Roysse City Rotarians travel to Nicaragua

Millie Jean Coppedge

Saturday, March 7, a group of 40 Rotarians from District 11600, North Texas Rotary District, led by past district governor Sandra Beyer, left from DFW Airport to embark upon their annual mission trip to the country of Nicaragua.

The official name for the trip is Nicaragua-Heart of Service 2015. The country, located in Central America, is bordered by Honduras to the north and Costa Rica to the south.

Included in the group were three representing the Roysse City Rotary --

Michelle, Ruth and Marissa Dusek. The Rotary sponsored their trip and gave donations of school supplies for them to take to the children.

According to the Roysse City Rotary president, Tom Shelton, they collected supplies for the school children in Nicaragua for several weeks.

Mayor of Roysse City and Rotarian Jerrell Baley gave a large donation of school supplies.

Michelle Dusek teaches math at Ruth Cherry Intermediate School.

Marissa Dusek, Michelle's daughter, a senior at Roysse City High School, is active in the community. Among many of her volunteer endeavors, she works in the Food Pantry and helps put out the flags for the Flags on Main Street Program. She collected school supplies for the children of Nicaragua from the students at her high school.

The combined collection of supplies donated included items such as paper, pencils, pens, notebooks, composition books, erasers, markers and more. Student Council members wrote letters for Marissa to take to the students.

Last year, Marissa was the only representative from the Roysse City Rotary to make the trip. While in Nicaragua, the Rotarians painted one of the schools and worked in a hammock factory/workshop run by blind, deaf and mentally challenged young people. The name of the factory was Tio Antonio's Hammocks and the owner is Antonio Prieto. The workers make hammocks for both children and adults.

Spring break is the week set aside to make the trips.

Michelle Dusek, left, her mother-in-law Rita Dusek, and daughter, Marissa, were all smiles as they prepared to board their flight Saturday, March 7, at DFW Airport. They were on their way to Nicaragua to deliver school supplies to school children.

Lone Star CASA observes National Social Work Month

As part of March's National Social Work Month celebration, Lone Star CASA recognizes those who devote their lives to bettering the lives of others. Social workers strive to build a stronger community for all people, and CASA is a proud partner in the effort to secure a better future for children in the foster care system.

CASA (Court Appointed Special Advocates) programs collaborate with the Department of Family and Protective Services, Child Protective Services and other key advocates in the child welfare system to ensure that children who have been removed from their homes due to abuse or neglect are placed in safe, permanent homes as quickly as possible.

While social work covers a variety of areas, we are especially appreciative of those in the field who have been our partners in meeting abused and neglected children in the child welfare system," said Lucille Bell, executive director of Lone Star CASA.

CASA volunteers are appointed to advocate for children's best interests in court. They come from all walks of life and backgrounds, but they all have one thing in common – a passion for helping children. They get to know the child personally and speak with everyone involved in the child's life so that they can make well-informed and realistic placement recommendations to the court. Lone Star CASA is one of the 71 CASA programs in Texas that recruit, screen and train

these volunteers.

"CASA and CPS share a common goal – to protect the unprotected," said Bell. "We all work to ensure that these vulnerable children's needs are met while they are in foster care, and that they are placed in loving homes."

More than 46,800 Texas children were in the child welfare system in 2014. A little more than half of these children had a CASA volunteer to advocate for their best interests.

When possible, CASA volunteers advocate for reunification with the child's immediate family, said Bell, but when reunification is not an option, they work with CPS to find the child a caring adoptive home.

"We dream of a day when CASA is no longer needed because every child has the forever home they deserve," said Bell. "But until then, Lone Star CASA will continue to work tirelessly with CPS to create a better future for children in the child welfare system."

Last year, 50 CASA volunteers served 167 children in the child welfare system in our two-county area, but some children still need a volunteer to advocate for their best interests. Consider making a difference for these children by becoming a CASA volunteer.

For more information about CASA, visit lonestarcasa.org or becomeacasa.org or call 972-772-5858.

The next volunteer training session is scheduled for May and three information sessions have been scheduled during this National Social Work Month:

- Thursday, March 12, at First Presbyterian Church in Forney;
- Monday, March 23, at the Lone Star CASA office in Rockwall;
- Thursday, March 26, at Carmona's Restaurant, Terrell.

