Area-Wide Fire Meeting: By-Laws Will Be Adopted

There was an area-wide fire meeting at the high school gym in Rising Star at 6 p.m. May 7. Charles Murphree, a member of the rural board of directors of the Rising Star Volunteer Fire Department, thanked everyone for coming and explained the reason for the meeting is to get the Fire Department running smoothly and elect a new board of directors. The Fire Department also needs some by-laws or rules to run the Department by so there is no one person running the Department.

Approximately three years ago the rural and city fire departments were combined with a Board of Directors in charge of the general running of the department. The board consisted of three men with rural interest and three men with city interest. This had worked pretty smoothly over the last three years; there was some problems, but that was expected.

Mr. Murphree also said that a special guest was Don Jackson from the May Vol. Fire Dept. and that he would explain how the May Dept. has organized better to become a very efficient department. Mr. Murphree said after Mr. Jackson has his discussion the floor would be turned over to the

people so they could ask questions.

Mr. Jackson explained that the May Fire Dept. set up by-laws for the department to run by. Their main source of money is donations, the same as Rising Star Dept. The Board of Directors is selected from the membership and is voted on by the members. His talk was very informative.

The floor was turned over for questions.

Question - How far does the May Dept. go from May to fires?

Answer - As far as they are asked to go.

What does the board of May consist of?

It consists of President, Vice-President, Secretary/Treasurer, Chaplain, Chief, Asst. Chief and etc.

Chief is in charge of equipment at fire. President is in charge of equipment at the station. President presides at meetings, signs by-laws and minutes of all meetings.

The chief can purchase small necessities for the fire equipment but major purchases must go through the Board. Their Board meets twice a month at regular times unless there is a necessity to call a meeting to take care of major pro-

Chamber Makes Donations to EMS, Fire Department

Frank Agnew, representative for Rising Star Emergency Medical Service, accepted a check from Lottie Mae Roach, president of the Chamber of Commerce & Agriculture, last Thursday. The donation was made from proceeds of the Pancake Supper sponsored by the Chamber of Commerce April 26.

Darren White, representative for Rising Star Volunteer Fire Department, accepted a check from Lottie Mae Roach, president of the Chamber of Commerce & Agriculture, last Thursday. The donation was made from proceeds of the Pancake Supper sponsored by the Chamber on April 26.

City/School Election Results

Two incumbents on the Rising Star City Council won bids for re-election and one incumbent lost his bid last Saturday.

Clinton Crisp and Cole White, incumbents, received 69 and 68 votes respectively and incumbent Kelsey "Pete" Starks lost his place on the council to E.L. "Moose" Vaughn. Starks received 61 votes and Vaughn received 72 votes in unofficial returns. Crisp, White and Vaughn will serve two-year terms. Johnny J. Hubbard

received 79 votes to fill the one-year unexpired term on the city council.

In the school board election, incumbent Larry Wilson received 114 votes to keep his place and Larry D. Chambers received 88 votes to win a seat. Ear M. Wright lost his bid, tallying with 63 votes.

Gary Wilson received 111 votes to fill a two-year unexpired term.

Have Pets Vaccinated Saturday

Dr. Virgil Patrick of Cisco will be in Rising Star at City Hall Saturday, May 14, from 1 to 4 p.m. to vaccinate dogs and cats.

Dr. Patrick has come to Rising Star for the past several years to make it more convenient for pet owners to have their pets vaccinated.

Blake Cemetery Decoration Day Is Sunday

Blake Cemetery Association in the Williams Community will hold its Annual Decoration Day Sunday, May 15.

Services will begin at 11 a.m. with Bro. McAdin of the May Methodist Church preaching. Business meeting will be at 11:45 a.m. followed by dinner-on-the-ground (pot luck lunch).

There will be singing in the afternoon and all area singers are invited to come and join.

There will be a workday Friday, May 13, beginning at 9 a.m. and 5:30 p.m. You may come and work in the morning or afternoon session or both. Workers are needed and donations are needed for the upkeep of the cemetery.

If you have friends or loved ones buried in this cemetery, come and enjoy a day of remembering and fellowship.

Nimrod Monroe Homecoming To Be May 15

Nimrod Monroe Cemetery Association will meet Sunday, May 15, with homecoming at Nimrod Baptist Church.

Rev. Bert Smith will bring the message.

Lunch will be served in church fellowship hall. Bring a covered dish and a friend. Cups, plates, drinks and etc. will be furnished. See you there.

Gospel Singing Is May 19

There will be an Old Time Gospel Singing at the Calvary Assembly Church in Rising Star Friday, May 19, beginning at 7:30 p.m.

There will be Gospel singers and musicians attending from the Eastland, Comanche, Carbon, Cross Plains and Brownwood area.

All Gospel singers and musicians are welcome to come and take part.

There will also be a time for congregational singing so everyone present can take part in singing some old time Gospel hymns.

Everyone is welcome. There is no admission fee!

Cancer Society Says 'Thanks'

The American Cancer Society would like to thank each contributor, private and business, for their monetary support.

To the marchers who made the time to go door to door, I personally thank you all. Through our team effort, Rising Star is well represented for this cause in Eastland County.

We also want to thank City Hall for copies of city maps to help coordinate our March.

The next meeting will be June 2 at 7 p.m. in the Community Center.

Jackie Harris Is State All-Academic

Jackie Harris, a senior at Rising Star High School, is one of ten Class A students in Texas to be selected to the Academic All-State Basketball Team.

She was not only a starter on her basketball team all during the season, Jackie also had a grade point average of 95.7 over a period of seven semesters. Her team, the Lady Cats, won 14 of their 27 games this year and tied for second place in District. The team relied on Jackie for her high scoring average, which she has consistently bettered each year in high school basketball; she is an excellent ball handler and had a rebound average of 8.3.

Her basketball honors include Honorable Mention All-District in the 9th grade, 1st Team All-District in the 10th grade, 2nd Team All-District as a

Junior, 1st Team All-District as a Senior and 1st Team All-Tournament in the 9th. She has signed to play with the Lady Dusters

Music Program To Be Presented May 17th

CAST OF "COUNTRY CARAVAN" 1988 SOUTH PLAINS COLLEGE

"Country is in your heart."

The famous country storyteller Tom T. Hall hit the nail on the head when he wrote the lyrics for his memorable song "Country Is". Music that will warm the hearts of country music lovers can be found in this season's edition of "Country Caravan" scheduled for a performance on Tuesday, May 17 in Ranger.

Showtime is 8:30 p.m. at Ranger Jr. College. Admission is free to the performance being sponsored by Ranger Chamber of Commerce. Bring lawn chairs & blankets. Concession stand will be available.

