### Plans Formulated For Boy Scout Fund Drive

Organizing for the 1963 Boy Scouts of America fund drive, Scout officials, fund drive majors and team captains will meet at 7 a. m. Thursday at Bruce's Restaurant to make further plans for this year's drive to be kicked off November 7.

A briefing breakfast was held last Thursday morning at which fund drive majors were selected. Meeting with the group were Murlin Dereberry, finance chairman of the MacKenzie Trails district, and Bill McElroy, district Scout executive.

Also present were Doug Galassini, local finance committee chairman, Ellis Schmid, finance committee auditor, and Jim Hughes and Troy Brewster, advance gift committee chairmen.

Present and named fund drive majors were Milt Ardrey, Bill Ball (Slatonite), Dick Hartman, Dr. P. L. Vardy and J. E. Eckert.

Other chairmen include Wayne Banks, publicity; Alex Webb, arrangements; and Dick Evans, prospect and rating.

It was pointed out by McElroy that out of a goal of 14 Scouting units in Slaton, 10 are now in existence. This includes five white groups, two colored groups and three Latin American groups.

McElroy showed a colored slide film in which it was stressed that one of every four boys will be a Boy Scout. It is estimated that this year's total of Scouts will exceed 10,000 boys and an operating fund of more than \$125,000 will be needed.

Fund raising teams will set out in force following the kickoff breakfast November 7. A pre-taped program, explaining the drive and its benefits, will be shown over area television stations at 7:30 a. m. on that date.

### Services Held For Brother of Slaton Resident, Sat.

Services were held Saturday at 2:30 p. m. in Post for C. N. Henderson, brother of Mrs. Daisey O'Conner of Slaton.

Charles Newton Henderson, 83, was killed in an auto accident Thursday near Seminole.

Officiating at services was Ernest McCoy, minister of the Post Church of Christ. Burial was in Terry Cemetery under direction of Hudman Funeral home.

A 33rd Degree Mason, Henderson was one of Post's earliest residents.

He is survived by a son, Mike of Montana; two daughters, Miss Mary Henderson, Pasadena, California, and Mrs. Bobby May Holloway, Los Angeles, California; three brothers, Archie, Hobbs, New Mexico; C. K., Post, and Sam, Rising Star; four sisters, Mrs. Lillie Hill, Mabrett, Texas; Mrs. Daisey O'Conner, Slaton; Mrs. Ethel Howard, Texico, New Mexico and Mrs. Etta Barkhurst, Los Angeles, California.

**FORMER PUBLISHER VISITS**  
Rosa Woodson, former publisher of The Lamesa Daily Reporter visited friends in the Slatonite office last Thursday. Woodson is now engaged in insurance, real estate and all property business.

### Two Slaton Men Honored At Meet

Two Slaton employees of the Southwestern Public Service Company are among 56 from the company's Southern Division who were honored Tuesday night at Pioneer Hotel at the 15th annual service awards dinner.

Douglas Galassini and Lehman J. Brown, of Slaton branch, received 10 year awards from A. R. Watson, President and General Manager of the electric company, who made the awards presentation.

Forty years of service is the top period this year in both the division and the system, with L. D. Moss of Seagraves being one of the 40 year employees to be honored. He received a special award from Watson Tuesday night.

Throughout Southwestern Public Service Company's 45,000 square mile service area, 285 employees with a combined service of 3,715 years will be honored at awards dinners this year.

Registration for the convention will begin at 1:30 p. m. Thursday, Oct. 24. Speaker for the first general session that evening will be Rev. Charles L. Allen, pastor of First Methodist Church, Houston. Dr. John Alanson Perkins, president of the University of Delaware, will

### Slaton Win First Half Loses Game 55-32

Big Jim Adamson, 170 pound fullback, started the scoring Friday night that had a final tally related to a basketball game score with a 49 yard run through the middle early in the 1st period of play. Adamson was momentarily stopped twice, but he was able to shake would be tacklers and found his way to pay dirt. The try for extra points failed.

Roger Dorman took his portion of Lockney's 55 points to Slaton's 32, moments after Adamson made Slaton's TD when he ran broken field for 56 yards and the touchdown. Tommy Moore booted the extra point for Lockney that put them ahead 7-6.

At the halfway mark, Slaton had a 4 point margin with the score standing 26 to 22. In the beginning of the third period Slaton had a streak of bad luck on returning the kickoff and was forced to quick kick that went out of bounds on about Slaton's 23 yard line.

Lockney took advantage of the situation and Smith scored from

the one yard line. Moore ran four yards and kicked the extra point to make it 14-6, but Ascension Perez got Slaton back in the running with a 67-yard run and Randy Martin got the two points to tie the score.

Martin went nine yards in the second quarter, then after Slaton recovered a fumble, passed to Perez for six yards and another Tiger tally.

Just before the half, Smith went 16 yards for Lockney and then ran the points to close the margin to four points.

Smith got both Lockney scores in the third period when he went over from the one and the four, then he got three more in the final period on runs of two, 57 and 65 yards, the latter on a pass from Dale Galloway. Galloway ran over the points following the last score. Moore kicked after the second touchdown of the period.

Slaton's other score came on a 61-yard pass from Larry Gamble to Leslie Brown in the 4th

### W. A. Carnes, Delegation Member, To Attend Ft. Worth Teachers Meet

W. A. Carnes, science teacher in the local high school, a member of House of Delegates at the 85th annual convention of the Texas Teachers Association will vote with 25 other delegates of the Lubbock area on resolutions setting TSTA policy Saturday in Fort Worth.

Carnes will be accompanied during the three day teachers' meeting by his wife.

An estimated 8,000 teachers will be in Fort Worth next week for the annual convention of the Texas State Teachers Association.

TSTA Pres. C. O. Chandler, superintendent of schools at Victoria, will preside over this 85th annual meeting of TSTA Oct. 24-26.

First general session is at 7:30 p. m. Thursday. Some 900 official delegates will wind up the convention with the House of Delegates business session Saturday at 9 a. m.

The delegates will represent the more than 85,000 TSTA members who are divided into 13 TSTA districts and 369 local unit organizations covering the state.

