On Monday the summer season came in with full blast, taking full advantage of the fact that it is the longest day of the year, and the forerunner of a long and usually sweltering ninety day span. Said weather conditions are not always to the liking of farmers and gardeners, but it is great for all of the summer activities, such as skiing, swimming, golfing, baseball and all of those fun things.

Each week brings further evidence of the determined efforts of the local Bicentennial Committee, the most recent accomplishment is the beginning of a downtown park on the Horton lot between Palace Drug and Higginbothams. Further improvements are planned, such as park benches, a rose garden, maybe even a bird bath. If you would like to have a part in this phase of city beautification, contact Owen Aikin, or any member of the Bicentennial Commission.

Have you noticed that the official American Bicentennial marker has been placed on each of the four city limits signs. This is another of the privileges of being a nationally designated Bicentennial city.

Also, it's good to see our official national Bicentennial flag flying along with Old Glory at the Post Office.

It's only 12 days until America's 200th birthday!

Plans are really sounding good for our July 3, community picnic. Watch our news columns for details. See you there.

It has been called to this writer's attention, by public comment and actual experience, that downtown parking is becoming quite a problem.

The yellow stripes, indicating the proper parking spaces, have long since worn off of the downtown streets. As a result, cars are parked at various angles, adjacent to the curb, making it difficult and at times impossible to take advantage of whatever space remains.

Solution, anybody?

C.T. PARKER

C.T. Parker, Jr. Is Cited For Agriculture Leadership

C.T. Parker, Jr., county Extension agent (agriculture) for Runnels County, has received the Texas Superior Service Award for outstanding agricultural leadership and work in community resource development.

Parker's award was presented during the annual conference of the Texas Agricultural Extension Service at Texas A&M University, June 11.

He was cited for "innovative, dynamic and untiring leadership in the development of high quality water resources for farm families in Runnels County and efforts leading to the establishment of statewide standards related to prevention of oil field salt water pollution."

In making the announcement, Daniel C. Pfannstiel, director of the Texas Agricultural Extension Service, said that Parker's work in community resource development led to an improved standard of living for many Runnels County families.

Claudia G. Williams, state Extension agent, presented background information about the award winner.

"Because of Parker's work, oil field salt water pollution was eventually stopped in Runnels County and many other counties in Texas", Pfannstiel said.

In addition to working to correct oil field salt water pollution, Parker led a study on high nitrate water problems in

the county. Largely because of his efforts in this field, approximately 900 farm families acquired a fresh water supply.

Parker developed the largest 4-H beef breeding heifer program in Texas said Pfannstiel, and played a key educational role in working for a community center in Ballinger.

Before going to Runnels County as Extension agent 20 years ago, Parker served in the same capacity in Panola County for eight years and as assistant agent in Guadalupe County for more than a year. He holds a B.S. degree from Texas A&M University.

Parker is the son of Mrs. Ethel Parker of Rising Star.

Pictured above are participants in the Eastland County 4-H Dress Revue held June 17. From Rising Star are, left to right, Connie Harris, Theresa Scott, Shelly Gray, commentator, Jeanne Hounsel, and Kim Harris.

Local 4-H'ers Take Top Honors In County Dress Revue

The Eastland County 4-H Dress Revue was held June 17, in the Eastland Women's Club. The theme for 1976 was "Fashion Freedom".

High honors in the senior division went to Theresa Scott, daughter of Mr. and Mrs. Payton Scott of Rising Star. A burgandy colored coat with a short cape covering the sleeves topped her outfit. To coordinate with her 100 percent wool coat, she wore a wool vest and knee-length skirt, and a brightly print jersey knit blouse.

Konnie Harris, daughter of Mr. and Mrs. Jerrel Harris of Rising Star, took top honors in the junior division. Konnie modeled a matching skirt and jacket of heavy weight brushed denim. Her jacket is constructed with a set in waist band and six pleats down the back. The matching skirt is a knee length A-line style.

Both of these winners will compete at District competition July 21, in Stephenville

at Tarleton State University. Sub-junior honors went to Patri Spurlen of Eastland. She is the daughter of Mr. and Mrs. F.L. Spurlen. A four piece red, white and blue coordinating pant suit made of cotton was modeled by Patri. Slacks, jacket, blouse and skirt made up her ensemble.

First alternates in each division are: senior - Kim Harris of Rising Star, junior - Kristy Barnett of Gorman, and sub-junior - Shirley Kidd of Eastland.

Honors in this year's stitchery division were as follows: Sr. embroidery and crewel - 1st Ruth Hagood, Jr. Embroidery and crewel - 1st Kristy Barnett, Jr. Miscellaneous Handwork - 1st Paula Eaves, and Sub - Jr. Embroidery and Crewel - 1st Susan Barnett.

Other placings in the Dress Revue include: Blue Ribbons - Shirley Kidd, Kristy Barnett, Kim Harris, Jeanne Hounsel of

Rising Star; Kelly Mauney of Kathi Osborn and Sarah Slaton of Gorman. Red ribbons went to: Cricket Smith of Gorman, Rhonda Hammer and Gay Walters of Cisco, and Terry Jeffs of Gorman and Carla Hargrove of Cisco, and Patty Phillips of Eastland.

A special thanks goes out to all of the leaders in our county who helped with clothing projects. Also to the sponsors of the 1976 Dress Revue, J.C. Penney Co. of Cisco, and the Eastland County Adult Leaders Association.

Smith-Alford Reunion To Be Sunday, July 4

The Smith and Alford Reunion will be Sunday, July 4, at the American Legion Hall. A basket lunch will be served at noon. All relatives and friends are welcome.

Lakewood Sets Partnership Tournament

Annual partnership golf tournament at Lakewood Recreation Center, on State Highway 36, midway between Cross Plains and Rising Star, will be held July 9, 10, and 11.

Teams will qualify with best ball play the first day, then vie in two-man scrambles on Saturday. Total scores of both partners will be the format for Sunday's competition.

Players and their ladies will be guests at a fish fry at Lakewood clubhouse following first day's play. Tickets will be available for these not in the tournament at \$2.50 each.

A calcutta peel is planned immediately following the fish fry.

Additional information may be obtained by telephoning Jay Rankin, Lakewood manager, at 643-7792.

Second Series Of Swim Classes Set At Lakewood

The second session of Red Cross Swimming classes will begin June 29, at the Lakewood Recreation Center pool, it was announced this week by Mrs. Eunice Pointer, Red Cross swimming instructor in charge of the lessons.

The lessons will be offered for two weeks, each Tuesday through Saturday from 6:00 to 7:00 p.m. Lessons will be given for advanced beginners and intermediates, eight years old and up.

Locally Known Man Buried Saturday

West Texas oilman Bob F. Gilchrist, about 67, formerly of Rising Star, died at 7:45 p.m. Thursday in Ranger General Hospital. Services were held Saturday, June 19, at 3:30 p.m. at the First Methodist Church in Gordon.

