

From The Editor Window

The National Democratic Convention was held in Chicago last week and the long anticipated precedent has really taken place—President Roosevelt has been nominated for a third term.

Those opposing the third term do not believe any one man in this country should continue at the head of the government over the accustomed eight years.

Reports from Europe are to the effect that a serious quarrel is developing among the dictatorial powers. They have conquered the smaller countries, but as to be expected, they are not satisfied so are beginning to quarrel with each other.

It is reported that a mild wave of influenza is sweeping through sections of this country. It is said to begin with a summer cold later developing into a feverish condition accompanied by an aching, let down feeling.

Among those who went over to Cisco Tuesday morning to hear Gov. Lee O'Daniel speak were Mrs. G. P. Gaskins and sons Billie and Kenneth, Mrs. Flora McMillan, Harold and Gene Ingram, F. L. Armstrong, Buster Roberson, Stanley Butler, Calvin King, Donald Allen, Annie Joe McIntosh, and Mrs. Charles Odom.

Mrs. Janie Moore and daughter Miss Eva Moore were visitors in Cisco Tuesday.

FOLIES EVE

Here's petite Marie of Clifford C. Fischer's New Folies Bergere appearing behind a giant "elephant ear" leaf from a palm plant grown on Treasure Island.

J. C. COOK WAS BURIED IN MIDLAND CEMETERY FRIDAY MORNING 7-18

J. C. Cook, well known to every one in this community as Uncle Jim, who had called Callahan county his home since the early eighties, died at the home of his son J. L. Cook, Midland, at 5:40 p. m. Thursday, July 18, 1940, and was buried in the beautiful Midland cemetery Friday.

Uncle Jim suffered a stroke several years ago while visiting in Big Spring and had lost partial use of his right arm and leg but otherwise enjoyed very good health until May 25, 1940, he was found out away from his home, in an unconscious condition, by his brother, M. H. Cook, Sr. Dr. Clark was called from Cisco and it was found that he had suffered another stroke.

At the time of his death Uncle Jim was a little past the age of seventy, would have been seventy-one in November. He is survived by his wife, Mrs. Cordie Pollock Cook, the following children; Mrs. H. Flack, Chillicothe; L. E. and J. L. of Midland; Mrs. Frank Davis, Alice; Bob of Houston; and Bill of California; Kirby of Big Spring; and H. B. of Menard; Mrs. C. K. Peek of Crane and Mrs. J. H. Cook, Josephine, sisters and the following brothers; L. J., M. H. and Fred of Putnam; John of Van Horn, Iowa; I. E. of Scranton and W. R. and Shorty of Clyde.

All of the above were at Midland for the funeral except Mrs. Bill and John and Mrs. J. H. Cook.

A beautiful service was held at the Ellis Funeral home, conducted by Dr. Bruce, pastor of the First Baptist church of Midland. The music and singing was conducted by members of Dr. Bruce's choir.

Uncle Jim had farmed most of his life having lived near the town of Cottonwood for a number of years. Later he moved to the Scranton community and farmed there for several years. While living in the Scranton community he was converted under the preaching of Rev. Geo. W. Parks, and held membership in the Scranton Baptist church at the time of his death.

Uncle Jim was always cheerful, even in his illness, and always had a cheerful greeting and a joke for his neighbors and friends. Uncle Jim will be missed by all who knew him and their sympathies go to his wife, children grand and great-grand children and to his brothers and sisters.

Mr. and Mrs. Carl Wallace are spending their vacation this week visiting in the home of Mr. and Mrs. J. S. Yeager, Mrs. Wallace's parents.

Clyde Man Writes Brief History Of County's Papers And Their Editors

By M. H. Perkins

People of Callahan County appreciate the newspapers of Callahan county as they have done much to help develop the county, and as the old settlers are to hold their reunion at Clyde, August 9th, I feel it is well to let the people know something of the editors of these papers.

The Baird Star was established in Baird, Texas, where the first issue was gotten out December 8, 1887. The editor then being W. E. Gilliland, who was then a young man, who married Docie Windham, the youngest daughter of Dr. and Mrs. J. D. Windham, she being a sister of Tom Windham, now resident of the First National Bank of Baird.

