

WEDNESDAY ELECTION Amendments For Vote

Voters will have an opportunity to vote on proposed Texas Constitutional amendments here Tuesday, Aug. 5, with polls open from 7 a.m. to 7 p.m. All county voting precincts will be open for voters who reside in Slaton, Box 38 (Clubhouse) is for voters who reside in Lubbock St. and west of 9th; Ward School is for voters south of 9th and west of 9th; and Box 38 (School) is for those who live in Slaton.

Only Texas voters who have resided in Slaton at least six months will be eligible to vote at the polls Tuesday. Absentee voting will be available.

The Election Bureau has predicted a turnout of about 650,000, which is just about "above average for an off-year election."

Amendments being made over Amendment 10 plan amendment--is expected to attract voters who might not bother to vote on a less controversial amendment.

Amendments are:
Clean-Up Amendment (The proposal is to repeal the superfluous and unnecessary provisions of the Constitution.)

Increasing water development to \$15 billion.

Authorizing the legislature to set its own salaries and the salaries of the Speaker of the House and Lieutenant Governor within certain limits.

Exemption non-profit water supply districts from taxation.

Increasing ceiling on assistance to needy to maximum of \$80 from state funds.

Removing constitutional interest limitations, subject to limits imposed by statute for bonds pursuant to local authority.

Providing for payment of assistance to widows and minor children of public officers, employees, and including members of organized labor and certain organized labor units, who have hazardous duties.

Authorizing legislature to provide educational loans to students at institutions of higher education under the Opportunity Plan.

Providing for annual sessions of the legislature.

Legislation on Division Street says all about the generation gap is wasted, as there is television. How can children communicate when their eyes are on the screen?

Legislation continues to hike the tax, smoking might be eliminated, problem, Senator, is what will we do with the loss of tax revenue?

Costs money. There wouldn't be insurance controversy if we had the horse and buggy.

Will vote on nine proposed amendments next Tuesday, Aug. 5, the most-talked about amendment.

Amendment would authorize money for Water Plan, which has been "must" by many authorities across the state without immediate action toward water into West Texas, this productive area could be doomed to semi-arid rangeland.

Problem is not finding voters who will vote. The problem is that most do not bother to go to the polls. West Texans turn out and approve amendments in large numbers, voters in the state--and particularly in the areas--may defeat the issue they are not yet concerned about.

Let us look back to opportunities we had up, opportunities that could have profound difference in our lives. The polls on Tuesday could be just opportunity.

Let us take this one up, if we somehow just time to back up a belief with our water we need so desperately might we drain.

State Bank has done it again! Tommie Wallace--not satisfied with the rainmaking attempts--has all-page "want" ad in this week's issue. The ad calls for 2 inches of rain in two weeks, the "contract" starting on Aug. 13.

State Bank has been very fortunate in two "want ads" published for the bank. One ago was advertised for a 2-inch rain in a long wet spell, the bank had asked for 15 days of hot, dry weather.

The newspaper was fortunate, he agreed to get results or publish the press your fingers, here we go again. Now, both CSB and The Slatonite are violent weather that might occur.

HOME FROM CAMP--Slaton High School cheerleaders returned home Friday night from cheerleading school at the Camp of Champions in Roswell, N.M. They are pictured above during a practice session at camp. Front row, left to right, are Glenna Smith, Cindy McWilliams, and Cynthia Akin; standing, Loretta Dillon, Dee Dee Carter and Judy Eblen.

Slaton City Commission, in a special meeting Tuesday afternoon, continued its study of a proposed city-operated ambulance service, but took no formal action.

Mayor David Hughes said the commission "may meet Saturday morning" to take action on the matter. Commissioners are studying the costs involved in an ambulance and equipment.

Commissioners also approved the appointment of a City Board of Equalization. Named to the board were Bland Tomlinson, Jack Smith and T. H. Basinger. A public hearing of the board was set for Aug. 13, from 8 a.m. to 5 p.m., in the Municipal Building.

The commission accepted the

Showers Room West of Slaton

Western portions of the South Plains got more rainfall and the rest of the area enjoyed cooler temperatures as a slow-moving cool front pushed through the region Sunday.

Moisture in the Slaton area was apparently limited to a line of showers extending from southwest of Lubbock to Wilson. Amounts ranged from a trace to .70 of an inch.

Heaviest rain report on the South Plains was at Bovina where 2.5 inches fell. A light hail was recorded near New Home, and high winds unroofed some highway department buildings at Post, where .60 of an inch of moisture was reported.

Cotton crops have held up well under the long, hot summer weather. Most farmers agree that good pre-planting rains have made the big difference. Cotton prospects are still bright with some "good rains" needed in the near future to create bumper crops. Dryland cotton and feed is showing the effects of the hot temperatures.

The purple martin, who some say can easily eat its weight in the disease carrying, summer spilling mosquito, is scheduled to migrate south in late August. Fondy, who said the project is a challenge, is looking forward to seeing if the experiment is successful.

If Slaton is the purple martin's "kind of town," Fondy will encourage others to build similar houses to make the recreation areas, ballparks and residences in Slaton more enjoyable. Thus far, there are only two other such birdhouses in Slaton. One is in the yard of Don Hatchett, 955 S. 19th, and the other is at Mrs. H. G. Sanders' residence, 500 W. GARZA.

low bid of High Plains Pavers, Plainview, on a seal-coating project for about 18 blocks of city streets. Cost of the project will be \$5,500--the budgeted amount for street maintenance.

The low bid on the project was \$6,380 from High Plains Pavers, while the only other bid was \$7,960 from W. D. Turner Construction of Lubbock. The city will adjust the work included on the bid so that the total figure will be \$5,500.

Bill Wauer, representing the city's engineering firm of Parkhill, Smith & Cooper, attended the bid opening at the commission's regular session Monday night. Bids were opened then, but a quorum was not present. Mayor Hughes set up the special Tuesday meeting after only he and commissioner J. S. Edwards appeared Monday night.

Commissioners Edwards and Otis Neill attended the Tuesday session, along with the mayor. Absent were commissioners Floyd Guelker and Rudy Dominguez.

In the meeting Monday, George Harlan appeared before the board to discuss a discrepancy in the amount of city land he is farming at the municipal airport site. Hughes and Edwards agreed that the matter should be rectified on a fair and equitable basis.

Back-to-School Values Offered

Fabulous Friday comes to Slaton again this week with Back-to-School Dollar Day bargains the theme of the retail trade committee promotion.

Special advertising supplements are included in this week's Slatonite to headline some of the specials being offered by merchants. Be sure to take a look at the back-to-school values, some of them being offered on both Friday and Saturday.

Fabulous Friday is held the first Friday of each month with retail merchants joining together to offer "dollar-day" bargains for Slaton and area customers.

Police Check Two Break-Ins

Two break-ins of Slaton firms were being investigated by police this week, and three accidents were recorded during the week.

Police made 17 arrests, issued 18 traffic tickets and held four prisoners for the Texas Highway Patrol.

Break-ins were reported at Slaton Steam Laundry and the TNM&O Bus Station. The laundry was entered sometime Saturday night after a burglar broke a rear window. Owner Ken Henderson reported that some change was taken from a Coke machine.

The soft drink machine was also burglarized at the bus station and some candy was taken. Entry was gained by breaking the glass on the front door.

All three accidents were minor with no reported injuries. Joe S. Cornish of Lubbock and Seldon Wilborn were drivers of vehicles involved in a collision Sunday night at the intersection of Industrial Drive and Cemetery Road. Total damage was tabbed at \$120.

Frank G. Samuels of El Paso and Robert Caudillo were drivers in a two-car accident on Railroad Ave. early Sunday morning. Total damage was estimated at \$200. Friday afternoon, a collision of cars driven by Evelyn T. Thomas and Henry Bollinger was reported at 8th and Lubbock streets. Damage was estimated at about \$200.

Services Pend For Dale Lane

Dale D. Lane, Rt. 1, Slaton, was dead on arrival at Highland Hospital in Lubbock following an apparent heart attack at 11:30 p.m. Tuesday.

The owner-operator of Dale's Liquor Store on the Slaton Highway was 61 years old.

At press time Wednesday services were pending at Sanders Funeral Home in Lubbock.

New Bug Control: 'Swallow' Them!

By KATHY WALTER

Mosquitoes can be sprayed, swatted, slapped, even swarmed, or -- they can be swallowed. A most unusual experiment in mosquito control is being conducted by Slatonite John M. Fondy Jr., 1000 W. Crosby.

An avid nature enthusiast, Fondy read of the purple martin, a large type of swallow who eats up to 2,000 mosquitoes at each "meal." He decided the bird was worth investigation, and to attract the migrating species, he built a

large, unusual birdhouse which the martin requires.

An experiment conducted at Beaver Reservoir in northwest Arkansas proved the birds kept the recreation areas mosquito free. The martins are common throughout the United States and have been spotted as far south as Plainview and Tahoka, but are found more frequently from Wisconsin to Amarillo. However, none have been seen in this locale.

"The purple martin is a very particular bird," Fondy commented, "and requires a specific sized house."

Fondy's 20 room structure is two feet square and about 30 inches high. It is mounted on a 16 foot pole. The holes are 2 1/8 inches high, one inch from the bottom of the house and are cedar trimmed for durability.

Each of the six inch cubicle "rooms" are ventilated with the same type system used in large barns. It also helps keep the house clean, another requirement of the purple martin.

"The best thing about the birds," Fondy remarked, "is that once they are started, they'll keep coming back." He explained how the colonies send scouts out to locate suitable houses. Even when the mosquitoes have been sprayed, the birds, if they have established the stop as a good one, will return and feed on the poisoned insects.

