Fire Guts Building Housing Linters

Fire Department Confines Blaze To One Building. Both Cotton and Building Covered By Insurance.

Fire of undetermined origin broke out in the brick building, owned by Mrs. Lee Green, on Texas Ave. Saturday afternoon, at 2:30 O'clock, and before the fire was brought under control gutted the building and destroyed most of the cotton linters stored in the building. The cotton linters were owned by the Slaton Oil Mill.

There were 1,092 bales of the linters stored in the brick house at the time the fire was discovered. The roof of the building was on fire and the fire department, while confining the threatening flames to the one building, found it necessary to stay on the job all that night, Sunday and Sunday night, Monday and Monday night playing streams of water on the burning bales of linters, many of which were eagerly dragged out into Texas Avenue where most of them later were reduced to ashes, making that business block of Texas Avenue a soot soaked, sloppy block for a day or with a heavy pall of smoke reminding Slaton citizens the fire was still eating its way through bales of linters.

It is understood that both the cotton and the brick building were fully protected by insurance.

Early Wednesday morning fire broke out again in the building and within a few minutes the flames licked up most of the rubbish left from the fire which started Saturday and intermittently burst forth through Sunday and Monday.

The brick building was owned by Mrs. Lee Green. The building was the first brick garage built in Slaton, and for the owner, was a connecting link between the past and present, for it was in this building that Mr. and Mrs. Green and family for several years conducted their Slaton business activities. The bare walls left standing from the fire, with one wall threatening to collapse, now represents the last piece of improved property held by Mrs. Green, & meant a great deal more than a business house with handsome glass front and thick stable walls.

Hockley County Wants Cheese Factory

There is a move on foot in Hockley county—and the move has vitality in it—to establish at Levelland, the county seat, a cheese factory, to provide better marketing facilities for the farmers cream, and milk. It is pointed out that a plant at Abernathy, privately owned, has paid the farmers this year for butter fat better prices than can be obtained without such market, the lowest Abernathy price being 19 cents, and at the present time the plant is paying 24 cents. If it's good for Abernathy and Levelland farmers, it's good for Slaton too.

Business Houses Closed For Day

Armistice Day, November 11th, is one of four holidays observed annually by Slaton merchants. Consequently the stores will be closed, to business, Friday, according to an announcement by Mrs. Lee Green, Secretary of the Merchants Credit Association.

Large Crowd Enjoys A Howling Success

A large audience gathered in the High School auditorium, greeted the performers in the benefit play put on by the P. T. A. of this city Thursday night, November 3. A Howling Success was played by twenty-five of our local business men. The stage was set for a clinic and in the background was displayed an array of fearful looking instruments used in various severe operations.

G. A. Bruner, master of ceremonies, introduced the great specialists from abroad, together with their nurses, with very flowery speeches, and the fun was on. The Doctors, Dayton Eckert, Joe Walker, and Jess Hollar, appeared very grave and dignified, but the nurses, Harvey Austin, and John Jenkins, in their crisp white uniforms gave plenty of spice to the program. First came Mrs. Dodad (K. C. Scott) bringing her two sets of twins (J. H. Brewer, Ray Ayres, J. D. Norris and J. L. Jones) for treatment. The costume of poor Giggley Jinnie (J. G. Wilhite) was beyond description, but not so his mother's, for no more lovely body walks the streets of Slaton, than the audience saw in that striking blonde E. G. Reese. Mr. Peck (T. M. George) and his son, (Roy Fvutz), were well represented, and the audience was treated to some rare fun in the efforts of the Dr's. to get the surprised Mr. Peck on the operating table.

Then came a concrete example of why the name of the play, "A Howling Success". Screams of laughter greeted aunt Easter's startling appearance, bringing her one year old twins down the aisle. The twins (John Landreth, Vincent Nesbitt) ran true to reputation and howled until they were finally hushed to sleep by the patient Mammy (Frank Drewry), than whom no more typical colored Mammy ever worried over squalling babies since time began.

