## SEZ WE

The weather—you tell us.

Autumn is here. That means the fall season, and it also means that 1958 is on its last legs — traveling down the sunset trail. In this new atomic age much has transpired during the past nine months, and from appearances much more will happen before we ring in the new year.

Before atomic energy and the exploding of the first atomic bomb, we think things ran on a more even level. The folks were more happy and more satisfied, and felt a sight more secure. The atomic age has brought with it an unrest the like of which has never before gripped the population of the world.

This unrest is not confined to one nation alone, but the world as a whole. Who knows, says the thinker, but that the explosion of too many atomic bombs will knock the earth out of orbit and send it sailing out into space with dire and terrible results.

And who knows but that we may be dodging atomic bombs bearing a Russian label at any time. It is not funny to think about and the adjustment to such conditions is not easy. As a matter of fact, the present generation will never adjust.

But, in speaking of the earth being knocked out of orbit and rolling out into space, it is just a little terrifying when you consider what the earth is and how it is situated and what makes it possible for us to exist here.

You might say nothing is known of space—we know it is these and it races away from us in all directions, an unexplored void, so vast its proportions cannot be grasped by the human brain, and laying in this, revolving as a pin wheel, is the Earth — millions of miles from it exist what is thought to be other worlds. To the layman they are stars and planets. We know nothing of them and they know nothing of us

So, we revolve, with gravity holding us in place, surrounded by a very thin layer of air which we can breathe and live. This thin layer of air extends only a short way upward, say five miles or more, and above it is the ozone which will not support life.

In contemplating this, did it ever occur to you what would happen should any thing disburse this dangerously thin layer of atmosphere? The entire human race would give a few gasps and drop as flies who have suddenly encountered a curtain of DDT.

We humans go about our little affairs, our loves, our hatreds, our business, confident in the future of the sphere on which we live; we build for future generations; generations we're confident

## Damp Weather Brings Harvest to Jolting Halt

### STARLIGHT 4-H CLUB MEETS

The Ropes Starlight 4-H Club met September 22nd in the school cafeteria with the following members present: Johnny Snider, Pat Dunavant, Mike Dunavant, Jimmy Lowrie, Mike Hale, Tyree Martin Jr., Harold Abney, Clinton Abney, Doris Martin, Tharon Campbell, Sharon Campbell, Mary Lee Gregg, Kay Jackson, Mary Jackson, Gracie Riojas, Ronnie Hale, Berrilyn Thomas, and Rita Campbell.

New officers were elected, as follows:

President - Tharon Campbell  
V. Pres. - Jimmy Lowrie  
Sec.-Treas. - Mary Jackson  
County Delegates --

Mike Hale, Gracie Riojas  
Reporter - Johnny Snider  
Delegate Alternates --

Pat Dunavant, and Sharon Campbell.

Club projects for the following year were discussed. Assistant County Agent Darrel Coker and Home Demonstration Agent Peggy Crandall met with the club. Each 4th Monday night of the month the 4-H Club will meet.

All members are urged to attend each meeting.

Reporter,  
Johnny Snider.

### FORMER RESIDENT PASSES AWAY

Mrs. Will C. Jay, 78, former resident of Ropesville, passed away Tuesday in a Lubbock hospital.

Mrs. Jay had lived in Cristoval, Texas, for the past 18 years.

Survivors include her husband, three sons, Roy of Kerman, Calif.; Ervin, of Long Beach, Calif.; Herbert, of Cristoval; two daughters, Mrs. J. A. Burns, Lubbock; Mrs. Esther Webster, Madera, Calif.; three brothers, Earl, Portales, N. M.; H. E., of Stanton; and R. H. Green, Phoenix, Arizona; two sisters, Mrs. Bessie Patterson, Ontario, Calif.; Mrs. Mille Jones, Tucson, Ariz.; seven grandchildren and 13 great grandchildren.

