"When The One Great Scorer Comes to Write Against Your Name
He Writes Not If You Won or Lost But How You Played The Game."

THURSDAY, JANUARY 17, 1946

From The Editor's Window

BY MRS. J. S. YEAGER

The state war finance headquarters at Dallas has announced that Texas went over the top in all quotas in the recent Victory Loan drive.

It was said the E bond sales lagged for a time but during the last few days of the drive Texas, as usual, came right out of it and raised the amount up to the high figure of \$92,399,838.

In these E bond sales 188 counties exceeded their goals.

All along we felt Texas would pay her part and more. She has always done her share in everything worthwhile and we knew she would rise handsomely to the occasion, just as she did.

Our senators of the United States Congress have twice rejected chances to increase their own salaries. They could very easily have done so but by a vote of 47 to 24 the first time and a vote of 45 to 23 the second time they have refused and the public is taking notice concerning the action of our senators. They have done the right thing and, naturally, the voters are well pleased about it.

The House some time ago raised their salaries \$2500 but we understand some 21 of our courageous representatives have returned the money and refused the raise.

It is said the people of the country managed to get along in 1945 with less sugar than in forty years. The individual amount was indeed very low and many housewives were forced to use syrup and other forms of sweets to supply the actual needs of their families.

We are told, however, that the supply of sugar will be slightly increased during 1946 and with it a probable increase in the price.

Asked if a year in college had made any difference in his son, a deep-south farmer reflected a moment and said:

"Well, he is still a good hand with the plow, but I notice his language has changed some. It used to be, 'Whoa, Becky! Haw! and git up!' Now when he comes to the end of a row, he says, 'Halt Rebecca! Pivot and proceed!'"

Joe—"Yes, my grandpa was a politician all his life."

Bill—"Why, I never knew that."

Joe—"Yes, he spent part of his time running for office and the rest running for cover."

An Irishman in the BEF was telling his friend of his narrow escape in Paris.

"The bullet went in me chest and came out me back," he said.

"But," answered his friend, "it would go through your heart and kill you."

"Me heart was in me mouth at the time," was the quick reply.

Rexford Guy Tugwell, governor of Puerto Rico and a former cabinet member under the late President Roosevelt regime, has recently been appointed professor of Political Science at the University of Chicago.

It is reported that certain Negro leaders have asked Veterans Administrator Omar Bradley to end the segregation of white and Negro veterans in some southern hospitals.

They were told by the acting surgeon general that the Veterans Administration could not become an agency for social change and must continue according to usual local custom.

The sub-district union director, Sam Beers, in the Ft. Worth-Dallas area, has announced that no strike votes were taken at the seventeen CIO-represented plants and therefore no strikes in the district of United Steel Workers called for the middle of January, was anticipated in this area.

Mrs. C. K. Odom made a trip to Ranger to visit her brother and wife, Mr. and Mrs. Charley Brown who are the parents of baby boy.

OPA Chairman Calls For Cooperation in Holding Price Level

More and more volunteer workers will be needed by the Shackelford Area Price Control Board to do an effective job on surveys and assist with clerical duties during 1946, chairman A. M. Russ reported as the OPA volunteer program swung in to its fifth year.

"Price control at the retail level is a community responsibility. We must not shirk it lest inflation engulf this nation's economy and lest the peace for which our boys fought so gallantly be nullified," the chairman declared.

"We must remember that the peace is not yet won and won't be until such time as the supply of civilian goods comes in reasonable balance with demand.

"The OPA will hold the line on prices at the manufacturer's and wholesaler's levels, but its efforts to prevent disastrous inflation will be of no effect unless we, the citizens of Shackelford area, pitch in and guard prices at the retail level."

An average of 9 volunteer workers was employed in board work during 1945, but 12 volunteers, an increase of 3, will be needed to carry on through 1946, chairman Russ said. There are two kinds of volunteers, he related: the panel members who receive consumer complaints, check results of price surveys, hold hearings with violators, and help in the information program, and the board representatives, who work in every community—board site or not—who make the surveys and assist with clerical duties.

Duplicate SS Cards Available Through Any Board Office

During the war many men who entered the armed forces lost or misplaced their social security account cards. As these men are discharged and return to civilian jobs they find it necessary to secure duplicates. Some of them think it is compulsory to secure the duplicate from the office where they secured the original card and are telegraphing these offices from various parts of the United States, according to Ralph T. Fisher, manager of the Abilene office. The fact is that any field office of the board will be glad to accept an application for a duplicate and thereby save the applicant the time and expense of wiring back to the office where the original was issued.

Ex-servicemen do not have to request duplicates from the issuing office. Without cost any office will gladly cooperate with the applicant and do everything possible to expedite the issuance of his card, Fisher said. Since several days are required to verify the number and issue the card, however, each veteran is urged to make application as soon as possible after his discharge, rather than waiting until he is ready to go to work.

S. B. KILLOUGH DIES IN MORAN JANUARY 4th.

S. B. Killough, 81, died at his home in Moran Saturday after an extended illness of several weeks. He was a former resident of Eastland county moving to Moran a number of years ago.

