

Rain Soaks Slaton Area

It finally did rain! And the Slaton area was the big recipient as moisture ranged from 2 to 3 inches in a wind-driven rainstorm Tuesday night.

Although the rainfall was accompanied by strong winds and hail, no extensive damage was reported early Wednesday. Hail was reported up to marble size in town and around the area, and tornado-like winds caused some damage.

No amount of damage--almost--could be repaired by farmers and businessmen from wearing a big smile Wednesday. The long

overdue moisture could be worth hundreds of thousands of dollars to the area's economy.

The rainfall came at a good time, giving dryland farmers some sub-soil moisture before planting time. All the benefits of the hard rain will not be realized, however, since the hard, dry soil couldn't soak up the moisture.

The runoff from the big rain made ditches and low places in town look like small rivers. The rain started around 9 p.m. Tuesday, accompanied by a high wind, and slight amounts of hail followed.

The thunderstorm calmed down, only to hit again around 11 p.m. Water was sent rushing down Division Street and other spots in town where drainage is always a problem.

Police reported a possibility that a small tornado may have dipped down on the south edge of the city. At least, tornado-like winds left their mark on two service stations on the US-84 bypass south of town. Cotton trailers were toppled over at the Slaton Co-op Gin in that area.

Some damage was also reported downtown. A large plate

glass window was blown out at Slaton Lumber, and several firms reported water in their buildings-- some from roof leaks and some from being blown in under doors.

Slaton had received two light rains this month, but this one was a real drouth easer. The fast-moving thunderstorms hit other towns in the area, dropping welcome rainfall in a general area from Andrews to Lockney.

Lubbock had little rain, and radar observers at Reese AFB reported two tornado funnels--

one appearing as a blip between Lubbock and Slaton, and the other near Brownfield, neither was confirmed by the weather bureau.

Beneficial amounts of rain were reported in Andrews, Seagraves, Denver City, Tahoka, Lamesa, Ralls, Floydada and Lockney.

Lamesa, which hired a rain-maker April 1, received .75 of an inch Tuesday night. Post was hit by strong winds but reported only a light shower. Tahoka recorded about 1.5 inches, as did Floydada.

City Adopts Resolution On Paving

Three recently-elected officials took the oath of office, then grappled with city problems ranging from street paving to the care and feeding of horses in a regular commission meeting Monday night.

Despite a varied and long agenda, the commission moved through the session in a business-like manner which limited the meeting to less than 2 1/2 hours.

J.A. (Jack) Smith was the only new member to take the oath of office when he replaced Henry Bollinger as commissioner of Ward 3. Mayor Jonas Cain and Commissioner Clark Self Jr., Ward 1, took oaths following their reelection to office.

Commissioners heard an engineering report on the 1965 paving program and called a public hearing for May 3 at 6 p.m. They also set a hearing on the Division Street assessment program-- a "repeat" to take care of legal requirements--for the same date.

In other business, a bid notice was authorized for water pipeline from the new wells southwest of town, new city board appointments were announced by the mayor, department heads have reports, and a complaint on horses being kept in the city limits was passed over.

The commission heard two encouraging reports--one from the city engineer that the paving contractor on Division Street plans to resume work next week, weather permitting, and the other from Water Superintendent Wayne Baker that a test on the new city well southeast of town was "real good".

Bennett Reeves, the city's consultant engineer, presented estimates on the new paving program which covers some 80 city blocks, and the total was tabbed at about \$261,223.

Of this part, the City of Slaton is expected to pay about \$54,000 with property owners taking the tab for the remainder. Reeves also outlined unit paving estimates, a summary of unit costs, a list of property owners, and the estimated assessment rate.

The rate ranged from \$4.78 per front foot for paving and gutter on 40-foot front streets to \$4.32 on 36-foot streets. A complete legal listing can be found in today's Slatonite, published by the city as a legal notice.

The commission approved a resolution adopting the estimates, the amounts to be assessed, and setting the public hearing for May 3. Ronald Purcell, representing Municipal Investment Corp. of Lubbock, appeared at the session to request the resolution on behalf of the contractor.

A similar resolution was approved on the Division Street work and assessment program. The city is "backtracking" on

Easter Drive Nets \$146.07

The door-to-door Easter Seal Campaign drive that was conducted in Slaton Sunday afternoon, netted the campaign \$146.07.

Mrs. Ed Gilliam, who was chairman for the drive in Slaton, reported that 11 members of the Slaton Young Homemakers Chapter and 12 FHA girls helped in the door-to-door solicitations.

Mrs. Gilliam said that 77% of the donations will remain in Lubbock County. The money is used to buy braces, wheel chairs hearing aids, and transportation to medical centers for needy crippled children.

Beautification Is Town Topic

The second in a series of three "Brainstorm Sessions" was held Monday with downtown and city beautification as the main topic for consideration.

Sponsored by the Slaton Chamber of Commerce, the session was held from noon to 1 p.m. at Bruce's Restaurant with Doug Galassini presiding.

About 35 citizens attended the open meeting but ideas on beautification projects were few in number.

Jim Hughes, C of C president, introduced one idea which a nurseryman suggested to him. It involved placing cement planter boxes around the square and growing some type of cactus.

Downtown improvements on a large scale, such as is currently being initiated in Littlefield and Tahoka, were briefly mentioned. Several citizens suggested other type planters-- such as redwood boxes, or hanging some type flower baskets from poles.

The upcoming citywide cleanup campaign being planned by the City of Slaton and the Volunteer Fire Department was mentioned as being a good project along the beautification lines. This would include cleaning alleys and urging owners to clean vacant lots.

Hughes pointed out that any type beautification program would be expensive. The cost of any extensive program would probably have to be borne by the businessmen.

Gerry Schmid suggested that some of the local women's organizations might be interested in helping on some type of beautification program.

While on the subject of beautification, a flag project sponsored by the VFW post was announced by Bo Becker, commander. The post will put up U.S. flags around town for Loyalty Day, May 1.

WATER USAGE STARTS CLIMB

Water usage in Slaton totaled 14.9 million gallons in March, rising slightly over the preceding month as citizens opened the taps a little more with the approach of spring weather.

Records at the city water department showed a total of 14,971,000 gallons were pumped during March. The total for February was 13,734,000 gallons.

Even though the March total climbed, it still was not as high as for the same time last year. The March 1964 total was posted at 15,879,000 gallons.

High single day for water use last month came on March 15 when 700,000 gallons were pumped. Low single day followed on March 18 when only 350,000 gallons were drawn from city taps.

HORSE LOVERS WIN HEARING BEFORE COMMISSION MONDAY

A complaint on horses being stabled within the city limits was aired before Slaton City Commission Monday night, and the horse lovers greatly outnumbered the lone complainant.

On the basis of the city ordinance concerning the matter, the commission found in favor of the horsemen this time.

From discussion and a reading of the ordinance, it appeared the city could take action only if a horse, or other animal, creates "a health hazard or public nuisance". It was voted, however that swine cannot be raised in the city limits.

It was a friendly discussion, but Ray Ricker contended that such a thing "could get out of hand". The complaint arose in the northwest part of town, near the old roping grounds on Panhandle.

Mickey Swinburn, a neighbor to Ricker, told commissioners

Mayor Names Health Officer, Board Members

Eight men were named as new members of various city boards when the Slaton City Commission was in session Monday night.

Mayor Jonas Cain announced the appointments and received commission approval, but an ordinance at the next session makes them official.

Besides the eight men named to boards, Dr. John W. Ellis was also appointed as city health officer for a term of two years.

Named to the Equalization Board were Vascar Browning, W.A. Heinrich and R.F. Stansell. Terms are for one year.

Dick Hartman and Leroy Holt were named for two-year terms to the Zoning Board of Adjustment. They will join Doug Galassini, Milton Davis and Bruce Pember as members.

Phil Brewer, Hack Lasater and John W. Dodson were named for two-year terms on the Planning & Zoning Commission. Holdover members are Oran McWilliams, Don Crow, and Dr. Don Hatchett.

he leased land there to keep a stable of horses--adding that he planned extensive improvements and would maintain sanitary conditions. "The city health officer will be welcome to check my place any time," he stated.

"I like horses myself, and I have no quarrel with a man owning a horse. I'm just worried about the area getting over-populated," Ricker told the commission.

City Atty. George Lemon asked Ricker if he now considered the horses a "nuisance". He replied that "flies seem to be worse" than usual. Asked if he kept horses for other persons, Swinburn replied that the animals were all his.

About a dozen interested people attended the meeting on the horse question. Among them was Dr. David Hughes, veterinarian, who testified that a horse was the "least offensive" of all domesticated animals-- including dogs, cats--insofar as odor, susceptibility to disease and other factors.

Mayor Jonas Cain ended the hearing by stating that there seemed to be insufficient reason for the commission acting on the matter, but he assured Ricker that the city would take action if the animals did become a health hazard.

Scout Meet Here Monday

Leon Miller, district Scout executive for the MacKenzie Trail, was in Slaton last Friday talking to residents in order to do the groundwork in organizing more Boy Scout groups in Slaton.

A group of interested residents will meet Monday night in the high school library at 7:30. Elliott Taylor of Lubbock, organization extension chairman, will be general chairman of the meeting and will be bringing with him a team of six experienced men to meet with the Slaton group.

Representing the Lion's Club and hoping to organize a Boy Scout troop for Latin boys will be Jim Benton and Joe Dias. D. Lee Vardy, representing Rotary Club, and Rev. David Binkley and R.C. Hall, representing the Methodist Church, plan to organize two explorer posts. The Guadalupe Church will have representatives there in order to organize a Cub Scout pack.

