## IT'S THE LAW IN TEXAS

### NEW YEAR'S RESOLUTION: KEEP RECORDS!

Back in pioneer times our forefathers found they could keep track of the family history pretty well with a few notations on the flyleaf of the family Bible. But life's not quite that simple any more. Great grandpa wasn't covered by social security or workmen's compensation. He didn't have a bank account or safe deposit box, a car and a dozen home appliances being bought on time payment, or a half dozen insurance policies. We have taxes great grandpa never heard of and wouldn't have believed if he had. And had you asked him for a certificate to prove his birth, he'd have thought you'd taken leave of your senses.

The point of this is that the average American today has a good many important papers to keep track of. There are birth certificates, receipts, copies of tax returns, sales contracts, and a host of other papers. With a little tidy record-keeping, you can make life easier for yourself and your family when you are gone.

So, why not make a New Year's Resolution to follow these suggestions:

1. Get a heavily bound notebook folder or file folder as a central collecting point for all the records of your affairs.
2. Put your especially important papers in your safe deposit

box, but make a list of those papers and a brief summary of their contents to put in your home file.

3. Get for your files copies of birth certificates for all members of the family, and add them to the file. Add your marriage license or at least a statement as to when and where you were married and by whom.

4. Insert your will or a copy of it. If your will is kept elsewhere, include a note telling where it may be found.
5. During the year, put into the file your income tax withholding statements and receipts for expenditures which may be deductible. Then keep a copy of each year's tax return in the file.

6. Make a list of all the stocks and bonds you own and where they are.

7. List all the places you have lived and worked and the names of persons there whom you know. Include the schools you have attended and the dates you left or graduated.

8. If you may have benefits coming under a profit-sharing plan where you work, make a note of that too.

9. If you're in doubt about whether an item should be included, put it in.

This takes time initially, but it will save you both time and worry in the long run.

## I GIVE YOU TEXAS

By Boyce House

Cheyenne is really Western in invigorating atmosphere and in color. There's a block which consists (on both sides) mainly of Western clothing shops, curio places, saddle establishments, bars and pawn shops. However, the Plains Hotel was featuring Saturday night dancing, along with lobster and champagne!

In the Cheyenne Library, there are — on the open shelves — two copies of "Banditti of the West." If you say, "So what?" consider these facts: the book named names of Wyoming officials and prominent citizens who were allegedly connected with "the Johnson County invasion" by an army of imported gunfighters who were paid so much a day and were to receive a bounty of \$50 for each man they killed from a long list.

The book was suppressed; the plates destroyed; and the author was put out of the publishing business. Copies were checked out of libraries and were "lost" or came back with pages cut out.

The book was re-issued a few years ago by the University of Oklahoma Press with an excellent introduction by my friend, W. H. Kittrell of Dallas.

So in Cheyenne — which is where the special train taking the "army" to the scene of action started from — I read the account and their deeds in the quiet of the public library.

A governor was removed from office by impeachment. One of the terms of the verdict was that he was forever barred from holding office in the state. Political experts said that his career was at an end and dismissed him from further consideration.

Several years passed and the former governor sought to run for the position he had held but his name was barred from the ballot by court action.

So his wife filed as a candidate. Time had mellowed men's

written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

minds and many felt the original verdict, if not unjust, had been too severe and she was elected.

There came before her an application for a pardon. The applicant was a former State Senator who had voted to impeach her husband. It would have been the natural thing for her to have decided, "This man helped drive my husband from office; by his vote he cast a shadow over the name I share; he showed no mercy and he deserves none in his turn."

But instead she studied the record, decided that he had been punished sufficiently and so she signed the pardon.

## Income Tax and Social Security School Jan. 15th

The date for the annual Eastland County income tax and social security school has been set for Monday, January 15, in the county courthouse in Eastland, according to County Agricultural Agent J. M. Cooper who planned the affair for the benefit of the farmers and ranchers.

The meeting will be held in the county courtroom on the third floor of the courthouse. It will begin promptly at 9:30 a.m. and will be concluded at about 3:30 p.m. with time out at noon for lunch it was said.