Funeral services were held in the Moran Church of Christ Saturday with Rev. Cole Jackson, minister, officiating. Burial was in the Moran cemetery under the direction of the Thomas Funeral Home, Cisco.

Married to Lilly May Elam September 20, 1912. He is survived by his widow and four sons, and five daughters, Bill Killough of Big Spring, Earl of Albany, Britt of Moran, Lloyd of Dimmitt, Mrs. L. V. Watts of Hereford, Mrs. Ralph Tolar, Marlin, Mrs. Walter Belknap and Mrs. W. A. Lawrence of Dimmitt, Louis Killough of Cisco. Two sisters and 27 grandchildren, and three great grandchildren.

Ray Battle of the Scranton community was in Putnam Friday morning looking after business interests.

Wool Produced 5% Smaller Than 1944 Production

World's production of wool in 1945 amounting to about 3,790,000,000 pounds, is about five per cent smaller than in 1944 and 12 per cent smaller than the record output in 1941, according to preliminary estimates of the United States Department of Agriculture.

The 1945 output of wool approximately equals the prewar level. The decrease in production since 1941 pack is attributed principally to droughts in important producing countries of the Southern hemisphere, relatively smaller profits from sheep and wool in the United States than from some other farm products, and European war conditions. Decreased world production however, since the early war years, has been more than offset by the time accumulation of stocks.

The Southern hemisphere clip now being shorn is estimated at 2.2 billion pounds, which is four per cent smaller than the annual average for the 1940 to '43 period. The area supplies 65 per cent of the world's output of wool, exclusive of Soviet and China.

Mrs. Will McCoy Announces for County Treasurer

TO THE PEOPLE OF
CALLAHAN COUNTY:

"I wish to make announcement as a candidate for re-election to the office of County Treasurer, subject to the Democratic primary which will be held July 27, 1946.

"I desire first of all to express my sincere appreciation to each of you who have so loyally supported me in the past. You have been extremely kind to me, am proud of my term of office, it has not only provided a means of support, but has kept me in close association with my friends, a privilege of which I shall always count as my greatest treasure.

"My entire life has been spent in your midst, there is nothing I could say to enlighten you regarding my past life as a citizen or as an office holder. We have just passed through some trying times, nerves have been strained with worry; hearts saddened with grief and a heavy load of added responsibilities... during this emergency I have fallen far below my ideals of giving you folks the service you deserve or would expect in normal years, but with your unflinching cooperation, I have done the best I could... at last the welcome light of victory and peace appeared... this light will surely brighten our days ahead and lead to happier times for all of us.

"There still remains a feeling of uncertainty, responsibilities are still heavy—during the coming year of 1946 I will strive to carry on the duties of office as best I can and at the same time try to be helpful in every way possible... hoping to merit, by my humble efforts, your further confidence and approval.

"Between now and the election in July, you will be considering each candidate, making up your minds as to whom you wish to cast your vote... if you should see fit to re-elect me to this important office, I would be indeed happy to continue serving as your County Treasurer and be ever grateful for your goodwill and support."

Sincerely,
MRS. WILL MCCOY.

Breck Minister is Guest Speaker for Presbyterian Men

The Rev. Edgar Graham, pastor of the Presbyterian church at Breckenridge and a former chaplain in the 90th Infantry Division in Europe, was guest speaker at the monthly supper for the Presbyterian Men's club Wednesday evening in the educational building.

Life on the battle front and experiences as a chaplain, with numerous interesting descriptions of the European countries, formed the basis of the Rev. Mr. Graham's talk to the local men. They declared it one of the most interesting programs ever given at the supper meetings.

W. A. Petterson Announces This Week for Sheriff

TO THE VOTERS OF
CALLAHAN COUNTY:

In making this announcement of my candidacy for re-election to the office of Sheriff of Callahan County, I wish to first express my sincere thanks and appreciation to my friends throughout the county for placing me in the Sheriff's office, and the many ways in which they have helped me toward law enforcement during the present term. I believe the people of Callahan county want strict law enforcement, and that has been my aim since I entered upon my duties as sheriff. With your support and cooperation, I believe that I have attained success. Upon investigation of records in the sheriff's files, the citizens may see that by my methods of enforcing the law I have not only carried on a diligent and efficient campaign against crime, but I have also carried on the work at a financial saving of county funds. I do not call these facts to your attention in a boastful way at all, but only wish to state that all matters referred to the sheriff's office during the present term pertaining to law and order, or the protection of our people and property, and for the general good of the county at large, have been promptly and effectively dealt with in the most sincere manner possible. I want all of the people of Callahan County to know that I want to be re-elected to the Sheriff's office for a second term, and anything that might be done in my behalf through your influence and your vote will be deeply appreciated.

Sincerely,
W. A. PETTERSON.

M. M. (RED) LITTLE RECEIVES BROKEN ARM ON LEASE

M. M. (Red) Little had the misfortune of breaking his left arm a few days ago. He was using the pulling machine on his oil field truck when it turned over on the frame, throwing Mr. Little down on his left arm, breaking it between the elbow and wrist. However, the machine fell back over on the truck and did not fall off. Mr. Little owns a lease near Scranton with several producing wells.