Registration for the convention will begin at 1:30 p. m. Thursday, Oct. 24. Speaker for the first general session that evening will be Rev. Charles L. Allen, pastor of First Methodist Church, Houston. Dr. John Alanson Perkins, president of the University of Delaware, will

### Injured Laden Tigers To Meet Antelopes In Homecoming Tilt

Coach Bing Bingham's Tigers are licking their wounds to get ready to claw into Post's Antelopes Friday Night at Tiger Stadium to open conference play in District 4AA, before a homecoming crowd.

Four Tiger starters that will probably be sidelined Friday night due to injuries received in the hard fought game at Lockney last week are: Ricky Brush, guard, who received a head concussion and was scheduled to undergo surgery in Methodist Memorial Hospital in Lubbock Tuesday afternoon; Bruce Pember, halfback; Jim Adamson, fullback. Linemen offensively will probably be: Jim Christman, center; Leslie Brown, Dow Winchester, Larry Bownds, Mike Ball, Joe Williamson, and Mike Dubbs.

Other Tigers that will see action are: Bill Gass, Victor Christian, Randy Martin, Ascension Perez, Bobby Magallencous, Danny Scott, Leonard Hurst, Mike Hunter and Travis McCormick.

Post Antelopes have had a very successful record thus far in (SEE NO. 4 BACK PAGE)

to a knee injury, but he is expected to see some action this week.

Coach Bingham said, "In spite of the fact that injuries have plagued us all season, our boys are determined to win, and are maintaining a good attitude."

Survivors are his parents; a sister, Karen Sue, and a brother, Kyle Dale, both of the home; the paternal grandmother, Mrs. Webber Williams Sr., and his maternal grandparents, Mr. and Mrs. Harold Wilson, all of Slaton.

### Services Held For Kelly Williams

Rites for Kelly Wade Williams, 3-year-old son of Mr. and Mrs. Webber Williams, were held at 10:30 a. m. Monday in the Church of Christ here with James Wilbanks, minister, officiating.

Burial was in Englewood Cemetery under direction of Williams Funeral Home.

The child, born in Slaton, died Saturday morning in a Houston hospital following a lengthy illness.

### Speech Therapist Added To Slaton School Faculty

Mrs. Yvonne Hannum has been employed by the Slaton Schools for the position of a fulltime speech therapist, according to an announcement by school superintendent Dr. P. Leo Vardy.

Mrs. Hannum is well prepared to meet the needs in this area of specialization since she has had experience in Illinois. She is a graduate of the University of Illinois, and her major interest was Speech Correction.

Her work will be conducted primarily in the elementary grades during the inception of this program, Dr. Vardy said. It is estimated there are between 60 to 80 students in the Slaton Schools that need speech therapy.

### Rites Are Held For Mrs. McEver

Services for Mrs. Lucille McEver of Slaton, who died last Thursday in a Big Spring hospital, were held here Monday.

The services were at 2 p. m. in Williams Funeral Home chapel with the Rev. W. F. Ferguson officiating. Burial was in Ingleswood Cemetery here.

Survivors include a son, Clifton Earl Maxey, Chilton, Tex.

### -WEATHER-

Indian Summer temperatures continued to dominate the weather scene in Slaton, with the daytime highs only once dipping below the 80-degree mark.

Prospects of rain Tuesday night fell short of Slaton and another dry week was recorded.

Day to day temperature extremes, as recorded by the Pioneer Natural Gas Company in Slaton, have been:  
Thursday 86 - 52  
Friday 86 - 53  
Saturday 81 - 54  
Sunday 80 - 56  
Monday 80 - 56  
Tuesday 78 - 56  
Wednesday 80 - 54

A detailed map showing the tracts of land that will be included in the contemplated annexation will appear in next week's issue of The Slatonite. The proposed annexation will increase the city limits of Slaton approximately 10%. The land that is proposed to be annexed follows a general pattern on both sides of loop 84 that is now being constructed. The primary purpose of this extension is to give the city the ability to zone the area to protect present landowners from having undesirable constructions along the loop.

**Sokoll Named Secretary**  
Robert W. Sokoll, on unanimous approval by the city commission, was named city secretary at the Monday night meeting.

Sokoll, who has been employed as city clerk for the past several months, succeeds Commissioner Robert Hall Davis who has been acting city secretary since the city has not had a regular employee for this position for some months. Sokoll's salary will remain at its present status for the time being which is \$325.10 per month.

Commissioner Henry Bolling moved that Commissioner Day be relieved of the extra duty acting secretary and Sokoll named secretary on a permanent basis. Commissioner True Bownds made the second, as the commission voted unanimously in favor of the motion.

**Cash Transfer**  
Bobby Sokoll informed the commission of the need of making a cash transfer from the water fund that is kept on deposit at Citizens State Bank (the general fund that is on deposit at that banking institution). Commissioner Bownds made motion that \$4,000 be transferred from the water fund to the general fund. Commissioner Bolling seconded the motion, as the commission voted unanimously in favor of the motion.

**Tax Roll Evaluation**  
Secretary Bobby Sokoll presented the tax roll evaluation to the commission and asked for approval. The city's tax evaluation was revealed to be \$7,566,640.00 with a total tax of \$113,499.60. Henry Bolling moved that the tax roll be accepted. R. H. Davis seconded the motion which carried unanimously.

**Attorney Retained**  
Claude Cravens has been employed for the position of city attorney based on terms as set forth in a formal application that was submitted to the commission a few weeks ago. The base salary for the city attorney will be \$200.00 per month.

The commission took action on this matter after a discussion by City Judge Luther Gregor; stating the city court's needs for an attorney. Commissioner Henry Bollinger made motion that Cravens be hired as city attorney with the second coming from Fernando Gonzales. The motion carried with Bollinger, Gonzales and Mayor Cain voting in favor of the motion. Commissioner Bownds abstained, and Commissioner Davis voted "nay".

**Cemetery Board**  
Bud England reported on the cemetery board's study and presented recommendations for the council's further study pertaining to setting up a cemetery park department. In his report to the board, England quoted from city records actions that had been taken in the past. He left the findings and recommendations in written form with the commission for study, and consideration.