The purple martin, who some say can easily eat its weight in the disease carrying, summer spilling mosquito, is scheduled to migrate south in late August. Fondy, who said the project is a challenge, is looking forward to seeing if the experiment is successful.

If Slaton is the purple martin's "kind of town," Fondy will encourage others to build similar houses to make the recreation areas, ballparks and residences in Slaton more enjoyable. Thus far, there are only two other such birdhouses in Slaton. One is in the yard of Don Hatchett, 955 S. 19th, and the other is at Mrs. H. G. Sanders' residence, 500 W. GARZA.

Head Start Program Ends

Another successful Head Start Program came to a close Friday in Slaton with 95 students registered for the program. The program is financed by the federal government primarily for disadvantaged pre-school children.

Of the 95 children registered this year, 64 will start to school in September. The others were younger. Fifty-three were Latin, 39 were Negro and three were Caucasian.

The school had been held in Stephen F. Austin school last year but HEW requested it be changed to Slaton Junior High School this year. O. B. Allen served as its director and 18 teachers, lunch room workers, aides and a nurse were hired by the government to work during the program.

Volunteers who helped during the eight weeks were Olivia Benevides, Sylvia Hernandez, Carter Lankford, Willie Freeman, Debbie Greenfield, Brad Clark, John and Robert Van Meter and Beverly Slay.

The children were fed a mid-morning snack and a hot noon meal. It was reported that dental

"It's not difficult to meet expenses these days. In fact, you meet them every time you turn around."

Employment Service Starts at Chamber

Interest in the new employment service offered by Slaton Chamber of Commerce is picking up, it was reported this week by manager Ted Weaver.

The Chamber recently initiated the service at no cost to employers or persons seeking employment. Job seekers can fill out applications at the office, and employers have access to the information.

BIRD MANSION--John Fondy, 1000 W. Crosby, constructor of the 20-room birdhouse towering in the background, is hoping this specially built bird paradise will attract the mosquito-eating purple martin. The martin, a large type of swallow, is "particular" about his habitation, each requiring a private room, Fondy claims. (SLATONITE PHOTO)

VFW Auxiliary To Entertain At VA Hospital

Ten members of the Ladies Auxiliary to the VFW Post 6721 met Monday at 8 p.m. to make plans for its annual visit to the VA Hospital at Big Spring on August 28.

The auxiliary serves cake and punch to the patients that night and also take pocketbooks for the recreation rooms and stockings which are used in therapy by the patients.

The group voted to send registration for Mrs. Louise Underwood, president, for the VFW and Auxiliary National Convention to be held Aug. 15-22 at Philadelphia, Penn.

A discussion was held and tentative plans made for a rummage or garage sale to be held at a later date. All members were urged to save their "White Elephants".

Mrs. R. O. Moore was recipient of the door prize. The meeting adjourned for a steak supper served by the VFW Post members. The next regular meeting for the auxiliary will be Aug. 11 at 8 p.m.

Cheryl Henry Marries In Austin

Miss Cheryl Kay Henry became the bride of James Robert Young Saturday evening in Congress Avenue Baptist Church in Austin with the Rev. Gordon B. Bays officiating. A reception at the Ramada-Gondolier followed the ceremony.

The bride is the daughter of Mr. and Mrs. John W. Henry III of Austin. Her grandparents, who attended the ceremony, are Mr. and Mrs. J. W. Henry and Mr. and Mrs. Luther Faulkner, all of Slaton. The bridegroom is the son of Joe F. Young of Houston and Mrs. Kathryn Young of Spring.

The bride, a graduate of Travis High School, attended Blinn College. She is employed by Shell Oil Co. in Houston. The groom graduated from Klein High School in Spring and attended Blinn. He is a student at Texas A&I University in Kingsville. Following a trip to New Orleans, the couple will reside in Houston.

Mr. Henry gave his daughter in marriage. Miss Cathy Hunley was maid of honor. Bridesmaids were Miss Janis Har-

mel of Burton and Miss Sandra Hopkins. Miss Rhonda Young, the groom's sister, was junior bridesmaid.

Dawayne Shirley of Pasadena was best man. Groomsmen were Glenn Tegler of Bellville, Darrel Craft of Houston, and the groom's brother, Randy Young of Spring. Rickey Henry, the bride's brother, Ronnie Young of Spring, a brother of the groom, and John Vann of Houston were ushers. Rodney and Renae Young, the groom's brother and sister, were ring bearer and flower girl.

The bride wore an empire gown of silk organza with a high neckline and full Juliet sleeves. The bodice and cuffs were of Venice lace and the chapel length court train was of organza. She wore a tiered veil of English illusion held with clusters of pearl-centered flowers. Her flowers were pink feathered carnations, white roses and lilies of the valley, centered with a white rose corsage.

Her attendants wore powder blue dotted swiss gowns and carried nosegays of pink feathered carnations. They wore fresh flowers in their hair.

Also attending from Slaton were her aunt and family, Mrs. Connie Locke, Cindy, John and Melissa and Pam Henry. Cindy was in the house party.

Shower Honors Miss Goodman

Miss Mary Goodman of Temple, bride-elect of Rueben Walter, was honored with a miscellaneous shower last Friday night in the Grace Lutheran Parish Hall, 840 W. Jean St.

Games were played and refreshments of finger sandwiches, mints and punch were served from a table decorated with the honoree's chosen colors of green and yellow.

Special guests included Miss Goodman's mother, Mrs. Jimmie Goodman, also of Temple, and the mother of the prospective bridegroom, Mrs. W. H. Walter, Rt. 2.

Miss Kathy Walter registered the 30 guests who attended. Hostesses were Mmes. Wallace Becker, Carlton Schaffner, Bob Camden, Alvin Becker, Selma Kiesel, R. M. McMinn, Leroy Zieschang, Edmund Wilke, Ida Rushing and Willie Becker.

The couple will marry Saturday in the First Lutheran Church of Temple.

Mrs. Darrell Baugh and children from Eustis, Fla. are here visiting her parents, Mr. and Mrs. W. H. Bartlett, this week.

Mrs. D. B. Kiser spent last week in Dallas visiting her daughter, Marchita. Mr. Kiser joined her for the weekend and they returned home Sunday.

Glenna Smith In Hospital

Five of Slaton's cheerleaders returned home Friday night by bus from the Camp of Champs at Roswell, N.M. where they attended a five day session of instruction. The sixth cheerleader, Glenna Smith, made an early arrival back in Texas when she became seriously ill.

The cheerleaders, who had received three outstanding ratings and were judged third best in the entire school, became concerned about Glenna when she said she wasn't feeling well. Her parents went after her and after being checked at a hospital at Roswell and again at Methodist Hospital in Lubbock, was sent home on Friday. Then on Saturday, surgery was performed which revealed she had suffered a ruptured appendix. She has been in intensive care since undergoing surgery. She is the daughter of Mr. and Mrs. Elza Smith.

Over 170 girls attended the sessions at the Camp of Champs this year. The Slaton cheerleaders earned the money for the trip. Mrs. Audean Nowell is their sponsor. Cheerleaders other than Glenna are Dee Dee Carter, Judy Eblen, Cindy McWilliams, Cynthia Akin and Loretta Dillon.

Mr. and Mrs. Clark Self Jr. and children returned Sunday from a trip to Six Flags Over Texas.

MRS. LEONARD DON HURST
...Donna Lankford

Double Ring Vows Unite Couple

Double ring wedding vows were exchanged at 7:30 p.m. last Saturday in First United Methodist Church here by Miss Donna Beth Lankford and Leonard Don Hurst. Rev. Bruce Parks, pastor, officiated for the ceremony.

Parents of the couple are Mr. and Mrs. O. E. Lankford and Mr. and Mrs. R. J. Hurst, all of Slaton.

Given in marriage by her father, the bride wore a gown of pale pink organza over white satin with a pale pink lace jacket and train. Her dress was designed with an empire waistline. She carried a bouquet of white miniature mums and an orchid atop a white

Bible.

Miss Jan Walton of Bushland served as maid of honor, and matron of honor was Mrs. Dennis McKinney of Lubbock. They wore pale pink street-length dresses designed with an empire waistline and carried a single long-stemmed rose.

Larry Pickens of Slaton was best man, and Tommy Lankford, brother of the bride, served as groomsmen. Usher was Carter Lankford, also a brother of the bride, and candles were lighted by Lyndale Hurst, nephew of the groom, Denice McCowan of Amarillo, niece of the groom, was flower girl and ring bearer was Don McCowan of Amarillo, a nephew of the groom.

Wedding music was furnished by Frances Pate, pianist, from Galveston.

A reception was held following the ceremony in Fellowship Hall of the church.

The bride is a 1968 graduate of Slaton High School, attended

Stephen F. Austin plans to attend Slaton High School. Hurst is a 1968 Slaton High School graduate. Stephen F. Austin is presently employed by Santa Fe Railroad and will reside in Slaton.

A rehearsal was held last Friday at the church in Lubbock.

Jan Scott Salt Lake

Jan Scott, daughter of Mr. and Mrs. Cecil Scott, attending the 27th convention of Kappa Delta University of Utah in Salt Lake City, Aug. 25 to 28.

Miss Scott will represent Slaton as delegate from Chapter at Southern College, Weatherford, Texas, in the national convention.

Kendricks Home From Vacation

Mr. and Mrs. Don Kendrick and children are home from a two week trip. They visited Kendrick's sister and her husband, Mr. and Mrs. Alan Reasoner in Daleville, Ala. where he is stationed at Fort Rucker.

Other points of interest they enjoyed were Panama City on the beach, Gulfport, New Orleans where they toured the USS Alabama Battleship, and saw a baseball game at the Astrodome where they saw other Slatonites, the V. G. Brownings.

