

Citywide July 4th Celebration Set For Saturday

The Slatonite

A MEMBER OF MOST FAMILIES IN THE SLATON TRADE AREA

59th Year, No. 39

Lubbock County, Slaton, Tex.

Thursday, July 2, 1970

10 Cents

July 4th Celebration is scheduled for Saturday with a "Kiddie Parade" on at noon and opening of activities at 1 p.m. at the city park.

The day will be a giant fireworks celebration. Numerous clubs and organizations are participating in the event--a non-profit proceeds going toward celebration.

The general chairman of the celebration, with numerous civic clubs members working with, and in the planning and organization, "marshals" will make special week to find and "prosecute" the beard-growing event. All required to have whiskers or a beard. The permits are being sold Saturday with beauties Mollie Mosser and Janet Garza as judges. Prizes of \$25, \$15 and \$10 will be awarded.

Who desire to enter the "Kiddie Parade" on the city hall square Saturday, the parade will start at 10 a.m. Prizes of \$25, \$15 and \$10 will be given in several divisions as scheduled with prizes for boys and girls, 6 to 9; 10-13, and another for girls, 14-18.

Prizes will be given in several divisions as scheduled with prizes for boys and girls, 6 to 9; 10-13, and another for girls, 14-18.

BEARD-MEASURING TIME--Slaton's July 4th Celebration includes a beard-growing contest, and Weldon Self had Daria Siler put the ruler to his whiskers this week to see how his "crop" was maturing. The big citywide celebration Saturday will include fun, food and games for members of the family--starting with a Kiddie Parade at noon and climaxed with a fireworks display at dark. (SLATONITE PHOTO)

Gentle Showers Boost Crop Picture Here

Gentle, soaking rains boosted the crop outlook around the Slaton area Monday as the general rainfall left moisture ranging from .25 to 1.25 inches.

The rainfall was fairly general over the South Plains with Slaton and Denver City reporting 1-inch rains to lead the list. Other towns topping one-half inch included Lubbock, Lockney, Olton and Petersburg.

The rainfall started early Monday morning, leaving about .60 of an inch in Slaton before most residents had breakfast. The showers continued off and on through the day.

The moisture is expected to be a real boost to area crops, as most areas had received only small amounts of scattered rain in the previous two months. There was no flooding of fields with the gentle rains, and no weather damage reported anywhere in the area.

Temperatures dropped with the showers, with a high of only 85 degrees recorded here Monday. The mercury had soared to 106 and 105 last Thursday and Friday. The weather warmed up to the 90's again Tuesday and Wednesday. Low for the week was a 64-degree reading Wednesday morning, according to reports from the Pioneer Natural Gas Co. office in Slaton.

July 4th One Of 5 Holidays

Much of the business activity will come to a standstill Saturday with the observance of the July 4th holiday in Slaton.

A big citywide celebration in the park, however, is expected to keep things "buzzing" in the city, July 4th is one of the five holidays which Slaton Retail Merchants Association has adopted for observance. Others are Thanksgiving, Christmas, New Year's Day, and Memorial Day.

Although most offices and firms will be closed, a number of stores have indicated they will remain open for business Saturday. These include Piggy Wiggly, United Supermarket, and several stores around the square.

Bowman Heads New Officers Of Rotary Club

Dee Bowman, Slaton radio station manager, was installed last Thursday as president of Slaton Rotary Club for 1970-71. He succeeds J. S. Edwards as club president.

New officers were installed at the club's regular weekly luncheon meeting at the Community Clubhouse with Bruce Pember, past president and past district governor, serving as installing officer.

Other officers installed were O. G. Nieman, vice president; M. G. Davis, secretary-treasurer; Jake Wendel, Wayne Yearout, Clark Self Jr. and Rush Wheeler, directors; Clinton Eastman, sergeant-at-arms; Bruce Parks, song leader; and Flora Mae Williams, pianist.

Edwards gave a report on club activities and achievements the past year. The club attendance was reported at 89.9 percent for the year. Activities included sponsorship of the Mobile X-Ray Unit, an appreciation dinner for police and firemen, financial support of Little League, Babe Ruth League and Cub Scouts, co-sponsoring a girl to Girls State, contributing to a girl at Girlstown, U.S.A., sponsoring a student guest each week at the club meeting, and holding a Ladies' Night program.

According to a report from Post, a total of 37 stray dogs were brought in the first week of the bounty program there. The city manager reported the program successful in reducing the number of stray dogs.

Mayor Hughes said the city commission "hopes to have the cooperation and understanding of the public in this matter."

Dog Bounty Fee Okayed in City

Slaton City Commission -- plagued by stray dog complaints--decided in a special meeting Wednesday morning to authorize a "bounty fee" for stray dogs.

The action came after what the commission and Mayor David Hughes called an "unsuccessful and unsatisfactory" employment of a city animal warden, or dog catcher.

After discussion of the problem and a report on a successful bounty fee being used by Post, the commission authorized payment of \$2 per stray dog to any resident who delivers such dogs to the Slaton Police Department between 5 and 7 p.m., Monday through Saturday.

Dogs must be caught within the city limits of Slaton and must be alive and unharmed. Dogs found on private property may be caught only with the consent of the property owner. All dogs running at large and not in possession of 1970 city dog tags will be considered as strays.

The city dog ordinance, which remains in effect, provides that the city impound stray dogs for a period of three days. Impounded dogs may be claimed by the owner upon proof of ownership and payment of \$1 pound fee and \$1 per day expenses.

Members of the police department will issue vouchers to those bringing in stray dogs, and the vouchers are taken to the city secretary's office for payment. The bounty fee will go into effect Monday, according to the mayor. The city commission can terminate the bounty fee at any time and without notice.

According to a report from Post, a total of 37 stray dogs

Law Prohibits Fireworks Here

Although the July 4th holiday usually brings out fireworks, city officials reminded this week that there is a city ordinance against the use of fireworks in the city limits.

Police Chief Walter Head said the exploding of fireworks was permitted only under certain conditions--one being the supervision of a fireworks display at the July 4th Celebration by the Fire Department.

The city ordinance provides that "no person, firm, company, corporation or association shall cast, throw or fire any squib, rocket, cracker, torped, grenade, gun, revolver, pistol, cap or cartridge, or other combustible fireworks of any kind in the City of Slaton. Any person in violation of this ordinance is subject to a fine of up to \$100."

Fabulous Friday Time in Slaton

Blue Star Specials will be featured by Slaton merchants as the monthly "Fabulous Friday" dollar day comes tomorrow.

Look inside today's Slatonite for big holiday bargains, and shop with Slaton's "Blue-Star Merchants" for a chance to win valuable Blue Star Bucks. Register with any merchant displaying a blue star on his window or door--nothing to write and you do not have to be present to win!

Blue Star Bucks--redeemable with any participating firm--will be given away Saturday morning. The three winners who are drawn will receive \$25, \$15 and \$10 in Blue Star Bucks!

This week's drawing will be held at KCAS Radio Station at 10 a.m. Saturday. All Blue Star merchants should turn in their registration forms no later than 9 a.m. Saturday at the radio station.

Soldier Likes 'Loyalty Oath'

The Slaton and Wilson Lions Clubs project to solicit voluntary "loyalty oaths" through forms printed in The Slatonite has drawn praise from a Vietnam veteran.

The loyalty oaths appeared in two editions of The Slatonite, and numerous citizens mailed the forms in to the mayor's office. The oaths were forwarded to the governor, who in turn will send them to the President.

Mayor David Hughes this week received a letter from SP-4 Robert Westbrook, who is stationed in Vietnam. Following is the letter:

"I want to congratulate you and the Slaton Lions Club for printing up the 'oath' that appeared in The Slatonite. Perhaps it will help people to better see the principles on which our nation was founded. I am currently engaged in helping another country fight for these same principles. It doesn't take much over here to realize what a great country we live in. I favor any program that supports our government and its officials."

Mrs. Drewry Retires As Tax Deputy After 19 Years Service

After 19 years and one month, Mrs. F. A. Drewry retired from the position of deputy county tax and assessor for Slaton Tuesday. Her son, Ellis P. Schmid, has been appointed by Lubbock County Tax Assessor and Collector Russell Hardin, to replace Mrs. Drewry in the local office as deputy and office manager.

Mrs. Drewry says at one time she had four jobs -- business manager for the school, deputy for the county, owned an insurance agency and was home service chairman for the Red Cross. As of this week she is free from all the jobs but one--the volunteer one. She has served as home service chairman for over 20 years and plans to continue this service for Slaton.

Mrs. Drewry came to Slaton in 1940 from Mt. Pleasant. Her sons, Ellis and the late Eldon Schmid were students at Texas Tech and she wanted to be nearer them.

Mrs. Drewry's late husband was county and school assessor before his death in 1951 and then Mrs. Drewry was made deputy. Hardin said, "Mrs. Drewry was a real valuable supervisor of this office and she'll certainly be missed".

Mrs. Drewry said she wouldn't even have to take the pictures off the wall in the office since it was staying in the family. Schmid moved to Slaton in 1961 after giving it as his permanent address for 20 years while in the service. He is a retired major and has worked in the insurance business with his mother. He was employed by the military intelligence from August, 1966

Remains of Old Plane Sought In Slaton Area

Know anyone around Slaton who has part or all of an old, bi-plane?

Lee E. Wilkinson of Smyrna, Ga., was in Slaton this week seeking clues to the plane, a former resident of Floydada, he said his father sold the plane to a Slaton man about 1936. Wilkinson is hoping to find the plane, or parts of it.

Wilkinson said the plane was reportedly flown to Slaton and landed in a pasture. He said it was also believed that cows ate the fabric covering the plane while it was parked in the pasture.

The ultimate fate of the old plane is not known, however, and this is the information Wilkinson is seeking. The plane was a single engine bi-plane manufactured by the Alexander Aircraft Co. in Colorado Springs, Colo. It was called an "Eglerock", and was powered by a Curtiss OX-5 engine. The license number of the plane was 268Y.

Any information regarding the whereabouts of the remains of the plane will be greatly appreciated, according to Wilkinson. His address: Lee Wilkinson, 2749 Earthfield Rd. S. E., Smyrna, Ga. 30080.

FULL YEAR

Sales Tax Nets \$500,000 Here

Slaton netted just over \$500,000 for full year on its one percent sales tax, it was revealed this week.

The sales tax started in April 1969 and received a check the past week for the first quarter to be some \$112,000. The tax take for 1970 for February-March period of 1970 was \$112,000, and this was more than anticipated.

For the last quarter of 1969 and city officials had expected for the first quarter to be some \$112,000. The tax take for 1970 for February-March period of 1970 was \$112,000, and this was more than anticipated.

PIXIE ANN HOWARD

Couple Reveals Wedding Plans Miss Griffin Is Honoree

Mr. and Mrs. Robert L. Howard of Miami, Tex., have announced the engagement and approaching marriage of their daughter, Pixie Ann, to Pfc. Sammy L. Stoner, son of Mr. and Mrs. Sam Stoner of Rt. 2, Slaton.

The couple plans to marry July 18 in the First Baptist Church of Miami.

Miss Howard is a graduate of Miami High School and is presently attending St. Anthony's School of Nursing in Amarillo.

Pfc. Stoner is a graduate of Roosevelt High School and went into service last September. He is now stationed at Fort Bragg, N.C., but is scheduled to go to Vietnam Aug. 10.

Miss Debbie Griffin, bride-elect of Roger Baker, was honored with a bridal shower Sunday afternoon in the home of Mrs. Dick Cade.

The refreshment table was laid with a white cloth featuring crystal appointments and an arrangement of dried flowers in the honoree's chosen color of antique gold.

Mrs. Cade greeted guests and Mrs. Otho Doyle presided at the guest register. The hostess gift was an electric mixer.

Hostesses for the occasion were Mmes. Dick Cade, R. B. Boyd, Ed Foreman, Robert Alexander, James Smith, Bobby Jones, Otho Doyle, Bobby Goode, Marvin Hall, George Gamble, Joe Felty and Wanda Carter.

The couple plans to wed August 1 in the Cooper United Methodist Church.

JUANITA MAGALLANES

Couple To Wed Dinner Party Given For Couple

Mr. and Mrs. Reyes Magallanes of Slaton announce the engagement and approaching marriage of their daughter, Juanita, to George Guevara, son of Mr. and Mrs. Eusebio Guevara of Plainview.

The couple plans to marry Aug. 8 in the chapel of the First Baptist Church here.

Miss Magallanes is a graduate of Comstock (Tex.) High School and a May graduate of Wayland Baptist College in Plainview. She will teach ninth grade English at Mathews Junior High in Lubbock beginning with the fall semester.

Guevara is a graduate of Plainview High School and attended Wayland College. He is presently serving with the Air Force in Panama. Following his forthcoming leave, during which time he plans to be married, he will be stationed at Tacoma, Wash.

Mr. and Mrs. George Harlan, Mr. and Mrs. Jerry Harlan and Mr. and Mrs. Bobby Joe Harlan honored Bill Davies and Miss Toya Finley with a dinner party in the home of Mr. and Mrs. George Harlan last Friday evening.

Decorations for the table was a centerpiece of white daisies and yellow mums.

The Harlans presented the couple with a place setting of silver.

