Get your money's worth

# electric air conditioning

#### OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

#### LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low ... no extra installation costs, either!

#### HIGH ALTITUDE - NO PROBLEM

Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes

#### CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

#### CHOICE OF SIZES

Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

#### COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

Austin — Enthusiastic sup- of this State to join in an allport of the Texas Highway De- out effort to clean up our road partment was pledged today sides, our parks, our streams for "Trash Round-Up Week in and lakes and our own indivi-Texas" set for April 26 through dual property, so that the en-May 1 by the Texas Legislature.

State Highway Engineer J. to west." C. Dingwass said, "The week Dingwall pledged "wholewill further call to the atten- hearted and unquaified suption of al Texans the mam- port of this effort by the men moth litter problem confront- and women of the Texas High\_ HIGH TEAM GAME ing the Texas Highway De- way Department throughout partment the year 'round ...

Trash Round-Up Week was designated by a House Concur- VISIT IN PLAINS rent Resolution introduced by Representative Ben Atwell of Lubbock visited Sunday with Dallas. It was approved by Mr. and Mrs. Otto Sims. both house and Governor Pres They all went to Denver City HIGH INDIVIDUAL GAME ton Smith signed it February and visited Otto's brother,

"It costs the people of Texas \$2 million annually to pick up when he suffered some broken BOWLERS OF THE WEEK litter along 70 thousand miles ribs. They also visited with Lavetta Bradshaw of State highway facilities," Dingwall noted.

"The irony of the situation is that this massive effort by the Highway Department main tenance forces could be eliminated if every driver simply would carry a litter bag in his car - and use it," he said

The State Highway Engineer also noted that the Highway Department has provided litter containers at hundreds of locations along State-maintained highways for the convenience of motorists.

More and more people are becoming aware of the problem and are using these litter barrels at turnouts, safety rest preas and roadside parks," Dingwell said.

"But there still are many who dispose of their litter thoughtlessly and carelessly."

He said special events such as Trash Round-Up Week in Texas, with the support of the people and their elected rpresentatives, will go a long way toward achieving what he termed "total awarness" of the problem.

The resolution reads in part: "Resolved by the House of Representatives of the 62nd Legislature, the Senate concurring, that the Texas Legislature hereby sets aside the
