

City Council Passes Resolution

Shown are Mayor Henry Burk, flanked by councilmen Dr. Charles Barnes, Randy Goldston, Bill Harmon and James Cook; the city's governing body recently passed a resolution, with a unanimous voice of approval, to form a committee for industrial and economic development and cultural growth. Representatives from the city, Chamber of Commerce & Agriculture and school system were to be appointed to the committee. A copy of the resolution is below.

WHEREAS: The Mayor and City Council of Rising Star, Texas desire to exhibit and achieve a spirit of cooperation between the City of Rising Star and the Rising Star Chamber of Commerce in working for the overall benefit of Rising Star and the surrounding area.

AND WHEREAS: We feel that it would be beneficial to

the City of Rising Star, the Rising Star Chamber of Commerce and, most of all, the citizens of Rising Star and the surrounding trade area to achieve this cooperation.

benefits would surely multiply many fold and accrue increasingly to the future generations of this area.

THEREFORE BE IT SO

AND WHEREAS: These

RESOLVED: That a special committee be created from the City Council for the specific purpose of working in

cooperation with the Rising Star Chamber of Commerce in the pursuit of industrial,

economic and cultural development and growth of Rising Star and the surrounding area.

Mountaineers Tame Wildcats, 20-9

Those of you not traveling to Santa Anna last Friday night missed one good game. On the second play of the ball game, Santa Anna's speedster, Herbert Jackson, raced 72 yds. for the touchdown. With less than one minute off the clock, the Mountaineers led 6-0.

Everyone in the stands you could feel the tension and, wondered if this was going to be a repeat of last week when Santa Anna beat Cross Plains 60-0. The Wildcats never give up. Senior Brian Bailey returned Santa Anna's kick-off 30 yds., giving the Cats good field position. Bailey and senior quarterback, Jimmy Evans, teamed up for a 34-yd. pass play and senior Donny Alcorn had a couple of 7- and 8-yd. gains before the drive stalled on the Mountaineer 21-yd. line. The coaches decided to go for it on the 4th and 8th and Alcorn, with good blocking and extra effort, was able to pick up 9 yds. and the first down. Bailey and Evans teamed up, this time for the 12-yd. touchdown. With 6:16 on the first quarter clock, Alcorn kicked the PAT and the Wildcats moved into the lead 7-6. The fans went wild. Santa Anna tried to retaliate, but came up short on 4th and 8 when Flores and Wilson made the drive-stopping tackle on the Wildcat 30. The

Brandon Geye, who rushed for a 10-yd. gain late in the first quarter, teamed up with Evans for a 16-yd. pass play; the drive ended when the Mountaineers intercepted a Wildcat pass and returned it 32 yds. before Hollis made the tackle. Alcorn and Flores made a good backfield tackle, bringing up 4th and 12 and forcing the Mountaineers to punt. In Santa Anna's next series, they had a 49 yd. run before Bailey made the saving tackle. Keith Trozell made a good tackle, which brought up 3rd and 11. Hollis intercepted the next Mountaineer pass and ran it back 37 yds. to the Wildcat's own 49, with :49 left in the first half. Santa Anna had one more chance before half time, but Geye recovered the Mountaineer fumble and the

Bailey returned the kickoff for 70 yds. to set up a field goal attempt. The 33-yd. attempt was blocked and the Cats were unable to draw first blood. Alcorn knocked the ball loose and Geye and Medley recovered to give the Cats another chance, but the 3rd quarter remained a defensive stand off until Santa Anna's Jackson returned a punt 80 yds for a touchdown, with 2:45 remaining in the 3rd quarter. Storm Causes Power Outage

When this large tree, which was rotten in the center, fell in Sunday's storm, it broke the power lines and bent the television cable. The tree was in the O.L. Burns yard on W. Pioneer where power was restored Sunday; cable service for the Burns' home was restored Monday morning.

There was another power break a few blocks away and a third on E. Pioneer, total of four breaks.

The most damage to the power lines was near the L.J. Linney home where a large dead tree was felled by the storm. The impact of the tree on the lines snapped the next power pole to the east. That particular pole happened to be a switch pole which limited the options in restoring power and caused delay.

The committee held an organizational meeting Tuesday evening and named Bryan as chairman and Baker as secretary; they will also establish by-laws. The primary function will be in activating community economic improvement.

Joining forces to work toward the common good of Rising Star and the surrounding area are Gene Lyon, president of the Chamber of Commerce & Agriculture; Mayor Henry Burk; and Dr. Donald Bryan, superintendent of schools. These leaders and their organizations will explore and develop different goals for economic growth for businesses and agri-businesses in this area.

Class of 60

The Rising Star High School graduating class of 1960 is planning a 30th year reunion during the Rising Star Homecoming on October 6. All classmates are urged to attend. This reunion will be more enjoyable if each of you are here. Please reply to Rising Star High School Class of

1960, rising Star, TX 76471. A special invitation is extended to our former teachers and the parents, brothers and sisters of class members to come and join us. Other year class members are also invited to come out and visit with us. Our reunion site will be the

Lakewood Club, between Rising Star and Cross Plains on highway 36. Come and join us!

We will be at Lakewood after the business meeting until parade time; after the peprally and then following the football game.

Burn Victims Improve

John Lee and Benjy Clark of Rising Star are reported to be improving. John is out of the hospital and staying at a nearby motel, enabling him to go back and forth each day to see his doctor and for his Considering the damage from the storm, power customers can be thankful their electricity was restored as quickly as it was. Power was restored to most customers in 20 minutes, a hour or three and a half hours, depending on their location in relation to the downed switch pole. Customers to the east of the pole had power by 10:15, just over six hours from the time the storm's worst damage was dealt.