**Water Notices**  
Water cutoff notices have been mailed stating that the water will be cut off October 15 and hereafter the cut off date will be the 15th following the 60 delinquency days. Water will not (SEE NO. 4 BACK PAGE)

## Observations and Potpourri

### What We Can Do . . . If!

What can we do if we work together? There are many things that, we as citizens of Slaton, can accomplish if we work together without prejudices, or envy.

First of all . . . if we trade at home and give our merchants our dollars for merchandise and services rendered so they can make a fair profit we will have more tax dollars for our schools and city government.

The tax dollars for our schools will provide better facilities, attract the best teachers which will be aided with the increase of enrollment and help provide funds for additional classrooms, buildings and other fiscal equipment needed.

Tax dollars for our city government will provide services that we demand from our city administrators which include: street improvements, better sanitation services, water and sewer improvements, expansion of parks and recreational facilities, law enforcement personnel, fire protection and numerous other items that we as a progressive minded American community demand and deserve.

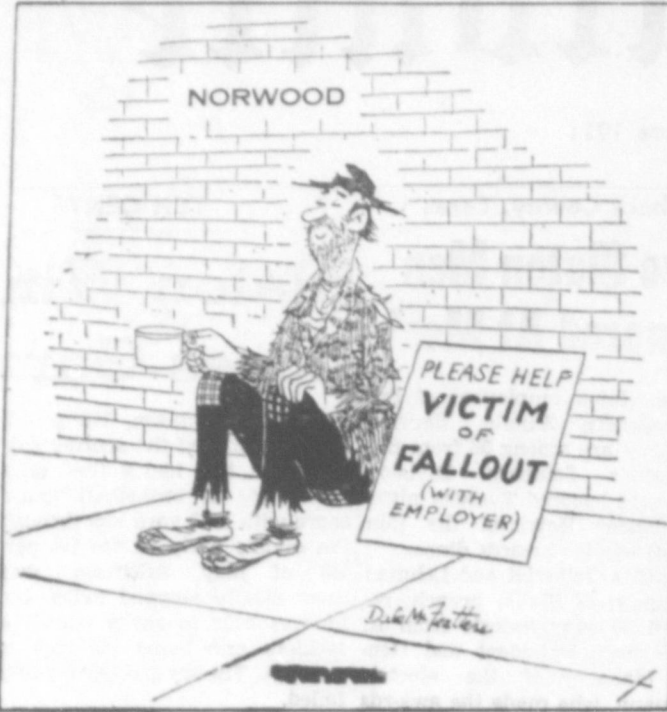

Secondly . . . we need to boost what we already have, not only in conversation, but actively with our local BCD, Chamber of Commerce and the many service clubs that Slaton is blessed with.

Thirdly . . . and, far from last . . . we should do more giving in time, courtesy, and genuine friendliness rather than so much demanding and criticizing. Each time we start to complain, criticize, or

make a suggestion; let's ask ourselves, "Is this best thing for my neighbor and Slaton?" After all what's best for our neighbor and Slaton is best for us because Slaton is our home. JHK, II

### Just One Side?

A vice president of the National Broadcasting Company, in our office recently, voiced alarm and almost cynicism as we discussed the "managed news" which is dispensed by the big dailies and their radio and TV voices. But he believes the readers are as much to blame as are publishers with axes to grind.

The public seldom ever demands "both sides of the story" from a newspaper or radio-TV network. It only demands the side it wants to hear, ammunition for its cause.

It is alarming to learn that most of the mail to news dispensing agencies isn't a request for knowledge and information—it is a demand that news be withheld, that a commentator be put off the air, that a columnist be dropped from a paper.

Is this the American way?

Is it American to demand that a radio station drop a religious broadcast of another faith? Is it American to demand that men of the stature of Chet Huntley be dropped from a television network? Is it American to threaten to withhold patronage from a merchant in an effort to get that merchant to withhold advertising from a news medium that carries columnists or commentators one doesn't like?

In a Democracy, expression of opinion should never be curbed. As much as we would like to do something about the dissemination of false information and slanted news, still this isn't advisable since in our efforts to dig out a few weeds, we will inadvertently dig up some of the flowers too.

As a guest of B. Raymond Evans last Wednesday night, we broke bread with six citizens of West Germany. Seldom have we talked with friendlier, like-minded people. After only a few minutes they seemed to be old friends. They radiated friendship and goodwill. Their hopes, aspirations, and philosophy were the same as ours.

We have had other West Germans in our midst who endeared themselves to us.

Then we recall that such a very few years ago we were proving our "Americanism" by hating these German "monsters." We wanted to wipe them off the earth. We wanted to castrate these "Nazis" so that they would be exterminated as a nation.

Hitler's empire was going to last 1,000 years. Remember! Under different leadership, these people have become our dear friends.

So it has been with post-war Japanese we have known. So it might be with the Russians someday if we can somehow postpone a showdown in the form of a nuclear war. We might find that Lenin and Khrushchev, just like Hitler and Mussolini, were only mortals and will pass away someday just like others of their generation.

A Christian civilization can't survive the type of hate that the Radical Right demands.

### Electric Service Customers Experience New Billing System

Electric service bills for Slaton customers will come in a new format beginning next week, it was announced by Douglas Galassini, manager for the Western Public Service Company.

Change from the postcard which has been in use for several years, is the result of installation of new electric billing equipment, Galassini said.

The chances are slim anyone would throw away a bill with our company's address on it, without seeing what it contained, seemed wise to point out, start of this new billing procedure, that the statement coming in an envelope in the future," Galassini added.

The new envelope, white with a green block, is marked on the outside as electric service bill. Enclosed with the new statement is an envelope. The stub from it should be enclosed with payment, the same practice as prevailed in the past, Galassini said Slaton customers

would be billed at the same time of the month that they have been in the past.

Galassini pointed out there is a feature in the new billing system which might encourage more customers who have checking accounts to use the bank draft method of payment. He said that the objection to this method on the part of some customers in the past has been that they didn't know how much their bank account had been charged.