Rockwall approves \$285,800 Wastewater Study, and new hotel development

During the City of Rockwall regular meeting, Monday March 2, 2015, the council unanimously passed the development agreement with Tekmak Development Company for a Specific Use permit to build Lakefront Trail Rockwall Hotel that is planned for construction at the intersection of interstate highway 30 and Lakefront Trail, just east of where the HR Trend building sits.

Mayor Jim Pruitt asked whether the hotel parking would connect with other parking lots toward the east.

Tekmak Development Company is under the governance of Thomas and Melinda Kirkland.

The development will take place on property owned by Rockwall Rental Properties LP, which is a company managed by Randal Noe in Terrell.

The council was not in agreement on an ordinance to amend a Specific Use Permit to allow for a new car dealership at 1530 E. IH-30. The owner of the new dealership is Keith Young Hyundai of Rockwall, Inc., governed by Keith Young and Keith Young, Jr.

Pruitt and Scott Milder opposed the ordinance over concerns the new dealership would be bunched together with other car dealerships.

The council unanimously passed a consent agenda item to approve a professional engineering services contract with Birkhoff, Hendricks & Carter, LLP for a Wastewater Flow Monitoring Study in the amount of \$285,800 that would be funded by Revenue Bonds.

Timothy Tumulty, Director of Public Works/City Engineer, explained that the study is needed to calibrate the computerized hydraulic model of the entire wastewater collection system in order to satisfy a Sanitary Sewer Overflow Initiative. The city entered into the initiative with the Texas Commission of Environmental Quality, Sept. 8, 2006, to "address and reduce potential sanitary sewer overflows."

On God's Word

by Timothy W. Burnett

In the Lord Jesus Christ, endure ...

One of the important laws of life from God is to work diligently. Any task may be handled with slackness or with diligence. There's another approach to working diligently. What is the purpose for work.

Is it for each person's own livelihood and to bless others? Or is it to feed a thirst and hunger for power and money? Is work unto the service of Jesus Christ according to the will of God? Or is it unto the service of the Devil, according to his will? Both work, but for different reasons and objectives. Most communities include both. Watching people in communities work for opposing reasons is similar to watching children play.

One child might diligently build an elaborately nice structure with wooden blocks. Now -- one bad child comes along, and seeing the blocks, feels envy and jealousy for the child. The bad child subtly knocks down the child's structure from different angles.

God's word teaches all people how to handle the playground bullies who try to destroy the product of their diligent work. For, even our Lord Jesus endured great suffering unto death by the hands of crafty playground bullies. His suffering was an example for all Christians to learn from (1 Peter 2:19-25). Patiently persevere, and stand in the Lord.

Rockwall native and Heritage Christian Academy seventh grade student Grayson Frank won the Dallas regional of the Middle School History Bee on Feb. 28. Love and Hate in America

FROM HISTORY Vol 39

Comparing our past with today and looking at our future Kenneth Shores, Rockwall, Texas
This article is my opinion as provided by my research. I need to first define the true meaning of LOVE and HATE. Webster's Dictionary:

LOVE: A strong affection for another arising out of kinship or personal interest; the fatherly concern of God for humankind
HATE: intense hostility and aversion usually deriving from fear, or sense of injury; extreme dislike or antipathy.
Satan to do something that is considered wrong according to religious or moral law.

AGAPE LOVE: Bible definition: AGAPE is love which is of and from God, whose very nature is love itself.

According to the interpretation of the Bible, CHOICE began when God sent the Angels (see article 38, Feb. 19, 2015). Lucifer the chief Angel rebelled because he was equal to God. Lucifer then was cast out of Heaven with his followers. When Satan made the choice that he was equal to God, the sin nature of man began. With the removal of Satan from heaven, Satan was introduced in defiance of GOD'S AGAPE LOVE. After Adam and Eve were created by God, Adam first and Eve second, Eve believed that it didn't matter about the tree of life and that God's warnings were meaningless. When Adam and Eve ate the forbidden fruit from the tree of life, they were cast out of the Garden of Eden forever. Satan warned Adam and Eve the results of eating the forbidden fruit, "You will surely die. That is when evil came into the world as sin. The rebellion of God from mankind, throughout history, is from choices made by mankind.

