Bad Italian Weather Slows Allies

Reds Move In On Zhitomir Junction Vital To Nazis

By HENRY C. CASSIDY
MOSCOW, Nov. 12 (AP)—Red Army troops pushing west from Kiev today were converging rapidly on Zhitomir, strategic junction point of the German's last north-south railway communications line short of the pre-war Polish boundary.

Saturday, toward the sole railroad giving the Germans a direct connection between their forces at opposite ends of the far-flung front.

central front west of Nevel, where Russian forces were attempting to outflank Vitebsk, one of the most highly fortified German zones of resistance.

Jap Claims Of Ship Sinkings Are Untrue

MacArthur, Halsey Discredit Statements By Nips As Fantastic

SOUTHWEST PACIFIC ALLIED HEADQUARTERS, Nov. 12 (AP)—General MacArthur and Admiral Halsey gave the lie today to Japanese claims of sinking battleships, aircraft carriers, cruisers and destroyers during the current Allied drive in the northern Solomons toward Rabaul.

Not one Allied warship has gone down, the two leaders said through their spokesmen.

Against the Allies—damage to an undisclosed number of warships.

Japanese claims of sinking warships and of a naval battle subsequent to the night of Nov. 1-2 are without any basis whatsoever, General MacArthur's spokesman said.

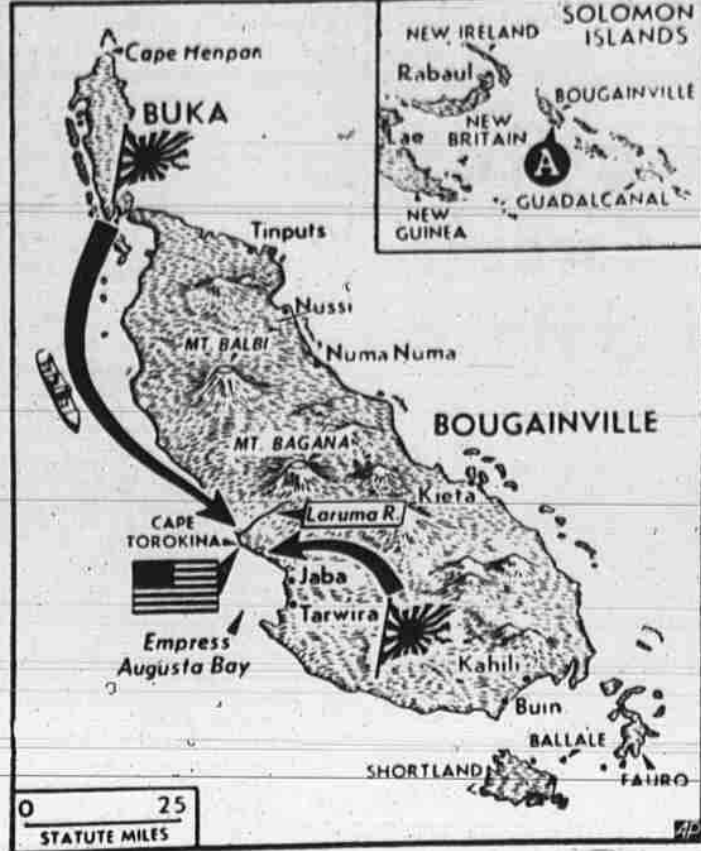

The Nov. 1-2 battle was the one in which American warships, intercepted an enemy task force of 12 heading for the Bougainville beachhead, sank a cruiser and four destroyers and damaged two others.

Admiral Halsey's spokesman was even more to the point. He said the Japanese had not sunk a single Allied warship since the United States destroyer Chevalier went down on Oct. 6.

Even in the Chevalier case, the Japanese claim was clouded. For that destroyer sustained only damage during a battle in the Gulf which resulted in the sinking of a Japanese cruiser and two destroyers and the damaging of two other destroyers.

On Bougainville, the marines and army reinforcements now have established a solid six-mile-long position and at nearby Choiseul, where marines landed Oct. 27 to divert the Japanese from Empress Augusta, the American forces have withdrawn, their mission completed.

Today's communique reported a 22-ton bombing raid by Liberators on the naval base of Soerabaja, Java, entailing a roundtrip flight of more than 2,000 miles; the sinking by aerial action of an enemy destroyer off Kavieng, New Ireland; and a possible torpedo hit on a cruiser by planes raiding Rabaul.

Limited Gains Made By Allies With Difficulty

Progress Slow But Still In Favor Of Fifth And Eighth

By EDWARD KENNEDY
ALLIED HEADQUARTERS, ALGIERS, Nov. 12 (AP)—Extremely bad weather and difficult terrain in front of the Germans' winter defense line slowed the drive in Italy to limited gains, Allied headquarters announced today.

A one-mile advance by Lt. Gen. Mark W. Clark's Americans of the Fifth army and the capture of one more commanding feature on the slopes of Mount Camino near Mignano at the western end of the Allied line were announced.

A sharp German counterattack at Calabritto near Mignano was beaten back by Clark's Fifth army and prisoners were taken.

With little change in the past 24 hours along the whole length of the front, Allied air forces opened a new offensive on the supply lines of the fortress of Europe. Liberators of the 15th air force reached across the Alps into southern France for two smashing blows at railways and war industries at Anney and near Cannes in cooperation with similar assaults by the RAF in Britain.

RAF Strikes Heavy Blow At Rail Link

LONDON, Nov. 12 (AP)—British-based RAF bombers struck a heavy blow at the French Riviera rail link with Italy last night only a few hours after Mediterranean-based Liberators and Flying Fortresses blasted the same area in the two-way assault to seal feeder arteries to Nazi armies in Italy.