The men listed above have been asked to invite other interested residents to also attend the meeting.

NEW DOG TAGS DUE BY MAY 1

The deadline on obtaining city dog licenses has been extended to May 1, it was announced this week by Bobby Sokoll, city secretary.

Customary deadline for the dog tags is April 1, but Sokoll extended the time since no reminder had been issued to the animal owners.

Tags are required for all dogs over six months old, and may be obtained at the secretary's office for \$1 each. A vaccination certificate is required.

Failure to comply is subject to a maximum fine of \$200.

AT WILSON HIGH Duncan Named Assistant

Duncan, head football coach at Wilson High School, named assistant football coach and head track coach at Wilson High School, it was announced Wednesday by Neal Duncan, head football coach at Wilson High School, who is resigning at the end of the school year. The new coach will move here when the school year ends. Duncan said his boys were "not disappointed" but he is concentrating on the ranks of Wilson High School.

Macon is a graduate of Olton High School and Howard Payne College. He and his wife, Deweylou, have a daughter, age 9, and a son who is 2 years old. Duncan was formerly an assistant for Chastain at Ralls High School, getting his coaching start there. He had a 7-2-1 record last year, and his charges posted a 9-3 record in 1963 while gaining the regional finals.

A graduate of Texas Tech, Duncan was the Raiders' leading ground gainer for two years while playing fullback. He was in Tech from 1954 to 1958.

A native of Wellington, Duncan and his wife, Sherry, have two children-- Stacy 5, and Randy, 9 months. Duncan's parents still reside in Wellington. His wife is a native of Breckenridge.

Babe Ruth Teams Set

Babe Ruth League try-outs were completed yesterday, and boys will report to the baseball park at 5 p.m. Friday to receive team assignments.

League officials have requested that all boys who possibly can to bring \$10 to help cover expenses for their participation in the summer baseball program. The fee is not compulsory, but it surely needed, according to the league.

Building Permits Total \$30,950 During March

Building permits in Slaton totaled \$30,950 during March, with a commercial permit for the construction of a service accounting for a big part of the figure.

Since there were no permits issued during February, last month's total represented a big increase. It was not as much as was recorded a year ago, however, when the total was \$41,450.

The first three months of 1965 show a total of \$56,050 in new construction, which was below the figure for the same three months in 1964--\$68,500.

Total new construction in 1964 was \$543,380. Slaton's top building year was recorded in 1960 when permits totaled \$947,600.

Permits last month included: Porter Lumber, addition for Jake Wendel, 850 S. 10th, \$5,800; Leon Stapleton, moving house to 1150 S. 15th, \$500; Estacio Vargas, frame house, 1120 S. 5th, \$500.

N.H. Roberts, concrete block service station building, for Richard and Charles Becker, Division and 9th, \$19,900; Porter Lumber, addition at 950 S. 18th, \$4,650.

Miss Pettigrew Honored With Shower Sunday

In the home of Mrs. Harry Stokes, 900 W. Garza, Sunday afternoon, Patsy Pettigrew was honored with a miscellaneous wedding shower. Miss Pettigrew is the bride-elect of John Tanner of Dallas.

The bride-elect is the daughter of Mr. and Mrs. Hern Pettigrew, and she is a senior student at Baylor University. The couple plan to wed June 1 at the First Baptist Church.

The serving table was laid with a white cut work maderia cloth over green, centered with a centerpiece filled with white daisy mums and stock. Punch, cookies and nuts were served to the 125 guests who called. The bride's register table was decorated with an arrangement of white roses.

Mrs. Howard Swanner played organ music throughout the afternoon.

Miss Pettigrew's grandmother from Post and her sister, Mrs. Mike Wheeler from Arisa, N.M. were guests at the shower.

Hostesses for the shower were: Mrs. Fred Englund, Tom McCain, J.E. Gray, Truman Bishop, Travis Mann, Truett Bownis, Roy Holt, and Wayne Liles.

Others were: Mmes. Hack Lasater, James Perkins, Rush Wheeler, Charles Felty, Troy Pickens, L.D. Poer, Dean Gilliland, W.C. Smith, Bert Lamb, and Ahlene Bevens. And, Mmes. Curtis Dowell, C.H. Norris, Jack Dickson, Glen Payne, Leland P. Scott, Pete Burton, Jack Clark, Bill Christman, Onas Ray, Billy Gamble and Miss Katherine Smith.

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Gordon Gass of Slaton announce the engagement and approaching marriage of their daughter, Kathy Jane, to James Ronney Jones, son of Mr. and Mrs. J.C. Jones of Slaton. Vows are set June 4 at the First Baptist Church. The bride is a senior at Slaton High School. Her fiancé attended South Plains College and is now employed by Kitten-Moseley Fertilizer.

INFIRMARY--A cottage-type building with about 1,000 square feet, this building will serve as clinic and living quarters for Camp Rio Blanco nurses.

ADMINISTRATION--This building will serve as Camp Rio Blanco office, living quarters for the director, assistant, waterfront staff, and others.

LODGE DINING--This building is most urgently needed at Camp Rio Blanco. It will have dining space for 200 persons including the staff, and will serve as recreation and a convocation area for large groups. Size is about 6,000 square feet.

Girl Scout Drive Set

Roy K. Furr, chairman of the Caprock Girl Scout Council's "Camp Rio Blanco Capital Funds Campaign" announced today that the "Community teamwork in action" committee is completed and ready to go to make this 18 county campaign a success.

The capital funds campaign is a program that encompasses 18 counties of more than 6, 674 Girl Scouts and their leaders.

The purpose of the campaign is to raise funds for four permanent buildings to be built at Camp Rio Blanco, east of Crosbyton, for use of the area scouts. The camp facilities at Camp Rio Blanco are presently inadequate to make camping an integral part of the Scout program for all the girls in this area. In fact, each year the waiting list becomes longer, and many girls cannot be accommodated at all. And with the rapid growth of our population and the increased interest in Girl Scouting it has become not only obvious but urgent that an expansion program be put underway immediately.

With the facts before them, the Girl Scout Caprock Council has launched the Camp Rio Blanco Capital Fund Campaign to raise \$155,000 by voluntary subscription. The monies are earmarked for four desperately needed buildings: A lodge and dining building; An administrative building with staff housing facilities; an infirmary; and quarters for kitchen personnel.

This is the first time in the history of the Caprock Girl Scout Council that it has asked

the citizens to provide funds for capital improvement. This is being done with complete United Fund approval.

The campaign is scheduled to open May 5 and be concluded May 30. Every person interested not only in Scouting but community growth at its most important level, our young people, are urged to participate

in this program. It is lighter when and Girl Scouts are looking to

The 18 counties of: Farmer, Callahan, Briscoe, Bailey, Floyd, Cochran, Bock, Crosby, DeWitt, Terry, Lamb, and Garza counties.

A BIG "THANKS"
to the voters of Ward 3 supporting me in the re-election. I shall do my best to merit your confidence by always keeping in mind the best interests of the citizens in Ward 3 in all of Slaton.

Zing into spring! in a new Chevrolet

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price—wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

Chevelle. This one's got lively looks, spirited power, a softer ride—and remarkable room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.

Chevy II. No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.

Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

Zing into spring in a new Chevrolet, Chevelle, Corvair, Chevy II or Chevy 4.

At the April 6 meeting of the Junior Civic and Culture Club, the program was presented by Mrs. Yates Key. The title of her subject was "Famous Artists and Their Models". At the close of the program she displayed three beautiful pictures she had painted.

The meeting was held in the home of Mrs. W.A. Wilke, Mrs. Oma Faye Brown presided over the business meeting in the absence of the president.

Twelve members answered roll call by expressing the type of picture they liked best.

The next meeting date is April 20 at which time the club will be dinner guests in a Lubbock restaurant.

Friends Honor Mrs. Martin

BY LAVON NIEMAN

When I asked Mrs. Sam Martin which birthday she was celebrating she politely side stepped the question and said "the same as Jack Benny--39". With no more questions asked concerning age, she went about the enjoyment of opening the many gifts she received last Thursday when some of her friends surprised her with birthday party.

Hostess for the party was Mrs. Edgar Moseley. She had invited Mrs. Martin out for lunch, and then carried her to her home where the other ladies were awaiting her for the surprise.

Helping her celebrate the birthday were Mr. and Mrs. Edgar Moseley, Mr. and Mrs. Harley Martin (her son), and Mr. and Mrs. Ed Moseley, all of Slaton.

Athenians Will Sponsor Drive For Girl Scouts

When the Athenian Study Club met April 6, it voted to again sponsor the Girl Scout Drive this year which will be a door to door campaign to be conducted next Thursday, April 22. The goal for the Slaton Girl Scout drive is \$864.

Mrs. George Privett served as hostess to the club and roll call was answered by "Points of Interest".

Mrs. L.A. Reasoner was in charge of the program. She first presented Cam Jordan, City of Slaton Cemetery Superintendent, who presented drawings and a brief explanation of the development of West Englewood Cemetery. Afterward a film "Texas Fun-tier" was shown.

Refreshments were served to: Meses, M.G. Davis, W.T. Davis, Jr., Joe Fondy, R.C. Hall, Jr., George Harlan, Dick Hartman, Stan Jaynes, Bob Kern Harley Martin, Joe Miles, Don Mitchell, Ed Moseley, Reasoner and Mr. Jordan. Also, to one new member, Mrs. Orville Woolvorton, who was welcomed into the club.