Produced annually by South Plains College in Levelland, Texas, this down-home music celebration has delighted country music fans for 12 summers now, bringing genuine family entertainment to communities throughout West Texas and Eastern New Mexico. And like its predecessors, this latest edition of "Country Caravan" builds a country mansion out of an energetic blend of top country music hits, classic standards, colorful costumes, sizzling vocals, topflight musicianship and precision dancing. The net result is 90 minutes of nearly non-stop country music fun.

The foundation that holds up the entire framework of "Caravan" is entertainment, and plenty of it.

"We're here to entertain," says John Hartin, general director for "Caravan" and instructional coordinator of SPC's unique country and bluegrass music program. "The magic of country music comes alive in our show, and we want people to leave the performance with a happy feeling—one that they will talk about for days."

To achieve just that, Hartin and his crew have put together a show that features powerful country tunes which have deep roots in the music industry and which bring home the spirit of country music. "Country Caravan" combines contemporary songs with all the colorful nuances which have influenced country music throughout the years and have made it great.

The program for the 1988 season runs the gamut of contemporary country chart-busters. In fact, Tim McCasland, assistant professor of music at SPC and the show's musical director, says "Caravan" has become more contemporary with each passing year. "Current artists are reviving a lot of the country styles that were prevalent 15 to 20 years ago," he says. "They are adding a different twist to the songs they write and perform today."

So the program of songs include hits like Rosanne Cash's "Tennessee Flat Top Box", acclaimed as the most requested country music song since Kenny Rogers' "The Gambler"; Hank Williams, Jr.'s, "Born to Boogie" that helped earn

The Cast of Country Caravan—South Plains College's 1988 edition of Country Caravan, an energetic country music revue which features contemporary country hits and long-time country favorites, will come to Ranger for an enjoyable performance, Tuesday, May 17th.

Showtime is at 8:30 p.m. at Ranger Junior College. Admission is free. Be sure and bring lawnchairs and concessions will be served.

Cast members who pick, sing and dance with country flair include (seated in front) Ed

him 1987 Entertainer of the Year; Asleep at the Wheel's "House of Blue Lights" that revives western swing; Reba McEntire's "Last One to Know"; and Los Lobos' movie hit "La Bamba".

But the show would be missing a key element to the country music story if it didn't touch on the country classics. Hartlin and McCasland have orchestrated a wonderful medley of seven country music favorites that are sure to please. "Country music is like culture itself," says Hartlin. "You touch part of it, and you wind up touching it all. These particular artists touched a part of country music which strengthened the industry and certainly contributed to the collective nature of country music."

So take a walk down memory lane with songs made famous by country music greats Mel Tillis, Tammy Wynette, and Ray Price. The styles of Kitty Wells, Conway Twitty and Ernest Tubb are represented in memorable tunes like "Honky Tonk Angels," "After the Fire is Gone," and "Walking the Floor Over You." And who could forget the Sons of the Pioneers' "Tumbling Tumbleweeds."

In addition, you'll find further enjoyment in a medley of inspiring country gospels, authentic Appalachian-style

Hines and Zamora are featured vocalists who also play guitar. Howard is featured on saxophone and Huffman is the band's percussionist. Larkin plays

Marsh, vocals, fiddle; Amy Price, vocals; Latrell Houk, vocals; Kendra Pirkle, vocals; Joe Carr, mandolin, instrumentals; (standing in back) Steve Garner, banjo, vocals; Brent Jobe, electric bass, Paul Zamora, guitar, vocals; Donnie Larkin, guitar; Jackly Howard, saxophone; Mike Huffman, percussion; Tim McCasland, guitar; John Hartin, vocals, guitar.

"Caravan's" performance is being sponsored by Ranger Chamber of Commerce.

guitar and keyboards, while Garner plays banjo and is a vocalist. Jobe is the group's bass guitarist.

In addition to Hines, Zamora, and Garner in male vocal roles, the talents of four young ladies are showcased in "Country Caravan." At the head of the list is Paula Horton of Perrin, Texas, who thrilled audiences last summer with her ability to yodel.

Newcomers include Latrell Houk of Littlefield, Texas; Amy Price of Lubbock; and Kendra Pirkle of Sanger, Texas.

"We certainly have the best singers and best musicians in our entire history," Hartin boasts. "Their skills and talents are of professional quality."

Faculty members in the band include Hartin, who plays the electric guitar with a passion and sings the classic country style. McCasland, in his 12th season with the show, plays the pedal steel and guitar. Joe Carr, SPC bluegrass instructor, serves as the show's host, gauging the pace of the performance and interjecting a unique brand

of humor. Carr also picks the guitar, mandolin, and fiddle. Ed Marsh, assistant professor of music, has been with the show eight seasons, providing expertise on the fiddle and on vocals.

The sum total of everyone's efforts is a memorable entertainment experience.

"Country Caravan" is set to tour 37 towns and cities, with stops in East Texas, the South Plains, Central Texas and Eastern New Mexico. When the "Caravan" presents its traditional finale July 4 in Levelland, the cast will have logged more than 10,000 miles and will have played to more than 25,000 country music fans.

It's family entertainment at its best, says Hartin. "There are three forces in the USA that provide quality family entertainment—Disneyland, Opryland, and Levelland," he quips.

COUNTY COMMISSIONERS NEWS:

Public Hearing On Budget To Be June 13-Road On Leon Dam To Be Repaired

At a meeting Monday Eastland County Commissioners set June 13 as the date for a public hearing for the 1989 County Operating Budget and planned use of Revenue Sharing Funds.

On the Revenue Sharing money, County Judge Bailey said that few - if any - Revenue Funds are expected.

He listed a last "Five or Six thousand dollars in Washington" that might be released to the county.

"But anything can happen in an election year," he added.

During the past few years the County has received around \$90,000 annually

from Federal Revenue Sharing funds. This has gone for Rural Firefighting, Roads and Bridges, Law Enforcement, Libraries, etc.

In other business Bryan Neaves, Resident Engineer, for the State Highway Department, told the Commissioners that FM 2214 over the Lake Leon Dam will have to be closed for about two months for repairs.

This repair is expected to begin in late summer, and will involve putting a new base on the road.

The Commissioners discussed this and related subjects - including the State load-limit signs now up on county bridges so designated

by the State Highway Department. They mentioned the 30-day limit put by the Department on the erection of these signs.

They indicated that condemned bridges were sometimes "cheaper to fix and pay all the cost ourselves" rather than to deal with the Highway Department and then pay on the 80-20 percent formula. (The county paying the 20 percent.)

Comm. Billy Bacon, Pct. 4, said there was a need to show the people where their money was going on roads and bridges.

Judge Bailey said some people seemed to think they

were paying twice on their property when they paid a Road and Bridge Tax. But they were actually paying once on two different kinds of property, he remarked.

County Auditor Ray Pruitt, who was in a hospital for medical tests, sent a detailed up-date by office personnel of current county expenditures.

It showed that certain line items from Departments were in the red on expenditures. After studying this, the Commissioners voted to amend the line items on the current operating budget.