The RAF blow was "heavy and concentrated" at Cannes, only 15 miles east of Antwerp, target of the Thursday daylight assault by Mediterranean-based Liberators and Flying Fortresses.

Other Mediterranean-based formations surmounted the Alps to blast the important Nazi bearing factory at Anney, nestled in the mountains 30 miles south of the Swiss frontier and 40 miles west of the Italian frontier.

Last night's return blow at the Riviera railway emphasized the importance with which the Allies view this rail link as the result of damage to the Brenner Pass and the Mt. Cenis tunnel railroads during the past 48 hours.

The stepped-up campaign on Nazi communications began Wednesday with a daylight attack by Mediterranean-based Flying Fortresses on Bolzano, on the Italian Alps. That night the RAF blasted Mondane, at the French end of the Mt. Cenis railway tunnel from Italy.

Reports on the deadly accuracy of the Allied airmen came through immediately. Dispatches from Spain said that some German civilian trains had been stalled in their stations for two days. The Swiss radio asserted Mondane was in smoking ruins.

Surgeons Gather For Polio Study

DALLAS, Nov. 12 (AP)—A group of surgeons from the south and midwest arrived here today to study poliomyelitis cases at Scottish Rite hospital for crippled children.

The visitors included Dr. Ralph Ghormley, Mayo Clinic, Rochester, Minn.; Dr. Albert Key, St. Louis; Dr. H. R. McCarroll, Chicago; Dr. Herman Schumm, Milwaukee; Dr. J. A. Dickson, Cleveland; Dr. Robert Funston, Virginia; and Dr. Edward Campers, Chicago.

Clark Promises Goal For Men Who Gave All

AVELLINO, Italy, Nov. 11—(Delayed)—(AP)—Standing in the cemetery where Italian and British soldiers killed in the battle for Italy, Lt. Gen. Mark W. Clark declared in an Armistice Day ceremony today:

"We have caught the torch these men flung to us and we will carry it to Berlin."

The little ceremony, with rows of white crosses gleaming against mounds of brown earth, lies in a valley where thick cloud-capped peaks of the rugged mountains the Allied troops captured only a few weeks ago.

Speaking before an honor guard and a small group of officers, the Fifth army commander, commenting on the issue raised in the United States by senators who suggested home leave for fighting troops, said:

"It would be foolish to break up the Fifth army, which is experienced on the battlefield, and send in untried troops to take the place of veterans."

Steer Player Killed When Struck By Car

Eugene F. (Gene) Smith, 17, football player and president of the Big Spring high school student council, was killed almost instantly by a car as he was fixing a flat tire on the San Angelo highway seven miles south of here.

He was dead upon arrival at the Malone & Hogan Clinic-Hospital, where he was rushed following the mishap. Justice of Peace Walter Crice, who conducted an inquest, said the youth had suffered a broken neck and head injuries.

According to Sheriff Andrew J. Merrick and Highway Patrolman Burl Haynie, who investigated, Gene, who was driving a car from Gloria Strom on a return trip from San Angelo, where he had participated in the Big Spring-San Angelo football game during the afternoon, was attempting to remove a flat tire. The car, said the officers, apparently extended partly on the road and this, coupled with the fact that the location was in a slight dip, probably kept W. F. Cushing, driver of the other car, from seeing him.

Cushing told officers he saw the parked car but was not aware of what he had hit until he stopped his machine and went back to the other car. Investigating officers said that under conditions, the mishap was unavoidable. Six other girls in the parked car were uninjured as the Cushing machine did not collide with it.

Eugene was the son of Mr. and Mrs. Frank Smith, 509 Gregg. A popular student, he was active in many fields. Although comparatively new in Big Spring high school, he was elevated to the council presidency this year. In addition to his athletic and scholastic activities, he served for a time last year as an announcer over radio station KBST. He also had been active in a scout troop. He was yearbook business manager.

Surviving are his parents; one sister, Mrs. Dorothy Ann Mal, Columbus, Ga.; and two brothers, Francis B. Smith, naval aviation cadet in training at Norman, Okla., and Stewart P. Smith, naval engineering cadet in training at Stillwater, Okla.

Rosary service was to be held at 8 p. m. today in the Nalley-Reeder chapel, and funeral mass is to be held Saturday at 10:30 a. m. by the Rev. George Julian, pastor, at the St. Thomas Catholic school. Members of the high school football squad were to be pallbearers with the senior class considered as honorary pallbearers. The body is to be sent to Florence, Colo., for interment.

Marigny Freed Leaves Murder Still Mystery

By E. V. W. JONES
NASSAU, Bahamas, Nov. 12 (AP)—Alfred De Marigny is a free man today, and the mystery which surrounds the slaying of Sir Harry Oakes is more baffling than ever.

A Bahamas supreme court jury decided by a nine to three vote last night that it was not the handsome De Marigny who beat the aged multi-millionaire on the head last July 8 and set fire to his bedroom and bed in an apparent effort to hide the crime.

But in acquitting the husband of Oakes' daughter Nancy, jurors recommended that he be deported—a suggestion which apparently has no legal standing. The 12 picked men were unanimous in saying that they did not want him to remain in this colony.

Once the "not guilty" verdict was announced to cheering spectators who jammed the tiny courtroom, police officials again were confronted by an unsolved killing with clues which have grown colder during the four months while De Marigny was under arrest on a murder charge.

A reporter asked Attorney General Eric Hallinan whether a new investigation would be started.

"Nothing as far as I am concerned," he replied. "It's completely closed, call it a day."

Police Commissioner Frederick Lancaster echoed his statement.

The end of Nassau's widely-discussed murder trial was as spectacular as were the 22 days of testimony and arguments.

The jury had retired after hearing a long charge by Chief Justice Sir Oscar Bedford Daly, who set the stage for the acquittal by pointing to weaknesses and flaws in the prosecution's evidence.