Mr. and Mrs. Virgil Jones and Mrs. Roy Collins of Slaton and Jones' sister and husband, Mr. and Mrs. A. L. Stone of Anton, are at Possum Kingdom this week.

Slaton. From Southland were Meses, H.D. Hallman, Tennie Smallwood, and Herman Dabbs, (her daughter.) Others were Meses, Ruby Farris of Roosevelt, Gladys Gallahar of Hale Center, Jim L. Parks of Slaton, and Jack Lancaster of Amarillo.

Mrs. Martin, being a very interesting person, evidently is one of the most loved of her community. She and the late, Sam Martin came to the Hackberry community in 1923. They had made their home there until his death in 1961, and she still lives there.

Mrs. Martin is a very active person. She does a little of everything. Everything she does, she does it quite well, I am told. Her interests range from photography to quilting, and from gardening to painting. She has some beautiful paintings that she painted several years ago. She became interested in photography as a hobby and then she became so good that it paid off very well, when she sold one of her pictures to Life Magazine.

This lovely person says she just enjoys living. She is always happy and if ever she feels badly, no one knows it.

She is active in church work, the Eastern Star, and the Past Matron's Club.

She is always ready to lend a helping hand to her neighbors when sick or when she just wants to show them her love.

She drives the car and goes on trips by herself. Her latest trip was to Washington, D.C., a tour.

A friend of her says you haven't lived until you have visited in her home. She always makes you feel welcome and so proud you came. She went on to say that Mrs. Martin is such a warm, friendly person that you can't help but love her. Her motto is "others".

Mrs. Martin is the mother of five children: Mrs. Herman Dabbs of Southland, Roy Underwood of Richmond, Calif., Lt. Col. Jack Martin, stationed with the Air Force in Seattle, Wash., Blanton Martin of Olton and Harley Martin of S.W. of Slaton. She is especially proud of her 12 grandchildren and six great-grandchildren.

She and the late Mr. Martin were proud of Paul Ray, son of Mr. and Mrs. Harley Martin, because he is the only one of the grandchildren to carry on with the Martin name. In fact, they were so happy, they paid the doctor bill when Paul was born.

A HAPPY BIRTHDAY—Mrs. Sam Martin enjoyed her birthday last Thursday when she was honored with a surprise birthday luncheon and party in the home of Mrs. Edgar Moseley. (SLATONITE PHOTO)

ITEM: Many of your larger foliage plants will benefit by a spring "pick-up," including a light washing of their leaves and re-potting into larger new clay pots with matching saucers, if they've taken on new growth during the winter months.

ITEM: Individual meat pies from left-over stews, topped with left-over mashed potatoes or pastry topping, are convenient to have to bake directly from the freezer.

ITEM: Small pieces of minced ham, chicken or veal are delicious when added to an omelet, scrambled eggs, or cut into small strips and used to top a tossed salad.

ITEM: Spring cleanup of the garden is never complete unless it includes the trees. Mending broken parts of a shade tree, dormant spraying and feeding can be done weeks before the garden soil is workable or a lawn is ready to be repaired. Dangling branches left by winter winds and ice storms should be pruned out. Dead and dying or unwanted limbs should be removed. And the same pruning will improve a tree by better branch spacing, giving new character to a tree that has grown out of bounds.

VFW Auxiliary Hears Reports

Delegates for the district convention were named and a number of committee reports were given during the regular meeting of the Ladies VFW Auxiliary Monday night in the Slaton post home.

Mrs. Bo Becker, president, was in charge of the meeting, and Mrs. Billy Clements, chaplain pro-tem, gave the opening prayer.

Petition for membership for Miss Margaret Nelson was voted on and approved. Various committee chairman reported on projects.

Mrs. Billie Clements reported that due to a three week factory hold-up the House numbering Project had been delayed, but the remainder of the house numbers have been received now and the project will be resumed and completed as weather permits.

Mrs. Bill Underwood, Poppy Day Chairman, reported progressive plans are being made with success, for Poppy Day to be held May 29.

Mrs. Hunter Tucker reported information has been received and plans are being made for the banquet for the Volunteers Fireman's Convention to be held here May 15.

Mrs. Dewey Nelson and Mrs. J.T. Moyers reported several pillows have been completed for the V.A. Hospital at Big Springs, and encouraged the group to get theirs made in time to take them when the Slaton Post and Auxiliary are hosts there.

Mrs. W.T. McLeroy and Mrs. Johnny Smith are chairman of Transportation for the Health Clinic April 23.

The following members were elected as delegates to the annual district convention to be held in Lubbock May 15-18: Mrs. Travis Mann, Mrs. Billie Clements, Mrs. W.T. McLeroy and Mrs. Jasper Moyers.

Mrs. Bo Becker, president, and Mrs. Frances Sargent, District Trustee, will accompany

the group. Bo Becker, commander of the VFW in Slaton, spoke to the Auxiliary on Loyalty Day Plans, to be held May 1 in Slaton on the City Hall Square and throughout the town.

Election of officers was postponed until the next regular meeting, April 26. Election of Delegates for the State Convention and Installation of officers will be held at the May 24 meeting.

After the business meeting refreshments were served to the auxiliary and post members.

PTA PICKS OFFICERS

When the West Ward PTA met Monday night, the group more so than elected the same slate of officers again that had served this year.

The group also voted to send the president, Mrs. Alex Webb, to the national PTA Conference in Albuquerque, N.M. May 16-19. She was undecided as to whether to make the trip.

A group of third grade students, under direction of Mrs. James Perkins, presented a program of Easter songs.

Mrs. Leon Kenney, math teacher at Slaton High School, gave a talk on "Modern Math". Modern math is being taught in junior high and high school, and will be initiated into the elementary schools next year.

Mrs. A.F. Bohanan, third grade teacher, won the award for having the most parents present.

In the business meeting it was reported that the two bingo sets to be used in the Madras Carnival have been purchased. Also, 100 folding chairs have been purchased to be installed in the West Ward Auditorium, to replace the old, worn out ones.

It's a woman's WHIRL

BY LAVON NIEMAN

When I typed Woman's Whirl last week about rain, I hadn't been told by boss man, Mr. Nieman, that he also was planning to write on the subject.

From all the talk that had been going around town and in the Slatonite, I figured he would have a whole column to write about the April Fool's joke that was played on the readers in the April 1 issue.

No one received more fun out of it than Hack Lasater who was holding "the oversized mackerel from Buffalo Lakes". When Speedy asked Hack to pose for a picture with both hands up to his side, of course Hack wanted to know why, but until the picture appeared on the front page of the Slatonite, he didn't know for sure just what Speedy had on his mind. Speedy did some freak photography, making it look like Hack was holding the "catch."

Hack said the picture proved one thing to him. He didn't know so many people read the Slatonite until all this happened. The morning of April 1, many people called the store and many others went by or said something to him when they saw him. I imagine his wife, Norma, was probably shocked more so than anyone when she opened up the paper to find Hack and "his fish". Norma gets alot of enjoyment out of fishing, too, and probably wondered how Hack slipped off and caught something like that.

A customer came into the Slatonite that morning and saw the picture. Not doubting for a minute that Hack caught it, said "Well, where has Hack gone fishing now?" When making up front page, Speedy failed to put the page number to jump for the story, and we had three calls, asking where the story was. One woman informed that Slaton people aren't used to a 24 page Slatonite, and she was having trouble finding it. All in all, it was alot of fun, and we hope the readers got a chuckle from it.

I hear plans are in the making for the annual art exhibit sponsored by the Slaton Art Club. The exhibit will be held May 2 from 3 to 5 p.m., and the public is welcome.

WW

Before you start dyeing and decorating your hard-boiled eggs this year, or hanging them on your Easter Egg Tree (a Pennsylvania Dutch tradition that's growing in popularity throughout the country), take time to reflect on the amazing ovoid's background, in fact and in folklore.

Eggs—the fundamental cells of life from which comes every living animal—are as varied in size, shape and color as the creatures that grow from them.

They come singly—the penguin lays only one or two eggs each season—of in multitudes, as in the 60,000,000 laid by the average prolific lady oyster. They come in whites, pinks, blues, greens, yellows, reds and browns. They may be plain, spotted, speckled or blotched. In shape, they may be oval as are most birds' eggs, or, in the insect world—globular, thimble-shaped, pear-shaped, cylindrical lens-shaped, turban-shaped, or (like the wheel bug's) shaped like tiny milk bottles!

The egg-laying habits of the domestic chicken have been so artificially changed by egg farmers, to get greater and more year-around yields, that it's a wonder all the ladies of the barnyard aren't candidates for a psychiatrist's couch. Under natural conditions a hen would produce one or two broods a year, each with 13 or 15 eggs. But "egged on" by poultrymen, who pick up the eggs every day, they just keep laying—an average of about 200 eggs a year. One extra-eager hen laid 358 in a record year!

Have you ever counted up the number of common sayings and terms involving eggs?

If you "tread on eggs", you walk warily; if you spoil someone's plan, you "break an egg in his pocket"; if you "put all your eggs in one basket" or "count your chickens before they hatch", you may well wind up in the embarrassing position of having "egg on your face".

In addition to getting itself talked about so frequently, the egg has played a prominent part in folklore and even religion. Eggs have long been considered symbolic properties, representing the origin of earth, life itself, or the seat of the soul. Many ancient civilizations attributed the origin of the world to a "comic egg", from which the universe was hatched.

