Tigers Play Lamesa Here Thanksgiving

We have been notified that the Tigers and the Lamesa Tornados will play off the scoreless tie of last Friday, on next Thursday, November 24, (Thanksgiving).

The teams are very evenly matched, so it stands to reason that it will be the best game of the season. You can't afford to miss it.

We believe that Lamesa has a bet-team than Brownfield,—and that if Coach Wright can perfect a way to keep his boys from fumbling—that Slaton can not only beat Lamesa, but will be able to run over them; so to speak.

Coach Wright developed a good line. One of the best in this section of the state, and his men are able to carry the ball; but lack the ability to hold on to it and, to kick it.

Johnson's kicking is so poor that we hate to see him even try it. We would just as soon see him try going through the line on fourth down, even if he has nine yards to make up. Make it a point to be out for this game.

The Tigers play Big Springs at Big Springs today.

King Cupid Scores Another Triumph

Sunday morning, Nov. 13, at 9:00 o'clock, Miss Ollie Mae Gaither became the bride of Mr. Maddison Weaver. The marriage ceremony was conducted by Rev. Albert Smith, pastor parents, M. and Mrs. Herbert Gaither, 740 S. 10th street, at Slaton.

The culmination of the romance between this popular young couple was a quiet affair.

The charming bride is quite popular, and a favorite among a large circle of friends. She is an accomplished young woman of many virtues. She graduated from the Slaton high school in the class of 1927, and later took a business course in the Paris Business college, Paris, Texas. She is a member of the Junior Civic and Culture club of this city, and for several years held a responsible position with the Slaton Motor company, here.

The bride wore a becoming dark blue crepe costume with black accessories, and the groom was dressed in the conventional black, for the ceremony.

Besides the bride's immediate family in attendance the groom's two sisters, Mrs. Roy Boyd, and Mr. Boyd, of McClung; and Miss Erma Joy Weaver, Tech student, at Lubbock, and Oddie Hood, the groom's attendant, were present.

Mr. Weaver is the son of Mr. and Mrs. Madison Weaver, near Austin. He is a valuable employe of the local Model Grocery and Market, and comes highly recommended, and worthy of his bride. He has made numerous close friends among his business and social associates.

Mr. and Mrs. Weaver will continue to make Slaton their home, 125 S. 6th street.

FLAT TIRE RESULTS IN CAR ACCIDENT LAST THURSDAY

Miss Pearl Edmondson, Miss Arell Wicker and Ray Lynch were in an automobile accident Thursday, Nov. 10, which resulted in the Edmondson car turning over and the occupants escaping with slight injuries, mostly bruises.

They had been to Sweetwater and were returning to Slaton when a flat tire was discovered just before reaching the turn of a curve, and before the car could be gotten under control it turned over. The top of the car was smashed but the main body and engine was used to make the trip on into Slaton. The accident occurred near Post. Miss Edmondson had carried her sister, Mrs. G. J. McCleskey, back to her home at Sweetwater after a visit here with homefolks, and had reached a point near post on the return trip when the accident happened.

Mr. Edmondson, it is understood, purchased a new car.

Mrs. E. F. Eden of Mt. Vernon is visiting her daughter's on the plains, Mr. and Mrs. Sankey Johnson, near Slaton, and Mrs. T. C. Richardson at Lubbock.

HARLEY SADLER'S COMPANY YTO BE HERE THREE DAYS UNDER AUSPICES FIRE DEPARTMENT

"Billie" Sadler

Harley Sadler's own company will open for three days on Monday night under the auspices of the Fire Department.

This company needs no introduction to the show-goers of West Texas. Harley has been playing the same territory annually, and has the reputation of always having a good, clean show. Only the very best plays and vaudeville are shown in the Sadler Tent Theatre.

The opening play this season will be "Kempy, or the Princess and the Plumber." Harley as the fire-eating old "Dad" of "The Princess," is a scream from start to finish. "Billie" Sadler will be seen as "The Princess" and Bart Couch as "The Plumber." The play is full of good, clean comedy and you will enjoy the laughable situations and sparkling dialogue.

