

City Observes Veterans Day

Parade, Address By Gen. Ayers Highlight Day

Slaton held its special Veterans Day Wednesday with only a chilling wind to deter from the impressive address by Major Gen. Ross Ayers and a big parade which paid tribute to veterans of all wars.

Spectators braved the blustery and cold wind to view a parade which featured a number of outstanding floats, as well as high school bands and other special and colorful units. The Tex-Anns of South Plains College and the "Senoritas" from Odessa College added beauty to the long parade.

Gen. Ayers, Adjutant General of Texas, in his address at the city park, urged all citizens to "pause and reflect" on the vital role played by veterans of all wars. He said the nation's veterans are "one of the strongest forces for world peace."

Dee Bowman, KCAS Radio, served as master of ceremonies for the park ceremonies. Robert H. Davis, C of C president, presented the welcome, and Bowman introduced the speaker and other officials.

A special recitation and "Flanders Field" ceremony with echo taps were presented by Legion Post 575 of Lubbock just prior to the address by Ayers.

Officials on the speaker's stand included Bill Hester, American Legion Department Commander of Texas; C. G. McKinzie, 19th District Legion commander; Elmo Lankford, Slaton VFW Post 6721 commander; Delmar Tucker, Legion Post 438 commander, Mrs. Corlie Martindale, Legion Auxiliary president.

Winners in the parade float contest were Athenian Study Club, 1st; Slaton chapter of Future Homemakers, 2nd; and Guadalupe Church, 3rd. Cash prizes of \$150, \$100 and \$50 were awarded the three float winners.

Although the crowd around the speaker's stand was relatively small, a large number of cars were parked around the park to view and hear the special Veterans Day ceremony.

A reception honoring Gen. Ayers was held in the Legion Hall immediately after the address. State Sen. H. J. (Doc) Blanchard and State Rep. R. B. McAllister were among those in attendance. County Judge Rod Shaw and Commissioner Max Arrants were also present and rode in the parade.

The observance here started with a breakfast for all veterans at the Legion Hall Wednesday morning, including a special flag-raising ceremony. The parade started about 10 a.m. and was highlighted with a fly-over jets from Reese AFB.

The annual Veterans Day observance is sponsored by the local Legion and VFW posts, and Slaton Chamber of Commerce. Coy Evans was general chairman of this year's event with Bill Ball, Bud Englund

Chamber May Sponsor Grid Playoff Here

Slaton Chamber of Commerce directors held a regular monthly breakfast meeting Tuesday morning at the Carnation House with committee reports and discussion highlighting the session.

Directors voted to extend an invitation to Cotton Center and Gail schools to hold their playoff football game at Slaton's Tiger Stadium. The game is tentatively set for Nov. 25.

The two teams play 8-man football, and details of the play-offs are to be determined this weekend. The schools had indicated an interest in playing in Slaton if a neutral field is chosen.

Glen Akin, athletic activity chairman, reported that plans for the Chamber-sponsored West Texas Girls Invitational Basketball Tournament were about complete. A distinctive trophy has been ordered for the champion, and arrangements are being made to house some of the teams here Dec. 28-31.

It was announced that the board has authorized two new awards to be presented at the annual banquet in January. A boy and girl are to be recognized as Slaton's "Young Citizens of the Year."

Don Kendrick announced that work has begun on the annual Christmas lighting program in downtown Slaton. The arrival of Santa Claus and the light-up ceremony is scheduled for Nov. 30.

One Withdraws From Ward 4 Council Race

Steve Ruiz, one of three candidates to file in the special Ward 4 election, has withdrawn from the race, it was announced this week by City Sec. Alex Webb.

Ruiz withdrew last week, before ballots were printed, Webb announced. The two candidates remaining in the race for the vacated City Commission post are Willie Mims and George Quintero.

Absentee voting for the election started Tuesday in the city secretary's office at the Municipal Building. It will continue through Nov. 27.

The election is scheduled for Tuesday, Dec. 1 at the Municipal Building. The election will be only for eligible voters in Ward 4--which includes residents east of 9th street and south of Division street.

Commission Okays Gas Rate Increase

The Slaton city commission meeting in regular Monday session approved the rate increase requested by Pioneer Natural Gas Co.

The new rate, to take effect November 15, calls for a 13 per cent increase in the cost of gas, plus a provision for a gas rate adjustment to Pioneer based on the cost of gas during the calendar year to become effective on April 1 of the following year.

Pioneer agreed to provide the city a verified statement by March 1, of the field cost of gas for the prior year to determine the rate adjustment for the following year.

Fred Buchanan, director of the Lubbock Community Action Agency appeared before the commission to explain some of the aims of the CAA. The CAA has leased the Evans School from the Slaton School Board.

Buchanan said, "The CAA is essentially an organization to be used by the community for any useful purpose. We want to work with the people of the community and assist them in any way."

The Community Action Agency is the office charged with initiation and administering anti-poverty programs on the local level. The CAA funding

FROM 12 SLATON AREA GINS Bale Count Hits 27,974

The cotton harvest in the Slaton area moved into high gear the past week, with the bale count more than doubling since last week.

A survey by THE SLATONITE Wednesday morning showed a total of 27,974 bales ginned at a dozen gins in the trade area. Last week's count was 11,604. The weather continued to cooperate with the harvest as ideal conditions prevailed the past week.

The bale count Wednesday morning included: Slaton Co-Op 6,000; Farmers Gin 2,000; Posey Gin 1,250; Wilson Co-Op 3,100; Acuff Co-Op 3,800; Union Co-Op 2,376; Hackberry Gin 2,415; McClung Co-Op 1,850; New Lynn 1,600; Gatzki Gin 900; Wayside 1,950; Basinger 733.

The South Plains cotton harvest is gaining momentum daily as stripping operations increase in all counties, according to W. K. Palmer, in charge of the U.S.D.A. Cotton Cladding Office in Lubbock.

This great increase in harvest activity is reflected in the increasing number of samples being received daily at the four area U.S.D.A. cladding offices. Approximately 33,000 samples were received at the four offices on Friday. This was the largest

number of samples received any day this season and this volume is expected to increase daily if favorable weather continues.