MRS. CLIFTON McCLELLAN DIED IN GRAHAM HOSPITAL TUESDAY JAN. 15

Mrs. Clifton McClellan died early Tuesday morning at the Graham hospital, after an illness of three weeks. Mrs. McClellan leaves a husband and two children, Roy Dean and Jean, age 9 and 11 respectively, her parents, two brothers and two sisters.

Mrs. McClellan was a daughter of Mr. and Mrs. C. C. McFadden of Gorman. She was born July 26, 1914 near Dothan. She was married to Mr. McClellan on December 12, 1932, in Cisco.

Other survivors include two sisters, Mrs. A. R. McIntire, Mrs. Clyde Coats, Cisco, two brothers, R. C. McFadden, Gorman, Pfc. Billy Joe McFadden at home from overseas.

Funeral was held Wednesday afternoon at the East Side Baptist church in Cisco, with burial in Oakwood cemetery by Thomas Funeral Home. Rev. Mart Agnew conducted the funeral services.

Pallbearers were Arlin Bint, J. L. Thornton, Richard Turknett, Travis Kelley, Henry Pence and Ed Pence.

High School Bands Of Three Town Area Plans Clinic Series

The high school bands of Albany, Breckenridge, and Cisco are planning a series of three combined clinics, one for each town before the end of school in May. The first two will be in Albany and Cisco. An outstanding band director will be brought in to direct, instruct, and criticize the large massed group. Sessions will start early in the afternoon and will end with a public display at night. A different guest will direct each clinic.

THE STATISTICAL EXPERTS MADE PURTY CHARTS AND STATISTICS

Taken from J. Eden's Weekly, Topeka, Kansas: "It seems like the fellows who make the graphs and the charts, the so-called statistical experts, have been slipping. They've made some mighty purty charts and statistical figures have been available on every hand, but they haven't foretold the future worth a dime.

"I am in favor of turning out the present leaders and putting some hillbillies in charge of the country. The hillbilly knows that when a sow begins to gather leaves and twigs and attempts the making of a bed, there's going to be some stormy weather.

"This nation when it entered high production for war, paid wages that were unnecessarily high. In this area men made up around \$100 a week who had been on relief or near it in the months just preceding the outbreak of the war. The high wages were not "After the workers got these high wages they developed tastes and desires above the ordinary, and now they shudder at the thought of having to work at reduced wages.

"However, and this is the main point, they couldn't buy anything with these high wages because they weren't being manufactured. (Continued on page three)

Home Demonstration Work In Callahan County During 1946

J. M. (POPS) LEE FUNERAL HELD TUESDAY, JAN. 1st.

Funeral for J. M. (Pops) Lee, who had a stroke on the streets of Baird Saturday morning, died Sunday at the Callahan County hospital following the attack. The funeral was held Tuesday at the Presbyterian church of Baird, with the Rev. S. P. Collins officiating, assisted by the Rev. R. H. Campbell, pastor of the Methodist church at Baird, and burial followed in the Ross cemetery.

Mr. Lee was born December 4, 1887, in Springfield, Illinois, and in 1937 retired as a railway engineer of the Texas & Pacific lines after 24 years service.

At the time of Mr. Lee's death he was manager of the Plaza Theatre at Baird. He was a member of the Masonic lodge.

Survivors are his widow and a step daughter of Baird, Mrs. Harold Ray, a brother and a step son.

Mrs. J. A. Yarbrough Made Chairman of War Clothing Drive

The collection of clothing for overseas war victims is on for the month of January. Mrs. J. A. Yarbrough is publicity chairman. Boxes in which clothing may be deposited will be placed at some convenient spot in town soon, so begin looking through your closets, trunks, and get together the clothes, shoes and any other articles of wear that you can give.

Articles needed are winter clothes, summer clothes, children clothes, sweaters, worn sheets, blankets, and shoes. Shoes should be tied together to prevent getting mislaid. Clothing should be clean but pressing is unnecessary.

Armour & Company Has .75 Per Cent Profit for 1945

Armour & Company makes report. The hog shortage in 1945 was blamed in their report last week for decrease of \$265,009,590 in the total sales of Armour & Company during the year, according to the annual report of G. A. Eastwood, president of the company.

The report showed net earnings of the company were \$9,172,528, which was \$2,077,810 below the 1944 earnings. The earnings were equivalent to .75 per cent on each dollar of sales.

The company closed the year with working capital at \$140,672,303, an increase of \$4,613,531 over the previous year.

In January, club women made 450 kit bags for the Red Cross. They also helped in the "old clothing drive."

In March, club women started a project of keeping the USO cookie jar filled. A schedule was worked out that each club would be responsible for filling the cookie jar three times during the year. By this plan, about 500 cookies came in each week. As Baird is a railroad center, many troop trains stop. The USO directors have given some very favorable reports. One hostess had this to say, "It would do your soul good to see how the boys appreciate the cookies." One Yankee soldier said, "We'll remember Texas hospitality by your cookies."