Eggs in fertility rites were common. In 17th century France, a bride broke an egg on entering her new home, to assure the birth of many children. "Oomancy", telling fortunes with eggs, was formerly a ritual in England on New Year's Eve, in Spain on Midsummer Eve, and in Scotland on Halloween. Egg white was dropped into a container of water—and from the shapes it assumed, people tried to guess the shape of things to come.

In many cultures, a dream of unbroken eggs meant good luck or a wedding. A lapful of eggs means riches—but broken eggs are a nightmare—a quarrel for certain.

If you happen to dream about broken eggs, though, take heart by remembering an old French saying: "You can't make an omelet without breaking eggs." Maybe your dream was merely symbolic of a delicious breakfast to follow.

BRT Auxiliary Has Meeting Tonight

Mrs. Floyd Fisher was hostess when the Ladies Auxiliary to the Brotherhood of Railroad Trainmen met for its regular meeting April 1. Refreshments were served.

The lodge will meet again today. A covered dish family night supper will also be held tonight. After the meal, all will participate in family games.

Mrs. Dick Hartman, son Roby and his friend, Stanley Miles, will spend the weekend at Berlin, Okla., where Mrs. Hartman will be attending a school reunion.

Wedding Vows Set Aug. 21 In Lubbock

August 21 is the date Catherine Canzada Lee and David Goodwin Bray, Jr. has picked for their wedding date. The bride-elect is the daughter of Mr. and Mrs. Robert Lee and the prospective bridegroom is the son of Mr. and Mrs. D.G. Bray, Sr., of Dallas.

The wedding will take place in the Second Baptist Church at Lubbock.

Miss Lee is a graduate of Slaton High School and now a senior at Texas Tech. She is majoring in elementary education. She has served as secretary-treasurer of the Campus Service Council, is legislator in Doak Hall, and is also serving as pledge trainer of Women's Service Organization.

The prospective bridegroom is a graduate of Thomas Jefferson High School in Dallas and is a senior horticulture major at Texas Tech. He is a member of Alpha Phi Omega Service Fraternity and is employed by Tech ground maintenance.

this subject to comply with all legal requirements.

The engineer was also authorized to receive bids for asbestos cement water pipe. Bids will call for 7,900 feet of 12-inch pipe and 1,350 linear feet of 8-inch pipe. Bids are to be opened May 3 at 5:50 p.m.

A street light was authorized at 7th and Crosby, near the city's pipe storage yard. Request for a light at 14th and Edwards was rejected for insufficient need.

Police Chief Robert Breedlove recommended placing of a number of traffic signs, and Garza and Lubbock streets were officially approved as "through" streets from 9th to 20th.

Cam Jordan, cemetery superintendent, requested and received approval for the purchase of lot markers for the new West Englewood Cemetery.

Robert Sokoll, city secretary, announced the employment of Mary B. Streck in the city offices. She is a replacement and her employment was approved by the commission.

The school requested, and received approval for a summer irrigation water rate as has been done in the past.

The commission tentatively approved a zone change request recommended by the Planning and Zoning board. Final approval is subject to provisions of a re-plot of the property, which is to be used for constructing duplex apartments.

The problem of parking around churches again was discussed. The commission members agreed that the police chief should take action to remedy the violations.

The commission also approved monthly bills, which amounted to about \$5,756 in March. The breakdown showed some \$4,164 from the general fund, \$1,245 in the water department, and \$347 in the cemetery department.

Earl Reasoner, Ward 2, was the only commissioner absent. He recently underwent surgery and is recuperating. Special guest introduced at the meeting were Oscar Henderson and Diane Underwood, local high school students selected by the American Legion to attend Girls' and Boys' All-State in Austin this summer.

Easter Holiday Here, So Are Two Deadlines

Slaton and area students started a long rest from the books today after taking off for their last holiday of the school year.

It's Easter time, of course, and students don't report back to class until Tuesday in most area schools.

Today is also "Deadline Day" for vehicle safety inspection stickers and for income tax returns.

The safety inspection stickers are required to be on all vehicles operated on public roads or streets by midnight.

A local DPS official estimated that 16,000—or 20 percent of the nearly 80,000 vehicles in Lubbock County—had not been inspected by Wednesday.

Lines were reported at inspection stations Wednesday, and larger waiting lines are expected today.

John Scott Westfeld of Princeton, New Jersey, grandson of the late Mrs. Julia Adams, will arrive in Slaton on Friday evening for a short Easter vacation. His mother, Mrs. Josephine Adams Westfeld, is in Slaton on a brief visit.

Sunday afternoon guests in the home of Mr. and Mrs. M.E. Morris were Mr. and Mrs. Bobby Cash and children of Lubbock. The Morris's grandson, Alvin Gary, a student at Wayland College, spent Monday at the Morris home.

HE IS RISEN

O God, who for our redemption didst give thine only-begotten Son to the death of the Cross, and by His glorious resurrection hast delivered us from the power of our enemy; Grant us so to die daily from sin, that we may evermore live with him in the joy of his resurrection; through the same thy Son Christ our Lord. Amen.

"Eagles Spread Wings"

BY DORIS THOMAS

The three Eagles being featured this week are three who have played their very hearts out in the two years Roosevelt has had a football team. Even though they didn't come out with a trophy to put on display, just having the courage to suit out for football, and knowing the teams they would be playing would have more years of experience behind them is something to be very proud of within itself.

CHRIS PIERCE

Chris is the son of Mr. and Mrs. George Pierce and has been in Roosevelt four years. Chris plans to major in psychology at Lubbock Christian College after graduation. His high school activities are: football, 3rd-4th years; football hero, 4th year; basketball, 3rd-4th years; FHA Beau, 4th year; Junior Play; Student Council, 3rd year; Class officer 4th year.

BOBBY BURNS

Bobby is the son of Mr. and Mrs. G.R. Burns. He has spent three of his 18 years in Roosevelt. After graduation, Bobby is planning to attend San Angelo College and major in P.E. His high school activities are: football captain, 3rd-4th years; runner-up for football hero, 4th year; basketball 3rd-4th years; baseball, 2nd year.

TOMMY POWE

Mr. and Mrs. T.E. Powe are the parents of Tommy, who has been in Roosevelt nine of his 19 years. Tommy is planning to attend West Texas State after graduation and major in P.E. His school activities are: Science Fair, 1st-2nd years; FFA 1st-2nd-3rd, officer 4th year; basketball, 1st-2nd-3rd-4th years; football, 3rd-4th years; baseball, 1st-2nd years; Volleyball, 2nd year; Who's Who, 2nd year; Best All Around, 4th year.

Tea Honors FHA Girls

ROOSEVELT(S)--A tea honoring the FHA girls and their mothers was given by the Roosevelt Young Homemakers last Thursday afternoon. Linda Cook, daughter of Mr. and Mrs. W.E. Cook, was named Little Sister of the chapter. Mrs. Benny Sides presented Linda with a charm to go on the bracelet which is given to each girl receiving her state degree.

A plaque was also given to her and it will be hung in the homemaking department. Each year, hereafter, when the Little Sister Award is given, the girl's name and year will be added to the plaque. Mrs. S.N. Jones Jr., president, also presented Mrs. W.L. Harris, the club advisor, with a bracelet and charm for her great interest and help in the Roosevelt Young Homemakers Chapter.

WINNER... This pastel portrait of a little girl took first place in the adult category in a national art competition for handicapped artists of all ages. It was announced by the National Society for Crippled Children and Adults (The Easter Seal Society). The artist is Mrs. Myrtle Hawkins of Santa Clara, Calif., a post-polio victim.

PTA BANQUET BIG SUCCESS

The Teacher Appreciation Banquet, sponsored by the Roosevelt P.T.A., was the largest in attendance yet, with approximately 200 parents and teachers.

Mr. and Mrs. Roy Boyd, County School Superintendent, were special guests. President Jimmy Thornton presided over the business meeting. New officers for the coming year are, president, Mrs. Powell Adams; first vice president, Mrs. Ray Dickey, 2nd vice president, Mrs. J.R. Miller, secretary, Mrs. Doyle Washington; treasurer, Mrs. Billy Weir.

Marvin Williams, superintendent of Roosevelt, introduced the grade school teachers, in the absence of principal A. W. Akin, who was in Austin attending a Principal's Convention, High School, Junior High Principal, Elmo Smith introduced his teachers. Earl R. board, presented service pins to Mrs. Pearl Currie for 20 years of service, Miss Geneva Stewart and Miss Kathrine Pierce for 10 years of service, James Sinclair for five years of service and the school nurse, Mrs. Juanell Johnson, for 10 years of service. Hazel Daniel, school secretary, was recognized and presented a gift from the PTA Executive Committee. After the presentations, Choir Director James Sinclair introduced two groups, "The Tribble Airs" Margie Raney, Dee Gregory and Janet Kinard, accompanied by Brenda Irby and a boys quartet, Lonnie Geddie, Bobby Jones, Jimmy Thomas and Chris Pierce, accompanied by Edwin Hoople. Those two groups of students were certainly the highlight of the evening with their singing.

J.E. Hammett was admitted to Methodist Hospital in Lubbock Monday for surgery. Until next week I hope your Easter is filled with many blessings.

A PUBLIC THANKS!

Many citizens of Slaton supported my candidacy for the mayor's race, especially those who gave of their time and influence, I would like to express my humble and sincere gratitude. I accept the voters' decision, and wish a successful term of office for the winner.

ACCENT ON HEALTH

You can't sleep? You have lots of company.