The Kendricks visited her brother and family, Mr. and Mrs. Bill Greer and Mark in Conroe. The last week of their vacation was spent at College Station where Kendrick attended Firemen's Training School.

In Slaton 50 Years Couple To Observe Golden Anniversary

Mr. and Mrs. John A. Steffens will celebrate their golden anniversary with a mass in St. Joseph's Catholic Church Tuesday, August 5 at 3 p.m. The couple's children will host a dinner in their honor at St. Joseph's Hall following the mass. They have four sons, A. F. and Ralph of Nazareth, Leonard of San Lorenzo, Calif. and Harold of Slaton; and three daughters, Mrs. Don Alspaugh of Uvalde, Mrs. C. J. Melcher and Mrs. Joe L. Kitten, both of Slaton.

MR. AND MRS. JOHN A. STEFFENS

Teacher Attends Area Workshop

Wanda Hurst, who teaches at West Ward in Slaton, is attending a week-long workshop this week in Lubbock, sponsored by the Region XVII Education Service Center (ESC). She is participating in the Basic Educational Graphics Workshop that is being conducted in the media division of the ESC. The workshop is being taught by David Cobb, audio-visual coordinator at Estacado High School in Lubbock, and is one of a series of 10 such workshops conducted this summer by the ESC.

Farm Bureau Queen Entries Sought

Entries are now being accepted for the annual Lubbock County Farm Bureau Queens Contest, scheduled for 8 p.m. Aug. 8 in the Frenship High School Auditorium. The contest is open to all daughters and sisters of Farm Bureau members who are actively engaged in agriculture. Entrants must be single and between the ages of 16 and 22. The winner will receive a loving cup and will advance to the district competition later this year. Contestants will be judged on appearance, poise, personality, and a one-minute speech on why they are glad their family is a member of the Farm Bureau. Contestants already entered are Sandra Martin, daughter of Mr. and Mrs. C. L. Martin, and Sherry Hamilton, daughter of Mr. and Mrs. Clifford Hamilton, all of New Deal. Deadline for entries is 5 p.m. Aug. 4. More information can be obtained at the Farm Bureau office, 5605 S. Ave. Q, or by calling SH7-5271. The moon's diameter measures about a fourth of the earth, its volume a fiftieth, and its mass about a hundredth.

Mrs. R. C. Hall Jr., chairman of Story Time at Slaton Branch Library, reported this week that the monthly Story Time will be held again this Saturday, Aug. 2. The 10 a.m. session is for children kindergarten, first and second grade age and the 11 a.m. session is for third graders and older. Story tells this week will be Mmes. R. L. Smith, D. W. Walston, Paul Buchanan and Hall. All children are invited to come and check out books before they leave.

Soft Mood In New Fall Hair Styles

A soft mood that is totally feminine inspires hair fashions for fall, according to the new styles introduced for the season by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. The new styles, termed "Soft Mood" hair fashions, were unveiled in Honolulu before several thousand hairdressers from every state of the nation meeting for the national premiere of autumn coiffures by the hair fashion authority of the beauty profession. The softness in the new hair fashions is literally one of sensuous feel, reflecting that of the rich fabrics in clothing fashions for the season. The mood is one of new attitudes, a spirit of awareness of the importance of the individual. An essential plus in the new hair styles is that they must give a new sense of awareness to the beholder; they must make you aware of the woman before you notice her hair style. Then, and only after, you become aware of the softest and silkiest hair that fashion has ever conspired to give to a woman. So much for mood and feeling in the new styles. In design, they appear to be more simplified, less contrived, than in other seasons. In some of the styles, the interest was captured by supple, loose waves that flowed in sensual and easy lines from a soft rise at the top of the head down to the nape and around the ears where they sprang away from the head in soft bursts of curls. However, there were just as many other heads that were an explosion of soft curls, expertly arranged to give height at the top of the head and to frame the face. All of the curls were "see-through" curves, light and airy, arranged with seemingly natural abandon. They traced a delicately flattering filigree of silky curves that was both touchable and wearable at the same time. Hair in these styles begged the nape, gave a soft rise to the back crown, and flowed forward to be brushed up and away from the head in the forward crown area and around the face. Still other styles combined both waves and curls in an easy harmony of supple movements and playful curls, which gave a look of fluid transparency and airy lightness. Generally, hair designs for day were more simple in concept, more uncomplicated in

CURLY MOOD COIFFURE

waves and curls, and gives the hair styles a wonderful ease of wear, as well as great versatility for recombining into variations of the original style. In hair coloring, deeper tones are brightened by lighter shades of the same color range. This depth of tone also extends through a wide range of blonde shades, including the softest taupe and fawn, as well as the richest amber. Reds in a wide band of rich hues are expected to surge forward strongly. Make-up is softer, more natural in appearance. Skin tones are warm, glowing with a transparent sheen. There is none of the hard prettiness that heavy eye liners accentuated in the past. Eyes are velvet soft. Lips are soft and generous, too, taking on a special dimension of depth with see-through colors.

THREE--Sister Frances Helen Mosser of San served her Golden Jubilee as a Sister of Divine in a celebration here Sunday at St. Joseph's shown with her sister-in-law, Mrs. Louis Mosser, and is the only survivor of the late Mr. Mosser. (SLATONITE PHOTO)

Sister Reunion Held Here Sunday

Persons were prepared for a reunion at St. Joseph's Hall. Held in connection with the 50th anniversary of the observance by Sister Helen Mosser, sister and survivor of Louis Mosser who 50 years ago as a Sister of Divine entered the Lake Convent at St. Joseph's. Sister Helen entered at Our Lady of the and took her vows some two years ago was celebrated evening by Rev. Aloys Fuhmann, pastor of St. Joseph's. Mrs. Louis Mosser children were the first time in 1919, Alvis of Los Angeles, was unable to attend. Ben F. Austin, presently employed at a Fe Railroad, reside in Slaton, was at the rehearsal on Friday at the Slaton. In Scott, Miss It Lake. Mrs. Scott, Mrs. Mrs. Cecil, the 27th of Kappa, of the Aug. 25 to the is Scott will delegate from at Slaton, Weather, on the estate at the con-

LASATER-HOFFMAN

Sla-Ton Tops At Salad Supper

The Sla-Ton Tops club attended a Salad Supper in Lubbock last Thursday night. Ten members were present. A fruit contest has been started by the weight watching club. Interested persons may contact Margie Green or come to the regular meetings of Thursdays which are held each Thursday at 7 p.m. at the Mercy Hospital Dining Room.

"She handles the cars that are hard to start." If your car is hard to start, let us help you. It could be one of a number of things, and we're more than likely to have the answer handy. We're at your service.

Wilson Oil Company
Phone 628-2061
Wilson, Texas

It doesn't complicate your life.
Maverick is the simple machine—simple to own, simple to repair, simple to service, simple to drive.

It doesn't cost a lot.
With prices everywhere going sky-high, Maverick comes along with a down-to-earth price—\$1995.*

It doesn't cost a lot for maintenance.
You can do most maintenance jobs yourself, if you want. If your mechanic does it, he can do it in a lot less time. Great when time is money and the money is yours.

It doesn't need a lot of service.
Maverick oil changes and chassis lubrication come less often than in the leading import. (Isn't it time you started seeing less of your mechanic and more of your car?)

It doesn't burn a lot of gas.
Maverick gives you the kind of mileage you'd expect from a little import—even with a powerful six-cylinder engine.

It doesn't hold back on power.
Turn on the engine and turn loose 105 horses—nearly twice as much as the leading import. This means highway power, passing power. The kind of power you need.

It doesn't have a tiny trunk.
Maverick gives you 10.4 cu. ft. of trunk space—nearly twice as much as the leading import. Now the whole family's luggage can go along for the ride.

It doesn't squeeze you in.
Some big people live in this country. That's why we made Maverick bigger than the imports. Lots of legroom and shoulder room.

It doesn't squeeze you out.
It's great for parking, great for handling, great for zipping through traffic.

It doesn't handle like a kite.
The road might be wet and the wind strong but Maverick's tread is wider than the car is high—great for stability. (Most economy imports are higher than their tread is wide.)

It doesn't follow the herd.
Maverick's new, different. A bright idea with bold, new colors. See your Ford Dealer for the rest of the story. Find out why Maverick is the hottest selling new car to come along since Mustang.

Cheaper by the doesn'ts.

It doesn't skimp on essentials.
Maverick gives you tough brakes, unitized body construction, rustproofing, and four coats of paint. Its 3-speed transmission is able to handle twice as much horsepower as the engine turns out.

MAVERICK Ford

FORD MAVERICK \$1995*

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Dearborn, MI, Detroit, Michigan 48211. (Offer ends July 31, 1969.)

*Manufacturer's suggested retail price for the car. Price does not include: white sidewall tires, \$32.00; dealer preparation charge, if any; transportation charges, state and local taxes.

Water Plan A "MUST"

TEXANS ON AUGUST 5 will determine the course our state will take into the next century. One course, begun nearly two decades ago and ready for action now, will provide adequate water resources to keep Texas moving ahead with vision and determination. The other leads to stagnation and decline because of an inadequate water supply.

WHAT IS AMENDMENT NUMBER TWO?

Amendment No. 2 authorizes the Texas Water Development Board to issue \$3.5 billion in bonds to finance Texas' share of the cost of the Texas Water Plan. This money is not to be used to provide gifts or grants, but will provide temporary financing which will be repaid by water users. The Amendment also removes the 4 per cent ceiling on Water Development Bonds.

WHAT IS THE TEXAS WATER PLAN?

