Tornado Hits Near Rising Star

Sheets of tin were torn from the barn roof and caught in the oak trees as a tornado moved across this farm five miles east of Rising Star.

A tornado touched down during the thunderstorm on Thursday afternoon, March 3, five miles east of Rising Star and tore the tin roof from a barn, knocked down the garage and battered the siding of the house with the debris, resulting in holes in the siding. Mr. and Mrs. Frank Eastwood, who live in the house, were away from home at the time of the storm.

Sheets of tin were caught in the trees to the north and northeast of the house; tin and wood from the barn and garage were scattered in the narrow ditch across the road to the northeast of the house and were flung some distance

The garage collapsed and the roof was torn from the barn as the tornado moved down from the clouds.

onto the field farther northeast.

The storm dumped about two inches of rain in Rising Star and also unloaded some

hail onto this area. Rain and hail fell again during the night and early morning hours, adding approximately another inch of

moisture to the soil.

Lightning during the storms damaged a number of television sets in the Rising Star area.

community calendar...

2nd Monday - School Board

The Re-Act will be meeting at 7:30, Tuesday, March 15, at First Methodist Church.

A City Fire meeting will be Monday, March 14, 7:30 p.m. at the City Fire Station.

The Volunteer Fire Department wishes to thank Danny Hughes of Rising Star Nursing Center and Southeastern Resources for their donations.

4-H MEETING

4-H will meet Monday, March 14, at 3:15 p.m. in the Ag. Room at school.

SATURDAY CLUB

The Saturday Club will meet at 2 p.m., March 16, in the home of Barbara McCollum with LaQuita Lucas as co-hostess.

The program will be Americans are Talented Musicians.

Roll call, my favorite popular song.

SCOTTISH RITES MEETING

The Rising Star Scottish Rites Club will meet at 7:00 p.m. March 15, at the American Legion Hall.

There will be a covered dish supper; all members and their wives and all masons and their wives are invited to attend.

Rising Star Livestock Show & Fair

Toby Long and Stephanie Long receive Showmanship trophies as Darrell Sessums, center, looks on.

The Rising Star Livestock Show & Fair held Saturday, March 5, was indeed a success. This is the third year the show has been held and each year the growth has been tremendous. More and more youth and adults are getting involved in either exhibiting and or putting the show on.

Show Superintendent C. W. Richter and his assistant Charles Wright did a fine job of seeing that everything was prepared for the show.

Livestock judge Leonard Wood of Cross Plains, did exceptionally in judging. His time and effort is very much appreciated. Ring Superintendent Kenneth Bibb, saw to it that the animals were in the ring on time. Richter and David Harris helped Bibb in keeping the ring under control.

Fair Superintendent Carol Goode, handled the fair division with ease. Helping her see that entries were classified properly were Arla Hill, Shelly Bailey, Sandy Hutton, Barbara Long, Cynthia Clark, Belinda West, and Sandy Wright. Fair judges Christy Fuqua, Janet Thomas, Julia Wheeler, Linda Lancaster and Mark Walker placed ribbons and plaques on a variety of talents from Rising Star.

Auctioneer Gwynn Tharp helped raise \$319.50 from the "Blue Ribbon" food winners. Purchasers of auctioned baked goods were W.T.U., Guynell West, Mark Cooksey, Oliver West, Rickey Bailey, C. W. Richter, Trails West, Bud Linney, Bud Vicars, Gwynn Tharp, Gene Hill, Frankie Sayes, David Harris, Weldon Hill, Kenneth Bibb, Earl Wright and Linda Lewis.

Mark Cooksey handled the microphone well in announcing the judging results and making other announcements throughout the day. He also helped prepare for the show. Tharp assisted Cooksey with announcements along with doing various other chores to get ready for the day.

Mid-West Livestock Equipment of Carbon furnished the panels used for the livestock. The show could not have been held without them. Others giving their help were L. T. Owen, Bart Baker, Carley Moore, Oliver West, Geraldine Richter and other members of the Rising Star Livestock Association.

The show is history now--good history about Rising Star. Those that missed it, missed an opportunity to feel good about your town.

Chamber of Commerce

The Rising Star Chamber of Commerce and Agriculture set the annual banquet date in a business luncheon at the Elite Cafe March 8. The April 15 date is the first available date for the speaker, Don Timberlake. The banquet will begin at 7 p.m. at the First Baptist Church Activity Center.

Many Rising Star residents are acquainted with Timberlake, who pastored the First Baptist Church here about 15 years ago. He is now employed by an oil firm in the Houston area and is a well known speaker. Also, the annual awards given by the Chamber will be presented at the banquet.

The meal will be catered by K Bar B Q which advertises serving "all you can eat;" several members of the Chamber agree that it is indeed good eating.

Tickets will be on sale Friday, March 11, and will be available at various businesses. Tickets will also be sold at the door. The price, though not available at press time, will be set by the time the tickets go on sale and will be announced in the newspaper at a later date. The Chamber of Commerce and Agriculture extends a cordial invitation to area residents to attend the banquet.

Newspaper publication of the name of the high school girl, chosen as Miss Rising Star to represent the Chamber of Commerce and Rising Star in various events throughout the year, will be made after the announcement is made in high school.

David Harris and Frank Winchester, participants in the drive to upgrade the streets in Rising Star, met with a contractor who looked at a

number of streets in town and gave them an estimate of \$6 per running foot for paving 20-foot-wide streets. Negotiations have been delayed because of illness in the man's family.

Harris reported that the Church of Christ has given a firm commitment to pave the street in front of it to the bridge and would perhaps widen the bridge if the cost is reasonable to the church members. He also reports almost total commitment by residents on North Brewster Street to pave it and that many of those living on West Pioneer Street are willing to pay for that street being paved.

Sybil Parker, appointed to the inter-Chamber development committee, reported that upon contacting H.V. O'Brien, owner and publisher of Eastland County Newspapers, no fur-

City-School Election Ballot Is Now Complete

With the last candidates filing for places on the ballot in the upcoming city-school election on March 2, the drawings for places on the ballot were held and the results have been announced.

ther progress has been made in setting up that committee.

