

Omar Burleson Asks Communists Be Denied Bond

Speaking for himself and for the "millions of citizens of this country who will not take the time to communicate their feelings," Congressman Omar Burleson of Texas today called on Attorney General J. Howard McGrath to fully support U. S. District Attorney John F. X. McGohey and Judge Harold S. Medina, in denying bond to the eleven Communists recently convicted of conspiracies in New York.

Congressman Burleson expressed regret that the maximum imprisonment under the Smith Act was not severe enough and referred to the reference of Federal Judge Medina that if he could have imposed a greater sentence he would have done so.

"Since these conspirators are American citizens and not aliens, they cannot be deported," Burleson said. "Therefore," he continued, "it seems to me we should prepare a place for such traitors as these, 'Axis Sally' Gillars, 'Tokyo Rose,' and others who doubtless will be convicted in the near future, outside the borders of this country — a place of exile for those who would destroy this nation which has been so good to them.

Burleson said he will seriously consider introducing legislation in the Congress when it reconvenes in January to designate an island in the Pacific where such prisoners can be sent. He said he saw some ideal places for this purpose during the time he served in the Navy in World War II.

"These eleven conspirators who drew five years, the maximum under the law by which they were convicted, will serve only a few months. Extra time allowed and credit for good behavior will free them to continue their revolution activities. They should be banished from these shores of the U. S.," Burleson said.

WAITING FOR TROUBLE—As Communist troops are reported in Canton, 80 miles away, British forces in Hong Kong, China, are manning their defense installations to forestall any attack on the Crown colony. Above, British soldiers go through gun drill at an anti-aircraft battery that guards the harbor.

Dr. Pearce Asks Civic Clubs To Help Return American Nation To People

Dr. J. Stuart Pearce, former Cisco minister who is holding a revival at the First Presbyterian Church, told members of the Lions and Rotary Clubs at meetings in the Christian Church had been man's only hope in the past and that it was so of the future.

Dr. Pearce was appealing to Americans to go back to the time when the government was "By the people and for the people."

He stated that during the past 20 years, Americans had lost more of their liberties than in the entire history of the country. He said that 167 laws taking away the liberties had been passed during that time and that a great per cent of that number had been enacted by the last two Legislatures.

The cause, he said, was the demand of the public for more grants that placed the activities of Americans in the hand of Government. He cited England as an example of what could happen in America.

"Give the youth a fair chance" he urged "to live as citizens of a free country."

The only way we can have the freedom for which we have fought for is to vote for men and not political parties and to discontinue the trend of throwing the Bible overboard, he said.

Dr. Pearce is minister of the First Presbyterian Church in Catarina.

Visitors at the Rotary lunch-

on Thursday were Rotarians E. M. Grimes, Lloyd Chapman and Bob Gilchrist of Eastland, K. G. Lundall of Freer and F. A. Lowe of Abilene. Other visitors were J. E. T. Peters of Cisco, R. R. Cole of Dallas, Jim Kelley of Dallas, Dr. Butts of Memphis, Tennessee and Chester Parham of Cisco.

Mr. and Mrs. Neil Moore of Cisco came by Sunday and picked up Mrs. L. B. Moore and daughter, Miss Eva and motored over to Merkel where they visited with Mr. and Mrs. Buford Allen.

Born to Capt. and Mrs. Criss Sunderman, baby girl, October 25 at Merced, Calif. Mother and baby reported doing nicely.

Mr. and Mrs. C. K. Odom returned Thursday night from New Mexico where they had been looking after business interest.

Mrs. Carl Wallace of Tyler spent the past weekend in the home of her parents, Mr. and Mrs. J. S. Yeager.

Lonie Smith, son of Mr. and Mrs. Doc Smith had the misfortune of breaking his leg last week when he fell from a tractor, pulling a plow.

Mr. and Mrs. Coke Rosenbaum and son, C. B. of Rotan were visiting friends here the past week end. They lived in Putnam for more than a year while the highway construction was under way.

Mrs. Mary Guyton was shopping, looking after business in Baird Saturday morning.

Miss Eva Moore, city secretary of the City of Putnam was transacting business in Baird Saturday morning.

