monononon Nearly six and a half decades have passed since the cotton industry left its mark on Rising Star. Today the reality of the cotton industry is once again coming to life. Kenneth Smith, area farmer has begun work on a cotton gin for Rising Star and area farmers. The location is 3¹/₂ miles east of town in the Chuckville community. The location was arrived at through a centralization of the region being planted in cotton. Smith is anticipating from 3,000 to 4,000 acres to be planted in cotton this year in our community. Smith's venture into the ginning business was a combination of necessity, accommodation and a business opportunity. Smith, who has farmed cotton for several years said, "with the cost of fuel rapidly rising, we

couldn't justify carrying our crop some 30 miles to Echo, which is the nearest gin". Too much time and fuel was being exhausted. Smith is assembling the gin himself and stated he hoped for completion by September 1st. He has purchased an old gin from the Gatesville area and will purchase additional material and supplies from Abilene. This will be a one stand operation and is capable of handling up to 5 bales per hour. With the peanut program phasing out, farmers are looking for an alternate crop. Today's prices are considerably higher than that received by farmers in the early 1900's. An average price of 60 cents per pound is received today as compared with 5 to 6 cents a pound in the early 1900's. At one time three gins were in opera-

One was located near the Olice Jones residence in the northwest section of town and was operated by H.E.Anderson; Mr. T.B.Roberts owned a gin which was located near the Fred Cook residence and the "Blue Goose'' Farmers Union gin operated from the present location of Winfrey's Feed and Peanut Company.

''FFA-Hero--A Pocket of Life-Reach In and Find Yourself" is the theme of the 1980 State Meeting which will be held at the Astrodomain, Houston, April 17-18.

Attending from Rising Star will be Deniece Morris and Merlinda Munguia. Deneice Morris will be the voting delegate. Accompanying the girls will be their sponsor Mrs. Dorothy Diddle, Homemaking teacher.

Grant Teaff, popular coach of the Baylor Bears will bring his own message of inspiration and faith to the delegates on Friday night.

Areas I-V. The theme of the show is "Main Event". A special treat for House of Delegates at-

tendees will be a talk by 1978-79 National FHA President, Laura **Riggs from Indiana**. **Future Homemakers** who have achieved unusual ac-

complishments by completing all levels of Encounter, a special growth and development program, will be honored at the Friday afternoon session.

A state choir, composed of 130 Future Homemakers will be featured. Peggy Bain, choir director, Lockney High School, Lockney, will direct the group. Installation of the 1980-81 state officers will climax the Friday evening session. At this time, 11 officers elected through chapter participation throughout the state will be placed in office. A newly elected president will receive the gavel from Lori Rubio, El Paso, Texas, outgoing president.

Future The Homemakers of

Thursday's meeting was well attended.

Out-of-town guests were Orval and Jewel Davis. They are friends of Mr. and Mrs. Marion West and are looking for a location. They may make this their home. They have been dividing their time between Arkansas and south Texas since retiring. We were glad to have so many men and other guests Friday night. Lucille and Weldon Stillwell of Ft. Worth were among our guests. As Olice Jones showed her slides and took us on an imagionary trip through the Holy Land, I couldn't help but think how much better this was than the T V shows we have been shown lately. Thank You, Olice, for a pleasant evening. The food and visiting was great.

We are planning a family get to gether in May, probably the 17th. We will have a salad supper and variety music program. I will let you know definitely later.

In 1934 the last gin in operation here, Farmers Union Gin, located at the site of the present day Rising Star Clinic, burned. By this time, most farmers had abandoned cotton as the "Money Crop", as the Boll Weevil took its toll and put most farmers out of business. The worst year reported recalled Mr. A.P.Smith, was 1914. But then in 1919, he said, farmers recorded a

record crop which sold for 40 cents a pound-compared to 3-14 cent range. One team usually farmed 40 acres. All work was done without modern day machinery. The business of the **Texas Association will** be conducted at the House of Delegates Session Thursday evening, followed by a talent show featuring

With today's modern technology--fertilizer, weed and insect control, cotton may become the "Money Crop" once again.

Fire Whistle Important To City

about 2 a.m., there was a fire that could have been a disaster to the whole town-there was a fire in Robert Butler's garage. The fire department was whistle could not be set off at all. I had to use the phone and call the weather warning as firemen one at a time. Precious time was wasted. We are lucky the fire was controlled. It could have been a different situation and part or all of the town

Last Friday morning could have burned. The Department needs donations for the Fire Whistle Fund!!!!!!!