WTU's standby crew in Abilene had already been dispatched to Santa Anna, necessitating that another crew be called in and sent to Rising Star to help replace the broken pole and bypass the switch to return power to the lines to the west. In addition to the local WTU crew and the Abilene crew, WTU employee David Tharp, who was visiting in Rising Star, helped with the repair work. WTU manager Travis Williams felt the repair work went pretty good and expressed appreciation to power customers for the patience shown during the time of the outage.

With the power out, the tv cable was also out. Damage to cable loops to homes was repaired Monday.

Pioneer Patchwork By Irma Miller

The quilting circle finished the Jacob's Ladder and worked on the Diamond Double Wedding Ring (a double wedding ring in which the "pickle dish" is diamond shaped, sometimes called a New Wedding Ring). Wanda Nelson, of Brownwood, brought her mother, Winnie Flippen, to visit at the Quilting Club last Tuesday.

This community experienced a trace of rain at midweek. The cooler air moved in Wednesday and temperatures were in the high 60s early Thursday morning; by Saturday hot weather was back. Sunday afternoon two inches of rain fell on the community and by Monday morning our gauges read over four inches, with the overnight showers, in 14 hours. Some gauges read 4.1 and others 4.2 and 4.5 inches.

Jean and James Alexander spent the week at Cloudcroft, N.M. May and D.P. Jones of Corpus Christi were visiting in the Alexander household on the weekend.

Nell and Joe Fleming had 4.1 inches of rain in their gage Monday morning. Part of Nell's Sunday School class in Cross Plains gave Joe and Nell a wonderful visit on Wednesday afternoon. JoVeda and Bill Watson of Byrds Store had supper with them on Friday night.

Jewel Foster went with her son to Abilene Friday on business.

Classes for Foster Parents Will Begin on Tuesday

The Texas Department of Human Services will present a ten-week series of classes for Foster and Adoptive Parents, beginning Tuesday, Sept. 25, 6:00-9:00 p.m. at the First United Methodist Church, 419 W. Walker, Breckenridge.

Classes will be held each Tuesday night and lead to certification for persons completing the course. These training sessions are for a fivecounty area, including the Governor's Education Excellence Committee informing May ISD of being selected in the top 10% of schools in the state on performance gains over the past three years.

Mr. Rhodes presented information on a district-level decision process policy mandated by Senate Bill 1. A motion carried to adopt a campus base model of the policy recommended by the Texas Association of School Boards. Members of the committee will serve one-year terms and may be re-elected for two consecutive terms. Mr. Rhodes presented the financial report and discussed information on purchasing a

school bus. A motion was carried to approve all accounts payable vouchers.

Meeting adjourned.

Committee Set up From page one the commercial sector and one from agri-business.

With this change in effect the Chamber set up a committee to head a membership drive, planned to cover the entire area. starts October 12 and lasts four weeks, with the four divisions having a week. The committee has set goals to get each person in Rising Star and the area to consider membership in the Chamber and to enroll 100 new active members. Individuals who

feel they can no longer be active will also be encouraged to contribute to the Chamber with inactive or associate memberships.

The current board members agree that goals to achieve more economic benefits for the agriculture sector in this area would also benefit the entire community. Some ideas have already been mentioned and the board will seek more input from those directly involved in agri-businesses.

Junior and senior students in Rising Star and May will The membership drive be invited to become members and to learn by involvement how the organization strives to work for the good of the community.

The membership drive kick-off includes a Ham 'n' Bean/Stew Supper prior to the Wildcat game with the Cross Plains Buffaloes October 12.

Crime Float Enters Ole Rip Fest Parade

By Richard Kurklin The Eastland County Crimestoppers float/booth was well received at the Gorman Peanut Festival and Parade. Everyone co-operated as various citizens charged with outlandish offenses were brought to the court of Judge "Ma" Buzzard to be "fined"

with about \$40. of it being donated to keep Gorman Police Chief Cecil Funderburk out of jail. Donations seemed to grow from coins to bills as fest goers noticed the big six shooters the deputies were wearing. Funderburk was charged in "Ma" Buzzard's court with interfering with local gambling operations. And each person paying a "fine" received a copy of their arrest warrant, suitable for framing, and a Crimestoppers bumper sticker.

Dialogue by Cone C. Rice, D.D.S. **Child's First Visit** Q. How can I prepare my child for his first dental visit? DENTIST A. Actually, the less "preparing" you do, the better. For instance, if you try to describe some of the equipment used, and choose words like "drill" or "shot", you may find that your dentist doesn't use those words at all. ma He may say something like "tooth cleaner" for drill, or "put the tooth to sleep" for injection. Fall Fun Golf Tourney Is September 22-23

Lakewood Golf Course has scheduled a 2-Person Fall Fun Golf Tournament for Saturday and Sunday, September 22 and 23.

In this tournament on Saturday the first nine holes are scrambled, then low ball is played the second nine. On Sunday contestants play for the combined team score the first nine holes, then play alternate shots on the last nine. This is a lot different from usual but is a lot of fun.

Entry fee is \$100 per team with the mulligans and contests extra. Women are more than welcome to play in this tournament. Tee off times are 8 a.m. and 1:30 p.m., with the meal to follow play on Saturday evening.

To enter call the Pro Shop at 817/643-7792. Deadline is Friday, September 21.