In view of the wartime inflation of prices, low availability of clothing, and inferior quality in textiles, club women could see a very dire need of carrying the clothing demonstration. Restyling hats was a very successful demonstration. Approximately 273 hats were re-trimmed. Fifty dress forms were made for a small cost of about one dollar each. About 573 garments were made over by the women, 1250 new garments made, 81 purses, 11 foundation patterns, 13 garments dyed, and 55 machines cleaned.

The women also canned food to send overseas. They canned fruit cake, fudge and tamales. Not only were these nice gifts, but as Mrs. L. C. Duncan said, "With cold days coming on, it will be mighty nice to have on the pantry shelf." The food arrives overseas in good condition, the boys say.

Seven bathrooms have been added to homes, 93 pieces of furniture finished, 21 chairs seated, 17 chairs and sofas refinished, 11 slipcovers made, 17 closets built, and 6 closets remodeled.

The club women are to be congratulated for their work in 1945.

The News calls the readers attention to Mrs. Will McCoy's announcement for County Treasurer of Callahan county. Mrs. McCoy has been a resident of Callahan county all of her life and needs no introduction from the writer since she has been before the public a number of years and is well and favorably known. She has made a very efficient officer since she has been county treasurer and her record is before the people of Callahan county. The News asks that our readers give Mrs. McCoy their careful consideration before casting their ballots in the coming Democratic primary in July.

Each club has been responsible for an exhibit at Council one time during the year and was also responsible of recreation at Council.

In May the marketing committee began making plans for a cooperative order of pineapple. In June, the 300 dozen pineapples arrived. It is estimated that the one truck load of fruit according to the local prices of pineapple, saved the people of Callahan county \$669.00. There were 350 families taking part in this order representing 16 communities which covered the entire county.

By preservation, conservation, and by buying war bonds and stamps, every club woman did a big part in winning the war. Sometimes a club woman was unable to attend club meetings because her son or hired help was in the service and it was necessary for her to run the tractor, help in the harvest, etc. Besides her club duties and taking care of her husband and three children, Mrs. Carl Cook, Council chairman, drove all over the county taking farm census. Others have taken on extra jobs working.

Sgt. Roy Lee Jobe reported to have died in Jap Prison

Mr. and Mrs. Earl Jobe of Putnam received a telegram from the department January 3, stating that their son, Sgt. Roy L. Jobe, died in a Jap prison camp September 2, 1945.

Sgt. Jobe was taken prisoner at er, his parents received only one the fall of Bataan, May 8, 1942, at which time he was reported missing in action. During the three and a half years he was a prisoner, dated November 1944, from him. This letter was received in November 1945. All letters written to him at the prison camp were returned undelivered.

Sgt. Jobe, a graduate of the Putnam high school, was in the Army eight years. Three brothers were in the service, Raymond, who is en route home; George, who arrived home December 7, and Billy Mac, recently discharged. Another brother, Foy, is at home. He is also survived by one sister, Mrs. Tom Caraway, of Abilene.

Texas History Seen In Dioramas Shown In State Museum

Austin, Texas.—Far more stirring than reading or hearing about the deeds of Texans whose courage made possible the present celebration of the Centennial of Statehood is seeing actual scenes from "big moments" in the history of the state.

Texas citizens, including hundreds of school children, have their pride in their state renewed when visiting the Texas Memorial Museum on the campus of the University of Texas and viewing the dioramas actually showing how history was made. Dr. E. H. Sellards, director of the museum states.

Modeled after a Texas ranger camp five miles south of Uvalde is a diorama of a frontier battalion of Rangers back in 1835, complete in every detail. The rugged life these men led is revealed in the mountainous terrain and their uncomfortable tent quarters, with mounts ready for action against Indians or other enemies.

"The Winning of the Cow Country" is the title of another scene in which the signing of the final and lasting peace with the Comanches is re-enacted at the ranch of Col. Charles Goodnight in Palo.

Another event in the life of Texas is the diorama depicting Moses Austin requesting the Mexican authorities for permission to settle 300 American families in the state.

All of the bloody horror of the fall of the Alamo is shown in three scenes which immortalize the death of such heroes as Robert Evans, James Bowie, and David Crockett and his crew of hard-fighting Tennesseans.

Fort Griffin in 1876, located at Clear Fork of the Brazos, is the subject for another of these life-like dioramas. This fort was a key point in protecting the Texas frontier against the Kiowa and Comanche Indians.

"The Battle of Sabine Pass" where 47 artillerymen under Dick Dowling blocked the move of Houston in 1865 by five Federal gunboats portrays another colorful chapter in the state's history.

Another scene shows one of the greatest triumphs of Houston's army—the capture of Santa Anna by three Texas soldiers three days after the battle of San Jacinto.

One of the lesser known but most heroic moments in the struggle for freedom is recalled in a diorama concerned with the Mier Expedition which ended in the execution of one out of each 10 of 174 survivors of the venture across the border. These men had escaped their prison at the Hacienda de Salados near Saltillo, Mexico, only to be recaptured after enduring days in the heat of the desert.