Miss Eliza Gilliland now editor of The Baird Star was born September 5, 1875, in a newly built log cabin on the banks of Hog Creek in Brown county, which is now on the site of the Brownwood lake. Her education was obtained in the country schools until her father moved with his family to Baird and opened the Baird Star, then she entered the Baird school, and also helped her father in the afternoons and Saturdays with the paper, where she really gained most of her education and experience in the work that has so fittingly fitted her for the position she now holds.

The Cross Plains Review is under the direction of Jack Scott, whose father was the late George B. Scott, who married a native of Callahan county, Adella C. Cutbirth.

Jack was born September 14, 1900, in Baird, Texas, he attended the schools of the county, except the last six years of his schooling at Texas Military Institute and at Hardin-Simmons University. Jack got his appetite for newspaper work when through "freak election" at Hardin-Simmons he was elected editor of the college weekly—The Brand. Upon graduation from Hardin-Simmons, Jack returned home at Cross Plains and took charge of the Cross Plains Review just two days after his graduation from college. This was June, 1930. Jack has spent the last ten years there. Jack's folks have been residents of Callahan county since 1877. Jack has been a booster for

Callahan county where ever he has been and most of the old settlers know him to be a top ranker as master of ceremonies, especially at the old settlers reunion.

The Clyde Enterprise now edited by E. F. Butler was established by George M. Kerr, who published the first issue November 15, 1912. He sold the paper to E. F. Butler, April 1, 1917, who has been editor since that time. Mr. Butler was born in Kentucky and came to Texas in 1882 with his parents, who settled in Dallas county, where he attended the public schools of Dallas county, he then attended Burleson college at Greenville and Baylor University of Waco. Before coming to Clyde he worked on the Bridgeport Times of Bridgeport, Texas, for several years, where he advanced to editor. Besides being editor and doing job printing he has been on Clyde school board for about 20 years, 12 years of this time he served as secretary of the board. He has also been a deacon in the Baptist church for over 25 years.

Mr. Butler's first job in Callahan county was working for J. C. Freeman, about one mile south of Dressy where he grubbed out a good mesquite farm.

The Putnam News is under the direction of Miss Mildred Yeager who was born in Callahan county 32 years ago. She graduated from the Putnam high school, received her AB degree from Hardin-Simmons University and graduated from Draughtons Business College of Abilene, Texas. She taught school two years, one year at Clyde, and one year at Comfort. She started as editor of Putnam News in 1934. She is now acting as assistant secretary of Congressman Clyde L. Garrett in Washington, D. C.

COMMITTEES FOR OLD SETTLERS REUNION TO MEET THURSDAY AUG. 1

I would like to see a person who are on any of the local or county committees in connection with the Old Settlers Reunion to be held at Clyde, August 9, to meet at the Mayor's office in Clyde, at 2:00 p. m. Thursday, August 1, to see that every thing has been properly worked out to make the reunion a success.

M. H. Perkins, local chairman

Mr. and Mrs. John Boutwell and children and Frances Lunsford attended the picnic at Cross Plains.

Calvin King attended the annual home-coming of the Baptist church at Dan Horn Sunday.

Gene and Barbara Armstrong are spending a few weeks with their grandparents Mr. and Mrs. J. E. Heslep and Mr. and Mrs. F. L. Armstrong.

See through Glass Car

General Motors spent \$250,000 to build a glass car for exhibition at the 1940 Golden Gate International Exposition. Alleen Poole (left) stretched out on the floor (glass) boards and Doris Hiller crawled under the front fender to prove you can see through the model machine.

MRS. J. A. HEYSER MAKES NEWS OFFICE PLEASANT CALL FRIDAY MORNING

Mrs. J. A. Heysler of the Zion Hill community was in Putnam, shopping and visiting Friday and while here she made the news office a very pleasant call. Mrs. Heysler is one of the old-timers in this county, coming to Callahan county more than fifty years ago with her husband and settling on a ranch about seven miles south of Putnam where they have lived since. Mr. Heysler having passed on several years ago. Mrs. Heysler is interesting to talk to and her visit was enjoyed very much by the writer.