There are some faithful citizens who give donations reguarly, but this is not called, but the fire enough. We are in desperate need of a whistle to use as a

The old movies and TV shows in which poor slobs get hooked up with Mafia loan sharks charging 35% interest lose shock value when your local credit manager gigs you for near that rate. Banks now charge all the add-ons of sleezy loan companies who once operated on the verge of Usury law violations and have invented a few of their own.

When kin in Abilene deposited an East Coast check the bank took out \$7.50 they said that bank charged for cashing their own check. A new switch when the bank robs the person at the window. Since there are no longer usury laws to hold them down the money changers rule is "Every man for himself and the Devil take the hindmost!" All with government blessing.

I was shocked to hear an oil co. exec. on TV link inflation to Mid East oil prices when he knows full well they are victims of our devalued dollar just like we are. The one sensable thing he said was "You can't give to the nonproducer without hurting the producer. Someone has to produce if anyone has anything. We can no more give to the nonproducer collectively than we can individually without it costing some one." Cruel Roman tax collec-

tors once squeezed tax money from the poor. Now IRS says welfare payments are subject to tax! Veterans compensation will no doubt be next. Give with one hand and take with the other. Buy votes with their own money and put more collectors on the government pay rolls. Government is now the thief we need a government to protect us from.

I recall one old movie in which Pancho Villa couldn't understand why the mass of money he had printed was worthless. El President Carter seems to be having the same problem.

WHAT SAITH THE SCRIPTURES? QUESTION: Is salvation really a gift from

God? **ANSWER:** Salvation is the gift of God. The Apostle Paul wrote, "for by grace have ye been saved through faith; and that not of yourselves, it is the gift of God; not of works, that no man should glory"(Eph. 2:8-9).

Salvation from sin is "by grace". Grace is defined as "unmerited favor", showing oneself to be loving, kind and gracious", "giving someone that which they need rather than what they deserve". Christians are "justified freely by his grace through the redemption that is in Christ Jesus"(Rom. 3:24). In Jesus we have "the forgiveness of our sins according to the of riches his grace"(Eph. 1:7). We do not deserve salvation, but like the prodigal son who returned home, in Christ we are received by the waiting arms of God's grace (Luke 15:11-32).

Salvation from sin is "the gift of God". God himself has paid the debt of sin which we owe. He gave his own Son as a sacrifice for our sins (John 3:16; Rom. 5:8; 1 John 4:9,

10). God now offers salvation, redemption,

and forgiveness as his gift to man. "The free gift of God is eternal life in Christ Jesus our Lord"(Rom. 6:23). Salvation from sin is

"not of works". "If it is by grace, it is no more of works: otherwise grace is no more grace"(Rom. 11:6). God "saved us, and called us with a holy calling, not according to our works, but according to his own purpose and grace which was given in Christ Jesus before times eternal"(2Tim. 1:9). No man can ever claim a home in heaven because of his own works. None could ever earn or deserve having the Lord of glory born in a barn. Never shall any man's work merit the sufferings of Christ on Calvary. Neither can any man ever earn salvation by his own works(Titus 3:5-7).

Salvation, however, conditional. is Although it is the free gift of God's grace, it is obtained only "through faith". Without faith it is impossible to be well pleasing unto God, but through a living, active, obedient faith, men receive salvation (Heb. 11:6). True faith in God and Jesus Christ is based upon the revealed word (Rom. 10:17). True faith involves genuine repentance from sin (Luke 13:3, 5). True faith includes confes-

sion of Jesus Christ as Lord (Rom. 10:9-10). True faith is demonstrated in baptism (Mark 16:16; Acts 2:38; Col. 2:12). True aith then causes a perion to love and serve he Lord throughout his life. Salvation is he gift of God, yet only rough faith.

TREELEVISIES CONTRACTOR COMMENTARY

By Myrtle Owen CONTRACTOR OF CO If ye shall ask anything in My name, that will I do. (John 14:13-14). Now, could any words be plainer or clearer than these? Could any promise be greater or grander? Has anyone else, anywhere, at any time, ever offered so much? How staggered those disciples must have been! Surely they could scarcely believe their own ears. But that promise is made also to you and to me. ***** And, lest there should be any mistake on their part, or on ours, our Lord repeats Himself a few moments afterwards.