Officiating was the Rev. Woodie McClendon, pastor. Burial was in Doty Cemetery in Gordon, directed by Edwards Funeral Home.

Mr. Gilchrist resided in Gordon, but had an oil lease office in Ranger. He moved from Abilene to the Ranger area about 1969, and operated cafes on Interstate 20 and in Ranger before opening the Smokestack. It has since been sold. It takes its name from the landmark smokestack on the north side of IH-20.

Mr. Gilchrist and his late wife, Ethel, operated the Skelley Truck Stop Restaurant for several years when it was first opened here in 1960's.

A native of Burk Burnett, he was the son of an oilman and worked as a roustabout as a youngster in the Red River boom days. After high school, he attended Hardin Junior College, now Midwestern University, for a semester before leaving to get into the oil drill business in Oklahoma.

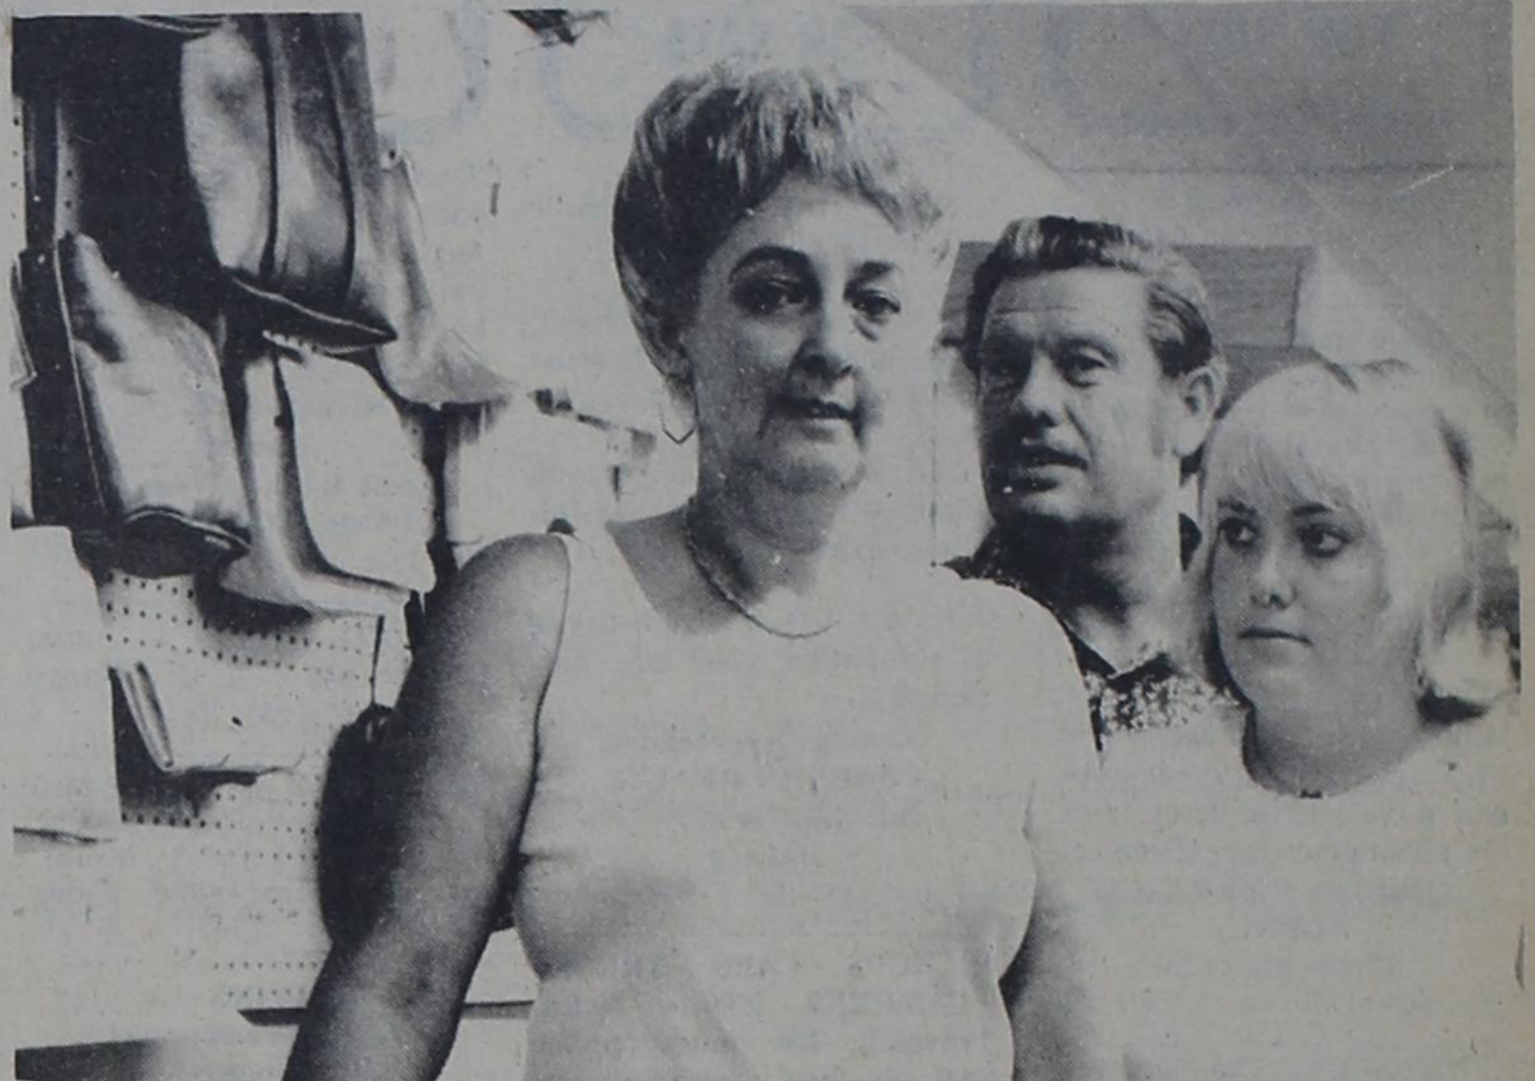

Mis-Use Of Farm-Registered Vehicles Declared Violation

AUSTIN--One of the most common violations of motor vehicle registration laws in Texas is the use of farm registration plates on a vehicle used for non-farm purposes.

Farmers and ranchers pay only half the normal registration fee for plates on vehicles used solely for farm purposes and certain personal activities of farm and ranch families.

The law is specific in stating that a farm-registered vehicle "may not be used for other gainful employment."

"Violation of this statute is considered a misdemeanor punishable by a fine of \$25 to \$200," according to R.W. Townsley, director of the State Department of Highways and

Pictured left to right are Felicia, Arley, and Vilda Bibby of Bibby's Creations in the firm's new location on North Main Street. The newly remodeled store offers a wide variety of gift items, as well as a full line of Bibby's handbags and other vinyl goods.

