SNOW AND ICE BLANKET PLAINS

Starting in last week a light snow visited the South Plains, then came a cold snap which lasted until Tuesday morning. On that day before noon the sun came out and by afternoon the temperature climbed to a point where you could walk about in your shirt sleeves.

As we have said before, the weather on the South Plains is difficult to predict, and the weather station has missed it consistently during the past few weeks. This present spell was supposed to continue, with cloudy skies, until Thursday or Friday—but it is gone. However, if the weather station is right, another cold snap will be with us before you read this newspaper.

The inclement weather, the moisture filled air, brought the cotton harvest to a grinding halt, and most of the gins have caught up. However, with a few days of dry weather they will be covered up again.

It is thought the present weather has not damaged crops in the field.

While we had a balmy day on Tuesday another cold front came on Tuesday night bringing with it fine snow and freezing weather.

WE HEAR FROM MRS. DEE COURTNEY

A very pretty Christmas card arrived in the mail from Mrs. Dee Courtney of Lubbock, and on the inside we found three dollars for their Plainsman to be sent another year. Thanks a lot, and many thanks for the nice complimentary words on how you folks enjoy the paper.

May you and yours enjoy the Christmas season and all of next year, plus.

NOTICE

Due to the fact our Linotype operator, Mrs. Irene Morris, was taken suddenly ill on Tuesday our Christmas edition to be postponed until Monday of next week. The paper will be mailed on Monday and reach all subscribers the day before Christmas.

Operating a Linotype is a highly skilled trade and you can't replace an operator on a moments notice, hence much we would have accomplished the first of the week will have to wait until the last of the week.

We are happy to say Mrs. Morris was so far recovered by Wednesday afternoon she was able to help finish this edition.

Merlin Hobbs, operator of the Ropes Barber Shop, announced this week that the shop will be open Monday, December 23; Tuesday, Dec. 24; Friday, Dec. 27. It will be closed Wednesday, Dec. 25 and Thursday, Dec. 26.

We wish each and every one a merry Christmas.

Mrs. Ulys Gregg happened to the misfortune of breaking her arm late Wednesday afternoon.

She was attending the bedside of her brother and wife, Mr. and Mrs. Bill Edwards, who were being treated for

injuries received in a car wreck in the Brownfield hospital, when in some manner she stumbled in the hall and fell, receiving a broken arm.

ABB RUSSELLS HAVE VISITORS

Mr. and Mrs. Abb Russell had as their visitors this past week Mr. and Mrs. Ernest Shrader who live in Lubbock County and Mrs. J. C. Pointer of east of Ropes.

Wednesday morning, while en route to Brownfield, Mr. and Mrs. Bill Edwards received severe injuries when their car turned over between Meadow and Brownfield.

The last report we had from the hospital said that x-rays had been taken, and Bill suffered a broken hip. He received surgery for that, and he also received a bad cut over one eye. Mrs. Edwards suffered a broken wrist and a severe gash in her forehead.

The accident was attributed to slick roads. Dale Jordan, it is reported, was right behind the Edwards car, and stated the car was going about thirty miles an hour when one of the wheels slipped off the pavement. For a moment, seemingly, the car was not going to turn over, then it flipped.

Bill was thrown clear of the car on the first turnover, going up and over the car. At first it appeared the car was going to roll on him, but it stopped before it hit him. Mrs. Edwards was thrown from the car on the second turn, it was said, and fell down beside the car.

A sister of Ulys Gregg, brother-in-law of Bill, was on the scene before the wheels stopped spinning. When she knelt beside Mrs. Edwards she did not recognize her as the blood was so thick on her face. She asked who the lady was and when told, almost fainted. A Latin American, who was present, tied a scarf around Mrs. Edwards' head to stop the flow of blood.

One Killed and Seven Injured in Accidents

The Texas Highway Patrol investigated eight accidents on rural highways in Hockley County during the month of November, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

These wrecks accounted for one death, seven persons injured, and an estimated property damage in the amount of \$5,400.00.

The rural traffic accident summary for this county from January through November shows a total of 92 accidents resulting in 18 persons killed, 76 persons injured and an estimated property damage of \$56,445.00.

The veteran patrol supervisor announced that every effort will be put forth, including a rigid enforcement program, to try and stem the tide of traffic deaths during the holiday season. We find

ourselves confronted with the alarming fact that the past five year average indicates some 238 persons will be killed in traffic crashes in Texas this December. During the month of December for the past five years there has been 1191 traffic deaths. Of this number, 432 or 36 percent occurred during the holiday season. The sergeant stated, "It is almost certain that the death toll in traffic in Texas for 1963 will be the greatest on record, exceeding the all time record of 2611 in 1956."

The sergeant gave some tips for driving during the holiday season: 1. Know and obey all traffic laws, 2. Do not drive after drinking, and 3. Plan your trip so as to have rest periods about every 100 miles to combat fatigue. By complying with these tips, it will help you to arrive at your destination ALIVE.