During the peak of the harvest this volume usually reaches 50,000 to 60,000 samples per day. Classers from other areas are being transferred daily to the local cladding offices to take care of this increased volume.

The U.S.D.A. cladding offices at Lubbock, Brownfield, Lamesa, and Levelland classed 81,000 samples last week and had approximately 130,000 on hand Friday afternoon. Total classed so far this season now stands at 120,000. This is far ahead of the volume at this date last year when only 10,600 samples of the 1969 crop had been classed.

School Board Holds Regular Monthly Meet

Slaton School Board, in a regular monthly meeting Tuesday night, approved an audit report, adopted policy guidelines for a new Federal School Lunch Program, and heard the superintendent's report.

School Board president Don Kendrick also read a letter from a citizen who asked the trustees to consider naming Tiger Stadium in honor of Steve Bourn--a freshman athlete who recently died following a football injury. The board took the suggestion under consideration and invited comments from interested citizens.

The audit report revealed that the school district had decreased its deficit during the 1969-70 fiscal year.

Supt. McClesky reported that the new Federal lunch program was more liberal than the one in the past. The new guidelines will become effective Jan. 1, and will offer free meals to more students, he stated.

In another policy matter, the board decided to consider the superintendent's contract in January each year; the business manager, principals, coaches and band director in February, and the teachers in March.

Trustees also voted to renew the policy of selling reserved seats for high school basketball games. A number of seats with backs will be sold on the reserved basis.

Trustees also set a special meeting for next Thursday morning at the Chapparral Restaurant. Primary purpose will be to discuss a study concerning busing of students within the city limits.

Strict Low Middling was the predominant grade at Lubbock last week with 35 per cent of all cotton classed. Low Middling made up 10 per cent, Middling Light Spotted 16 per cent and Strict Low Middling Light Spotted 26 per cent.

Staple length averaged between 15/16 and 31/32. Eighty-three per cent stapled 15/16 and longer.

Eighty-seven per cent of all cotton classed at the Lubbock office last week had micronaire readings in the premium range of 3.5 to 4.9 and 7 per cent "miked" 5.0 and higher.

Eighty-eight per cent of the cotton classed at Lubbock last week had Pressley readings of 80,000 pounds and higher. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Trading increased on the Lubbock market but prices were \$2.50 to \$5 per bale lower. Prices ranged from \$3.75 to \$25 per bale over the loan for the most predominant qualities harvested.

Prices paid farmers for cottonseed were higher and ranged from \$55 to \$62 per ton. Average price last week was \$57.80 per ton, up \$2.00 per ton from the previous week.

Karla Kitten Leads Grid Contest Game

Karla Kitten, a Slaton High sophomore, captured the \$10 first prize in the weekly Slatonite Football Contest by picking 22 of the 25 winners last week.

Charles Didway of Post took the \$5 second prize from among nine entrants who missed four of the games. Didway came closer to the total score of the Slaton-Rails game with a guess of 27 points.

Robert Dillon and J. L. House tied for third place and win \$1 each as both missed four games and guessed 19 points on the tie-breaker game. Others who missed four games were Bobby Meeks, Bradley Kitten, Kathie Mitchell, Jerry Gentry, Valton Wheeler and Bobby Brake.

Karla guessed wrong only on the Tahoka - Roosevelt, Idalou - Frenship and Dimmitt - Abernathy games. Other games which upset the entrants included Lorenzo - Hale Center, Crosbyton - Spur, Seminole - Kermit, Sundown - Wilson, Houston - Miss, and Tech-TCU.

Those who missed five games included Stanley Miles, Kendon Wheeler, Thomas Heinrich, Billie Meeks, Larry Gamble, Dale Schaffner, Kenneth Sootz, Gary Schaffner, Fred Tamez, 3rd Period Civics Class, Gay Benson, Kelly Sparkman, J. D. Evans, 2nd Period Civics, Coy Evans, Neill Carter, G. R. Angerer.

This week's contest will be the last one of the season, so get your entry in and try for one of the cash prizes next week! Turn to the football contest page, circle the winners and follow the easy rules.

Slaton, Roosevelt Meet In Grid Finale Friday

There's no championship at stake and it won't make much difference in the 4-AA standings, but Slaton and Roosevelt grid teams are expected to be all "fired up" when they clash in Tiger Stadium Friday night in the football finale for both schools.

All the ingredients for a fine contest are ready to be mixed together for an explosive evening when kickoff time rolls around at 7:30 p.m., and a large crowd is anticipated for the game.

Slaton--with only a loss to champion Denver City and a tie with Frenship marring its district record--has second place all sewed up. The Eagles--with a 3-3 district mark--could win third place or tie for third with a victory.

The Tigers will probably rate a slight edge in the contest on the basis of district records, but comparative scores indicate the game could go either way. Roosevelt boasts one of the top scoring teams in the league, while Slaton claims the top defense.

The Tigers have yielded only 24 points in six district games, while the Eagles have averaged slightly over 20 points a game in district battles.

Roosevelt has two of the top scorers in the loop in quarterback Don Jackson and end Steve Viney, each with 46 points. Viney and Ricky Daniel, a pair

of standout senior ends, are favorite pass receivers for Jackson, a junior signal caller. Fleet Johnny Brown leads the rushing attack.

Slaton's top runner, Alan Fondy, sustained a sprained ankle in the Rails game last week, and Coach Ernie Davis said it was doubtful if the hard-running senior would see much action, if any, against Roosevelt. Davis said Fondy couldn't run in practice Tuesday.

"We'll know more Thursday, but it appears he'll be out of action," Davis added.

Coach Houston Powell of Roosevelt reported about the same story for his fine quarterback, Jackson. He hurt an ankle in the Tahoka game last week and how well he can move this week was still a question mark Wednesday.

Asked what he thought about the game, Coach Powell said, "We know Slaton has a real fine ball club, and we just hope we can make it interesting Friday night."

Slaton has primarily a senior ball team, and 18 will be making their final grid appearance Friday night. Two of them--Tommy Hargraves and Larry Becker--will not be suited up due to injuries.