SATURDAY'S ELECTION TO BE HELD IN COOK BUILDING

Harry Sandlin precinct chairman of the Democratic committee of the Putnam precinct has authorized the News to announce that the election Saturday will be held in the building formerly occupied by L. J. Cook grocery just east of the Sharp Cafe. Polls to open at 8 o'clock and close at 7 p. m. Voters are requested to vote as early as possible in order to get out returns as quick as possible after the polls close.

Mr. and Mrs. O. B. Shirley are the parents of a son born Friday the nineteenth. The young man has been named Delton Earl.

Mrs. S. J. Hamilton, Lula Dixon, and Sallie Mayes were visitors in Cisco Tuesday.

OVER 1800 LIVESTOCK CLEARED THE RING AT THE SALE IN ABILENE

The regular livestock auction sale in Abilene Friday was well attended and about 100 head of livestock cleared the ring with prices good on all classes of stock.

White face steer calves brought a top of \$9.85 per hundred with heifer calves selling for as high as \$9.10.

The number of hogs showed an increase over the last week and the top price being paid was \$6.70. A few white face cows and calves sold for \$62.50 per head.

Livestock was consigned from wide territory from several different counties in the Abilene district. Some from as far west as Big Spring and north to Glared.

Offerings were made up of the following 1500 head of cattle, 200 head of sheep and 100 head of hogs and a few head of horses. The sale lasted from 10 o'clock a. m. to 10 o'clock p. m.

COMMON SENSE SHOULD BE USED AT ALL TIMES

Common sense is the genius of the age. Every one should play the game they know. To many people try to beat the other fellow at his own game. The only monopoly worth owning is one based on the fact that you know what you are doing based on good service and good will.

Knowing and trying to do something is a matter key that will unlock any door in the world. Confidence is a companion of success.

Every cheery word, a kindly smile or a friendly nod once and a while may help some one succeed who might otherwise fail.

Experience teaches us we have a lot to learn. Most people who ask for advice expect to have their own opinions strengthened and not corrected.

Life is a grind stone, and whether it grinds one down or polishes him up depends upon the stuff he is made of.

When we have lost money we have lost much, when we have lost friends we have lost more, but when we have lost courage we have lost all.

GOVERNOR O'DANIEL IN CISCO TUESDAY SPEAKS TO BIG CROWD

Governor Lee O'Daniel spoke to a very receptive crowd in Cisco Tuesday morning. The stand was about the middle of fourth street and in front of the north door of the Laguna hotel. The crowd extended across the street north and east to about the middle of Ave. D, and along the side walks. The crowd was estimated to be around three thousand people, who were in sympathy with the governor as the applause was general and frequently the governor had to stop speaking on account of the noise the people made while applauding the things the governor would say. The crowd looked like an old time Ferguson crowd when Mr. Ferguson was at his best.

Mrs. Alton Lunsford is able to be up again after an illness of several weeks.

Auto Toll Can Be Trimmed With New Tires Says Dealer

Of interest to car owners of Cross Plains and vicinity, whose tire equipment should be carefully checked for replacement is G. M. (Buster) Richardson's annual mid-summer tire sale, which Mr. Richardson indicated would be a high point in tire selling this Summer.

"There is good reason why this 10-day sale should appeal," declared Mr. Richardson, "at a time when tires are so important to those who are moving about the country on vacations. The highways are well-traveled from now until after Fall, because America is on the move, on longer trips, with more passengers and more luggage, burning over the hot highways, sometimes, we regret to say, on thin tires that may make holidays anything but pleasant, and in many ways dangerous."

Tires and tire prices have long been an absorbing subject to many a car owner, who has become confused with the talk about discounts, list prices and the testing of his ability to bargain. Many of them welcome the opportunity to deal with merchants who advertise prices that are actually net cash prices. The confusion clears when the motorist knows he can buy tires of recognized brand and get the same safety and the same service for which the manufacturer is known, Mr. Richardson believes.

Featured in this sale, Mr. Richardson said, are Marathon and All-American tires, which may even be purchased on the time payment or budget selling plan, which is available to those who need tires now, and who would like to take advantage of the opportunity, paying later.