Tito Partisans Smash At Nazis

LONDON, Nov. 12 (AP)—Partisan forces of Gen. Josip Broz (Tito) are smashing at the Germans in successful offensives in Macedonia, Dalmatia, Montenegro, Heregovina and eastern Bosnia, today's war bulletin said.

According to the communique, only in Slovenia were the Partisans on the defensive, while in Serbia heavy fighting was reported in progress against Germans and units of Serb Chetniks.

Near Ulice in western Serbia 60 Bulgarians were reported killed in fighting with occupation troops.

The Germans in radio broadcasts, however, declared that they had thrown additional motorized formations into the northwest Balkans, and that "large-scale operations" already had smashed Guerrilla resistance in the Maljevic mountains.

Striking at German transports on the Sava river, the Yugoslavs said they sank one motorship and damaged another, repulsing a force of 1,000 Ustachis and six tanks dispatched to save the ships and their cargo.

WLB Asks For More Authority In Coal Crisis

By JOSEPH A. LOFTUS
WASHINGTON, Nov. 12 (AP)—A majority of the War Labor Board believes another coal crisis is possible and, in effect, pleaded poverty of authority today to deal with it.

Industry members of the board addressed themselves directly to congress in a statement strongly urging immediate consideration of amendments to the war labor dispute act "to require responsibility of unions and to provide additional protection for workers, employers and the public against those who misuse the power presently permitted."

The three public members who approved the Ickes-Lewis agreement a week ago said in their formal opinion in the case that the possibility of new labor troubles "together with the shock experienced by the whole country as a result of the United Mine Workers' defiance of the no-strike pledge, must of necessity bring into the forefront of consideration and discussion the whole question of the responsibility of unions for anti-social acts and of the capacity of government as at present constituted to prevent such acts."

WLB spokesmen said this was an expression of the board's feeling that it may need additional powers if another crisis arises.

"Legislative sanctions more thorough-going than now exist," the opinion added, "may be required unless organized labor itself demonstrates from now on its determination to accept the bitter with the sweet, and to comply with the orderly processes of government which have been set up to cope with war-time conditions."

The opinion was signed by Chairman William H. Davis, Vice Chairman George W. Taylor and Dr. Frank P. Graham. The fourth public member, Wayne L. Morse, dissented. The industry statement was signed by George Mead, Reuben Robertson, James Tanham, and Walter Margetts.

The three public members saw the possibility of an issue arising over travel time figures when the time comes for restoration of private operation of the mines.

Small Force Of Marine Paratroops Frighten Japs For More Than Week

By VERN HAUGLAND
GUADALCANAL, Nov. 5 (delayed)—(AP)—Several hundred seaborne marine paratroops foiled Japanese forces on Choiseul Island in the northern Solomons for more than a week into thinking they were an invasion force of 20,000.

They harried the Japanese, pitched the enemy stronghold on nearby Shortland Island into a constant state of uneasiness, razed one town and kept the enemy preoccupied while other Allied forces landed on Bougainville Island to the north.

The marines slipped into Choiseul on the morning of Oct. 27 and left the night of Nov. 3-4, three days after the landing on Bougainville had been accomplished. They left behind a puzzled Japanese garrison, 143 enemy dead

House Faces New Tax Bill

By FRANCIS M. LEMAY
WASHINGTON, Nov. 12 (AP)—Given a new slogan by Chairman Doughton (D-Mo)—"You can shear a sheep every year but you can't skin him but once"—the ways and means committee headed toward the house floor today with a \$2,142,000,000 tax bill.

Rep. Carlson (R-Kans), committee member, predicted "the house and the country" would accept this second wartime revenue measure, which is about one-fifth the \$10,500,000,000 asked by the administration.

The bill, formally approved by the committee last night, calls principally for higher postal rates, higher excises on so-called luxuries—liquor, horse racing, amusements, furs, jewelry, lipstick and other consumer items—and an increase in the wartime levy on corporation "excess profits."

It alters but little the taxes on individual incomes and makes no change in the normal and surtax levies on corporate earnings.

The 20 percent withholding rate against the taxable portions of wages and salaries would remain the same. There is no retail sales tax plan, and present rates on estates and gifts would not be disturbed.

Major provisions of the bill include: 1. Merger of the Victory tax with the individual income levy, picking up \$12,000,000 in the process by repealing the Victory levy and raising the normal personal income rate from 6 to 10 percent, and adjusting some surtaxes.

2. Boost some postal rates and hike excises, to bring in about \$1,375,000,000 additional revenue—around \$479,000,000 of which would come from consumers of liquor, beer and wine.

After about-facing four times, the committee decided to put the liquor tax at \$9 a gallon, compared with the present \$6 rate. The beer tax would be jumped from \$7 to \$8 a barrel and wine increased all along the line. There are no increases in cigarette or other tobacco excises.

Old Thanksgiving To Be Celebrated

WASHINGTON, Nov. 12 (AP)—President Roosevelt, who once experimented with an earlier Thanksgiving Day—on which many states declined to go along—today proclaimed the traditional last Thursday, November 25, as the day "for expressing our thanks to God for his blessings" in 1943.

These, he said, have been many, including the biggest food crop year in American history.

Chinese Launch Counteroffensive

CHUNKING, Nov. 12, (AP)—The Chinese high command announced tonight that it had launched a counteroffensive in central China after falling back for the 12 days according to plan before the 30,000 Japanese driving through the "rice bowl" between the Yangtze river and Tungting lake.

The Chinese were said to have broken into the Japanese defense ring around Ichang, farthest point of enemy penetration in central China, in the face of heavy gunfire, taken more than 10 strategic points, inflicted heavy casualties and captured considerable supplies.