The honored couple plans to wed July 31 in St. Mark's Presbyterian Church in San Angelo.

Those attending were Mr. and Mrs. J. C. Smith, Mr. and Mrs. J. W. Holt, Mr. and Mrs. Joe Sparkman, Mr. and Mrs. Ed Moseley, Mr. and Mrs. Earl Reasoner, Mr. and Mrs. Kenneth Davies, Mr. and Mrs. Lawrence King, Connie Oats, Debbie Busby, Arthur Davies, Vicki Milliken, and Mr. and Mrs. Don Stewart of Marfa.

MRS. FRANK WOLF
...Deborah Moore

Mr. and Mrs. Herb Cade, daughter and family, Mr. and Mrs. Bill Thomas, Candice and Terry, have returned from visiting their daughter and sister and family, Captain and Mrs. R. K. McLeroy in Great Falls, Mon. Among places they visited were Mount Rushmore, Yellowstone National Park, Virginia City, Glazier National Park and Canada.

ITEM: When clothes smell of drycleaning fluid after coming from a coin-op establishment, it's a good idea to air the garments thoroughly before wearing or storing.

Weekend guests in the home of Mrs. L. C. Tucker were her son, Mr. and Mrs. Joe Tucker and family of Albuquerque, N. M., and her daughters, Mr. and Mrs. James Halliburton and Mr. and Mrs. Bobby Dan Snodgrass of Lubbock. The Joe Tuckers visited here until Tuesday before returning to their home.

ITEM: Sheets and pans used for baking cookies should always be bright and shiny. Aluminum or shiny tin reflects heat so that cookies brown evenly top to bottom.

ITEM: Professional painters sometimes use a blow torch to remove large areas of paint. This is not recommended procedure for the do-it-yourselfer who is inexperienced in this field. A safer method involves use of an infra-red lamp. Hold the portable lamp about one inch from the surface until small blisters form in the paint. After covering a few feet, remove the paint with a broad knife.

Local Unit Assists

The Slaton American Legion Auxiliary served on the refreshment committee for a tea given for Mrs. J. K. Cunningham. The tea was given at the Big Spring Veterans Hospital.

Mrs. Cunningham retired as director of volunteer services at the hospital. Hostesses for the occasion were the 16th, 17th and 19th District auxiliaries.

ITEM: To add zest to spinach, mix chopped, hard-cooked egg with fresh cooked spinach. Then top with slices of hard-cooked egg.

ITEM: Extensive alterations of ready-to-wear clothing are not worth the time, money and effort. Neckline, shoulder and armhole changes often are time-consuming and difficult. Complicated styles usually limit alterations that can be made.

ITEM: Cheeses such as Edam, Brick, Cheddar, Parmesan, Gouda and Swiss will freeze fairly well. Cut cheese into half pound wedges; wrap wedges in air-tight material and freeze them quickly.

Senior Citizens Meet Friday

Twenty-one members and guests met for the Senior Citizens Club's regular meeting last Friday in the Slaton Club House. Mrs. Fannie Patterson, president, conducted the meeting.

The opening prayer was given by Mrs. George Evans. Mrs. Patterson reported a former member, Mrs. Ida Smith, has moved to the Masonic Home in Arlington and says she is very happy there. Mrs. Smith sent best wishes to the club.

Mrs. Alvin White led the group in singing while Mrs. Anna Bell Tucker played the piano.

Mr. and Mrs. Tom Bickers entertained the group with a talk on their recent visit to Hawaii. They told about the island, the soil, trees, fruit grown and sang some of the songs they learned while there.

Visitors were Mrs. Irwin Liverett of Carlsbad, N.M., Barbara Webb of Ft. Morgan, Colo., who is visiting her grandparents, Mr. and Mrs. Bickers, and LeAnn and Tracy Tucker of Albuquerque, N.M., granddaughters visiting Mrs. Tucker.

Mrs. Morris Goes Visiting

Mrs. M. E. Morris has returned home after a visit in Houston with her son, Jimmy Morris and family, and a sister, Mrs. W. T. Shepherd who was quite ill in a hospital there. It was reported that she was released from the hospital June 26.

Mrs. Morris returned home by Copperas Cove where she visited with a son-in-law and daughter, Rev. and Mrs. J. L. Gary. Rev. Gary is pastor of Robertson Avenue Baptist Church in the Cove. Mrs. Morris said they sent greetings for their friends in Slaton and Southland.

Mrs. Morris went to San Angelo visited with two sisters, Mr. and Mrs. Billy Sanders and Mrs. W. A. Cline, Saturday. The three sisters and Mr. Sanders drove to Tahoka where they attended the Cad Settlers Reunion.

ITEM: Groceries and other foods accounted for 20.8 per cent of all sales in U. S. retail establishments during 1963, according to a study of broad merchandise lines by the U. S. Department of Commerce's Bureau of the Census.

ITEM: Warm weather is not the time to forget about your heating system. This is the time to have it cleaned and, if necessary, repaired, while its performance is fresh in your mind and while it is not needed for home comfort.

Wolf-Moore Vows Repeated Saturday

Miss Deborah Jan Moore became the bride of Frank Edward Wolf in a double ring ceremony read at 7:30 p.m. Saturday in St. Joseph's Catholic Church. The Rev. Brandon McCormick of Christ the King Church in Lubbock, officiated the ceremony.

Mr. and Mrs. Buddy Moore of Rt. 4, Lubbock are parents of the bride. The bridegroom's parents are Mr. and Mrs. Art Wolf, Rt. 1, Slaton.

Escorted by her father, the bride wore a formal-length gown of sheer organza fashioned with high neckline and bishop sleeves. Venese lace accented the neckline, sleeves and empire waistline. Tiny embroidered daisies were scattered on the entire gown and lace encircled the hemline and edge of the chapel-length train. The bride carried a bouquet of yellow feathered mums with gladioli bubbles.

Mrs. David Elder of Lubbock was matron of honor and Miss Pam Scott of Cleburne, cousin of the bride, was bridesmaid. Bridesmaids were Mrs. Janet Womach of Lubbock and Mrs. Jerrold Wade of Friona, sister of the groom.

The attendants were gowned in full-length yellow dotted swiss empire dresses with wide-brimmed yellow hats trimmed with white daisies. Each carried a nosegay of white daisies.

Joe Bob Bednarz was best man for his cousin. Groomsman were Phil Swift and Jack Griffith, brothers-in-law of the groom, and Al Moore, brother

of the bride, all of Danny Heinrich, groom, and Jerrold Friona, brother-in-law, and Ricky J. Jue, groom.

Jill Hodge and Mel, cousin of the bride, were flower girls. Mrs. Steve Hall, organist, and Mrs. Edrich of Lubbock, sister of the bride, presented wedding music.

Following a recess Joseph's Catholic couple traveled to D. refreshments were Miss Loretta Wolf, Swift, and Mrs. Jack sisters of the groom. Vesta Eblevins, the bride.

The couple will 1121C 43rd St., Lubbock, the bridegroom is Modern Chevrolet, 1968 graduates of School. The bride Commercial College, employed by O & A Express.

REHEARSAL DINNER

The rehearsal dinner was given in the home of Mrs. Art Wolf, parlor. The dinner was prepared by Mmes. Bednarz and Cletus.

LADY FAIR BEAUTY SALON

420 E. Garza

Engagement Announced

Mr. and Mrs. Francis Grabber of Rt. 1, Slaton, announce the engagement and approaching marriage of their daughter, Linda, to Jan Graham, son of Mr. and Mrs. Duncan Graham of Lubbock. The couple plans to marry Sept. 5 in St. Joseph's Catholic Church of Slaton.

Miss Grabber is a graduate of Cooper High School and the Lubbock Vocational School of Nursing. She is presently employed at the Children's Medical Center in Dallas.

Graham is also a graduate of Cooper High School and Texas Tech and is now employed with Lone Star Gas Company in Garland.

Sunday guests in the home of Mrs. M. E. Morris were two nieces, Mrs. Bill (Irene) Day and daughter, Linda, from Santa Anna, Calif., Mrs. Kingston Crouch and daughter, Pat, and two grandchildren from Tulsa. That afternoon the ladies drove to Post and visited Mrs. Morris's sister, Mrs. J. P. Manly and an aunt of the ladies, Mrs. Walter Coffey.

Local Woman Gets RN Diploma

Mrs. Rush Wheeler was one of 34 students who recently graduated from the Methodist School of Nursing during special exercises at St. John's Methodist Church, Lubbock.

The newly graduated nurses and their families were honored at a reception immediately following graduation exercises, hosted by members of the Methodist Hospital Auxiliary. Mrs. Wheeler said some women complete the school in two years but due to several complications, it took her over four years. First she went back to college, Texas Tech and Lubbock Christian College, to get the required credits she needed to enter nursing school.

"Through much encouragement from my family, I kept plugging along," she said. She was recipient of a \$750 scholarship for the School of Nursing which also encouraged her to complete the school.

She says after she takes off for several weeks she plans to do advanced training at Methodist Hospital.

The Wheelers are parents of

Shower Honors Bride-elect Of Bill Davies

Miss Toya Finley of El Dorado, bride-elect of Bill Davies, was honored with a bridal shower Friday in the home of Mrs. Jay Martin Basinger.

The refreshment table was laid with a white cut-work cloth and centered with an arrangement of white stock and daisies. Milk glass appointments were used.

Hostess gift was an electric mixer. Hostesses for the shower were Mmes. George Harlan, Wayne Moses, George Taylor, Herman Havis, Sam Ellis, Hub Halre, Jack Myers, Max Arrants, C. E. McCoy, Leland Scott and Truett Bowns.

Others were Mmes. Earl Reasoner, J. C. Smith, Lucian Sloan, Ed Moseley, Harley Martin, Carter Caldwell and Basinger.

The couple plans to wed July 31 in San Angelo.

Leftover meat loaf makes a tempting sandwich, with Thousand Island Dressing. You can also use meat loaf slices in a casserole of baked beans.

SHIRLEY PAUL

Wedding Date Set

Mr. and Mrs. Milton M. Paul announce the engagement and approaching marriage of their daughter, Shirley, to Jerry Lynn Bukemper, son of Mr. and Mrs. Paul C. Bukemper, Rt. 1, Slaton.

Miss Paul is a 1968 graduate of Slaton High School, and is presently employed with Slaton Savings and Loan Association. Mr. Bukemper is a 1964 graduate of Slaton High School, attended Texas Tech University, where he received a Bachelor of Business Administration Degree, majoring in Marketing. He is presently employed with Del Monte Sales Cooperation, assigned to the Albuquerque, N.M. area.

The couple plans to wed July 24, at 7 p.m. in St. Joseph's Catholic Church. All friends of the couple are invited to attend.

Tax Man Sez:

Q) Some of my friends seem to get audited every year while others never do. How do you decide which ones get a closer look?

A) First, all returns are checked for mathematical accuracy during the processing operations. Mistakes are picked up and corrected here that result in a different tax liability and the amount of the refund is adjusted or a bill for additional tax issued. Some of these mistakes are in the taxpayer's favor while others are in the government's.

Returns are then screened by computers and rated as to the likelihood that they contain other errors. These might be erroneous expenses or deductions, income not reported or mistakes in claiming exemptions.

The returns with the highest scores are then examined by IRS employees.

Q) My teenage daughter is helping out in my store this summer. Do I treat her just like any other employee for tax purposes?

A) Since your daughter is under 21, you do not have to withhold social security or unemployment taxes from her wages. You will have to withhold federal income taxes, however, unless she meets a new rule on withholding added to the law last year.

It provides that if someone owed no tax the previous year and expects to owe no tax this year, then income tax withholding can be avoided in the current year. If your daughter qualifies, have her file an exemption certificate with you, her employer. You can obtain the certificate, Form W-4E, from your local IRS office.

ITEM: When painting in corners, don't poke or jab them with a large brush - this will cause a puddle of paint to form and you will be sacrificing neat, finished edges. Cut in corners with a trimmer which is designed for the job.

Winn-Moyers Vows Read in Lubbock

The wedding of Miss Jackie Ann Moyers and Thomas Haskel Winn was solemnized in a double ring ceremony Friday at 8 p.m. in the Highland Baptist Church, Lubbock. The Rev. L. D. Walker, pastor, officiated.

Parents of the bride are Mr. and Mrs. Wally Moyers, Rt. 1, Lubbock. The bridegroom's parents are Mrs. Edna Winn of Slaton and the late Mr. Herman P. Winn.

Given in marriage by her father, the bride wore an A-line princess style formal-length gown of white crepe featuring a high round neckline and long bell shaped set-in sleeves made of lace. She wore a fingertip veil of silk illusion and carried a white Bible topped with with orchids surrounded with feathered carnations.

Miss Cheryl Holder of Lubbock was maid of honor. Carla Winn, sister of the groom, was bridesmaid. They wore identical floor-length gowns of orchid crepe.

Best man was Jerry Hoover of Lubbock, Wally Gene Moyers of Lubbock, brother of the bride, was groomsmen. Seating guests were John Bukemper and C.A. Weir of Lubbock.

Cary Herring of Idalou and Ricky Moyers of Lubbock, brother of the bride, were candle-lighters.

Lydia Vines of Lubbock was flower girl and Randy Moyers, brother of the bride, was ring bearer.

