#### Attend National **Playday Finals**

Crate Snider and Georgana Snider attended the National Playday Finals, in Lawton, Okla. October 7-8 in which Georgana, with her registered Quarter horse, Bandy, won 6 ribbons and two championship trophies in the 6 events she entered. Over 600 entries from 6 districts participated in these national playdays, an event of horseback games.

Crate is president of this organization, the American Association of Sheriff Posses and Riding Clubs, which is nation wide and each state is divided into districts. There are 8 official games divided into three classes as to age, Peewee Boys and Girls; Junior Boys and Girls; and Senior Boys and girls.

It is a great thing for boys and girls and helps to keep the kids occupied as well as training them in sportsmanship, horsemanship, and citizenship, which is one of the functions of the Association. They also sponsor rules for Parade judging, Palmetto Polo and are registered in Civil Defense with a definite plan and place in case of a national emergency or local disaster.