The Chinese also asserted they were attacking in Hunan, Hupeh and Kiangsi provinces, named in order from west to east, to the south of the Yangtze, and also to the north of the river.

The Japanese were unable to progress beyond a point south of Iu, a Yangtze port 25 miles below Ichang. A large number if the invaders were killed in a trap in the mountains south of the Yangtze, which they reached after their sweep through the rice bowl.

Northwest of Sakow the Chinese said they scored a similar success, reaching Japanese strongholds.

It's All Aggies, Texas As Circuit Rounds Third Base

By HAROLD V. RATLIFF
Associated Press Sports Editor

Tomorrow Texas Christian and Rice can win unsurpassed football glory if they do these two things:

Beat Texas.

Beat Texas A. and M.

It's the tag end of a dismal season for both T.C.U. and Rice. Together they have won a total of four games. Now they are meeting the teams expected to reach Thanksgiving Day without even a point scored against them in Southwest conference play.

Texas Christian goes to Austin to meet Texas with the smallest squad in T.C.U. history. For two years the Horned Frogs have upset the Longhorns but if they do it this time it will be the biggest shock southwestern fans have ever received.

Rice appears to have a better chance of staging a reversal than T.C.U. The Owls are moving up after experiencing nothing except defeats until two weeks ago. They

catch A. and M. below standard due to injuries to keymen. And the contest will be played in the Owls' own ballpark at Houston.

While these games are going on Southern Methodist will be attempting to extend Arkansas' losing streak in conference play to 21 games. The Methodists and Razorbacks clash at San Antonio.

Having missed two of the three games last week, we bravely predict this week as follows with the knowledge that our record can't be hurt much. Anticipated attendance in parentheses:

Texas vs. Texas Christian at Austin, 2:30 p. m. (12,000)—Texas ought to win by not less than four touchdowns.

Texas A. and M. vs. Rice at Houston, 3 p. m. (20,000)—The Aggies won't find it easy but should be in no particular danger.

Southern Methodist vs. Arkansas at San Antonio, 2:30 p. m. (12,000)—Taking S.M.U. but won't be surprised.

Ramblers Want Footlight Spot

SAN ANTONIO, Nov. 12 (AP)—The only undefeated, untied team in these parts, Randolph Field believes it is entitled to No. 1 position in southwestern football.

And the Ramblers will be out to prove that assertion when they enter the stretch drive of their ten-game schedule against the Ward Island Marines, North Texas Aggies and Southwestern Louisiana Institute whom they meet on successive weekends—with Ward Island coming up at Corpus Christi tomorrow.

The Ramblers feel they have been rather neglected thus far in this campaign, with Texas, Southwestern and the Texas Aggies getting the lion's share of the headlines glory, not only have the Ramblers set a merry victory pace, but they've been behind only once during the campaign—and then for less than five minutes. They've held the opposition to a sum total of sixteen points while piling up 180 in winning seven games.

Sweetwater, San Angelo Vie For Honors

Championship of district 3-AA will be decided on Nov. 19 when the Sweetwater Mustangs and the San Angelo Bobcats tangle and although advance publicity is all on the side of San Angelo, the outcome is no cinch.

Thursday while San Angelo was drubbing Big Spring 45-14, Sweetwater was administering a sound spanking to Odessa, 26-7.

More than the fact that both thereby remained in the ranks of the unbeaten and untied, the Armistice Day games were important for this reason: They offered a basis of comparison. San Angelo had great difficulty in coming from behind to nose out Odessa 13-7 two weeks ago. Sweetwater had no trouble at all with Odessa. Yet the Bobcats looked powerful enough in trimming the Steers, demonstrating ample offensive pinch while showing some weakness on the defense.

It took Sweetwater two and a half minutes to score on Odessa, with Towner Leeper and Randle Brown turning an Odessa fumble into a score. Late in the first quarter, the Mustangs added another. Odessa took over on a short punt near the end of the half and Cook put it in position for Bates to batter it over. Two passes accounted for two more Mustang counters in the third and Odessa was hanging for life. Buddy Hedrick was really the outstanding Sweetwater man.

San Angelo had little trouble in handling Big Spring, piling up 16 points in the first few minutes of the game. From then on the Steers battled gamely and Dewey Stevenson helped the cause with an 80-yard sprint for a touchdown. The Steers passed for their other score against Angelo reserves late in the fourth. In addition to six touchdowns, the Bobcats rushed Big Spring into a pair of safeties.

With Gene Spires apparently hitting his stride, Abilene Eagles blasted the Lamesa Tornados 40-9. Spires made touchdown runs of 62, 50 and 32 yards in addition to taking a 20 yard pass for a score. Hawkins covered an Abilene fumble on the Eagle 10 in the second quarter and Billingsly recovered a teammate's fumble over the goal for the Lamesa score. The Tornados blocked a punt which was covered by Abilene back of the goal in the fourth for a safety.

TEXAS SERVICE TEAMS TO OPEN UP FRIDAY
ABILENE, Nov. 12 (AP)—The first of four games for Texas service football teams is scheduled here tonight when the Abilene Air Base-First Military Police Training Center outfit tackles Southwestern University.

Two games will be played Saturday—Randolph Field meeting the Ward Island Marines at Corpus Christi and 51st General Hospital of Fort Bliss playing the El Paso All-Stars at El Paso in a night engagement.

Sunday Bryan Air Field engages Hearne Internment Camp at Hearne.

Steers Hold Bobcats To 45-14 Score

Playing some of their best ball of the season at times, while experiencing the same trouble in heading the opposition once past the line, the Big Spring Steers held the mighty San Angelo Bobcats 45-14 in their annual Armistice Day clash at San Angelo Thursday.