Poor old Knock Kneed Sally (C.F. Stanford) brought waves of merriment all through her severe operation and final trouble and her mother, (Hugh Diamond) acted truly feminine and fainted away very gracefully in the midst of the operation.

Spike (Ray Ely) come for a treatment for his big toe, but instead, got adjustments of the spine.

Mickey, (Dickey Ragsdale) the little orphan boy, had a pathetic role and touched the hearts of the audience.

AMERICAN LEGION AUXILIARY SPONSORS BENEFIT 42 PARTY

The American Legion Auxiliary has sponsored a weekly benefit 42 party at the club house that promises to be quite successful. The event takes place each Monday evening. Last Monday evening was the first venture and resulted in five tables of 42.

The auxiliary will sponsor a poppy sale in Slaton, November 11 and 12. This poppy sale is an annual event in almost every town or city in the state and should have the wholehearted cooperation of everybody. Buy a poppy and help swell the finances of the Legion Auxiliary in Slaton.

Local Pastor At Annual Conference

Rev. C. E. Fike, pastor of the First Methodist Church, Slaton, left Wednesday for Amarillo to attend the annual Northwest Texas Conference which opened there Thursday morning and will continue through Sunday. Rev. Fike, accompanied by Mrs. Fike, made the trip by automobile.

Bishop Boaz will be presiding officer over the conference. Plainview plans offering a strong bid for the conference to meet at Plainview next year. H. H. Alden of Littlefield is to be admitted to the conference on trial. The first sermon of the conference was delivered Wednesday night, by Rev. J. N. R. Score, pastor at Houton, Texas.

Before leaving Slaton Wednesday Rev. Fike, local pastor, said "about sixty have been added to the church the past year" and taking everything into consideration he feels the Slaton church has had a great year. Rev. Fike has just been in Slaton one year and the membership is to be congratulated upon the likelihood of his being returned. In fact no one is expecting Rev. Fike to be given another charge when that matter comes up at the conference, probably Sunday night.

The northwest conference has nine districts with two hundred and fifty charges in it.

County Medical Men Hold Meeting Here

Will Honor Wives With Banquet In December Meeting, At Lubbock

The Lubbock County Medical Association held its November meeting here, last week, in the staff room at Mercy hospital.

Dr. R. G. Loveless, of Slaton, gave a paper on one of the major obstetric problems. His paper was followed by a round table discussion in which all present took part.

The Association passed resolutions of respect and appreciation for the late Dr. Sam H. Adams, deceased. The secretary was instructed to send a copy of these resolutions to the State Medical Association, the American Medical Association and to the bereaved family.

At the business session a motion prevailed to hold the next meeting, the December meeting, at Lubbock. This meeting will be held probably in one of the hotels since the membership planned to have their wives as guests on that date and honor them with a banquet. It is estimated 75 will be present.

Members attending the Slaton meeting were: Drs. M. Overton, Sr., Olan Key, M. B. Malone, J. T. Hutchinson, Jerome Smith, J. P. Lattimore and Cannon, of Lubbock; Drs. R. G. Loveless, W. E. Payne, of Slaton; with Drs. J. A. Hightower and W. A. Tucker, of Slaton visitors.

ROTARY

Next Friday 11th the Rotary Program will be changed from that reported last week, to one of, and for Armistice Day.

President Roy A. Baldwin has been asked to give an Oration on that day, all the time will be given over to him, with appropriate songs such as Over There, and Keep The Home Fire Burning.

We hope that the whole Slaton Rotary Club will be in attendance, and hear Roy in his talk of Armistice Day.

The Program that was to be this Friday will be continued till next Friday the 18th which program is as follows:

1st. Debate: Do Mortar hold Bricks together or apart?

Odie Hood and Roland Anderson are on the Affirmative, while Herschel Crawford and Harry Stokes are on the Negative.

2nd. Passing the Buck: or let Geo. do it.

Dr. Grodon Loveless, Bill Cates, Jih Elliott, and John Hood will talk on this subject.

Slaton Tigers Lose To Brownfield

The Brownfield High School Cubs loomed as district two Class B champions after handing a 6 to 0 defeat to the Tigers at Brownfield last Friday afternoon. A crowd of nearly 2,000 fans saw the game.