Not only are tires included in this sale but Life-Guards, the tire within the tire that turns blowouts and punctures into slow, harmless leaks, preventing highway accidents the dealer declared. In addition every tire he sells is covered by a lifetime guarantee without reference to age limit. Tire inspection will be made without charge or obligation to those who drive into his station.

"Such inspection," Mr. Richardson stated, "is just a contribution to help make highways safer places for which to drive."

MISS FRANCIS HAMILTON AND EARL SUNDERMAN ARE MARRIED AT SNYDER 7-14

Earl Sunderman and Miss La Francis Hamilton were married in Snyder at the home of Miss Hamilton's parents Sunday, July 14th.

Mr. Sunderman is the football coach in the Putnam high school and a son of Mr. and Mrs. Eugene Sunderman a prominent family of the Putnam community. Earl is a graduate of the Putnam high school and of Howard Payne college at Brownwood.

Mrs. Sunderman graduated from Snyder high school and then received her A. B. degree from McMurry college at Abilene. Mrs. Sunderman taught her first year in the Putnam high school in the 1939-40 term.

The couple were married by the Rev. Smith pastor of the Methodist church at Snyder. Only a few friends and near relatives of the bride attended the wedding. Mr. and Mrs. Sunderman were invited, but did not attend.

Mr. and Mrs. Sunderman will make their home in Putnam, where they have both been re-elected to their former position in the Putnam school for the 1940-41 term.

EPWORTH LEAGUE WILL SPONSOR COOKED FOOD SALE SATURDAY 27TH

The Epworth League will sponsor a cooked food sale in front of the Mission Hotel Saturday, July 27th. Remember your Sunday dinner, cakes, pies and dressed chicken. Try our home-made cream and feel refreshed to vote correctly.

There were quite a number of people from Putnam heard Governor O'Daniel speak in Cisco Tuesday morning. Among those attending were Mr. S. J. Hamilton, Mrs. L. B. Moore, Mrs. J. C. Mayes, Mrs. Bill McMillan, B. A. Brazel, Howard De Shazo, Mrs. G. P. Gaskins and Mrs. Lula Dixon and possibly others we failed to get their names.

Bill Kelly was in Cisco Tuesday to hear Gov. Lee O'Daniel speak.

WITH OUR WILDLIFE

Many times the statement, "Truth is stranger than fiction" has been used in connection with many fact stories. "Believe it or not" is the phrase that should be used in this story even though this incident is truly stranger than fiction.

On July 7, Mr. Odel Morris, acting relief pumper for the city of Comanche at Lake Eanes was standing in the door of the pump station when he noticed a small rabbit about one third grown hopping along near the station. Suddenly a snake grabbed the small rabbit and he began to squall. Here the old snake got a big surprise, because there appeared two full grown cotton tail rabbits and jumped on the snake and forced him to release the baby rabbit. Papa, mama and baby rabbit went off in a hurry, while the old snake took off to a lumber pile near by for cover.

This story was confirmed by Elbert Stewart, regular pumper who had seen the same thing.

Maybe you have seen very unusual incidents among our wildlife species. If so, write them down and mail them to me in care of the Review. Your help will be appreciated.

Snake Swallowed Big Catfish

More evidence that snakes do out into the supply of fish in Texas came to light recently when the Game Department was forwarded the stomach of a three foot snake. In the stomach was a twelve inch channel cat which weighed approximately a pound.

The youngest holder of an artificial lure license has been found. F. C. (Fishcatcher) Hall, La Feria,

Texas bass fisherman expert purchased a license for his son one hour after the youngster's arrival at the Mercedes hospital recently. Forrest Gardner is probably the lightest fisherman in the Lone Star State. His weight was 7 pounds, 3 ounces, bedside.

When the proud daddy displayed Forrest's license to one of his friends he was asked when the new son was going fishing. He replied: "Just as soon as the weather clears up."

Boy Catches Huge Gar

Ounce for ounce, Kenneth Dorman of Alice, Texas who is seven years old and who tips the beam on the scales at sixty pounds, probably holds the record in the Lone Star State for gar. Kenneth recently snagged a 120-pound gar at Mathis lake and brought the huge gar to gaff after a fight of forty minutes.