Among the items were payment to a jail consultant (James Wheeler of Abilene), jail repairs, purchase of the Lasater property just north of the jail, purchasing of the right-of-way for widening of a road near Gorman, etc.

The Commissioners decided that after the meeting

they would go to the property north of the jail and designate the four separate housing units to be sold and moved.

Billy Bacon, Pct. 4, reported that 22 people are currently in the county jail. Three have recently been transferred to the State Department of Corrections, with two more supposed to go tomorrow.

District Attorney Emory Walton told the Court that some who are convicted don't stay at TDC very long. He mentioned one man with a 4 yr. sentence on two Felony DWI's. He has served a short while and is now eligible for parole.

One pipeline crossing was on the Commissioner's agenda Monday. It was requested by S O Operating Co. for permission to cross a county road in Pct. 3. George Owens appeared for the Company, and the request was granted.

At the end of Monday's open meeting the Commissioners held an Executive Session with A District Attorney Emory Walton.

Special 4-H Self-Esteem Program Announced

All Junior High and High School age 4-H members have a special invitation to attend the upcoming 4-H Junior Leader's Association meeting this coming Sunday, May 15 at 3 p.m. in the TU Electric Reddy Room in Eastland.

This is the regular meeting of the Eastland County 4-H Junior Association. A special program entitled "I've Gotta Be Me" is being sponsored. The Self-Esteem program will teach "You are somebody!", maintaining positive self image, how to develop and keep better relationships with friends, finding good in ourselves and others, positive attitudes for a winning personality and much, much more.

The program leaders are all older 4-Hers who attended and participated in the 1988 State 4-H Teen

Leadership Retreat last January at the State 4-H Center. These 4-Hers learned and were trained to return to their home counties and teach other 4-Hers. Program leaders will be Brian Bailey, Howard Lawrence, Stephanie Long, Toby Long, Natalie

Stevens, and P.J. Kea. Mrs. Shelley Bailey, will be the adult discussion advisor, and she also attended the State 4-H Teen Leadership Retreat.

This is a very worthwhile program series, and all 4-H members in Junior and Senior High throughout the county are urged to take advantage of this learning opportunity.

Refreshments and recreation will be led by 4-H Junior Leaders.

Disabled American Veterans To Answer Question Monday May 16

Changes in VA programs. Cutbacks in VA health care eligibility. Proposals to slash your VA benefits. Changes in Social Security eligibility. You've read about them in your local newspaper over the past few years. You've heard about them on TV and radio. But how do all these changes affect you and your family?

If you're like most vets, you just can't keep up with it all. That's why so many are turning to the Disabled American Veterans - the DAV - for the answers they need. If you're worried about your rights as a disabled vet, you should be. And you'll be glad to know the DAV is coming to your area May 16 to answer any questions you

have. They will be set up in the Wal-Mart parking lot.

The DAV offers free service to all veterans and their families. We'll help you identify your entitlements. We'll help you file claims for such benefits as VA disability compensation, pension and medical care, as well as employment, education, and Social Security disability

benefits.

Like millions of brave Americans across our countryside, you answered when your country called... defended her with pride. That's why we're proud to serve you. And, for three important reasons, you can count on the DAV National Service Officers who'll visit your area in one of the DAV's field service units:

- We know veterans' programs inside and out, including benefits you're entitled to.
- We're on your side. We're disabled vets working for a nonprofit organization of one million other disabled vets.
- It costs you nothing to take advantage of our expert services.

Sr. 4-H Club To Meet May 12

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

THERE IS NO SUCH THING AS A FREE PRESS

ONCE UPON A TIME IN TEXAS, there lived a newspaper that reported all kinds of things, from weddings to recipes to obituaries to local needs and needs, to club and church news, to water and power rates, to local elections. And while the town worked hard to solve unemployment, crime, bad streets and all the other aches of the day, the newspaper kept at it to try to bring the town a promise of the best to come - and to believe in itself.

A FEW YEARS EARLIER, the newspaper didn't have as many readers. But its merchants advertised a lot, and there were more available dollars to hire writers and advertising sales people.

THE TOWN PROSPERED and its population grew to attract new, bigger businesses that came in to compete for customers from throughout the entire region. But some of those bigger businesses tried different ways of advertising, or reduced their own dollars for advertising when they took command of the market. Some small firms left.

TIMES GOT TOUGHER for the newspaper in spite of helping it's town grow. In just 18 months, the price of newsprint increased 30 percent, and it cost 20 percent more just to mail the same newspaper. The newspaper faced the same higher taxes, increased minimum wages and all of the other new challenges to business as did everyone else. Just the cost of keeping its doors open increased to \$526 per day for every 2,500 circulation.

The newspaper was forced to reduce its staff a bit, along with some of its local coverage because the dollars just don't have the same reach as prior years.

THE TOWN STARTED LOSING its close kinship and upbeat manner. And its citizens became less interested in ideas for the future of a town in which they were losing contact . . . and information.

BUT THE NEWSPAPER (every newspaper) kept plugging along, attending countless local meetings and events. And its staff worked long hours to find ways to produce a better newspaper for the town, and to provide businesses with a valuable means of selling their goods and services, and informing readers about everything from government to fashions and foods.

TEXAS NEWSPAPERS are always plugging, because they enjoy exercising "Freedom of the Press." But please understand, this freedom doesn't come cheaply. It costs lots of dollars to keep it going. So help to put a happy ending on this story for both your town and its newspaper . . . SUPPORT YOUR LOCAL NEWSPAPER, AND ITS ADVERTISERS, because they're truly helping your town!

Fishing Outdoors

By Terry Wilson

Don't forget May 14 and 15, Hubbard Creek Lake at Wimberley's Warf on the east end of the bridge. The KEAN Big Bass Classic will be going on both days. For those who choose not to fish there will be plenty of activities around weigh-in. So load the family up and come watch, who knows you may know this years winner.

Anyone wishing to enter may still do so at \$75.00 per day per person. This years cash award for 1st place is said to already be larger than the \$60,000.00 plus Chuck Burgess of Olden won in 1987.

Fishing at Hubbard Creek has slowed some, probably due to the continuous pressure these fish are experiencing. Also the fish are reported to be in their worst stage, that being post spawn. That time when large female for the most have finished laying their eggs, the eggs are hatched and the male fish are swarm guarding. To define this term we went to B.A.S.S. writer Rick Taylor for this explanation.

Three to 10 days after the eggs have hatched, the male's second stage of protection begins. The fry have devoured their eggs sacs and now have a hankering for zooplankton. So, the swarm of

young, 1/2 inch bass moves away from the nest, and the male goes with them. Protecting them is not as easy as when they were. All huddled in the nest, so the bass apparently must become even more ornery. Scuba divers report bass attacking just about anything that gets near its young and that of course includes lures. On occasion one male has been seen protecting three separate swarms.