### MRS. B. THOMAS ILL

Reports coming to the Plainsman state that Mrs. Bob Thomas is numbered among the ill.

Foggy, drizzly weather this week has brought the harvest to a standstill over the South Plains.

While, at no time, has the rain been heavy, it has been in amounts that kept every thing damp, stopping combines which were harvesting the grain, and keeping boll pullers out of the fields. If it had not been for the wet spell harvest would now be in full swing.

However, there has been another drawback — the lack of harvest hands. It appears the hands are a little slow in coming in. We are told that if the weather will clear, several hundred hands can be used in the Ropes community.

Given an open fall the South Plains will harvest one of the largest grain and cotton crops in its history.

### COMMUNITY CHEST DRIVE WILL OPEN ON OCTOBER 21st

Ralph Riojas and Tyree Martin were in Levelland on Tuesday night where they attended a meeting of the promoters of the Community Chest drive.

The time set for the drive to open is October 21, and it will continue for two weeks.

The folks of the county are asked to give all the assistance possible in making it possible to end the drive in the two weeks period.

It is stated that the drive will be extensively advertised; that posters will be placed over the county, and in Ropes there will be a large poster and feather, and said feather will indicate from time to time just how the drive is going.

So far, no chairman for the Ropes community has been selected.

### NEW SON

Mr. and Mrs. Jerry Fletcher are the proud parents of a son weighing 6 pounds, 5½ ounces, at 2:38 am. Friday in a Lubbock hospital. The father is in the Navy.

The maternal grandmother is Mrs. Fletcher, who lives at Busterville.

## Mercury Lamps Up ---Well is Finished

It is not amiss to say that at least a part of Ropes will soon be lighted as a country church house. Fourteen mercury vapor street lamps are being installed.

Ten of these lamps will be on the highway, five on

each side of the highway running north and south from Hockley Street, and four are being placed on the first two blocks of Hockley Street, which is popularly known as Main Street.

The new city well is now

almost ready for operation—the testing has been completed and the motor attached. However, as yet the electric wiring has not been brought to the well by the Southwestern Public Service Company.

The line that will be laid to connect the well with a six-inch main is being delayed until a ditch digging machine can be secured. It lays some 170 feet from the water main.

This well was started during the acute water shortage in the summer and was supposed to have been completed in a week, but due to the fact that the drillers drilled four wells before they got a straight hole, the water shortage was over before the well was completed.

While this is not a large well, it will pump 48,000 gallons of water in 24 hours. The other three city wells have been pumping approximately 200,000 gallons in 24 hours, and with the new well in operation this coming spring and summer approximately five tanks of water, or 250,000 gallons can be pumped in 24 hours.

This is going to be a great help. However, at the rate the town is building it is thought that before another year another well will have to be added.

GLENN MURRAY

R. H. PHILPOTT

## Baptist Revival to Open September 28

Our Fall Revival is to be conducted September 28 to October 5th. Our visiting evangelist and singer will begin with us on Monday night, September 29th, and will be with us through Sunday, October 5th. Pastor Richard Philpott, from the Second Baptist Church of Odessa, will be the evang-

elist for our revival. In charge of the music will be Glenn Murray, Music Director of the First Baptist Church of Monahans. Week-day services will be at 10:00 AM Tuesday through Friday. Evening services will begin at 8:00 o'clock. We invite you to attend these Revival Services.

### TEXACO STATION OPENS WEDNESDAY

Frank Riley, Jr., Texaco Service Station opened for business in Ropes on Wednesday morning of this week.

This station has been several months in the building, and is said to be one of the most modern service stations on the South Plains, equipped for washing and polishing cars, as well as the many other services required.

However, it is not alone a service station, but also a wholesale outlet for Texaco products.

In this issue of the Plainsman Frank has a half page ad inviting the folks of the community to visit him.