Bibby's Creations Announces Opening Of New Store Here

The firm of Bibby's Creations celebrated its fifth anniversary on Monday, June 21, in the company's newly decorated facilities on North Main Street, currently housing the office and the wholesale, retail phase of the local business.

In July of 1971, the purse factory was established at the location on West College Street, with only three machines and three operators. The present staff consists of 27 machine operators and six office personnel, including Mr. and Mrs.

Arley Bibby, their son Jack and daughter Velda.

The increase in the number of employees is a prime indicator of the growth and progress of the firm and is proof positive that a small town business can be profitable and successful.

However, the phenomenal growth of the firm, though encouraging, also presented some problems - a lack of space for one. The decision to purchase the present location was made and the remodeling program was begun. This included the partitioning, paneling, carpeting and redecorating of the building which was formerly occupied

by Nichols Cleaners.

The finished product of the remodeling is an attractive and comfortable building which houses the newest addition to the firm, a wholesale and retail store.

"The recent purchase of the stock of the local Western Auto Store was an unexpected development in our plans," stated Arley Bibby, president of the firm. "However, we feel that this excellent selection of gifts will prove to be a definite asset, and we invite our friends and customers to come by and look over our new facilities as well as our new stock of purses and gift items."

Federal Retirees Plan June Eastland Meeting

A dinner meeting of the National Association of Retired Federal Employees will be held on Monday, June 28, at 7 p.m. at the Ramada Inn in Eastland.

Presiding at the business session will be the newly elected President, Al Van de Putte of Ranger. He will be assisted by Vice President Herman Ogden of Rising Star who is membership chairman.

Plans for an extensive drive for new members will be discussed and all Civil Service Retirees and their spouses in the Eastland area are invited to attend and learn about the organization.

Ivan Hardy of Carbon, as Legislative Chairman, will

report on pending bills before Congress concerning federal retirees. Treasurer Kenneth Hill of Ranger will give a financial report and discuss the opening of membership to federal employees who are 50 years or older who have at least five years' employment to join as social members. Visitors are always welcome.

Program Chairman, Jane Van de Putte of Ranger has announced the program for Monday evening will be furnished by the Rising Star members.

Information or application for membership can be received by contacting Secretary Cliffogene Witt, Box 416, Rising Star, Texas, 76471.

Bicentennial Up-Date

By Norma Pernell
Bicentennial Publicity Chairperson
Great progress has been made on the restoration of the Market Building. The front doors have been installed and all the glass has been replaced in the front windows. A special thanks to all that have worked so hard on this phase.

Remember the White Elephant Sale to be held during the July 3, area picnic. If you have anything to donate, take it by the Rising Star Office. The proceeds are to be used to help pay for the restoration of the Market Building.

Please remember to display your American flag every day during the twenty-one day National salute to the flag.

Hope everyone is making plans to attend the festivities that are being planned for July 3 - the parade - the barbeque - the baseball games - all other activities taking place during the picnic in City Park.

CARD OF THANKS

A NOTE OF GRATITUDE

There comes a time to each of us when we feel that we have just received the "Granddaddy of all low blows", and we are sure we are, at last, "down for the count". Then it is that our Master reveals to us the foolishness of our thoughts, for it is at such times He shows us the vast number of friends we have, and the true love and concern those friends have for us.

This I must say: Rising Star is a small town which is blessed with many, many people with tremendous hearts and unstinting love. The dear people of "Our Town" never tire of helping, sharing and caring for others.

It is, now, because of this love and compassion of all my Rising Star friends, neighbors and loved ones, that I am made to realize the tremendous blessings which are mine. We are truly grateful for the many ways so many people showed their concern when I was recently hospitalized and had to have emergency surgery. It was your kindness, dear ones, which helped me through a pretty rough time. I especially wish to express my gratitude to my pastor and the members of my Bible Class who were tireless in their praying and helping. Also a special "thank you" to Fay Knight for her kindness. For the many who thought of me and sent the lovely cards, flowers and food. I am deeply grateful. And to my loving, faithful and attentive husband I am forever grateful.

Signed,
Elizabeth Chamberlain

Muckleroy-Kahlich Vows Exchanged In Slaton

MRS. WAYNE KAHLICH
...former Mileen Muckleroy

Mileen Muckleroy of McCamey became the bride of Wayne Philip Kahlich of Woodrow, Texas, in a ceremony performed Saturday, June 19, at 6:00 p.m. at St. Joseph's Catholic Church in Slaton.

The bride is the daughter of Mr. and Mrs. Mike Muckleroy of May, Texas, and the groom is the son of Mr. and Mrs. Leonard Kahlich of Slaton.

Monsignor Peter Morsch of St. Joseph's Catholic Church in Slaton officiated, assisted by Rick Webb, cousin of the bride, of the Fairview Church of Christ in Austin in the double ring ceremony. Traditional wedding selections were played by Mrs. Glenn Brosch, organist.

BRIDE'S GOWN
Given in marriage by her father, the bride was attired in a gown she designed and made. It featured a tucked satin bodice with lace insets with a Victorian neckline. The gown featured full tucked sleeves of organza, tucked with pearl buttons, and an empire waistline. The skirt was made of satin, and the entire dress was overlaid with organza. The fingertip length veil of bridal illusion fell from a satin and lace covered cap. Her bouquet was of white daisies and baby's breath with white satin

streamers.

The bride was attended by Mrs. Penny Muckleroy of San Antonio, sister-in-law of the bride, as matron of honor. Bridesmaids were Mrs. Marsha Snider of Coleman and Miss Jan Ables of McCamey.

The attendants wore dresses made of yellow dimity with empire waistlines and sashes tied in the back. The long skirts featured wide ruffles at the hemlines and puffed long sleeves of yellow organza. Their outfits were complimented by yellow wide-brimmed straw hats and carried yellow daisies.

Marcy Muckleroy of San Antonio, niece of the bride, was flower girl. Her dress was identical to the other bridal attendants and she carried a basket of yellow rose petals.

GROOM'S ATTENDANTS
Best man was Jimmy Dickens of Woodrow. Groomsmen were Charlie Stephens of Sterling City and Jay Herrington of Muleshoe. Ushers were David Kahlich, brother of the groom, of Colorado Springs, Colorado, and Jim Potter, brother in law of the groom, of Payne, Ohio. The reception was held in St. Joseph's Hall, and the rehearsal dinner was hosted by the bridegroom's parents in their home.

The couple will reside in Woodrow after a delayed wedding trip to Nashville, Tennessee.

SCHOOLS

The bride is a graduate of Howard Payne University and taught in the McCamey Independent School District. The groom is a graduate of Texas Tech University and teaches agriculture in the Lubbock-Sooper Independent School District.