Still the bass is not as catchable as was prior to nest-guarding. Those hormones are still working on the fish's appetite, so its only intention is to drive, swat or perhaps carry intruders away. Top-side, those "bumps" or "hit and miss" we feel in the late spring are quite possibly swarm-guarding males.

A common misconception of new boaters is that the modern fiberglass hull is maintenance free.

Not so. Fortunately it doesn't take a lot of work to keep the family boat looking good, and there are many products specifically designed for the job.

First of all, keep your boat clean and waxed to prevent fading color and chalking. Quicksilver offers a boat soap that eliminates spots and water marks. For hard-to-clean surfaces, such as the boat bottom, they offer Algae and Scum Remover.

After cleaning, apply a good marine polish that will seal the exterior. Sealant is important because, while fiberglass, looks hard, it's actually a fairly porous material and becomes more so with age. Polishing the exterior provides an additional coating that acts as a barrier to the caustic effects of sunlight and water.

Use products that are designed for different parts of the boat. For instance, don't use harsh, abrasive cleaners anywhere on your boat and particularly not on plexiglass. Marinas and dealers carry plexiglass cleaners. Use one of those to avoid clouding plexiglass or, worse yet, scratching the surface.

Vinyl seals and cushions suffer constant exposure to sunlight and will fade and crack in time. Again, there are sprays on the market which act as a sunscreen for the material and can restore it to "like new" appearance and pliability.

Marine products also exist for cleaning teak and carpets, deodorizing toilets and cleaning the degreasing bilges.

Turner One Day Workshop June 11

The Breckenridge Fine Arts Center will sponsor a one day workshop Saturday June 11, from 10:30 a.m. until 3:30 p.m. featuring artist Dick Turner from Houston. This one day workshop is a means of introducing area artists to Mr. Turner and his oil painting technique.

Mr. Turner is a rare combination; an outstanding painter and an exceptional teacher. He regularly teaches private classes in the Houston area as well as seminars throughout the South and Southwest each year. His paintings have won awards throughout the state of Texas but more impor-

tantly they are included in innumerable private collections throughout the world.

The fee for this all day workshop activity is \$35.00 per person. Deadline for

registration is Thursday, May 26. The fee includes a lunch of sandwiches, cookies, tea or coffee provided by the art center. Checks should be made payable to the Breckenridge Fine Arts Center. Mail to P. O. Box 549.

USDA Interim Rules on Peanut Poundage Quotas

The U.S. Department of Agriculture today requested public comment on an interim rule on poundage quotas for the 1988 to 1990 crops of peanuts.

The following are the most significant changes made by the interim rule: - In a state where large quantities of quota pounds are in reserve, the State Agricultural Stabilization and Conservation Committee may allocate excess reserve quantities to quota farms after obtaining approval from the ASCS deputy administrator for

state and county operations.

- A peanut farmer who failed to plant the farm's full quota because notice of the final quota was not received by the end of the planting season, may make a full quota transfer to another farm if ASCS determines that the farmer made a good faith effort to plant the full quota.

- Fall quota transfer rules have been relaxed for determining the number of pounds a farmer may receive under a fall transfer. The maximum

number of pounds eligible to be received will equal the difference between the sum of the farm's ungraded and unmarketed pounds of peanuts of all segregation plus the pounds of unmarketed but graded segregation one peanuts, and the quota pounds remaining on the farmer's marketing card.

Directors of foundation seed organizations will be permitted to certify that breeder and foundation seeds have been grown for experimental purposes and will not be used for domestic edible use.

The interim rule appears in today's Federal Register. Written comments may be submitted to the Director, Tobacco and Peanuts Division, USDA-ASCS, P.O. Box 2415, Washington, D.C. 20013. The comments will be available for public inspection during business hours in Room 5750-S of USDA's South Building.

Cisco Gun Club To Hold Trophy Shoot

The Cisco Gun Club will hold its first trophy shoot of the year May 14th starting at 12 noon. There will also be a shoot for children starting at 10 a.m.

The trophy shoot for the adults will consist of four matches. The .22 pistol match will be first, followed by the large bore pistol. Both of these matches will be shot at a slow fire 25 yard target. Each person entering the competition will shoot three separate rounds, consisting of five shots per round. The highest total score will be the winner.

The next match will be the .22 rifle shot off a rest at a hunter type target. Scores are limited to 6.5 power. Three sighters are allowed and then one shot is fired at each of the five remaining targets. There will also be three rounds shot in this event with the highest total score winning the trophy. The last event will be the .22 silhouette shoot. This event is shot from an off-hand standing position at NRA regulation silhouettes. There is no limit on the scope size.

Silhouettes and distances to the banks are as follows: Chicken - 43 yards, Pig - 65 yards.

Turkey - 84 yards. Ram - 100 yards. Entry fee for the match is \$6.00 for members and \$12.00 for non-members. Memberships are also available before the match starts for \$10.00. The matches are open to the public and if you are interested, bring your guns out, have some fun, and possibly take home a nice trophy.

Something that many of the younger hunters need to be aware of is the mandatory hunter education program that the Texas Parks and Wildlife Department will begin enforcing. This program will be phased in during a five year period, but will be enforced starting September 1, 1989, for hunters whose date of birth is during the period September 2, 1971, through August 31, 1973. Hunters in this age group will be required to have proof of certification. Anyone born after September 2, 1971, will eventually have to be certified. This program's goal is to reduce hunting accidents and violations as well as giving the student an understanding of wildlife conservation and management.

ASCS News

Prevented Planting Disaster Payments - Producers of 1984 or 1985 wheat, feed grains (corn, sorghum, barley, and oats), cotton, and rice who participated in Commodity Credit Corporation (CCC) Price Support and Production Adjustment Programs may be eligible to apply for prevented planting disaster payments. Such producers must file an application and supporting documentation with CCC by June 30. Applications may be obtained at the county ASCS office.

Payments will be made to those eligible producers who were prevented from planting wheat, feed grains, cotton, or rice because of drought, flood, or other natural disaster or other conditions beyond the control of the producer.

FmHA Emergency Loan Applications - Eastland County has been declared eligible for FmHA disaster loans. Generally, this means that farmers who have lost at least 30% of their production due to adverse weather conditions are eligible for FmHA loans.

Those interested in receiving an emergency loan are encouraged to make application as soon as possible. The

deadline for making application for an emergency loan is October 3, 1988. The FmHA office is located at 1309 East Main, Eastland.

Transfer of Peanut Quota - The final date for spring transfers is June 15. Transfers filed after that date will be considered fall transfers. Information received last fall indicated that ASCA would consider relaxing the planting requirement to be eligible for a fall transfer for the 1988 crop year. We have heard no further word concerning this matter.

Producers are reminded that there is no planting requirement for a spring transfer. Those with a large amount of undermarketings may want to consider transferring a portion of their basic quota from the farm and retaining their undermarketings to market the crop.