The big ten-piece orchestra under the direction of Eddie See, is one of the finest musical organizations in the Southwest, and the vaudeville between acts of the play is the very

best that can be procured.

Ruton's "Educated Alley-Dogs" were a feature with the Ringling show for two seasons, and this is the first time they have ever been seen on the smaller circuits. In this troupe of dogs will be seen "Strongheart" (The Wonder Dog). You have seen him in the pictures, now see him in person.

The Sadler show is larger this year than ever before, and the wonderful patronage enjoyed proves that the people will, and do, appreciate Mr. Sadler's efforts to give them nothing but the very best in clean, wholesome amusement. The big tent theatre is kept warm and comfortable in any kind of weather. Large stoves and plenty of fuel make this possible.

"Northers" do not interfere with the comfort of the patrons of the Sadler show. Prices have been reduced but the quantity and quality of the entertainment are kept up to the usual high standard.

Mr. Sadler invites you to come out Monday night and see "Kempy."

Young Man Killed At Hobbs, N. M.

Mr. Sterl Kincaid, a brother of Mrs. O. T. Weaver, of Slaton, was instantly killed Monday while working at an oil well in Hobbs, N. M. Mr. Kincaid was petroleum engineer with Humble Oil Company.

At the time of the accident they were flowing a dead well, it is said, and a pipe burst. The pipe came loose at the separator and a fifty foot, six inch pipe was hurled across the back of Mr. Kincaid's neck, killing him instantly, it is thought. His partner was rendered unconscious and when workmen reached them about ten minutes later Mr. Kincaid was dead. He was found lying in a pool of oil.

He was 24 years of age, unmarried, and besides his sister here, Mrs. Weaver, he is survived by his parents, and a sister, Mrs. Clint Jones, at Oakland, Ill., two brothers, Dr. Kincaid, of Bartlettville, Okla., and another brother in Penn., two sisters, Mrs. W. C. Farnell, Gladwater, and Mrs. A. H. Dula, of Oil Hill, Kansas, also survive.

Mr. and Mrs. Weaver, of Slaton, were called to Hobbs, Monday following the accident. They attended to necessary arrangements for shipping the body back to the family home at Oakland, Ill., for interment.

Be sure and see "Chintz Cottage," November 29th.

He made the trip primarily to meet his brother, Bishop Hiram Abiff Boaz, of Huston, who was enroute to Amarillo to attend the annual Methodist Conference. The brothers were to have met at the home of their parents for a visit but Dr. Boaz, a little late in reaching his destination missed the Bishop who proceeded on to Amarillo, however he had a nice visit with his parents.

Dr. Boaz states that he is definitely located in Slaton and has no intention of moving elsewhere.

Oscar Killian who has been critically ill for the past week with double-pneumonia, is still very sick but is said to have had a very good rest after midnight Tuesday night. Thursday at press hour he was reported slightly improved.

Ferguson Lead Is More Than 150,000

When the Texas Election Bureau quit its tabulation last week, Friday, governor-elect Miriam A. Ferguson's lead over Mr. Bullington, the republican candidate in the race, was 150,000 and still soaring according to a report from Dallas.

This only gave returns from 207 of the 254 counties in the state, only 86 of them complete, giving Mrs. Ferguson 384,000 votes and Mr. Bullington 230,817.

At that time the Texas election bureau announced there would be no more official announcements until the latter part of this week when it was believed the full report could be given after all counties had turned in complete reports.

State Convention Of Baptists Met At Abilene Wed.

The Baptist State Convention met in Abilene Wednesday, November 16. Delegates began arriving Monday according to reports, and more than 5,000 delegates representing almost half a million Baptist are in attendance.

Pastors and laymen met in conference Monday, Nov. 14, as did also the Baptist Women's Missionary Union. These conferences adjourned Tuesday and the convention proper convened at 10:00 o'clock, a. m. Wednesday morning.