The seniors include ends Paul Payne, Allen Walters and Allen Sanders; tackles Dick Davis, Allen Howard and Hargraves; guards Ollie Rainwater, Gary

Cook and Becker; center Charlie Geer; linebackers Ted Dixon and Glen Akin Jr.; and backs Terry Mosser, Frank Self, Bruce Schuette, Fondy, Ishmael Ledesma and Dub Simmons.

The Tigers have only nine juniors on the squad, and just three of them will be starting against Roosevelt. Brad Winchester--a standout defensive guard all season--is scheduled to go both ways. Tackle Bobby Hopper will start on offense, and halfback Randy Davis is a defensive starter.

Ledesma, who has been a defensive guard starter, will replace Fondy at fullback. Ledesma weighs only 155 but is a quick starter and tough runner. Self, No. 2 rusher behind Fondy, will start at one halfback and Schuette at the other. Quarterback Mosser completes the senior backfield starters.

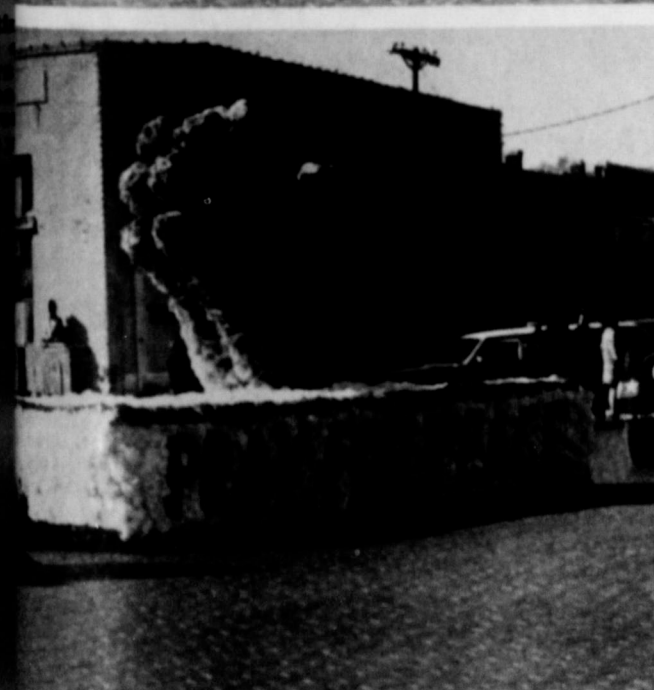

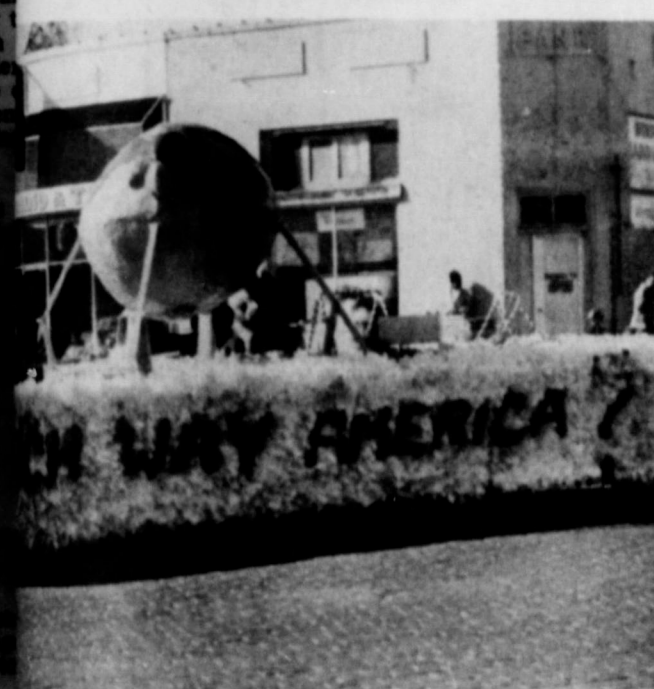

Walters and Sanders will probably split time at end on offense, and Payne is at the other terminal. Hopper and Howard will be the tackles, with Cook and Winchester starting at guards. Rainwater and junior Steve Mosser will probably split time at the guard posts.

Only change on defense will see Rainwater moving in at defensive guard to relieve Ledesma for the fullback duties. Slaton's stingy defensive crew

People who cook with pride cook with GAS. Mrs. Cecil Burke does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Burke and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Burke's favorite recipes.

Drug Program Packs the House At West Ward PTA Meeting

Captain Bill Cox, of the Juvenile Division of the Lubbock Police Department, spoke to a full house Monday night at a meeting sponsored by West Ward PTA. Approximately 250 persons filled the cafetorium

to hear Captain Cox talk about drugs and youth. In speaking to the young people, he gave them some information on how to handle situations if they were approached by persons selling drugs.

Since it is usually done when the young person is alone, and when parents are not around, the decisions are left up to that person, and he should know how to handle the situation.

Citing cases in the area, Captain Cox told of the effects that several different drugs have on different individuals, what the drugs look like, and what they can do. Speaking out against legalizing marijuana, he told of the loss of perception of time and space experienced by young people he had seen after they used drugs.

Captain Cox has served as a director of the International Juvenile Officers Association, and was instrumental in initiating the Council on Youth Problems in Lubbock. Married, and the father of two daughters, he has previously been a member of the Plainview Police Department, is a graduate of Ralls High School, has attended Texas Tech, A&M, Northwestern University, University of Georgia, and he is a graduate of the F.B.I. Police Academy in Washington D.C.

Mrs. Pat Moses, program chairman, was enthusiastic over the response of the community to this subject.

Some of Mrs. Perkins' music students from the classes of Mr. Davala, Mrs. Davis and Mrs. House, gave a Thanksgiving musical program for the group.

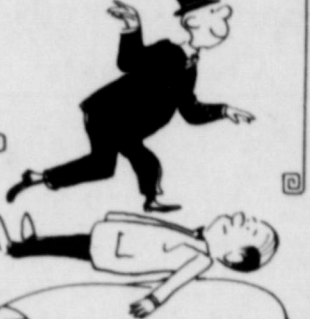

"We had such a wonderful turnout" says Mrs. Moses, "and I know that our community will benefit so much from it. You know, that's really what our PTA is for."