Their Mexican captors devised the cruel punishment of forcing each prisoner to draw beans from a pot, with black beans the symbol of death before the firing squad.

The cycle is completed with the scene in Austin of the annexation of Texas on February 19, 1846, with President Anson Jones giving his farewell address.

Visiting hours at the Museum are from 10-12 a. m., and 2-5 p. m. on week days, and from 2-5 on Sundays.

Eight County Tests Seeking Deep Pay Sands for Oil

Some say there is no deep oil in Shackelford county, and the big companies have not followed any deeper drilling in the vicinity, except for the wildcat of Phillips Petroleum Co. on the Hudson-Hickman land, eight miles southeast of Albany.

The deeper oil prospect for the county will be largely determined during the next few weeks with 8 active tests seeking the Ellenberger lime—first time in history there have been that many deeper drilling efforts in the area that has been producing oil daily since 1913, largely from shallow sand horizons. This year should prove the turning point for Shackelford county oil producers.

Southwest of Dex Chas. H. Omond No. 1, W. H. Green, is drilling below 2306 feet, past the Strawn, in southwest corner section 29, BAL., eight miles east of Albany, rotary drilled.

Roeser & Pendleton, Inc. No. 1, T. W. Lee, is under-reaming casing below 1100 feet in northwest quarter section 27, block '1, T&P RR., two miles southwest of Albany, a cable tool hole.

Texas Pacific Coal & Oil Co. No. 1, C. E. Snyder, is drilling below 2800 feet with cable tools in northeast corner section 36, LAL., two miles west of Moran.

Eltex, Ltd. No. 1, L. G. Davis, is drilling below 3350 feet in south-

west corner section 52, block 13, T&P RR., a cable tool hole for the Ellenberger, the first for extreme southwest Shackelford.

Phillips Petroleum Co. No. 1, Pan-Age, is repairing machinery at 3500 feet, above the Caddo lime, setting blow-out preventer. The rotary drilled test is in northeast quarter section 16, LAL.

Mass-Tex Oil & Gas Co. Inc., No. 1, Tiza Brazell, is in the lower Caddo at 3780 feet waiting on casing in TE&L survey 1554.

Allied Oil Co. Inc., No. 1, Lee A. Sanders, is below 3880 feet in the Caddo lime with oil, gas and water, a cable tool hole in TE&L survey 583, three miles east of Albany.

Eltex, Ltd. No. 1-A, Merrick Davis, is below 5100 feet in rotary hole in section 30, block 12, T&P RR., nearing the level of the Ellenberger oil and gas show in No. 1, a junked hole.

The Ellenberger lime remains an unknown quantity, and the Wild pool by Phillips remains as the one big successful oil find in the Ordovician.

The Eolian discoveries by Roeser & Pendleton, Inc.—Ambassador, never did perform on their initial showing and may be chalked up as small pumpers.

The Eolian discovery of W. R. Skeen on the Hatchett farm, makes 10 barrels flow hourly, with 5% water, which is not bad, and he will go a half mile south on the Caldwell farm for his second test.

W. R. Skeen No. 1, Chas. Compton, a wildcat for Ellenberger east of Eolian, has been plugged, a dry hole at 4326 feet—dry Ellenberger, which was a big disappointment, as oil men had counted the area to have a good prospect.

MORAN TEXAS STATE GUARD NEWS, COMPANY C—10th Bn., MORAN STATE OF TEXAS ADJUTANT GENERAL'S DEPARTMENT, AUSTIN

Texas State Guard units were employed in four Texas towns, Nacogdoches, Lufkin, Greenville and Palestine. In the recent (Jan. 4th, 1946) tornado which covered Eastern Texas with varying degrees of intensity. Three inches of rainfall, up to 80 mile gales, 30 dead (to date), 200 injured, houses, business buildings and cars wrecked, electric power and communications interrupted, communities isolated, debris piled high—were some of the disastrous features.

The Nacogdoches unit was on duty for 48 hours, searching for bodies, removing debris and patrolling. Headquarters was set up in the police station, and a first-aid station in the hotel. Medical supplies, comforters and other guard equipment was used to care for the wounded, chilled and shocked.

The Lufkin unit worked with the Red Cross in providing shelter for the injured and homeless, then went to the assistance of the Nacogdoches unit.

Greenville did valiant duty for 40 hours, righting cars and restoring order.

The town of Palestine was probably the worst hit by the tornado. There the guard unit was on duty 48 hours, almost 24 hours of which was without relief. When the job became too big for one unit, Guard units from Corsicana and Crockett came to its assistance. They stop-

ped looting and fights over loot, patrolled the area and restored order, then went on guard duty, around the affected area. The unit set up its own field kitchen to feed dtroops and casualties, assisted by the citizens of the town. State Guard jeeps and trucks were used to transport the injured and to remove the wreckage. Pathe News-reel took pictures of the Guard on duty.

All Guard units received the highest praise from city and county officials and from the newspapers and citizens. Rescues would have been fatally delayed without the trained and willing cooperation of the State Guard units.