Coach Marlin Hayhurst's scrapping bunch of youngsters took advantage of a wind favoring them in the first quarter and only carried the ball three times in the period to bring their counter. Brownfield kept punting deep into Slaton territory, gained possession of the ball past midfield, completed an 18-yard pass and then sent Neill, Cub star, through the line for twelve yards and the touchdown. Try for point failed.

Brownfield penetrated the Tiger 20-yard zone later in the game but could make no further progress.

Slaton registered ten first downs to Brownfield's four but Neill's punts averaged 45 yards to Johnson's 34.

Huckabay was another outstanding Cub backfield performer while Moore and Smith shone in the line. Mercer, half, Johnson, quarter, and Anderson half, and Coleman, Poteet, and Griffin, linemen, starred for Slaton.

The Tigers play Lamesa today, and in comparison to the way both teams played against Brownfield, it should be a very evenly matched game. Be sure to support the tigers at this game.

Red Cross Roll Call In Slaton Next Week

Next week is the annual Red Cross "roll call" and Slaton citizens will be given an opportunity re-align themselves with the forces backing the Red Cross movement. Final plans for the campaign here have not been completed, as we go to press, but you are reminded that you will be called upon next week to give earnest consideration to the Red Cross program.

Local Firemen Sponsor Carnival

The local fire department is sponsoring a "Fireman's Fall Celebration" in Slaton, featuring the Tri-State Shows, strating Tuesday, November 15, with four days of fun and frolic. This will include ferris wheel, merry-go-round and other rides and attractions.

The Show will be held in the vacant lot southwest of the fire station.

This is to be a carnival with free gate entrance. Everybody will be out see the fun. Take the children and give them a ride on the merry-go-round the ferris wheel and let them listen to the calliope. It will all be there. Plan to enjoy the four days of fun and incidentally help the fireboys.

No town the size of Slaton has a better fire department than the local one. They deserve a great deal more than they are getting. Patronize their carnival.

Cotton Crop Now Moving Rapidly

The cotton crop in this section is moving rapidly now. Farmers are working feverishly to get the fleecy staple ginned while favorable weather prevails. They are brining it in day and night, by wagon, truck and trailer with the same driver often towing two or more bales.

The five Slaton gins are manned with day and night crews, the ginners cooperating effectively with the farmers in an effort to save as rapidly as possible the low priced money crop of the section.

As we go to press a report from all five gins gives a total of 6,263 bales ginned here, to date. This compared with the report of 1,870 about two weeks ago indicates the intensity of the combined action in handling the crop.

With many of the fields still 'white unto harvest' there's small need of anybody being without employment now.

With cotton selling as low as 5-15 farmers are managing to pay indebtedness, and merchants report an increase in business.

New Schedule Of Trains Planned

A new schedule for Santa Fe trains Nos. 91, 92, and 96 between Slaton and Amarillo, and between Sweetwater, Slaton, and Clovis, is expected to be effective about November 13, it was learned Friday.

Details of the change are to be worked out this week but it was understood that the arrival of No. 92 from Sweetwater in the afternoon would be advanced considerably. The departure of No. 92 for Clovis and No. 96 for Amarillo, will be set up.

From other sources it is understood the arrival from the south will be set up between 45 and 50 minutes.

Death Angel Calls Good Woman Home

One of Slaton's most beloved christians, Mrs. Theo Schuhmann, answered the call of the Master to come to her eternal home, Saturday, November 5th, at 3:30.

It is not a task to write beautiful words of such a life, as it was one ordained by the Master and carried out in every word and deed with perfect faith and submission to His will. For the last few years Mrs. Schuhmann has been in declining health, ready at any minute to forsake this world for the one prepared for her (John 3:16) and her passing was as beautiful as her life—sweet, serene and calm. She has left a testimony to her friends who knew her as we write:

Beside the dead I knelt for prayer,
And felt a presence as I prayed.
Lo! It was Jesus standing there,
He smiled—"Be not afraid."