Big Spring had nothing to be ashamed of in its defeat, for in Dewey Stevenson the Steers had as good a man as there was on the field all day. After the San Angelo reserves had returned to the slaughter at the opening of the second half with a touchdown and safety in rapid succession, Stevie cut off tackle from the Steer 20, cut back a couple of times when apparently stopped and raced 80 yards to score. He kicked the point.

It was Stevie, too, who took an eight-yard pass from Bobby Barron for the other Steer counter in the fading minutes of the game. Again he added the extra point.

San Angelo lost no time in establishing a lead. The Bobcats quickly blocked a Steer punt that rolled back over the end zone for two points while the ring of the starting whistle was almost still in the air. Joe Williams, Angelo center, did the blocking. When Stevenson kicked out, Graham hurried it back to the Steer 38 from where Milford Taff ran around end for the score. Graham kicked goal.

Soon the Bobcats had the ball again, and Rathbone ran 19 yards to the Steer 48 from where Taff cut off tackle for another counter. Rathbone added the point. Big Spring had the Bobcats backed up to the Angelo 12 in the second when Rathbone, H. Mercer and Taff met loose with a series of plays that carried out the Steer four. Graham went over and Rathbone converted to put it 23-0 at the half.

Angelo reserves capitalized on an intercepted Steer pass on the Big Spring 30 and Bernard Adkins carried over from the five. Williams promptly blocked another of Rusk's punts for two points before Stevenson cut loose for his 80-yard jaunt, the longest of the day.

Taff almost equalled this with his 71-yard run around end early in the fourth before Joe Williams changed from his center position to fullback and battered his way from the Steer 39-yard line and literally outran the Steer secondary.

Milton Rathbone, the Bobcat offensive star, was held to two points by the Steers but Taff's 38, 48 and 71-yard touchdowns for his broke the back of the Steer defense.

Big Spring came near scoring in the second quarter when Bob Barron ran through the entire Angelo team on returning a punt. Pretty interference formed in front of him, but failed to protect him from the rear after he was in the open. Result: He was hauled down from behind.

Leo Rusk, aided by Pete Cook, had a 31-yard punt average in seven tries, despite the fact that two were blocked for safeties and another partially blocked.

Leo Christian played an outstanding defensive game for Big Spring as did Barkley Wood. Pete Cook and Gene Smith, who unknowingly was playing his final game, turned in their best games of the season at end. Bobby Barron's passing, still a little high, was also much more accurate, and Ray Thomas played a head's up game offensively and defensively from his guard slot. In fact, the entire Steer team, though badly outweighed and out-manned, fought valiantly every second of the game.

Armistice Sees Schoolboy Loop Change Color

By The Associated Press
Twenty-four games are scheduled in Texas schoolboy football tonight but they are not likely to produce the fireworks of Armistice Day clashes which saw Longview's Lobos tumbled from the state's undefeated, untied ranks.

Tyler's low-rated Lions rose up to beat the Lobos 2-0 and pitch them from a tie for the top in District 11.

Amarillo's Sandies virtually sewed up honors in District 1 by smashing Lubbock 47-0 and Breckenridge did the same thing in District 9—the old Oil Belt—with a 52-6 trouncing of Brownwood.

The major battle tonight sends Galveston against Goose Creek, the winner to take a stranglehold on the District 14 championship.

While Longview fell out of the select list yesterday, five others of the state's undefeated, untied teams plowed ahead. Along with Amarillo, San Angelo, Sweetwater, Highland Park (Dallas) and Lufkin won their games. Two others—Goose Creek and McAllen—play tonight while the eighth team with a perfect record—Yale—is idle this week.

The Armistice Day results included: Pampa 35, Plainview 0; Vernon 38, Graham 0; Abilene 80, Lamesa 9; Sweetwater 26, Odessa 7; San Angelo 45, Big Spring 14; El Paso High 42, Cathedral (El Paso) 0; Denison 21, Gainesville 0; Highland Park 78, McKinney 0; Poly (Fort Worth) 26, Arlington Heights (Fort Worth) 0; Ranger 13, Ciseo 6; Cleburne 12, Corsicana 6; Waxahachie 25, Hillsboro 6; Athens 29, Palestine 14; Marshall 59, Texasarkana 0; Lufkin 20, Naecochoes 0; Austin (Houston) 40; Sam Houston (Houston) 0; Austin 33, San Antonio Tech 6.

Princeton-Yale—A free scoring affair with Yale on the long end. Illinois-Ohio State—Ohio State, Iowa-Minnesota—Minnesota. Texas Aggies-Rice—Rice has showed decided improvement but the Owls aren't going to spoil the Aggies title quest.

UCLA-Calif.—The Uclans to take a weak Berkeley outfit. VMI-Georgia—Wally Butts' boys should have a nice workout. Georgia.

Arkansas-Southern Methodist—Honest, we flipped a dime and it came S.M.U.

And here we go over the chalk lines: North Carolina State over Davidson; Colgate over B.P.I.; Harvard over Tufts; Penn State over Temple; Rutgers over Lehigh and on Sunday, Holy Cross over Villanova.

FOOTBALL SELECTIONS

By ORLO ROBERTSON
NEW YORK, Nov. 12 (AP)—Heading into the home stretch with a season's record of 181 victories, 42 setbacks and eight ties we give you the following winners (we hope) on tomorrow's football program:

Notre Dame-Northwestern—"Go you Northwestern, break right through that line." Having given a cheer for the Wildcats, will the secretary please cast the usual ballot for Notre Dame, but look out, Otto Graham may make it tough.

North Carolina-Penn.—We can't see the Tarheels emerging victorious.

Cornell-Dartmouth—A tough one. Dartmouth has the experience; Cornell has Howie Bloss. On the hit-and-run play, Cornell.

Georgia Tech-Tulane—Georgia Tech.