PARTIES

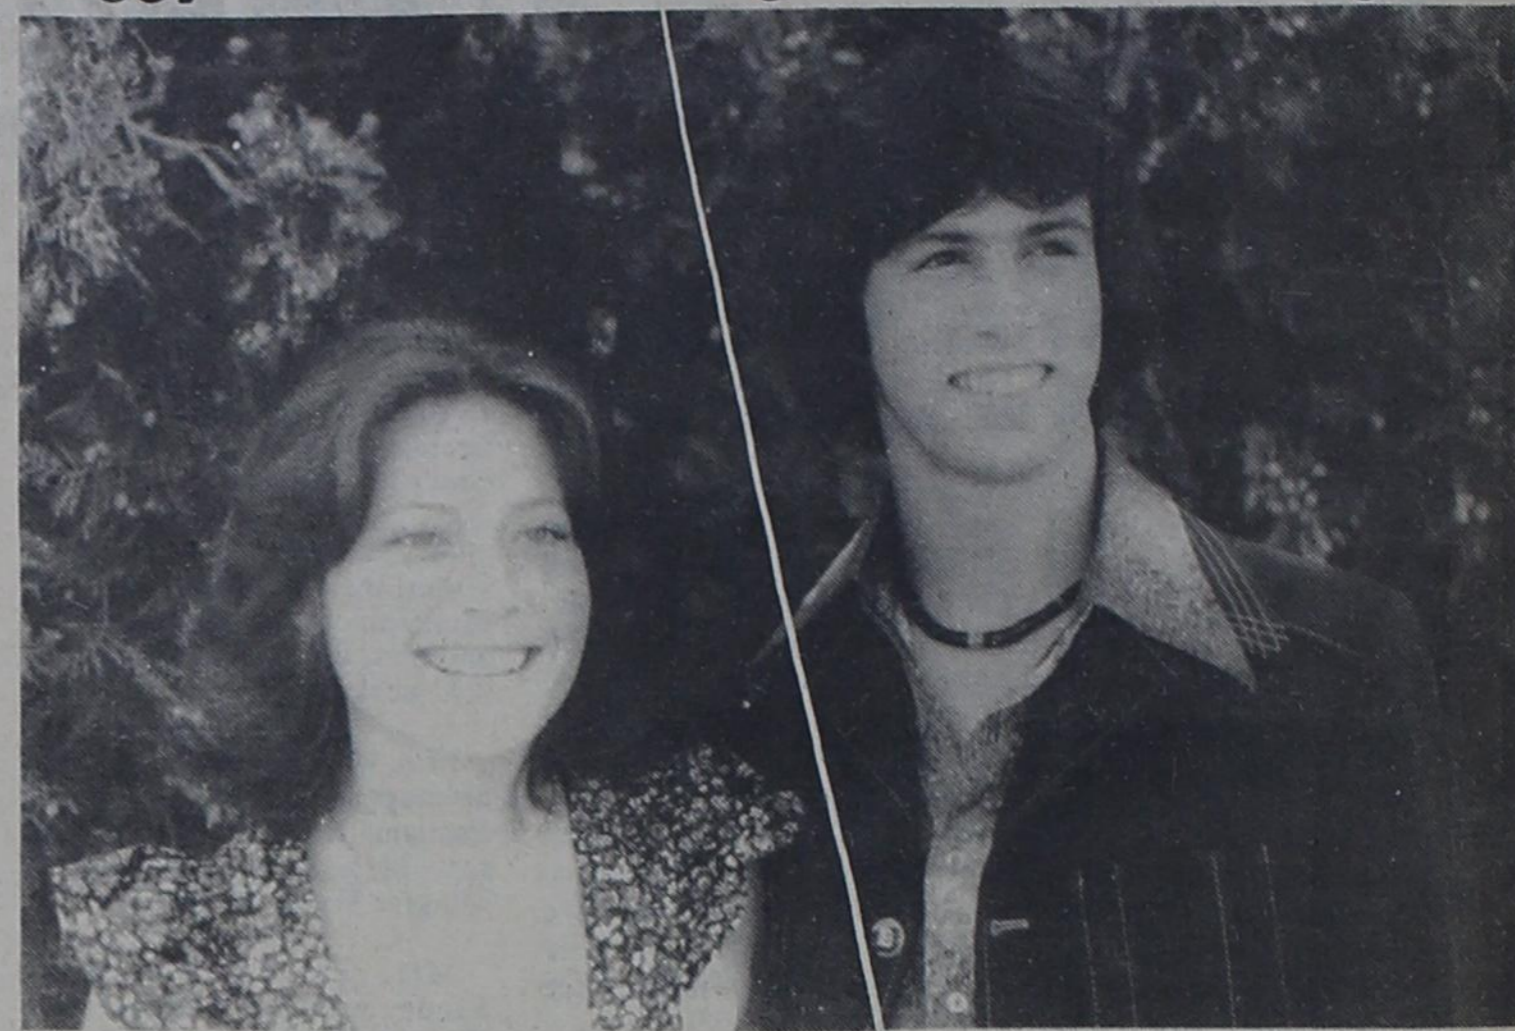

A miscellaneous shower for the couple was given in the May community in the home of Mrs. Dola Ritchie.

A lingerie shower was given for the bride in McCamey in the home of Mrs. Donna Taylor, and a miscellaneous shower for the couple was given in Slaton in the home of Mrs. Geneva Kahlich.

Good-tasting, economical apples come in so many varieties — over the years, more than 7,000 have been named and more than a hundred are grown commercially in the United States today — that you're not likely to taste them all. But you can get to know the difference between the eating varieties — Jonathans and Red or Golden Delicious — and cooking varieties — Greenings and Northern Spies. Some, like Winesaps and McIntoshes, star in both roles.

Some people believe that losing a bunch of keys is fatal.

Peggy Foster, Frank Agnew Plan Wedding

Mr. and Mrs. Edwin Foster announce the engagement of their daughter, Peggy, to Frank Agnew, son of Mr. and Mrs. Jack Agnew of Lubbock.

The couple plans to be married August 14, at the Broadway Church of Christ in Lubbock. The Jack Agnews are formerly of Rising Star.

REDDY'S HELPFUL FREEZER TIPS

LOCK IN FLAVOR: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

LABEL PACKAGES: Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

TAKE ADVANTAGE OF SALES: Avoid overstocking with commercially frozen food that's always available; use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

FROM OUR CHURCHES

Church of Christ

In an effort to discover why more do not see the need for leaving a worldly life or renouncing religious sectarianism to accept the plain, simple and satisfying life, we have suggested that Satan has used the powerful weapons of deceit and prejudice to hinder any objective consideration of the matter by humans. Once these barriers are down, the infinite value of God's way becomes evident.