Kenneth's father witnessed the battle and at one time the youngster asked his father to take the pole, but Mr. Dorman told him: "That's your wagon and if you overload it you will just have to get rid of it the best way that you can." Kenneth said "O. K. Dad and proceeded to bring the gar to gaff.

The lad and his father fish for gar almost daily and have caught hundreds of them with just a hook line and pole. However, they are now trying the noose style of fishing for gar which has swept over Texas since the Game Department started popularizing gar fishing as a real sport a month ago. A leaflet on how to gar fish will be sent free on request to the Game Department Austin, Texas.

The Motto of many reel sportsmen: "Take a Boy Fishing."

Franklin Shackelford is at home from California visiting his parents, Mr. and Mrs. Pierce Shackelford.

Callahan Farmers \$16,500 Annually

Farmers in Callahan County will save about \$16,500 a year as a result of legislation just enacted by Congress affecting interest rates on Federal Land Bank and Land Bank Commissioner loan, it is pointed out by M. H. Perkins of Clyde.

The temporary rate of 3 1/2 percent on first mortgage Land Bank loans will be continued for two years ending June 30, 1942. During this period the interest rate of first and second mortgage Land Bank Commissioner loans will be reduced from 4 to 3 1/2 percent. Land Bank and Commissioner loans were originally written at contract rates averaging about 5 per cent.

At present about 407 Callahan County farmers have Land Bank and Commissioner loans outstanding aggregating \$1,106,140.00. The difference between the contract rate and the temporary rate thus effects a substantial saving for farmers.

In a statement from Washington, A. G. Black, Governor of the Farm Credit Administration, said that the saving to farmers through the reduced interest rate will have the same effect as an addition to the farmers' net income.

"The ultimate purpose of the re-

JOE MCGOWEN DIES AT HIS HOME IN BAIRD THURSDAY AFTERNOON

Joe McGowen another old-timer in Callahan county passed away Thursday evening after an illness of long duration. Mr. McGowen was sixty years of age and a former time keeper for the Texas and Pacific Railway at Baird. For a number of years before his health began failing.

Mr. McGowen was born February 20th, 1880 at Blossom, Lamar county. Moved to Baird 25 years ago, and had been with the Texas and Pacific until his retirement on account of ill health several months ago.

duced interest rate of Land Bank and Commissioner loans is to help farmers keep down their fixed charges and thus leave more income for the retirement of debt principal, or to meet necessary operating and living expenses," Governor Black said.

"Money saved on interest charges will thus be reflected in increased purchasing power, benefitting both industry and agriculture, and also will help in a measure to raise farm living standards and safeguard farm ownership."

The survivors include three sons, William, Hinds and Cary, all of Baird, three daughter, Mrs. Maud Cunningham and Mrs. Elizabeth Walker, both of Baird, and Mrs. R. H. Collins, of Dallas. Five sisters, Mrs. Annie Norton, Mrs. Viola Dunlap and Mrs. Mary Reese of Fort Worth, Mrs. Cora Work, and Mrs. W. D. Boydston both of Baird and one brother, Harry E. McGowen.

A. A. Brazell was a Cisco visitor Tuesday.

PIONEER TEACHERS MARRIED SATURDAY

Miss Hazel Griffin and Woodrow Smith, both of whom are teachers in the Pioneer school system, were married Saturday at her home at Frankell. The couple left immediately after the ceremony for San Antonio and other South Texas points for a brief bridal tour, after which they will return to Pioneer.

LANE BURIAL ASSOCIATION

This association provides a plan of Burial Benefit, at a rate so reasonable, practically everyone can afford to carry the protection. (Ages 1 month to 80 years.)

This is a home enterprise, organized under approval of Board of Insurance Commissioners of Texas. It is directed by men who have been in the funeral business for many years, who understand the needs and emergencies that arise at the time of death.

Burial Benefit is not life insurance. All of the investment, features have been eliminated. Therefore it is operated at the very lowest cost.

We are not in competition with any Life Insurance Company, but we offer you this additional Burial Protection at a price you can afford to pay. Carry it along with your regular Life Insurance.