Transfers of quota do not cause bad history nor does it create good history for purposes of protecting the farm poundage quota from future reductions. Planting a sufficient acreage to produce the farm's basic quota (does not include transfers of undermarketings) will provide good history for the 1988 crop year.

We are maintaining a register for those interested to indicate their desire to transfer quota by sale, lease or owner.

Area-Wide Fire Meeting: By-Laws Will Be Adopted

The meeting is called by the President of the Board.

Facts stated at the meeting:

City insurance is going up for the city people because there needs to be a certified fireman in Rising Star and the minutes of the Board meetings are not getting to Austin. This is why there needs to be more organization.

Truett Horton offered his services to the fire department if a certified fireman is needed, he in one.

The Fire Chief of Rising Star Fire Department has changed three or four times in the last year also.

Farm Bureau sends one man from Eastland County to the fire schools each year; with all the fires this year they are trying to increase that to two people.

May Fire Dept. also sends a truck out to controlled burns. They feel it is easier to already be there to keep it under control than to be called after it is out of control.

The safety of the fire fighters and equipment is always utmost in the Chief's mind. Number one killer of fire fighters is heart attack. Number two killer of firefighters is accidents.

In Rising Star the first Monday of the month is Vol. Fire Fighters meeting. The

first Tuesday of the month is the Board of Directors meeting for the Fire Dept.

Numerous times the question came up as to why was there a Board of Directors meeting of the Fire Department Monday May 2 without the rural members being notified? For the last five or six years the meetings have taken place the first Tuesday of each month. The answer, it was in the paper. No definite answer.

The people were asked if they were ready to vote on whether to see if some by-laws could be written for the Fire Dept. With a hand vote the majority voted yes.

Jack Palmore made a motion that everyone on the original Board (before the Monday May 2, 1988 meeting) stay as is until some by-laws can be set up to run the Dept. by. The original Board was: Rural, Larry White, Charles Murphree and Steve White; and City, Darren White (Sec./Treas.), Fred Rabe and Bob Lucas. The motion was seconded by Homer G. West and carried.

Barbara McCollum made a motion a committee volunteer to look at some by-laws and come up with a workable set for the Rising Star Dept. and submit them to the Board of Directors to look over and approve if it is to their specifications. If not the committee works on the by-laws again. The committee consisted of Clinton Wilson, Truett Horton, Chester Novak, J.T. Morrow, Barbara McCollum, Dr. Charles Barnes and Barbara Murphree. Homer G. West made a motion the committee be voted in by acclamation. Larry White seconded the motion and it carried. The next Board of Directors

meeting for the original board to discuss the by-laws to be presented to them is May 17.

The committee to look at and present the by-laws to meet May 10. Then the original board will set up an area-wide meeting for these by-laws to be voted on by the people of the Rising Star area who are interested in the Fire Department. It will be published in area papers.

Minutes were taken by Barbara Murphree and Wanda Hughes.

Present at the meeting were Bernie Barnes, Charles and Barbara Murphree, Larry White, Don Jackson of May V.F.D., Ted and Sherri Murphree, Joe and Barbara McCollum, Bill Dixon, Larry Wilson, Truett Horton, Jack Shults, Olena Ezzell, Clinton and Mary Wilson, Chester Novak, Lottie Mae Roach, John Yocham, Clayton Wilson, Lee and Wanda Hughes, Joyce Geye, James Cook, Darren White, James Murphree, Gene and Reba Lyon.

Mary Glenn, Carol Pierson, Mrs. Harold Pierson, Homer G. West, Skip Ezzell, Elton Murphree, James Burham, J.T. Morrow, Bryan Ezzell of Lytle Vol. Fire Dept., Dr. Charles and Anna Barnes, Mary Jane Gain, Mr. and Mrs. Ernest Weeber, Buddy and Martha Cook, Dale and Kathy Wolf, William Murphree, Gene Hicks, Frank Agnew, Arley Bibby, Jack Palmore, Henry Burk, Clinton Crisp, Clarence Stroebel, Troy Mitchell, Davy Jones, Aubrey Lawrence, Gary Wilson, John G. Don't let your electric bill STAMPEDE this summer!

Help pull in the reins on your Summer Electric Bill with these horse-sense tips.

- Don't overcool. Keep your thermostat at the highest comfortable temperature — 78° or higher.
- Check your filter every month. A dirty filter clogged with dust and lint reduces the cooling ability of your unit.
- Keep drapes closed and minimize outside door openings to keep the cool air in, heat out.
- Proper insulation helps to keep out heat in the summer. Your insulation supplier can help you check and choose the right amount of insulation needed.

CISCO

A fund has been set up at Olney Savings to receive contributions for a K-9 Patrol Dog for the Cisco Police Department. "A dog is not a positive cure for crime, but he is one of the biggest deterrents ever devised," says Cisco Police Officer Cris Key. The Officer says that a lot of people don't see or don't want to see how bad the drug problem is in Cisco. He says 95 percent of all the burglaries in the town are drug related. One way a K-9 will stop the flow of drugs is that the dogs can detect odors one million times better than humans. If there are any narcotics in a car, the dog will react and a search can be made. There are also many other uses for such a dog in law enforcement, including protection for the officer he accompanies. Key says a German Shepherd dog from Germany will be used.

The Cisco Kiwanis Club is making plans for a Golf tournament on Saturday and Sunday, May 21-22 at Cisco Country Club. The three person scramble will begin with shotgun starts at 8 a.m. and 1 p.m. daily. There will be an entry fee of \$40 per person, and this includes a greens fee and barbecue. Calcutta and barbecue will be held in the Corral Room Saturday evening. Guest dinner tickets will be available at \$5 each. The first hole-in-one on No. 2 green will win a \$12,000 automobile. Cash prizes will also be awarded for first, second and third places in each flight.

Officers for the Cisco Volunteer Fire Department have been elected. Re-elected for the second year

were Fire Chief Richard Connell, Assistant Fire Chief W.T. Eaton, Training Chief Gerald Jackson and Sec. Treasurer Joe Jarvis. Fire Chief Connell said that last month the Department answered a total of 25 calls. He said they are still answering a lot of calls on rural grass fires. Donations are still being taken to purchase materials to build a new rural fire truck.

The Cisco Chamber of Commerce is holding its regular meeting this Wednesday, May 11, at 7 p.m. at the Traditions Restaurant. Featured on the program will be slides presented by Gus Smothers. They were prepared by the members of the Cisco Junior College Student Government, and are about the College. The slide presentation won first place in a contest in El Paso recently.

On Saturday May 14 a ladies' volleyball tournament will be held at the Cisco Community Gym. It is sponsored by the Cisco Association of Texas Professional Educators, and the purpose is to create a scholarship for a Cisco High School Senior. Everyone is invited to attend, and there will be no admission. Concession stand items will be available.

