

Submitted in love by your reporter,

Elizabeth

FRIGIDAIRE. HERE TODAY, HERE TOMORROW.

West Texas Utilities and Frigidaire offer you the finest in dependable appliance service by qualified factory-trained servicemen.

Facts About The **BIBLE** BY JOHN LEHTI

THE NEAR-EAST'S BALANCE OF POWER IS OF WORLD-WIDE CONCERN TODAY. EGYPT AND ISRAEL FENCE, DIPLOMATICALLY, EACH HOPING TO GAIN A MORE STRATEGIC POSITION. TO THE NORTH, SYRIA, LEBANON, AND TO THE EAST, JORDAN—NOT TO MENTION OTHER ARAB COALITIONS—ALL WATCH NERVOUSLY, MAKING THEIR OWN ALLIANCES AGAINST THE DAY WHEN TOTAL WAR MAY STILL BREAK OUT... AND SCHOLARS OF ANCIENT HISTORY SMILE RUEFULLY, SHAKING THEIR HEADS—NOTHING'S CHANGED IN 2,500 YEARS! THE SAME POLITICAL SITUATIONS, THE SAME COUNTRIES, **SAME PLANS!**

ISAIAH THE PROPHET (CIRCA 780-700 B.C.), IN TEMPESTUOUS ANCIENT TIMES, PREACHED RELIANCE ON GOD, ADVISING AGAINST POLITICAL ALLIANCE WITH NEIGHBORING COUNTRIES. SO SINCERE WAS HE, THAT HE STRIPPED AND, FOR THREE YEARS, WALKED ABOUT BAREFOOTED, WEARING ONLY A LOIN CLOTH TO POINT UP HOW BAD OFF EVERYONE WAS GOING TO BE IF THEY DIDN'T HEED HIS WORDS! BUT THE KINGDOM OF JUDAH WAS IN A VERY DANGEROUS SITUATION....

... IN THE NORTH, SYRIA AND ISRAEL (SEPARATE FROM THE KINGDOM OF JUDAH AND JERUSALEM) HAD FORMED AN ALLIANCE AGAINST THE THREAT OF A TERRIBLE FOE TO THE EAST, ASSYRIA—THEN AT ITS HEIGHT AS A CONQUERING NATION, LOOTING AND DESPOILING ALL KINGDOMS IN ITS PATH TO WORLD POWER! SYRIA AND ISRAEL INTENDED TO ATTACK JUDAH FOR NOT JOINING THEM BUT, BEFORE THEY COULD, THEY WERE CONQUERED BY ASSYRIA, WHOSE KING, SENNACHERIB, THEN FOCUSED ON JERUSALEM, DEMANDING ITS TOTAL SURRENDER! KING HEZEKIAH SOUGHT ISAIAH'S ADVICE—WHEN HE WAS IN TROUBLE, THEN AND THEN ONLY, DID HE TURN TO GOD AND THE PROPHETS—WHEN EVERYTHING WAS FINE, HEZEKIAH DID AS HE DARN WELL PLEASED! ISAIAH TOLD HEZEKIAH TO ACT LIKE A REAL KING, FOR ONCE, AND DEFY ASSYRIA! A HARD THING TO DO WHEN, ALL AROUND HIM, KINGDOMS WERE TOPPLING LIKE TEN-PINS... SO HEZEKIAH STRIPPED HIS TREASURY OF ITS GOLD AND SILVER TO GIVE TO SENNACHERIB, HOPING HE'D GO AWAY! AT THIS TIME, EGYPT TO THE SOUTHWEST, FEARING FOR ITS OWN SAFETY, GOT INTO THE FIGHT AND, EVEN AS ISAIAH SHOUTED DEFIANCE FROM JERUSALEM'S WALLS, SENNACHERIB, WITH NEWS OF A SERIOUS REVOLT IN HIS OWN COUNTRY, HIS ARMY DECIMATED BY SOME SUDDEN PLAGUE OF ILLNESS WHICH KILLED THOUSANDS OF HIS TROOPS OVERNIGHT, LEFT FOR HOME! INSTEAD OF GOING TO THE TEMPLE TO THANK GOD, THE PEOPLE OF JERUSALEM CELEBRATED IN A SERIES OF WILD ORGIES! ISAIAH'S WORDS FAIRLY DRIPPED SARCASM, AS HE WATCHED... "EAT, DRINK AND BE MERRY," SAID HE, "FOR TOMORROW," CAME HIS DIRE PREDICTION, "WE DIE!" ISAIAH SAW WHAT THE FUTURE HELD FOR A PEOPLE WHO TURNED TO RIOTOUS REVELS AT THE SLIGHTEST EXCUSE—AND HE WAS RIGHT! IN LESS THAN TWENTY-FIVE YEARS, NEBUCHADNEZZAR WAS TO COME OUT OF THE EAST AND END FOREVER "THE POWER AND THE GLORY THAT WAS JERUSALEM".

