

SLEET, SNOW AND ICE put a thin white covering over the Rising Star area and much of the region Friday. The cold weather moved in Thursday and a thunderstorm brought a small amount of moisture. The sleet began in an on-again off-again pattern early Friday morning. Light snow fell in the afternoon and that night a light rainfall turned to ice as the temperatures dropped.

ership Task Force will meet on Saturday, January 28th, at 6:30 p.m. at TU Electric Reddy Room in Eastland.

A stew supper will preceed the business meetings. Each family should bring a can of vegetables for the stew. Any desserts, crackers or

Most highways were clear but walking was very hazardous in places. The sun came out Saturday afternoon and melted the accumulations.

### **Freddie Gage Due In Eastland**

Freddie Gage, called America's most unusual preacher by Newsweck Magazine, will lead in a oneday revival at First Baptist

Church in Eastland on Sunday, Jan. 29th, at 10:30 a.m. and 7 p.m.

Gage, something of a legend in Southern Baptist circles, was converted while

leading a Houston street gang in the early 1950s. He immediately began holding revivals, billing himself as the underworld preacher. A traveling evangelist for 37 years, he is also the father of four

invited to attend these services and the "world's largest

youth from Grade Seven to College at 6 p.m. on that day. Dr. Robert Jeffress is pastor of the church.

# **Gordon Spot**

### By DeMarquis Gordon, County Agent-

Until the last few days the winter has been unseasonably warm and dry. Some people are worried that their fruit and trees are going to begin blooming too soon. This is not likely to happen until we have more cold weather first. Fruit trees require a certain number of hours below 45 degrees before they will set a crop of fruit. This is

known as chilling requirements. Peach trees need 750 to 950 hours of temperature below 45 degrees in the winter before they will set a crop. The number of chilling hours required depends on the variety. At this time we have not had enough chilling hours for most varieties of fruit.

Since we can not do any-

## **County Horse Show Rules**

\* Showmanship at Halter \* Western Pleasure \* Western Riding \* Western Horsemanship \* Barrel Race - Cloverleaf

\* Pole Bending \* Stakes Race

Each participant has the option to enter all classes; however, he may choose only 4 classes to qualify for High Point Individual. Either the Judged Events (Showmanship-at-Halter, Western Pleasure, Western Riding, Western Horsemanship) or The 3 Speed Events (Barrel Race, Pole Bending, Stakes Race, plus Showmanship-at-Halter).

4. Awards will include: Jr. and Sr. High Point Individual in Judged Events and in Speed Events; therefore, 4 high point individual awards will be given.

5. Each exhibitor is allowed to use only one (1) horse in the qualifying events he has entered. Other horses may be used in the non-qualifying events entered, points from these classes will not count towards Overall High Point Individual.

6. Ribbons will be given 1st through 10th place. 7. Entries due March 3, 1989. Entries may be picked up at the County Extension

Office, the 4-H Club Managers or from high school Agriculture Science Teachers.

8. Class patterns and rules 3. Entry fee will be \$8.00 will follow the 1988 Texas 4for 4 qualifying events. Other H Horse Rules. A copy of classes entered will be \$2.00 these rules may be obtained from the County Extension Qualifying events to in-Agent.

Charles Barnes, Gary Wilson and Larry Chambers. Secretary David Harris was absent.

The meeting was called to order by L. Wilson. The minutes of the regular meeting on December 12, 1988 were read. Motion by G. Wilson seconded by Long to

approve minutes as read. Motion carried 6-0. Dr. Bryan discussed the pre-monitoring visit conducted by a ten member team from the Education Service Center Region 14 in

preparation for the Texas Education Agency accreditation visit scheduled for February 6-10, 1989. No action was taken. A statement of cash in bank and revenue and expenditures compared to budget was given by Bryan. No action was taken.

A motion by G. Wilson, seconded by Dr. Barnes, to pay bills incurred by the Ris-

### Jr. High **Basketball**

#### THEY'RE BACK!!

Yes, they're back!! All of your old favorites. The monsters of the mid-court are here and they're tearing up the gyms. Jr. Wildcat basketball has been quiet during the Christmas holidays, but they're back in full swing now. The Jr. Wildcats have upped their record to 11 wins and 1 loss. On January 7, the Wildcats participated in a Rising Star Jr. High Tournament. They took on the May Tigers and romped all over them. The Jr. 'Cats came out and blew May away 48-27. At first the 'Cats looked a little rusty, but soon their old form returned.