J. C. Jones, owner of the laun-

dry in Putnam was transacting business in Baird Saturday morning.

Mrs. Foy Jobe has accepted a

place with the telephone system at Midland and is working out there at present.

Edward King of Fort Worth spent the weekend visiting with his parents Mr. and Mrs. Pete King.

Miss Fay Coleman was home over the weekend visiting with her parents, Mr. and Mrs. Joe Coleman and uncle Robert Head.

Mr. and Mrs. E. C. Waddell were shopping and visiting in Abilene Saturday afternoon.

Fred and John Cook were looking after business in Abilene Saturday afternoon.

Mr. and Mrs. W. M. Tatom left the past week for Okean and other places in Oklahoma where they will visit Mr. and Mrs. Otis Tatom and Mr. and Mrs. Flesman. They will be gone several days before returning to Putnam.

Mark Burnham was in from

the Union community Saturday afternoon and stated he had gathered 45 bales of cotton and had several to pick yet.

Bruce Williams spent the week end from Stephenville visiting his parents, Mr. and Mrs. R. D. Williams.

J. A. Yarbrough was in from the Union community and reported he was through picking cotton and had gathered 24 bales off of 27 acres.

Jack Nettles spent a few days the past week visiting with his son Earnest at Midland.

Shorty Golson of Eastland was transacting business in Putnam Thursday afternoon.

Douglas Frye was in from the ranch near Dothan Saturday afternoon looking after business interest.

A. Yarbrough was in from the Pueblo community Saturday afternoon and reported that he was through gathering cotton

and had picked eight bales from 12 acres.

Mr. and Mrs. R. L. Buchanan were shopping and looking after business interest in Cisco Saturday afternoon.

Mrs. Henry Bailly and daughter of the Hart community were shopping in Cisco Saturday afternoon.

Mr. and Mrs. E. E. Sunderman returned the past week from Dalhart where they visited with their son and wife, Mr. and Mrs. Eugene Sunderman and attended the ball game between Dalhart and the Phillips Petroleum team. Mrs. Sunderman said it was most interesting game she ever saw.

Commercially manufactured ice originated in Texas.

Texas' Governor rules over more territory than any European king, president or premier in the continental limits of his country, except Russia.

BIG AND LITTLE GAMES—Two youngsters continue their playing with their backs to communications trucks which are taking part in the parade staged by 20,000 troops of the U.S., Britain, France, Belgium and Norway, near Sennelager, Germany. The five Atlantic Pact nations are participating in war games in that area.

HOMER PIETERERTJE BOSCH LAD 835403

LEADING SIRES USED IN COUNTY ARTIFICIAL INSEMINATION PROGRAM

Homer Pieterertje Bosch Lad 835403 is only one of the great bulls being used in Eastland County for artificial breeding service, according to Harry Crow, Carbon, breeding technician for Eastland County Dairy Association.

Bulls of this caliber are made available to each dairyman or dairy cow owner in the county at the very reasonable fee of \$6.00 Crow said.

H-3 as the bull is known in the artificial breeding world, is owned by the North Texas Ar-

tificial Breeding Farms near Dallas. He is an exceptionally high proven bull. In fact it is said that he is one of the highest proven bulls of the Holstein breed in the United States today. Five daughters ave. 15128 pound of milk, 525 pounds of fat. Five dams' ave. 10059 pounds milk, 349 pounds fat, an increase of 5069 pounds milk, 166 pounds fat. The average cow in the state averages only 134 lbs. of fat per year. From the above figures it can be readily seen that H-3 has the ability to increase the production of his daughters over their mothers by more than the average cow in Texas produces.

This Holstein bull already has over 1,000 artificial daughters over the North Texas area.

Approximately 2,000,000 cows were artificially bred over the nation in 1948. This is proof that artificial breeding of dairy animals is here to stay, Crow said.

Jersey, Holstein and Guernsey bulls are available for breeding any dairy cow in the county. All are high quality bulls and cows may be bred to a bull of the above breeds.

For breeding your cow to one of these great bulls contact Harry Crow at Phone No. 133F at Carbon or see the County Agent for further information. A. Z. Myrick, Cisco, is president of Eastland County Dairy Association, sponsors the breeding program.