Commentary

by Myrtle Owen

OUR FAITH MUST BE FIXED ON THAT WHICH IS INFALLIBLE: (II TIMOTHY 2:19). Nevertheless the foundation of God standeth sure (steady) having this seal, the Church which is about to be raptured to meet Jesus, will not be raptured void of power. However that power will never come until, as ministers of the Gospel and as the Church of Jesus Christ we go through a refining process, from which we come forth as pure gold to be presented to Jesus Christ as His precious bride. We can even apply this prior to that time, because it is very relevant. You will not be able to fix our faith. If our faith is not fixed during the crisis, we will not stand.

We must fix our faith on that which is infallible, and that which is impregnable. We must have a fixed point for our faith. THAT FIXED POINT IS THE WORD OF GOD. First of all, we must tell God's people to fix their faith on that which is infallible. "No matter what problem we are going through or what our need...whether it is a physical miracle we need, or a solution to domestic difficulties or a financial problem...If we fix our faith on that which is infallible, we tie our faith to a sure, certain answer. We cannot ever pray the prayer of faith without infallibility. When we pray without infallibility, our prayer is weak.

We might as well not pray. When we tie our prayer to infallibility. When we pray without infallibility, that is when we pray the prayer of faith. There can be no prayer of faith without infallibility. Many prayers go unanswered because we pray, "Lord, if it be thy will." Some people say that if you pray for a certain thing and it does not come, that is an answer to prayer. That is not so. Some say, "If we pray for a certain thing and we get something else, God knows what is best for us and He is going to give us what is best for us."

That also is not true

but is completely contrary to the Scriptures. It is time for the Church of Jesus Christ to understand what God has said. He said, "If you being earthly fathers know how to give good gifts to your children, how much more shall your heavenly Father give good things to them that ask Him." When we pray scripturally, based upon God's promises, His sure word, then He will grant us

our requests. Fear not little flock; for it is your Father's good pleasure to give you the kingdom. (Luke 12:32). What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them (Mark 11:24).

Delight thyself also in the LORD; and He shall give thee the desires of thine heart. (Psalms 37:4). The word infallible means certain, sure. It means to be unerring.

Personal

Oleta Seal is still recuperating from her surgery, but is beginning to get out and about a little.

Grady Bush is home from the hospital and is improving remarkably well.

Mrs. Jim Gray is recuperating at home following surgery on her broken hip. Her condition is satisfactory.

Jim Ray Cox, who suffered burns on his ear and neck August 17, is recovering well.

SIPE SPRINGS NEWS

Mr. and Mrs. John McKeehan visited Mrs. Stell (Davis) King in Hendricks Memorial Hospital in Abilene Saturday afternoon, who had fallen and broke her hip. We hope for her a successful and speedy recovery.

Mr. and Mrs. N.L. Leonard spent the weekend with their son, Gayle Leonard and wife in Ft. Worth.

Mr. and Mrs. Don Taylor and girls of Lamesa are visiting her sister, Mrs. Jack Millwee and family.

Mr. and Mrs. Kenneth Smith have moved into their beautiful new home. We hope for them much happiness.

Mrs. Ruby Boswell spent a few days this week with her sons' in Arlington.

Mr. Jeff Railsback of McLean visited the N.L. Leonards and Mr. and Mrs. Herman Anderson on Thursday.

Mr. and Mrs. T.A. Weaver spent last weekend at a family get-together with three of his sister's.

Sunday visitors at the N.L. Leonard's were Mr. and Mrs. George Leonard and grandchildren of Rising Star, Mr. and Mrs. Layle Leonard of Ft. Worth and Mr. and Mrs. O.K. Schooler and son, John, of Moran.

First Baptist Church

Pastor Paul Cell tells of a conversation he once had with a man:

"I am too busy to attend church, or to give thought to the matter of religion."

The pastor said, "I see you and the Lord Jesus Christ do not agree on the subject."

"What do you mean?" asked the merchant.

"Well," replied the pastor, "you say that you cannot because you are too busy, but Christ says it is because you will not. It's in John 5:40. 'Ye

will not come to me that ye might have life.' Now who is right, Christ or you?"

After a thoughtful moment the man replied, "Christ is right. It is my will and not my circumstances that hinders me."

The man was at least honest. Are you attending to your soul's needs or are you too busy? To remain TOO BUSY for TOO LONG will make you TOO LATE for the joys of Heaven.

R.D. Williams, Pastor