Under the new billing system, the customer using the bank draft method of payment will receive a copy of his statement at the same time that the billing for Slaton customers is made. The statement will be clearly marked that it should not be paid because a bank draft will be drawn, but it will inform the customer of his monthly charges for electric service.

A small pamphlet, announcing the new billing procedures, will be enclosed in the first statements, scheduled to go out next week, Galassini said.

## Slaton Jewelryman Repairs Clock Over 100 Years Old

Mr. Albert Findley at Findley's Jewelry Store keeps a list of all his repair work, but he has a special check mark beside a clock that was brought in last week.

It is an aged grandfather clock brought in by Mrs. J. D. Norris, 905 West Lubbock. Run by weights, the antique clock was handed down to the late J. D. Norris by his great grandmother.

Mrs. Norris is not sure about the exact age of the clock, which is still in excellent condition. A repair date (1857) marked inside the clock shows it to be over 100 years old.

Antique grandfather clocks have a special interest for Mr. Findley. He owns one himself, a model that his great grandfather brought to Texas from Alabama and dating back over 150 years.

More sulphur is produced in Texas than any other state.

be turned on until the bill is paid in full plus \$1.00 service charge. The only exceptions to be indigent and they will be determined by the mayor. Motion by R. Davis and seconded by H. Bollinger. Motion carried unanimously.

**Plumbing Permits Transferred**  
Plumbing inspection permits will be moved into the City Hall and all other permits of this nature. H. Bollinger made motion, F. Gonzales seconded. Motion carried with approval of all members.

**Water Department Report**  
Wayne Baker reported that the next school for water and sewage will be November 11 through 14 in Lubbock. Request was made that one-half of the water department be sent and they are to bear their own transportation and meals. City to pay other expenses. Truett Bownds made motion that the city pay their registration fee. Henry Bollinger seconded. Motion carried.

The plumbing inspectors school is to take place October 17 in Austin. Due to the shortage of time Robert Davis made motion that we forego the school. F. Gonzales seconded. Motion carried.

**Water Line Extended**  
Motion made by T. Bownds and seconded by H. Bollinger that the city extend a 3" AC water line north along the railroad to serve a minimum of 10 new users. Not to exceed \$900.00. The council voted in favor of the motion.