When we follow God's way or we are separated from God through Satan's rebellion, Love is God's way. Hate is Satan's way. Love is the divine nature of God. Hate is the destruction of mankind opposed to God's rule. God has promised each of us whoever turns his life over to Jesus, His Son, will spend eternity in paradise with God (John 3:16). Paradise will be a place more pleasing than we could ever imagine. The "lake of fire," as explained by God's word in the Bible, will be a place of condemnation far beyond anything we could imagine. It will be a place of total darkness in an extremely hot environment, and they who are cast into this lake of fire will be burned up and remain dead for eternity. This same "lake of fire" will be the eternal prison set for the devil and his angels. Each of us must make our choice before we die and leave this earth.

Living according to God's rule, we will always be able to overcome all the problems during our lifetime. Each of us have been given the ability to make a choice of love or hate. We know that Satan's way of rebellion leads to destruction for each of us.

God loves each of us so much that he has given us the ability and freedom to make choices. The choice to live a Godly life on earth with integrity is not an easy choice, so therefore the only way we can do it is by turning our lives over to God through Jesus Christ.

Jesus, God's only begotten son, was sent to this earth for that purpose. The hatred of Satan only prevails when we turn away from God. The choices we make are only two, and will determine how we spend eternity.

When our founding fathers created America as a Godly Christian nation through prayer and the Bible, for the first time people of other nations wanted to immigrate here.

For the first time a country was established where everyone had freedom of choice and religion, and freedom to form our own government.

When we made GOD'S LOVE our choice, we continued to be the best of the world. Now we are no longer a Godly Christian nation. America is growing in greed, corruption and deception, including our government. WE THE PEOPLE have allowed this to happen.

We have not followed our God given freedom of choice. The more government is in control, the less freedom people have. It satisfies Satan himself when America is now dominated with Hate and Sin.

Only "WE THE PEOPLE" can change this, remembering UNITED WE STAND or DIVIDED WE FALL INTO SATAN'S WORLD.

The Day of the Lord is at hand. Born-again Christians could be taken to heaven any day.

Time, as written in the Bible, the period of time recorded in Revelations will be fulfilled, and Jesus will return back to earth for final judgment. At this time, each of us is responsible for our own choices: let God's will, grace and love shine forth in America, or let the darkness of the devil prevail. What choice will you make?

The Rockwall County Local Regional Emergency Food and Shelter Board #8332-00 HAS BEEN AWARDED FEDERAL FUNDS MADE AVAILABLE THROUGH THE DEPARTMENT OF HOMELAND SECURITY (DHS)/FEDERAL EMERGENCY MANAGEMENT AGENCY UNDER THE EMERGENCY FOOD AND SHELTER NATIONAL BOARD PROGRAM.

Rockwall County has been chosen to receive \$30,343.00 in Phase 32 funding to supplement emergency food and shelter programs in the county. The selection was made by a National Board that is chaired by the U. S. Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from American Red Cross; Catholic Charities, USA; National Council of the Churches of Christ in the USA; The Jewish Federations of North America; The Salvation Army; and, United Way Worldwide. The Local Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

A Local Board made up of Rockwall Ministerial Alliance, Red Cross, United Way, Catholic Charities, Rockwall Indigent Health Care, Salvation Army, et al., will determine how the funds awarded to Rockwall County are to be distributed among the emergency food and shelter programs run by local service agencies in the area. The Local Board is responsible for recommending agencies to receive these funds and any additional funds made available under this phase of the program.

Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government, 2) be eligible to receive Federal funds, 3) have an accounting system, 4) practice nondiscrimination, 5) have demonstrated the capability to deliver emergency food and/or shelter programs, and 6) if they are a private voluntary organization, have a voluntary board. Qualifying agencies are urged to apply.

Rockwall County Local Board 8332-00 has distributed Emergency Food and Shelter funds previously with the Rockwall County Committee on Aging participating. This agency was responsible for providing Emergency Food Boxes to 170 families in September.

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds must contact Local Board chair Mark Irons at 3375 Ridge Road, Rockwall Texas, 75032 for an application. The deadline for applications to be received is March 18, 2015.

