AUSTIN, Texas (Spl.)—The University of Texas at Austin will accept only 5,500 new freshmen for the summer and fall of 1971, combined. Admission requirements now in effect will be unchanged. If you are a Texas high school senior hoping to enter UT Austin next summer or fall, you should apply for admission before March 31, 1971. In addition, you must take the chcolastic Aptitude Test of the College Entrance Examination Board. Your SAT score must accompany your application form.

Should you graduate in the top ten per cent of your high school class, you will be admitted immediately, regardless of your SAT score.
If you graduate in the top quarter — but not the top ten per cent — of your high school class, you will be admitted immediately if your SAT score is at least eight hundred.

If you graduate in the second, third or fourth quarter of your high school class and meet current admission requirements at UT Austin, you will need a little luck. Your name will be put into a hat, figuratively speaking, with those of others in your category. Those whose names are drawn from the "hat" will be admitted. The "drawing" will occur shortly after March 31.

Second-quarter applicants from Texas must present an SAT score of 800. Those in the third and fourth quarters of their high school classes must earn at least 1000 on the SAT.

All out-of-state applicants must earn SAT scores of 1000 or more. Out-of-state applicants in the lower half of their high school graduating classes

are ineligible for admission to UT Austin, regardless of SAT score.

Apart from all the above considerations, if you win a competitive scholarship recognized by UT AUSTIN AND if you meet present admission requirements, you will be admitted. *Again, you must apply before March 31.*

If you are offered admission as an entering freshman you must accept by May 1, 1971, or two weeks after the date of the offer, whichever is later. Acceptance of an admission offer must be accompanied by a \$50 tuition deposit which will be applied to your tuition and fees for the semester in which you enter.

The March 31 date is crucial. Even though you are the valedictorian of your high school class, it is possible that you might not be admitted if you do not apply before that deadline.

Application forms may be requested from the Registrar, University of Texas at Austin, Austin, Texas 78712.

BRIDAL SHOWER

LIONS CLUB HEARS PROGRAM ON DRUGS

Superintendent O. V. Fuller, Junior High Principal Fred Satterwhite and Coach Elvis Spradling were guest speakers Monday night at the regular meeting of the Ropes Lions Club.

The program was on drug education and was very interesting and informative. Drug education is now required by all school systems in Texas.

The consensus is that our youth are well-informed in the field of drugs, they will be better qualified on making a decision.