Sid Jenkins, Stephenville, Area Farm Management specialist of the Extension Service will discuss changes in the tax laws, farm and ranch expenses, sales, dividends, cash or accrual method, agricultural program payments, trades and exchanges, taxable and non taxable items and other income tax matters.

R. R. Tuley, Abilene, district supervisor of the Social Security Administration, or a representative of his office, will discuss changes in the social security laws, according to Mr. Cooper.

The school has been an annual affair for the past several years. It is free. It has resulted in many of the farmers being better informed on income tax and social security matters and has resulted in considerable savings to some according to reports.

## Bridge Players Invited To Join Duplicate Club

Cisco — A duplicate bridge club was organized in Cisco, at its first regular meeting on Monday, January 8, at 7:30 p.m. Weekly sessions will be held on Monday nights at 7:30 p.m. in the library of Cisco Junior College. Cisco Junior College is one-half mile north of Cisco on U. S. Highway 390, and the library occupies the second floor of the administration building.

All interested bridge players in Callahan, Shackelford, Stephens and Eastland Counties are invited to join this new duplicate bridge club. Duplicate clubs are already in existence in Breckenridge and Gorman, and there are over 10,000 clubs now in existence throughout the U. S. Dues are \$1.00 per year, with 50 cents payable each time the player attends a session. Attendance is entirely optional. Fractional Master Points will be awarded each session, and full Master Point sessions will be held the second Monday of each month. Series games, Winners' games and charity tournaments will be held during the year, with additional master points and trophies being awarded.

Membership in the American Contract Bridge League is optional, costs \$2.00 per year, and entitles players to have master points recorded at ACBL headquarters, to play in any duplicate club over the U. S., and to receive the monthly bridge magazine, "The Bulletin."

Present day duplicate is very easy to play, and players do not have to be bridge experts to enjoy the competition and fellowship of duplicate bridge. Further details may be had from Lloyd L. London, Director of the Cisco Duplicate Club, Cisco, Texas.

## NEW YEAR'S RESOLUTION

It is the time of year when everyone begins to think of New Year's resolutions. When you make them, however, do you consider only the betterment of yourself? Most people resolve to give up something which is a detriment to themselves or they try to be a "better person". These things are fine in themselves, but why not resolve to give more to other people and strive toward the betterment of our society and peace?

Some people are becoming self-centered, mainly because they have more leisure hours in which they do nothing but sit and think of themselves. They think of how hard they are forced to work in order to make a decent living; they never stop for a moment to consider the people in other parts of the world who barely have enough to eat or a roof over their heads. These people are probably more unselfish than the one who pities himself because they know what it is like to be without food and shelter.

The struggle for peace is going to be a long, hard road. It seems that we are dealing with people who are determined to have their way — no matter what. We should resolve to become better acquainted with the situation in the future by reading, forming our own opinions on the subject, and believing in these opinions. We must also help others to see which is the right way and lead them in that way.

"Each one teach one" could be a good motto for all of us to live by. By doing this and trying to help others, we can become better persons, gaining a better understanding of people and a sense of doing something useful.

## "THE CREAM OF THE CROP"

The Senior class is starting the year off right with these New Year's resolutions.

Jody E. — I'm going to get me a Corvair!

Sherry A. — I'm going to keep the road hot!

Butch B. — To keep twisting!

Skipper E. — To stick to my T.V. program — "The Untouchables!"

Franklin C. — I'm going to buy "Andy's"!

Mary Jo — To hear "Under the Double Eagle Rock" just one more time.

Larry H. — "Florida, here I come."

Bobby G. — To blow my car up again!

Joan H. — To change my name from "Pinky" to "Big Five Mama."

Wanda W. — To lose at least 10 pounds and go with a certain good-looking boy.

Shirley H. — To keep trying to get a hat like Covie's.

Kathy W. — C. C., I mean C. J. C. — Here I come.

Lynda E. & Linda C. — We are going to form a corporation of Lynda and Linda's Car Wash!

Ricky — "I resolve to get

along with my teachers better."

Sue B. — To beat that pan louder!

Jarrell — "If you need any help — just call on me!"

Linda K. — To get along better with certain people from a certain nearby town!

Dick M. — To invent a leg without a knee cap!

Carrol H. — To be the first girl to join the Air Force!

Rosa — To be valedictorian.