County Records 48 Accidents

The Texas Highway Patrol investigated 48 accidents on rural highways in Lubbock County during the month of October, according to Sergeant O. C. Guthrie, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, 30 persons injured and an estimated property damage of \$49,230.00.

The rural accident summary for this county during the first ten months of 1970 shows a total of 402 accidents resulting in 11 persons killed, 282 persons injured, and an estimated property damage of \$392,390.00.

Traffic wise, November and December are noted as dangerous months for pedestrians. During November and December of 1969 in Texas, there were 86 pedestrians killed and 885 injured in collisions with motor vehicles. Some of the attributing factors are: early hours of darkness, bad weather, drinking intoxicating beverages, holidays, and lack of drivers' and pedestrians' attention.

The veteran patrol supervisor listed some trips to aid both pedestrians and drivers. Always wear something light colored when walking after dark. If possible, carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

second half, and it came late in the game on an 8-yard pass and a 5-yard run.

Tackle Dick Davis, guard Brad Winchester and linebackers Glen Akin Jr. and Ted Dixon had standout efforts on defense. But it was another fine team effort for the proud defensive unit, including Allen Walters, Payne, Ish Ledesma, Charlie Geer, Dub Simmons, Frank Self and Randy Davis.

The offensive line appeared to be moving out a little stronger, helping Self, Fondy and Mosser chalk up good yardage. Self got 50 yards on 11 carries, and Fondy barged for 49 steps on 11 trips before he was injured in the third quarter. Mosser wound up with 46 yards—also on 11 carries.

Bruce Schuette picked up 32 yards in just 8 trips, and Ledesma—moving in for Fondy—picked up 30 yards on 10 carries. The Tigers tried only 7 passes, with Mosser hitting 2 of 4 for 28 yards and Eastman 1 of 3 for 23.

Winchester -- a steady defensive guard all season--went both ways much of the time Friday night. He and tackle Bobby Hopper were the only juniors on the starting offensive team. Walters--the tough senior defensive end--also went both ways Friday night.

The Tigers were without the services of several regulars for the game. Coach Ernie Davis announced before the game that halfback Donnie Rogers had been dropped from the squad for an unexcused absence in workouts. Sidelined with a broken finger was senior tackle Tommy Hargraves. Reserve guard Larry Becker was also sidelined with an injury.

Tiger 40, Fondy got 3 and Schuette 2, then Mosser cut off right tackle on the option and sped for 34 yards to the Ralls' 11. Fondy hit for 4, then Mosser carried for 5 and plunged in from the 2. Sanders' kick made it 7-0 with only 2:21 time elapsed.

Slaton held Ralls flogging the kickoff, then the Tigers tried to convert a 4th-and-1 situation at its own 48. The Jack-rabbits held and then ground out 24 yards in eight plays to move to the Tiger 24. Then Wyrick lofted a pass to Davis in the end zone for the lone Ralls' touchdown. The kick tied the game at 7-7 with 1:54 remaining in the first period.

The teams exchanged punts twice before Slaton cranked up another scoring drive. Starting from their own 33, Self almost broke the distance on a reverse but was pulled down after a 23-yard gain. Mosser just missed Payne on a pass, then came right back to hit him for a 16-yard advance to the Ralls' 28.

Fondy got 7 with fine second effort, then Mosser added 4 for a first down on the 17. Schuette got 4, then Fondy carried three straight times and hit paydirt from 3 yards out. Sanders' kick made it 14-7 with 1:27 left in the first half.

The third period was a good defensive struggle, with Slaton finally starting a drive against the tough Rabbits late in the period. Self and Ledesma made most of the yardage the hard way as Slaton moved to the Ralls 19 before the drive stalled. Sanders attempted a field goal from the 26, but the effort just missed on the left side of the crossbar.

Ralls had to punt out, however, and Slaton got possession at midfield. A procedure penalty moved it back to the Tiger 45. Schuette, Self and Ledesma moved it to the Ralls 37, then Eastman hit Schuette in the flat on a 3rd-and-5 situation. The halfback caught the pass and raced down the sideline for a 23-yard gain to the Ralls 12.

Self got 2, then Ledesma got 9 in two carries to put the ball at the 1. Ledesma lost

BONFIRE SPIRIT WINNERS--Ted Dixon and Gloria Silva, representing the senior class, were named Mr. and Miss Flame to climax the Slaton High School pep rally and bonfire last week. The bonfire, originally set to precede Homecoming, was postponed twice. Each class had two candidates and the seniors won the "Flame" titles for their nominees by gathering the most material for the bonfire. (SLATONITE PHOTO)

Eagle Miscues Fatal, Tahoka Wins 34-21 Tilt

The Roosevelt Eagles lost a 34-21 high-scoring contest with the Tahoka Bulldogs Friday night at Tahoka as Eagle miscues help set up three Bulldog touchdowns.

The Bulldogs used a blocked punt and two fumble recoveries to score three times, then Tahoka halfback Roger Miller picked off three Eagles passes in the fourth quarter to preserve the triumph.

Tahoka jumped to a 6-0 lead last week when John Thomas blocked a punt at the Roosevelt 2 and picked it up for a score. Roosevelt came roaring back in the first quarter, moving 48 yards in 10 plays, and Steve Maines plunged 3 yards to tie the score.

Quarterback Don Jackson combined with end Ricky Daniels on a 66-yard pass play to get another Eagle touchdown. Johnny Brown kicked the point to give Roosevelt a 13-6 lead.

Tahoka cut the margin to one point before halftime. John Saldaña recovered a bad snap at the Roosevelt 12-yard line, but Roosevelt held and punted out. The kick was returned to the 7-yard line, and Robert Montemayor blasted over four plays later and the Eagles led

by 13-12 at intermission. Roosevelt fumbled the third-quarter kickoff, and Larry Durham recovered for Tahoka on the Eagle 26. Durham tallied on a 3-yard plunge to cap the short Tahoka drive, and Cliff Gardner ran for two points to put Tahoka on top by 20-13.