Mrs. Gayle Bowen of Lubbock

played organ selections.

A reception for the couple was held in Fellowship Hall following the ceremony. Hostesses were Mrs. Tommy Herring, Dianah Herring and Becky Jackson, all of Lubbock. Carol Ware of Lubbock registered guests.

The couple will reside at 2220 Knoxville, Lubbock. The bride attended Roosevelt High School and the groom is a 1970 graduate of Slaton High School. He is employed by Johnson Mfg. Co., Lubbock.

Lingerie Shower Given In Lubbock

Miss Debbie Moore, bride-elect of Frank Wolf, was honored Wednesday, June 25, with a lingerie shower in the home of Mrs. George Dubose in Lubbock.

The honoree's chosen colors of yellow and white were carried out in the table decorations.

Mothers of the couple, Mrs. Buddy Moore and Mrs. Art Wolf, were special guests. Out of town guests included Mmes. Bill Scott and Florence Marshall and Miss Pam Scott, all of Cleburne.

Assisting with hostess duties were Mmes. David Elder, Jack Griffith, Jerrold Wade, Phil Swift, Larry Burk and Dubose.

Hostess gift was a peignoir set. Approximately 40 guests attended.

ITEM: If you're building a new home, make sure it has plenty of cleanout plugs and shutoff valves at all major plumbed-in equipment. Cleanout plugs make it possible to remove obstructions in the pipe without a lot of trouble and expense. Shutoff valves enable you to shut off the water at one fixture, should an emergency arise, without shutting off the water in the rest of the house.

MRS. THOMAS WINN ... Jackie Moyers

Bluebonnets In Final Summer Meet

Members of the Bluebonnet Club met in their final session for the summer at 2:30 p.m. last Wednesday in the home of Mrs. C. C. Wicker. Mrs. Floyd Boyd, president, had charge of the meeting.

Eleven members answered roll call with a favorite joke. This was the final meeting until Sept. 7 when the group will meet for a 1 o'clock luncheon at the club house.

The annual picnic is scheduled at 6 p.m. Aug. 6 at the

club house, and is for members, their families and house guests.

Refreshments were served after the meeting, following which the group played games.

THE ALLEGIANCE TO THE FLAG of the United States of America and to the... for which it stands, one nation under God, indivisible, with liberty and justice... these words are very familiar to most Americans and, perhaps, more meaningful... July 4, 1970. Subjects for our photo are Keith and Brent Bumpass, sons of Mr. Martin Bumpass.

THE DAY OF OUR INDEPENDENCE!

The Fourth of July is a day of celebration because it marks this nation's freedom from others. Independence is a wonderful thing, not only for countries, but for persons as well. That's one reason why people save here. Take your step toward financial independence today!

AWARDS RECEIVED--Mrs. Louise Underwood, immediate past president of the Slaton VFW Auxiliary, is shown with the citations and trophy awarded the local auxiliary at a convention held in Amarillo June 25-28. (SLATONITE PHOTO)

VFW Convention Attended By Slaton Group

A group of Slatonites attended the 50th annual convention of the V.F.W. and the Ladies Auxiliary to V.F.W., Department of Texas, which was held in Amarillo June 25-28, Headquarters for the convention was at the Civic Center.

The Slaton Auxiliary received a membership award from National and a citation of merit from Department for 100 per cent membership; Voice of Democracy award; a citation for having compiled 100 per cent with the 10 point system and a loving cup for reaching quota by Dec. 31, 1969.

A community service award went to Mrs. Dewey Nelson for her outstanding job of reporting for the auxiliary. Mrs. Francis Sargent received a gift from Mrs. June Bell, Department Community Activities chairman.

The Slaton V.F.W. Post 6721 received a citation for being a honor roll post and a Buddy Poppy award, Commander Dewey Nelson received a community service award from National.

Those attending from Slaton were Mr. and Mrs. Dewey Nelson; Mr. and Mrs. Bo Becker; Mmes. Louise Underwood, Leona Lamb, Faye Harris, Francis Sargent; and Travis Mann, Keith Price, Elmo Lankford, Joe Wicker, Jack Kuykendall, Marvin Gerbert and Pete Phillips.

The department convention will be held in San Antonio in 1971 and Dallas in 1972.

ITEM: Early spring rains may leave the ground soft in spots and that can mean accidents while using a ladder for outside painting. Make sure you rest the feet of the ladder on solid ground, with a maximum possible distance (preferably about 25 per cent of the ladder's length) between the face of the ladder and the side of your home. These precautions could prevent some spills.

YOUR LIBRARY CARD Passport To The World's Knowledge

Library Closed For 4th This Weekend

The Slaton Branch Library will be closed two days this weekend, Friday and Saturday, in observance of July 4th.

Story - time is scheduled between 10-11 a.m. next Saturday at which time film strips, stories and games will be enjoyed by the children in attendance. Mrs. R. C. Hall Jr. is chairman of story-time.

Some 300 boys and girls have registered for the summer reading program, according to Mrs. Polly Melugin, librarian. The program, entitled, "Paddle-to-the-Sea" began June 1 and will continue through Aug. 15.

The largest number of check-outs for any one day this year was on June 22 when more than 250 books were circulated, according to Mrs. Melugin. During the month of June some 3,300 books were in circulation.

Twenty children had made the honor roll in the reading program as of June 27, and 144 have received membership maps.

Several new books arrived at the library recently, including, in the easy category, "Soap Bubbles", "Goggles", "Popcorn and Ma Goodness", "Spring is a New Beginning"; for young adults, "A Bedouin

Boyhood", "Masters of the Scalpel"; and juvenile books, "Aunt America", "Kazan and the Wolf Dog".

Books for adults include "Arab World", "Australia and New Zealand", "Annals for Every Garden", "The Brigadier and the Golf Widow", "The Valachi Papers"; and reference books, "Introduction to Wild Flowers", "Introduction to Birds", "Field Book of Reptiles and Amphibians", "Postage Stamps of the U.S.", "Authors of Books for Young People", "Lincoln Library of Language Arts", and "Lincoln Library of Social Studies".

J. L. Jolly, local carpenter, is building two large bookcases for the library, funds for which are provided by Friends of the Library.

Mrs. Melugin issued a reminder that reproductions of famous paintings may still be checked out from the library for a two-month period.

City Floral recently delivered a beautiful floral arrangement to the library from the Friends Club. This thoughtfulness is appreciated very much.

Library hours are 11:30 a.m. - 6 p.m. weekdays; 9 a.m. - 4:30 p.m. Saturdays.

SUNDAY'S SERMON

FAMILY LIFE

What is wrong with this nation of ours? The answer you get depends upon the individual to whom the question is posed. We are sprouting every new, small armies of protesters and dissenters. All too many of these can tell you what is wrong with the country (in their particular area of interest) but the solutions they propose are made from dreams rather than reality.

What is needed in this nation, if it is to be firmly held together, is a strengthening and, in some cases, a renewal of the family life.

When the family unit is strong, there is a unity, a working together that deters individual members from chasing off to pursue rainbows. There is a serious attention to family needs and to the family philosophy. Another word, perhaps, is togetherness.

If there is a strong family life, one hesitates to "do his thing" if that "thing" is not in keeping with the family tradition, with the family belief. If there is the example of a worthwhile family life, there must be with it an apparent set of values.

RICHES ARE MINE

A Christian observation: Mine is a world of wealth. I can dwell upon the quietness of the world at dawn. I can ponder the first rays of morning sunlight and watch the misty shadows depart from the valleys they have shrouded through the night.

I know the smell of flowers wet with dew. I hear the sound of nature's creatures. Those of the forest, woodlands, the swamps, the open skies, the throbbing towns and cities.

I can feel the chill of winter's wind and remember the warmth of a summer sun. I can find joy in the good things of life and appreciate them all the more because I recall times of sadness and defeat.

Mine is a good world. I am fortunate. I am grateful. I think, perhaps, that my world would be more beautiful if I could see the ways and could find the time to help others who are less fortunate. I am not always able to see the ways, to find the time. But, when I do, my life is enriched. I am blessed. I know then, as I know sometimes when I stand alone and watch the birth of a new day, that I am standing closer to God.

July 4. The doors will be closed to the public during this time. The judges decision will be final. Any artist is eligible to enter.

Insurance should be carried when desired by the artist, as no insurance will be carried by the Art Show, but all possible care will be used in handling the entries. All work will be received with that understanding. All paintings must be matted or framed and wired for hanging. Paintings should not be over two years old and not have won any awards in the past. Each entry must have a card attached to the back with the name of the artist, address, division and price if for sale.

Trophies will be on display until paintings are picked up at 10 p.m. Saturday, July 4.

For further information contact Mrs. Melvin Lee at 573-9161 or Miss Joy McLaughlin at 573-2414.

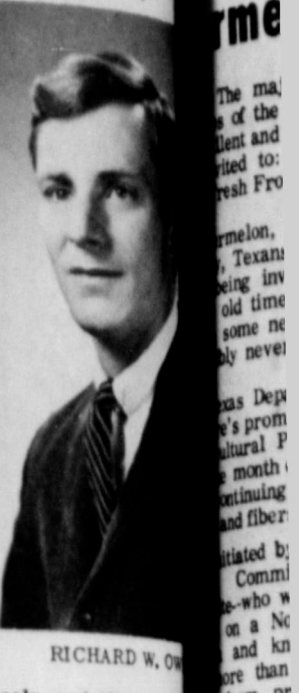

New Pastor Arrives To Serve Posey Immanuel Lutheran Church

Assuming duties as pastor of Immanuel Lutheran Church at Posey, whose congregation has been without a pastor for the past six months, is Richard W. Owens, a native of Fargo, N.D. who was ordained into the ministry of the American Lutheran Church on June 14, 1970 in Fargo.

The son of Mr. and Mrs. Wayne Owens, the new pastor was born Jan. 26, 1944 at Fargo, and was baptized April 9, 1944, and was instructed and confirmed by Rev. E. L. Rude at Devils Lake, N.D. March 22, 1959.

He received his elementary and secondary education in Devils Lake, graduating from Devils Lake Central High School in May 1962. That fall he enrolled in the University of North Dakota, Grand Forks, and received his B.A. degree in August 1967 with a major in history.

Pastor Owens began his study for the ministry in the fall of 1966 at Wartburg Theological Seminary, Dubuque, Ia. During his third year, he served as intern at University Lutheran Congregation, Ames, Ia., under the supervision of Rev. Philip Froiland. On May 24, 1970, he received his M. Div. degree. He was united in marriage to Barbara J. Lauerman of Lincolnwood, Ill. on June 14, 1968 and was ordained pastor and was ordained on June 14, 1970. Pastor and Mrs. Owens have been at Posey for about a month and reside in the parsonage. They hope that in the days ahead they will become acquainted and integral part of the community that this will be "their second home".

Area Artists Invited To Enter Snyder Art Show

The annual Fourth of July Art Show will be held in the Scurry County Barn in Towle Park, Snyder and is open to all artists in this region.

Paintings may be submitted Friday, July 3, between 1 p.m. and 8 p.m. to the Scurry Barn in Towle Park. They will be picked up between the hours of 9 p.m. and 10 p.m. Saturday, July 4.

There will be four ribbons, first, second, third and honorable mention. Also trophies will be given to first place winners in each division: senior, professional, senior amateur and junior.

Two trophies will be donated by Bullard's Athletic Center and Bennett's Office Supply to the "Public Choice" in the senior and junior divisions.

There will be three traveling trophies given for the overall best in the senior amateur and senior professional and junior class. These trophies will be kept by the winner for one year, then returned to the Fourth of July Show next year. If it is won two years in succession by the same person, they will then keep it. These were donated by Mr. and Mrs. Bentley Baize, H. A. Johnson and Sherwin Williams Paint Store.

Divisions will include Professional, non-professional amateurs, or who has not won recognition in outstanding state exhibitions; students-to and including high school students.

Classes will consist of landscape, still life, portraits and contemporary. Both copy and original work will be accepted in their prospective classes and judges as such.

Each artist may enter four paintings in each class. There will be an entrance fee of \$1 per painting in adult class, 50 cents per painting in junior class and 25 cents per painting for exhibit only. Artist will be allowed to price work for sale, with 10 per cent of sale price going to the Art Show.

Judging will be morning of

Texas Baptist Youths To Hold Peace March, Rally

A different type of peace march and rally is expected to draw more than 10,000 young people to Fort Worth from across Texas July 2-3.

On the evening of July 2, plans call for the lights in downtown Fort Worth to be turned off for 15 seconds and 10,000 flashlights to be turned on by young people. The torchlight rally and parade are part of the 1970 Youth Evangelism Conference which will emphasize the "Peace of Christ" that illuminates the lives of people committed to Him, said Dr. C. Wade Freeman, director of the Texas Baptist Evangelism Division.

Cliff Barrows of the Billy Graham evangelistic team will be the main speaker at the rally and at the opening session of the Conference in

Tarrant County Convention Center the same evening at 7 p.m. Other sessions will begin at 9:30 a.m. and 2 p.m. July 3.

At the opening session, Miss Teenage America, Debbie Patton of Odessa, will tell of the revolution which took place in her heart after she decided to follow Christ. A 500-voice Tarrant County Youth Choir will sing, and Miss Myrtle Hall of the Graham evangelistic team, will be guest soloist.