That evening, the Jr. Wildcats played Moran for the tournament championship. Moran played a good game, but it wasn't good enough. The Jr. 'Cats came out on top and took the Championship plaque with a 34-27 win over Moran.

This past Monday, the 'Cats engaged the Sidney Eagles here. It wasn't even close. The Rising Star second team, consisting of Duane Schwab, Tim Burton, Gary Robertson, Will Ezzell and Chris DeLong (from the first team), started and played the whole second quarter. Then Tim Burton, Gary Robertson, Chris DeLong, Terry Ware, and Will Ezzell started and played almost all of the fourth quarter.

Chris DeLong fouled out, but the poor boy played all but 8 seconds of the game. Surely you can imagine how tired he was. He didn't once let it show on the court though.

Once again Jarod Horton was high scorer with 21.

their opponents 421-321 this year. So far, Horton has 227 points, Self 76, Eddison 54, Ezzell 29, DeLong Ph, Ware 10, and Burton 1.

RISING STAR HIGH

JOURNALISM

My sources inform me that the Jr. Wildcats will travel to Gorman next Monday to play the Gorman Panthers. Can the Wildcats continue their reign of terror? Can Jarod Horton dunk a basketball? Will Gary Robertson and David Fisher score a point? For the answers to these and many more questions, tune in next week; same time, same place, same newspaper column.

Roanen Barron THE LITTLE LADY CATS

The Junior High Lady Cats played the Sidney Junior High girls last Monday night on their home court. Unfortunately the "home court advantage" didn't seem to hold true in this case, although all the girls worked hard in hopes of a victory.

The final score was RS 11, Sidney 23. Scoring in the game were Heather Wright 4, Jo Linney 3, Shawna Waddle 3, and Brandi Harris 1. Gherda Williams

Music will be provided by The V.F.W. will hold a Larry and Cyndia of Corpus dance Saturday, January 21 Christi. from 8:30 p.m. to 1:00 a.m.

CLASSIFIEDS INEXPENSIVE ,

## The Next Best Thing -

... to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Interested teams should contact Chairman Darleen Hearne at 817-442-4630 (or Stewart Ruth at 817-442-4280). Entries should include a list of team members and \$35 per team. Entries should be mailed to Darleen Hearne at 1311 Bliss, Cisco, Texas 76437 by February 15, 1989.

## **4-H Members Attend 1989 Texas Teen Leader Retreat In Brownwood**

**Teen Retreat Enjoyed** Seven 4-H members and chaperone, Mrs. Shelly Bailey, attended the 1989 Texas Teen Leader Retreat held at the Texas 4-H Center in Brownwood last weekend. Participants learned how to set goals and reach them. They enjoyed the Keynote speaker, Mrs. M.B. Flippin of College Station. Other speakers from around the state were on the agenda, along with the Texas 4-HCouncil officers. State 4-H Secretary, Toby Long, assisted with the program. Attending from Eastland County were Eric McDonald of Ranger, Natalie Stevens of Eastland, Howard Lawrence, Jomy Clark, Brian Bailey,

Rising Star. **Photography Meeting** 

For those members interested in photography, a meeting scheduled for Sunday, January 22, will help you get your photographs ready for the upcoming Photo Contest and County Project Show.

Project Leader, Barbara McDonald, will beet at 2:00 p.m on the 22, at TU Electric Reddy Room in Eastland. Bring photographs that you have taken. Mrs. McDonald will evaluate your work and advise how to properly enlarge, mat, and crop the prints for the upcoming shows.

She will also discuss categorics for entries in each of these shows. No entry fee will be required and all participants in either show will re-

ceive ribbons. All interested 4-H members are encouraged to participate. Details will be explained at the meeting. 4-H Goat Project Kid

Giveaway Once again the International Dairy Goat Research Center at Prairie View A&M University will donate dairy goats to the 4-H Goat Project Kid Giveaway. Winners will be selected based on the completed application and guidelines set by the IDGRC. This project is designed for youth to become aware of 4-H opportunities thru dairy goat projects. Applications are to be submitted by Feb. 3. 1989 and may be picked up at the County Extension Office. been recognized as an Outstanding Administrator of the

Year for Texas ARA Living Centers. Mrs. Kincheloe came to Northview Development Center in 1981 in the position of Health Service

Supervisor. She was promoted to Administrator in Jan. of 1985. She has also been selected to be on ARA's Key Legislative Contact Committee - a group of top administrators who will be directly involved with agencies and legislators in Austin and around the state. Mrs. Kincheloc is a 1980 graduate of TCU where she received a B.S. in Nursing. She also holds a B.A. in English from the University of North Carolina at

Greensboro.

