The week of George Washington's birthday is National FFA Week each year. The Future Farmers of America is an organization of boys studying Vocational Agriculture in the high schools of America. Membership is entirely voluntary. The purposes of this organization is to train young men for leadership, cooperation, and citizenship.

Texas has about 44,000 members in the FFA. This is about ten percent of the Nation's total. There are some 1,000 teachers in the State of Texas in Vocational Agriculture.

The FFA is entirely self supporting. No member of the FFA is authorized to request donations for the organization. Members may sell products, but they are to see that the buyer gets full value for his money. Part of the training is to teach boys to raise and spend their own funds.

This marks the 30th year that the Ropes Chapter of Future Farmers of America has been in existence. The Chapter takes this opportunity to salute its former members who have gone before. Many of them are now successful in business and professions. A large number of them now are established in farming. Regardless of the vocation chosen, the training as a member, we believe, of the Ropes Chapter has assisted them in their profession.

LEVELLAND GOOD NEIGHBOR REVIEW

YOUR SHOP

The Your Shop, located at 804 Austin in Levelland, carries a complete assortment of apparel for women and children.

This shop understands the clothing needs of women and children, and therefore makes it a special point to buy stock from manufacturers who are leaders in the clothing field. After you visit this shop once and see their clothing, and notice their reasonable prices you will want to become a regular customer. It means a great deal of satisfaction to a woman and mother to know that she can depend on a shop to have clothing to suit her taste and fit her children.

It is with great pleasure that we recommend the Your Shop in Levelland to all the women and mothers in this section, and suggest that you visit them on your next trip to town.

ELLIS PHARMACY

No. 1 Store is located at 1213 Houston, and No. 2 Store at 411 Austin in Levelland. Phone 894-2056 or 894-3211. Here prescriptions are accurately filled from quality drugs by professional pharmacists.

The relationship between the professional pharmacist and the physician is very close. The people should have confidence in the doctor, and the doctor must have

implicit confidence in the pharmacist for he is unable without a chemical analysis to determine whether all the ingredients called for in his prescription are contained in the compound, and if they are pure and fresh.

Moreover the pharmacist in many cases is the medium through which the physician gains certain knowledge. To be progressive he is expected

to know all the newer preparations that are available as well as the conditions wherein they may be indicated.

Ellis Pharmacy can lay their success to the filling of prescriptions from high quality drugs.

We of the Good Neighbors Review do highly recommend the Ellis Pharmacy in Levelland to all our readers.