Yes, and the Holy Spirit bids St. John record those words again. "If ye abide in me, and My words abide in you, ask whatsoever ye will, and it shall be done unto you. Herein is My Father glorified, that ye bear much fruit; and so shall ye be My disciples''(John 15:7-8). These words are of such grave importance, and so momentous, that the Savior of the world is

not content even with a threefold utterance of them. He urges His disciples to obey His command "to ask." In fact, he tells them that one sign of their being His "friends" will be the obedience to His commands in all things (verse 14). Then He once more repeats His wishes: "Ye did not choose Me, but I chose you, and appointed tou, that ye should go and bear fruit, and that vour fruit should abide: THAT WHAT-SOEVER ye shall ask the Father, in My name, he may give it you" (John 15:16). One would think that our Lord had now made it plain enough that He wanted them to pray; that He needed their prayers, and that without prayer they could accomplish nothing. But to our surprise He returns again to the same subject, saying very much the same words.

7th Day Adventist

Watch ye and pray, lest ye enter into temptation. Mark 14:38.

Many today are asleep, as were the disciples. They are not watching and praying lest they enter into temptation.

Let every soul be on the alert. The adversary is on your track. Be vigilant, watching diligently lest some carefully concealed and masterly snare shall take you unawares. Let the careless and indifferent beware lest the day of the Lord come upon them as a thief in ! the night....

He who overcomes must watch; for, with worldly entanglements, error, and superstition, Satan strives to win Christ's followers from him. It is not enough that we avoid glaring dangers and perilous, inconsistent moves. We are to keep close to the side of Christ, walking in the path of self-denial and sacrifice. We are in an enemy's country. He who was cast out of heaven has come down with great power. With every conceivable artifice and device he is seeking to take souls captive. Unless we are constantly on guard we

shall fall an easy prey to his unnumbered deceptions. E.G. White **Bridal Shower**

Along with this, we received from 7 tenths to an inch of rain. This was really needed as winds have blown for the last few weeks, drying all moisture. Saturday and Sunday nights brought a frost too. Some tender vegetation was nipped, but earlier amounts of

PERSONAL MESSAGE FROM JUDGE JIM R. WRIGHT:

It has been stated that the qualifications for Judge of the 91st District Court are experience, training, maturity, and integrity. I wholeheartedly agree. However, I believe that it is possible to achieve those qualifications at age 33 and that those qualifications are not achieved automatically by years alone. I have been fortunate in my career to work around and with some of the top lawyers and Judges in this State, and in the Federal Judiciary in both trial, administrative and appellate matters. I have had the type of extensive practice that qualifies me on all grounds to continue to serve you as your Judge, not only in maturity and integrity, but also in experience and training both as an attorney and now as District Judge. Those of us who work in the 91st District Court have been engaged in an evaluation of every phase of the operation of the Court. This evaluation of every phase of the operation of the Court. This evaluation has as its goal the betterment of our judicial system in our county. One particular area in which we are working is in the area of probation. The appraisal in continuing and will result in a more comprehensive program of supervision and rehabilitation. I, too, feel that there are some cases in which probation is warranted. I, too, feel that those who are on probation should be supervised closely in accordance with the law. However, I also feel that a massive change in our probation program should be initiated only after clear thought and appraisal. I do not feel that just because the State of Texas offers financial and technical assistance that one should jump off the cliff of State aid blindly. We all know that more State control comes in the same package as State aid. Many of the State benefits are in danger of being cut off through legislation. Certainly we do not want to enter s such a program until the full effects of this legislation are known. The program should be evaluated closely before being accepted, and a proper evaluation takes time. We are currently studying other probation departments and hope to take these studies as models in formulating our program. A program as vital as probation and rehabilitation should be studied closely, intelligently and with mature judgement. My concern for well supervised probation is one reason for my supervising the probation department personally, which I now do.

Oysters are not very pretty but they're delicious served in many ways, raw or cooked. Oysters are at their best now, so do scallop some now. They are edible in the summer but not nearly as good. Quick - frozen oysters come in packages, ready for use. Fresh oysters may be purchased in the shells or ready shucked.