Lord Thou hast conquered death we know
"Restore to life again" I said.
"This one who died an hour ago,"
He smiled—"She is not dead."

"Asleep then, as Thyself didn't say:
Set Thou cans't lift the lids that keep
Her prisoned eyes from ours away,"
He smiled—"She does not sleep."

"Nay, then, tho' haply she do wake
And look upon some fairer dawn,
Restore her to our hearts that ache!"
He smiled—"She is not gone."

"Alas! too well we know our loss,
Nor hope again our joy to touch
Until the stream of death we cross."
He smiled—"There is no such."

"Yet our beloved seem so far
The while we yearn to feel them near
Albeit with Thee we trust they are."
He smiled—"And I am here."

"Dear Lord, How shall we know that they
Still walk unseen with us and Thee,
Nor Sleep, nor wander far away?"
He smiled—"Abide in me."

Mrs. Schuhmann had practically made her home in and about Slaton eleven years—having first lived on a farm about one and a half miles from Slaton, from there moving to Crosby street, then leaving for a short stay at Lamesa returning to Slaton about a year ago, residing at 4th and Lubbock streets, at which place she passed away.

Before her marriage Mrs. Schuhmann was Miss Roxie Taylor, of Richland Springs, Texas. She was married to Mr. Theo Schuhmann in 1907.

Mrs. Schuhmann's funeral was conducted from the Bynum - Staylor parlor at Lubbock, Texas, with Dr. T. M. Webb, of Lubbock in charge.

Interment was made at Richland Springs, the family burying ground. Mr. Schuhmann was accompanied on the sad journey by Mr. Raymond Shelton.

THE GORDON GIN COMPANY BEATS THEIR FORMER RECORD

The McNabb and Sons gin company, at Gordon, has up to date beat all former records for number of bales ginned at that place up to November 1st. Reports from that community indicate a big cotton acreage is turning out practically one-half bale to the acre.

Miss Juanita Campbell and brother, Travis, of Waco, are in Slaton visiting Mr. and Mrs. Jones on 12th street.

Texas Turns To Ferguson Again

Hectic Campaign Closes Mrs. Miriam Ferguson Re-elected Governor

Tuesday the highest authority in the state—the voice of the people—registered in no uncertain terms its preference for officials to serve the people for the next office terms and incidentally suggested that it is high time for charges and counter charges, tumult and shouting to cease, this decision again places Mrs. Miriam A. Ferguson in the governor's office as chief executive for the next two years. Of course every one voting for Mrs. Ferguson readily admit that its James E. Ferguson's brains and administrative ability that they hope to have guarding the states affairs for the next two years.

Be that as it may the Fergusons, both Jim and Ma, somehow managed to leave millions in the state treasury when they went out, or were put out of office, and with the heavy deficit that has hung, like a threatening cloud, over the state ever since the last Ferguson regime and with homes by the thousands being lost by foreclosure it is little wonder that they, the people, sawed wood and said little during the hectic days when politicians were fighting the campaign out on paper, but boy howdy! when the time came for them to speak they said it with votes and went back home and to work again.

Now that 'old man Texas' has spoken again it is the part of wisdom and good citizenship for everybody to make November 11 a day of real purpose in Texas, declare a real armistice on partisan politics and everybody turn their energy towards helping Governor Ferguson pull the state back on an even financial keel again.

In Slaton the result of the election was as follows:

BY PRECINCT
Precinct 25, with A. C. Hanna election judge gave Mrs. Ferguson 52 — Mr. Bullington 53.

Democratic electors 91— Republicans 15.

Precinct 26 with J. W. Buchanan election judge Mrs. Ferguson 107 — Mr. Bullington 58.

Precinct 5, with Mr. Hood election judge Mrs. Ferguson 80 — Mr. Bullington 73.

Democratic electors 137— Republicans 18.

Precinct 24, with Dr. E. C. Foster in charge, Mrs. Ferguson 141— Mr. Bullington 145.

Democratic electors 278 — Republicans 17.