Another factor which often stands in the way of understanding Gospel principles and declarations is the contradiction between what those who claim to understand and practice it say and what they actually do. The word we use to describe this is hypocrisy. It is certainly nothing new and is definitely not confined to the Gospel context. Jesus spent much of his time rebuking the Jews for their false claims to piety (Matthew 23, etc.). Much of the New Testament was written to deal with weaknesses and faults, in many instances, deliberate and persistent, in the lives of Christians. It was pointed out, in Romans 2, that inconsistency in the matter of Christian practice caused others to have an adverse opinion of the Gospe.

Christians are certainly designed to be "People zealous of good works (Titus 2:11-14); they are described as being "dead to sin...and...bondservants (slaves) to righteousness..." (Romans 6:1-23) they are said to be "new creatures in Christ Jesus..." (2 Corinthians 5:17); they are "transformed" individuals, refusing to "conform to the world" (Romans 12:1-2); they are "lights" and "Salt" and their "Good works" are to be seen and lead others to glorify God (Matthew 5:13-16). The New Testament insists upon this, with no compromise and many do indeed reflect such, to a great extent.

But, while some deliberately disregard God's insistence upon purity and holiness, still claiming piety, and others stumble through weakness, although always trying to do better, this in no way detracts from the value and beauty of God's way. Nor does it imply any impossibility of understanding it. The fault lies in human frailty and not with God. If we look at Jesus, rather than at humans, and follow him and his will, as revealed in the New Testament, we can see plainly.

"Come let us reason together" (Isaiah 1:18) in the Bible Classes on Sunday at 9:30 a.m., on Wednesday, at 7 p.m. and in the Assemblies on Sunday at 10:30 a.m. and 6 p.m.

Because our Summer Evangelistic effort has had to be moved to July 19-25 this year, instead of in August, our Vacation Bible School has been changed to: August 2-6. We are looking forward to one of the best ever, for children, young people and adults.

First United Methodist Church

I was reading several days ago about a daughter who received the doctor's report that her mom had an incurable illness. She walked over to a waste paper basket, took off a small cross she was wearing and started to throw it away. She stopped, thought: "If I discard what that symbol represents, what hope do I have?"

Frustrations strike each of us at times. These frustrations take many forms: illness, fractured relationships with family, boredom of doing the same thing, loneliness and sometimes even our securities drive us to the brink of despair.

In our saner moments we know that there is a loving God at the center of the universe. He started all this with an undefeatable purpose in mind and unless we accept this, life in general is a maze and our own lives are pointless. Only if it is true that God has come among us in Jesus Christ does life have immediate and long range meaning. It was Jesus who indicated that His Father desires us to be at oneness with Him, with ourselves, and with everybody else.

It is the testimony of many persons, including myself, that Jesus Christ does bring meaning and hope to life when He is invited into our lives. He can transform us into caring persons who believe that good and love will triumph finally over evil and hate.

The invitation of Our Lord is extended to every human being, for said He: "Come unto me, all ye that labour and are heavy laden, and I will give you rest." Matt. 11:28.

Our Church will have an all day Planning Retreat on Wednesday, June 30, for members of the Council on Ministries. Mrs. C.A. Claborn is giving leadership to this planning retreat and is asking that all members of the Council be present. The Ladies are asked to bring a covered dish that may be shared at lunch time. The Reverend Jack Riley, our new District Superintendent, has been invited to speak to the group, thus to share his ideas as to what we may become involved in our ministry for our Lord.

Plans are underway for a Great Day on the 4th of July, when we celebrate our nation's birthday. Special music will be presented by our choir, as well as a brief history of Our Church will be given. The message of the day will center upon "The American Dream". We invite all our friends and neighbors to share in this special worship service.

Hubert Taylor

Universal Full Gospel Assembly

God has warned that in the last days there shall be a falling away; therefore, we need to take knowledge of this particular teaching of God's word. In Hebrews 10:23 we read: "Let us hold fast the profession of our faith without wavering; (for he is faithful that promised)." The next verse says, And let us consider one another, to provoke unto love and to good works.

If there was ever a time when people throughout the Christian world needed to receive this message, it is today. Many churches are closed on Sunday

church", and others say, "I can get just as much good out of staying at home and listening to the preaching on TV or radio." Not so, for God's Word expressly commands us to "Assemble ourselves together" and disobedience to His Word is sin. May God help us to heed this admonition in His Word and be faithful to the church of our choice, in reading His Word, in worship and prayer because His coming draws near.

Bible Facts

Jesus Christ described His work to His disciples this way: "It is meat and drink for Me to do the will of Him who sent Me until I have finished His work."

The Bible tells us that man's chief work is not his own work, but rather doing the work of God. "This is the work of God, that you believe on Him whom He has sent." The highest work is the furtherance of the Gospel and the service of the purposes of God.

CANCER ANSWER LINE American Cancer Society
M. D. Anderson Hospital and Tumor Institute

A Detroit businessman writes: "Years ago, you often used to hear about people getting stomach cancer. While I still hear a lot about cancer, stomach cancer doesn't seem that common today. Is that just my impression or have things changed?"

ANSWERline: According to Dr. Walter Lawrence, Jr., American Cancer Society Professor of Clinical Oncology at the Medical College of Virginia, "for completely unknown reasons, the incidence of carcinoma (cancer) of the stomach in both men and women in the United States has continued to decline over the past 45 years. In 1930, carcinoma of the stomach was the most frequent cause of death from cancer in the United States." Please note, however, that stomach cancer is still a major threat to life in countries like Japan and Iceland. Hence, experts are studying environmental factors such as diet to better understand why this disease appears where it does and to whom.

A Cleveland woman writes: "I like to manicure my nails myself and think I get professional results. However, I have had a breast removed because of cancer and I understand that I should avoid cutting my cuticles. What does one thing have to do with another?"

ANSWERline: In some breast cancer surgery, certain lymph glands are removed. Since these glands are part of the body's immune defense system which fight infection, such a patient should take special care of her hand and arm on the side of her surgery to prevent infection from occurring. For that reason, it is wise not to risk cutting skin

when trimming a cuticle. Ask a manicurist for safer ways of accomplishing "professional" hand grooming. For other ideas on hand and arm care written just for women who have had breast surgery, check with your local American Cancer Society Unit.

A college student writes: "When the tension of studying gets to me, I reach for a cigarette and feel a lift. Now I know enough about psychology to realize that the act of smoking offers a form of release, but I wonder about that lift. Is it real?"

ANSWERline: That "lift" may be nicotine in your cigarette which elevates your blood pressure, heartbeats and the amount of blood pumped by your heart. Nicotine releases substances, including adrenalin, into your system which push your heart that much harder. You should also know that adrenalin effects your fat cells causing the level of fatty acids to rise in your blood. This has an accelerating effect on clotting. A combination of these acids and the weakened condition of artery walls from other cigarette smoke gases can lead to hardening of the arteries or atherosclerosis. Nicotine can be a "lift" to heart disease.