Texas Christian-Texas—The Longhorns, rolling along toward their Thanksgiving Day title clash with the Texas Aggies, aren't going to be stopped by a weak TCU eleven.

March Field-Southern California-Southern Cal.

Virginia-Duke—The Cavaliers have been on the upgrade but not enough to stop the high-scoring Blue Devils from Durham.

Wisconsin-Michigan—The Wolverines haven't been the same since Bill left, but Elroy Hirsch still is around and his presence spells another step toward the Big Ten title for Michigan.

Navy-Columbia—A Navy show from start to finish.

Princeton-Yale—A free scoring affair with Yale on the long end. Illinois-Ohio State—Ohio State, Iowa-Minnesota—Minnesota.

Texas Aggies-Rice—Rice has showed decided improvement but the Owls aren't going to spoil the Aggies title quest.

UCLA-Calif.—The Uclans to take a weak Berkeley outfit. VMI-Georgia—Wally Butts' boys should have a nice workout. Georgia.

Arkansas-Southern Methodist—Honest, we flipped a dime and it came S.M.U.

And here we go over the chalk lines: North Carolina State over Davidson; Colgate over B.P.I.; Harvard over Tufts; Penn State over Temple; Rutgers over Lehigh and on Sunday, Holy Cross over Villanova.

Servicemen Shatter World Sket Record
SAN ANTONIO, Nov. 12 (AP)—Army gunnery instructors, preparing for an Army-Navy sket contest at Brooks Field Sunday shattered two world's sket records within a few minutes.

Lieut. Vie Reinders and Lieut. Tom Sharp, set a new two-man record of 394 out of a possible 400 targets. Then Capt. Lee Braun and Sgt. Dick Shaugnessy, of Laredo's sket team, lifted the mark to 395.

Wildcats Need Sharp Claws To Stop Irish Power

By JACK HAND
NEW YORK, Nov. 12 (AP)—Otto Graham and assorted Wildcats from Northwestern face the unenviable task of trying to stop Notre Dame's potential national champions in the main event of tomorrow's national football show that makes up in evenly matched battles what it may lack in class.

Although Coach Frank Leahy tearfully means that "a lot of people will be surprised if Northwestern wins but I won't be one," the Irish rate as strong favorites to make it eight in a row at Evanston.

Strange as it may seem to eastern-bred fans, the Northwestern-ND rivalry outranks the series with Army on the South Bend campus. To say that the Wildcats have been pointing for this one is trite but true.

One of the rare inter-sectional games of the year being North Carolina to Philadelphia to play the Penn quarters who had visions of an eastern crown until bumped off by Navy, 24-7. The Tarheels have lost two but look best off their 19-0 win over Penn State, a club that gave Navy the willies.

Coach Mal Stevens may have the sleeper of the year at Sampson naval training station but admits he won't know until the game with Army at West Point tomorrow.

Purdue's second ranking team will be idle but the mid-west bristles with the likes of Indiana, Great Lakes, Camp Grant-Iowa Navy, Illinois-Ohio State, Iowa-Minnesota, Wisconsin-Michigan, and Oklahoma-Missouri.

Duke's Blue Devils face revitalized Virginia in a southern tilt that shares top billing with Georgia Tech-Tulane and VMI-Georgia. Southern California will attempt to get back on the win path after its upset by San Diego Naval when the Trojans take the field against the March Field Flyers.

Unbeaten but once tied Texas Aggies oppose Rice in the Southwest but they're just marking time until their Thanksgiving Day clash with Texas. The Longhorns have a date with Texas Christian while Arkansas meets Southern Methodist.

In the east Cornell and Dartmouth have transplanted their an-

nual tilt to Fenway Park in Boston.

The Ivy will be knee deep in New Haven as Yale takes on Princeton. Navy plays its last game before Army when the Mid-dies face weak Columbia.

Two of the nation's 11 perfect record teams will be in action when Bainbridge Navy and Franklin & Marshall meet Maryland and Willow Grove respectively. RPI winds up its season against Colgate, Temple grapples with Penn State, Rutgers plays Lehigh and Tufts faces Harvard in other top eastern games.

Villanova and Holy Cross collide Sunday at Worcester and St. Mary's takes on San Francisco.

How many times do you use a razor blade?
for 1? 3? 5? 9? shaves?

It works of course with the men, his whiskers, his shaving habits AND his blade. We can't say exactly how many shaves you'll get with a Pal, but you will get more. Reason—Pals are hollow ground so as to be flexible in the razor. You shave lightly with just a Feather Touch. Because you don't "tear down", Pals hold edges just longer—give you more and better shaves per blade. Try a pack today.

World Criminals Must Be Punished

Perhaps no feature of the Moscow declarations gave as much satisfaction and uplift to the masses of the earth's population as that having to do with the punishment of war criminals—better known as atrocities.

Chapter 17

The soldier's name was Ted Burrows and from then on time held a strange meaning. The days that followed spun around madly in a giddy whirl, with Sally's heart setting the pace with a wild, new tempo.

Sally had never been so deliriously happy. A date with Ted was as breath-taking as a glass of champagne. When Sally's searching eyes separated him from the crowd of soldiers that swelled like a tide in the Willard Hotel lobby, the rest of the world fell away completely.

Hand and hand they walked through the cool green park that lay across Pennsylvania Avenue from the White House, and sat on a bench while they planned how to spend the precious hours of their evening together. Ted did most of the planning. Sally didn't care. Just to be with him seemed enough.

Sally sometimes wondered how Ted could get passes so often. When she asked him, he laughed and said "Oh, I toe the line, darling. No black marks on my record. Passes are pretty easy to get if you watch your step."

Sally hadn't seen Peter since that Sunday after meeting Ted at the USO dance. She's been tempted to break the date that day, for Ted was the only man she wanted to see. But she didn't.