Dr. Ralph M. Smith, pastor of the Hyde Park Baptist Church, Austin, will speak July 3 on "The Role of the Bible in the Lives of Twentieth Century Youth."

Dr. Freeman said "the Youth Evangelism Conference comes at a strategic time in history, both for the church and the nation.

THE SLATONITE

FARM NEWS

Grant Provides For In-Depth Look At Narrow-Row Cotton

The production of narrow-row cotton on the Texas High Plains will be researched in depth over the next four years, thanks to a recent grant of \$140,000 from the U.S. Department of Agriculture to the Texas Agricultural Experiment Station near Lubbock.

Announcement of the grant was made by Senator John G. Tower and Representative Olin E. Teague to Dr. H. O. Kunkel, dean of Texas A&M University's College of Agriculture.

The research will be conducted at Texas A&M's Agricultural Research and Extension Center at Lubbock which has pioneered narrow-row cotton culture, the first work dating back to 1954.

Dr. George G. McBee, superintendent for research at the Center, explains that "the research project will be aimed at reducing cotton production costs and improving fiber quality."

Title of the project is "Evaluation of Narrow-Row Cotton Culture for Yield and Fiber Quality and Development of an Optimal Narrow-Row Production System."

The new project will stress fertilization, irrigation and weed and insect control in narrow-row cotton. According to McBee, researchers will also look at climatic relationships and plant characteristics which adapt varieties to narrow rows.

"Field studies will be conducted at the Center as well as in the southern part of the area on sandy soils and on clay soils to the north," explains the research director.

Two narrow-row planting patterns will be compared to the conventional 40-inch row spacing. One will be a 10-inch row spacing, commonly used for wheat and other small grains. The other planting pattern will be two rows spaced about 10 inches apart on 40-inch beds. This system, used extensively in grain sorghum production, is commonly referred to as "double row."

Dr. Lavon Ray, who has been involved in narrow-row research since its inception, points out that the USDA grant will give the Center a "total" research program in this area. Other narrow-row research projects supported by the Cotton Producers Institute and the Plains Cotton Growers, Inc. have been underway for several years. USDA agricultural engineers at the Center, headed by Elmer Hudspeth, have developed planting and harvesting

July 4th... Or July 2nd

"The United States," said American statesman James G. Blaine, "is the only country with a known birthday."

But can you pinpoint that historic date in 1776?

It's not the Fourth of July. The actual date of the act of independence was July 2--the day that the Continental Congress adopted a 1,337-word resolution declaring the 13 Colonies free of British rule.

The Declaration of Independence, adopted on July 4, was merely a fuller explanation of why the American colonists had taken the momentous step two days earlier.

Today, there's more to the Fourth of July spirit than marching bands and firecrackers. For the Declaration remains a living guide for Americans.

As President Woodrow Wilson put it: "Jefferson's Declaration of Independence is a practical document for the use of practical men. It is not a theory of government but a program of action."

Wilson's view set the tone for the "spirit of involvement" that was to sweep the country more than half a century later.

Adlai E. Stevenson spelled out the action program in today's terms when he observed:

"We dare not just look back to great yesterdays. We must look forward to great tomorrows...The challenge to all of us is to prove that a free society can remain free, human and creative--that it can combat poverty, injustice and intolerance in our midst."

In his inaugural address, President Nixon was even more specific. Calling on the nation to "shape the future in the image of our hopes," he said:

"Greatness comes in simple trappings. The simple things are the ones needed today."

He then ticked off the challenges: full employment, better housing, urban renewal, the protection of our environment.

What can YOU do about what the President called "enhancing the quality of life in America?"

Keeping informed on foreign, national and local issues is a good starting point. Read your newspaper... follow congressional debates... participate in town meetings... attend lectures by those knowledgeable in their fields. Such participation is essential if you want to prepare yourself intelligently to elect officials who share your conviction.

Public awareness is necessary if you subscribe--as most thinking men do--to the warning of abolitionist Wendell Phillips: "Eternal vigilance is the price of liberty."

What constitutes a vital issue, of course, may vary according to individual judgement. But there are few who would argue that the need for better housing is not a nationwide problem. Only the means of attaining the goal differ.

Some activists take to the streets with picket signs. You may prefer to join a tenants or neighborhood committee to upgrade living conditions.

One executive explains the one-bank holding concept this way: "The social forces of our times are shaping this new company as it grows to meet the needs of the modern world."

The threat to our environment is another challenge facing America. This, too, is being tackled at both the individual and corporate levels.

In industry, manufacturers are producing pollution-reducing engines for your car. Lead-free gasoline aims at the same goal.

Detergent-makers are coming up with washing powders low in phosphates--an ingredient which contributes to lake and river pollution.

Chemists have devised pesticides that do the job without

You can also make your voice heard in city hall public hearings. Or you can write to your elective representatives in support of housing legislation.

If you are depositor at any of the country's 14,000 commercial banks, you may--without even knowing it--already be doing something about the housing crisis and other national problems.

Responding to the needs of the times, these financial institutions have developed a new concept: the one-bank holding company. Banking remains the one-bank holding company's main business.

But at the same time, it invests in nonbanking enterprises of vital service to the individual, the community and the nation.

These services range from providing insurance and family budgeting advice to tax assistance and credit card services.

Increasingly, one-bank holding companies are meeting the housing challenge head on by supporting home-building firms, real estate enterprises and land-development corporations.

One executive explains the one-bank holding concept this way: "The social forces of our times are shaping this new company as it grows to meet the needs of the modern world."

Cubs Capture Babe Ruth League Crown

sponsored by Tri-County, captured the Babe Ruth League championship night by blanking Co-Op Gin, 15-0, in a game. The Cubs pitched a two-inning shutout in the last frame of the game, and each team had eight hits. Errors marred the game for both teams. Steve Nieman had two hits for the winners, and Ronnie Smith hit a key double.

Clarence Trotty had three hits for the Gin, while Ron Bartley and Jerry Winterrowd had two each. Nieman and Raymon Gonzales pitched for the winners and Alvarado was the loser.

Henzler scored a close 6-5 triumph over Montgomery last week to knock the Comets out of the title picture. Clyde Kitten was the winner, giving up six hits to the Comets. Kitten, Simon Gonzales and Ken Scott had two hits each for the winners, while Steve Bourn had a pair of doubles for Montgomery. Mike Lewis was the loser, giving up eight hits.

Keith Bumpass of the Comets sustained a cut above the eye when a foul ball struck him in the sixth inning.

Nieman, Kitten Lead BR Hitters; Woolever Tops Pitching Records

With one game still to be made up, statistics in Babe Ruth League this week showed five hitters above the .400 plateau.

Steve Nieman, CSB shortstop, was the leader with a .470 average, followed closely by Clyde Kitten of Henzler with a .465 mark. Kenny Schuette of the champion Cubs finished with a .457 mark.

Hector Alvarado, Gin, and Mike Busby of Montgomery were hitting .440 and .429, respectively, with a game still scheduled Wednesday night.

Next in line among the regulars were Ray Pequeno, Gin (.391); Raymon Gonzales, CSB

(.388); Clarence Trotty, Gin (.387); Gilbert Escobar, CSB (.386); Steve Bourn, MI (.371); Ron Bartley, Gin (.333); Jackie Edwards, Cubs (.323); Isalah Whaley, Cubs (.321); and David Magallanes, CSB (.305).

J. D. Moore of CSB sported the highest average with 6 for 12, or .500, but did not have enough at-bats for a regular. He is only a 13-year-old.

Nieman was the home-run leader with two--the only ones hit this season. He also led in runs scored (22) and tied for doubles with Bourn at seven. Jackie Edwards led in stolen bases and walks with 12 and 17, respectively. Escobar led in runs-batted-in with 14. Danny Martinez was second in stolen bases (8); Edwards was second in runs scored (20); Nieman was second on walks (15) and runs batted in (11).

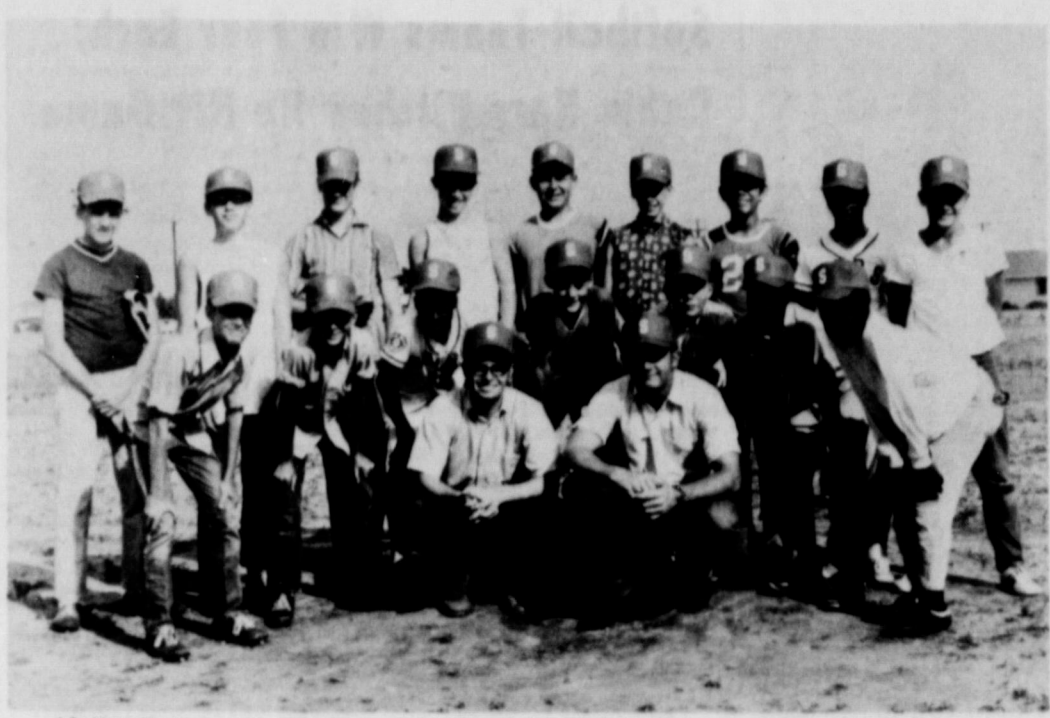

Curt Woolever of the Cubs was the winningest pitcher with a 5-2 won-lost record. He was also the strikeout king with 65 chalked up in 46 innings. The total innings pitched was also a league mark.

Clyde Kitten of Henzler finished with a 3-1 pitching record, hurling only 25 innings. He walked only 9 and whiffed 35. Jim Alba of Henzler (3-3) was second in number of innings pitched with 41. He walked 23 and fanned 41.

Other records included Escobar 3-2, Mike Lewis 3-2, Gonzales 2-0, Bourn 3-3, L. Whaley 2-0, Eddie Jones 1-1, Schuette 1-0, Nieman 2-3, Trotty 1-2, Edwards 0-2, Alvarado 0-1, Pequeno 0-4.

Babe Ruth Names Queen, Stars

Lynn Wendel was crowned as queen of the Slaton Babe Ruth League Friday night, and two All-Star teams were named as the league's regular season closed.

The queen's contest--based on fund-raising projects--brought in \$1,728 before expenses, according to BRL president J. W. Holt. Miss Wendel was candidate for the Mont-

gomery Irrigation Comet team. The queen was presented a crown, sweater, trophy and charm by last year's queen, Karla Kitten. She was escorted by Mike Busby of the Montgomery team. As part of the fund-raising, Kerl Kern was named the winner of a color television set. Mrs. Pat Green, league secretary, was in charge of the queen's contest.

Other queen candidates received individual baseball trophies and a silver charm. Lu Ann Fondy was escorted by CSB player Steve Nieman; Frana Gass by Clyde Kitten (Henzler Grocery); Kathy Sims by Curtis Woolever (Cubs), and Kathy Price by Ron Bartley (Slaton Co-Op Gin).

Players named to the senior All-Star team were Curtis Woolever, Isalah Whaley, Kenny Schuette and Jackie Edwards of the Cubs; Clyde Kitten, Jim Alba and Danny Pinkert of Henzler Grocery; Steve Nieman, Gilbert Escobar and Tom Heinrich of CSB; Steve Bourn, Mike Busby, Mike Lewis and Don Kendrick of Montgomery; and Ron Bartley of the Ginners. Hector Alvarado of the Gin was the alternate.

Named to the 13-year-old All-Star tourney team were Chris Williams, John Whaley and Charlie Haynes of the Cubs; Keith Bumpass, John Washington, Al Lewis, Mark Mosser and Clay Mitchell of Montgomery; Tony Leake, Bill Mc-

Dads, Managers To Play Game

A manager-dads benefit baseball game between Slaton Little League and Babe Ruth men has been set for Saturday, July 11. The game will be held in Babe Ruth Park, beginning at 8 p.m. It will match managers, coaches, dads and league officials of the two city baseball programs. Proceeds of the game will go to the two leagues. Admission will be \$1 for adults, 50 cents for students, and 25 cents for pre-schoolers.

Legion Team Here Saturday

Slaton's American Legion team, with a 10-9 win over Frenship in its last outing, hopes to make it two district wins in a row against Plainview here Friday night at Babe Ruth Park.