Pat D. — To be kinder to my typewriter!

Maria G. — To improve my correspondence to a certain place namely — College Station, Texas.

Louise — To be a very efficient secretary in the near future!

Dale C. — To get my book reports in on time!

Worley M. — To come to school at least three days a week!

Kay W. — To always get my notes in on time.

Johnny J. — To be the best all around bachelor!

Carlos — To get that first date with a certain Junior girl.

We also selected the Who's Who for the Rising Star High School this year. They are as follows:

Girl Most Likely To Succeed — Linda Koonce.  
 Boy Most Likely To Succeed — Dick Morrow.  
 Friendliest Girl — Kay Witt.  
 Friendliest Boy — Franklin Cox.  
 Smile Girl — Mary Awalt.  
 Smile Boy — Franklin Cox.  
 Most Beautiful Girl — Shirley Hageman.  
 Most Handsome Boy — Butch Butler.  
 Best All Around Girl — Sherry Aaron.  
 Best All Around Boy — Johnny Jones.

Congratulations! We are especially proud of the results for they are all from the Senior class.

The midnight oil is beginning to burn as we are having finals. Wish us luck.

## JUNIOR NEWS

Hi there,

Have a nice holiday? Gee, it seems sorta odd to settle down to school routine again. Last week certainly proved to be a busy one for all concerned. First, the ball game Tuesday night and then we were in the Early Tournament over the week end. This week has been a busy one, too, what with reviewing for exams and taking exams themselves. Thank goodness they are over, and now as a final climax we Juniors are looking forward to the Football Banquet tomorrow night. The Cheerleaders are responsible and I know they will ave a good one this year.

May I congratulate all the Seniors who had the honor of winning Who's Who; we know they deserved it.

Professor Ludwick Van Donham (not really but it sounds good) has a speech defect — he can't pronounce parallel-gram.

I'm afraid we have another Silas Marner in our class — K. N. thinks it's cheaper to go to the banquet alone rather than pay for an extra plate!

This is just a reminder to Darwin; no mistaken identity of coats tomorrow night, okay?

That's about it 'till next time.

Bye for now,  
 Katy

P. S. Tommy A. — Say you have problems? — or embarrassing moments!

## UPWARD AND ONWARD

We are back from our vacation now and hard at work finishing midterm examinations today and tomorrow. Most of us are saying, "Thank goodness for exemptions!"

At last we are getting ready for the Football Banquet, which is tomorrow night, January 12. Cheerleader try-outs are tomorrow, and I know all the girls coming out in our room are scared speechless, which doesn't work too well; good luck to all of us!

All of the football boys are freezing; however, the new jackets are unusually pretty.

And now, Sophs, let us read and re-read our motto in 1962 — "UPWARD AND ONWARD".

Harriet

## FISH BAIT

Guess what week this is, Freshmen? Yes, mid-term! Get those brains in gear and get busy!

Everyone seems to have had a wonderful vacation during the Christmas holidays. So much good food to eat, so many presents to open, and no lessons made everyone rested and happy when he came back to school last Monday. But now — ?

Three Freshmen boys failed to get what they needed for Christmas; therefore, they borrowed three from Mrs. Claborn. Your names went down — Jay, James and Tommy.

We are looking forward to a very nice football banquet tomorrow evening. Everyone is really excited, such as L. B. and J. C.

We want to congratulate Sherry Jones for being the second Freshman girl to receive an team basketball suit — Anna Ezzell being the first; you girls are doing a fine job.

The football jackets arrived last week. Four Freshman boys were lucky enough to earn one. Terry, Larry, Garry and Frazer, we are so proud of you.

We'll be looking for you next week if we survive our exams.

## DO - RE - MI

The stage band is proud to announce the arrival of a new Selmer baritone saxophone. I might add it was greatly appreciated and badly needed. We are going to Dallas, February 17, and Brownwood, February 23. The band will also play for the coronation in February. We have finally decided on black

velveteen sheaths for the girls with the boys in dark suits.