There are millions of "insomniacs" in America. Even though they are tired and weary, they toss and turn for hours--or wake up four or five times during the night. And they face the early morning with all the pep and enthusiasm of a wet dish cloth.

Almost every one has a pet remedy for sleeplessness. If you have one that works--use it.

Charles Dickens could sleep only in a bed that faced north. A physician once said he found counting sheep did no good, but he has success starting at 1,000 and counting backward.

If you are one of those who find themselves staring dejectedly at the ceilings at three in the morning, maybe some of these suggestions will help. Make yourself as comfortable as possible before you retire. Make sure you've the right temperature in your bedroom. Use a comfortable mattress, not too hard or too soft; good bedsprings that won't hop coils into your ribs and won't sag in the middle; and fluffy, light blankets rather than heavy ones.

Take a brief, relaxing walk before turning in, or do some mild exercising to help tire you enough to relax. Again, there are all sorts of theories. Some people say coffee keeps them awake. Some prefer warm milk or a light snack. Many people read themselves to sleep, using everything from comic books and mystery magazines to rhythmic poetry.

If you do encounter a sleepless night now and then, don't fight it. Just lie there and relax. The rest will do you good. Chances are, you will rest well and get enough sleep when you do drop off. Worrying about not sleeping will only make you more awake than ever.

If insomnia becomes a real health problem, see your doctor. He may be able to help you find relief.

CARD OF THANKS

Words cannot express the deep gratitude of thanks to my friends and loved ones, Rev. and Mrs. Linam Prentice and the church members for the prayers, visits, beautiful pot plants, and so very many kind deeds during my stay in the Methodist Hospital. All this has made my illness easier to bear. May God richly bless all of you.

Runners Third Track Meet

Runners made a valiant effort to win the District 4-AA track meet at Denham on Friday, but Morton took the place by edge in the mile relay, as City again won the 100 and 200 yard relays. City again won the 100 and 200 yard relays. City again won the 100 and 200 yard relays.

SHS GOLFERS IN 2ND PLACE

The Slaton Tiger golf team missed the district title by just two strokes Tuesday afternoon, but they qualified for the region tourney and another chance at glory. Post won the 4-AA golf crown at Meadowbrook Country Club in Lubbock, scoring a 512 over 27 holes to a 514 total for the Slaton foursome.

The election is past; the people of Slaton have made their choice in the mayor's race. For those who supported my candidacy, I extend my appreciation and gratitude. For all, I would urge support of our mayor and City Commission in helping Slaton to progress and prosper. Curly Martindale

Bats have been known to live as long as 20 years. Put telephone wires underground and you've put them in a safe place. Safe from wind, rain, hot weather, cold weather, stormy weather. All around safer from the kinds of trouble which can affect your phone service. That's why this year Southwestern Bell is spending \$10 million burying hundreds of additional miles of telephone cable underground. In effect, buying life insurance for your telephone service. There's another benefit. New jobs will be created. Some in the telephone business and an estimated 500 new jobs among the hundreds of firms which sell supplies, services and materials to the telephone company. This is a 1965 communications bonus. Part of a massive construction effort to make the world's best telephone service even better.

advocate civic righteousness and secretly promote crooked politics. We wish, O God, that all these people might be blessed, but perhaps we are asking too much. It may be that the only thing you can do is to let them go to hell where they belong. You know best. But, O God, before These are those who can be blessed, those who may be a blessing to themselves and to the world. Here today are hundreds of young men who soon will be voters. Bless them with a vision of the world that ought to be and will be when we are wise to our own good. May each one think of his home not merely as the house in which he lives but as a city of which he is a part. May he see how much finer and better life will be for all when each one works for all and thinks for all and all for each. Finally, we are here this morning, O God, to induct five ment into office. It will be their duty to think and plan not for any one class but for all of us, not for the best citizens only but for all the citizens, not for those who pay the taxes merely, but for those who earn the money to pay the taxes. Help them, O God, to plan and to act honestly, bravely and efficiently for the good of all.

Driver's License Tests Given Here

The Texas Highway Department, driver's license division, has a representative at the VFW Hall every second and fourth Tuesday of each month to give driver's tests and answer questions. The next scheduled time is for April 27. It takes about 15,000 ordinary pins to weigh a pound.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK-Speakers at the recent American Textile Manufacturers Institute Convention in Florida almost without exception made statements of prime, direct interest to market-minded cotton producers.

In opening session William E. Reid, President of Riegel Textile Corporation and President of ATMI, gave "the multi-fiber mind of today's textile industry" as one of the cornerstones in the foundation of a "resurgent and prosperous textile industry." N.C. said that as a multi-fiber industry textile manufacturers can no longer afford to think solely in terms of one fiber, and "therefore with respect to the cotton situation which has been very much in our thoughts lately, let me say very simply that we have one-price cotton and it must be retained, if cotton marketing is returned to a two-price system," he continued, "my considered judgement is that cotton will have committed suicide. We shall have no alternative except to turn away from it as a rapidly as possible."

W.J. Holman, Treasurer of Johnson and Johnson of New Brunswick, New Jersey, said: "The leaders of the cotton-growing industry are beginning to realize that our own mills constitute their principal market; that cotton is grown to be spun and not to be put into the loan, and that a growing, thriving domestic textile industry is their best hope for the future. As a result," Holman said, "they are beginning to take a somewhat different attitude toward the price of cotton."

The most somber note from the cotton producers standpoint was injected by a spokesman for E.L. du Pont de Nemours & Company, who forecasted booming production and use of synthetic fibers in textiles. The speaker, Ford B. Draper, General Director, Marketing Division, Textile Fibers Department of du Pont, made his point by citing a 63 percent increase in man-made fiber production from 1960 to 1964; a growing proportion of man-made fibers and filament yarns in knitting and weaving production, and "a massive and dynamic technology" that has created desirable "newness" in the textile markets. Pointing to trend projection which show man-made fibers provid-

ing 52.5 percent of the pounds of fibers consumed by the industry by 1975, Draper said: "We in the industry believe these penetration claims to be modest. Such levels may be attained well before 1975."

In another address somewhat on the brighter side, James B. Mayer, Executive Vice President of Producers Cotton Oil Company, Fresno, California, predicted that competitively priced, consumer oriented cotton will continue to have the leading role in the textile world of the future. He said the national interest demands policies which will permit cotton to continue employing millions of persons and generating billions of dollars while retaining its traditional position as the greatest earner of foreign exchange for America. Mayer admitted that there would be a period of adjustment within the raw cotton industry, and said that the future accent would be on efficiency which will enable cotton to compete successfully. "We have a potential for reducing cotton costs by at least 11 cents a pound and we are working hard on that potential," he stated, AND he went on to say: "We are going to get cotton to the door of your mills at a competitive price and we are going to make a profit doing it."

PERMISSIBLE TRAILER WEIGHT INCREASE

August 21, prior to the beginning of the High Plains cotton harvest, the maximum permissible gross weight of farm trailers used to transport cotton from field to gin will be increased from 10,000 to 15,000 pounds. The act bringing about this weight increase has now signed into law by Governor Connally and should prove of substantial benefit to High Plains farmers during the 1965 harvest season. Available strip pers in this area (21,014) can gather our crop approximately four times as fast as gins can gin it, and passage of this bill will promote maximum use of trailers for needed storage on gin yards.

The bill was introduced into the Texas Legislature by Representative Ralph Wayne of Plainview and vigorously supported by Texas Independent Ginners, Texas Cotton Ginners, Plains Cotton Growers and other interested organizations.

Police Report Bicycle Thefts On Rise Here

The City Police had more calls on bicycle thefts the past week than anything. Four bicycles were reported as stolen.

The Police Department would like to urge and encourage all parents or children to register their bicycles with the city police, so if a bicycle is stolen, they will have the serial number and it will be easier to identify. Take the serial number of your bike to the station, and they will register it and give you a free license plate for the bike. There is no charge for this service.

Church Revival Starts Monday

A spring revival will start Monday at 21st Street Baptist Church, it was announced this week by Pastor Jerry Burnaman.

E. Harold Henderson of Central Baptist Church, Lubbock, will be guest preacher, Gene Medley, also from the Lubbock church, will lead the singing.

Rev. Burnaman extends a cordial invitation to the general public to attend the meeting starting at 8 o'clock nightly.

Tel Class Has Home Meeting

The Tel Class of the First Baptist Church met last Thursday in the home of Mrs. H.E. Atnip, President Mrs. L.C. Tucker, president, presided.

Seventeen members and one visitor, Mrs. C.E. Willis, attended the meeting.

Mrs. A.J. Baker brought a devotional on the 85th Psalm. Mrs. Fred Stottlemire led the group in prayer. The Bible quiz was conducted by Mrs. Geneva Brakes.

The class will meet again on May 15 at 3 p.m. in the home of Mrs. J.M. Stevens.

CHURCH NEWS

"We multiply happiness by dividing it."

The First Assembly of God Church has made plans for the launching of a Loyalty Campaign on Easter Sunday.

Purpose of the campaign is to increase loyalty of Sunday School members in the church. The campaign will be directed by Nola Stout, pastor, and P.C. Kitchens, Sunday School Superintendent. Members will be urged to chalk up a perfect attendance record during the campaign and to enlist new members.

An average attendance goal has been set at 100. Eighty-six were in Sunday School last Sunday.

It has been announced by Dr. L.W. Hanson, pastor of the First Presbyterian Church, that the church will have Maundy Communion services tonight at 7:30 p.m.