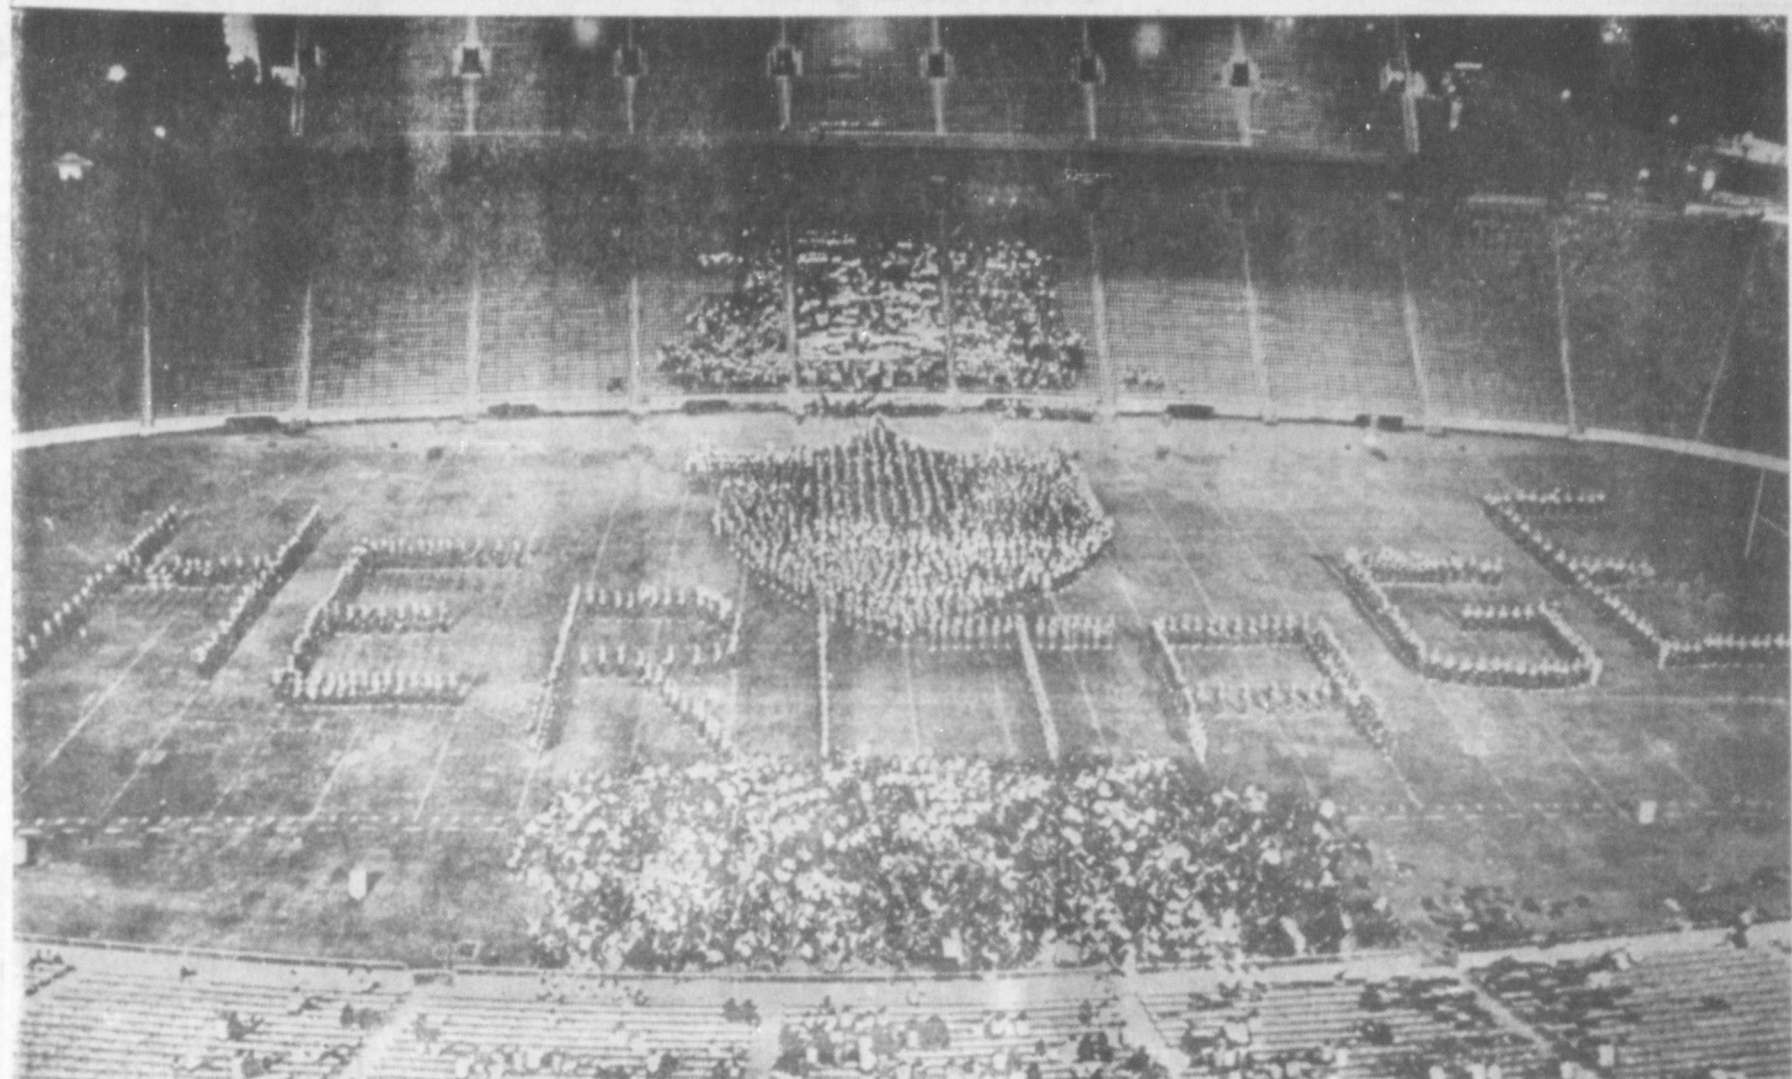

**Ordinance Passed**  
The commission passed Ordinance number 228 by declaring it an emergency and therefore passing it on the first reading. Commissioner Davis made the motion with the second coming from Commissioner Bownds. The council voted unanimously in favor of the motion. Ordinance number 228 calls for a public hearing on the proposed annexation of certain property by the City of Slaton, authorizing and directing the mayor to publish notice (published elsewhere in this newspaper) of such public hearing.

**Federal Housing**  
Ellis stated he was present in the event the city wished to discuss the Federal Housing program. Henry Bollinger made a motion to table action on Federal Housing for a couple of months. T. Bownds seconded. Motion carried.

**City Jail Purchases**  
Joe Martin, chief of police, requested six new mattresses, covers, and 16 blankets for the city jail, estimated cost \$105.50 at Round-Up Surplus. Truett Bownds made motion to purchase the above at the quoted price from Round-Up Surplus Store. H. Bollinger seconded.

**Purchase Calculator**  
Motion made by Robert Davis and seconded by T. Bownds that the city trade the old adding machine in on a new Remington calculator for a net difference of \$485.00. Motion carried.

## Entrants In Tiny Tot Contest

Jean were requested. Motion by F. Gonzales and seconded by T. Bownds that the lights be installed. Motion carried.

**Sewer Bids**  
Bids on sewer service extensions in the alley between Arizona and 1st and alley between 3 and 4 south of Geneva and between Ivory and Flint south of Geneva to the center of the street will be received at the next regular meeting.

**Citizens Appear**  
Hugo Mosser, Jack Kuykendall and H. L. Singer came forth objecting to the proposed annexation to the city limits. A new proposal was submitted by Bennett Reeves of Parkhill-Smith and Cooper whereby 10% of the existing city limits would be annexed. No action was taken at this time.

Boo Brasfield and Al Swartz came before the commission and asked about the appliance dealers having a bond for installations. It was reported that appliance dealers do have a bond and it is continuous. Wayne Baker, city water superintendent, committed that he is working to make every agency equal with a uniform code.

Travis Reynolds and Ben Ralston reported to the city pertaining to the Travelers Group Ins. plan about the increased benefits available at very little benefits to the employers. Mr. Ralston stated that he would present a formal proposal for study at the next meeting.

**Other Business**  
Robert Davis reported the drive in the alley between Self Furniture and Palace Beauty Shop had been requested to be repaired and that he would check the details before the next regular meeting.

Grady Elder, street and sanitation superintendent, reported he needs salary raises in his department for himself, Tom Bagwell and Clifton Mays. Mayor answered that as soon as the city is able to get into the program, salary adjustments will be studied. After thorough discussion by the commission it was decided to study the program at the next regular meeting with department heads.

The lengthy meeting officially adjourned after a busy 4 hour and 25 minute session at 11:25 p. m.

All members of the council were present which included Mayor Jonas Cain, B. H. Bollinger, Fernando Gonzales, Truett Bownds and Robert Hall Deeds.

The annual Tiny Tot contest sponsored by Slaton American GI Forum and Auxiliary has begun according to an announcement made by Mrs. Millie Quintero.

Entrants in the contest and their campaign managers are: Ricky Rodriguez, Millie Quintero; Henry Garcia, Mrs. Frances Florez; Norma Cisneros, Maxine Quintero and Sylvia Romero, Maxine Quintero. Sylvia is not pictured.

**Fire Calls**  
Three fire calls were answered the past week. Friday night a false alarm was reported. Saturday morning a trash trailer at the old Oil Mill was extinguished and Monday at noon a grass fire was reported but was extinguished before fire equipment arrived on the scene.

**Rescue Team**  
At Monday night's practice session, members of the Rescue Team worked on opening a wrecked car with equipment contained in the Rescue Unit. Various methods were used to better familiarize the team with the equipment and to actually operate under battle conditions.