Janna Jones, a member of the committee to check into the feasibility of having a country and western week, reported that as talks progressed with the company which wanted to put on the benefit for Rising Star, it developed that Rising Star would have more and more financial and other responsibilities and that the appearance of well known singing stars could not be promised as the company first indicated. The committee decided that the offer by the Colorado-based company would be declined.

In the mayor's race candidates names will appear in this order: W.G. Reed, H.L. Killion and Doris Griffin. Killion is the incumbent mayor of Rising Star.

Three councilmen will be elected for two-year-terms from the following candidates whose names will appear on the ballot in this order: Collette Wells, Rudy Sayas, John G. Lee, N.D. Chancellor, Jake Landess, Charlie Benson, Bernie Barnes, Steve Bibb and Bill Carpenter.

Two councilmen will be elected to serve one-year-terms; Pete Starks, Don Horton, James New, Johnny Lee and Mary Ann Underwood are the candidates. Starks and Lee are the incumbents.

Candidates for board of directors of the Rising Star Independent School District are H.T. (Bud) Vicars, D.W. Sessums,

Frankie Sayas, Earl M. Wright, Tony Long, Danny Hughes, Frances Justice and Terry Geyer.

The city-school election will be held April 2, 1983, at city hall.

The law states that write-in candidates for

the positions of mayor, councilman or school board must be certified in Eastland County Courthouse. If a write-in candidate is not certified, his name will not be called during the counting of votes, said E.L. Gains, election judge.

DONATIONS APPRECIATED

Donations of any size to the Rising Star Livestock Ass'n. will be greatly appreciated. Money raised will go to purchase animals from Rising Star youth at the Eastland County Livestock Show Sale, March 19. Support the youth of your town and show them you are interested in their efforts. For more information call secretary Nan Owen 643-7131 or 643-1981, see any member of the Association, or mail to R. S. Livestock Ass'n., P. O. Box 602, Rising Star, Tx. 76471.

Band Takes Part in Cisco Senior Music Festival

The Rising Star High School Band went to Cisco, to participate in the Cisco Senior Music Festival on Friday, March 4. After leaving at 6:30 a. m. the band was on the stage ready to perform at 8:00 a. m. This is a pre-UIL clinic type festival where the bands involved compete for ratings. Judges for the festival were: Harris Brenson, Angelo State University; John Whitwell, ACU; and Kirk Woollery, Brownwood High School.

After completion of the program the judges involved came to the stage and verbally critiqued the performance given. This critique is to help the band improve its performing abilities

Rabid Skunk Shot

Area residents are being cautioned to be on the alert for rabid animals, which seem to be more abundant this year than is usual. Steve White reports having shot a skunk in his yard about 2:30 a.m. February 27. He took it to a veterinary clinic and it proved to be rabid. The Whites, who live about six miles northeast of Rising Star, made the unhappy decision to have their dogs put to sleep.

On March 3 Larry

White shot a coyote come to his back porch and attack his dog. Larry shouted at the animal and it ran toward the barn where he shot it. The coyote's head was taken to a veterinarian and was later confirmed to have rabies. The dog, which had had the rabies vaccine, was given a booster shot and will be kept under observation. The Larry Whites live three and a half miles southeast of Rising Star.

IT PAYS TO PICK UP TRASH

After a windy day a woman on Joyce St. found \$30 in her yard. A stamped letter with a return address was

found nearby. The person was notified and after identifying the lost articles, the finder returned them to their rightful owner.

Have "Saturday Night Live"

day nights from 7 til 11 p.m. Philip Hudson, youth director, urges everyone to come

share in the fun and play basketball, volleyball and games at the Activity Center Saturday, March 12.

THURSDAY, MARCH 10, 1983

Energy Corporation Gets New Gas Well

The Shoaf-Mergner Field gained a new gas producer when the No. 1 Nelson was completed by Command Energy Corp. of Ft. Worth, three miles southeast of Carbon.

On a half-inch choke, the well showed ability to yield up to 76,000 CF gas per day. Location is in a 200-acre lease in Eastland County's H&TC RR Co. Survey, A-859.

Command Energy took the hole to 3,494 foot bottom and perforated for production 3,311 to 3,408 feet into the wellbore.

Southeastern Resources Inc. of Rising Star has posted initial production figures for the No. 1 M.K. Courtney "B", new oil well in the JMJ Field, five miles northwest of Eastland.

The well indicated potential for 10 barrels of oil and 490,000 CF casinghead gas on an open choke. With drillsite in an 80-acre lease in Eastland County's H&TC RR Co. Survey, the well had total drilling depth of 4,053 feet. It entered the pay horizon at 3,473 feet and will produce from a set of perforations 3,469 to 3,477 feet into the wellbore.

Oil Facts

Texas' deepest producer at 26,566 feet is a Wheeler County gas well.

Texas produced 34.4% of U.S. natural gas in 1981.

Some 6.7 trillion cubic feet of Texas' gas was marketed. Of total Texas gas production, 80% came from 40,153 gas wells and 20% came from 180,941 oil wells in the form of casinghead gas.

In 1981, Texas had 114,788 stripper wells with annual daily production of 3.7 barrels per well.

Texas had 4,209 gas producing companies last year.

A natural gas wildcat has been successfully completed five miles north of Eastland by C.R. Gallagher Jr. of Lubbock. The new Eastland County producer, designated

as the No. 1 Conners, is situated in a 78-acre lease in the H&TC RR Co. Survey, A-297.

It was drilled to total depth of 3,800 feet and will produce

from a perforated interval 1,780 to 1,810 feet.

Showing daily potential to yield 74,000 CF gas on a 3/8 choke, the well was given an absolute open flow rating of

80,000 CFD.

At a location two miles west of Eastland, Chase-Mann Petroleum Inc. of Ft. Worth has completed the No.

