YOUR PROTECTION Phone 711

# Southwest Clubs tion, told delegates to a district meeting of the organization here

Texas Christion plays Miami in the Orange Bowl at Miami and Southern Methodist clashes with Oklahoma A. and M. in the Cotton Bowl at Dallas tonight but these skirmishes take a far back seat to the double-barreled action scheduled tomorrow in the Southwest Conference football campaign.

Texas meets Oklahoma at Dallas in the feature but there are a couple of games in Louisiana carrying oceans of interest for the fans as Rice marches against Tulane at New Orleans in an afternoon tilt and Texas A. and M. tackles Louisiana State in a night

affair. For the folks with more interest in who wins the conference championship than intersectional victories is the battle at Fayetteville between Arkansas and Baylor - the lone game on the schedule count-

ing in the title race. TCU is given an excellent chance of toppling Miami but Southern

of Texas last week.. Rice is given a slight edge with Tulane but A. and M. isn't due to hold the LSU Tiger. It is expected that the conference

will more than break even in its intersectional games. Arkansas is a top-heavy favorite to beat Baylor in the conference tilt. We hit three out of five last

week, the best average in the season to date, but that's not very good anyway. So you can use your own judgment on this week's picks: Texas Christian vs. Miami at Miami, Fla. - TCU by a whisker. Southern Methodist vs. Oklahoma A. and M. at Dallas - The Aggies will bounce back with a narrow decision oved SMU.

Texas vs. Oklahoma at Dallas-Texas by four touchdowns or more. Rice vs. Tulane at New Orleans - The Owls will edge Henry

Frnka's Tulanes. Arkansas vs. Baylor at Fayetteville - A scoring game with Arkansas winning by three touch-

Texas A. and M. vs. Louisiana State at Baton Rouge - Can't see anything but a comfortable victory

City Wide Bible Conference a City Auditorium, Oct. 20 to 25.

Guests.

Colts Edge Cubs

WACO, Oct. 11. (P)—Cashing in on a third quarter fumble, the Southern Methodist University B team Colts defeated the Baylor University Cubs here last night, 7-0.

Following the Colt recovery, Guy Proctor tossed an 18-yard pass to Sammy Owens for the score. Burnett kicked the extra point.

Three generations ago Dr. Rimer, a famous doctor, found hundreds of his patients with this trouble. Painstakingly he made a medicine of 16 berts, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root" and milione of grateful men and women have taken it—often with amazing results. Swamp-Root goes right to work to flush out kidneys... increases the flow of urine, helping torelieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good sight's sleep after the first few doese. Caution: take as directed.

For free trial supply, and to Dept. 8, Elimer & Co., Inc., Box 1255, Stamford, Coon. Or—get full-sized bottle of Swamp-Root today at your drugstors.

conservation district show that progress is being made toward curbing soil and water losses. At the same time, sober thinking figures may be deceiving. compels us to admit that we have scarcely scratched the surface.

During the life of the district, which was organized in 1941, something like 900 miles of terraces have been constructed. Contour cultivation is practiced on 140,000 acres. Around 300,000 acres of grassland are under proper practices.

These are imposing figures, but when one stops to consider that the contour cultivation total is spread over most of three counties, it reflects how short we are on this goal. Howard county ought to have that amount itself. Similarly, the fact that 3,000 miles of terraces are on the planning board gives an inkling of how far we have to go in

Reports from the Martin-Howard Soil that direction. Seemingly, most rapid progbut here the field of work is so vast that

> A large number of stock ponds have been created and 90 more are coming up with an to the possibilities in this direction. The time should come when every draw below any sizeable drainage area has a dam across

We hope that it will have a stimulating effect and not lure anyone into resting on the cars. Holding our fertile top soil is one of the most vital tasks of our generation. How well we succeed at it may well determine what sort of an existence generations after us have in-

# Crossing Accident That Wasn

us about an accident that never happened. It wasn't his fault. It just wasn't in the

As he pulled a heavy freight through Midland with orders to keep going, he spotted an object moving on to a crossing at the east end of town, approximately a quarter of a mile ahead.