The objective of the Texas Water Plan is to provide adequate water to maintain the growth and prosperity of Texas into the next century when it is estimated that we will have a population of 30.5 million people. The Plan provides for the full development of our water resources and the importation of surplus water from the lower Mississippi River for distribution to areas with declining water resources.

WHO IS TO PAY FOR THE PLAN?

Cost of the \$9 billion Texas Water Plan—Texas' share is estimated at \$3.5 billion—will be shared by local, state and federal governments, with those who ultimately use the water paying much of the costs of the Plan.

WHY DOES TEXAS NEED A WATER RESOURCE PLAN?

By the end of this century—in just 31 years—Texas will not have enough water to supply its growing cities, its expanding industry, and its irrigated agriculture. To assure an adequate water supply, the state has prepared a plan for the full development, management and use of its water resources—and an imported water supply—to serve Texas to the year 2020 and to assure all Texans water to meet their needs.

WILL THE PLAN PROVIDE ADEQUATE WATER FOR TEXAS?

Yes. With our current major reservoirs (157), the proposed full development of our water resources (67 dams and reservoirs) and an imported supply of water, Texas can meet its water demands to the year 2020.

WHO WILL BENEFIT FROM THE PLAN?

The people of Texas will benefit from the Texas Water Plan. The plan provides for meeting all essential and beneficial water requirements throughout the state. The Plan will provide water for domestic and municipal uses, for industry, for agriculture, for recreation, for our bays and estuaries, and for other beneficial purposes. The Texas Water Plan will provide Water for Texas!

Water Plan Provides Protection To Wildlife, Boswell Declares

AUSTIN—The director of the Texas Water Development Board says the statewide water plan provides adequate protection to wildlife and offers more water to bays and estuaries than in times of low river flow. Howard Boswell held a news conference Friday to answer critics of the proposed constitutional amendment authorizing a \$3.5 billion bond issue to finance the state's share of the water plan. He also said an unnamed state has offered to sell Texas surplus water. "We have been approached by another state asking if we are interested in some surplus water," he said. Boswell declined to name the state or the river basin involved but said more would be revealed later.

CRITICS OF PLAN Criticism of the plan has come from conservationists who fear it will destroy the balance of nature in river basins, bays and estuaries. Other critics contend it will be a tremendous burden on taxpayers. Boswell made these points: The bond issue includes \$164 million to pay half the capital costs of structures needed to provide fresh water to bays and estuaries, which he said will get more water than they presently do in periods of low river flow. The Texas Parks and Wildlife Department has looked at the plan and "has offered no suggestions for improvement." No state bond money will be used for irrigation works,

meaning the federal rule limiting irrigation by any one landowner from a bureau of reclamation project to 160 acres will apply. **COULD TRY AGAIN** Voter rejection of the bonds Aug. 5 won't necessarily mean the death of the plan, since the amendment can be resubmitted. Boswell verified the accuracy of a Texas Research League report that it would cost taxpayers \$630 million between 1978 and 1991 to make interest and principal payments on the bonds. He also said it is correct, as some have asserted, that interest charges will double the cost of the bonds, to \$7 billion. Asked about the proposed import of water from the Mississippi in the river past the point where Texas would make its diversion is 400 million acre-feet a year. "We are asking only 12 million acre-feet," he said. An acre-foot is 325,851 gallons.

Bond Interest Boost Proposal Is Outlined

The Treasury has asked Congress to remove the interest rate ceiling on Savings Bonds and other Government securities. When asked about the Treasury proposal, Rex Brack, Texas Chairman for U. S. Savings Bonds, stated—"If the legislative request is approved, the interest rate on Series E and H Savings Bonds will be raised from the current 4.25

per cent to 5 per cent, if held to maturity. The increase would be retroactive to June 1, 1969. "All outstanding E and H Bonds would enjoy the benefit of the new 5 per cent rate, beginning with the first semiannual interest period which starts on or after June 1," Brack continued. Series E Bonds would have their maturity period reduced

from 7 years to 5 years, 10 months. H Bond maturity would remain at 10 years. Both E and H Bonds would enjoy an automatic extension period.

The present 5 per cent rate on Freedom Shares would continue unchanged until they are removed from sale 6 months after the proposed legislation becomes law.

Picturephone Moves Closer to Reality

Western Electric, supply unit for the Bell System, is working on several dozen telephone sets that can "see" -- after making more than 170 million phones that simply "talk." While still in the developmental stage, the Picturephone is moving closer to the day when "see-while-you-talk" service will be available throughout the nation, said Jerry Martin, southwestern Bell manager. Already, early models of the Picturephone are "outmoded," with Western currently planning production of a more soph-

isticated Model II Picturephone set, Martin noted. He said Bell Telephone Labs has replaced the conventional camera tube -- used in the first models -- with its own development, a silicon target tube. Martin said the pick-up surface of this tube is only a half-inch square, yet it contains 800,000 separate parts, called diodes. "It is so sensitive that this special tube can transmit a picture from an almost completely darkened room," Martin said. "At the same time,

Two Are New Two new small appliances with expected promising futures are the beautifying-mist hair dryer and the steam-press valet. The hair dryer moistens the hair before drying. The valet is book-shaped and garments are pressed between teflon-coated plates as the valet is moved along the fabric.

Such features are important, he noted, because Picturephone sets are not designed for use by television engineers in professionally lighted studios, but rather by anyone in home or office. AT&T recently began a Picturephone service trial between Westinghouse Company offices in New York and Pittsburgh. The Bell System hopes to offer Picturephone service on a limited basis in the 1970's.

Water Plan Promotes Ecological Balance

AUSTIN—The Texas Water Plan is the first major water plan in the United States where substantial provision is made for maintaining the ecological balance, declared a 45-year veteran of water engineering in Texas. S. W. Freese of Freese, Nichols and Endress, Fort Worth based consulting engineering firm, said the plan is essential to the welfare of the state and added "the framework of the plan is sound." "The passage of Constitutional Amendment No. Two on Aug. 5 is a first step toward carrying out the plan," he said. The noted water engineer and his associate, R. S. Gooch in a prepared statement dealt specifically with comments made by University of Texas Professor Daniel E. Willard criticizing the plan. The biology professor's main field of research is in the metabolic processes in cold-blooded animals, according to his own testimony before a state agency recently. Professor Willard reasons that providing more water will cause a substantial growth in population and he does not consider this a worthwhile objective of the plan. Freese said the growth in population will take place with or without the water plan. "All that the Texas Water Plan does is to help insure

that the water is in a timely and equitable manner. "The Texas plan deals specifically with the maintenance of the ecological balance, declared a 45-year veteran of water engineering in Texas. S. W. Freese of Freese, Nichols and Endress, Fort Worth based consulting engineering firm, said the plan is essential to the welfare of the state and added "the framework of the plan is sound." Water Plan Film Presented To Lions Club

"A Time for Action" was the title of a film presented at the Slaton Lions Club regular weekly luncheon meeting recently at the Community Clubhouse. The film, concerning the Texas Water Plan, was introduced by Gerald Ivey, associate director and general counselor for Water, Inc. He was accompanied by Jimmy Ross, staff member of the High Plains Undergroud Water District. Ivey is from Austin and plans to move to Slaton as soon as suitable housing is located. He spent much time in preparing the legal plans for passage of the Texas Water Plan in the State Legislature. The film stressed the urgent needs of the state to plan for water in future years. It pointed out that the water plan takes into consideration the needs of all parts of the state.

that the water is in a timely and equitable manner. "The Texas plan deals specifically with the maintenance of the ecological balance, declared a 45-year veteran of water engineering in Texas. S. W. Freese of Freese, Nichols and Endress, Fort Worth based consulting engineering firm, said the plan is essential to the welfare of the state and added "the framework of the plan is sound." LETTERS to EDITOR

Dear Editor:
Now that we have been successful in going to the moon and returning, it behooves the writer to question the inability of having adequate water for the state of Texas.

I wish to urge each voter in the state of Texas to become interested in our great state having sufficient water; therefore I am requesting that each voter go to their respective voting areas and vote in favor of Amendment No. 2 on August 3.

It is imperative that this amendment be passed so that we may continue with the Texas Water Plan which is set up to furnish adequate water for the state of Texas.

The purpose of Amendment No. 2 on the August 5 ballot is to provide the state of Texas with the financial capability that will be needed to place Texas in a very strong position to discuss with the United States Congress and federal agencies their participation in the development of our water resources.

This would place Texas in a better position to have control of the development, management, and use of its water resources. No bonds will be sold until the money is needed for the actual construction and repayments of principal and interest.

Only those individuals, corporations, and municipalities who use the water will have to pay for it; therefore it is very vital that we all vote in favor of Amendment No. 2 so as to maintain and continue the splendid growth of Texas and the Southwest.

Sincerely,
Solon Clements
1236 First National-Pioneer Bldg.
Lubbock, Texas 79401

Weaver Attends C-C Institute

Ted Weaver, Manager of the Slaton Chamber of Commerce and Board of City Development, for the second consecutive year attended the Institute for Organization Management at Texas Christian University in Fort Worth last week.

The Institute's management development curriculum provides an annual, week-long educational opportunity which the chamber executive can attend throughout his professional career.

Over 200 chamber of commerce executives, primarily from the Southwest, were enrolled in the Chamber of Commerce of the United States sponsored school.

"In order to cope with the increasing problems facing the business and professional community, today's chamber executive must be equipped as never before with knowledge and skills to do the job expected," Weaver said.

"I believe continuing education is important to me and my organization program and the Institute provides a solid week of the most practical kind of education training."

Weaver has been working for the Slaton Chamber since August of last year.