There's only one thing to do. Let's get married. But he hadn't. For the first time since she had fallen so suddenly in love with Ted, Sally felt the unwilling prick of a nagging question slipping into her mind. Why hadn't he?

SPORTS ROUNDUP

By HUGH FULLENTON, JR.
NEW YORK, Nov. 12 (AP)—Mexican sports fans are getting so enthusiastic over baseball that Mexico City newspapers are spending a lot of money to get box scores on Cuban winter league games, in which a few Mexicans are playing. . . . And a recent fight between Juan Zurita and Young Finnegan in Panama drew a record crowd of 12,000. . . . Looks as if it might pay some of our pro athletes to investigate this good neighbor business. . . . especially since they say that, due to Mexico City's high altitude, curve balls become mere wrinkles and a 400-foot hit is nothing unusual. . . . Come to think of it, while they're talking about bringing California cities into the big leagues after the war, why not Mexico City, too?

Head Presides Over Baptists

DALLAS, Nov. 12 (AP)—Dr. E. D. Head, new leader of the 800,000-Texas members of the Baptist church, asserts a great need today is for "more aggressive propaganda to magnify great truths of the Bible."

In a sermon last night at the conclusion of the Baptist General Convention which elected him president, Dr. Head also pleaded for better preaching by ministers and for stricter adherence to biblical doctrines.

Dr. Head, who is president of Southwestern Baptist Theological Seminary, said he feared the spirit of Christ would not prevail at the peace table, and added: "We can't settle the chaos with a spirit which says 'kill the perpetrators of the Pearl Harbor disaster.' The only way to settle it is for men to build a peace according to the prince of peace."

The convention chose three vice-presidents: Dr. H. D. Bruce, president of the College of Marshall, Marshall; Judge Thomas J. Pitts, Odessa attorney, and the Rev. F. E. Swanner, pastor of the First Baptist church in Port Neches.

Convention secretaries named were Dr. D. B. South, pastor of

Falls For Farmers

FORT BENNING, Ga., Nov. 12 (AP)—Alabama farmers watched wide-eyed yesterday as a pre-Thanksgiving feast dropped from the sky.

The full-course dinner was a gift from the Fort Benning parachute school to the farmers whose fields the paratroops have used for training jumps. The group of some 100 rural residents had gathered to watch a demonstration of how isolated troops are fed from the air.

Response Good To Open House Event By WAC

Over 50 prospective WACs and others interested attended open house at the Big Spring Bombardier school Thursday. AIR-WAC day, and application for entry into the woman's army was taken for one of the eligibles.

A group of other women from Big Spring and surrounding areas were to take physical examinations today to qualify for AIR-WAC. Attending the event were women from Abilene, Sweetwater, Colorado City, Lamesa, Cisco, Roscoe, Coahoma and Big Spring.

The group was furnished transportation from the USO to the field and given WAC passes for the day at the gate. They visited the Link trainers, bomb trainer hangars, control tower, sub depot, ground school hospital and the WAC area. At the post theatre special service presented a program of music, dances and songs for the visitors.

Refreshments were served at the officer's club and during the afternoon jeep rides were taken and the group had its pictures made.

Points of interest also included the library, bowling alley, gymnasium, signal office post exchange, post operations, communications, weather office, photo laboratory and parachute department.

Among the group was the WAC recruiting team composed of Capt. Arthur Foulkes, in charge of the drive, Lieut. Sara Walker, S/Sgt. Boyd, Cpl. Sheaf, Pvt. Bixby, Pvt. Wyckoff and Elvise Haley of special service department.

Virginia Williams and Lieut. Cora Lee Morrow, WAC recruiting officers were also heading the group.

The recruiting drive will continue here but with the team moving to Sweetwater today. A booth in Anthony's store will be open each day with WAC members in charge to give information and to take applications.

Hero—Failure of an entrance in time prevented the carrying of the picture of Cpl. Roy Franklin in Wednesday's Herald, which honored men in the service and those who had made the supreme sacrifice. Cpl. Franklin, son of Mr. and Mrs. Franklin, was born in Big Spring, Texas, April 3, 1922. He enlisted in the national guard company formed here Nov. 25, 1940 to go into immediate service. Training followed at Camp Bowie, Texas, Fort Sill, Okla., Camp Blanding, Fla., maneuvers in Louisiana and North Carolina. After a stop at Camp Edwards, Mass. he had commando training at Amherst, Va. and at Trenton, N. J. In April this year he went to North Africa, where he was killed in action on June 10, 1943. His parents received high praise of him from his chaplain, Cpl. Franklin's father served in World War I.

Returns On Transfers Announced By Board

Returns on Howard county men and transfers inducted into the army were received Thursday by the Selective Service board.

Woodrow Butler Moore was inducted at Dallas on the October 25th call, and Clinton David Ward, negro; was inducted at Lubbock on November 6th. Tommie Carl Branch, negro, was inducted at Spokane, Wash., on October 30th.

Those inducted on the November call and who are now on automatic 21 day furlough given by the army are George Patrick Walker from Las Vegas, N. M., Hilario, Manuel Alcaraz, Willie Earl Buckner, and Clayton Webb Bettle, all of Big Spring.

Roatta Removed From High Post

ALGIERS, Nov. 12 (AP)—Gen. Mario Roatta, chief of staff of the Italian army, whom the Yugoslavs have charged with being a war criminal, has been removed from his post, it was announced.

The Yugoslav government-in-exile charged that Gen. Roatta was responsible for a reign of terror during the Italian occupation of Yugoslavia, and asked the Allies to have Marshall Badoglio dismiss him.

Long distance telephone calls have doubled since 1941.

Property Damages Studied By Group

A jury view commission to set damages on property of J. F. McKinnon, Howard county land owner, met in session Friday morning at the court house to appraise damage on the property along the right-of-way of the Big Spring-Garden City road.

