We the Plainman in the future took a seven week journey like it so well we intend to as you have in the past.

Mr. Griffin's sin was that he, who is a white man, toured the South as a Negro. Using medication and dye he stained his skin black and traveled through New Orleans, Alabama, Georgia and Missippi as a Negro.

Mr. Griffin made his trip for scientific reasons. As you know a good scientist does not take opinion as a basis for his theories and statements. A good scientist experiments with reality and then carefully notes the sults of his experiments.

Mr. Griffin wished to discover first hand what it is like to be a Negro in the South. He had heard as we have heard that the Negro in the South is content, is ignor- Pictured above is O. V. Fuller, ant and does not want much superintendent of the Ropes better than he has got. Shrinks Hemorrhoids Without Surgery Stops Itch-Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemor-rhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all - results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation HD. At all drug