1 R.L. Rush, new oil well in the Cameron Two Field.

Drillsite was in a 160-acre lease in Eastland County's H&TC RR Co. Survey, Sec. 47, Blk. 4.

The well showed daily potential for 9 barrels of oil on an open choke. Production will be from an interval 3,798 to 3,800 feet. Well's total depth was 3,916 feet, with top of pay logged at 3,798 feet.

Menique Oil Inc. of Irving

has revealed plans to drill a 1,500-foot developmental well in the East Nimrod Field. The operator has 42-acres leased, with drillsite in Eastland County's H&TC RR Co. Survey, A-254 and has designated the venture as the No. 1-A Henry Schaeffer. Drillsite is four miles northwest of Romney.

Snow Oil Co. of Ft. Worth has posted initial production figures for the No. 2 Woods, a marginally successful gas well in the Eastland Regular Field, about three miles east of Eastland. The well flowed

at the rate of 21,000 CF of gas per day on a half-inch choke. It was given a 54,000 CFD rating on absolute open flow.

The well bottomed at 3,673 feet and will produce from perforations 3,590 to 3,598 feet into the hole. Drillsite was in a 55-acre lease in Eastland County's S.J. Robinson Survey, A-423.

Drilling Away

Eastland County has just seen its best exploration month in more than a year. Fourteen new oil wells were brought in with a combined potential totaling 718 barrels of crude per day. In addition, plans were revealed for six new wildcat ventures in the county. Two wells that have been drilling during the past few weeks are located (l) on the Eastland Lake road North of Eastland and (r) on FM Road 101 to Ranger East of Morton Valley. (Staff Photos)

Many Good And Sincere Individuals

...give little thought to the question of values when we should measure them in terms of personal worth in everything he buys, enjoys or does. For example, some folks will buy real estate without any kind of evidence of title disregarding the fact that the principal value of the purchase is in the title, not in the land itself or the improvements thereon. This kind of thinking costs property owners thousands of dollars annually which could be saved and a part of the savings wisely spent for an abstract of title or title insurance.

The DWI Issue

Jim Parker-District 65

I wish I could ignore the problem and it would go away but it won't. So this week I will attempt to address the D.W.I. issue.

The pieces of legislation dealing with D.W.I. almost outnumber the sum total of legislators, but can be grouped, generally, under one major heading, that being more stringent application of punitive measures taken against persons convicted under the Act. Perhaps it would be helpful to commence with a little legislative history of the issue.

The 1979 Session passed legislation whereby a person first convicted of drunk driving would, mandatorially, forfeit his driver's license and subjected, additionally, to fines, probation, etc. The effect of the legislation was apparently perceived by the judges across our state as being too harsh, in as much as it inordinately deprived the family breadwinner of means of transportation to and from work. The judges were, of course, not blameless but one can understand how it would be much easier in theory to do serious economic damage to a statistic than to an individual from the judge's community and well-known to him.

Social conscience notwithstanding, the net effect

was a little item called "deferred adjudication" whereby a judge and prosecutor, in an attempt to avoid the harsh economic aspect of the legislation, agreed to "put off" a finding of guilt or innocence for a "probationary" period of time. If the defendant successfully avoids further difficulty for a required period time, a finding of "not guilty" was ultimately entered and the case dismissed. Two immediate problems were caused, the first being that after dismissal, no record existed of the prior offense, eliminating increases in punishment for subsequent offenses. The second problem occurs when we find it is not at all unusual to have a defendant on deferred adjudication in two, three or more counties at the same time, since county probation departments quite often have little or no communication with other probation departments.

If history is, in fact, our best teacher, then we should probably, before hasty action, inquire as to the possibility and effect of a backlash to the proposed legislation, like we saw to the 1979 legislation. Almost all of the legislation proposed would mandate a jail term for conviction of the offense of D.W.I. I worry whether or not the authorities would, to avoid

sending a "good ole boy with a little drinkin' problem" to jail, simply reduce the charge to public intoxication or some such, and further aggravate the problem. It simply has not been historically shown that more stringent legislation, over the long term, leads to lessening of the problem, in fact, quite the contrary has often proven true. Those rare facts, like them or not.

At issue is another consideration near and dear to the social conscience of those often labeled "liberal", that being that alcoholism is now, even in rural Texas, pretty well recognized as a medical problem rather than one of morality. The argument most often advanced by this faction is that society would be appalled at the incarceration of an epileptic, and is there any real difference? Supposedly, both problems are beyond the sufferer's control.

The very nature of this subject precludes my being able to use any more space in the publication to address the D.W.I. issue this week. With your endurance, I will continue my comments on D.W.I., the "open container" legislation and raising the minimum drinking age in following weeks.

See you next week!

Texas & The Legislature

Senator Bob Glasgow

The most controversial part of each measure is the process of selection of the Commissioners for the Public Utility Commission. The bills by Senators Doggett, Mauzy, Caperton and Parmer call for elected members in various ways while Senator Jones' bill calls for Commissioner to be appointed by the Governor.

Senator Doggett's bill calls for an expansion of the present three commissioners to six who would be elected from six single member districts and serve six year staggered terms.

The measure by Senator Mauzy would expand the membership to nine, and these commissioners would be elected from nine single member districts. The terms would also be six year staggered terms.

Senator Caperton's bill would retain the present membership of three, and these three would be elected state-wide and serve six year terms.

The measure by Senator Parmer would also retain the present membership of three and would be elected state-wide. Their terms would be for four years.

Senator Jones' measure retains the present membership of three and would be elected state-wide. Their terms would be for four years.

Senator Jones' measure retains the present law by providing for three commissioners who are appointed to six year terms by the Governor with the advice and consent of the Senate.

Another area being considered is the representation of residential ratepayers by public counsel before the PUC. Senator Doggett's bill provides that the Attorney General's office would represent the residential ratepayers.