This shows that Slaton joined the majority over the state in casting a majority ballot for Mrs. Ferguson.

All the amendments carried in Slaton balloting except the amendment seeking to appropriate funds for the Texas Centennial.

Sovereign Head W. O. W. Is Dead

H. A. Frazier, Omaha, Neb., head camp commander of the Woodmen of the World, died in Geneva, Switzerland, last Sunday morning of heart trouble. Mr. and Mrs. Frazier with Dr. and Mrs. A. D. Cloyd, Omaha, the Commander's physician had made the trip to Switzerland together.

The body is being brought back to America and will be buried at Dallas, Texas, former home of the sovereign commander. The party will sail from Europe on Armistice day reaching New York November 22.

Units of the fraternal order which was headed by the deceased are found in nearly every city and hamlet in Texas and other states.

Rev. C. E. Fike's Car Stolen Sunday Night

Rev. C. E. Fike, Methodist pastor, came under the lash of the criminal element Sunday night when his car was stolen from in front of the family home, 235 11th street. Thus far the guilty parties have escaped detection. The minister had planned a trip to the annual conference at Amarillo this week, and it is understood he bought a new car to make the trip.

ARMISTICE DAY

On November 11th the people of the whole world will celebrate the fourteenth anniversary of the end of the greatest catastrophe in the history of the world. When the order to cease firing was given at 11 o'clock in the morning on the eleventh day of November, 1918, there was hardly a human being on the face of the earth who did not join in the universal rejoicing. For there was no single human being in the world at that time and none who has been born since, whose life and whose future was not affected by the war.

We have called it the greatest catastrophe in the history of the world, and that is not an exaggeration. Who could have believed that the firing of a single shot in an obscure Serbian village eighteen years ago last August could have precipitated a tragedy that would involve the entire human race, and from the effects of which we have not yet recovered? For there is no possible question that the world-wide economic depression, the internal and international maladjustments and financial difficulties from which every nation in the world is suffering today, are all directly traceable to the Great War.

More than 65,000,000 young men, the best of their respective nations, were taken from their homes and occupations and sent into the battlefields to kill each other. More than eight and one-half million of them were killed or died of wounds; another twenty-one million were wounded or incapacitated. At the end of the war the survivors returned, most of them, to almost hopelessly impoverished homelands, burdened with impossible debts and crushed by unbearable taxes.

We cannot destroy millions of lives, billions upon billions of accumulated wealth, without paying for it. That we have made as much progress as has been made toward economic recovery in fourteen years is little less than miraculous. But let us not delude ourselves. We, the people of the United States, although our economic losses in the war, both in men and in money must continue for another generation and even longer to pay for the war with our labor and our gold.

It seems to us that those are the things to remember on Armistice Day. It seems to us that the eleventh of November should be the occasion for a solemn resolve on the part of every American that we and our nation shall use our commanding position and influence in the world to help the peoples and governments of the whole world to find means for lasting peace and security.

Chamber of Commerce News

By A. J. PAYNE, Secretary

Now that the election is over and our candidates have all been elected, for they are our candidates, whether we voted for them all or not, we should forget all past political differences and go to work for the welfare and well being of our country, Texas and the good old U. S. A.

The next thing of importance this week comes on next Friday the 11th. Armistice Day, this will be observed in one way, that the merchants will all close and take this as one of their four Holidays, and another big thing that starts this same day is the Drive for the Red Cross, do your big bit, do till it hurts if need be, as the Red Cross is always done for those who are in need, and are right now planning and carrying out their program to help the poor and needy of our country this coming winter, more you will see about this in another column of this paper.

On next Saturday we are planning on our first Trades day for this coming season, we hope the merchants will have specials on that day that will make the people wake up and take notice that Slaton's Trade's Day is some day to look forward too. Bring in your stuff that you don't want, trade it off to the other fellow that does want it, the trading center of the town will be on the lots east of the City Park.