Important business to come before the convention includes reports on the -620,000 Every member Canvass Campaign, Mission Emergency Fund and the Co-operative Program. Every agency of Texas Baptists will be represented at the gathering, and the South-wide Boards of the denomination will send representatives.

Baptists representing the Slaton church at the Convention are: Rev. and Mrs. W. M. Turner, Mrs. G. E. Foster, Mrs. W. O. Bowen, Mrs. Irvin Bownds, Uncle George Marriott and perhaps others whose names escaped attention of the writer.

Federation Of Labor Want Recognition

AUSTIN, Nov. 14 —Representatives of the Texas State Federation of Labor today appealed to Mrs. Miriam A. Ferguson, governor-elect, to consider laboring men when she made up the personnel of boards and bureaus under her administration.

James E. Ferguson, former governor, heard the plea for his wife, also chief executive at one time, and replied that Mrs. Ferguson would give representatives of organized labor due consideration when the time came for her to select her "cabinet."

He told the conference that in all likelihood the 43rd legislature, which convenes in regular session on January 10 next, would abolish some of the boards and bureaus.

"Maybe we can get laboring interests to help us abolish some of these boards and bureaus," Ferguson said. He predicts that the legislative session under Mrs. Ferguson's administration would be "the most eventful in the state's history."

The conference of federation leaders was called by George Slater, legislative representative of the organization.

Ferguson invited the federation to maintain a committee in Austin during the legislative session and said Mrs. Ferguson would be glad to confer with such a group at any time.

The Ladies' H. D. Club are presenting a nice blooming pot flower to Inell Jernigan as she is confined to her bed.

Dr. Loveless Is Not Considering Moving

The current rumor about Dr. R. G. Loveless, returning to Lamesa to resume practice of his profession there was branded as "idle talk" by Dr. Loveless when asked about his intentions, Thursday. "Why, I have never considered—nor do I contemplate—returning to Lamesa" the doctor answered. "That is my former home," he continued, "but my family and I are very happily situated in Slaton, and I expect to make this our home for many years to come."

Methodist Give Pastor Pounding

Local approval and appreciation of the Methodist Conference action in returning Rev. C. E. Fike to the Slaton charge was seen in the action of the church Monday evening when a large crowd gathered, at the church, to welcome Rev. and Mrs. Fike on their return from the conference and incidentally further give expression to their feeling in an old fashioned Methodist pounding for the pastor.

Church leaders arranged the affair while Rev. and Mrs. Fike were in Amarillo attending the conference.

A nice collection of useful things for pantry, and otherwise, including some parsonage furniture was assembled at the church awaiting the coming of the honorees. The program the affair was wholly informal and had the nature of a "good fellowship" meeting.

Several good talks were made and the ladies of the church served sandwiches and coffee.

GARNER HUNTS FOR SQUIRRELS

UVALDE, Nov. 17.—His thoughts far from politics, John N. Garner, Vice President-elect, spent Armistice Day squirrel hunting in the woods near Uvalde.

He left before daybreak, after eating breakfast prepared hastily by Mrs. Garner, and planned to return home late at night, remaining in camp all day "so I can cook some squirrels to my own taste and liking," as he described it.

Before leaving, Garner paused long enough to admire one of the gifts he appreciates most highly, a quilt bearing a large Lone Star in red, white and blue, surrounded by a border of the same colors.

Above the star were the words "The eyes of Texas are upon you," and beneath was the inscription "Garner-Roosevelt, 1932 Democrats."

Hillyer-Ward Nuptials At Clovis New Mexico

Miss Melba Hillyer and Mr. Glen O. Ward were quietly married in Clovis, N. M., last Sunday, November 13, the Methodist pastor, at Clovis, Rev. Tonlinson, officiating at the ceremony that sealed their vows and united them in the bonds of wedlock.

This popular young couple will make their home in the Wilson community where the groom is an enterprising young farmer. He is a son of Mr. and Mrs. W. W. Ward, of Wilson, and is said to be a young man of sterling qualities.