Miller intercepted a Roosevelt pass a little later on the Eagle 26, setting up a 1-yard scoring plunge by Durham. Jackson took to the air to put Roosevelt on the score-board again, hitting David Vasquez on a 30-yard scoring play. Jackson passed to Steve Viney for two points as the Eagles narrowed the margin to 26-21.

Miller intercepted again, however, to stop Roosevelt as he returned from the Bulldog 45 to the Roosevelt 32. Gardner passed to Gene Walker on a 15-yard scoring play for the clinching touchdown.

Jackson sustained a sprained ankle just before the game ended. Then Miller picked off his third interception to end the game.

Late Sundown Tally Nips Wilson, 19-14

WILSON (Special)--The Wilson Mustangs came from behind to take a 14-13 lead in the third quarter, but Sundown's Roughnecks broke James Hays on a 38-yard scoring dash with 2:16 left in the game to spoil Wilson's Homecoming festivities, 19-14, Friday night.

Wilson now stands 4-4 on the season and 1-2 in District 4-B standings. The Mustangs play at New Home Friday night in another district contest.

Mary Koslan was crowned Homecoming Queen last week with Nan Steen and Beverly Rackler as attendants. Mike Koslan was crowned as Homecoming Beau.

Sundown jumped to a 13-0 lead over Wilson, but the Mustangs used the passing of quarterback David Wied and the catching of John Earl Fields to bounce back.

Robert Edwards scored on a 27-yard run late in the first period and kicked the point to give Sundown the lead. Both teams played outstanding defense, but Sundown punched across another score in the second period on Charles Gilbert's 1-yard dive.

Wied limbered up his passing arm in the second period and climaxed a drive by hitting Fields on an 8-yard pass for a touchdown. The score was 13-6 at halftime with Sundown leading.

Wilson controlled the third period, picking up half of their rushing yardage in the quarter. Woody Follis scored on an 18-yard run, and Steven Bednarz plunged for two points to give Wilson a 14-13 edge.

WOMEN DOWNED BY 34-6

Tops Tornadoes

Senior Junior Varner scored 21 points in the Lamesa game as the Tigers defeated the Tornadoes 34-6 Thursday night.

Fullback Jackie Ford was the big gun in Slaton's rushing attack, picking up 109 yards on 19 carries. Tony Martin and Ron Bartley added 59 and 52 yards rushing, respectively.

Lamesa hit a 46-yard pass in the third period that carried to the Slaton 5, but the threat was killed when Nieman intercepted a pass on the Tiger 2-yard line.

Slaton's tough defense pushed Lamesa back to the 5-yard line early in the fourth period. Trying to get out of the hole, Lamesa tried a pass but Floyd Kitten intercepted on the 20 and dashed in for the score.

End Leslie Melcher recovered the ensuing kickoff for Slaton on the Lamesa 31. Ford later went 16 yards for an apparent touchdown, but a holding penalty erased the play.

kickoff and drove 66 yards for the game's first score. Slaton bounced back with a drive to the Tornado 8 before fumbling the ball. Later in the second period, Slaton marched 46 yards with Martin scoring on a 5-yard run. Brad Lamb's kick put Slaton ahead to stay.

Moments later, Nieman scrambled 17 yards for a score when he was unable to spot a pass receiver. Lamb kicked the point to end the scoring. Lloyd Kitten intercepted a pass to stop Lamesa's last scoring threat.

— a weekly message relating the world of today to the lessons of Faith and Church —

"I will put my trust in Him." — Isaiah 8:17

Look to the life of Christ upon earth and you will find the faith you need to meet every challenge of life.

Lift your eyes up, see what beauty and wonder abounds in the world about you.

Christ lived and died, in life and in death setting an example of great trust in God, of strong allegiance to God's will.

If we believe, if we pattern our life as best we can to this example, we will by this effort serve God and be kind to our fellow man.

New Market Development Goal Of Cotton Industry Leaders

LUBBOCK (Special) - Cotton industry leaders heard a detailed report here recently on plans for the future and progress of the dollar-a-bale research and promotion program.

The program is operated by the Cotton Producers Institute (CPI) and provides cotton a major opportunity for expanding its markets, according to J. Dukes Wooters, Jr., executive vice president and general manager. Wooters, employed to head

the CPI staff in June, said a sales and marketing division has been created to place more emphasis on working with textile manufacturers.

The move also sets up a sales staff in three areas: (1) home furnishings and industrial products; (2) men's and boys' wear; and (3) women's, girls', and children's wear. The sales staff will be supported by product development, fashion services, market research, and advertising.

"We do have some changes in the making, and since most of you are 'stockholders' in this business, we want you to be aware of them," Howard Alford, Lubbock, explained in opening the meeting. Alford, chairman of the meeting, is president of the Cotton Producers Institute.

Cotton farmers pay a dollar per bale to finance their own self-help program designed to improve cotton's position in the fiber market.

Pete Brown, C. E. McDaniel, and Carlton Power of the National Cotton Council's field service staff presented the remainder of the program.

Among research achievements cited by Brown were: (1) narrow-row cotton production that, in tests, has upped yields 10 per cent; (2) a systemic insecticide that protects cotton against weevils and a number of other pests up to 10 weeks; (3) a combination of methods, including area-

wide control during the period prior to hibernation, that could lead to boll weevil eradication; (4) using a predator, *Chrysopa*, to destroy bollworm eggs; (5) an increase in availability of 100 per cent cotton durable press products.

McDaniel pointed out that mill management is not attached to any fiber - that its basic concerns are to satisfy its customers and earn a profit. CPI, therefore, will work closely with mills to develop fibers suited to their operating and marketing requirements.

Goals of the market development program are to: (1) achieve maximum consumption of

U.S. cotton in both traditional and new uses; (2) attain maximum benefits for producers; and (3) maintain a healthy cotton economy.

Carlton Power said the National Cotton Council will continue providing a wide array of services for CPI. Economic and market research, accounting, local promotion, cotton product publicity, and various administrative services are now provided by the Council.