Mrs. A.C. Halsell

We hear much said and see much written on "Happiness is..." these hurried times; Also many people seeking happiness and failing to find it. There are many quotes we could pass on but this one is my choice today: "Happiness does not come from without but from within. When you see a person seeking happiness outside himself you can be sure he has not yet found it."

Mr. and Mrs. F.L. Dean of Rising Star, shared their roast turkey lunch with Mrs. Ethel Brown at her home Sunday. Other visitors with Mrs. Brown during the week were Mrs. M.O. Baskin of Lamesa; Mrs. Merle Schooler of O'Donell; Mrs. Jack White of Rising Star; Mrs. Lorena Brandon of Sabanno; and the following Pioneer people; Mrs. Velma Brown, Lou and Dick Grider, Mrs. Gladys Sessums, Mr. Pete Fore and Mrs. John Burleson.

Mr. and Mrs. John Burleson spent the week end in Austin visiting his parents. The exchange student from South America, who has been staying in the home of Mr. and Mrs. John Burleson and attending Cross Plains High School this last term, has returned to her home.

Mr. and Mrs. Pete Fore spent the weekend in Marble Falls where they visited her sisters Vi Harlow and Mrs. Bessie McDaniel and son, Buddy of San Antonio; and her brother and wife Mr. and Mrs. Paul Harlow of Channelview, Texas and her niece, Janet, of Washington state.

Mrs. Sue Burnette visited in the home of her brother Mr. and Mrs. Calvin Roady last week. Others visiting in their home were another sister Mr. and Mrs. Fred Cooper of Breckenridge, Mr. and Mrs. H.A. Freeman of Clyde, Mr. and Mrs. Bob McNeil of Baird, Mr. and Mrs. N.A. Roady of Anson,

Mr. and Mrs. Bob Roady, Cindy, and George of Cross Plains. Mr. and Mrs. Arthur Roady, Art and Calvin of Abilene. Art and Calvin are remaining for a weeks visit with their grandparents.

Mr. and Mrs. Douglas Sessums of Ft. Worth and children and Mr. and Mrs. Truett Dawkins of Sabanno visited Mr. and Mrs. Bill Sessums recently.

Mr. Cowan Hutton celebrated Father's Day at his home with all his children and grandchildren present for Sunday lunch.

Visiting in the Truett Parson home for Father's Day were Mr. and Mrs. Homer Parson, Travis and Warren, and Mrs. Gilbert Pelton and daughter, Teresa of Amarillo.

Many of Mrs. Jean Fore's friends surprised her with a Birthday party at her home Monday afternoon. Yellow candles and white lace tablecloth decorated the table from which pineapple punch was served, with cake. This was done in appreciation of her and her many contributions, over the years, to the community.

All children and grandchildren and one great grandchild of Mr. and Mrs. Hiram Foster were home to celebrate Father's Day Sunday. Mr. Foster's brother Mr. Levi Foster, his daughter Troylene and husband Bob of Ft. Worth were also visitors in the Foster home Sunday.

Mr. and Mrs. J.T. Beggs were hosts for a barbecue supper at their home last Saturday night. Those attending were Mr. and Mrs. Sam Beggs, Mr. and Mrs. Randy Beggs and children and Mrs. Doug Craig all of Eastland; Mr. and Mrs. Sam Beggs of Ft. Worth, Mr. and Mrs. William Beggs of Austin, Mr. and Mrs. Rusty Beggs and daughters of Lincoln Arkansas, and Mr. F.D. Beggs of Longbranch Community.

I.C.A. Applauds Passage Of Estate Tax Reform

AUSTIN--The head of the Independent Cattlemen's Association Friday hailed Senate committee passage of estate tax reforms as a major step toward saving the nation's family farms and ranches.

ICA President, T.A. Cunningham of Golaid said he is hopeful that the full Senate will act before the end of the year on the measure approved by the Finance Committee.

ICA, whose 100,000 plus members form the largest livestock organization in the nation, has waged an all-out campaign for estate tax reform for almost two years.

The Finance Committee's bill would replace the existing \$60,000 exemption with a \$30,000 tax credit which would gradually increase to \$50,000 in 1981 and would for the first time see agricultural lands assessed at productive instead of market

value. Cunningham pointed out that the \$50,000 tax credit is equal to the \$200,000 exemption figure ICA has supported.

"This is a realistic, common sense figure in light of the inflation in land values and equipment cost in the 34 years since 1942 when the present \$60,000 exemption was set," Cunningham said.

He said the failure to reform the estate tax will mean further forced liquidation sales of family farms to pay the "widow's tax" and would lead eventually to a total takeover of America's agriculture by large corporate operations.

FIRST STATE BANK presents...

FIRST STATE BANK CLUB

Membership in our new Club eliminates fluctuating bank charges by providing all the banking services you are likely to need — plus additional benefits which you may not have expected. Look at the services you get and we think you'll agree... it's like having the whole bank (and more) out working for you.

THE GOOD

1. Unlimited Checking with No Activity Charge.

It's your money — why pay extra just to use it? As a Club member you can write as many checks on your account as you like, with no extra monthly activity charge.

2. \$10,000 Accidental Death Insurance Coverage.

Worldwide, on and off the job blanket coverage by Insurance Company of North America, divided equally on joint checking account members (Sum reduces to 50% at age 70, and 25% at age 75).

3. Personalized Checks at No Extra Charge.

Get all the wallet size checks (and deposit tickets) you need, in a variety of colors, numbered and imprinted with your name, address and phone number — at no extra charge.

4. Club Membership-Identification Card.

Your Club membership card comes with your account number and name embossed. It makes all the Club services available to you at the bank, serves as a check-cashing identification card, and can be used to get national discounts.

5. No Fee Travelers Checks, Cashier's Checks and Money Orders.

As a Club member, you'll no longer pay service fees for travelers checks, cashier's checks, and money orders purchased at the bank.

6. Automatic Membership in Gift of The Month Club.

Members will automatically belong to the Gift of the Month Club. Each month you will have the opportunity to purchase a nationally known item at a Club discount. Some of the participating companies are Magnavox, Proctor Silex, Thermos, Black & Decker and many more.

THE BAD

Trouble is, our new Club is such a good value, it makes your present checking system look bad. Compare them both, we think you'll agree.