**Fire Prevention**  
The Slaton Volunteer Fire Department wishes to express their

appreciation to the Slaton Public School for their cooperation in making Fire Prevention Week a success. The winners in the Poster Contest will be recognized in next week's column.

**Next Week**  
It is the purpose of this column to further acquaint the citizens of Slaton with the workings of your Fire Department. In a series of articles beginning in next week's Slatonite, we will try to describe to you and give you an accounting of the equipment with which we are to serve you in the event of fires. This will be an unbiased opinion.

**Fire Prevention Tip of the Week**  
Never throw flour, uncooked cereals or dust from a vacuum cleaner or dustpan into a stove fire or a burning incinerator. This could cause a dust explosion. Wrap them up and dispose of them safely.

### The Far View

by Fred A. Ryle

"Eliminate the Negative"  
 "You gotta accentuate the positive, eliminate the negative..."  
 were the opening words of a song popular some years ago when I was growing up. It was a right tune little song, and I have always enjoyed hearing it.

Lately I have been struck by the thought that this would be a good song for Slatonites to learn to sing and learn to do. The song, and the philosophy that I am suggesting, demands that we act positively in our lives. It suggests that we might do something with the time and energy that is given us other than to just get by.

It is so much easier to be against something than to be for it. To be negative requires nothing. It is just to oppose something and then that something can be dismissed. It involves no commitment, no promise of future action, no pledge of money or interest. It is a way of getting rid of something.

Since most of us have heavy burdens and responsibilities to carry, you might be thinking that this would be a blissful way to keep from having any more to bear. Most of us are torn apart with activities which keep us running from one place to another all day long. And so it is easy to collapse into the rest-

**PRISON RODEO STAR**—Minnie Pearl, America's foremost country-style comedienne, will make a personal appearance at two performances of the 32nd Annual Texas Prison Rodeo in Huntsville. She will open the 1963 rodeo series on Sunday, Oct. 6, and then return on Sunday, Oct. 20 for a second performance. Minnie Pearl made her debut with "Grand Ole Opry" in 1940 and since then has been entertaining audiences in all parts of the nation, both in person and on radio and television. Other headliners for the prison rodeo will include thrilling inmate contests, inmate entertainment groups and a Girls' Barrel Race for "free-world" riders. The show begins at 2 p.m. and lasts two hours.

### Roosevelt High School Youth To Receive Special Recognition

Don Meador, outstanding Lubbock County 4-H boy, has been named the top boy in Texas for 1963 in the 4-H Achievement awards program. The state 4-H Club office announcement said he would receive a special certificate of recognition.

Donor for the program is the Ford Motor Company Fund, Dearborn, Michigan. The donor also provides medals for county winners in addition to the trips to Club Congress and the scholarships.

Don is the son of Mr. and Mrs. A. B. Meador, Route 1, Lubbock, a veteran of 9 years in 4-H; a senior in Roosevelt High School and a member of an outstanding 4-H family. He is a Gold Star boy; a member of Lubbock county's state winning 4-H livestock judging team in 1963 and the holder of many awards for achievement on project work and on his crop and livestock exhibits. He was second high individual in the state 4-H livestock judging contest.

Winner of the achievement award must have excelled in every phase of the youth organization including leadership, learning and using the latest information on agriculture practices, developing pride and respect for 4-H and its value to the individual, family, community and nation and applying 4-H training and experience to the choice of a vocation.

A review of his record clearly shows the progress he has made through the years in reaching his high goal. He is recognized as a leader and a helpful assist-

### LAUNDRY REOPENED

Scottie's Coin Operated Laundry, next to Henzler's Grocery, has been re-opened under new management of Mr. and Mrs. A. R. Abare.

The laundry will be open seven days a week, Abare announced. Hours will be from 6:30 a. m. to 9 p. m.

As an introductory offer, the Abares will give one free washer load to the customer bringing a coupon which appears in an ad elsewhere in this newspaper.

The laundry offers 16 coin operated automatic washers, six dryers and plenty of parking area. An attendant will be on duty at all times.

Mr. and Mrs. Abare, who have been Slaton residents since 1931, reside at 355 South Fourth. He is a retired Santa Fe machinist and the couple attend the Nazarene Church.

For many autumn is the most joyful season on the South Plains. The days are pleasant and sunny. The earth is yielding her abundance. The changing colors of nature are beautiful to behold. Purposeful and creative activity brings harmony in the environment of men and machines. God is close at hand.

Those who do not worship in autumn have drifted a long way from God. But this happened in prosperous Israel before its downfall. The Prophet Jeremiah wrote (5:23-24): "But this people has a stubborn and rebellious heart; they have turned aside and gone away. They do not say in their hearts, 'Let

Material security and personal well-being may lead us to pride, selfishness, indulgence without gratitude, and dull consciences. On the other hand, the blessings of autumn may bring us close to God in worship. The harvest is dedicated to God. In the beauty, harmony, and purposefulness around us God speaks his loving care. The abundance and beauty are enshrined in human lives for eternity.

Therefore, "Let us fear the Lord our God, who gives the

ful negativism which avoids any new proposals.

Such negative feelings can destroy an organization, a city, a family, a nation and finally an individual. Negativism is the hardening of the arteries of life which causes us to slow down to the point of final death.

Many times I have seen negative feelings take over in Slaton, and project after project, event after event is condemned. At times positive action on the part of enough people have shown a commitment that saves us all from just sleeping on as the days go past.

To be positive in your life means that you must live for something. Will you do it before you die? "You gotta accentuate the positive, eliminate the negative..."

### Slaton Dealers To Attend Sales Promotion Dinner

Slaton gas appliance dealers will meet with area dealers at 7 p. m. Monday, Oct. 21, at East Holiday Inn, Lubbock.

They will be guests of Pioneer Natural Gas Company at a dinner to kick off their annual fall "Old Slave Roundup" campaign.

Local dealers expected to attend include Bland Tomlinson, Clark Self, Bobby Poyner, Hack Lasater, Conroy Bain and L. D. Weaver.