The bride is well known in Slaton as a promising young woman of admirable charm and talent. She is a member of the Methodist choir, and is known as an active worker in the church where her beautiful qualities are most appreciated. She is the daughter of Mrs. Anna Hillyer, on S. 5th street. She was graduated from the Slaton high school and was a favorite with her classmates.

They were accompanied to Clovis by Mr. Claton Hamilton of Wilson, and Mrs. Louise Hardin, of Morgan, who were also married at the same time.

The Morgan friends of these couples wish them a long and prosperous life together.

Mrs. W. H. Bowman has just recovered from injuries sustained in a fall several weeks ago when torn ligaments in her foot or ankle, put her on crutches. She has now discarded the crutches and is reported doing fine.

Local Red Cross In Membership Drive

The local Red Cross committee co-operating with the national order, is giving the remaining days of this week towards raising Slaton's quota in the county drive for membership in the Red Cross association. \$1.00 pays for a year's membership in an association whose national headquarters and local units seek always to alleviate suffering and meet the people's need in crisis.

During the past two years national headquarters has sent into Lubbock county \$7,000 for drought relief. Sent two car loads of vegetables into the county, sent two car loads of flour to Lubbock since August 1932; distributed 600 pounds of garden seed in the county; sent 11,000 yards of garment materials for the needy; and several garments such as underwear, hosiery and overalls.

What have you done for such an organization? Fifty cents of every dollar you pay as membership goes to national headquarters, the remaining fifty cents stays in Lubbock county for relief work.

Slaton's quota is approximately \$170. It will take close cooperation to raise it.

District Carriers Convene Here

The Lubbock District of Letter Carriers met at Slaton last Friday evening, at 7 p. m., at the Slaton High School building. Carriers from Slaton, Lubbock and Plainview were represented.

We had as our special guest and speaker for the evening, Mr. G. T. Morris, State Treasurer, N. A. L. C. of Sherman, Texas.

Mr. Armstrong, a carrier from Abilene, Texas also visited with us. The first on program was a delicious feast served picnic style by the Ladies Auxiliary to the Letter Carriers.

Now, just to be plain these ladies of our auxiliary can cook the best eatables that can be prepared. Had you been there you would verify these statements.

After this we assembled in the study hall where we were called to order by our president, Mr. E. L. Thaxton, of Lubbock.

We were first entertained by Mr. Howard Kedwell, of Lubbock, with some popular songs which he accompanied with his guitar.

Our president then introduced Mr. Morris who spoke on the Economy Bill and its effect on City and Village Carriers and substitute Carriers.

We all enjoyed the message he brought us.

Our district then started a move by which our Constitution of N. A. L. C. may be changed whereby small locals may join larger locals. In this manner we hope to create more interest and enthusiasm.

Our president then changed the meeting into a round table discussion. Resolutions were then offered thanking the Ladies Auxiliary for the good feed.

Resolutions were then offered in thanks to the superintendent of the school for the building and Mr. Wolf who made it so pleasant for us that cold night.

MORE CATTLE NEEDED.
IMPORTANT PROBLEM TO BE DISCUSSED AT BIG MEETING NOTED SPEAKER COMING

Diary farmers are always prosperous. The Dairy community is a prosperous community. What the Dairy cow produces to-day is sold to-morrow. The range of prices on which they are sold. The South and especially our section needs more dairy cattle. This is a matter in which we all are vitally interested.

Mr. H. S. Mobley of the Agricultural Extension Department of the International Harvester Co., has been secured to conduct, in cooperation with the Slaton Chamber of Commerce a big meeting to be held here in Slaton, Dec. 8th at 7:30 p. m. at the High School Auditorium, everybody invited to attend as it is to be free to everybody. At this meeting dairy farming will be discussed. Mr. Mobley is a practical southern dairy farmer. He knows from actual experience how to produce dairy products

on the farm at a good profit. Don't miss this meeting as it will be profitable to you and will not cost you a cent. More extended notice of this meeting will be given at a later date through the columns of this paper and otherwise.