Here are the Majorette election results: Drum Major — Judy Lewis; Head Majorette — Sharolyn Roach; Majorettes — Sherry Jones, Jan Shults, Patsy Stephenson, and Vondell Atwood. Congratulations, girls! We know you will do a fine job. The graduating Senior twirlers are: Drum Major — Maria Geyer; Head Majorette — Mary Awalt; Majorettes — Linda Koonce, and Wanda Walker. These girls did a wonderful job of leading the band, and their graduation will leave an empty spot in the band.

By the way, Charlene, what did Charles overhear? Kenneth, glasses are to be worn not to be placed in your pockets and forgotten!

That's all this time. See you next week!

Sharon Donham

## WITH THE F. H. A.

We are glad to be back from the Christmas holidays. I hope all of you that read the "Wildcat Tales" had a Merry Christmas.

The third year homemaking girls are going to begin cooking the next term. They usually learn to prepare meats and homemade breads.

The second year girls are also going to begin cooking. We have turned in our home ex-

perience reports and are now giving reports to the class.

Our Freshmen finished their cooking last semester and will begin sewing the last half of the year. We wish them luck; don't we, Sophomores?

That is all for this week and I want to wish you all happiness for 1962!

Cherry

## WITH THE CHEERLEADERS

The cheerleaders are again starting the preparation for the Football Banquet, which they sponsor each year.

Tryouts for cheerleader will be held on Friday morning, January 12, at activity period. The results will be given at the banquet that night.

The banquet will start at 6:30. There will be fun and entertainment for all the students, faculty members, and board members who attend.

Joan

## GIRL'S SPORTS

We are back playing basketball again after the long Christmas holidays.

Our first game was January 2 with Bangs, which we won — 55-29.

January 5 we began the Early tournament playing Goldthwaite and on January 16, we begin District play with Desdemona as our first game.

January 19, we play Olden. We would like to see all you Wildcat backers at the games to cheer us on to victory.

## North Star Club Off To Good Year's Start

The North Star HD Club got off to a good start for 1962 at its meeting January 2. Mrs. Clara Burkhead, president, presided and the devotional was led by Mrs. Ethel Clark.

In the absence of the council delegate, Mrs. Mattie Shults, the report on the council meeting was given by Mrs. Burkhead. Committees were appointed and hostesses for each month volunteered.

The Club voted to continue selling greeting cards for all occasions. Mrs. Jesse Perry is in charge of this project.

It was voted to have "secret pals" once each quarter.

Mrs. Burkhead, the hostess, served chicken salad, wafers, cookies and coffee to Mmes. Jesse Perry, Nora Carroll, Ella Wells, Effie Parker, Wilza Harris, Rufus Pierce, C. E. Baker, Hattie Goss, Kelsey House, Rosa Roach, Ethel Clark, Beyrl Heath, Will Ware and T. C. Crisp.

The next meeting date will be January 16 at the club house. Visitors and new members are invited.

### Eastland County Eligible For Great Plains Conservation Program of SCS

Eastland county is eligible to participate in the Great Plains Conservation program, the program was created by the national congress in 1957 to speed up the conservation of soil and water resources in the great plains region of the Nation. Eastland County, although an eastern fringe county, was designated as one of the counties eligible for participation.

The Great Plains Conservation program is a voluntary program. A designated county decides to participate or not to participate. Individual farmers and ranchers in participating counties enter into an agree-

ment with the Secretary of Agriculture voluntarily.

At the beginning, a farmer or rancher enters into the agreement with the Secretary to carry out a conservation plan for his farm or ranch. He agrees to apply the needed practices according to a planned schedule which he works out with the help of local men trained in the best farming and ranching methods known for the area.

Farmers and ranchers carrying out contracts in the Great Plains find the program a real help. A complete conservation plan can be carried out at a stepped up pace. This gives the best drought defense science

and farmer - rancher experience have been able to work out for agriculture in the area.

The farmer or rancher has in the Great Plains program a long term contract that guarantees cost sharing to complete his conservation plan. It is especially suited to the man who depends entirely upon farming or ranching for a livelihood. The contract can be modified to meet changing conditions.

The farmer or rancher can get up to an average of \$2,500 a year as the Government's contribution in cost sharing payments for work on his farm or ranch. The minimum contract period is three years, the maximum ten. If all work needed can be accomplished in less than three years, chances are that some other program will fit his needs. Prompt cost share pay-

ments are made to the farmer or rancher as portions of his soil and water conservation plan are completed.