The Presbyterian Mexican Mission will have special communion services tomorrow night at 7:30.

The topic for Easter Sunday's service will be "It Happened One Morning."

Tonight has been set aside as youth night during the revival that is now in process at Westview Baptist Church. Bro. Wayne Bristow, guest evangelist, will bring a message

especially for youth in this service. After the service there will be fellowship in fellowship hall for all young people and intermediates.

Saturday the church will feature a special fellowship for the juniors in the church. They will be served hot dogs, potato chips, soft drinks, and cookies at 5:30.

The revival will continue through Sunday.

"The Bible is a window in this prison of hope, through which we look into eternity."--Dwight.

Rev. Tad Corbet of Lubbock filled the pulpit at the First Baptist Church for the past two Sundays. He will also be preaching the services this Sunday, and until the church secures another pastor.

The youth of the church are still looking for odd jobs to make money to use for a trip to Glorieta, N.M. this summer. You may call Mrs. Floyd Guelker, VA8-4548. If you can use their services.

The Posey A.L.C.W. of the Lutheran Church met April 6 to study Matthew 6:19-34 on "misdirected love." Mrs. Walter Schroeder was hostess for the social hour.

The church extends an invitation to the 50th anniversary

celebration to be held by the church May 16. There will be morning and afternoon services with Rev. Arthur B. Weiss of Olney as guest speaker, plus a pot luck dinner.

The ladies of the meeting were reminded of the Northwest Conference Convention at Midland on April 23 and District convention at Austin on Oct. 25-27.

Ever come to the end of a long day when your nervous system has undergone such a strain that it seems every bit of life has been drained from your weary body, and your mind, still over stimulated, refuses to let you relax?

Try lying very still and pulling the plug from your muddled thoughts, letting them slowly flow away. As they go, thank God for the glorious sunset, the softness of the night, the love of your family, the myriad of good things you are grateful for.

Counting blessings is much better than counting sheep.--Dean Goodson

The Methodist Church will be sponsoring a Sunrise Service Easter morning and all the Slaton youth of high school age are invited to attend.

The teenagers should meet at the Methodist Church at 5:30 a.m. Sunday morning, and from there they will go to the canyon services.

Several youths will take part in the services and songs will be sung. The group will return to the church and breakfast will be served. They will be dismissed in time for Sunday School and regular Sunday services.

Circle Meetings Held By

The Woman's Society of Christian Service of the First Methodist Church met Monday in circle for the program "We Would See Jesus."

The Africa Circle met at 3 p.m. in the home of Mrs. Joe Walker, Jr., with five members present. Mrs. A.R. Pierce was program leader. She was assisted by Mrs. Walker, Mrs. J.E. Eckert Sr. read the scripture John 14:17-28. The program concluded with a group discussion.

The India Circle met with the next joint with the Guild in Fellowship at 7 p.m. for supper. The Guild member of book, "The Slatonite" by Mrs. J.E. Eckert Sr.

The meeting opened with a hymn, "I Know Whom I Believe In". Mrs. Walter Stolle presented the program "Self-Love, Charm and Beauty". The worship offering was presented by Mrs. Tommie Wilke. The Bible study, based on Matthew 6:19-34, on misdirected love was given by Mrs. Lorena Rinney.

During the business meeting everyone was urged to plan to attend the Northwest Conference meeting April 23 at Midland.

Mrs. Ruby Walters and Mrs. Helen Becker served as hostesses during the social hour and served refreshments to 19 members.

THE FAMILY LAWYER

Law Day USA

At a police station in Tennessee, an indignant schoolboy put this question to the officer on duty: "If the principal whips me at school, and then my mother whips me for the same thing when I get home, can she be arrested for double jeopardy?"

How does it happen that a mere schoolboy, still shaky in his grammar, is already on speaking terms with an ancient and technical rule of law?

How does it happen that Poet Robert Frost defined freedom not as the lack of all restraint but as learning to "feel easy in your harness?"

How does it happen that thousands of prisoners in our jails are showing more interest in filing legal papers than in filing iron bars?

How does it happen that the power of our government has been handed over peacefully, from one administration to the next, for almost two centuries?

The answer is that the roots of law run very deep indeed in this land. And that is what Law Day USA, the first of May, is all about.

When President Dwight D. Eisenhower proclaimed the first Law Day in 1958, he refrained from specifying any particular kind of ceremony. For this occasion glorifies no single leader and commemorates no single event. It honors only a simple and momentous idea: that where law rules, men are free.

Thus, the observance takes many forms. There are quiz contests among school children about the Bill of Rights, and mock trials, and visits to the local courtroom. There are sermons and lodge meetings and TV shows with law as the theme. And judges add extra words of warmth as they swear aliens into citizenship.

There was method in choosing May 1 as the date for paying our

homage to the law is the date on which the Iron Curtain was to be pulled down to reveal the American Bar State Bar of Texas.

Whatever form in your community stand its message: text of 1965 observances and rule of law has many free people.

Attend Church Easter Sunday

He is Risen

"In this the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him." --I John 4:9

The great love of God is the true message of the Easter season — God so loved his children that he sent his only Son with the example of the perfect life, a life of devotion, service and sacrifice. Mankind is left with an open road to salvation, because Christ lives, because Christ brought the message of salvation. There is no more appropriate time than the season of Easter for each of us to rededicate ourselves to the principles of Christianity.

JOHNNY HENNINGTON

CAROLYN PUGH

A well-known senior and letterman of the fighting Tiger football team is Johnny Hennington. Johnny was born in Slaton on June 15, 1947. Johnny has been very active in sports during his high school years with four years of football, four years of base ball, and three years of track. He was chosen as Mr. Flame this year.

English is his favorite subject, so it is no wonder that Mrs. Martin is his favorite teacher. His favorite color is blue and for his food he picks steak.

The movie that rates highest with him is "Goldfinger", and he chooses John Wayne and Susan Hayward for favorite actor and actress. "Crying" is his favorite song and Roy Orbison is his favorite recording star.

His favorite sport is football and his pastime is working at Arrant's Locker.

People who talk behind your back is his pet peeve. Johnny's advice to freshmen is to "study hard and have a blast because it passes fast."

He refuses to tell us his most embarrassing moment. His future plans are to go to college and maybe play football.

"Octopus" is a Greek word meaning "eight feet."

Mediterranean civilization was based on wheat, wine, and the olive.

One of the studious people around SHS is Carolyn Pugh. Carolyn was born on December 20, 1946 in Wynnboro, Texas.

Carolyn's favorite song is "The Clap Song" and her favorite singer is Andy Williams. "Some Like It Hot" ranks tops with Carolyn as a movie, while Paul Newman and Natalie Wood get her vote for best actor and actress.

Carolyn's favorite teachers are Mr. Jackson and Mrs. Martin, but choral is her favorite subject. Her favorite color is blue and favorite food is steak. Carolyn's pet peeve is two-faced people. Her pastime is listening to the radio and her future plans are to work after she graduates from high school.

FFA Judging

The Slaton Chapter of FFA traveled to Plainview Saturday April 3 to compete in a dairy judging contest.

They won second place in competition with 22 teams. Glen Harper was high individual in competition with 84 boys. Slaton's team consisted of Glen Harper, Wade Carter, Roy Green, and Gaylan Davis.

Slaton chapter held a local practice land judging contest Monday, April 5. Slaton's team Richard Cooper, high individual, Bernard Wall, and Byron Henderson, won the contest.

Saturday, April 10, the Chapter traveled to West Texas State College in Canyon. The teams entered in this contest are: Livestock team, Dairy Cattle team, Land Judging team, Poultry team, and Crops team.

EDITOR'S CORNER

Although Easter is observed in all parts of the world, how many of us actually know the reason for Easter eggs and Easter bunnies? How do eggs and bunnies go together?

As we dig deep into our old research books, we come to the section entitled "Easter". We learn that the custom of exchanging eggs began in ancient times. The eggs represent the new life that returns to nature about Easter time.

The ancient Egyptians and Persians often dyed eggs in spring colors and gave them to their friends as gifts. The Persians believed that the earth was hatched from a giant egg.

Early Christians of Mesopotamia were the first to use colored eggs for Easter. In some European countries, people colored eggs to red to represent the joy of the Resurrection. In England, friends often wrote messages and dates on the eggs they exchanged. Elaborate candy eggs with a window in one end and tiny scenes inside were popular gifts in the 1800's.

Well, that explains the reason for Easter eggs, but what about eggs and bunnies? The legend about the Easter bunny probably comes from Germany. One legend says that a poor woman dyed some eggs during a famine, and hid them in a nest as a Easter gift for her children. Just as the children discovered the nest, a big rabbit leaped away. The story spread that the rabbit had brought the Easter eggs.

In ancient Egypt, the rabbit symbolized birth and new life. Some ancient peoples considered it a symbol of the moon. It may later have become an Easter symbol because of the Easter eggs and Easter bunnies has survived for many years, not only in the United States but all around the world. So, the Easter bunny with his eggs is here to stay.

Today teenagers are wanting more and more to be treated like adults.

Not only by their friends but also by their parents, relatives, employers, and their teachers. They want the privileges of adults, but the majority of them will not accept the responsibilities that go with the privileges.

For example, they think that

when they want the car, they should get it, but if it needs washing they don't have time to wash it. When they get to work, instead of taking care of it, they hotrod it, and see how many drag races they can win. They don't even stop to think that someone else might need the car.

Girls also have many responsibilities that go with their privileges. When their parents give them money to buy their own clothes they should take their time in selecting clothes they need, as well as clothes they like. Clothes that will be profitable to their wardrobes should be bought with care.