Litter Train

Litterbugs in 1965 will dump enough trash on U.S. streets and highways to fill a freight train stretching from Chicago to Houston, Tex. a distance of about 1,800 miles. The hypothetical train, explains Keep America Beautiful, Inc., would be made up of more than 1,000,000 average-size freight cars with a total capacity of about 20 million cubic feet.

Lots Of Rice

The United States, with only two per cent of the world's rice acreage, is the biggest exporter of rice in the world.

Health Clinic Slated Here

The Well Child Conference and Immunization Clinic will be held in Slaton next Thursday. It is held monthly on the first Thursday.

The immunization will be from 1:30 - 3 and is for those

not under the care of a physician. There is no charge.

The conference will be in Triumph Baptist Church at E. Geneva and S. Johnson St. at 10 a.m. and is by invitation only.

HEAD START PROGRAM FUN--Pictured above is a small group of the 95 students and two teachers who attended Head Start the past eight weeks in Slaton. The program was held in the Slaton Junior High School building this year with O. B. Allen serving as director.

Florez Home Burns Saturday

Extensive damage was done to the Jesse Flores home located at 400 South 5th St. Saturday when fire broke out in the kitchen area about 6:15 p.m. Mrs. Flores and their children had gone to the grocery store when neighbors saw smoke coming from the home. Flores was gone from home until about 7:30 p.m. when someone told him his house was on fire. When he arrived on the scene, firemen had already extinguished the fire.

Flores said the kitchen was a total loss, most of the roof gone and extensive damage throughout the rest of the house. The couple has seven children; Jesse, 14; David, 11; Joseph, 8; Jeff, 6; Joanna, 5; John, 4; and Jim, 2. They are staying with relatives, the Tony Arguello family temporarily.

Flores said he had some insurance on the house but none on the contents. He is employed by Varsity Press in Lubbock and his wife is employed at Mercy Hospital.

If anyone has dishes, linens, pots and pans, clothes, appliances or anything they would like to give the Flores family, the items may be brought to The Slatonite office.

Floor Stains
Stains on a floor finished with a sealer can be sanded by hand, patched with fresh sealer, and then buffed with fine steel wool.

Minor Car-Train Crash in Lubbock

A Santa Fe switch engine, operated by Hern Pettigrew of Slaton, was in collision with a car at a crossing in Lubbock Monday afternoon.

No one was injured, but the car received damage estimated at \$850. The driver was Raymond E. Smith, 41, of Lubbock. The collision occurred at N. University Ave. and Clovis Road. Police said both the car and the engine were going about 30 miles an hour.

Duncan Returns To Slaton As S-Fe Supervisor

Doyal F. Duncan, transportation inspector for the Santa Fe Railway at Wellington, Kas., has been appointed safety supervisor for the Slaton division of the railroad, with headquarters at Slaton, Tex., according to announcement by J. P. Spears, superintendent at Slaton.

The appointment is effective Aug. 1, 1969. Duncan, 35, a native of Avery, Tex., entered Santa Fe service in July, 1952 as an extra gang timekeeper at Ft. Worth, Tex. He served as secretary to the superintendent at Slaton from

Three Slaton Women Attend Conference

ABILENE--Mmes. Stan H. Jaynes, E. R. Legg and Carroll McDonald were among more than 200 church women who gathered at McMurry College in Abilene the week of July 28-August 1 for the twentieth annual School of Christian Mission of the Northwest Texas Conference, United Methodist Church.

The school is sponsored each year by the Women's Society of Christian Service and the Wesleyan Service Guild of the conference. For several years now it has been held on the McMurry campus. The school attracted Methodist women from a wide area of West Texas, including the South Plains and Panhandle areas.

This year's school featured three studies: "Reconciliation in a Broken World," "Toward Understanding China and the Chinese People," and "Being Christian in a New Day."

Study leaders included Mrs. C. B. McGowan of Baton Rouge, La., Miss Maryruth Nickels of Dallas, Mrs. C. K. Burns of Crawford, Texas, Mrs. Oscar W. Low of Denver, Dr. Allen Lamar Cooper of SMU, Mrs. Robert C. May of Seagoville, Texas, and Mrs. Cecil Matthews of Canyon.

Mrs. Matthews is also conference president of the WSCS. She served as program coordinator for the school. Mrs. LeMond of Post was dean, and Mrs. C. B. Melton of Floydada was assistant dean.

1953 to 1961.

He then transferred to Amarillo as secretary to Amarillo general manager and later served in the same capacity for the general manager, until being appointed traveling car agent with headquarters in Chicago, in 1962. He has been in his present job as transportation inspector since 1964.

Football Forecast Put Slaton In League Circle

A sure sign that football is just around the corner is the appearance of "Texas Football" -- a sports magazine that whets the appetite of West Texas grid fans each year. However, according to the magazine, this is not the year for the Slaton Tigers.

The book includes a rundown and probable finish on teams in each district of the state,

Man Sentenced In Grassland Beating Death

TABOKA (Special) - A Brownfield man pleaded guilty Monday to a charge of murder with malice in the 1968 beating death of an elderly Grassland community woman and was assessed a 30-year penitentiary term by 106th District Judge Truitt Smith.

George Hight admitted his part in the slaying of Mrs. Carrie Wall, who died Sept. 21 last year en route to a Lubbock hospital after a severe beating at her Grassland home the day before.

A second defendant indicted for murder in the same incident, O'Dell Fullbright, will be tried at a later date.

A third defendant, Johnnie Coe, was charged only with burglary with intent to commit theft in the incident. He was given a five-year probationary term after an innocent plea.

Airline Program At Lions Club

Texas International Airways presented a special program for the Slaton Lions Club Monday at a regular weekly luncheon meeting in the Community Clubhouse.

Vance Huckaby, district sales manager of Lubbock, and Sylvia Anderson, TIA hostess from Houston, presented the program. Huckaby outlined a brief history of the company, pointing to its growth from a regional airline to an international carrier. The company changed its name this year from Trans Texas Airlines to TIA.

Miss Anderson told of the qualifications and responsibilities of an airline hostess, answering questions from the members of the club. Dick Hartman was program chairman for the week.

Arvin Stafford presided in the absence of president Glen Akin.

Mr. and Mrs. Bobby E. Taylor and boys returned Saturday from their vacation. They first went to Houston, Galveston, Six Flags Over Texas and then returned home and left for Ruidoso, N.M., where they spent several days.

Potter Now In AIT At Ft. Ord

Pvt. Gary L. Potter graduated from basic training at Ft. Bliss last Friday, attaining the score of "expert" with the M-16 rifle and "sharpshooter" with the M-14 rifle.

Gary was promoted to E-2 grade upon graduation. He has been assigned to Ft. Ord, Calif., for AIT (Advanced Infantry Training).

GARY L. POTTER

YOU CAN SOLVE THE PROBLEM WITH

OUR WANT ADS

and Slaton is listed last in the big 11-member 3-AAA district. Lubbock Estacado, a surprise state champion last year, is picked as the most likely to succeed this season with 7 offensive and 6 defensive starters returning from a 14-0 title squad last year.

Either the magazine didn't know or didn't go to the trouble to rank the teams according to the new zone setup for the 1969 season. They listed 3-AAA teams in this order: Estacado, Dunbar, Sweetwater, Lamesa, Snyder, Colorado City, Brownfield, Littlefield, San Angelo Lake View, Levelland and Slaton.

If you separate them into the Zone A and B divisions as will be played this season, Zone A would have this order: Sweetwater, Snyder, Brownfield, Littlefield, Levelland, Slaton, Zone B would be: Estacado, Dunbar, Lamesa, Colorado City, Lake View.

The publication says about the Texas found AAA competitors even more problems apparent in offensive and defensive units.

"One big plus," FB Larry Moore says, "is Dennis Rusting, McDonald and end Lund are hardy and HB Nicky Smith and guard Ward and Louis help."

The sports manas over Texas west Conference sportswriters voted for Texas SMU, Baylor and SMU in order of the forecast, while the ed SMU, Tech and the Steers and Hogs.

ROOSEVELT NEWS

PAM MIMMS & DIANE MILLER

Little League play-offs were held last weekend at Idalou. Both the Minors and Majors from Roosevelt won first place. Congratulations boys! The Pee Wee tournament began Monday at Roosevelt. Results later.

Judy McGee left last week to visit her grandparents, Mr. and Mrs. M. L. McRae of Los Angeles, Calif.

Weekend guests in the home of Jere Mimms were Mr. and Mrs. Bill Turner of Odessa. Guests in the home of W. H. Walter last weekend were Mr. and Mrs. Jimmie Goodman and daughter, Mary of Temple.

Reuben Walter was home from ROTC training camp in Ft. Benning, Ga.

NEW GRANDBABY
Congratulations to Mr. and Mrs. Darrell Farris of London, England on birth of a daughter, Dara Deann weighing 7 lbs. 2 ozs. Proud grandparents are Mr. and Mrs. Aubrey Pounds of Aulf.

Mrs. Jimmie Davis has been in the hospital recently. Here's hoping she will be up and around soon.

SYMPATHY
Our sympathy goes to the

family of C. B. Beasly. Mr. Beasly died Saturday of an apparent heart attack. Mrs. Beasly, mother first grade Roosevelt.

WANTED 2-INCH RAIN

Must Fall By Aug. 13th !

CSB believes in advertising, and the Aug. 13 deadline is our contract date with The Slatonite.

CSB has been relying on that crack(ed) meteorologist Bill Ball for weather forecasts and rain this summer, but we have waited and waited for him to come through with a general, much-needed rainfall.

Therefore, we are returning to our "old reliable" newspaper want ad. The Slatonite has delivered results on our "want ads" twice the past two years-- once for a 2-inch rain, and again for 15 days of hot, dry weather.