He said, "The Council and CPI make a great team, with the efforts of each complementing and strengthening the other. Since CPI is prohibited by

law from influencing government activities, the Council plays an important role in protecting the pesticides we now have and getting clearance for new ones, in assuring fair legislation on fabric flammability, in agricultural appropriations for cotton research (valued at \$22 million annually), in legislation affecting exports of raw cotton and imports of textile products, and in all other government actions having a bearing on the cotton industry."

The Council is the only Belt-wide organization representing the entire industry. It actively promotes cotton in a generic sense through the Maid of

Cotton and other relations camps of cotton farmers in general, and

Policyholder Questions Answered by The Institute of Life Insurance, 277 Park Ave., N. Y., N. Y., 10017

Q. I guess that most men make their wives and children beneficiaries of their life insurance, in a way to insure their breadwinner value to their families. What about women — they're pretty valuable too.

A. Yes, they are. Sometimes people forget that a housewife makes a measurable contribution to a family, even if she has no cash income. Her loss, would not only be a great emotional blow to the family, it would be a serious financial burden. The hiring of substitutes for housekeeping, child-care and other responsibilities can run into several thousands each year.

Although men outnumber women as policyholders, two-thirds of all wives are now insured. They use all kinds of policies — from term insurance to endowment plans — but the most popular among women is the limited-payment policy, in which premiums are completely paid up by a specified age or number of years.

Q. My husband recently changed to a job that offers several new fringe benefits. One is called an "annuity," into which a percentage of his paycheck is transferred each month. At retirement, he would get all of the money, plus interest. Is this the same as a pension fund?

A. It sounds more like a savings plan than an annuity. It's offered by some employers as a convenience to workers, and is usually optional. Employees often like the idea of building savings that can be withdrawn when they leave the company.

A group annuity, on the other hand, is generally set up with sizable contributions from the employer (and employee contributions as well). It is geared to provide an employee with an income guaranteed for life after he retires.

Trisha Crawford and Wade Maner and Heath Pennell, Southland played their first basketball games Friday night against Union. The boys lost, but Doug Smallwood racked up 11 points. The girls won, 41-31, with Laura Bevers leading the scoring with 16 points. This was a practice game.

Walter Steinhauser of Wilson, Edmund's brother - in - law, passed away quite suddenly Tuesday in Highland Hospital in Lubbock. His funeral was held Thursday in St. John's Lutheran Church in Wilson with burial in the Wilson cemetery. Walter was 61 years old and is survived by his wife, Minnie, two daughters, two sons, 10 grandchildren and his parents, Mr. and Mrs. Fred Steinhauser and one sister, Mrs. Edmund Stolle. May God be with this family in their sorrow and strengthen them for tomorrow.

Mrs. Nellie Mathis came into the Post Office Saturday morning to tell me goodbye. She returned to her home in Salem, Ore., Wednesday. Mrs. Mathis is looking real good and I think that she likes her home in Oregon.

Mr. Walter Kellum's son, Carlos, has been moved from the Big Springs hospital to another hospital in Kerrville, where he will receive further treatment. Carlos suffered a stroke about a month ago, but is getting along fairly good.

Mr. and Mrs. Marcus Wilke, from Kingsland, were here for several days. They had come up to attend Walter Steinhauser's funeral. They visited in our home on Friday night.

Mr. and Mrs. H. C. Dunn flew to Dallas and spent Sunday with their son, E. L. Dunn. Mrs. G. D. Ellis's daughter

and son-in-law, Mr. and Mrs. Jackson, and son, Coach Jackson, from Oklahoma, spent a couple of days in the Ellis home last week. Sunday guests in the F.W. Crawford home were Mr. and Mrs. James Crawford and girls and Mr. and Mrs. Clinton Maner and boys, all of Lubbock. They were celebrating Mrs. Crawford, Trisha Crawford, and Wade Maner's birthdays, Happy birthday, all!

Edmund and I attended a barbecue in Lubbock on Saturday night which was given by the Sigma Phi Epsilon Fraternity, of which our son, Darrell, is a member. Saturday was Dad's day at Texas Tech and the boys of this Fraternity gave the supper for their parents. Had a very nice time!

G. D. Ellis is still in Mercy Hospital and getting along about the same. Mr. and Mrs. Otto Klaus have both been on the "puny" list this past week.

Mrs. W. F. Lester spent this past week-end in Amarillo visiting with her son and family, Mr. and Mrs. Joe Lester. The Southland School Board met Monday night for their regular monthly meeting.

The "True Light Singers" from Midland will sing at the Jerusalem Baptist Church of Southland on Nov. 15. Everyone is invited.

"Return to him who does you wrong your purest love, and he will cease from doing wrong; for love will purify the heart of him who is beloved as truly as it purifies the heart of him who loves."

Hi there! Another beautiful week of fall weather for harvesting the cotton. Mr. and Mrs. George Hayes recently visited for a week in Greeley, Colo. with their children. They saw the beautiful national forest there and also visited Buffalo Bill's grave.

Mrs. Bert Darland of Morton spent three days this past week with her sister, Mrs. Mert Gentry. Mrs. Elbert Wilson and Mrs. Rucker also called on Mrs. Gentry this week. Mr. and Mrs. Mert Gentry attended the Second Sunday Singing at Slaton Methodist

Church Sunday evening.

We regret to hear of the death of Guy M. Pickett, who passed away Sunday in M.D. Anderson Hospital in Houston. He was a retired Santa Fe employee and a former resident of the Posey community. Mrs. Ollie Clark is a patient

at Slaton Mercy Hospital. She fell last week. Mrs. J. P. Oats of Cooper visited over the weekend with her son, the Clay Oats family. Mrs. Paul Miller of East Texas also visited with them. Mr. and Mrs. Dale Kitchens had charge of the services at the Assembly of God Church, Wednesday at Slaton. Dale ministered to the congregation in the absence of the pastor. Since moving to Lubbock, Dale and Jonetta are making Faith Assembly their home church. Mrs. Heddie Kelly, Mrs. Joe Moeller, Mrs. Ed Maeker and Mrs. German and children at-

tended the Catholic Bazaar Sunday. great success.