## **4-H Recreation**

**Team To Meet** 

The 4-H Recreation Team members will meet at 2:30 p.m. on the Extension Service office on Sunday afternoon, Jan. 22.

Team members are Pam Kea, Cathy Thomas, Robbi Daskevich, Amy Logan, Stephen Maulden, and John Seaberry.

Posters and publicity will be prepared for the Feb. 4 county-wide 4-H party. Team advisor is Mrs. Patti Cozart.

**Suspect Back** In Eastland

Charles Ray Payton, 37, was returned to Eastland Monday from Dallas by Deputy Ben Sancillo, and charged with the aggravated robbery of Valley View Grocery. He is now in the Eastland County Jail awaiting trial, with bond set at \$100,000.

Payton is the second suspect to be charged in the Dec. 13 holdup of the store. The first individual, Floyd James Clemons Jr., 26, of Big Springs, is in the Taylor County Jail. The third person believed to be involved in the Eastland robbery has not been identified.

One of the witnesses to the robbery identified suspect Clemons when he was shown on an Abilene television station. He is alleged to have committed another robbery in

#### By DeMarquis Gordon, County Agent-From page one

thing about the weather, we should concentrate our efforts on those management jobs we can do. One of those important jobs to perform on our fruit trees is the annual "lube" job. This refers, of course, to an application of dormant oil to control scale insects.

RISING S'

Why control scale insects? The answer is simply to

save the trees. If a scale insect such as the San Jose scale or white peach gets started, it would kill your trees.

Dormant oil can be purchased at many different stores where garden supplies are sold. Be sure to follow all label directions and apply the mixture when the temperature is between 40-70 degrees F. Do not apply if a freeze is likely with 48 hours after application, and do no apply after the tree has budded out. Dormant oil is applied when the tree is dormant. Spraying blooms and leaves could cause leaf burn and flower

drop. Scale insects are difficult for most people to detect, so dormant oil should be applied once each year. Sooner or later your trees will probably be attacked by scale insects, so be ready by guarding against them with an application of dormant oil. Dormant oil should be applied to all kinds of fruit trees and it won't hurt your pecan trees. Scale is not

generations each year. A dormant oil spray now will be a big help in controlling the insect. However, other applications may be needed throughout the year. They spread to new foliage during the crawler stage which first appears during May. As crawlers begin to feed, a wax covering forms over the insect.

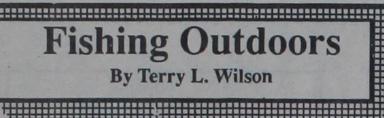

Summer oil will control adult euonymus scale. Malathicn or diazinon added to the summer oil and water mixture will control crawl-

Be sure to follow directions on the insecticide labels when spraying for all types of insects.

Another job that needs to be done to your fruit trees is pruning. Pruning a young tree controls its shape by developing a string, well-balanced framework of scaffold branches. The open center pruning system is being suited for stone fruit trees. Since most fruit trees bear fruit on wood that grew the previous year, this wood is regrowth from year to year. New growth needs full light or it will shade out and die with all the production occurring on the outer perimeter of the tree. The open center system maximizes light penetration to all parts of the tree, resulting in fruit production over the entire

Area anglers who braved our tough Texas weather were probably met with some tough Texas winter fishing. Lake Leon's crappie fishing overall is still at rock bottom. Their out there somewhere though folks and someone is bound to find them. The normal river crappie run is no more than a day of catching dinks, not even wonder fish are in the river in numbers. And the bass fishing which has been good in the river area has really slowed down. Main lake rocky shorelines seem to be holding some of the better bass fishing right now.

At Lake Brownwood the river crappic fishing has been very good in both size and numbers. Minnows and jogs are both producing well. The black bass fishing has only been fair with some action in the Jim Ned Creek. Overall main lake drops on he north share have produced the most action.

Of all area crappie fishing the hot lake still is Hubbard Creek. This born again impoundment "is" on the comeback both for crappie and bass, as well as hybrid stripped bass and catfish. The crappie hot spots have been reported in both the Sandy and Hubbard Creek areas and well baited boat house in the main lake area. Black bass wise, numerous 6 to 8 pound fish are being taken on a regular basis. It has been reported the Sandy Creek side of the lake is the prime area. Exact locations are being very well guarded.