The opportunity and the ability to serve in natural and domestic disasters is the privilege of the Texas State Guard. Men from 16 to 60 are invited to visit the nearest State Guard unit and obtain details of membership.

Of first importance is the matter of lubrication when the motor is cold. Will there be residual lubrication enough to protect gears and operating parts until the cold oil in the crankcase is heated enough to circulate freely?

Adding this phase of John Deere research to all the other tests and trials conducted by the planning and experimental departments, and the answer is simple—nothing is left to chance or theory. All the ingenuity and experience of trained engineers have been brought to bear on the main objective—to turn out a tractor that will operate successfully under all conditions and give a maximum of economical, dependable service to the farmer.

Creating their own weather conditions enables John Deere engineers to test ideas and conduct experiments that are of vital importance to the John Deere owner. Here it is possible to check and recheck, adjust and re-adjust until there is no doubt as to the performance of a John Deere under extreme weather conditions.

There is no substitute for the accumulated experience gained through more than a hundred years of single-minded devotion to the manufacture of better farm implements.

MORAN

Personal Mention

Mrs. Effie Rountree was a patient in Blackwell sanitarium last Saturday for a tonsil operation.

Mr. and Mrs. Oscar Wise, Mrs. Emma Jean Oyler were guests of Mr. and Mrs. Carrol Anderson in Abilene last Sunday for a birthday dinner, returning home in time to attend the quarterly conference at the Methodist church in the evening.

A. C. Oyler left for his home in Edinburg last Saturday, having settled the estate of the late Mary E. Townsend.

D. P. King, our local telephone manager, had a bad case of the flu and was in Stamford hospital for a few days, having a minor operation for an infected ear. He was brought home Tuesday.

Sgt. Jerrell Allen of the Marines, left Saturday evening to report back to San Diego for duty. His wife left on a business trip to Austin last Sunday.

Mrs. John Holland of Abilene was a patient in Hendrick Memorial hospital last week. Her many friends in Moran hope she will soon recover.

Mr. and Mrs. Laird Locke of Cisco were visiting his parents, Mr. and Mrs. H. J. Locke last week. They cut the fruit cake that had been shipped to Germany and returned to the U. S. They stated the cake was good forever being sealed, and the flavor was fine.

DESK BLOTTERS

Large desk blotters in beautiful, assorted colors, at the Leader office. Only 10 cents each.

AMERICAN LEGION AUXILIARY

The Auxiliary met January 11 with 10 members present. We initiated three new members, Mrs. John Gardner, Mrs. Roy Newton and Mrs. Olin Elliott. We still have several more members to be initiated that could not be present that evening.

A motion was made and passed that the meeting will be on the 2nd and 4th Thursdays of each month except in case of a funeral on that day and the meeting will be held on the following day at 3 p. m. We urge all mothers, wives, daughters and sisters of ex-servicemen to come join the Auxiliary, also all women that have been in the service and Gold Star mothers.

After we adjourned, Mrs. Charlie McCollum served delicious good pie and coffee to the following: Mmes. C. B. Snyder, C. A. Edwards, Walter McCollum, Geo. McCargo, W. M. Freeman, John Gardner, Roy Newton, Olin Elliott, and Oscar Parrish.

The next meeting will be held January 24, and please bring all the quilt blocks that you have pieced for the quilt.—Reporter.

Mr. and Mrs. Dudley McClung of Eastland, Texas, are our new business firm opened in the store vacated by the Martin Rexall store. Mr. McClung was overseas 39 months, and on his return home he looked over the location for his Auto Supply store and decided to locate in Moran. He will carry a full line of electrical supplies, fridges, linoleum, variety goods, etc. See his ad in this issue. We welcome this new family. They will have housekeeping rooms up stairs over the store. They have one child three years old. Mr. and Mrs. McClung are members of the Baptist church.

BAPTIST WMU

The WMU met at the Baptist church Monday at 2:30 p. m. with 11 present. Hymn, Break Thou the Bread of Life; prayer, Mrs. Carrol Louder; Mrs. Cottle taught the Bible study on the life of Christ from the topical study of the Bible. Each lady gave her part well. Dismissed by Mrs. John Alexander.

STUDY CLUB

The Moran study club met Tuesday afternoon in the home of Mrs. Wise with Mrs. Emma Jean Oyler as hostess for the club. Highlight of the meeting was the election of new officers for the ensuing year.

Mrs. Oyler was named president and other officers are: Mrs. Paul Harper, vice president; Mrs. Oscar Wise, recording secretary and treasurer; Mrs. Glen Cottle, corresponding secretary; Mrs. Carroll Louder, parliamentarian; Mrs. B. A. Elliott, critic; Mrs. H. R. Roberts, press reporter; Mrs. B. Townsend, librarian.

Mrs. Louder brought items from the Federation News. New Year resolutions were given in answer to roll call, after which Mrs. Oscar Wise played the piano accompaniment for club singing.