It does not cost you any more to become a member of our Association than it does to pay your regular monthly premiums. You can pay by the year or month at our office.

We are not interested in Insurance Profits. We offer this protection to our friends who feel the need of burial benefits. The rates are low, but high enough to insure a fund large enough to meet the needs of the Association.

We urge you to investigate the plan and purpose of this burial association with as much sincerity and consideration as we had in you in bringing this highly desirable benefit to you.

300 West 9th St. Phone 167

Archer, Harry Coppinger, Mrs. Rosa Lovell, Norman Coffey.

The club will meet Friday afternoon, July 26, at the home of Mrs. O. D. Straban, Miss Clara Brown will talk on light and airy kitchen and also demonstrate a feather comfort. Everyone is urged to attend.

New Ruling Opens CCC To All Boys

It was announced this week by Ann Johnson, director of the Callahan county welfare department, that a new ruling concerning C.C.C.

regulation for the C.C.C. will enable more boys to take advantage of this training and also to make a substantial saving. Miss Johnson urges that all October applications be made by the last of August.

GEORGE A. DAVISSON, JR.

for STATE SENATOR

24th District

SOMETHING NEW TO THINK ABOUT
WITH
Ferguson System

*Think of attaching or detaching unit implements, including the row cultivator, in less than a minute! Think of plowing easily and quickly in tight places, close to fences! Think of being able to play 28" wide with a tractor so light it practically does away with soil packing. With its finger-tip control of hydraulically controlled wheel-less implements the new Ford tractor is amazingly easy to operate. In plowing you set your plow depth (it is automatically maintained), lower your plows by the finger-tip control, raise them the same way at the end of the furrow. You won't believe the things this new Ford tractor can do—until you see it working. Come on in today. We'll show you something!

CHAIRMAN DAVIS WILL BROADCAST

At 8:00 p. m. Central Standard time, Friday, July 26, Chairman Davis will make a fifteen minute address reporting the attainment of the \$20,000,000. War Relief Fund goal. In a broadcast over the Columbia Broadcasting System. He will also make a report upon the uses to which these funds have been and will be put. Please give this program local publicity.

Mr. and Mrs. W. M. Crosby spent several days the past week in San Antonio visiting their daughter Miss Louise Crosby and Mr. Crosby's sister, Mrs. Willie Culwell and family. They also stopped in Austin going through the capital, and visiting the Buchanan dam.

Wilbourne B. Collie
For Re-election
State Senator

Let's Re-elect Wilbourne because:

1. He has been faithful to your trust.
2. As your State Senator he holds powerful positions, including Chairmanship of three Committees, membership on twelve, and would next January become Dean of the Senate.
3. No member ever had a better record of attendance upon the sessions and committees.
4. He is for defense of our Country and an improved Texas National Guard.
5. He has stood and will continue to stand for equal and uniform \$15 monthly payment to the aged from the state and for sufficient revenue to pay those eligible to receive it.
6. He has co-operated with the Governor and other state officials to make their administrations a success.
7. He has made an outstanding record for this district in the affairs of state. Let's Keep Him There In Times Like These!

Like a figure from the pages of history, he stood at the attorney's table in federal court in Fort Worth—his snowy hair carefully brushed and his form erect despite his four-score years.

His long, black coat and the stiff collar with the black string tie suggested the days "befo' the wah" when Alexander H. Stephens practiced in the courts of Georgia.

As the judge turned to him, he inclined his head with the deference of the Old South and handed up a copy of his petition—no typewritten manuscript, but page after page in pen and ink.

Beginning to state his case, the aged man—in spite of valiant effort—found his voice quavering and occasionally he paused, for the words did not come as readily as they had, half a century ago.

In a kindly tone, the judge inquired: "Do you have a license to practice law?"

"Yes, your honor," and he drew from his pocket a faded document, almost worn in two at the creases—his license to appear before the Supreme Court of the United States. In response to another question, he admitted that the defendants had not been cited and the judge explained that they must be given notice before the matter could be heard.

The lawyer stood silent and there was no sound in the old courtroom except the ticking of the clock, manfully loud in the stillness.