The age of 21 is the first time that you will be permitted to vote. Along with this privilege you should know who is in the race, know something about each candidate and decide who will be the best for that position, and if you think he will fill the need of the city, of the people and of the state.

Five Girls To Attend State FHA Convention

The FHA State Convention will be held April 23 and 24 in Dallas.

Those attending the meeting from Slaton are: Jan Scott, president of the Big Sister Chapter; Diane Jaynes, president of the Little Sister Chapter; Treva Montgomery, high-point girl of the Big Sister Chapter; Barbara Bingham, high-point of the Little Sister Chapter, and Peggy Kirksey, the 1965-66 fourth vice-president of the Area 1.

Those accompanying the girls are Mrs. Bing Bingham and the homemaking teachers, Mrs. Baker and Mrs. Landers. These girls will leave April 22 at 6 a.m. and they will stay at the Adolphus Hotel in Dallas.

The next FHA meeting will be May 13 in the high school auditorium. The meeting will see the installation of the 1965-66 Big Sister officers.

FHA Chapter Observes Week

Last week was observed as National FHA Week at SHS. On Wednesday, "Good Deed Day," the FHA girls gave an assembly portraying the Shakespearian play "Hamlet". This play was dedicated to Mrs. Martin, English teacher at SHS.

The characters were Beverly Arrants; Hamlet; Nancy McSweeney; Macbeth; Diane Space; Uncle Claudius; Barbara Henderson; the Ghost; Donna Hatchett; Polonius; Jan Scott, the mother of Hamlet; Jacques Thomas; Ophelia; and Betsy Bryant, Laertes.

Peggy Kirksey was elected as state fourth vice president, at the area meeting held last month. She sang the songs "Tammy Tell Me True" and "I Enjoy Being A Girl". These were the songs she sang to earn the title of state fourth vice president.

Belinda Becker and Robin Davis, the Christel Ministries, sang "Cruel War," "Yellow Bird," and "Oleana."

SHS Runnerup In UIL Events

1st In Tennis, 2nd Volleyball At 4-AA Meet

The tennis and volleyball teams went to Denver City last Friday, April 9, to the annual District Track Meet.

The results of the tennis games showed Slaton to win a first in girls' singles and a second in girls' doubles. Elayne White played singles. Donna Stricklin and Judy West played doubles.

The boys doubles, David Jaynes and Ray Ayers, also received a second place.

The volleyball team won a second place honor. They were defeated by Denver City by 15-1 and 15-2.

Choral Exchange Set With Post

The Post High School choir will be in Slaton on April 27 for a combined concert with the choirs of SHS.

This concert will be the third held with Post. Last year Post's two groups came to Slaton for the concert. A week later Slaton choirs traveled to Post to hold the concert. It will be similar this year.

Each choir will sing a selection of several songs.

Slaton High School scored 4 1/2 points to win second in competition at the District 4-AA University Interscholastic League literary contest in Denver City, Saturday.

Denver City won first with 182 1/2 points and Freshman was third with 72. Morton followed with 27 points and Post had 15. Slaton students placing at the contest were Chuck Space and Doug Williams, second in boys debate; Diane Underwood and Sandy Akins, second in girl's debate.

Ricky Summar, first in boys persuasive speaking; Ronney Hogue, first in boys poetry

interpretation; Velma Willis, third in girl's poetry interpretation; Kenneth Romines, second in boy's prose reading, and Peggy Fisher and Lupe Quintero, second in spelling. Belinda Becker, fourth in typ writing; Kathy Gass, first in shorthand, and Diane Shaffer, second in shorthand; Billy Martin, second and Doug Williams, fourth, in number sense, and Wayne Coffee, fourth in science.

Qualifying for regional contest were: Kathy Gass, Diana Shaffer, Sandy Akins, Diana Underwood, Ronney Hogue, Billy Martin, and Ricky Summar.

PLANS FOR HOLIDAYS ARE LISTED BY SHS GUYS, GALS

What are your plans for the Easter holidays? Here are some of the plans that the Slaton High School kids are planning one.

Ascension Perez--Going to Buffalo Lakes with the D.E. students, and have an all-day party, water skiing, etc.

Mary Louisa Solis--Sleep late and enjoy the rest from school work.

Nicky Patterson--Work and go see Judy.

Ellen Self--Fly to Arizona and sleep!

Doris Price--Sleep late, then go with Bobby and my family to see my sister, brother-in-

law, and niece in Lubbock. Jan Holton--Play Easter bunny.

Sharon Walters--Go to Palo Duro Canyon. Bettie Mitchell-I plan to spend the day with my family. But on the other hand, I may spend it with a certain guy from Houston.

Linda Dodson--Help my mother in the house and go with a certain guy in a green and white '59 Chevrolet.

Nancy Smith--Probably just run around like I always do!

Carolyn Means--Probably just run around with Nancy and Belinda, and Sharon and

FOR AND ABOUT TEENAGERS

Boy Doesn't Know Her True Age

SHOULD I TELL HIM THE TRUTH?

THE WEEK'S LETTER: "I have a very serious problem and can find no solution. My very dear and best friend fixed me up with a blind date about six months ago and has left me in the dark. I have been going with the boy ever since and we are thinking of getting married next summer. My problem is my age. The boy I love thinks I am one year older than I really am. I am afraid I will lose him if I tell

him the truth. What should I do? Should I tell him the truth and face the possibility of losing him? It wouldn't be a problem in the first place if she had told him the truth about my age."

OUR REPLY: If this boy loves you, one year will make no difference at all to him. However, your age is important to both of you if you (both of you) are too young to get married. If you know this boy well

enough to marry him, a relationship should be sound footing. He has no trouble being one another. The Marriage brings mutual responsibilities only by a couple. It is a partnership that is successful marriage. Be sure you accept the responsibility of marriage before you step. If you are the boy really love, he will be willing to wait. Probably he will be if you become "his" summer and delay your wedding date.

 Refreshments and games were

enjoyed by all in attendance. A
 cake auction was held following
 the games.

Wednesday, Mr. and Mrs.
 Hugo Maeker left for Shiner,
 to attend the funeral of Mrs.
 Maeker's aunt, Mrs. D. A. Mue-
 ller, held Thursday afternoon.
 Also attending the funeral from
 Wilson was Mrs. Katie Nieman,
 sister-in-law to Mrs. Mueller,
 and Mr. and Mrs. A. D. Nieman
 of Vadito. They returned home
 Friday.

Tom Harkey, principal of ele-
 mentary and junior high, at-
 tended the Elementary Princi-
 pal's Conference in Houston
 Wednesday through Friday of
 last week.

The freshmen class enjoyed
 its class party Friday, April
 9th. They went to Lubbock, ate
 out and enjoyed a show. Ac-
 companying the class were tea-
 chers, Miss Johnson and Mr.
 Cook.

The Junior High School Band
 students traveled to Muleshoe
 Saturday and received a first
 in sight reading bringing a
 nice trophy back with them. They
 played at the concert under the
 direction of Coy Cook. Con-
 gratulations to this fine group
 of band students. Several mot-

Corraling the Mustangs

BY MRS. TED MELUGIN

The Wilson Community is
 very proud of the 17 seniors who
 will graduate in May. It is in-
 teresting to note that with the
 exception of one, the 1965 sen-
 iors all began their education
 together at Wilson. Featured
 this week are two very popular
 students, who have won many
 honors during their high school
 years, Charlotte Mears and
 Delbert McCleskey.

DELBERT McCLESKEY

CHARLOTTE MEARS

Charlotte is the 17-year-old

Reese Plans AF Day Show

"Power for Peace" is the
 rallying motto for this year's
 Armed Forces Day obser-
 vance throughout the country.
 Reese Air Force Base will
 open its gates to the public
 May 8 in commemoration of
 the event, with a various ex-
 hibits demonstrating the part
 Reese plays in protecting Ameri-
 ca's freedom and liberty.

Armed Forces Day is a re-
 port to the people on the status
 of the Nation's defense estab-
 lishment. This annual obser-
 vance replaces those previous-
 ly held by the individual ser-
 vices and demonstrates the
 unity, interdependence and
 close working relationship ex-
 isting in the Armed Forces,
 their reserve commands and
 auxiliary organizations at all
 echelons.

'Service' Is Key For Heinrichs

Service is the byword at Slaton Gas & Equipment, and the firm's many customers around the area will tell you that's why the Heinrich brothers have been so successful in the LP gas business.

E.R. and Willie Heinrich have operated the butane-propane business here since 1947, and they have lived in Slaton most of their lives. Their mother, Mrs. F.K. Heinrich, still lives on the family farm south of town.

Slaton Gas & Equipment services customers within a radius of about 35 miles. Besides LP gas, they specialize in converting pickups to LP fuel and are dealers in Amalie and Conoco oil and greases, turbine oil, Nicholff ignition products, Champion sparkplugs, Fram filters, and Commonwealth wall heaters.

Malcolm Limmer, experienced serviceman, has been with the firm almost from the beginning. Other employees include transport driver Blackie Emerit and deliveryman Billy Olive. The Heinrichs have two delivery trucks and one transport.

Total No. of Front Feet of Property 3,614.84. Rate per front foot for curbs and gutter \$4.77. Total rate per front foot \$1.77. Estimate by Parkhill, Smith & Cooper, Lubbock, Texas.