Dick Evans, manager of the Pioneer Natural Gas company here, said Slaton dealers have pledged full cooperation in making the 1963 "Roundup" one of the best ever.

Annual admissions to U. S. hospitals have increased over 50 per cent in the past 15 years, and the number of hospital employees has increased by more than 75 per cent.

Will they be as confident when it comes to the more serious questions of adult life? Those who grow up in the Church and give God His rightful place are building on a firm foundation. In His House they "increase in wisdom and stature and in favor with God and man." There is no substitute for the Christian precepts and ideas taught by your church.

But what about those who lack this training? Will life seem difficult to them because they lack the confidence which comes from a knowledge of God and His teachings?

**LOCAL COUPLE MISSED**

Mr. and Mrs. Oran McWilliams have a lot of luck, some of it bad as was the incident which occurred Sunday.

A buying trip to the Holiday and Spring showing at the Pioneer Hotel in Lubbock netted the couple a trip to New York. But they were not present to claim it and the trip was awarded to another couple.

"We were there Saturday and Sunday," lamented Mrs. McWilliams. "But we had left when this trip, which was a door prize was awarded Sunday evening."

This marked the second time the department store owners had left a market too early. Three years ago their names were called as recipients of a combination television and hi-fi set.

Where were the McWilliams? They had left the market a few hours earlier!

**STATE CAPITAL Highlights AND Sidelights**  
 by Vern Sanford  
 TEXAS PRESS ASSOCIATION

A brand new State agency dedicated to bringing more free-spending tourists to Texas now is in operation.

Texas Tourist Development Agency held its first meeting, discussed policy guidelines and set a timetable for selection of an agency to handle its \$200,000 advertising account. Advisory board members will meet on January 16-17 to pick the firm which will prepare and place its tourist-luring ads.

Sworn in as advisory board members were James M. Gaines, radio-television executive of San Antonio, chairman; Bill Berger, publisher of the Hondo Anvil-Herald; John McCarty, advertising executive of Frito-Lay, Inc., Dallas; G. A. (Pop) Mabry, public relations executive for Humble Oil and Refining Company, Houston; John Powell, hotel executive of Austin; and Chris Fox, El Paso banker.

Said Gov. John Connally: "I hope this is the beginning of a tremendous program... Your work is important to the economic future of Texas."

He commented that the 1964-65 advertising budget is so small that the state will have to "ride piggy-back" on privately financed national advertising for a few years.

He noted that Texas is sixth in the nation in population—and some statisticians believe it soon will be third. But it's below the top 10 in tourist attraction.

In 1957, 10,400,000 tourists came to this state and spent \$31,000,000. In 1962 only 9,600,000 tourists visited Texas. They spent an estimated \$471,000,000.

A "See Texas First" campaign to get Texans to spend their vacations in Texas is being planned. The Agency is stepping up its administrative activity, and will add Walt Warner, Capitol correspondent, to its staff.

**POLITICS BOOMING**—First formal affair of the coming political campaign season will be an "appreciation dinner" to be held on October 19 in Austin for Sen. Ralph Yarborough. Texas' senior Senator, certain to run for another six-year term in 1964, will gather a political war chest through the dinner.

Bringing more campaign fodder to Texas will be Pres. John F. Kennedy. He will make a two-stop trip to the Lone Star State in November.

Texas Republican Chairman Peter O'Donnell, head of the Draft-Goldwater movement nationally, hopes to set up a dinner in January at which the Arizona Senator will announce his candidacy for president.

Both party's headquarters in Austin are increasing their staffs, as they get ready for what now appears to be a humdinger of a political year in 1964. Both democrats and republicans expect the GOP to muster more strength in 1964 than they did in 1962. Republicans are so hopeful about their chances that there is real competition for the party nomination for some of the major statewide offices.

Democrats, with first-term men in the State's three top offices, may have strong competition in at least two of them. Don Yarborough of Houston says he will decide by December 1 whether or not he'll run against Governor Connally in next May's primary.

Close friends of Congressman Jim Wright of Fort Worth predict he will be a candidate for the U. S. Senate.

State Rep. Horace Houston of Dallas announced his candidacy for lieutenant governor at a GOP leadership conference here.

State Sen. Franklin Spears of San Antonio is visiting newspapers and otherwise sounding out his chances in a race for the same office—as a Democrat.

Some 300 San Antonio attorneys have signed a petition urging Associate Justice Jack Pope of the Fourth Court of Civil Appeals to run for the State Supreme Court.

Smith County District Attorney Bill Coats says that reports indicating House Speaker Byron Tunnell will have trouble getting re-elected in his home district (Smith and Gregg counties) are incorrect. Says the D. A.: "The only time I hear that... is when I come to Austin... Tunnell is in good shape at home."

Four candidates for congress are thundering along 10th District campaign trails. A special election is set for November 9. Candidates from Austin are Jake Pickle and Jack Ritter Jr., Democrats, and Jim Dobbs, Republican. The fourth, Frank B. McGehee, came all the way from Dallas to enter the Central Texas race. McGehee claims no party connections.

**MOHAIR MARKET SOUGHT**—Angora goat raisers brought their problem to the Texas Industrial Commission. They have asked Director Harry W. Clark for all the help his state agency can offer.

Goat raisers want to lure Texas as some mohair scouring, sorting, grading and combing industries. This so their product can be turned out in finished form. But they don't know how to go about it. As far back as they can recall, they have sold raw, ungraded mohair to buyers from four eastern firms who ship it east for finishing.

D. W. (Speedy) Hicks of Bandera said the goat raisers don't know manufacturers requirements.

Clark said the commission is ready to lend a helping hand, through research and promotion. But he added, "I foresee real obstacles in trying to sell manufacturers before style centers are established here."

James L. Powell of Fort Mc-Kavett, president of the Texas Sheep and Goat Raisers Association; L. M. Stephens of Lometa; Howard G. Hay of Bandera; Houston Smith of Texas A&M, and Armer Earwood of Sonora will work as a committee with the Industrial Commission's staff.

**APPOINTMENTS Made**—Governor Connally, whose October calendar is so crowded with out-of-town speaking engagements that he told an aide he would be home only two nights this month, managed to squeeze in time to pick five appointees to the Good Neighbor Commission.