The Great Plains Conservation program is geared to the going program of soil conservation districts in the area. To get an eligible county designated for participation in the program, the soil conservation district serving the county must request that the Secretary of Agriculture budget funds for the county.

Farmers and ranchers in Eastland County can petition the Board of Supervisors of the Upper Leon SCD to request funds from the Secretary for the County's Great Plains program. Information concerning the Great Plains program can be obtained from the agricultural workers serving Eastland County.

### Tarleton To Host League Conference

Tarleton State College will be host to students from high schools in the north-central section of the state Saturday, January 13, at the second annual Interscholastic League Student Activities Conference.

The conference, similar to others held throughout the state is designated to prepare students for competition in the University Interscholastic League contests scheduled later this spring.

Visiting students will be given instruction and criticism from instructors from the University of Texas, Tarleton State College and from regional high school teachers.

A special demonstration has been planned for the one act play section which will feature students from Breckenridge, Brownwood, and Weatherford High Schools performing a part of Thornton Wilder's "The Happy Journey."

The Student Activities Conference will deal primarily with subjects in debate, prose reading, poetry interpretation, persuasive speaking, ready writing, journalism, number sense, and slide rule.

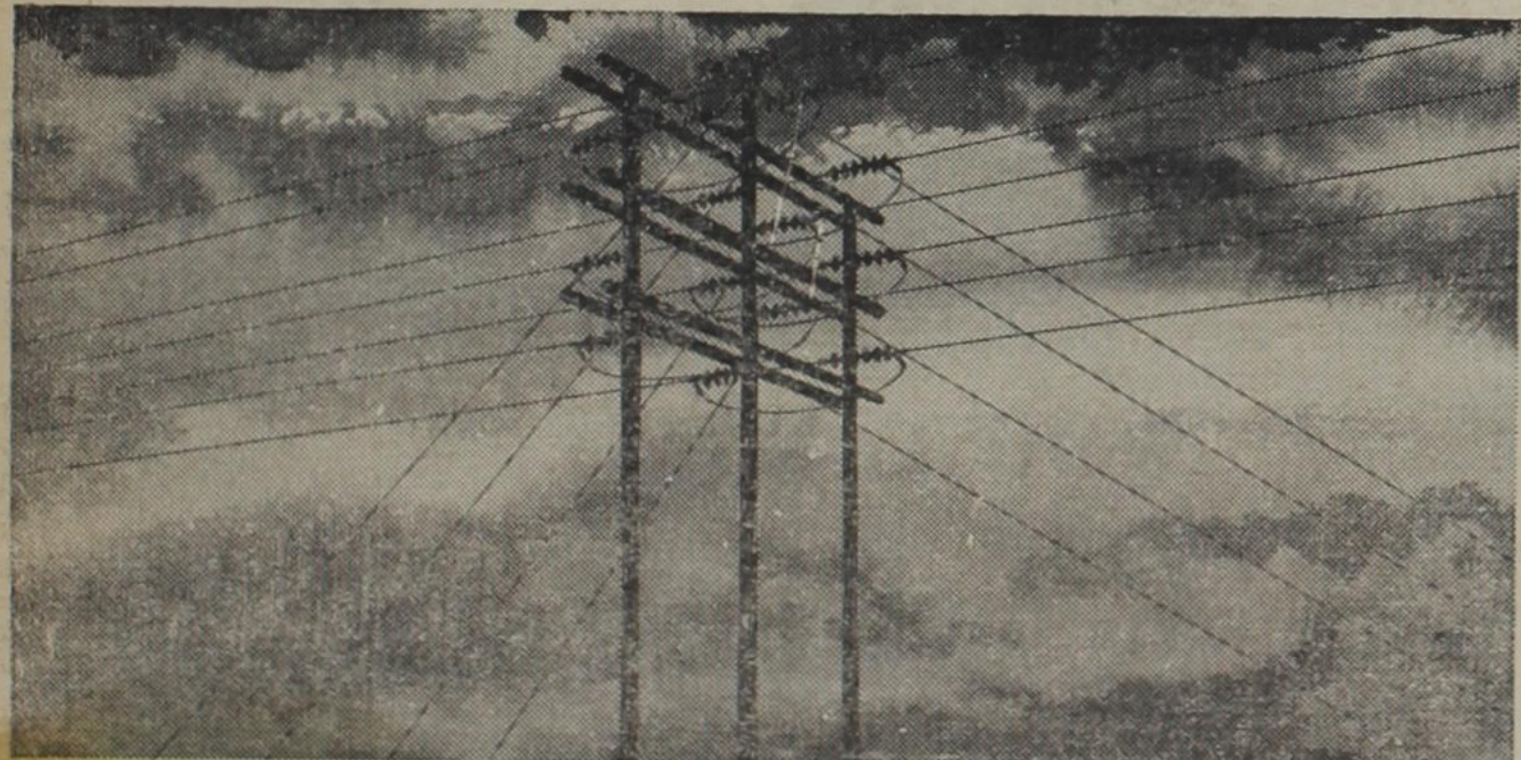

Also, a special section will be held for yearbook staffs which deal with the selection of material, the training of staffs, and other common problems.

Personnel from the University of Texas who will assist the Tarleton faculty are Dr. Loren F. Winship and Mr. Wayne Pevey, one act play; Professor Rex Wier, debate; Professor James Hurt, number sense; Dr. Max Haddick and Professor C. Dick King, journalism; and Dr. Joseph C. ### SON IS ILL

Mrs. Katie Ben Goodman Jones was called to Amarillo to the bed-side of her son, Bennie Goodman, who is quite ill there. Mrs. Goodman Jones is a sister of Mrs. Mark Clark. She is a teacher in the Kingsville City schools, and her son, Bennie, is stationed at the Air Base at Amarillo.