THE UNBELIEVABLE

You get all these services as a member of our Club, and the cost is just \$3.00 a month—less than many people spend for a checking account alone! It'll only take a few minutes

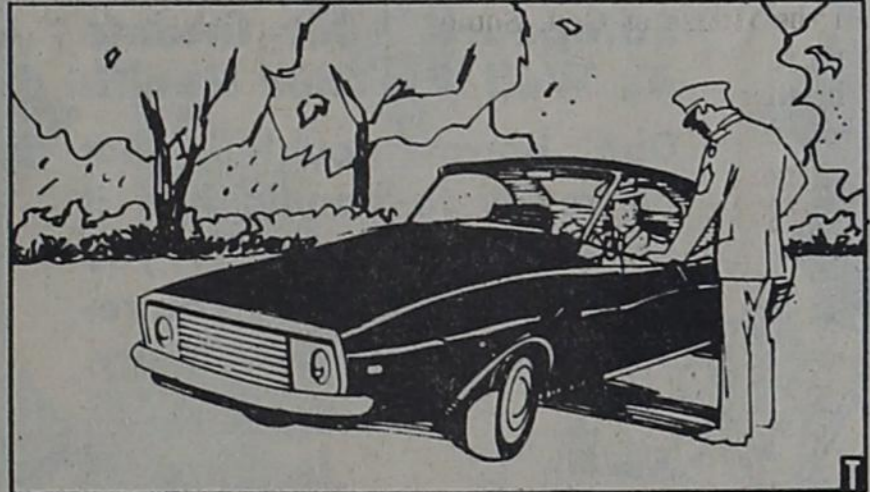

of your time to join the Club. If you're not already a member, just ask about it at First State. Where banking is still a very personal thing.

U.S.D.A. Expands Child Nutrition Programs

Federal food donations to child nutrition programs will be expanded under amended regulations announced today by the U.S. Department of Agriculture (USDA).

These changes in USDA's food distribution regulations are in line with recent amendments (P.L. 94-105) to the National School Lunch Act and the Child Nutrition Act of 1966.

Today's changes will permit residential public or non-profit private child care institutions to obtain a wider variety of USDA-donated foods for school

lunch and school breakfast programs. The amendments also will make USDA food

donations available to non-residential institutions providing food service to children under two new programs authorized by P.L. 94-105--the Summer Food Service Program and the Child Care Food Program. Under the latter program, a state may elect to receive all cash instead of donated foods.

Under the amendments, such institutions as homes for the mentally retarded or emotionally disturbed, homes for unwed

mothers and their infants, temporary shelters for abused or runaway children, juvenile detention centers, orphanages, and hospitals for chronically ill children will now be considered "schools" for the purpose of participating in school lunch and school breakfast programs.

These facilities were formerly classified as "Institutions", and could receive only a limited variety of USDA-donated foods based on the number of needy children they served. As "schools", however, these facilities may now receive the full array of foods USDA provides to child

nutrition programs, without regard to the number of needy children served.

In addition, the amendments announced today require that at least 75 percent of federal commodity assistance to school lunch programs be in the form of donated foods. Previously, the National School Lunch Act mandated a specific commodity assistance level of 10 cents per lunch, to be provided either in commodities or cash, but set no minimum level for donated foods.

Several other administrative changes are contained in this rulemaking, which appeared in the Federal Register of Friday, June 18. The amendments were effective upon publication.

A.C.U. Announces Homecoming Plans

Abilene, Tex.--"Getting to Know You" will be the theme of the 1976 homecoming activities at Abilene Christian University Friday and Saturday, Oct. 15-16, on the ACU campus, according to Mrs. Amos (Dewby) Ray, ACU director of alumni campus activities.

"This theme reflects the desire of the Alumni Association to have alumni from all over the world to come back to the campus and get reacquainted

this year", said Mrs. Ray. "This would be an especially appropriate year because it is also the 200th birthday of our nation".

Mrs. Ray noted that the theme was also taken from a song in the 1976 homecoming musical, "The King & I." The song, "Getting To Know You," is sung by "Anna" during the musical.

The musical is scheduled for four performances, Oct. 14-17, in the 2,200-seat Ablene Civic Center. The Thursday through Saturday performances are slated for 8 p.m., and the Sunday matinee is slated for 2 p.m.

Tickets to each performance of the musical are priced at \$4, \$5, and \$6. Mail orders only are being accepted at the present time, and orders should be directed to "ACU Theatre," ACU Station, Box 8186, Abilene, Texas 79601. All mail orders must include a self-addressed stamped envelope.

Also scheduled during homecoming weekend will be reunions for the classes of 1931, 1936, 1941, 1946, 1951, 1956, 1961, 1966, 1971, and 1976. It will mark the 25th anniversary for the class of 1951.

The weekend will also feature the homecoming football game between ACU and East Texas State in a Lone Star Conference match on Saturday (Oct. 16) at 2 p.m. in Shotwell Stadium in Abilene. A full schedule of homecoming activities will be announced at a later date.

National Search Reveals Rare Glass Bottles

Americans are discovering treasures in their homes as a result of a nationwide search by the Glass Container Manufacturers Institute (GCM), to find the six oldest and most unusual American-made glass containers.

GCM, the glass industry's trade association, is offering owners of the six winning bottles a trip to Jamestown, Va., Glasshouse, the site of America's first industry, plus Colonial Williamsburg.

Bottle owners are invited to have their containers appraised at GCM's traveling

Bicentennial exhibit, "A History of Our Country As Seen Through Glass," which is currently visiting shopping centers and state fairs throughout the country. Cities on the tour include San Francisco, St. Louis, Washington, Chicago, Springfield, Mass., Detroit, Atlanta and Columbus, Ohio.

Galleries, bottle dealers or professional collectors are ineligible to participate in the search.

May News

Entha Campbell

Dear Sis,

We had a very delightful reunion last week. We had an exceptionally large crowd. We had a new cousin who had never been there, Mrs. Hazel Steel of Dallas.

Everyone said to tell their "Kissing Cousin" that we missed both of you and to tell our sons and family hello when we wrote.

My recipe this week is chicken spaghetti. Cook one large chicken, bone and cut in small pieces. Add 3/4 c. olive oil, one large onion, 1 1/2 c. cut celery, 1/2 c. green pepper chopped, one 2 oz. jar pimentos, one 14 oz. can of tomatoes, 2 cans mushroom soup. Mix all together and simmer 1/2 hour. Cook 12 oz. of dry spaghetti in chicken broth. Put alternate layers of spaghetti and sauce in large baking dish. Place in slow oven for one hour.

Mr. and Mrs. Verdell Haney and Mr. and Mrs. L.L. Haney enjoyed a weiner roast in the home of Mr. and Mrs. Wayne Bruton on Saturday evening, June 19. The three couples also had a Fathers Day dinner on June 20, in the Bruton home.

Mrs. Mary Michaels remains in the Brownwood Hospital for a few more days. She plans to come home soon.

Mrs. Mae McCary is home from the hospital, but she is not feeling well.

Mr. Warren Devers of Amarillo visited his parents, Mr. and Mrs. Lee Devers last week.

An appreciation supper was given in the May Home Demonstration Club house Monday night for all of the Precinct No. 2 employees and their families. The supper was sponsored by the M.H.D.C.