The Miracles of Jesus was the subject of the afternoon program for which Mrs. Jack Taylor was leader. Topics presented by Mrs. J. M. Townsend included Paralysis Healed, Impotent Man Healed, and Demonic of Gadara. Mrs. H. R. Roberts presented the topics, Tempest Stilled, Feeding of the Five Thousand, and Tribute Money. Topics discussed by the leader, Mrs. Taylor, were Lazarus Raised, Man Born Blind Healed, and The Healing of Malchus' Ear.

Members present were Mmes. Oscar Wise, Jack Taylor, Carroll Louder, R. A. Elliott, B. A. Elliott, J. M. Townsend, H. R. Roberts, and Emma Jean Oyler.

Mr. and Mrs. Jack Taylor received a letter from their son, Sgt. Bob Saturday, saying he arrived at San Pedro, Friday the 15th. Will be through separation center in about a week and then home. Bob has been in Guam since July, 1945. Their older son, A. J., after serving 26 months in Pacific, was discharged October 9, 1945. This leaves the younger son, Lt. Laury, still overseas. He landed on Honolulu Island July 4, 1945, and is now in Japan. He is a liaison officer between the Imperial Japanese Railway and the American Army. He writes interesting letters of his work and the Japanese people and says the Japanese he works with are very courteous and polite, and he also says he hopes to have his feet under the tree by Christmas, 1946.

FRIENDS ENTERTAIN MRS. JERRELL ALLEN WITH GIFT PARTY

One of the loveliest occasions of the season was a gift party, hosted by Christian Ladies Aid at the church Thursday, January 10, 3 to 5 p. m., honoring Mrs. Jerrell Allen.

Receiving the guests were Mmes. Wiley Williams, the bride, Mrs. Jerrell Allen, the bride's mother, Mrs. Emma Jean Oyler, the bridegroom's mother, Mrs. A. C. Allen.

The party rooms were brilliant with lighted candles in the windows and on the piano, which also held a huge bowl of cut flowers, with baskets of cut flowers around the room.

An array of lovely gifts was displayed on tables where they were admired by the bride and her friends.

An informal program of piano music, songs and readings was given throughout the party hours by Mmes. R. C. Black, Glen Cottle, Oscar Wise, Garland Shelton and B. A. Elliott. The coffee table was covered with Normandy lace and serviced with silver and crystal where Mmes. Ray Martin and H. R. Roberts poured coffee and served refreshments of open faced sandwiches and cookies.

Before departing, the 51 guests were required to register in the bride's book, by Mrs. Bell Waters.

FLOYD C. POOL NAMED PRESIDENT OF THE MORAN NATIONAL BANK

The stockholders of The Moran National Bank of Moran, met Tuesday afternoon, January 15, 1946 for their annual meeting.

C. M. Francis of Stamford, president of the bank for the past few years, resigned because it was impossible for him to attend all meetings.

Officers elected were Floyd C. Pool, president, B. A. Elliott, vice-president, Glen Cottle, cashier, Mary Weber and Betty Morris, assistant cashiers. Directors named were Floyd C. Pool, B. A. Elliott, Glen Cottle, C. M. Gay, A. A. Smith, L. E. Jones, B. E. Snyder, Morris Cottle.

Cellophane tape now on sale at the Leader office.

(Continued from page 1)
A man with \$500 in his pocket couldn't buy a shirt in Topeka this week. For something essential to human comfort, one could spend money. And they spent it.

"Some seers say that in a short time the merchants will have to give all that money back. That is to say, the free spenders are soon on relief, and relief can be paid for only by taxing those persons who still have money. I hope seers are wrong."

Miss Nalda Lowry who is attending Hardin-Simmons University in Abilene, was visiting with her parents, Mr. and Mrs. U. L. Lowry over the week-end.

Sunday evening, January 13, Rev. Orion W. Carter, district superintendent of the Abilene district, delivered a fine message to our people of the Methodist church and conducted our first quarterly conference of the new year. Encouraging reports were given from the various departments of the work. We are encouraged to believe this year's work is to bring good results in all phases of our church endeavors.—D. A. Ross, Pastor.

A plan is being worked out to start the Luncheon club next Wednesday, January 23, by the cemetery association as hostess, serving the meals every Wednesday noon, where you can get a good home cooked meal for 50 cents. Everyone is interested in helping out with this association, as it helps the living as well as the dead. The ladies of the town have worked hard all summer to keep up the work, but without a working fund they cannot do much. Posters will be put in our places of business as to the date and place we will be served. Look for them.

History Teacher—"How many wars did Spain have during the 17th century?"

Bright Girl—"Seven."
History T.—"Correct. Now Willie, can you enumerate them?"
Willie—"Yes. One, two, three."

When the people of the Southwest go Shopping

The Southwest is eager to go "shopping!" In its market basket will go a sleek new '46' model to replace the well-worn family car. It is anxious for the time when tires will be available at the moment of need. For the home—smart new furnishings and all of the conveniences which "went to war"—modern refrigerators, washing machines, and ranges are early "musts." Linens, bedding, clothing—in fact, hundreds of articles—are on the marketing list. . . . The Texas and Pacific is ready to bring all of these things, and hundreds of other products, in quantities or small shipments, to the buyers of the Southwest.