BAIRD

The Baird Golf Team, winners of Region Class A Title, are competing in the State Tournament on Thursday and Friday of this week. Coach Quinn Conley has high praise for the whole team. "When you've got as many boys as we've got that can win on

any given day, then I would say we have a very good team," he says. The Baird Girl's Golf Team was also outstanding this year - they were the District 14-A Champions, and finished Fifth at Regional.

Country and Western musician George Strait has produced an album for fund-raising for local Future Homemakers of America chapters. In this special arrangement, Strait selected his favorite songs for this FHA album. An album, or cassette, is available for \$10 from the Baird FHA Chapter. Please call 854-1334 to make arrangements.

RANGER

In a recent meeting Ranger City Commissioners heard police complaint from a local citizen. Truman Miller stated to the Commissioners that he felt there was a problem with the current Chief of Police, because of his temper. And Miller said he, being in the firearms business, did not understand why the Chief walks around town with his gun cocked in his holster. He asked that the Council consider dismissing the man, and presented a list of names on eight petitions. Later the Police Commissioner presented a list of names in favor of keeping the current Chief.

The Ranger Jaycees, along with Mayor David Rogers and city employees Barry Alexander and Lee Cantrell have painted the city pool and helped with minor repairs. Loretta Bristler has been hired as Swimming Pool manager. All is ready for summer.

The Ranger Volunteer Fire Department will be

sponsoring their Second Annual Memorial Day Barbecue Dinner in conjunction with the Memorial Day Service at WW II Park on May 29. Tickets are \$5 for adults and children, 12 and under \$3. They may be purchased from any Fireman, at the Fire Station, or at the Ranger Times office.

May 14 is the date set for the Annual Open House, program and graduation of the Mesquite and Rusk Church of Christ Tuesday School. All students will be participating in the program, which will feature songs, skits and projects. All family and friends of the students are invited to come and see what the children have learned.

"Country Caravan," and energetic country music revue, will be at Ranger Junior College on Tuesday, May 17, 8:30 p.m. Be sure and bring lawn chairs, and concessions will be served. These musicians are from South Plains College, and they will give both instrumental and vocal music. This program is sponsored by the Ranger Chamber of Commerce, and the public is encouraged to come out for an enjoyable evening. "Country Caravan" is set to tour 37 towns and cities, with a traditional finale on July 4 in its home town of Levelland.

EASTLAND
The Eastland County 4-H Council will meet Saturday, May 14 at 6:30 p.m. at the TU Reddy Room in Eastland. A special program is planned, and all Council Delegates are asked to attend. A sandwich supper will precede the meeting, and bread and drinks will be provided.

Bring meat, lettuce, cheese, etc., for your sandwich. The 4-H Adult Leadership/Parents Association will also meet during this evening.

Response to the Chamber of Commerce "Christmas in Spring" program has been good. So far over 30 persons have volunteered to work, and over \$1,000 in money and material has been received. Work on the "Christmas in Spring" project will include repairs made to homes of the handicapped, elderly or those on a fixed income. Saturday, May 21 is the date for the volunteer work.

The Eastland High School Spring Band Concert will be held in the Majestic Theatre on Monday, May 16 at 7:30 p.m. This will be an interesting presentation of all the bands, from the 6th Grade through High School. Director Phil Hewett and his assistant Mrs. Hewett will be in charge of the pro-

gram. A highlight of the evening will be the presentation of the John Phillip Sousa Award to an outstanding Band Student by the Eastland Music Study Club.

Blake Cemetery

Blake Cemetery Association in Williams Community will hold decoration day May 15.

Services will begin at 11:00 a.m. with Rev. McAdin of May Methodist Church. Business meeting will begin at 11:45 and dinner on the grounds (pot luck) will follow.

There will be an afternoon singing and all area singers are invited to attend. Workday will be held Friday, May 13, at 9 a.m. and 5:30 p.m. Come work both or either.

Workers and donations are needed for cemetery upkeep.

If you have a friend or loved-one come join for a day of remembrance and fellowship.

Senior Center News

Mother's Day is always a lovely day for the mothers and grandmothers. Some go to church and some stay home and visit with their family whom they have not seen in a long time. It was a wonderful day at my house with 20 family members and friends and three great-grandchildren.

Mrs. Ruth Snider, daughter of Alvy Bible, is on the sick list. She is not doing as well as we would like to hear.

We encourage everyone to vote for Silver Haired Legislature. We have the ballots and you can vote absentee now anytime you are at the Center.

The birthday party will be Thursday, May 19.

Cisco Pytham Band will perform for us Thursday, May 26. Everyone is welcome to come and bring a covered dish and enjoy a good thing.

Visiting Ladell Key for Mother's Day were Dean Key of Lake Jackson; Karl and Candi Arledge and children of Cleburne; Bill and Jane Jenkins of Lubbock; Jackie Price of Lake Jackson; Jackie, Jim and Debbie Green of Grandbury. It was a very enjoyable time for two nights and days.

Visiting Edith Bostick on Mother's Day was Kenneth, Barbara, Karon, Johnny, Donna Kail, Jayme, Robert and Darwin Bostick, Lynda, Beverly, Shawnda and Kendall Moore, Jake Simmons, Jimmy Walker, Becka Fields, Shawn and Natassah Whitehead.

Lee Anna Whiten came from Adrian to visit Ben and Berna Lee Chick Saturday. On Sunday the Chicks were treated to a picnic lunch by the Hubbles and the Mortons in DeLeon Park.

Evelyn Chick is to have her two daughters and son for weekend visitors and for Decoration Day at Blake Cemetery.

Charlie and Liz Chamberlain attended a birthday party for their daughter, Sara, at the Chuck Wagon Wednesday.

Berna Lee is excited over the prospect of going to

Kingsland fishing for three days. Daphne Densman visited in the Chick home for several days.

Evelyn Chick is home from Whitney where she had been staying with her granddaughter while another granddaughter had surgery. The granddaughter is recovering beautifully.

Sula Harris visited her sister, Anne Dill in Cleburne. They also visited their brother, Roy Harris in Mexico.

Betty Fisher and Carrie Gaines went to Clyde and Baird to visit their sisters. A good time was had by all with side visits to Abilene for window shopping and lunch.

Liz Chamberlain has a birthday May 10 and she and Charley will have celebrated their 53rd wedding anniversary May 10.

Lizabeth Chambers has an appointment with a doctor in Snyder Friday, May 13, to check her eyes for bad vision.

Angelyn Frankenberg of San Antonio spent last weekend with her mother and sister, Estellene Frankenberg and Micki, and her aunt Cliffogene Witt.

Estellene Frankenberg, Micki and Cliffogene Witt were in Abilene Tuesday on business.

Marion and Marjorie West went to Snyder Monday to attend the funeral of Wayne Holladay, the husband of Janette Allen Holladay. Janette formerly lived in the Blake Community.