### SCHOOL MENU FOR SEPT. 29 - OCT. 3

Following is the menu that will be served at the Ropes school cafeteria starting on Monday, the 29th, through Friday, October 3rd:

MONDAY — Baked ham, Spanish rice, creamed peas, fruit cup, hot rolls, butter and milk.

TUESDAY — Roast beef, scalloped potatoes, green beans, stewed apricots, hot rolls, butter and milk.

WEDNESDAY — Salmon croquettes, mashed potatoes, tossed salad, jello, pecan cup cakes, light bread, milk.

THURSDAY — Chili mac, pinto beans, buttered spinach, jello, hot corn bread, butter and milk.

FRIDAY — Hamburgers, potato chips, tomato salad, ice cream and milk.

## Rats by Thousands Are Now Migrating into Co.

After several years of being comparatively free of rats, Hockley County is now being invaded by a vast horde which is keeping B. E. Davidson, rodent exterminator, working day and night.

"We have never had bigger or a larger number of rats than are now in the county," stated Mr. Davidson. "They are migrating

from New Mexico and other points."

Migration is the habit of rats. Just why they leave one place and migrate to another is not known, but there have been cases where the entire rat population would vacate one spot and move to another in a week's time. Sometimes that migration is for miles and miles and as they invade their

new home they spread all over it.

"I made more than 100 calls last week," said Mr. Davidson. "I have already made about 40 calls this week (Tuesday) and I am at least fifty calls behind. One of the reasons I'm behind is that we could not get the poison — they are using it about as fast as it can be made. Only recently

an entire carload was shipped into Tahoka. A report this week states that rats are undermining the dam of the Stamford Lake. They are all over the country and in numbers such as have not been seen before."

To say the least, the rats are keeping Mr. Davidson on the jump.

### METHODIST CHURCH NEWS

Rev. Frank Story, Pastor  
Church School ..... 10:00  
Morning Worship ..... 11:00  
Evening Worship ..... 7:00  
MYF ..... 8:00  
Choir Practice ..... 9:00  
WCS, Monday ..... 2:30  
MYF Choir Practice  
Prayer Meeting  
Wednesday ..... 7:00

The Woman's Society of Christian Service met Monday afternoon with Mrs. Faye Matthews of Lubbock as guest speaker. She reported on the Assembly. Cake and drinks were served at the conclusion of the meeting.

A VERY SUCCESSFUL Revival was closed Sunday evening. The church and community will be enriched by having Rev. Hugh H. Hunt and Horace Krebs (Mr. Sunshine) with us for those days. Rev. Hunt is executive secretary to the Town and Country Commission of the Northwest Texas Conference and Mr. Sunshine is with Radio Station KLLL of Lubbock.

OCTOBER 1st AT 1:30 pm the Interboard Training School for training the Chairmen of the various boards and commissions of the local church will convene. This meeting will continue until 9:00 o'clock of the same date. Dr. Denison, the District Superintendent, announces this as a very important meeting, as it will emphasize the work and responsibilities of the various groups.

**ROPES MAN DIES AT  
RAFB HOSPITAL**

E. D. Eaton, 67, a resident of Ropesville nine months, died at Reese Air Force Base Hospital at 9:40 a.m. Sunday following an illness of several months duration.

Eaton lived at Booneville, Ark., several years before coming to Ropesville. He was a retired farmer.

The body was taken to Moran for funeral services and burial Tuesday. Sanders Funeral Home was in charge of Lubbock arrangements.

Survivors include four daughters, Mrs. W. E. Walling and Mrs. K. E. Abbott, both of Ropesville; Mrs. A. D. Martin, Bethel Island, Calif.; and Miss Barbara Eaton, Booneville; two bro-

thers, S. T. Eaton, Ranger, and Sam Eaton, Aransas Pass; and a sister, Mrs. W. E. Plumbley, South Houston.

**SAYS HARVEST  
HANDS NEEDED**

W. F. Verner, of west of Ropes, was a very pleasant caller at the Plainsman office Monday.

Mr. Verner stated that both the damp weather and the lack of harvest hands was holding up the harvest in his community.