Jack Drake of Weslaco, Robert J. Galvna of El Paso and Charles L. Nunn of Sweetwater were appointed to six-year terms. Mrs. Bob Lang and Ramiro B. Martinez of McAllen were chosen to fill vacancies on the commission.

Drake is executive vice president of the Lower Rio Grande Valley Chamber of Commerce. Galvna, Nunn and Martinez are attorneys.

Connally reappointed Walter Buckner of San Marcos as employer representative on the Industrial Accident Board. Buckner is co-owner of the San Marcos Record.

**COUNTY OFFICIALS ELECT**—Texas' County Judges and Commissioners meeting here elected Elmer Zahn of Falfurrias president. Sam Brazier of Emory was named secretary-treasurer, and Harold C. Green of Water Valley, vice president.

In a resolution, the county leaders said the State should get out of the property tax field and turn over the property tax to hard-pressed local governments.

**PROPERTY TAX INCOME HIGH**—Despite the Homestead Exemption Act of 1933, property taxes in Texas provide about five times as much revenue as the sales tax. So says the Texas Research League, which has just completed a study of the tax.

**BANKS SEEK CHARTERS**—Banking Commissioner J. M. Falkner has an application for a charter from the proposed Se-

curity Bank and Trust Company of Canyon.

He scheduled a State Banking Board hearing this week on the charter application of Forest State Bank, Dallas. Proposed Texas Bank and Trust Company of Midland also has applied.

Department will check into the need of a proposed Howe State Bank in Howe, Texas on October 28.

State Savings and Loan Commissioner delayed decision on a proposed Beacon Savings and Loan Association in Plainview, at the request of the applicants.

**SLANT-HOLE CASE TRIED**—

First of the 52 slant-hole oil well suits filed by former Atty. Gen. Will Wilson finally came up for trial. Seven East Texas oilmen were hit with a \$4,500 penalty by District Judge Herman Jones of Austin's 43rd District Court. State asked \$139,000.

The seven men, who allegedly operated a joint oil lease in Upshur County, are H. J. Bissell, F. C. Deutsch, W. A. Hewel, W. C. Deutsch, Max Clark, George Joseph and E. W. Scates—all of Longview.

Bissell, Scates, Clark and both Deutsches have been named in subsequent suits yet to be heard

### Member Of U. S. Atomic Energy Commission W. Bibb To Give Demonstration-Lecture

In an agreement with the Slator Slatorite, a demonstration lecture program, titled "This Atomic World," will be presented in the assembly program in the auditorium of Slator High School on Oct. 18 at 11:00 a. m.

General public is invited to attend this assembly program. The program, sponsored by the United States Atomic Energy Commission, is presented by the Oak Ridge Institute of Nuclear Studies, Oak Ridge, Tenn.

The Institute is a nonprofit, educational corporation of 39 southern universities and colleges, operating under contract with the Atomic Energy Commission. The traveling exhibits units, which visit hundreds of

high schools throughout the United States each year, are designed to provide the public with a better understanding of atomic energy.

James W. Bibb, an exhibits manager who has received special training in nuclear science, will present the program. Mr. Bibb holds a bachelor of science degree in naval and electrical engineering from the United States Naval Academy at Annapolis, Maryland.

The demonstrations and lectures are designed specifically to acquaint high school students with the basic principles and uses of atomic energy and to stimulate their interest in

science.

Subjects to be covered include atomic structure, the nucleus and radio-activity, radiation biology and fission and fusion. The use of radioisotopes are also included. The application of these isotopes in agriculture, industry, and medicine is an important aspect of the non-military use of atomic energy. Projections for the use of the atom in rocketry and space travel are also discussed.

Following the assembly presentation and visual aids, Mr. Bibb is available for classroom sessions with science students.

### V.F.W. ANNUAL BARBECUE

Aaron Luman VFW post's annual barbecue and dance will get underway at 7:30 p. m. Saturday, Commander Bo Becker announced.

The commander also urged that 1964 dues be paid in order that the post's quota is reached before the end of the year.

"All that is required to attend this barbecue is to have paid your sixty four dues," he said.

Anyone interested in becoming a life member of the VFW is asked to contact Quartermaster Walter Mosser. Cost of life mem-

Speak at 9:30 a. m. Friday. Both sessions are in Will Rogers Memorial Center Auditorium.

The "Sweetest Music This Side of Heaven" will entertain TSTA members Friday night at 8 p. m. when Guy Lombardo and his Royal Canadians play a special concert in the Memorial Center Coliseum.

At various times Friday the convention-goers will divide up into small groups for 29 meetings dealing with special fields such as science, lunchrooms, industrial arts, classroom teachers, and principals.

The House of Delegates on Saturday will act on resolutions setting TSTA policy. They will also consider committee reports on such things as professional standards and improving educational services.

Elections and proposed legislation also will attract considerable interest.

Delegates will act on a proposal calling for a \$45 per month increase in the minimum teacher salary schedule. If approved, it will be presented to the 59th Texas Legislature meeting in 1965.

And delegates will hear a report on results of the annual election for state TSTA officers. The secret balloting was conducted locally earlier this month.

Mrs. Elizabeth Little of Corpus Christi, current TSTA vice-president was the only announced candidate for president.

However, four candidates cam-

paigned actively for the vice-presidential post. In alphabetical order, they are:

W. A. Carmichael, professor at Sam Houston State Teachers College; Joe W. Harper, superintendent of schools at McKinney; Bennie F. Steinhauser, superintendent of Edgewood Independent School District, San Antonio; and Buford W. Williams, director of elementary teacher education at Southwest Texas State College, San Marcos.

Other convention activities will include 160 booths of educational exhibits by commercial firms; various committee meetings; and numerous gatherings of other related groups.

NEWS for truck owners Who need a new one now

Chevrolet has developed the last time you bought to you more for your money: Stronger frames. Every conventional 1964 Chevrolet truck has a ladder-type frame. This type is more resilient, better able to give with the load and terrain. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger. Greater model selection. This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors. Quality and value. Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet dealer for information or for a demonstration.