The cost of said improvements shall be paid as follows, to-wit: (a) The entire contract price shall be paid to the successful bidder by the City of Slaton. (b) The City of Slaton shall reimburse itself for all of the cost of the improvements by assessment against the respective abutting properties with the real and true owners thereof in accordance with the provisions of Article II, Section 16 of the Charter of the City of Slaton and applicable provisions of the Statutes of the State of Texas herein referred to. No assessments shall be made against any abutting property or the real and true owners thereof for cost in excess of the benefits of such property in enhance value thereof by means of such improvements. The amount of such assessments shall constitute a first and prior lien upon such properties and a personal liability of the real and true owners thereof, whether correctly named or not, and shall be payable annually to the City of Slaton, as follows: When the improvements herein ordered have been completed and accepted by the City of Slaton, the amount of the assessment against each property abutting thereon and the real and true owners thereof shall be and become payable in five (5) equal annual installments, due respectively on the last day of May of each year, beginning May 1, 1966, together with interest on each installment, from the date of acceptance of said improvements and the rate of interest shall be seven (7) per cent per annum, payable annually to the City of Slaton, at the City Secretary's office; provided, however, that the owners of any of said property shall have the privilege of paying all or any of said installments at any time before maturity thereof by paying the total amount of principal of such installments together with interest accrued thereon down to the date of payment. Further, if default be made in the payment of any of said installments promptly as the same matures, then at the option of the City of Slaton, or its assigns the entire amount upon which default is made, together with reasonable attorney's fees and all collection cost incurred, shall be and become immediately due and payable.

A hearing shall be held and given to the real and true owners of, and all owning or claiming any interest in any property abutting upon said street

within the limits above defined, and to all others owning, claiming or interested in said property or any of said matters, as the assessments and as to the amount to be assessed against each parcel of abutting property, and the real and true owners thereof, and as the special benefits, if any, to said property to be received from said improvements, and concerning any error, invalidity, irregularity or deficiency in any proceedings or contract with reference thereto or concerning any matter or thing connected therewith, which hearing shall be held by the City Commission of Slaton, Texas, in the Commission Chamber of the City Hall of the City of Slaton, Texas, at 6 o'clock p.m. on the 3rd day of May, 1965, at which time and place all persons, firms, corporations or estates owning or claiming any such abutting property, or any interest therein, and their agents or attorneys, and persons interested in said proceedings, shall be notified to appear and to be heard in person, or by counsel, and may offer evidence; and said hearing may be adjourned from day to day and from time to time and kept open until all evidence and protest have been duly offered and heard, and the City Secretary, of the City of Slaton, Texas, is hereby directed to give notice of said hearing by publication of notice in some newspaper of general circulation in the City of Slaton, Texas; and said notice shall be published at least three (3) times in said newspaper before the date set for said hearing, the first of which publication shall be at least ten (10) times prior to the date of said hearing, and such notice by publication shall be valid and sufficient. Without any further form or after its passage as provided by law, and it is so ordained, APPROVED: PASSED this the 12 day of April, 1965, by an affirmative vote of three-fourths (3/4 s) or more of the City Commission.

SOUTHLAND NEWS

BY MRS. EDMUND WILKE

"IT'S FISHING TIME!"

When you read this, yours truly will be sitting under a big shade tree on Buchanan Lake dragging in the fish like crazy! (I hope) Edmund, Larry, Darrell, Sherri and I plan to leave early Wednesday morning and be gone until after Easter Sunday. Mr. and Mrs. Leroy Zieschang, who lives close to Lubbock, are going with us. I probably won't be back in time to write my column next week, so if you have any news, please call me the following week. Ed Cummings, Elmer Hitt, and Billy Johnson have just come back from a fishing trip. They went to Falcon Dam and Eagle Pass, and sounds like they brought home some pretty nice fish.

Mrs. Q.B. Franklin underwent surgery last week at the West Texas Hospital in Lubbock. The last I heard, she was doing very well.

Miss Mickey Mason of Southland and Miss Connie Brack of Slaton attended the Texas Tech Band Concert at the Municipal Auditorium in Lubbock on Sunday afternoon.

Mr. and Mrs. F.W. Callaway and Rod and Mr. and Mrs. Weldon McGehee and Dennis are leaving Tuesday morning to go to Falcon Lake for a few days of fishing. Mr. and Mrs. Herman Dabbs and David might join them on Wednesday. I never did get in touch with Mrs. Dabbs, so I might be correcting this statement next time.

I would like to correct one mistake that was made last week. In the paragraph about the Sunday visitors of Mrs. Ed Millikens, it said that Mr. and Mrs. Joe Bob Henderson from New Deal visited them. Well, Joe Bob is only nine years old and a little too young to have a wife. He is a grandson of the Millikens. I am sorry about this mistake.

Sunday visitors in the Edmund Wilke home were: Mr. and Mrs. Walter Voight, Mr. and Mrs. Harold Voight, and Van, Mrs. A. Wilke, and Rev. and Mrs. Jimmy Herklotz, Timmy and David, all of Slaton, Mr. and Mrs. Elmer Gindorf and Mr. and Mrs. E.C. Stabeno, Lynn, Lawrence and Lonnie all of Wilson and Miss Martha Blodgett of Post.

Mr. and Mrs. Kenneth Callaway have gone to Ruidosa, N.M., to attend a Humble Oil Convention. On Saturday night they visited with Mr. and Mrs. Don Kelley in Clovis, and then went on to Alamogordo and visited with Mr. and Mrs. Jim Bryant.

Mr. and Mrs. Herman Havis are leaving Tuesday to go to DeLeon, to visit over the Easter Holidays. While there, they are going to do a little fishing, also. Mrs. Havis says that Herman loves to fish and will sit all day with his hook in the water if the fish are biting or not. She says that she is not quite that patient, but loves to be out in the open.

Mrs. Lee Frederickson is back in the Reese Air Base Hospital and Mr. and Mrs. D.D. Pennell visited with her on Sunday.

Mr. and Mrs. D.D. Pennell visited with a cousin, Bus Pennell, who is a patient at St. Mary's Hospital in Lubbock. A horse fell on Bus and he is in traction. We hope that every thing goes well with him.

Mr. and Mrs. Jerry Pennell

from Lubbock visited his parents, the D.D. Pennells.

Mrs. Delbert Abshire, is at home now after having surgery. Her mother is staying with her and taking care of her family. Mr. and Mrs. Jay Martin Basinger and Mrs. Haywood Basinger have gone to Kingsland, and Granite Shoals, Mrs. Haywood Basinger will remain there for a visit with her daughter, Mrs. Dub Pierce, or better known to all of us as Betty Sue.

Mr. and Mrs. Ed Denton have returned to Possum Kingdom for the Easter Holidays. Mrs. Dick Denton and son and the Denton's daughter, Myrtle and her family, will join the Dentons at the lake.

Mr. and Mrs. Ronnie Ragland of Slaton and Mr. and Mrs. Myers of Post visited with Mr. and Mrs. Grady Hunt in Lubbock.

Kelly Jo Myers and Tom Moore of Texas Tech visited Kelley's parents, Mr. and Mrs. Jack Myers.

Sunday visitors in the Otto

Klaus home were: Mr. and Mrs. Donald Klaus and baby girl, Mr. and Mrs. Werner Klaus and Mr. Calvin Klaus and Calvin Wayne.

The news is short this week, seems like everyone must be gone. Please call me at 996-2434. In my next column, I hope to be bragging about all the fish I brought back. ha ha!

LONDON DEBUT... Tiny Victoria Sellers, daughter of actor Peter Sellers, sleeps through her first photo session. Holding her is her mother, former Swedish actress Britt Ekland.

"On The Wing"

BY MRS. EDMUND WILKE

This week, two young ladies are being featured in Southland Eagles "On The Wing". One of these days, in the not too distant future, some of you may be making appointments with one of these girls to get your hair styled and dressed, because they both plan to become beauticians. They are Barbara Mock and Beverly Stolle.

BARBARA MOCK

Barbara was born in Lubbock, on April 26, 1947. She is one of those people who always seems to have something to say that helps bring a smile to a "blue world."

Some of Barbara's likes and dislikes are: favorite sports--volleyball and water skiing; favorite subject--Business Law; favorite song--"Be Anything"; favorite food--Mexican food; favorite colors--yellow and blue; favorite singers--Hank Williams, Jr. and Connie Francis; favorite show--"Goldfinger"; favorite actor--Robert Mitchum; hobbies--cooking, setting and combing hair; future plans--to enroll in Jessie Lee's Hair Design Institute; pet peeve--People who don't mind their own business and people who think they are better than everyone else.

Barbara was selected to be

the photographer for the 1965 Eagle's Nest (school annual) and she was chosen as the 1965 senior girl favorite.

BEVERLY STOLLE

Talk about busy teenagers, well Beverly is certainly one of them. She is forever involved in some new activity--sewing, knitting, art work in the gym, fixing hair--just to name a few. What ever new project she starts on, she will master it before she is through. Beverly was born in Lubbock, on October 5, 1946.

Some of her favorites and not so favorites are: Pet peeve--people who do not care; favorite song--"Until the Twelfth of Never"; favorite food--baked potatoe; favorite subject--like them all the same; favorite sport--ping pong and basketball (spectator); hobbies--sewing, knitting and art work; future plans--go to Jessie Lee's Hair Design Institute.

Beverly was a cheerleader for three years and Head cheerleader her senior year. She was chosen as Miss SHS her senior year and editor of the 1965 Eagle's Nest. When she was a sophomore she was chosen class favorite and was also a candidate for Miss Flame.