Senator Caperton's bill provides for a public counsel which is to be funded by charging utilities one-sixth of one percent of its gross receipts. An office of Public Utility Counsel would be created. The chief executive of such office would be appointed by the Governor with the advice and consent of the Senate.

The measure by Senator Parmer provides public counsel to be appointed by the Governor, and the office would operate under the authority of the Governor's office.

Senator Jones' bill would require the Commission to set up a procedure for consumer complaints to be resolved by the Commission.

The measures by Senators Doggett, Caperton and Parmer prohibit automatic fuel adjustment pass-through. Instead, the fuel cost would be considered by the Commission as part of the operating expense.

All of the bills are extremely long and complex. They deal with a variety of the issues including methods considering rate of return and how to deal with construction work in progress.

If any of you would be interested in copies of any of these bills, please write to me at P.O. Box 12068, Austin, Texas 78711.

Sunset Review

Probably the most publicized and important topic being considered in the State Legislature this Session is the Sunset review of the Public Utility Commission.

At this time the measures relating to the PUC on the Senate side are in a Subcommittee on State Affairs and should be reported out at any time to the full State Affairs Committee.

There are five measures that are considered the major PUC Sunset bills.

PEOPLE IN MILITARY SERVICE

Marine 1st. Lt. Don L. Stewart, son of Velma C. Stewart of Route 2, Box 218, Rising Star, Texas, has departed on a deployment to Okinawa.

He is an officer assigned to 1st Battalion, 6th Marines, Camp Lejeune, N.C.

The unit will spend six months overseas as part of the Marine Corps' unit deployment program. The concept is designed to rotate whole battalions or squadrons at a time instead of individuals at separate intervals. In this way, unit integrity is retained and the actual time they spend overseas is shortened. During the deployment, the command will conduct training exercises with the U.S. 7th Fleet and units of allied nations.

Bryan Man Uses Schools To Defraud Educational Foundations

Postal Inspector in Charge D. C. Strader, Fort Worth, announced that a Fort Worth Federal Grand Jury on March 3, returned a 13 count indictment against a Bryan, Texas man. The indictment alleged Robert P. Hicks, age 32, dba The Hicks Foundation, used the mail in a scheme to defraud numerous companies and their educational foundations, out of several hundred-thousands dollars.

The Grand Jury charged Hicks entered into agreements with Bishop College of Dallas and the Texas Tech Ex-Students Association of Lubbock to donate \$100,000 to the academic scholarship endowment fund of each school.

Hicks, a graduate of Texas A&M, allegedly told officials at both schools that he had obtained contributions to their scholarship funds from employees and retired employees of ap-

proximately 12 companies whose educational foundations match contributions made by their employees to educational institutions. Companies affected included Exxon, Pennzoil, Atlantic Richfield, Shell, Union Oil of California, Chevron, Standard Oil of California, Cities Service, Ashland, Mobil, Halliburton, and Alcoa.

The investigation revealed the employees named in the matching gift applications did not make any contributions to either school.

According to Assistant U. S. Attorney Cheryl Wattlely, Hicks allegedly made false representations to officials at each school about the donations which caused fraudulent matching gift applications to be mailed to the various companies' foundations. Matching gift checks were mailed back to each school.

CJC Sets Pre-testing for LVN Program

Pre-testing for the Cisco Junior College August, 1983 Licensed Vocational Nursing program in Cisco will be held Tuesday, March 15 at 8:30 a.m. in the nursing classroom located in the Vocational I building.

Prospective students must be at least 17 years of age and must be in good physical and

mental health. Students must be high school graduates or have successfully taken the GED examination establishing high school equivalency.

For full information, interested persons (male or female) may contact Gerald Bint, Vocational Dean or Wanda Wheatley, Program instructor at 442-2567.

Loan Fees Reduced

The Federal Land Bank of Texas announces a decrease in Bank closed loan fees to 2 percent on farm loans and 4 percent on rural residence and farm-related business loans, effective immediately.

"The loan fee reduction was made possible by the recent decrease in our cost of funds," said Thomas H. Benson, Land Bank president.

This reduction follows the Jan. 1, 1983 variable interest rate reduction to 11.25 per-

cent (from 11.50 percent) on farm loans, and 11.75 percent (from 12.00 percent) on rural residence and farm-related business loans. Bank closed loan fees had been 4 percent on farm loans and 7 percent on rural residence and farm-related loans.

The Federal Land Bank of Texas makes long-term real estate loans throughout the state through its 55 Federal Land Bank Associations. The Bank has \$2.4 billion in loans outstanding.

Cisco Woman Found Dead, Husband Is Missing

CISCO—Doris Eileen Lundstrom, 27-year old wife of Cisco business man Loyal Lundstrom, was found dead of a gunshot wound in the bedroom of the family home at the Cisco Motel, 708 East 8th Street, at 8:15 a.m. Saturday, March 5.

Police Chief Randy Whittle, who is directing an investigation, reported at a press conference at 6 p.m. Tuesday that Mr. Lundstrom, member of the Cisco city council and mayor pro tem, was being sought for questioning. He had not been seen or heard from since last Thursday afternoon.

Justice of the Peace A.C. Holder was withholding an official inquest verdict until he received an autopsy report from a Dallas laboratory. The initial report received by Mr. Holder by telephone said that Mrs. Lundstrom died from a shotgun blast to the abdomen and that she probably had been dead between 24 and 48 hours, placing the death time Thursday night. The body was discovered by the Rev. John Clinton, close family friend, who went to the motel to help a bus patron.

Mr. Whittle told representatives of Abilene television stations and newspapers Monday night that leads in the case were few. He said that Ray Wallace, Thrift Mart market employee, was the only resident of the motel and he told authorities that he saw or heard nothing unusual.

An "all points bulletin" was released by authorities seeking the whereabouts of Mr. Lundstrom and his 1982 Chrysler New Yorker automobile. The chief said that

Mr. Lundstrom, 59, was not a prime suspect but "we want to talk to him." He added that "he could have been kidnapped or murdered." No weapons were found.