Then the bailiff, himself a man whose hair was tinged with gray, gently touched the lawyer on the sleeve.

Rousing as if from a dream, the attorney donned his lawyer's black overcoat and, after bowing with a courtly grace that included everyone in the room, walked down the corridor and out into the twilight of a winter's day.

Jerry Sadler favors a tax on oil, "as and sulphur to pay the pensions and he makes this comment on V. Lee O'Danfel, who favors a transactions tax. "The Governor wants to save the poor men's souls and the rich men's money."

More jokes for the contest: When accused of being afraid of work, a darkey, denied it: "I ain't scairt of work; just show me the hardest job you can find an' I can lay right down by it and go to sleep."

It was said of another darkey, "He ain't got no stomach for work; he throws up every job he gets."

Two men were in a car and one of them, getting out at a farmhouse to ask about the road, stopped when a barking dog came rushing toward him. The man in the auto said, "Go ahead; you know a barking dog never bites." His friend answered, "Yes, I know it and you know it but the question is, Does the dog know it?"

Eastland memory: Of all these who sat around in the shade of the trees in the courthouse yard, Aleck (let's call him) was the best on getting a "sell." He would put in ten minutes of rambling, innocent remarks just a dream suspicion so that the victim would ask the fatal question, the answer to which sent the group into guffaws.

And he was the champion knife-swapper. His greatest achievement in this line began on a Monday morning when a friend gave him an old knife as being absolutely worth-

less. Aleck cleaned it up and sharpened it and then he began swapping, each time getting a little to boot. On Saturday afternoon he sold the knife that he then had for a whole dollar in cash, and to the very man who had given him the one that he had started the week with. Of course, the same amount of effort and ingenuity in the realm of business would have brought a lot more money—but not as much fun.

Aleck ran a little hotel down near the county jail. One evening, the jailer discovered—in making his rounds—that a cell was empty; the occupant had escaped during the afternoon. A little questioning developed that the hotel-man had seen the prisoner climb out the second story window of the jail and drop to the ground but had given no alarm. His explanation was: "I was afraid it would hurt my business."

FSA Farm Purchase Loans For Tenants Open In This County

The Farm Security Administration is bringing its farm purchase program to Callahan county for the first time this year and tenant farmers who aspire to own land may make application now. No applications will be taken after August 31st, 1940, it was announced yesterday by FSA Supervisor James S. McKnight.

Application blanks for these loans, made under provisions of the Bankhead-Jones Farm Tenant Act, may be obtained at the FSA office located on the 3rd floor of the Courthouse in Baird.

The loans are repayable over a 40-year period at three percent interest. A variable payment plan, whereby the payments are smaller in poor years and larger in good years, is provided. "This method of financing farm ownership is successful the supervisor said, "as is being demonstrated by some 1,000 farmers in Texas who have received these loans and as a group

ENNIS QUALLS MAKES TWENTY FIVE BUSHELS OF WHEAT PER ACRE

Mrs. Ennis Qualls was in Putnam the first of the week and stated they had finished threshing, and a part of their wheat had threshed out 25 bushels per acre, however, she stated the crop had not averaged that much. Only one person has reported more than that. Mr. Alvey reported 26 bushels last week. The grain is about all in and Putnam has shipped 12 cars. Several cars were carried out by trucks.

have repaid more on them than has come due." No down payment is required, Mr. McKnight said.

"This program started small," he stated, "With a national appropriation in 1937 of only \$10,000,000 to cover the entire United States. As its success has been demonstrated this fund has been increased. The current session of Congress authorized \$50,000,000."

Farmers to whom loans are made are chosen by a committee of county farmers.

Miss Velma Eubank has returned from a stay in Galveston, Houston, and other places of interest.

A Beautiful Custom—

The beauty of flowers carries its own message of love and esteem beyond the power of words to express. It offers friends a time-honored means of expressing their sympathy and affection. We recognize flowers as one of the loveliest tributes within the power of many to bestow, we make every provision to afford them reverent care and to arrange them in the most effective manner possible. A special car accompanies each funeral for handling the flowers, at no extra cost.