Approximately 37,275 students are enrolled in Texas public junior colleges — an increase of more than 100 per cent in the past ten years.

WTU's outlook for 1962 is for even more...

In this new year, West Texas Utilities will continue our three-step area development program.

1. We will continue our own current expansion program to permit us to serve even more people.
2. We will continue to promote the business and industrial advantages of this area in national publications.
3. We will continue to work with all area communities in their local development programs.

This is our 1962 schedule, because more than ever our service area faces GROWTH UNLIMITED.

### Gorman Home Destroyed By Fire Saturday Night

Word has been received of the loss by fire of the home of Mr. and Mrs. Grady Rone in Gorman on Saturday night, Jan. 6. The Rone's are pioneer citizens of the Gorman area. The home with all its contents was a total loss. The family escaped unharmed. The Rone's are relatives of Mr. and Mrs. O. D. Carver of Rising Star.

### DAUGHTER VISITS

Mr. and Mrs. Wilburn Scott's daughter, Mrs. J. C. Reese, Jr., of Hereford, spent Friday night, Jan. 5 here with her parents, after she had attended the funeral of her mother-in-law, Mrs. J. C. Reese, Sr., in Ballinger. Mrs. Reese is a teacher in the Hereford schools, while her husband is District probation officer for six counties in that area.

### Minister Named Outstanding ACC Alumnus For 1961

Abilene — A Church of Christ minister and college professor — Batsell Barrett Baxter of Nashville, Tenn. — has been named Abilene Christian College's "Outstanding Alumnus of the Year 1961".

During 1961 the 45-year old Baxter, head of the David Lipscomb College Bible Department helped lead a successful evangelistic campaign in London, England. He also appeared as the central character on a national religious television feature, The Herald of Truth, and as a speaker on a national radio program by the same name.

Son of former Abilene Christian College president Batsell

Baxter (1924-32), Baxter is the fourth alumnus of the college to be honored. The selection was made by the Executive Committee of the ACC Alumni Association after nominations from among over 20,000 alumni.