Police determined that the Rev. Cliff Reneau and family friends were looking after the Lundstrom children in accordance with arrangements made Thursday by Mr. Lundstrom. Chief Whittle said they had heard various rumors that couldn't be confirmed.

The Lundstroms came to Cisco some 10 years ago when he purchased the motel. They took on the bus station and operated a grave monument business in this region. A notice on the motel door said: "Closed until further notice, Chief of Police, Cisco, Texas."

A representative of the Greyhound Lines was here Monday to pickup undelivered parcels that were sent to Abilene. The bus operations will be handled out of Eastland until further notice, it was reported.

It was understood that the Lundstroms were natives of Minnesota. They visited relatives there last January.

Mr. and Mrs. Fred Oehlke arrived here Monday from their home in Minnesota. They are Mrs. Lundstrom's parents and were with their grandchildren at the Reneau home. Mrs. Lundstrom and family were active in the Church of the Nazarene where she was a Sunday School teacher. Mr. Lundstrom has been a member of the City Council for nearly two years. He is a member of the Cisco Lions Club.

Funeral services for Mrs. Lundstrom were

held at 2 p.m. Wednesday at the First Baptist Church with the Rev. Mr. Reneau officiating. He was to be assisted by the Rev. Walter Little of Abilene. Kimbrough Funeral Home was in charge of arrangements.

Mrs. Lundstrom was born Jan. 26, 1956, at St. Paul, Minn. She is survived by her husband and two sons, Loyal Edward, Jr., and William Christian,

and three daughters, Heidi Lynn, Sandra Marie and Julia Christine; five stepchildren, including Linda Lee Lundstrom of the home, also surviving, along with her parents, Fred and Eileen Oehlke; two brothers Gordan and David Oehlke; three sisters, Marilyn Edgett, Linda Oehlke and Margaret Oehlke; and five step grandchildren.

people in the news . . .

EDITORS NOTE

Folks in Rising Star want to know how you, your family member or friend is doing after surgery or during an illness. Notes or telephone calls to the newspaper office (643-4141) are welcome and there is no charge on these personal news items.

Derrel White, who has been in the VA hospital in Temple for five weeks, would love to hear from friends in Rising Star. He is in Ward G West, Room 110. Zip 76501

Ruby Bailey returned home recently after having had hip surgery in Fort Worth and is doing well. Although she can get up for limited periods of time, Mrs. Bailey will be spending most of the next two months in bed.

John Bishop con-

tinues to improve a little each day in Shady Oaks Nursing Home where he has therapy three days each week. John will be home for a visit this weekend.

Opal Dean has had eye surgery and is home doing well.

Kyle Joyce has been hospitalized with a collapsed lung. He was expected to be released from the hospital on March 8.

Mary Hord is still hospitalized in Abilene.

Edith Hull is in the hospital in Eastland,

Willie Gardner is seriously ill and remains in the hospital

Lucille Joyce has returned home from the hospital.

Judy Hill is also home from the hospital and is doing fine.

United Methodist Women

The Call to Prayer and Self-denial Program, "Prayer for Peace," was observed by the United Methodist Women March 7 at 3 p.m. at the church, led by Mrs. Yvonne Williams. Mrs. Maggie Smith gave the invocation.

Those participating in the program were Mrs. Mamie Joyce,

Winnie Armstrong, Elza Witt, Maggie Smith, Stella Hudson, Yvonne Williams, Elizabeth Robertson and Inez Hutton.

The hymn, "How Long Has It Been," was sung by the group, accompanied by Miss Elizabeth Robertson at the piano.

The Society Benediction was repeated in unison in closing.

Recipes Worth Collecting

A great sounding recipe was submitted by Sue Vandivere this week. Sue manages The Wishing Well Flowers and Gifts. It's a joy to visit her shop as she always has a nice smile. Sue and her husband, Willie, were born and grew up in this area. They have two girls, DeLana, who is a sophomore, and Tami, in the fourth grade.

TACO CASSEROLE
Taco sauce: (I like to make my sauce ahead several hours.) Mix everything together and set aside.

1 (16oz) can stewed tomatoes
1 t. sugar
3/4 t. dried oregano (crushed)
1/2 t. worcestershire sauce
1/4 t. salt
1/8 t. bottled hot pepper sauce
1/4 cup chopped green pepper
1/4 cup chopped onion
Casserole:
1 lb. ground meat

1 (9 1/2 oz) pkg corn chips (6 cups)
1/2 t garlic salt
4 or 5 slices cheese
5 cups shredded lettuce
Brown ground meat, drain and stir in garlic salt. Coarsely crush corn chips and place in the bottom of an ungreased 8x8x2 inch pan. Spoon hot meat over chips, top with cheese. Bake at 350 for 10-12 min. or until heated through and the cheese melts. Sprinkle casserole with shredded lettuce. Pour on the taco sauce.

Sue's household hints:
If the cake sticks to pan, and could break, hold the pan over a low flame for about 5 to 8 seconds. The cake will come out intact and in perfect shape.

Do not bake cakes with one pan directly below another. Stagger the filled cake pan on two racks.

Sprinkle a cake plate with powdered sugar to prevent cake from sticking.

Obituaries . . .

A.T. Shults

Odessa-Services for A. T. Shults, Jr., 63, were Sunday, February 27, at Hubbard-Kelly Funeral Home Chapel. The Rev. H. Bailey Stone officiated.

Burial was at Sunset Memorial Gardens in Odessa.

Mr. Shults died Friday at his residence after a lengthy illness. He was born March 6, 1919, in Rising Star. He was married to Helen Doris Thurman on June 17, 1949, in Salem, Ill.

He was a member of the Baptist Church, Rising Star Masonic Lodge, Brownwood Masonic Lodge and Scottish Rite Bodies. He had attended Texas Tech University and graduated from Daniel Baker College.