The honored guests were Mr. and Mrs. Raymond Boyd, Mike and Wayne; Mr. and Mrs. Jerry Burnett, Bobby, Terry, and Sissy; Mr. and Mrs. Junior Michael; Mr. James Jackson and James Jr.; Mr. Herman Epley and Jamie; and Mr. and Mrs. Cotton Robason.

They all are very active in community affairs.

The club members and guests were Rev. Estill Allen who offered the invocation before supper; Mr. and Mrs. Wayne Nelson, Janet and Kenny; Mr. and Mrs. Ben Cook, Mrs. Ed King, Mrs. Dola Ritchie, Mrs. Mike Muckleroy, Mrs. Dorothy Harris, Mrs. Margaret Livingston, Mr. and Mrs. O.C. Allen, Mr. and Mrs. John Ralph Hardy, Mr. and Mrs. Marshall Campbell, Mrs. Alta Alexander, Mrs. Vern Gilmore, Mrs. Mae Underwood, Mrs. Etta Altum, and Shallon McCallie.

AMERICAN BICENTENNIAL 1976

Twilite Acre News

BY JANICE HARVEY

Welcome to our new resident, Mr. Lee Weathersby, we are glad to have him with us.

Twilite Acres welcomes two new employees--Mrs. Angla Foster in the Dietic Department and Mrs. Janice Harvey as Activity Director. We will certainly miss Mrs. Lucy Burcham, who has been with us since January, 1972 and has been a most versatile and capable employee. Jo Hubbard will be leaving us June 22 and she too, had truly been an asset to the nursing home.

Nell Barnes, daughter of Mrs. Ethel Barnes and Bryant Houston, (resident) entertained Sunday afternoon with piano and fiddle music. It was very good and enjoyed by all.

Jerry Underwood and family are vacationing down at the Coast so Jewel requests that you save all gripes and problems until July 1, with Jerry returns.

Mr. and Mrs. Edwin Shearow of San Antonio were guest of their grandfather, Mr. George Williams.

Visiting Maggie Groce and Emma West were Grace Morrison, Robbie Henderson, Ada Clark, Mr. Duke, Mr. and Mrs. Allen Hines and Bonnie of Eunice, New Mexico, Della Webb, Billy Morrison, Fannie Baker, Lynn Morrison, Kathryn Goss, Nadine White and Caudell Howington.

Visiting Hattie Boatman was Lolene Claborn and Edna Thompson.

Ethel Degman enjoyed a visit to May with her daughter Mrs. Lee Roy Chambers.

Visiting Mr. and Mrs. Thurman Garner was Mr. and Mrs. Sanderson of DeLeon, cousins of Mrs. Garner.

Visiting Bet Millwee was Mrs. Della Webb, Rev. William M. Gibson of Brownwood and Mr. and Mrs. Gail Lenord of Ft. Worth and Mr. and Mrs. N.L. Leonard of Sipe Springs.

Josie Hammond was visited by Mrs. Clara Thomas from Arlington and Kay and Joseph Pollock.

Visiting Mrs. Carl Irby was Rev. and Mrs. J. Roy Hanes from Coahoma, Texas.

Visiting Mrs. Carl Irby was Rev. and Mrs. J. Roy Hanes from Coahoma, Texas.

Visiting Beatrice Hellums were her daughters and families Era and Hosca Bratton.

Mrs. Ethel Barnes and her daughter, Nell Barnes of Dallas spent Sunday evening in Cross Plains.

Visiting Mrs. Lola Golson were Mrs. Odell Golson and Lillian Harris from Burkett and also Velma Cross.

Visiting Mrs. Medford were Mr. and Mrs. Bob Medford, Radie King, Cordie Wolf and Opal Hill.

Visiting Lorene Williams was Conrad Vernon from Longview, Texas.

We had a lovely week--42 and dominoes was enjoyed by all on Thursday and Friday--white swan and made in the craft room and another lovely baby quilt was quilted. We have a need for Bingo prizes and also old beads and sequins, if you have these items we could use more of them and also felt. Thanks for all the support you have given while I was Activity Director and please help Janice Harvey. She is a lovely person and May God Bless you all. Again Thanks to everyone with whom I've come in contact with during my job activities. Jo Hubbard

THE GREATEST MAN WE KNEW

By Jamie Clark

In all the many months and years

You never saw a single tear. For if he wasn't smiling He was drinking his coffee. He was talking of his crazy size

And having fun teasing me, Along with his great life. He also had a beautiful wife Who could understand all sorts

With a heart that must have been made of sweet tarts, May the one who has lost the most

Be especially proud for the utmost.

She has the beautiful memoirs That no one woman could restore.

She will be lonely and mourn But wait for the Sun of the next morn.

The sun will shine and the pups will whine. But remember all life has only the beautiful word called "Time".

May God Bless You and Be With You.

MEMBER TEXAS PRESS ASSOCIATION

TOWER TALKS

by U.S. Senator for Texas JOHN TOWER

Humphrey-Hawkins

WASHINGTON—If you believe in Santa Claus and the Easter Bunny, then the Humphrey-Hawkins Full Employment and Balanced Growth Act is for you.

The Humphrey-Hawkins bill is purported to be the greatest cure-all since they stopped selling that medicine show elixir that was supposed to heal everything from consumption to warts. The bill is supposed to wipe out unemployment, even out recessions and hold down inflation—and do it all at negligible cost to the taxpayer.

There are two parts to the Humphrey-Hawkins bill. The first part would set up a mechanism for central economic planning. The second would set into motion a massive—and frightfully unrealistic—public jobs program.

The first part of the bill would, among other things, declare the right of every adult to a well-paid job, and establish a goal of three percent adult unemployment within four years after enactment.

The second part of the bill would set up a variety of jobs programs to be used if other methods failed to bring unemployment levels down to the three percent target.

Pay scales for all the jobs programs would be set according to a formula provided in the bill. In general, wages for public services jobs would be equal to or higher than those prevailing for similar jobs in private industry.

All these goodies don't come cheap. Sponsors of the bill admit it would cost from \$20 to \$40 billion a year. More impartial economists think the cost could exceed twice that amount.

Nothing better illustrates the "Alice in Wonderland" quality of Humphrey-Hawkins than the goal of three percent unemployment. An unemployment rate that low has been achieved only for a brief period in the last 30 years, and then only at the price of war and rampant inflation.

A renewal of double digit inflation which would destroy more jobs than the bill would create would be, in fact the most likely consequence of passage of the Humphrey-Hawkins bill.

To begin with, the bill would attempt to reach its full employment goals with the kind of bureaucratic tinkering with the economy that led to the recession we are just now recovering from.

If the economic tinkering failed—as history indicates it would—the various jobs programs would go into effect. However funded, the effect of the public service jobs programs would be to take employment away from the productive sectors of our economy to put people to work on makework projects.

There is a way to fight unemployment effectively. That is to make it possible for the private sector to expand and produce more jobs, real jobs that contribute to the economic well-being of all Americans.