Game time is 8 p.m. at the local field. The team was rained out Monday night at Lubbock, where a game was scheduled against Furr's. The team travels to Brownfield Tuesday.

In a game here last Saturday night, Slaton jumped to a 6-0 lead in the first inning and had a 9-2 bulge after four frames. Frenship rallied in the final two innings, but Slaton held on for the close 10-9 triumph.

It was the third win of the season for Slaton against four

defeats in the district Legion chase.

Doug Smallwood, Tommy Taylor and Alan Fondy led the nine-hit Slaton attack with two hits each. Don Heinrich cracked a double in the big first inning for Slaton. Ricky Holden, Frenship pitcher, had three hits for the losers--including a couple of home runs. Jerry Hatmaker also socked a homer for the visitors.

Mike Speer was the winner, with relief help from Larry Heinrich in the last inning. Frenship had nine hits in the contest. Slaton committed four errors in the game, and Frenship had five.

Others hitting safely for the Slaton team were Terry Mosser and Steve Mosser.

Slaton Little League's championship race developed into a battle between the Dodgers and the Giants this week, after the Giants captured two wins and the Dodgers were knocked off by the Tigers.

The Dodgers had an all-important game with the Indians Wednesday evening, while the Giants have one game left with the winless Yankees tonight. Both the Dodgers and Giants had 10-4 records before the Wednesday game.

The Little League All-Star team is to be announced following the last regular season game Friday night between the Tigers and Cardinals. League standings through Tuesday: Dodgers 10-4, Giants 10-4, Indians 8-5, Tigers 7-6, Cardinals 6-8, Yankees 0-14.

CARDS 7, YANKS 4

Mike Wilkins got three hits and pitched four innings as the Cardinals took a 7-4 win over the Yankees Tuesday. The Cards had eight hits to five for the losers. Don Robinson had two hits for the Yanks, including a home run.

GIANTS 9, TIGERS 3

Kelly Copeland pitched a five-hitter, and Phil Bruedigam and Barry Copeland had two hits each as the Giants downed the Tigers by 9-3. The winners

had just six hits off Breck Hudson and Chris Hernandez.

INDIANS 18, YANKS 0

The Indians banged out 14 hits in rolling to an 18-0 shutout over the Yanks Friday. Paul Carmona socked three home runs and a single for the Indians, and John T. Basinger had three hits with a homer. Alex Cristan also added a home run for the winners. Cristan pitched a two-hitter at the Yanks, with Robinson and Curt Wheeler recording the safeties.

TIGERS 17, DODGERS 10

The Tigers had only four hits but used 13 walks and errors to good advantage in knocking off the league-leading Dodgers by 17-10. Hudson and Hernandez held the Dodgers to seven hits. Hudson had two of the hits for the Tigers, while Lonnie Ardrey and Steve Leake each had two hits for the Dodgers.

GIANTS 12, CARDS 2

Kelly Copeland and Rudy Guerra combined for a two-hit pitching job as the Giants downed the Cardinals by 12-2. The Giants collected 15 hits, including four by Rocky Smith and three by Bruedigam. Copeland also hit a homer for the winners. Mike Wilkins and Eiland Wood had the only Cardinal hits.

SOFTBALL GIRLS---Mr. and Mrs. Ray Wilkins are pictured with Slaton's 11-13 year old softball team. Players are, standing left to right, Debra Montgomery, Angela Wilkins, Jo Edna Smith and Cindy Paschall; kneeling--Sylvia Romero, Karla Williams, Terri Holland and Laurie Voigt; front row--substitute Olivia Kennedy, Belinda Rackler, Karla Kendrick, Rhonda Biggs and substitute Robin Kerr. Not pictured are Teresa Wright, Brenda McDonald and Carla Wilkins, bat girl. (SLATONITE PHOTO)

Softball Teams Win Four Each; Robin Kerr Pitches No-Hit Game

Slaton's two girls softball teams chalked up four victories each the past week, highlighted by a no-hit, no-run game pitched by Robin Kerr for the 9-10 squad.

Robin pitched the five-inning no-hit game at Idalou Monday as the Slaton team posted a 4-0 victory. She hit one batter with a pitch to spoil a perfect game. Robin struck out 12 of the 16 batters she faced. Slaton had six hits in that game, including two by Roxanne McDonald.

The 11-13 team also won at Idalou, taking a 17-8 decision. Terri Holland had four hits for Slaton, and pitcher Rhonda Biggs struck a double and home run. Brenda McDonald also had three hits.

The two teams scored wins over New Deal last Thursday. The 11-13 team posted a close 5-4 decision with Biggs pitching. Hits were collected by Biggs, Sylvia Romero, Robin Kerr, Jo Edna Smith, Laurie Voigt and Cindy Paschall.

The 9-10 group scored a 12-1 win over New Deal in a

three-inning contest, Slaton banged out 14 hits, including two each by Chris Kennedy, Robin Kerr, Roxanne McDonald and Dee Dee Preston.

Both teams won doubleheaders over Lockney last week, making up a game by playing two three-inning games instead of a five-inning game. The 11-13 group won by 30-6 and 18-2. Debra Montgomery had four hits, including a home run and double in the second game. In the first game, Angela Wilkins, Rhonda Biggs and Jo Edna Smith had three hits each. Biggs and Terri Holland had home runs. Biggs and Montgomery pitched the first game, and Holland the second contest.

The 9-10 team won over Lockney by 10-1 and 9-1 scores. Linda Lewis had two hits in two trips, including a homer, and Robin Kerr had a home run in the second game. Debbie Bednarz was the pitcher.

In the first game, Glynda Montgomery, Kerr, Bednarz and McDonald had two hits each. Kerr was the winning pitcher,

Twins Capture Minor League

The Twins captured the Minor League championship in Slaton Little League, chalking up two victories the final week of play.

The Twins downed the Mets, 8-4, Tuesday to wind up the season with a 10-3 record. The Angels were 7-5 for the year; the Mets were 8-7, and the Colts finished at 2-12.

J. Maxwell and T. Angle led the Twins with two hits each in the win over the Mets. Ramirez and Maxwell pitched for the winners. The Mets only

had one hit by Ricky Davis.

The Twins took an 11-8 win over the Colts last week with Roberts and Tamez pitching. The pair gave up only three hits.

Six Twin hits were recorded by Angle, Haire, Maxwell, Ramirez, Poeran and Moore.

The Mets downed the Angels, 7-1, last week with Haddock and Rackler combining for a no-hit game. Maxwell had two hits for the winners, while Davis and Rackler had the only other two hits in the game.

For And About Teenagers

THE WEEK'S LETTER: "I am a thirteen year old girl, with a problem. My girlfriend's mother won't let her go to any boy-girl parties, unless her older brother or sister chaperones. She is the same age as me. I don't know why, but her mother just doesn't trust her. She and I are the best of friends and we share our most intimate secrets. As far as her older brother and sister, they can do whatever they please. I don't think that is fair. She should have just as much privileges. I'm the oldest, so my mother isn't that way. But, it just isn't fair."

OUR REPLY: It is quite possible that your friend's mother does not believe that any thir-

teen-year-olds should attend boy-girl parties without a chaperone.

If such is the case, your friend—and you, as well—should be happy that she permits her daughter to attend these parties, and that her older brother and sister are willing to give their time so that she may attend. It is not a matter of trust. Some parents supervise the activities of their children more closely than other parents. When your friend reaches the age her brother and sister are presently, she will likely enjoy the same privileges—if she has shown she merits them. You and your friend would be wise to play the game mother's way.

EDITORIALS

Freedoms of America

(Today's guest editorial was adapted from a talk by the Rev. J. L. Cartrite to the Federated Church Women of Slaton. We feel it very appropriate with the upcoming July 4th observance set in Slaton.)

FAITH--This nation came about because of faith. Men set out to find it and developed through faith. (Heb. 11:1)

RELIGION--Religious freedom was one cause for the settling of these United States. The separation of church and state can and will guarantee religious freedom. (Mark 12:17)

EQUALITY--The freedom of America gives everyone equality before the law and society.

EDUCATION--Our free public systems have helped to make America the greatest nation on this earth. We must have our freedom of local control of the schools. (Prov. 4:7)

DEMOCRACY--The democratic system allows everyone to act by voice, vote and ing--then we all work together for the good of the whole. (Romans 13:1)

OPPORTUNITY--Every person has the right and place to fill. There is no room for slothful. (Matt. 25:26)

MORALITY--We are not to allow ourselves to be molded by the world, but we must mold the world. (Rom. 12:1-2)

Put them all together, they spell FREEDOM.

Guaranteed Income

SUPPOSE THAT SOME charitable fellow you knew began providing regular allowances to seven needy persons in your community.

And suppose that, in spite of good intentions all around, the results were discouraging.

Because of the way the people were being helped, they lapsed deeper and deeper into dependency, lost self respect, grew unhappier, less motivated and more burdensome to their charitable friend.

SO FINALLY HE SAYS: "This can't go on. I must try something different. And in doing so, I will add 13 more persons to the list of those I am going to help."

How much sense does that make?

SHOULDN'T HE FIRST straighten out the original seven, before he involves 13 more?

Multiply the figures by a million and the questions will apply to the Nixon Administration's Family Assistance Plan which has been passed by the House and awaits consideration by the Senate.

THERE ARE ALMOST seven million persons now on the family welfare rolls.

The program is a mess. It breeds irresponsibility. It wastes tax money. Many of the mothers, who head

80 per cent of the welfare families could be made self-supporting if they are not being properly set out and induced to take job training.

So the families drift from generation to the next, looking for welfare as a way of life.

NOW THE ADMINISTRATION set out to reform the system. Its chief proposal is to take welfare 13 million more persons all of them in families headed fathers who work full time but do not earn as much money as the Administration thinks their families should have.

It's the kind of a "solution" you would expect from social planners who are trying to conceal the poor aim by building themselves a much bigger target.

THE NEW PLAN has some features. But when it's all added up, it is a federally guaranteed annual income for all families with children.

The guaranteed annual income would be a step off the brink of a deep socialistic chasm.

The National Chamber opposes it. If you do, too, then tell your senators and congressmen about it.

--Guest editorial by Arch N. Booth, U.S. Chamber of Commerce

OUTLAND NEWS

MRS. TOMMY WILKE

Pennells Home From Hawaii

Monday again, what? It is raining, look good, wow! It is beginning to need water. Hope we get rain while it is raining.

Mrs. D. D. Pennell and her family returned home from Hawaii last week. They spent a week in Hawaii, with the Texas Association. They returned from Dallas to Slaton with 165 others. They were each given a "Lei" of fresh flowers when taken to the airport. They were taken to the airport on Waikiki Beach, Hawaii. They had a story high. They had a harbor cruise, a tour of the National Cemetery, and a visit to the city, in St. Louis. They had a grass shack at the room, China Town, and a show put on at the Cultural Center. They also toured the Polynesian Cultural Center and a show put on at the Cultural Center. They also toured the Polynesian Cultural Center and a show put on at the Cultural Center.

burned real bad last week and is in Mercy hospital. We certainly hope that all goes well with you, Charlie.

Was so sorry to hear that Rev. and Mrs. Ross Dunn's little boy is in the Wheeler Hospital. May God grant this child a speedy recovery.

ON T.V. Breonne Winterrowd and Margie Perez are attending the Cheerleading School which is being held at Texas Tech this week. They even got to participate in the football game at Jones Stadium on Saturday night. Mrs. Winterrowd said that she caught a glimpse of the girls on T.V. How about that? Good luck, girls.

DAYNEEN IS BETTER Dayneen Dunn wants everyone to know that she is enjoying your cards and letters and that she is out of the hospital, but goes back every day for her treatments. She says that she is homesick for Southland and Slaton and wish that we could all come to see her. Keep your cards and letters going!

Mrs. J. E. Day, mother of Mrs. Herbert Dunn, suffered a stroke on Friday of last week at her home in Muleshoe and is in the Muleshoe hospital. Her condition is considered very serious. May God be with her, and if it is His will, may He grant her a speedy recovery. Mrs. Dunn, who has been in Houston with Dayneen all this time, is flying into Lubbock tonight, and will go to Muleshoe to be with her mother for a few days. While Mrs. Dunn is here, Dayneen will be staying with a cousin in Houston.

Marla Shelton and Laura Bevers attended the 4-H Camp which was held at South Plains College in Levelland. They reported that they had lots of fun and hoped that they learned a lot.

SYMPATHY EXTENDED Our deepest sympathies are extended to the family of Wallace Becker who died very unexpectedly last Thursday morning from an apparent heart attack. At one time, they were residents of this community and their oldest daughter, Burdette, attended school here for several years. He has relatives and many many friends

in this community and he is certainly going to be missed. His funeral was held on Saturday morning at Grace Lutheran Church and he was buried in the Slaton Cemetery. May God comfort this family in their great sorrow.

Mr. and Mrs. D. D. Pennell, Mr. and Mrs. Arnold Ferguson and Mrs. Carl Cederholm attended the Goolsby Reunion in Wichita Falls on Sunday.

Edmund, Sherri and Yours Truly attended the wedding of Delores Wilke in Dimmitt on Saturday night. Delores is the daughter of Mr. and Mrs. Walter Wilke, former residents of this community. Mr. and Mrs. Walter Kellum and Mrs. A. Wilke are the grandparents of Delores. May God bless this marriage.