Survivors other than

his wife include one son, David Shults of Odessa; one daughter, Judy Motley of Odessa; two brothers, Glen Shults of Bay Cliff and Jack Shults of Rising Star; two sisters, Dorothy Brown of San Antonio and Virginia McCannies of Seattle; and six grandchildren.

WORD of GOD

Blessed be the Lord, because he hath heard the voice of my supplications.

The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him.

The Lord is their strength, and he is the saving strength of his anointed.

Save thy people, and bless thine inheritance: feed them also, and lift them up for ever.

WITH THESE MONEY-SAVING FOOD VALUES

Commentary

by Myrtle Owen

Releasing the Ability of God Through Prayer: Every born again believer has God's ability abiding in them in the person of Jesus Christ; yet few have ever learned to release that power. God is in you to the degree that His Word is in you. God and His Word are one. "In the beginning was the Word, and the Word was with God, and the WORD WAS GOD." (John 1:1) The Word was God in the beginning. The word is still God today. God's Word is Lord over every circumstance of life. Our minds cannot grasp these truths without the revelation that God and His Word are one. Jesus said, "If ye abide in me and my words abide in you, ye shall ask what ye will, and it shall be done unto you." (John 15:7) We stagger at the love and faith which God has invested in humanity. "If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode (our home) with him." (John 14:23) The spirit must be expanded by the rebirth to receive such awesome truths as Jesus spoke when He prayed to the Father: "...the glory which thou gavest me I have given them; that they may be one, even as WE ARE ONE: I in them, and thou in me, that they may be made perfect in one...that the world may know that thou...hast loved them, as thou hast loved me...and I have declared unto them thy name, and will declare it: that the love wherewith thou hast loved me may be in them, and I in thee, that they also may be one in us: Hebrews 1:3 literally says Jesus was the exact expression of God's substance. He was the exact personality of God." I and my Father are one. Truth personified. "The Word

was God" "...upholding ALL THINGS by the WORD of HIS power." God released His ability in Word form and it upholds all things. The whole universe stands in obedience to His Words. GOD'S ABILITY IS IN HIS WORD. WE must learn to release that ability within us by rightly dividing His Words. Jesus said, "These things I have spoken unto you, that in me ye might have peace." (John 16:33) Many of God's people are held in bondage because the enemy has perverted their minds to the great truths of the Word of God. God gave us His Word to put us over. He designed it to work in EVERY AREA of life. His Word works and it knows no time or distance.

It is spiritual law. God's Word Rules, God's Word is alive and powerful. (Hebrews 4:12) It is living substance, it is law in the world of the Spirit. It is more powerful than the law of nature that govern the universe today. The law of gravity works continually. You won't wake up some morning sleeping on the ceiling wondering why the law of gravity isn't working. Just that sure are God's spiritual laws and they work continually. They work the same yesterday, today and forever. They will never change. The Word says, "God changeth not." GOD'S WORD NEVER CHANGES. BUT IT CHANGES THINGS.

May News

Shelly Hardy, daughter of Larry and Lix Hardy, is very enthusiastically promoting the program of jumping rope for a fund-raising exercise for American Heart Association in Texas. Shelly and several other children have agreed to jump rope for 180 minutes. They are trying to sell their rope jumping.

Mr. Dee Hardy, Mrs. Ruby McBride and Mrs. Louise Bailey went to Abilene last Sunday with Mr. and Mrs. Jack Wilson, Jacky and Chris of Brownwood. The group visited Mrs. Myrtle Kelly, sister of Mr. Hardy and Mrs. McBride.

The May Fire Department was instrumental in extinguishing a leaf and

Entha Campbell grass fire Monday morning. The fire was about 3/4 of a mile south of May on the west side of Highway 183. A large number of Volunteer firemen were on the scene. Mr. Haney and Mr. Brown were driving the firetrucks. Donations to the fire department are appreciated.

Mr. & Mrs. Bill McDaniel of Abilene visited Mr. & Mrs. Floyd Michaels and Mr. & Mrs. Russell McDaniel last Saturday afternoon.

Zanette Foster Daughter of the late Susie Mae Bagley was buried in Pendergrass Cemetery near Sidney on February 28. Floyd Michael attended his niece's funeral. Mrs. Foster is survived by three children and a brother, Mike Bagley of Carrollton. Mrs. Foster was from Houston.

Unplug It...And Be Safe

Always unplug any small electrical product after using it, cautions the Association of Home Appliance Manufacturers and Underwriters Laboratories.

Don't assume that if the switch is "off," there's no danger of electrocution. This may not be true if the product comes into contact with water.

Electrocutions may occur in kitchens, bathrooms or outdoors--anywhere near water sources.

Never use any electrical product while bathing or put it where it can drop or be pulled into the tub or sink. If the appliance accidentally falls into the water, don't reach into the water for it. Unplug it immediately

at the wall outlet.

Never leave a small portable electrical appliance within the reach of small children. Children left unattended could pull the plugged-in, but switched-off appliance into the tub or sink and risk being electrocuted.

Sipe Springs News

We were saddened by the death of Watt Foster of Brownwood, a long time resident of here. Graveside services was conducted Wednesday afternoon at the Sipe Springs Cemetery. We extend our sympathy to his family and sister, Robbie Henderson, of Rising Star.

Mr. & Mrs. Jack Wyatt of Hico, Mrs. Dorthy Robinson and Mrs. Joyce Burk of Comanche visited Mr. & Mrs. Dick Wyatt, also James Wyatt of Sidney and attended Mr. Watt Foster's funeral.

Mr. & Mrs. G. T. Whittle visited their daughter Mrs. Heijl and family in San Angelo on Sunday and got acquainted with their new granddaughter.

Mrs. Hope Nowlin has returned home from DeLeon hospital much improved.

Mr. & Mrs. J. E. Rachels of Hobbs, New Mexico and Mrs. Thelma Smith of Cisco visited the Dick Wyatts Thursday.

Mark Barton of McCooney spent last weekend with his parents the Ted Bartons.