Mr. and Mrs. W. A. Wilke had dinner Saturday with their nephew, Robert Richardson of Earth, who is a senior in high school there. Leonard Conner still re-

mains very ill at Methodist Hospital at this time. "We thought it so amazing that men on Earth could talk to men on the moon until we remembered that for centuries, God's children have talked to him in Heaven and have received answers."

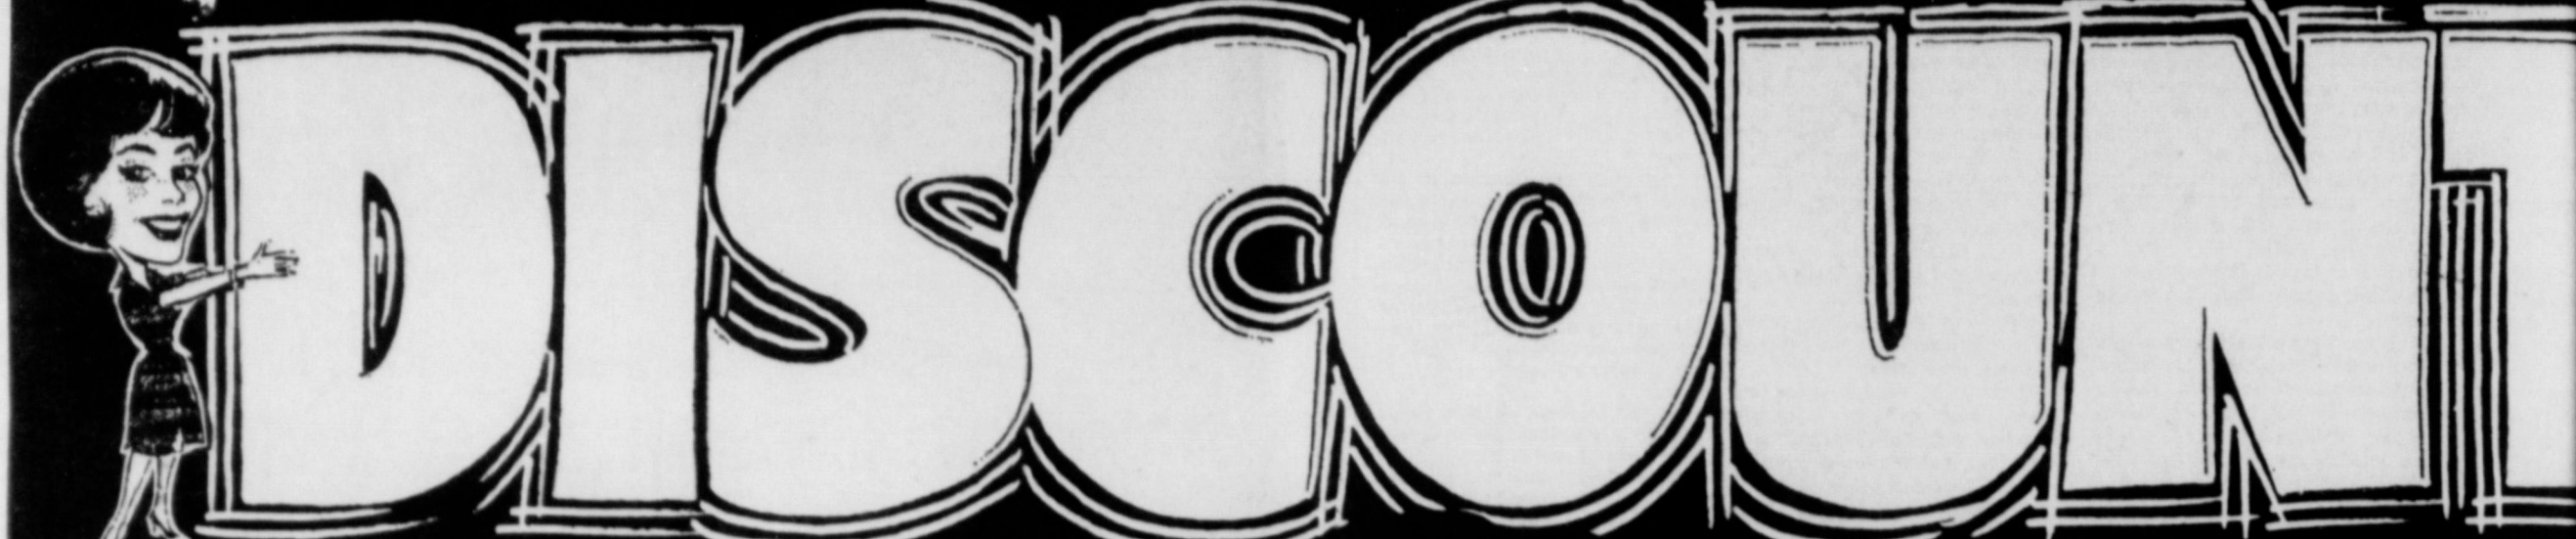

Texas Leads In Breeding Swine Exports

Texas Agriculture Commissioner John C. White has revealed that not only is Texas No. 1 in exports of breeding cattle but now is also No. 1 in exports of breeding swine. Figures released by the U.S. Department of Agriculture confirm that Texas leads the nation in exporting breeding swine, the Texas Department of Agriculture chief said. The figures show that 48 percent of U.S. breeding swine exports were provided by Texas

producers. Total U.S. exports were 23,724 and Texas provided 11,399 of those. Indiana ranked second with exports of 1,540 head of hogs. Commissioner White said Texas swine producers deserve considerable credit for achieving a high level of quality in their breeding stock, and he praised swine breeders for the cooperation they have given the Texas Department of Agriculture's Marketing Division in carrying out programs to pro-

duce more increased domestic production. The swine industry is one of the most important segments of the Texas economy, and export marketing swine will stimulate greater growth. Prehistoric swine which weighed a brain weighing 13 ounces.

We hope everyone has enjoyed our marching shows during the year. STUDENT TEACHERS
 Reporter Jimmy Burkett

For the past two weeks, the Cooper FFA has had two student ag. teachers. They are Mack Steffey and Gene Schmidt.