Mr. and Mrs. F. W. Callaway and grandchildren, Jay and Stacy Callaway, spent the weekend in Cloudcroft, New Mexico. Congratulations to Mr. and Mrs. Charles Whitfield on their June 27th wedding. Mrs. Whitfield is the former Jeanette Lynn Dodd, daughter of Rev. and Mrs. Bill Dodd, former Southland Baptist minister, and now of Threeway. May God bless this marriage richly.

Mr. and Mrs. Willie Becker has moved another trailer house down to Lake Stamford. Their other one was destroyed by fire some time ago.

M. A. DUNN MISSED M. A. Dunn was laid to rest on Wednesday morning of last week in the Southland Cemetery, after passing from this life on Monday, June 22nd, at West Texas Hospital in Lubbock. He is certainly going to be missed by all of us, because he had been around here for such a long time and everyone knew him and he knew us. I will miss his waving at me when I came and went from work and our little chats that we would have sometimes! May God continue to comfort his family in their loss.

Wallace Saage of Slaton visited in our home on Sunday afternoon. Ed and I visited with the R. M. McMinnis in Slaton on Sunday night.

Mrs. Mary McKee arrived back in Southland on Tuesday afternoon after attending the funeral of her brother in Temp-

Recipe Given For Heavenly Hamburger

With warm weather here, cooking out is a favorite family way of living. Without question, the King of the "cookout set" is the great American hamburger. There is probably no more universally enjoyed food for young and old alike.

Hot dogs run a close second, but there are so many, many variations in the hamburger theme, and it can be dressed so many more ways, that we put it at the top of the list. Cooked at home, in the kitchen or on the grill, or prepared at home and carried to the picnic site under refrigeration to be grilled over an open fire, it has great universal appeal.

Keep in mind always, that a fresh hamburger bun, toasted or grilled, right from the package plays an important part in making this succulent everyday or party fare unbeatable. If "variety is the spice of life," let's try some different types of hamburgers for a change:

HEAVENLY HAMBURGERS Don't scoff at this combination until you've tried it! Shape

hamburger meat into plump patties, making 4 to 6 from 1 pound of ground meat. Season with salt and pepper and either broil or grill until done. Grind salted peanuts and mix with enough mayonnaise to make a spreadable consistency. Slice sweet onions in thin slices and warm the hamburger buns. Start building your Heavenly Hamburger with the bun bottom, then the meat patty, a generous spreading of the peanut mixture topped with a slice of onion, then add the bun top. Add a leaf of lettuce if desired. Serve with potato or corn chips and pickle slices, then stand back and wait for the raves!

HAMBURGERS SUPREME This is a crowd pleaser and easily doubled or tripled to serve a large group:

- 1 pound ground beef
- 1/2 cup onion, chopped
- 2 tablespoons catsup
- 2 tablespoons prepared mustard
- 1/2 teaspoon salt
- 1 can chicken gumbo soup

Brown meat in hot pan (unless your meat is very, very fat-free in which case you will need a little oil or shortening), add onion and cook until golden brown. Add remaining ingredients and cook 30 minutes over low heat. Serve in hamburger buns. Makes enough filling for 10 buns.

Mr. and Mrs. Bill Basinger and daughters from Mercedes recently visited here with his parents, Mr. and Mrs. W. A. Basinger. Their daughter, Marilyn, will be a freshman at San Marcos College in the fall.

WELCOME HOME Welcome home to Mickey and Alan Miles, who have been in San Juan, Puerto Rico. Alan is here on a 30 day leave.

Mrs. C. W. Gindorf Sr. and her granddaughter, Joan Gindorf, flew to Red Hook, New York, recently to visit with Mr. and Mrs. Chris Gindorf and girls. Joan remained for a longer visit, but Mrs. Gindorf flew back here on Thursday of last week. This is the first time Mrs. Gindorf had ever flown, so I am anxious to talk with her and see how she liked it. She is certainly "A Young" grandmother and great-grandmother, if not in years--well then, in mind and spirit! Congratulations, Mrs. Gindorf.

Remember: "It takes both rain and sunshine to make a rainbow." See you next week.

Robert Heaton, center, receives his 10-year UTU membership pin from Ray D. Jones of Houston, vice president of United Transportation Union following a banquet here Saturday night, sponsored by the local chapter. (SLATONITE PHOTO)

Officials At UTU Meet Here

Members of the United Transportation Local #1295 met at 4 p.m. Saturday at the Slaton club house for a closed meeting with 32 members present. Following a short recess, the group re-convened for a 7 p.m. dinner which was attended by some 60 members and guests. During the program which followed, Robert Heaton was presented with a 10-year UTU membership pin by Ray D. Jones of Houston, vice president of the national organization.

GREAT AMERICAN FAVORITE---There is probably no more universally enjoyed food than the great American hamburger, for young and old alike. If "variety is the spice of life," hamburgers can be dressed up to fit any occasion or taste.

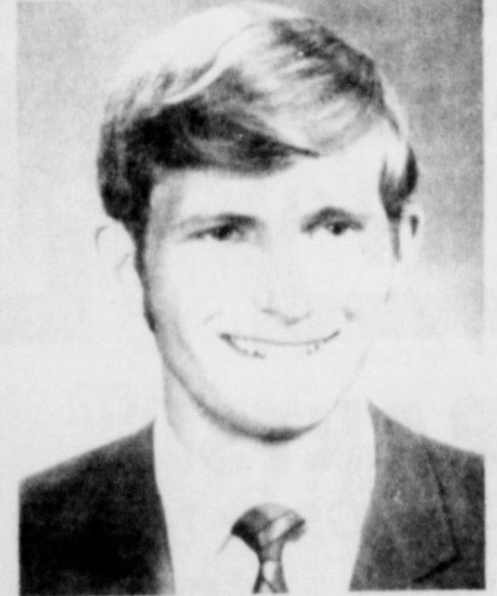

Other out-of-town guests in attendance included Bruce E. Cartmill of Kansas City, Kans., General Chairman of Conductors Committee; C. H. Gloystein of Kansas City, Mo., General Chairman of Trainmen Committee; Boyd M. Betty of Emporia, Kan., Vice General Chairman of Trainmen Committee; Secretary and Mrs. Paul H. Proffer of Kansas City, Mo., Trainmen General Committee; State Legislative Director and Mrs. C. B. Chesser of Amarillo, UTU conductors; State Director and Mrs. B. R. Cowan of Austin, UTU Trainmen; Secretary - treasurer and Mrs. S. R. Jefferson of Local 883, Amarillo; Local Chairman and Mrs. S. L. Cook of Local 883, Amarillo; Vice Local Chairman (Yard) C. E. Burgess of Local 883, Amarillo; Local Chairman and Mrs. B. R. Herman of Local 1189, San Angelo; and Mrs. Anna Mae Thomas of Amarillo.

EVERYONE WELCOME

A Qualified
Gas Air Conditioning Dealer

For
BRYANT
Gas Air Conditioning Systems

This designation is your assurance that the dealer so identified is qualified to accurately survey your home or business and to make factory-approved air conditioning installation. He has proved himself competent, reliable and fair-priced and he merits your trust and confidence. **Gas Cools better...and for less.** Since there are no major moving parts in the cooling cycle, gas air conditioning works better, longer. Gas, of course, costs less than electricity so your operating costs are bound to be less. Then too, gas keeps your entire house at a constant temperature with no hot spots here, or cold spots there.

Call today for a FREE cooling survey for your home or business. No obligation.

WILSON NEWS

MARGRET BARTLEY

Sewing Class Termed Success

On June 25, the Mary-Martha Circle of St. John's Lutheran Church, as a part of their stewardship program for the year, gave a monthly birthday party for the children of the Lubbock State School. The party

honed children with birthday gifts during the month of June. The children were served refreshments with the traditional birthday cake. They also played games, one of which was fishing for their party favors. Women from the circle who participated were Mmes Onita

Steinhauser, Barbara Wilke, Ester Klaus, Wanda Stegemoeller and Helen Ernst. Also participating were Brenda Kirbie and Linda Mears, Wilson FHA members, who are working toward their State Home-maker Degree. All agreed it was

a rewarding experience. **SEWING CLASS SUCCESS**
Seventeen women participated in the adult sewing classes given through the Homemaking department of Wilson High School recently. The classes were conducted by Fabulous Fabrics of Lubbock.

The women learned how to make T-shirts, sweaters from sweater knit, slacks, suits and swimsuits.

Those participating were JoAnn Steinhauser, Onita Steinhauser, Linda Wilke, Mary Wilke, Jerri Steen, Mrs. H.H. Hewlett, Mrs. Kenneth Moerbe,

Linda Sloan, Sue Weaver, Mary Houchin, Marie Church, Janet Neugebauer, JoAnn Cook, Josephine Benevidez, all from Wilson; Carol Green and Mrs. J. H. Shelby of Slaton; and Mrs. Moore, Home Economics teacher from Happy.

All of the women commented on knowledge gained, and said they enjoyed the classes immensely. Mrs. Mitts, in charge of the program, is looking forward to setting up another class if enough women are interested. She wishes to thank all who participated. Several girls volunteered to

keep a nursery for children of women who attended the classes. They were Brenda Kirbie, Glyna Moore, Carla Wilke and Dina Wilke.

BAPTIST NEWS
Friday night the youth of First Baptist Church, with new youth director and his wife, Mr. and Mrs. Phil Smith, and Ann Davidson, had the first of many planned outings for the summer. Present were David Savell, Karen Hobbs, Beverly Hobbs, Terri Steen, Glyna Moore, LuLyn Moore, Jan Gatzki, Connie Talkmitt, Randy Talkmitt, Brenda Kirbie, Nicky

Davidson and Brenda Crowson. "What is God to You", from the musical "Tell It Like It Is" was presented by Karen Hobbs, Marilyn Christopher and Beverly Hobbs at a program for First Baptist Church Sunday night.

Sunday guests at FBC included Sharon Carpenter of Barry, Tex., and Misha Ann and Melinda Jo Davidson of Hitchland, Okla.

Mr. and Mrs. Rodney Maeker are the parents of a baby girl, Mr. and Mrs. James Wuensche and family of New Home had dinner Sunday with

the Jackie Blaker bell Jr., and family spent Sunday with Mr. and Mrs. and Mr. and Mrs. together attended All-American Saturday at Lubbock. Mr. and Mrs. Farland of Lubbock recently visited Ollie Riddle. The Red Sunday with

Traffic Toll Tabbed at 46 For Holiday

Past experience and the present trend of traffic deaths indicate that 46 persons will lose their lives in traffic accidents during the 78-hour period of the July 4 weekend, announced Major C. W. Bell of the Texas Department of Public Safety for this area.
 Major Bell stated that "Operation Motorcade," a special emphasis program designed to focus attention on the added dangers of holiday travel, will be placed in effect from 6:00 PM Thursday, July 2, 1970, to midnight Sunday, July 5, 1970.
 All deaths resulting from traffic accidents will be tab-

ulated by the Texas Department of Public Safety throughout the period, and the totals will be announced daily as a means of keeping safety uppermost in the minds of the motoring public.
 "It is a known fact that July 4 traffic is more hazardous due to crowded conditions of the highways. Add driver misbehavior, misjudgment, negligence, and the drinking of

intoxicating beverages while driving is like a giant exploding fire cracker," Bell said.
 "In an all out effort to keep this estimated toll down, the Texas Department of Public Safety will utilize additional personnel from its other services to augment the Highway Patrol force during the holiday period," Bell added.
 "However, the most important effort in reducing traffic accidents must come from the individual drivers," concluded Major Bell.

How Safe Is Your Car?

They've finally reduced it to statistics: of four million vehicles recently inspected by the state of Texas, 43% were found unsafe for today's traffic conditions!

Does neglect of car maintenance really amount to much when it comes to safety? How much of a hazard, for example, are worn tires?

Pennsylvania Turnpike officials can answer that one.

For years, they've urged toll booth attendants to bar autos with badly worn tires.

To date, some 12,000 drivers have been told to get better

tires or stay off the Turnpike.

Result: Turnpike deaths from accidents traceable to poor tires have dropped from 26% of all fatal accidents to less than 5%.

It has been mentioned that if attendants could check other possible defects in the cars passing through their gates--defects such as bad brakes, faulty headlights and directional signals--there is little doubt that accidents could be reduced still further.

But even the "mechanically safe" car has lately come in for a probing look from experts

seeking to make it still safer.

In a recent traffic safety symposium sponsored by the National Academy of Engineering, Dr. William Haddon Jr. of the New York Department of Health cited an estimate that one-fourth of all automobiles are involved in crashes in which the occupants are either killed or injured as a result of striking the interior compartment.

Dr. Haddon also mentioned that at least one-half of all drivers killed to date received fatal injuries from steering assemblies.

Cars designed to combat these

hazards are now in production: some are already on the market.

The Swedish SAAB, for example, has the collapsible steering wheel and column which will be featured on some of next year's American models; the SAAB, winner of the hair-raising Monte Carlo Rally, also has a "pop-out" windshield and padded dashboard and visors.

Other safety features which have long been standard equipment on several imports like the SAAB and are now being built into some of the newest American cars are front wheel drive and dual brakes.