Mr. Joe Leonard of Midland, visited his Uncle and Aunt Mr. & Mrs. N. L. Leonard.

Mr. Kyle Joyce had lung surgery Thursday at West Texas Medical Hospital in Abilene. We hope for Kyle a successful and speedy recovery.

Mrs. Vickey Taylor and children of Hico visited her sister Mrs. Jack Millwee and family Saturday.

Mr. Carl Vonatta of DeLeon visited the Quill and John McKeekans Monday

We are happy to report 2 7/10 inches of rain Friday.

H & R BLOCK UNCOMPLICATES THE NEW TAX LAW

This year there are 47 different forms and schedules for income tax filers. The so called short form is now two pages, which call for up to 63 entries and refers you to the instructions more than 10 times. Misinterpreting the instructions could cost you money or cause an IRS inquiry.

The tax act of 1981 affects every taxpayer regardless of income. Your H & R Block tax law helps you save money on your 1982 taxes, and points out changes that could affect your taxes in 1983.

Even the 1040A short form is affected by the tax changes, so no one can afford not to use H & R Block with prices starting at \$7.50 and the average fee last year in dollars was under \$40.00.

Your local H & R Block tax preparers

have been thoroughly trained and brought up to date on the latest tax information for 1982 tax returns. The changes in the tax laws have been studied and analyzed to determine what effect they'll have on your tax return.

Through the personal interview that every H & R Block client gets, you can have peace of mind that every deduction to which you are entitled to will be uncovered.

H & R Block has 2 conveniently located offices. Call today, appointment available.

Letter To The Editor

This is a letter to the community and the citizens of Rising Star.

I want all of you to know that this town probably means more to me than to anyone else in it. Not because of social status or name, because that means nothing to me, I don't qualify for that. I don't belong to the so called "clique", but I consider them to be friends. No one is my enemy. I like people for themselves, not because of who they are or what they can do for me.

It is here I spent my teen years and went to school, met people who helped to mold my life to what it is now. I am very religious and try to live by my convictions. It is here I married and started my adult life and had five beautiful children. It is here at a very young age, I lost the father of my four small children. I was burdened with responsibilities I never dreamed of, but with my faith in God, the help of my parents and family and the encouragement of the people of this town, I discovered my tragedy made me and my family stronger. I asked nothing in return except faith and strength. It is here where I started my second family. I sent five children through this school. I asked nothing in return except they get an education and respect. I never pursued any issue at school or in the community unless I thought it would affect the physical or mental well being of the child. It is here my children attended the Methodist Church and two were married in the church.

We raised our children with an endless amount of love and attention. We encouraged them to be good strong-minded Christian individuals. I asked nothing in return except they have love and compassion for God and their fellow man.

Several years ago, because of some of your children and one of mine getting involved with drugs and seeing what it was doing to them, I started monitoring and studying the drug situation to protect my other children. The more I found out the more interested I became in the town. I found drugs were slowly taking it over.

Three years ago, when our youngest child had a very traumatic experience because of her friends and drugs and her love for her family, we

couldn't stand the thoughts of all these drugs and kids with no help; we put some games in the old house beside our home.

After three years of working three jobs a day 7 a.m. to 11 p.m. seven days a week and an investment of \$20,000.00 of hard earned money, we now have our business downtown. We did this to be able to provide a clean, Christian environment for your children.

We provide, without charge to your child, checkers, Chinese checkers, dominos, cards, puzzles, Monopoly, television and even encyclopedias to help them with their school work. We offer them a place to go besides on the streets. We encourage them to talk with their parents about any problems they might be experiencing instead of running away from home. We ask nothing in return except that we could share our love and wisdom with your child, to let us set an example for them, to show them we care and don't want them to get involved in drugs and alcohol, and if they already are, to let us be their friend and try to help them. We want to cheer them up and reassure them when they are sad, and encourage them to be optimistic.

But now there is this move to close us down. Why? Why close us down and confuse your child as to what is right and wrong? If some of you feel that you can do a better job than we are, we will be glad to sell out to you and give you a chance at what we are doing. Our motives are purely unselfish. We love your children and don't want them hurt with conflict over our game room. Before you do anything why don't you come by and see for yourself. Don't take someone else's word for it.

The Bible says in Matthew 7:1 "Judge not, that ye be not judged." Yet some of you are passing judgment on us. If we are doing something wrong, come by and talk to us about it. If you are just mad at us, don't try to hurt all the kids because of it. Come and discuss the matter with us; we have a very open mind. We ask nothing in return except to have the same right to run our business in this town as everyone else—without persecution.

& B.P. Underwood

Senior Center News

Another Thursday was spent together this past week for our first meeting in March. A beautiful day brought thoughts of spring with white and green decorations in the building. It suggested spring and St. Patrick's Day. Doris Griffin had this done for us.

Clyde and Doris Griffin gifted the center with a new food serving counter of white spangled formica. This was a fresh spring addition.

Listening to the chatter, there were many expression of gardening. Many were giving their excellent tried and proven ways of preparing the soil and planting the seed.

Rilla Richburg was the first to arrive and had the coffee brewing. She was really all smiles as she has her new contact and could really see what was going on. She reported that she and Walter had Rowena Cameron and Charlie Moore visit them from Roscoe last Sunday.

Marion and Marion West were spending last week-end in West Red Oak with Clyde and Nina Bryant. They left after lunch from the Senior Citizens in Cisco last Friday.

Dell Bible was some better but not talking too much except when she talks about that great granddaughter, Andra. Alvy describes the young lady, about three or four months old, is just perfect. So, Dell calls over to Dallas to check on her and the parent have to pinch her so that Dell can hear her. I'm thinking Dell can tell how much she has grown by the sound of the cry. Enjoy it Dell!

We were glad Ladell Key was back for a part of the day. Her children, Debbie Green and two children Jennifer and Jason, from Grandburg; and Jane and Billy Jenkins were her recent guests. Then Ladell got sick in the early afternoon and had to go home.