Don't take chances

with a leaky, clogged, worn-out muffler

Besides being dangerous, a badly worn or defective exhaust system on your automobile cuts down engine efficiency and can waste precious gas.

GET A NEW FORD MUFFLER

Let us inspect your muffler and, if needed, install a new one. Then your exhaust system will be safe and passengers will be protected from disagreeable fumes and odors.

QUIETER—SAFER

A new muffler will make your car much quieter, much safer to drive — will add to your motoring pleasure.

MORE POWER

In a clogged muffler, back pressures can greatly cut down engine efficiency. Don't take chances with a defective muffler wasting your engine's power. Be sure, be safe! Get a free muffler inspection today. If you need a new one, insist on a Genuine Ford muffler.

Fat Stock Show Will Celebrate its 50th Year March 8-17

Fort Worth.—Bringing the gap between the trail driving days and 1946, the Southwestern Exposition and Fat Stock Show will observe its 50th anniversary in Fort Worth, March 8-17.

Ten million longhorns were driven over the winding cattle trails from Texas to the northern railheads between 1865 and 1890. Then came the railroads to Texas, and the trails were no more. Early day cattlemen began importing purebred cattle in the eighties.

By 1896 the Texas cattlemen were so sure of their progress in developing improved herds that they decided to hold a stock show. Four leaders held their first show, the first in the Southwest, on what is now the site of two mighty packing industries in North Fort Worth.

The new management of the Fat Stock Show, headed by Edgar Deen as general manager, is making elaborate plans for the 50th anniversary, which will denote half a century of progress in the livestock industry.

It will be the third consecutive year for the exposition in its new location, the Will Rogers Memorial Coliseum, and the first show season for Deen, who last April succeeded John B. Davis who retired after 19 years as secretary-manager.

Deen, a salesmanager by profession and mayor pro tem of Fort Worth, has opened a few pages of the official program to reveal plans which indicate the 1946 show will be new and different, the best ever held in Fort Worth.

Top billing on the stock show program will go to the Gene Autry Rodeo, which will be produced by the popular singing star of western movies, and his associates. Everett E. Colborn of Dublin, Texas, will be managing director.

LOCALS

Mrs. E. E. Sunderman was in town Thursday afternoon and stopped at the News office and she had all five of her sons home for Christmas dinner the first time in five years. They were Mr. and Mrs. Eugene Sunderman of Canyon, Mr. and Mrs. Earl Sunderman of New York, Mr. and Mrs. Chris Sunderman, Mr. and Mrs. Edward Sunderman and Frank of Stephenville. They have all been honorably discharged from the army but Earl, re-enlisted in the Navy and Chris in the Army Air Corps.

We call the attention of our readers to the announcement of W. A. Peterson for the customary second term as sheriff. Mr. Peterson has served as peace officer in this county for many years before he was elected as sheriff. He has now served two years as sheriff and his announcement will be found in another column in this issue. Read what Mr. Peterson has to say and give him your careful consideration before casting your vote in the Democratic primary the coming July. Mr. Peterson is too well known in the county to need any comment from the writer.

Mr. and Mrs. Troy Caraway were here the past week visiting in the home of Mrs. Caraway's parents, Mr. and Mrs. Earl Jobe.

Mr. and Mrs. Owen Cook of Abilene were visiting with L. J. Cook his uncle, who has been ill for the past several days.

Mrs. Kelley Peek of Dallas is here visiting with her brother here who has just returned from the Graham hospital where he had been for several days. Mr. Cook is slowly recovering.

Miss Mary Alice Brown and girl friend from John Tarleton, were visiting in the home of Mr. and Mrs. Geo. Brown over the weekend.

Mac Kennedy of Fort Worth spent the week-end visiting among friends and relatives in Putnam, returning home the first of the week.

All copy must be in by Tuesday noon to insure publication, otherwise, it will have to go over to next week.

Reactivation of 36th Division on Reunion Schedule

Brownwood, Texas.—Reactivation of the 36th Division Association is scheduled as one of the principal activities in business sessions of the outfit's three-day reunion here January 19, 20 and 21.

The 36th Division Association as it existed after World War I has been more or less dormant since the National Guard outfit was impressed into Federal service for a second time on November 25, 1940.

It is contemplated that the Association will be re-formed, elect officers, and adopt rules that will take into membership veterans who were with the Division in World War II.

Veterans of both World Wars who served in the Division are authorized and urged to attend the reunion, first held since the end of the last war. Those eligible to participate in the business sessions will be members of the Division between these dates: April 26, 1917 and November 11, 1918; and November 23, 1940, and December, 1945, all dates inclusive.

A program has been worked out by a citizen group of Brownwood and a committee from the division, of which H. Miller Ainsworth of Luling is chairman.

Facilities of Camp Bowie, where the Division assembled for its initial training after federal mobilization on November 25, 1940, have been opened to the veterans to prevent any housing shortage. Billets at the camp will be available for those who do not bring their wives —after all accommodations in Brownwood have been taken. Costs will be nominal and only for the laundry service. Meals also will be available at the camp at a nominal cost.