Paul D. Henderson, field engineer for the highway department, testified that approximately 15 acres of McKinnon's land will be involved in the right-of-way.

George Thomas, county attorney, conducted the hearing for the state as plaintiff. The jury commission, composed of R. L. Cook, Frank Hodnett, and W. J. Garrett, along with McKinnon, Thomas, and Henderson agreed to visit the property this morning before making any decision.

McKinnon is asking \$4,000 damages for his property.

Condemnation papers were originally filed against three property owners on the right-of-way, but two owners, Joye and Bernard Fisher, reached a settlement with the county commissioners, leaving only the McKinnon case to be settled.

Gas Fumes Kill Two Workmen

HOUSTON, Nov. 12 (AP)—Gas fumes today killed two workmen and overcame two others at the \$12,000,000 plant of the Goodyear synthetic rubber corporation.

The dead are Ed. M. Leeder, 31, and John W. Reynolds, 42, both employees of the Kegan and Hughes contracting firm.

F. S. Priem, 48, and W. A. MacPherson, 24, employed by the Brooker Engineering company, were revived by an inhalator.

The two firms hold sub-contracts under the George A. Fuller Construction company, general contractor building the giant plant near here.

W. D. McKethrick, chief engineer for Kegan and Hughes, said Leeder and Reynolds entered a 20,000 gallon capacity tank to repair gauges. When they did not return, Priem went to investigate and likewise was overcome.

Rome Underground Assassinates Nazis

BERN, Switzerland, Nov. 12 (AP)—An underground in the true sense of the word, whose members dart from Rome's gloomy catacombs to assassinate and kidnap the German invaders, was described today by eye-witnesses recently returned from the Italian capital.

Interviewed by the Tribune de Lausanne, the travelers said naz authorities were doing their utmost to run down the patriots who strike swiftly in the darkness and then disappear into the endless labyrinth.

Describing Rome today, the article said the only automobiles running are those of the German army. Windows and doors of most stores are sealed because there is little in the city to sell.

As in other countries, German occupation troops were supplied with great quantities of money brought in with them and, together with the Romans who have been buying recklessly to unload the lire they fear will be worthless after the war, have practically stripped the stores.

Flames Damage Ft. Worth Club

FORT WORTH, Nov. 12 (AP)—An early morning fire in the heart of downtown Fort Worth today did an estimated \$25,000 damage to the Clover Club, two-story night spot, and about \$11,000 to two smaller business firms on the ground level.

The fire in the night club started in a small storage room, presumably from defective wiring, and spread rapidly through a dumb waiter and air conditioning conduits. It was discovered about 1 a. m., just as the last guests were leaving the upstairs cocktail lounge but they were routed out another entrance.

The other two business firms damaged were Lederman's Tobacco Shop, smoke and water damage estimated at \$6,000 to a large stock of smoking preparations, and Atlas News Stand, where a \$5,000 stock that included 1,500,000 post-cards, was damaged.

Presbyterians Will Observe Anniversary

Special invitations are being sent by the First Presbyterian church to members and friends to attend Sunday services at the church on the occasion of the institution's 52 anniversary.

The Rev. James E. Moore, pastor, will fill the pulpit at both morning and evening services, returning to his duties after an absence enforced by illness.

SHOPPERS WANT BEST

NEW YORK, Nov. 13 (AP)—The first flurry of Christmas shopping, with an increasing tendency of customers to ask for better-class merchandise but to accept whatever was available was reported today to Dun & Bradstreet, Inc., in its weekly trade review.

Worker Shortage

PHILADELPHIA, Nov. 12 (AP)—The fourth naval district said today that "an increasingly acute shortage of workers" partly due to selective service has delayed completion of the giant battleship Wisconsin, whose keel was laid at Philadelphia navy yard on Jan. 25, 1941.

HERE 'N THERE

Officers in this area are seeking a negro suspect in connection with a robbery at Stanton. Sheriff Morris Zimmerman, Stanton, who put out the pick up order, said \$185 reportedly was lost in the robbery. Other details were lacking.

A certain man, dubious that his institutional publication was being read, inserted an obscure paragraph to the effect that those wishing shotgun shells should contact him. To his surprise, he was deluged with replies. Of course, a nice little letter went out expressing regret to each writer that "his letter came just a little after the entire supply was exhausted."

After police had testified to considerable breakage in a small W. 1st street cafe, City Judge Tracy T. Smith imposed fines totaling \$70 on L. P. Jordan, who entered plea of guilty Friday to complaints of drunkenness and disturbance.

Lera McClenny, daughter of Mr. and Mrs. C. R. McClenny, is active in music organizations at TSCW, Denton, where she plays alto clarinet in the TSCW band. She is a junior student and majoring in religious services. The concert is to be given on November 16th, the college announced.

Sara Lamun, daughter of Mr. and Mrs. Bernard Lamun, has been included on the dean's (honor) roll at NTSTC at Denton.

Troops which participate with proficiency in the district camps each month will not go away empty handed, H. D. Norris, Boy Scout field executive, said Friday. Each month such troops will receive a banner for "camping excellence."

At the end of the year, the troop with the best camping record will be given camping equipment in the amount of \$25, provided by B. Reagan, veteran Boy Scout leader.

"That's true all over, Sam. Our present Army is the best trained, best disciplined, best behaved in American history. That's why I get my hair up when I hear of some people trying to dry up the areas around Army camps. Why, in a recent report made by the government, it said the Army usually prefers its camps to be located in wet instead of dry communities. And there's a sound reason. In a wet community the Army can control drinking. In dry communities where bootleggers run wild it's almost impossible. We know that from our nearly 14 years of experience with national prohibition."
"There's no getting away from it, prohibition does not prohibit."