CSB believes that advertising pays, and the Slatonite has promised results or this ad will cost us nothing. We're ready to pay, however, so let it rain!

WILSON NEWS

MRS. TED MELUGIN

Farm Bureau Contest Aug. 7

Next Thursday at 8 p.m. the Lynn County Farm Bureau Contest will be held in the Wilson High School auditorium. Today (Thursday) is the deadline for entrants. They may contact

Mrs. Ronnie Dulin at 924-4981, or Mrs. Weldon Morrow at 924-4412, in New Home. Discussion will be open to all boys and girls between the ages of 17 and 30 who have a father or

brother who is a member of the Lynn County Farm Bureau and actively engaged in farming. The 1969 topic of discussion is "Can the Farm Bureau Survive Another 50 Years?" The

contestants will be judged on their ability to speak and discuss the most logical facts. The girls should wear formals. They will also be judged on poise, personality and appearance. The annual Farm Bureau Contest has been held in the WHS auditorium for the past two years. AT ELECTRIC CAMP Two Wilson 4-H students have returned home from attending 4-H Electric Camp near Cloudcroft, N.M. in the Sacramento mountains. They are Miss Terie Steen and Miss Gayle Neuge-

bauer, daughters of Mr. and Mrs. Walter Ray Steen, Rt. 2, Wilson and Mr. and Mrs. Douglas Neugebauer, Rt. 2, Slaton. The Camp was sponsored by the Southwestern Public Service Company. SYMPATHY SYMPATHY is extended to Mrs. Dale Zant and family in the passing of her father, E.E. Gill. Funeral services were held July 21, at 2 p.m. in the Rosewood Chapel in Big Spring. TO WED Miss Barbara Bullard and James Blankenship will wed tonight (Thursday) in the First

United Methodist Church in Lubbock. She is the daughter of Mrs. Wanda Bullard of Lubbock and he is the son of Mr. and Mrs. Elmer Blankenship of Wilson. A coffee was given Saturday morning from 9:30-11 a.m. in the home of Mrs. Earl Cummings of Wilson, honoring Miss Barbara Bullard. BAND STUDENTS HOME Three Wilson band students are now home after residing in Coleman Hall on Tech Campus in Lubbock and completing a two week music camp. They participated Saturday night in

a band concert in the Tech Union Ballroom to round-up the music camp activities. Those from Wilson were Suzy McCormick, Karen Hobbs and Mary Mason. WHS TWIRLERS Betty Shaw, LaNell Martin and Jan Gatzki completed training at the music camp in twirling. They commuted to Lubbock each day for the two week period. TENT MEETING The Wilson Baptist Church is currently having a "Crusade For Christ" meeting, held nightly at 8 p.m. in Wilson.

Rev. Rudy Shaw is conducting the lessons, in a huge tent on the Little League grounds. Mrs. Yates have been visiting in New Mexico. They accompanied Burks and family on a trip to Cloudcroft. Mrs. Ted Melugin, Eilon Hader and Bennie Yates are present for the all

POSEY NEWS

MRS. P. C. KITCHENS

Hi, there! Crops are looking much better since the nice rain we received last Monday night. This Monday morning is much cooler from the showers Sunday afternoon, after having humid

weather all last week. Mr. and Mrs. Clay Oats had as their guests last week their niece, Mrs. Don Wanjura and son from Tucson, Ariz. Jerry Oats is at Fort Sill, Okla. at this time with the Army reserve. Mrs. Calvin Willis and daughter, Rhonda, from Burnet visited the past week with the Mert Gentrys and other relatives of this area. Robert Boyce of

Slaton also visited Mert Gentry. Mr. and Mrs. Alvis Loke, Carlene and Roy Clay Green spent the weekend at Six Flags Over Texas. Thomas, Vaughn Allen and Jeffrey Gentry spent Sunday night with Mrs. Anna B. Gentry. The boys had just returned from fishing at Duncan Ranch. Mr. and Mrs. Ray Johnson and Brenda have returned from their vacation. They went to Ozarks in Tennessee and also visited Washington, D.C. The Bill Karons took a trip to New Jersey visiting Bill's parents, and Bill also served

as best man in his brother, Johnny's, wedding. The Everett Mangums have just returned from Ruidoso, N.M. All the children brought Mrs. Anna B. Gentry some lovely souvenirs from their places of vacation. Heddie Kelly and Fabian Stahl attended the 50th anniversary in Slaton of Regina Mosser being a nun. They also visited Elizabeth Philipp who is home and doing well, and Augusta Blume and brothers Sunday. Myrtle, Cathy and Paula Kitchens visited Saturday afternoon with Mrs. Vella Merrell

Mrs. Alma West, accompanied by Mr. and Mrs. Joe Clary of Lubbock, spent the weekend in Dallas visiting Bobby Clary, Luwane and Tanya. and other friends in Slaton. I was told of some folks who had news they were going to bring me and they were happy to see the Posey news in print again. A hint to the wise is sufficient. "Forbidden fruit is responsible for many a bad jam." Trust to see you next week.

LETTERS TO EDITOR
Slatonite Newspaper
Dear Sir:
We never hear any news from home, so, would you please send us a Slatonite every week. I want to subscribe for one year.
Sincerely,
Mrs. Ray Edwards

SOUTHLAND NEWS

The fellow who worries about what people think of him wouldn't worry so much if he only knew how seldom they do! How's that for an opener for this sultry Monday afternoon? We had a half inch of rain here in Southland on Sunday afternoon and some farmers reported as much as an inch, but it is still hot and sultry! We sure have been needing some rain, so maybe with this little starter, we will be getting some more, soon!

SYMPATHY
We extend our deepest sympathies to the family and friends of Mr. Hawton Haire, who passed away at 5 a.m. last Saturday. Mr. Haire had lived in the Gordon community for

some 52 years. He is survived by his wife, two sons, Joe of Lubbock and Jack of Slaton; one daughter, Diane Conner of Irving; two brothers, Clyde of Slaton and Hub of Post; seven grandchildren and one great-grandchild. May God comfort this family in their time of grief.

Mrs. G. D. Ellis, who had been confined at Mercy Hospital, Slaton, returned to her home here in Southland on Thursday of last week. Welcome home, Mrs. Ellis.

Mrs. Bill Dodd fell one day last week and sprained her ankle real bad. She is the wife of Brother Dodd, minister of the Southland First Baptist Church. We certainly hope that all goes well with you, Mrs. Dodd.

Mike Mason, son of Mr. and Mrs. James Mason, was at home a couple of days last week pre-registering for the fall semester at Texas Tech. Mike works for the Santa Fe and is living with Darrell Wilke at Ft. Worth.

Dan Eckert, son of Mrs. R. D. Eckert, is now taking his basic training at Lackland Air Force Base in San Antonio.

Mrs. Nellie Mathis returned to her home here in Southland on Friday of last week after spending several months in Oregon. Don't think she likes this hot weather that we are having after enjoying such nice weather in Oregon.

TO MARRY
Congratulations to Miss Kelly Jo Myers and Bruce Beatty who will speak their wedding vows on Saturday, August 2, in the Slaton First Baptist Church. May God bless this young couple and their life together.

The two little daughters of Mr. and Mrs. Pat Adamek spent several days last week visiting with their grandparents, Mr. and Mrs. W. E. Shelton, in Lovington, N.M.

Mr. and Mrs. D. G. Poindexter and David from Seattle, Wash., visited with Mr. and Mrs. Robert Long on Saturday night. Mr. Poindexter and Mrs. Long are brother and sister. David is visiting with the Longs for a few days.

Cathy Long has spent the past two weeks visiting with Cindy Rainald in New Home and her parents are expecting her home today, Monday.

Mrs. Paul Winterrowd, Dahnna, Breonne and Jerry returned to Southland after spending a week in Ft. Worth and Lake Whitney.

Guests in the home of Mrs. Aslee Hollis over the weekend were her nephew and wife, Mr. and Mrs. James Foster and children and Mrs. Lue Miller from Bryan. They returned to Bryan on Sunday.

If your dollar won't do as much as it once did, consider: Are you doing as much as you once did for a dollar? Until next week, so long!

Blanchard Named To Senate Post

Sen. H. J. Doc Blanchard, Lubbock, Monday was elected President Pro Tempore of the Texas Senate. He will serve during the first called session of the 61st Legislature.

Blanchard will serve as Governor for a day on Aug. 15.

Blanchard expressed his appreciation to the Senate for being given the honor of presiding over the Senate when Barnes is not in the chair. Present were Blanchard's wife, Mary, and four of his children, Jeffrey Paul, 16; John Ben, 13; Robert Henry, 9; and William Clifton, 6. His daughter, Mrs. Adrienne Robertson, 20, was not present.

Blanchard served in the House of Representatives during the 55th and 56th sessions of the Texas Legislature. He was elected to the Senate to serve during the 58th session and has been a member of the Senate since that time.

He has chaired many major legislative committees and has been responsible for passage of beneficial legislation including that related to insurance, public health, higher education and traffic safety. He has been active in water conservation efforts in the State.

Born in Denison, he attended public schools in Lubbock. He is a graduate of Texas Tech University and received a law degree from Southern Methodist University. He is a member of a private law firm in Lubbock.

He served in the Army in the Pacific. He entered the Army as a private and was a captain in the Army Engineers when he was discharged in 1946.

A sports enthusiast, he played football and basketball in college and while he was in the service.

His affiliations include Masonic Lodge; Lions; Shrine; Scottish Rite Orders; Methodist church and other civic and legal organizations.

Blanchard's District 28 includes the counties of Andrews, Cochran, Crosby, Dawson, Gaines, Hockley, Lubbock, Lynn, Martin, Terry, Ward, Winkler and Yoakum.