**NIGHT LAWMAN  
GOES ON JOB**

This week Constable Jack Ogle hired as Deputy Constable, Brice Kennison.

Mr. Kennison will be night man, and will also assist Jack at times.

**K. P.'s FINGER  
DOING WELL**

K. P. Shannon was among those in Ropes Monday.

As will be remembered, several days ago he lost a part of his finger in a combine accident. He stated the finger was healing nicely.

**SCHOOL NEWS**

The photographers came Monday and everyone was locking fine for their pictures. This week we are taking aptitude tests.

**SENIORS**

We are really looking forward to our trip to Dallas to the State Fair — only two more weeks.

The seniors ordered their rings last week. We certainly will be glad to get them.

**PEP SQUAD**

The coaches were nice enough to let the Pep Club have a meeting during PE Thursday. We decided to buy miniature megaphones to sell at Homecoming, and also pin tags. We discussed using some of the old yells and decided to mix them in with the new ones. There was a good attendance at the ballgame Friday night.

**CHORUS CLUB**

The Ropes High Chorus Club elected officers. They are as follows:  
President - Sandra Armstrong

V. Pres. - Joanne Jeffcoat  
Secretary - Mary Ann Humble  
Reporter - Martha Mannin

Our club consists of the following people: Sandra Armstrong, Joyce Wright, Patsy Wright, Betty Mannin, Martha Mannin, Sharon Campbell, Carol Baxter, Emagene Wright, Joanne Jeffcoat, Connie Witherspoon, Kathryn Ayers, Louise Whatley, Bernell Ponton, Mary Ann Humble, Sue Pettiet, George Merritt, Max's Humble, Jackie Weatherly, Ronnie McNabb. Our director is Mr. Tommy Wheeler.

We are all enjoying taking Chorus very much. It is a new experience for most of us, but we are trying to do our best.

Reporter, Martha Mannin.

**4-A NEWS**

This week we have twenty-one children in our room, ten boys and eleven girls. We have been doing a lot

of review work. Now we are settling down on fourth grade work.

We have received our work books. They are very interesting. Our science work book is a new edition this year. We like it very much. The first unit is a study of plant life.

Bill McCormick,  
Mary Lynn Gresham.

**MRS. FRALEY  
IN LEVELLAND**

Mrs. Walt Fraley has been making trips to Levelland this week to attend district court.

The trial of the Latin Americans who confessed to robbing the cafe is in progress and she is a witness.

**"Do I Have to Suffer  
All My Life Just Because  
I'm a Woman?"**

No! Today, women don't have to bear a special cross of agony! Girl or grandma, a remarkable tablet can bring blessed relief from awful "female miseries"!

Today, "female suffering" need never occur again for most women—not at any age! Imagine being free from the pain, misery, young and old used to dread! That's the promise of Lydia Pinkham's Tablets—wonderful relief women can have all through their lives!

Pinkham's unique combination of medicines was developed especially for women's ailments. (Even includes blood-building iron!) In doctors' tests, 3 out of

4 no longer suffered the awful monthly cramps, headaches, backaches. Later during change-of-life, "hot flashes" subside, irritability is calmed! Even after menopause, Pinkham's Tablets help build strength-giving blood! Just because you're a woman, you don't have to suffer! Start taking Pinkham's Tablets. Whatever your age, take them daily for all the benefits you can get all through your life! Lydia E. Pinkham's Tablets at drugstores.

## SCHOOL GIVING INTELLIGENCE TEST

Tuesday of this week the sophomores, juniors and seniors of the Ropes High School was given what is known as the California Test of Mental Maturity or, for short, intelligence test.

Wednesday the freshmen were given the same test. In October an achievement test will be given, and will be followed by another in April. During the last semester an aptitude test will be given.