The unique traction, readability and easy handling which front wheel drive offers makes it a safety must, particularly

when the driving gets rough on ice or snow, mud or sand, or on rain-slick roads.

As for dual diagonal brakes, they double your safety margin, for if one braking system gives out, an extra hydraulic setup takes over to stop you quickly and surely on the straight and narrow, and unlike some brake systems which use front wheels and back wheels as units, the dual diagonal system uses right front and left rear, and vice versa, to avoid dangerous skids.

Safety door latches are another feature that many car shoppers will find--and a good thing, too. Safety experts note that risk of serious injury increases markedly when occupants are thrown from the

car--usually when the door flies open.

Seat belts, of course, protect against this possibility--when they are used, as they too often are not. Yet a recent study of 242 severely injured motorists again proves their value.

Dr. Allen N. Nahum of the UCLA School of Medicine estimated that 90 percent of these injuries could have been avoided or at least minimized if the motorist had been using a seat belt or shoulder harness.

Harnesses, which are standard equipment on at least one foreign car, are preferred by some safety authorities because they restrain the upper part of the body from falling forward and striking the instrument

panel in case of accident.

Even the best safety equipment, however, is no substitute for an alert and responsible driver. Although good car design may minimize accident damage, it's still true that people, not cars, cause most accidents.

Psychological causes of traffic tragedies are among the worst hazards facing drivers. "Problem" motorists tend to have certain traits in common--for example, they are often aggressive and self-centered.

But not all drivers with accident records have this kind of background, and even the "good" driver with a fine record can and does succumb to certain deadly psychological temptations of the road. These

are:

1. OVERTAKING: Taking for granted that the driver's reflexes will all be there at the right time.
2. IMPATIENCE: Needless chances, good judgment, and situations just to time.
3. SELF-RIGHTNESS: Which causes a driver to try to "teach a lesson," learned, of course, tragically different was intended.

Even drivers with psychological falling into driving or realizing it.

According to a study by the New York Department, these driving errors were implicated in traffic accidents:

1. Following another car and losing control.
2. Failing to yield to a pedestrian the right of way.
3. Failing to yield to a vehicle the right of way.
4. Failing to stop.
5. Improper use of signals.

In the final analysis, an important factor in a straight is concern over condition of your car.

Get the best--you can find, keep it tip-top, always remember that even auto is only as good as you, the driver.

Does City-Shopping build facilities that help you in time of need?

Within minutes . . . as near as our telephones when the need arises . . . are doctors, medicines and sickroom supplies . . . for us and for those dear to us.

Within minutes, too, are plentiful supplies of foods, clothing, tools for doing our jobs, and services which are often vitally important to living in Today. These are some of the material blessings to which we have become accustomed . . . as part of life in a typical American town area . . . built and supported by trading among ourselves.

But emergency needs . . . those things and those services for which we cannot wait many hours or days . . . are but a relatively small part of our total trade . . . never enough to wholly support the stores and service people and their facilities we find so essential in times of sudden need.

And . . . we can enjoy the best possible service in emergencies only if we keep our community economically vigorous and strong with our everyday trade.

Buy . . . where your trade builds the community that serves you in time of need

are:

1. OVERTAKING: Taking for granted that the driver's reflexes will all be there at the right time.
2. IMPATIENCE: Needless chances, good judgment, and situations just to time.
3. SELF-RIGHTNESS: Which causes a driver to try to "teach a lesson," learned, of course, tragically different was intended.

Even drivers with psychological falling into driving or realizing it.

According to a study by the New York Department, these driving errors were implicated in traffic accidents:

1. Following another car and losing control.
2. Failing to yield to a pedestrian the right of way.
3. Failing to yield to a vehicle the right of way.
4. Failing to stop.
5. Improper use of signals.

In the final analysis, an important factor in a straight is concern over condition of your car.

Get the best--you can find, keep it tip-top, always remember that even auto is only as good as you, the driver.

"I REMEMBER"
BY THE OLD

From Vera Farris, Mass.: I remember putting in your paper you really got your worth AND a penny put you on easy used to talk in the now it hardly stops.

I saw a five year old boy who had received two pennies for his birthday. He was holding them tightly in his hand. "What did you do for?" I asked. "I bought two pennies for my mother. She was a for sale tax on a boy."

A small faithful of my childhood in New York was a store. A candy store with its walls covered with penny candies and some of the prices but enriched full of sweet delight.

That was the first mountain came to me. If you hang on to there was a on the back of a it's way down the two cents you had to turn on the merry plete with collapse.

I loved the waffle it came heralding with music. You fourth of a regular baked on the sugar generously with sugar.

You could have taken on a pony who made his st corners . . . for that brothers had their never did. Those stolid ponies looked to me as any justice.

The older generation to reflect and changes . . . but the "young" born ease and prosperity all for granted.

Youth-led 'Encounter With Christ' Begins Sunday

REV. DELMAS LUEDKE
Luedke At Wisconsin Session

Delmas, pastor of Grace Church, is attending a two-week orientation on the Bethel International Bible as designed to promote Christian awareness among members of all churches.

This year, 230 congregations will send representatives to the Madison orientation sessions. In the 11-year history of the Series, 2010 congregations, representing every major Christian denomination, have involved more than a quarter million lay teachers and students in the Bethel Series.

The 40-week study program provides students with a firm foundation of Biblical understanding, an incentive and overview for further study, and a basis for interpreting the Scriptures as they relate to everyday Christian living.

The Bethel Series is international in scope. It is being used throughout the U.S., in a number of foreign countries, and has been translated into six foreign languages.

Pastor Luedke is pictured here with the dramatic poster from the first lesson of the Bethel Series, "Creation." It is one of 40 visual aids used to acquaint students and teachers with major themes of the Bible.

Methodist Church School

Vacation Church School will be held at the First United Methodist Church July 13-17 from 9 to 11 a.m.

The school will be for children from nursery age through the sixth grades. Mrs. Ray Cook is superintendent for the school.

Methodist Youth Attend Camp

Rev. Bruce Parks was director of a Junior High Youth Camp at Ceta Canyon Methodist Camp last week. About 175 youth and 30 adults were in attendance.

Campers from the Slaton First United Methodist Church were Amanda Wheeler, Susan Ford, Brenda McDonald, Ann Webb, Barry Wicker, Holly Meeks, Stan Meador, LaDonna Jones and Cindy Patterson. Kim Coleman of Wilson also attended.

Senior High youth from the local church who worked as counselors were Robert Englund, Nicky Farrell and Patsy Gamble. Slaton adult workers were Mrs. Weldon Meador, Mrs. Bruce Parks, Pat Wheeler and Mike Ball.

Mascots attending the camp included Ruth Parks and Lance Dunn, Bobby Ball and Robin Wicker were working in the camp as part of the summer staff.

Ed Robb At Floydada For Area Crusade

Methodist evangelist, Ed Robb of Abilene, will be featured speaker at an "Area Crusade For Christ" in Floydada July 5-12 while his son, Eddie, is holding a youth revival here.

Mr. Robb is sponsored by the churches of Floydada and the crusade will be conducted in Western Field football stadium in Floydada.

Services begin at 8 p.m. each night.

Featured singers for the crusade are Bobbie and Gene Moore, also of Abilene. Choir singers will be from all Floydada churches.

Mr. Robb has conducted revival meetings in several area churches, among them, Slaton, Lorenzo, Crosbyton, Plainview and Lubbock in the past two years.

On Honor List

The College of Education of Texas Tech University has presented to Larry E. Neagle the honor of being on the Dean's Honor List. It was awarded to those students who have attained a grade point average of 3.0 or better during the past semester.

Larry is the husband of the former Miss Deborah Ricker of Slaton.

WALLACE BECKER

Wallace Becker Rites Conducted

Wallace Becker, 57, a resident of Slaton since 1924, died Thursday morning in a doctor's office here after an apparent heart attack. Services were held at 10 a.m. Saturday in Grace Lutheran Church. The Rev. Delmas Luedke, pastor, officiated.

Burial was in Englewood under the direction of Englund.

Survivors include his wife, Alfreda; three daughters, Mrs. Burdine Wuthrick of Shreveport, La., Mrs. Belinda Schmidt of Lubbock and Belva Becker of Slaton; two brothers, August and Willie, both of Slaton; three sisters, Mrs. Tillie Krause and Mrs. B. O. Wilkie, both of Wilson, and Sister Lydia Becker of Milwaukee, Wis.; and two grandchildren.

ITEM: If you're going to enjoy a family picnic, plan your menu carefully. Unless you have some way to keep them refrigerated, leave out such foods as fish salads, sandwich fillings, creamed dishes, cream filled pies, cakes and pastries. These foods spoil easily.

Eddie Robb, a sophomore at Asbury College in Kentucky, will be the speaker for the youth-led "Encounter With Christ" which will begin Sunday. Tony Privett, a 1970 graduate of Slaton High School, will be leading the singing.

Services will be held nightly July 5 through 8th, beginning with prayer at 8 p.m. and worship at 8:30 p.m. Services will be held on the 300 block of West Lubbock St., Slaton.

Eddie is the son of Rev. and Mrs. Ed Robb and his father is the founder and executive secretary of the Ed Robb Evangelistic Association.

Tony is the son of Mr. and Mrs. George Privett of Slaton. He is a student at Texas Tech University and is employed by Lubbock's Methodist Hospital. He is majoring in music. Tony plays the guitar and has led the singing at First Baptist Church on several occasions. While attending Slaton High he was an outstanding band student being named to the all-region band, was a member of the National Honor Society, ROTC, played on the golf team and was selected Citizen of the Month in March.

During the summer of 1970 Eddie expects to participate in at least 10 Youth Crusades and assist his father and other associational team members in other meetings. He will return to Asbury in the fall of 1970 to resume his college work.

Many honors have come to Eddie. During the spring of 1970 he was elected president of next year's Sophomore Class at Asbury. He was also chosen as the only freshman delegate to the American Association of Evangelical Students, which met during April at Ann Arbor, Michigan. He was president of the United Methodist Youth Organization of the Northwest Texas Conference during 1968-69 and also served as an officer of the UMY organization of the South Central Jurisdiction of the United Methodist

EDDIE ROBB

Church

Eddie attended the National Convention of United Methodist Youth last year in Washington, D.C., and accompanied his father to the U.S. Congress on Evangelism last fall in Minneapolis, Minn. During the summer of 1969 he served as youth director at First United Methodist Church in Borger.

Young Robb spoke frequently in churches in Kentucky and surrounding states during his freshman year at Asbury. He has now spoken all across Texas, in Canada, Mississippi, Illinois, Ohio, Kentucky, and Tennessee.

Eddie was born Sept. 28, 1950, at Marshall, Tex. He graduated from Cooper High School in Abilene in 1969 and earlier attended Lee High School in Midland.

Eddie and his father have appeared together in various churches and at Evangelistic Crusades in a number of cities.

Twenty youth from the Methodist Home in Waco have been invited to be in Slaton for the

TONY PRIVETT

"encounter"

They will arrive here by bus Saturday and stay in various homes. Members of the First United Methodist Church chartered the bus for the youth.

Slaton Burial Today

Jack Pearson, 61, of Slaton, N.M., died Saturday after a sudden illness. He was a former Slaton resident here 10 years.

He was employed by the Engineers in Alameda and was formerly Santa Fe Railway.

Funeral services were held at 11:30 a.m. Saturday in Fitzgerald Funeral Home. Burial was in Slaton's Englewood cemetery.

Methodist Church School

Vacation Church School will be held at the First United Methodist Church July 13-17 from 9 to 11 a.m.

The school will be for children from nursery age through the sixth grades. Mrs. Ray Cook is superintendent for the school.

Forgive and Forget

"And their sins and inequities will I remember no more."
—Jeremiah 31:33

Forgiving is not done with a word. It is done within the heart. If someone offends you, and you "make up" for business or social reasons, you do not really forgive. If the memory of the "wrong" comes back to haunt and bother you, if you cannot forget a personal affront, you cannot forgive. You will never forget unless you really forgive.

'Most Unusual' Movie Maker On Trail In Area

A dapper gentleman will be in this area sometime this week perching in tree-tops, hanging from cliffs and grinding away with a big movie camera at the surrounding scenery.

He is Immanuel Olshan, a prominent Houston businessman and camera bug who has volunteered to produce at no cost an extensive color "travelogue" film depicting the "Ten Trails of Texas". He is making the movie under the auspices of the Texas Tourist Development Agency and the travel development division of the Texas Highway Department.

He will be in this area this week some time to film scenes which will be part of a tourist travelogue movie of the TEXAS PLAINS TRAIL.

If you happen to run across him, please extend him every courtesy, because his cause is to promote tourism and we're sure you share his enthusiasm over such a project.

Mr. Olshan is president of Olshan Enterprises of Houston, which includes an eight-acre lumber company, a demolishing

company and a house moving company. He is also widely known as a world-traveler, and his hobby for many years has been producing travel films for showing before civic groups and social clubs.

Mr. Olshan said production of the entire film will require about one and one-half years to complete. He will travel about 20,000 miles, in every corner of the state, in order to film all the trails.