Almost half of Alaska's 25,000 people live near Anchorage, the state's largest city.

Blanchard served in the House of Representatives during the 55th and 56th sessions of the Texas Legislature. He was elected to the Senate to serve during the 58th session and has been a member of the Senate since that time.

Blanchard expressed his appreciation to the Senate for being given the honor of presiding over the Senate when Barnes is not in the chair. IT TAKES
2
YOUR CHAMBER OF COMMERCE AND YOU!

The Slaton Swimming Pool, a project of the Parks and Recreation Committee of the Slaton Chamber of Commerce, will begin a weekly family night swim. The family swim night will be each Thursday night from 7:00 to 9:00 p.m.

No children will be admitted unless accompanied by at least one of their parents. Regular admission charges of 50¢ for ages 12 and up and 35¢ for ages 11 and below will be made.

This family swim night comes as a result of many requests from parents. The project is designed to retain the family environment. Bob Kern is chairman of the Parks and Recreation Committee.

Congratulations to Beautification Chairman Tommy Wallace on "Sparkle Month". This will be a community-wide cleanup during the month of August. If we, as a community, with the leadership of Chairman Tommy Wallace, will join together in a whole hearted effort, "Sparkle Month" will be a success. Each and every citizen of Slaton will benefit by the success of this program.

Three Slaton Firemen, Pete Williams, Weldon Self and Fire Chief Don Kendrick attended Firemen's Training School at A&M University last week.

Families of the men spent the week there with them.

Go, Aussie
Australia has a net migrant intake of about 80,000 people a year. The organized movement of nearly 2,000,000 Europeans to Australia has been one of the major population shifts in the 20th century.

Ag Teachers To State Work

Don Mitchell and Paul Johnson, vocational agriculture teachers in Slaton High School, along with Dan Taylor, ag teacher from Cooper High School and J. T. Crumbley, ag teacher from Roosevelt, will participate in the In-Service Educational Workshop for teachers of vocational agriculture scheduled in Austin next week, Aug. 5-8, according to George H. Hurt, Director of Agriculture Education.

Guest speaker at the opening general session Tuesday morning will be Herbert J. Head, general marketing manager, Ford Motor Company, Birmingham, Mich. His subject will concern "Agriculture-the year 2000." The welcome will be by Mayor Travis LaRue of Austin with remarks by Dr. J. W. Edgar, commissioner of education.

One phase of the training session will be 11 workshops conducted Wednesday and Thursday afternoons on subjects such as "Winter Feeding and Performance of Heifers", "Use and Safety of Herbicides", "Swine Management and Production", "Farm Credit", "Creative Teaching Innovations", and "Developing a Program in Off-Farm Agriculture Occupations."

Approximately 100 teachers will be attending the workshop. Friday morning will discuss vocational agriculture and will discuss vocational agriculture under direction of Agriculture Education Agency as Education Agency new developments in agriculture education.

At the second session Thursday speaker will be Brown, extension Texas A & M. The subject will be Totem Pole. The speaker will discuss vocational agriculture and will discuss vocational agriculture under direction of Agriculture Education Agency as Education Agency new developments in agriculture education.

Teachers Association as well as the meeting Wednesday morning will discuss vocational agriculture and will discuss vocational agriculture under direction of Agriculture Education Agency as Education Agency new developments in agriculture education.

Friday morning will discuss vocational agriculture and will discuss vocational agriculture under direction of Agriculture Education Agency as Education Agency new developments in agriculture education.

Approximately 100 teachers will be attending the workshop. Friday morning will discuss vocational agriculture and will discuss vocational agriculture under direction of Agriculture Education Agency as Education Agency new developments in agriculture education.

Ticket Orders Open On Fair's Variety Show

LUBBOCK--Mail order requests for tickets to the Panhandle South Plains Fair's country and western variety spectacular are now being accepted, manager Steve Lewis announced today.

Lewis said tickets may be obtained by writing the fair association at P. O. Box 208, Lubbock, or by appearing at the fair offices, 105 E. Broadway.

The big coliseum show stars Marty Robbins (Sept. 22-23), Charley Pride (Sept. 24-25), Buck Owens and his Buckaroos (Sept. 26-27), plus Roy Clark, Gentle Ben and his playmate, Peggy Ann Neilsen, comedian Mike Caldwell, and The Congregation.

Performances are slated at 3 p.m. and 7:30 p.m. daily throughout the six-day fair run.

Tickets are priced at \$2, \$3, and \$4, but all patrons will be admitted to matinees for one-half price. Tickets purchased prior to the fair opening will be accompanied by free gate admission passes.

Fair officials said inquiries about tickets and advance requests for reservations were running high.

Many new attractions are being arranged for the 52nd annual fair. Danny Sailor, world champion high climber, will present a free death-defying act at Fair Park twice daily as an added feature.

A new main entrance, paved walkways and rest areas also are being constructed. Parking facilities have been enlarged, offering easier ingress and egress.

A Dream Home For Your Family In Slaton

1535 WEST CROSBY

1545 WEST CROSBY

If you love luxury living--this is the home you have been waiting for. Cecil Jennings has pulled all the stops in this one. This lovely three bedroom home has two baths with beautiful dressing table tops with lavatory to match. The ALL ELECTRIC kitchen has everything along with a breakfast area. The kitchen features ELECTRIC self-cleaning ovens and a dishwasher. Formal living/dining room, and the den is carpeted. The beamed ceiling den has a fireplace and opens onto a roomy porch in the back. And something really appealing on these hot days is the ELECTRIC refrigerated air featured in the home. Lots of storage, utility, and an extra room by the isolated master bedroom for nursery or office are featured in the home. Cedar shingle roof, yard light, fenced yard and double garage. Take time to see this one and the one next door.

Here is a lovely three bedroom home just completed and waiting for someone to move into. The ALL ELECTRIC kitchen features a built-in double oven and dishwasher and a large breakfast area. It has two baths, both complete with dressing areas. The home features gold colored plush carpet. The cathedral ceiling den features a fireplace and bookshelves and opens onto a large covered porch. The home also has a formal living room. No house is really complete on these hot days without ELECTRIC refrigerated air and this home also features this. Lots of storage, utility, double garage, fenced yard and cedar shingle roof are other features of the home. Lots more, so come see the whole fabulous layout for yourself.

REV. AND MRS. RAYMOND C. HARRIS

Assembly of Pastors

Mrs. Raymond C. Harris will be the new pastor of the assembly of pastors, 14th and Jean, Slaton, Texas. She has pastored in Colorado, Nebraska and Oklahoma. They have also visited in a number of states. Everyone is invited to visit the assembly of God Church.

SUNDAY'S SERMON

NEVER ALONE

We are never alone if we will never forsake us. It is when we forget God that we lack strength and lose hope. The love of God for all mankind was manifest in the life and death of Christ upon earth. This is all that we need to remember to find the assurance that we need. If your heart is troubled, if the night is so dark you fear the dawn shall never come, consider the meaningful purpose of the life of Christ upon earth. Remember that Christ lived—and died—in the spirit of love and forgiveness. If you remember Christ, you will know and believe in the goodness of God—and you will know that you shall never be alone.

Christian Youth Hold State Meet

Buddy Pettigrew, one of 800 teen-agers attending the annual Texas Youth Convention of the Christian Church (Disciples of Christ) being held in Fort Worth this week, will speak at one session and preside at another. Pettigrew, an executive officer of the Texas Christian Youth Fellowship, is the son of Mr. and Mrs. J. W. Pettigrew, 150 N. 5th.

The assembly attracted Fellowship members to the Texas Christian University campus from all corners of the state. It began with a 7:30 p.m. session Wednesday, and will close with a 7 a.m. Communion service, Saturday.

Johnnie Moore, pastor of Slaton's First Christian Church, will conduct a pair of "Encounter" discussions on "The Coffee House Ministry." He also will make assembly announcements for the State Youth Work Committee.

K. David Cole, consultant on special ministries for the Christian Church in Texas, minister of Denley Drive Christian Church and director of South Cliff Christian Center in Dallas will deliver two addresses as keynote speaker. The general convention theme is "Fulfill Your Ministry."

Wednesday, "Even the Hater" was presented by TCU theatre arts students. A performance of "West Side Story" at Fort Worth's Casa Manana is scheduled tonight. The Convention Players, a professional religious drama troupe, will present short plays throughout the assembly.

Geer Receives Army Award

Sp/4 Gary D. Geer, son of Mr. and Mrs. M. D. Geer, is home on a 30-day leave after serving a year in Vietnam. He was with the Petroleum Directorate Hq. 1st Log. Comd. at Long Bien from July '68 until May '69, and served until this July with the 9th Inf. Div. at the Reliable Academy at Dong Tam. He received his basic training at Ft. Polk, La., and completed his Airborne Course last June at Ft. Benning, Ga. He recently received the Army Commendation medal for outstanding achievement in connection with military operations against hostile forces in the Republic of Vietnam, during the period from March, 1969 to June, 1969.

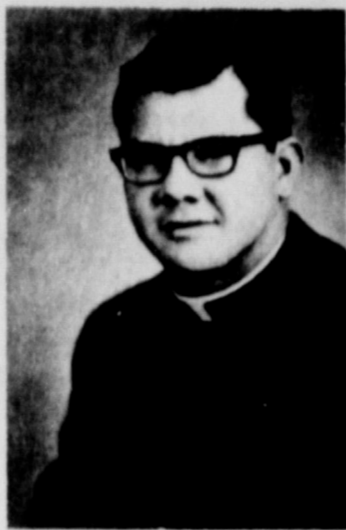

SLATONITE CLASSIFIED ADS GET RESULTS...