At this writing, we do not know how you voted on the amendment regarding the Texas Centennial, but we want to quote our West Texas Chamber of Commerce as being opposed to this amendment by the Tax payers having to pay for it, that they are not opposed to it, if self liquidating, they also say there is loose talk about the necessity of a \$5,000,000 appropriation, which amount is about one fifth of the entire revenue of the state of Texas from Advalorem Taxes.

"In the words of the Lubbock Avalanche," The Central Public Expenditure Committee of the West Texas Chamber of Commerce would be inconsistent if it preached economy in government out of one side of its mouth and extravagance, as exemplified by a costly Centennial celebration, out of the other.

That the growth of public expenditure must be stopped, there can be no doubt and one of the most effective Sunday in New Lynn.

ways of stopping this growth is by stopping new ways for spending money. At our next regular meeting of the Slaton Chamber of Commerce, this subject will be taken up and passed on, and no doubt but that the West Texas Chamber of Commerce will be backed up by the local organization of Slaton.

Cotton is coming in fast now, the gins are all behind with their ginning, as there are from 50 to 75 wagons of cotton in the yards waiting to be ginned, and there has been ginned up to this writing as reported by four gins 5,272 bales. One gin not reporting.

CARD OF THANKS

We wish to acknowledge our appreciation and thanks to our neighbors and friends for every kindness and solace tendered our loved one, and to us, in our recent great loss at her death.

The tenderness and care of Bynum-Staylor, of Lubbock; the sympathetic understanding shown by the singers in that sad funeral hour; and personal sympathetic touch of Dr. T. M. Webb; with the many deeds of kindness from our friends and neighbors seeking to lighten the burden, which seemed too heavy to bear, shall ever be a sweet, sad memory to us.

May God bless and keep each of you

Local Officials Are Worrying Criminals

Sheriff-elect Tom Abel has located what is believed to be the loot stolen from two or three Slaton homes about two weeks ago. From the home of Mr. and Mrs. Jim George, on 5th

street, quilts, linen, cut glass, and valuable household stuff was taken; and from the home of Mrs. L. M. Verble was taken a radio just about dusk, one evening; and from the C. C. Young home silverware was stolen. The loot was located in Plainview and two negroes have been apprehended and placed in jail charged with the theft.

Officer R. L. Wicker also arrested a negro here who robbed a store at Odessa. The Sheriff, Webb, from Odessa came up and carried the Negro back.

The loot from the Odessa store yielded about eight coats, some expensive ladies coats and silk dresses, several boxes of ladies silk hosiery, men's shirts, wearing apparel and other things.

Mr. Charles Baker, brother of Mrs. Hurd, 755 S. 11th street, is reported quite ill at the home of his sister.

"Central" sends help to a Frantic Mother

Jimmy Ratliff, 12 years old, went fishing with his chum. They took the little .410-gauge shotgun saying... "Gonna kill us a rabbit for bait." There was a report from the gun at the pond, a quarter of a mile from the house. Jimmy was shot... hurt badly. A frantic mother ran to the telephone...

"Central! A doctor quick!"

Lucy Adams, at the switchboard, called the doctor's office. He wasn't in. She rang the telephone at his home, and he wasn't there. She tried the cafe, and located him. Within five minutes the doctor was speeding toward the Ratliff home.

The little boy was weak when the doctor arrived. He dressed the wound... sent Jimmy to the hospital. The boy is out playing again now."

Twenty-four hours of each day the telephone is ready for your calls. Whether it be for the doctor, to get the price for eggs or cream, to order a part for a machine, or to visit a neighbor... the telephone pays its way.

You can buy few things which cost so little and are worth so much.

IN MEMORY

You ask me to buy your blossoms today,

In memory of those who went away.

Oh: laddie of mine and my neighbors' lad too

I need no blossoms to remind me of you.

When I look on the face of each lad passing by

I know the reason you chose to die.

When our Great leader said give of your best—

So that never again

Should cannon and shot be used against men

Your lad caught the vision, my lad caught it too

And they gave of their best to see the thing through.

'Tho like their great leader they fell 'neath the battle and din.

Their spirits live on the ideal will win

So give me your blossoms I'll buy them today

For the boys and their ideal when they went away.