Brush arbor first meeting place for former slaves

MILLIE JEAN COPPEDGE
Reminiscing
Roysse City

Millie Jean Coppedge

There are few people alive today who remember attending church or social meetings in a brush arbor. These crude shelters were built to keep blazing sun or the rain off those attending the religious services. A brush arbor was built by driving poles made from trees into the ground, then weaving smaller tree limbs across the top. When completed, small bushes from young tree limbs and leaves were placed across the top of the shelter. There were no sides to the arbor, only a roof. Benches/seats/pews were constructed by splitting larger trees in half, placing the flat side up for the congregation members to sit upon. In 1859, according to a written church history, some former slaves came to Roysse City and built a brush arbor as their place to worship. It is not known what state the former slaves came from or how they got here. It is not known what the gathering named their first church, as the name was "lost to history." In 1906 Lewis Rice donated land for the construction of a church. In 1914, eight years later, 25 members built a frame structure for their place of worship, on that site. The new church was named New Hope Baptist Church. In 1953, the frame building was demolished to build a new building which was completed in May. In 1974, that building was remodeled. A complete new brick building was constructed in 1994 and serves the congregation as their present house of worship on the same spot located on the Old Greenville Road.

EDITOR'S NOTE: The photo and information for this article came from Deloris Cross Ballard, curator and docent of the Zaner Robison Historical Museum, and Sheri Stodghill Fowler's book, "Images of Roysse City."

This photo shows the New Hope Baptist Church in Roysse City in 1948. The original church was formed in 1859 by former slaves who moved to the area. They built a brush arbor as their first meeting place. Courtesy photo/Rockwall County News

The Rockwall Soroptimists recently hosted their quarterly birthday luncheon, with a St. Patrick's Day theme, for the senior residents of Reese Manor. Each resident with a birthday in the first three months of the year received a \$50 Wal-Mart gift card and all attendees received goody bags filled with hygiene products. These luncheons will be repeated three more times during the year, along with a Thanksgiving and Christmas luncheon. One hundred dollar gift cards are distributed for Christmas. Higbee, Shipley lift way to state meet

Rockwall-Heath's Lauren Higbee and Katy Shipley qualified for the girls' state powerlifting championships by placing first and third on Wednesday, March 4, at Wylie. Higbee was named the Outstanding Lifter for four weight classes by lifting 885 pounds - 335 in the squat, 170 in the bench press and 360 in the dead lift. She finished first and won all three events in the 165-pound class. Shipley was third at 165 pounds. She qualified for the state meet March 21 and 22 in Corpus Christi by exceeding the minimum qualifying total of 445. Shipley squatted 310, benched 150 and dead-lifted 315 for a total of 775 pounds.

GIRLS' SOCCER: The Lady Hawks (11-4-5 overall, 8-1-2-1 for 29 points in District 12-5A) have won their last six matches by a combined score of 25-3. They have qualified for the playoffs and have a chance to win the district championship. They started with road wins at Terrell 5-0 on Feb. 17 and North Forney on Feb. 20. Addie Urbanus scored twice against the Lady Tigers, and Caryn Horak, Rachel Best and Lauren Ledbetter had a goal apiece. Against North Forney, Lindsay Gardner scored a hat trick. The other goals were by Horak, Urbanus and Jayden Wheeler. RHHS won 6-0 at home on Feb. 25 over West Mesquite, and took another shutout victory, 2-0, at Roysse City Monday, March 2. Gardner scored another three goals, with Wheeler, Megan Cook and Kaymi Wheeler scoring one each against West Mesquite. Cook and Gardner had the goals against the Lady Bulldogs.

The defense gave up goals in last week's matches, but the offense remained strong. Gardner and Urbanus scored in a 2-1 home victory over South Garland Tuesday, March 3. They also had a goal each Friday, when Helen Wheeler and Lauren Ledbetter also scored as the Lady Hawks defeated Mesquite Poteet 4-2. After the spring break, RHHS is scheduled to play Tuesday at first North Forney (10-0-0-2, 32 points) and Friday at home against Terrell. A victory over the Lady Rabbits would pull Rockwall-Heath into a tie for the district lead.

