It has now become evident Winter has dug in for a long stay. While we have been enjoying afternoons which were mild, there has hardly been a morning when the thermometer did not register below freezing.

No blizzards as yet, but we imagine they will come. Last Monday morning was the coldest of the year when the mercury stopped at one degree above. Throughout the day Sunday a cold, biting north wind held the temperature to 31 degrees.

Tuesday showed a change for the better when it stayed around ten above and climbed into the forties in the afternoon. Wednesday there was a partial cloud cover and the mercury climbed upward.

So far this winter there has not been enough moisture to register. Two or three times we have had a trace of snow, but the farmers are yelling for enough moisture to do some good.

February and March may give us plenty—they generally do.

Homemakers Have Meeting

The Young Homemakers met Monday night, January 13, 1964, at 7:00 in the Home Ec Department.

The meeting was called to order, a devotion was given by Sylvia Phillips, then the meeting was turned over to Mildred Voight and Faith Perry's Weight Control Salon in Monterey Center. Mildred Voight showed us how to correct posture, which is the basis for weight control. We then went to the gym and took exercises, then had a question and answer period. Faith Perry gave a door prize of one month free use of the school, with professional help. Numbers were drawn and Betty Whitehead drew the lucky number.

The rest of the business meeting was held, then refreshments were served. The toys donated at the Christmas party were given to Domingo Vela's family.

Mrs. Alma Faye Newsom gave a report on the State Convention held January 2-4 in the Driskill Hotel at Austin. She was elected Vice President of Area II. Congratulations, Alma Faye, and we know we will enjoy working with you.

Those attending were Orheana Greeson, Kay Noble, Von Ayers, Wanda Collins, Mary Ann Jones, Mary Nell Dalton, Patsy Smith, Betty Whitehead, Carrol Wilkerson, Alma Fay Newsom and Genell Ward.

Farmers Filing Requirements

Farmers earning at least two-thirds of their 1963 gross income from agriculture should file their estimated 1963 Federal income tax returns, Forms 1040-ES, on or before Wednesday, January 15, 1964, according to Ellis Campbell, Jr., District Director of Internal Revenue in Dallas. However, such estimate need not be filed if the farmer files his final return on Form 1040 and pays in full any tax due by February 17, 1964.

"Farmer's Tax Guide", which furnishes more detailed information on this subject, is available upon request from the Internal Revenue Service.

We Might As Well Face It!

Throughout the years people have referred jokingly to cigarettes as "coffin tacks". From a recent government report the reference is no longer a joke — cigarettes have, and are, nailing down coffin lids all over the country. This fact was brought out last week by a government report. There was no guess work—it was positively stated that cigarette smoking is the cause of lung cancer. It was further stated that a filter had ever been devised which separated the deadly poison from the smoke.

We were a little amused the morning after the report by a cigarette salesman, who was passing out samples

Those Who Have Paid Up

Preston Reeves was a pleasant caller at the Plainsman office Wednesday, paying for his own paper and that of F. W. Reeves who lives near Dalhart.

Grady Epperson was fortu-

nate to "catch us in" so he could make sure he gets the paper.

Charles D. Thomas, who lives on Route 1, Levelland, in a brand new house with his fine family, advanced his pa-

per another year. T. J. Littlefield "paid up" and so now he will receive a year of weekly paper.

All this since last issue. Thanks to each.

PCG Board Meeting 22nd

From page 1
January 22 when directors of Plains Cotton Growers Association, Inc. meet at the Johnson House South, Lubbock.

A joint meeting of the Finance Committee and the Executive Committee will be held at 10:00 A.M. immediately preceding the Board meeting at 10:30 A.M. A report of that meeting will be given to the Board.

"The recent 'Acreage Diversion' proposal by the U. S.

Department of Agriculture, which could have a tremendous impact on the area economy, and the seriousness of the boll weevil problem make this one of the more important meetings to be held in recent years," said George W. Pfeiffenberger, PCG Executive Vice President, who urged that all directors make every effort to attend.

The boll weevil, which has never before been a threat to the High Plains, has made consistently deeper roads into

the area for the past three years. A program to stop this most costly of cotton insects from enveloping the entire High Plains will be under discussion.

Plains Cotton Growers, Inc. is a cotton producer organization representing 23 High Plains counties, and while official policy is determined by the Board of Directors, all members and other interested parties are invited to attend board meetings.

We Might As Well Face It!

From Page 1
when he said, "You might as well be killed by cigarettes as something else, you're going to die anyway."

We can understand his attitude. Such a report, as given by the government, might wipe out his job.

However, there is another viewpoint: If he walked in-

to a hospital and was told he was suffering from lung cancer, he might not be so sure about how he wanted to die.

It has been suggested that cigarettes be barred from the country. That is silly. You would have about as much luck barring cigarettes as the 18th Amendment did of bar-

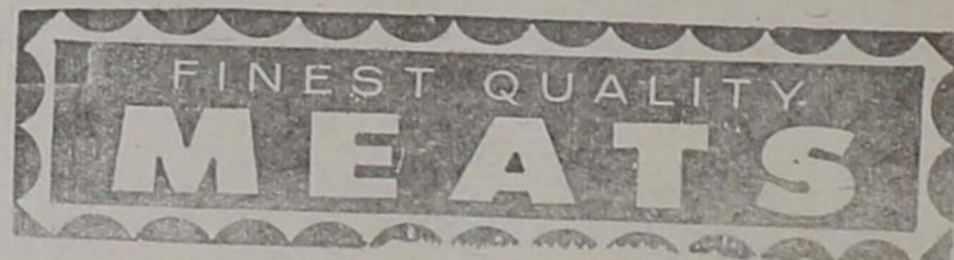

ring booze from the country. There would be a cigarette bootlegger on every corner and in between.

The only thing possible is to educate the people to the danger of the cigarette, then if they still want to smoke cigarettes, well and good—it is their funeral.

TAX MAN SAM SEZ:

Well, it's that time again if you made over \$600, or if you are over 65 years old and made over \$1200, you must file a tax return. If you are a self-employed farmer or businessman you must file if you made more than \$400. The sooner you file the better, but it had better be before April 15.

BUY YOUR POLL TAX

This coming year will be marked not only by the election of county and state officers, but also a presidential election in 1964, so you had better arm yourself with a poll tax. This right to vote will cost you \$1.75 if you are under 60 and if over 60, in this county, you vote free.

Poll tax receipts may be obtained at Tyree's Insurance Agency, thus saving a drive to Levelland. Come in and get yours now and avoid the rush later on.

HAVE YOU BOUGHT YOUR POLL TAX?

It is poll tax buying time. You have only this month in which to secure a poll tax, and it is something you are going to need this year if you are to vote in the important elections which are coming up.

You will vote for a president, governor, a lieutenant governor, attorney general, a representative from the legislative district to the state legislature, and a congressman from this district, to say nothing of a district judge, a district attorney, a sheriff, a county attorney, county tax assessor-collector, and commissioner for this precinct. You don't want to be left without a vote—get your poll tax now at Tyree's Insurance Office in Ropesville.