To his horror, he made out that it was a transport—then that it was a butane truck. Automatically, he set the brakes, but with hundreds of tons of weight moving along at a brisk clip, brakes don't mean sudden stops. So as the freight kept screeching along to-

ward the crossing, the transport eased on and-finally off the track with hardly six or eight feet to spare by the time the locomotive thundered by.

The engineer knew what was at stake. generally loses.

average capacity of half a million gallons. In this country there is practically no limit The progress to date is most encouraging.

### The other day a locomotive engineer told Cold sweat and joited nerves bore out the fact that not only he but possibly scores of people in the vicinity of that crossing had

come close to death.

Nobody knows, except the driver who probably wasn't aware of the situation, what possessed the transport operator to drive on to that crossing. Probably it was absent-mindedness or maybe it was a desire to save a few minutes—a few minutes which might have been the difference of life and death for numbers of people.

Well, that's the way grade crossing accidents happen. Drivers just don't have their Fifth Ave., when I discovered heads in the game. Anytime and anywhere a great clouds of what I thought was the mental bends. person approaches a crossing, he ought to smoke rising from several manbe reminded that this could be the time. holes in the street, and I looked they suddenly were apprised that Trains can't stop on a dime like cars, and around for a fire alarm, feeling the customers in Manhattan used House when they hit something on the track, it sure that some huge blaze was

## Steer Reserves Invade Midland Saturday Night

Johnny Dibrell's high school football reserves, the Dogies, make belated 1946 start at Midland Saturday night when they tangle with the Midland, Bullpups in an 8 o'clock debate.

All lads who do not see action against Lamesa in tonight's varsity go are eligible to play against the Other members of The Herald board of strategy-Bob Whipkey. Pups and Dibrell is due to make use of all of them, if the situation permits.

The B line is built around Jim Bill Little, Harold Berry, Jimmy Jones, Jack. Durham and Bo Anderson. Such operatives as B. B. Lees, Paul Shaffer and Moe Madison are ticketed for duty in the secondary.

## McKissick had been trapped in his own zone for the safety. In the third-period, Arliss Dav-

### RHEUMATISM and ARTHRITIS today.

I suffered for years and am so thankful that I am free from pain and able to do my work that I will gladly answer anyone writing me for information. Mrs. Anna Pautz, P.O. Box 825, Vancouver, Wash.

Pd. Adv. NUE-OVO Laboratories. CLASSIFIED FOR RESULTS US Leads Fight For Free Danube PARIS, Oct. 11. (AP)- The United States and Britain joined

forces today in calling upon the Soviet Union and the Slav states to remove a barrier between the east and the west with positive peace conference action on opening the Danube to free commerce. US Senator Arthur H. Vandenberg R-Mich) ledoff the plenary session's deliberations on the Romanian peace treaty draft by declaring a "free Danube is Indispensable to the economic health and peace of central Europe" and that failure to open Europe's most important inland waterway would be a "tragic, reactionary mistake."

Vandenberg's plea brought a prompt rejoiner from Yugoslav Deputy Preemier Edvard Kardelj, who attacked the majority report of the Balkans commission on two articles in the draft dealing with the Danube. He held that the conference was not "competent to deal with the Danube question" and said Yugoslav deserved a greater Danubian role because '50 percent of its course is through Yugoslav territory.

# Farmers Scolded In Bashore Talk

OMAHA, Oct. 11. (AP)- The naion's farmers got a scolding today from one of their best friends, former Bureau of Reclamation Commissioner Harry W. Bashore.

The farmer is too persistent an optimist, Bashore said in an address prepared for the National Reclamation Association conven-

"Farmers located in subhumid areas hesitate to make the expenditures necessary to provide irrigation," Bashore stated, "Why? Because, the farmer is traditionally an optimist. He remembers the good years, or series of good years, when water was plentiful **Enlistment Suspended** and he hopes that next year will be better than the present."

His optimism will trip up the Effective Oct. 30, no person will farmer even when he has an irrigation system installed, Bashore be enlisted in any rating above said. "Not knowing when or whethgrade three (staff sergeant) in the er he will need to irrigate, the US Army, the local recruiting stafarmer is prone to neglect the maintenance of his irrigation tion aenounced this morning upon works. Thus when he needs to irrigate, the ditches are weed choked and the irrigation facilities are not in repair.