Clyde and Doris Griffin had her mother visit them part of last weekend. Mrs. Scottie Shaw enjoys visiting in Rising Star and seeing many friends she has made.

Lucy Curtis was in the hospital a couple of days, but she and Wilbur were with us on Thursday and doing much better.

Hazel McCollum had copies of the Social Security petition ready to be signed. She sure did not have any problems getting names. Charlie Chamberlain was back on the scene and we were happy he and Elizabeth were there, but sorry Sara was ill.

Irene Mayfield resented the ambulance needs to the group that afternoon. Some plans are in motion.

Louella McKinney conducted a business meeting in which final plans were made to participate in the 4-H Show.

The Star Brite Band was to present a program in Cisco on Friday, March 4th. They did, but only thirteen were able to attend. We were royally welcomed and enjoyed a delicious dinner at the Senior Citizen Center there.

By the time you read this we will have been to Brownwood where the Band was part of the Entertainment for the Domino Tournament. We performed at 1:30 p.m. on Tuesday.

Tomorrow, Friday, March 11, we will present a program in De Leon for the Senior Citizens.

Ole Yeller is rolling along just fine.

I want to give Julia Ross credit for a very efficient financial report she posts every

Kerri Byrd Competes for Most Beautiful

KERRI BYRD
Kerri Byrd, a Junior at Early High School, was selected 1st runner-up in the school's "Most Beautiful" competition recently.

Kerri who is active in sports and 4-H, is the daughter of Tommy and Rita Byrd of Early and is the granddaughter of Derrell and Ione White of Rising Star.

month. A nice job. She is so good in doing the purchasing needed at the center.

I want to urge all Senior Citizens to come on Thursdays, I think you would enjoy it.

IRS Notes for Taxpayers

Do you expect to owe the Internal Revenue Service on your 1983 individual income tax return? Do you expect to receive income not subject to withholding in 1983 (i.e., royalty income, rental income, c.). If so, you may need to file a declaration of estimated tax for 1983, says the Internal Revenue Service.

Whether you must file a declaration of estimated tax, Form 1040ES, for any year depends on how much you estimate your income tax will be for that year. The IRS says not to include income exempt from tax in deciding whether you must file a declaration.

Further information is detailed in IRS Publication 505, "Estimated Tax and Tax Withholding," which can be obtained by using the order

form in the tax package.

If you have previously made ES payments, you may expect your new vouchers for 1983 to be mailed to you.

When you file your federal tax return, don't be guilty of non-support, the Internal Revenue Service says. Be sure to attach all supporting documents and schedules to your tax return before mailing it for processing.

The IRS advises that documents such as earning statements, schedules, statements verifying deductions, or other pertinent information should be securely attached to the 1040, 1040A, or 1040EZ. Taxpayers must include W-2 forms from all employers if they worked at more than one job, the IRS points out, regardless of the amount of earnings.

Wrangler Belles Audition

Auditions for the 1983-84 Wrangler Belles drill team of Cisco Junior College will be held Sunday, March 20, in the gymnasium on the CJC campus. The tryouts will begin at 1:00 p.m. and should be completed by 5:00 p.m.

All senior girls are invited to audition and no previous experience is necessary. Shorts and tennis shoes should be worn by the girls. A simple routine will be taught to the girls and they will audition in groups.

All Wrangler Belles receive a scholarship, the amount depends on place of residence (on or off campus) and classification.

For more information contact Mrs. Pat Owens at 817-42-2567, ext. 121.

PAT MAYNARD REAL ESTATE

629-8568 EASTLAND

Rising Star Livestock Show & Fair

Livestock judge Leonard Wood explains his decisions to the crowd.

Fair judges, Julia Wheeler, Home Ec teacher of Cross Plains; Linda Lancaster, 4-H leader from May; and Christy Fuqua and Janet Thomas, county extension agents from Eastland, test the baked goods entered in the fair.

Heather Wright won Grand Champion in the junior division in Foods.

Hazel McCollum won Grand Champion in the adult division in Foods.

FFA

Jay Long holds his lamb as Leonard Wood judges it and Susie Lunceford looks on.

4H

Steve Hill was Grand Champion winner in the senior division in Art.

Stacy Green was Grand Champion winner in the junior division in Art.

Chris DeLong stands beside his sheep as his mother, Susan DeLong, gets it ready for showing.

Leonard Wood judges the sheep held by Kelly Hill, Dee Dee Lewis, Jami Long and Stephanie Long.

Bubba Lewis, Vickie Lunceford, Stephanie Long and Toby Long hold their sheep for judging.

NEW FOR 1983 — ENERGY EFFICIENT MODEL FPCI — 18TM
FRIGIDAIRE REFRIGERATOR-FREEZER

FRIGIDAIRE.
FOR MORE FEATURES.

This new 18 cubic foot model is designed for today's lifestyle. It's one of the most energy efficient Frost-Proof models available.

The Automatic Ice Maker eliminates the spilling and filling problems of trying to make enough ice for your family. Available at extra charge.

The Unwrapped Foods Drawer lets you keep special foods you'd rather not wrap — like fancy desserts, cold cut plates, prepared salads — fresh and appetizing for several days.

The Meat Tender Drawer has the Flowing Cold Air feature that keeps most meats fresher, for up to seven days.

"Just-a-bin" Door Shelves move up and down to make it easy to store items of almost any shape or size. And they're removable — so they can go right to the table or food preparation area.

Reversal-Doors let you change from right-swing to left-swing for your easiest arrangement.

Every Frigidaire Refrigerator is built to rigid quality standards. The Quality Track Testing label you'll find on your Frigidaire Refrigerator insures that it passed a demanding inspection before it left the factory, and that you can be sure of years of trouble-free service. Quality. Reliability. Dependability. You can count on it from Frigidaire.

FRIGIDAIRE. HERE TODAY, HERE TOMORROW

WITH QUALITY, DEPENDABILITY AND THE BEST IN FACTORY TRAINED APPLIANCE SERVICE.