And speaking of Hubbard

ment will continue with or without present sponsors.

Many of you may recall some of the items concerning the chamber tournament last year. This event was one of those who's entry fee had steadily increased over the ycars, without an increase in guaranteed monies. If memory serves me correctly, this event was \$55.00 for two days including big bass both days. And the guarantee was \$1,500.00 for first place, with the other places being solely based on the number of entrants. Last years event drew 144 contestants. Prior to the entry increase this event was drawing 200 plus contestants. This was an excellent example of how anglers were comparing tournaments and choosing the best best buy for their money. And this trend is expected to continue in 1989. February 2, 1989 the Eastland County Bass Club

building at 7:00 p.m. With new leadership comes changes the E.C.B.C. would like to invite all area anglers to attend this meeting and perhaps join in the move forward for 1989.

E.C.B.C. members don't forget January 21, 1989 at the always delicious Crossin' Restaurant in Eastland, the 1988 awards Banquet will take place. All awards for 1988 will be presented at this time as well as the announcement of the 1988 Angler of the Year, 1988 Top Six, and the Top Sixteen qualifiers for the Classic. If you have not

been contacted for a head county, please call Jerry King at Lake Leon, Steve Pennington in Weatherford or Chuck Burgess in Olden to make your reservations. Till next time out, try something different to make those lunkers bite.

State Department of Highways and Public Transportation

Creek, the Eastland County Bass Club held its first tournament of 1989 at this impoundment. We were told 5 anglers were present Saturday the 14th, but the official results were not available for this run. Anyone who showed up to fish was a winner in the endurance category by my book.

A couple of carly tournament dates are April 2, 1989 Lake Brownwood Bass Club, And proposed for April 15 and 16 the Brownwood Chamber of Commerce, Miller Lite Open at Lake Brownwood. These dates for the chamber event are not certain yet, but chamber spokesman Wesly Fletcher unofficially announced these days. Why is this normally October event being moved to April? It was stated by Mr. Fletcher that due to a decrease in contestants over the years it is hoped to help draw more anglers. If an increase is not seem sponsors of this event have expressed a desire to withdraw their support. But not to worry

#### BAIRD

The Baird City Council is proceeding with steps to obtain a grant for the Ashmore Park. The Ashmore, along with the existing Meadow Park, is anticipated to be a great asset to the town. The Meadow Park has already been described by an engineer from Abilene as being worth as least \$15,000. The Meadow group of volunteers are interested in beautifying the town and surroundings, and have donated many hours of work on park improvement and painting the downtown buildings.

The Baird Chamber of Commerce is discussing a family fish fry for the community in place of the annual C of C Banquet. Also an energetic membership drive will soon be underway. There

night will be donated equally to the Ronnie Fox and Ron Baird Heart Funds that have been established at the First National Bank of Baird. Though Ron Baird has passed away, there are still many outstanding bills from his ill-

ness. Ronnie Fox is awaiting a heart transplant, and has no medical insurance.

James Robert Park, Postmaster at Baird for the past seven years, has been appointed Postmaster at Haskell. Filling in as the Postmaster at Baird is Brenda C. Earnest, Officer in Charge. Brenda and her two children

live in Lawn, Texas. She has been employed with the Postal Service for 11 years, and at Lawn for four years.

#### **CISCO**

will be presented to outstand-

m convenience in shopping.

James Wood, rural mail carrier, has been given his 25 year pin for work with the United States Postal Service. Mr. Wood is the carrier for Rt. 4 in Cisco, which goes south to Scranton and Savannah and back north and west to Dotham, Bluff and PUtnam. This is about 122 miles a day in all. Wood began his postal career at Carbon. In 1973 he transferred to the stew supper will precede the Cisco Post Office when Carbon and Eastland combined their postal services. Wood says he enjoys his job and has no plans for retirement. He and his wife, Martha, live on

It's Not All Work!