The Red Cross Drive is on, having started last Wednesday, and we hope that all who are asked to join will do so and thereby help them to help us later on with our charity at home.

EAST WARD NOTES

The pupils of East Ward have taken on a new interest in the Rhythm Bands, which have recently been organized in the various rooms. We are also planning to add a few new instruments to our band, which bands are under the direction of Miss McCleney, Mrs. Tudor, and Mrs. Ferrell.

We wish to extend our sympathy to Miss Florence, who had to be absent last Friday on account of the death of her aunt. Miss Murrel Wickler substituted during her absence.

Mrs. Tudor's room will entertain in chapel Thursday morning. Her pupils will present a Thanksgiving program, and in connection will have a play titled, "Old Man Rabbit's Thanksgiving." They will also present other numbers as a read-in called, "Talking to Old Man Turkey" by Mary Frances Landreth, also another, "What Rover Knows," by Harley Mansner. They will conclude their program by singing a song entitled, "Thanksgiving Day."

A welcome is extended to all parents to attend these chapel programs, which are presented every two weeks by the different rooms. Miss McCleney's room will entertain next. On the odd Thursdays the time is devoted to the song service.

The East Ward Parent-Teacher's Association met in its regular session Thursday afternoon. Due to the illness of Judge Pitts, of Lubbock, who was to have rendered a talk, he was unable to attend but a number from each room was presented, after which a program was rendered by Mrs. C. L. Suits, Johnette Foster, Mary Madden, Mrs. Picken's room and Mrs. Ferrell's room.

After the program a short business meeting was held, which was presided over by Mrs. W. M. Cates, president, and in the absence of Miss McCleney, Mrs. Tudor acted as secretary. A count of the room visitors was taken and Miss Calthorp's room had the largest number of visitors since the last report. As a result, her room will receive the story book.

After the business meeting the members retired to another room for refreshments, which were served by the mother's of Miss Florence's room. A large number of mothers and visitors were present.

AMERICAN LEIGON AUXILIARY SPONSORING 42 PARTIES

The American Legion Auxiliary 42 party is going good. There were seven tables Monday night, Nov. 14. Mr. Roy Ely and Mrs. R. W. Scott, Mrs. Jess Burton and Mrs. Banks were in the run-off. Mrs. R. W. Scott and Mr. Roy Ely winning the championship for the evening.

Judge Kemp and Mr. Cooper were hosts for the evening and served delicious hot dogs and coffee. We invite everyone to attend these 3 remaining parties played each Monday night at the club house.

WEST WARD NOTES

The Dramatic Club met Wednesday November 9. The president, Teebie Jackson, called the meeting to order. The minutes were read and approved. There was no new business.

Miss Mansker had charge of the program. Wilda Ruth Hanna and Mrs. Grady Bownds entertained the club with readings.

The meeting adjourned until Nov. 16th.

Mrs. Nicholson, the home-room mother of Mrs. Wright's room, sponsored a "dress up" week for the room. There are new curtains, chair covers, draperies, vases, and what have you to add cheer.

All the pupils and Mrs. Wright wishes to thank Mrs. Nicholson, and the mothers who took part, for these gifts. We feel that we will do better work with this happy environment.

Tuesday is regular chapel day for West Ward. This week, Miss Sealy's room gave a program of readings and music. Mr. Rayburn gave a talk on

the Red Cross and its work.

A large number of children are absent on account of cotton picking. We shall be glad when they return.

METHODIST WOMEN QUILT

On last Thursday, November 10, the Win One class of the Methodist church met at the club house for the purpose of quilting several quilts that were brought up by people about town who wanted to hire the work done. Some of the women came and worked in the morning and others came in the afternoon, but most of them stayed all day.

A delicious lunch, furnished by the ladies, was served at noon, at which time, two husbands of the members, Messrs. Abel and Banks, were present.