Father Abeyta Assumes Duties As New Priest at Guadalupe

Bishop Lawrence DeFalco of the Amarillo Diocese, has announced the appointment of Rev. Emilio E. Abeyta as pastor of Our Lady of Guadalupe Church, 710 S. 4th. He is replacing Father James Erickson who retired earlier this month after serving the Slaton church for 16 years.

Father Abeyta was born May 27, 1941 at Puerto de Luna, N.M. He is the son of Mr. and Mrs. Emilio Abeyta of Littlefield. After attending Littlefield Public Schools, Father Abeyta did minor seminary studies at Santa Fe, N.M., and graduate and postgraduate work at the Pontifical College Josephinum in Columbus, O.

He was ordained to priesthood May 28, 1966 at Littlefield by Bishop DeFalco and was associate pastor at Our Lady of Grace Church, Lubbock from June of 1966 to January, 1968. At that time he was made pastor of Holy Angels Church at Childress and its mission, St. Elizabeth at Paducah.

REV. EMILIO E. ABEYTA

Father Abeyta is anxious to begin work in Slaton. He is anticipating the challenge of a new pastorate, meeting and working with many new people in Our Lady of Guadalupe Parish and in the community.

Student Earnings

Students receiving social security benefits who are working full-time this summer need to keep up with their earnings, according to John G. Hutton, social security district manager.

"This is especially true of students working part-time while going to school. These students need to add their earnings earlier this year to what they will earn full-time this summer to determine their total earnings for this year," Hutton explained.

Students and other beneficiaries may earn as much as \$1,680 during the entire year and get all their social security benefits. If gross earnings (before deductions) are expected to exceed \$1,680, a report must be made to the social security administration. This also applies to students

who graduated in May or June and are no longer entitled to benefits, but whose yearly earnings will go over \$1,680.

Hutton suggested that students who earned more than \$140 a month while going to school and who plan to earn over \$1,680 this year get in touch with the Social Security Administration located at 3428 Avenue H., Lubbock, and the telephone number is PO 5-8541.

USE SAFETY CHAINS
If you're driving an older model house, camping or boat trailer across the country this summer vacation season, be sure it is equipped with safety chains AND the proper tow bar. Many states require safety chains for all trailers.

Youth Go To See 'Texas'

Members of the junior high and senior high departments of the First Baptist Church will leave tomorrow at 4:30 p.m. to attend the Texas Pageant at Canyon. The group will arrive back in Slaton about 2:15 a.m. Other activities for the Senior High group have been underway all week. A large group of youth and sponsors plan to leave for the Golieta Baptist Encampment Aug. 7 and return Aug. 13.

CHEERFULNESS

How many people do you know who are really happy? Isn't there someone you admire because that individual seems to be surrounded by sunshine everywhere he or she happens to be? Because, no matter what happens, this happy soul always manages to greet the world with a smile? Happiness is not a state of health; it is a state of mind. Cheerfulness is not always an easy approach to life. We cannot be cheerful if we give in to worry or despair. We find it hard to smile when we believe that life is kicking us in the teeth. We can't be cheerful if we are convinced there just isn't any brighter side.

Cheerfulness is a sign of faith. It is also a sign of strength. We can be cheerful, if we remain convinced that God shall not desert us. Troubles are temporary; a strong faith outlasts them every time.

Rites Read For C. H. Haire

Charles Howton Haire, 72, longtime area resident, died at 5 a.m. Saturday in Mercy Hospital following an extended illness.

Services were held at 10 a.m. Monday in First United Methodist Church. Burial was in Southland Cemetery directed by Hudman Funeral Home of Post. A native of Jack County, Haire had lived in the Gordon community for 52 years. He was a retired farmer.

Survivors include his wife; two sons, Joe of Lubbock and Jack of Slaton; a daughter, Mrs. Diane Conner of Irving; two brothers, Clyde of Slaton and Diane of Post; seven grandchildren; and a great-grandchild.

Palbearers were Earl Hardy, B. B. Corbell, Raymond Gatzki, John Leake, Noble Redwine, George Baker, T. H. Basinger and Lee Mason.

Lcdr. and Mrs. Frank J. Peters and daughters, Debbie and Valerie, and sons, Gary and Gregory from Oak Harbor, Wash., enroute to Houston, stopped in Slaton over the weekend to visit his aunt and uncle, Mr. and Mrs. H. R. Pondy. Lcdr. Peters, a jet pilot on the aircraft carrier, USS Coral Sea, recently served seven months in Vietnam.

REV. ADOLPHUS CLEVELAND

Revival Aug. 4 At Triumph Baptist

Revival services at Triumph Baptist Church will begin Aug. 4 and continue through Aug. 8. Services will be held nightly at 8:30.

The Rev. Adolphus Cleveland, pastor of New Jerusalem Baptist Church of Lubbock, is preacher for the revival. Rev. M.A. Brown, local pastor, said Cleveland is a "young man preaching the gospel in the old-fashioned way."

The church is located at the corner of Geneva and Johnson streets. The public is welcome.

Finding the Way
"The Lord shall guide the continually."
— Isaiah 58:11

You cannot sit by the side of the road and expect to find the kind of faith you need for successful living. You must turn your footsteps toward the open door of your church and direct your thoughts to the significance of God's commandments. Look to the example of the life of Christ upon earth and work into your own pattern of living some worthwhile form of dedication and service. Seek guidance, thoughtfully, in the word of God, in the teachings of Christ and you will find faith sufficient to your needs.

Texas is running out of water ... and out of time

Everybody's Getting Thirstier

By BILL McCLANAHAN
Dallas News Staff Cartoonist

The High Plains' Economic Future Rests Solely On Receiving A Supplemental Water Supply For An Outside Source. Importation Can Not Become A Reality Unless The Texas Water Plan Is Developed!

AN OPEN LETTER

The availability of an adequate supply of water has always made the difference between prosperity and want--between plenty and famine. For these reasons, water has played a major role in the Texas story--has been the essential element in placing a State known for wide open spaces in the position of sustaining the Nation's third largest population by 1985; a high rate of growth in business, industry and finance; and the Nation's third largest agricultural industry.

Our State's growth projections in these areas nearly defy imagination, and yet experts tell us that these projections and future prosperity cannot be realized unless giant steps are taken now to assure Texas' future water resources.

The Texas Water Plan was developed to make maximum use of the available water in our State and to provide for additional out-of-state water as needed.

We urge you to vote for Constitutional Amendment No. 2 on August 5. It may be the most important vote this generation of Texans will cast.

THE TEXAS WATER PLAN

The Texas Water Plan is a comprehensive long-range guide to serve as a basis for solving the water problems of the State of Texas over the next 50 years. The plan has been left flexible to allow change, correction, addition or deletion as future studies, needs or lack of justifiable demand may be deemed necessary by the State of Texas.

Since 1958, the State has spent approximately \$10 million developing the Texas Water Plan. The time has come for Texans to decide whether this investment is to bear fruit or be thrown away.

Amendment No. 2 (HJR 9) will ask the voters of Texas to give the Texas Legislature the authority to authorize the Texas Water Development Board to sell up to an additional \$3 1/2 billion in bonds over a 40-50 year period in

increments as needed. No bonds are expected to be issued before 1975 for construction of the proposed system or until Texas has cured an out-of-state supplemental water supply.

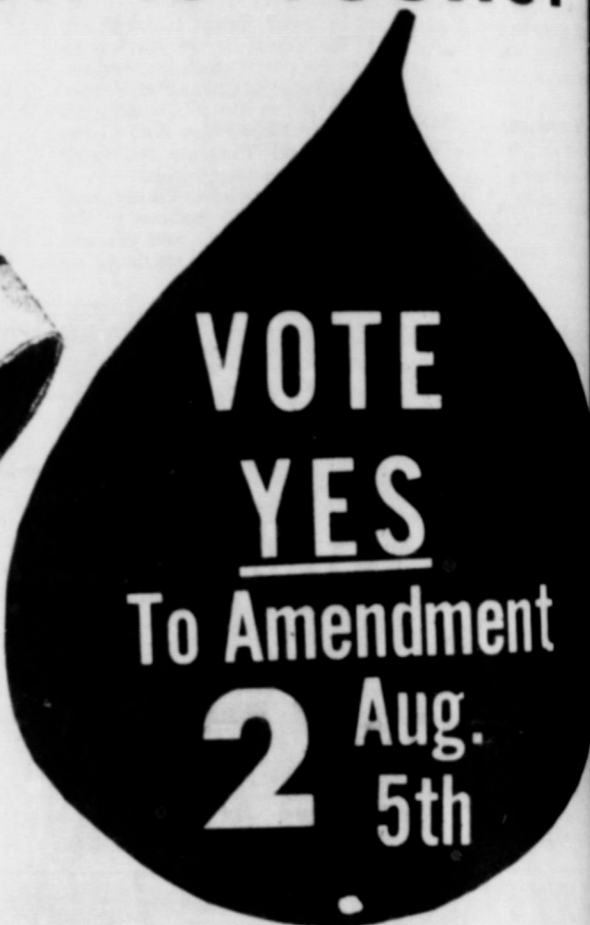

The adoption of Amendment No. 2 will place Texas in a much stronger position for seeking the federal assistance necessary for the project, since the Legislature and the citizens have expressed readiness to provide financing for their proportionate share of the cost in implementing the Texas Water Plan.

All phases of the Texas economy have a major stake in water development. The plan carefully points out that every source of living a livelihood or living from one's earnings is dependent on a supply of good quality water in adequate amounts.

THE DECISION IS YOURS!

"We need your vote for Amendment No. 2 on Aug. 5."