BOYS' SOCCER: RHHS was in second place, just two points behind Mesquite Poteet, entering a match at West Mesquite Feb. 25, but lost 1-0 to begin a four-game losing streak. The Hawks also lost 2-1 at home against Roysse City in a match postponed until Monday, March 2, 1-0 at South Garland March 3 and 2-1 in shootout against Mesquite Poteet Friday. Lissandro Mejia scored in the Roysse City match. Rockwall-Heath (8-10-3 overall, 5-4-2-1, 20 points) has dropped into fourth place in the district. After the break, the Hawks can clinch a playoff berth with a win in regulation or a Roysse City regulation loss in the teams' final two games. The Hawks are scheduled to play at home at 7:15 p.m. Tuesday against Forney. RHHS had defeated Terrell 2-1 on Feb. 17, on goals by Mejia and Thomas Ross. Six Hawks scored a goal apiece in a 6-1 victory over North Forney on Feb. 20.

Hawks to the playoff's Area round, was named the Offensive Most Valuable Player on the District 12-5A All-District team. After that, they had just four hits in a 5-1 loss to Flower Mound Marcus, made seven errors in an 8-6 loss to Abilene and scored just twice despite 11 hits to lose 7-2 to Flower Mound. Matt Wood hit a double in each of the last two games; Randle tripled against Abilene. **SOFTBALL:** Weather also hindered the Lady Hawks. They were scheduled to play their first District 12-5A game Tuesday against Mesquite Poteet, and would host Tyler Lee Friday at 7 p.m. **TRACK AND FIELD:** Morgan Burks-Magee won the girls' 400-meter dash in 57.84 seconds Friday at the McKinney Lions Relays. Royse City boys streak toward playoffs; girls qualify

The Royse City boys are streaking toward a possible soccer playoff berth while the girls survived a series of scares to clinch a spot in the postseason.

RC's boys won three consecutive matches heading into their spring break. First, they scored a 2-1 upset Monday, March 2, at Rockwall-Heath on goals by Andrew Alvarado and Mares. On Tuesday, Blain Hickman's goal gave the Bulldogs a 1-0 home victory over Terrell. At North Forney on Friday, Royse City routed the Falcons 5-1. Gustavo Banda and Brian Beltran scored two goals each and Hickman had one for the Dawgs.

Before that, RC had lost to Mesquite Poteet 3-0 on Feb. 25. With two district matches remaining, the Bulldogs (8-12-1 overall, 4-5-1-2 in District 12-5A) were in fifth place with 16 points, four behind Rockwall-Heath's 20. A regulation loss in either remaining match, at home Tuesday against West Mesquite and Friday, March 20, at Forney.

The Lady Bulldogs (10-3-5, 5-2-3-2) clinched a playoff position despite losing two games early last week. They took a 2-0 home loss to Rockwall-Heath Monday, in a match postponed from Friday because of inclement weather, and lost 1-0 the next night at Terrell.

The two goals were the most the Lady Bulldogs (9-2-5 overall) have allowed in District 12-5A matches, and the most since a 4-0 loss to Allen in January.

Royse City bounced back to shut out North Forney 3-0 at home on Friday. Kristyn Daniels scored two goals and Jocelyn Caracheo had one.

RC's offense had been in a deep freeze. In addition to being shut out by RHHS and Terrell, the Lady Bulldogs had to go to a shootout for a 1-0 victory over Mesquite Poteet on Feb. 24 at A.C. New Middle School.

Royse City next is scheduled to play at West Mesquite Monday.

GIRLS' BASKETBALL: The Lady Bulldogs' Alexis Wanton and Morgan Sumrow were voted on to the District 12-5A All-District first team. On the second team were Belle Munoz and Melanie Sumrow.

BASEBALL: The Bulldogs are scheduled to play Thursday Saturday in the Mesquite ISL Crumpton Invitational.

They would play two games Thursday at Lake Highlands against Dallas W.T. White at 5:30 p.m. and against Lake Highlands at 8. On Friday at Richardson RC would play Garland Naaman Forest at noon and Richardson at 2:30 p.m. Saturday's opponent at Richardson Berkner would be Carrollton Creekview at 12:30 p.m. and Berkner at 3.

SOFTBALL: RC was scheduled to play their District 12-5A opener Tuesday at Forney. Royse City would play at home at 7 p.m. Tuesday, March 10, against North Forney.