Members of the class and guests who helped in the work were: Messdames Banks, Dozier, Pinkston, Woolver, Barry, Rhoads, Smith, Burton, Taylor, Mansker, Abel, Jones, Merrill, Spooner, Elliott, Kent, Green, Garland, Walker, Ainsworth, Brown, Teal Drewry, Proctor, Evans, Schimmerhorn, and Misses Medie Lewis, Bobbie Lee Rhoads, and Ethel Spooner.

BOOK WEEK NOTES

This week, from November 14 to the 19th, is National Book Week, when schools, clubs, and libraries try to encourage the reading of good books, and—might we suggest?—the proper treatment of good books. The libraries, of course, are usually more personally interested in good books and their circulation among appreciative readers than any other club or individual is, because, in addition to mending the ragged ones, and trying to prolong the lives of the good ones indefinitely, that is the library's work every week in the year.

Book Week is the time when libraries are urged to proudly call attention to their good books. This year's subject for Book Week is Books about America or Americans of by Americans. And you'd be surprised

at the number of fascinating books that come under that subject.

Books about Texas—things that have happened or are happening almost in your own back yard! Frank Dobie's tales of buried treasure and early ranch life bring back the days when most Texans wore six-shooters and six-gallon hats. Ask for them at the library.

A little further away.

Mary Austin's dreamy stories will take you further away to the country which "lies between the high Sierras south from Yosemite" and the broken ranges beyond Death Valley and on limitably into the Mojave Desert. "The Land of Little Rain" is delightful.

If you like poetry, try Grace Noll Crowell's exquisite little volume "White Fire." And if you haven't read it already, treat yourself to Rex Beach's novel of Texas' oil fields, "Flowing Gold."

CITY LINE CLUB GIVES AN ACHIEVEMENT PROGRAM

The Home Demonstration club is putting on an 'Achievement Program'

at the home of Mrs. Jack Lokey's, Thursday, Nov. 17, from 10:00 o'clock, A. M. until 5:00 o'clock in the afternoon.

This all-day event is for the purpose of giving the public an opportunity to inspect the 4-H pantry of Mrs. Lokey. It will be a come and go affair and every interested citizen is cordially invited to call at the most convenient hour during the open house meeting and enjoy as well as inspect the Lokey pantry.

The cupboard is their home

POULTRY, butter and eggs must never be without cupboards to go to. Behind the daily activity of Swift & Company's organization lie the simple ambitions of 55,000 employees and 48,000 stockholders—to live modestly, but well, and to deal fairly with each other and the rest of the world.

They understand the company's task. A most important part of that task is to buy produce from farmers at more than 100 produce plants, put it into attractive form for consumption and pass it along, without delay and with a minimum of cost, to retailers.

Employees and stockholders understand also the limitations of the job. They realize: (1) that Swift & Company must buy produce in competition with all other dealers and pay what any one else will offer; (2) that Swift & Company must sell whatever it buys at a price which consumers, through their retailers, are able and willing to pay; (3) that the little profit aimed at can be obtained only by keeping down every expense.

Our workers are spread over most of the United States; they are local residents wherever Swift & Company has a produce plant, a packing plant or a branch selling house. They are people just like the farm men and women who have produce to sell, with the same desire to give honest value and to get on in the world by performing real service.

Of our stockholders, more than 40 per cent are women. Their funds are invested in the company because they hope to receive at least moderate dividends. Over a period of years, profits have averaged less than half a cent a pound on all products sold.

Through good times and bad Swift & Company continues to maintain its national market for produce, working near capacity, paying cash to producers and, with the hearty cooperation of employees and stockholders, cutting every operating and selling expense over which it has control.

The Swift & Company national market was made by digging up demand wherever it exists in the United States, by advertising brands of high quality, Swift's Meats, Swift's Premium Milk-Fed Chicken, Golden West Fowl, Swift's Brookfield Butter, Eggs, Cheese and many other products.