Rev. Oran Stephens and wife will go to Ft. Worth this week for an Area meeting of Methodist district superintendants on the 2, 3, and 4th of November. Bishop W. C. Martin will entertain with a banquet in the dining room of First Methodist church honoring the district superintendants and their wives at the close of the meeting.

Lone Star Names District Auditor

Appointment of Jack Fatheree to the newly created position of accountant for Lone Star Gas Company's Abilene division of distribution has been announced by Joe C. Darrow, division superintendent. Mr. Fatheree will have headquarters in Abilene and direct the accounting procedure for the company here and in more than ninety other cities and towns comprising the division. Mr. Darrow said. Such procedure heretofore has been handled out of the general headquarters in Dallas.

Born at Overt, Mississippi, Mr. Fatheree was graduated from high school at Ellisville, Mississippi, and attended the Jones County Junior College at Ellis-

FREE AFTER 28 YEARS—Miss Monica Baldwin enjoys her new freedom near Pinner, England, since the Pope issued a special re-script releasing her from her vows as a nun. It took her 28 years to decide she had made a mistake in entering a convent and when she returned to England, from Europe, it was three months before Miss Baldwin could walk, talk and wear clothes normally.

West Texas Chamber of Commerce Expects Large Crowd at Convention

ABILENE, Oct. 30 (Spl.)—Largest attendance since pre-war general conventions was predicted by officers of the West Texas Chamber of Commerce as the organization busily made ready for its annual business assembly and water development banquet set for Tuesday, Nov. 22, at Fort Worth. Attending the latter, in addition to the WTCC's directors and distinguished guests, will be delegations from local chambers of commerce, mayors, city councilmen, water improvement association officials, and others from an estimated 140 West Texas towns.

With the gathering still three weeks away, the WTCC headquarters office has had word from directors and chamber managers in many towns that they are already organizing their attendance. Memphis, Ranger, and Haskell were first in with orders for banquet tickets, totaling 23, and assurances of delegations numbering

from 5 to 15 have been received from Pampa, Dalhart, Big Spring, San Angelo, Colorado City, Roscoe, Roby, Ballinger, Sweetwater, Stephenville, Cisco, Eastland, Stamford, Rochester, Abilene, WTCC's headquarters city, and Odessa, home town of President John D. Mitchell.

The confident prediction is that 1,000 or more West Texans will be in the sumptuous banquet at Fort Worth's Texas Hotel. That city's delegation is expected to number several hundred, and joined by Abilene's group, will host the concluding session.

DRILLING BEGINS

West Bros. and associates of Putnam have spudded in on the M. Hanks No. 1 in Coleman Co., four miles northwest of Burkett. The well will test the area to 600 feet.

ON THE RIGHT BEAT—These young voices were once heard in the slums of London until the Rev. Desmond Morse-Boycott found a better outlet. He formed a song school, in Addlestone, England, which has attained such fame that the choir will soon leave on a concert tour.

Funeral Services For S. M. Wilson Held Tuesday

Funeral services for Samuel M. Wilson, 84, retired farmer who was a former resident of Cisco, were to be held at 3 p. m. Tuesday at Thomas Funeral Chapel. Rev. Jack Tucker of Abilene was to conduct the services.

Mr. Wilson died at 3:30 a. m. Monday at the home of his son, Grady Wilson, who lives near Roscoe. Mr. Wilson was born in Montgomery, Alabama on March 16, 1865. He came to Texas in 1900, living first in Ellis County, then moving to Cisco where he lived until he moved to Roscoe four months ago.

His wife, to whom he was married for 65 years, died on December 13, 1948. They were married in Delta, Alabama.

Survivors include six sons and one daughter. The sons are W. F. of Dallas, O. W. of Fort Worth, Grady of Roscoe, C. H. of Kermit, J. E. of Lubbock and L. V. of Bisbee, Arizona. The daughter is Mrs. Charles Davis of Baltimore, Maryland.

Also surviving are 12 grand children and three great grand children.

Burial was to be in Oakwood cemetery with Thomas Funeral Home in charge of arrangements. Pallbearers were J. W. Crowder, C. C. Cooper, Jim Taylor, W. L. Nix, Walter Burkman and Tom Whitt.