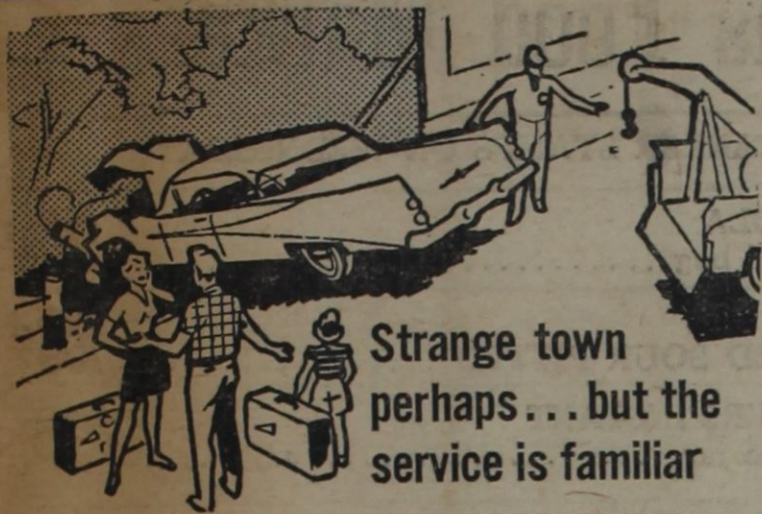

Baxter plays the role of a minister on the Herald of Truth, a series of semi-dramatic religious films for television. The 52-film series was made in 1961 but most were shown over about 60 television stations throughout the nation in 1961.

Speaking on 26 programs, Baxter was one of two speakers for the Herald of Truth radio programs, which are aired over about 260 stations each week

in the United States and other countries. The David Lipscomb College professor has been selected to speak on this program again in 1962.

Minister of the Hillsboro Church of Christ in Nashville, Baxter was one of the leaders for a one-month campaign this summer to establish a new congregation of the Church of Christ in the Wembley section of London. About 40 workers participated in this evangelistic effort and Baxter delivered the sermons during the meetings.

## Grants Available To Help Build Sewage Plants

Austin — Final inspection and approval of the Port Arthur municipal sewage treatment plant has brought to 82 the number of treatment plants constructed in Texas under provisions of the Federal Water Pollution Control Act.

Commonly referred to as Public Law 660, the act was passed by Congress in 1956 to deal with local problems of water pollution. The program has been administered in Texas by the State Department of Health's division of water pollution control. The division director now serves as executive secretary of the new Texas Water Pollution Control Board.

Funds are allotted to states on a basis of population and need, and are subsequently made available to cities for construction of sewage treatment plants. Grants can be made to cities up to 30 per cent of building costs, or a maximum of \$250,000.

Since the program began in 1956, the bill for all Texas projects completed and planned comes to \$53,266,968. Of that amount, \$41,783,563 has been put up by cities in which plants were or will be constructed.

To date the health agency has received more than 200 applications from cities for financial assistance. Applications for 147 projects have been approved, of which 82 have been completed, 22 are under construction, and 43 have been approved but construction has not begun.

Lewisville, in Denton County, completed the first sewage treatment plant to be constructed in Texas under the program in 1957. Eleven additional plants were completed that same year.

Since then, the year-by-year record completion was 17 in 1958, 13 in 1959, 19 in 1960 and 15 in 1961. Twenty-nine applications have been approved for construction during the fiscal year of 1962, and 14 plants are presently under construction.

PL 660 originally provided for an appropriation of \$30 million annually for 10 years for disbursement to the various states. Texas received an allotment of \$1.7 million each year from 1956 to 1961.

During the last congressional session, the law was amended to provide \$80 million annually, with an increase of \$10 million each year up to \$100 million. (A weekly feature of the Health Education Division, Texas State Department of Health.)

In 1961, almost 600,000 children in Texas public schools participated in the national school lunch and milk programs. They drank approximately 174,000,000 half-pints of milk during the 12 month period.

### Monday, April 16, Income Tax Deadline!

All citizens or residents of the United States, including minor children, who had gross income of \$600 or more in 1961, must file a federal income tax return, Arthur E. Fogle, Jr., Administrative Officer, Internal Revenue Service, Abilene, Texas, announced today.

If the taxpayer is 65 or over as of December 31, 1961, he or she is not required to file unless his or her income for 1961 was at least \$1,200.

The IRS representative added that even though a taxpayer is not required to file under these rules, he or she must file to obtain a refund, if any income tax was withheld from his or her pay.

He said there is one exception to the general rule. Self-employed persons such as sole proprietors, partners, and independent contractors, must file an income tax return and pay a self-employment tax, if net earnings from self-employment were \$400 or more.

Oh, yes, the filing deadline this year is Monday, April 16!