According to the Houstonian, "I've spent a lot of time in many parts of the globe, but I have always considered Texas to be one of the most beautiful areas of the world, if visitors only know where to look. Texas has a special flavor, romance and history, which can be found nowhere else. I am most happy to have a part in persuading more people to find out for themselves what a wonderful state Texas really is."

The "Ten Texas Trails" have been plotted so as to get the motorist off the expressways and throughways and onto the little-traveled hard-surfaced roads, where he can appreciate the "real" Texas.

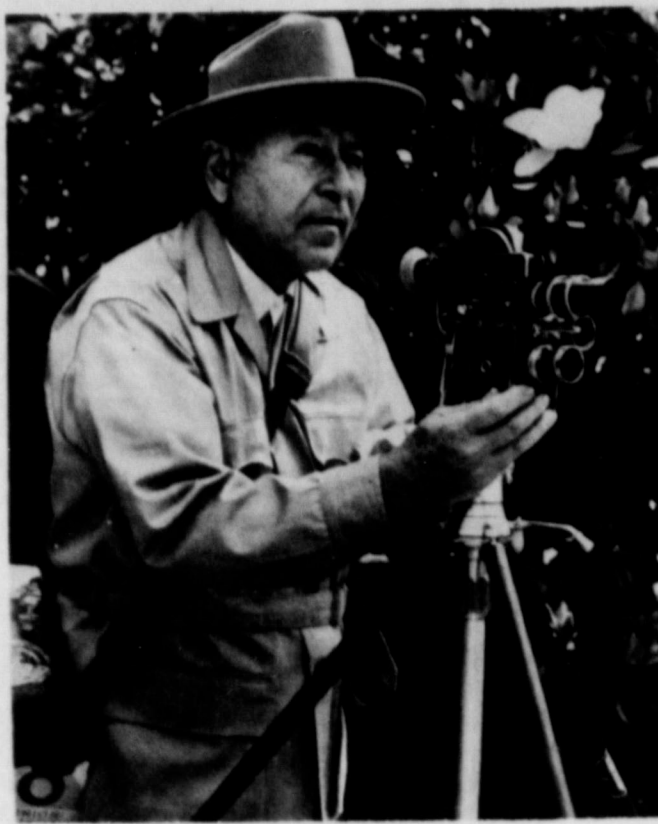

Special care has been taken to include areas that also can offer unique entertainment and

food, cultural, historical and beauty attractions and convenient accommodations.

Routes were programmed over existing hard-surfaced roads primarily farm-to-market and state highways. Easy-to-follow blue and white signs have been erected along the trails. Brochures containing maps and descriptions of attractions on the tourways are available.

The tourways extend over 6,200 miles, slicing across 162 of the state's 254 counties. Averaging 600 miles in length, each trail has a special historic flavor and personality. The trails include: The Tropical Trail, covering Padre Island and the Rio Grande Valley;

The Forest Trail (East Texas); The Lakes Trail (Central Texas); The Mountain Trail (which includes Big Bend National Park); The Forts Trail; The Independence Trail; The Plains Trail; The Brazos Trail; The Pecos Trail; and The Hill Country Trail.

SHOOTING TEXAS TRAILS--A prominent Houston businessman and camera bug--Immanuel Olshan--is producing a movie on the "Ten Trails of Texas". He is making the movie at no cost under the auspices of the Tourist Development Agency and is due in this area some time this week to film scenes for the Texas Plains Trail.

editorially speaking

Youth - Pride or Prejudice

(Editors note: The following speech was made by Steve Meador, valedictorian of Wilson High School this year, at graduation services. He is the son of Mr. and Mrs. Weldon Meador.)

Friends, guests, fellow students, and faculty members, I want to welcome you to the graduation exercises tonight of the 1970 graduating class. Tonight, I want to talk about things relevant to our nation, our government, our homes, and especially our youth.

I am afraid the youth of today do not seem to be setting a very good example as the future leaders of our country. Students and youth everywhere seem to be revolting, rioting, condemning the establishment, and disrupting our college campuses.

These youth say they are looking for the "new truth", an absolute democracy, and a society free from any restrictions or responsibilities. These students do not hesitate to use violence when conducting a march for a non-violent society; they do not blink an eye when they throw rocks, bottles, and sticks at the law enforcement officers of our country, and demand their rights. These students think nothing of free drug use, free sex, and free expression of their ideas. They fail to realize that the country and government that made free speech, free religion, and free press available is the same one that they are so set against.

They forget that the freedom we have was established by the toil and labor of many generations of patriotic citizens, and that we must fight, at times, to keep our country free. They forget that a society without morals or laws is one of Communism and oppression. I am not one who likes to say that all of our troubles are started by Communists who influence our youth, but I do believe that many factions of youth organizations are basically Communistly founded and supported.

I had an opportunity to talk to some members of one of these organizations on the University of Texas campus while at Boy's State, and they admitted that their main object is to disrupt our government, destroy our society and turn our country into a Communist nation. These people naturally exert their strongest influence on the people of our country who are the most easily influenced--the youth.

The youth of today are far ahead of the youth of 15 years ago. The quality of education they receive is far above that received by a college graduate in the past. The average student in America must receive a much more technical education in order to take his place in society and live a productive life. Because the students are receiving this advanced education, they naturally know more about things and events around them. They keep up with current events and follow our government closely.

The young people of America today are a frustrated, unhappy group. They are frustrated

because they cannot fully grasp the traditions of our country, because they want a change in everything, and this change quickly. They are unhappy because they are realizing that these changes coming about, because they are being treated as children instead of adults, mainly they are unhappy because that they are wrong and that they must conform to society rather than society conform to them.

I do not have to tell anyone how rebellious, riotous group of youth only a small percentage of youth in America. The majority of America are like the majority of America, a silent majority. I firmly believe that America, in its people and its government especially in its youth, is a silent majority made itself heard, becoming more and more evident. I don't read about student revolts, sponsored clothing drives for Red Cross helpful organizations, No, rioting, rest, and violence fills the newspapers; they are news; good deeds are not.

The youth of today need the support and love of their parents, the support of their friends, and the support of the Fellow Students, let us keep the communication open between us; let us make it evident that we are still good young people; let us live lives so that we may carry on the and freedom our country has today, adults, supply your children with the guidance they need to make decisions in life. Some of us are headed, so it may take lots of understanding, but five years from now you will realize it was all worthwhile.

I feel it has been a privilege at Wilson High School, where we are the many problems that plague our schools and colleges. But one of the sure that with the quality of education we have received here and the guidance we have acquired from you we will be able to make the right

I know I speak for all my fellow mates when I say that the youth of Wilson have been good, productive. As students, let's not throw these years away. Let us go out and make for ourselves in America, and prosper. It is an honor to be a student in America, and let's accept our responsibilities that go with that honor.

I challenge each and every one of you, as youth of our nation, to live a life as seen as a good example to the people of America. This nation is a thing; let's supply it! America's ours! Let's make it a nation of justice and justice, not by prejudice

Slaton Soldier In ROTC Camp

FT. SILL, OKLA. (AHTN) June 19 -- Cadet Ruben H. Walter, son of Mr. and Mrs. William H. Walter, Route 2, Slaton, Tex., is receiving six weeks practical application in military leadership at the Army Reserve Officer Training Corps advanced summer camp at Ft. Sill, Okla., from June 3 to July 14.

He is one of approximately 17,000 young men expected to attend ROTC camps at various military installations throughout the nation.

At camp he will be a small unit leader and instructor in realistic exercises, receiving command experience and the opportunity to use classroom knowledge in the field.

The 24-year-old cadet is a graduate student at Texas Christian University at Fort Worth where he is working toward his doctorate in chemistry. He is a 1968 graduate of Texas Lutheran College at Seguin, Tex., where he obtained his bachelor of science degree in chemistry.

His wife, Mary, resides at 2901 Travis, Fort Worth.

Immunization Clinic Today

The local immunization clinic, conducted by the Lubbock County Health Department, will be held today at the new community center building. The center is located between 4th and 5th Streets on Powers.

Immunizations available include small pox, diphtheria, whooping cough, polio, tetanus and typhoid.

The clinic will be held each first and third Thursday at the center and is to be administered by Mrs. Jeanne Johns, county health nurse.

Other services available through the center, will include general health services, a family planning clinic, maternity clinic and dental clinic. Some of these will be on a referral basis with the larger facilities in Lubbock. It was reported that if this would cause a transportation problem for some persons, transportation can be provided.

Gov. Smith to Address SPAG Leaders July 9

Governor Preston Smith will address public officials and community leaders of the 13 counties that the South Plains Association of Governments is organized to serve on Thursday, July 9, in the Texas Tech University student center ballroom. The luncheon address will be a feature of a conference on Texas Communities Tomorrow, the Governor's program for development of cities with population of 12,000 or less.

The meeting will be conducted by Taboka Mayor Melton Leslie, president of the Association of Governments. A director of the Association, Lubbock County Judge Rodrick L. Shaw, will welcome the conference participants.

The region for which the conference was arranged is composed of the counties of Bailey, Cochran, Crosby, Dickens, Floyd, Hale, Garza, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry and Yoakum. Community development ser-

VICES and programs will be reviewed by staff representatives of state agencies and a federal agency that are members of the Texas Communities Tomorrow Service Team. Following the luncheon they will be available for consultation with individuals in attendance.

Discussion subjects will include water and sewer problems, public parks, Small Business Administration programs, industrial development and technical - vocational education. Speakers on those subjects will be N. E. Davis, chief of field operations, Division of Waste Water Technology, Texas State Department of Health; J. R. Singleton, executive director, Texas Parks and Wildlife Department; C. Waylon Nelson, community development specialist, Small Business Administration; James Heath, consultant, Texas Industrial Commission; and Dr. J. N. Baker, manager of school and industrial relations, Texas State Technical Institute.

The purposes, programs and services of the South Plains Association of Governments will be reviewed by H. Alden Deyo, its executive director.

Preliminary remarks will be made by Fritz Lanham, director of State-Local Relations, and Karl Mawhorter, community development coordinator who is in charge of the Texas Communities Tomorrow program.

LETTERS to EDITOR

Mr. Editor, Thank you so much for the publicity that you gave the "Class of '59" on their recent reunion.

We appreciated it so very much.

Cordially,
Martha Haddock

ATTEND CHURCH

An extra ton of pork

from every 50 litters—with OM-5?

That's how the OM-5 program performed against non-medicated controls in 12 experiments with 785 hogs.

Grab a pencil and double-check our figuring. Look at the chart. OM-5 pigs finished out an average 4.7 lbs. heavier over non-medicated controls.	
No. of Experiments with OM-5 at 5 gm. ton	12
Total No. of Pigs (including controls)	785
Average Initial Weight (lbs.)	57.2
Average Final Weight (lbs.)	103.9
AVERAGE DAILY GAINS (lbs.):	
Non-Medicated Controls	1.54
Oleandomycin	1.60
Growth Index	103.9
AVERAGE FEED EFFICIENCY (lbs. Feed/lb. Gain):	
Non-Medicated Controls	3.65
Oleandomycin	3.52
Feed Efficiency Index	103.6

For the average 9-pig litter, this figures out to 42.3 extra lbs. Now, multiply 50 times 42.3 and you come up with 2,115 lbs.—a projection of more than an extra ton of pork from the equivalent of 50 litters!

And don't overlook the fact that OM-5 also improved feed conversions by 3.6% in the tests. Think of what all this could mean in terms of increased profits in your operation.

How does OM-5 work, compared to other additives?

You're probably using some kind of growth promotant in your grower-finisher ration now. So the big question you face is: "Will I get better gains and feed efficiency by switching to the OM-5 Program... or should I stick with what I'm using?"

Well, universities, commercial feed companies, and field operators have made a number of studies comparing OM-5 with other growth-promoting additives.

Summary data from these studies show that OM-5 hogs gained 2.7% faster than hogs receiving some other commonly used additives. Feed efficiency was 2.8% better. (Improvement over non-medicated controls was 6.9% on

gains, 7.9% on feed efficiency.) These trials involved seven different and widely used additives... it could be you're using one of them now.

So the answer to whether to switch to the OM-5 program shouldn't be difficult. After all, you're raising hogs for all the profit you can get from them - not just for the fun of it!

OM-5 proved on today's kind of hogs

Oleandomycin, or OM-5 for short, is the only additive cleared for growth promotion in the last six years.

And the trials covered above were made with the lean-and-meaty hogs you raise today. Wouldn't it be a good idea to see your feed supplier for a grower-finisher ration made with Oleandomycin?

Top Flite Feeds for the new generation of hogs

Top Flite Pig Pre-Starter and Top Flite Pig Starter contain Neo-Terramycin to give you today's best chance to avoid costly pig scours and unsatisfactory performance in your swine. Recent tests proved Neo-Terramycin reduced scours by 83% over non-medicated controls. At the same time, average daily gain was improved 15.9% and feed efficiency was 8.58% better.

Neo-Terramycin is superior because it is triple-acting. It is uniquely effective against

the three major causes of scours. It is effective against pathogenic strains of E. coli, salmonella and vibrio.

Start your next bunch of pigs right. Give them pre-starter and starter rations with new triple-action Neo-Terramycin.

Follow Top Flite's pig feeding program with OM-5 in Top Flite Pork Grower and Top Flite Pork 40--the ideal growth promotant for the new generation of hogs.