Local Horse Wins In Coleman Show

Sinney, three year old Palomino stallion owned by C. A. Ditmore of Cisco, was judged the champion quarter horse stallion of the Coleman horse show Thursday. Palominos dominated the show, taking three of the four major championships.

The Cisco horse was also named reserve champion Palomino of the show. He was sired by Royal King and is out of a Joe Bailey mare. Sinney has won 21 first place awards and has been named grand champion of nine shows.

The show was climaxed on

Thursday night with a showing of the daytime winners and a full scale rodeo. It was sponsored by the horse show division of the Coleman Rodeo Association.

EVERYONE'S IN ON IT—Members of the rowing club in Twickenham, England, decided they needed a new boathouse and the cheapest way was to build it themselves. Here they load brick for transportation to the building site via a brick brigade.

City Ridding Lake Of Undesirable Fish By Use Of Special Chemical

City officials announced Tuesday that an effort was being made to kill all fish in the south fork of Lake Cisco in an effort to rid the lake of undesirable fish that are sapping the life of its supply of game fish.

The plan has the approval of State Game, Fish and Oyster Commission. The body has advocated the destruction of types fish that have over Lake Cisco.

Jay Judia, lake custodian, has charge of the program and issued following questions and answers for the information of the public:

What will it do for water home consumption?

The Bureau of Public Health in Austin informs that the use of Rotenone (which is used) is 25 per cent DDT in 100 gallons. A small amount of Rotenone in the million gallons of water in our reservoir and one mile from the would have no ill effect on the water whatsoever.

Will it kill all fish in the

No, it will only kill what is in the treated area. Rotenone is soluble and will be completely

dissipated within 18 to 36 hours.

In explanation of this act it can be said that a check test was run and that it was found that 85 per cent of the fish in the lake are rough fish (shad, carp etc.) This 85 per cent has to eat, of course, and thereby depletes the food supply for the edible fish. This is an effort to take some of the load off the take and give the better fish more to eat.

Since food is the controlling factor in the growth of fish it is felt that this work is necessary to improve the fishing in Lake Cisco. After the job is complete it is planned to restock the lake with the type of fish that can keep down the shad and carp population. This will make the fishing better and give the small ones a chance to be big ones when you catch them.

There are four communities in Texas named Pleasant Grove.

There is enough land in Texas to supply every one in the world with a tract 4000 feet in size.

NOT QUITE HIS EQUAL—Milo Barus, a 225-pound weightlifter, is about to force his 800-pound opponent to its knees in Rastatt, a French zone city in Germany. The bloodless bull fight also provides daily entertainment for a crowd of interested spectators.

Four Generations Of Dunlap Family Gather Sunday

Four generations of the Jay G. Dunlap family gathered in the home of Mr. and Mrs. Jay G. Dunlap, 909 West Ninth, Sunday for a reunion.

Children of Mr. and Mrs. Dunlap were there were Mr. and Mrs. Lee Hall of Roby and Mr. and Mrs. Jack Dunlap of Sweetwater.

Grandchildren present were David Hall, Chelly, Beverly and Sammy Dunlap of Sweetwater; Frances Hall, Mr. and Mrs. James Sargent of Abilene.

Their great grandson, Larry Sargent son of Mr. and Mrs. Ja-

mes Sargent, Abilene, represented the fourth generation of the family.

A friend of the family, Miss Nadine Rainwater of Lubock, accompanied the group to Cisco and spent the day in the Dunlap home.

P-TA Carnival Is Huge Success

The P-TA Carnival held Saturday night at the West Ward School was a huge success, according to Mrs. Bill Kendall, president. It was a success both financially and in affording an evening of entertainment to both young and old.

Visitors spent \$311.55, which went to the treasury of the PTA

to aid in paying off the indebtedness of the school lunch room.

The halls and rooms of the building were filled with merry makers all evening and all rooms reported good crowds.

Mrs. Kendall thanked every one who aided in making the carnival a success and stated that without the help of the room mothers, teachers and the students themselves the association could not have made a success of the affair.

Culberson County, Texas, with 3,848 square miles, has a population density of .4 per square mile.