Visitors in the Richburg home on April 29 were Corky Morene Tully, Kay Sherrel of Tyler, Trevor Stribling of Odessa, Stephanie and Perry Robertson of Iraan, Taronna, Judd and JeTanna Sewalt of Brownwood, Robbie Rutherford and children, Trey, Amanda and Tiffany of NavaSota and Rowena Chambers of Abilene. The Richburgs went home with Robbie and spent the week. Criss Love and wife, Malinda, and children, Criss Jr. and Chalsie came over from Austin and visited with them. It was the first time Mr. and Mrs. Richburg had seen Malinda and the great-grandchildren.

Residents' PATIO SALE will be June 4. All donations for the sale may be brought to the nursing home or contact Vickie Majors at 643-2681 or 643-2691.

The Saturday Club

The Saturday Club met on Wednesday, May 4, at the clubroom. The meeting was called to order by the president. Hostess coordinators for the day were Bonnie Polk and Pauline Hudson.

The group was led in the pledge to the flag by Mrs. Hudson.

The speaker for the day was a member of the Texas Silver-Haired Legislature, Mrs. Virginia Black of San Angelo. Mrs. Black gave a very interesting dissertation on the work of the Silver-Haired Legislature who meet in the capital building of Texas. This is a worthwhile venture aimed at furthering the cause of Texas Senior Citizens. The information was both interesting and enlightening. We are pleased to know there are capable representatives who further the cause of older citizens.

After the well presented program, the group was invited to partake of a delightful surprise in the form of a delectable repast supplied by Bonnie Pope's son, Bill Pope.

Bill chose this means to honor his mother and her friends. Mr. Pope operates a food store and delicatessen in West Texas called "The

Czeck Stop". The Czeck citizens of this community are noted for their Czeck Cuisine and Bill has done well in preparing the delicious dishes of that community. We are so much in debt to him for preparing and serving this delicious food.

After the social hour the group reassembled for a business meeting and officer installation for the coming club year.

Polly Price presided at the installation of the following officers: President, Dicie Adams; Vice-President, Ann Murdoch; Recording Secretary, Dorothy Shook, Linda Lancaster; Corresponding Secretary, Blanche Cawley. The installation service was impressive with pink candles and pink decoration on the table.

Joyce Geye was artist for the day. She exhibited so many lovely articles she had created. There were dolls, crocheted collars, ceramics and the beautiful quilt she had created for her granddaughter's graduation gift. It was a lovely thing with the Texas A&M insignia in school colors shown in every block. Joyce has created many articles to be proud of. She is a true artist.

Pioneer Patchwork

Irma Miller

There was a good attendance of ten at the Quilting Club Tuesday.

Lou Grider was to go home from Brownwood Regional Hospital on Monday, the day this column went to press.

The Baptist Church held a Second Sunday Sing on Sunday night; it was greatly enjoyed by the members.

Nell and Joe Fleming's visitors were Mr. and Mrs. Bil Watson of Byrds Store and Julie and Chris Robinson of Midland on Friday. Joe and Nell went to Eastland on business Thursday. Mr. and Mrs. Earl Bennett and Mable West of Brownwood spent Sunday afternoon at their home.

Jean Fore's visitors on the weekend were Juanita and Paul Harlowe of Lovington.

Robert Wiley To Speak At Baptist Associational Rally

ROBERT WILEY

Robert Wiley, Director of Associational Missions Division, Southern Baptist Home Mission Board, Atlanta, Georgia, will be speaking at The Cisco Associational Rally, Monday, May 16th, at Calvary Baptist Church, 1801 Conrad Hilton, Cisco. The theme is "Associational Emphasis", starting of "Associational Emphasis Week", May 16-22.

Mr. Wiley provides administrative leadership in planning, organizing and

evaluating programs of Associational Missions. He took his current position in 1986, having served as associate director since 1984. He came to the Home Mission Board in 1980 as associate director of the Rural-Urban Missions Department. Earlier, he served as a director of missions and pastor.

Please come and learn more about Associational Missions Work and what an association does for everyone.

First Annual Breckenridge Fine Arts Center Antique Show And Sale

You are cordially invited to be one of thirty-two carefully selected dealers to participate in the First Annual Breckenridge Fine Arts Center Antique Show and Sale to be held on Friday and Saturday, the 24th & 25th of June, 1988. This will become an annual show to be held the first week-end in March starting in 1989. Our 1989 show will be March 3rd & 4th.

The show and sale will be held in the new Breckenridge Fine Arts Center, 207 N. Breckenridge Ave., Breckenridge, Texas. This lovely facility is located two blocks north on Highway 183 off of Highway 180. Breckenridge is ideally situated only a few short hours west of Fort Worth and an hour east of Abilene.

The Antique Show and Sale has been designed to handle only quality antiques attractively displayed so as to complement instead of compete with one another. To have a well-rounded show, offering something for a variety of collectors, we expect to feature jewelry, fine linens, Victorian clothing, art glass, Depression glass, and quilts. There will also be a fine selection of country, Victorian, American, and English furniture, as well as toys, kitchen items, 18th and 19th century tin, tole, and pewter.

Applications are available at the Breckenridge Fine Arts Center at 207 N. Breckenridge Ave., Breckenridge, Texas 76024. For more information, please call Martha Sullivan, Director at 817-559-6602.

Eastern Star

Rising Star Eastern Star Chapter No. 277 met May 2. Eighteen members were present.

Our memorial program was so pretty and touching. The charter was draped in memory of Brother Shelby, Joe Anderson and our dear sweet Mary Eakin. The alter was draped in memory of all members of Eastern Star whom God has called home this year.

Brother Wilson Carleton gave us a very interesting reading on love for one another. Grace Glenn played a beautiful piano solo. The chapter gave me my dues card for another year. Thank

all of you so much.

After chapter closed, all enjoyed refreshments. Hostesses were Evelyn and Goldia.

All members of the Eastern Star are invited to a salad supper at our chapter June 6 at 6:30. Our officers will be installed in a closed installation that night. Worthy Matron Goldia Lancaster

Woman's Missionary Union Celebrates 100 Years

The year was 1888; the place, Broad Street Methodist Church, Richmond, Va. Present were 32 official delegates of Baptist women's societies representing 12 states; watching were at least 200 observers. The stage was set - but should the women organize? One by one, states placed their votes. First to be polled was Maryland, represented by a young woman named Annie Armstrong.

When the 1888 convention ended, Southern Baptist Woman's Missionary Union had been created, but not without controversy. "If you vote for this organization," said one Kentucky gentleman, "God only knows what the women will do. Nobody on the face of this earth will be able to manage them, and they will be in danger of wrecking the whole business."