This student teaching is helping them to earn their major in agricultural education. Their teaching period will probably last for about six weeks.

Schmidt graduated from Lamessa High School in 1965. Since then, he has been attending Texas Tech. While in high school he held the local offices of secretary and president in FFA. At the end of his high school years, he received his Lone Star Farmer Degree. Before going into agricultural education, he received his B.S. degree in animal business at Tech.

Steffey grew up in Littlefield on his fathers' farm. During his high school years, he was very active in FFA. He served as secretary, vice - president, and president in his local chapter while in high school. Steffey has also received his Lone Star Farmer Degree. He has received his major in range management and animal husbandry while at Tech; and is now working on his major in agricultural education.

The Ugly Egghead

Throw any eggs lately? Some people may answer this question no, but there are some people who would have to answer yes.

Since the officers of the Student Council went to the School Board and asked permission to have the bonfire, there have been several incidents happen with egg throwing involved. The School Board believes in having fun just as the kids do, but egg throwing is not very many people's idea of fun.

When eggs are thrown at cars and the egg finds its intended aim, it takes the paint off the car. This results in having to repaint the car, which costs about \$125.

Egging a house is also out of the line of fun as seen by most people. When a house is egged, the house has to be completely repainted so that the paint will look even.

Even though the bonfire was approved for this year, more than likely it will be cancelled next year. Even before Halloween every year, eggs start flying but it seems that the eggs started their course through the air a little bit too soon this year. There is nothing wrong with swiping a few boxes from the different classes, as long as you don't destroy property. But when property starts being destroyed, it's time to quit and start disciplinary actions.

Let's all do our part and stop throwing eggs. To the one who throws the egg, it's just fine to destroy someone else's property; but when somebody else starts destroying theirs, it's a completely different story. Let's all work together and stop the egg throwing and destruction of other people's property.

SPORTS FUMBLES & JUMBLES

By Dan Davis

The Slaton Tigers pulled out ahead of the Idalou Wildcats in the second period and stayed in the lead from there out. Alan Fondy made 70- and 50-yard punt returns. Allan Sanders' 28-yard field goal and Donnie Rodgers' 33-yard run helped fill the 24-3 score. Darrell Eastman's outstanding performance as quarterback led the Tigers in the second half. Paul Payne had a hand in setting up a score for Fondy. Tom Roche showed tough defensive action while Ismael Ledesma was outstanding on the offensive action.

The Slaton Tigers pulled out over the Tahoka Bulldogs 3-0 in a tough defensive battle. Allan Sanders' 23-yard field goal with 16 seconds left in the game made the only score of the night. Dick Davis led the squad on defense. Coach Ernie Davis reports, "The Bulldogs were tough, just as we expected; they are a fine ball club. Our fine defensive effort was outstanding."

The Slaton Junior Varsity game with Coronado was called off due to the death of Steve Bourn. The Freshman game with Tahoka was also postponed due to the loss of their teammate.

The Junior Varsity Tigers romped over the Lamesa Tornados Junior Varsity last Thursday night 28-6. Floyd Kitten intercepted a pass and ran back for a touchdown. Steve Nieman and Jackie Ford excelled in the offensive game. Tonight is their last game with Littlefield. They are anticipating a victory.

The Freshmen went down in defeat last Thursday night 34-6, as the Lamesa Tornados rammed over them. Gregg Sokora ran for the touchdowns doing a fine job offensively. Benny Lopez, Craig Mann, J. Ray Basinger, and Raymond Gonzales were outstanding defensively. The entire team showed much improvement. Tonight is their last game. They play Roosevelt and let's all get out and lead them to a victory!

The Tigerettes began their season Nov. 3, when they had a scrimmage with Hale Center. Hale Center is rated on top in Class A. Mrs. Gay Benson reports, "The girls proved they had strength in some areas and had weaknesses in other areas. The defensive looks real well for the time, being that it is early in the season."

The Freshman girls won their first game against Crosbyton Monday, Nov. 2, 42-34. The team as a whole looked good and is hoping for an undefeated season.

Tigers Rap Ralls

In near perfect weather for a football game, the Slaton Tigers overcame the Ralls Rabbits, 21-7, last Friday. Slaton's offense got rolling early this time out as Frank Self took the pigskin and scampered to the Ralls one-yard line early in the first quarter. On the next play from scrimmage, Terry Moser blasted in for the score. Allan Sanders' kick was good, and the score stood at 7-0. Late in the same period Ralls came fighting back as a 26-yard pass from Kirt Wyrick to David Davis tallied for six points. Wyrick's extra point was good which knotted the score at 7-7. But late in the second period, Slaton came back to take the lead at halftime on a

six-yard run by Alan Fondy. Neither offense could get going in the third quarter as both defenses stood firm. As the fourth quarter rolled around, Darrell Eastman threw a one-yard touchdown pass. On the previous play a 25-yard pass to Bruce Schuette set up the Tigers' final tally. The game was a costly one for the Tigers as four players received minor injuries during the game. For the last game of the season, the Slaton Tigers will host the Roosevelt Eagles at Tiger Field. Going into the game, the Slaton crew has 4-1-1 district record and is holding a firm grip on second place in the district.

GLORIA SILVA, TED DIXON Seniors Light Fire

The long-awaited bonfire finally arrived Thursday, Nov. 5. The Homecoming bonfire was cancelled after a week-long rain. It was cancelled week before last as students paid their respects to Steve Bourn, freshman. This year, Mr. and Miss Flame are Gloria Silva and Ted Dixon, both of whom are seniors. After the winners had been named, Mr. and Miss Flame lit the fire. The bonfire started at 7 p.m. with the Slaton High School Tiger Band and the Varsity and Freshman cheerleaders, along with dozens of SHS students.

Each class competed to see who could get the most boxes. The winners were decided by the class with the most merits. One merit was given for a pickup load and 30 for a cotton trailer load. Four merits were taken away if anyone was caught doing something destructive or stealing boxes. The seniors won first with the freshmen coming in second. Juniors and sophomores were third and fourth, respectively.