Pastor John C. Jones just returned from his recent annual trip into the Amazon Jungle of Brazil to minister. His "ministry of faith" was introduced to a group of 25 or more interior jungle ministers, natives of Brazil, and it was there in that jungle village that the ministers learned the "principles of faith" to take back to their congregations deep in the jungles. The village the seminar was held in was on a lake that is river fed, and like all Amazon Jungle villages interior, there are no roads leading into the town. Transportation in the Amazon is mostly by the vast network of rivers that inter-feed and finally form the great Amazon. The pastor and jungle pilot/missionary, Bennie DeMerchant (Amazon missionary for 24 years), flew the float plane through a very bad storn during the night to arrive at the village (Maues) where the seminar was held. Rev. Jones carried into the country from America airplane pistons, cylinders, beef jerky, a microwave rotating plate, marshmellows, children's toys, etc (this has been six years of transportation these airplane parts to keep the missions planes going as we have two float planes there ... a 4 passenger and a 6 passenger).

The pastor finalized the

agreement with a jungle lodge on the Juma River to serve as "master guide" for American fishermen he will be bringing into fish that area for the Peacock Bass (see picture of the over 30 inch, approximately 18 pound Peacock Bass he is holding caught on fly rod). The pastor will incorporate this work with his present travels and still be away from the congregation no more per year than what he presently is.

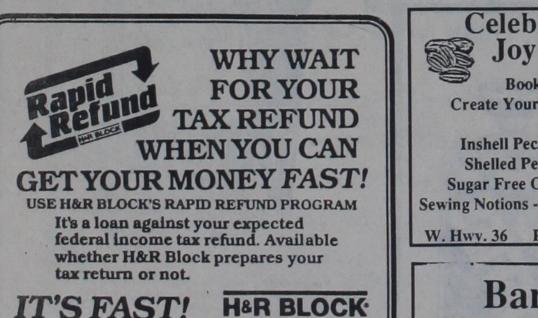

served as principal in Potosi, Wylie, and Abilene schools. In 1944 he joined the Texas Highway Enginnering Department and was transferred from Abilene to Anson in 1965; he retired in 1968. His hobbies included

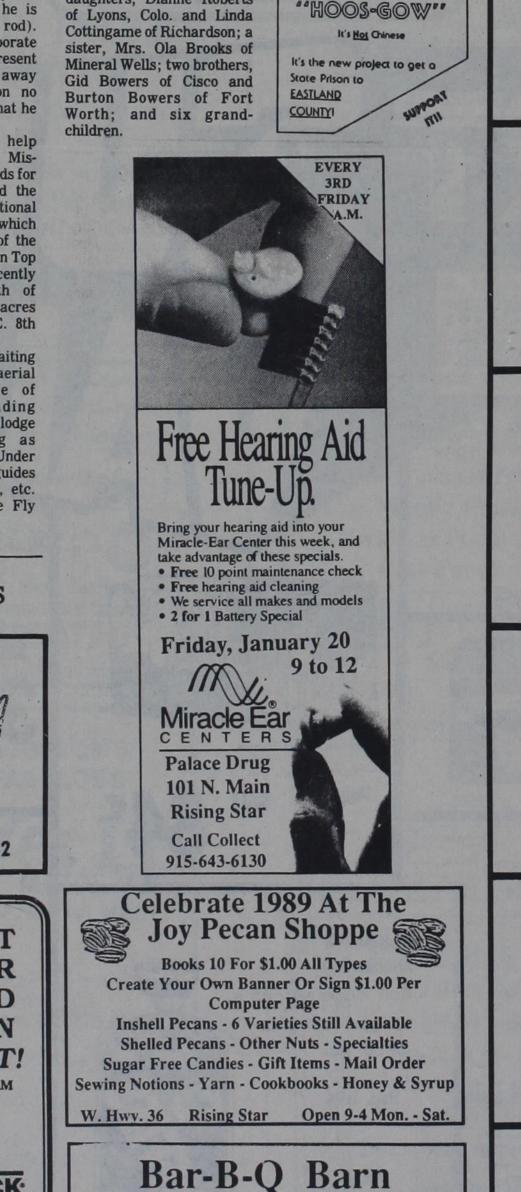

This project will help finance the Amazon Missions program with funds for new churches and aid the local Pastor's International Evangelism (P.I.E.) which is the local outreach of the pastor and the Mountain Top Church. The church recently relocated from south of Cisco to the over three acres of the 600 block of E. 8th (Hwy 80).

He is presently awaiting the arrival of an aerial photograph, by one of leading Brazil's photographers, of the lodge he will be serving as "master guide" for. Under him, will be native guides that handle the boats, etc. The emphasis will be Fly Fishing.