This Kentuckian was right about one thing; only God knew what the women would do. Who, on May 11, 1888, could have envisioned that the Annie Armstrong Easter Offering, between the years of 1895 and 1987, would provide a total of \$271 million dollars for home missions? Could anyone have foreseen the creation of Baptist Center work, literacy missions, church loans, volunteer programs or language missions? Could anyone have anticipated the impact that WMU would have on the lives of men, women and children worldwide.

The organization's ideals and aims have never changed. The spirit of courage, compassion and forward thinking that birthed WMU sustains WMU. The women in Richmond started down a path that would enlarge the vision, stir the compassion and challenge the understanding of Southern Baptist 100 years and counting.

The Cisco Baptist Association would like to recognize our past and present WMU Directors, that are still living: Mrs. Carrol Laudder, Mrs. Mildred Campbell, Mrs. Thelma Bosworth, Mrs. John Ball Jr., Mrs. Dewey Lamb, Mrs. Nanette Kieth, and presently Mrs. Lucille Sims.

These women are to be commended for directing the associations WMU, who have sought to minister to the whole person - physical as well as spiritual. The Cisco Baptist Association will have the "WMU Centennial Celebration" as part of the monthly rally, which will be Monday, May 16, at the Calvary Baptist Church, 1801 Conrad Hilton, Cisco.

"WE, THE WOMEN OF THE CHURCHES CONNECTED WITH THE SOUTHERN BAPTIST CONVENTION, DESIROUS OF STIMULATING THE MISSIONARY SPIRIT...."

Methodist Women

The United Methodist Women met Monday at 2:30 p.m. at the church with seven present for the study of the 10th Chapter of Mark.

Mrs. James Armstrong presided and Mrs. Maggie Smith gave the opening prayer.

May Pearl Hull opened the study of "The Pharisee's

Question on Divorce" and "Jesus Foretells His Death." All present took part in the reading and discussion.

The Society Benediction was recited in unison at the close of the meeting.

Refreshments of Coke and cookies were served by the hostess, Mrs. James Armstrong.

Church of Christ

REASONS WHY YOU SHOULD INVESTIGATE - No. 4

This is the concluding article in this series of inviting a Bible investigation of the Church of Christ. However, you may call on us for an investigation any time. A warm welcome is yours to visit our services and check us by the Bible. We believe that we can stand a Bible investigation.

9. WE TEACH CHRISTIANS TO REMAIN FAITHFUL LEST WE FALL AND ARE LOST.

We must remain faithful to Christ to receive a "crown of life." (Rev. 2:10). We must take heed that we may not fall from the grace of God. (1 Cor. 10:12; Gal. 5:1-4).

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord." (1 Cor. 15:58). 10. WE BELIEVE AND PRACTICE A RELIGION THAT IS FROM GOD, REASONABLE, INTELLIGENT, AND LOGICAL.

We believe in God be-

cause of our faith in His Word and because it is more reasonable to believe than not to believe. We believe the Bible to be His Word because of the insurmountable amount of both external and internal evidence indicating its Divine origin. We are ready at all times to defend both publicly and privately that which we believe and practice. "But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." (1 Pet. 3:15).

We issue a standing challenge to any other religious leader or organization to publicly compare our teaching and practices in the light of God's Word.

We truly hope that you will investigate the Church of Christ. We invite you to check us by the ONE BOOK that can bring religious unity and salvation unto all that will obey. (Heb. 5:9). Come and study with us.

at Western Texas College at Snyder where she will major in math.

An all-around athlete, Jackie has been active in sports other than basketball. She participated in track, golf and tennis in high school and played summer baseball and softball.

Jackie has had the highest grade point average of each of her four high school classes and has been named valedictorian of her graduating class. She was selected for All-American Who's Who four years and was named Who's Who in Mathematics,

Science and History in her high school.

Her peers voted her Most Athletic and Most Likely to Succeed; she was captain of her basketball team the past three years and was a cheerleader.

Her basketball coach and high school principal, Dan Goodman, gave Jackie high praise for her achievements both academically and in basketball.

She is the daughter of David and Joy Harris.

Her community shares her parents' pride in Jackie. Congratulations, Jackie!

Cynthia Clark Gets Diploma Saturday

Cynthia J. Clark will be presented a degree for Bachelor of Science and Associate Degree in Nursing in commencement exercises Saturday afternoon, May 14, at 3:30 p.m. in the Wisdom Gymnasium at Tarleton State University. Cynthia is married to Lynn Clark and is the

Fifth, Sixth Grade Band Soloists Rate High

Several of the fifth and sixth grade band members went to the Comanche Junior Band Festival Saturday, May 7, at Comanche High School.

The following students made the highest rating, I, on solos:

Brandi Harris, trumpet; David Fisher, trombone; Chris Schwab, clarinet; Christi Bush, clarinet; Wid Keeling, tenor saxophone and bari saxophone; Gwen Hollis, flute; and Christy Hughes, alto saxophone.

Wid Keeling made Junior High All-District Band with second chair baritone saxophone. He played a concert on Saturday with a 100 piece band made up of the best Junior High Band members in the district. This concert took place at Stephenville Junior High School, April 29 and 30. Congratulations, Wid!

The schools competing in the All-District Band were Bangs, Brownwood, Dublin, Early, Glen Rose, Goldthwaite, Granbury, Hamilton, Hico, Rising Star, San Saba and Stephenville.

Comanche County Electric Co-op Gets REA Loan

WASHINGTON - U.S. Senator Phil Gramm of Texas has announced the award of a \$4,382,000 low-interest loan to the Comanche County Electric Cooperative for extensive upgrading of electric service. The co-op serves Comanche, Callahan, Eastland, Shackelford, Stephens, Brown and Mills counties.

The funds, approved by Rural Electrification Administration of the U.S. Department of Agriculture, will be used to serve 2193 additional consumers, to

finance 195 miles of distribution line and to reimburse borrower's general funds for construction completed prior to the loan.

The loan is at an interest rate of five percent for 35 years.

REA operates both electrification and telephone service programs, providing low-interest loans and loan guarantees to small companies and cooperatives for 50 years. Congress created REA to bring electric and telephone service to persons who live and work in rural areas.

Tax Rebate

March's one-percent city tax check includes rebates from two services that became taxable on January 1 - data processing and real property repair and remodeling, said State Comptroller Bob Bullock.

March's checks represent taxes collected by monthly filers in January and reported to the Comptroller's Office by February 22, Bullock said.

Rising Star received a check for \$680.58 as compared to the \$1,478.12 payment received the prior year

making the change minus 53.96 percent. The 1988 payments to date total \$4,951.59 as compared to the 1987 payments to this date of \$5,574.70 making the change change to minus 11.18 percent.

Eastland County's net payment this period was \$28,100.66 as compared to the payment of the prior year of \$32,657.65 making the change minus 13.95 percent. The 1988 payments to date for the county total \$150,629.34 as compared to \$150,364.90 for 1987 payments to date making the change 0.18 percent.