"These tests," said High School Principal Hannaford, "will give us a better knowledge of our pupils and a better understanding of their problems."

Over in Junior High the 7th and 8th grade pupils have been taking the Iowa Silent Reading Test. This is the first of a series of tests which will run through all the grades of Junior High.

These tests are for checking comprehension of what is being read.

The enrollment of the schools has reached 564.

In the elementary there are 289, Jr. High 160, and in High School 115.

"This," points out Supt. O. V. Fuller, "is about normal when compared with other years."

To help in taking care of the extra pupils during the harvest season Mrs. Buck Moreland has been employed as a teacher.

The Ropes School Band will be in Lubbock on September 29 where they will take part in the parade of South Plains bands at the Fair.

O. V. Fuller will attend a meeting of Texas School Administrators, District 4, at Lamesa. They will discuss courses of study improvement.

Homecoming has been set for October 10th. A barbecue will be held in the Ropes school cafeteria, and a football game between Wilson and Ropes will be the feature attraction of the occasion.

## ULYS GREGG BEEN WITH THEATRE 9 YEARS

This month Ulys Gregg is rounding out nine years with the Ropes Theatre, and before that he was with the Wallace Theatre, giving approximately 20 years as projector operator in Ropes.

When the old Wallace Theatre was torn down and the Ropes Theatre was erected by Mr. Burgamy, Ulys started in with the new firm, and has been with them since.

The Ropes Theatre is a valuable asset to the town. It is not only a modern theatre, but shows the best in pictures. Since the day it was opened it has not missed a night of showing. This is a record that many towns of larger size cannot match.

"It gets rugged through the summer," said Ulys, "but with our concession stand the theatre manages to get by."

Of course, the fall business is enormous, and usually lasts until after the Christmas holidays.

Ulys operates the projection machines, while Bill Edwards has charge of the concession stand and the management of the theatre.

## MOTHER OF LUTHER WILSON PASSES AWAY

Mr. and Mrs. Luther Wilson were called to Ralls on Saturday of last week on account of the death of his mother, Mary A. Wilson, who passed away on that day.

Mrs. Wilson was 83 years of age and was seemingly in good health, but Saturday she was taken ill and passed away in a very short time.

Funeral services were held in the First Baptist Church Monday at 2 p.m. in Ralls, with Rev. Allen delivering the funeral oration. Interment was in the Ralls cemetery.

Those attending the funeral from Ropes were Mr. and Mrs. Luther Wilson, Hershel Wilson and family, Billy Wilson and family, Wayne Ferguson and family, and J. L. Hill of Leveland.

Newt Green, Mr. and Mrs. T. K. Markham, Winston Jones and Mr. and Mrs. Wallace White, Mrs. Hayslip and Mrs. Bob Thomas were there on Sunday, but were unable to remain for the funeral.

## FHA TO MEET THURSDAY

The regular meeting of the Ropes FHA Chapter will be held at 6:30 this Thursday in the High School auditorium.

This meeting will be an installation of officers and conferring of degrees. The public is invited.

Refreshments will be served following the business session. Also, the FHA boyfriend for the coming year will be announced.

Please come!

Reporter, Linda Jones.

## VISITORS IN WILKISON HOME

Visiting in the home of Mr. and Mrs. W. H. Wilkison on Friday of last week was their daughter-in-law, Mrs. Millard Wilkison, of Lubbock.

Other visitors in the Wilkison home on Sunday were Mr. and Mrs. Don Wilkison and children, Donna and Stanley, also of Lubbock.

## MRS. LITTLEFIELD EMPLOYED BY ROPES FOOD STORE

Mrs. Tommy Littlefield has been employed by the Ropes Food Store, and is now on the job at one of the checking counters.

## SUFFERING FROM SORE THROATS

Mrs. E. W. Cavitt was in Brownfield on Wednesday where she went for the purpose of taking her two sons, Royce Lee and Charles, who are suffering from sore throats.
